

PERSIDANGAN "MUSLIM UNITY"

chedet.co.cc

December 18, 2009

By Dr. Mahathir Mohamad

1. Minggu ini kita amat sibuk dengan persidangan. Pada hari Isnin 14 Disember, The International Muslim Academy of Science dibawah Organisation of Islamic Conference (OIC) telah bersidang di Shah Alam. Ramai saintis Islam dari seluruh dunia mengambil bahagian.
2. Pada 15-16 Disember satu konvensyen dianjurkan oleh Ramadhan Foundation United Kingdom dibantu oleh Perdana Leadership Foundation untuk membincang "Muslim Unity" (Perpaduan Islam). Ramai ulama dan imam-imam dari 20 negara Islam dan bukan Islam telah hadir.
3. Ulama-ulama ini terdiri daripada pelbagai mazhab termasuklah dari puak Sunni, Syiah, Wahabi. Terdapat juga wakil dari China dan Jepun.
4. Walaupun fahaman Islam mereka berbeza tetapi mereka menunjukkan persaudaraan Islam semasa bersidang dan di luar persidangan.
5. Dalam ucapan-ucapan mereka tekanan diberi kepada persaudaraan dan persahabatan. Perbezaan tafsir dan pendapat, tegas mereka, tidak harus memisahkan orang Islam daripada orang Islam lain.
6. Wakil Arab Saudi berkata pakaian tidak menentukan ke-Islaman. Pakaian Arab adalah kerana budaya Arab dan bukan kerana Islam. Pakaian hijab juga berbeza. Yang utama ialah anutan agama Islam.
7. Ini disokong oleh seorang imam besar Syiah yang mengetuai lebih 500,000 orang Islam di Dearborn, Michigan, Amerika Syarikat.
8. Mereka tidak berhajat untuk menukar kepercayaan dan tafsiran Islam yang berlainan antara mereka. Sebaliknya mereka ingin utamakan persamaan antara mereka sebagai orang Islam.
9. Semua mengutuk perbuatan bunuh-membunuh antara orang Islam di negara-negara tertentu kerana kelainan fahaman dan mazhab.
10. Konvensyen perpaduan yang pertama diadakan di United Kingdom dengan kehadiran ramai ulama-ulama dari negara-negara Islam dan bukan Islam yang mempunyai penduduk Islam yang ramai.
11. Ramadhan Foundation telah pilih Malaysia untuk yang kedua kerana ramai ulama dan orang Islam diseluruh dunia berpendapat Malaysia adalah contoh pembangunan agama dan negara mengikut ajaran Islam. Saya percaya ramai di Malaysia tidak dapat bersetuju. Tetapi inilah yang diperkatakan oleh mereka.
12. Sebagai tuan rumah saya diberi peluang untuk buat ucap-tama di kedua-dua persidangan berkenaan tajuk-tajuk yang dibincang.
13. Kehadiran lebih 500 orang termasuk rakyat Malaysia pelbagai agama tidak bergerak. Mereka menuruti perbincangan selama dua hari itu dengan penuh khusyuk.

14. Pada malam akhir tiga buah badan perniagaan dan institusi pelajaran swasta, dua daripadanya bukan Islam telah huluskan sebanyak RM11,500,000. kepada tabung pelajaran anjuran Ramadhan Foundation. Ahamdulillah.

15. Laporan ini saya buat kerana tidak banyak "coverage" daripada media tempatan.

16. Senarai penceramah yang hari pada persidangan Muslim Unity adalah seperti berikut;

Salam Tun M. It is good to have meetings to discuss issues relating to our religion Islam and how tolerance between Islam and other religions in the world can be enhanced. However, I'm saddened with our moslem brothers especially those in arabic countries who are reluctant to help moslem countries like Palestine. I remembered when you delivered your speech in the last OIC meeting when you were still our prime minister. Despite being given an in-depth and thorough speech by you, there were no concrete actions being taken on their part. It is understood that some of them are having alliance with United States who is providing security protection but I think selfishness is the root of their reluctance to really help Palestine. Despite many OIC meetings had been held, never have we heard a notion to work together to set up OIC university, OIC space station, OIC currency, OIC security force, and so forth. These may sound ambitious but there is nothing moslems can't do if they unite and work together sincerely. If moslems around the world unite themselves then others won't do us any harm. We need to be strong to protect ourselves and when we are strong we will not behave like zionis and its associates because Islam is peace.

Peace,

In the name of GOD, Most Gracious, Most Merciful

TO SAVE THE MUSLIM COMMUNITIES

We Must Return To Obeying The Messenger

[72:23] "I deliver GOD's proclamations and messages." Those who disobey GOD and His messenger incur the fire of Hell, wherein they abide forever.

Despite severe differences that plague the Muslim Communities – Sectarian, tribal, political and economic differences – even military conflicts and vicious wars – there is one thing that the Muslims unanimously agree upon: That the Qur'an is the word of God that was uttered by the final Prophet Muhammad.

Every Muslim on earth regardless of sect, race, color, and language believes that Qur'an was uttered by the honorable messenger, upon inspiration from God, and that God has guaranteed its preservation and protection from the slightest distortion, addition or loss.

[15:9] Absolutely, we have revealed the reminder, and, absolutely, we will preserve it.*

This fact – that the glorious Qur'an is God's message to the world which was uttered by the Prophet Muhammad – is affirmed in Qur'an by the strongest oath:

[69:38] I swear by what you see.

[69:39] And what you do not see. (This certainly covers everything in the universe)

[69:40] This is the utterance of an honorable messenger.

[69:41] Not the utterance of a poet; rarely do you believe.

[69:42] Nor the utterance of a soothsayer; rarely do you take heed.

[69:43] A revelation from the Lord of the universe.

Prophet Muhammad had no other sources, such as (Hadiths and Sunnah) which they (mahzab) attributed lies to Prophet Muhammad who they claimed taught and explained the Quran are the words and actions from Prophet Muhammad. Other who follows it is blind.

[24:15] You fabricated it with your own tongues, and the rest of you repeated it with your mouths without proof. You thought it was simple, when it was, according to GOD, gross.

Prophet Muhammad never ever teaches and explains the Quran.

[69:44] Had he (Muhammad) uttered any other teachings.

[69:45] We would have punished him.

[69:46] We would have stopped the revelations to him.

[69:47] None of you could have helped him.

The Messenger himself will said to God on the day of Resurrection, that his people have deserted the Quran

[25:30] The messenger* said, "My Lord, my people have deserted this Quran."

Prophet Muhammad sole mission is to deliver God messages (Quran).

[13:40] "Your ONLY mission (O Muhammad) is to deliver (Quran), while it is we who will call them to account."

[42:48] "You (O Muhammad) have no duty EXCEPT delivering (Quran)."

[5:99] "The messenger has no function EXCEPT delivering (Quran)..."

The One who teach and explain is God Himself. Yet this blind ignorant Muslim cannot understand or accept that God is the Almighty can teach, explain and guide His divine (Quran) to mankind.

[55:1] The Most Gracious.

[55:2] Teacher of the Quran.

[75:16] Do not move your tongue to hasten it.

[75:17] It is we who will collect it into Quran.

[75:18] Once we recite it, you shall follow such a Quran.

[75:19] Then it is we who will explain it.

Will you wish to receive the scripture personally?

[74:52] Does each one of them want to receive the scripture personally?

Only the sincere one can grasp the Quran.

[56:79] None can grasp it (Quran) except the sincere.*

This blatant disobedience who disregards God message which is the only source to uphold instead of following other sources (Hadith and Sunnah) from the mahzab faces misery chaos on earth.

[20:124] "As for the one who disregards My message, he will have a miserable life, and we resurrect him, on the Day of Resurrection, blind."

They faces wars from other countries, they face internal conflicts as scholars vs scholars, they faces that the power of ruling the religion of Islam by their leaders that they claim are guided and

guardian that set rules for them as though God revelation is insufficient for individual to understand.

[17:84] Say, "Everyone works in accordance with his belief, and your Lord knows best which ones are guided in the right path."

[7:30] Some He guided, while others are committed to straying. They have taken the devils as their masters, instead of GOD, yet they believe that they are guided.

The above verse clearly stated that each and everyone work is in accordance with his belief, not the leaders who set rules for them.

This blatant disobedience leaders ego provokes them that they are the guardian over others rights in freedom of practice their belief.

[2:256] There shall be no compulsion in religion: the right way is now distinct from the wrong way. Anyone who denounces the devil and believes in GOD has grasped the strongest bond; one that never breaks. GOD is Hearer, Omniscient.

All this miserable chaos happened, yet they are still blind to it due to their ignorant of the fact that they follow their ego instead of God revelation to them.

[25:43] Have you seen the one whose god is his own ego? Will you be his advocate?

[20:125] He will say, "My Lord, why did you summon me blind, when I used to be a seer?"

[20:126] He will say, "Because you forgot our revelations when they came to you, you are now forgotten."

The reason why the majority of ignorant Muslims were resurrected blind? They don't accept that God Quran is infallible, perfect and fully details.

[2:2] This scripture is infallible; a beacon for the righteous;

[7:52] We have given them a scripture that is fully detailed, with knowledge, guidance, and mercy for the people who believe.

If we can rid our minds of the traditions, innovations, superstitions, and inherited ideas that were injected into our religion, and return to God and His messenger, we would realize that the present decline of the Muslim Communities is the direct result of disobeying the Messenger.

[4:115] As for him who opposes the messenger, after the guidance has been pointed out to him, and follows other than the believers' way, we will direct him in the direction he has chosen, and commit him to Hell; what a miserable destiny!

[20:127] We thus requite those who transgress and refuse to believe in the revelations of their Lord. The retribution in the Hereafter is far worse and everlasting.

What helped Satan in misleading the Muslims is that the blatant disobedience of the Prophet takes the shape of loving the Prophet very much. As a rule, anything that exceeds its limits becomes the exact opposite. When love exceeds the limits, it becomes hatred. Our love of the Prophet has exceeded the limits, until it turned into real hatred in the form of love. This is of course what Satan did to the Christians; they love Jesus so much that he disowns them on the Day of Judgment.

[5:117] "I told them only what You commanded me to say, that: 'You shall worship GOD, my Lord and your Lord.' I was a witness among them for as long as I lived with them. When You terminated my life on earth, You became the Watcher over them. You witness all things.

From the Bible: [Mathews 7:21-23] Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father who is in heaven. Many will say to me in that day, Lord, Lord, did we not prophesy by thy name, and by thy name cast out demons, and by thy name do many mighty works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

One of the most flagrant examples of our excessive love of the Prophet which turned into direct disobedience can be illustrated by studying Verse 285 of Sura 2.

Before I cite this verse, I wish to remind the reader that these words came out of the Prophet's mouth.

[2:285] The messenger has believed in what was sent down to him from his Lord, and so did the believers. They believe in GOD, His angels, His scripture, and His messengers: "We make no distinction among any of His messengers." They say, "We hear, and we obey.* Forgive us, our Lord. To You is the ultimate destiny."

Is this what the Muslims say or do today?

Do the Muslims obey this powerful injunction that "We shall not make any distinction among God's messengers" and that "We hear and we obey"?

Do the Muslims obey God and His messenger?

The object of worship is God ALONE. The Muslims, however, have been preoccupied with their idolization of the Prophet in much the same way as the Christians' preoccupation with Jesus. The only difference being that the Muslims are not aware of their idolatry.

In the process of exalting and idolizing a dead, powerless, and totally unaware human being,

[39:30] You (Muhammad) will surely die, just like they will die.

Whoever obeys the messenger (message=Quran) is obeying GOD. Messenger can be anything (human, angel, animal, message and etc) who is doing precisely what God assign him to do.

[4:80] Whoever obeys the messenger is obeying GOD. As for those who turn away, we did not send you as their guardian.

Therefore Muhammad is dead and his messenger ship is over and left the message (Quran) for those who obey the message (Quran) is obeying the messenger is obeying God. When you read the Quran, the knowledge that you received is the messenger. That is how the message-Quran (messenger) you should obey.

The blatant disobedience Muslims have disobeyed the Prophet, and forgot the only one who created them, the only one who is eternally in control, the only one who provides for them, the only one who terminates their life, the only one who will resurrect them, the only one who will call them to account, and the only one who will place them in Heaven or Hell.

The function of every messenger has been defined in Qur'an as delivering the message LA ILAHA ILLA ALLAH (there is no god except God).

[21:25] We did not send any messenger before you except with the inspiration: "There is no god except Me; you shall worship Me alone."

Now, let us put things in perspective. Our Creator informs us that Qur'an is the only utterance by Muhammad to be upheld as THE ONLY SOURCE OF RELIGIOUS TEACHING.

[6:19] Say, "Whose testimony is the greatest?" Say, "GOD's. He is the witness between me and you that this Quran* has been inspired to me, to preach it to you and whomever it reaches.

Indeed, you bear witness that there are other gods* beside GOD." Say, "I do not testify as you do; there is only one god, and I disown your idolatry."

This is affirmed by the strongest oath in Qur'an:

[69:38] I swear by what you see.

[69:39] And what you do not see. (this certainly covers everything in the universe)

[69:40] This is the utterance of an honorable messenger.

[69:41] Not the utterance of a poet; rarely do you believe.

[69:42] Nor the utterance of a soothsayer; rarely do you take heed.

[69:43] A revelation from the Lord of the universe.

[69:44] Had he (Muhammad) uttered any other teachings.

[69:45] We would have punished him.

[69:46] We would have stopped the revelations to him.

[69:47] None of you could have helped him.

Now that we see that Qur'an is decreed by God, through the Prophet's mouth, as **THE ONLY RELIGIOUS TEACHINGS UTTERED BY MUHAMMAD**, let us examine the Muslims' daily disobedience of the Prophet.

The wise and fortunate Muslim will readily give up his inherited customs and religious ideas in favor of God's commandments that came out of the Prophet's mouth. The unfortunate ones, on the other hand, would stubbornly adhere to what they found their parents and scholars doing:

[31:21] When they are told, "Follow these revelations of GOD," they say, "No, we follow only what we found our parents doing." What if the devil is leading them to the agony of Hell?

[37:68] Then they will return to Hell.

[37:69] They found their parents astray.

[37:70] And they blindly followed in their footsteps.

Here is a list of daily transgressions by the average Muslim against God and the Prophet:

EXALTING THE PROPHET AGAINST HIS WILL

[2:285] The messenger has believed in what was sent down to him from his Lord, and so did the believers. They believe in GOD, His angels, His scripture, and His messengers: "We make no distinction among any of His messengers." They say, "We hear, and we obey.* Forgive us, our Lord. To You is the ultimate destiny."

It is of course deliberate and extremely significant that the statement "WE HEAR AND WE OBEY" comes immediately after the statement "WE MAKE NO DISTINCTION AMONG HIS MESSENGERS." For it is a glaring fact of life in the Muslim World that the Muslims have defiantly declared "WE HEAR, BUT WE DISOBEY."

It is a fact of life in the Muslim World that the Muslims commit gross distinctions among God's messengers by exalting Muhammad over and above all the rest. They bestow extravagant attention on the Prophet Muhammad, while neglecting all other messengers of God. Certainly, if Moses were alive today, and he walked the streets of Cairo, Tehran, or Karachi, he will never hear any Muslim declare: "ASH-HADU ALLA ILAHA ILLA ALLAH, WA ASH-HADU ANNA MOSES RASOOLUL-LAH." The same would be observed by the Prophet Jesus, or Jonah, or Saleh, or Lot, or Solomon, or any other messenger.

This blatant disobedience of the commandments that came out of the Prophet Muhammad's mouth is so deeply engrained that the average Muslim is now literally unable to say "LA ILAHA ILLA ALLAH (there is no god except God) by itself, without adding the name of Muhammad somehow.

Why the blatant disobedience can't understand what they say? How do we bear witness where Muhammad is dead? Can a dead person still attain the messenger ship? Can a person who is a Prime Minister resigned and still attain his Prime Minister post, definitely not. So why are they so foolish following their leader instead of God revelations? Therefore the only commandments to recite the Shahadah is stated in [3:18] and supported with this verse [72:18].

[3:18] GOD bears witness that there is no god except He, and so do the angels and those who possess knowledge. Truthfully and equitably, He is the absolute god; there is no god but He, the Almighty, Most Wise.

[72:18] The places of worship belong to GOD; do not call on anyone else beside GOD.

The above verse clearly stated that the angel and those who possess knowledge will recite the Shahadah: "LA ILAHA ILLA ALLAH" and do not call anyone else (including Muhammad) beside God.

[39:45] When GOD ALONE is mentioned, the hearts of those who do not believe in the Hereafter shrink with aversion. But when others are mentioned beside Him, they become satisfied.*

This blatant disobedience injected Muhammad beside God that they claimed is from the four khalifa who had been inspired that the Shahadah to be recite that way. This are the lies from the mahzab that they try to distort the truth teaching of Islam (Submission) to God Alone. It is the Satan who duped them to believe that way. The Jews and the Christians too had been duped about son of God.

[9:30] The Jews said, "Ezra is the son of GOD," while the Christians said, "Jesus is the son of GOD!"

God affirmed Himself in the Quran:

[112:1] Proclaim, "He is the One and only GOD.

[112:2] "The Absolute GOD.

[112:3] "Never did He beget. Nor was He begotten.

[112:4] "None equals Him."

The blatant disobedience mention Muhammad and Abraham name during the prayer where God had said that the places of worship during prayer or commemorate belong to GOD; do not call on anyone else beside GOD.

[4:60] Have you noted those who claim that they believe in what was revealed to you, and in what was revealed before you, then uphold the unjust laws of their idols? They were commanded to reject such laws. Indeed, it is the devil's wish to lead them far astray.

[34:20] Satan found them readily fulfilling his expectations. They followed him, except a few believers.

Moreover, they readily flunk the Qur'anic criterion that distinguishes true Muslims from false Muslims:

Those who seek the truth, the light of GOD will guide you to the truth.

[2:257] GOD is Lord of those who believe; He leads them out of darkness into the light.....

[2:38] We said, "Go down therefrom, all of you. When guidance comes to you from Me, those who follow My guidance will have no fear, nor will they grieve.

[3:73] "And do not believe except as those who follow your religion." Say, "The true guidance is GOD's guidance." If they claim that they have the same guidance, or argue with you about your

Lord, say, "All grace is in GOD's hand; He bestows it upon whomever He wills." GOD is Bounteous, Omniscient.

Get rid off your minds of the traditions, innovations, superstitions, and inherited ideas that were injected into our religion. Not the communities can guide you, the only One that can guide you is God Himself where you need is to pray to Him.

[2:186] When My servants ask you about Me, I am always near. I answer their prayers when they pray to Me. The people shall respond to Me and believe in Me, in order to be guided.

