Shortly after withdrawing subsidy for oil, the Government announced that salaries for Government servants would be paid twice a month.

Now the Government has announced it would continue to pay salaries once a month.

One can almost hear the flip followed by the flop.

Assalamualaikum Tun,

Salam sejahtera sepanjang masa sy doakan buat Tun & isteri.

Mmg flip-flop ini semakin menjengkelkan sy. Kredibiliti flip-flop sebegini sbg pemimpin mbuat sy hilang hormat & keyakinan. Memalukan saja.

Salam.

Ini yg saya memang kesalkan. Malah ucapan terima kasih presiden cuepacs kpd paklah pun saya tak tahu apakah kewajarannya. Benda semudah itu paklah tidak boleh berfikir. Menambahkan kekerapan pembayaran gaji tanpa meningkatkan gaji adalah satu perkerjaan sia-sia kerana meningkatkan kos kepada kerajaan dan juga pekerja.

Semasa mengumumkannya, paklah telah mengarahkan ianya dilaksanakan bermula haji Ogos. Tetapi sesudah di tentang beberapa pihak..muncul beberapa menteri yg mengatakan itu baru cadangan. Saya hanya menggelengkan kepala. Paklah berkata akan membantu cash flow kakitangan kerajaan. Bagi saya, paklah tak faham apa yg penting bila kita berkata tentang cash flow. Kita mementingkan net cash flow...bukannya kekerapan cash flow yg menghasilkan nilai yg sama...

Itulah tahap keupayaan pembuatan keputusan PM kita...malangnya!!!

Salam Tun...Kita dah mual dengar flip flop kerajaan Pak Lah. Dan ia nya pasti akan berlaku lagi selagi kita semua rakyat tidak sebulat suara menjatuhkan pimpinan beliau. Terkini, saya curiga dengan Anwar Ibrahim. Adakah US telah banyak membiayai beliau dan adakah beliau bekerja untuk US? tatkala Anwar Ibrahim dihadapi dengan tuduhan liwat, US lantang bersuara cuba mempertahankan beliau. Seolah olah US takut Anwar tak dapat jadi PM. Kita rakyat harus berhati hati dalam percaturan ini. Jika benar dan kelihatan nya seperti Anwar ini orang suruhan US.

Religion	Without	Sacrifice

Selamat pagi Tun,

Biasa lah Tun, kita manusia kan ada otak kiri dan kanan. Sepatutnya seseorang pemimpin itu harus mempunyai keluarbiasaan dari segi kreadibiliti dan ideologi. Apa ada pada mereka sekarang? Otak,hati dan mulut pun tak sehalu,yang ada pun kepentingan sendiri. Itu lah malapetaka rakyat.

Salam Ayahanda Tun. With regards to Tun's latest mention on the present gloomy US economic state, Tun did mention that the US may resort to something illegal in order to save themselves from the impending downfall, which I am certain would surpass the magnitude of the 1929 Wall Street crash. This something illegal I reckon maybe by way of going to war with Iran. (?). The US would stand to gain more in the long term as opposed to its short term losses (however incredible it may be) that may arise from this move. If the US has begun asking farmers in North Dakota to dig up their backyards in search for oil, it won't be long before Uncle Sam mounts up the missiles for Tehran. This Uncle Sam is also responsible for getting more than 1 Million killed in their "War on Terror" in Iraq, the very same Uncle Sam who had been made famous by their torture techniques in Guantanamo Bay and Abu Ghraib POW prison, the same Uncle Sam who had tore and defaced the pages of the holy al-Quran in Abu Ghraib POW Prison. Lets not forget the images of Iraqi prisoners being tortured and sexually humiliated by US troops at the Abu Ghraib prison near Baghdad. The photographs, which show American soldiers—men and women—smiling, laughing or giving thumbs-up signs alongside naked Iraqi prisoners, expose the sadistic and brutal methods employed by American forces and provide more evidence of the catalog of war crimes being committed by US-led forces in Iraq. One of the pictures shows an Iraqi prisoner standing on a box with a hood over his head. Electric wires are attached to his hands. He was told that if he fell off the box he would be electrocuted. Another photograph is of naked male detainees stacked in a pyramid shape, one of the men has a religious slur written on his skin in English. In some pictures, prisoners are positioned to simulate sex with each other while US troops point and laugh. Its the same Uncle Sam that just a few days ago had warned Malaysia not to investigate or prosecute Anwar Ibrahim for his alleged latest sodomy charges. I am certain we can all draw our own conclusion on this. I believe America would resort to all sorts of tactics both legal and otherwise to ensure its survivability and the continual existence of the Jewish-Agenda. All this would greatly have impact on the world's economy. In the 1997 economic crisis we slept soundly at night as though nothing was really happening around us because we know that we had the best economic mind at the helm. Like pulling a warm blanket on a cold Sunday morning, we were secured knowing that Ayahanda Tun was in-charge of the country then. However, it's not the same anymore today and no amount of blanket could make us cozy for long in this climate.

Tun, i wish to highlight to all regarding your wise comment on "oil speculation" yesterday, and all of us here would like to tell you that we really really miss this kind of "call" by the leader of the country. Ever since your absent from the government, we rarely heard about such comment from our leader, and most issues were left uncontested / un-commented / un-criticized , eventually left sinking into the deep ocean. We all here miss your leadership very very much. Stay healthy Tun.

By Critique on [July 4, 2008 8:49 AM](#)

As you are one with years and years of experience, I would like to ask you, TDM, in the government, isn't there a body or committee who sits down and fully discuss on the motions that they are going to propose in the parliament? Because it's like you said, one day it's flip and the other flop. This makes me feel that there's lack of research on the part of the government as they have failed to monitor the changes of the oil price (which now the people have to pay dearly for). And it looks like any motion they propose are things that first pop up in their mind. Thus making them look flimsy and ultimately weak.

Is everybody busy politicking with one another that there's no one running the country?

Good Morning, Sir!

Tun, you're still being too kind to the 'man who thinks he is the PM and his bunch of clowns'. It's not only that people could hear the Flip & Flop but they have started anticipating the FLOP and placing bets on how soon it would follow suit after the FLIP. Malaysians from every strata of the society have only vulgar words and extreme anger to describe Bodowi and his 'rape' of the nation. They feel (bukan saya kata...depa yang kata) the Imam Hadhari should have just followed the VISION2020 blueprint and ensured the smooth implimentation of the masterplan rather than trying to re-invent the wheel. But I guess, being a wolf which had been hiding under the feathers for a long time, he just wanted to SHOW the world that he could be better than Dr.Mahathir Mohamad the Statesman. I truly wonder what all the religious knowledge had taught him. He is a liar and an unfaithful human being (no doubt about that), he's more lazy than the 10 PWD guys who waste 8-hours to replace a leaking waterpipe, he's late for almost every function unless good looking bimbos are also invited, he doesn't give a damn about what is happening to fellow Muslims in Palestine/Iraq/Afghanistan n etc and he is on holiday while pretending to be the Prime Minister of Malaysia. Some say he should be Given A Chance! But what kind of a chance could you give such a human being who lacks wisdom and has no sense of responsibility at all? On top of having no sense of responsibility to the nation and her people, this 'wolf' is also systematically robbing the nation. Tun, it seems now he has somehow diverted all the attention to the SODOMEE stall and Najib. The semi-human who once again stands accused for sodomy is not worth any discussion but the 'naive looking pious pretender cum Hadhari promoter' has sanctioned some dirty tricks to silence Najib. On his own he is only good at trying to tackle pretty women and posing for pictures with them, but the Devils in the kitchen cabinet are pretty dangerous.

Tun, all that you have help Malaysia build for almost quarter a century is heading towards the drain. Every power to act against the 'Wolf' seems centered in Umno. The MPs are not prepared to step away from so-called tradition and convention. What else could we initiate to remove him Sir ?

Orang buta kira-kira pun boleh buat penilaian..adakah bayar 2 kali gaji dalam sebulan boleh  
selesaikan masalah beban rakyat...

Kalau kerajaan kata nak beri gaji 2 kali ganda itu barulah betul..mengurangkan beban rakyat...

TUN.....dalam penilaian kehidupan seharian saya dan juga pemantauan saya..bahawa totally  
rakyat memang dah benci dengan kerajaan sekarang..

Saya percaya dgn ramalan TUN bahawa BN akan kalah teruk bila PRU13 nanti..sekarang pun

Tun,

"Flip-flop" is the common name given to two-state devices which offer basic memory for sequential logic operations. Flip-flops are heavily used for digital data storage and transfer and are commonly used in banks called "registers" for the storage of binary numerical data.

So, This is Digital Era. Pak Lah era is Digital Era so Flip Flop is common from Digital Device.

Previously the govt announce to cut ministers entertainment allowance 10%, but now increasing the allowance for JUSA. How can this be? They should increase the allowance for those at lower scheme, as those who are really affected by the petrol price increase. The JUSA is not the group affected by the petrol hike, but now given increment for the entertainment allowance.. So much for the perbelanjaan berhemah..

