Nikmat Hidup

*Menahan fikiran aku tak mungkin
Menumpul kalam aku tak kuasa
Merdeka berfikir gagah perkasa
Berani menyebut yang aku yakin.*

—Haji Abdul Malik Karim Amrullah (HAMKA), Malay scholar
and philosopher

My translation:

Life's Bounty

*Censoring ideas is not my deal
Nor putting to rest my writing quill.
Fearless are those who dare to think
And put to words their inner being.*

Contents