Are you waiting till the day of Resurrection where the judgment announces of your work?

[28:74] The day will come when He asks them, "Where are the idols you had fabricated to rank with Me?"

[37:86] "Is it these fabricated gods, instead of GOD, that you want?"

Those who disbelieved that the only source (Quran) to uphold is infallible, perfect and fully details instead of using other sources (Hadith and Sunnah) and worship God during prayer with Muhammad and Abraham name mention beside God are going to hell.

[3:131] Beware of the hellfire that awaits the disbelievers.

[4:56] Surely, those who disbelieve in our revelations, we will condemn them to the hellfire. Whenever their skins are burnt, we will give them new skins. Thus, they will suffer continuously. GOD is Almighty, Most Wise.

For those who believe and uphold God revelations without any source beside it and worship Him alone without mention Muhammad and Abraham beside God are guarantee going to Paradise.

[7:42] As for those who believe and lead a righteous life - we never burden any soul beyond its means - these will be the dwellers of Paradise. They abide in it forever.

[7:44] The dwellers of Paradise will call the dwellers of Hell: "We have found our Lord's promise to be the truth; have you found your Lord's promise to be the truth?" They will say, "Yes." An announcer between them will announce: "GOD's condemnation has befallen the transgressors;

GOD made the service of Him obligatory on you, which is to say that He made perfect happiness obligatory for you.

HAPPINESS IS SUBMISSION (ISLAM) TO GOD ALONE

May GOD bless those who seek His guidance of truth.

GOD Bless

Salam Tun,

Saya minta maaf dahulu kerana saya ingin meluahkan perasaan saya tidak pada tempatnya tetapi saya merasakan blog Tun dapat meringankan beban yang dirasakan.

Berkaitan dengan catholic herald tribune hendak menggunakan kalimah ALLAH dalam penerbitan mereka secara tersuratnye namun kita harus melihat makna tersirat dan permainan licik mereka tetapi apa yang lebih penting lagi sebagai umat Islam perlu terdetik dalam hati api kemarahan setiap orang yang mengagungkan kalimah 2 shahadah.

Tun,tidakkah terguris atau terdetik dalam jiwa ahli politik melayu dan juga Raja-raja melayu berkenaan isu ini, jika ia kenapa membisu adakah politik lebih penting dari Tauhid yang kita bawa?.

Untuk pengetahuan Tun, telah keluar circular disetiap hospital apabila bumiputera bukan Islam sabah atau sarawak berkahwin dengan bangsa lain maka anak mereka perlu didaftarkan sebagai bumiputera tolong lihat kesannya, saya rasa tak perlu bagi saya menghuraikan lebih panjang kerana Tun lebih arif tentang hal ini, apa yang saya nak perkatikan belum habis satu isu berkenaan isu ALLAH timbul pula isu baru ini. Dimanakah solidarity Melayu Islam dalam menghadapi isu-isu yang berkaitan dengan Islam dan Melayu pada pengamatan saya tidak ada!!! Berkaitan isu penggunaan ALLAH dalam kristian, telah menunjukkan mereka telah menipu orang ramai berkenaan agama itu dan tuhan mereka boleh berubah-ubah mengikut cita rasa mereka. Isu ini telah bertentangan dengan Islam itu adalah agama rasmi dan kedudukan Melayu.

Disini apa yang saya hendak utarakan adalah pemimpin melayu perlu bersatu dan yang lebih penting perlu menukar menteri dalam negeri kerana dia tidak menjalankan tugas nya dengan berkesan, kalau berkenaan orang Melayu beliau akan tegas tetapi berkenaan bukan Melayu keberanian dan ketegasan beliau seperti babi dalam lumpur.

Kementerian dalam negeri boleh menarik balik permit yang dikeluarkan kepada herald tribune jikalau tidak bermula dari minggu hadapan kalau hendak sembahyang jumaat masjid tidak

mencukupi bolehlah kita pergi ke gereja-gereja yang bercambah seperti cendawan selepas hujan. Jika situasi ini tidak diperbetulkan dan membiarkan orang lain memainkan isu sensitive umat Islam tidak hairan satu hari nanti Melayu adalah melayu kristian. Disini juga saya ingin megatakan dimanakah kredibility orang-orang kristian dan selama ini mereka telah ditipu kerana "GOD" adalah "DOG" jika dibacakan terbalik dan begitu juga dengan "TUHAN" adalah "HANTU mereka adalah agama dan bangsa tunggangan YAHUDI.

Sekian Wassalam.

Tolong siarkan pendapat dan kata hati saya.

Peace,

In the name of GOD, Most Gracious, Most Merciful

UNITY OF BELIEVERS (MUKMINUN)

[3:103] You shall hold fast to the rope of GOD, all of you, and do not be divided. Recall GOD's blessings upon you - you used to be enemies and He reconciled your hearts. By His grace, you became brethren. You were at the brink of a pit of fire, and He saved you therefrom. GOD thus explains His revelations for you, that you may be guided.

Unity is a great and wonderful blessing from God upon the believers. The unity we see in the world is artificial and temporary. But for the believers, God promises an everlasting and true unity.

God does not change the condition of the people unless they themselves change. We simply cannot achieve unity by wishing it. We have to follow God's laws.

[13:11] Shifts (of angels) take turns, staying with each one of you - they are in front of you and behind you. They stay with you, and guard you in accordance with GOD's commands. Thus, GOD does not change the condition of any people unless they themselves make the decision to change. If GOD wills any hardship for any people, no force can stop it. For they have none beside Him as Lord and Master.

God gives us specific methodology and formulas for achieving unity. For example, the Quran teaches us the following:

[17:53] Tell My servants to treat each other in the best possible manner, for the devil will always try to drive a wedge among them. Surely, the devil is man's most ardent enemy.

Obviously, if we treat each other as nicely as we can, we are going to be very close as family.

[49:10] The believers are members of one family; you shall keep the peace within your family and reverence GOD, that you may attain mercy.

When we lose our temper at someone, it does not draw that person closer to us. Controlling our temper helps promotes closeness.

[3:200] O you who believe, you shall be steadfast, you shall persevere, you shall be united, you shall observe GOD, that you may succeed.

However, we must never compromise the Quranic principles for the sake of unity.

[72:14] " `Among us are the submitters, and among us are the compromisers.' " As for those who submitted, they are on the right path.

Compromising may lead to unity, but only to disenchanted, temporary and artificial unity.

[68:9] They wish that you compromise, so they too can compromise.

[72:15] As for the compromisers, they will be fuel for Gehenna.

Unity is a trait of the believers, and God creates harmony between the believers. The believers are one family and are humble towards each other. They hold fast to the rope of God, and are stern against the disbelievers. They do not break their religion into sects and are like bricks in a wall.

[5:54] O you who believe, if you revert from your religion, then GOD will substitute in your place people whom He loves and who love Him. They will be kind with the believers, stern with the disbelievers, and will strive in the cause of GOD without fear of any blame. Such is GOD's blessing; He bestows it upon whomever He wills. GOD is Bounteous, Omniscient.

[48:29] Muhammad - the messenger of GOD - and those with him are harsh and stern against the disbelievers, but kind and compassionate amongst themselves. You see them bowing and prostrating, as they seek GOD's blessings and approval. Their marks are on their faces, because of prostrating. This is the same example as in the Torah. Their example in the Gospel is like plants that grow taller and stronger, and please the farmers. He thus enrages the disbelievers.

GOD promises those among them who believe, and lead a righteous life, forgiveness and a great recompense.

[61:4] GOD loves those who fight in His cause united in one column, like the bricks in one wall.

[66:9] O prophet, struggle against the disbelievers and the hypocrites and be stern with them. Their abode is Gehenna, and a miserable destiny.

We learn about the unity by analyzing some of the factors that cause disunity. Some of most important factors causing disunity among the people are:

- Different priorities
- Idol worship
- Differing beliefs and opinion
- Failure to follow one consistent source.

All these can be summed up in one word, EGO. It is our ego that causes us to follow our own priorities, idols and opinions.

[25:43] Have you seen the one whose god is his own ego? Will you be his advocate?

[45:23] Have you noted the one whose god is his ego? Consequently, GOD sends him astray, despite his knowledge, seals his hearing and his mind, and places a veil on his eyes. Who then can guide him, after such a decision by GOD? Would you not take heed?

By telling us to kill our ego, take one consistent source, the Quran, and have God as the foremost priority in our lives, the Almighty is giving us the most powerful ingredients for creating unity. One God, one book, and one brotherhood.

GOD Bless

Peace

In the name of GOD, Most Gracious, Most Merciful

MUSLIM UNITY WILL UNITED THROUGH THE TRUE MUSLIM

True Muslim are not the so call (ulamas, scholars of Phd, mahzab, parents, king and etc).

[6:159] Those who divide themselves into sects do not belong with you. Their judgment rests with GOD, then He will inform them of everything they had done.

True Muslim are only those who are blessed by Almighty God through reading and understanding the Qur'an's mathematical miracle will appreciate the enormous significance of this historic announcement. All others will surely mock and scoff, and will surely suffer grave consequence as decreed in Qur'an:

[11:38-39] While he was building the ark, whenever some of his people passed by him they laughed at him. He said, "You may be laughing at us, but we are laughing at you, just as you are laughing. "You will surely find out who will suffer a shameful retribution, and incur an everlasting punishment."

The inevitable events will stun the scoffers as these Qur'anic projections unfold during the coming years. The truth is destined to prevail, while falsehood will vanish:

[17:81] Proclaim, "The truth has prevailed, and falsehood has vanished; falsehood will inevitably vanish."

For a quick reminder, let me state the essence of Islam is THE ONENESS OF GOD; the worship of God ALONE without associating anyone or anything with Him. This Islamic essence is represented by the Arabic word WAAHED which means "ONE". The numerical value of this word is universally recognized as "19", since و W=6, ا A= 1, ح H=8, د D=4, and $6 + 1 + 8 + 4 = 19$.

The Qur'an's number "19" is found in Sura "74" and $19 \times 74=1406$ (THIS YEAR). This official announcement for the establishment of the UNITED ISLAMIC NATION comes on the first day of the Islamic year 1406.

Those permitted by God to understand the Qur'an's mathematical miracle (as published by this Tucson Mosque during the last decade) will fully realize the awesome dimensions of this declaration. They will realize that these are not human-made predictions, this is not vain talk.

THESE ARE MATHEMATICAL PROJECTIONS FROM QURAN. THESE ARE GOD'S PROPHECIES AND DECREES IN HIS FINAL MESSAGE

Despite these clear assertions, we expect the enemies of God to exhibit total blindness and declare that we are foretelling the future. ONLY GOD KNOWS THE FUTURE. AND HE HAS GIVEN THE WORLD CERTAIN GLIMPSES INTO THE FUTURE. It is NOT we who foretelling the future. This declaration has been mathematically inscribed within the letters, words and verses of Qur'an.

[9:33] He is the One who sent His messenger* with the guidance and the religion of truth, and will make it dominate all religions, in spite of the idol worshipers.

Here is a condensed summary of facts, mathematically projected in Qur'an as to the chronological establishment of the UNITED ISLAMIC NATION (UIN). These facts will be expounded, God willing, from the Tucson Mosque issues of MUSLIM PERSPECTIVE.
<http://www.submission.org/quran.html>

*** The UNITED ISLAMIC NATION constitution is already in existence; it is the Qur'an, the whole Qur'an and nothing but the Qur'an.

*** All the laws are already written down in Qur'an, the whole Qur'an, and nothing but Qur'an.

*** The economic system, a perfect system, is spelled out in detail in Qur'an.

*** WE WILL NEVER SEEK, NOR ADVOCATE, THE OVERTHROW OF ANY GOVERNMENT.

This matter (of overthrowing governments) is entirely in God's hand; His invisible and invincible soldiers will control this matter according to Qur'anic projections.

[3:26] Say, "Our god: possessor of all sovereignty. You grant sovereignty to whomever You choose, You remove sovereignty from whomever You choose. You grant dignity to whomever You choose, and commit to humiliation whomever You choose. In Your hand are all provisions. You are Omnipotent.

*** Geographically, UNITED ISLAMIC NATION will extend from Indonesia in the east to Morocco in the west, and from Nigeria in the south to Turkey in the north. THE FEDERAL CAPITAL SHALL BE MECCA.

*** All Muslim countries in the region will sooner or later join UNITED ISLAMIC NATION. Any government that rejects the invitation to establish God's truth and join UNITED ISLAMIC

NATION will fall. Even the so call Organization of the Islamic Conference (OIC) can never unite the Muslim in Unity. They themselves are idols worshipper. Only governments that join will survive.

*** Every Muslim, anywhere in the world, who upholds the original unaltered Islam as preached by God's final prophet Muhammad by following Qur'an, the whole Qur'an, and nothing but Qur'an, is automatically a member of UNITED ISLAMIC NATION.

*** Almost all present governments in the region will reject and scoff at this offer. Consequently, there will be a change of government in that region at the rate of at least three government every two years, until a government comes with the specific objective of joining UNITED ISLAMIC NATION.

*** The Islam being practiced in the region today has been severely distorted by traditions, innovations, and superstitions; it has nothing to do with true Islam. Upon joining UNITED ISLAMIC NATION, the people of the new member state will be re-educated. The original Islam, as preached by Muhammad, will be re-established.

*** All present-day idolatry throughout the Muslim world will be abolished and all shrines and tombs of saints and so-called saints, including the Prophet's tomb in Medina, will be demolished. All mosques will be re-dedicated to the worship of GOD ALONE:

[72:18] The places of worship belong to GOD; do not call on anyone else beside GOD.

*** THE ADVISORY BOARD OF UNITED ISLAMIC NATION has already sent an invitation to every government in the UNITED ISLAMIC NATION region, along with a copy of this Declaration.

*** Any government that expresses serious interest in studying the projected federation will be provided with all needed information, along with incontrovertible proof of authenticity and divine source of this Declaration.

*** The governments involved are in the following states: Afghanistan, Algeria, Bahrain, Egypt, Indonesia, Iran, Iraq, Jordan, Kuwait, Lebanon, Libya, Malaysia, Morocco, Nigeria, Oman, Pakistan, Qatar, Saudi Arabia, Somalia, Sudan, Syria, Tunisia, Turkey, Uganda and the United Arab Emirates.

*** Victory of the UNITED ISLAMIC NATION is absolutely guaranteed by God's own "19" words of the Qur'an's final sura in the order of revelation:

[110:1-3] When triumph comes from GOD, and victory. You will see the people embracing GOD's religion in throngs. You shall glorify and praise your Lord, and implore Him for forgiveness. He is the Redeemer.

*** Because UNITED ISLAMIC NATION will set a perfect example for the rest of the world, additional countries will join. Two stubborn corners will refuse to join, namely, USA & USSR (GOG & MAGOG). Just before the end of the world (1710 AH/2280 AD), the USA & USSR will try to crush the Islamic giant. That is when the horn will be blown, and the Day of Judgment will come to pass.

[18:99] At that time, we will let them invade with one another, then the horn will be blown, and we will summon them all together.

[21:96-97] Not until Gog and Magog reappear,* will they then return - they will come from every direction. That is when the inevitable prophecy will come to pass, and the disbelievers will stare in horror: "Woe to us; we have been oblivious. Indeed, we have been wicked."

WHAT MORE CAN WE SAY??

DO YOU BELIEVE GOD OR NOT?

God says that Quran is COMPLETE, PERFECT, & FULLY DETAILED, and that you shall not seek any other source:

[6:38-39] "We did not leave anything out of this book, then all will be gathered before their Lord (for judgment). Those who do not believe our verses are deaf and dumb; in total darkness. God sends astray whomever He wills, and directs whomever He wills in the right path."

[6:114] "Shall I seek other than God as a source of law, when He revealed THIS BOOK FULLY DETAILED?"

[6:115] "The word of your Lord is COMPLETE in truth & justice."
FINALLY: MOST IMPORTANT QUESTION

In your mind, can God survive ALONE???

Or, does God need Muhammad, in your mind, in order to be commemorated and worshiped???

In your mind, can GOD ALONE survive?

Or, does God need a partner, in your mind, such as Muhammad, Jesus, Mary, or some saint(s)???

Would you be perfectly happy and content if you knew about GOD ALONE, without Muhammad, Jesus, Mary, or any saint, or anyone, or anything?

Are you annoyed by talking about GOD ALONE?

When we keep talking about GOD ALONE, does this annoy you? Do you have to hear other names along with God? Can GOD ALONE survive in your mind?

When we repeat, and repeat talking about GOD ALONE, do you feel any repulsion? Or, are you happy and content with the talk about GOD ALONE???

Based on the Great Quranic criterion, as stated in 39:45, your answers to these questions provide the key to knowing yourself, and your destiny. It is the key for achieving victory in this life and the Hereafter or living in a miserable defeat in this life and eternally in the Hereafter.

As God promised before, He also has given a very important pledge for these Muslims who continue to reject the call of God Almighty to follow, Quran ALONE, the whole Quran ALONE.

[47:38] If you turn away, He will substitute other people in your place, and they will not be like you.

Praise be to God.

GOD BLESS

Shaikino

Di antara bloggers Tun ada yg

1. meyokong dan bertujuan membina, Teruskan perjuangan anda dengan memberi pandangan yg bernas, supaya Tun bolih membantu kerjaan membangunkan hak kita.

2. mengambil kesempatan mencaci, melepaskan geram, pada system sekarang dan sesudah

3. Yang bahaya dan perlu di ambil perhatian adalah, bloggers yg seolah musuh dalam selimut. Yg mejujahkan kata kata indah dalam masa yg sama cuba mempengaruhi minda kita ke arah kemusnahan.

Kita tidak tahu identity mereka sebenar.

Mereka adalah golongan kafir, bertopengkan nama melayu/islam menggunakan status professional seperti Dr, bagi mendapat perhatian dan pengaruh, untuk membenarkan apa yg tak benar.

Bloggers yg tulen mesti terus berjuang dengan memberi pandangan yg bernas, agar Tun dapat menyampaikan dan melaksanakan pandangan yg positive. Tak perlu kita balas kritikan mereka, mereka akan berpendirian mereka sendiri, dengan membalas alasan yg lain. Sampai besok pun tak akan habis.

Tujuan kita agar bersama kita dapat membina masyarakat kita, dengan berkommunikasi melalui blog Tun. Kalau blogger bertemu pakai nampak kasut, selipar, terompah pun terbang.

Setiap perbuatan pasti ada niat, niat yg baik dipercepatkan dan dilaksanakan, niat yg tak baik dihapuskan.

