

## **PAYOUT FOR JUDGES**

**Che det.blog.cc**

**November 8, 2008**

**Posted by Dr. Mahathir Mohamad**

1. Now we know how much has been paid out to the judges.
2. It is not bad at all. The Government must have plenty of money to give away for something that the Government says is not an admission of guilt and does not merit an apology. This generous act is unprecedented but must now be taken as a precedence. We should see more money being doled out every time a Minister feels a need to be popular with the Opposition. I wonder whether the amount of ex-gratia is based on how much the ex-de facto Minister of Justice considers would please the Bar Council.
3. The Minister informs us that the judges had been drawing full pension for the last 20 years. The highest pension is RM6,548.59 per month. Roughly this adds up to RM1,600,000 for 20 years.
4. Judges in Malaysia are paid two pensions - one at 55 years and one at 65 years. As I pointed out before one judge actually draws three pensions. Is the sum mentioned the total or just one?
5. Assuming that the highest pension is paid to the most senior of the judges, then he would have done extremely well to get RM5,000,000.00 (Five million Ringgit). He would have to draw pension for another 60 years to get RM5 million. Truly the Government is generous.
6. Were the judges sacked or suspended? I think they were sacked. The records say so. Now the Minister says "No", the judges were not sacked or suspended.
7. Why pay them compensation if they are not sacked or suspended and they did not even lose their pension rights?
8. Were they allowed to continue being judges, to preside over cases brought before them? I cannot remember them doing this.
9. Really the Salleh saga gets curiouser and curiouser.

Dear Tun,

Ex-gratia payments to former judges were designed by Pak Lah & Co. to humiliate you. But they forgot that the "respect" is bestowed to genuine humane by Allah s.w. directly. Now the person who choreographed the payments (Zaid Ibrahim) has slapped Pak Lah & Co. in the face by quitting the cabinet.

Dear Tun, May Allah bless you and keep you in good health.

Amin.

Damn Pak Lah, Damn Zaid, Damn Salleh and damn those judges who get their ex gratia. As the Rakyat Of Malaysia I felt they should be brought to trial for misuse of Rakyat money. Duit Haram !!!!! tak Halal.

Dear Tun,

To me and some of my friends..If a person is given pension, continue to take it, in the meantime free to condemn the government and later on accepted this huge payout..I can only say that that person lacks integrity. It is bodek with money, Isn't this corruption?

By JJJ on November 8, 2008 4:30 PM

This ex - minister is now A VERY POPULAR figure with the opposition.They are putting him on a pedestal, every word he speaks is considered sacred.

Thanks DSAAB for your brilliant choice.A shining example of your administration.

Salam Tun...

I still remember those days that they were being sacked..

Maybe Nazri not old enough to remember this event...

or trying to spin to the young guns...

At their ages, it is so fortunate to received that huge pensions...

Till today not even one that have donated their "durian runtuh" to any charity organations or maybe as mousleem says "tangan kanan menderma dan tangan kiri tak

mengetahui".

Maybe they plan to bring together the ex-gratia to heaven...

Salam Tun,

Generous @ the wrong place and situation...

Think of the number of poor people that we can pay their medical bill with the money, where almost every month we see people begging for mercy..

Money can't buy our sin (if it really happened)  
Money can't buy our apology...  
But surely money can buy popularity...  
at least to the people who initiate this "generous" idea...

Salam ayahanda tun dr mahathir...

hopefully i'm the first...hehehe  
semoga Allah merahmati hidup TUn berdua...

well wut in the hell yg goverment pergi bayar x-grati sampai 5 juta tiap sowang.....woooooo banyak tu bukan sikit.....saya suka pada point no 7

"7. Why pay them compensation if they are not sacked or suspended and they did not even lose their pension rights?"

pencen da dapat,and now dapat lagi compensation.....si nazri pulak buat kenyataan belit2.....

kalau tak silap saya, mereka ni di pecat masa zaman Tun kan? and Tun berulang kali menegaskan yg dia org ni di pecat.....  
arghhhhhhh mmg cam soal la rase di hati.....senang2 je dapat 5 juta....

woi zahid.....ko ingat 5 juta tu duit mak bapak ko yg senang2 ko nak bagi kat dia org.....ko jawab la nanti kat padang masyar kelak...berapa ramai rakyat yg tak halalkan duit diaorg di ambil...ingat Padang Masyar...bukan padang bola mahupun padang golf ataupun Padang Indonesia....arghhhh geram saya tun...geram sgt2...

assalamualaikum Tun,  
alhamdulillah akhirnya kita tahu berapa yang telah dibayar oleh kerajaan kepada hakim yang dipecat @ dibuang. saya terkejut kerana hakim tersebut masih diberikan pencen dan selama 20 tahun sehingga kini. inilah kerajaan malaysia rasa bersalah terus bayar gantirugi cepat sangat hendak menunjukkan kemuliaan kerajaan. kalau melibatkan ikan bilis lambat mesti melalui prosedur dan sebagainya.. untung jadi ikan besar cepat jadi perhatian...nasib baik ada ahli dewan rakyat yang bertanya tentang suguhati ini.kalau tidak sampai bila tak tahu...  
saya pun pelik dah dipecat @ dibuang masih lagi diberikan pencen..yang kaya bertambah kaya. kini nampak gaya presiden umno akan bertukar pemerintahan...apa yang saya nampak TSMY akan dipastikan jatuh dalam merebut jawatan Timbalan Presiden...ini kerana orang Pak Lah akan pastikan begitu juga semua jawatan yang utama dalam parti..paling menarik jawatan ketua wanita..kalau datuk

sharizat lawan boss, boss akan pastikan jatuh tak bangun..ketua pemuda ...anak menantu tak kan tak leh tolong...kalau tak tolong projek tak sain...ini lah hebat malaysia...yang penting kini...dato najib hendaklah berfikir dan buat baiah yang mana hendak disokong...untuk agama , bangsa dan negara....

Tun....Tun.....,

That's part of my salary every month.

I work so hard to earn even 1 ringgit, the stupid judges get millions ringgit just like that.

Stupid ! stupid !

By tanakwagu on November 8, 2008 4:48 PM

Dear Tun,

To me, compensation to the judges is one of the stupidest moves taken by the current government. I wondered why so many heads in cabinet but had mostly agreed with that. More so, the person who talked about judiciary reform. Do you guys think that compensation could have / has made up the reform? I don't think so.

By jadi on November 8, 2008 4:48 PM

Assalamualaikum Yg BerBahgia Tun Dr Mahathir,

I cannot believe my eyes when look at the figure. Pak Lah & Zaid must be really mad in awarding that kind of big sum ex gratia payment. Don't they know that some of the people are suffering of the goods price hike! Some even cannot bear to pay their electric bill and water bill!

The half past six cabinet minister should be ashamed of themselves.  
Proven that they are a yes man act like a dog and some even look like one.

SHAME ON YOU PAK LAH & CO!

By Prabakaran Gopalakrishnan on November 8, 2008 4:50 PM

Greetings Tun

Agree with you on this. 2 wrongs don't make it right.

The first wrong is when they were sacked for dubious reason although on paper it might look legitimate.

The second wrong is paying this compensation.

We really have to think of a way where competent people are allowed to lead this country.

Dear Tun,

Saya pun tidak setuju terhadap bayaran tersebut walaupun saya berasa kelakuan ini semasa kerajaan Tun adalah salah.

Tapi, Tun, setiap manusia tidak dapat mengelakan diri dari melakukan sesuatu kesilapan dan kesalahan. Punca kesalahan ini tetap dari Tun, jadi harap Tun berhenti critic orang politik yang cuba membuat pemulihan imej kerajaan walaupun saya rasa ia lebih banyak memalukan Tun dari berfungsi untuk motifnya.

Tun, PM yang terbaik.

Sekarang...satu Negara promo Pak Lah...bagi peluang sebab dah nak Bersara....Dia dah mula popular kembali...kembali lupa diri...silap-silap DS Najib pun nak ditelannya...Tak Mustahil kan? kerana sekarangpun dia sangat sibuk menaja orang-orangnya untuk bukan saja berganding dengan NS Najib tapi orang-orang yang boleh mengikat DS Najib seperti KJ mengikat PL sekarang.

assalamualaikum tun,

well...our current government have a lot of money to spend..

By PresidenAuthor Profile Page on November 8, 2008 5:03 PM

Thank you Tun for writing on this issue..

I am very angry when someone is spending rakyat's money like their own piggy bank. Is spending the only thing they know to do when they assume that positions??? Spend here .. spend there .. like nobody business..

I don't see any serious effort by government to ease our burden.. instead talking rubbish in the paper telling us that we are going to be okay..

Of all people.. if anyone deserve a RM5 million ex-gratia .. it is you Tun.. for all your jasa to my father, to me and to my children's generation...

I believe all readers would agree with me... put this as your signature if you agree with me

\*\*\* RM10 million for TUN for his jasa to all of us\*\*\*

I really like to see some head rolls over this ex-gratia fiasco..  
Be a lesson to others not to be so wreckless next time..  
If that doesnt work either.. there is always PRU in 5 years time..

Salam TUN..

Salam Tun,

I think poeople of Malaysia MUST take this issue seriously. To tell you the truth, I am actually sicked and fed up with Abdullah's government up to my nose!

The Salleh saga really show how incompetant Abdullah is.

Najib must undo this. Judges MUST pay back rakyat money. I repeat, MUST pay back rakyat money!

One question. Can Salleh and the other sacked judges sleep soundly at night ever since they unashamely received those money? I doubt it!

YAB TUN

Sorry to say even with my belacan brain I know it was the most stupid action by paying all the judges. And the funny thing the minister was trying to twist the words sacked to "early retirement" or whatever.. it's OK if he talked to kindergarten pupil. My belacan brain confirmed that act was just to show that YOU are "guilty" emm. and I wondered.. 10 millions = at least 5000 poor could have a good shelter.

What the Malay proverb said "Pandai tak boleh diikut, bodoh tak boleh diajar" is practical here..

Obviously this shows that the judges are a charity case for the goverment to burden.

What can i say, "when money on the eyes of the beholder" everything from wrong can be corrected

I believe that one day this country can be called as an ATM if this matter is unsolved.

Dear Tun,

I have commented a lot about this issue in your previous Snippets. It really amuses me. So what next? I wonder how the rakyat react after knowing exactly the amount been paid to the guilty ex-judges who had been sacked. Do they morally deserve to get it. The question is how the government made its decision to pay such a huge lump sum of money. What is the rationale and on what basis??

In my opinion all this exercise was very irresponsible, indeed!! The government should revert its decision and withdraw the payment.It is very scandalous affair of the history of Malaysia.

By Ataturk on November 8, 2008 5:09 PM

Dear Tun,

How disgraceful levels we come to.

If the families of the judges had any conscience (most profess to be Muslims), they would return the money as the payout is nothing more than a bribe.

The message the present stupid government is sending by making the payout is that you can do wrong and be rewarded.

How shameful.

Best Regards

Ataturk

By svijeyan on November 8, 2008 5:09 PM

Dear Sir,

1. Many citizens do not know that judges are receiving two pensions.  
WHY PAY TWO PENSIONS?

2. Paying two pensions didi took place during you time in office.  
Why you did not make it to only one?

3. The ex gratia paid is clearly too high. Will civil servants in any other departments able to receive if they were sacked?

4. You mentioned the government is rich to pay such high ex gratia.  
Any way Malaysia government had spend on a lot other activities

even the richest country, USA had not spend. Rich European countries did not send a space tourist on government fund but the great MALAYSIANS with "MALAYSIA BOLEH" slogan had done it.

Assalamualaikum Tun.

Saya ada seorang kawan sama sekolah yang telah menjadi dan mempunyai share partner dalam kompeni lawyernya.

Dia bagus hinggakn masih kenal saya walaupun dah 12 tahun tidak berjumpa. Ketika itu saya terpinga-pinga bila di sapa dalam kedai kopi yang agak gelap. Maklumlah malam.

Satu hari ketika sedang minum teh, datangnya seorang penjual budak-budak yang menjual buku-buku agama. Dia membebel kenapalah budak-budak ni asyik menjual buku orang. Sepatutnya zaman mereka itu adalah zaman belajar.

Saya pun tegur, menjual secara marketing macam tu pun bagus untuk pengalaman niaga. Tetapi saya menjadi terdiam seketika bila dia berkata 'aku lawyer. Bila dah besar tahulah budak-budak tu cari makan sendiri'.

Itulah perangai lawyer. Sentiasa berusaha untuk menentukan takdir kehidupan seseorang.

Walau bagaimanapun, dia memang seorang kawan yang bagus. Tapi kenapa selepas menjadi lawyer, setiap lawyer seolah-olah kehilangan pegangan bahawa kita sebagai umat Islam mesti percaya pada Qada' dan Qadar?

Terima kasih Tun.

Another thing, the minister involved kena betul2 transparent in every way with regards to Tun Salleh issues....ape nak takut, just exposed everything or are they afraid of something? Ape2 pun ni semua Zaid Ibrahim punye agenda untuk angkat sesetengah orang sebagai 'keramat'.....lepas tu letak jawatan...hehehehe...kelakar jugak lawyer ni yek.....

Clearly it was a waste of public fund, another story of misuse of public fund by current government. If we calculated all the blunders made by current government plus with this amount, it would probably touch billion RM. I urged to all Malaysian, please push the government to put Pak Lah into trial for all the blunders he has made.

By mynes on November 8, 2008 5:53 PM

Tun,

been waiting your comment since they announce the figures... and it worth a wait. the current administration is really cannot be expected to make wise decision. almost all the decision made is seem heavily influence by somebody, either the son or son in law, de facto minister or even the wanna be minister.

i've read in some forums of the proposal of to form a "suruhanjaya diraja" to investigate the action of the government generously pay-out the ex-gratia money to these judges and i support this idea fully. somebody need to really investigate this and to considers of all the pensions and to decide either the "give out" are valid or not.

pak lah really have made a big mistake with this payment.

By linuxguy on November 8, 2008 5:54 PM

Dear Tun,

Zaid Ibrahim in his plight to please the opposition and bar council, has wasted RM10M of taxpayer's money. I understand if he wants to bring the reputation back to the judiciary, but it should have been done in a proper judicial manner.

Tun has explained clearly that the sacking of Tun Salleh has been done according to the rule of law. Refer to [http://test.chedet.com/che\\_det/2008/06/the-tun-salleh-saga.html](http://test.chedet.com/che_det/2008/06/the-tun-salleh-saga.html). The majesty himself has requested for Tun Salleh removal and the government at that time had setup a tribunal consist of 6 judges (including foreign judges).

Until today nobody has been able to refute Tun's explanation.

If Zaid is really championing the rule of law, he should have set up a tribunal or royal commission to go through the 1988 incident and verify whether it is done properly. By doing this it also will clear the doubts of many rakyat when proper explanations are given.

Instead, he chose to waste taxpayers money without any proper investigations and proof given. And he expect us to swallow all what he has to said and think? What an arrogant lawyer he is not suit to be a leader. Even the weak PM disagreed to apologize to the judges. How do we expect rakyat to agree with this total waste of taxpayers money?

Until he pay back the amount of RM10M to the rakyat using his own money, i will not approve of his doing and he will be answerable to god in hereafter. True compared to other billions of taxpayers money wasted by the government in certain projects, RM10M is not comparable. But it is still taxpayers money and it can do a lots and lots of thing for the poor.

Perhaps many of his actions are influenced by opposition supporters who praise him like god. We can see this in many opposition websites, one of them Malaysia Today. Zaid, its good to be a hero, ya? Thank god he has left the government. Imagine if he is still at his sit, how many more taxpayers money will he waste to please certain parties, without having a concrete reason provided to the rakyat. Probably billions? What a boon!

By apanamaAuthor Profile Page on November 8, 2008 5:55 PM

Who authorised the RM10.5 million in the first place, was it the Pak Lah's 'kitchen-cabinet', the impotent Government Cabinet that is often under remote-control or was it purely a Private Agreement between Abdullah Badawi, Zaid Ibrahim, Ambiga and Nazri Aziz.

What is the basis of such a huge sum which rightfully belongs to the rakyat.

p/s Surely we wouldn't mind if any of the above characters were to dig their very own pockets for the so-called ex-gratia, but this is sort of a 'daylight robbery'.

Maybe Pak Lah and his 'friends' should reimburse the money to the government before he leaves office in March.

Malaysia never authorised you, Abdullah Badawi, to plunder our our hard earned money.

If you want to do charity, do it with your own money ... or that of your son-in-law.

kabinet paklah semua boleh.sekarang ni entah apa agenda pak lah dan budak hitam lepaskan Rpk,dsai,dan juga razak baginda.macam ada bau sesuatu je..air yang tenang jangan disangka tak ada buaya.dari sekarang hingga bulan mac macam-macam boleh berlaku.ingat senang ke nak lepas kuasa.ni kerajaan mongolia nak bawak kes pembunuhan attluntuya ke icj.eh macamana ni tun ..

saya tengok kroni paklah sedang buat sesuatu je..yang paling banyak rugi adalah anak menantu dan kawan-kawannya...saya tak yakin tengok datuk najib boleh jadi pm ni.dengan macam-macam beban yang ditanggungnya boleh ke datuk najib membuang semua kekotoran yang ada di imejnya.saya tidak yakin.mungkin kita patut pilih orang yang lebih layak dan bersih ,juga nampak bersih.siapakah di umno yang layak untuk menjadi pm?masa inilah paklah akan membentangkan undang-undang anti rasuah.perkara pertama yang akan dibukak adalah kes kapal selam dan eurokopter.inilah akibatnya bila ahli umno jadi dungu dan tidak bijak..akhirnya yang jadi mangsa adalah rakyat malaysia.entah bila percakaran orang umno ini akan berhenti.adakah umno sudah patut dibeku sejukkan dan disimpan dalam muzium?

Dear Tun  
ASSALAMUALAIKUM

You mentioned the ex-gratia payment is unprecedented. Know why?. Because what you did in the first place that resulted in the actions taken on the judges is very2 unprecedented.

It is because you refused to budge on any matter that comes to you. Tough act?. Sure!. Good for the nation?. ....

Today almost all government institution is lame, suspected, .....many2 are corrupt to the core....Tun, Its your legacy and we are not forgetting them.

After Pak Lah, this nation will see worst actions on the rakyat as we knew all along you are in Najib's camp. You have done it with his father.....you can easily twist his head!

(Being the first to comment isn't important. This is not like advertising in the newspapers for your car to be sold, where you want your advertisement to come up first.)

Salam Dear Tun,

"They" were upset when the judges got sacked and blamed you for it. "They" even said that the sacking shall have an adverse effect on FDI, the economy, etc, etc. 20 years later some smart Alec came along and recommended the award of ex-gratia payments to these judges and "they" say "justice is now served". Then some of "them" aren't happy because the amount wasn't disclosed so "they" started nagging and nagging until the current de-facto minister revealed the amount. Now some of "them" say "Aaah... now, justice is TRULY served". Well, some of "them" may also say, "What?? 10 million? You can build x number of schools, x number of clinics...", so on, so forth. Moral of the story? You cannot satisfy everyone. Wassalam and warmest salams to Tun Dr. Siti.

Askum...Ybhg Tun,

Kalau boleh saya nak carut jer kat Zaid Ibrahim & Paklah nie..Tapi demi menghormati majlis Tun dalam blog nie.. saya tahan nafas jer..

Bayangkan RM5Juta (utk Salleh)tu, kalau di beri kpd program belia niaga..rm2,000 = 2,500 belia boleh dpt pinjam... Atau kalau di beri kpd ibu tunggal... berapa ramai anak2 mereka yg dapat kebajikan...

Itu belum kira RM10.5juta RM.. Kalau kabinet yg luluskan, sape PM nya...? Sape yg cadangkan ? Tak ada kah "cerdik pandai" di Malaysia ni (atau pembangkang) yg BUAT LAPURAN POLIS, or cadang tubuhkan suruhanjaya siasat pembaziran wang cukai rakyat ni...

Sebagai pembayar cukai, saya tidak halalkan walaupun "share" saya hanya RM0.50 dalam RM10.5juta tu...

Mudah-mudahan Tun Sekeluarga diberkati Allah selalu..dilanjutkan usia & terus membimbing anak bangsa. Tks

Tun,

Zaih dah makin panas sekarang. sebab tu dia awal2 lagi menuduh tun ni akan mempengaruhi kerajaan. dia takut dia akan dicari dan diheret kemahkamah. ini yg dia risau sgt. org yg buat salah selalunya akan takut. mmg resmi manusia.

Dulu dia berkeras tak bole bgtau. sekarang, sebelum apa2 jadi, diorg bgtau dulu utk selamatkan diri masing2. tapi diorg ingat bila bgtau, diorg akan selamat, tapi apa yg berlaku sebaliknya. perkara yg dihebahkan ini menambahkan lagi masalah mereka yg mmg sudah pon berada dlm masalah.

5 juta? kita mahu maklumat secara terperinci bayaran apa yang melibatkan 5 juta itu. RAKYAT perlu tahu satu demi satu ringgit yang dikeluarkan utk org yg dipecat oleh AGUNG ini.

Kisah ex-gratia ni bukannya sudah berada diakhir episod.. tetapi ia baru saja bermula. 5 juta, dgn akal yg logik dan kira2 tambah dan tolak, budak sekolah pon boleh mengira jumlah yg mereka dpt melebihi jumlah yg sepatutnya mereka dpt. jadi siapa yg mahu menjawab teka-teki ini? ZAID? i don't think so.

Sorry Tun, a bit off topic.

Talking about the website Malaysia Today, before Tun has this blog up, many has thought Tun has lost support from many Malaysians. This is because may comments in MT are critical of Tun.

The reality is, instead of preaching free speech, Malaysia Today is just another propaganda website who only will listen to its supporters. My comments which are critical of Raja Petra were removed right away. And yet they claim they are championing free speech.

That is why nowadays we can see comments only come from their supporters. From all the comments, 90% of them are mainly cursing and many profanities. Not to mention racist comments and comments that are insulting religions which can hurt many are allowed as long as the commentors are in line with their point of view. There is totally no intellectual discussions there. All they know is only to curse and raise racial hatred between the people.

Previously I have raised this to RPK through my comments. I have suggested that all the comments to be moderated. All comments should be allowed but those with profanity and insulting races and religions should not. Guess what, all of that are allowed but only those critical of RPK is banned. That is their definition of free speech.

Yes, I still visit the website to read the news which is good because it is updated frequently. But i ignore all the comments. No surprise today if we see all the commentators there are only critical of Tun because Tun's supporters are either banned or don't bother to read them. And mostly MT commentators only know to curse and use profanities without giving sensible ideas or discussions.

Probably Zaid is a frequent visitor of MT and he thought MT represent the whole Malaysians. I remember one article critical of Zaid from his foreign client suing him (if I'm not mistaken). he responded right away the next day. Shows how much he worried of his reputation and hopeful that the commentators keep praising him as their true hero. That is may be why all his actions are leaning to the oppositions.

Salam Tun

Sorry out of topic here.

1. Why an African American could be the President of USA?

Change has indeed comes to America.

Change has also come to Malaysia and the rest of the world.

2. I think globalization and the information technology has not only affect the way nations do business but also disseminated culture across borders faster and more effective than the old generations would want to believe.

3. The younger generations of voters in America and the rest of the world do not share the prejudice of their fathers. The younger generations are more liberal and their mind are not trap in a cocoon, and this growing number of young voters will continue to change the voting patens and political landscape of every nations in this world.

4. The narrow minded older generations of voters will only reduce in numbers while the younger generations who embrace diversity will increase in numbers. So change is inevitable. If it can happen in America, it can happen everywhere else in this world. Malaysia is no exception.

5. So like Najib has said, BN policy must change, or be changed.

berapa duit pencen yang tun terima tiap-tiap bulan? boleh cerita ke?  
By mentayu terbang on November 8, 2008 6:55 PM

Assalamualaikum Ayahanda Tun,

Memang betul apa yg ayahanda katakan, mengapa bayar mereka saguhati kalau mereka sudah menikmati pencen. Hanya org yg dijatuhkan hukuman saja tidak akan menerima pencen dan apa sebab mereka diberikan saguhati kalau mereka tidak pernah dijatuhkan hukuman. Apa pun alasan yg diberikan oleh Menteri yg bertanggung jawab di Parlimen semuanya jadi tunggang terbalik dan jadi tak tentu arah dan tidak masuk akal sama sekali. Pada saya kalau kita nak tutup satu pembohongan dengan menggunakan pembohongan yg lain maka akhirnya pembohongan demi pembohongan akan digunakan. Dan ini akan jelas kelihatan apabila alasan yg diberikan tidak masuk akal sama sekali. Org yg pernah kerja dgn kerajaan mestinya tahu bagaimana sesuatu pencen itu boleh diberikan sebagai menghargai jasa-jasanya.

Saguhati tidak boleh diberikan atas kesalahan yg pernah dilakukan sebagaimana yg dijelaskan oleh ayahanda Tun dulu. Mereka dihukum setelah tindakan-tindakan diambil melalui proses yg betul...jadi mengapa saguhati dikeluarkan...bukan sedikit, banyak pula tu.

Apa yg jelas disini mereka yg bertanggung jawab mengeluarkan saguhati ini bertujuan utk meraih popularity dan cuba memuaskan hati segelintir pihak tetapi tidak kepada rakyat. Rakyat melihat ini sebagai suatu pembasiran dan merugikan kerana jumlah RM yg dikeluarkan itu boleh digunakan utk tujuan yg lebih baik dan lebih berguna kepada rakyat.

2. This is so brilliant – BRAVO Nazri...for demonstrating how shallow the mentality of some leaders, who actually DO NOT KNOW WHAT'S RIGHT AND WHAT'S WRONG (worse still, claimed that they are the "CERDIK" PEOPLE).

Salam tun dan Tun Hasmah,

Ini lah peliknya. Saya sangka bayaran kepada bekas hakim hakim ni sekitar ratusan ribu saja. Tapi

nampaknya dalam angka jutaan ringgit.

Atas sebab apa pun seseorang itu berhenti atau di berhentikan, dan bila pencen nya tidak terganggu, maka tidak perlu lah rasanya bayaran pampasan. Ini seolah-olah akan ramai kakitangan kerajaan bila sakit diberhentikan, atau dinasihatkan berhenti, dapat pencen kemudian di beri pampasan. Kalau ini bukan amalan kita kenapa hakim-hakim ini di beri pampasan.

Kalau mereka ini memahami prinsip pampasan mengapa pulak mereka menerima tanpa soal.

Apa pun ini lah yang di panggil sifat-sifat penyayang dan keterbukaan amalan kita sehingga semua permintaan yang bukan-bukan pun kita layan semata-mata nak jadi popular.

Sekarang ni banyak yang di minta. Banyak pemintak sedekah dan pengembara menumpang di halaman rumah. Bila diberi kemudahan duduk di rumah kita, mereka minta macam-macam. Berilah dan ikutlah kehendak mereka sehingga yang kita kendung habis cicir. Maka kenyang lah beruk-beruk di hutan. Anak kelaparan tak apa.

Melayu,....Melayu.

Esuk lusa ramai pulak lah yang nak mengata sheikh Mudzafar buat duit 1.2 juta. Soal nya benar ke? Kalau tidak, kita dah malukan beliau tanpa soal selidik. Tapi kalau iye, salah ke budak yang serahkan jiwa dan raga untuk negara dapat wang tersebut.

Dah lah kita tidak naik ke langit kerana tak upaya dan takut. Bila nak dengar cerita orang yang pulang kita mintak free. Ini lah dia nya kelaku buruk kita.

Sekian tun. Take care.

My Dear Tun Dr. Mahathir

Assalamualaikum Tun,

1 is the Present Government in denial, they use hatchet man Nazri to bear the dirty work. But sadly what a choice in a minister. He tries to bluff his way around to please his masters.

First, it was, I promise to get ut. Then it is unavailable.

Next, I will try again

Then, the Government has to respect the request of the recipients not to reveal the amount. (Why the recipients were shy that they had been bribed by the Government.)

Lastly when driven into a corner, "when the interest of the nation is involved, then everything else must take a back seat. The amounts are.....

Just for the ex-hand-picked minister (who was without the mandate of anyone, not even his own branch of UMNO) to please and to be the running dog of the Bar Council and other interested parties in the Government, he surfaced like Ramboo to reward the already rich ex, sacked judges. Then when he could not have it his way, he drowned like a lame duck.

2 The judges were sacked! (period) What, is the memory of our learned minister only short termed. They

were removed for going against the Agong. They were sacked for plotting to bring down the Government! They were terminated for conspiring to teach the politicians a lesson. All this was lead by the sacked Lord President.

3 Now, to say that they were not sacked, not removed is to mislead the people of the nation. It reminds one of the NST during the heydays of one Kali

Thank You

5 million is a lot of money to be given to one person, and not forgetting that there are no clear reasons why it should be given in the first place.

However, looking back past issues, give it a few days or weeks and I bet no one will seem to remember or talk about this anymore. And that is the nature of our country. One can do bad things and get away with it easily...

By azmany on November 8, 2008 7:37 PM

Indeed it would be interesting to know what is the formula used in RM5 million awarded to one judge. Loss of power, loss of face? Wonder what is the multiplication factor used? Maybe Selangor MB is also taking out his calculator and do some calculation himself - or even Datuk Dr Abdul Aziz Muhammad (the

acquitted ex SecGen) etc etc.

The ex-law minister certainly agree that justice applies to all - not just to judges and lawyers only. Now that the coat is turned after precedence, maybe he would like to ply his brand of justice at the other side.

Did I mention about Musang Berbulu Ayam in previous post?

By farhitech on November 8, 2008 7:39 PM

Salam hormat buat Tun berdua .

Saya pun berasa pelik , janggal dan musykil . Bila dipecat , maknanya dibuang kerja ... diberhentikan daripada perkhidmatan . Secara rasional , umum pasti tahu ... sesiapa sahaja yang dikenakan hukuman ini akan kehilangan segala kelayakan sebagai kakitangan kerajaan / awam ...hatta pencen sekali pun .

Para hakim tersebut bukan dipecat melalui Lembaga Tatatertib ... mereka dipecat oleh sebuah tribunal yang mana anggotanya adalah para hakim yang lebih arif dan bijaksana . Malah kes ini merupakan kes HIGH PROFILE kerana melibatkan Ketua Hakim Negara .

Setelah 20 tahun .... Tok Zaid tetiba muncul mencadang , Tok Dollah pulak mengganggu ... bersetuju untuk korbankan sedikit wang cukai rakyat kpd para hakim yang dipecat . Atas alasan apa ? Kalau benar mereka tidak bersalah , sebagai pengamal undang2 mereka pasti arif bagaimana keadilan boleh dituntut oleh mereka dan anak cucu mereka . Saluran mahkamah boleh digunakan .

Ini ... tup tup timbul Tok Zaid ... maka mereka mendapat durian runtuh .

Cerita Tok Nazri anak Tok Aziz pulak . Sejak 20 tahu org duk canang .. para hakim itu telah DIPECAT . Macamana pulak Tok Nazri kata mereka bukan dipecat tetapi mereka berhenti awal . Wah ... pandai Tok Nazri putar alam ya . Sejak bila pulak para hakin tersebut isi form utk mohon bersara awal ? Kalau betul mereka nak bersara , takkan lah sampai tubuh tribunal utk selesaikan krisis kehakiman .

Buat Tok Zaid , Tok Nazri dan Tok Dollah ... orang semua tahu apa dah berlaku . Kalian jangan pulak nak tegakkan benang yang basah . Walau ia dah 20 tahun berlalu , Tok Det masih ada . Tok Det pasti tahu apa yang sebenarnya berlaku . Tindakan Tok Det selalunya betul , amat jarang tersalah langkah .

Namun ... RM10.5 juta dah melayang . Tok Zaid pun dah tak jadi tok dalang . Tok Dollah pun tinggal 5 purnama lagi . Tok Nazri , masih dgn tabiat lama ... mengampu tak habis2 . Dulu dia ampu Tok Det , bkn Tok Det tak tahu .

