

HOW TO MUZZLE YOUR CRITIC – SPECIAL MESSAGE FOR POLITICIANS

Chedet.co.cc

July 27, 2009

By Tun Dr. Mahathir Mohamad

1. Politicians make mistakes and commit sins and immoral acts. These will be made political issues by the enemies. They will blow up this little sins and immoralities until you become very unpopular.
2. You wish they would die or go away. You wish you can shut their mouths.
3. But this is a free country and you just cannot shut them up.
4. So what can you do?
5. The answer: Sue them. Sue them for 100 million.
6. The case will now go to the court.
7. When a case is before a court, it becomes sub judice. And when it is sub judice, your critic and enemy and others also cannot talk about the issue anymore. Effectively you have muzzled them and you are safe.
8. The court will take a long time to hear the case. You can prolong the time by asking for postponement, again and again. Any excuse will do.
9. And so the case drags on for years without the case being heard. It remains sub-judice and the critics will continue to be muzzled. You are safe.
10. Finally the case would be heard. If you win you stand to gain 100 million and the critic cannot bring up the matter anymore because you are now innocent.
11. But if you lose, then appeal to a higher court. The case remains sub-judice and the issue can't be brought up.
12. A few more years would pass and you are safe from being subjected to attacks on the issue.
13. At the Appeal Court you do the same thing. If found that the person you sued is not in the wrong, then appeal to the Appeal Court.
14. You can do the same at the Federal Court.
15. By then the people would have forgotten your sin and it would become a non-issue.

Salam Tun

apabila membaca pelbagai comment yang diberikan didalam laman ini buat diri saya terdetik untuk menulis apa yang terusik di hati. Pertamanya saya ingin menyentuh tentang ahli politik yang memegang jawatan penting bagi menggerakkan negara Malaysia. Apabila dewan rakyat atau dewan negara bersidang saya melihat dengan jelas ideologi ideologi yang disampaikan oleh mereka adakala tidak boleh diterima pakai. Ideologi seperti kanak-kanak tadika yang baru nak mengenal dunia. Contohnya dapat dilihat dengan jelas bila sesuatu persoalan diajukan, jawapan yang diberikan adalah tidak rasional dan bak kata pepatah melayu sekadar melepaskan batuk ditangga. Tidakkah ahli politik ini membuat penyelidikan dan penelitian terlebih dahulu sebelum masuk kedewan untuk bersidang. Mungkin benarlah kata beberapa comenter mengatakan kebanyakan ahli politik ini tidak mempunyai pendidikan serta pengetahuan yang luas tentang bidang yang dipegang. Seharusnya pihak kerajaan haruslah melihat dahulu "Qualification" mereka sebelum diambil sebagai wakil rakyat, "qualification" bukan hanya dari aspek pendidikan tapi dari pelbagai segi contohnya dari segi kepintaran membuat keputusan, kecekapan membuat tindakan dan sebagainya, sebagaimana yang digunakan dan diterapkan didalam dunia pekerjaan di dunia ini. Kami rakyat Malaysia memang tak memerlukan ahli politik yang hanya pandai putar belit bicara dan omong kosong. Kami tak memerlukan Tin kosong tapi kami memerlukan tin yang penuh dengan bahan supaya ia boleh digunakan.

Wahai ahli politik Melayu sedarlah kamu mempunyai tanggung jawab yang besar untuk menolong org melayu dan rakyat malaysia. Ingat bahawa tugas anda amat berat jika tidak dilaksanakan sebaik mungkin jawablah di akhirat kelak. Jangan kerana sikap kurang matang anda walaupun umur dah tua menyebabkan malaysia tergadai, maruah malaysia hancur. ingatlah betapa susah kita hendak merdeka ingatlah pengorbanan org terdahulu untuk menaikkan malaysia. jangan kerana ghairah berpolitik anda lupa apa tujuan sebenar anda. Jangan suatu hari nanti keluar di dada akhbar dunia " Malaysia Dijual Oleh Orang Melayu".

Dear Tun,

1. I wish I could do MRI Scan on your brain and study it, to see where it differs with others. Does it have more convolutions, more gray matter or white matter, size, weight, etc..etc..

2. For those who think I am a royal fan of Tun, no I am not. There were times I disagree with him. However, where Tun has done right, I would support him and to me his right is more than his wrong. Anybody can agree to disagree with me.

3. Tun's way is being cynical and imparting message at the same time.

4. It is difficult to find his replacement. The so called prime minister in waiting is a bit too temperamental to me. I suppose it is difficult to pull the two opposite side of the magnet to come together.

5. Somebody was saying that the men in this era is "bacul and pengecut". I beg to differ. I am a woman, to put things straight. Of course to find somebody exactly like Dr. Mahathir Mohamad is going to be awfully difficult. Men matures with age, majority of them. There are many of them who has high calibre, good thinker and good leaders but many of them are not interested in politics because their love is not in politics. For Tun, I think politics is the colour of his blood and that's where his passion lies.

6. Tun could go holidaying anywhere in the world if he wants to but as long as he is breathing we know where his love is. Why would he want to face people criticisms in his blog when he can shut everything else off and go snorkelling in Bali (Sorry Tun, I am not sure whether you snorkel..you should try it..it's amazing).

7. None of Tun's children has come at par with their father, I suppose we have to give them time. They have to learn the sepak terajang of politics first after being brought up in privileged upbringing.

8. Please don't erase KJ altogether. He has some fire in him but I suppose was a bit overconfident. He needs more sepaks and terajangs before he could correct himself in the peoples eyes.

9. Politics is like gambling. (Now here is where Nik Aziz would say harammm...) sorry to digress. Both politics and gambling needs a lot of money and a lot of thinking. Sometimes you win but most times you lose.

Sometimes you win big time, sometimes win small time. Sometimes you lose big time...ouchhh...it hurts soooo much, sometimes you lose small time (ala...luka sikit aje).

10. We are yet to see what is the opinion of the future voters in the election to come. Their generation is different. If politicians still use the same way a politicking they might lose. The young generation are more conscious to their surroundings and we have yet to see the impact of their opinion.

11. In a way I am glad of this blog because it is one of the many venues they can air their opinion. Our children is our future, we should nurture them to be good Malaysian. Try to think as Malaysian first... rather than Malay, Chinese, Indian etc etc first.

12. There is hope, dear Tun, even in this mess. I have great hopes for Malaysian children. We have to prepare them a better Malaysia than what we have in the past.

13. Tun Dr Mahathir, may Allah bless you and your loved ones.

14. Wassalam.

politik..politik..
hebat sungguh penangan politik..
sepak terajang, keluar masuk, kawan lawan, macam catur pun ada..
macam ada blogger kata..
nak jadi adun atau ahli parlimen..
spm pn blh...dgn syrt dia pndai pidato n putar belit..
x gitu??
bygkan..
seorg ahli parlimen..
dgn kelulusan spm..
tiba2 dilantik menteri atau timbalan menteri..
apa jadi??
skrg pn ada..
yg org besar ni kelulusannya lbh rndh dr org bwhnya..
org atas ni wat keputusan tnpa fikir pnjg..
sbb apa?? sbb dia ikut ckp org.. bkn drpd ilmu yg dia ada..
suruh wat tu.. suruh hentikan ni.. senang je bg arahan..
tp org bwh blh lwn??
lg 1, jadi menteri, timbalan yg portfolionya bkn atau tak kena ngan
kelulusan yg dia ada.. pndai ekonomi.. tak bermaksud dlm hal ehwal agama pandai.. pandai undang2, tak
bermaksud pendidikan pandai..
pandai dlm bidang it, teknologi.. tp letak kat portfolio yg tak ada kena mengena.. jadi ibarat mcm bljr benda
baru..
sbb itu, kdg2 bila tmbul sesuatu isu berkaitn bdg yg lari drpd pnetahuannya, mulalah nak menggelabah.. suruh
berdebat tntg sesuatu isu, macam tunggu..x tau nak jwb apa.. kdg2 kelakar juga tgk perangai org atas ni..
tu dah satu hal.. lagi satu.. bila dh jd org atas.. kroni, nepotisme tak leh lari.. sape paling kuat kipas, dialah yang
diutamakan.. ni realiti.. bkn dongengan dh.. klau ada projek2.. ahli keluarga dan kawan dulu diutamakan.. buat iklan
tntng tawaran projek itu ini.. tapi sebenarnya wayang sahaja.. wat cukup syarat..
padahal dah tau sape dpt.. klau camni.. sape yg tak ada kabel..
terutama org baru mmg x dpt la... maaf, ini saya ckp berdasarkan kenyataan..
kritikan untuk pemimpin..
tapi adakah pemimpin dengar dan ambil kisah??
tak ramai.. sebab tu, kalau rakyat tak puas hati...
KERTAS UNDI JADI SAKSI.. tak kiralah siapapun..
kerajaan ke pembangkang ke.. sama sahaja..
sebab apa?? sebab manusia.. tak gitu??
masa berkuasalah peluang perlu diambil..
sebab masa itulah ramai kawan, disanjung, dihormati..
lepas tiada apa2?? anda sendiri tahu..
saya sebenarnya pun minat politik..
tapi ilmu belum cukup..

kena belajar lagi..
banyak kena belajar..
terutama berkaitan integriti..
kritikan kadang2 bawa kebaikan
kritikan kadang2 bawa keburukan..
jadi kpd pemimpin atau org atas..
jgnlah berlagak
tanpa orang bwh..
tanpa sokongan org bwh..
anda tidak ke mana..