I wonder what is on the mind of the current govt..

Harap Tun dikurniakan Allah kesihatan yang baik. Berhubung dengan pembayaran gaji dua kali sebulan, idea siapakah itu? Tak mungkin Pak Lah boleh terfikir idea yang 'sebernas' itu.

By Anak Johor on [July 4, 2008 9:16 AM](#)

Perkara yang kecil macam tu pun tak boleh handle dengan teliti. Inikan pula masalah ekonomi negara. Sebelum buat pengumuman nak bayar gaji 2 kali sebulan tu, tak boleh ker diaorang survey dulu...untuk memastikan peralaksanaan itu dipersetujui oleh penjawat awam atau tidak. Ini tidak, dah umum...lepas tu orang kata tak suka, umumkan pula tak jadi. Nampak sangat keputusan yang dibuat kerajaan sekarang ni bukan hasil dari musyawarah, tapi ikut sedap sendiri saja. Mungkin juga ikut kata tuan-tuan penasihat yang sebenarnya langsung tidak menjalankan kerja dengan teliti. Hentam kromo saja..

Memang saya dah hilang keyakinan dengan sebarang keputusan yang dibuat kerajaan sekarang. Lagi banyak flip-flop, lagi hilang keyakinan rakyat pada kerajaan yang menerajui pentadbiran negara. Jangan ingat perkara kecil rakyat pandang remeh, tapi sebab perkara kecil inilah, hilang terus keyakinan. Kalau perkara kecil tak boleh nak handle, apa lagi perkara yang besar-besar...contohnya dah banyak yang kita nampak sebelum ini. Isu jambatan bengkok pun sama. Ishhhh...dah muakkkk lah!!!

Salam Tun Dr.M,

As ordinary M'sian citizen i'm of the view that flip flop government would not be able to weather the stormy world economy. I'm afraid at the end the people of our beloved country will suffer and this would lead to instability our country. The problem now is, who would be able to lead all of us. We're in need of a true leader now, not someone who do things other people tell him to do, not someone who using press for their own interest, not someone who want to make a comeback into

politics after being out of prison nor the one who had lot of scandals and certainly not the "Kami Sokong" type.

We're so fortunate to have you during the Asian currency crisis, if not for you sound and stern decision most certainly we're now in the grip of foreigners. Although selfish as it may sound but the country really need your wisdom now more then ever.

Please tell the leaders of today that they need to reconcile their differences be it with you, within party or with other party. One more thing, please tell them to listen to you. Majority people of M'sian had endorsed your leadership ability. So please tell them to listen to what you had to say or else we're afraid that the Government would again make flip flop decisions.

Salam Tun,

Saya dah lama mengikuti perkembangan blog chedet tapi belum berkesempatan untuk menyatakan pandangan, cadangan dan komen dan ini adalah kali pertama saya membuat komen.

Semenjak Pak Lah memegang jawatan PM pelbagai pihak membuat perbandingan dan spekulasi cara pemerintahan Che Det dan Pak Lah. Pada zaman Che Det setiap spekulasi buruk bertukar menjadi sebaliknya manakala Pak Lah spekulasi menjadi nyata. Janji Che Det pada rakyat hampir kesemuanya dipenuhi manakala Pak Lah janji tinggal janji dan menjadi dendam serta benci. Setiap program, kempen dan aktiviti yang cuba dilakukan oleh Pak Lah semua menjurus kepada spekulasi menjadi nyata. Che Det sudah keluar dari UMNO bagaimana untuk Che Det untuk memulihkan kembali UMNO/melayu dengan program, kempen, strategi dan pemikiran kreatif Che Det yang begitu brilliant yang mana orang lain tidak mungkin dapat melihat dari segi jangka pendek dan jangka panjang.

Saya amat berharap supaya Che Det dapat memberi kami harapan dan tindakan supaya rakyat nampak apa yang sepatutnya mereka lakukan untuk mengembalikan suasana politik yang ditadbir urus dengan berkesan semasa pemerintahan Che Det. Syukur kepada Allah kerana mengurniakan kami rakyat Malaysia seorang pemimpin seperti Che Det. Semoga Che Det mendapat ilham bagaimana untuk memulihkan situasi sekarang yang rakyat tidak tahu akan kesannya pada generasi mereka pada masa hadapan. Terima kasih....

TUN,

KEJATUHAN DOLLAR SATU KONSPIRASI

New World Oder(NOW) oleh masyarakat elite yang dipanggil Secret Society merancang apa yang berlaku di dunia sekarang.?

Kenaikan harga minyak, masalah makanan dan “pengganas palsu” adalah satu agenda Secret society yang juga di kuasai oleh Zionist dan freemanson?

Dari konspirasi NWO, permasalahan di atas menjuruskan kepada pembentukan North American Union(NAU) diantara Canada, Amerikan dan Mexico. Matlamat akhir dan jangka panjang mereka adalah pembentukan “One World Government” dan menguasai keuangan dunia.

Siapa mereka ini, Secret Society dan Freemanson?

Apa NWO ini dengan Amerika?

Kalau benar konspirasi kejatuhan dollar Amerika ini, dunia akan merasakan kesan yang dahsyat dengan kejatuhan nilai USD. Semua jual beli komoditi dan transaksi bank dunia akan melumpuh.

Kenapa ini di biarkan berlaku?

Kenapa Amerika membiarkannya?

Apa kesan dari kejatuhan dollar ini?

Tujuan mereka adalah untuk membentuk matawang baru “Amero” bagi Negara NAU tadi untuk western Hemespire seperti Euro di Eropah. Kekeuatan Euro dan Amero ini akan digabungkan satu masa nanti dengan satu matawang dunia, apabila matlamat satu kerajaan dunia mereka tercapai.

Apapun jika ujud konspirasi ini, apakah Malaysia bersedia dengan kejatuhan USD ini.?

Apa kah alternatif kerajaan Malaysia dalam transaksi bankingnya?

As'kum Tun...

Bila diumumkan pembatalan 2 kali gaji dalam sebulan dah menunjukkan PM kita ni dah nyayok.. fikirilah dulu sebelum buat keputusan.. berapa punya banyak penasihat pun semua tak boleh pakai.. Otak mereka hanyalah mementingkan macam mana nak kumpul wang sebelum mereka-mereka ini ditumbangkan. Suruh rakyat berjimat cermat konon!! diorang ni semuanya bolehlah cakap.. minyak claim kerajaan, keta kerajaan, gi sana-sini pun kerajaan yang bayar.. pakailah duit sendiri nak tengok macam mana yang kita orang ni rasa!!

Macam ni ke nak suruh kita sokong kerajaan? pi dahh.. Buat keputusan yang remeh pun tak betul macam manalah nak kemudi negara?  
Saya sarankan baik je PM letak jawatan secara terhormat sebelum rakyat buat huru-hara.. sebagai orang islam, sebaik-baik tempat yang harus dituju adalah depan KAABAH. Segalagalanya akan terjawab bila kita dengan jujur mengadap KAABAH.. Betul tak TUN?

Why Pak Lah flip-flops more? Always do the tactical and not the fundamental decisions? Why does it matter who flips and flops the most? Pak Lah is politician, its what he does.

The larger issue that we must face here is that there is a time when it makes good sense for a leader to change his mind, for the good of the country, based on a change in the environment. And then again there are times when changing your decision shows your innermost character. The Malaysian people should take note. Flip-flops will rattle the confidence of both foreign and local investors. If it can happen today, what is there to assure that it will not happen again?

In today's competitive environment, is that what Malaysians want? Of course not! Has so many flip flops that he cannot be trusted.

When the announcement first came about the double half-pay arrangements for govt servants, i was thinking to myself what does it tell us about its benefit.

1) Does it mean that if you pay once per month the money will dry up faster? That means we look down upon the govt servants as bad financial planners.

2) Does it mean that if you pay it in 2 parts they will have more money? Certainly not, it is just the same in the end. So it must mean that they run out faster at the end of the month and have to wait for the half point to get the other half. This means just telling them not to spend so much at one go.

Point is, they are almost dry. They have debts and loans to pay. Some even go to loan sharks. They are mostly on credit living. Cars, houses, education for kids, self-education, leisure, etc, etc.

I think why the flop happens is because the cost to implement is higher than the present system of paying just once. Obviously you have to change the payroll system and the printing of slips and statements and reconciliation. It will be a nightmare. I know because i was a payroll programmer before. A sudden change is a nightmare.

But the clear flop sound of it is when the PM who first announced it did not come clean when the flop was reannounced. I dont think it was him that announced the flop on prime time TV as when he flipped. The quiet allowance of flops is not leadership.

