# summary

Cover:

*The skillful Gourounsi masons in Burkina Faso have managed to create real works of art from as poor a building material as daub (bancou).*

Preceding page :

*In northern Burkina Faso, Fulani herders continually drive their cattle in the search of new lakes and pastures.*

Overleaf:

*In the far western region of Burkina Faso, numerous Gouin and Senoufo villages are found tucked away in a magnificent setting of large sandstone escarpments.*