Tun,
I am spoiled. I followed u for too long, admire u from near and far, and still amazed with ur writing.
Soalah: Ada tak lagi lelaki Melayu macam Tun, dah cari bertahun-tahun mencari tapi tak pernah jumpa. Yang jumpa semua lelaki Melayu yang kuat bodek, pengecut dan selfish.
Sedih kan? Kesian wanita Melayu sebab terpaksa kawin dengan lelaki yang bacul....
Dan saya lak, tak akan kawin selagi tak jumpa lelaki Melayu macam Tun... huhuhuhu.
Hahahahah... jangan marah Bonda Tun Siti Hasmah. Saja melawak... tapi memang teramat jealous.
But, dont u agree.... majoriti lelaki Melayu hari ini bacul dan pengecut dan tidak mempunyai akal fikiran yang panjang dan tinggi... tu sebab sesama Melayu terus bertelagah sampai hari ini, bangsa lain tersenyum simpul dan bertepuk tangan.

Dear TUN,
Saya setuju dengan dengan tulisan Tun tentang cara menangani kritikan. Saya juga hairan kenapa YB sekarang tidak menggunakan Dewan Rakyat untuk menyuarakan Pandangan mereka dan menggunakan keistimewaan sebagai wakil rakyat untuk membela nasib rakyat. Sebalik dewan yang mulia tersebut digunakan sebagai tempat menghambur maki hamun.
Saya mencadang agar semua YB menggunakan Dewan Rakyat untuk menyuarakan ketidak puasan hati masing-masing dan menyuarakan serta membincangkan isu negara. Jangan gunakan jalan untuk berdemonstrasi kerana ia tak membawa apa2 makna. Ambil ikhtibar apa yang berlaku di Thailand.
Saya juga merasakan ramai orang lebih suka mengkritik orang lain daripada melihat kelemahan sendiri. Kepada Majlis Peguam saya cadangkan supaya Presidennya dan sebahagian ahlinya sepatutnya menasihatkan ahli dan anak guamnya supaya tidak mengadakan demonstrasi dan perhimpunan tanpa permit kerana ia menyalahi undang-undang. Sepatutnya mereka tidak mengkritik PDRM dan kerajaan yang bertindak tegas pada sabtu lepas kerana amaran awal telahpun diberikan lebih awal.
Kepada pelajar dan kakitangan awam yang terlibat dalam perhimpunan tanpa permit nasihat saya supaya berubah lah. kalau masa tersebut digunakan untuk mentelaah pelajaran dan bekerja lebih masa nescaya kita akan lebih produktif.
Kepada golongan penentang ISA percayalah akta ini sebenarnya yang membolehkan kita hidup aman dan mewah. Kalau tiada akta ini komunis tak terhapus. Kalau akta ini dihapuskan dan berlaku serangan anasir luar pada masa

akan datang... apa akan kita gunakan untuk menangani ancaman ini.

Salam Sejahtera,
Saya bersetuju dengan pendapat Tun kerana apa yang tun lakukan sesuai dengan situasi era Tun memerintah. Amat sukar mencari dan membuat keputusan dengan kaedah terbaik atau paling sesuai kerana tempoh masa yang ada dikala itu tidak membolehkan keputusan dibuat lewat. Sedikit kesilapan boleh menggugat kestabilan politik di Malaysia yang seterusnya boleh meruntuhkan politik itu sendiri, ekonomi, sosial dan agama.

PAKPANDIR08, Tun M's transgressions are many. All you have to do is to go down memory lane and ponder over the autocratic/dictatorial manner in which he ruled the country. He has to atone for all his "sins." Tun M telah bermaharajalela sepanjang pemerintahannya.
He needs to repent before he sees his creator!

Hi Tun,
1. Saya kurang percaya sangat dengan sumpah-sumpah ni. Kalau main Al-Quran boleh jadi parah.
2. Kalau nak pikirkan, power jugak sumpah Saiful ni, sampai ekonomi US boleh tersadai over-night, sampai US dah tak mampu nak support semua parti pembangkang seluruh dunia, termasuklah parti pembangkang di sini. Termasuklah keyakinan pelaburan asing dari negara lain yang makin terhakis.
3. Sampai duit nak beli 30 ahli parlimen Sabah pun tak mampu. Tertangguh pulak impian nak jadi PM.
4. Tak sangka, puak "Erdogan" dalam PAS yang menyokong DSAI boleh tenggelam macam Titanic.
5. Bergaduh pulak dalam PAS pasal kerajaan campuran.

6. Kemasukkan semula Tun M dan penyokongnya kembali dalam UMNO.
 7. Kacau bilau kerajaan Perak, apabila ahli mereka sendiri lompat parti kepada bebas.
 8. Idea-Idea dan janji yang tidak menjadi bila menguasai negeri-negeri kaya. Agak aneh, pembangkang di katakan mempunyai lebih ramai ahli yang berkeelayakan dan mempunyai ijazah yang berkualiti tetapi masih gagal membuahkan idea yang bernas untuk kebaikan dan kemajuan negeri-negeri kaya. Seperti pepatah mat saleh "You might be a high flying graduate but you are no light bulb" secara ringkas, berkeelayakan tetapi tanpa idea (light bulb). Atau mereka mati akal?
 9. Apa dah jadi selama 2 tahun? tiada kemajuan dan janji tertunai. Adakah janji sebenar PR hanya dengan menang By-election di kawasan sendiri dan bergantung dengan ilusi momentum tersebut? Kenapa kedudukan BN dikawasan mereka semakin kukuh dan sedikit demi sedikit mereka bersatu sedangkan PR sedikit demi sedikit semakin retak?
 10. Kenapa bala-bala ini terus berlaku dalam PR, apa lagi nak jadi lepas ni? Kenapa Nik Aziz marah sangat? "Takut kena jual?" – Tiga Abdul.
 11. Ini hanya baru 2 tahun, belum lagi tiga.
 12. Adakah ini ada kena mengena dengan sumpah Saiful?

Salam Bahagia untuk Tun dan warga Che Det, pertamanya maaf di pinta dengan penggunaan huruf tebal "bold", kerana perlu menyampaikan mesej ini kepada warga blog Che Det dan warga Malaysia seluruhnya. Komen ini juga bukan bertujuan menjawab post Tun yang nampaknya merintih, saya juga ingin merintih. Keharuan hari ini adalah hasil daripada kedangkalan dan ceteknya akal waras bangsa Melayu yang tidak punya halatuju dari dahulu hinggalah sekarang. Sudah begitu, senang hati pula dipergunakan oleh lain untuk agenda mereka.

Contoh yang paling senang, lihat sahaja di rumah-rumah pelacuran, di Bukit Bintang dan dimerata bandar di Malaysia ini. Pelacurnya rata-rata Melayu, dan yang melanggannya juga banyak yg berbangsa Melayu. Towkay nya pulak siapa ya? Bangsa Cina lah yg menjadi towkay nya yang kehulu kehilir dengan mercedes S-class nya, kaya-raya hasil dari kedangkalan orang Melayu. Ini contoh yang paling ketara, kotor dan terang, tentang tinggi rendahnya maruah, panjang pendeknya akal bangsa Melayu ini, amat senang membiarkan diri dipergunakan. Usah bercerita dalam dunia politik, perniagaan dan lain-lain lagi. Dan yang paling membanggakan, bangsa Melayu ini belum sedar kan akan dirinya, apatah lagi kemelut yg dihadapi dan untung nasibnya yg saban hari diperkudakan orang lain. Tak punya kemahiran dan ilmu yg sekadar jaguh kampung sudah mula nak mendabek dada memperjuangkan hak orang lain. Sedarkah mereka, nasib orang yg mereka perjuangkan itu sudah jauh lebih baik dari mereka sendiri, sudah punya rangkaian dunia, apatah lagi di rantau Asia. Pernahkan Melayu yang merasakan mereka ini pendekar, mencuba nasib mereka di luar negara?

Makmurnya negara ini adalah atas baik pekerti orang Melayu yang bertimbang rasa dan tidak ada orang lain yg akan memberi kita sub-contract sebagaimana kita memberi sub-contract kepada orang lain, tidak ada orang yang akan memberikan distributorhip sebagaimana kita memberinya kepada orang lain.