During the previous PM days, he confronted crises head-on, research till the ends of the earth and made the most blantant statements that can be and stand by them. Either the world goes or Dr. Mahathir goes. He did braved the storms of 1997 for us and today we are all still standing, Pak Lah and co included.

The least we can do is ask Dr. M to rejoin the cabinet as a senior minister and make the necessary surgery room changes. Hope he has the best ansthesia when he cuts the head off.

Salam Tun,

I have really no confidence whatsoever in what the government do now.I dare to bet that the next flip flop issue is the cancellation of government function in hotels.

As mentioned by Datuk Seri Azalina Othman, the cancellation of government event in hotels are hurting the hoteliers.Now they are making noise and as usual , the government will tackle every issue that was arised. Common AAB , what is your stand and strategy right now ? This is a proof that reducing the fuel subsidy action was taken whithout thinking on the whole macro economy.The windfall tax implementation on small and medium company may also been review as brought up by Dato Muhiyidin ( Sorry , If I spell out incorrectly ). This will be another flip and flop decision by the governmnet.

The purpose of reviewing and rearranging the fuel subsidy as claimed was to direct the subsidy to the one who needed more. This is not happening at all. The rebate of Rm 625 to a limited of 5 cars clearly subsidying the reach people more as they would get a maximum of Rm 3125 !

Now the hoteliers and supplier make noise and also the small and medium company.I will sure the government will submit to their request as they provide the government income . However , are the hoteliers and businessman are feeling the crunch of the increase in the cost or living more or the wage earner which form the majority of the population. What is the rationale of rearranging the fuel subsidy is about then ? What is the objective as claimed by the government.All total bullshit. They only care on their own interest only.

Any taker on my bet on the next flip flop decision?

By pakbelalang  on [July 4, 2008 10:58 AM](#)

By pakbelalang on July 4, 2008 10:55 AM  
Dear Tun,

This is a reflection of gross laziness on the part of Pak Lah to really take pain to study in-depth the implication of whatever policies the government put forward to the rakyat before making any official announcement. A good example of Pak Lah's unforgivable diplomatic boo-boo was by instructing Azmi to go to China to apologise personally to the Chinese government regarding the case of a Chinese citizen woman being ill-treated inside the police lock up. What an embarrassing diplomatic move he had done when it was found later that the woman was actually a Malaysian. I think he is rather too relax and feel good all the time. HE IS A DREAMER. If this flip flop decisions continue to be the norm I think Pak Lah is just not fit at all to be our Prime Minister anymore. He should resign. Another simple reason for this flip flop is because Pak Lah always depends too much on his official and "backdoor" advisors to feed him with all the "raw" information available at his disposal without being able to digest intelligently to find the best option to act accordingly, without being continuously caught in a flip flop action.

I think at his age Pak Lah's mental absorbtion of what is happening surrouding him has already reached the peak and is fast becoming saturated and declining. This is especially true when you look at him physically. He looks very fragile and SLEEPY !!

Askm Tun,  
Yes, our PM is known to be flip flop PM. But part of the reasons why we have the current government is because you "Tun" does not groom potential leaders to inherit the tradition of excellency. Without good leaders, we are always in flip flop situation. Besides all the good things that you have done, one of the biggest mistakes on your side is not grooming "future PM" (of course Anwar case is one of it). As a result, we are experiencing "vacuum" in quality government. We need good leader/PM for better Malaysia.

Flip flop. SOunds interesting. I have build a few flip flop circuits before and use them as electronics buzzers and square wave generator. I only need 2 transistors, 2 capacitors and 2 resistors. Putting LEDS at the collector's output, making it emit blinking lights. My small little girl enjoy the sight of it. The circuit can also be build using 555 timer Integrated Circuit. The circuit plays important roles in computer operation. You need to study Boolean Algebra to analyse it.

Assalamualaikum Ayahanda Tun,

Banyak yang hendak diperkatakan kepada tetapi bila saja saya nak menaip tak tau nak mula dari mana, saya amat mengagumi cara Tun handle Malaysia, no one ever can beat that.

Saya sangat sedih sekarang ni Tun kerana keadaan politik di negara kita dah kucar kacir dah....Saya dah naik menyampah tengok semua yang ada sekarang ni baik BN atau PR.....semua gila kuasa, yang satu nak pertahan kuasa, yang satu lagi dok buat drama swasta nak rampas kuasa konon, kuat belit betul depa ni....

Kepada Rakyat Malaysia dan Bloggers:

Saya nak cakap sedikit yang dah terbuku di hati sejak dari tahun 1998 lagi di masa Anwar kena pecat dulu, bagaimana segelintir rakyat Malaysia yang menghina dan mencaci Tun hatta ada yang meludah di atas gambar Tun sambil menyuruh sanak saudara semua berbuat demikian.....kerna apa? Kerna Anwar bukan.....yalah orang kita kalau nampak seseorang tu warak dan alim sedikit kita percaya habis...macam Anwar memang nampak alim...tapi hakikatnya tuhan saja yang tahu...cerita yang saya sebut tadi adalah kenyataan. Bila kenangkan kembali detik2 itu yang pernah saya nampak sendiri di SOGO atau lebih tepat lagi di Jln Tuanku Abd Rahman pada zaman reformasi dulu...Saya sedih dan kecewa sangat dengan sikap orang kita yang tak usul periksa tau tau je terus melompat memaki hamun Tun, saya tau Tun tak bersalah dalam hal ini...berkat kesabaran Tun akhirnya semuanya dapat di atasi.....I LOVE U TUN.....I WISH TO MEET YOU IN PERSON....SAYA NAK CIUM TANGAN TUN...(mungkin org anggap saya ni fanatik...lantaklah....saya tau Tun siapa)

Lagi satu saya nak sampaikan pada kengkawan semua, JANGAN LA KITA TERLAMPAU CEPAT TERPENGARUH DENGAN SESEORANG YANG NAMPAK WARA' TETAPI SEBAIK BAIKNYA SIASATLAH DENGAN TELITI DAHULU LATAR BELAKANGNYA, BUKAN MAIN HANTAM CROMO SAJA.....KADANG2 YANG KITA NAMPAK BURUK ITU ADALAH KEBAIKAN UNTUK KITA SEBENARNYA DAN YANG KITA NAMPAK BAIK ITU ADALAH DISEBALIKNYA...SEKIAN SAJA DULU BUAT KALI INI....

TO AYAHANDA TUN, MAY ALLAH BLESS YOU AND FAMILY. YOU ARE THE GREATEST LEADER OF OUR TIME.....

Good day Tun

The indecisive action by the Government; the battle of the ministers for the purpose of taking each other down; still are not going to solve anything and this worsens the situation. We the people are witnessing the biggest drama in the history of Malaysia's politic scenario. It's sad.

The flip-flop of the Government in giving the salary to the government workers, for my opinion, is not going to solve their financial situation. The government can help them in managing their financial and spendings wiser.

I still remember what Tun used to say in one of your speeches; We can never get satisfied with our salaries. We will never feel that they're enough

Yang terhormat Tun Mahatir.

Good morning to our beloved Tun.  
We should do something for our country before its too late.  
We depends on u sir.  
Our current PM is useless, same to Najib.  
I hate Anuar, I don't want him to be our new PM.

We should send thousands of letters to the agong, regarding Pak Lah.  
Dan Kita harus bersatu padu menyuarakan isi hati rakyat.

Kita rakyat Malaysia bersatu padu menentang British ketika dahulu, dan sekarang saya seru kita bersatu padu untuk mengambil tindakan yg kita tidak mahu "Pak Lah menjadi PM kita lagi" (kempen putih)

Selama saya hidup tidak pernah sama sekali rakyat Malaysia meminta PM kita sendiri meletak jawatan, sehinggalah sekarang.

Jikalau Tun, kembali memerintah kerajaan, saya percaya Rakyat Malaysia 100% akan memberi sokongan kepada Tun.

Saya tidak sanggup lagi, hidup dalam keadaan ketakutan, tidak selamat dan tidak berkeyakinan dgn Malaysia.  
TUN, Mungkin suatu hari nanti Malaysia akan hancur.

Masih sempat lagi kita memulihkan keadaan sekarang.

Salam buat semua, saya doakan panjangkan umur Tun dan sekeluarga. AMIN

Salam Untuk Tun

Why did the chicken cross the road?

Finally, some authoritative answers to this age-old question!

BARACK OBAMA:  
The chicken crossed the road because it was time for a CHANGE! The chicken wanted CHANGE!

JOHN

MC

CAIN:

My friends, that chicken crossed the road because he recognized the need to engage in cooperation and dialogue with all the chickens on the other side of the road.

HILLARY

CLINTON:

When I was First Lady, I personally helped that little chicken to cross the road. This experience makes me uniquely qualified to ensure -- right from Day One! -- that every chicken in this country gets the chance it deserves to cross the road. But then, this really isn't about me.....

DR.

