

"Letter" to Prime Minister of Israel

1. There is a letter being circulated purporting to be from me when I was Prime Minister, to Ehud Barak, Prime Minister of Israel congratulating him on his appointment and requesting for the "Clinton Fund", for "the purpose of withstanding the onslaught of Islamic Fundamentalist in Malaysia".
2. This letter is not from me or from my office. Firstly, the font used is not the same as the type in all my letters from the Prime Minister's office.
3. The Malaysian Coat of Arms at the top is not similar to the one on all my letters from the Prime Minister's office.
4. The address at the side of the Coat of Arms is not the same as on my official paper. Often no address is printed, only "Prime Minister Malaysia" on the top right-hand corner.
5. The contents of the letter is totally different from the one I sent to Ehud Barak. Unfortunately, the Government of Abdullah Ahmad Badawi refuses permission to reproduce my letters to Israeli Prime Ministers condemning them for their oppression of the Palestinians. This action by the Abdullah Government will lend credence to the letter that is being circulated.
6. I deny categorically that the letter which is being circulated with annotation "Sumbangan kakitangan JPM untuk Rakyat Malaysia" originated from me. This is the kind of dirty tricks that my detractors have to resort to because they have found nothing to blacken my name with.

Salam Tun,
Dalam politik, tikam belakang dan plagiat perkara biasa. No. 1 jalan, No. 2 maju ke depan.
Salam

Salam Buat Ayahanda TDM,
Harapan saya semoga TDM dapat menyumbangkan lagi idea yang bernas dalam ruangan ini. Semua orang tahu yang TDM seorang yang mempunyai intelektual yang tinggi, kami ingin berkongsi cara pemikiran TDM untuk kemajuan bangsa melayu. Saya memang frust dengan UMNO, sudah 4 kali mengundi berhabis belanja beli tiket kapal ternang balik ke pantai timur, 1st class lagi tapi tiada apa yang saya dapat cuma kekecewaan semata-mata. sekarang saya dah berhijrah (buat sementara kut) ke Dubai dan bekerja di sini buat masa ini... harap kegemilangan Malaysia akan timbul kembali bila saya balik ke tanah air nanti.
ayahanda TDM merupakan sumber inspirasi saya. Jaga kesihatan and tajamkan mata pena untuk kami.
Saya doakan TDM sihat dan panjang umur. Amin

Assalamualaikum Tun,
I cannot imagine that your detractors could stoop so low to discredit your name by writing false letter and distributing it.
