**Athletic Rehabilitation on Massage,
Stretching & Strengthening**

Eskay Shazryl • Jarrod Hanks

"After seeing and experiencing the techniques first hand, I was beyond impressed. His techniques can make an enormous impact on your ability to relieve stress, deal with fatigue, relieve pain, and recover from hard training."

William A. Sands, Ph.D., C.S.C.S.
University of Utah
Chairman Sports Science Advisory Committee
United States Gymnastics Federation

STRESS THERAPY

Table of Contents