Dear The Hidden Secret,

Thank you for some of your insight, at first I was really against it. But after reading the original translation. It is really fascinating.

[63:1] When THE HYPOCRITES come to thee, they SAY, "WE BEAR WITNESS THAT THOU ART INDEED THE APOSTLE OF GOD." Yea, God knoweth that thou art indeed His Apostle, and God beareth witness that the Hypocrites are indeed liars.

There is answer to even the problem the muslim are facing today, and this has explained that what I was thinking proven to be correct as explain by you earlier;

Does Satan shed blood? YES HE DOES although he never personally or physically shed the blood of humans. Satan uses other entity ie. humans to shed blood. Satan commands [2:169] and whispers to his human followers [15:42], [17:63] to commit evil and vice including to shed blood. Satan's soldiers (ie. the devils) also play the same role as his. Those who obey and follow Satan has made Satan their god. That is why "the controversial translator" described Satan as "a temporary god" because Satan is the god of those who obey and follow him (Satan) [15:42], [17:63], [34:20]. However, he (Satan) dominion is temporary because his dominion is limited from the day he was sent to earth until the end of the world.

This has explained quite alot to me. It has proven what I thought to be exactly the truth.

Thank you for the enlightment, as again. the answer for those who goes against the truth is there.

[6:101] And among those around you of the wandering Arabs there are hypocrites, and among the townspeople of Al-Madinah (there are some who) persist in hypocrisy whom THOU (O MUHAMMAD) KNOWEST NOT. We, We know them, and We shall chastise them twice; then they will be relegated to a painful doom.

While I may accept this as the truth, but I will still not reject the Hadith. Again, this could be useful in the future.

Seseorang yang menghargai dan yakin bahawa agama mampu melahirkan sebuah dunia yang aman damai ialah jangan sering kita hendak agihkan dunia ini kepada dua: Jangan menekankan sangat saya-awak, agama kita-agama lain, Islam-bukan Islam, saya betul-awak salah, mesti pakai bahasa A -bukan bahasa B, mesti sistem A -tidak boleh sistem B..... dunia ini bukan bertentangan dan boleh juga ada kesempurnaan, kepelbagaian, beanika dan sebagainya.

Muslims are born on with Azan by Dad.In briefs

(Allah is great

Prophet Muhammad is the messenger

Lets us pray

Lets move towards progress)

This is the aim of Islam.

We are not bothered if someone or some nation like Singapore is more progress than us or more in anything.

It is not our destiny.

At age of 1-10 we are pampered by Dad and Mum

10-20,we are taught with educations,right and wrong.

20-30,we develops to find our own means,ambitious to buy the moon and the star.

30-40,we should be somewhere stable

40-50,we should be stable in life,some able to buy the moon and the star,then still not enough they want to buy the universe.

50 and above is like a bonus.

This is just the surface to most,not all.

Above all,humans now, be it Islam,Christian, Buddhist etc,

we worship money more that we created than God that create us.

The beauty of Islam when we reach 40-50,most tends to move to (akhirat),more to God,more to Islam.Kafir will still strives to buy

the Universe,after and after.....till death and still desire to bring their wealth along.

Islam demands before death, you must clear your debts,or creditors can request from their relations.

So if my neighbor is more progress, no 1 in everything is of no big deal to Islam. OF all having wealth cannot buy everything. We have seen rich successful family is broken up by their wealth. We have seen poor family eats on average means but are so attached.

Seluruh Dunia Islam jika bersatu tak mungkin dapat menentang hanya 3 negara,Israel,Amerika dan Britain.

Bersatu bukan untuk menentang tapi mengukuhkan perpaduan Ummah.

Ketiga Negara ini berTUHANKan senjata canggih,sudah menjadi adat kehidupan mereka.Meraka pembuat,pembekal senjata yg terbesar dan

canggih,Hukum akal,tak mungkin mereka akan menjual senjata yg akan memusnahkan mereka.Sebab utama kelemahan kita.

Maka perlu dan harus Dunia Islam bersedia,mungkin bukan hanya dengan bersenjata sendiri,malah mungkin ada jalan sebaiknya jalan.

Nak melawan api,takkan gunakan api,kita gunakan air.

Malaysia,Indonesia,Brunei harus memainkan peranan yg kerap bagi mengukuhkan perpaduan Ummah bukan hanya bersidang sahaja malah perhimpunan pelbagai majlis untuk memperiratkan lagi siratulrahim

umat Islam sedunia.Insyallah dengan kerap berhimpun, mungkin dapat membuahkan hikmah yg akan mengerunkan mereka.

Kita tak berdaya dan ketinggalan jauh dalam segi senjata.

Bukan kerana kita tak nak bantu saudara kita yg dizalimi,
Mereka berkeupayaan, maka sifat riak takabul yg membuat mereka bermaharajalela dengan
hanya beralasan kecil saja.

Takkan fasal sambal belacan pun nak pukul bini.
Kenapa nak pukul bini ,sebab bini jenis yg lemah.
Sebab itulah mesti ada perpaduan Ummah

Saya sendiri kalau berupaya memang tersangat ingin membantu saudara kita yg dizalim, begitu
juga saudara, tapi apa daya kita.
Nak boycott barang mereka, banyak barang mereka yg kita perlukan seharian, begitu juga kita
selalu nakkan pengeluaran makanan halal dimiliki orang Islam, tapi kenyataan, sampaikan belacan
pun bukan dimiliki orang melayu/Islam. Nak cakap apa Dol, asalkan halal bedal ajalah. Ini bukan
jenaka, ini satu kenyataan.

Saya sering terbayang di Iraq, Palestin, Afgan
bagaimana keadaan seorang bayi yg kedengaran bunyi lendakkan bom.
Sedangkan kecaian piring kaca, mereka sudah berteriak tanggisan,
megigil, muka merah padam, apakan lagi bunyi lendakkan bom,
belum serpihannya lagi.
Ya Allah ,sungguh zalimnya mereka. Ya Allah.

Assalamualaikum Tun,
saya adalah product pada zaman Tun dan amat berbangga mempunyai pemimpin seperti Tun,
namun dewasa ini saya semakin kecewa dengan perjalanan politik dan masa depan terutama
dengan nasib orang melayu, sehinggakan saya rasa seperti hendak memberontak dan
menunjukkan apa yang Melayu boleh lakukan. TUn perhatikan sendiri kini orang Melayu di
injak-injak di bumi sendiri sehingga pemimpin Melayu sendiri sudah hilang sengat dan hanya
mengiakan apa saja yang dilakukan oleh bangsa lain dan yang lebih menyedihkan tidak dapat
melakukan apa-apa jangan kata lakukan nak berkata-kata pun tidak berani.
Dari Zaman Pak Lah hingga Najib saya tidak nampak pemimpin Melayu yang betul-betul
berkaliber maaf jika yang saya katakan menyakiti hati tapi itulah yang saya rasakan.
Untuk pengetahuan Tun saya berasal dari Pulau pinang negeri yang mana Melayu adalah kelas
ke-dua dalam semua segi, namun survival skill kami lebih berdaya tahan dan tidak mustahil satu
hari nanti kami akan bangkit dengan cara kami.
Tun, disini saya meminta jasa baik Tun untuk melakukan sesuatu untuk orang Melayu, walaupun
saya tahu banyak yang Tun telah lakukan namun dewasa ini pemimpin Melayu sendiri yang
membuka pekung dan peluang kepada bangsa lain untuk menindas Melayu apa yang dikatakan
atas prinsip satu Malaysia.
Semua hak Melayu hanya tinggal sejarah dari Tanah Melayu ke Malaysia, Bahasa Melayu ke
Bahasa Malaysia dan keistimewaan Melayu hanya tinggal nama sahaja.
Jangan jadi seperti orang tua saya pernah berkata "Buai laju-laju dsampai balik sana, Melayu tipu
Melayu jual tanah kat Cina".
Harap pemimpin Melayu buka mata dan minda untuk generasi akan datang.

Sekian,

Muhammad Ali

Thank you sdr Kamal Ahmad and HBT for giving me some free coverage. I am humbled cos Tun cant get enough coverage for his speeches, I get coverage for keeping quiet (tongue in cheek comment)

.....UNITE TO FIGHT

Unity like religion is a noble pursuit soiled by people who call themselves leaders. Their unity is ganging up against another party, not pool resources to uplift your own. They bedevil, demonise others to rally support.

M'sian example is Umno. It is riddled with leaders of this mindset on unity, unite to fend off others. Other races in M'sia don't exhort its people to unite using fears of threats from other races. Chinese Indians Kadazan Iban never ask their people to unite against others, only to fight for justice.

Umno tells its people to unite against threats from fellow M'sians! It uses other races as the bogeyman to scare its people. Read this blog on why Malays should rally behind Umno!

Muslims have no issues with each other until a 'Muslim leader' comes along, Malays have no issues with other races until Umno leaders come along. These leaders peddle fear, horror, terror to get followers.

.....MY WAY

Unite by all means but not to fight, challenge, defend against anything. Unite on the concept of one for all and all for one, not we against them. When ants unite work gets done, when monkeys unite damage is done. Ants don't need leaders, monkeys do.

[By ezani](#)  [on](#) December 22, 2009 10:22 AM

Salam Tun

Thank you for keeping me up-to-date on this grand Islamic event of the OIC. As I have said before, many of our news media only prefer to broadcast Western news, rather than news concerning Islam. This has to be corrected. I also know that Yusof Qardhawi gave a speech at Masjid Negeri Shah Alam attended by PKR's Anwar Ibrahim and Dr Hussin Ali. The amusing thing was that many people thought that the Bahasa translator for Yusof Qardhawi was Anwar Ibrahim. However it was Ustadz Ghazali who looks and speaks like Anwar. Even my father was fooled.

I believe the bias and stereotyping that Islam is not as "strong" in Malaysia is because although we are successful economically with Islam as our official religion (as stated in Rukunegara) is because we have a secular government that trades with the West. We cannot deny this and many of our Malay UMNO leaders and Sultans also have their education in the West and so this influences their thinking. I am not saying education in the West is not good - to me Allah SWT mencurahkan ilmu atas dunia ini di mana-mana saja, walaupun kepada orang kafir dan pada negeri orang kafir.

However, I believe Islam is not as strong in Malaysia as it should be. I want to see a majority or Muslim Malaysians having a stolid and strong foundation in the Quran and Hadith AS WELL AS having a strong Western education. I am trying to do this to my children.

I believe steps should be taken by whoever is responsible to ensure Islam, the Quran and Hadith are taught very early on in schools. We need good Islamic teachers - who follow the correct teachings in Islam and yet are exposed to Western thoughts, in other words teachers who are exposed to the whole, wide world. As such they will have a good perspective in order to teach and disseminate Islam.

Even the scope of Islam is very, very wide. We have tauhid, fiqah, tasawwuf and other fiqah there is a very big branch of jenayyat, mu'ammalat, munaqahat and core fiqah (prayers, wudhu', etc). Thus we need good teachers. I remember when I learnt from a very respected and noble teacher a few years ago - he taught one particular branch of Islam every single day. On Monday we learnt terjemahan Quran, on Tuesday we had tasawwuf or tariqat, on Wednesday we had Mazhab Syafi'ie and Hudud, on Thursday we had Hadith / Riyadhus Solihin. On Friday and Sunday off and on Saturday we learnt Ilmu Mantiq dari Yunan (Greek logical principles) and hudud and mazhab-mazhab dalam Islam. It was an excellent class, one I learnt for almost 3 years. May Allah SWT Give His Best Rewards to my Tok Guru!

Tumpang lalu ya, Tun.

Kepada Zaq25:

This Zaq25 fella is so obsessed in putting down Tun . Zaq25, the Pathetic!

Chirac , Charlie Rose, Lee Kuan Yew...so, where are you in this story , which line, before after or in between them?

Nowhere at all, Jantan!

You are here because this blog is popular and you hope that these names you quoted will put you in their memoirs.

Hey Jantan, I got news for you - You will live life forever with this HATE disease. At least HIV many of us can help ease the pain with a little understanding and care....but HATE, YOU FEEL IT FOR YOURSELF LAH UNTIL YOUR TIME COME, AND THAT WILL BE ANOTHER CHAPTER YOU WILL DEFINATE HAVE TO DEAL ALONE.

If you are a Muslim...then, ..astagfirullahulazzim, banyak-banyak. If not, that's between you and your Creator.

My son, when he gets nonsense, his grandmother, will insist that he takes the wuduk, and command him to sit still until... well, its' her call. So, maybe Zaq25, you should too.

Go..go and take the wuduk, and sit still, later you can write it up on a paper and after that look into the mirror as suggested by LadyG.

Kau nampak siapa hah Jantan! Orang ke Puaka?

Saya harap Tun berdua tidak terusik langsung dengan telatah tetamu-tetamu yang tidak bersopan seperti Zag25 ini. Yang penting bagi kami Tun dilihat sebagai penyatu [ditanahair dan kepada masyarakat dunia Islam]. Manusia kena ada objektif, dan Tun berupaya mengumpulkan tenaga kearah pencapaian objektif itu. Orang yang cuba memperkecil-kecilkan atau memperlekehkan Tun adalah orang yang takut, takut sesuatu usaha itu berhasil. Orang itu nampak Tun sebagai ancaman kepada kemahuannya yang hina...samada orang ini pentingkan diri sendiri atau dia merasakan yang dominasi kumpulannya terancam dengan kehadiran dan sokongan Tun. Kami adalah sebahagian dari generasi yang tidak mudah digula dengan hasutan...letak dalam hitam putih tuduhan kalau tidak ianya hanya dengki, dendam peribadi yang tidak harus dilayan tapi harus diberi amaran supaya mereka-mereka yang seperti ini berhati-hati, baik individu atau kumpulan...kerana ianya akan berpatah balik....sebahagian besar kami bukan tong ngong, kami mampu berfikir.

Assalamualaikum Tun dan Tun Siti yang dihormati. Semuga Tun berdua sentiasa diberkati dengan tahap kesihatan yang memuaskan dan gembira selalu disamping keluarga tersayang. Maaf kerana menyepi, kami ambil kesempatan cuti sekolah untuk berpindah, [jadi bila nak hooked line ambil masa sikit] dan yang selainya melayan karenah anak.

Dearest Tun,

Jadi, persoalannya sekarang

- 1) Adakah Islam KITA masih kurang ataupun langsung tidak Islam seperti orang yang menggelar diri mereka lebih Islam dari orang lain?
- 2) Apakah amalan kerajaan ini langsung tidak memberi apa-apa erti pada pembangunan agama?
- 3) Adakah KITA masih digolongkan didalam kumpulan yang tidak akan masuk ke dalam syurga kerana gagal menegakkan syiar Islam?
- 4) Tahukah KITA salah satu dosa besar adalah memecah-belahkan umat Islam? Walaupun memperjuangkan politik atas nama Islam, ia tetap berdosa sekiranya menghala kearah pepecahan umat Islam.
- 5) Masihkah KITA buta untuk membezakan permata dan kaca?
- 6) Adakan peranan Malaysia kini dan sebelumnya tiada makna pada dunia Islam?
- 7) Tahukah kita tidak ada negara Islam yang tulen pun pada waktu ini kerana kita semua dikongkong dibawah sistem Barat dan Zionis.
- 9) Islam sepatutnya membawa kepada kemajuan bukan kepada kemunduran dan pepecahan.

Mungkin, inilah sebahagian dari fitnah akhir zaman. Menggunakan agama politik untuk memesongkan iman. Terlalu ramai yang tak nampak akan kesannya sekiranya kita masih berbalah.

Yang pastinya, Allah s.w.t akan berada pada mereka yang betul dan ikhlas.

Teruskan perjuangan Tun. Melayu itu hebat.

My dear TUN....

That Creation is too grand, complex, and mysterious to be captured in a narrow creed. That is why we cherish individual freedom of belief. At the same time our convictions lead us to other

affirmations . . .

Solidarity is not a matter of sentiment but a fact, cold and impassive as the granite foundations of a skyscraper.

If the basic elements, identity of interest, clarity of vision, honesty of intent, and oneness of purpose, or any of these is lacking, all sentimental pleas for solidarity, and all other efforts to achieve it will be barren of results.

Tun,

saya sebagai generasi muda dah bosan dengan masalah orang melayu zaman sekarang.sebenarnya hampa dengan erti kata sebenar.

1.UMNO cuba jatuhkan PAS, PAS cuba jatuhkan UMNO

-Saya tak faham kenapa orang melayu nak jatuhkan orang melayu.Mana perpaduan antara Melayu? Sebagai orang Islam? Pakaian sama, budaya sama, tapi hanya kerana parti politik berpecah belah, kutuk mengutuk, tak dapat apa-apa.Pendekatan kedua-dua parti politik ini dengan cara gaduh sini sana buat saya terfikir berapa IQ ahli-ahli politik ini sebenarnya.Hakikatnya, bukan UMNO dan PAS sahaja.Semua Parti pon bermasalah rasa macam penyakit H1N1.Dah bosan dengar semua orang politik ni berbalah.Saya tak tahu apa orang lain fikir pasal kenyataan saya ni, mungkin saya yang kurang matang agaknya.Maklumlah saya masih muda.

2. Masalah sosial di kalangan generasi muda.(seks bebas, arak, malas)

-Satu lagi masalah kalangan generasi muda,terutama Melayu. Tapi bukan semua Melayu macam tu.Ramai rakan-rakan saya Melayu yang rajin,dan pandai berfikir.Tapi segelintir generasi muda yang tak tahu apa yang mereka fikir.Mana tindakan UMNO dan PAS nak tolong generasi muda ni semua?Maybe ada.Tapi masih banyak berita yang ganjil-ganjil dekat Metro.Generasi muda pengerak sesuatu bangsa.Owh,saya lupa.Bergaduh-gaduh sesama mereka lagi penting dari nak tolong anak-anak muda zaman sekarang!Risau sampai ada yang jadi murtad.Tapi sayangnya bangsa melayu yang lebih tua tak hirau pun generasi muda.Biasalah jadi ahli politik untuk kesenangan masing-masing.

p/s:Sangat malu bangsa sendiri bergaduh.apa pun tak dapat.anyway tun,terima kasih for everything.saya percaya bangsa melayu adalah maju, kuat berusaha, rajin dan pandai.kami tak tidur.

Tun,

mungkin kerana kita rakyat Malaysia, kita tak tahu apa pandangan masyarakat Islam luar negara terhadap Malaysia.

Cuma parti pembangkang saja yang tidak mahu mengaku bahawa Malaysia adalah negara Islam, mungkin kerana parti mereka lebih Islam dari kita..

Mana mungkin mereka mengaku Malaysia amat dihormati oleh dunia Islam yg lain..