PHIL:

The problem we have here is that this chicken won't realize that he must first deal with the problem on 'THIS' side of the road before it goes after the problem on the 'OTHER SIDE' of the road. What we need to do is help him realize how stupid he's acting by not taking on his 'CURRENT' problems before adding 'NEW' problems.

OPRAH:

Well, I understand that the chicken is having problems, which is why he wants to cross this road so bad. So instead of having the chicken learn from his mistakes and take falls, which is a part of life, I'm going to give this chicken a car so that he can just drive across the road and not live his life like the rest of the chickens.

GEORGE

W.

BUSH:

We don't really care why the chicken crossed the road. We just want to know if the chicken is on our side of the road, or not. The chicken is either against us, or for us. There is no middle ground here.

COLIN

POWELL:

Now to the left of the screen, you can clearly see the satellite image of the chicken crossing the road...

ANDERSONCOOPER

-

CNN:

We have reason to believe there is a chicken, but we have not yet been allowed to have access to the other side of the road.

JOHN

KERRY:

Although I voted to let the chicken cross the road, I am now against it! It was the wrong road to cross, and I was misled about the chicken's intentions. I am not for it now, and will remain against it.

NANCY

GRACE:

That chicken crossed the road because he's GUILTY! You can see it in his eyes and the way he walks.

PAT

BUCHANAN:

To steal the job of a decent, hardworking American.

MARTHA

STEWART:

No one called me to warn me which way that chicken was going. I had a standing order at the

Farmer's Market to sell my eggs when the price dropped to a certain level. No little bird gave me any insider information.

DR SEUSS:  
Did the chicken cross the road? Did he cross it with a toad? Yes, the chicken crossed the road, but why it crossed I've not been told.

ERNEST HEMINGWAY:  
To die in the rain. Alone.

GRANDPA:  
In my day we didn't ask why the chicken crossed the road. Somebody told us the chicken crossed the road, and that was good enough.

BARBARA WALTERS:  
Isn't that interesting? In a few moments, we will be listening to the chicken tell, for the first time, the heart warming story of how it experienced a serious case of molting, and went on to accomplish its life long dream of crossing the road.

ARISTOTLE:  
It is the nature of chickens to cross the road.

JOHN LENNON:  
Imagine all the chickens in the world crossing roads together, in peace.

BILL GATES:  
I have just released eChicken2007, which will not only cross roads, but will lay eggs, file your important documents, and balance your check book. Internet Explorer is an integral part of the Chicken. This new platform is much more stable and will never cra...#@&&^(C% ..... reboot.

ALBERT EINSTEIN:  
Did the chicken really cross the road, or did the road move beneath the chicken?

BILL CLINTON:  
I did not cross the road with THAT chicken. What is your definition of chicken?

AL GORE:  
I invented the chicken!

COLONEL SANDERS:  
Did I miss one?

DICK CHENEY:  
Where's my gun?

AL SHARPTON:

Why are all the chickens white? We need some black chickens!

And now, the local version (for Singapore & Malaysia):

LEE KUAN YEW (Former Prime Minister Singapore):  
We have installed crossing lights at all traffic junctions. All chickens should be able to cross safely to the other side.

LEE HSIEN LOONG (Current Prime Minister Singapore):  
Gantry points have been set up. All chickens wanting to cross the road are advised to top up their cash cards first.

ABDULLAH BADAWI (Current Prime Minister Malaysia):  
We have to be fair to all chickens. Some want to cross over the road, some do not. .... Zzzzzz .....zzzzzz ..... Now what were we talking about? Ah yes, chickens. We will form a Royal Commission to decide whether it is right for them to cross the road.

MAHATHIR (Former Prime Minister Malaysia):  
Now even the non-bumi chickens want to cross the road? How can they disrespect and disregard the bumi chickens? We must be allowed to cross over first. It is our right!

ANWAR (Opposition party leader in Malaysia):  
We have enough chickens waiting to cross over in September.

SAMY VELU (Former Minister of Works Malaysia):  
After we have erected the toll booths, all chickens are free to cross the road.

Assalamualaikum Tun,

Pak Lah sudah terkenal dengan keputusan flip flop nya. keputusan pak lah yang sering bertukar-tukar mmg jelas menunjukkan paklah adalah seorang yang malas berfikir dan tidak berfikir sebelum membuat satu keputusan. Akibatnya, paklah semakin dipandang rendah. Rakyat sudah tidak percaya dengan kata-kata paklah.

Wahai rakyat dah naik paklah, lelah kata dengan perangai paklah. Rakyat sudahlah, kenapa tak faham-faham lagi paklah?

sbm membuat sesuatu keputusan yg penting kena bincang dulu, dptkn pandangan pihak2 terbabit dulu. bila dah dpt keputusannya baru lah nak fikirkan buat kenyataan media atau tidak. kalau ramai tak stuju jgn buat statement, kalau ternyata beri faedah baru la buat statement.

dr segi ini sdah jelas menunjukk bagaimana mentaliti kepimpinan atasan hari ini yg tak konsisten. apa2 kenyataan yg dibuat selepas ini rakyat takkan percaya lagi, pelabur takkan percaya dgn laporan2 yg dibuat kerajaan dibwh kepimpinan skrg.

pemimpin sbegini tak boleh dipercayai dan bila2 boleh mengkhianati scara terang2 thdp rakyat, bangsa dan negara.

I dont want to make you feel obliged.. but maybe you could share with us something lighthearted instead on your blog? i know most of your writings are with grander schemes in mind, but with the current chaotic climate that we're going through, it'd be nice to have some small diversions, like sharing with your readers a favourite joke maybe? or experiences during your travels? or what do you during your free time?

Just want to let you know.. whatever bad things people say about you.. you will always be an inspiration to a lot of people, Malaysians or not.

Thank you Tun.

Yang saya kasihi Tun,

Congratulations on reaching the 3 million mark!!! As they say, if I were to get RM1 for every visitor, I would be rich!!!

I just hope the powers that be read your blog. You were too modest when you said that you are not an economist. Even the IMF and world renown economists acknowledge you as a "sifu" when it comes to economics.

The problem with the present administration is not because it is a "flip-flop" but just a "FLOP". head in the sand approach can be seen by the assurance given by AAB.

DSAI is up to his old tricks (accusing the government of trying to poison him, affecting him with aids, beating him to near death: what a theatric performance, he is innocent etc), etc- it seems that both parties are using the same tactics. His supporters are blind to this fact - please be sensible. As for DSAI's international supporters - what do you expect: sodomy is not a crime there and of course there are same sex marriages!!! I wonder how same sex male couples perform their "conjugal" duties!

DSAI has nothing to say about the report against him except blaming others. I wonder why there are no fair minded person to defend the hapless victim (Saiful - imagine DSAI has 4 powerful lawyers vs no one for Saiful - Karpal Singh should represent him; but he preferred a Mongolian, not a Malay!), just like there are no fair minded persons to defend the first victim who is just a driver!!! As a predator, DSAI sure knows how to pick his victim.

Again, I would like to commend you on the excellent economic analysis and observations concerning the present government.

I pray that Allah keeps you well and in good health. You are a good person.

SALAM TUN DAN KAWAN2,

1. Sekilas pandang sudah 5 tahun Pak Lah memerintah.
2. Dan sepanjang itulah juga tidak ada satu pembangunan yang nampak di mata kasar kita semua. Mana pergi perbelanjaan berbillion ringgit kerajaan Pak Lah.
3. Perbelanjaan RMK-9 sahaja RM200 billion,(minta tambahan pulak RM30billion)tetapi satu pun kita tidak nampak atau tidak ada yang boleh disebut seingat saya. Saya rasa rakan2 sekalian juga sependapat saya.
4. Kalau TUN dapat bina EMPAYAR PETRONAS, Proton, bangunan KLCC, KL Tower, KLIA, LITAR SEPANG, bangunan pentadbiran PUTRAJAYA, PICC, LIMA, STAR dan PUTRA LRT (sekarang kepunyaan RAPID), MONOREL dan bermacam lagi yang boleh disebut dan tulis di sini dalam 22 tahun pentadbiran.

5. Tiada satu pun yang saya boleh tulis hasil perbelanjaan Pak Lah dalam 5 tahun.

6. Setelah kesilapan demi kesilapan yang dilakukan oleh pentadbiran kerajaan sekarang, tibalah masanya Pak Lah letak jawatan.

Harap anda semua dapat tandatangan petition online "Petition Online Meminta PM Malaysia Pak Lah Untuk Meletak Jawatan" dianjurkan dari laman web PetitionOnline.com, petition online tersebut percuma di:

Yang saya kasihi Tun,

When I discussed about what you blogged on the economy, a friend of mine said that your enemies calimed that you do not allow dissent among your Cabinet. The truth is that they cannot match your keen intelligence - you reached a decison based on facts, while others based on "feelings". You are proactive others reactive.

Reminds me of the time you warned investors about being to keen to invest in service companies - you rightly pointed out that the productive (industrial and agri-based industry is also important).

