**Langkawi -- From Mahsuri to Mahathir:
Tourism for Whom?**

This book is dedicated to the people of Langkawi.

*Isi lemak dapat kat orang
Tulang bulu yang ketinggalan*

(They enjoy the flesh and fat
leaving us the bones and feathers)

*Kera di hutan disusukan
Anak di buaian menangis kelaparan*

(The monkey in the forest is fed with milk
while the child in the cradle cries in hunger)