Ringkasan Kesesatan Fahaman Tajsim Oleh Imam Abu Al-Hasan Al-Asy'ari

Dalam buku maqalat Islamiyyin beliau, ada menyebut tentang ciri-ciri fahaman tajsim dan kesesatan mujassimah. Namun, kita simpulkan di sini kesesatan-kesesatan fahaman tajsim dan kesalahan golongan mujassimah seperti berikut:

Pertama: Mereka mendakwa Allah mempunyai kadar, iaitu ada saiz, ketinggian, lebar dan panjang.

Kedua: Mereka mendakwa Allah boleh menyentuh sesuatu dan boleh menempati sesuatu.

Ketiga: Mereka mendakwa Allah bersentuhan dengan Arasy. Arasy adalah tempat bagi Allah.

Keempat: Mereka mendakwa Allah ada bahagian anggota, alat-alat tubuh seperti muka, tangan dan mata (iaitu dengan makna zahir bagi lafaz-lafaz mutasyabihat tersebut).

Kelima: Mereka mendakwa Allah itu terbatas (ada had) dari segenap sudut mahupun mengambil ruang tanpa batasan.

Keenam: Mereka mendakwa Allah mendengar, melihat dan mengetahui setelah wujudnya benda-benda wujud.

Ketujuh: Mereka mendakwa perbuatan Allah membawa kepada pergerakan.

(maqalaat islamiyyin m/s 207)

Ringkasan Kesesatan Fahaman Tajsim Oleh Imam Ibn Hazm

Antara fahaman sesat golongan mujassimah adalah, mereka berkata:

Pertama: Tiada yang berbuat (al-fa'il) melainkan ianya suatu jisim.

Kedua: Tiada yang berbuat (al-fa'il) melainkan ianya bergerak-gerak.

Ketiga: Allah yang berbuat itu bergerak sejak dari azali.

Keempat: Menetapkan anggota, bahagian tubuh dan alat bagi zat Allah.

salam buat tun dan keluarga

kesilapan demi kesilapan dan terus mengulangi kesilapan yang sama adalah kegagalan dalam hidup. dalam memilih pasangan hidup pun kita kadangkala membuat kesilapan apatah lagi dalam memilih wakil rakyat yang kita sendiri pun tak tahu atas dasar apa mereka ini dilantik. tun secara peribadi apakah barisan wakil rakyat yang ada pada saat ini boleh membimbing dan menarajui

negara kearah negara maju pada tahun 2020?

saya tetap bersyukur kerana dapar seorang isteri yang taat akan saya dan saya percaya saya mampu menjadi contoh kepada anak -anak saya insyallah.

11. Ramadhan Foundation telah pilih Malaysia untuk yang kedua kerana ramai ulama dan orang Islam diseluruh dunia berpendapat Malaysia adalah contoh pembangunan agama dan negara mengikut ajaran Islam. Saya percaya ramai di Malaysia tidak dapat bersetuju. Tetapi inilah yang diperkatakan oleh mereka.

Assalamualaikum Tun,

... dan saya adalah antara mereka yang tidak dapat bersetuju.

Tapi macam mana saya nak berhujah, sedangkan pendapat mereka tidak diketengahkan.

Bagaimana boleh saya memperolehinya?

Saya beranikan diri untuk bertanya adalah kerana saya percaya Tun adalah antara mereka yang berfikiran terbuka dan pantas menangkap. Dan memang pun, saya dapati sifat mudah berubah ini ada pada UMNO secara umumnya. Mereka boleh bingkas untuk berubah, asal saja mereka 'nampak' kepentingannya.

Salamunalaykum Tun and others.

IN THE NAME OF GOD.

Unity is one of GOD's commandment in the Quran. Unity is one of the requirement if we want to succeed [3:200]. Unity is required when we fight in the cause of GOD [61:4].

[3:200] O you who believe, you shall be steadfast, you shall persevere, YOU SHALL BE UNITED, YOU SHALL OBSERVE GOD, THAT YOU MAY SUCCEED.

Yusuf Ali :

[3:200] O ye who believe! Persevere in patience and constancy; vie in such perseverance; STRENGTHEN EACH OTHER; and FEAR GOD; THAT YE MAY PROSPER.

[61:4] GOD LOVES THOSE WHO FIGHT IN HIS CAUSE UNITED IN ONE COLUMN, like the bricks in one wall.

Yusuf Ali :

[61:4] Truly GOD LOVES THOSE WHO FIGHT IN HIS CAUSE IN BATTLE ARRAY, as if they were a solid cemented structure.

Unity is from GOD [8:63]. Unity is a blessing from GOD [3:103].

[8:63] HE HAS RECONCILED THE HEARTS (of the believers). HAD YOU SPENT ALL THE MONEY ON EARTH, YOU COULD NOT RECONCILE THEIR HEARTS. But GOD DID RECONCILE THEM. He is Almighty, Most Wise.

Yusuf Ali :

[8:63] And (moreover) HE HATH PUT AFFECTION BETWEEN THEIR HEARTS: NOT IS THOU HADST SPENT ALL THAT IS IN THE EARTH, COULDST THOU HAVE PRODUCED THAT AFFECTION, but GOD HATH DONE IT: for He is Exalted in might, Wise.

[3:103] You shall hold fast to the rope of GOD, all of you, and do not be divided. Recall GOD's blessings upon you – YOU USED TO BE ENEMIES AND HE RECONCILED YOUR HEARTS. By His grace, you became brethren. You were at the brink of a pit of fire, and He saved you therefrom. GOD thus explains His revelations for you, that you may be guided.

Yusuf Ali :

[3:103] And hold fast, all together, by the rope which God (stretches out for you), and be not divided among yourselves; and remember with gratitude God's favour on you; for YE WERE ENEMIES AND HE JOINED YOUR HEARTS IN LOVE, so that by His Grace, ye became brethren; and ye were on the brink of the pit of Fire, and He saved you from it. Thus doth God make His Signs clear to you: That ye may be guided.

Disunity among “Muslims” is not a new problem. Some good examples are the armed conflict between Muhammad’s wife (Aisha) and Muhammad’s friend (Ali) in Battle of Bassorah, and the armed conflicts between Husayn Bin Ali (Muhammad’s grandson) and Muawiyah (Muhammad’s brother in-law) in Battle of Karbala.

http://en.wikipedia.org/wiki/Battle_of_Bassorah

http://en.wikipedia.org/wiki/Battle_of_Karbala

Did they (Aisha, Ali, Husayn and Muawiyah) do not understand [4:92-93]? Ali did understand [4:92-93] as he did not kill Aisha after he won the Battle of Bassorah.

[4:92] NO BELIEVER SHALL KILL ANOTHER BELIEVER, unless it is an accident. If one kills a believer by accident, he shall atone by freeing a believing slave, and paying a compensation to the victim's family, unless they forfeit such a compensation as a charity. If the victim belonged to people who are at war with you, though he was a believer, you shall atone by freeing a believing slave. If he belonged to people with whom you have signed a peace treaty, you shall pay the compensation in addition to freeing a believing slave. If you cannot find* a slave to free, you shall atone by fasting two consecutive months, in order to be redeemed by GOD. GOD is Knower, Most Wise.

[4:93] ANYONE WHO KILLS A BELIEVER ON PURPOSE, HIS RETRIBUTION IS HELL, WHEREIN HE ABIDES FOREVER, GOD IS ANGRY WITH HIM, and CONDEMS HIM, and has PREPARED FOR HIM A TERRIBLE RETRIBUTION.

Yusuf Ali :

[4:92] NEVER SHOULD A BELIEVER KILL A BELIEVER; but (If it so happens) by mistake, (Compensation is due): If one (so) kills a believer, it is ordained that he should free a believing slave, and pay compensation to the deceased's family, unless they remit it freely. If the deceased belonged to a people at war with you, and he was a believer, the freeing of a believing slave (Is enough). If he belonged to a people with whom ye have treaty of Mutual alliance, compensation should be paid to his family, and a believing slave be freed. For those who find this beyond their means, (is prescribed) a fast for two months running: by way of repentance to God: for God hath all knowledge and all wisdom.

[4:93] IF A MAN KILLS A BELIEVER INTENTIONALLY, HIS RECOMPENSE IS HELL, TO ABIDE THEREIN (FOR EVER): And the WRATH AND the CURSE OF GOD ARE UPON HIM, and a DREADFUL PENALTY IS PREPARED FOR HIM.

The way I look at it when two groups of “Muslims” fight... there are only two possible conclusions :-

1. Both of the groups are not holding to the Quran.
2. One group is holding to the Quran while the other group is not holding to the Quran.

The possibility of both groups holding to the Quran but fight with each other is nil. As such, In any current “Muslims” conflicts (armed or not), the above conclusions applies although both groups may try to justify their act with their different interpretation of the Quran.

Few important points which we could derive from [3:200], [61:4], [8:63], [3:103] and [4:92-93] are :-

1. Those who believe in GOD must BE UNITED.
2. Those who believe in GOD must OBSERVE GOD. Observe GOD means submit to GOD alone, not to any other entity. This is important to achieve success.
3. GOD is the one who unites us.
4. GOD loves those who are united.
5. Those who believe in GOD are forbid from killing another believer. If he kills another believer, he will go to Hell.

Based on [8:63] and [3:103], we have to accept the fact that GOD did not reconcile the hearts of the “Muslims”. GOD did not unite the “Muslims”.

Based on [3:200], we have to accept the fact that the “Muslims” are not obeying GOD’s commandment to be united.

Based on [61:4], we have to accept the fact that GOD does not love the “Muslims” as they are not united.

Based on [4:92-93]... I reserve my comment on this fact which may upset some “Muslims”.

To conclude we have to accept the fact that... GOD is not on the side of the “Muslims”.

[3:26] Say, "Our god: possessor of all sovereignty. YOU GRANT SOVEREIGNTY TO WHOMEVER YOU CHOOSE, YOU REMOVE SOVEREIGNTY FROM WHOMEVER YOU CHOOSE. YOU GRANT DIGNITY TO WHOMEVER YOU CHOOSE, and COMMIT TO HUMILIATION WHOMEVER YOU CHOOSE. In Your hand are all provisions. You are Omnipotent.

Yusuf Ali :

[3:26] Say: "O God! Lord of Power (And Rule), THOU GIVEST POWER TO WHOM THOU PLEASEST, and THOU STRIPPEST OFF POWER FROM WHOM THOU PLEASEST: THOU ENDUEST WITH HONOUR WHOM THOU PLEASEST, and THOU BRINGEST LOW WHOM THOU PLEASEST: In Thy hand is all good. Verily, over all things Thou hast power.

GOD bless.

Rightly so Muslim Unity is one of the agenda that matters. The topic fits well for the recent convention by the International Muslim Academy of Science, the Perdana Leadership Foundation and the Ramadhan Foundation United Kingdom.

The enemies of Islam strategise to promote whatever differences, sentiments, jealousies etc among Muslims. We finally fall in their trap with their schemings and false propaganda. So we have to constantly fight against such manipulations and remind ourselves of the need for unity.

If there was a consensus by the powers and the press to be to blackout the convention then we are supporting Malaysia as an Islamic country in name only.

The current leadership is a foregone conclusion. His hands are already tied behind his back by his own doings and forces beyond his control.

As for Zaq25, Muslims we do not seek glorification in this worldly life but hereafter. Apparently you are not one of us. So you can pray to the devil or be the devil itself.

Salam Tun,

Hari ini saya amat gembira apabila afp melaporkan hamas telah memulakan dengan menubuhkan jawatankuasa mengumpulkan dokumen untuk mendakwa penjenayah perang israel ke muka pengadilan, sesuatu yang tak pernah terfikir kepada pejuang anti zionis termasuklah orang kat malaysia ni, yang tahu terpekik terlolong dalam demo bodoh termasuklah yang dibuat oleh ketua pemuda umno suatu ketika dulu, what a cheap stunt,

Inilah langkah kecil tetapi amat signifikan yang saya percaya akan merubah sejarah sebagaimana yang akan berlaku kepada penjenayah perang nazi dan serbia, jika ada masa dan sumber kewangan alangkah bagus jika saya dapat menyertai pasukan pendakwaan tersebut dan mendakwa bush, sharon, livni, peres, nentanyahu, barak dan seluruh barisan kabinet mereka tersebut. amin

Salam Tun yang dikasihi,

Terima kasih sekali lagi kerana sudi meluangkan masa untuk memberi buah fikiran Tun kepada umat islam sejagat demi kebaikan dan perpaduan ummah.

1. Rasulullah telah berpesan kepada umatnya bahawa jika inginkan kejayaan didunia dan diakhirat berpandulah kepada Al Quran dan Hadis.
2. Ramai umat islam membaca Al Quran dan sebahagian juga membaca hadis nabi. Tetapi berapa ramai yang membaca dan mentafsir terjemahannya.
3. Misalan setiap hari kita sembahyang 5 waktu sehari semalam dengan membaca surah Al Fatimah pada setiap rakat di ikuti dengan surah2 lain didalam Al Quran. Tetapi adakah makna didalam surah2 tersebut kita faham dengan sebenar2nya.
4. Atau kita cuma hanya membacanya didalam Bahasa Arab lengkap dengan tajwid, lagu dan sebutan sahaja. Ini juga dapat dilihat setiap kali Tilawah Al Quran yang dianjurkan.

5. Pada bulan Ramadan pula kita digalakkan lagi membaca dan juga khatam Al Quran tetapi kita cuma mengikut2 amalan ini tanpa mentafsir sebenar apa yang dibacanya itu.
6. Inilah masalah sebenar masyarakat kita sendiri. Kita membuat sesuatu lebih daripada mengikut ikut tradisi orang2 tua kita dahulu sahaja tanpa mengetahui dan mengambil langkah yang lebih proaktif daripadanya.
7. Alangkah ruginya kita kerana isi kandungan Al Quran itu amatlah banyak untuk dikupas yang diturunkan oleh Allah swt kepada hamba2Nya yang mahu berfikir.
8. Apabila tafsiran nya tidak diendahkan apatah lagi kita ingin berdiskusi mengenainya maka sampai bila2 pun kita akan mempunyai berbeza-beza maksud Al Quran yang tersirat.
9. Inilah yang menyebabkan banyak perselisihan faham, ideologi dan juga pergaduhan sesama umat islam..hatta didalam negara kita sendiri.
10. Bacalah Al Quran itu walaupun sepotong ayat dan faham betul2 akan maknanya walaupun ia mengambil masa yang lama untuk khatam Al Quran.
11. Bolehkah dianjurkan Seminar untuk mentafsir Al Quran dan Hadis Sedunia supaya semua para Intelek dan Ulama dapat berdiskusi dan mencapai makna2 sebenar Al Quran dan Hadis ini?

To zack25..I think you have a serious mental disorder. You are addressing your sickness to the wrong doctor here. Please seek treatment from any ANIMAL DOCTOR which will be giving you some big jabs for FREE.

Wassalam..

Life becomes religious whenever we make it so: when some new light is seen, when some deeper appreciation is felt, when some larger outlook is gained, when some nobler purpose is formed, when some task is well done.

Salam Tun & fellow CheDet bloggers,

I want to specifically refer to comment by zaq25 on Dec 18th.

zaq, your opening sentence was already indicated what kind of person you are and I felt at first not worth a cent to comment or pay attention to.

But I just cannot let you go just like that. You know zaq? when you have so much hatred of a person like Dr Mahathir, coming with such comments about him, you are in deed a person of unsound mind.

The fact is that we do not need people like you, whoever you are to belittle such a great Malaysia leader. I do not know what harm Mahathir have done to you, causing so much misery to your life

but if any, he is a person who is willing to ask for forgiveness for his mistake. But will you have the courage to confront him. I doubt you have the ball to do that.

He is not only a great leader to Malaysia. He has done a lot for Malaysia and can be to the world as well if he is allowed to by the "western" controlled media and efficient propaganda machine. He dare to speak on behalf of those majority of the oppressed who dare not speak for themselves. Obviously, this is much disliked by the those who want to control the world with the main agenda rob their abundant natural resources badly needed by the west.

To you an example, will glorify USA as a great democratic country. Why not? because USA is the most powerful country in the world with military might to fight for justice & freedom , economic strength and global influence politically to keep world peace. Is it really true? To me, USA may offer many goods things to world which I cannot deny. However, its military might have lead it to become a great global bully & terrorist. USA a bankrupt country as the claimed economic strength is only a perception created like a hollywood movie. Political influence is due to mutual respect but arms twisting and blackmailing leaders of the weak countries who have to tow the line with USA wishes. Of course, USA dislike a person like Dr Mahathir, so are you.

I do not know who you are but if you a Malay, you are a "pengkhianat bangsa", if you are a Muslim, you are not a bersyukur kind, if you are a Malaysian, you are unpatrotic kind, if you a foreigner, please mind your business and go back to the country where you belong.

By [azmany](#)  on December 20, 2009 10:56 PM

Sesungguhnya musuh yang nyata bagi manusia (bukan sahaja orang Islam) ialah syaitan. Dan pecah-belah ialah senjata utama syaitan.

Kalau dilihat sekarang, peperangan besar ialah untuk menjauhkan manusia dari tuhan. Umat Islam - walaupun dilanda pergolakan dan perpecahan, rata-rata masih memegang kuat pegangan ketuhanan. Malangnya, umat-umat lain dari kitab taurat dan injil sudah kalah dan meninggalkan pegangan ketuhanan.

Di kaca televisyen dan di filem-filem, satu arus kencang sedang melanda dunia dimana mesej nya ialah - demon and monsters are actually cool people and not to be feared. Cerita-cerita vampire, hantu dsb nya.

Umat Islam telah diberi last baton untuk menegakkan ajaran tuhan di muka bumi ini. Kalau kita terus ber pecah belah dan bersedia 'to sleep with the devil' demi untuk mendapatkan dan mengekalkan kuasa, tidak lama syaitan juga akan terus berjaya melemahkan pegangan kita.

Dan bila itu sudah berlaku - truly the end of the world would come. Al Quran telah terang-terang mengaitkan doomsday dengan taraf keimanan manusia dan bukan dengan global warming. Kalau anda masih memegang dengan tiang iman ini - fikirkan sendiri dan jangan tertipu dengan propaganda syaitan. (Dan ingat bahawa syaitan beroperasi bukan sahaja melalui orang Yahudi atau musuh Islam - tetapi juga melalui orang yang nampak-Islam.)

Selamat Tahun Baru Hijrah.

Saya harap tidak terlewat mengucapkan syabas atas kejayaan Tun dan semua orang yang terlibat menjayakan persidangan itu.

kalau kita sebuah negara yang boleh bertoleransi antara berbilang kaum dan agama maka tidak seharusnya kita mengetepikan kaum islam yang berlainan mazhab. Sikap toleransi kita itulah yang menjadi perhatian orang luar pada negara kita.

