DECLASSIFIED!

Undoctored photos! Subversive captions! Unbelievably free speech! *Bad President* is packed with broad laughs, pointed politics, and the maddening truths of the Bush presidency.

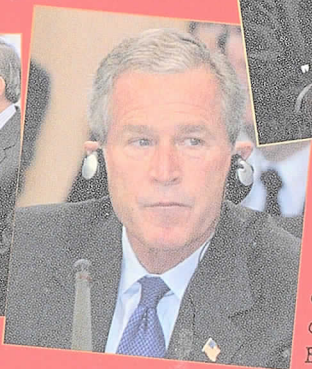

IF IT WASN'T SO PAINFUL ...

"I am smiling, goddammit!"

"Wolfowitz wants to know if you're still mad at him for the Iraq thing."

"Remind me to invade every country that doesn't speak English."