Again, you are proven right: democracy ala the west is not a suitable model for Malaysia! Look at the imported model of democracy in Iraq. It seems a contradiction - I fear for democracy when people abouse freedom. We will revert to Hobbs' "state of nature" as in your article about the social contract.

SALAM TUN,  
IF EVERY ONE COULD REMEMBER OUR BELOVED PRIME MINISTER PAK LAH HAD SAID

SOON AFTER HIS APPOINTMENT AS THE PM, THAT HE WANTS PEOPLE TO WORK WITH HIM AND NOT FOR HIM. TO ME IT SOUNDS LIKE AN ESCAPE CLAUSE IN CASE HE COMMITS A BLUNDER. WELL HE KNOWS HE IS NOT A CAPABLE MAN RIGHT FROM THE START. OF COURSE THOSE SNAKES WHO IS AWARE OF THIS ADMISSION OF WEAKNESS TOOK THE OPPORTUNITY TO RUN THE COUNTRY AS THEY LIKE. HENCE YOU HAVE IT. PRIOR TO THE LAST ELECTION PAK LAH WENT THROUGH FOUR MAJOR

BLUNDERS:  
STAGE 1) HIS EARLY PR EXERCISE DOES NOT WORK. MADE FRIENDS WITH THE USA, AUSTRALIA AND OF COURSE OUR NEIGHBOR, SINGAPORE. AND OF COURSE A LOTS OF GOLF.(PAK LAH NI TAK DA KERJA LAIN KA?)THEN HE FLIP...

STAGE 2) AFTER THE HONEYMOON HE WAS ADVISED TO ACT TOUGH. SO HE CANCELLED PROJECTS.NO MORE MEGA PROJECT. DOUBLE TRACKING, PENANG BRIDGE, PROTON, RMK 8 AND SO ON.NOT REALISING ALL KETUA BAHAGIAN UMNO IS A CONTRACTOR IN ONE WAY OR ANOTHER, CLASS A TO F. (PAK LAH TAK DA KERJA LAIN KA?)THEN HE FLIP....

STAGE 3) HE LAUNCHES RMK 9 AS IF IT IS THE MOST BRILLIANT IDEA OF ALL TIME. 24,000 TENDER/JOBS TO BE HANDED OUT WITHIN 6 MONTH. IT TAKES 1 YEAR JUST TO APPOINT CONSULTANT BROTHER. HOW. SO HE LAUNCHES ALL THE CORRIDORS WORTH RM 500BILLION IN TOTAL.(PAK LAH NI BETUI KA?)THEN HE FLIP....

STAGE 4) HE HAS NOT SHOWN ANYTHING YET AND PEOPLE START ASKING WHEN IS THE ELECTION. NO INSPIRATION WAS THE USUAL ANSWER.PR NOT WORKING, PROJECTS CANCELLED AND NEW PROJECTS NOT TAKING OFF. NEED MORE TIME. (PAK LAH ANUAR DAH BOLEH BERTANDING LEPAS APRIL NI!)THEN HE FLIP... HE ANNOUNCES THAT THE PARLIAMENT TO DISSOLVE TOMORROW.

AS WE ALL KNOW THE LAST ELECTION WAS HIS BIGGEST FLOP!!!

HE DOES NOT KNOW WHO TO TRUST ANYMORE, SINCE THEN IT HAS BEEN A DAILY FLIP FLOP SHOW.....

BRAVO PAK LAH.

THANKS TUN.

Kami x pernah pun terfikir akan perkara2 seperti ini semasa pemerintahan tun, kehidupan kami selesa & makmur...aman & bahagia. Saya mengharapkan Mukriz akan menjadi pengganti tun...krm beliau seorang yg berfikiran bernas dan bersuara lantang seperti tun...

My undestanding and assumption of this flip flop dision are as foll;-

Pak lah give the instruction for any goverment decision and they decide, than he mention this to KJ and the 4th floor boys (kitchen Cabinet) or vise versa and if one of the group thus not suport the idea so he cancel the decision.That is where flip flop come in

This happen cause he can't and dont have the will and capabality to decide.

No idea and bad planning, Ketua Kampong made better decision than Pak Lah, How do you run a government like that???

He can easy be cheated, and his minister and his officier take advantage of his weekness.

We dont gamble our life this way.

Assalamualaikum Tun,

Actually some of us who've worked or working overseas understand why the flip-flopping moron said he wanted to pay salaries fortnightly since the petrol subsidies been cut..yadda..yadda

Most people on here and in Malaysia do not really know that One Year equals 52 weeks (not 48, as normal extrapolation will lead us to believe, since the '31' days/month aren't accounted for)and if paid fortnightly or once every two weeks or twice a month, a said person will get a month's pay extra compared to if said person is to be paid monthly.

Eg : MYR2000/Month. Split into fortnightly = MYR 1000/2 weeks. Now at 52 weeks, he/she gets MYR 26000/year. If paid a monthly salary as per the current norm, he/she gets MYR 24000/year. There's a MYR2000 extra (or a month's salary). Now, that's why most companies (and even the Singapore Govt...)says that the workers shall get a 'minimum' One Month's BONUS at the end of every fiscal year....! That One Month Bonus actually is a 'salary' and not a bonus.....

DSAAB most proolly thought he can swing/alleviate the rakyat's woes by giving them extra per annum via this method, but lo and behold, the Flip-Flop mechanism by way of his adviser(s) would've intervened and reminded him that "...buat apa bayaq lebih kat rakyat tu... Depa tak tau apsal hang nak bagi 2 minggu sekali, baik tak payah...kita jimat sikit duit, nanti hang boleh upgrade pi Airbus A380..!..." and he subsequently shelved the plans and Flopped/reverted back to the normal monthly accrues.

Aircrafts were the first to utilize Flip Flop circuit boards in their on-board computers and in cars, for the auto gearbox niways, they're called 'Fuzzy-Logic' (now in washing machines too..!). Basically, them Flip Flop/Fuzzy Logic circuits are very basic forms of 'Artificial Intelligence' that 'decides' on what optimum settings should be used in lieu of the pre-set ones by the user. In the case of DSAAB, he being the user does not even understand the 'hardware' in the first place, so, it's of no surprise that he allows the mechanisms to 'override' him, anytime/anyplace/anywhere.....!

I'm in China now and as I read the online news from NST/Utusan/Star, it's quite demoralizing to read that MY is rife with 'drama' that can actually make it onto HBO's script-writer's desk. Murder, Sodomy, Conspiracies.....all involving the nation's leaders, and all involving politics. Sad, real sad.

Tun,

When you were at the helm, non of this nonsense can surface. We have news on projects, visions, bi-lateral agreements with other countries etc..etc...i.e news that a developed country should be headlining, not as it were now. FWIW, DSAAB shows that he can NOT run this Bumi Bertuah and for that he should step down. DSAI or Anwar Al-Juburi is just that, a troublemaker who only talks and never walks the talk and a consummate Arse Bandit and DSAAB can't contain him?

DSAAB had better wake up from his deep slumber and steer this country away from oblivion. He must refrain from getting 'logic' and detrimental/debilitating advices from his cohorts since he should by now understand and know that they're the catalyst of his downfall from grace (if he has any..). If he doesn't know how to do that, he can always pick up the phone and call you for advise and bring you back to the cabinet! Then again.... " The Bodoh Sombong Force is strong in this one.."

Take care of your health Sir and regards to Toh Puan.

Wassalam

Dear Tun Dr. Mahathir,

Your snippets this time is very short yet, to me written in a bit humorous way. :):)

Surely we all will get more on the flip flop decisions in short future or perhaps another 5 years? What good these decisions could bring to our nation? A good leader doesn't mean he has to be right all the time but he definitely has to be right most of the time otherwise he can't and shouldn't lead at all because his leadership will only bring more harms than good to people.

Nobody in Malaysia could thus far replace you or even close to your excellent leadership Tun Dr. Mahathir. But what should we do now to get rid of the present weak government?

By antuport on [July 4, 2008 12:40 PM](#)

Saya rasa, pihak kerajaan suka membuat kenyataan terburu-buru. Mungkin kata pepatah yang diorang ikut ialah, "Mencuba-cuba dahulu, Membatalkan kemudian". Atau dengan kata lain, "flip dahulu, flop kemudian". Haha.

Again, this country is not your plaything, dear floor 4 people!

Saya berprasangka Tun pun dah meluat dah dengan tindakan2 kerajaan. Penat2 Tun bagi pandangan and nasihat dalam blog Tun ni, diorang buat dowh je. Saya harap Tun banyak bersabar.

Sungguhpun Tun lah yang melantik Pak Lah dahulu, namun semua manusia melakukan kesilapan. Dan manusia merancang, Allah menentukan. Saya juga berharap Tun jangan menyalahkan diri sendiri. Saya sebagai rakyat sudi memaafkan Tun atas kesilapan percaturan Tun, apatah lagi setelah melihat usaha Tun untuk membetulkan keadaan.