Boleh kah kita membantu diri kita sedikit dengan menyedari kedudukan kita, kerana orang lain amat sedarkan diri mereka

Ps: terimakasih Tun Mahathir kerana menyediakan blog ini sebagai satu-satunya saluran yang tinggal bagi orang-orang Melayu yang berfikir.

Salam ayahnda Tun,
Tidak salah sekiranya ahli Politik ingin menjadi kaya..itu perkara biasa sebab manusia semua ingin kaya harta. Ahli Politik yang dilantik oleh rakyat akan mengambil kesempatan mengaut kekayaan negara dengan bermacam-macam cara. Bagi orang kampung perkara ini semua dah menjadi perkara biasa..Rakyat ditipu dengan nyata, Apabila menjelang adanya pilihanraya barulah nampak muka kepuraan mereka, lagi rakyat ditipu.
Menjelang Pilihanraya akan datang, sekiranya kita sayangkan UMNO atau BN, lebih baik DS Najib membuat cuci bersih didalam UMNO, yang ada kes seharusnya letak jawatan dahulu sehingga selesai kes di Mahkamah, Yang baru dapat jawatan, jangan lupa orang kampung dan rakyat.
Sekiranya DS Najib bertindak cepat dengan slogan 1 Malaysia, Beliau akan berjaya dalam pilihanraya akan datang.

Salam kasih dan salam hormat Ayahanda Tun. Minta izin sikit ruang Tun. Terima kasih.

Salam saudara Samurai Melayu (the one and only / original recipe) dan juga Mr. Dorai. Saya juga melihat kepincangan akan pada konsep berdakwah PAS. Ayat Al Quran dalam ucapan mereka apa yang boleh mereka gunakan sahaja akan diambil pakai. Di trengkas kan dan di commercialize kan. Pada pandangan mereka, Islam adalah agresif. Saya rasa Islam adalah memahami dan menerima kebaikan lebih dari yang lain. Tapi apa pun, kita tengok lagi apa pula jenaka Nik Aziz bakal simbahkan dalam masa terdekat ini. Nik Aziz ni graduan Al Azhar, tapi tak nampak pun intelek beliau kebelakangan ini. Hanya emosi dan cara berfikir dengan menggunakan mulut depan kamera. Saya juga rasa simpati pada beliau. Kita hormat pada semua orang tua kita, diatas rasa hormat inilah timbul pula rasa kasihan apabila melihat Nik Aziz melatah sana sini depan media macam tu. Beliau patut contoh Ayahanda Tun. Tak cakap banyak depan media, senyum saja banyak. Macam tu susah baca dan merisaukan. Cara Nik Aziz selalunya akan makan dia balik. Saya juga ada terbaca komen saudara tentang carbon copy saudara disini. Saya pun ada carbon copy si Ahmad kamal (hantu raya Chow Kit saya tak bela), tapi kita tak kisah lah. Sebab orang dah kenal kita, kita trademark/AP (KL) holder. Lain hanya cheap imitation. Apa omputih kata; imitation is the sincerest form of flattery. Thank you sir.

Wassalam saudara Samurai Melayu.

Ps: Dulu masa si DAP Nga Kor Ming buat ucapan mulakan dengan membaca ayat dari "surah" "Au Ra" kepala bapak dia, Nik Aziz kata tak salah. Jadi maknanya patut semua DAP nak mula ceramah kena baca ayat tu dulu lah kan? Saya tengok sampai sekarang tak ada lagi dah DAP buat macam tu? Nik Aziz kata ok? Mana satu boleh pakai agaknya?

quote:

This is what happened to the Muslim woman who consumed alcoholic and being sentence to 6 strokes of rotan!! Is the punishment justified? If the case were to happen in Kelantan maybe Tok Guru government would either just give her a stern warning or much more harsher sentence. Why the double standard? Is that what you called Islamic justice?

On a serious note, I feel all our ulamak lack wisdom and too introvert and dogmatic in their outlook.

Well said, Syed Ali.

Dengan ini di isytiharkan bahawa Malaysia, telah pun mengamalkan sistem perundangan yang kejam!

Saya sedang dan telah melihat, dari rakyat sehingga ke pucuk pucuk tertinggi, berleluasa mengamalkan minuman arak beramai-ramai di dalam majlis-majlis. Tidak kira dari majlis kenduri kahwin, majlis mesyuarah, muzakarah, atau apa jua maksud, arak yang di kaitkan dengan judi dan wanita, menjadi ibadat kebiasaan masyarakat Malaysia. Kita, rakyat telah bersama-sama pengumbal undang-undang, persatuan ulama, bersengkokol menghalalkan penghukuman dijalankan keatas seorang wanita tanpa memerangi habis-habisan, penularan tersebut di setiap peringkat masyarakat.

This is simply a lackdiastical attitude of the government towards religious matter. There is no Islamic political will even by the hypocrite muslim politicians.

YAB Tun,

Assalamualaikum, Selamat Sejahtera and a very good afternoon.

Thank you for sharing, but whats new in politics?

Anything that appears in mainstream media is always a welcome sight, immaterial whether it would enhance their standing or it may bring down other politicians' image.

By the way Tun, I am not trying to apple polishing here but Tun Siti Hasmah still look stunning and elegant. I salute her simpleness and caring nature. Tun Siti is always well dressed for any occassions. I admire her simplicity in dressing but nonetheless still look outstanding.

Another plus factor for her is the way she carries herself for the occassion. When she was Malaysia's First Lady, she observed protocol because she knew her every movements and words spoken were always being watched and scrutinised by both local and overseas observers.

I felt sad that Tun Siti Hasmah's outstanding protocol examples are not being emulated and followed.

Semoga Tun dan Tun Siti Hasmah akan sentiasa Allah kurniakan kesihatan yang baik dan dipanjangkan usia.

I guessed every politician is trying to hide the real truth from the public. To them unknown truth is better for the public to know than knowing the right truth... Well this has been going for ages not only now...

I hope current politicians will remain relevant in the course of action taken by them, not some bogus promises that impedes the truth...

Salam Buat Tun,

1. Perlukah ujian DNA dibuat untuk kes-kes di mahkamah dan kalau dibuat, perlukah DNA keluarga juga dibuat dan disimpan untuk perbandingan..? Katalah si 'A' melakukan jenayah, adik-beradik 'A' dan juga kaum keluarganya juga diuji DNA-nya.. Apa kata kalau DNA si'A' tak serasi dengan keluarganya dan terbongkar pulak satu lagi kes baru – kes di mahkamah syariah pula... (Si'A' bukanlah anak nasab sebenar bapa dan ibunya atau kata lain, anak pungut a.k.a anak haram..? Macamana pulak warisan harta dan lain-lain..? (Saya pasti TUN sebagai doktor tahu maksud ini..)

2. Pengakuan perbuatan jenayah – ada kalanya pengakuan secara Islam boleh dibuat, kalau betul-betul anak jantan. Tak salah rasanya pernah berlaku seorang 'penglipur-lara politik' pernah bersumpah tak berbuat suatu perkara tak senonoh. Pengakuan ini dikatakan dibuat di atas pentas di satu tempat dan bertempik-soraklah pendengarnya sambil bertakbir.. Malangnya tiba-tiba halilintar (dentuman petir) menyambar pentas dan serta-merta majlis dihentikan.. Mungkin ada ikhtibarnya di sini..

3. Politik boleh dibuat macam-macam. Masa PPSMI sedang berjalan, beraraklah sekonyong-konyong manusia hatta yang bergelar pakar dan pendeta bahasa yang bersongkok, berjanggut dan bermacam-macam lagi. Bila dimansuhkan, tak pula si mereka ni berarak sama melaungkan slogan dan kain rentang 'mengikrarkan' sokongan kepada kerajaan sekarang yang 'akur tuntutan' mereka.. Hai, hipokriknnya manusia.. Orang lain buat, salah. Kita – tak apa..! (Macam la kita ni maksum sangat..!)

Dear Dr,

I believe you must have dedicated this article to Anwar Ibrahim. Finally he must have succeeded in silencing you from speaking about his ugly and immoral acts.

But the fact remains that he did commit immoral activities (based on the written judgement from his previous case).

So, to you Dr, it does not matter if you cannot say anything bad about him because the whole world knows who he actually is. I believe he is the only opposition leader in the Muslim world who has been proven to commit those despicable sins. What a shame!

Perhaps, Najib should consider Anwar Ibrahim as our new ambassador to the US instead of JJ. I have heard not so good stories about JJ and opposition parties are capitalising on them. Some of these stories could be true, I guess! Therefore, I believe they will definitely welcome and appreciate if Anwar Ibrahim is chosen for this prestigious post. We all know that Anwar Ibrahim has much better 'good network' and much more 'good friends' in the US. He is also much more well known and well liked in the US administration as compared to JJ. Our bilateral relationship with the US could be better enhanced with Anwar Ibrahim as our top diplomat. But one thing is for sure, the US

must have liked him most due to his immoral activities which they can manipulate later on to their advantages. Besides, there are also many influential leaders like him too in Washington!
To you Dr, please continue speaking up the truth!