Bukan kita hendak mengikut fahaman mereka tetapi dari situ kita tahu dimana salah dan silap yang perlu diperbaiki pada semua umat islam.

Hal berkenaan dengan media kita tu... faham-faham je le... gosip VIP dengan artis saja jadi tajuk utama.

Malang sekali liputan yang sewajarnya tidak diberikan kepada perhimpunan cendiakiawan Islam yang datang dari seluruh dunia. Memang betul kalau adapun liputan daripada media tempatan, baik media arus perdana atau picisan, liputan yang diberikan ibarat melepaskan batuk di tangga.

Rugi, amat rugi semua pembaca akhbar, kerana liputan yang diberikan sangat mengecewakan.

Ini juga melambangkan tahap intelek orang-orang yang dipilih untuk memimpin akbar-akhbar arus perdana hari ini. Keupayaan pemikiran mereka tak sampai kemana pun.

[By MAZAI on](#) December 20, 2009 3:06 PM

Dear Tun,

All Muslim must be thankful with what you have contributed for Muslim unity, be it in Malaysia or the world. So much have been said and done by you to unite the Muslim but not much success. Indeed the split become deeper and deeper.

We could not deny that some of the factor which contribute to Muslim disunity is politic. Among Muslim the split has began 1,400 years. Immediately after Muhammad (peace be upon him) pass away the friction started. Not because of Islamic teaching or fatwa but politic. We split into various political groups in determining who should rules the country. We also split in fighting over a territory.

Beside politics Muslim become split due differences interpretation the teaching of Islam. To day Muhammad (pbuh) has passed away nearly 1,400 years. He is not around anymore to make final decision on any vague issues that arise. Common Muslim has to rely on their Imams, ulama, gurus, or ustaz. Al quraan and hadiths can only provide guidances and these schoolers will make a decision or stand on the issues. More often than not every ulama will have their own interpretation. These differences in interpretation once followed and practices will create groups or sects in Muslim community.

The disunity become worse and become unbearable once the sects of opposite parties become so 'taksib' in their believe even to the extend allowing their follower to kill their brother muslims from different Sects. They even willing to invite their common enemy to chase or kill their brothers. To day it has been proved that more Muslim were killed by their brothers than by their actual common enemy -non Muslim who hate Muslim.

The teaching of Islam has become 'dirty' in the eye of common people. We split in chasing the TRUTH teaching of Islam. In the end we are not following the teaching of Muhammad instead we more concern weather what we do is in line what the imam or ustaz directions or not. Who should be blamed.?

In actual facts the problem can be easily solved if we can reduce the degree of our 'taksib'. we must accept all islamic teachings are correct unless they deviate form the basics of 'rukun Iman' and 'rukun Islam'. Only Allah SWT knows what is true and what is false.

Finally let pray: "O Allah, there is no god but You O Allah and Muhammad is only Your messenger. We are only human being created by You and with all the weakness to You we surrender."

Assalamualaikum Tun.

Ini pertama kali saya tulis komen dlm blog Tun. Sebelum ni mmg saya selalu baca blog Tun. Komen Tun ringkas, tapi berisi, lagi mendalam.

Saya sebagai genarasi muda, saya sangat risau dgn perpaduan org Islam sekarang. X kira kat Malaysia, kat seluruh dia umat islam berpecah. Sebab kita berpecah la org anti islam bole ambik kesempatan. Tgk je kat Malaysia pun dah bole nampak trend nyer ke arah situ.

Saya sngt2 berharap umat islam, terutama nyer di Malaysia, bersatu di bwh satu payung. Lupakan kepentingan politik. Kita semua mengucap kalimah syahdah, x ade beza antara kita sesama islam.

yang dikasihi Tun..

Izinkan..

Mana perginya orang yang mengaku dan mengangkat diri sendiri lebih Islam dari Muslim yang lain?

Mana perginya orang yang mengkafirkan Muslim yang lain?

Mana perginya orang yang mengaku ulama tapi mendoakan yang buruk untuk saudara Muslimnya?

Mana perginya orang memukul gendang perang terhadap Muslim yang lain kerana mahu mengangkat Islam di tempat tertinggi tetapi sanggup bersekongkol dgn kafirun yang mempersendakan Islam?

Mereka tiada di majlis sebegini kerana majlis ini mengeratkan persaudaraan Islam.. menghormati perbezaan dan mendampingi persamaan. Tiada istilah 'sembahyang Jumaat satu mukim di dua masjid di sini..' Paaaaatut la....

PEACE

MUSLIMS CAN NEVER ATTAIN UNITY WHEN THEY BROKE GOD CODE!

For centuries, Islam (Submission) and the Muslims (Submitters) were leaders of the world as far as freedom, democracy, and civilization are concerned. Between the 7th and 12th centuries, Islam was the center of a brilliant civilization and of a great scientific, philosophic, and artistic culture. The Islamic world was an open society based on the laws of the Quran that advocated tolerance of other cultures and beliefs. It interacted with the Greek East and Latin West and supplied both with great resources that constituted the fundamentals of today's advances in every aspect of modern science.

After prophet Muhammad's death and as the time passed, the Muslims gradually drifted away from the laws of the Quran in favor of the man made laws derived from the books of Hadiths (Sayings) and Sunna (actions) that were falsely attributed to the prophet Muhammad. Within few hundred years from building that great empire, the freedom, democracy, tolerance, and civilization were gradually lost as the man-made laws took over from the perfect laws of God in the Quran.

It is from that time when the Muslim masses deserted the Quran that they have been defeated continuously, in every country, every war, every battle and every conflict and until our present time. The so called "Muslim" countries are the poorest, most humiliated, most oppressed and least advanced among the whole world. They are losing in every battle, in Palestine, in Iraq, in Chechnya, in Afghanistan, in Kashmir, in Europe, in practically everywhere. The Muslims will have to return back to the Quran to have any victory in this life, or God will substitute others in their place, as He promised.

WHY THEN ARE THE MUSLIMS DISUNITED?

In view of the guarantees shown in these Quranic verses, and since God is never wrong, the "Muslims" of today could not possibly be Muslims. They have broken their pledge to uphold God's commands in His sacred book, the Quran, and brought defeat and humiliation for themselves.

If God does not break a promise, then all these Muslim masses have to wake up to see what they have been doing wrong. Why they have got no victory for several centuries and there is no victory appearing in the near future . Why are they under continuous oppression, with no

freedom , freedom to worship, freedom to choose their leaders, speak their minds or freely manage their properties.

HISTORICAL FACTS

For as long as the Muslim Ummah upheld Quran, and nothing but Quran, the Muslims led the world scientifically, technologically, culturally, socially, militarily, and economically. They never lost a single battle. The borders of Islam extended from West Africa to China; into Southern France and Eastern Germany.

With the appearance of Hadith & Sunna at the beginning of the third century AH, a progressive deterioration of the Muslim Ummah began. Since the appearance of these innovations as sources of guidance beside the Quran, the "Muslims" never won a single battle.

WHY THEN ARE THE "MUSLIMS" DEFEATED? God already gave us the answer over 1400 years ago.

BECAUSE they refuse to believe God in His repeated statements that Quran is COMPLETE, PERFECT, FULLY DETAILED, and SHALL BE THE ONLY SOURCE OF RELIGIOUS GUIDANCE. Because they have accepted other sources, namely, Hadith and Sunna, beside Quran.

[20:124-127] "Whoever disregards My message (Quran) shall have a miserable life, then we will resurrect him, on the Day of Resurrection, blind. He will say, 'My Lord, why did You resurrect me blind, when I used to be a seer (in the first life)?' (God will say), 'This is because Our revelations came to you, but you forgot them, and consequently, today we forget you.' We thus punish those who exceed the limits and refuse to believe the verses of their Lord. And surely, the retribution in the Hereafter is far worse, and everlasting."

Witnessing what has been happening to the Muslims around the globe and with these verses in mind we can easily recognize the great disaster they brought to themselves by deserting God's book for the sake of man made fabrications that received no support from God or His prophet. They deserted God and therefore He has deserted them. God also told us that His messenger will complain to Him on the Last Day from these Muslims;

[25:30] The messenger said, "My Lord, my people have deserted THIS Quran."

Many of these Muslims will claim that they still follow the Quran, but they do not follow the Quran ALONE, as God commanded in His book. They follow with it the laws derived from the books of Hadith and Sunna. This immediately contradicts the teachings of God in the Quran that clearly call for following NO OTHER LAW but the Quran.

[6:114] Shall I seek other than GOD as a source of law, when He has revealed to you this book fully detailed? Those who received the scripture recognize that it has been revealed from your Lord, truthfully. You shall not harbor any doubt.

[5:48] Then we revealed to you this scripture, truthfully, confirming previous scriptures, and superseding them. You shall rule among them in accordance with GOD's revelations, and do not follow their wishes if they differ from the truth that came to you.....

[5:49] You shall rule among them in accordance with GOD's revelations to you. Do not follow their wishes, and beware lest they divert you from some of GOD's revelations to you. If they turn away, then know that GOD wills to punish them for some of their sins. Indeed, many people are wicked.

[5:50] Is it the law of the days of ignorance that they seek to uphold? Whose law is better than GOD's for those who have attained certainty?

GOD Has warned His prophet 'not to be diverted' from the Quran...that he holds fast to the laws of GOD and seeks no other!.

ONE GOD / ONE SOURCE

Our Almighty Creator commands that QURAN, specifically QURAN, SHALL BE THE ONLY SOURCE of religious teachings. Furthermore, we are told that THE ACCEPTANCE OF ANY OTHER SOURCES for religious guidance equals the setting up of OTHER GODS BESIDE GOD:

[6:19] "Say (O Muhammad), 'Whose testimony is greater?' Say, 'God is the witness between me and you that THIS QURAN was given to me to preach it to you, and to whomever it reaches.' However, you certainly bear witness that you set up other gods beside. Say, 'I will never do what you are doing; I disown your idol-worship.'"

This profound verse, which happens to be verse [19] of Sura 6, enjoins the believers from upholding or following ANY OTHER SOURCE BESIDE QURAN, and that doing this is equivalent to the setting up of other gods beside God.

In the strictest possible language, we are commanded to uphold Quran, the whole Quran, and nothing but Quran.

Repeatedly, we are commanded to uphold Quran as the ONLY SOURCE OF RELIGIOUS GUIDANCE. Again and again, we are reminded that the following of ANY OTHER SOURCE BESIDE QURAN EQUALS THE SETTING UP OF OTHER GODS BESIDE GOD.

Verses 22 through 38 of Sura 17 represent some of the most important commandments in Quran. Immediately following these verses we find the verse shown below:

[17:39] "This is some of the wisdom revealed to you (in this Quran), and YOU SHALL NOT SET UP ANY OTHER GOD BESIDE GOD (by following any other source beside Quran). Otherwise, you will be thrown into hell, blamed and debased."

Despite all these clear commandments and extremely strict injunctions, why do the followers of Hadith & Sunna fail to uphold the Quran alone?

Verses 45 and 46 of Sura 17 inform us that those who refuse to believe God and heed His commandment to uphold Quran ALONE are deliberately isolated from Quran.

[17:45-46] "When you read the Quran, we place between you and those who do not believe in the Hereafter an invisible barrier. And we place shields on their hearts, to prevent them from

understanding Quran, and deafness in their ears. Consequently, when you preach your Lord IN THE QURAN ALONE they run away in aversion."

WHY CAN'T THE MUSLIMS UNITED IN ONE UNITY?

The angels of God knows that there will be chaos on earth but with little knowledge but God know full well, how many Muslims the truth believer are on His site and how many so call claim Muslims believer are diverted on Satan site.

[2:30] Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

THE WORK OF THE SATAN TOWARD HUMANITY

[7:17] "I will come to them from before them, and from behind them, and from their right, and from their left, and You will find that most of them are unappreciative."

[15:39-42] He (Satan) said, "My Lord, since You have willed that I go astray, I will surely entice them on earth; I will send them all astray. Except those among Your worshipers who are devoted absolutely to You alone." He (God) said, "This is a law that is inviolable: you have no power over my servants; you only have power over the strayers who follow you."

Satan advises his "Muslim" allies not to accept the Quran alone. He tells the "Christians" to accept Jesus as God or son of God. He tells them to limit the extent that they will believe everything in the scripture. And Satan instructs the humans to resist the signs of God.

As soon as the human chooses NOT to uphold the Word of God ALONE and worship God ALONE, the Master Hypnotist robs and strips the human of his mind. Satan even makes his followers believe that they are guided.

[7:30] He (God) guides some people while others are committed to straying. They have chosen the devils as their masters, instead of God, YET THEY BELIEVE THAT THEY ARE GUIDED.

HOW SATAN HYPNOTIZES HUMANITY?

Hypnosis is a trance-like condition characterized by an altered state of consciousness, diminished will power, and an increased responsiveness to suggestion. People differ in their suggestibility to hypnosis. A person cannot be hypnotized against his will; he must obey the suggestions of a hypnotist.

Hypnosis has been employed to help people with physical and psychological diseases, as well as for harmful purposes. An effective hypnotist is skilled in gaining the confidence of his clients. He knows that 'it takes two', the client and himself, to produce the desired effects. Our concern here is with the Master Hypnotist who misleads humanity en masse.

The Master Hypnotist also gains the trust of his subjects. But, unlike human hypnotists, he is invisible.

[7:27] ...He (Satan) and his tribe can see you, while YOU DO NOT SEE THEM. We appoint the devils as companions of those who do not believe.

Satan meets and even exceeds the qualifications of a hypnotist because he knows when and how to make his suggestions, according to a person's mind, character, desires and habits. He has considerable knowledge of human nature, and he has thoroughly succeeded in rendering millions of humans unable to use their minds.

[7:17] (Satan said,) "I will come to them from before them, and from behind them, and from their right, and from their left, and You will find most of them un-appreciative."

People who are unappreciative of God are hypnotized by Satan without their knowledge. Countless millions of people say, "I believe in God," when in fact their hearts do not mean it. Their utterance is no more than lip service to go along with parents, friends, or the society at large.

Whenever they have opportunities to break away from deception and doubt, they cling to fabricated falsehoods. This leaves them susceptible to Satan's hypnosis. For the Master Hypnotist is given access to the person's true intentions and innermost beliefs, not outward appearances and lip-service utterances. By going against their God-given instinct to worship God alone and uphold His word alone, people enable the Master Hypnotist to set them up for self-destruction behind an invisible barrier.

[7:172] Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "Am I not your Lord?" They all said, "Yes. We bear witness." Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

[3:69] Some followers of the scripture wish to lead you astray, but they only lead themselves astray, without perceiving.

[6:26] They repel others from this (Quran), as they themselves stay away from it, and thus, they only destroy themselves with-out perceiving.

[7:182-183] As for those who reject our revelations, we lead them on without them ever realizing it. I will even encourage them; My scheming is formidable.

Satan gradually instills his suggestions into the minds of his subjects; ideas counter to the worship God alone. Satan hypnotizes his subjects into doing anything that reflects disbelief, idol-worship, or hypocrisy.

[59:16] They are like the devil: he says to the human being, "Disbelieve," then as soon as he disbelieves, he says, "I disown you. I fear God, Lord of the universe."

A trained hypnotist slowly infuses his directives into the subject's mind because this "drop by drop" approach helps the subject understand the instructions. But, in Satan's case, it is a matter of making a person feels at home with negative prompts. God protects His sincere servants from the Master Hypnotist's obvious and subtle attempts to hypnotize them.

[23:97-98] Say, "My Lord, I seek refuge in You from the whispers of the devils. And I seek refuge in You, my Lord, lest they come near me."

And the devil will say, after the judgment had been issued,

[14:22] "God has promised you the truthful promise, and I promised you, but I broke my promise. I had no power over you; I simply invited you, and you accepted my invitation. Therefore, do not blame me, and blame only yourselves. My complaining cannot help you, nor can your complaining help me. I have disbelieved in your idolizing me. The transgressors have incurred a painful retribution."

[16:98-100] When you read the Quran, you shall seek refuge in God from Satan the rejected. He has no power over those who believe and trust in their Lord. His power is limited to those who choose him as their master, those who choose him as their god.

[15:42] (O Satan,) "You have no power over My servants. You only have power over the strayers who follow you."

[17:64-65] "You may entice them with your voice, and mobilize all your forces and all your men against them, and share in their money and children, and promise them. Anything the devil promises is no more than an illusion. As for My servants, you have no power over them." Your Lord suffices as an advocate.

THE CONSEQUENCE OF NOT BELIEVING GOD

Now, you have the total freedom to decide to believe God, or to reject His statements, and ignore His commandments, provided you are willing (or unwilling) to accept the consequences. You agree, no doubt, that refusing to believe God is a very serious offense. Just how serious is expressed in verse 40 of Sura 7:

[7:40] "Surely, those who do not believe our revelations, and are too arrogant to heed them, the gates of the sky never open for them, nor will they ever enter Paradise until the camel passes through the needle's eye. We thus requite the guilty."

Thus, it is A PHYSICAL IMPOSSIBILITY for those who refuse to believe God to enter Paradise.

THE GREAT DISASTER

[40:10-12] "(On the day of judgment) the disbelievers will be told, 'God's abhorrence towards you is far worse than your own abhorrence towards yourselves, for you were invited to the faith but refused.' They will say, 'Our Lord, You gave us two deaths and two lives, and now we confess our sins; IS THERE ANYWAY OUT?' That is because when GOD ALONE was advocated, you refused to believe. But when idols were advocated along with Him, you believed. Therefore, judgment now belongs with God, the most high, the great."

When GOD ALONE is advocated, do you believe? OR Do you have to have others advocated along with Him?

[40:33-35] "When their messengers went to them with clear evidence, they were satisfied with the knowledge they already had, and the very thing they ridiculed caused their doom. Then, when they say our retribution, they said, 'NOW WE BELIEVE IN GOD ALONE AND WE

REJECT OUR PREVIOUS IDOLATRY.' But alas, their belief is useless to them after they see the retribution. Such is God's law which is never changeable; such disbelievers are doomed."

Are you happy and satisfied with the knowledge you inherited from your parents, elders or scholars? (Hadith & Sunna)

Are you willing to give up such knowledge, in favor of God's teachings? OR, will it be too late for you?

THE GREAT CRITERION

[39:45] When God Alone is advocated, the hearts of those who do not believe in the hereafter shrink with aversion. But when idols are mentioned besides Him, they rejoice.

MUSLIMS CAN ATTAIN UNITY UNLESS THEY UPHOLD GOD SOURCE ALONE!