Tapi saya tetap kesal ... mereka ni salahgunakan amanah rakyat .

By Tauke Kedai on November 8, 2008 7:41 PM

Wow! First, they sacked. Well, that's what the record says. They receive full pension based on compassionate ground. Twenty years later comes this smart guy who bypass the cabinet to fulfil his 'reform' mission, paid more than 10 million ex-gratia to them. Dont even know why the payment was made. This is a dream job!

The Government cannot afford, if the intention to please everybody, spend so much money. Look at the result of the GE. A lot of unprecedented events took place in Malaysia now. Is this the 'reform' that AAB is talking about? I do not know about others but if I want to talk about reform, I would reform myself first. Kepimpinan melalui teladan.

By SkiLL on November 8, 2008 7:47 PM

Dearest Tun,

Curiouser and curiouser indeed.

It defies logic that such amount can be doled out despite the records showed the judges was guilty of misconduct.

The whole fiasco of the ex-gratia payment to these retired judges was simply a publicity stunt which in my opinion back-fired and did no favors for anyone except to infuse confusion into the mix.

The guilty was not found innocent but was compensated anyway. Bunch of jokers we have in the administration.

Reminds me of the traffic police giving discounts to those who refuse pay their traffic ticket.

Well, the Salleh saga will continue as long as it is politically convenient for some.

My only fear is we may see the day when the judiciary becomes a power on its own without much supervision except by their own fraternity.

By Zahari S on November 8, 2008 7:53 PM

Assalammualaikum YBhg Tun,

The very action of holding a grand dinner and announced that the judges will be paid an ex-gratia payment for "not suffering" defied any conventional logic, at least to millions of the rakyat.

Maybe, the Government, via the now defunct Law Minister, together with the soon to be out of office PM believed that they can score some brownie point from the opposition so that the opposition would kinder to the PM.

The PM was quite successful in getting the "support" from the opposition in the wake of the UMNO grassroots "uprising". This was evident when the PM was defended by opposition stalwarts like Karpal Singh and Lim Guan Eng.

Lastly, such incompetent decision can only happen in Malaysia under the lame duck PM of AAB.

A'kum Tun. Dr....

Apakah tujuan sebenar pembayaran ex-gratia tersebut?  
Sama ada untuk mendapat undi popular di kalangan rakyat biasa ataupun untuk memperolehi sedikit kelebihan dari segi perhatian daripada ahli-ahli perundangan?  
Apakah kesan jangka panjang akibat daripada pembayaran tersebut?  
Sekiranya perlu kenyataan minta maaf digembar-gemburkan, kenapa perlu ada imbalan dari segi kewangan?

Kantung kewangan negara nampaknya amat senang disusutkan hanya dengan menggunakan alasan-alasan mudah yang kelihatan tidak boleh dibantah dan dibincangkan secara lebih mendalam...

Salam Tun dan Toh Puan.

Saya doakan Tun dan Toh Puan sihat dan kuat semangat melawan mereka2 ini, yang bergelar hero kampung!

Saya terkejut dengan jumlah yang besar bagi seorang hakim yang berpencin dan ada 3 lagi pencin seperti Salleh Abas.

Saya baru dimaklumkan dari radio IKIM, Salleh Abas ada membuka syarikat perunding wasiat Islam di Kuala Lumpur. Dengan 3 pencin, duit ganti rugi (duit rakyat) tak tahu jumlah nye, dan ada syarikat perunding....dah melanpau seorang hakim! TAK CUKUP KE!

Tak di nafikan sesiapa boleh buka syarikat selepas dia bersara tetapi memakan duit rakyat tanpa DI HAKIMI bahkan BERTINDAK seperti bacul -menggunakan media untuk menghentam Tun adalah satu perbuatan yang tidak ada pada seorang yang bergelar HAKIM!

Saya bersyukur kerana Tun dengan berani menyambut seruan ahli-ahli chedet.com untuk menerbitkan buku kisah Salleh Abas, ramai kawan-kawan saya berkata, tindakan Tun cukup berani. Dan mereka merasakan 6 Hakim Jahanam ! ini bacul dan tidak berani saman Tun balik. Kalau maklumat yang ditulis dalam buku chedet adalah palsu, 6 hakim jahanam patut dah lama saman Tun, tetapi mereka tak berani. Kerana apa, kerana Tun bukan sahaja seorang doktor bahkan seorang Hakim yang terhebat. Mereka sedar cita-cita Tun dulu nak jadi Lawyer.

Saya mencadangkan Tun mengambil tindakan undang-undang, atau mendapat perintah dari mahkamah bagi mendapat maklumat BERAPA JUMLAH DUIT GANTI RUGI PADA 6 HAKIM JAHANAM INI? Ini duit rakyat...rakyat perlu tahu.

Terbaru Menteri dalam negeri Dato Aziz mengeluarkan duit rakyat sekali lagi, dengan MEMBELANJARKAN 30 ribu kepada Kelab Peguam. Satu tindakan yang tidak bertanggungjawab. Senang-senang duit rakyat digunakan bagi MERASUAH / MENUTUP mulut ahli peguam - jangan sentuh isu sensitive!

Paklah seorang yang tak suka rancangan orang lain berjaya. Terbaru Paklah membatalkan projek negara untuk membeli Halikompter Tentera yang baru bagi menggantikan Nuri yang cukup lama. Paling tidak pun belilah 1-5 halikompter buat sementara waktu. Ini akan mengurangkan keyakinan pelabur luar, bahawa kerajaan boleh batal atau tidak mengotakan janji yang telah dipersetujui. Pelabur-pelabur asing pun dah mengeluarkan belanjer yang tinggi. Kita kena ingat tu. Bukan suka-suka mereka nak membatalkan projek ini.

Saya terperanjat apabilan BPR bersungguh-sungguh menyiasat secara terperinci mengenai kes

pembelian halikompter tempur tentera terbaru yang mencecah 8 Billion ringgit. Sedangkan BPR tidak serius menyasat BAGAIMANA JUAL BELI ASET AGUSTA PROTON HANYA DENGAN NILAI RM 1.00!

Ini lah cara Paklah mentadbir.

Saya cadangkan Tun membawak kes ini di mahkamah, supaya mendapat kebenaran menyasat secara terperinci kes AGUSTA ini.

Kami rindukan Tun.

Kami nak Tun menjadi PM semula.

Kami doakan anak Tun, Mukriz jadi PM Malaysia.

HIDUP TUN! HIDUP TUN! HIDUP TUN!

Assalamualikum Tun,

Tak faham, enam hakim itu kena pecat atau diberhentikan lebih awal.

Tut, tut ada orang yang tiba-tiba jadi instant millionaires. Benarkah pembayaran dan majlis penyampaian diadakan kerana sebab-sebab mahu 'memperkenakan Tun'?

Rupa-ruapanya dalam Kabinet Kerajaan BN ada juga yang bersimpati dengan pembangkng. Pelik, padanlah tidak menang pilihan raya dengan cemnerlang.

Kini, bukan sahaja bayaran berkenaan menjadikan beberapa orang daripada mereka jutawan segera tetapi mengundang polimik, hakim-hakim itu dipecat atau diberhentikan lebih awal?

Soalnya kenapa bekas Menteri di Jabatan Perdana Menteri, Datuk Zaid Ibrahim yang dipersetujui Perdana Menteri, Datuk Seri Abdullah Ahmad Badawi beria-ia dan dengan kadar yang cepat memberikan ex-gratia berkenaan.

Persoalan menjadi kusut dan mulut kerana daripada sumber manakah wang itu didapati dan jika hakim-hakim berkenaan tidak perlu diberikan ex-gratia untuk memulihkan kredibiliti mereka, siapakah yang bertanggungjawab terhadap penggunaan wang rakyat itu?

Keseluruhan Kabinet atau yang mencadangkannya? Bagaimana Perdana Menteri mudah 'ditipu' sedemikian rupa?

Jika Kabinet meluluskannya, apakah anggota Kabinet yang cerdik pandai itu ditipu di saing hari oleh orang yang membawa usul mengenainya? Tidak mempersoalnya dan lulus 'buta-butu' RM10.5 juta itu?

Anggota Parlimen Bukit Gelugor Karpal Singh menyifatkan kenyataan Nazri bahawa hakim-hakim yang terlibat dalam krisis Kehakiman 1988 tidak dipecat tetapi diminta bersara awal, sebagai mengelirukan.

Karpal berkata Nazri mesti menjelaskan mengapa beliau membuat kenyataan secara terbuka di Parlimen yang memberi tafsiran bahawa nama-nama hakim itu telah dibersihkan oleh tribunal, bertentangan dengan hasil siasatan dua buah tribunal berkenaan.

Kata Karpal, Kerajaan sepatutnya telah menubuhkan dua tribunal untuk membersihkan mereka daripada tindakan yang telah diambil terhadap mereka dan bukan memberikan bayaran ex-gratia.

"Apa yang sepatutnya telah dilakukan ialah bukan membayar ex-gratia kepada hakim-hakim itu tetapi mengadakan sebuah lagi tribunal bagi membersihkan nama mereka.

Jadi daripada apa yang dikatakan oleh Karpal itu, menjadikan tiga bekas hakim itu sebagai jutawan (jutawan segera) tidak wajar?

Apakah ini bermakna 'buta-butu' sahaja hakim-hakim berkenaan mendapat sejumlah RM10.5 juta itu?

Siapa mahu bertanggungjawab kepada soal ini? Datuk Zaid Ibrahim sudah berhenti menjadi Menteri di Jabatan Perdana Menteri. Mungkin Nazri terpaksa pikul beban ini?

Apa nak jadi Tun?

Good Evening Tun,

To me the judges that was sacked deserve nothing. This is just a public stunt made by that worthless Ex-Senator. He is just as much a flip flop guy with Pak Lah. He is just an opposition guy in disguise. He face also resemble a no confidence guy. Sometimes i wonder the people that Pak Lah appoint as minister most of them are ex-opposition guy. As if there is no one in UMNO that he can select with. I think he picked the guys that are flip flop as well as him. What a joke to the system.

Salam Tun & fellow bloggers,

- 1.Tun,the real issue is not how much the payout.Its the verdict.The whole world knows Tun Salleh Abbas dismissal/suspension is politically motivated
- 2.Tun,in trying to understand your decision making process,people should be forgiven for thinking you are biased towards UMNO while you hold both top position as President (UMNO & BN) and Executive (Prime Minister-seen as interference in Judiciary)
- 3.Once again,I hold no grudge or anything against Tun (proven in my previous postings,I taruk left & right) and truly admire you Tun,as the only person I consider Statesman or Negarawan who dares to 'call a spade,a spade'..of course 'after the buck stop here' (in your hand)
- 4.Tun Salleh Abas is a normal human being and you Tun have all the power to spare the HUMILIATION: what is couple of million Ringgit compare to lost of dignity
- 5.A simple "Sorry,I made a mistake" will do,I guess
- 5.Otherwise we should rename our beloved tanahair as BOLEHLAND..

Tun the respected one,

Obviously the money comes from the taxpayers money. And I am really curious how the flip flop sleeps at night having made all these decisions just to prove a point.

Off topic a bit, pls give us your opinion on what I have heard a few hours ago from Tengku Ahmad Rithaudeen about using similar system to USA in the effort to curtail politik wang. Should we menghalalkan only to make it easy for ourselves from coming up with better ideas or enforcements? If UMNO is so full of greedy people about time something be done within itself to make it still relevant.

I feel that using the sponsor system, as mentioned is bad for political campaign because in the end the prime minister chosen will only be a puppet to the sponsor. You could be a muslim man, but the sponsor behind you is someone who deosnt care about the religion; Same thing with Barrack Obama or Mc Cain; both are puppets to their masters. Who are their masters? Who has that amount of cash? I am not surprised when in a couple of years later Obama will come up with some decisions that makes us wonder why are we so into their election this time (live braodcast etc etc) . Making a difference to the world is many people's dreams, but to be a president of USA without any bend towards the zionists is something I do not imagine possible right now.

Salam TUN

Minggu lepas dalam beberapa akhbar disiarkan bagaimana 'jerih payah' dan 'usaha kuat' seorang gambler akhirnya membuahkan hasil apabila beliau berjaya memenangi 'jackpot' berjumlah kalau taksalah saya RM20 juta. WOW...mungkin 'rezeki' beliau.

Hari ini terpampang cerita jumlah RM yg dibayar as ex-gratia kpd mereka2 yg berkenaan. Pergh...RM10.5 juta..Bukan satu jumlah yg kecil terutamanya kepada rakyat 'marhein' spt kebanyakan kita. Bayangkan kalau RM10.5juta ini disuntikkan untuk pembangunan rakyat termiskin...Berapa banyak keluarga dan rakyat dapat kita 'selamat'kan...

Andaikata RM10.5 juta di top-up sebagai subsidi minyak, alangkah leganya kita-kita yg mengharapkan penurunan harga minyak demi menikmati harga barangan yg lebih rendah. Sayangnya, ianya bukanlah satu realiti kepada rakyat...RM10.5juta hanya untuk beberapa 'mereka-mereka' itu sahaja yg bukan sahaja dapat 'jackpot' malahan siap berpencen lagi...

Bagi saya, cerita si gambler yg menang RM20juta dan RM10.5juta ex-gratia ini hampir serupa. Yang serupanya mungkin dah 'rezeki' masing-masing but yg berbezanya si gambler ber'susah payah' berusaha dan akhirnya mendapat apa yang ingin dicapainya BUT dalam kes ex-gratia 'tanpa perlu bersusah payah' akhirnya dianugerahkan dgn sejumlah 'jackpot' oleh kerajaan HadHari yg amat pemurah ini walaupun penerima 'jackpot' berpencen... Dalam kedua-dua kes, Siapa Yg Dapat Duit Terpijak????

Senario politik negara masih dikucar-kacirkan oleh pemerintahan HadHari ni. Menjelang Mac 2009 ni macam2 perkara yg bakal terjadi. Rakyat semakin 'celik' politik, pemerintah semakin 'buta' mentadbir. Populariti dan kepentingan diri mengatasi kebajikan dan kemajuan rakyat jelata. Semoga ALLAH selamatkan Malaysia tercinta..

Assalamualaikum Y.Bhg Tun,

Benar kita semua telah didedahkan dengan jumlah sebenar bayaran ex-gratia kepada bekas-bekas hakim negara yang membabitkan jumlah yang begitu besar sehingga jutaan ringgit. Kalau boleh kita harap agar Tun dapat mendedahkan kepada rakyat siapakah ahli-ahli panel pembuat keputusan berkenaan jumlah serta kelayakan tersebut kerana saya percaya Tun tentunya ada maklumat yang sah.

Isu ini masih dicurigai oleh sebilangan besar rakyat dan rakyat wajar mengetahui keborosan yang bukan-bukan di bawah kerajaan pimpinan Pak Lah dan Pak Jib yang hebat berbelanja mewah dengan duit rakyat membayar gantirugi itu dan ini demi maruah kerajaan kononnya. Bagaimana pula dengan gantirugi rakyat terhadap projek-projek usahawan yang dinafikan sedangkan wajar diperolehi dengan peruntukan yang telah disediakan?

salam Tun,

Sesungguhnya RM10.5 juta adalah satu jumlah yang cukup besar. Tertanya dalam hati tiada siapakah yang berani membuat laporan kepada BPR, waima dari pihak pembangkang sekalipun? saya rasa ini adalah masa yang paling sesuai untuk ketua pembangkang (yang kononnya memperjuangkan hak rakyat pelbagai kaum) untuk melaporkan penyelewengan kerajaan Pak Lah ni.

Pada saya, pembayaran 'ex-gratia' itu tidak patut sama sekali. Patutlah ahli keluarga masing-masing, termasuk bekas menteri de facto, tidak mahu mendedahkan jumlah yang dibayar. Nampak sangat kelemahan Pak Lah dipergunakan oleh pihak tertentu...!!

Saya percaya jika pembangkang mengambil alih tampuk pemerintahan negara, Pak Lah akan diseret ke mahkamah. Pada waktu itu, bolehkah kita menggambarkan bagaimana Pak Lah mempertahankan diri di mahkamah?. Entahlah....

What do one expect from flipflop leaders? This rm10.5million payout makes them millionaires. Perhaps more SallehAbbas Syndrome must take place for all senior civil servants or should we say civil masters? SallehAbbas Syndrome is when you do something rude between now and March 2009, get to face tribunals and even setup your own tribunals and get Law Minister to reinstate and pay millions to you as exgratias after tribunal finds you guilty. Guess our IGP very busy now coz need to deploy policemen at all exgratias judges' house? Surely we want these people to stay alive and live out their millionaire days right? Or PakLah got Nazri to figure that out?

Colloquially we would say " ini semua kerja gila!"

For Tun Salleh, I cannot help to really look down on the man, thoroughly used by the Bar Council as a mean to attack the government and Tun Mahathir, to be later be denied by the Bar Council the exemption that would allow him to be the Advisor to a law firm. I am really embarrassed to acknowledge that such a person belongs to my race, a Malay. In short, disgusted.

Zaid Ibrahim played his part in this embarrassing fiasco. To me, he made us Malays looked like a fool.

I have another theory about all this. Someone paid someone as a compensation for the later aiding the former in his team's failed bid to power.

Dear Tun,

Just like you Tun, I'm surprised that the ex-judges got paid for RM10.5 Million. I think it's a lot of money. I really don't know if this judges will made as much as that if they were to complete their services to retirement.

1. Former Lord President Tun Salleh Abas received RM5 millions with monthly pension of RM5, 102.16/mth
2. The family of late Tan Sri Wan Suleiman Pawanteh received RM2 millions with RM4, 815/mth
3. Tan Sri George Edward Seah Kim Seng was paid RM2 millions with RM5, 916.90/ mth
4. Tan Sri Hamzah Mohd Salleh Abas paid RM500, 000 with monthly pension of RM6, 508.59)
5. The family of late Tan Sri Eusoffe Abdolcadeer was paid RM500, 000 with RM4, 815 monthly pension
6. And Tan Sri Azmi Kamaruddin was paid RM500, 00 with RM5, 916.90 monthly pension
7. I think it were ok for Hamzah, Eusoffe and Azmi but too much for Tun Salleh, Wan Sulaiman and Seah. Just like what Tun mention in this blog. Anyway, congratulations to them. At least we were having three new Millionaires in Malaysia.
8. Of cause the most offended by this move is the previous government leaders that lead by Tun, but I think Tun already answer this from Tun previous article in this blog.
9. by the way I had posted a comments on Tun artical of CONGRATULATIONS OBAMA but my comments was not released and I am going to re-subbmit part of the comment that might get the approval from Tun.
10. Its about the SABAH-SARAWAK GAS PIPELINE PROJECT BY PETRONAS
11. With this opportunity would like to raise some sentiment about what happening in Sabah, at the moment. (Of cause I'm a Sabahan). I think this sentiment are shared by Many of Sabahan, We are very saddened with the Sabah-Sarawak Gas Pipeline Project by PETRONAS (which is TUN happened to be the adviser). According to the controversial RM3 billion projects, gas will be pumped out from the offshore fields off Sabah's west coast to a refining plant in Bintulu. Pak Lah have promised us during his visit to Sabah some time ago that government will build that refinery plant in Sabah instead of Bintulu, Sarawak.

But then again during Pak Lah visit to Sabah on November 1st 2008, he had confirmed that the 500km gas pipeline project will be resumed (from Sabah to Bintulu, Sarawak) after being halted temporarily.

12. We have noticed also that the PETRONAS vice-president of gas business, Wan Zulkiflee Wan Arifin had said that the project would proceed and was due for completion by March 2001.

13. As we know, unlike Sarawak and Terengganu, Sabah is the only oil-producing state that doesn't have any oil and gas-related industries, making Sabah almost impossible for a positive spin-off effect from the oil industry.

14. From my point of thinking as an ordinary person on this beloved country that resided in Sabah, I can't understand why Sabah is deprived of this opportunity.

-Is it because Sabahan don't have any right for its natural recourses other than the 5% royalty?

-Is it because other part of this beloved country of Malaysia is more deserved for this project than Sabah? I have many questions to ask the government but I think Tun must understand my feeling by now.

15. Datuk Masidi Manjun was asked to comment the PM (Pak Lah) announcement by the Daily Express's reporter (front page-4th Nov 2008). He said that we (Sabah) had actually given the right to PETRONAS to manage our gas but unfortunately it is up to PETRONAS how to use it. I wonder why this minister is very supportive of this move. I think this YB/ menteri did not give clear picture of Sabahan feeling. Other State Minister also doesn't have any gut to raise they objection, to my question why? Do they think that Sabah is already a developed State? Don't they relished that Sabah economy depends merely on tourism and oil palm. They should think like you Tun, when they say it's not practical to have an automotive industry in Malaysia, Tun invented PROTON. When they say it's a waste to turn Langkawi into tourism destination, but Tun made it BINGO. I think Sabah must be given this one in a lifetime opportunity to develop its own oil and gas industries.

16. I must give respect to Tan Sri Bernard Dompok for his remark in NST (5 November 2008). He has been objected to this project from the start and had taken up the matter with the cabinet many times and promised to do again at the cabinet next meeting. For other Sabah leaders, here I am bagging for your undivided co-operation to object this project.

17. With due respect to you Tun, I'm really hopping that Tun will bring this matter to the future PM of Malaysia (DS Najip) to listen to the people of Sabah on the above project.

18. For us Sabahan, we will be praying hard that the project will be remained in the soil of Sabah.

19. Today (08/11/2008), its was mention that a "full fledged petrochemical industry" will be established in Sabah but again the 3 billions 500km as pipeline from Sabah to Sarawak will proceed. Can we trust this Tun?

Regards,

Jika George

Assalamualaikum Tun,

1. Beginilah kalau lantik ORANG BODOH untuk jadi Menteri. Saja2 DUIT RM10.5 JUTA hilang begitu saja diberikan kepada LAWYER PENCEN yang dah kaya raya.

2. Apakah menafaatnya? Saya rasa ia lebih kepada untuk memperkenakan Tun, untuk membuktikan yang Tun bersalah.

3. Alangkah baiknya duit tersebut digunakan untuk pembangunan Negara atau digunakan untuk faedah rakyat yang miskin. Sekarang ini semakin ramai yang jadi miskin setelah HARGA MINYAK NAIK GILA tempohari.

4. Menteri2 yang terlibat dengan pembayaran EX-GRATIA tersebut adalah MENTERI BODOH YANG SEPATUTNYA MELETAK JAWATAN SEGERA.

Salam buat Tun.

Salam buat Tun, semoga sihat selalu..

Satu tindakan yang tidak sensitif terhadap perasaan rakyat jelata. Dalam keadaan ekonomi yang merudum, ramai rakyat menderita dek kenaikan harga barang dan banyak hati yang tak tenteram disebabkan politik yang bergolak.

Bayangkan, seandainya jumlah wang yang akan diberikan itu disalurkan pada rakyat jelata dalam pelbagai bentuk..alangkah gembira hati semua..hatta menerima seorang RM50 pun...menggung ucapan terima kasihnya...

Tapi itulah..kalau diberikan pada rakyat pun..entah berapa banyak tangan yang akan menadah dulu sebelum sampai kebawah...

It's not a question of how much they are compensated, but rather, from the very same court who ruled against them is now admitting to an oversight in justice.

But why now? Was there interference in the due process of justice then?

Didn't you shown considerable interest then when you were still the PM?

Its all back down to malay dilemma, as with typical malay be it leader or the follower.. we tend to take an easy way out, i'm guessing the money paid is just that to settle thing as soon as possible, to satisfy those that concerned without making further noise. the top leader being a malay, just dont want to spend time thinking of the most suitable action to solve the problem. RM10.2M is small in the view of government treasury, which can save them time and headache thinking of it.. so they just paid as asked. which is the very thing u failed to do, to change the mindset of the malay, worse they are amongst the groups of top leaders.

Assalamualaikum Tun.

Emmm, jumlah yg diberi terlalu banyak. Apatahlagi bagi seseorang yg telah didapati bersalah oleh sebuah tribunal yg anggotanya bukan sahaja dari Malaysia tetapi juga dari beberapa negara bekas jajahan British.

Mengukut apa yg Tun pernah jelaskan, siasatan dilakukan hasil aduan YG Dipertuan Agong terhadap surat beliau kepada baginda dan raja-raja melayu yang lain. Diharap kiranya Baginda dapat memberi sedikit komen. Sekurang-kurangnya kurang sedikit beban yg Tun tanggung sbb selama ini Tun yang dituduh memecat Hakim-hakim tersebut.

Berkaitan jumlah yg diberikan, siapa yg sebenarnya mencadangkan jumlah tersebut. Kalau bekas menteri yg meletak jawatan itu, nampaknya dia menjalankan agenda sendiri dan mengambil sepenuhnya kesempatan semasa menjadi menteri paklah. Akhirnya kerajaan yg menanggung beban.

Selamat berbahagia Tun semoga sihat selalu.

Salam to Tun and all visitors. It has been quite sometime since I wrote last. Anyway,what is to expect. Someone who was found guilty and suspended from the party (UMNO)was made a Senator and appointed as Minister, a lady who did not re-contest the elections was made a Senator and appointed Deputy Minister, an elected Assemblyman (or woman for that matter)was made a Senator and appointed a Federal Post, unknown MPs were made Full Ministers. Elected and capable MPs (from UMNO)were sidelined and what happened to candidates from UMNO who contested and lost in the elections? They were forgotten and left to rot. And of course there's a Minister who said that the retail petrol price should not be lower that RM1.92 even if world prices go lower and lower and the govt need not subsidise anymore. The reason, petrol station operators would lose. Can we ask the Minister, how much the retailers made when petrol prices were raised by 78 sen per litre. Don't tell us that all their tanks were

empty before midnight?

All these were cartoonic acts by cartoons appointed by a cartoon.

Am i the first to comment this time?

When i heard that news on TV, the first thing that comes to my mind is that, wow, the Govt got a lot of money to give away, rakyat's money, freely to anyone they like at any time...

5 millions for one person...how many houses can be built, can be given away to so many poor people for free.

With current economic situation, with 10 millions, how many free meals you can provide to the poor.

Simple person like me thinks in simple ways...even when "the minister" thinks that he can twist his words to his own stupid logic and reasons.

Tun, we love you.

the amount paid to the judges must not have to be paid in the first because they already been sacked by the government for their wrong doing, if like this all those who was been sacked by the government before would appeal and ask for ex-gratia, now will the government will to pay them.....

about the bar council, they are more vocal now then before, they are ruling all the event and sometimes make things become worsen, according to the law and human right maybe they are correct, but sometimes they should also consider the sensitivities of others before making a statement tun...if there is a possible...could tun write about our currency, by strengthening our currency a lot of burden that we are facing now could be lessened....tq

By visi on November 8, 2008 11:50 PM

The Bar Council that has been demanding justice for Tun Salleh Abbas has left him in the lurch. The Bar Council has its own nasty agenda when it equated the Tun Salleh saga to purported judicial crisis.

There is no judicial crisis. There has never been a judicial crisis in Malaysia. It was a perception created by the Opposition to demonise Tun Dr Mahathir.

It goes to show that the Bar Council is in cahoots with the Opposition for reasons best known to them.

Bar Council must be reformed. It is full of prejudiced office bearers.

Yang Mulia Tun,  
Assalamu'alaikum!

Kami orang-orang kampung ni tidak kisah sangat berapa juta kerajaan terpaksa berhabis untuk perkara yang menurut Tun tidak perlu itu. Kami tidak tahu 10.5 juta tu banyak mana. Nak kira sejuta pun kami tidak pandai. Buat masa ini, dapat seribu pun kami rasa sudah tidak terkira banyak.

Yang kami fikirkan sekarang tentang harga barang yang tidak turun-turun walaupun harga minyak dah empat kali turun. Yang kami rusing tentang cuaca tidak menentu dan kerap dilanda banjir sedang pemimpin kerajaan sekarang asyik bercakaran merebut jawatan dalam parti.

Dalam duduk fikir-fikir tentang harga barang, Datuk Noh Omar pula umumkan kenaikan tambang bas dan teksi. Entah apa rasionalnya pun susah kita hendak faham. Harga minyak dah turun, tambang pula naik. Itulah sahaja pengangkutan untuk kami dari kampung ke kota.

Orang yang ada kereta sudahlah harga minyak dah turun, dapat rebate tunai lagi. Kami orang kampung yang naik bas dan teksi kena bayar lebih pula. Bukankah itu pelik? Daripada memikirkan ex-gratia RM10 juta yang kami tidak faham itu, lebih baik memikirkan apa kami nak makan esok kerana harga ikan kembung pun sudah mencecah RM8.00 sekilo.

Sekian!

Sir,

DS Nazri is a 'brilliant' politician. He knows how to play his cards well so as to remain popular. The fact that he managed to get approval to announce the quantum paid out to the judges speaks a lot about his influence. The money, at the end of the day, is taxpayers money. Our money. The judges services were terminated. This amounts to getting the sack. There is no two ways about it. They were simply sacked.

DS Nazri is living up to his moniker of parliament jester by the opposition. He is making all of us into fools.

Sometimes when I read the judgment in newspapers, I've this feeling that some of the judges think that they are the law. Dear Tun!

I have tried to gain access to your last comment on Barack Obama but was unable to do so for reasons unknown!

You, as a seasoned politician, have called him names which you are well aware of! Is this same method used by you to gauge the average and/or every Malaysian?! For example, if you are Malay then you fall in the category of a privileged citizen! If you are Chinese, Indian or any other race....you should not get the dues that are allocated to the Malays?! No wonder after 50 years of independence, Malaysia is still what it is today! Do I need to elaborate to a "polished" politician like you?!

It scares me to see the countdown when Najib takes over, if he ever succeeds! He, from my view point and I believe from many others, is a "polished asshole"!!! I will leave it to you to decide!

Calling Obama a BLACK and inexperienced to accomplish his dreams in 4 years was certainly uncalled for! During his campaign he did make a statement which I believe is quoteworthy, "DON'T PROTECT THE RICH AND THE MIGHTY AND THE POWERFUL BUT THINK OF THE MAN IN THE STREET"! This BLACK American has inspired an entire generation of Americans and the world in the same fashion as the late John F Kennedy! In 22 years of your Premiership, tell me honestly, how have you inspired Malaysians?! With the Twin Towers? Or your wawasan 2020?! By the way 2020 is still 12 years away! 50 years of independence has not changed Malaysia! What more of another 12 years and worse still with the "bird brains" in UMNO still talking of "ketuan melayu"?!!!

Dear Tun,

I think the only person who can reveal the truth maybe is you, since you are the PM then back in 1988. Sometimes I do not understand the reason or the rationale behind this "Judiciary" thing. I am sad because it seems that nobody care what happen to the judgement of the late late Nurul Huda who was raped and "mudered" brutally. And to only heard that nobody has been found guilty of committing the murder crime is totally unthinkable. Just when we thought that we can uphold justice, it seems that justice has been swept away...

Salam Tun,

Ini betul-betul berita. Rakyat umum, orang kecil-kecil macam saya ni tak tahu dan tak faham langsung tentang huha-huha hakim ni. Mengapa diberi hadiah ex-gratia sebenarnya? Ganti rugi ke? kera-jaan kata bukan tanda bersalah tapi untuk apa?

Kalau boleh Tun cerita sikit dalam bahasa mudah, seronok juga nak dengar.

Kera-jaan hari ni saya nampak bacul sungguh. Asal ada masalah huha-huha anjing menyalak, terus bertindak rawak. Macam orang nyanyuk atau orang latah. Duit keluar macam air terjun. Duit masuk tak nampak pun! Gunung nanti jadi lembah.

Saya harap orang Melayu buanglah sikap ambik mudah macam orang Melayu Pulau Pinang. Dulu tok nenek punya tanah. Anak cucu jual kerana nak mudah bahagi harta. Lagi satu masalah pinjam duit ceti, tanah tergadai. Sekarang, merempat di tempat sendiri.

Ini lagi satu cerita sejarah tak bertulis yang boleh dibawa ke tengah supaya orang MELAYU di negeri lain dapat belajar daripada pengalaman tak bijak Melayu Pulau Pinang. Saya minta sangat-sangat, yang ada tanah sendiri tu, jagalah baik-baik.

