

Proceedings of the Conference Organised by
The Third World Academy of Sciences

**SOUTH-SOUTH AND
SOUTH-NORTH
COOPERATION IN
SCIENCES**

EDITORS: **A HAMENDE, M HASSAN & K K PHUA**

Trieste, Italy 5-10 July 1985

World Scientific

CONTENTS

SECTION A	
Preface and Messages from Heads of State	
Preface	5
Messages from Heads of State	9
SECTION B	
Opening Ceremony	
Address by Abdus Salam <i>President, Third World Academy of Sciences</i>	29
Address by J. Perez de Cuellar <i>Secretary-General, United Nations Organisation</i>	33
Address by A. Zichichi <i>CERN</i>	38
Address by H. Blix <i>Director General, IAEA</i>	40

Address by A. Kaddoura <i>Assistant Director General for Science, UNESCO</i>	42
Address by A.R. Khane <i>Executive Director, UNIDO</i>	44
Ideas and Money <i>C. Weiss</i>	49
Address by I. Wesley-Tanaskovic <i>United Nations University</i>	56
Address by L. Canuto <i>Programme Development Adviser, UNFSSTD</i>	58
 SECTION C	
Modalities of South-South and South-North Cooperation through Science Academies and Research Councils	
Problems and Expectations from South-South Cooperation through Academies and Science Councils <i>M.O. Ghani</i>	65
Let's Realise South-South Cooperation in the Field of Biology and Agriculture <i>Song Hak Gun</i>	72
The DPRK Academy of Sciences and South-South Cooperation <i>Chu Sung Sop</i>	75
Cooperation in Science and Technology — Sri Lankan Experiences <i>R.P. Jayewardene and L.C.A. de S. Wijesinghe</i>	78
L'Accademia delle Scienze detta dei XL, Rome, Italy <i>G.B. Marini Bettolo</i>	87

Contents

The Royal Swedish Academy of Sciences <i>O. Tandberg</i>	92
Scientific Cooperation of the USSR Academy of Sciences with Developing Countries <i>V.K. Drobroselsky</i>	95
L'Académie des Sciences, Paris <i>A. Guinier</i>	106
Modalities of North-South Cooperation through Academies and Science Councils <i>N. Dallaporta</i>	108
Science: The Great Equalizer <i>K. Salzinger</i>	111
Role of Science Academies in National Development <i>A.K. Sharma</i>	116
Problems and Expectations from South-South and South-North Cooperation through Academies and Science Councils <i>R.S.Ĵ.B. Rana</i>	120
The Limitation and Scope of North-South Cooperation <i>M. Akhtar</i>	126
The Federation of Asian Scientific Academies and Societies <i>A.K. Sharma</i>	131
SECTION D	
Role of International and Nongovernmental Organisations in Building Up Science in the South	
The Department for Cooperation to Development <i>E. Ricotta</i>	137

The International Foundation for Science (IFS) in 1985 <i>G.C. Butler</i>	143
Science and Technology for a Sustainable African Agriculture <i>C. Weiss</i>	152
UNIDO in Building Up Science in the South: A discussion paper <i>Y. Nayudamma</i>	163
UNESCO in Building Up Science in the South <i>A. Forti</i>	176
The Arab League Educational, Cultural and Scientific Organisation <i>A.A. Sabet</i>	183
The Swedish Agency for Research Cooperation with Developing Countries <i>O. Edqvist</i>	187
The Islamic Foundation for Science, Technology and Development <i>M.A. Kettani</i>	190
Strengthening Scientific and Technological Capabilities in Developing Countries: Programmes of the United States National Research Council <i>M.M. Dow</i>	192
SECTION E	
Role of International Networks	
The Philosophy and Practicalities of Networks <i>R.D. Keynes</i>	203
CHEMRAWN: Chemical Research Applied to World Needs <i>B.W. Rossiter</i>	212

