Dear Dr. M,

The admiration my father has for you is beyond words. Now, tears welled in his eyes knowing of your retirement. He has been unwell since his angioplasty & mild stroke last August. It was a difficult period (emotionally) for him but it is you Dr. M, who in some way gave him inspiration. His favourite topic is about you and your contributions for our country. He speaks of you with great pride and there's a newfound strength in him. Just like my father, I am very proud to be a Malaysian. To me, you are God sent. Thank you for everything and may Allah Bless you.

Kindest regards
Faridah Md. Mansoor

Ps... My father (H.A.B. Mansoor) is the former FIFA referee in the late 50's-60's. Now, at the age 81, he is still a very Proud Malaysian.

We salute you,
Dato Seri Dr. Mahathir Mohamad.
Your dedication and your love for Malaysia have brought us to where we are today.

Management Team.