A'kum Tun,

I could not agree more. It has been like that since forever in Malaysia. Whoever is not happy with gossips and stories around, they just sue whoever that creating the stories. At the end of the day, nobody would be bothered to follow the case because it just take too long to process. I heard there are thousands maybe more cases that still unsettle. Well I do not know what are the Judges doing in their office. I hope they really get the work done. Another issue is that Malaysia is famous for being corrupt. Our corruption level maybe improve to be better now but still we are capable of getting away from trouble as long as we can pay the Judge good money and people involved. That is how they play the game in Malaysia. I hope one day we can change our mentality and become better. Anyone that is found guilty should be punished and not by giving them chance to pay good money to the Judges or witnesses just to get away from it.

Our current PM has got to do a lot more in fighting corruption because I heard all sort of stories about him and his wife's behavior. I hope that the truth will be revealed for the good of the country and the people of Malaysia.

I wish you could still lead our country Tun.....too bad life is just too short for you to be there forever!

take good care of your health!

My Dearest Father of Malaysia & All Malaysians, Tun Dr Mahathir

Why was the legal system not politicized, manipulated or vulgarized by any one, including you, while you were in power as a leader of Malaysia? Only after your retirement

The various Courts operating in the whole Malaysia were then not owned by any individual, whether a politician or a business-person. However today, the political climate in Malaysia is elevated to international level, unseen before. Very likely, anyone who tries to manipulate and capitalize on the legal system must have taken some form of tuition from a master-politician.

How long more are you and the minority of patriotic Malaysians would be able to sustain this onslaught from invisible forces, before Malaysia would eventually fall into the hands of aliens?

As we have already witnessed, the Malays have shun UMNO due to misconduct of some of the elements there.

Subsequently, this lost vote made their way to PAS but now with the caning of the female model, very the Malay votes will go to the opposition parties. (Despite the severity of the punishment, ironically she did not move a finger to appeal the sentence. It does not make sense, at all.) It was no co-incidental but precisely-timed, the ugly side of the Sharia law is being exposed to the general public, while the good side is hidden.

Since when has the opposition leader or his accomplices managed to influence and groom the Courts, so as to treat him or his followers different from other citizens of the country?

Without Tun Dr Mahathir, accompanied by a group of honest politicians with integrity, it will not be long before we see the demise of democratic Malaysia.

Nothing but wind

Dear Tun Dr M,

I truly feel that misdeeds and possible sins by each of our fathers and forefathers should be forgiven and forgotten. We cannot punish the current generation for that.

At same time, we must ensure the true joint ventures and share of technological know how bloom between various races in Malaysia.

Mutual trust, help and respect should prevail in all inter communal dealings. This is the only way Malaysia could come up and meet the contemporary challenges.

Salam YAB Tun,

Izinkan saya memberi peringatan dan pandangan kepada semua sebagai petunjuk dan untuk renungan bersama.

Mari kita buat sedikit kajian tentang cara hidup manusia di dunia ini semenjak zaman Nabi Adam a.s. manusia pertama yang diciptakan bersama pasangannya Hawa a.s. dengan zuriat keturunannya.

Nabi Adam a.s. hidup sehingga usia 930 tahun bermakna sehingga generasi ke-9 iaitu hingga bapa kepada Nabi Noah a.s. bernama Lamik (@ Lamech). Semua hukuman dihukum mengikut ajaran Nabi Adam a.s. dari petunjuk dan hukuman Allah swt.

Setelah wafat Nabi Adam a.s., Nabi Noah a.s. dilahirkan dan semua zuriat keturunan Adam secara suka atau terpaksa mengikut segala petunjuk dan mematuhi hukuman Allah swt melalui Nabi Noah a.s. dan mereka yang tidak patuh kepada beliau telah habis dihapuskan semasa peristiwa banjir besar.

Nabi Noah a.s. hidup hingga ke usia 950 tahun iaitu sehingga 9 lagi generasi zuriat keturunannya sampai kepada bapa Nabi Ibrahim a.s. iaitu Tarikh (@ Terah).

Bagitulah seterusnya kehidupan manusia di bumi ini sentiasa mengikut hukum dan petunjuk Allah swt melalui para Nabi dan Rasul yang diutuskan berterusan tanpa putus sehingga Nabi Musa a.s., Nabi 'Isa a.s. dan akhirnya sehingga Nabi Muhammad saw yang telah menyempurnakan agama berserta segala hukum-hukum bagi seluruh umat manusia.

Tiada Raja, Sultan, Hakim ataupun Lawyer yang boleh menentukan kesalahan seseorang melainkan segala keputusan perlu dirujuk dahulu dan ditentukan mengikut kehendak, ketentuan dan hukum dari Allah swt. Apa-apa yang bertentangan dengan ajaran para-Nabi dan para-Rasul dari mana-mana kitab mereka haruslah ditolak.

Hari ini kebanyakan manusia sudah tidak mengenali Allah swt dan tidak mengetahui apa sebenarnya ajaran yang telah dibawa oleh para-Nabi dan para-Rasul yang diutuskan untuk selurus umat manusia dan apa kaitan antara manusia dengan segala kehidupan disemesta alam ini.

Berbagai-bagai hukuman dan undang-undang ciptaan manusia telah cuba diadakan atau diwujudkan bagi menggantikan hukum dan undang-undang Allah swt dan kebanyakannya dicipta oleh mereka yang mempunyai sedikit ilmu tetapi secara hakikatnya masih jahil dan semata-mata untuk kepentingan tertentu.

Siapakah yang sebenar-benarnya layak menghukum atau menjatuhkan sesuatu hukuman terutamanya atas sesama manusia yang berasal dari zuriat keturunan Adam yang telah diciptakan oleh Allah swt?

Mereka yang beragama harus bersedia dihukum mengikut kepercayaan agama masing-masing manakala yang tidak beragama harus dihukum mengikut kepercayaan mereka yang tidak beragama. Hanya bagi mereka yang tidak mempunyai akal sahaja dikecualikan daripada sebarang hukuman di dunia ini.

Wassalam.

Assalamualaikum.

Ramai yang amat mengagumi kemajuan Singapura dalam pembangunan ekonomi dan disiplin penduduknya. Saya ingin berkongsi pandangan bagaimana Singapura boleh mencapai tahap begitu. Kita pernah mendengar bagaimana kongsi gelap atau pertubuhan haram ditadbir. Jika diteliti secara halus inilah cara Singapura ditadbir. Jika ada yang menentang maka mereka akan dihapuskan dengan apa cara sekalipun. Tiada lagi belas kesihan atau kemanusiaan. Hasilnya lahirlah penduduk yang amat kiasu tapi patuh pada undang-undang dan peraturan.

Di Malaysia, penjenayah boleh menjadi hero dan mereka yang mati mempertahankan undang-undang dan hak dipandang sepi. Ini kerana kita diperintah oleh 'regim kuku besi yang zalim' sedangkan Singapura diperintah oleh 'regim yang mengamalkan demokrasi dan adil' sehingga Melayu tinggal nama sahaja di sana. Manusia secara umumnya amat zalim dan sukar untuk bersyukur. Untuk berkuasa apa cara sekalipun halal digunakan asalkan matlamatnya tercapai. Seorang yang mengaku memperjuangkan ISLAM sanggup menghalalkan yang haram asalkan mendapat sokongan dan bantuan waima dari syaitan musuh yang nyata. Boleh seorang kafir mempersendakan ayat suci AL-QURAN untuk berhujah tetapi menolak ISLAM, menyamakan perkataan seorang kafir dengan WARKAH RASULULLAH. WARKAH BAGINDA adalah perkataan BAGINDA kepada orang kafir tentulah bermula dengan BISMILLAH dan menyeru dengan KALAM ALLAH. Apa hak si kafir itu untuk menyeru dengan KALAM ALLAH kerana telah terang dan nyata bukan kebenaran yang disampaikan. Inilah sejahat-jahat makhluk yang menjadikan ISLAM sebagai alat untuk mencapai sesuatu. Bila tercapai hajat, alat akan ditinggalkan maka nafsulah yang akan menguasai mereka.

Sekarang ini mereka sedang cuba menghapuskan peraturan dan undang-undang yang tidak memberikan keuntungan kepada mereka. Berbagai alasan dan hujah dikemukakan untuk menghalalkan tindakan mereka atas nama kebebasan dan hak. Alangkah sedih apabila DYMM Sultan Perak menggunakan hak Baginda, Baginda dituduh bertindak melampaui batasan. Cara mereka ini sebenarnya lebih menjurus kepada strategi Yahudi, dia boleh ada senjata nuklear tetapi jangan ada negara arab cuba ingin memilikinya. Cubalah renungkan secara rasional pandangan saya ini dan jika saya tersalah silalah perbetulkan dengan ikhlas untuk kebaikan bersama.