Those who are familiar with the Quran know that God promised the believers victory in this world and in the Hereafter. God also reminds us that victory comes only from God and not by turning our back to Him.

[3:126] GOD thus informs you, in order to give you good news, and to assure your hearts. Victory comes only from GOD, the Almighty, Most Wise.

The Quran teaches, unequivocally, that victory is G U A R A N T E E D for the Muslims:

[30:47] "We have decreed that the believers will be victorious."

[40:51] "We will positively grant victory to our messengers, and to those who believe, both in this life and on the day of resurrection."

[22:40] "God will support with victory those who support Him. God is powerful, Almighty."

[22:38] "God will surely defend those who believe. God does not like any betrayer, disbeliever."

[47:7] "O you who believe, if you support God, He will grant you victory, and strengthen your foothold."

God also reminded us that He does not break His promises.

[30:6] Such is God's promise - and GOD never breaks His promise - but most people do not know.

WHAT MORE CAN WE SAY??

DO YOU BELIEVE GOD OR NOT?

God says that Quran is COMPLETE, PERFECT, & FULLY DETAILED, and that you shall not seek any other source:

[6:38-39] "We did not leave anything out of this book, then all will be gathered before their Lord

(for judgment). Those who do not believe our verses are deaf and dumb; in total darkness. God sends astray whomever He wills, and directs whomever He wills in the right path."

[6:114] "Shall I seek other than God as a source of law, when He revealed THIS BOOK FULLY DETAILED?"

[6:115] "The word of your Lord is COMPLETE in truth & justice."

FINALLY: MOST IMPORTANT QUESTION

In your mind, can God survive ALONE???

Or, does God need Muhammad, in your mind, in order to be commemorated and worshiped???

In your mind, can GOD ALONE survive?

Or, does God need a partner, in your mind, such as Muhammad, Jesus, Mary, or some saint(s)???

Would you be perfectly happy and content if you knew about GOD ALONE, without Muhammad, Jesus, Mary, or any saint, or anyone, or anything?

Are you annoyed by talking about GOD ALONE?

When we keep talking about GOD ALONE, does this annoy you? Do you have to hear other names along with God? Can GOD ALONE survive in your mind?

When we repeat, and repeat talking about GOD ALONE, do you feel any repulsion? Or, are you happy and content with the talk about GOD ALONE???

Based on the Great Quranic criterion, as stated in 39:45, your answers to these questions provide the key to knowing yourself, and your destiny. It is the key for achieving victory in this life and the Hereafter or living in a miserable defeat in this life and eternally in the Hereafter.

As God promised before, He also has given a very important pledge for these Muslims who continue to reject the call of God Almighty to follow, Quran ALONE, the whole Quran ALONE.

[47:38] If you turn away, He will substitute other people in your place, and they will not be like you.

Praise be to God.

GOD BLESS

Dengan izin Tun,

Hi Zaq25

Ah yes, every blog has it's blathering idiot and it looks like this blog has you in that role.

Tun is not in the entertainment business and doesn't go out to win popularity contests. In fact he doesn't care how he's remembered. In an international TV interview Tun appeared visibly surprised when popped a question about he'd like to be remembered -- he couldn't think of an answer and actually said he didn't care because he wouldn't be around to worry about it.

Both Nelson Mandela and Tun were honoured by the first awards of the UK's All Party Parliamentary Group "The Friends of Islam" to "recognise the contribution made by individuals to the greater understanding of Islam in the world community."

Pakistan's International Islamic University also awarded Mandela and Tun (and Jordan's Prince Talal) together "in recognition of their outstanding contribution to the socio-economic well-being of their nations." "Both Prince Talal and Mahathir Mohamed received the degrees personally to a resounding applause from the faculty, students and a large corps of Islamabad-based diplomats while a nominee of Nelson Mandela received the degree on behalf of the former South African President."

For people who think, Zaq25, the above show the substance of the man, not whether he had more minutes with a light-weight TV talking head -- he's not known to ask tough questions of his guests -- like Charlie Rose.

You said, I have conducted a simply survey in various forums centered around American and European audiences

I wouldn't worry if many Americans, especially the ones that you "surveyed" don't know who Tun is -- many Yanks can't place their own country on the world map. In fact, when interviewed by the BBC, their former leader and a war criminal, George Bush, couldn't name the presidents of Chechnya or Pakistan or the prime minister of India.

Since you are interested in polls, a Gallup poll found only 55% of Americans knew the real historical event behind the 4th of July celebrations, and 19% were not sure which country they got independent of. But all is not lost, Zaq25, -- at least 79% of them knew the earth revolves round the sun.

Zaq25, I'd be seriously worried if I were in your shoes -- you've a very limited source of information. You need to widen your horizon a bit and don't just watch CNN, Hollywood movies or frequent your usual internet forums. Read a book, but not just like how George Bush reads. "One of the great things about books is sometimes there are some fantastic pictures" is one of George Bush's great quotations Don't just look at the pictures, eh Zaq25? Do some real homework.

Tun Mahathir started Malaysia on the road to IT literacy and you use the internet to just watch CNN and Youtube instead of trying to learn about the world. What a waste. Well I guess yer can bring them horses to the trough but yer can't make 'em drink them water eh pardner?

Hee haw.

Obviously you don't stand next to Mandela! (you did exactly that in that Stadium Negara rally) He is a giant of a man (you said so yourself). He will easily blow you away. And indeed you were.

The very Msians who produced 3R (your daughter's show) and Kopitiam PULLED STRINGS and are behind it. It was in the Star. I know. Ask Marina. Besides, History Channel ASIA merely talks about small regional Asian history like yourself. The main one in the US is the big one with Julius Caesar, the Pharoahs, the Empires, World Wars, and all that.

Bush and Bush Jr will also go down the road as the greatest people alive ever.. and many more americans... universal icons for what reason? Great 100 is starting from Mohammed pbuh (see Hart 100).. Jesus Christ pbuh at Number 3...

Salam Tun & fellow CheDet bloggers,

It is nothing to be surprised about the weak situation of the global MUSLIM community. In order to have global unity, Muslim must start establish unity at home country first.

Even in Malaysia, we are fighting each other how can we be involved and participate effectively to promote to create unity of the Ummah? Political (locally or globally)agenda seems to overrides everything based on human greed for power and wealth.

By adopting and subscribing fully to 5 pillars of Islam + 6 pillars of faiths (Iman) in Allah, will not be enough to create Muslim unity. Why? Because most Muslims are not following to the true teaching of Islam based on Quran & hadith. Muslims have been reminded by Prophet SAW " I left you all 2 things, Quran & my sunnah, by referring to these sources, you will be safe forever, life on this earth and life after" . Allah too have reminded in Quran that the Muslims must subscribe to the teaching of Quran, hadith and Berjemaah and they will be protected.

You can have many conventions and so forth but without the practicing of true teaching of Islam, Muslim will never be united and will continue to be persecuted by the enemies of Islam as currently happening right in front of our eyes.

Therefore, all Muslim have no other choice but must go back to basic based on Quran, Hadith & Jemaah. Must start with individual, families, local communities, national and global, in that order.

Salam YABhg TDM n semua

Sangat menghairankan, kerana agenda yang begitu besar ini diliputi secara remeh oleh media tempatan. Adakah semua media tempatan telah dikuasai oleh zionis yang tidak mahu akviti pembangunan umat Islam sedunia mencapai kejayaan.

Saya menyeru kepada semua supaya satu memorendum dapat disampaikan kepada PM DSNTR kenapa perkara ini berlaku? Kita ingin tahu, tangan-tangan apakah yang telah menghalang penyebaran maklumat yang murni ini. Tidakkah ini satu usaha yang sangat besar kepada dunia Islam yang perlu disokong oleh kerajaan dan seluruh umat Islam di Malaysia? Tidakkah DNTR tahu, dengan mengarahkan media memberi liputan yang meluas, akan secara tidak langsung akan mengangkat kredibility beliau sebagai pemimpin Islam yang disegani.

Adakah perkembangan Islam dapat dijana jika hanya membiarkan kefahaman ugama secara politik sempit yang menjadi panduan utama?

Sesungguhnya apa yang dilakukan oleh YABhg TDM tidak mampu dilihat masa ini, melainkan setelah berabad yang akan datang.

Akhir kata perjuangan YABhg TDM sangat besar nilainya berbanding pemimpin2 yang ada pada hari ini.

Dear Tun,

Thank you Tun for taking the initiative to inform us the recently concluded conference on Muslim Unity. Its delighted to know that Muslim scholars, thinkers and Islamic NGOs, are all for Muslims to be united. Unfortunately governments of Muslim nations and political leaders are divided even though OIC have been in existence for the past few years. In short, they have no one common agenda for Muslim unity due to safeguarding their own self-interest and strong external influence and dependence. The only consolation and seemed to be the most vital is the role of NGOs and individuals in making this holistic cause to be achieve. May Allah bless upon all of you.

A'kum YBhg Tun dan famili semoga sehatx selalu.

Perbezaan fahaman mengikut tafsiran adalah perkara biasa yg boleh kita dapati di manax mahupun dlm agama kristian.

Perbezaan ini dinyatakan sebagai hikmah bagi mereka yg berfikir secara matang. Sebagai contoh UMNO dan PAS, keduax parti mempunyai alim ulama mereka masingx. Tetapi masih juga berbalah. Dalam PAS pun berbalah.

Islam adalah ugama yg mudah maka tak perlulah kita berbalah kerana sedikit fahaman tafsiran yg tak seiring. Selagi kita masih berpegang kepada Al Quran dan hadis saya yakin kita tetap akan selamat.

Saya rasa bersyukur kerana YBhg Tun masih sihat semoga Allah swt panjangkan usia YBhg Tun demi kebaikan Islam.

Terima kasih dan semoga tahun baru ini pergerakan Islam akan lebih cemerlang dan Malaysia akan lebih makmur.

Kind Ayahanda Tun, if I may perhaps find some leeway:

HBT, our side kick S.Tan is on a long overdue company paid vacation I imagine; probably examining closely the effect of stressful high altitude fiber composites somewhere (in Genting maybe?). Where he goes no internet service providers even dare follows I picture. But I dread, the mere invoking of his name, would obliged him into doing a James Brown knock-off and comes back again crooning his "madleys" here upon all of us. Well you know what they say HBT; better the lawyer you know than the one you don't. Terror lurks HBT, perilous terror lurks...sleep with both eyes open and a lawyer on retainer. It's almost X'mass rush again HBT, time of the year when you log several behinds on the fire place and recollect the good miles to here on chedet. Salam to samuraimelayu (millionaires always retires early), JJJ and Waja Perak & one and all of you. What is love without hate, what is hate without love? Balance the two well, lights out early. Peace.

Thank you Tun.

P.s HBT; I got into talking with an upper-league discreet Singaporean prostitute recently at a soft opening function somewhere. Even she hates that what's his name son in law (I was then obliged

to fill in the name for accuracy to her future conversation piece). Only a loose jack ass could love that boy from Rembau brand of politics – dulu kini dan selamanya...cemerlang, gemilang, terbilang, tinggal tulang; Badawi Hadhari (check expiry of sell by date at bottom). Saudara-saudara kita yang tidak berparti, atau berparti bebas, yang dalam UMNO, yang dalam PAS dan yang dalam PKR.. di mana jua.. marilah kita bersama-sama membimbing saudara-saudara Melayu yang terkeliru sehingga telah menjadi ahli DAP, saudara-saudara kita yang telah termakan pujuk rayu tipu helah Malaysian Malaysia, yang berselindung di sebalik meritokrasi dan berbagai helah itu..

Ingatlah, secara politiknya kita hanya ada UMNO dan PAS yang tidak bertegur sapa..

Secara politiknya puak-puak pelampau mereka sudah diam-diam bekerjasama. Mereka ada DAP, Gerakan, MCA, Gabungan 7 persatuan yang amat kiasu..

BANGKITLAH MELAYU.. bersama-sama keturunan cina, india dan lain-lain yang cintakan negara ini.. Bangkitlah.. kita lenyapkan golongan ultra kiasu yang sedang merancang untuk menerajui negara ini..

- Pengiktirafan pemikir2 Islam itu terhadap keupayaan Malaysia menunjukkan sudah sampai masanya kita melahirkan seberapa ramai pemikir2 kita untuk mencorakkan Islam yang lebih gemilang.

- Orang Melayu bukannya tidak berkeupayaan untuk mentafsir dan memberi pendapat mengenai ajaran Al Quran walaupun asal turun Al Quran itu di kalangan bangsa Arab. Perumpamaannya samalah seperti keupayaan Nabi Muhammad mentafsir ajaran Taurat, Zabur dan Injil biarpun asalnya Kitab-kitab itu bukan daripada bangsa Arab.

- Pokok pangkalnya terletak pada keyakinan pada keupayaan diri sendiri.

- Selain bergerak ke arah menyatukan umat Islam, diharapkan usaha ini dalam mengharmonikan dunia agar imej Islam tidak dilihat ganas, kejam dan suka berperang.

- Itulah cabaran kita sebagai orang yang bersemangat Islam yang sebenar.

Salam Che Det. Ada segelintir umat Islam yang lebih senang memperketengahkan perbezaan & perpecahan, majority of the time due to sectarian differences between Sunni and Shiah.

They are even willing to kill fellow Muslims to champion the differences rather than the similarities of all the major Sects of Islam i.e. Maliki, Hanafi, Hambali, Shafie, Jaafari (Shiah) for example, in the case of the recent massacre of the Houthis in the Yemen-Saudi border.

What make one sect better Muslims that they can spill the blood of other Muslims who believe in the same principles? The major sects believe in the same principles – God is Allah, last prophet is Muhammad SAW, the nabi and rasuls are the same, they all pray, fast, pay alms & go to Haj.

Are they more knowing than God, when God holds the whole knowledge & reasons of all? Some Muslims are willing to support the likes of Jews to fight another Muslim country or Sect? Open your eyes, dear Muslim brothers & sisters and unite.

Tolerate differences over non-principle matters, if you can tolerate other religion & races, who gives you the right to kill other Muslim Sect followers?

Come to your senses that all these lack of unity & destabilizing of another Muslim nation; who are behind it? Will you be able to live in this world & the hereafter knowing you are falling prey and aligning yourselves to the games of the devils?

salam tun

Alhamdulillah saya juga rasa bertuah dapat menghadiri konvesyen ini sebagai salah seorang petugas. Cuma apa yang saya terkilan ialah tiada resolusi atau tindakan seterusnya di akhir persidangan ini. Saya mengharapkan sesuatu tetapi malangnya persidangan ini hanya berakhir dengan ucapan dan ceramah semata, tiada idea atau cadangan baru untuk memperkasakan ummah.

Sebab itu saya ada bertanyakan soalan di sesi akhir berkenaan dengan apakah langkah yang perlu kita mengambil untuk mengubah masyarakat kita daripada hanya agree and follow kepada masyarakat yang lead and take initiative. Malangnya kebanyakan speaker tidak bersetuju dan saya tidak berpeluang untuk mempertahankan kenyataan yang saya berikan. Justeru saya menjawab kembali dalam blog saya <http://pre-lawrion.blogspot.com>

Saya juga berharap agar paperwork yang saya buat berkenaan melaksanakan legal research tentang keadaan di Gaza dapat dijadikan satu resolusi dan langkah untuk kita benar2 menjadi ummah yang tidak lagi bergantung kepada laporan dan berita dari barat. Kita seharusnya boleh menghasilkan report dan berita kita sendiri tentang saudara seislam kita di Gaza.

Saya berharap tun dapat menimbangkang perihal legal reseacrh tersebut. Pohon maaf kerana papaerwork tersebut tidak sesempurna mana kerana saya menyiapkannya dalam masa satu malam selepas menghadiri konvensyen tersebut pada hari pertama. Saya yakin saya dapat memberikan penjelasan yang lebih baik tentang proposal tersebut sekiranya diberi peluang. Sekian, terima kasih tun. Semoga Allah merahmati tun.

Tun,

Mengulas mengenai tulisan Tun berhubung "tidak banyak coverage oleh media tempatan" pada persidangan Muslim Unity baru-baru ini, saya terbaca satu laporan mengenai usaha kerajaan untuk mengetatkan lagi kawalan terhadap akhbar arus perdana.

Apa sudah jadi Tun? Saya berpendapat jika usaha ini diteruskan kerajaan, ia bukan sahaja satu langkah ke belakang ke arah sebuah negara maju di bawah Wawasan 2020 malah akan merugikan kerajaan sendiri.

Dengan kemudahan saluran maklumat di Internet sekarang termasuk blog-blog yang antikerajaan, kerajaan yang ada sekarang akan melakukan satu kesilapan besar dengan mengikat tangan akhbar arus perdana.

Dalam laporan yang saya baca itu, menyebut mengenai usaha kerajaan untuk sedikit demi sedikit menjerut akhbar arus perdana dengan menambah peraturan dan kawalan baru terhadap bahan-bahan yang tidak boleh disiarkan.

Apa sudah jadi dengan pemimpin-pemimpin politik kita sekarang?

Tidak kah mereka sedar bahawa usaha mereka ini cuma akan menjerut leher mereka sendiri.

Jika akhbar arus perdana terus disekat dengan bermacam-macam kawalan dan pada masa yang sama penulis-penulis di Internet boleh menulis apa sahaja tanpa sebarang kawalan termasuk kata-kata kesat yang melampau, saya percaya kerajaan yang sedia ada akan tumbang pada PRU Ke-13 nanti.

Tengok sahaja lah rating RTM sekarang yang terus menjunam kerana kehilangan penonton disebabkan rancangan-rancangan yang disiarkan tidak bermutu.

Dahulu terdapat usaha untuk memperbadankan RTM seperti BBC dan SBC tetapi usaha itu terus senyap.

Pada zaman serba maju ini, saya tidak tahu apa keperluan kerajaan untuk memiliki sebuah alat propaganda bagi memenangi hati rakyat.

Apa salahnya jika RTM diperbadankan? Dengan memperbadankan RTM tidak bererti kerajaan akan rugi dalam kempen memenangi hati rakyat.

Sebagai contoh TV3, walaupun sebuah syarikat swasta, ia masih boleh memainkan peranan membantu kerajaan menyampaikan maklumat kepada rakyat.

Pada zaman serba canggih ini, kerajaan perlu bijak dan tidak perlu memiliki sebuah alat propaganda seperti RTM lagi.

Apalah gunanya memiliki RTM jika saluran itu tidak ditonton oleh orang ramai lagi?

Lihat sahaja lah rancangan-rancangan yang disiarkan RTM yang bukan sahaja tidak bermutu berbanding TV swasta lain malah ada yang langsung mencerminkan ia tidak dikendalikan secara profesional.