Salam, Tun and family.

Today, I finally was able to really comprehend the meaning of 'star struck'. I was at KLCC with my younger brother, an elder sister, and a friend when we saw you pulled over the valet parking. I think we were only about 4 meters away from you and you even smiled to my brother right before you got out of your SUV. For some reason, we all remained rooted to the spot as if our brain was frozen. What wouldn't I give just to go through that again and actually go up to you instead of letting you walk away. Forgive my ramblings. I am, after all, just a seventeen year old girl.

Regarding the Salleh Abas saga, I do agree that things are getting more and more puzzling. Why exactly are the judges being paid a collectively whopping amount of RM 10.5 millions? Malaysian Government might be suffering from bouts of amnesia because the last time we check, they were either sacked or suspended, mostly because of wrongdoings. I don't think the statement "paying for the crimes" could be anymore ironic in this particular case.

By haronjanor on November 9, 2008 1:00 AM

Assmkum Tun.

Thank YOU TUN for responding to bloggers that want Tun to say something on the Ex-gratia payment to the Ex-Judges particularly that RM 5M paid to Salleh Abas. Nampak nya dia telah pun menelan makanan yang dibeli dengan duit haram.

What we can say today is that the current leadership particularly AAB and his so called experts advisers , are crazy lots for they could not even think proper logic , practicality and rationality. Their actions are merely sentimental based on emotion , not hard facts. Today they turn around to say that the ex-judges were asked to resign , terminated , sacked , retired and go on pension etc. We are totally confused. For what we know was that they were terminated/sacked after the Tribunal found them guilty for misconduct. I hope Najib should take note of this merry go round statement by those ministers and ensure that these kaki 'mengampu' are placed in cold storage when Najib takes over the helm as PM. These faces are not hard to identify.

Thank you

Assalamualaikum Tok Det.

MALAYSIA MEMANG KAYA:-

1. Kaya Minyak.

Tapi minyak mahal jugak.

2. Kaya Wang (Wang rakyat).

Sebab tu boleh guna dan tabur sesuka hati semata-mata nak popular macam Tok Det tulis di sini. Sebabnya bukan duit dia. Duit rakyat. Kalau duit dia mati hidup balik pun dia takkan bagi!!!

2. Kaya Rasuah.

Tok Det lagi tau benda ni.

3. Kaya Pendatang Halal.

Bukankah pendatang Cina dan India mulanya pendatang haram yang difatwa "halal" oleh British. Kemudian dipaksa terima oleh orang Melayu dalam cubaan British menggagalkan kemerdekaan? Sejarah tidak pernah menipu. Sejarah tidak boleh diubah!!! Sekarang ni Pendatang Halal ini bertambah ramai bilangannya. Ramai pula yang dah jadi cedik pandai dan kaya-raya. Mereka menjadi sombong. Mereka sudah lupa diri. Lupa sejarah. Membuat tuntutan yang bukan-bukan. Tok Det Cakap Melayu Mudah Lupa. CINA DAN INDIA PUN MUDAH LUPA JUGAK!!!

4. Kaya Pendatang Haram.

Malas dah nak cerita. Orang Sabah dah naik meluat dengar cerita ini. Orang JB pulak dah takut nak keluar rumah malam sebab takut kena samun oleh pendatang haram. KLCC pun dah macam terletak di Jakarta. Dengar khabar kita ada banyak kapal perang askar dan bot ronda polis yang canggih manggih. Kapal selam pun dengarnya ada jugak. Sukhoi ada. Satellite ada. Tapi pendatang haram naik bot tongkang bodoh dengan muatan macam sardin pun hari-hari boleh terlepas masuk jugak!!!

BANYAK LAGI YANG KAYA TOK DET.....

TETAPI YANG PELIKNYA:-

1. Nak menuntut ilmu MAHAL. Dah berbuih bercakap. Katanya percuma, murah. Kalau percuma kenapa kena bayar jugak? Kalau murah, kenapa nak mak masuk universiti mesti kena meminjam. Kenapa mesti ada PTPTN?
2. Kos perubatan/pembedahan MAHAL. Ramai yang merana dan mati kerana tak mampu atau lewat dapat rawatan.
3. Rumah rakyat MAHAL. Dah tujuh keturunan dok cerita benda yang sama tak habis-habis.
4. Kos Pengangkutan awam MAHAL. Pak Lah kata dengan peningkatan harga minyak peruntukkan besar untuk pengangkutan awam akan diberikan. Habuk pun tak nampak. Lagi mahal adalah.
5. Kos elektrik semakin MAHAL. Yang peliknya TNB dengan tak tau malunya mendabik dada untung meningkat tiap tahun. CEOnya pulak mintak naik gaji macam TNB bapak dia yang punya. Tak malukah mendapat keuntungan dengan terus menekan rakyat? Tak terasakah mereka seperti menghisap darah rakyat? Kalau CEO Proton boleh terima jugaklah kalau eksport meningkat. Tenaga elektrik kita dieksportkah?

BANYAK LAGI YANG MAHAL TOK DET.....

HAKIKATNYA MALAYSIA MEMANG KAYA.

TAPI ORANG MELAYU MASIH RAMAI YANG MISKIN DAN MASIH JAUH KETINGGALAN

MALAYSIA TIDAK PERLU BERUBAH. PERGI JAHANAM DENGAN ANWAR KAKI KELENTONG DENGAN IDEA PERUBAHAN BANGANGNYA SEMATA-MATA GELOJOH NAK JADI PM. BUKAN JADI PM - "PERDANA MENTERI" TAPI JADI "PEROSAK MALAYSIA".

MELAYU YANG SEPATUTNYA BERUBAH!!!!

SAYA TIDAK MEMBENCI ATAU BERDENDAM DENGAN MANA-MANA KAUM LAIN DI MALAYSIA. JAUH SEKALI INGIN MENCETUS PERSENGKETAAN.

TAPI KAUM LAIN SEPERTI TIDAK LAGI MENGHORMATI KAUM SAYA DENGAN TUNTUTAN YANG BUKAN-BUKAN DAN CUBA MENAFIKAN SEJARAH TANAH MELAYU@MALAYSIA.

BUKANKAH "MALAYSIA" ITU SENDIRI MAKNANYA "TANAH MELAYU"?

APAKAH SAYA TIDAK BERHAK MEMPERTAHANKAN MARUAH, KEDAULATAN DAN JATI DIRI KAUM SAYA?

APAKAH SAYA TIDAK BERHAK MEMPERTAHANKAN TANAH SAYA?

HARTA NENEK MOYANG SAYA YANG TELAH DIPERTAHANKAN DENGAN NYAWA, AIRMATA DAN DARAH PAHLAWAN-PAHLAWAN SAYA?

APAKAH SAYA TIDAK BERHAK MEMPERTAHANKAN KETUANAN MELAYU DI BUMI MELAYU INI?

APAKAH SAYA RASIS BILA MEMPERTAHANKAN HAK KAUM SAYA?

APAKAH SAYA MESTI TERUS DIAM DAN DILIHAT DAYUS DAN PENGE CUT?

APAKAH SAYA TIDAK BERHAK MELAWAN BALIK?

SAYA AKAN BANGKIT. UMAT MELAYU ISLAM MALAYSIA PASTI AKAN BANGKIT!!!!

Anakmu,

Selamat sejahtera Yang Berbahagia Tun dan isteri. Semoga Allah memberkati jasa-jasa Tun dan dipanjangkan usia hendaknya.

Komen saya, Datuk Zaid dan PM perlu disiasat atas dakwaan rasuah dan menyalahgunakan kuasa ke atas bekas-bekas hakim yang didapati bersalah oleh kerajaan terdahulu. Pemberian ex-gratia dari wang rakyat yang saya percaya ramai tidak menyetujuinya kecuali mungkin oleh majlis peguam.

Assalamu'alaikum TDM & family

I'm really curious. The present government is clearly trying to hide the actual details as the judges were sacked by the Yang DiPertuan Agong and should not be paying anything. Just could not swallow any of Nazri's stupid explanations.

Clear mismanagement by the current inept govt headed by siBadwi.

Wassalam

By ABI on November 9, 2008 1:23 AM

You should stop your vile accusations against the government. Did you think about your pension before calculating others' pension for 20 years or so?

Why are you so concerned about what others get? You had made more money than others all put together.As a lot of people have pointed out earlier, your allowance for being a lame duck Petronas adviser, is a drain on the limited public resources. Why not give up that, Tun? Don't you want to lead by example?

Zaid should be sacked from UMNO for making this blundering mistake on the payout to the exjudges. Now, he is very popular with PR. I wonder why Paklah agreed to it. The payout was from public fund.

Assallamuallikum Yg Bhg Tun,  
May Allah S.W.T bless you and your family.  
As always, your wit and humor never fails to amaze me but more importantly, always manage to put things in the proper perspective so that people like me and my wife can better comprehend all the madness that is engulfing our world today. Believe it or not, many of us were rooting for Ku Li to be UMNO's president but mysteriously, all that support never went pass the divisional meetings. Mystery seems to be the modus operandi of the present Malaysian government which sadly, have led to countless embarrassing debacles. At least Ku Li would not have brought much baggage with him and would definately give the present opposition a decent run for their money.  
Best regards to you and Tun Dr. Siti Hasmah

Kami rakyat lagi curious... Nasib baik la gomen tak buat lagi cerita pelik tahap gaban yg boleh bertarung di ruang angkasa setan. Kalau tak, Malaysia mesti dah jadik bahan lawak.

Harap-harap DS Najib tak buat cerita pelik lagi.  
By Muhammad on November 9, 2008 2:34 AM

Dr M,

We really do hope that DS Najib will make use of your expertise and experience to help build this nation to achieve vision 2020. Hopefully DS Najib will seek your advice and make you formally as Senior Minister and Government Adviser. I think you are still capable and willing to do this for the beloved of our country. I think most of Malaysians who wants to see Malaysia achieve vision 2020 as soon as possible will agree with this. Thanks for everything.

Tun

Pak Lah ini murah hati. Wang berjuta juta ringgit bukan wang dari sakunya. Jadi jika dicampak begitu sahaja tak apalah. Rakyat hidup semakin sengsara dia tak ambil peduli. Harga minyak masak sekilo dahulu harga RM1-00 dan sekarang RM2-50. Beras dahulu 10kilo RM18-00 sekarang RM28-00. Dia peduli apa. Sebab keluarga dia dah kaya.

By ahmad muhamad on November 9, 2008 2:50 AM

Sallam TUN,

They thought we are stupid BUT we knew what they have done last summer. Don't ever think TUN had retired, NOT yet because TUN has created hundreds of HIM that will monitor Malaysia closely forever and for sure ALLAH will bless us.

We love this country BUT some nuts want to damage Malaysia internally and externally and want to become a champion by using our Malaysian tax payer money.

Sungguh menyedihkan dan memalukan.

Bersatu teguh bercerai roboh bukan roboh lagi terus ranap dan hancur musnah dan INI lah yang MEREKA mahukan.

LU PIKIR LAH SENDIRI.

salam utk TDM & semua,

dalam isu ni kita ada banyak perkara yg boleh kita perhatikan dan buat kesimpulan....tetapi salah satu yg paling saya tertarik ialah tentang integriti, sikap serta kedangkalan pemikiran seorang YB yg juga seorang menteri di JPM.

1. Dari segi integriti....kalau dah dlm rekod kata dipecat, jgn la nak tukar pulak kata dinasihatkan bersara....orang yg cakap berbelit-belit adalah org yg tiada integriti...mcm mana boleh ada dlm kabinet pak (sa)lah yg "kunun"nya ingin mempertingkatkan integriti dlm pentadbiran negara?!!!

2. Dari segi sikap...dia ni mmg dah dikenali ramai mempunyai sikap mempertahankan sesuatu isu secara semborono samada di dalam mahupun di luar dewan rakyat...mungkin bagi yg mengikuti perkembangan dan perjalanan politik negara sejak beberapa tahun kebelakangan ini boleh menilai sikap beliau dgn mudah...boleh dikatakan juga umpama sesumpah yg mudah menyesuaikan warnanya mengikut keadaan persekitaran...lihat sahaja bagaimana beliau beberapa kali menghentam TDM apabila TDM memberikan pendapat, pandangan atau cuba menegur kepimpinan negara...masa TDM masih PM dulu "kau lah wira ku, kau lah pejuang bangsa"...tapi bila TDM dah tak jd PM...macam-macam dia kata kat TDM...(dgn izin...pinjam kata-kata TDM --> "melayu mudah lupa")

3. Kedangkalan pemikiran...di dalam isu ini, mungkin beliau masih mengamalkan pemikiran lapuk...memikirkan bahawa fakta sebenar pemecatan tersebut tidak diketahui oleh orang ramai....agaknya dia masih belum sedar tentang revolusi teknologi maklumat yang dah bermula lebih 20

tahun dulu....sekali lg...mcm mana la dia boleh dok dalam kabinet pak (sa)lah ni?!!!

wallahualam

p/s: walaupun bukan sentiasa setuju dgn TDM...saya tetap hormat dan hargai pemikiran TDM  
By peteryap on November 9, 2008 3:08 AM

Dearest Tun,

Looks like the BAR COUNCIL is so powerful that they can get a Minister to misappropriate tax payers money to pay the people they like.If that Minister wants to be so generous to a bunch of sacked judges,why didn't he pay them from his own pocket? afterall,he apparently has a thriving law practice. This is another example of a stupid administration, appointing someone as a Senator, then made that person a Minister and the only thing that Minister did what to steal RM15million of OUR MONEY to pay his friends,on the pretext of doing justice.Disgusting!

Tell us more Tun, how much more of our money has been stolen in this manner.

By akula on November 9, 2008 4:10 AM

Formula apa yang diguna pakai dalam pemberian payout dan kenapa jumlahnya bukan 1 ribu, 50 ribu, 1 juta, atau 5 juta atau 20 juta, atau 50 juta setiap orang?

By Zainal Abiddin Bin Ahmad on November 9, 2008 4:18 AM

Salam Tun

I disagree over Zaid Ibrahim decision and actions, who is he? And tell me, kenapa kita nak mengagungkan HAKIM yang tidak ADIL? Kenapa mereka diangkat namanya seolah mereka yang tahu undang-undang ini RAJA di MALAYSIA. Apa sangat sumbangan PEGUAM dan HAKIM sehingga BATU PUTIH jatuh ke tangan Singapura. orang Undang-Undang di Malaysia hanya pandai berkokok... sumbangan terhadap kemajuan NEGARA hanya pandai menipu rakyat. We can live peace in Malaysia without LAWYERS AND JUDGES!

By ivan on November 9, 2008 4:20 AM

Salam Tun,

ya saya setuju dengan tun..selama ini kita semua tertanya-tanya berapakah bayaran ex-gratia yang diberikan kepada hakim-hakim tersebut..sekarang kita dah maklum tapi saya berpendapat bahawa bayaran itu terlalu besar..Nazri aziz seolah-olah ingin menafikan bahawa hakim-hakim itu telah dipecat melalui tribunal dan mengatakan mereka disuruh untuk meletakkan jawatan..kami tahu siapa di pihak yang benar dan siapa di pihak yang salah..kami tetap SOKONG tun..u r my idol always..take care tun.

By little\_mikeAuthor Profile Page on November 9, 2008 5:29 AM

Salam Tun,

1. Selepas mengetahui nilai ex gratia RM10.6 juta diberikan kepada 6 bekas hakim berkenaan, hanya ini yg saya dapat ekspresikan.. WOW!! yang kaya bertambah kaya. Rakyat yang bersusah payah membayar cukai merana dan bertambah sengsara oleh keadaan kos hidup yang menghimpit. Tanpa ex-gratia inipun kemewahan hidup bekas hakim2 berkenaan sudah lebih daripada cukup utk mengatur segala keperluan mereka dan tidak mungkin mereka mempunyai masa memberitahu kepada diri mereka sendiri apakah erti kesukaran ketika dilimpahi harta kekayaan. Apakah mereka berpeluang mengeluh kerana dibebani masalah kewangan yang kritikal menanggung makan minum, pakaian, wang persekolahan anak2 sebagaimana yang difahami, ditangani oleh rakyat miskin?

2. Kemudian saya tertanya-tanya mengapa ex-gratia diberikan sedangkan mereka ini menikmati pencen sejak 20 tahun yg lalu? Pencen sahaja menyamai gaji eksekutif. Ketika sebahagian besar rakyat berusaha kais pagi makan pagi, kais petang makan petang malah kais pagi dan kais petang tapi makan untuk esok harinya, bekas hakim ini masih boleh makan angin ke luar negara, memancing dengan bot mewah atau memperbaiki pukulan golf...

3. Seperti kata Tun, kenapa perlu bayar ex-gratia ketika kerajaan mengatakan mereka ini sebenarnya bukan dipecat atau digantung perkhidmatan mereka? Apa yang relevan sebenarnya pembayaran tersebut dibuat? Sekadar untuk mengambil/menjaga hati pihak terbabit dengan menggunakan wang rakyat yang sepatutnya manfaat tersebut lebih besar boleh dinikmati oleh golongan yg lebih memerlukan?

4. Tun Salleh Abas (tersiar dalam tv3) semasa satu majlis 'memohon maaf' yang diorganisasikan oleh bekas Menteri Undang-Undang Datuk Zaid Ibrahim kepada hakim yg dipecat ada mengatakan 'permohonan maaf sudah memadai dan hati cukup lega dan akhirnya dapat membersihkan nama setelah menangungnya selama 20 tahun".. Kalau permohonan maaf sudah memadai, mengapa perlu membazir?

5. Jika diteliti, pampasan ini memberi impak yang negatif terhadap cara pengurusan wang oleh kerajaan. Saudara-saudara sekalian fikirkan la, ex-gratia melibatkan sejumlah wang yang begitu besar. INI BARU SOAL YANG BERCAKAP TENTANG MENGAMBIL HATI PIHAK TERTENTU. Nak jaga hati orang ni.. dah membazir rm10.6 juta. Lepas nie mereka yang ada di Majlis Peguam boleh la merajuk kalau kerajaan tidak memenuhi tuntutan mereka... ex gratia sedia menanti.

Good day Sir! First time I made a comment here. You are truly a hero to me! I admire you for your courage, foresight & your speaking your mind & sense attitude, which I think nowadays most of those in cabinet lack of!

I just wondered why people are into politics in Malaysia? I think one obvious answer is they are all after a slice of the wealth (if there is any left) They should hang themselves in shame! All they do is talk but talk is cheap (those who wrote those scrips should hang themselves in shame too)! Who is going to help those Malays, Indians or even Chinese who are still living in poverty? What we can see that they are getting so rich (by looking at their expanding waist band), wives and children and even friends drive luxury cars, dining in top restaurant paying cash for all things! Do you think they care about those who are shouting for help? Where is the justice? Everyone is equal in the eyes of law BUT remember, those eyes are humanly eyes! I am just not sure where is all this going to end? Maybe on the day Malaysia is declared bankrupt! Then you can see those people will just flea the country to their mansions in overseas!

God bless you Sir! Love you!

BUKAN 1 RIBU, 5 RIBU TAPI 5 'JUTA' KAT HAKIM2... WOW KERAJAAN MANG

SAYA X MAHU 'KERAJAAN' YANG HANYA TAHU BAZIRKAN DUIT RAKYAT...

BUAT KEPUTUSAN MCM DAH 'PERFECT' SANGAT...

BENDA YANG LEPAS 'DIKOREK' BAGI JADI ISU...DATO Zaid MEMANG PEMUSNAH / PETUALANG

'DEPA2 LAIN' YANG TERLIBAT DENGAN BAYAR 'EX-GRATIA' KAT HAKIM2 NI X BOLEH DIBIARKAN  
TERUS MENJADI PEMIMPIN KERANA 'MEREKA2' INI LEBIH KE ARAH MEMBAZIRKAN DUIT  
RAKYAT...

ORANG YANG TIDAK TAHU SUSAH DAN HIDUP DENGAN 'KEKAYAAN MUDAH' MEMANG TAK

1. Saya cadangkan mana-mana NGO buat aduan polis Penyalahgunaan Kuasa oleh MENTERI dalam pemberian ex-gratia kepada bekas-bekas Hakim yang DIPECAT tetapi tiba-tiba diberi HADIAH tu.
2. Biar ada kertas siasatan polis yang dibuka.
3. Biar ZAID dan mana-mana lagi bekas SEKUTUnya dalam KABINET jawab dalam mahkamah yang diagung-agungkan mereka.
4. Kita tengok sejauh mana mahkamah akan kata "Beri 10.5 juta kepada orang-orang yang mahkamah juga telah dapati bersalah; merupakan satu tindakan yang TIDAK SALAH'.
5. Semua ini bermula dengan ketua Kabinet yang tiba-tiba syok nak tunjuk baik. Atas nasihat ex-menteri yang dia sendiri pilih entah dari mana. Polisi populist yang dinasihatkan oleh menantu yang masak tak empok.
6. Moral of the story? lu fikirlah sendiri!!!! kakhakhakhahhhh...

Tun yang di hormati,

Kesian rakyat Malaysia. Wang mereka dibelanjakan sesuka hati oleh kerajaan yang dikatakan CEMERLANG, GEMILANG, TERBILANG. Pemimpin yang sepatutnya memelihara kepentingan mereka telah mengkhianati kepercayaan yang diberikan. Kuasa yang ada digunakan untuk melantik pengkhianat yang memberi nasihat mengikut perasaan dan matlamat peribadi.

Konon namanya 'ex-gratia'. Jumlahnya rahsia. Alasannya menjaga perasaan penerima. Perasaan apa? Mereka tidak sewajarnya menerima sebanyak itu.

Bila ada rahsia mesti ada perkara yang tidak kena dan tidak mengikut peraturan. Sah-lah sekarang, RM10.5 juta duit rakyat dibelanjakan tanpa mengikut prosidur. Boleh ke menteri suka-suka bagi duit rakyat pada siapa-siapa yang dia suka?

Perkara Tun Salleh ni dah lama berlalu, dah lebih dari satu dekad dan telah di laksanakan mengikut prosidur, tiba-tiba diungkit semula. Motifnya, hanya nak membalas dendam pada Mahathir.

Ex de facto minister yang akhirnya letak jawatan atas nama prinsip. Prinsip yang telah mengorbankan wang rakyat dengan cara tidak sah. Adakah dia telah mematuhi "principle of justice' dalam semua tindakannya.

Bolehkah kita benarkan dia terlepas daripada apa yang telah dilakukannya begitu saja tanpa perlu dipertanggungjawabkan. Keadilan perlu ditegakkan. Dia telah salah gunakan wang rakyat. Bawa dia ke muka pengadilan.

Saya percaya bahawa rakyat Malaysia yang cintakan keamanan masih sayangkan Mahadhir

You're right....

By aliphath on November 9, 2008 10:59 AM

Dear Tun,

In my thoughts there are pros and cons for Malaysians.

As a pros for this payment although it was such a tremendous waste of money is to promote better judiciary. As you can see nowadays alot of judges decisions potrayed the effect of the payment.

Pros

1. Ystd newspaper, theres one judge who claimed that he would like, if it is possible to avoid cases related to umno.
2. Judges will make un-bias decisions. No government influences.
3. RM10 millions is not a huge amount to save and promote better judiciary. Talking about the future, no-bias decision by the judiciary system will of coz outweighed the amount spent.
4. I believe this is a great investment, RM10 million for the sake of Malaysia.

Cons

1. The judges still receiving pension, why must the government gave them ex-gratia. It is like paying twice. 20 years pension already committed, now d' government pay another 20 years pension by ex-gratia = 40 years pension. If taking into consideration, for the past 20 years till now. Tun Salleh Abbas recieved RM10 million if the ex-gratia amount included.
2. If it was a poor decision made last time it should not be re-alived, it shows how disgraceful the current government to the previous one.
3. Such a bad decision while the PM asking ppl to spend less when the government spends on unnecessary things. (Macam ketam ajar anak berjalan)

I believe it is your perspectives to judge a decision made. I see both, but for me the ex-gratia was not necessary, an official apology will be sufficient. A better judiciary system will eventually outweighed the amount spent.

Just my opinions, sorry if my thoughts are differents.

KSAH Alma matters (1998-2002)

Salam.

Dear Tun,

As much as you spoke about this ex-gratia payment before, I wonder why suddenly the government decided to publish the amount paid to them.Datuk Nazri is so keen to publish it and our papers carried the issue on their front page. It looks like someone else is in control of the country or there is no control at all.

The government knows by publishing it, they are in a lot of trouble but they still did and we now know the truth. It is ridiculous for the government to pay so much money for those people just to prove a point or try to bring shame to you tun. It is obvious they did it to put you under pressure but as usual nothing happens and all of us live to see another day, just lost about 10 million of tax payer's money, no problem la, Malaysia is rich.

There is something going on in the government, since Datuk Najib win the UMNO presidencies post un-opposed and there is a bickering fight for the no 2, I think we can see a lot more dirt coming out in the surface.

Malaysia Boleh!!!

Captain.....

ABI,

Another foolish and idiotic statement made by you. What rubbish you are talking comparing Tun M's pension. Gross stupidity on your part to compare something that is legally his and the manner Tun Salleh is getting his ex-gratia payment. It is immoral of the first order. Make no mistake about it.

Talking about the allowance as Petronas advisor, he had already stated to the government to terminate any time his position as Petronas advisor and withdraw his allowance. So no big deal !!

Come on ABI, your purpose of making such statement is simply to irritate Tun. It means nothing to him but it reflects your personal behaviour of having deep ill-feelings towards him.

What we are discussing now is a situation whereby the whole exercise of ex-gratia payment seems to have gone overboard. The manner it was being executed was totally ridiculous especially the quantum.

If you are an intellectual elite you should not be touching on personal attack but focus on issue.

By truthseeker on November 9, 2008 12:36 PM

Salam kepada YAB Tun dan rakan2 bloggers,

1. It clearly shows Dollah committed corruption because he misused his powers to allow the wrongful decisions related to these ex gratia payments.

2. It clearly shows the whole cabinet committed corruption for misusing their powers.

3. It clearly shows Zaid the pariah council ass kisser committed corruption.

4. It clearly shows all the judges involved are 'sengkek', not morally good because they knew they were sacked and as men of principles they should be responsible. They shouldn't have accepted the payments.

5. From these behaviors (of the judges), I understand why they were sacked.

6. His Royal Highness Sultan of Johor when he was the Agong, HRH didn't take his allowances totalling to millions too. The judges supposedly morally good should return what are not theirs.

7. Do you know how our country was rated whether it's a 'clean' nation or not. I read how an international organization purposely put 'dropped' a wallet with money etc around one of our towns (if I'm not mistaken in Kajang, Selangor). Some idiot found the wallet and didn't return to the owner (I supposed the owner's name was there in the wallet)...tadaaa...Malaysia was considered to be a nation of dishonest people...unsafe...

8. So, these judges who took what are not theirs...well, you're just like those idiot/s who didn't return the wallet they found.

Tun, how low Dollah and Zaid stoop just to be popular. My god...they should compensate with their monies!

Asalamualaikum TUN, saya berasa sungguh sedih apabila mengetahui jumlah ex gratia yang telah

dibayar kepada bekas2 hakim yang telah di PECAT tersebut..ternyata satu lagi peyelewengan wang rakyat telah dilakukan kerajaan...Kenyataan DS Nazri bahawa hakim2 tersebut bukan di pecat tetapi di paksa bersara awal dilihat seolah2 beliaulah Perdana Menteri pada masa tersebut...Walaupun saya telah lama melihat perlantikan D Zaid sebagai menteri undang2 adalah untuk mengenakan Tun tetapi tidaklah saya jangkakan bahawa sejumlah besar wang rakyat telah dipergunakan untuk mencapai tujuan beliau itu.Satu siasatan atau laporan perlu dibuat untuk kita sama2 menuntut keadilan terhadap pembaziran dan penyelewengan ini.

Yang saya muliakan Tun;  
MELAYUBARU berfikir kenapa banyak sekali jumlah wang yang dibayar sampai melebihi 5 juta. Mana justification nye. Siapa yang decide sianu dapat RM5 juta dan sianu hanya dapat 500K? Siapa yang tentukan, apa basis nye. Saya sedih kenapa Pak Lah dan Pak Zaid begitu mudah menggunakan duit rakyat untuk mendapat populariti. Mungkin jumlah tersebut terlalu kecil untuk Pak Lah dan Pak Zaid. Kalau objektif nye untuk memalukan Tun; tapi taklah sampai guna duit rakyat sewenang2 nye.

Saya harap salah seorang ahli parlimen yang dilantik dapat membahaskan jumlah ini. Eloklah kalau lepas ni kita tak ada pemimpin yang terlalu taksu menagih populariti. Nasihat saya kepada pemimpin2 untuk jadi popular, kerja jujur dan keras lah supaya rakyat tahu prestasi anda. Mungkin anda tak dapat pembalasan didunia tetapi di akhirat anda mulia disisi Allah.

Tun,

It is very wrong to pay ex-gratia to sack judges.They are legally sacked by the Government of the day and  
confirmed by YTM Agong.The methodology created to pay them also very absurd, calculated  
manipulation and deserved critical examination.It is people money, mine and yours!It created another  
term of reference for sacked Government servants to request ex-gratia.

By reza aljunaid post on November 9, 2008 3:48 PM

Salam Tun,

Kenapa kerajaan perlu bayar ex-gratia kepada hakim-hakim yang dibicarakan oleh tribunal hakim adalah persoalan yang amat jelas jawabannya.iaitu kerajaan bayar kerana pada masa itu ia dipimpin oleh kaki perabis duit dan kasi jahanam umno. siapakah mereka...? mereka ialah Abdullah Ahmad Badawi, Zaid Ibrahim dan penasihat khairy jamaludin. didokong oleh kaki rasuah yang lain...macam muhamad taib..ali rustam...

kalu mereka ini masih berkuasa atau masih lagi diberi kuasa...percayalah...umno akan menghadapi satu situasi yang tak terfikir oleh akal....

justeru itu,....salleh abas hendaklah memulangkan semula bayaran ex-gratia sebanyak rm5 juta itu dengan kadar segera.....kerana bayaran tersebut tidak jelas tujuannya...

dalam hal ini...orang yang paling layak dipercayai ialah tun dr. mahathir....sepatutnya kerajaan patut terlebih dahulu meminta nasihat tun mahathir sebelum apa-apa ex gratia dibayar...

tetapi oleh kerana abduallah badawilah puncanya rakyat kerugian rm10 juta maka abduallah badawi mesti dibicarakan oleh satu tribunal penyalahgunaan kuasa diraja.....perbuatan membazirkan wang rakyat oleh abduallah mesti dipandang serius....

umno hendaklah menghapuskan terus orang-orang abduallah seperti ali rustam...mat taib...khairi...jika umno ingin berwajah baru sepenuhnya....

tanpa suara muhyidin...rais yatim...shafie afdl...rafidah ...peralihan kuasa dalam umno pasti korup....

adakah saya emosi...tidak...saya melihat abduallah adalah punca utama umno sakit tenat....zamannya "cakap tak serupa bikin" amat jelas...begitu berleluasa....

wang rakyat disalahgunakan oleh abduallah tanpa rasa berdosa....jalan-jalan kat kampung banyak yang rosak...perlu dinaik taraf....

kalau kerajaan bagi ex-gratia kepada tun ...rakyat tak akan mempertikai...sebab jasa tun amat besar....tapi....apa tun salleh sudah buat...????.....apa jasa zaid....

tahniah nazri...kerana hang berani dedah....tapi aku tengok hang pun sudah mabuk...pasai ketua hang pun mabuk daa...tapi aku tak berapa suka cara hang menegakkan benang yang basah....

semoga Allah beri hidayah kepada abduallah...mat taib...ali rustam...khairi...hidayah supaya cepat pencen dari politik...

semoga Allah beri kekuatan...hikmah.... kepada Najib ....

