Introduction xxvii

• **Part I • DESIGNING INDUSTRIAL CHANNELS SYSTEMS 1**

- 1 Distribution: The Leader's Edge 3**
Four Representative Industries
The Market Segment Leaders
Summary
- 2 Elements of Distribution Strategy 22**
The Anatomy of a Multichannel Distribution System
Channels Design Options
Determinants of Distribution Strategy
Summary
- 3 Product, Market, and Buyer Behavior 43**
Three Key Determinants of Distribution Strategy
Distribution as a Negotiated Service
Summary
- 4 Distribution Costs 60**
Elements of Distribution Cost and Cost Behavior
Cost-Revenue Relationships
The Influence of Distribution Cost Factors on Modes
of Distribution
Summary
- 5 The Business Unit Environment 84**
Resource Availability
Performance Measures
Competitors' Strategies

Business Unit History and the Managerial Mind-set
 The Impact of Current Modes of Distribution
 Summary

• **Part II • CHANNELS ORGANIZATION
 AND MANAGEMENT 108**

- 6 Options in Organizing Multichannel Systems 110**
 Options in Organizing Field Sales
 The Channels Management Organization
 Pooled Sales Operations—A Tug-of-War
 Summary
- 7 Building Channels Power 130**
 Elements of Supplier Strength
 The Legal Framework
 Summary
- 8 Managing Channels Conflict 149**
 Direct Sales and Resale Channels Competition
 Reseller Rivalry: Independent Distributors versus
 Captive Branches
 The Specter of the Discount Chain
 Territorial Competition within Channels
 Summary
 Appendix: A Note on Captive Distribution Systems
- 9 The Gray Market Dilemma 169**
 Gray Markets for High-Tech Products
 Manufacturers' Concerns and Opportunities
 Root Causes
 What Are the Options?
 Taking Action
 Summary
- 10 Coping with Change 187**
 The Imperatives of Change
 Impediments to Change
 General Electric—Component Motor Operation
 Honeywell Information Systems
 Summary

- **Part III • DISTRIBUTION IN THE UNITED STATES—PAST, PRESENT, AND FUTURE 204**
- 11 The Distribution Infrastructure 205**
 - Channels Institutions of the United States—A Profile
 - Technical and Economic Determinants
 - Summary
- 12 An Historical Perspective 225**
 - The Early Years: 1812–1865
 - The Middle Years: 1865–1920
 - Distribution in an Urbanizing Economy: 1920–1985
 - Future Prospects
- 13 The Legal Framework 256**
 - Why Do Manufacturers Want to Influence Distributors' Business Operations?
 - Federal Legislation Relating to Vertical Restraints
 - Vertical Price Restrictions
 - Vertical Nonprice Restrictions
 - Terminating Distributors
 - Summary
- 14 Distribution: A Systems Perspective 277**
 - Toward a Concept of Industrial Systems
 - Adversarial Collaboration
 - Matters of Equity
- Appendix A**
 - Product-Market Study I • Square D: Market Strength through Distribution 285**
 - Product-Market Study II • Marketing in a Whirlwind: Distribution Strategies and the Disk Drive Industry 304**
 - Product-Market Study III • Access to Markets and Barriers to Entry—The Stationary Air Compressor Industry 336**
 - Product-Market Study IV • Boom-and-Bust in the Market for Oil Country Tubular Goods 355**
- Appendix B • Glossary of Terms 377**
- Index 383**
