

# CHANGE

in business, corporate governance, education, scandals,  
technology, and warfare

## Hwa A. Lim

"This is a book for anyone who wants to understand and to master change."  
—Curt Weldon, Congressman  
Chairman  
Military Procurement Subcommittee of the House Armed Services Committee  
United States House of Representatives

"Dr. Lim delivers important insights each of us can use in business and in our  
personal, professional, and family lives."  
—Joseph R. Whaley, Esquire  
Attorney at Law

## CONTENTS