Selagi RTM milik penuh kerajaan, selagi itulah mentaliti bekerja dengan mudah dan gaji tetap seperti kakitangan kerajaan lain akan wujud dalam RTM dan menyebabkan RTM tidak diurus

secara profesional dan kehilangan jumlah penonton.

Saya sebenarnya kesian (kepada kerajaan) apabila membaca mengenai langkah-langkah terbaru kerajaan ini terhadap akhbar arus perdana.

Tidak kah pak-pak menteri kita boleh berfikir lagi? Zaman telah berubah tetapi nampaknya pak-pak menteri kita tidak berubah.

Nampaknya mereka lebih selesa hidup pada zaman dahulu apabila rakyat hanya disajikan dengan siaran RTM dan akhbar-akhbar yang menyokong kerajaan.

Salam Tun.

By OrangLama  on December 19, 2009 12:19 AM

Salam,

Tun kata:

"5. Dalam ucapan-ucapan mereka tekanan diberi kepada persaudaraan dan persahabatan.

Perbezaan tafsir dan pendapat, tegas mereka, tidak harus memisahkan orang Islam daripada orang Islam lain."

*****Pandangan saya:*****

Ya semasa saya tinggal di luar negara ,semua orang Muslim yang saya temui yang bukan rakyat Malaysia sentiasa mengatakan perkara yang sama iaitu perbezaan tafsir dan pendapat tidak harus memisahkan sesama Muslim.

Mungkin depa kata kat orang bukan sama warganegara depa tetapi kat negara sendiri berperang mulut, tak kena cara main baling bom seama sendiri sampai kat masjid pun berlaku seperti di Iraq dan Pakistan. Di Palestin, Hamas bergaduh dengan Fatah. Malaysia pun sama , PAS bergaduh dengan UMNO. Masing2 perasan dia lebih baik. masing2 perasan dia lebih alim.

1. ****Sifat Iblis diciplak kebanyakan manusia*****

Ini mengingatkan saya perbuatan iblis yang di perintah keluar dari syurga kerana sifat takbur mengatakan dia lebih baik dari manusia. Firaun ialah pengikut kuat Iblis. Dia sombong walaupun Nabi Musa dah tunjuk bukti2 kukuh pentunjuk ke jalan Allah. Sifat Iblis juga diwarisi kebanyakan orang Yahudi, yang menganggap diri dia lebih baik dari manusia lain kerana kebanyakan mereka berdabik dadada bahawa depa adalah kaum terpilih dan kebanyakan nabi keturunan depa. Depa tak iktiraf Nabi Muhammad.

Di Malaysia pula, ada pula kumpulan PAS perasan depa saja betul sehingga ada yang berani keluar hukum-hakam terhadap orang UMNO.

Permohonan Iblis kepada Allah Ta'ala kerana dia usir dari surga ,maka dia memohon mana2 manusia yang engkar perintah Allah pun tak boleh berada di surga . Ceita ini sangat penting.

Manusia tak boleh ada Sifat sombong, riak dan takbur jika nak masuk syurga. Ada "hantu" iblis kat dia! Kalau nak minum air bersih kena minum air dah "filter". Begitu juga jika ada sifat sombong, kena "filter" kat neraka andaikata ada peluang masuk syurga.

2.*****Persaudaraan Muslim mesti bermula di negara masing2 dahulu***

OIC sepatutnya ada Institut Penyelidikan untuk menyusun strategi yang dapat menguatkan negara2 Islam. Semua negara Islam wajib memastikan tali silatulahim dipereratkan sesama

Muslim. Eratkan ukhwh Islamiyah antara jiran, masyarakat setempat sehinggalah ke peringkat kebangsaan. Barulah kita cerita peringkat antarabangsa.

****Kepada Pemimpin PAS*****

PAS duk asyik perang mulut dengan saudara seMuslim dalam UMNO. Apa nak jadi? PAS dia bergaduh sama dia pun dia salahkan UMNO. Dengar cerita (sorry kalau tak betul), PAS berpecah zaman Allayarham Dato Asri dulu di kelantan kerana perebutan kuasa sesama mereka iaitu perebutan kuasa antara kumpulan profesional dan ulama. Adakah UMNO terlibat? Zaman sekarang kumpulan ERdogan lawan kumpulan ulama pula? Alamak PAS, hang pa macam tu dari zaman dulu. Hang pa duk lawan sesama sendiri tak habis2, nak lawan dengan UMNO pula? Dah lah tak selesai2 lagi, dah nak bermanja2 dengan DAP dan PKR pula!

Berhati2 tipu muslihat DAP----- Musang Berbulu Ayam**

Jika PAS nak bersama Pakatan Rakyat pastikan ada manifesto perjuangan Islam yang hang pa duk mengutuk UMNO tu awal2 lagi?. Kalau tidak hang pa cakap tak serupa bikin. Minta jawatan PM dan kjawatan2 utama Kabinet mesti Islam. Jangan kena tipu dengan DAP sebab akan main2 bahasa manis seprti hal2 sensitif tak boleh bincang dahulu dalam Pakatan Rakyat. Boleh bincang kemudian. Pada peringkat awal, pakatan Rakyat akan perjuang isu2 yang sama seperti penindasan, keadilan, dan lain2. PAS hang pa jangan kena tipu DAP!

3.*****Kepada Pemimpin UMNO-----Royalti Minyak kelantan*****

Jika benar tuntutan kerajaan PAS Kelantan, bahawa mereka berhak menerima royalti.,maka berilah kepada mereka, hak mereka.

Adalah satu perbuatan salah dan zalim jika disekat wang royalti kepada kerajaan PAS Kelantan sekiranya Kelantan berhak menerimanya. Ini kerana kerajaan PAS telah dipilih oleh rakyat Kelantan, maka biarlah kerajaan Kelantan sendiri uruskan royalti. (kerajan Pakatan rakyat di Perak dulu bukan dipilih oleh rakyat. Ia adalah manipulasi pakatan politik sebab Pakatan Rakyat bukan Parti berdaftar masa itu).

Tak payah kerajaan Pusat nak salurkan kepada rakyat Kelantan melalui wang ehsan. Tak ada gunanya kerana hanya menambah lagi masalah.

Kalau saya Menteri Besar kelantan tentu sedih tak dapat bantu orang susah kat kelantan dan juga membangunkan Kelantan. Habis bendang kena banjir. Habis tanamn2 kena banjir. Tiap2 tahun banjir,,mana nak cari duit. Orang kampung susah. Bila Periksa SPM, Cikgu dan anak murid sama2 nak kena angkat seluar dan kain mengharungi banjir untuk ambil periksa SPM. Macam zaman dulu2, naik perahu pi sekolah! Jadi Menteri Besar cuma dapat tengok saja kesengsaraan rakyat tapi duit tarak!

Seperkara lagi, tak boleh kah kerajaan Persekutan sama2 bantu Kelantan atasi banjir . depa tu saudara Muslim kita juga.

Kalau nak teruskan wang ehsan pun tak semestinya orang kelantan terima duit itu akan sokong BNasional. Lebih baik berlaku adil ,InsyaAllah dilembutkan hati orang Kelantan serta kerajaan PAS depa untuk bersama BNasional.

Bagilah royalti, kasihan kat depa. Duk asyik minta berkali2. Bagilah.

My beloved TUN & FAMILY,

This is the duty of our generation as we enter the twenty-first century -- solidarity with the weak, the persecuted, the lonely, the sick, and those in despair. It is expressed by the desire to give a noble and humanizing meaning to a community in which all members will define themselves not by their own identity but by that of others.

Now my friends, I am opposed to the system of society in which we live today, not because I lack the natural equipment to do for myself but because I am not satisfied to make myself comfortable knowing that there are thousands of my fellow men who suffer for the barest necessities of life.

We were taught under the old ethic that man's business on this earth was to look out for himself. That was the ethic of the jungle; the ethic of the wild beast. Take care of yourself, no matter what may become of your fellow man. Thousands of years ago the question was asked; "Am I my brother's keeper?" That question has never yet been answered in a way that is satisfactory to civilized society.

Yes, I am my brother's keeper. I am under a moral obligation to him that is inspired, not by any maudlin sentimentality but by the higher duty I owe myself. What would you think me if I were capable of seating myself at a table and gorging myself with food and saw about me the children of my fellow beings starving to death...

My dearest State man,

I think that is one of our most important tasks to convince others that there's nothing to fear in difference; that difference, in fact, is one of the healthiest and most invigorating of human characteristics without which life would become meaningless.

Here lies the power of the Islamic way: making the whole world more Islamic in helping ourselves and others to see some of the possibilities inherent in viewpoints other than one's own; in encouraging the free interchange of ideas; in welcoming fresh approaches to the problems of life; in urging the fullest, most vigorous use of critical self-examination.

Naturally what a man believes upon grossly insufficient evidence is an index into his desires -- desires of which he himself is often unconscious. If a man is offered a fact which goes against his instincts, he will scrutinize it closely, and unless the evidence is overwhelming, he will refuse to believe it. If, on the other hand, he is offered something which affords a reason for acting in accordance to his instincts, he will accept it even on the slightest evidence. The origin of myths is explained in this way.

salam perjuangan buat Tun yang dikasihi,

saya amat tertarik dengan point ke -11 :

11. Ramadhan Foundation telah pilih Malaysia untuk yang kedua kerana ramai ulama dan orang Islam diseluruh dunia berpendapat Malaysia adalah contoh pembangunan agama dan negara mengikut ajaran Islam. Saya percaya ramai di Malaysia tidak dapat bersetuju. Tetapi inilah yang diperkatakan oleh mereka.

Alhamdulillah... semoga Tun terus berberjuang untuk agama islam walaupun dah tak jadi PM, saya percaya pembangunan agama di atas adalah sedikit sebanyak berkait rapat dengan jasa Tun dan Tun Lah dulu.

mungkin juga kerana manifesto Pas dulu yang berbunyi "membangun bersama Islam" menarik minat ulamak-ulamak seluruh dunia.... al maktumlah... mursyidul am mereka telah dinomborkan sebagai orang berpengaruh dunia.... walaupun dia saya rasa tak buat apa-apa pun terutamanya buat negeri kelantan... kalau kat almenantunya... adalah..

Tahniah kerana Tun diberi kepercayaan untuk berucap kat situ, depan ulamak-ulamak tersohor.... kalau kat malaysia ni Tun disebut mahafiraun, maha zalim... tetapi yang kata kat Tun gila kuasa

dulu... dia tak letak-letak pun lagi jawatan dia walaupun dah ada sikit-sikit amnesia atau neuron cell death! mungkin sampai kemati kut dia pegang... almaklumlah dia pegang kunci syurg....

Assalamualaikum Tun Mahathir,

Sedih dan gembira. Sedih kerana tidak berpeluang menghadiri persidangan-persidangan ini. Lebih sedih kerana tiada (atau mungkin saya terlepas pandang?) pun liputan atau hebahan mengenai persidangan-persidangan ini. Mungkin dimasa hadapan, Tun (Tun jugak lagi kan?) boleh hebahkan lebih awal (sebelum persidangan).

Gembira kerana persidangan-persidangan ini boleh menjadi satu langkah untuk menyatukan umat Islam sedunia. Mungkin ini akan lebih berjaya dari sidang negara-negara OIC? Harap kita boleh bersama-sama menyumbang tenaga dan idea.

Terima kasih Tun Mahathir

hundreds of HOLLYWOOD stars and singers including Stevie Wonder, Alicia Keys and Aretha Franklin. Lee Kuan Yew has just received an ASEAN LIFETIME ACHIEVEMENT AWARD.

--

Where's YOUR ASEAN LIFETIME ACHIEVEMENT AWARD? You have no excuse for ASEAN (level) man! Are you not after all one of the many little ASEAN STRONGMAN???

--

Whilst accepting that award Lee Kuan Yew also met with Obama and appeared on CHARLIE ROSE for the 3RD TIME on an HOUR'S SPECIAL. That makes it 3 hours. Remember Charlie Rose? You only appeared once for a miserable half an hour, and that was also during the height of the Anwar crisis. That was ten years ago. That video is still on Google videos if you're still interested.

--

By the way, how's Chirac? Has he called you? In case you didn't know he just came out with his memoirs (can you believe it, Chirac dared to write his own memoirs?? That big zero!!) Is your name in it? How many pages? How many lines? He made friends with you simply because of his obsession with Asia, nothing else. And when he invited you to witness the French National Day you were the second person invited; the first was Nelson Mandela. You are always second!

--

Obviously you don't stand next to Mandela! (you did exactly that in that Stadium Negara rally) He is a giant of a man (you said so yourself). He will easily blow you away. And indeed you were.

--

Don't fight back and defend yourself with that remote, once-in-a-lifetime, 2-part HISTORY CHANNEL documentary aired recently. Firstly, that was just History Channel ASIA, which is based HERE in Malaysia and is liaised with some Msian producer or something. The very Msians who produced 3R (your daughter's show) and Kopitiam PULLED STRINGS and are behind it. It was in the Star. I know. Ask Marina. Besides, History Channel ASIA merely talks about small regional Asian history like yourself. The main one in the US is the big one with Julius Caesar, the Pharoahs, the Empires, World Wars, and all that.

--

'Great!'

Now Julius Caesar, Einstein, Churchill, Shakespeare, Gandhi and Mandela will go down the road in history as the greatest people alive ever, a universal icon, and an international statesman; while you, if ever even vaguely remembered so, will simply be recalled as a little ASEAN DICTATOR, miserable JAGUH KAMPONG TERPENCIL and the LEAST of the great men starting from Jesus Christ; like your bloody friend Suharto@!!!

Peace!

Salam Tahun Baru Tun,

Terima kasih kerana memaparkan laporan mengenai mesyuarat "Muslim Unity" ini untuk tatapan orang ramai. Tahniah kerana diberi penghormatan untuk menyampaikan ucaptama pada mesyuarat tersebut. Saya menumpang bangga kerana Malaysia pula diberi penghormatan untuk menjadi tuan rumah persidangan kedua.

Ya, memang ramai yang tidak bersetuju yang Malaysia *adalah contoh pembangunan agama dan negara mengikut ajaran Islam* tapi saya bukan seorang dari mereka yang bertanggapan begitu. Negara kita tidak sempurna 100% tetapi ianya lebih baik dari kebanyakan yang lain.

Cadangan Tun supaya rangkaian NGO Islam diwujudkan bagi memupukkan semangat persaudaraan di antara orang Islam sangat baik kerana nampak gayanya OIC telah menjadi renggang atau "remote" dari orang Islam. Sungguh sedih yang OIC, yang diwujudkan di bawah kepimpinan Almarhum Tunku Abdul Rahman ekoran tindakan biadap Yahudi membakar Masjid al Aqsa, tidak mengeluarkan kenyataan mengenai tindakan entiti haram Israel terus merampas tanah orang Palestin di Baitul Maqdis dengan tujuan untuk menukar "demographics" kawasan tersebut dan menghambat penjenayah perang yang telah berperang dengan orang awam Gaza hampir setahun dahulu. Memang benar masalah Palestin-Israel merupakan perbalahan nasionalis tetapi perbalahan ini juga melibatkan Masjid al Aqsa yang menjadi milik orang Islam dan bukan sahaja orang Palestin atau Arab. Penjenayah perang ini masih berperang dengan orang Gaza dengan sekatan atau "blockade" mereka. Semua orang tahu yang mengikut undang-undang antarabangsa "blockade" merupakan satu "act of war."

Sehubungan dengan itu saya juga mahu mengucapkan tahniah dan terima kasih kepada Tun kerana Perdana Global Peace Organisation (PGPO) berjaya mentaja sebuah ambulans untuk mengiringi konvoi Viva Palestina. Tahniah dan doa selamat diucapkan kepada dua anak Malaysia yang cekal, Ram Karthigasu dan Juana Jaafar, yang memandu ambulans tersebut dari UK ke Gaza. Semoga mereka mendapat ganjaran dan selamat sampai di Gaza [Diharapkan kerajaan Mesir tidak tunduk kepada tekanan Israel untuk menahan konvoi itu dari memasuki Genting Gaza seperti konvoi terdahulu].

Pada hemat saya mereka berdua ini merupakan wira yang 100 kali lebih baik dari beberapa ahli politik yang hanya pandai bercakap mengenai isu Palestin ataupun yang menggelar diri mereka "Last Samurai." Apa salah mereka mengikut contoh penggubal undang-undang UK, George Galloway yang melopori Viva Palestina? Atau bekas ahli Kongres AS, Cynthia McKinney? Tetapi, dalam bahasa ibunda Galloway, "that may be asking too much of some of our (Malaysian) politicians."

Alhamdulillah,

Ada persidangan kebersamaan sesama Islam.

Kebersamaan urusan Dunia Akhirat.
Mempereratkan siratullah, Megukuhkan martabat Islam,
Bersatunya kita memperlihatkan kekuatan kita,
walaupun bukan adab kita membina senjata.
Bersatu adalah senjata segala senjata, menentang musuh.
Dunia Islam sudah dizalimi, fitnah, digugat, dihina, dijelajah.

Satu penghinaan yg hina apabila kita tidak mampu membela nasib saudara kita yg dizalimi dengan peperangan.

Insyallah, dengan perhimpunan serupa ini di kerapkan,
dapatlah kita membina dan menjaga maruah Islam

Assalamualaikum Tun,

"MUSLIM UNITY"

1. Selamat Menyambut Maal Hijrah 1431.

2. Di Malaysia tak bolehkah kita bersatu di bawah nama Melayu dan Islam?

3. Tak bolehkah kita menjadi satu suara bila membela hak kita mengenai Melayu dan Islam?

4. Takutkah kita dengan bangsa pendatang? Apakah kita sudah menjadi dayus di tanahair sendiri?

5. Apakah kita tidak boleh menggunakan hak kita semasa berbelanja? Kita tahu bangsa pendatang seboleh mungkin tak akan membenarkan duit mereka berpindah ke bangsa kita, kecuali tiada pilihan.

6. Sedih melihat pengusaha makanan Bangsa kita masih membeli ayam dari kedai bukan Islam di sebabkan hanya murah 10sen berbanding dengan kedai bangsa kita. Pastikah kita siapa yang menyembelihnya?

7. Apakah dek kerana murah 10sen kita sanggup mengadai soal halal-haram? Apakah dengan keuntungan yang sedikit kita lupa akan balasan di akhirat nanti?

8. Alang-alang dikatakan resis biarlah kita betul-betul resis dan kita pastikan kita mengutamakan Islam dan Melayu dahulu didalam semua segi.