Salam Tun Dr. & Pelayar Budiman,

To date, your writings if not read by the world at large, have been scrutinized and dissected.

They crave for goodnews, badnews and uglynews. Your thoughts are philosophical yet witty and sarcastic.

Oppositions might refer as deadly venom. Thus, the need of biological weaponry for total destruction. The reality of protocols!

Subjects ranges from socio-politico and economic point of view, with a dash of spirituality and religious matter, if not most of the times on global and domestic political issues and power, you somewhat have moved, reformed, transformed, on any formed and transpired, if not to all of your mentees, supporters and oppositions alike, you have inspired (read as: to a degree suggestive of divine inspiration) me, a lonely tukang kebun.

You were a great leader, a statesman, that to my ordinary mind, people look at you as a prime mover. Irrespective to which class they may belong: local politicians would be, other third world country leaders, muslim and non muslim alike. They take you as an indicator, queueing on your tireless efforts at times capitalizing on your words, spinned it on wasp speed that in the end as a result, the community suffers directly or indirect! Not you nor the spinners.

Political leaders, politicians often being hypocrites and pretentious. Irrespective of those using under religious banners. They are being referred to as in the holy Quran, 'Al Munafikun'. The old malays says 'orang (people) munafik (hypocrites)'.

Tun Dr.,

They have turn a deaf ear. They will pay a heavy price. There will be chaos. The signs are clear. Very clear indeed.

In the mean time, tukang kebun like me, toiling the soil, planting the cucumber, roll the cucumber we, tukang kebun, get hit, issues rolled onto our cucumber, that too, we get hit! Bloody politicians the Brits say...

May we humbly states our opinion:

We may and will shove all of our cucumbers to those politicians on sosio-politico and economic issues.

A simple reminder from:

tukang kebun who have just recently ascended from Mat Cincang

Please excuso my lingo dokto

Salam Ayahanda Tun.

Nik Aziz dah pernah kata dulu dia tak akan maafkan UMNO sebab anak dia pernah masuk ISA. Jangan pula mudah lupa sumpahan sebegini.

Hal isu royalti minyak, setelah 18 tahun lebih Nik Aziz tadbir Kelantan apa dia dah buat? Mula-mula slogan membangun dengan Islam. Tapi bila cuma wakil rakyat PAS saja membangun dengan Mercedes Benz dan kayu balak maka slogan itu habis tempoh laku di Kelantan.

Sekarang untuk nak mengubah hala tanggungjawab kegagalan PAS, terutama PAS Kelantan, Nik Aziz korek isu minyak pula. Masalah sini adalah kurangnya ilmu dunia sebab tu gagal membawa pembangunan ekonomi dunia kepada Kelantan. Hanya tahu bersyarah maki hamun orang saja.

Dengan tuntutan berbaur politik PAS di Kelantan kali ini 2 perkara jelas untuk dianalisis: 1) Adakah ini bermakna PAS telah juga mengaku bahawa di Kelantan mereka telah gagal mentadbir dan membangunkan ekonomi negeri Kelantan dan sedang dalam proses menolak beban kepada pihak lain pula. 2) Adakah ini bermakna MB Kelantan mengaku beliau cetek ilmu perdagangan dunia dan menyebabkan kegagalan ini. 3) Adakah ini jelas menunjukkan sikap ataupun inklinasi PAS dan juga PKR untuk mula membawa semua hal dan isu negara untuk campur tangan pihak luar, terutamanya "orang putih" (arahan siapa?).

Di ICJ itulah yang sedia ada menanti, sistem keadilan Kristian dan juga muka-muka pengadilan Kristian Yahudi Perundangan Roman yang hanya berkepentingan untuk melemahkan ekonomi Islam.

Tengok saja betapa mudah ICJ telah berikan sebuah pulau Tanah Melayu Batu Putih kepada proksi Yahudi di rantau ini; iaitu Singapura (sebab kebodohan Pak Lah dan ketamakkan politik budak-budak Tingkat 4).

Demi oleh itu Nik Aziz perlu menjelaskan kepada orang Melayu kenapa pula masih perlu ada kecenderungan merujuk kepada sistem keadilan orang putih ICJ sebegini, pada tafsir dan percaturan politik PAS Kelantan.

Adakah digalakkan oleh ajaran Islam? Adakah tertulis mana-mana dalam Al Quran bahawa orang Islam-sesama-Islam kena bawa masalah untuk diadili oleh Sistem Perundangan Roman Kristian Yahudi? Tak

begitu?

ICJ BUKAN singkatan untuk Islamic Court of Justice Tuan Guru. Tapi mungkin juga Nik Aziz tersalah baca lagi (ataupun tersalah dinasihati lagi sekali).

Apa pula pandangan Tun agaknya. – Kamal.

Ulama More Concerned About Insignificant Issues, Says IKIM D-G

KUALA LUMPUR, July 28 (Bernama) — The ulama today are more concerned about addressing insignificant issues involving individuals rather than society, thus stifling the advancement of the Muslim world.

Institute of Islamic Understanding Malaysia (IKIM) director-general Datuk Dr Syed Ali Tawfik Al-Attas said rather than focusing on fardhu kifayah (responsibility to society), the ulama confined their views on fardhu ain or the "dos and don'ts" of a Muslim.

"In the Muslim world, we talk about issues which have no significance whatsoever, like the dress code. What is Islamic attire, and we have all kinds of people telling us what we should wear. What we wear is not Islamic attire, according to them.

"This is nonsense and not an issue which will benefit our society. It's up to you whether you want to wear like this or like that," he told reporters after delivering a keynote address at the International Conference on Muslims and the Frontier of Knowledge in the 21st Century: Issues, Prospects and Challenges, here, Tuesday.

"People who have been given the mantle of authority speak only on "remeh-temeh" (insignificant) stuff which is within the fardhu ain framework. Don't get me wrong, I'm not saying fardhu ain is not important. It is very important. Both fardhu ain and fardhu kifayah are important, but fardhu ain is more about the individual," he said.

The ulama, he said, had failed to discuss things that affected society such as education and Islamic economics and finance.

"After all, one cannot simply introduce Arabic terminologies such as mushawarah (consultation), musharqah (partnership) and mubarahah into a capitalist system to make it Islamic.

"Look at some of the banks here, they are all murabahah (about terms of finance/sale), with the exception of one and two, so how can you call it Islamic? You have Islamic syariah compliance apparently, yet credit card interest is 25

per cent per year. Is that not riba (usury)?”.

He said the ulama’s narrow-minded views had given birth to extremism in Muslim society.

“We are hypnotised by symbolism such as McDonalds, K-Mart, Disneyland, Internet...these are symbols, symbols of western technology...and we are saying this cannot, this is bad, so we must get the Islamic ones.

“As a result, we have groups in society who after listening to the so-called ulama, have become extremists. These are the ones who are causing problems, these are the ones who are killing people, these are the terrorists. They are hypnotised by the symbols, they are fighting against the symbols, not against the substance,” he said.

Syed Ali also felt that the country’s political leaders were ignoring the real ulama, while the West tapped into their knowledge.

“For example, where is the Nobel prize winner for physics now? At the University of California. He’s a Muslim from Egypt, but they (Egypt) don’t care about him, so he goes there.

“The West always depends on the Muslim world. So, if we want to advance, we have to listen to the real ulama.”

However, he said, the ulama now were depending on political leaders before giving out advice.

“They shouldn’t look to the political leaders, instead, the political leaders should look to the ulama...the real ulama. They (political leaders) should get advice from them, not the other way round,” he added.

comment:

Saya taksab dengan Tok Guru !! kah, kah, kah.

Apa sahaja Tok Guru turunkan fatwa, semua mesti ikut.

This is what happened to the Muslim woman who consumed alcoholic and being sentence to 6 strokes of rotan!! Is the punishment justified? If the case were to happen in Kelantan maybe Tok Guru government would either just give her a stern warning or much more harsher sentence. Why the double standard? Is that what you called Islamic justice?

On a serious note, I feel all our ulamak lack wisdom and too introvert and dogmatic in their outlook.

Well said, Syed Ali.

Saya rasa Tun perlu terima kritikan secara positif kerana Tun sendiri sangat gemar mengkritik. Tun tidak boleh hanya mahu membuat mengkritik tetapi tidak mahu menerimanya sendiri. Jika kritikan yang diberikan agak pedas maka Tun jawabnya secara berhemah sesuai dengan taraf Tun seorang negarawan dan jangan cepat melatah atau menyindir kerana itulah kekuatan Tun yang sangat gemar menyindir. Sindiran TUN kepada Tun Abdullah misalnya masih lagi Tun lakukan walaupun beliau tidak lagi PM. Namun Tun Abdullah memang insan yang sabar, sedikit pun

Kalu orang lain pegang lilin masa majlis ingati kematian, dia kata bidaah/ macam org kafir...tapi bila Nizar pegang, dia senyap aje. Ulama PAS boleh mencarut & maki hamun, tapi org lain buat, itu berdosa. PAS ni sejak berpakat dgn parti lain nampaknya dah makin melalut, mengelirukan org islam dan paling bahaya ialah menunjukkan Islam itu tidak cantik.

