

BIBLIOGRAPHY
OF
SELECTED
PUBLICATIONS
IN
MALAYSIAN
STUDIES
1957-2021

Compiled by

GLOBAL MALAYSIAN STUDIES NETWORK (GMSN@KITA)

We hope that this modest bibliography can assist researchers in the field of Malaysian Studies and also other scholars seeking a better understanding of Malaysia. By identifying credible and authoritative materials written by experts based in Malaysia as well as overseas, the bibliography marks the first of many steps towards making Malaysian Studies more accessible in the long term.