Contents

World Weather Watch and World Climate Research Programme <i>D. Lal</i>	223
UNESCO and the Training of Qualified Manpower in Advanced Research Fields <i>A. Forti</i>	226
Research Contract Programme of the IAEA — A Worldwide Network <i>C.B.G. Taylor</i>	229
An Institutional Network for Research on World Problems <i>S. Nilsson</i>	236
ICTP Associates and Federation Arrangements <i>P. Budinich</i>	252
Meeting on the Role of International Networks in Building Up Science in the South	257
IBRO: International Brain Research Organisation — World Federation of Neuroscientists <i>D. Ottoson</i>	260
SECTION F	
Role of Science Centres in Building Up Science in the South	
Proposal for Establishing an International Centre on Mycorrhizal Physiology and Ecology <i>L.E. Mora-Osejo</i>	267
The Consultative Group on International Agricultural Research <i>J.T. Williams</i>	271
The International Centre for Pure and Applied Mathematics <i>H. Hogbe-Nlend</i>	275

Contents

The International Centre for Theoretical Physics <i>L. Bertocchi</i>	279
A Proposal for Science Centres for Climate Research <i>D. Lal</i>	291
Computers for Third World Development <i>M. Munasinghe</i>	293
The International Centre for Genetic Engineering and Biotechnology <i>D. Romeo</i>	311
SECTION G	
Science Teaching	
Educational Material <i>B. Saraf</i>	317
A Brief Statement on Some Efforts Aimed at Solving the Problem of Repair and Maintenance of Scientific Equipment in Developing Countries — Especially in the African Region <i>R.G.J. Butler</i>	320
Distance and Nonformal Science Education <i>M. Shamsher Ali</i>	323
Scientific Instruments <i>Kexin Guo</i>	326
SECTION H	
Special Lectures	
Modern Science in Soviet Republics of Central Asia and Kazakhstan <i>M. Assimov</i>	331

Science, Culture et Développement (in French) <i>A.R. Ratsimamanga and S. Urverg-Ratsimamanga</i>	337
Studies of Surfaces by Employing Electron Spectroscopies and Cognate Techniques <i>C.N.R. Rao</i>	352
Frontier Research on Nitrogen Fixation in Cereals and other Gramineae <i>J. Döbereiner</i>	368
Measuring and Mapping — Third World Research Productivity <i>E. Garfield</i>	377
Scientific Communication in Africa <i>T.R. Odhiambo</i>	382
Science, Technology and Development <i>U. Colombo</i>	391
Nuclear Physics Underground <i>D. Lal</i>	411
Photovoltaics for Developing Countries <i>B.W. Rossiter</i>	419
SECTION I	
Concluding Remarks	
Suggested Policies from the Working Group on Biological and Medical Sciences	439
Recommendations from the Working Group on Agricultural, Nutritional, Earth and Environmental Sciences	441
Recommendations from the Working Group on Physical and Mathematical Sciences	443

Contents

Recommendations from the Workshop on High-Level Scientific Manpower in Developing Countries	448
Proposals from the Workshop on Science Teaching and Scientific Equipment and Instrumentation	450
South-South Cooperation: Problems and Modalities	452
African Region: Short Report on Regional Meetings	454
Minutes of a Meeting of African Participants on Creating a Forum to promote Science in Africa	456
Arab Group	459
Meeting of the Asian Region Participants on the Intra-Regional South-South Cooperation in Science and Technology	461
Report on the Asian Group Discussion on Intra-Regional South-South Cooperation	464
Report from the Latin American Working Group	466
A Summary of the Working Group Reports, the Workshop Reports and the Reports on the Regional Meetings	475
Concluding Remarks	
<i>A. Salam</i>	481
Participation	489
Representatives of Science Academies and Research Councils in Developing Countries	491
Members of the Third World Academy of Sciences	499
Representatives of Science Academies in Industrialised Countries	501
Representatives from UN Organisations	502
Representatives from Other Organisations and Institutions	504