New ones...
AT LEAST BE A GREAT "VILLAIN"/COLD WAR MENTALITY
OK, fine. You hate the west, and therefore going there is the last thing you would do.
Well at least the very least you could do is to go all the way to become a GREAT VILLAIN!...like SADDAM HUSSEIN, CASTRO, OSAMA and HITLER.
They were not from the west, yet they were attacked so greatly by the west until in people's eyes they were as great as their attackers (i.e. the west) themselves.
Another similar instance would be China. The have this cold war mentality such as East vs West, Capitalism vs Communism etc. Whereby the Chinese leader i.e. Mao or Deng or even Gobachaev is deemed equal to their American/European Counterpart.
However I fear that as for you, you have only reached merely the ASIAN LEVEL and have fallen short of being QUITE THERE at the top. Nevertheless for the sake of Malaysia I hope that you have done enough to claim being this great 3rd world champion opposite the west.

Can I please comment on something else...
I have praised Tun as a legend and statesman in such long-winding fashion. I have also criticized Pak Lah, and appropriately too, since I'm in this forum.
So now I would like to balance things up by saying some fairer and more straight-forward thought on Tun; some of which might not be very nice to hear, though true they still are.
Here I go.

1. Little has been mentioned of Tun Hussein these days.
2. However interestingly there was an article carried by the NST,

ISA Support And Abolishment Gatherings Illegal

KUALA LUMPUR, July 28 (Bernama) — Large gatherings by two groups – the Abolish the Internal Security Act (ISA) Movement (GMI) and the Muslim Cooperation Council of Malaysia (Pewaris)- the former to support abolishment and the latter to retain the act are illegal.

Kuala Lumpur police chief Datuk Muhammad Sabtu Osman stressed that they are illegal under Section 27(5) of the Police Act 1967 as no permits had been issued.

comment:

1. The police must act now.
2. Tangkap semua kepala yang nak cuba memporak perandakan negara.
3. Prevention is better than cure.
4. Things will definitely become ugly, no doubt about it, if the police just do not act now without fear and favour.
5. Public order must be maintained without any compromise.
6. Jangan menyusahkan orang ramai yang inginkan keamanan dan menjalankan urusan harian tanpa gangguan demonstrasi jalanan.
7. Tidak ada faedah dan merugikan semua orang.
8. Negara kita sedang dalam proses pemulihan ekonomi dan kalau beginilah caranya kita sibuk dengan hendak berdemonstrasi, akhirnya hancur negara.

Dear Dr M,

I don't want to be disrespectful since I respect you as a brilliant man, but could you please stop politize (not sure if this is the right word) your blog because it starts to make me sick (I know people will say stop reading this blog then, that's what I'm gonna do). Why don't you stop all this nonsense and start to give more beneficial wisdoms to your follower. You are not getting younger, so better start making friends rather than enemy. 1 enemy is worst than 1000 friends. Start ask for forgiveness from people and to Allah.

Salam Ayahanda Tun.

Someone should kindly tell the misguided Kelantan MB that the ICJ does not stand for "Islamic Court of Justice" – that's Jewish PR exercise. And someone should read him what arbitration is really all about. Dollah fell for that and so went Batu Putih. Batu Tengah ours? Really now?

Observe Tun; the fondness of PAS off lately to embrace all ICJ 100% Christian legal system for their brand solutions...must be an influence from their bigger brother the all Washington Jewish owned PKR.

Dearest Tun,

Your previous comment has made everyone in the blog confuse, mad, angry and numb, guess you are really good at it. I think it is desperate time, desperate measure huh ... is it too late? Well this answer i leave to all Malaysians.

Anyhow is great you are finally following the footsteps of Singapore LKY. Guess all the opposition in Singapore are either poor or bankrupts due to summons they receive from the court.

Congratulations... as you have learned a trick or two from Singapore as they have practice this all the while. They have more tricks in the sleeves so keep learning.

Anyway i enjoy your comments and blogging as always.

Hope you have more surprises to all Malaysians as always.... :)

Dear Dr,

I am not surprised if PR assemblymen and women in Selangor are really abusing public money. I believe they do!

They are actually men and women of no integrity and honesty. For example, look at the three ‘frog’ assembly members in Perak who jumped into BN and caused PR government to crumble. They were PR members and candidates for the election. They were also appointed as EXCO members and Deputy Speaker and yet they betrayed the trust of the people. Allegedly, two of them have been accused of corruption and are awaiting trial. This undeniably confirmed that PR assemblymen and women are also corrupt people. What a shame!

In Malay, we say ‘meludah ke langit’. This is what PR is all about! The people of Malaysia must not be fooled with their tactic. They are even worse than the devil!

In this particular episode, I consider Khalid Ibrahim is another clown of PR, besides Lim Guan Eng. As leader of Selangor government, he should be accountable for everything that happens under his nose. Do not pretend that he doesn't know what his EXCOs and ADUNs are doing. Please stop being hypocrite, coward and defensive!

I urge Khalid Ibrahim to be transparent. How can he ask for internal probe by his own government on his own assemblymen? What a joker! If he is an honest man, he should ask and invite professional external auditors to carry out this investigation. Perhaps, he is also worried that the results will not be as what he expects.

Khalid Ibrahim should stop talking nonsense and must not be too protective of his own assemblymen who are abusing public money. They are doing much more terrible things than the previous government!

Just wait and see what Khalid Ibrahim will do next, perhaps even funnier!

Brgds,

ABSH

Salam Tun,

Secara jujurnya, saya begitu risau dan takut akan situasi politik semasa. Takut teramat sangat terutamanya kepada PAS, bahawa dlm menunggu 50 tahun lebih lamanya memperolehi kuasa, takut2 PAS sudah buta yg mana patut didahulu. Kuasakah? atau perpaduankah?. Jika mendapatkuasa, sejauh mana kuasa yg dipegang yg dapat melindungi umat Islam. Dan perlu diketahui bahawa majoriti Islam adalah Melayu di negara ini. Tidak boleh lari akan hakikat ini. Adakah PAS akan jadi dominan dlm parti pemerintah kelak spt UMNO. Kita perlu meneliti, memperhalusi perkara ini dlm memberi pertimbangan parti Melayu mana patut diutamakan. Saya takut PAS telah buta mata dlm mengejar kekuasaan, akhirnya lari dan terkorban ideologi Islamnya dlm kerajaan PR dan terkunci suara dan kuasanya dlm PR walaupun mereka mampu bersuara. Dlm ertikata lain suara mereka terpinggir sedikit demi sedikit. Kerana kita tahu parti dlm PR yg lainnya lebih bersifat ideologi sekular. Walhal BN didominasi oleh UMNO. Walaupun UMNO dominannya, namun peluang sosio-ekonomi dapat dinikmati bersama secara seimbang walaupun tidaklah seadil seperti yg ditulis dlm buku(teori). Telah nampak secara realiti bhw UMNO dpt melindungi orang Islam secara keseluruhannya walaupun tidaklah begitu Islamik pemerintahannya kerana perlu melihat akan kepentingan penganut agama lain juga. Sedarlah semua. Kuasakah yg akhirnya merugikan atau perpaduankah yg akhirnya dapat menyelamatkan umat Islam. Sejarah dan keadaan semasa mana-mana tempat di dunia telah membuktikan bagaimana lemahnya umat Islam akibat berpecah. Inilah senjata canggih lagi ampuh yg telah melingkupkan umat Islam sejak dari dulu lagi. Umat dan pemimpin Islam baik ustaz, ulama mahupun cendekiawan tahu akan hal ini tapi terus-terusan mementingkan kuasa demi laungan perjuangan Islam, namu kosong dengan strategi ampuh iaitu perpaduan. Tidak nampak dan sedarkahkah pemimpin2 semua yg berserban Islamik mahupun yg berakademik tinggi. Adakah kuasa? atau perpaduan? yg dapat menyelamatkan generasi kita. Lihatlah bangsa lain di Malaysia, perpaduan mereka baik dlm bermasyarakat mahupun ekonomi, menjadikan mereka kuat. Perpaduanlah yg akan menghasilkan kuasa kepada mereka. Kuasa dlm segala hal. Amat sinisnya, bagaimana bangsa yg tak sampai 10% populasinya sehingga dapat menjadi kuasa pendesak. Tak lain tak bukan kerana mereka bersatu. Mereka boleh bersatu walaupun terdiri dari peelbagai suku, agama dan adat resam. Walhal kita dlm satu agama satu adat satu bangsa tidak dapat bersatu. Kerana apa? Kerana tamakkan kuasa dan kebendaan sehingga kepentingan diri atau parti sendiri melebihi segalanya. Mana lebih penting? Ingatlah anak cucu kita malah lebih penting ialah ingatlah akan pengembangan agama dan umat Islam kita. PAS katakan mereka masuk PR kerana dapat tarbiahkan mereka menjadi lebih baik. Tak nak bersatu dlm UMNO kerna ideologi UMNO sekular. Saya takut PAS pula ditarbiahkan PR menjadi lebih kebendaan kerana sudah diketahui DAP itu apa? Walhal dlm UMNO itu umat Islam. Dahulukannlah umat Islam dlm UMNO yg dituduh telah terpesong jauh dari landasan sebenar. Kenapa perlu didahulukan PR. Mengelirukan betul. Maka disimpulkan kuasakah yg dimahukan atau perpaduan. Fikirkanlah dgn penuh keinsafan, beristikharahlah dan demi islam yang satu dan ad-din, bersatulah...