Aiyoyooo.....10.5 millions. Plus 2 (or 3) pensions. How I envy them. Pls, pls, pls sack me now!!!  
Zaid has shown his true color - stupid, ungrateful and like to lick somebody back.... Nazri has to inherit the mess (it does make him looks stupid) - serve him right. And the biggest fool of all - our very own PM lah.

In light of this stupid episode, do I still have to pay incometax? Does the government has the moral right to force me? Sigh. :P

Any comment on Eurocopter Tun? PAC has cleared it. How many more soldier need to be sacrificed before it is dawn upon us that we need new equipment? Shouldnt these ministers and those who oppose it fly in the Nuri days in days out to appreciate the risk faced by our soldier? If economy is the problem, shouldn't we scale it down rather than outright cancelling the plan. Our brothers in armed forces deserve better treatment!

God bless all of us.

ps Still waiting yr writing on ketuanan melayu and NEP. Lots of ungrateful and ignorance people make big fuss out of it. I beleive they also the same people asking when non malay can be PM like Obama while the fact shown that Malaysia has beat US in this area looong time ago. Face the reality.

Compared to the many marginalise loyal citizens who had been feds with only Promises year in,year-out and it is an Empty promise all along...and it's been for ages..!!

But now he had landed himself into matters that require more explanation to be spell out..from him and associates or his wise adviser..!!

Ex-gratia payments or were they incentives to induce the ex-judges concerned to speak out to discredit etc YAB Tun? At least. correct me if I'm wrong, one of them with the envelope still warm in his hand did speak out condemning Tun publicly for what he "did" that led to their sacking. See what money can do? True enough "no money no talk" and with money (even still sealed in an envelope) one is willing to sell his/her pride and honour. Then again were those payments really inducement monies or something sinister than that? Only God knows.

By khairuddin on November 9, 2008 7:05 PM

YABhg Tun,

Salam hormat. Wang sebanyak RM10.5 juta kepada 5 Hakim yang dipecat atau memilih untuk bersara (seperti kenyataan Menteri jaga Undang Undang/Hakim) sebagai sagu hati/ex gratia atau ganti rugi?

Bayaran/pemberian Ex gratia wajar diberi kepada individu yang berjuang, memberi sumbangan luar biasa kepada bangsa dan negara. Sumbangan yang diberikan melebihi tugas-tugas dan kerja kerja biasanya. Penjawat penjawat awam dibayar gaji untuk menjalankan tugas tugasnya. Ramai penjawat penjawat awam dan bekas penjawat penjawat awam masih berbakti kepada masyarakat dan negara. Mereka ini wajar diberi sagu hati dan bayaran ex gratia.

Menteri membuat kenyataan bahawa jawatan Ketua Hakim seperti yang pernah disandang oleh Tun Salleh Abbas adalah lebih penting daripada jawatan Perdana Menetri. Apakah sumbangan hakim hakim tersebut kepada masyarakat selain daipada tugas tugas kehakiman.

Sudilah kiranya sedikit bayaran ex gratia diberi sedikit kepada Muktheer. Apa kata YABhg Tun...oops yang saya maksud YABhg Tun Salleh Abbas. Kongsi kongsi lah sedikit untuk meringankan beban sdr Muktheer.

Tun,

1)I do not know Zaid nor the six judges.

2)I think you are very sore with Zaid to pay RM10.5m to the six judges.

3)The sum per se is not small nor big amount.I love to have it too.

4)Does it really matter that much?I think not.Why?

5)As a matter of principle,in the first place,the then government had done it wrong.

6)Why need to pay them pension when a civil servant was sacked.You said that they were paid on compensation ground.

7)One could go on like why no pension was paid to other civil servants who were also sacked.

8)Further,plunging the nation's wealth in the name of NEP with so many failed projects is pale in comparison with what Zaid had decided to pay the six judges.

Salam Tun:

The payment to the ex judges is clear an act of stupidity by Pak Lahap goverment. Tis judges were sacked for not doing their job properly. Pak Lahap cannot explain clearly to the rakyat, why the handout to this judges. This money is not from Pak Lahap pocket money, bukan duit bapak dia. As such if mistake on Pak Lahap goverment, he should do the honourable thing, resign with immediate effect or pay back the money used to pay the judges.

This mistake makes Pak Lahap government looks like a clown. How stupid can a PM be!!!  
Cukuplah Pak Lahap dengan kebodohan yang telah dilakukan. Sungguh memalukan!!!

Salam Tun

Tun telah membuka mata Rakyat Malaysia. Untuk mentadbirkan sebuah Negara bukan mudah banyak perkara yang harus diteliti sebelum keputusan diambil. Setiap keputusan mesti disalurkan kearah yang bijak supaya ianya tidak disalah taksir oleh pihak yang tidak bertanggung jawab.

Kini banyak pengkritik-pengkritik yang tidak segan melempar kata-kata kesat. Kita sepatut menjadi rakyat yang berdisiplin dan berani berkata kearah yang benar seperti apa yang Tun lakukan.

Kami sentiasa menyokong TUN dari awal hingga akhir.

salam.

kepada menteri2... berhati2 membuat kenyataan. kerana setiap kenyataan dikeluarkan dinilai oleh rakyat.. sekarang rakyat sudah bijak... undi tetap undi kerana parti, tetapi hormat adalah perkara lain. kadang kita berkawan dengan seseorang kerana sesuatu, tetapi hormat perkara lain.

kepada para hakim yang telah dipecat, jujur la pada diri anda. anda pernah menjadi hakim, satu jawatan yang paling tinggi hingga boleh memutuskan hidup dan mati seseorang. berfikirla dengan akal dan hati nurani yang bersih. dan fikirkan kepada rakyat. kemudian buatlah keputusan dan bertindak.

kepada duit 10+ juta... alangkah baiknya sekiranya duit itu diserahkan kepada yang lebih memerlukan. ramai lagi rakyat kita yang memerlukan bantuan.. sekiranya diserahkan kepada mereka pasti dapat pahala yang berlipat kali ganda.. kenapa bagi dengan orang yang tidak memerlukan???.

Assalamualaikum Tun,

Memang pembayaran ex-gratia memeningkan kepala rakyat, lebih-lebih lagi mereka yang berada di dalam bidang perundangan. Amatlah memalukan apabila melihat bekas "hakim-hakim" kita boleh "dibeli" dengan mudahnya. Takde pulak saya lihat "badut-badut" dari Majlis Peguam mempertahankan tindakan pembayaran ex-gratia tu. Mana perginya Ambiga dan Ragunath dan "rakan-rakan" mereka yang lain...senyap je. Bagilah pendapat. Dulu pandai sangat mengkritik! Sesungguhnya, nama baik badan kehakiman telah lama dikuburkan oleh hakim-hakim sebegini! Saya harap Hakim Besar yang sekarang ni dapat menaikkan semula nama baik hakim-hakim.

There are just a massive gap of way of thinking and intellectual level between the present government and fellow public. Here we have a government that simply do thing without any sign of remorse, humility and regret even most of the public viewed those as wrong decision. There are sense of ownership of the country's wealth and public fund to this short minded group of people. Yet they are remain untouchable. Should there be any action taken againts them, yes I do think so. This is breach of trust and abuse of power. Will there be any action? No. The group has not changed and will not change. Najib will get the throne, he supported Pak Lah all the way and all those nominating him is the same face of this current government.

Personally Tun, aren't you tired of barking at this lump of garbage? When are you exactly going to do something about this? Word is not going to do anything to ears of the deaf and thought is not going to do anything to the brain of the stupid.

Salam Sejahtera Kepada Tun dan Keluarga

- 1) Tun sebenarnya ex gratia ni bukan apa Pak Lah baru jadi perdana menteri dia cuba tunjuk belang untuk memalukan Tun.
- 2) Jembatan behkok tambak Johor di batal bagi menandakan siapa yang lebih berkuasa.
- 3) Keretapi laluan berkembar di batal Pak Lah cuba menunjukkan siapa lagi hebat.
- 4) Perbincangan tentang harga air dengan Singapura tidak di sambung cuba menandakan who is in the driving seat.
- 5) Kalau Tun boleh dirikan Putrajaya Pak Lah kata saya pun boleh dirikan Wilayah Iskandar.
- 6) Banyak lagi lah Tun. kalau nak umum satu blog ni pun tak cukup.

Tun saya nak digress dari tajuk sikit lah pasal surat khabar Malaysia.

Dulu saya ingat lagi semasa Tun menjadi perdana Menteri Tun ada beri teguran kepada mereka supaya tidak hanya melaporkan perkara "negative" di negara sendiri tetapi juga di luar negara.

Sebagai contoh apabila Airport negara kita mengalami kebakaran suatu masa dulu ia di laporkan sangat berleluasa. Tetapi bila Changi Airport mengalami kejadian serupa ia tidak di lapor, Saya ingat lagi waktu itu Tun sangat marah dengan mereka.

Sama juga sekarang apabila baru baru ini Senior ICA officer di Singapura (Berpangkat Deputy Supritendant ) charged with accepting bribe of \$140 000 ia tidak di lapor kan.

Sebenarnya kan Tun saya pun tak tau apasal begini. Waktu Tun dulu ada juga teguran teguran di beri.

Kita tahu surat khabar Singapura

selalu memperlekeh kan Malaysia dengan melapor perkara perkara yang tidak menyenangkan kita rela sekarang . TETAPI tidak di zaman Tun memerintah. Kenapa?

Tun saya sangat mengharap supaya TUN sentiasa memberi teguran kepada pemimpin yang melampaui batas.

GOD BLESS U TUN INSHA ALLAH.

What I decry is the inability of so many politicians who fail to educate themselves sufficiently to make intelligent decisions like the x-de facto minister and yet still servicing as a Senator and soon happily receiving a monthly pension. Duh duh duh. I've never insulted anyone, or used words like 'dumb' on this blog and I don't form my opinion of people principally on the basis of their political opinions but today's is an exception as the current PM is the dumbiest PM EVER to allow such activities.

A collapse of this nation caused by greed and materialism, followed by a vacuum into which the barbarians rush with immense vigor. And this is what is happening in the Malaysia now.

To JAAFAR, Peter Yap, kasa kayangan, Chris, Jebat and few others, I'd like to say that I love reading your comments. Keep on postings will ya!

Dearest Tun,

"Really the Salleh saga gets curiouser and curiouser". It is indeed very confusing to me as commented earlier in the "headlines".

As a citizen of this beloved country, I'm demanding Datuk Seri Abdullah Ahmad Badawi, the Prime Minister of Malaysia, to give an explanation to this issue. I believe you are the only one who should explain this. Respond from Zaid, the ex-law minister is not acceptable. This person has been found guilty of money politics, therefore a corrupt person, thus any explanation from this person has no credibility. Perhaps you should charge him in court to make him a scape goat?? Why not?....if the answer from you is, "saya tak tau, itu kena tanya dia (Zaid)".

Warmest regards to you and your family, Wassalam.

P/S Salleh do not deserve the payout. He's a liar, misleading T'ganu people on oil royalty issue.

Assalamualaikum Tun ,

Sepatutnya bayaran ini tidak perlu diberi kepada bekas hakim ini kerana beliau telah dipecat dahulu.Pada pendapat saya,ini bertujuan

untuk menjatuhkan imej dan kredibiliti Tun.Saya tidak berapa ingat

tentang perkara ini(1988)kerana ketika itu masih menuntut dan tidak

begitu minat dalam hal politik.Tetapi ayah saya memberitahu keputusan pemecatan itu bukan disebabkan oleh Tun .Tetapi oleh

kerana ia berlaku semasa pemerintahan Tun,maka pembangkang seperti biasa telah mengambil peluang menuduh Tun yang bersalah.

Selepas ini biarlah bekas menteri tu(zaid) dan Pak Lah jawab...opps

Pak Lah tak boleh banyak bercakap sekarang nanti banyak tersasul pula.

Kepada ABI,dan dua tiga orang tu SUDAH-SUDAHLAH,tidak payahlah nak menyalahkan Tun.Tun lebih tahu apa yang berlaku ketika itu.

Semoga Tun dilindungi Allah dan ceria selalu

By S..Tan on November 9, 2008 11:21 PM

Dear Tun, salam sejahtera moga sihat bahagia sekeluarga. Minta izin....

.....SIAPA DASYAT

Tun tak habis habis melawan bila sebut hakim hakim yg dah tua bersara sedang enak berehat (tak mcm pesara lain)

Sampai bayaran pada mrk pun mcm nak haramkan. Sudah lama mrk tak berkuasa, tak melawan, tak meminta, tak berkasar. Kelakuan apa nak menendang orang dah tersungkur. This is vindictive behaviour. Mari banding siapa dasyat...

.....SIAPA LEBIH

Pencen orang rajin dikira sampai 60 thn. Pencen pegawai kerajaan, badan badan kerajaan, menteri, perdana menteri, jawatan anugerah dan ahli parlimen (kalau satu pencen satu penggal dah berapa) Tolong kira? Campur jawatan-jawatan skrg belum pencen, pendapatan undangan (Hakim hakim tak boleh buat ini semua)

.....MANA JAHAT - COMPLAIN KING ATAU CURTAIL KING

Tun Salleh dikena tindakan antaranya krn mengadu tentang seorang Raja. Tun merempuh pindaan perlembagaan menyekat kuasa Raja. Melayan seorang Raja dapat ubah perlembagaan. Menanggung di air keruh?

.....MANA TERUK - CRITICIZE GOVT INTERFERENCE OR CONDEMN FOREIGN COUNTRIES

Tun Salleh terlibat dgn kekeruhan krn melawan campur tangan kerajaan. Banding keburukkan perbuatannya dgn orang mencari nama bila mengeji pemimpin dan negara orang. Banyak perjanjian, peniaga, rakyat diluar negara naik resah bila Tun bertikam lidah dgn US, UK, Aust dan negara barat lain. Apa salah mrk kena tanggung kesan Tun mendapat berita.

.....MANA BURUK - MELAWAN BILA DISINGKIR ATAU MENYINDIR BILA BERUNDUR

Tun Salleh melawan ketika dipecat krn dia anggap ia menegakkan kebebasan hakim. Tun yg lagi satu bila hampir tak laku, merajuk berundur dan mengata 'Melayu mudah lupa' termasuk dia. 'Action drama' and 'Sob drama'. Dia sedih kaum yg dia bantu menolaknya akhirnya. Lihat PRU 99 kalah teruk undi Melayu, kaum lain menyelamatkan keadaan.

Two tigers will not share one mountain. The highest judge in the land and the highest politician. Perlembagaan suruh mrk saling mengawas bukan melemas.

.....MANA BAIK - EJECTED OR REJECTED

Satu Tun dipecat oleh tribunal diketuai penggantinya. Yang lagi satu, ditolak tribunal rakyat PRU 99. Kelantan(menang habis,landslide), Terengganu jatuh, Kedah nyawa ikan. Undi kaum yg tak dibantu penyelamatkannya. Maka timbul lah "Melayu mudah lupa". Bukan lupa... teringat rasuah, kroni, politik wang.

Salam TUN,

Hakikatnya bayaran tersebut menunjukkan yang Kerajaan hari ini tidak begitu setuju dengan keputusan Tribunal terhadap hakim2 pencen tu Tun, walaupun Tribunal tersebut ditubuhkan mengikut prosidur pada zaman Tun dulu. Saya memang tak faham cara Politik Pak Lah ni.....

Jelas sekali menunjukkan kerajaan berasa bersalah terhadap apa yang berlaku kepada hakim2 ini, tetapi tidaklah sampai ke tahap pemberian wang sebanyak itu cukup le sekadar pencen penuh yang diluluskan oleh pihak Kerajaan. Menteri yang dipertanggungjawabkan Dato Zaid Ibrahim pun dah cabut lari. Pada pandangan TUN boleh ke mereka yang dipertanggungjawabkan dengan pemberian pembayaran ex-Gratia tersebut boleh dianggap sebagai menghina Tribunal dan dikenakan tindakan undang2.

Salam Dr M,

1) Most rakyat do not care about this so called judicial crisis. They only care about their bread and butter .They feel betrayed when the gov paid RM 10 million for a delusionary "judicial crisis". What more, this was done in difficult time for the rakyat; the time when the government mumbled about need to save money and cut subsidies.

2) Salleh Abbas ( he did not deserve his tun title) who always talk about Judicial integrity DID accept the money. IF he is really a man of integrity he should return most if not all of the money. After all, he got his pension. So, can we conclude where the problem is? Salleh Abbas itself is the Crisis. HE is the REAL JUDICIAL CRISIS.

3) I wonder IF the government did not reveal the amount earlier was due to illogical sky high amount of compensation. The government must have known this will back fire on them. When the culprit (Zaid) is not around , there are few people who try to be popular ( Nazri? ).However everyone in the government looks stupid now because of this issue (and partly because how Nazri answered in Parliament)

4) The so called "Judicial crisis" used to degrade you became the current government's bitter pill. One can easily see how stupid their political tactics are!

5) ...and The Salleh Saga continues at the expense of Rakyat.

assalamualikum.. TUN

aku hanya rakyat biasa yang membesar&mula kenal tentang hidup pada zaman tun yang aku anggap  
macam tok wan aku. since 1981 aku lahir pun lepas setahun tun jadi pm...pembesar

orang yang aku anggap tok wan aku ni...alhumdulillah.. dari masa kecil aku jual udang, ikan dari rumah ke  
rumah,, di tepi jalan -jalan & pasar malam hingga aku masuk university & berkerja sebagai pembikin iklan  
tv&filem...apa yang ada dengan aku sampai sekarang adalah hasil limpahan pemikiran besar tok wan  
yang bernama MAHATHIR MOHAMAD.

ingat aku masa darjah 1, arwah tok aku bawa aku naik bas awal-awal pagi ke pekan sungai petani (padang  
dekat dengan tanam jubli s.p., i cant remember actual name of that place) beresak, berpanas tapi bukan  
masalah bagi merai pemimpin yang dianggap agung. semangat aku masa tu nak jumpa & salam dengan  
TUN, tapi bukan rezeki atau itu yang penting selain menafaat&cabahan pemikiran beliau yang telah  
dicurahkan.

ya allah bangga nya aku dapat jumpa&tengok tun secara langsung pada masa tu...rasa yang sama juga  
dapat aku rasa bila aku dah dewasa bila aku kerja (shooting) di thailand, indonesia, australia, nz etc..  
bilamana bangsa asing sekalipun kagum dengan pemikiran tun...alhamdulillah aku di takdir tuhan  
membesar dibawah dasar rangsangan pemikiran pemimpin hebat ciptaan tuhan yang tiada

Semenjak Tun step down, things changed from bad to worst. no matter what, u r still the best PM we ever had. At least 'they' should have listen to your advise because you had been there and more experinces handling situations. All i can see is they 'lupa daratan'.

Salam Ayahanda Tun. In quoting PM Badawi: "minority ethnic could also be PM"- this was perhaps his rapid "comeback fix it" statement at racial relations in Malaysia. He has been under duress left to right, with front and back molests to fix this problem lately. And finally when he put his total brainpower to the issue, we soon realize that he hasn't got one.

By Poh on November 10, 2008 7:58 AM

Dear Tun,

Good morning.

To begin with, I have been reading the book "Judicial Misbehavior and I am beginning to understand your stand on this case. I shall not comment further on this now.

As regards the Ex-Gratia payout, I was indeed shocked to hear the amount of payout especially to the top judge.

When the government decided to make the payout, I assume that the government has found them not guilty. So all that the government has to pay them is their full salary till the day they retire, plus whatever sums of gratuity due to them. As you have said, the top judge gets a pension of about RM6000,00 a month. If he had 10 more years to serve he should be paid RM1,440,000.00! If you add the gratuity amount I am sure it would not exceed RM2,000,000.00.

As a government servant when charged in court for some criminal offence like CBT you are immediately suspended and paid half pay pending the judgement of the court. When you are found not guilty, your position in the service is reinstated and you are paid in full including the amount of salary that was not paid to you while you were suspended. That is all that you get. There is no compensation payment for miscarriage of justice!

This is Malaysia Boleh, a term coined during your tenure.

Good day Tun,

Very good posting. Now we all knew what kind of government Malaysia had. The reasons they revealed were very much contrary as what rakyat knew the whole story on how these Judges being sacked. Nazri shud not try to spin the actual story coz rakyat still can remember the case.

I like this one.

I thought we only have 'Proton Saga' much prettier and prettier.

Judges juga manusia biasa yang tidak terkecuali melakukan kesilapan dan kesalahan. Mereka juga memiliki nafsu dan perasaan yang orang lain tidak boleh nampak. Maka mereka tidak lah boleh dianggap sebegitu benar dan berseh dengan apa yang mereka lakukan. Hakim hanya lah satu kerjaya sahaja. Kerana itu wang boleh membeli maruah mereka.

Izinkan.

Salam Ayahanda Tun. In the same light with this posting, I feel that Khalid Gagap the Selangor MB and his mentor Anwar Ibrahim should just declare all of their income before they had their fall out with UMNO (and them renouncing the Bumiputra status), and then give back the whole sum to the government (or DYMM SPBYDP Agong) of the day. Or just give to any needy charitable organizations or just make a big camp fire with the cash pile. I mean why throve on something they despair? Don't their poor souls deserve healthier worldly respite (not to mention the second part later)? There is just too much hypocrisy in denouncing the Bumiputra Status here out loud, but silently checks on interest and funds updates with their foreign fund managers and bankers overseas – revenue on savings derived out of income that they had gotten on the Bumiputra ticket. Or better still, just declare to everyone how actually good and beneficial the Bumiputra status had been to them and just tell one and all that they would make each one a Bumiputra if elected. Make sense right? Why the thinly veiled double standards and why the cheap hypocrisy? Frankly it's like this; a stupid pirate would for eternity be a pirate. But a smart pirate would end up a respectful buccaneer somewhere down the prospect.

Salam Ayahanda Tun,

Saya terkejut dengan pemberian wang ex-gratia kepada Hakim-hakim yang telah dipecat....(menteri menggonggong tu kata tak dipecat????). Duit sebanyak itu seharusnya diberi kepada mereka yang daif dan amat memerlukan, bukan kepada Hakim-Hakim yang dapat pencen beribu-ribu ringgit sebulan.

Sekarang ni agaknya Pak Lah kat rumah / pejabat selalu hantuk kepala kat dinding kerana di perbodohkan oleh mamat lawyer bernama zaid ibrahim. Si mamat zaid ibrahim lawyer ni pulak, tersengeh dengan bangga telah berjaya menjalankan agenda politiknya untuk memalukan Pak Lah. Si mamat zaid ibrahim ni tak lupa, bagaimana dia telah diaibkan dulu dengan digantung keahlian UMNO kerana didapati rasuah politik wang..... so, sekarang ni siapa yang malu????  
Siapakah yang akan bertanggung jawab di atas penggunaan wang rakyat ini yang rata-rata tidak disenangi oleh rakyat sendiri??? Pak Lah??? Zaid Ibrahim???

Kepada Hakim-Hakim yang beragama Islam, kalau 44 orang rakyat tidak menghalalkan duit tersebut diberi kepada anda, maka pemberian dan penerimaan duit tersebut adalah dikira haram. Fikirlah sendiri apa nak buat dengan duit sebanyak itu, supaya nanti anda tidak dibakar dengan duit tersebut dihari pembalasan.

Ingatlah, Imam dan hakim akan disoal tindak tanduk mereka di dunia ini oleh ALLAH SWT. Hukuman ALLAH SWT amatlah berat sekali.

ANDA FIKIR-FIKIRLAH SENDIRI.

Yang Amat Dikasihi Tun,

Semasa belajar di UM pd tahun 1988, saya juga terpengaruh dengan kempen " Salute the Sixth" di kampus. Banyak betul sticker Salute he Sixth ditampal di pintu - pintu bilik asrama dan merata disekitar kampus

Tetapi sekarang kita dah tahu kerajaan bertindak betul terhadap Hakim - Hakim ini. Ketua Hakim yang derhaka kepada YDP memang patut dipecat. Lagipun masa tu zaman gawat dan saya puji tindakan Tun yang nak conrol perbelanjaan kehakiman. Tapi bila Tun nak kurangkan perbelanjaan kehakiman , Tun Salleh Abbas melenting kononnya kerajaan masuk campur soal kehakiman.

Sebagai pembayar cukai, saya tak halalkan duit ex gratia yg dibayar kat Hakim - Hakim.

Kepada Zaid Ibrahim, tolehlah ke belakang sedikit. Kamu tu jadi senang dan kaya kerana projek kerajaan juga. Tapi sekarang lupa diri.

Kepada Pak Lah , Undurlah, kalau boleh sekarang juga. Majoriti rakyat tidak memerlukan khidmat anda lagi.

By HBT on November 10, 2008 8:47 AM

Good morning Tun,

Unbelievable, Ali Rustam dan Mat Taib pun dapat dicalon layak utk memegang jawatan No. 2 di UMNO. Ini dah melampau, politik wang memang digalakkan dalam pilihan ini.

Pak Lah, tegaskan pendirian kau, janganlah guna taktik kau yang lembut dan baik (taktik ciplak lah). Kau telah membuat UMNO ke tahap yang lebih buruk. Sekarang bukan sahaja memalukan UMNO dan parti2 BN yang lain, bahkan kau telah menaikkan parti lawan dalam posisi yang lebih kukuh untuk menjatuhkan BN.

Pak Lah, beranikan diri engkau untuk menjawab Tun Salleh saga di Parliment. Takkanlah suruh Nazri yang beri jawapan. Rakyat nak dengar penjelasan kau. Most importntly, jangan senyap2 dan suruh Najib pula yang memberi jawapan ini.

Turunlah Pak Lah.... jangan tunggu sampai Mac 09.

Good day Tun.

Tun,

Kenapa membayar ex-gratia kepada mereka kalau tidak patut diberikan. Rakyat tak puas hati dan jangan salahkan mereka kalau mengatakan pemimpin tertentu tidak bijak.

Apa Zaid Ibrahim telah buat pada masa itu dan DSAAB ikut saja. Inilah yang rakyat tak puas hati dan marah. Jelas daripada awal lagi telah membuat keputusan yang salah.

Enough of this kind of leadership.

Looks like BN is falling prey to PR's trap and they still do not realise it.

Perhaps AAB is planning to join PR after his retirement.

Anyway it sure sounds like a legal bribery and it sets a bad precedent.

Just wait and see, many more will join the queue and ask for even bigger compensation..... or else?

A GOOD MAN DOES NOTHING.

Salam Negarawan Ulung YABhg. Tun Dr. M,

1. Kepimpinan Melalui Teladan.
2. Tun sudah tunjukkan semasa menjadi PM dahulu dan Tun masih tunjukkan lagi karisma pemimpin yang ideal sekarang walaupun tidak memegang jawatan PM lagi.
3. Kepimpinan Pak Lah sudah terbukti gagal. Maka tidak ada teladan yang boleh dicontohi daripada pemimpin yang gagal.

4. Isu pembayaran ex-gratia ini menunjukkan bahawa keterbukaan dan dasar liberalisasi kerajaan Pak Lah & co. memakan diri.

5. Yang pelik, pembangkang menyokong pembayaran ex-gratia ini. Adakah ada 'kemesraan dan persamaan' antara kerajaan Pak Lah dan pembangkang?

6. Isunya sekarang wajar atau tidak pembayaran ini dibuat. Rata-rata rakyat Malaysia berpendapat tidak wajar. Maka satu siasatan perlu dilakukan.

7. Kenapa jika Kes pita VK Lingam dulu ada suruhanjaya diraja untuk menyiasat (dan memalukan YABhg Tun) tetapi kes yang lebih besar seperti ini tidak diwujudkan? Saya amat yakin kalau kes ini di dengar oleh suruhanjaya diraja, Tun adalah orang pertama akan dipanggil.

8. Tetapi mereka tahu, jika YABhg Tun dipanggil, maka akan terbukalah pekung di dada mereka semua. Pak Lah dimalukan, Zaid dibogelkan dan Salleh Abas akan dapat malu besar.

9. Pendirian YABhg Tun amat kukuh dan jitu. Langsung tidak berganjak walau satu inci pun. Karisma pemimpin ulung yang tiada gantinya...

RM5 million !! .... No wonder Salleh was seen crying at his home on TV3 news when Zaid handed over the payment ..... Cry of too much joy.....Apa sudah jadi dengan politik Malaysia ni.....

Take care Tun.....

By arin on November 10, 2008 10:25 AM

Dear Tun,

1. I think we should not worry too much about judges being given out the RM11.0 million, eventhough they do not deserve it.
2. We should worry about the following and initiate as fast as possible to recover that was literally stolen from the rakyat; MV Agusta sale, Pantai Holding sale and buyback, ECM Libra merger, Maybank purchase of Indonesian bank fiasco and others. The people who were involved must have made hundred of millions.
3. What the judges got were peanuts, compared to what has been squandered.
4. I appeal to those who have intimate knowledge of these "swindlings" to collect and compile evidence to be submitted to the ACA once Abdullah Badawi leaves office.
5. May we see justice at the end of the day.

Salam sejahtera to Tun and family

Dear Tun,

Whether those judges sacked or not sacked, Malaysia government already lost another 10 millions. No noises from the opposition especially those champion for rakyat and keadilan or the tiger from Pinang or

Lim & Sons company limited party members. By not making any noise, I believed the all agreed with the 10 million wasted to those judges.

If these judges have concious mind, they should return the money to the country and let the rakyat benefit from it.

We will always remember Zaid and Pak Lah as the one who wasted the country 10 million ringgit for nothing in return for our belove country.

Hope you always in good health to champion the righteousnous for the country.

Salutations Tun,

I look forward to your next gem in writing; they're always a joy to read.  
By lovemalaysia on November 10, 2008 10:38 AM

Dear Tun,

All those judges would be very happy and kinda thanking you in the heart. They wouldnt earn that much if they worked for the past 20 years.

But because of the sacking, they have earned much more than they have deserved to earned. So if they were cursing you for sacking them, now they will be thanking you. the sacking is a blessing in disguise.

millions of our money just taken out and paid for someone's ego when we the rakyat are being squeezed every corner to part with opur hard earned meagre salary.

My wife's car got tyre locked last week in front of the office by the Kuantan municipal council. reason there were some parking tickets which was not paid. The tickets will be put on ur windshield, if its raining or flew away, they consider it charged. RM0.42 per hour is the charge. I dont pay, every RM0.42 u missed will accumulate over the weeks into hundreds of ringgit.

So, we have missed a few tickets and the car in valid parking have been tyre locked. I am working in KL and she is desperate to get the car b4 12pm, because 12 pm she have to pick my daughter from kindergarten. Well you know nowadays if u dont attend to ur kids in time, anything can go wrong.

Since she is desperate, the MPK squeezed her to pay RM450 or else they wont budge to release the car. RM450 is the accumulated sum of the RM0.42 ticket that we have missed plus the tyre lock charges. However difficult it is, she have to pay the sum so that she can be able to get to my daughter by the time my kid finishes kindergarten.

That RM450 to tell you honestly is around 20% f my salary.

The moral of the story is, i believe all my fellow working class malaysians have and is going thru this predicament. These authorities squeeze us maximum to rob our earnings. but they will spend lavishly without account for waste. But the same authorities also would never dare to do anything if that was a VIP or a VIP's related person. They squeeze the poor, thye dont squeeze the rich who afford to pay.

And all this money, see how they use. I even dont want to pay any taxes in this country if possible. You will be shocked if you find that only the poor are paying everything imposed on them promptly. All the DATUKS, TAN SRIS and etcs are not bothered abt paying all these things and the authorities will still kowtow and salute and take care of them and thier children's house, car, buildings interest as though they are the one who is paying.

These is like in the tamil movies. Those days it only happens in India. But now india have changed and be more transparent. But malaysia have become worse. A rakyat acn lose their children but no one cares

to take swift measures. but if a minister lost his dog, the authorities will go in full and maximum scale to find it. Minister's brothers and relatives caught in drug and criminal cases escape punishment and etc etc.....

Just like in the tamil movies.

Rahsia tugas Anwar - Resolusi pertemuan sulit Anwar dan Wolfowitz di Munich  
Tue, 21 Oct 2008

Pertemuan rahsia di Munich ini telah memberi seribu satu makna tersirat..