May Allah forgives us. Amin.

YABhg Tun,

Sikap Flip-Flop akan berterusan\_: ini kerana kerajaan sekarang menyelesaikan masalah satu bersatu...bukan secara pakej. Bila menteri yang buat keputusan, tentulah mereka tidak berani membuat keputusan yang berisiko dan berjangka panjang. Bila kesan baiknya tidak nampak serta merta...rakyat akan salahkan mereka.

Jadi...Org yang paling layak untuk buat keputusan Strategik dan jangka panjang ialah PM sendiri. Sekurang-kurangnya dalam keadaan tidak popular...Seseorang PM masih punya masa 4 tahun lebih untuk yakinkan rakyat. Jika Projek itu berjaya mengatasi masalah Rakyat...Semua orang akan terima walaupun pada peringkat awalnya mereka menentang. Seperti juga Projek Jambatan Pulau Pinang yang pertama dulu...Ramai yang menentang pada awalnya. Tapi selepas Dermaga

Feri runtuh dan Jambatan itu satu-satunya alternative yang ada...maka suara-suara sumbang itu pun lenyap.

Keputusan penting dan Strategik..biarlah PM yang buat, jangan kerana takut tidak popular dan salah langkah...PM biarkan saja Menteri buat keputusan penting tanpa sebarang kawalan. Di mana letaknya kewibawaan PM sekarang yang bukan saja Flip Flop malah gagal buat keputusan penting, sepenting Jambatan Bengkok umpamanya.

PS: CONTOH KEPUTUSAN YG TAK LOGIK DI BUAT PM: Kes Pal Leh Abbas derhaka kepada Agong...tentulah sebagai PM, Pak Lah tau hal ini...tetapi mengapa dia ikut saja menteri Zaid yang nak bayar Ex-Gratia. Adakah dia berdendam dgn Bekas Agong yang marah dia membatalkan projek jambatan bengkok ATAU saja nak malukan Orang yang angkat dia sebagai PM.

Pada pandangan saya, yg berjaya didalam strategi sekarang ialah si KJ & DSAAB. Kita asyik cakap, cakap & bercakap sampai kiamat pun tidak akan habis. Kita asyik bercakap & meluahkan perasaan. Si KJ sekarang ini tengah sibuk mengaut keuntungan kerana kita tidak bersatu, kita cuai, kita leka, kita lalai, kita lemah.

Mahukan yang berkesan, senang sahaja. Hantar surat kepada YDP Agong, Majlis Raja-Raja, Sultan Negeri masing-masing.

Bloggers semua asyik cakap, cakap, cakap. NATO – No Action Talk Only. Untuk makluman semua saya sudah menghantarkan 3 pucuk surat kepada YDP Agong, Sultan Perak & Majlis Raja-Raja, Cuma surat saya sahaja, maka mereka tidak akan mengambil tindakan. Apa kata 100,000 pucuk surat yang dihantar, masa itu baru lah mereka bertindak.

Mari kita sebarkan berita ini, email kat kawan kita, group kita atau siapa sahaja yang kita kenali, cut paste contoh surat dibawah dan hantar kepada mereka. Jangan tunggu lama-lama. Kita bukan menghasut untuk tunjuk perasaan, memberontak, kita hanya meminta kawan-kawan kita hantar surat kepada YDPA & Majlis, salah ke. Mari lah kita semua bersatu menghantar surat kepada mereka. Masukkan nama penuh, no kad pengenalan & alamat. Jangan takut perbuatan ini tidak salah disisi undang-undang.

Kebawah DYMM Tuanku, Daulat Tuanku

Ampun Tuanku, Sembah patik harap diampun. Kami hamba rakyat memohon DYMM Tuanku menarik balik perlantikan, menahan serta menyiasat Perdana Menteri Malaysia Dato Seri Abdullah Haji Ahmad Badawi (termasuk ahli keluarga nya – anak & menantu nya), Timbalan Perdana Menteri Malaysia, Menteri-Menteri Kabinet lantikan beliau, Setiausaha Sulit, Parlimen & Politik, termasuk ADUN & MP, Pengarah & Ketua Pengarah Kementerian, Jabatan, Agensi, Polis & BPR

Siasatan terperinci merangkumi rasuah, pecah amanah, penyalahgunaan kuasa, penyalahgunaan wang negara, tidak jujur, tidak amanah didalam menjalankan tugas, melakukan penyelewangan dengan menjual saham, harta & aset strategik negara kepada Singapura, agen nya, orang persaorangan, keluarga dan sebagainya.

Saham, harta & aset strategik negara tidak sepatut nya dijual kepada mana-mana individu atau syarikat, lebih lagi negara luar saperti Singapura.

Kami hamba rakyat merasakan bahawa kerajaan pemerintah serta pembangkang hari ini berniat jahat, berkemungkinan menjadi ejen perisikan CIA, CIS & Mossad, sudah tidak ada kredibiliti, banyak melakukan rasuah, penyelewangan serta penyalahgunaan kuasa dan cukup was-was didalam segala tindakan yang diambil mereka. Tiada satu isu pun yang dapat diselesaikan, malah semua nya membebankan serta menindas kami hamba rakyat saperti isu makanan (beras, susu bayi, gula, minyak masak dan lain-lain), minyak, tol dan sebagainya

Kami bermohon agar DYMM Tuanku mengumumkan perlantikan YABhg Tun Dr Mahathir bin Mohamad sebagai, Pemegang Amanah & Mandat Persekutuan (RCFM, JCFM & FLCM) yang akan mengawasi segala tindak tanduk Perdana Menteri didalam sistem pentadbiran, eksekutif, perundangan & kehakiman negara. Ini bagi memastikan supaya kejadian serupa tidak lagi boleh berulang lagi dimasa akan datang.

Ampun Tuanku, hanya DYMM Tuanku sahaja tempat kami hamba rakyat dapat memohon bantuan kerana kredibiliti Polis & BPR sudah tidak ada lagi..

Terima kasih

To my Dearest Brother,  
Tun Dr.Mahathir.  
Assalamualaikum W.Wb.

Dear Dr.M. With due respect to you Tun Dr.M,my observation over the years on government administration and decision making, a flip flop is nothing new to me. It happens even during your reign. However the flip and flop decision during your reign were not made by you but by a few stupid ministers. For example the Home Ministry at that time. I cite an example like the decision on foreign workers. One moment the minister freeze on intake and in another short moment he relaxed the intake. This happens not once but not less than three times by the same Minister. It is their hobby to call a press conference after that and get cheap publicity to show off his power and to show the public that he is doing his work without thinking properly on what he said and the outcome of his decision. In short he is just a stupid fool and a clown. I said this because whatever decisions made by our government not only observed by Malaysian but the whole world especially our very "friendly bloodbrother"neighbour who will laugh at us. Worst of all it will reflect on the entire government administration. Unfortunately,the present government under Pak Lah has flip flop too often. Flip flop not only by ministers but also by himself. Flip flop has become too rampant. This indicates the decisions made has not been studied very thoroughly. Short sighted decision making. Short sighted decision makers are really stupid fools. They don't deserve to sit there as ministers or Prime Minister because they have been entrusted to govern the nation. How come such fools could be there.

The only person I've seen and I believe most Malaysian will agree suitable to lead Malaysia is my dearest brother Tun Dr.M You are in so far the only incumbent who is capable to deal properly with most strain situation and you who know how to deal with uncompromising neighbours or even the BIG GUNS. In short you've got the GUTS unlike the present government a COWARDS. I'm sure most Malaysian will agree and still hope that you will be able to lead the nation again because you are the BEST.YOU are just ONE IN A BILLION". I'm always following up on CheDet.Com. May Allah bless you and your family with good health and more POWER.

Assalamualaikum, Dear Tun Dr. Mahathir,

Flip-flop?, absolutely !  
UMNO's supreme council members don't care about the feelings of the public! They are still talking about their party's 'adat' even in times of grievous crisis! It seems that they want the public to wait until UMNO's general assembly in December to bring about change! The question is, can the country afford to wait? Will AAB quit in December? I don't think so.

After they lost you as their leader, they have all become morons! with the exception of a few like Datuk Mukhriz who dares to speak out, I urge all like minded UMNO members to take to the streets and demand the resignation of all the current supreme council members now!

All of them morons have proven themselves to be unfit to govern. COWARDS CANNOT LEAD!!! they might as well join Anwar Ibrahim!!! Anwar Ibrahim can use and abuse them!!!

Datuk Mukhriz and like minded friends act now or it will be too late!!!

Thank you, wassalam.

