|   |     |
|---|-----|
| <i>Preface</i>                            | vii |
| <i>Introduction</i>                       | 1   |
| <i>Chapter 1. The Southern Region</i>     | 5   |
| Introduction: Arctic and Antarctic        | 5   |
| The Antarctic region                      | 5   |
| Antarctica: A continent apart             | 6   |
| The ice sheet                             | 7   |
| Antarctic climates                        | 7   |
| Geology                                   | 12  |
| Coastal landings                          | 14  |
| The Southern Ocean                        | 16  |
| Sea ice                                   | 18  |
| Icebergs                                  | 21  |
| Southern Ocean islands                    | 24  |
| Further reading                           | 24  |
| <i>Chapter 2. Vegetation and wildlife</i> | 25  |
| Introduction                              | 25  |
| Soils and vegetation                      | 26  |
| Insects and other beasties                | 29  |
| Inshore flora and fauna                   | 32  |
| Plankton                                  | 33  |
| Fish and fisheries                        | 34  |
| Birds                                     | 36  |
| Seals                                     | 47  |
| Whales, porpoises, dolphins               | 53  |
| Further reading                           | 55  |
| <i>Chapter 3. How do we get there?</i>    | 57  |
| Introduction                              | 57  |
| Antarctica by air                         | 57  |
| Antarctica by sea                         | 59  |
| To the southern hemisphere                | 62  |
| Health, travel insurance                  | 63  |
| Further reading                           | 64  |

|   |     |
|---|-----|
| <i>Chapter 4. On our way: The South American sector</i>                   | 65  |
| Introduction  | 65  |
| Ports of departure  | 66  |
| Starting off  | 70  |
| Sea sickness: Ship safety   | 71  |
| Cape Horn   | 72  |
| Heading south   | 73  |
| Landings  | 76  |
| Further reading   | 77  |
| <br>  |     |
| <i>Chapter 5. The Falkland Islands and South Georgia</i>                  | 79  |
| Introduction  | 79  |
| The Falkland Islands  | 79  |
| Landings on the Falkland Islands  | 83  |
| South Georgia   | 93  |
| Landings on South Georgia   | 96  |
| Further reading   | 110 |
| <br>  |     |
| <i>Chapter 6. South Shetland, South Orkney and South Sandwich Islands</i> | 111 |
| Introduction  | 111 |
| South Shetland Islands  | 113 |
| Landings on the South Shetlands   | 118 |
| South Orkney Islands  | 139 |
| Landings on the South Orkney Islands                                      | 140 |
| South Sandwich Islands  | 141 |
| Landings on the South Sandwich Islands                                    | 142 |
| Further reading   | 144 |
| <br>  |     |
| <i>Chapter 7. Antarctic Peninsula and Palmer Archipelago</i>              | 145 |
| Introduction  | 145 |
| Landings in the northern peninsula area                                   | 148 |
| Brandsfield Strait  | 156 |
| Landings in the mid-peninsula area  | 157 |
| Landings in the southern peninsula area                                   | 173 |
| Further reading   | 180 |
| <br>  |     |
| <i>Chapter 8. The Ross Sea sector</i>                                     | 181 |
| Introduction: The Ross Dependency   | 181 |
| Visiting the Ross Dependency  | 186 |
| Ports of departure  | 187 |
| Southern islands  | 190 |
| The Victoria Land coast   | 191 |
| McMurdo Sound   | 194 |
| Cape Crozier and the Ross Barrier   | 201 |
| Further reading   | 203 |

|   |     |
|---|-----|
| <i>Chapter 9. The continental coasts and interior</i> | 205 |
| Introduction: the ice coasts                          | 205 |
| Ports of departure                                    | 209 |
| Visiting the southern islands                         | 213 |
| Visiting the continental coast                        | 213 |
| Coats Land  | 214 |
| Dronning Maud Land                                    | 216 |
| Enderby Land, Kemp Land                               | 218 |
| Mac. Robertson Land                                   | 219 |
| Princess Elizabeth Land                               | 220 |
| Wilhelm II Land                                       | 220 |
| Queen Mary Land                                       | 220 |
| Wilkes Land   | 221 |
| Terre Adélie  | 221 |
| George V Land   | 222 |
| Oates Land  | 222 |
| Marie Byrd Land                                       | 223 |
| The continental interior                              | 223 |
| Further reading                                       | 224 |
| <br>  |     |
| <i>Chapter 10. Southern islands</i>                   | 225 |
| Introduction  | 225 |
| The ecological zones                                  | 226 |
| Atlantic sector islands                               | 228 |
| Indian sector islands                                 | 232 |
| Pacific sector islands                                | 243 |
| Further reading                                       | 247 |
| <br>  |     |
| <i>Chapter 11. Return from Antarctica</i>             | 249 |
| Introduction: Homeward bound                          | 249 |
| Who owns Antarctica?                                  | 250 |
| Claims to Antarctica                                  | 250 |
| Non-claimants: US attitudes                           | 251 |
| Occupation and administration                         | 251 |
| Post-war initiatives                                  | 252 |
| International Geophysical Year                        | 252 |
| The Antarctic Treaty                                  | 253 |
| Antarctica Treaty achievement                         | 260 |
| Development of the Treaty System                      | 260 |
| The minerals issue                                    | 261 |
| The 1991 Protocol                                     | 262 |
| Tourism under the Treaty                              | 264 |
| Self-regulation                                       | 264 |
| Research on tourism                                   | 266 |
| Regulation under the Protocol                         | 266 |

|                          |     |