Rahsia tugas Anwar - Resolusi pertemuan sulit Anwar dan Wolfowitz di Munich

Abdurrahman Wahid atau lebih dikenali sebagai Gus Dur menceritakan intipati pertemuan beliau, Anwar Ibrahim dan Paul Wolfowitz, di Munich pada 2004, dalam tulisannya bertajuk "Susu Kerbau Dibilang Susu Sapi" yang disiarkan di laman webnya, [www.gusdur.net](http://www.gusdur.net).

Dalam catatan itu, Gus Dur menulis, beliau tergesa-gesa bertolak dari Seoul, Korea Selatan (selepas menyampaikan pidato) pada 3 Oktober 2004 kerana terpaksa ke Munich untuk menghadiri pertemuan penting yang telah dirancang rapi sebelum ini dengan Paul Wolfowitz, Timbalan Setiausaha Pertahanan Amerika Syarikat.

Pertemuan penting diatur di Munich, kerana Anwar berada di situ menjalani rawatan sakit tulang belakang di Hospital Klinik Alpha Munich sejak 6 September 2004, selepas 4 hari dibebaskan dari Penjara Sungai Buloh.

Anwar dibebaskan pada 2 September 2004, setelah Mahkamah Persekutuan menerima rayuan keduanya pada 10 Mei 2004. Meskipun ketiga - tiga hakim yang menyemak semula keputusan Hakim Datuk Arifin Jaka (8 Ogos 2000) bersepakat mengatakan terdapat aktiviti meliwat antara Anwar, Sukma dan Azizan, namun Anwar dibebaskan kerana masalah teknikal. Klik di sini

Berdasarkan catatan Gus Dur itu, perjumpaan itu amat penting, dan beliau mesti mengosongkan jadual untuk menghadirinya kerana tetamu yang datang melawat Anwar adalah tokoh paling penting di Amerika ketika itu iaitu Timbalan Setiausaha Amerika.

Kesungguhan Paul Wolfowitz meluangkan masa melawat Anwar di Munich awal Oktober itu menyebabkan Gus Dur teruja. Apatah lagi, ketika itu Paul Wolfowitz sangat sibuk dengan urusan kerjanya di Amerika, ketika Amerika menghadapi saat - saat kritikal menyusun perancangan perang ke atas Iraq.

Kesibukan Timbalan Setiausaha Pertahanan Amerika itu dicatat oleh wartawan Peter J. Boyer , dalam artikelnya bertajuk "The Believer Paul Wolfowitz defends his war", disiarkan di The New Yorker, 1 November 2004. Klik di sini

Menurut Peter J. Boyer, sebelum Paul Wolfowitz bermesyuarat dengan Anwar dan Gus Dur di Munich, Timbalan Setiausaha Pertahanan Amerika itu sibuk dengan taklimat peperangan ke atas Iraq kepada semua lapisan rakyat sekutu Amerika, termasuk golongan mahasiswa, pensyarah, pegawai tentera dan kerajaan di Warsaw University, Poland.

Peter J Boyer juga mencatatkan keletihan Paul Wolfowitz menaiki pesawat dari Washington ke negara sekutu Amerika semata-mata untuk proses lobi kepada kerajaan Poland supaya menyokong tindakan Amerika.

Sebelum menaiki pesawat khas di Andrews Air Force Base, Wolfowitz menerima nota yang mengecewakannya daripada bosnya, Donald Rumsfeld (Setiausaha Pertahanan Amerika) yang berucap di New York, mengesahkan, setakat hari itu, Amerika belum lagi mendapat bukti kukuh yang boleh mengaitkan kegiatan Al Qaeda dan Saddam Hussein terhadap serangan WTC, 11 September.

Berita ini sangat mengecewakan Wolfowitz kerana sebelum ini beliau berhati-hati menegaskan kepada Presiden Bush bahawa Saddam Hussein adalah 'teroris' yang mempunyai perkaitan rapat dengan rangkaian Al Qaeda.

Terdahulu sebelum ucapannya di Poland, Wolfowitz, Yahudi Zionist Amerika telah melawat bandar lama Warsaw, dengan kawalan tentera Poland untuk meletakkan kalungan bunga di tugu peringatan "Warsaw Ghetto Heroes" (monumen Yahudi Ghetto di Warsaw, Poland) dan di 'Umschlagplatz Memorial' sebagai memperingati tiga ratus ribu Yahudi Warsaw yang telah dibunuh oleh Nazi di Treblinka.

Acara itu amat bermakna kepada Wolfowitz kerana inilah kali pertama beliau melawat tugu peringatan, 'Umschlagplatz Memorial' walaupun bapanya Jacob Wolfowitz dilahirkan di Warsaw. Wolfowitz juga sukar melupakan kebencian masa lampunya ketika keturunannya terselamat daripada pembunuhan Nazi dalam peristiwa Holocaust. Dendamnya ke atas pembunuhan etnik Yahudi itu masih membara sampai sekarang.

Selepas ucapan di Poland, Wolfowitz juga telah diberi taklimat oleh Jan Nowak, bekas Polis Risikan Poland yang pernah memberi maklumat - maklumat kepada Amerika tentang kegiatan gerakan bawah tanah Nazi.

Menurut Jan Nowak, peperangan Amerika ke atas Iraq wajar diberi penjelasan kepada umum, supaya masyarakat memahami dan menyokong tindakan serangan itu. Propaganda penerangan seluas-luasnya sama seperti media Yahudi memberitahu dunia tentang peristiwa Holocaust.

Pertemuan penting Wolfowitz, Anwar dan Gus Dur

Wartawan Peter J. Boyer menulis pertemuan Wolfowitz - Anwar -Gus Dur dibuat selepas Wolfowitz membuat hentian penerbangan sementara di Munich dalam rangka lawatannya ke Poland.

Menurut penulis, Wolfowitz sanggup meluangkan masa ke Klinik Alpha, Munich kerana sudah dibuat temujanji menemui 'dua tokoh Islam' itu.

Wartawan itu menggambarkan 'dua tokoh Islam' itu iaitu Anwar Ibrahim (Malaysia) dan Gus Dur (Indonesia) adalah kenalan rapat Wolfowitz sebagai 'mata dan telinga' Amerika dalam dunia Islam.

Mereka berdua digambarkan 'tokoh Islam moderate' yang pro - Barat dan sangat bertoleransi dalam keagamaan serta dijadikan sebagai 'bahan rujukan' mengenai dunia Islam.

Pada Wolfowitz, beliau perlu menemui kedua - dua tokoh Islam itu, kerana mahukan sokongan di atas tindakannya menyerang Iraq.

Peter J. Boyer juga mencatatkan kedua - dua tokoh Islam itu telah menunjukkan sokongan padu ke atas tindakan Wolfowitz menyerang Iraq berdasarkan bukti Anwar semasa dalam penjara Sungai Buloh telah menghantar surat mengkritik Osama ben Laden dan Saddam Hussein sebagai penjenayah perang yang didakwa sebagai perancang komplot pengeboman WTC, 11 September 2001.

Kecaman keras Anwar ke atas Osama ben Laden dan Sadam Hussein disiarkan dalam Majalah TIME bertajuk "Who Hijacked Islam" dan Majalah International Herald Tribune, New York bertajuk "Growth of Democracy Is the Answer to Terrorism" pada 11 Oktober 2001.

Bacaan lanjut sila klik di sini.

Kiri, Osama Laden, Anwar kecam sebagai 'teroris' dalam tulisannya Majalah TIME dan International Herald Tribune (Kedua-dua majalah milik Yahudi). Kanan, Dr Yusuf Al Qardawi. Azmin Ali, Naib Presiden PKR sebut, Anwar menyoal siasat ulamak itu selama lima jam untuk menentukan sama ada ulamak Mesir itu 'teroris' atau tidak.

Tentunya tindakan Anwar bersusah payah menulis surat dari Penjara Sungai Buloh itu sebagai sokongan paling penting ke atas Paul Wolfowitz yang secara tersirat menyokong tindakan Timbalan Setiausaha Amerika menyerang Iraq adalah tindakan yang betul. Apatah lagi kecaman ke atas Osama ben Laden dan Saddam Hussein dibuat oleh tokoh Islam sendiri.

Gus Dur pula mengesahkan kekejaman Saddam Hussein kerana beliau pernah belajar di Baghdad.. Kata Gus Dur kepada Wolfowitz, beliau menjadi saksi kekejaman Parti Baath yang telah bertindak zalim ke atas rakyatnya.

Keterangan Gus Dur, ditulis Peter J. Boyer seperti berikut; "Wahid had studied in Baghdad, and that he was an early witness to the Baath Party's atrocities. Wahid had described how Saddam's regime "left the bodies hanging so long, the necks stretched," Wolfowitz said. "It was in the main square in Baghdad, to send a message, to say, 'This is who you're dealing with from now on.' And he said his teacher was taken away, the body was brought back in a sealed coffin, and they were told not to open it. They went ahead and opened it, and they found he'd been horribly tortured."

Sudah tentu keterangan Gus Dur sebagai saksi dan sokongan Anwar itu sangat mengembirakan hati Timbalan Setiausaha Pertahanan Amerika dan Paul Wolfowitz mampu berhujah kepada rakyat Amerika bahawa tokoh-tokoh Islam sendiri menyokong tindakan Amerika menyerang Iraq.

Hubungan Gus Dur, Anwar dengan Paul Wolfowitz bermula sejak 1980-an lagi, ketika itu Wolfowitz adalah Penolong Setiausaha Negara Amerika untuk Asia Tenggara dan pernah menjadi duta Amerika di Indonesia.

Wolfowitz pula amat teruja dengan sikap toleransi Gus Dur kerana bukan sahaja pro- Barat malah pro - Israel.

Sokongan Gus Dur kepada Israel itu dibuktikan dengan penglibatan beliau dalam program - program ; International Strategic Dialogue Center, Netanya University, Israel; Member of International Board along with Mikhail Gorbachev, Ehud Barak and Carl Bildt; Shimon Perez Center for Peace, Tel Aviv, Israel; International Islamic Christian Organization for Reconciliation and Reconstruction(IICORR ), London, England, International and Interreligious Federation for World Peace (IIFWP), New York, USA; World Conference on Religion and Peace (WCRP), New York, United States dan lain -lain.

Maka dengan sokongan ini, tidak hairan Gus Dur diberi anugerah dan liputan media asing antaranya : Paul Harris Fellow, The Rotary Foundation of Rotary International; Public Service Award, Columbia University , New York, United States; The Culture of Peace Distinguished Award 2003, International Culture of Peace Project Religions for Peace, Trento, Italy; Global Tolerance Award, Friends of the United Nations, New York, United States; Ambassador of Peace, International and Interreligious Federation for World peace (IIFWP), New York, United States; Magsaysay Award, Manila , Philippine; Figure of the Year 1990 (Tokoh 1990), Editor Magazine, Indonesia dan lain -lain

Lihat bukti kaitan Gus Dur menyokong Israel klik di sini.

Wolfowitz tugaskan Anwar Ibrahim sebagai "Jurubicara Barat - Dunia Islam"?

Dalam catatan Gus Dur pula beliau menjelaskan lagi resolusi perbincangan penting dengan Wolfowitz itu.

Gus Dur bersetuju dengan pandangan Wolfowitz melantik Anwar sebagai 'Jurubicara Barat untuk Dunia

Islam' kerana kebolehannya berpidato.

Tulis Gus Dur seperti berikut, "Penulis (Gus Dur) memperkirakan ia akan menjadi tokoh kunci dalam perkembangan dunia Islam. Pada saat ini terasa, bahwa "Dunia Islam" tampak sedang berada dipersimpangan jalan. Tampak bahwa cukup besar keinginan orang-orang muda muslimin, berbuat dengan sungguh-sungguh untuk menunjukkan bahwa Islam dapat menjadi moto kehidupan secara formal. Artinya mereka tidak menginginkan "Negara Islam' sebagai sesuatu yang bersikap resmi, melainkan ingin memperagakan Islam sebagai jalan hidup terbaik bagi umat manusia yang tengah mengalami krisis di berbagai bidang"

"Kebangkitan seperti itu, adalah sesuatu yang tentu saja dapat membuat "Dunia Islam" bertabrakan dengan faham-faham lain, dan menjadi tugas bagi para tokoh muslimin untuk sejauh mungkin mempertautkan antara berbagai pemikiran dan pandangan itu"

"Di sinilah terletak posisi istimewa dari tokoh-tokoh seperti Anwar Ibrahim.. Karena posisinya yang unik itu, Anwar Ibrahim dapat saja menjadi "juru penengah" antara berbagai pandangan dan pemikiran, atau ia justru terlibat dalam pertentangan-pertentangan yang baru".

"Karena itulah, penulis (Gus Dur) beranggapan pertemuan Paul D. Wolfowitz dan Anwar Ibrahim sangat penting. Bahwa penulis turut serta dalam pertemuan itu, juga menjadikannya sesuatu yang bernilai tinggi".

Ini rupanya dimengerti sepenuhnya oleh Paul Wolfowitz, hingga ia datang dengan pesawat khusus ke Munchen (Munich) dan kembali lagi ke Washington DC, setelah bertemu berdua dengan Anwar Ibrahim dan kemudian bertiga dengan penulis".

Pada kalimat akhir Gus Dur menjelaskan peranan Anwar seperti berikut; "Penulis (Gus Dur) dan Paul Wolfowitz sama-sama beranggapan, bahwa posisi Anwar Ibrahim, seperti Saad al-Din Ibrahim, Sekjen Muntada Al-Fikr Al-'ARabi (Klub Pemikiran Arab), yang meringkuk bertahun-tahun di penjara Kairo, Mesir, harus dijaga sebagai salah satu tokoh Muslim moderat".

Dalam catatan 8 Oktober 2004 itu, Gus Dur menegaskan "agama Islam dengan Yahudi (Judaisme), yang harus memikul beban kesejarahan sebagai sebuah faham yang berada di benua tersebut. Dalam hal ini, antara Islam dan agama tersebut harus ada perdamaian yang langgeng, bukannya pertentangan terus menerus".

Pandangan Azmin Ali - Pertemuan Anwar - Wolfowitz Munich

Azmin Ali, Naib Presiden PKR, orang yang paling rapat dengan Anwar dan menjadi pengatur jadual Anwar di Munich pula bersetuju dengan tugas yang diberikan oleh Paul Wolfowitz itu tetapi menggunakan bahasa lunak yang boleh diterima positif oleh rakyat Melayu - Islam di Malaysia.

Pertemuan kali kedua Anwar dengan Paul Wolfowitz pada 2005. Ketika itu Anwar mengunjungi Paul Wolfowitz di Pentagon yang menjawat sebagai Timbalan Setiausaha Pertahanan Amerika.

Kata Azmin, "Kami dapati ada masalah besar dalam percaturan politik dunia. Sikap benci membenci makin menebal khususnya antara negara Barat dengan negara Timur, khususnya dengan Amerika Syarikat. Maka DSAI merasa bertanggungjawab main peranan untuk meredakan keadaan itu dengan mengadakan dialog"

"DSAI merasa beliau ada peranan untuk dimainkan bukan sahaja untuk mewujudkan toleransi antara Barat dan Timur tetapi juga menghormati antara satu agama dengan agama lain. Alhamdulillah beberapa pimpinan Barat merasakan mereka perlukan satu rakan kongsi dalam usaha ini sebab mereka tengok kegagalan mereka di Iraq dan Palestin. Masalah ini tak boleh selesai dengan senjata tetapi masalah ini

boleh selesai menerusi dialog.

"Orang yang ada kemampun berdialog dengan Barat dan dimasa yang sama ada hubungan yang akrab dengan Negara-negara Islam di Timur Tengah ialah DSAI. Sebab itu mereka minta DSAI terima permintaan supaya jadi rakan kongsi dalam dialog ini agar ada dialog berterusan dan wujud hubungan yang akrab antara negara Islam dan Barat"

Dalam membicarakan peranan Anwar dan Wolfowitz, Azmin menjelaskan begini;

"Memang Wolfowitz seorang yang dilihat sebagai keras dan angkuh...saya tidak menafikan.DSAI juga mengakui..tetapi sekurang-kurangnya beliau bersedia mengambil sikap terbuka untuk duduk dan berbincang dengan DSAI"

"Sebagai contoh.. pimpinan di Washington DC telah menyenaraihitamkan Dr Yusof Qardawi ... ulamak besar hari ini..yang diterima oleh majoriti umat Islam. Washington menyenaraihitam beliau semata-mata kerana beliau didakwa pernah buat kenyataan boleh dibunuh orang awam Amerika Syarikat..halal darah mereka"

"Tetapi dalam pertemuan selama lima jam dengan Dr Yusof Qardawi ...DSAI mohon penjelasan betulkah beliau pernah mengeluarkan kenyataan seperti itu... Dr Yusof Qardawi menafikan sekeras-kerasnya. Anwar guna kesempatan dengan Wolfowitz...dan saya sendiri ada dalam pertemuan itu, untuk jelaskan tanggapan terhadap tokoh besar Islam itu tidak betul"

Untuk melihat keterangan Azmin Ali selengkapnya, sila baca wawancara Agendadaily dengan Azmin Ali bertajuk "Menyusuri ' gerak ' Anwar menerusi Azmin Ali..." Klik di sini.

Berdasarkan keterangan Azmin Ali itu, walaupun beliau memberi gambaran positif mengenai peranan bosnya, berkenaan tugas baru arahan Paul Wolfowitz, tetapi sebagai pembaca kita boleh menganalisis secara dua lapis.

Pertama, Azmin mengesahkan tugas baru yang diarahkan kepada Anwar itu adalah mendekatkan jurang Timur dan Barat termasuk dalam bidang agama. Gus Dur menjelaskan lagi dalam tulisan di atas mendekatkan agama Islam dan agama Yahudi.

Keduanya, Azmin turut mengesahkan tugas Anwar sangat rapat dengan Wolfowitz. Boleh berinteraksi dan berkomunikasi pada bila - bila masa.

Malah Azmin turut mengesahkan tugas Anwar adalah 'tukang semak' (SB?) nama tokoh-tokoh Islam yang disenaraihitamkan oleh Amerika.

Azmin mengesahkan bahawa Anwar pernah berjumpa dengan Dr Yusof Qardawi, dan menyoal siasat ulamak tersohor Mesir itu selama lima jam untuk menentukan sama ada ulamak itu teroris atau tidak. Setelah berpuas hati dengan jawapan-jawapan Dr Yusof Qardawi, Anwar pulang semula ke Amerika melaporkan kepada Paul Wolfowitz.

Jadi, apakah faktor ini, Dr Yusof Qardawi berpesan kepada PAS, agar berhati-hati dengan Anwar, seperti yang dilaporkan oleh Songkok Putih di Tranungkite ? Klik di sini.

Meneliti pula laras bahasa yang digunakan oleh Azmi, dalam menjelaskan peranan Anwar sebagai 'mendekatkan jurang Timur dan Barat' dilihat sebagai bahasa lunak untuk tidak memudaratkan Anwar sebagai tokoh politik pembangkang di Malaysia.

Bagaimana pula laras bahasa yang bermain di fikiran Wolfowitz, seorang zionist yang ghairah membunuh umat Islam di Iraq ketika memberi tugas itu kepada Anwar?

Adakah sama dengan laras bahasa Anwar dan Azmin ketika memberitahu rakyat Malaysia melalui

wawancara dengan Agendadaily ?

Dalam menggambarkan laras bahasa berlainan ini, Gus Dur mengesahkan peranan Anwar bukan sekadar "Jurubicara mendekat Timur dan Barat", tetapi lebih jauh daripada itu iaitu sebagai 'golongan penengah' kepada dunia Islam terutamanya golongan muda yang bercita-cita menjadi "Negara Islam", bukan semata-mata slogan malah sebagai satu realiti cara hidup.

Gus Dur menjelaskan fenomena baru di negara Islam yang mahu merealisasikan Islam sebagai satu cara hidup amat bahaya dan Wolfowitz menugaskan Anwar untuk memberi penjelasan secukupnya agar Islam boleh diliberalkan.

Gus Dur pula menyamakan tugas baru Anwar itu sama seperti Saad al-Din Ibrahim

Siapa Saad al-Din Ibrahim ? Klik di sini dan di sini dan di sini

Anwar Ibrahim (Malaysia) dan Saad al-Din (Mesir) adalah sama-sama tokoh Muslim Moderate yang dianugerahkan Amerika

Saad al-Din Ibrahim seorang aktivis Demokrasi Amerika di Mesir yang mempunyai dua kewarganegaraan iaitu Mesir dan Amerika Syarikat. Beliau adalah pengasas "Khalidun Center di Mesir atau Universiti Amerika, di Mesir.

Beliau ditaja oleh National Endowment for Democracy (NED), sebuah yayasan Amerika untuk mengembangkan Demokrasi Amerika ke Timur Tengah.

Kalau dalam bahasa mudah, Saad al-Din Ibrahim adalah agen Amerika di Mesir yang ditugaskan mengembangkan demokrasi Amerika menggunakan status penjawat akademik.

Kalau Gus Dur menyamakan Anwar sebagai Saad al-Din Ibrahim, apakah pula tanggapan yang bermain dalam Zionist Amerika (Wolfowitz) kepada Anwar ketika memberi arahan itu di Munich ?

Blaa...bla...blaaa...Al ni kalau ikut percaya cakap dia dah sebetulnya pernah tenat kena arsenik kan kan? atau sakit tulang belakang?? atau dah jadi PM pun....

Dear Tun dan Rakan2

Inilah pembaziran wang rakyat yang amat nyata hanya untuk "menghiburkan" sekelompok kecil manusia yang sudah sememangnya kayaraya. Ironinya manusia-manusia yang dibelai dengan jutaan wang rakyat inilah manusia yang amat membenci kerajaan yang menyuaoi mereka.

Umpama pepatah Melayu "melepaskan anjing tersepit, namun tangan yang melepaskan itulah yang digigit"

Alangkah dangkalnya orang yang meluluskan pembayaran wang exgratia yang langsung tiada manfaaatnya kepada rakyat terbanyak????

Assalamualaikum YABhg Tun.

Alhamdulillah sekarang ini terserlahlah kebenaran di pihak YABhg Tun dan terbongkar kemungkaran perjuangan bekas Menteri Kehakiman yang kononnya memperjuangkan keadilan kehakiman.

Malangnya DSAAB dan menteri lain turut menyokong Datuk Zaid. Ahli politik pembangkang dan Majlis Peguam pun sama saja. Sama-samalah mereka tanggung kesilapan yang mereka halalkan. Bersendiwaralah selagi berkuasa.

Mungkin juga lepas ini DSAAB boleh tuntutan wang pampasan kerana didesak supaya lepaskan jawatan lebih awal. Almaklumlah Malaysia banyak pulus.

Saya selalu teringat pesanan YABhg Tun supaya "jangan ambil duit orang". "Bila berhutang kena bayar balik, biar tak pakai baju tak apa".

Sebagai Muslim kita perlu muhasabah diri. Dari mana kita dapat duit dan kemana kita belanjakan. Wang haram adalah umpan api neraka.

Semoga YABhg Tun sekeluarga dirahmati Allah.

By ZINNZAIN on November 10, 2008 11:20 AM

YAB Tun,

Assalamualaikum and Selamat Sejahtera.

'The Salleh saga get curiouser and curiouser'. Indeed Tun you were right about that. I think the same impression is shared by many Malaysians as well.

Before the announcement was made on the official amount of the pay-out, I kept wondering the reason as to why the Government is hesitant to disclose the figure. The rakyat has every reason to know how their money is being spent.

Like many others, I was surprised at the amount. My surprise slowly turned to anger after knowing that those judges were being paid full pension all these years! And now they are being paid again!

These pay-out has created lots of ?????? in the minds of the rakyat, because its their money that has been used to pay these ex-judges. We, the rakyat deserve to know why. Can't the PAC investigate this and made public the findings?

Judges are supposed to have credibility, integrity and conscience. If indeed the pay-outs were made wrongly, please return the money to its rightful owner, the rakyat. Otherwise, that money is 'wang haram'.

Allow me to go off-tangent a bit Tun.

The recent incident at UMNO Seremban meeting where chairs were flying, shows how low that party has gone in the recent years. Those days we saw this kind of incident happened during MIC meetings, but now are becoming quite common in UMNO as well. Is UMNO following the path of MIC? If this kind of incidents keeps cropping up, I won't be surprised if PRU 13 will see UMNO candidates being handed the same fate as MIC candidates during the last PRU 12.

By qas on November 10, 2008 11:24 AM

Saya sangat marah. with reference to the Cambridge Advandced learner's Dictionary:

EX - GRATIA : An ex gratia payment is not necessary, especially legally, but is made to show good intentions.

I would like to draw everyone's attention especially our sleeping PM (AAB) to the word NOT NECESSARY. If AAB decided to show HIS own good intention, please use his own money. Not the

government's money that is the RAKYAT'S money.

If the judges were sacked, they would not be eligible to receive pension, BUT THEY DID and are receiving not just one but 2, and even 3 pensions. Dah cukup baik dah tu... so tak payahla nak show other good intention lagi... The government ni senang-senang je nak gunakan duit milik semua.

Geram..... baik gunakan duit tu untuk improve infrastructure ke atau benda-benda lain yang memberi faedah untuk lebih ramai rakyat, bukan untuk individu tertentu saja.

Kerajaan AAB spend big money on individuals (for instance spend millions to send 1 angkasawan - apa benefit to the people? experiment utilizing elements present on earth pun rasanya still jauh ketinggalan and can be better funded) and not on big projects that can benefit a larger group of people.

The government is entrusted by the people to govern, not to go on spending spree, then claim that the rakyat are being subsidized too much, need to cut on that - raise the petrol price dramatically, never mind if the low-income and middle-class rakyat suffers....

Total dissatisfaction!

Salam Tun

Banyak komen2 dari penyokong kuat/setia Tun menampakkan betapa mrk mengiyakan bahawa di Malaysia negara yg kita sama2 cintai ini mengamalkan siapa yg berkuasa boleh buat apa sahaja tanpa mengira ianya selaras dgn standard undang2 didunia utk manusia yg bertamadhun. Contohnya kalau jadi PM, bebas melepaskan sesiapa sahaja yang dianggap bersalah dari kacamata rakyat. Ini menggambarkan masa zaman Tun dulu pun sama sahaja dgn zaman Pak Lah ni. Jadi tk sepatutnya dia hard fan Tun memberi komen2 pedas spt tk halalkan duit yg diberi kpd bekas2 hakim tersebut. Saya secara peribadi pn tk setuju dgn pemberian yg begitu besar pd pandangan kami yg berpendapatan sederhana ini tapi bila memikirkan masa zaman Tun dulu lg banyak duit rakyat hangus atau pergi/jatuh ketgn kroni (contohnya Daim yg khabarnya byk bank kat Afrika dia yang empunya) maka kami cuma mampu memikirkan semua PM/pemimpin2 yg berdarah cop keris sama sahaja. Seperkara yg saya nk highlight kt sini, Tun tk layak utk nk membicarakan tentang ketidakadilan yg berlaku terhadap Tun yg berlaku di era Paklah krn bagi saya Tun adalah seorg bekas PM yg paling beruntung didunia ini. Mcm2 yg Tun dpt dan kebebasan yg Tun ada/dpt kekadang lebih dari ketua2 Bahagian Umno yg ada sekarang. Nk berucap kt mana2 pn boleh dan mendapat liputan media lagi. Apa lagi yg Tun mahu?????bertaubat dan banyak2 lah beribadat...terlalu byk hati yg terluka krn Tun dan ada yg nk sembuh tp bila Tun masih lagi memebel, luka itu dtg kembali. Teringat kata2 Allahyarham Fadhil Noor yg mendoakan Tun panjang umur dan menyaksikan sendiri kerosakan2 yg thl Tun buat dulu.

Sgt berharap komen saya ini dpt maklumbalas dari penyokong setia Tun

wassalam

pak lah & co memang pandai perabis duit rakyat. benda yg tak mendatangkan faedah langsung macam saja2 khianat tak senang tengok orang lain senang. tak sabar2 nak naikkan harga minyak cuba bawa berfikir dulu akibat kenaikan tersebut, habis semua barang melambung, memang patutpun naik tapi menteri shahri samad kata tak dak pa pa, minyak aje yg naik.....sekarang nak turun 2x lagi katanya nak buat apa....hypermarket turun harga apanya...dulu beras 5% \$18, sekarang 5% dapatla \$25.....cuba periksa susu nespray 2.3kg dulu 35 lani 50.99 tak turun2.....pandai menteri cakap...buat sakit hati ada....sebelum apa2 tindakan diambil cuba fikir elok2 dulu. saya tak percaya bayaran utk hakim yg ditendang ni hanya sebanyak tu mungkin lebih lagi...apa yg dicakap dah tak boleh percaya... rasa sgt terseksa apatah lagi nak tunggu bln mac ni, sebelum tu biar bangsa asing seronok tengok sesama kita bertumbuk....ada yg tersenyum tu....mengalahkan siti muslihat.tunggu dan lihat siapa yg

dimain-mainkan oleh bar council dan semua orang termasuk yang kononnya bijak pandai pun telan bulat-bulat.

1988 hakim dipecat atas salahlaku yang diputuskan sebulat suara oleh tribunal. tribunal terdiri dari bukan sahaja hakim tempatan, tetapi juga dari singapura dan sri lanka. bar council dan kunci-kuncunya kata eksekutif campur tangan. masuk akalkah eksekutif boleh mempengaruhi hakim-hakim luar negara tu? ada blogger menyebut seorang queen council berpendapat penghakiman ke atas hakim-hakim yang dipecat itu semuanya betul, munasabah dan tepat.

saya simpati imej cj-cj selepas sallah abas dan sebelum hamid tercemar tanpa alasan-alasan yang adil.

yang kononnya kini mahu memulihkan imej kehakiman sudah nampak tidak adil. bagi saya, pencemaran kehakiman sebenarnya baru bermula, bukan pada 1988.

Salam Tun.

Apapun yang berlaku telah mengajar kita tentang sesuatu.

Buat DS Najib, bila dah jadi PM nanti, jadikan apa yang berlaku ini sebagai pengajaran yang amat berguna. Ingat ! Apa saja tindakan yang dilakukan oleh kerajaan terdahulu adalah berdasarkan keadaan pada masa itu yang mungkin tidak secocok dengan keadaan masa kini.

Tindakan mengubah keputusan terdahulu semata-mata untuk populariti hanyalah memburukkan keadaan. Sesungguhnya kita tidak boleh mengubah sejarah kerana apa yang berlaku telahpun berlaku.

Jika kita cuba untuk mengubah sejarah, pelbagai masalah bakal kita hadapi. Sebaiknya, belajarlah daripada pengalaman sendiri ataupun pengalaman orang lain. Anda sudah ada 5 contoh PM yang boleh anda pelajari. Ambillah contoh yang terbaik, elakkan contoh yang terburuk.

Kalau hakim diberi 2 pencen. 1 waktu umur 55 n 1 lg waktu umur 65. Dah lebih dari cukup dah tu. Berapa ramai bekas kakitangan gomen yg hidup sentiasa tak pernah cukup selepas pencen. Bakal PM Datuk Najib kena fikiaq laa tentang hal ini..

Dear YBbhgia Tun,

Money..money..money..I don't know why we ought to pay such big bucks to those ex judges. If so, the government should be prepared to pay anonymous amounts to any of those people who obtained acquittals or in another words found 'not guilty' by the system? As for these judges, there was no trial been held to revoke previous 'retire by force' decision. Who actually make recommendations? Who else benifited from these compensation? How they reach to such big amounts? What PAC has to say about this so-called compensation? Why Parliamentary members had not been given a chance to debate on this matter prior to pay out? Have those judges file up any case to redeem justice for them (if we could call as justice laaaa..) I think those judges are well-off compare with those who are in kampung which surrounding with poverty. How many of our people die because of chronic illnesses because they can't pay high hospital bills. There would be insufficient papers if we want to write about inaccurate decisions made. Yes I am not as clever as those who hold titles and given opportunity to run the country but please..please..please..bear in mind that correcting of damages (if can be called as DAMAGES) should be done correctly. Money can by anything these days but dont simply use rakyat money...i hope that money came from elsewhere..not from the government pocket!