Assalamualaikum Tun,  
Saya rasa pada pendapat saya kerajaan pak lah dan para menteri yang ada sekarang ada lah kerajaan GUNG HO, main terjun buat keputusan macam untung sabut timbul untung batu tenggelam, akan tetapi mereka tahu tidak yang mereka bermain dengan nasib rakyat..... dulu masa pemerintahan Tun Dr Mahathir ada R&D department di dalam jabatan perdana menteri, mereka yang menduduki jawatan penasihat ini terdiri dari profesional tetapi mereka kini di buang dan di gantikan oleh budak budak tingkat 4 yang hanya tahu buat keputusan yang menghancurkan sahaja.  
Saya rasa oleh yang demikian dengan segala hormat nya saya sebagai rakyat jelata ingin mengulangi lagi permintaan yang lalu iaitu dengan segala hormat nya tolong lah letak jawatan tu pak lah.  
Wasalam Tun dan kirim salam kat Tun Asmah dan keluarga juga. Semoga Allah memberkati Tun Dr Mahathir sekeluarga Aminnnn.....

Salam Tun,  
Melihat perkembangan politik semasa, Tun patut pertimbangkan sama ada menubuhkan satu parti baru dengan mengemukakan barisan alternatif untuk kepimpinan negara. Saya yakin majoriti rakyat masih menyokong Tun dan mahu melihat negara ditadbir dengan telus dan dengan penuh keyakinan.

Saya mengemukakan ini kerana, 1. Umno sedang terumbang-ambing dengan kepimpinan yang diragui rakyat, dan 2. Parti alternatif yang ada dalam suasana haru-biru dan tunggang langgang.

Giving permission to govt servant doing part-time jobs will jeopardize the level of service. Ppl will lose focus in their core jobs. Sebab tempat lain boleh bagi byk duit. Bila dah kerja teruk2, jatuh sakit... anak isteri merana lagi, org lagi byk stress, ramai yg jadi penyamun sebab nak duit lebih utk survive.

Tun,

Langkah terbaik ialah melaksanakan penubuhan sebuah badan seperti MTEN yang telah berjaya membantu Kerajaan semasa berhadapan dengan krisis tahun 1997. Melalui MTEN, kerajaan akan dapat membuat keputusan yang tepat apabila satu-satu isu dibangkitkan kerana ada banyak kepala yang duduk bersama dan berbincang. Malahan ada kumpulan media yang membuat kenyataan-kenyataan penting dan perlu kepada rakyat.

Malangnya, Kerajaan kini tidak mahu mengikut konsep yang sama. Kenyataan dibuat untuk populariti tanpa menyedari bahawa kenyataan itu mungkin akan makan diri. Inilah yang berlaku sekarang ini. Cakap dulu baru fikir kemudian. Flip. Flop.

Tun,

Kita mendengar mengenai hal kenaikan gaji kakitangan awam (kerajaan) sememangnya memberangsangkan kepada mereka. Tapi bagaimanakah pula halnya rakyat yg lain yg berkerja dalam sektor swasta? Had gaji siling tidak dinaikkan dan nasib kami tetap begitu jugak. Sekarang ini kerajaan membenarkan pula kakitangannya berniaga. Kakitangan kerajaan ini banyak pula dijaga sehinggakan membenarkan mereka menyekat periuk nasi orang yg hanya bergantung kepada hasil niaga sedangkan kakitangan kerajaan ini mempunyai gaji bulanan mereka. Adakah tindakan ini memberikan keadilan kepada rakyat yg tidak berkerja dengan kerajaan? Jawapan saya TIDAK. Mengapa mahu menyekat periuk nasi orang lain hanya kerana mahukan "orang-orang" kerajaan ini yg sememangnya tidak semuanya menyokong kerajaan dapat hidup senang? Bagaimanakah pula halnya kepada rakyat yg hanya bergantung kepada hasil jualan ini? Siapakah yg akan membantu mereka?

Sekian dulu buatmasa ini. Demi AGAMA, BANGSA dan Negara, saya akan terus berjuang.

Salam Tun,

Semoga Tun dalam keadaan sihat sejahtera

Terlebih dahulu saya mohon maaf kepada semua pembaca sekiranya terdapat perkataan yang menyinggung perasaan.

Itulah yang membimbangkan jika keputusan yang telah dibuat ditarik balik selepas mendapat kritikan, Orang jadi kurang percaya/yakin dengan apa-apa keputusan yang dibuat selepas itu. Sepatutnya seorang pemimpin mesti yakin dengan setiap keputusan yang hendak dibuat, jangan main cuba-cuba, sebab itulah, bukan semua orang boleh jadi pemimpin.

Saya hanyalah rakyat biasa  
Sebelum ini saya kurang ambil pusing tentang politik  
Mungkin kerana sepanjang tempoh 22 tahun negara di bawah pimpinan Tun saya merasa selesa, setiap kali ada krisis pasti dapat diatasi dengan kebijaksanaan.  
Pada masa itu saya merasa tenteram dan selesa.

Sekarang ini saya mula risau dengan situasi politik negara  
Nampak tak berapa kemas, banyak benda tak kena  
Setiap perubahan yang hendak dibuat macam tak menjadi

Saya kurang setuju kembalinya beberapa tokoh kontroversi yang menganggotai barisan kepimpinan kerajaan sekarang ni, mungkin kerana untuk senang kerja, bawa regu yang sentiasa berdiri di belakang. Tetapi kurang sesuai... Hendak dilihat bersih... tapi di dalam nya ada yang tak bersih...  
Macam mana ????

The federal government is making a rash suggestion in that salaries for Government servants would be paid twice a month. Now the Government has announced it would continue to pay salaries once a month. The situation is due to the angered civil servant.

It is a good thing that the federal government did not change it. It was just a suggestion only anyway.

I really don't know where on earth are you staying or where are you using your brain to think.

Firstly , the issue discussed over here is how weak is the government in doing proper planning before implementing a thing.It's not about sin or whatever you may call it.

Furthermore , how shallow and blind of you to be able to concludes that the current government is practicing vox populi and very caring which listen to the people concern's and need.Hello , where on earth are you staying? Does the people here in Malaysia agreed to the recent price increase in fuel / petrol which causes hardship to them?Did the government look into this and ask the rakyat before cutting the fuel subsidy? Is this a caring goverment?

Oh maybe, you a rich fellow and doesn't care all this as long as you can live comfortability in your own cocoon world.

A lot of lower and middle income group are suffering now coping with the higher price of everything as a result of poor government action in tackling the economic issue faced.What they are doing are just passing the problem batton to the rakyat. This is the fact of the current situation which are heavily compounded by the flip flop decision of the current government.

It's clearly you are the one who should get your mind firmly fixed.

Tun:

From one of your recent post, you have listed down and wrote that fasten growth of economics in our country as well as the taxes. My question is, why the gov't always tell the public that they dont have enough money for this and that?

The recent gov't like what you have mentioned there "the Government has announced it would continue to pay salaries once a month" but before that they promised to pay twice right? It makes the public feel curious why the gov't is playing this kind of nonsense joke with us. Like at first warm our heart up then within a second, splash us with cold water. Thats kind of joke isnt funny at all/entertain.

It also happened on the price of oil last month, at first Pak Lah announced that there wont be any rise of petrol's prices here but what happened on the next days?

The same thing also happened to the contruction of bridge replacing the causeway of singapore and Johor.

These things, let me feel very curious and wondering about the quality of our current leader, Pak Lah. Even a 17year old girl like me could sensed that, what about others and especially those foreigners?

salam.

tidak pandai lagi tiada oottt..

kalau memang gaji rm100 sebulan.. nak bahagi2 berapa kali dalam sebulan pun.. jumlah tetap rm100 bukanya boleh berubah jadi banyak. ada ke patut, idea gaji diberi dua kali sebulan boleh mengurangkan beban rakyat. tak masuk akal. diorg ini pandai matematik ke?. kalau tak pandai biar saya ajarrrr....  $rm50 \times 2(\text{kali sebulan}) = rm100$ ...  $rm100 \times 1 = rm100$ ..

kalau orang kaya dan bergaji besar lain la.. 5 bulan gaji kami baru sama dengan sebulan gaji mereka.. diorg ni mana faham dengan kami yang gaji kecil.

Wastage of government's money is the problem statement for the Research Department to carry out.

Government's money is always, never fully accounted for. One reason is because there are so many government servants and there are so many chains of command. The loopholes are everywhere. Even the Ketua Jabatan is not spared from committing a suspicious financial act.

For the Accounts Department, it will be burdened with more calculations if the salary is paid twice a month. More calculations mean more confusion and more mistakes. Somebody will be paid more. Somebody will be paid less.

As for the flip flop thing, it started since the beginning. There was an order telling the public buses not to move at night. The order was overturned. The call to stop corruption. Till today, somebody somewhere is till corrupting.

Is the present Prime Minister's website any good ? Millions of Malaysians write in; each their own individual complaints. Can the P.M. do anything ? Nothing is the answer because making this one happy will make that one unhappy. It is a human nature. In the end, the employees in the Prime Minister department can only read the complaints, keep quiet, pretend they never exist and that's it.

