

Invitation to the Reader

In the continuing spirit of anticipatory and participatory democracy, all readers are invited to submit their views on the subject, Malaysia in the Year 2001. These can be in any form: for example, elaboration or criticism of ideas expressed in this book, delineation of subjects not covered herein, or answers to the questions posed in the sections at the end of each Commentary chapter. Contributors are asked to classify their submissions according to subject. This will facilitate filing and enable the efficient organization and retrieval of materials for future use. It is preferred that names and addresses of contributors be included, but anonymity is perfectly acceptable. Submissions should be addressed to the Syed Kechik Foundation, P.O. Box 2675, Kuala Lumpur, Malaysia.