You did at one time muzzle not only the politicians but also those who you despised! You incarcerated some of them, but some of them on being alerted left the country. Your record is not without blemish.

As I have always advised you, you should keep a low profile without getting agitated about things and spend your twilight years in a peaceful way. Your advice will not go down well with the seasoned politicians in this country. Maybe the half-baked and immature ones may heed your advice!

You reap what you sow.
The current judicial system of Malaysia is the legacy of your 22 years' authoritarian rule as the Prime Minister of Malaysia. By using legal prosecution as a means to check and deter the dissidents and the dissenters by the BN Federal Government, court delay has become a rule rather than an exception in Malaysia. In experience with the long-lingering legal litigation because of your being filed a lawsuit by Anwar Ibrahim for your defamation allegation, you should by now feel that you are the victim of a court delay. You should find empathy with the righteous conclusion of a court judge in American judicial history, which states, "Justice delay is justice denied!"
What else can you do besides surrendering yourself to Allah and ask Allah to deliver you from all pains and suffering due to the iniquities which you have committed in the past?

Assalamualaikum,

Until this moment, not a single thought that i'll go with politics. As much i admire Tun as a leader, i would like to state something very important for our future. I'm sorry if this is not the place to write this.

Why we still learning the same old pathetic module at school since what's important out here is not even mention or teach by them. I talk about money, economic and future of Malaysia. I believe Tun are way smarter on this issue & that's why, i would ask Tun & readers here opinions.

Our education system forcibly trained, lectured, give an idea on 'How to GET a job' instead of 'How to CREATE jobs'. I'm already in business for 5 years (oh, i know what u think. Just 5 years? yeah, i'm 23) yet i cant find a single person around my age who know how to run a business. Most of them, don't even know how to register an enterprise! I'm no good at school guess it was meant to be since people who might be good in business, not doing well in school just because different perspective & idea. Nowadays school are corrupting citizen mind! What they teach are important but the problem is, they don't teach us the most important thing – MONEY. They just hide it somewhere over the rainbow when the topic been ask.

I've been questioned, 'If everybody get into business, who's going to work?' It's a lame question anybody can ask. The answer is, not everyone like to run a business & even IF all Malaysian get into business, what we can do is, "GET BANGLA/SINGAPOREAN/INDON/PINOY TO WORK FOR US". Our economy will grow just because Malaysian know what is Money & we can proud saying, 'Who's the boss? Who's your daddy now?' I bet, less than 5% Malaysian who really know, what value in world currencies now. They don't even know that we currently using Monopoly(the board game) money for decades who backed up by promises & Monopoly(the board game) rules – The Bank Can't Go Bankrupt.

Before anyone start to flame me, i suggest you read my favorite author's, Robert T. Kiyosaki. You also can find many of his book at richdad[dot]com. You'll will learn something new in your life. I read 'Rich Dad, Poor Dad' when i was searching what i can do in life after i'm out from school. He's a brilliant man who can change your life, at least your thought about money. Well, he changed me.

I'm not going to state everything here (like you want to read it,eh?). If anyone have argument on my statement, please feel free to reply. I really appreciate your thought. At least when you reply, you can think, 'Why you have 24 hours/day divide by 3 (work/sleep/family) when you can own 100 hours a day'. That's the different between Workers & Me.

Assalamualaikum.

Second, the cost of the massive court and government resources tied up in these suits should be recoverable from the parties accordingly, so that the government can then allocate more resources to the courts and dispose these suits in good time.

In the name of Allah the most gracious and the most merciful.
Dear Tun, may you be in good health
Your article perhaps explain best the possible solution to any politician most convoluted and contorted episodes in
history,
coupled with minor pantomime attempt
Im a tax paying citizen who for every first five days of his week for the last 10 years of his life would drive up the
federal highway from shah alam to klcc and return in the evening. I basically have no qualms in the undertaking of
bread and butter for self and for family.
Once in a while I come across Ministers / VIPs escort with sirens wailing. Like magic the roads clear. I respect their
urgency and with the new KPI or NKRA (New Key Results Areas), their schedule shall be notoriously ambitious
schedule.
Before this morning, I knew that Michael Owen stood a much fairer odd in scoring 20 goals this season then my odd
of writing a comment on your blog.
Perhaps of the love of this country made me wanna write of my following concern:
1. Taxi Drivers : The drivers over charge the tourists. The drivers behave in a thugly manner. I wish the
Ministers/VIPs can see this happening at KLCC taxi stand. I reckon the tourists are not having the best of experience
then. I wonder if the Tourism ministry have statistic on repeat tourist. The taxi drivers are driving the tourist away
from this country.The tourist shall tell friends, relatives back home
2. Super Brave Motorcyclist : I see almost every day, motorcycles on the Federal Highway. They are a DANGER.
FATAL. I believe they are there on the highway perhaps due to (a) superbrave or (b)tyres fixer throwing nails on the
motorcycles side road.
Dear Tun, perhaps you can advise the policy makers to address the above. The above concern are not as grandeur as
the NKRA. Nevertheless, even freebies, the ones laid outside sundry shop, if given life, would just walk away. Like
you, I love this country.
Dear Tun, I always appreciate Vision 2020 which epitomizes bright future,sense of nationalism and perpetuating
unity. Vision 2020 symbolizes convictions in the minds and hearts of Malaysians;in 2020 Malaysia shall be a
developed nation in our own mould with our distinctive culture and heritage,uniquely preserved.
Dear Tun, is Malaysia still sew up to it after Islam Hadhari and 1Malaysia?
Dear Tun, my gratitude to you for making this country great.

Assalamualaikum....
Very interesting and suggestive entry Tun. Hahahaha. Pakatan people will do anything to accuse us even with very
small sin that we had committed. I think they too use this method too. You all had seen in Anwar case, sampai bila
nak setel? Baru-baru ni, pasal penyelewangan duit dana negari Selangor, elok je SPRM nak siasat, sorang mati.
Pastu dorang hebohkan isu kematian ini. Kata itu la, ini la. Jelas kita nampak, dorang nak alih perhatian orang ramai
dari isu yang penting (penyelewangan tu).

Kalau kita bawak kat court, sure ambil masa. Dorang pun akan putar belit fakta dan guna strategi sama. So bila dah bertahun-tahun kes ni, dan bila BN dapat balik negeri Selangor dalam pilihan raya umum akan datang (maybe), sure la dorg akan keluarkan dan jadikan isu ni satu modal untuk dorang buruk-burukkan dan menyalahkan kerajaan negeri pasa masa itu. Ini la strategi dorang nak rakyat hilang kepercayaan kepada pemimpin. Brilliant isn't it? Tapi negara mana yang tak ada undang-undang? Even negara komunis pun ada undang-undang. Yang beza cuma disebelah pihak mana undang-undang tu applied. Bagi pakatan, mereka la yang betul kita la yang salah. Apa yang kita buat ada je yang tak kena. Tapi bila mereka yang buat salah, takut hilang sokongan, dorang cari point untuk salahkan kita. Whatever la, balasan Tuhan tak lama. Kita tunggu dan lihat.

An attorney passed on and found himself in heaven, but not at all happy with his accommodations; he complained! Promptly he was told that his only option of recourse was to appeal his assignment.

The attorney immediately advised that he intended to appeal, but was then told that he would be waiting at least three years before his appeal could be heard.

The attorney protested that a three year wait was unconscionable, but his words fell on deaf ears. The lawyer was then approached by the devil, who told him that he (the devil) would be able to arrange an appeal to be heard in a few days, if the attorney was willing to change venue to Hell.

When the attorney asked why appeals could be heard so much sooner in Hell, he was told, "We have all of the judges."

Sebelum ini saya dah pun komen berkenaan 'salam Nik Aziz' kepada Umno selepas pilihan raya kecil Man U. Dan berkongsi pendapat apakah Nik Aziz benar2 ikhlas akan kenyataan nya. Dan kenapa mesti Umno bergitu ghairah dan terdesak untuk menyambut tangan nya tanpa melihat dulu sejauh mana keikhlasan nya. Dan ternyata lah Nik Aziz bukan lah orang yang berprinsip. Hari ini cakap ini dan esuk cakap lain.

