UNGKU AZIZ'S VISION OF DEVELOPMENT

A Muslim's Experience in the Modern Times

This book attempts to present the development vision of Ungku Abdul Aziz Ungku Abdul Hamid, or better known simply as Ungku Aziz (1922–2020), in a more comprehensive fashion. Ungku Aziz's vision reflects his commitment as a Muslim as well as a citizen of an emerging Muslim-majority yet a multicultural nation, and his great concern for the underprivileged. This book also attempts to situate Ungku Aziz's vision in its proper historical context, thus providing an insight into a post-colonial debate in Malaysia as well as the views and experience of a modern-educated Muslim in such context.
