

IN SEARCH OF AN IDEAL POLITICAL ORDER

&

An Understanding of Different Political Cultures

A humble attempt to address
the shortcomings of
conventional democracy

*"No one pretends
that democracy is
perfect or all-wise.
Indeed, it has been
said that democracy
is the worst form of
government except
all those other forms
that have been tried
from time to time."
Winston Churchill,
November 11, 1947
in the House of
Commons.*