"The Quantum of Salleh" macam bunyi cerita James Bond jer.

Bertuah badan dapat ex gratia 5m.

Hari tu nampak salah sorang judge tu bawa kereta Merz E klass baru la.....Tentu beli pakai duit tu lah... Tu lah kerajaan bedawi. Nak buat cam mana. Harap Najib perbetuikan semua ni. Tolong rakyat tu yang dok bagi undi kat BN tu dulu.... Salleh tu pun dulu dok pakai label Pas.

Nazree perbetui balik statement tu. Jangan lah nak spin2 pulak,rakyat dah tau kesah sebenar dari dulu lagi. Mengaku lah kerajaan dah tersilap kerana mendengar nasihat dan cadangan dari menteri de facto yang salah. Dan tarik balik pemberian tu....kes selesai. Kalau tak pun seret mereka yang terlibat dalam "The Quantum of Salleh" ni ke mahkamah kerana 'Rasuah'.

Bila lagi nak guna kan kuasa menteri BPR.

Assalamualaikum wbt & Salam buat Tun dan warga besar CheDet.com,

Saya semakin keliru dengan perjalanan politik negara ini dimana seperti kelihatan bahawa walaupun kerajaan sekarang diterajui oleh BN, namun kita dapat nilai bahawa pihak PR yang menentukan keputusan yg perlu dibuat. Adakah pelapis pemimpin dalam BN semakin lemah dan takut dalam melaksanakan tugas mereka?

Dalam keributan barisan PR saling bercakap mengenai Sosial Kontrak, Hak istimewa orang Melayu dan Bumiputera... tidakkah mereka ada hormat kepada keputusan Majlis Raja-Raja menyatakan bahawa perkara-perkara ini hendaklah tidak perlu diperkatakan lagi kerana akan menimbulkan ketegangan kaum. Sekiranya kata-kata DYMM Sri Paduka Baginda dan barisan Raja-Raja pun mereka engkar, tidak mustahil suatu hari nanti kita akan menjadi pengemis di negara sendiri apabila kuasa Raja-Raja hanyalah pada nama apabila PR berkuasa kelak. Dengan kedudukan bangsa yang sanggup mereka gadaikan dan menjadi modal untuk mereka naik, dengan berani mencabar ajaran dan anutan Agama Islam secara terbuka, Tidak memperdulikan keselamatan Negara akibat daripada permainan mereka, adakah ini jenis pemimpin yang kita mahu untuk menerajui negara ini. Sekarang ini peristiwa 13 Mei bukanlah satu ketakutan kepada mereka kerana ada juga kalangan Melayu dan Bumiputera yang bersekongkol dengan mereka untuk merampas kerajaan negara ini. Namun kita pernah lakukannya, tidak mustahil untuk ianya diulangi semula sekiranya keadaan amat mendesak. Bak kata pepatah MELAYU, Sarang Tebuan Jangan Dijolok. Nilai dengan kepala anda, kalau dilihat cara perjuangan PR ini seolah-olah mahu membawa Malaysia menjadi satu negara pemerintahan Republik dengan teraju pemerintah adalah terletak ditangan seorang Presiden. Tanda terakhir bahawa tanah ini merupakan tanah pusaka orang melayu dan bumiputera bersangkutan pada bahu Baginda Sultan dan Raja-Raja. Kalau kata-kata, kedudukan dan kuasa mereka sudah tidak diguna pakai, makan Hilanglah Melayu Di Dunia....

Sedar dahulu pendapatan, sedar kemudian tidak berguna...

Selamat berfikir dan berjuang demi untuk AGAMA, BANGSA DAN NEGARA...

Dear Tun,

It looks like there is are differences in the beliefs and value system that your administration holds and those held by Pak lah's team.

Therefore it clearly boils down to difference in view points and perceptions. Was, or is, there really a judicial crisis? It all depends on which way you are looking at it.

But for us common people - what is important is how does it affect us Malaysians and Malaysia? How does it make us better. How does it make our lifes happier, fulfilling, safer, and contented?

It does nothing to us in this context. So put another way to us people there never was and is a judicial crisis. Pak Lah and his people seem to be living in fear of their own shadows.

They have lost the common vision that we all hold up to.

They are fighting an enemy - human rights - for the sake of Human rights and NOT for the sake of Malaysia and Malaysians.

That is only one of the Hundreds of reasons why PAK LAH and his goons MUST go...kicked out from the Management of the Blessed Country.

Good riddance to a load of RUBBISH.

To think of it, the government is surely more than able to do anything they want right now. The government/Petronas may have been making a lot of money since the petroleum price dropped by more than half of its price when it was increased to RM2.70 per liter (it was USD147 per barrel back then)

I was told by a friend (who is buying the non-subsidized Diesel for industry usage) that the price for the non-subsidized Diesel used to be RM2.40 when the Subsidized Diesel were just at RM1.58 per liter.

Currently, the Subsidized Diesel is priced at RM2.05 but how come the non-subsidized Diesel is priced at RM1.20~RM1.30 per liter?

We can see right now that the manufacturers, factories, sawmills and who ever is highly dependable on Diesel, who used to be illegally buying the subsidized Diesel from the pump station has now started to order Industrial Diesel in bulk from Petronas as the price is cheaper.

Then these industries keep imposing high selling price on their manufactured item while they're using a cheaper material (as in this case the Diesel)

They made all the big money and the consumers suffer! Consumers are now paying the manufacturers more profit and paying the difference of the Diesel price to the government.

What is going on? Is the government paying the subsidy to the people or the people is paying the subsidy to the government?

It was clear that during the petrol price was hiked up to USD147 per barrel, it was caused by the demand of the China Olympic. The govt. should have stand with the low price for a while before it dropped back.

Takkan itu pun tak boleh fikir? Where are those at ethos? ECM-Libra? Those Oxford-Cambridge graduates who were said to become the advisor of the current PM?

You've got your point right, Tun. The number of the grads from those institution may have increased but we can't be sure if their quality is even at par of what we've been expecting. If they were just following what other people is saying, or whatever they have been taught in their studies, without being able to make use of their own brain to suit what is good for our economy, then why not we just stop sending our students there, don't you think so?

We all know that the world economic analyst were expecting the oil price to be growing higher and higher

but, I've always seen it as a way to support the growth of America as they're suffering from the credit crisis and the high oil price can be one of the xaviour for all the money that has been used for the bailout purposes.

It's a challenge for the new President to recorrect all these messes.

And we Malaysians keep paying the subsidy to the government..!

YABhg Tun

My first reaction to the announcement made was "WOW". It just got us wondering the basis, which was clearly announced that is not going to be made public. Yet again invites 1001 questions.

It is little wonder why the administration was reluctant to reveal the amount purportedly due to promises made to the family. One would not feel guilty to make the numbers public if one believes they deserve them, right? This goes to the recipient as well. Nobody will ever know the right reasons I believe.

Well congrats to the new Malay leadership that is willing to trade anything for popularity (from non-Malay).

Assalamu'alaikum Yang Amat Dihormati Tun,

Adakah Salleh Abas bekas Ketua Hakim Negara yang dipecat dianggap terbaik dan PM sekarang dianggap Cemerlang, Gemilang dan Terbilang?

Utusan Malaysia 10/11/2008 12:08pm

KUALA LUMPUR 10 Nov. – Bekas Menteri di Jabatan Perdana Menteri, Datuk Zaid Ibrahim meminta semua pihak supaya tidak memutar belit dan mempolitikkan isu pembayaran ex-gratia kepada bekas Ketua Hakim Negara dan lima hakim kanan lain.

Tegas beliau, tindakan sedemikian akan menjejaskan niat baik Perdana Menteri, Datuk Seri Abdullah Ahmad Badawi yang mahu menghargai jasa baik mereka.

Mengenai jumlah pembayaran, Zaid berkata, ia ditentukan selepas mengambil kira kehilangan pendapatan dan peluang-peluang yang sepatutnya dinikmati oleh mereka selepas bersara.

“Hakim terbaik di negara ini menerima pendapatan tahunan kira-kira RM2 juta setahun, kenapa kita tidak boleh memberi RM5 juta kepada bekas Ketua Hakim Negara,” katanya. - Utusan

Tun,

Pak Lah has picked the wrong zaid for judiciary reforms. Zaid didn't do anything except giving ex-gratia. Soon after this episode of giving money to Tun Salleh Abbas, here we are, the next person to get ex-gratia will be your former prime minister Anwar Ibrahim. I would say DS Anwar will get somewhere around RM100 millions or more. I ask zaid ibrahim why dont you give ex-gratia using your own money to your former workers/lawyers you sacked them from your legal big companies. Shame on you Zaid...

Dear Tun,

Salam Sejahtera pada Tun n family. Your blogs have been my home page whenever I logged on the net. I enjoy reading and understand further your decisions and comments regarding past and present action of yours. And I ever commented before.

The payout to the judges clearly shows the weaknesses our current government in giving out money to the rich. They enjoy giving out money to others(project developers, businessmen, judges) who are already wealthy. Although the pensions payout is something that I don't really can comment but such a token payout definitely unnecessary to these groups of people.

I think Zaid have used his power smartly to 'klentong' Pak Lah into such payout. Mind you, Zaid was a lawyer by professions, so naturally he must have a very good skills in manipulating and 'klentong' people. After that, may be he seems that nobody wants to listen to him..... so he resigned. Then, condemning everyone except himself for such decisions. If he can't even do the whatsoever "changes" that he said necessary for the judiciary system why need such idiotic failure minister in the cabinet.

I strongly believed that the government needs people like you who can really contribute to the nations development. I am looking at Singapore as the role model, where Lee Kuan Yew and Goh Chok Tong still have a say in the administration and travel actively to bring in more foreign investment and also use their previous experience to develop more partnership with other countries. Such practices may be suitable to Malaysian politics.

Meanwhile, I hope all MALAYSIANS are sick and tired with the current opposition. To critics others are easy BUT as alternative they should have tabled a better proposals in the parliment if they find the current government is not doing good. Looks like the most current oppositions MPs are good in running away from their responsibilities and putting the blame on others. "WELL DONE OPPOSITION, YOU ARE JUST A PIECE SCRAP", no different from the previous group of opposition. I even realised that PAS is a dead party in the parliment, it seems that BEBAS MPs are performing better.

Finally, I hope all the best to Tun and family. May God Bless You.

Thank you.

Salam Tun,

Bengang bengang Tun saya dgn perangai kerajaan sekarang. Adakalanya saya nak menjerit dan kadang-kadang ketawa dgn tindak tanduk kerajaan pimpinan DSAAB. Mereka ni tak kompeten langsung buat sesuatu. Tak cukup homework sebelum mengambil sesuatu keputusan. Semuanya half-cooked! Bila sudah kecoh dia orang reverse decisions sebab takut tak popular, dia orang tak sedar kredibiliti dia orang semakin menurun dgn semua ini.

Kes RPK, takan lah tak de penasihat dari kalangan peguam yg Seksyen 8 ISA tu tak boleh pakai dan bertentangan dgn perlembagaan? atau Menteri Dalam Negeri tak dengar nasihat kot? Kalau tak boleh pakai kenapa tak pakai Sedition Act yg kurang kontroversi?

Kes pampasan ni patut dibawa ke ACA sebab salah guna duit rakyat(including my RM45K per year tax money!) untuk tujuan politik! Cara penetapan jumlah tak telus, kriteria apa yng diguna untuk bayaran? By right, kesemua hakim itu memfail tuntutan rugi kat Industrial Court kalaulah mereka benar dipecat dgn tidak adil oleh kerajaan. kemudian kalau menang, Hakim pembicaraan akan menentukan quantum yg perlu dibayar dgn kaedah yang menasabah, bukan secara sembunyi dan arbitrarily!

Tak tau lah Tun, dalam parti UMNO sibuk dgn politik wang, tapi dalam kerajaan pun 2x5. Tapi worse, kerajaan pakai duit rakyat! Mr Zaid jadi hero dgn duit rakyat, lepas tu lepas batuk ditangga resign half way tapi dapat pujian dari opposition, padan muka Pak Lah tak pandai pilih! Zaid did to Pak Lah what Pak Lah did to Tun, what goes around comes around!

Not bad for Tun Salleh at all, a few days of bad night sleep in exchange for RM5,000,000.00. No wonder brother Ian Chin tried to follow suit. It seems that it has become a lucrative business to cast blame on you for any matters whatsoever and on account of any fanciful charges and the odds of getting compensated becomes better when the charges are more outlandish. No wonder Albert Einstein said "If it does not start first as impossible, it has no chance of surviving"

Assalamualakum Tun. Sudah-sudahlah Tun. Asyik dengan berforum sahaja. Tun kan dah "senja" (maaf), jadik bawak la berehat dan beramal byk2. Jangan dipedukan hal-hal dunio lagi. Biar la mereka dengan perangai mereka. Dunia kita pun tak lama lagi. Tggal 40 tahun je lagi. Tun pun ni pun "tunggu maso jo". Jadi, sebagai seorang muslim wajib saya menegur Tun yang sudah ku anggap sebagai bapa. Pergilah Tun mencari "guru" sebagai pemimpin dunio akhirat. Dia yang akan memimpin Tun di dunio ni, (sementara ada sikit belen2!) dan dia yg mengemudi diakhirat kelak. Hidup ditumpang, mati dipakai.

Sudah-sudah la dgn masalah dunia ni Tun. Takkan boleh bawak ke mati. Percayalah. Belajar-belajarlah "mengetahui diri", "rasa hati". Kelak itu la yg akan Tun amalkan dikubur nanti. Tidak ada sapa lagi yang boleh menolong kita di kubur kelak. Melainkan yg ditunjukkan oleh guru kita. Mintak-mintak la akan Dila, semoga ditunjukkan kita siapa pemimpin kita nanti. (diakhirat) Doa-doa la. Mudah-mudahan kalau ikhlas nak berubah, akan ditunjukkan. Mungkin ini (comment saya) adalah suatu petunjuk buat Tun.

Sekian Terima Kasih..Assalamualaikum..

Assalamualaikum.

Tiada manusia didunia ini kecuali Nabi dan Rasul ALLAH yang tidak melakukan kesilapan dan kesalahan. Kita dewasa dan menjadi lebih pandai daripada pengalaman. Betul atau salah kadang amat mengelirukan. Pada saya Tun telah melakukan perkara yang betul memecat bekas hakim tersebut dan Pak Lah juga betul membayar pampasan tersebut. Harapan saya biarlah perkara ini berlalu dan kita kumpullah sisa perjalanan kehidupan ini dengan memperbaiki diri, keluarga, masyarakat dan seterusnya Negara Malaysia yang tercinta ini. Tiada kebaikannya kita bertelagah dan tuding menuding kerana bak kata orang terdahulu " menang jadi arang, kalah jadi abu". Kerosakan telah berlaku, berlapang dada dan terus berusaha memperbaiki kekurangan diri itulah yang lebih afdal daripada mencari kesilapan dan kesalahan orang lain. Kita tidak berhak menghukum sesiapa kerana kita bukan hakim yang dilantik dan diiktiraf, biarlah ALLAH yang mengadilinya bila tiba hari perhitungannya nanti.

Sebagai rakyat kepada Negara Malaysia yang tercinta ini kita hendaklah bersedia berkorban harta dan nyawa demi mempertahankannya. Jika kita gugur, INSYAALLAH syahid jika niatnya kerana ALLAH. Apalah salahnya jika kerajaan meminta kita mengurangkan tabungan melalui pemotongan caruman EPF kita. Inilah masanya kita membantu memajukan ekonomi kita agar dapat bertahan dan jika boleh berkembang di waktu sukar ini. Inilah kemenangan untuk kita semua jika kita berjaya. Jika gagal sekalipun kita telah menjalankan tugas dan kita berlapang dada mencari alternatif lain untuk mengatasi masalah ini. Dengan kesatuan dan kesepaduan usaha memajukan ekonomi ini, kita dapat membentuk rasa kekitaan dan perpaduan nasional. Pengilang dan pemborong juga hendaklah sanggup mengurangkan keuntungan mereka dan pengguna hendaklah menyokong mereka dengan mengwujudkan permintaan dan mengekalkan tahap kuasa beli yang ada. Marilah kita buang sikap "kiasu" kerana jika Malaysia gagal kita juga akan gagal. Kita tiada lagi tempat lain untuk lari kecuali kita memang bercita-cita untuk berhijrah ke negara lain.

Ahli-ahli politik tolonglah bekerja lebih baik untuk memikirkan cara menghadapi kemelut ekonomi dan memperbaiki taraf hidup kami. Jalankan muzakarah di parlimen dengan beradab dan gunakanlah ilmu dan amanah yang diberikan oleh kami dengan bertanggungjawab. Cukuplah berlagak seperti orang kurang siuman kerana kami semua memerhatikan anda. Janganlah bila tiba masa mengundi saja anda semua mencari kami dengan janji palsu, sesungguhnya kami telah dewasa dan tahu menilai mana yang baik dan buruk.

Maaf atas kekasaran bahasa dan kekurangan adab saya.

WALLAH'UALAM

Assalamualaikum Tun and to all visitors.

Ada satu permintaan kepada Tun. Saya amat berharap Tun dapat tulis mengenai peristiwa Memali. Saya percaya ada cerita menarik tentang kejadian ini yang tersembunyi dari pengetahuan rakyat Malaysia yang Tun tahu.

Semoga Tun dapat berkongsi pengalaman dengan kami dari generasi muda.

Dear Tun

I am really angry with UMNO. For once we finally have a member willing to stand up and speak his mind that the Malays should not be pampered and that they are strong enough to stand on their own now and that removing the special privileges for Malays will make them stronger, more independent and more resilient and suddenly, you have everyone in UMNO being angry with this member and have issued him a show-cause letter. This is what UMNO stands for...lazy Malays who prefer to be spoon-fed and downright lazy by using their special Malay privileges and subsidies and grants and special favours by the Government. These UMNO Malays who prefer to be lazy and have special privileges so that they can remain complacent, and avoid hard-work and direct face-to-face competition with the more hardworking Chinese, are a shame to the Malay race and unfortunately, they are very distinctly identified with UMNO Malays. This is why I have said before in my previous comments, do not make UMNO just a one-race party otherwise any mistakes and that race will be blamed. Everywhere we can see that a football team composed of all the Malaysian races or a business consisting of Malays, Chinese and Indians will defeat football teams and business belonging to one race only. This is because all the races can share their experience and culture to become a stronger organisation. If the UMNO Malays continue to do this, one day their special privileges will be suddenly removed from before them and suddenly they will realize they have to now compete in the real world whereas the other minority races such as the Chinese and Indians have been already ready a long time ago.

I am also angry at Kayveas making problems for Senator Murugiah regarding Teresa Kok's ISA detention and the food fed for her. Everyone agrees that Murugiah is doing a good job and it should be done independent of whether he is a BN man or opposition man. People like Kayveas are only interested at looking after himself. (see The Star today)

I am also surprised at Raja Petra's release. I thought that the ISA is above the court. So how can the High Court order the release of someone under ISA detention? Kalau macam tu, anybody detained under the ISA can just apply to the High Court for habeas corpus for his or her release. Please can you explain.

Stupid is what stupid does.

Benda busuk tak boleh simpan lama lama orang akan tau juga. Kalau kelakuan itu di dorong oleh rasa jujur dan ikhlas tak rasa sampai jadi macam ni...itulah kalau hati tak betul, akan ditunjukkan juga.

So, in the mean time what are we suppose to do, melayan menyampah?

Saranan buat hakim2 yang telah di pergunakan :

Tolong derma duit2 yang 'not yours' itu kepada rumah kebajikan islam...[kepada hakim hakim yang berbangsa melayu especially] sekurang kurangnya bantu lah saudara islam kamu yang akan berada dalam kesusahan kerana keadaan ekonomi yang dah tentunya membebankan [some of them seperti dah jatuh lagi nak tersungkur].

The justice that you uphold is for the good of the society, true? Prove it! Return it to the society.

If its not yours...don't take it ,give it back to the society. Kebanyakan kamu sudah berusia dan establish dan pasti

tidak memerlukan wang yang banyak untuk sara diri . Anak2 pula pasti dah besar dan berkeupayaan mencari rezeki untuk diri mereka dan mencurah bakti.

Return the money to help [kerana kamu melayu] kalangan bangsa kamu yakni 'bangsa yang si 'ZI' tu pandang rendah sangat' kerana mahukan tepukan gemuruh dan standing ovation dari kawan kawan demokrasi nya dan tak lupa juga kawan kawan

bapa 'demo kasi' tu juga. Iya kan, kita asyik tengok macam2 demonstrasi dari pertubuhan2 sejak beberapa tahun kebelakangan ini!

Mungkin ada ahli2 perniagaan melayu yang rasa tertekan dengan keadaan ekonomi dan tidak dapat menyumbang sebanyak mana yang selalu. Justeru mungkin ada rumah2 sewa yang ditaja oleh ahli2 perniagaan itu utk kegunaan anak2 yatim ini yang akan terlibat..maka bantulah..inilah pengiktirafan yang paling baik di sisi pencipta.

Saya tidak akan lemas atau letih lesu dengan informasi dari kaca hati Tun. Keras ke menyindir ke, itu titik tolak untuk saya berfikir dan merasa kerana jiwa muda yang complacent memang selalunya mudah lupa dan perlukan lonjakan.

Terima kasih dan salam hormat buat Tun berdua semoga sihat selalu.

Y.A.Bhg Tun,

Thank you for you write up on this issue...where the rakyat had failed to see all this happening in front of their eyes...

There goes all the taxpayers monies...to high class culprits judges!!!  
while some rakyat lives in a state of poverty...  
rakyat has to suffers to pay taxes every month...at the same time trying to make ends meet...

Monthly repayments of loans must be not be delayed or we will be penalized by the courts...jangan silap aje...  
all will be punished by the law...  
stories of people being evicted from their homes,  
some were made bankrupts for some over due loans,  
and yet we the poor rakyat never say anything about those who had recieved or made millions of ringgit through the taxpayers monies...sad but true...

Politicians made names and later made millions from the rakyat votes...yet we knew, never to see them again in time of hardship face by the same rakyat that votes...sad but true...  
and some Ministers playing gods role in distributing wealth to whom ever they feel deserve it?...

Families lives in remote kampung with hardly food on their tables...  
childrens going to school daily barefooted...crossing dangerous rivers...but deep within their hearts...  
they all believes that life must goes on....  
some may have not seen the other side of their own kampungs, let alone travelling overseas...do these judges or Ministers even care?

we all may heard all these stories daily on media, radios, TV....  
but failed to recognized this social responsibilities...  
but yet we hear people making millions taken from hard earned monies from the taxpayers...

SHAME ON YOU...JUDGES!

Dear Tun

The case of Tun Salleh Abbas was brought up again in the pretext of asking forgiveness for the wrongdoing that the past government had done to him, is just to tell and to remind the Malaysians and the world that what Dr Mahathir did while he is PM is wrong and that Dr Mahathir is a dictator, inhuman and the abuser of independent judicial system. The Pas people call you MahaFirun and many other bad names. At that time I really pity you but I have no means to come and help you. I just make doa for you. I am also leading a movements and I experience more or less what you have experienced. I understand your position as a leader and what Pak Lah and Zaid is trying to do is to defame and to tarnish your image. But Allah is showing the truth, Zaid and Pak Lah will soon and is already being humiliated by Allah.

Kerana bayaran tersebut adalah duit kerajaan(duit Rakyat jelata), maka dengan ini saya sebagai rakyat Malaysia, saya TIDAK AKAN MENGHALALKAN wang yang digunakan atas dasar tertentu, kepada orang yang tertentu, yang tidak logik kepenggunaannya (alasan yang tidak boleh diterima akal), tidak mendatangkan faedah/menafaat kepada rakyat Malaysia, hanya sekadar kepentingan orang yang tertentu.

YAB Tun,

To tell it truthfully, it is very sickening to read news like this.

These people think that righteousness is only theirs to define and of course with their gain in mind.

Datuk Seri Abdullah Ahmad Badawi, Zaid Ibrahim, the Judges concerned and the Bar Council talk as if righteousness is their sacred cause in life, but in the end the evidence show that all their actions and opinions are for self serving purposes.

I challenge all the Judges to return back the 'apology' money if indeed they fight for a just cause based on the principles to uphold the law !

No media circus or spin, just return every single sen back to the people to prove their so called principled stand.

Good day to you Honorable Tun,

God bless Tun & family with good health.

Reading the newspaper regarding the ex-judges getting pay (Pension), undeniable that our Kerajaan

sangat besar hati. Banyak besar hati.

Kerajaan menurunkan kadar kutipan KWSP daripada 11% ke 8%, ini adalah duit kita sendiri yang di simpan & di guna pada umur saraan. Mengapa mesti fokus kepada KWSP?? Kalau Kerajaan boleh buat sesuatu kepada kira kira taksiran cukai, saya ingat ini lebih membantu Rakyat menringankan beban kehidupan setiap hari.

Wahai Kerajaan, sekarang Tea "O" harga adalah RM1.10, kenapa kerajaan tidak ambil langkah untuk menurunkan harga ini. Walaupun harga minyak sudah turun begitu banyak.

Kerajaan sekarang banyak sibuk buat kira kira tentang pembayaran pension kepada Hakim-hakim yang telah di pecat..

Sedih...Chuck68, ekonomi semakin merosot tetapi apakah yang telah di buat oleh kerajaan yang betul betul boleh memaaafatkan Rakyat.

Sekian terima kasih,

Good day to Tun and fellow commentators:

Well what is RM10.5 million compared to RM2.3 billion for 12 helicopters. Oops... is RM1.6 billion now after the deal is uncovered. RM700 million difference for what or who?

And how many million gone in MAS under the previous so called privateised company? How many million more in Perwaja Steel vaporised. I remembered RM20 over million was spent only on advertising and promotion of the Iskandar corridor.

What is RM10.5 million comapred to the the compensation paid to contractor of the scenic bridge? Is it over RM70 million?

So what is RM10.5 million folks. Ikan bilis only ma. Vote some more to BN and UMNO in the next election and we should see more ex-gratia being awarded. Is there a Malay word for ex-gratia? I wonder? Malaysia Boleh! Just take from EPF..... Hee haa

Hati saya bertambah marah dengan jumlah wang yg dibayar kepada hakim2 yg didapati bersalah.

1. Hakim bersalah dapat berjuta2.
2. 6 Org tribunal macamana, adakah mereka bersalah ?
3. Bagaimana pula penghinaan terhadap DYMM DIPERTUAN AGONG ?

4. Saya syorkan kerajaan membayar kepada TUN RM100 juta kerana jasa TUN lebih besar dari Hakim penyangak2 itu.

5. Kepada Paklah, saya tak halal duit itu walau bahagian saya cuma lebih kurang 0.20 sen saja.

Selamat sejahtera TUN dan Bloggers pro Chedet saja.

Assalamualaikum Tun,

Minta laluan untuk menjawab komen MUHAMMAD 9 Nov.2008 5.18PM.

Nama sdra dah cantik sangat tapi ada sesuatu yang kurang.Terlalu Emosional.

Mana sdra tahu Tun tidak bertaubat? Mana sdra tahu Tun tidak sembahyang malam dan tidak puasa sunat dan tidak pergi ke masjid bersembahyang berjemaah? Sdra tinggal bersama Tun kah? Dan mana sdra tahu Tun tidak akan masuk syurga. Sdrakah yang menentukan seseorang itu masuk syurga atau neraka? Bila pula ALLAH turunkan kuasa penentu itu kepada sdra?

Apakah Tun menegur sesuatu yang tidak betul itu salah. Pembayaran ex-gratia sebanyak RM5,000,000.00 kepada TSA wajarkah? Bukankah ia satu pembaziran wang rakyat?

Tun berbuat demikian untuk Agamanya, Bangsanya dan Tanahairnya. Salahkah?

Sebelum sdra nak nasihat Tun, lihat dulu diri sendiri. Ringkasnya MUHASABAH. Saya doakan semoga sdra diberi ALLAH petunjuk dan hidayah. AMIN!

Tun teruskan usaha yang murni itu demi Agama, Bangsa dan Tanahair (Alif, Baa, Taa).

YANG SAYA HORMATI TUN;

MELAYUBARU rasa macam ada salah laku oleh pemimpin2 kita yang terbabit dalam membayar duit kepada hakim2 tersebut kerana mereka telah didapati bersalah oleh satu tribunal yang diperkenankan oleh YDP Agung. cam mana lak pak zaid dan pak lah kata mereka tak salah. cam ni macam pak zaid dan pak lah membelakangi YDP Agung je. Klau kat kerja ini di katakan "Insubordination" - satu kesalahan besar. apatah lagi kalau durhaka pada raja2 - masa dulu pancung kepala lah. kalau betul mereka dianayai - satu lagi tribunal hendak lah ditubuhkan untuk meneliti balik kes mereka ni. jika tribunal itu mendapati betul mereka dianayai, then the tribunal recommend brapa nak bayar. cam ni baru betul. tal leh lah pandai2 decide sendiri. kata nak badan kehakiman yang dihormati tetapi perkara cam ni lak berlaku. saya harap pihak BPR dapat menjalani siasatan samada dalam hal ini terjadi salah guna kuasa. harap ada lah salah seorang pemimpin2 yang ramai tu ada keberanian mempertengahan perkara ni. amacam datuk muhriz - as the lawyers always said - ini ada kes.

Pengajaran: sebagai pemimpin kita kena timbang cara sesuatu kes itu betul2. ini bukan takbir warong yong tu foo bawah pokok ceri - ini takbir negara - negara kita Malaysia.

assalamualaikum tun,

tun must be a real pain for paklah cause the only reason paklah is paying the judges is to tarnish tun's image,but as usual...paklah's half thought plans always backfires and put's him to shame.

his group of "pembodek"as usual will sing any tune as long as position and projects are lined up.

umno has not changed one bit,the amount of official complaint is at 900 complaints.imagine the unofficial report.

umno is always sending the wrong message.don't think paklah's announcement is enough to pacify the voters 100%.everybody is watching us now.this is the best time to show that umno is back on track.

dsnajib must try to manoeuvre umno back to the days of glory.cut ties with those that are liability to umno.show some genuine changes

"kalau setakat lepas mulut buaya masuk mulut naga"letihlah Rakyat Malaysia.

paklah,please refrain from spending the Rakyat's money as so it belongs to you and your family.sacked judges should not get pension and definitely no payouts or should we just call it what it actually is.A BRIBE.

"majulah Malaysia kerana umno.dulu,sekarang dan selamanya."

macam mana nak maju kalau dari dulu dok pulon,sekarang lagi kuat pulon dan selamanya pulon.masak lah kome-2 nanti.

By v9179 on November 10, 2008 7:01 PM

hi Tun,

I think u should do something abt all this fanatic people. plz advice them not to comment about immigrant chinese and indians. it is not the fault of the new generation. their grandparents yang berhijrah ke malaysia, bukannya mereka. and if not because of this immigrants, the malays wont get a great leader like you.

The name Malaysia bukannya direka oleh Tunku, Tun Razak, Tun Dr Ismail, Tun Tan Cheng Lock, Tun HS Lee, Dato Onn or Tun Sambanthan. Sebenarnya Malaya, Indonesia dan Borneo di panggil Malaysia oleh East India Company. The name Tanah Melayu is not recognise by our old master(British). and i think pada masa itu kalau Tunku, Tun Razak and other malay leaders tidak memberi status kewarganegaraan kepada kaum cina dan india, tak mungkin British will give independent to Malaya. so now you cant say the that the malays are generous. actually they got no choice and maybe akan diberi kemerdekaan in 1985, together with Brunei if they dont agree.

