3 Timescale (8), *Social issues* (8), 1 Education (8), 2 Poverty (8),  
3 The New Economic Policy (NEP) (9), *Political and economic  
issues* (9), 1 Government of National Unity (9), 2 Macroeconomic  
management (9), 3 Export-led growth and high employment (10)

Varieties of affirmative action II

A brief history of politics and ethnicity in Malaysia 15

*The colonial legacy* (15), *Independence and the racial bargain* (17),

*The riots of 1969 and the shift in the balance of power* (19),

*The limits to elite accommodation* (22)

Affirmative action in Malaysia:

The New Economic Policy (1970-90) 25

*Eradicating poverty* (26), Increasing rural productivity (27),

Education and health (28), Restructuring of agriculture (28),

Poverty reduction through growth (32), *Eliminating the*

*identification of race with economic function* (35), Educating the

Malays for their new role (38), The creation of jobs in

the modern sector: economic dynamism and ethnic structuring of

the labour market (43), *Equalising of equity ownership* (49),

The Industrial Co-ordination Act (51), Perbadanan Nasional Berhad (PERNAS, The National Corporation) (54), Permodalan Nasional Berhad (PNB, The National Equity Corporation) and the Amanah Saham Nasional (ASN, The National Unit Trust Scheme) (56), Bumiputra equity ownership: The results (60), *Creating a Bumiputra commercial and industrial community* (63), *Creating Bumiputra entrepreneurs* (63), *Creating Bumiputra professionals and managers* (65), Bumiputra representation in Administration and Management (66), Bumiputra representation in the Registered Professions (69)

4 Economic growth and affirmative action 73

*The creation of a dynamic, high-growth economy* (73), *How far could affirmative action have been successful without economic growth?* (81), *The experience in the 1980s* (81), *Growth and affirmative action: the general picture* (83)

5 The scope for affirmative action in South Africa 86

*How far can policy makers learn from other experiences of affirmative action?* (86), *The views of some important constituencies on affirmative action* (88), *How to create a racially representative economy and reduce black poverty* (91), *The creation of a black middle class* (95), *Reducing the ownership gulf and increasing black business participation* (99)

6 Conclusions: Can South Africa match the Malaysian performance? 102

1 Poverty reduction (102), 2 Increasing racial representation across the economy (103), 3 Equity ownership (103), 4 A Black middle class (103)

Appendix A 106

*The contribution made by changes in unearned income to the change in total ethnic distribution of income* (106)

## Appendix B

108

*Malaysian industrialisation: is there such a thing as bad investment?* (108)