Yg Berbahgia Tun,

Salam Maal Hijrah 1431

1. Setinggi tinggi tahniah sebab Tun di beri anugerah Nobel di persidangan tersebut.

2. Sekali lagi tahniah sebab Tun diberi penghormatan menyampaikan ucapan utama di kedua dua persidangan tersebut.

3. Orang orang Melayu sememangnya memberikan sokongan kepada pemahaman dan perpaduan orang orang Islam. Memang sepatutnya liputan menyeluruh diberi kepada persidangan tersebut.

4. Tidakkah pemimpin UMNO sedar bahawa ada kalanya mereka perlu mengambil pandangan positif dan pengiktirafan pemikir Islam, ulama dsbnya dari negara negara lain sebagai pemangkin terhadap banyak usaha berterusan yang di lakukan oleh UMNO dan Kerajaan untuk memartabatkan Islam?

5. Kalau diletakkan hanya ke bahu Mufti Mufti di negeri negeri di Malaysia adalalanya ia di remehkan dan di politikkan oleh Pas, Pis dan Pus.

6. Di mana dapat saya membaca teks ucapan penuh Tun di kedua dua perhimpunan itu?

Kenapa tak banyak yang tahu. Program Akademi Sains itu di anjurkan bersama oleh UNISEL dan Kerajaan Negeri Selangor. Ada kah kerana itu tak dapat support atau sengaja tak nak support oleh MOHE dan IPTA/IPTS??

Kita nak bersatu macam mana, kita tak meletakkan yang HAQ pada tempatnya. Memang semuanya berpengetahuan tinggi, tapi mereka belum bersedia melepaskan Takliq (ikut-ikutan).

Salam Tun,

Diharapkan Tun dan keluarga berada dalam sihat sejahtera.

Salam Maal Hijrah 1431.

Membaca artikel yang Tun ditulis membuat saya terpanggil untuk memberi sedikit komen. Rasa bangga menyelinap dalam hati, apabila ada bukan islam turut serta dalam persidangan "Muslim Unity" ini.

Saya mengetahui mengenai persidangan ini melalui blog Tun. Terima kasih Tun di atas informasi.

Walaupun kita sama-sama beragama Islam tapi belum tentu kefahaman kita sama, namun kita berpegang pada Hadis Nabi & Al-Quran yang satu. Saya juga melihat kini ramai yang mulai buka mata tentang Islam. Di luar sana, ramai yang telah mendalami Islam. Alhamdulillah. Cuma mungkin kita terlepas pandang atau buat-buat tidak nampak, di negara kita makin ramai yang lupa akan pegangan atau agama mereka. Aktiviti sosial yang makin bertambah menyumbang kepada makin ramai golongan muda dan tidak lupa golongan yang berusia yang terpesong dari ajaran sebenar.

Diharapkan Malaysia akan terus menjadi negara contoh Islam di mata dunia dan kita juga terus berusaha bersungguh-sungguh untuk menyelesaikan isu-isu sosial yang akan merosakkan imej negara ini.

Tun;

Demi perpaduan seluruh umat islam MESTI mencari titik persamaan. Allah sudah banyak kali mengingatkan kita supaya berSATU. Banyak ayat2 didalam AlQuran menegaskan tentang penting nya BERSATU. Tetapi yang pelik orang2 kiasu kafir, orang Yahudi yang banyak mengambil iktibar nya tetapi TIDAK orang islam . Tak perlu jauh2 kalau PAS menjadikan ALQuran dan Hadisnya itu TERAS nya maka mengapa ramai ustaz2 PAS menidakkan AYAT seperti ini. Walaupun ada ramai yang cuba menegakan perintah2 Allah seperti ni, tapi bila Nik Aziz marah , mereka lekas2 tunduk . Seolah2 mereka TAKUT dekat Nik Aziz lebih dari tuhan mereka. Mereka cepat melatah dengan mendekati diri pada Nik Aziz alasannya anak murid yang setia laa , Tok Guru MAHA mengetahui laaa... > Al Quran digunakan berdasar tafsiran Nik Aziz semata-mata.

Ramai respond dalam blog ni dari Singapore dan Ultra Chinese Kiasu yang mahu Islam gagal dalam kearah persatuan. Mereka mengutuk dan mengejek orang2 melayu islam dan Malaysia amnya. Mereka sudah berjaya mendapat segala2 nya dari Malaysia dari segi Economy , Education dan Military.Singapore merupa paksi kearah kejayaan itu.Cuma satu lagi masih ditangan melayu islam, yaitu POLITIC. Prinsip mereka mudah , COPY dari kejayaan YAHUDI ISRAEL. Sebab itu mereka beria mahukan Perak kembali . Ingat bagaimana mereka angkat penyapu masa 13 May selepas menang pilihanraya . Tujuan nya sama , mahu sapu orang melayu dan kaum2 lain yang bersatu dengan orang melayu.Sama bagai mana mereka pijak2 muka2 orang melayu dan kaum Cina sediri.Mereka menggunakan Nizar untuk menentang Sultan, menentang undang2 negara malah pelembagaan negara. Sebabnya kalau orang Cina Kiasu buat mesti mendapat tentangan dari orang melayu . Tetapi kalau orang melayu buat tentangannya kurang. Mereka mempermainkan ayat Quran ,tapi Nik Aziz kata pa .sebab mereka tak tahu ..PELIK.. dulu masa SAMMY VELU guna pendekatan yang sama .Macam2 ejekan keluar dari usztaz2 PAS. Bila orang perempuan menerajui , Nik Aziz kata HARAM. Bila undi orang kafir Nik Aziz kata HARAM , bila dibangunkan tanah orang melayu nak buat Jambatan, Masjid

,runtuh surah lama , buat Masjid baru Nik Aziz kata ZALIM tapi sekarang semua sudah HALAL sebab Nik Aziz kata dah bole. PAS mesti BANGUN .. BERSATU BERSAMA KAUM MUSLIMIN yang lain . Nyahhh Nik Aziz dari memimpin PAS.

Singapore tidak mempunyai lagi tanah. Malah dari segi ekonomi Malaysia mula mengambil alih. Kalau dia lihat bagaimana dapat sahaja perintah tanah2 diPerak segera diberi kepada kaum Cina sampai 999 tahun . LOGIK kaa??? tapi Nik Aziz , Nizar tak nampak mereka ikut je telunjuk. Konon nye nak berbaik2 . Kaum Melayu senang untuk dipermainan . Melayu menggunakan EMOSI lebih dari AKAL . Senang saja kutuk saja Nik Aziz , beribu angkat pedang . Tapi kalau bagi peluang perniagaan , peluang belajar tak beribu mengejanya.

Malaysia merupakan negara yang chukup unik. Allah jadikan Kaum Cina, India dan Melayu supaya KITA BERSATU. Setiap kaum itu ada kelebihanannya. Bayangkan kita gunakan setiap keunikan ini dalam KESATUAN ni untuk maju ke hadapan. Jangan diberi peluang kepada kaum Kiasu nii memimpin kita.

BERSATU LAH WAHAI SAHABAT KU KAUM MUSLIMIN DAN RAKYAT M'SIA SEMUA NYA. MELAYU ISLAM MESTI BERSATU , JADIKAN IA TUNJANG BERSAMA KAUM2 YANG LAIN. LIHAT BAGAIMANA NABI KITA MENYATUKAN KAUM DIMEKAH. MUSUH SUDAH BERADA DIDEPAN PINTU. TENTANGLAH MUSUH NI DENGAN KEBIJAKSANAAN DALAM BERSATU BUKAN PEPERANGAN. BANGUN!!!!!!!!!!!!!!

I am surprised the greatest Islamic experts in the country -- the Pope of Perak, Nik Aziz, Hadi Awang and their ilk were not there.

I am sure the foreign luminaries could have a learnt a thing or two from these "highly enlightened" ulama in whose hands lie salvation for all Muslims and people's on Earth.

Salam Tun;

You are right, there wasn't much coverage on the event. Muslims needs to be united, but the main problem in our beloved country is that appearance determines how religious the person is. People are judged by their appearance, not by content.

Today, if i decide to wear a jubah and serban, automatically i will get the tittle ustaz, which indirectly grants access to give speeches (political, religious, or etc). Its funny in Malaysia, a rock star can turn to an ustaz overnight.

By the way, touching on the BTN topic... i wonder if Nazri was ever a lawyer. He has been in JPM for years, and he only realized the BTN content is "racist" after being pointed out by the opposition?? And our friend actually admits it. As a minister, do you need someone to tell you what is wrong till you realize it your self?

Personally, i have attended BTN before, and i dont think anything is wrong with it.

Regards, Salam, and take care Tun

Salam Tun

Izinkan saya menjadi orang pertama untuk memberikan komen. Pertama, ianya adalah satu konvensyen yang baik kerana ia memaparkan sains dan teknologi.

Namun, walaupun pahit, ingin saya nyatakan kepada Tun bahawa Ahlus Sunnah Wal Jamaah diterima di Malaysia dan 72 aliran yang lain, kita ahlus sunnah tidak boleh menerimanya dalam konteks fahaman atau dalam konteks penyatuan.

Usaha ini tidak akan berjaya kerana at one point, mereka ini akan merasakan dari segi aqidah dan syariah, sudah tentu akan berlaku perdebatan hangat - Wahhabi kata dia betul, Shiah kata dia betul dan Sunni (terutamanya di Malaysia) akan menyatakan dirinya betul (dan sememangnya sebagai ahli sunnah, saya tidak berganjak dari menyatakan dalam konteks aqidah, syariah dan akhlak, kami adalah benar)

Namun, dalam konteks sains dan teknologi, Muslim Ahlus Sunnah di Malaysia (yang sejati..kerana ada yang mengaku sunni tapi tak tau apa itu sunni) boleh bekerjasama samada dengan Wahhabi, Shiah, Muktazilah walaupun Kristian, Buddha, Hindu sekalipun asalkan TIDAK menyentuh bahagian aqidah, kepercayaan dan pelaksanaan syariah.

Saya sedar niat Tun ialah untuk penyatuan, saya setuju dengan penyatuan dan mencari keamanan - tetapi hanyalah nilai-nilai yang mempunyai persamaan, tetapi apabila sampai pada bab aqidah, masing-masing tidak sekali-kali menyatakan bahawa kami betul, kamu salah kerana di Malaysia, kita adalah Ahlus Sunnah - that's it and that's it... (sebab saya pasti ada yang menyatakan ahlus sunnah tidak boleh maju dengan sikap sedemikian tetapi wahhabi maju kerana adanya ciptaan...pasal aqidah dan syariah - kita tidak boleh membuat 'benchmark' menggunakan 'invention' to denote how 'Islamic' you are'. Saya berkata-kata dengan penuh sedar, Tun telah pun menyatakan haluan sebenar konvensyen ini, namun Tun, saya pernah menyertai konvensyen seperti ini di luar negara di mana mereka tidak berfahaman ahlus sunnah. Dengan bangganya mereka menyatakan kepada kami ahlus Sunnah - "This is a pro-shiah country, be careful in what you're saying here"...walhal datangnya kami ialah untuk berdagang, bukan untuk menyebarkan fahaman. Saya rasa ada baiknya saya berkata-kata kepada mereka pula "This is a pro-sunni country, so YOU be careful in what you're saying here". Saya bukannya apa, saya sedih, kata di timur tengah satu masa dahulu, Ulama Shiah dan Sunni nak bersatu menentang peperangan, tetapi senyap-senyap Ulama Sunni telah dibunuh. Ini samalah dengan cara mereka menghalau

Sunni dari bumi Iran dan mengecap golongan pelarian yang benar ini (Kurdis) sebagai terrorist. Kurdis lari sehingga terbukanya tempat baru - iaitu tidak lain tidak bukan negara Kedah. Sebagai seorang penggemar sejarah, Tun tentunya ingin menjelaskan kepada mereka bahawa kita ahlu Sunnah Malaysia juga boleh berlembut dengan lain-lain cara - wahhabi, shiah, kristian, buddha, dsb. tetapi kita juga ada prinsip kita sendiri. Saya mohon Tun bertegas dalam perkara ini -kalau tidak mereka tidak akan menghormati kita.

Terima kasih Tun dan saya doakan agar Tun berjaya!!

Amin

Salam kasih dan salam hormat Ayahanda Tun.

Najib got his budget voted through on a mere 3 vote's majority. Had he missed those 3 votes, he would be stuck without a budget for 2010 and constitutionally he would have to seek for a fresh General Election. But I am sure fancy lawyers would swing definitions everywhere and avoid such an outcome anyway.

In 1888, when the settlers in Australia send back an SOS to the queen in England, they got simple answer from the Queen: be self reliance or perish. The word "perish" had just got to be said by an Aussie for maximum impact. Is that what is happening to Proton and Perodua? The way many sees it, Najib is going to push effort at developing DRB and Pekan as the next Detroit after Rawang and Shah Alam. We would be moving for massive employment in PM home state and at the same time, we would be moving from car making into assembler par-excellence. Let us all hope that this is not really correct. But maybe they have ready players on standby for Proton already? It's obvious when they shift the worrying pattern on the issue too abruptly.

And while we are on the subject Tun, been wanting to ask you this; why is there a half naked Proton Salesman asking us all to rub sunscreen at the top of your blog page here? I mean didn't Syed Zainal know that such an add would find instant hits on Keadilan Online? Maybe the good Arabian descendant affandi got it blur and parked his camel in a tow away zone?

Tun, when you quit as PM, in fact when all PM quit and pass the baton, they also let go of the press power. The power to shape and glorify rotten coconuts and cronies. You as with all other PM gave that up to the next guy. That has been the norm. I mean why control the press if you have no more agenda right? Incredible headache anyway and for what? But did Dollah follow the same norm with Najib? Did he Tun? No he did not. As such, you are relegated to blogging as a source to disseminate the recent Islamic conference in KL, and that stinks on the present day government (kiss US boots over Iran and yet blot this one out or vaguely?).

It was a globally prestigious event attended by big names of the league. Dr. Farook Dickson Crane is the man responsible for establishing the North American Muslim Barrister Association, and founder of the American Muslim Council. His views on Sufism are fresh and scientific. Big names were here Tun. Really big names.

But the Malaysian press went almost silent on that. Nazri bitching left to right was given prominence over this. See Tun, you should have been a bit more shrewd back then when it comes to press inheritance. But on this, the AJK T4 caught you by surprise. I say it again here, FREE THE MALAYSIAN PRESS FROM THE INFLUENCE OF AJK T4.

Race relations is ultra-complex. In my book, the next PM after that bonehead Badawi should be one who is courageous and who knows that fate had put him there for only temporary measure. He must be a magician. Pull the table cloth as fast as possible without disturbing the delicate Dalton cutlery arrangement of that particular table. Did he pull it fast enough? There is only one way to do it you know Tun. Make all Bumiputra and automatically earn the wrath of UMNO and for that, he must self banish himself to political oblivion and the next PM would somehow regain control and start fresher and anew with almost nil opposition salvos. A political sacrifice was missed. That was the call for the moment, and they missed that one on personal ambitions and greed above Malaysia's desperate call and needs. I believe that if you are honest, then your path is simpler and easier, justifiable and it would always work to the best for everyone. But lust for power, insatiability for rule always denies human much of their best moments. Sometimes to lead means to sacrifice oneself and plainly let celestial political destiny place you a proper. Badawi is no example of this.

Dilly dally with what now? Do you know that the opposition is playing this to the maximum? You want to pull the table cloth, and then yank it without hesitation, without pause. As fast as your focus could take you, you just pull it and get it done with; walk away and next show would get the next crowd.

Mere 3 Votes for the 2010 budget; Yes, Salam Satu Malaysia to all. We are 7th gear into Pakistan now. Pakistan chalo! Best place to be in politic for all of us is Pakistan actually.

Pakistan chalo!

A small comment on para 15. I live in section 13 shah alam, just next to the stadium and I have to admit I was in the dark of what was happening for the past few days until I read this blog.

To the mainstream media, question: why is that?

Semoga, lebih banyak forum seumpama ini diadakan. Susulan kepada cadangan Tun terdahulu, mulakan perbincangan... eratkan persahabatan dianantara NGO dan rakan-rakan yang lain (baik yang Islam dan bukan Islam).

I just got back from Kota Kinabalu and I can testify that the true spirit Malaysia exist. An imam in a local surau having coffee in a chinese coffe shop... and a Kadazan/ chinese friend spending time and helping out at Muslim brother's funeral.

Ayahanda Tun,

YB Nazri Mohammed, a lawyer by profession, is a lousy politician and he has been a "yes" man for many years now. Because of BTN's issue, he slashed out to Tun Dr M's suggestion on the Revamp of BTN course. Wow, at least he acted "jantan" in the eyes of moderate Malaysians. He has learned and have the courage to say "Nay" (No) when he could not accept. And I hope he will not "fly high" with the "jantan" or "Hero" status, and will continue his resposibility to make sure 1Malaysia is fully implemented.. due to our 4th PM (Bapa Pemodenan) and 5th PM (Bapa Demokrasi?) so that UMNO would be relevant in leading the BN components...in the future.... Malaysians do not need "Politians ala HEROES" in our current politics, economics and socio landscapes.....if we respect and love our party, our race and our country (our King). For those self-centered politicians, they should attend forum like "Persidangan Muslim Unity", an international forum whereby they can update themselves with political skills so that they are relevant and ready to confront obstacles in the coming general election. It's no more "Whom You Know", it's now "What You Know" in PM Najib's leadership because PM Najib has learned from Tun Dr M's and Tun Lah's leadership.

There is a question in my mind, will KJ be our 9th PM? He may and he may not depending on our PM Najib's decision. Many Malays told me that KJ cannot be the future PM because of his

attitude. Yes, he is arrogant, over-ambitious, self-centered and not fit to be a multi-racial PM. Will he change? We do not know, but at this point of time, I think PM Najib will not appoint him as a Deputy Minister because KJ may cause chaos (unnecessary competitions which cause panic and oppression) in our Government Organisation because Malaysia is "conservative" and cannot be versatile in nature due to our 60 years of Organisation Structure (the DNA) with 9 Raja-Raja Perlembagaan.

Base on his reply (outbusrt) as UMNO Youth Chief and Rembau (N9) MP on the issues of our DAP's question on the construction budget on Mosque in the past few years, he is no different from our famous S..Tan, a racist who yells others as racists. Perhaps KJ should attend forum like this to upddate and sharpen his people-oriented mangement skills in leading our multi-racial nation which he could not learn from Oxford, peers, superiors, books or internets..... And I sincerely do not want KJ to end up as YB Anwar Ibrahim due to "ego" and "heroism" attitude.... Good day Ayahanda, Selamat Hari Awalmuharam.

P/S: PM Najib was right, we are wasting our time if we are using national attitude in solving climate issues internationally in Copehagen.