Another interesting thing is, Tun sendiri pernah bercakap bahawa semasa Tun belajar di Singapore there was 70 students in your class and out of this 70 students, cuma 7 malay students. therefore there is only 10% malays and the balance 90% is non malays. my father has told me that when the British was ruling, they were fair. if your good, you will get the reward. there was no quota system to enter universities. so from this simply calculation i think until 1957 there was only about 20% well educated malays and the rest 80% are non malays. do you think the British will give independents to Malaya depending on this 20% educated people??? even a kindergarten student will say the answer is NO. therefore the malay leaders memerlukan chinese and indian leader to back them up. untuk membalas budi baik non malay leaders, Tunku and his administration granted citizenship to this people. this is the real story of what happened in Malaya in 1957.

Tun Dr.Mahathir,

actually i got nothing againts you. in a way i like you because when i say i'm from malaysia the first thing my friends will say is either Proton or Twin Tower. and both this projects was done by you. i thought you are only good in doing mega projects and only now i knew that you are also good in economics even your not an economist.

why dont you write something about tax policy in malaysia. that will be a very interesting topic. when i was

in malaysia, i was paying 21% of my income as income tax which was about RM 5000. and my malay friends was only paying RM 1500 because they pay zakat. only then i found out that you dont have to pay income tax if you pay zakat. this is unfair, because income tax is to manage the country and zakat is something to do with religous. and i think there will be a lot of malays does that to. so if things goes on like this, the country will lose a lot of money and this will effect the economy but nobody dare and want to talk about this. i seriously dont know why??? but i think hanya Tun sahaja yang berani untuk memberi komen tentang isu macam ini. and i think you can explain about this issue because you might know a lot of things about govt policies. my malay friends also suggested me to convert to Islam. i dun wish to convert just because of this money issues. so now i think Malaysia Govt is surviving from the money from non malays because only they are paying the tax properly and pumping this money to the Bumiputra's throught NEP programme. there is a lot of people out there who still dont understand about this policy. so it will be very helpful if Tun can explain about this issue.

thanks...

Assalamualaikum Tun,

Tun, ribuan terima kasih diucapkan kerana sekali lagi Tun telah berjaya mempelawa raayat Malaysia untuk terus menerus membenci barisan pimpinan negara. Tun telah berjaya melaksanakannya dengan baik. Saya hanya berharap dan berdoa bahawa semua perkara-perkara sedemikian yang Tun kemukakan adalah dengan niat murni dan ikhlas. Nampak jelas semua perkara yang berlaku selepas era Tun, tidak baik belaka.

Satu persoalan, jika Tun telah membenarkan hakim-hakim dibayar pencen mengapa sekarang Tun mempertikaikannya? Harap mendapat jawapan.

was there a reason why these judges weren't sacked during your administration in the first place? Was was your rationale to not take disciplinary action and fire them. What was YOUR motive to have them REMOVED from their position in first place?

Assalamu'alaikum Tun,  
Saya nak bercerita sedikit berkenaan Mesyuarat Umno Bahagian Seremban yang kecoh baru-baru ni. Semoga Tun boleh beri pandangan macam mana nak betulkan Umno yang dah teruk ni. Yang dah nampak bibit-bibit kehancuran.....

1. Sebenarnya Umno Bahagian Seremban ni dah tak bersatu semenjak penamaan calon semasa pilihanraya umum ke 12 tempoh hari - tukarkan aje lagu Umno dari Bersatu kita Bersatu kepada Tak Bersatu kita Tak Bersatu - apabila Ketua Bahagian Seremban, Datuk Ishak Ismail tak terpilih menjadi calon. Itu hak Presiden menentukan bukan salah calon yang dipilih. Mungkin ada sebab-sebabnya kenapa beliau tidak dipilih. Kena lihat dalam diri sendiri.

2. Datuk Ishak telah jadi wakil rakyat selama 3 penggal dan ketua Bahagian selama 20 tahun. Ramai pengundi beliau mengatakan yang tidak ada pembangunan seperti ditempat lain akibat dari sikap beliau yang suka mencari pasal dengan Menteri Besar Negeri Sembilan dari zaman Tan Sri Isa hinggalah zaman Datuk Mohamad.

3. Semasa PRU 12 tempohari, selaku Pengerusi Barisan Nasional Parlimen Seremban ramai yang mendakwa beliau telah mensabotaj parti sehingga 6 kerusi BN tewas hanya 1 kerusi yang BN menang.

4. BN kalah kerusi Parlimen Seremban, kerusi DUN Nilai, DUN Lobak, DUN Temiang, DUN Sikamat dan DUN Ampangan. Hanya menang di DUN Lenggeng. Itupun 2 peti undi di Pantai kalah iaitu kubu kuat Datuk Ishak.
5. Pada awal April 2008, Datuk Ishak telah bersumpah memegang Al Quran di masjid Pantai, beliau telah sanggup mempertaruhkan akidah dan hidupnya jika beliau khianat terhadap parti.
6. Namun Lembaga Displin Umno mendapati beliau bersalah kerana sabotaj parti, tetapi hairannya beliau hanya kena amaran sahaja. Yang lain ada yang kena gantung 3 tahun. Adil ke Lembaga Displin ni ?
7. Kebanyakan cawangan-cawangan dalam Bahagian Seremban ingin tukar kepimpinan Umno Bahagian Seremban. Ramai yang bersetuju Mohd Nor Awang dicalonkan sebagai Ketua Bahagian.
8. Semasa mesyuarat cawangan-cawangan kebanyakan cawangan telah mencalonkan Mohd Nor. Tetapi apabila Mohd Nor dapat 13 pencalonan, beliau telah diperangkap dan terperangkap sebab memberi sumbangan kepada seorang yang meminta sumbangan. Yang meminta sumbangan tersebut adalah orang suruhan Datuk Ishak.
9. Mohd Nor memang selalu beri sumbangan walaupun bukan musim pertandingan. Itu memang tabiat dia. Tapi semasa musim pertandingan tidak boleh memberi sumbangan kepada ahli Umno yang berkaitan. Itu memang kesilapan dan kecuaiannya dia.
10. Selepas berbincang kebanyakan cawangan bersetuju pula untuk mencalonkan YB Mustafa bin Salim, ADUN Lenggeng sebagai Ketua Bahagian, bagi penyediaan jika Mohd Nor tak boleh bertanding.
11. Apabila YB Mustafa cukup 13 pencalonan, beliau pula diperangkap sebab kononnya meminta suapan untuk sokongan mendapatkan permit pasir di Jalan Pantai. Kena tahan BPR. Jadi kes Mahkamah.
12. Biar pun Mohd Nor dan YB Mustafa belum didapati bersalah oleh mahkamah tetapi atas budi bicara MT mereka tidak dibenarkan bertanding. Walaupun MT tahu akar umbi mahukan mereka. Apa salah diberi peluang bertanding dulu. Kalau didapati bersalah baru digugurkan dari jawatan. Sekurang-kurangnya kehendak akar umbi dapat dikenalpasti siapa yang mereka inginkan.
13. Seolah-olah Datuk Ishak dibela oleh orang atas.
14. Dengan sisa-sisa semangat perjuangan yang masih ada, kebanyakan cawangan bersetuju memastikan hanya Datuk Ishak sahaja jadi Ketua Bahagian tetapi yang bawah-bawah adalah bukan orang Datuk Ishak.
15. Tetapi menjelang persidangan Bahagian terdapat beberapa cawangan tidak dibenarkan hadir sebagai perwakilan hanya taraf pemerhati kerana mesyuarat mereka dikatakan tidak sah. Sedangkan mesyuarat mereka sudah lama selesai dengan disahkan oleh wakil Bahagian malah ada yang sudah terima surat tauliah dari Bahagian pun.

16. Ada cawangan-cawangan yang menyokong Datuk Ishak, yang bermesyuarat secara sembunyi-sembunyi, ada yang tanpa notis, ada yang tanpa korum yang cukup, ada yang hanya memanggil ahli-ahli yang tertentu sahaja, tetapi cawangan-cawangan ini menyokong Datuk Ishak oleh itu cawangan tersebut sah dan boleh jadi perwakilan.

17. Rentetan peristiwa-peristiwa ini mencetuskan rasa kecewa dan rasa ketidakadilan berlaku kepada ahli-ahli Umno akar umbi di dalam Bahagian Seremban.

18. Apabila persidangan bahagian pada 8 Nov di TTJ Golf Club baru nak dimulakan, setelah ucapan perasmian, seorang ahli telah bertanyakan status beberapa cawangan yang dijadikan pemerhati kepada Tan Sri Rahim Tamby Chik selaku pemantau mesyuarat. Tan Sri Rahim menjawab Bahagian boleh bermesyuarat dulu dan cawangan yang belum mesyuarat jadi pemerhati saja. Sama seperti kehendak Bahagian Seremban.

19. Kemudian bila Timbalan Pengerusi Tetap nak mulakan ucapan, salah seorang Ketua cawangan yang jadi pemerhati, maju ke pembesar suara untuk bertanya tentang mesyuarat cawangannya tetapi seorang pengawal keselamatan telah dipanggil untuk memberhentikan ucapan ketua cawangan tersebut maka tercetuslah kekecohan, pergaduhan, baling kerusi, kata-kata kecaman dan sebagainya.

20. Dan akhirnya di tangguhkan di satu tarikh yang akan ditentukan oleh Majlis Tertinggi.

21. Kekecohan tersebut berlaku kerana ramai ahli Umno dalam Bahagian Seremban merasakan mereka tidak mendapat keadilan, teranayia, hak sebagai ahli yang layak memilih telah hilang. Mereka dah tak nak pilih Datuk Ishak lagi tapi tidak ada pilihan. Mengadu pada Majlis Tertinggi, tak jalan, Datuk Ishak hanya kena amaran. Calonkan Mohd Nor, kena cekup, calonkan YB Mustafa, kena juga. Jadi perasaan ingin memberontak meluap-luap didalam dada. Hanya menunggu sedikit percikan api maka terjadilah apa yang berlaku.

22. Ramai yang kecewa bercadang jika pilihanraya, kalau orang Datuk Ishak bertanding mereka pun nak sabotaj juga. Dan jika ini berlaku maka ianya akan berterusan, dendam mendendam dan akhirnya Umno hanya akan tinggal nama.

23. Ada yang berpendapat Datuk Ishak dah lama jadi Ketua Bahagian, dari tahun 1988. Juga lebih 43 cawangan dari 67 cawangan yang tidak memihak kepada beliau. Lagi pun beliau bukan lagi wakil rakyat dan ada masalah kesihatan. Ramai berpendapat lebih baik beliau lepaskan saja kepada yang lebih muda dan yang dikehendaki oleh akar umbi.

Superb, DSAB has done a good job by paying them the money they deserve. Truth Always wins and the god protects them.  
Many more will surface for all of us to see during his 22 yrs of rule. This is only a pinch of it.

Izinkan,

//Well what is RM10.5 million compared to RM2.3 billion for 12 helicopters. Oops... is RM1.6 billion now after the deal is uncovered. RM700 million difference for what or who?

And how many million gone in MAS under the previous so called privateised company? How many million more in Perwaja Steel vaporised. I remembered RM20 over million was spent only on advertising and promotion of the Iskandar corridor.

What is RM10.5 million compared to the the compensation paid to contractor of the scenic bridge? Is it over RM70 million?

So what is RM10.5 million folks. I can bilis only ma. Vote some more to BN and UMNO in the next election and we should see more ex-gratia being awarded. Is there a Malay word for ex-gratia? I wonder? Malaysia Boleh! Just take from EPF..... Hee haa//

Pity you lah christc,

All these happened during our si dido's administration, it's not Tun's fault. If you are so unhappy about these, please..... complain to our dido' blog lah. He was the captain "Bodoh" ma, NOT TUN, okay.

As for the EPF, rakyat never say anything except those narrow-minded and selfish people, NGO, parti lawan like you will be so particular about the EPF.

Talking about Perwaja Steel, it was a good move because our country produce car, thus we need to have steel to support our national cars. It was because of the speculation attack on our RM back in 1997 that killed Perwaja Steel. Faham.....

Until today you still do not understand the country's economy pulse, poor you, go and learn ECONOMY lah.... Also, please go and vote parti lawan, I can guarantee, the scenario will be worst than this. Also, the financial meltdown is worldwide and Malaysia is definitely will be affected. Sabar lah and wait for our Finance Minister to come with more rescue plans lah.

Good night and take care Tun, same Tun Hasmah.

**KECEWA! MARAH!**

Bila tahu 10.5juta nilai ex gratia, rasa marah, benci pd Kerajaan!

RM 10.5 juta senang diberikan kpd bekas2 hakim yg dipecat. Saya setuju ngn Tun, kalau hakim itu bukan dipecat, kenapa Ex gratia diorang2 dapt?then, dapat plak pencen..dekat 6K sebulan.apa sumbangan pd Negara Malaysia bekas2 Hakim pun tak nampak.

Kalu 10.5juta tu disedekahkan pd fakir miskin or anak2 yatim..besar pahalanya. Sedekah pd bekas2 hakim tu takde makna..

Well. nk buat camne?itu KERAjaan Pak LAh Badawi & Kuncu2nya..Mmg pada dengan MUKA, kononnya ambik Si Zaid jd PENasihat Undang2 dim Kerajaan..lain plak citernya,Si Zaid dah berambus keluar

Kerajaan..Memang padan MUKA! Pak Lah tak tahu MALU ke?!!HARAM duit Rakyat bagi Hakim2 tu!

By zamra69 on November 10, 2008 9:34 PM

Assalamualaikum,

...RM 10.5 juta memang kecil bagi kerajaan. Tetapi RM 10.5 juta bagi kanak-kanak pesakit jantung berlubang, pesakit kronik yang memerlukan pembedahan segera yang memerlukan RM untuk menjalani perubatan tentu sekali amat berharga bagi mereka..

Bekas menteri Zaid meminta jangan diputar belitkan pemberian ex-gratia tersebut..alasannya RM 10.5 juta itu adalah patut bagi jasa dan sumbangan bekas-bekas hakim terbabit walaupun dah didapati bersalah oleh tribunal. Peguam terbaik di Malaysia mengaut pendapatan RM 2 juta setahun..wow hebat..!!!.."ada sumbangan juga kot ex-gratia"...??

...keikhlasan Pak Lah..????..saya tak fikir begitu !!!!!...

Kalau 4 tahun dulu diberi mungkin juga la..tetapi selepas kalah teruk dalam PRU 12 barulah terhegeh-hegeh nak membodek dan mengambil hati bekas hakim, majlis peguam dan pembangkang,...lebih baik tak payah la..

Dearest Tun,

Raymond Tan and his two members have officially resigned from SAPP. Good, at least I can see some chinese from Sabah have took a bold step to retain in Barisan National. This should be the right way.

To: Lim Guan Eng,

Do you know that I really dislike you, always voicing up for protecting your DAP & PR members even when they did not follow police orders. You have no love for "nationalism". You seem to be only interested to those agenda that favour you, eg., changing the road sign, aiyah don't change lah, if you agreed to change means that you do not respect the country national language lah, than you don't admit yourself as Malaysian. I don't see you say something about the crimes that have increased tremendously in George Town and Penang. Why????

I wonder why you can pakat with Anwar, this guy is only interested in bringing down Tun, if a person who

has such "niat" then he is not a good leader. Think lah brother. If Tun is no good, Tun would not be our PM for 22 years. By the way, PR please don't try to make our Malaysia like Indonesia, America, Taiwan, China or India. In Malaysia we percaya tuhan and we have Raja2, in these countries they do not have, thus Malaysia is unique and different from them. I voted DAP because I wanted to slash some power from BN, but not to the extent that I want PR to topple BN.

Good night Tun.

Salam Tun & bloggers,

Zaid said do not "twist aka political-spin" (putar belit) ex-gratia issue. He said "good lawyers" get at least 2 millions(?) per year. Did he himself realised what "good lawyers" really are? Would good lawyers be FIRED? Who is spinning here? He is one good living proof of a blatant disgraceful unthankful opportunistic liar. He is even full of himself that he is blind to his own hypocritical drama. And what is our beloved Bar Council doing regarding this issue? Are they blind and deaf of justice when their own tribesman is misbehaving? or are they only (politically) interested in demonizing Tun and the ruling party?

Tun once said that it was a mistake to have chosen AAB as the PM, and said that AAB also made similar mistake by choosing Zaid. But I think there's a stark difference here: we as normal human beings choose people with fairly good track record (as you had chosen AAB for his seemingly "mr clean" reputation). However, Zaid is a person who had been suspended because of money politics. So, it is to my opinion AAB incompetency that he made such grave mistake-- appointing such ex-crook as a senator and a Law Minister. What good result would be expected of such person? But I bet he is still at loss of how this hocus-pocus barrage of bad vibes Zaid is (still) displaying now, because he is also known as "Mr sleeping PM"

1. Kebenaran mengatasi kebahtilan.
2. Pembohangan tidak boleh ditutup dengan pembohangan lain, tolong pulangkan duit pembayar cukai kembali. Aku marah ini, kalau tak pulangkan aku baling dengan botol arak utk Zaid kaki botol.
3. Zaid patut diikat dipokok pisang dan lepaskan kerenga atau semut hitam.
4. Pak Lah ini pendek akal, lantik Zaid pintu belakang mujur Pak Lah letak jawatan kalau tidak Pak Lah pun kena baling botol.

Dear Eng Thin Seng,

Changes will occur of course. But one thing will remained, that is in a Muslim country, the leader must be a Muslim. This is clearly stated in the Quran. Dont be dazzled by the US, for her existence and history is still new and does not have long history. Walk through the earth and see how many empires/civilizations greater than US in previous generations that have been destroyed for their sins, not obeying the teachings of their prophets and revelations sent by the Almighty. US, is a country populated by Pagans, Christians and Jews who claimed to follow the Bible and Torah but eat pork, drink alcohol, indulge in free sex, world biggest pornography industry, homosexuals, practicing usury and so many other things. All these are forbidden in the Quran, Bible, Torah. So, Mr Eng, change can occur but there must be limits to it according to the teachings in the Quran so that our country will not share the same fate like the previous destroyed generations. Dont look at the US as the role model. They are limits to freedom of speech and human rights, unlike those in the US!

Dear Tun,

Please allow me to distract from the main issue.

Mat Tyson dan Ali Rustam layak dicalonkan sebagai Timbalan Presiden. Saya tak paham politik UMNO. Saya rasa ada yang tak kena kepada ahli-ahli UMNO yang masih lagi memberikan harapan dan tempat kepada mereka berdua yang saya anggap tidak ada mempunyai kualit sebagai pemimpin terbaik untuk menjadi Timbalan Presiden. UMNO oh UMNO !! Melayu oh Melayu !! Kesian, kesian, kesian. Ada yang masih pekak, buta dan tuli. Tidak tahu mengenal yang mana kaca dan yang mana intan.

Kalau ginilah caranya memilih calon yang Hprak dan HP6 maka alamatnya UMNO tak lama lagi jadi parti PARIHAH !!

Pemimpin yang kita tahu tidak boleh bawa Melayu kemana-mana masih lagi dicalonkan untuk memimpin Melayu. Saya sungguh hairan mengapa sikap setengah ahli-ahli UMNO masih bebal otak mereka.

Tolonglah wahai ahli-ahli UMNO. Pilihlah pemimpin yang yang ada wawasan, yang bijaksana, yang boleh membawa Melayu ke mercu kejayaan. Pemimpin seperti Mat Tyson, Ali Rustam yang bercita-cita besar nak jadi Timbalan Presiden bagaimana agaknya mereka akan bawa Melayu?

Dear Tun,

KUALA LUMPUR: Umno has issued a showcase letter to controversial politician Datuk Zaid Ibrahim for his open letter and meeting with MPs on repealing the Internal Security Act (ISA).

comment:

Just leave him alone. This impressionist Zaid is just pain in the ass and a thorn in the flesh. He expects people to admire him for being a controversial political personality.He had already made a boo-boo by

recommending ex-gratia payment to the sacked ex-judges and now wanting the issue closed. No way man! We demand the government to withdraw the payment and not even a single sen to be given to these ex-judges. We are not against the individuals but as a matter of principle this ex-gratia payment given was immoral and unethical.

We will continue to harp on this issue until the government realises that its decision was totally very wrong indeed.

I challenge Pak Lah to revert the decision before he leaves office to show that he is a responsible Prime Minister of the first order. Or else when he steps down he will be considered a Prime Minister without credibility. Haprak and HP6 !!!

Tun as a former leader would not want to be shielded from the truth of his rakyat's feelings of his rule however unpalatable, but the truth(feelings) must be stated (Tun made statement something to this effect in letter to Tunku in 69)

I am just one rakyat...nowhere near Tun to affect him. Also I 'respect' his leadership.

Hmmm.. I heard that before.. Isn't that referring to you, Tun??

By daniel on November 11, 2008 6:14 AM

The amount is only a drop in the ocean, if we compare with the amount of money that the government

has paid to bail out cronies' companies in the last 20 over years. Some may be for good course and some may be for personal gains and interest. Only God knows the truth. Lets hope all the money spent was for the public interest and for the sake of the country.

If the judges were unjustly sacked while discharging their duties with high accountability and integrity, I believe they deserve the compensation after taking into account of what they have gone thru. However, if their sacking is rightful, then they dont deserve it. Lets god be the judge. We, as the layman, who dont know the actual scenarios (apart from what reported on the media) preceded to their sacking should not be too judgemental. Kena ingat, kalau terlepas kat dunia, nanti kat akhirat kena la jawab depan tuhan juga. . I hope all our leaders have this at the back of their mind.

KUALA LUMPUR, Nov 10 (Bernama) -- Home Minister Datuk Seri Syed Hamid Albar today defended police action at the illegal gathering in Petaling Jaya yesterday where 24 people, including three opposition leaders, were arrested.

He said the police were only doing their job in ensuring that public order was maintained.

comment:

Ini semua kerja bodoh. Tak habis-habis berdemonstrasi. Banyak kerja berfaedah boleh dilakukan selain dari berdemonstrasi. Inilah perangai parti pembangkang yang diketuai oleh Anwar Ibrahim. Macam tak ada modal lain. Modal masa dia student lagi pada zaman 60han masih lagi terbawa-bawa sampai sekarang. Dah basi!!

Pihak berkuasa jangan bagi peluang kepada mereka yang tak habis-habis berdemonstrasi secara haram. Tangkap mereka sumbat masuk lock up.

We just got fed-up with all this nonsense to "celebrate" all kind of occasions as an excuse to demonstrate.

Finally, when they have exhausted to find excuse to demonstrate they will find ideas like organising to celebrate "SODOMY DAY" !!! kah, kah, kah !!

Salam Ayahanda Tun. Should a sudden storm be about to hit, and a large ship is caught anywhere near port, then the Captain must cast-off and take the vessel out to the open sea, as wide as possible. This is because modern ships with well positioned water ballast tanks and exceptional keel and hull design would endure the storm easier out in the open. The threat of it running aground or being smash to bits against the waiting cliff is almost nil in a wider, deeper ocean space. Perhaps that is also what Datuk Seri Najib should be looking at as Anwar is just cornering him to port and pinning him there while counting the days left to PRU13 along with Abdullah Badawi - the village idiot who's helping Anwar to count the days. UMNO member's better wake up to this or face a cruel extinction like the dugong they are so fond of saving. If not by this December 08, would the transition take place in March 09? I doubt that very seriously. As been said by the man himself, he would need a few "days" to get things in order after the March meet before he could consider giving up office to Najib. So as the March 08 meet is to be held at the very tail end of March, that unquestionably means if there is ever going to be a transition, it certainly won't be in March for sure now. Sejarah Melayu telah memaparkan bahawa Melayu akan tetap terus hidup tanpa UMNO. Tetapi hakikatnya adalah UMNO tidak akan hidup tanpa Melayu. And that is a very bad math to be screwing around with.

By Jebat2008 on November 11, 2008 8:45 AM

Salam hormat Tun,

Satu perkara tentang "ex-gratia" kepada para hakim bagi saya juga tidak wajar kerana hakim-hakim

tersebut telah menerima pencen mereka.

Langkah kerajaan di bawah PM yang bodoh ini ditambah pula ada menteri-menteri kaki pengampu seperti Nazri Aziz menambahkan lagi kemeriahan kerajaan yang bodoh lagi bahalul.

Ada juga kekalutan yang baru kita nampak tentang Najib iaitu terikut-ikut dengan rentak MCA agar DEB akan dihapuskan. Bagi saya ekuiti 30% untuk bumiputera memang tersangat wajar kerana kita maklumi penduduk bumiputera ( termasuk Sabah dan Sarawak ) melebihi 50% ( tak silap saya lebih 68% termasuk Sabah dan Sarawak). Jika kerajaan tetapkan 40% pun ianya tersangat wajar. Di sini menunjukkan kerajaan BN terutama UMNO telah banyak bertolak ansur pada kaum-kaum lain iaitu bukan bumiputera. Yang saya lihat telah berlaku ketidakpuasan hati kaum lain ( terutama Cina dan India ) adalah mainan politik dari PKR, DAP dan segelintir masyarakat India spt Hindraf. Di sinilah peranan PM selaku pengerusi parti komponen BN memainkan peranan utama dengan bijaksana.

JIKA PM YANG TIDAK BIJAK SEPERTI DOLAH MASIH DAN TERUS BERKUASA ... HANCURLAH NEGARA.

KINI KITA TUNGGU PELAPIS PM SEPERTI NAJIB MENGAMBIL ALIH TAMPOK PIMPINAN NEGARA. JIKA BELIAU PUN TIDAK BIJAK MEMAINKAN PERANAN SELAKU Pengerusi PARTI KOMPONEN BN ... MAKA TIDAK MUSTAHIL KOMPONEN PARTI DALAM BN AKAN MUSNAH.

Sekian Tun. Harapan dan doa semuga Tun sekeluarga dilindungi Allah sepanjang masa.

A'kum Tun & fellow readers,

Ex Law minister Datuk Zaid again and again claim it is his right not to disclose the amount of money given to former judges and that the sum is just for the mistreatment received by them. I disagree, first of all, this is a public fund. Rakyat ought to know where the government expenditure goes. Secondly, a Royal tribunal was set to dismiss the judges. Isn't this act itself is a contempt to the King? Third, on what ground he and outgoing PM suddenly feel the need to compensate the ex-judges? I guess the treasury has more money now since Rakyat have to pay higher petrol price.

Ybgh Tun,  
Kekadang pengaruh perkauman yang tebal tumbuh dihati kebelakangan ini, rasanya elok kita biarkan kerajaan yang ngok ni menabur duit perbendaharaan negara dikalangan orang melayu. Apa cara sekali pun.  
Tapi yang tak eloknya ditaburkan duit tu kepada segelintir melayu je, eloknya kepada semua melayu.

Kerajaan (PM) yang dah nak berhenti tu, biar dia fikir macammana cara pengagihan tu bolih dibuat. Di bimbangai pada PR ke 13 nanti kerajaan PR terbentuk, jika duit perbendaharaan banyak, mereka akan mengagihkan perbendaharaan mengikut kepentingan kaum mereka. Yang pasti exco selangor nak tukar kereta HONDA. DS Khir Toyo tinggalkan duit terlalu banyak untuk mereka berbelanja, akibatnya melayu selangor jadi mangsa dan marah kepada DS. Matlamat Umno telah tersimpang jauh dengan cara DS mentadbir.

Senantiasa mendoakan kebahagiaan dan kesejahteraan Ybgh Tun sekeluarga.

Rgarding to 12 helicopters, is it supposed to be TOP SECRET for the security of the country, and DS Najib mentioned this in the press conference. Indirectly, DS Najib was telling our rakyat that our si dido knows nothing about the integrity and value in leading the ministry of defence, not to mentioned being the finance ministry and PM. Most importantly, this matter should not be bahaskan in Parliment since it is live telecast daily in the news.

Parti lawan cakap apa you dengar, if you yourself really love your country then you should know what the parti lawan opposed are actually very selfish, no integrity and know nothing about admistrating urusan negara.

Rukun Negara pun lupa, asyik buat kecoh dan cari pasal with the government. If pari lawan still insist doing all these, you guys will be out in next PRU 13. Come to think about it, Tun, just let these parti lawan boys and our si dido and koncu2 fight among themselfe, so that our country will be lead by BN who knows very well the meaning of "bangsa" in next election. Kak.... kak....

P/S: For those who dislike Tun and favor parti lawan, please lah read carefully what Tun wanted to tell us. Tun is the best person who gave us the real picture behind our si dido's administration.

Salam Takzim Tun,  
Read NST 11-11-08, pg. 8,col.3 to see how Zaid reacted to the disclosure of ex gratia payment RM 10.6 mill. to the 6 judges.

It was a conspiracy in the first place to pay the 6 six judges. He said payment was made as " a sincere gesture of good will ".What a joke ?

Pak Lah's downfall can be attributed, in part,for having appointed Zaid as the Law Minister. His stand, and the Government, on this issue slaps on the face of Pak Lah in relation to good governance : transparency and accountability!!

The rakyat can tell off Zaid that RM10.5 mill. is not his grandgather's money. The rakyat have every right to know. Praise to Nazri for having influenced Pak Lah to change the Government policy to make public the ex gratia payment.

Dear Tun

With your permission I would like make come comments to Abdul Hayee, After reading MUHAMMAD's comments, I find that he is not accusing Tun of not solat malam or bertaubat or the likes. He is only giving general advise. If someone says to another Muslim who he has never met before : "Let us pray. Praying is good.", does it mean that he is accusing that the othe Muslim does not pray? When I read Muhammad's comment, actually he is not even pointing the finger at Tun. It is just a very open and general comment.

This is the problem about people. They like to make assumptions when no such assumptions exist. This is what caused that Dato' Ramli of Penang to fall down the political ladder. Nowadays ada banyak fitnah apa lagi with news being able to be transmitted with the speed of light from here to there such as the newspapers, Internet, blogs, television, radio and other media. Kita kena berhati-hati buat tuduhan dan kumpulkan bukti kukuh dulu and think about the implicataions of creating unrest in our beloved country.

And as for Muhammad, your comments are good but you should look at yourself first before making comment about others also. Ajak orang kepada Islam dengan kebijaksanaan dan hikmah, bukan dengan menyinggung perasaan orang lain.

v9179 on November 10, 2008 7:01 PM, I would tend to agree with your view that your generation cannot be blamed for what your grandparents did. Probably many of the current generations do not even know about the stories of your ancestors and what forced them to leave their beloved country and to travel thousands of miles to try to rebuild their lives in a strange land with almost nothing in hand. I think we pribumis in Malaysia should appreciate this and be more accomodating. If no one race feels that they may be under threat, then I think we Malaysians would be able to live together as one happy race. But unfortunately, I feel that has not happened yet despite gaining independence over 50 years ago.

As for your comment on zakat, the Malays are pay income tax but they get a taxable deduction on their zakat fitrah andher zakat payments provided they provide official receipts. It is not true that the Malays pay zakat and therefore do not pay income tax. You can check on this with your tax advisor, my friend.

Studying your other comments, I would have to agree with you that the Chinese especially has been the one single Malaysian race to bring a lot of development to Malaysia in the field of buildings and the construction industry. I feel almost all the large buildings in the major towns such as hotels, shopping plazas are built by the Chinese. The Malays are especially lacking in this area. We have to acknowledge that.

Your comments on the large proportion of non-Malays compared to Malays who excel in education is also

true. I would specifically pick the Chinese at excelling in education. And this is not because the colleges and universities are biased. If you look in the UK, many more Chinese excel at their Western education with better results than the Malays. And then they come back here to Malaysia to work and it is reflected in the statistics accordingly. Many of the brighter Chinese than have second thoughts about coming back to Malaysia given their perception about how non-Malays are treated and they try to immigrate to other more lenient countries which they think give them a better lifestyle such as Australia or UK.

Finally and most important, mr v1979, your conversion to Islam must be based from a totally sincere and open heart and not by force or some other motivation such as money or politics or seeking favours or higher positions of wealth and power. Do not rush until you are totally comfortable with Islam. Make a lot of Muslim friends with nice Muslim people. You will find many Muslim people are nice here in Malaysia. And most importantly do a lot of research on Islam and mix with bright, intelligent Muslim people who are learned in Islam and have a balanced view on life without compromising the principles of Islam. God is Kindest.