Salam Tun,

1. Pak Lah semakin asyik bersandiwara dengan rakyat.
2. Rakyat dah bosan.
3. Lebih lama Najib dianiaya Pak Lah macam ni, rakyat jadi kesian pula pada Najib walaupun dulu rakyat dah padam nama Najib.

4. Saya berharap dengan dugaan dan segala macam tohmahan yang dihadapi Najib tika ini akan menguatkan jatidirinya untuk menjadi Presiden.

5. Yang penting rakyat nak tengok Najib lawan Pak Lah di PAU12 ini.

Terima kasih.

Dear Tun,  
Flip Flop Flip Flop Flip Flop.....Thought of going straight, u-turn suddenly. How many times has it happened in these past few years,( anybody bothered to record down or not? ) So,those entitled for the RM625 and whatever amount of RM you are entitled to claim from the post office better do so before Flip Flop Flip Flop (lagi akan datang). Normal la if things are not thought out thoroughly.

PL got problem, NTR got problem, AI also got problem.

As with so many others, i wished you were still in command of the administration. But sined we can't cry over spilled milk,can Tun actually give us all a firm final hint in the main stream media and others( make sure this time Tun think thoroughly and not later say you have made a mistake again ah. ) who is the right person in our country at present actually able to lead the nation so we can give the fullest support to him or her when needed.

In other words, to cut short,"WHO IS YOUR PRESENT REFERED CHOICE" ? Let us know so we can all think about it as well or at least we know there is someone 'talented' AVAILABLE.

If you won't hint, we all go to sleep everyday thinking 'die la, no hope '. Hopefully, you can give us a hope (hint) for the future of our children.

Wishing you & Tun Dr. Siti Hasmah the very best of health & happiness.

Dear Tun,  
Have you recently noticed, there are none or very very little news from all the ministries regarding  
developments or initiatives ? ( Macam tak ada apa apa baru nak buat ), just maintenace work for  
all.

No 'think-tanks' available kot? or too busy fighting fighting fighting. Where is Malaysia heading to  
ah? We are all blurr !

Tun, you are the best. Whenever you speak or comment in the papers,  
Many many Malaysians read till the end without fail. Now, usually we skip the first two pages  
unless got scandals to read la.

nowadays its hard to predict what would happen to malaysians. it seems that everything was done with a minimal thought of the consequences to the rakyat. we need leaders who think about rakyat first not those who think about themselves first. being a leader is actually the heaviest responsibility of all. he or she would be judge by god thoroughly. does he or she being just and kind to the rakyat.

in my opinion there is none in the list of present leaders who actually could lead, who actually has a good and honest heart. be it in the government or opposition. in this time of crisis they should get together and find solution to ease the burden felt by the rakyat not bickering about their personal life which is actually a plain waste of time.

our beloved prophet said that once you accept the role as a leader, one of your legs is already in hell. so... for those who wish to be a leader, do your job according to the will of god... not according to the will of lust...or family...or wife...

to beloved Tun,

none in the present government or opposition could surpass or even reach the contibution that you have made to malaysia and malaysian. whatever the say and whatever they do to you is irrelevant in my eyes since we are in debt to you. continue your writing because it seems that only your views seem to make any sense. May Allah bless you and forgive all your wrongdoings in the past (if there is any). cheers.

It is not nice move. This practice will further wasting the people money. You have to pay the bank for commision for salary payment twice as compare to current practice once.

Dont do this.

salam Tun,

ini adalah satu gambaran yang jelas tentang kepimpinan DSAAB. Beliau membuat atau mencadangkan sesuatu tanpa kejian yang menyeluruh. Bagi saya orang yang mencadangkan kepada DSAAB hanyalah seorang yang tidak cerdik akal nya, malah tujuannya hanya glamour semata-mata. Nasib tak menjadi. Jika menjadi alamt, petaka besar menanti para gomen services. ialah kami rata2 berpendapatan rm 3000 kebawah, kalu tolk koop- dah tinngal brapa, katakanlah rm1500. kalu 2 x bayar...camana nk byr keta, umah sewa dan lain-lain. Lainlah kalu gaji pengarah, gaji je dah rm7-8 ribu, campur duit luar lagi(contraktor bagi)atau gaji menteri yang menjangkau rm50K+++ , JANGAN PIKIR TEMPOLOK SENDIRI,PIKIRLAH TEMPOLOK ORANG LAIN JUGA...Dari bagi gaji 2x sbln, lebih baik naik kan COLA, Jika ekonomi dh pulih, kerajaan boleh mansuhkan COLA tu, atau wujudkan elaun pengangkutan ke, dimana elaun ni bila-bila masa boleh di naik ATAU diturunkan atau dimansuhkan, kalu naik gaji, ia dh jadi tetap, mcmana pun kena byr, tak kira ekonomi dh pulih atau tidak, macamana boleh jd pemimpin kalu benda simple pun x dpt pikir...

YAB Tun,

Cant agree more with you on that!...

The rakyat heard it loud and clear the second it was announced!...I wonder how the DPM and the cabinet members did not hear it?

They need a medical check up I think with due attention on the hearing organs and the 3lbs in between the ears.

Sebenarnya kita tak bencikan Pak Lah. Tetapi hakikatnya ialah beliau lemah dan tiada kemahiran dalam memimpin. Kita perlukan kepimpinan yang kalau tidak sebgus Tun Perak atau Tun Mahathir pun biarlah ia sebijak Tun Daim. Mahir mencari duit dan mahir membelanjakan duit agar rakyat hidup selesa.

Pemimpin juga perlu mempunyai pemikiran yang tajam dan bijak, barulah pemimpin tersebut dihormati oleh lawan ataupun kawan.

Keputusan perlulah dibuat secara teliti dan kemas. Bukan hari ini buat keputusan, esoknya rombak semula. Ini secara tidak lansung mencerminkan pendirian seseorang pemimpin yang lemah.

Pemimpin perlu ingat bahawa kesilapan dalam membuat keputusan akan menderitakan rakyat jelata.

Sir

you say the Govt flip flopped on the subject of their proposal of paying fortnightly vs monthly. The proposal was to mitigate the situation where employees who had no proper financial management did not spend their entire's month wage without appropriate budgeting.

While the idea for fortnightly payments is a good one, it wasn't deemed viable by the Unions, so based on feedback, the Govt decided to retract. That goes to show the Govt is willing to listen and accept feedback.

More than what can be said when you were at helm. Your ridiculing the Govt is a joke. Why don't you become productive with your criticisms instead of poking fun at a Govt that is willing to evaluate all ideas, not just their own.

Care to comment constructively?

I can hear a flop coming on petrol price.. do you hear it Tun?

By khairuddin on [July 8, 2008 10:55 AM](#)

YABhg Tun,

Salam hormat. Flip Flop policy and flopped decisions made by Government. Decisions by the Government should be based on issues and needs of the people. Kakitangan Kerajaan tidak pernah meminta gaji dibayar dua kali sebulan, sebaliknya meminta gaji dan elaun sara hidup dikaji berikutan dengan kenaikan harga petrol dan barang-barang.

The Government should formulate clear-cut policies based on issues and public needs. I do not see any policy with specific objectives, outlining plan of actions and implementation strategies. Yang ada, policy statement like PEMBANGUNAN MODAL INSAN dan ISLAM HADHARI. Sebagai contoh, semasa YABhg Tun mula mengambil alih Kerajaan, banyak Dasar-dasar Kerajaan telah diperkenalkan. Walaupun tidak disebut dasar pembangunan insan, pelaksanaan Dasar Pandang Ke Timur, Mengambil contoh Works Ethics orang Jepun dan Korea, Penerapan Nilai-nilai Islam dalam Pentadbiran, Bersih, Cekap dan Amanah dan Kepimpinan Melalui Teladan adalah strategi-strategi ke arah Pembangunan Modal Insan. Begitu juga dengan dasar-dasar yang lain adalah jelas seperti Pelan Induk Perindustrian, Dasar Pembangunan Industri Berat, Dasar Pertanian Negara dsb.nya. Dasar-dasar tersebut mempunyai matlamat dan pelan tindakan/pelaksanaan. Kekesanannya bergantung kepada pelaksana dan rakyat yang menerima faedah dari Dasar tersebut.

Malangnya, kalau kita bertanya pegawai pegawai Kerajaan yang melaksanakan dasar dasar Kerajaan samada mereka faham pembangunan modal insan, Islam Hadhari, saya rasa majoriti tidak faham. Policy Statement is not enough kalau tidak dinyatakan dengan jelas.

Yang jelas, melaksanakan dasar flip flop...

Tun, pertanyaan saya adalah :

1. Apakah situasi kerajaan kita sekarang kerana masa ini ianya sangat-sangat mengeliru dan bagaimana masa depan Malaysia
