

"I welcome the reissue of this book and recommend that it be compulsory reading not only by social scientists and other academics and by our civil servants and administrators, but also more widely by our politicians and other concerned citizens. It will help us to answer one of our most difficult questions for the future of Malaysia as a united nation in diversity."

The Right Hon. Dato' Seri Dr Mahathir Mohamad

GROWTH AND ETHNIC INEQUALITY

MALAYSIA'S NEW ECONOMIC POLICY

JUST FAALAND
JACK PARKINSON
RAIS SANIMAN

CONTENTS

<i>Foreword</i>	xi