Ok, I also would like to comment on fadzli's comment on the UMNO Seremban meeting recently that resulted in meeting attendees getting injured and chairs thrown around. Obviously there is dissatisfaction from certain parties. I think the higher level UMNO leaders should step in and remove the flammers, both the accused and the accuser - not just one side only. Let the division start afresh...

I don't agree that Datuk Zaid Ibrahim should take a swipe at his successor Datuk Seri Nazri Aziz for disclosing the amount of ex gratia paid to six former Supreme Court judges.

To all the commenters commenting about the RM10.5 million payout to judges, please note that the payout was done over a long period of time (10-20 years?). It is not just paid one single sum and made the judge instant millionaire! So they are getting about RM6,000 per year, per month ? please check carefully before you comment. Also these are highest level judges and I am sure what is paid to them is commensurate with the market rate for judges of their stature. just compare to other countries.

I would like to give my support to the comments made by amir. Yes, Mr Eng Thin Seng. You should be grateful you are leaving in a peaceful and lenient country like Malaysia where Muslims are lenient on you and bear patiently. Otherwise you will find Malaysia start to be like US and accumulate the nuclear weapons, casinos, sex industry, crime and everything bad will spring up. Mr Eng Thin Seng, you should do your research on Islam first. You will find it is a very good religion, in fact the best.

To samuraimelayu 11 Nov 2008, please shut up. You have posted the same comment twice already!

Assalamualaikum ayahanda Tun,

Inilah kebenaran yang kita kena ajar rakyat Malaysia kita ni, jangan lupa asal usul kita, jangan dok melompat kerana taksu tak tentu hala.

Ayahanda, pada pandangan saya yang hina saya rasa orang yang patut menerajui Malaysia yang tercinta adalah sepatutnya ayahanda Tun. Saya cakap begini kerana ayahanda memiliki karisma dimana kawan atau lawan memang menghormati pendirian ayahanda. You are the statesman, sir!

Now, we have to teach all over again to all our malaysian people on how to respect each others religion and races, all been spoilt by the Dolah Badawi.....Malaysia is ruined under his leadership, sometimes I agree to some of my friends thought that this dolah is not even qualified to be factory supervisor and just imagine how the hell he is running the country!

Bagi saya la ayahanda Tun, senang je kalau nak kesamarataan di kalangan semua bangsa, pertama

sekali kita kena tukar mentaliti kita dulu, jangan kita jadi bangsa pemalas, nak jaga kaum sendiri je, kerja yang sama, kelayakan yang sama tapi gaji berlainan kerana bangsa.....saya berani cakap ni Tun bukan pasal apa, saya dah bekerja dengan pelbagai syarikat dan dengan pelbagai bangsa, saya dah rasa apa bezanya bekerja dengan syarikat kepunyaan Cina, India, Mat Salleh, Melayu dan lain lain.....memang terdapat diskriminasi Tun, tapi di tahap yang masih boleh di terima.....namu apabila bangsa2 ini cuba nak minta kesamarataan, saya rasa nak tergelak pun ada, rasa nak termuntah pun ada jugak, bukan apa.....satu bangsa yang pegang ekonomi sekarang nak pegang politik pulak, yang bangsa lain dah ketinggalan dari segi ekonomi, politik pun nak kena rampas jugak, saya bukan racist, saya tulis di sini berdasarkan pengalaman saya dan pengalaman kawan2 dan saudara mara saya....its a fact yang telah diketahui oleh ramai, tapi semua buat bodoh je.....

Pelik betul orang Melayu kita ni, senang betul terpengaruh dengan janji2 manis palsu, kenapa kita jadi macam ni ya wahai orang melayu, takkan ini pun kita nak salahkan Tun jugak, bagi saya Tun telah buat sedaya upaya dia membantu bangsa kita, tapi kita ni kan suka ALI BABA.....dapat projek bagi kat orang, makan komisyen atas angin je la.....apa nak susah2 biar la bangsa lain buat kerja, kita goyang kaki, janji masyuk.....lama2 buat macam tu, nah berapa jauh kita kena tinggal...salah siapa? orang2 jenis ini jugaklah yang selalu blame atau menyalahkan Tun, kata mereka, Tun tak jaga bangsa melayu.....Tun nak kayakan kroni je.....oleh kerana kata2 inilah maka dengan kuasa Tuhan yang maha Esa, dapatlah kita pemimpin yang betul2 yang disebut sebelum ini iaitu mengkayakan anak menantu dan kroni je.....apa dah jadi....time ini pandai la pulak korang diam ya....tak berani bukak mulut....Time Tun dulu bukan main menyalak lagi orang2 jenis ni.....nape double standard ni???? Bukaklah mata sikit, masa Tun dulu takde pun anak menantu masuk politik dan mempengaruhi Tun pun, Tun ada think tank Tun sendiri, kalau tak silap saya la ianya dipanggil MTEN.....berbalik balik pada cerita tadi, sampai bila bangsa kita ni asyik nak menuding jari dan menyalahkan orang lain je, sudahlah.....its time to look forward...marilah kita bersatu denagn dibantu oleh TUN DR MAHATHIR dan dengan izin Allah untuk menaikkan nama negara kita yang tercinta ini....marilah kita bersatu....pada semua hormatilah bangsa, agama dan maruah masing2...ini bukan masa nak tunjuk jadi hero, kadang2 saya malu melihat ahli politik murahan yang mereka cerita ala2 hollywood semata mata nak memalukan sesuatu agensi tu....udah udah la tu....LETS FIND A SOLUTION ON HOW TO OVERCOME THE FINANCIAL CRISIS INSTEAD OF SPITTING ON EACH OTHERS FACES....

DEAR AYAHANDA TUN, AS YOU SAID THIS TIME AROUND THE ECONOMIC CRISIS IS WORST THAN 1997 BUT I BELIEVE WITH YOUR 'MIDAS TOUCH' WE MAY AGAIN SURVIVE THIS WORST PHASE OF OUR ECONOMY SIR.....YOU ARE THE MAN AYAHANDA TUN....

I LOVE YOU SO MUCH AYAHANDA TUN AND WOULD DIE FOR YOU AYAHANDA TUN.....TAKE CARE....

From your comment, I think you are quite blurred about the zakat issue. Malaysia is declared as an Islam country, thus it is compulsory and the responsibilities of the muslim to contribute zakat. As for chinese, we are allowed to donate money to chinese temples which are fully controlled by that particular temple, so are the churches. In our personal income tax submission, this donation can be deducted and is non taxable.

Talking about Malaysia, you mentioned that we were controlled by East India Company, it is a British company that only has interest in making money from the country and channel back to Britain. Come on

lah, all the founders of Barisan National fought for independence, thus we were liberalized by Tunku Abdul Rahman, who took the bold step, that is why we have Hari Merdeka on 31 August to mark our independence day, and it now 51 years already.

I am sure when Tun read what your comment, Tun must feel very sakit hati and disappointed with you so am I as a chinese. I do not know how your father educated you. But I was lucky to be sent to overseas by my parents for higher education. It was because I have been in oversea for 6 years, I have learned to love my country. Now in the age of globaliztion, we must stand united as Malaysia tanpa kira kaum and religion.

Because the sikap of many chinese like you, Tun has to implement NEP and Ketuanan Melayu to safeguard harmony in the country, and it was stated in the perlembagaan undang2. Tun has mentioned last week that this can be cancelled if we rakyat of Malaysia can stand as "one bangsa", can we????

Dear Tun,

Just returned home and read all your articles in your blog. You have exposed many good things for the rakyat but unfortunately, the rakyat is not accessable to many happenings in the country. They had been given what they should only have to know but whatever other misdeeds by the government they ought to know are not make known to them. RM11.9 billion reserve fund were lost on the 28th Oct.(reported in overseas print).DSNR moved RM3.2 billion into CIMB on the same date was reported on Malaysia kini. RM5.2 billion of EPF money were made ready to save some selected PLCS in the KLCI. Will we see the PNL for all these so call investments?

So what is RM10.5 m. paid to ex-judges for loss of pride and humiliation for wrongful dismissal . No amount of money can save face for these personalities. I read the fierce outcry from the public for such big payouts. They did not know that there are many many big monies losses from the Malaysian reserves due to some so called irresponsible leaders.

Our press has no freedom to report the truth and only those very few who frequent overseas had the opportunity to 'see' the real happening in our country.

The price of rice has gone down by more than 50% in the last 2 months (highest USD1200/ton). Information not available to the public. Other grains had tumbled too and the feed cost had automatically gone down, but the price of chicken had not changed, Why? Cronysm? Nepotism? UNMOism? MCAism?, MICism? Billions of cash have been illegally made by these people at the expense of the rakyat? and coupled by the lower cost of petrolium price their profits ballooned. The rakyat has been made to pay for their ignorance and poor reporting by the government. What a shame? and this is a land known as 'Bolehland' where everything is possible.

hi mr.ezani...

how are u my friend. thanks for your comment. from the way you comment i know that you are a very

intellectual person. i feel Malaysia only need 1 million people like you, then we wont have any problem among the races in Malaysia. i just check with few of my friend in Malaysia about the income tax system. they are still claimming that they just pay zakat, not income tax and the payment is far below than what they suppose to pay.

i have even been to Income Tax Office when i was in Malaysia. i was there for 1 hour and i didnt see any malays there except for the staff.

i agree that Business Tax must be paid by everybody samada malays or non malays but not income tax. income tax you still can get discount from your zakat. may be they are using the service of a tax consultant who knows how to cheat the govt. i will suggest you to try this method too since your are also paying zakat. its up to wheather u wanna take my advice or not. but i think u wont because deep inside my heart i think you are a very nice and straight guy.as i said in my earlier comment, im not telling all malays are doing that but most of them are doing that. and the most of them are around 80% out of the malays who are suppose to pay the tax.

thanks...

YBHG TUN,

Kerajaan hari ini dan AAB serta ZI dipertanggung jawab dan mesti menjelaskan kepada rakyat:-

1. Apa rasional sebenar bayaran tersebut dibuat.
2. Apa kriteria yang diguna pakai untuk tentukan jumlah.
3. Apa formula perkiraan yang dipakai.
4. Siapa yang mencadangkan bayaran dibuat.

5. Siapa yang membuat perkiraan.
  6. Siapa yang memberi kelulusan untuk membayar.
  7. Peruntukan dari kementerian mana?
  8. Adakah telah diambil kira dalam buget jika tidak peruntukan apa yang jadi korban.
  9. Apa tindakan yang akan diambil untuk mendapatkan kembali wang milik rakyat tersebut.
  10. Apa tindakan yang akan diambil kepada mereka yang bertanggung jawab?
- Kenapa PAC tidak menyentuh perkara ini? Patut benar PAC dibubarkan.

Ini lah produk sebenar seorang pemimpin bebal yang melantik pula menteri cerdik=cerdik bodoh dan pengerusi PAC dari tukang cerita dogeng wayang kulit.

to HBT,

my father has educated me properly and that is the reason i know about all this. plz ask ur father to do a survey on this income tax policies and then ask him to educate you about this issue. im not sure wheather Tun will be happy or not with my comments but im just an ordinary human who cant make everybody happy.

even now im in overseas. for sure your are going to ask me what you care about what is happening in malaysia since you are in overseas??? the answer is im just concern about my relatives and friends who are still back in malaysia.

my father dont have so much of money so that i can sponser all my relatives and friends to follow me to migrate but i think your father has a lot of money. that's why he could sponser you 6 years in overseas and which makes you to fall in love with Malaysia. happy to know your father is rich.

p/s: u dun have to know how my father educate me because it is none of your business and i dont wish to know how your father educate you because it is none of my business.

we are blogging here to express our feeling to Tun, not finding fault and commenting about the others. plz be more mature and you dun have to tell everybody that u studied in overseas because no body asked you. and i think u studied in a private university. anybody can study in private universities as long u have the money. its not a big deal to study in overseas but it is a big deal which university you enrolled.

thanks...

Assalamualikum..Ybg. TUN,

Saya suka mengsyorkan agar Tun dapat menubuhkan pati baru sebagai altenatif bagi meneruskan perjuangan Melayu. Kerana mengharapkan Umno yang telah dirosak binasakan boleh menyebabkan generasi melayu akan hilang wadah politik dan halatujunya.

Umno telah banyak melalut dan terlalu kotor untuk dijadikan wadah perjuangan generasi kini. Jangan biarkan generasi kini terus teraba-raba dalam kegelapan.

Tun kena mulakan segera kerana 'membuat rumah baru lagi senang dari membaiki rumah yang telah usang lagi berhantu'. Oleh yang demikian, langkah pertama kenalah YAB Tun mulakan. Diluar sana berjuta pengikut setia Tun akan berganding bahu dan bersatu. Insya-ALLAH.

Dengan tertubuhnya Parti Politik Baru kelak akan seboklah kita memperkasa diri dari kita terlalu menyebokan hal orang lain.

Kerana perjuangan kita telah berada dipersimpangan dan nampaknya semakin jauh.

Sekian Tun. Harapan dan doa semuga Tun sekeluarga dilindungi Allah sepanjang masa.

Mari bersama ke Pekan Rabu

salam sejahtera buat Tun yg dihormati

Izin kan saya membalas komen Hajar yg tlg memberi komen balas dari komen yg saya beri atas tajuk 'Bukti, Fakta,khabar angin dan cakap'

Siapa lah kita utk nak bercakap lengkap dgn segala fakta dan bukti maka begitu byk komen2 di dlm blog ini yg hanya kata2 dari penelitian masing dan bersumberkan dari bahan yg pro Tun.

Kerana kurang fakta dan bukti ler ramai yg dianggap penyangak dan musuh oleh org yg pro Tun terlepas spt Anwar dan Raja Petra. Dan tk lupa juga org2 Najib terlepas baru2 ini sdg kn satu dunia blh membuat andaian dari kotak minda manusia biasa yg bertamadhun utk membuat sangkaan yg dia adalah mastermind dlm kes wanita mongolia ini.Begitu juga org Tun spt Eric Chia dan yg terbaru bekas org kuat kementerian yg mengawal org2 susah spt pekebun2 becil dan PPRT.Semua terlepas krn kutang bukti atau masalah teknikal sdg kn kita sbg rakyat sudah nmpk jelas yg mrk terlibat dgn kerja2 keji itu (pd pandangan mata kasar bersumberkan media massa sdg kn actual fact hanya yg Esa mengetahuinya).

Tak keterlaluan utk mengatakan semua ini berlaku krn ada tgn2 ghaib yg begitu berkuasa di negara tercinta ini yg memainkan peranan demi kepentingan masing2. Bagi mrk,peduli apa dgn fakta,data,bukti atau kewarasan fikiran. Sebab itu tugas/peranan kita menegur dan mengingatkan mrk lebih baik dari menyanjung dan memuji mrk hingga mrk lupa diri. Sbg contoh Pak Lah....masa mula2 jadi PM semua nmpk ok....bila terlalu di puji, lupa diri...dan siapa yg susah????rakyat marhain mcm saya ni jugak. Hajar mungkin dh establish dan senang lenang, so tk merasai keperitan hidup jadi rakyat marhain yg selalu jadi mangsa akibat keputusan bodoh,pelik dan mengejutkan dari pemimpin2 kita.

Saya langsung tk memihak pd mrk2 ini....baik pak lah, najib, Anwar apa lagi Tun. Bagi saya mrk2 ni sama saja....manusia biasa yg pasti melakukan kesilapan. Nnti bila najib jadi PM maka org2 Tun akan serang dia, begitu juga og2 Pak Lah dan Anwar dan perkara ini akan berterusan cuma mangsa nya ajer yg lain2 tapi berpaksikan UMNO juga (Anwar pn ada darah Umno).

Ingat la wahai Hajar bahawa dlm politik ini tiada kawan dan musuh kekal. Tk mustahil satu hari nnti Tun akan jadi musuh no 1 bagi insan bernama Hajar. Sebab itu berpada2 lah kitamenyanjung atau mengeji seseorg pemimpin itu. Saya masih teringat betapa Nik Aziz meminta penyokongnya menghormati Tun M krn dia adalah pemimpin kita masa itu w'pn dia diserang disetiap penjuru semasa zmn kegemilangan Tun dulu.

Last but not least, hope Hajar understand that I'm not member of any political party but I'm Malaysia Citizen who really Love my country.

By Fikri on November 12, 2008 9:16 AM

Assalamualaikum, Tun. Hope you and your family are in good health.

Right now, I wish I were a judge. I'll go against the YDPA, get myself sacked by a tribunal, blame everyone else except me, and even compare the PM to Idi Amin or Chairman Mao or God-knows-who, wait for 20 years before running my mouth again, and hopefully, get a lenient government (read: weak) to grant me ex-gratia payment amounting to RM 10M. That is the lifestyle.

But seriously, people still think the judiciary is important because of all this talk about democracy and important branch of government and stuff. (Never mind the fact that democracy isn't that great anyway). Really now? How is the judiciary representative of the people. The executive consists of the elected representatives of the people. The legislative is elected by the people. Who chose the judiciary? Definitely not the people, so the myth of the judiciary representing us is utter bull.

My two-sen worth.

Assalamualaikum Tun,

Tumpang lalu sat...

Dear Robinlabu61,

UMNO tetap Parti Keramat Melayu sebagai wadah perjuangan memartabatkan Bangsa Melayu, Agama Islam dan Negara Malaysia.

Tun keluar UMNO sebagai suatu tindak balas kepada Pak Lah sebagai Presiden UMNO yang telah membiarkan KEBUSUKAN AHLI2 UMNO YANG SELFISH mencemarkan KEWANGIAN UMNO dengan tidak lagi berpegang kepada PERJUANGAN ASAL UMNO.

Tun berjuang bukan untuk mencari pengikut2 yang hanya memuja beliau seperti kebanyakan pemimpin politik seantero dunia. Tun berjuang kerana yakin pada Prinsip Kehidupannya ia itu Bersatu, Bersetia dan Berkhidmat untuk Nusa dan Bangsa.

Bukan saya nak bodek sangat Tun tu, tetapi inilah hakikatnya Tun dipanjangkan umur oleh Allah SWT.

Percayalah sdr Robinlabu61, selagi Malaysia kekal sebuah negara merdeka lagi bemarkah UMNO merupakan satu2nya Parti untuk Melayu yang masih pegang kepada Islam.

Masaalah UMNO bukan kerana UMNO itu secara khusus,tetapi ahli2nya telah tewas dengan HAWA NAFSU mereka sendiri sehingga UMNO menjadi mangsa KUTUKAN ramai. Saya yakin ini adalah sementara sahaja. UMNO akan kembali UTUH sedikit masa lagi. Dan Tun akan kembali kedalam UMNO.

Apa yang Tun alami selama Pak Lah sebagai Presiden UMNO/PM, merupakan ketentuan Allah. Yang amat penting Tun dll harus ambil iktibar daripada peristiwa pahit dan manis untuk meningkatkan lagi perjuangan yang masih belum selesai.

Seorang anak apabila lupa HUBUNGANNYA dengan ibubapanya.....

Seorang melayu apabila lupa HUBUNGANNYA dengan Malaysia.....

Seorang muslim apabila lupa HUBUNGANNYA dengan Islam.....

Seorang muslim apabila lupa HUBUNGANNYA dengan Nabi Muhammad SAW...

Seorang muslim apabila lupa HUBUNGANNYA dengan ALLAH SWT.....

Bersyukurlah kepada ALLAH, kita Melayu di Malaysia yang sejak lahir sebagai Muslim yang tidak Murtaf dengan TIDAK LUPA HUBUNGAN kita dengan Ibubapa, Malaysia, Islam, Nabi Muhammad SAW dan ALLAH SWT.

Sesaat kita LUPA HUBUNGAN tersebut maka kita sudah melakukan JENAYAH terhadap diri sendiri.

Allah bersama orang mukmin yang sabar. Doakan semoga Tun berjaya menyelesaikan perjuangannya yang belum selesai !

Sekian sdr Robinlabu61...maafkan saya sekiranya tersilap.

Assalamualikum..Ybg. TUN,

Saya suka mengesyorkan agar Tun dapat menubuhkan pati baru sebagai alternatif bagi meneruskan perjuangan Melayu. Kerana mengharapkan Umno yang telah dirosak binasakan boleh menyebabkan generasi melayu akan hilang wadah politik dan halatujunya.

Dr M,

I always submit to the believe of separation of executive, legislative and judiciary powers in the country. No

one is above the law of the land as written in the constitution. What you did to remove the Supreme Court judges was despicable as any educated person can see through the smokescreen of your abuse of power. You did what you had to do to survive the political challenge put forth by the Semangat 46 group and the Supreme Court rulings was just in your way of retaining power. I salute you for winning and surviving the dirty political battle but as a law abiding citizen, I have to remember you as the person who single handedly destroyed Malaysia's trust in an independent unbiased judiciary system.

The judges nowadays are all pro political group appointees and cannot be trusted as independents who will interpret the constitution as it should be. The law of the jungle exists in Malaysia in a latent form thanks to you and UMNO.

To v9179

If you don't change your attitudes and perception (rude, selfish and pessimistic), you will end up as a failure no matter how rich or where you are. You are damn inferior, what a pity, a 36 years old guy acted like a 15 years old kid.

By the way, even if you are the Oxford or Harvard grads, "tarak guna" because you do not love your bangsa and country. Anyway all the best. If possible don't comment in the det weblog because you really disgrace the Chinese community in Malaysia!!!! From your writing, I can know what kind of father you have, poor2 guy.....

Assalamu'alaikum Tun & keluarga

Pada pendapat saya, PERLANTIKAN serta PEMECATAN telah dilakukan oleh DYMM Seri Paduka Baginda Yang DiPertuan Agong. Oleh itu, perbuatan membayar ex-gratia adalah satu PENGKHIANATAN kepada DYMM SPB Yang DiPertuan Agong.

Apabila pembayaran ex-gratia disifatkan sebagai PENGKHIANATAN kpd DYMM SPB Yang DiPertuan Agong, ianya adalah satu PENDERHAKAAN kepada DYMM SPB Yang DiPertuan Agong.

Oleh itu, Zaid Ibrahim serta kuncu2nya yang menyokong pembayaran ex-gratia telah MENDERHAKA kepada DYMM SPB Yang DiPertuan Agong!!

Bukan kah begitu wahai Tun yang dihormati?

Wassalam

Y.A.Bhg Tun,

Sehingga kini saya masih tertanya - tanya mengapa dan atas asas apa DSAAB lantik Dato' Zaid sebagai Menteri di kabinet beliau. Ini adalah kerana Zaid is a nobody in UMNO. ( Correct me if I'm wrong ) Baik di peringkat Cawangan, di peringkat Bahagian, di peringkat Perhubungan or for that matter di peringkat National. So, politically Dato Zaid is a NOBODY!! kecuali, Pak Lah perlu beliau sebagai seorang peguam untuk melakukan " Judiciary Reforms " untuknya. In that case, no wonder he ( Zaid ) was going round making statements and changes like nobody business and, as if he was not answerable to the government, let alone the cabinet. And, another thing, did the BN government received 2/3 mandate especially from the Kampung Folks to initiate such reforms?? that's another question I wanted to ask. Or are they just " singing somebody else's tune ". Mengenai dengan RM10.5 juta pembayaran ex-gratia kepada hakim - hakim, tak paya tanyalah siapa punya idea semua tu!! But, like YABhg Tun suggested, kena bayar yang lain juga lah yang kena berhenti.

Satu lagi yang saya nak tahu, mengapa Pak Lah boleh buat arahan bahawa Peguam Negara tidak akan terlibat dalam kes Dato Anwar Ibrahim dan kenyataan beliau telah

dibuat sebagai satu daripada "ruling " hakim dalam membuat keputusannya baru - baru ini. Adakah ini satu daripada " Judiciary Reform " yang Pak Lah agong - agongkan untuk lakukan? Kalau buat arahan.." untuk pembangkang " semua senyap aje!!! termasuk Bar Council. Kalau AG ambil tindakan sebaliknya. Wah!! semua buat bising.." pembangkang lebih - lebih lagi akan kata ada " political interference , political motivated bla..bla.." It should work both ways. Bukan Kah??

As for Barak Obama winning the election recently. Sorry folks he is only for local consumption, hanya untuk orang - orang Amerika sahaja. Nice new packaging, BLACK. But, " perisiannya " just like any other American President who has to got through the same process of " conditioning " and come out the " finish product " acceptable by his " backers & sponsers ". America has always practice a different " democracy " towards the rest of the world. He's no different.

Assalamualaikum Tun,

UMNO tetap Parti Keramat Melayu sebagai wadah perjuangan memartabatkan Bangsa Melayu, Agama Islam dan Negara Malaysia.

Tun keluar UMNO sebagai suatu tindak balas kepada Pak Lah sebagai Presiden UMNO yang telah membiarkan KEBUSUKAN AHLI2 UMNO YANG SELFISH mencemarkan KEWANGIAN UMNO dengan tidak lagi berpegang kepada PERJUANGAN ASAL UMNO.

Tuan dGeneral,

1. Siapapun tidak dapat menafikan sumbangan UMNO selama ini. Dan siapapun juga tidak dapat menafikan Sejarah selama ini. Dan siapapun tidak dapat menafikan sumbangan TUN selama ini.
2. Tun telah berdekad dalam UMNO. Se antero Dunia tahu "Air Mata Tun dan UMNO"
3. Dari dalam UMNOpun Tun telah cuba merubah. Kini dari luar UMNOpun TUN sedang cuba merubah.
4. Soalnya bolehkah lagi UMNO itu berubahhh!!!
5. UMNO bukanlah sebuah parti yang keramat tetapi hanyalah merupakan suatu ALAT perjuangan. Bukan juga menjadi utusan khas ALLAH dimuka bumi ini dalam menjaga Bangsa Melayu, Agama Islam dan Negara Malaysia.
6. Sayang, mungkin tugas UMNO sudah selesai pada PRU12 yang lalu. sehingga kesaat ini UMNO itu berjaya.
7. Soalnya UMNO kini rosak ditangan orang. Boleh ke diambil dengan mudah dan diubah. OK Kita berikan tempoh....sikit masa lagi kut. Tempoh kecederaan. Mac 2009.
8. Parti Baru/Generasi Barupun boleh. Nurani dan Roh tiada bersama UMNO masa ini. Ianya ada bersama TUN dan diluar sana. (Di luar UMNO).
9. Mudahnya....umpama kita pakai kereta baru...kita boleh.

Salam Sayang TUN.

ASSALAMU'ALAIKUM TUN & FAMILY

TERINGAAT SAYA DALAM BERITA TV, SEMASA SALAH SEORANG BEKAS HAKIM YANG DIPECAT

SAMBIL MEMEGANG SAMPUL SURAT "EX-GRATIA PAYMENT" TU, TERUS MENGUTUK TUN SEOLAH-OLAH MEMBACA SKRIP...DAN DATOK ZAID IBRAHIM TERSENGIH SENGIH DI SEBELAHNYA.

Tun, semoga sihat selalu, please take care...

Dear Tun,

Many comments following Tun's personal feedback. Just don't know whether we should totally condemn the ex-gratia payout to the sacked judges. I don't know in details what wrong they had done. If they are entitled to the monthly double pension, I think that's very good already 'cos most govt servants only get one. So these people earning double are already so blessed!! Sudah dapat bakat & nikmat paling bagus. The govt compensates hoping to heal their wound. The generous payout is of course the best "balm" to soothe any pain that they must have endured all these yrs. Of course during hard times when the country is facing financial woes the rakyat has every right to question the large pay-out. We want to ensure the people's funds are put to legitimate use & there are no abuses in usage. We have seen what is happening in our neighbouring countries. We don't have to look too far. Yes with Tun's comments I can make an introspective view of the issue. Thanks again.

Bestnya.....dah lah kena pecat, dapat RM5 juta lagi. Dia pakai duit sapa bayar RM5 juta tu? Mesti lah duit PEMBAYAR CUKAI kan.. kiranya dia pakai duit saya gak la tu kan. Bila dia mintak izin saya sebagai pembayar cukai untuk bagi kat PAK SALLEH n THE GENG. Seingat saya, saya tak bagi izin pun.....kira DUIT HARAM la tu. Tak pe lah, bagi lah makan anak bini awak dengan duit tu.

Dearest Tun,

This is the AAB administration.

Appointing tarnished UMNO member as "Law" Minister.

"Law" Minister scores points with opposition and Bar Council by organizing illegal payments to ex-Judges.

Resigns (betrays PM trust) and this shows AAB has made another bad decision.

Despite everything on record on the Tun Salleh removal this huge payment is sanctioned while the rakyat struggle from the huge fuel price increase and its effect.

AAB is really pushing Malaysia boleh to the limit.

May God bless you and your family with everything good.

Best regards

Freddie

Salam Ya Habibi TUN,

Tun, saya tak kira, duit RM5m tu mesti kene pulang balik. Suka hati tok nenek dia amik duit bg mcm tu je. Yang kita ni rakyat p.k nk mkn apa esok, ada tk duit. Ni mesti si Zaid tu ada share. Sebab tu dah dapat duit dia blah. Buat muka sedih. boleh balah la ko. BPR!! apa lagi...investigate lah...jgnlah investigate rakyat yang rasuah RM 5k. tu yg RM 5m depan mata tu pi tgk. Apa ke hal lak nk bg hakim tu RM 5m? kan dah dapat pencen. Amboi amboi...amik duit suka hati as n wen it needed? Sebagai rakyat Malaysia yg byr segala cukai kat msia ni, sy nk duit RM 5m dibayar balik. BPR investigate Zaid. Humber dia dalam jail. loyer ni boleh jadi penyelamat, tp boleh jgk jd penyangak gak yg licik. nampak sgt mkn duit haram. tp tak pa, kalau sekrng ko lepas, akhirat nanti ko rasalah.

Maaf ye TUN, geram sgt sgt...sedih..kita rakyat susah tau TUN. pk petrol, brg mkn, cukai, tol, semua nk kene byr. tp org gomen kat atas amik duit like nobody business. eee...SUBAHANALLAH....

Salam Ya Habibi TUN,

1. TUN, saya nk sokong cadangan Samuraimelayu yang kata mintak TUN tubuhkan parti baru untuk org melayu ganti UMNO.
2. Sebabnya UMNO mmg dh tk relevan dan Melayu Malaysia dh tk suka dengar perkataan UMNO tu lagi. Pobia lah TUN.
3. Ikhlas dan benar dan sungguh TUN. TUN tubuhkanlah parti baru. Guide Mukhriz dengan pemimpin yang clean yg support TUN. Dan saya pasti ramai juga rakyat Malaysia yang akan sokong parti baru ni. No such things selamatkan UMNO sebab buktinya dah kalah masa last PRU. Untuk next PRU, saya pasti kalah lagi. Sebab saya dan ramai rakyat Malaysia nk pemimpin mcm TUN, bukan pemimpin yg tak tau apa dia buat, lebih teruk lagi, apa dia nk!!!
4. Bangga, sedih, happy dan macam - macam lagi bila mengenangkan keikhlasan TUN memperjuangkan org Melayu dan UMNO. Walau TUN dah keluar, TUN masih concern pasal UMNO dan cuba perbetulkan walaupun dengan statement yg pedas. Tapi yg pelik semuanya melenting bila TUN tegur.
5. Sedarlah wahai pemimpin UMNO skrg. Anggaplah TUN sebagai bapa yang begitu besar jasa, impian dan keazaman untuk bangsa Melayu. Knp tk dipandang cara positif apa yang di tegur TUN. Kerana sudah terbukti kewibaaan TUN dan terbukti kekalahan kamu. Oleh itu, buang yg keruh. ambillah yang jernih. Bangsa lain sedang ketawa atas permusuhan ni. Dan jgn tekejut kalau dia org betul betul amik alih negara ni. Masa tu, jgn kata ex gratia. ex wife pun kamu tak dapat sebab dh tk dak wit nak maintain....amin...ampun YA ALLAH....

Love TUN & BONDA....ALLAH akan bersamamu.....amin....
