

The
**CUNARD TURBINE-DRIVEN QUADRUPLE-SCREW
ATLANTIC LINER**

“MAURETANIA”

Authentically reproduced from a rare
1907 commemorative edition of 'Engineering',
with additional new material selected
by Mark D. Warren, and with the assistance of
Swan Hunter

GENERAL INDEX.

	PAGE		PAGE
INTRODUCTORY :			
The Efficiency of Modern Atlantic Liners	1	Electric Whistle Operator and Telegraph	24
High-Speed in Merchant and Naval Ships	2	Cable and Anchor-Gear	25
The Mauretania and Her Competitors	2	Cables and Mooring Chains	25
The Conception of the Mauretania : the Contract	2	Cranes and Hoists	25
The Design of the Ship	3	THE CONSTRUCTION OF THE MACHINERY :	
Experiments on Form of Ship and Propellers	4	The Works of the Turbine-Machinery Constructors... ..	25
The Supervision of the Work for the Cunard Company	6	The Arrangement of the Propelling Machinery	28
List of the Crew, Divided into the Departments of Navigation, Engineering, and Personal... ..	7	The Main Turbines	28
THE CONSTRUCTION OF THE SHIP :			
The Builders of the Ship	7	Rotors and Casings	28
The Construction of the Hull... ..	8	Blading Experiments and Manufacture	30
The Bulkhead Arrangements of the Ship	12	Glands, Bearings, Thrust-Blocks, Shafting, &c.	31
The Launching of the Ship	12	The Turbine Lifting-Gear	31
The Naming of the Ship	14	The Steam Distribution and Valves in the Turbine-Room	32
The Arrangement of the Decks	15	The Condensing Plant : From Exhaust Steam to Feed-Water	34
The Decoration of the Saloons	15	The Boilers	35
The Stairway and Entrance-Hall	15	Auxiliary Condensers and Miscellaneous Pumps	37
The Smoking-Room	16	Evaporating Plant	37
The Dining-Saloon	17	The Ventilation of Engine and Boiler-Rooms	37
The Lounge	18	Electric Motors	37
The Library	18	Auxiliary Pumps	38
The Regal Suites	18	The Machinery in the Ship	38
Special <i>en Suite</i> and State Rooms	19	THE AUXILIARY MACHINERY :	
The Nursery	19	Passengers' Hoists	39
Public Rooms for the Second-Class Passengers	19	Refrigerating Machinery	41
State Rooms	19	Electric Turbo-Generators	44
The Rooms for the Third-Class Passengers	19	Disposal of Ashes	46
The Kitchens	19	Control-Gear for Electric Fans for Forced Draught	47
Heating and Ventilation	20	Feed-Water Pumps and Heaters	47
The Electric Lighting	20	Feed-Water Filters	49
Fire Service	22	Distillers and Evaporators	50
Telephone Service	22	Pumps for Sundry Duties	51
Sanitation	23	Boat-Hoists	52
Navigating Appliances	24	Cranes and Baggage Hoists	52
		Steam Steering-Gear	53
		Anchor and Capstan Gear	55