Petikan dari laporan akhbar.

KOTA BHARU 27 Julai – "Salam ini bukan di antara UMNO dengan Pas, tetapi antara kerajaan Kelantan dan Pusat, tak timbul masalah UMNO ini, pergi jahanamlah UMNO.

Bergitu sombong dan angkuh nya seorang yang bergelar ulamak atau Tok Guru.

Dia juga mengatakan "Orang melayu akan lebih aman jika tidak ada UMNO"

Tapi pendapat saya Melayu akan lebih kuat, berjaya dan maju ke hadapan jika tidak ada pengaruh pemikiran PAS dalam diri orang melayu. Kelemahan,kekalutan dan kekeliruan orang melayu hari ini adalah disebabkan PAS.

Fikir2 lah pemimpin2 UMNO. UMNO tak perlu pun PAS jika pemimpin2 UMNO bersedia bekerja dengan ikhlas untuk memajukan negara bangsa dan agama.

I think anyone who have the privilege to play that game will not hesitate to use that game plan (let's give it a name " Appeal To Adjourn" or vise versa).

However as one old song lyric says " you've been wrong to long, you think you're right", I can remember the song title but I really do believe that phrase.

I rest my case and appeal for adjournment...ha ha ha

Tun...saya cuma seorang rakyat biasa...bukan pemimpin negara. Kami umpama kuli kapal, ke kiri kata nakhoda, kiri la...kanan kata nakhoda, kanan la. Laut bergelombang dan bergelora, kami terpaksa redah...nak terjun dari kapal MATI, kalau nak hidup dalam kapal terpaksa la kerja lebih kuat, supaya kapal tak KARAM. Ini la nasib org mcm kami Tun.

Akhir2 ini, terutama selepas Tun bersara, saya sedih tengok rakyat kita. Dulu kita kawan semua org, TAK KIRA BANGSA, AGAMA, WARNA...cuma tak kawan dengan org jahat jer. Kita cukup selesa berkawan antara satu sama lain, sbb KITA HORMAT SATU SAMA LAIN. Nak sentuh ttg agama dan adat sesuatu bangsa mmg bukan budaya kita, sbb kita mungkin TIDAK ARIF DAN TIDAK TAHU budaya agama org lain...jadi takut tersalah cakap, akan ada yang terasa hati.

TAPI SKRG, saya tengok rasa hormat dan menghargai satu sama lain semakin hilang dari masyarakat kita...sorang kutuk yang itu, sorang kutuk yang ini...saya naik sedih la Tun. Nape yer??? Sudah hilang kah rasa seronok hidup berbilang kaum berlainan agama? Kenapa rakyat kita semakin ada sentimen mementingkan kepala sendiri? Jangan la...saya suka peaceful country..

Lately, org yang dianggap pemimpin masyarakat, disegani ramai SUDAH mampu mengeluarkan kenyataan yang bagi saya SANGAT MENYENTUH PERASAAN seorang rakyat kerdil spt kami yang cuma menjadi pemerhati permainan politik yg sedang hangat berlaku di dalam negara kita sejak akhir2 ini. SUSAH SGT KER NAK BERSATU PADU?

SUSAH SGT KA KITA NAK RESPECT BANGSA AGAMA SATU SAMA LAIN BY JUST SHUTTING your mouths up knowing that you are about to UTTER SENSITIVE ISSUE...org kita makin jahil Tun...sedih sedih... Dan kenapa mcm tiada sekatan especially kat tv ttg issue2 mcam ni?

Saya tersangat terkejut dgn dua berita yg diumumkan baru2 ini. First ttg math and science dan satu lagi ttg ideologi pemimpin2 kami kat sarawak ni..

Math and science...kenapa perlu di ajar dalam bahasa2 yg berbeza? Buang masa, buang duit, menyusahkan and bla bla bla...kalau betul nak tukar pun, buat la dalam satu bahasa. Apa guna ada national language??

2nd issue, keluar kat paper baru2 ni, ada yg nak menyarankan pulak beberapa bahasa etnik di introduce di dalam sukatan pelajaran CONTOHNYA, bahasa Iban akan di offer for those in West Malaysia. Alasannyer, so that those in semenanjung akan dapat memahami budaya kami..but I think, bahasa will not tell you much about a race, it will just make communication easier..The best way to learn about a race or culture is through mixing harmoniously and blend around...

Iban is my etnik language BUT dont get me wrong. I know that should be proud but the question is "IS THIS REALLY NECESSARY???" Banyak nyer duit org kita kan Tun. Nanti masyarakat etnik lain plak terasa, kenapa bahasa dorang tak di buat gitu jugak...masalah kaum lagi..hmmmm...to me, kalau nak introduce new language to learn, buat la bahasa yg lebih commercial and mendatangkan manfaat like mandarin and japanese...lebih international and dapat memudahkan urusan perniagaan antara negara....but English pun belum sampai ke tahap yg memuaskan...camaner nak intro bahasa lain? hmmm...org kita kan...

BOTTOM LINE..negara lain dah sampai ke bulan...kita masih kecoh nak gadoh pasal bangsa, agama, politik, kepentingan sendiri and LANGUAGE....bagus balik zaman batu je la kan...blaja balik camana nak guna batu and kayu buat api...

To all Malaysian, please be united like we used to...we need to work together to lift our country to a place where we had reached before...we can live in harmony, MACAM KITA TAK PERNAH BUAT PUN...

Tun, take care...we are not the same without you.

Assalamualaikum Tun.
Sebenarnya saya ada berfikir nak berhenti dari masuk blog politik ni pada tahun lepas (mungkin juga sekarang).Tapi mungkin kerana beberapa kes yang berlaku dalam negara (mungkin juga kerana kes mahkamah),saya tergerak hati untuk terus berada di alam maya.
16 September sudah berlalu.Saya turut terpicak dengan rencana dari Berita Harian yang dimuatkan oleh Hot Ice tentang Ahlul Bait.Kebetulan juga saya adalah pencinta Ahlul Bait,maka saya merasakan telah mendapat sedikit semangat dari situ.
Ada beberapa carian saya tentang ini dan saya pun ada terjumpa selawat salam ke atas Rasulullah s.a.w,sahabat dan ahli keluarga baginda...alih-alih terjumpa blog Datuk Seri Anwar Ibrahim.Saya harap beliau tidak menggunakan itu untuk tujuan yang tidak betul.
Tidak banyak cerita yang terperinci tentang kefahaman Ahlul Bait. Hadis palsu syiah Iran yang dimuatkan dalam rencana Dr Mohd Asri (bekas Mufti Perlis) ;
Ini seperti kononnya Nabi S.A.W bersabda :
"sesiapa yang suka hidup seperti hidupku,mati seperti matiku,tinggal di syurga 'adn yang ditanam oleh tuhanku maka hendaklah dia mengangkat 'Ali selepasku.Juga mengangkat penggantinya.Hendaklah dia mengikut para imam selepasku,kerana sesungguhnya mereka adalah kaum keluargaku,diciptakan daripada asal-usulku,direzekikan kefahaman dan ilmuku.Celakalah golongan umatku yang membantah kelebihan mereka dan memutuskan hubungan denganku.Semoga Allah tidak memberikan mereka syafaatku."
Sesungguhnya melalui kefahaman saya,hanya Nabi adalah maksum dan tidak keturunan keluarganya.Dan dosa

keturunan baginda adalah berlipat kali ganda sekiranya dilakukan.

Tidak bersandarkan pada hadis palsu syiah Iran tadi, saya berpendapat bahawa kefahaman Ahlul Bait yang terpilih adalah diwarisi turun temurun.

Juga terdapat polemik sejak sekian lama yang mengatakan Nabi tidak pandai menulis dan membaca atau sebaliknya, namun saya berpendapat kefahaman yang diberikan oleh Allah kepada Rasul-Nya menjangkau dari kefahaman manusia biasa. Lebih-lebih lagi kefahaman untuk memahami Al-Quran keseluruhannya.

Nabi menggigil dengan teruk selepas menerima wahyu pertama dari Jibrail. Juga ada terdapatnya ketika waktu terhenti wahyu dari Allah melalui Jibrail. Dan perkara sebegini telah mengundang rasa resah baginda. Hinggakan dipersenda oleh kaum Quraisy.

Melalui peristiwa sebegini adalah tidak masuk akal untuk seseorang mengaku dirinya adalah seorang Nabi selain Rasulullah s.a.w selaku Rasul terakhir kerana tekanan perasaan yang hebat dan kefahaman yang menjangkau kefahaman manusia pasti tidak bertanggung oleh empunya diri. Maka amatlah wajar kerajaan dan masyarakat cepat-cepat menangkap seseorang yang menganggap dirinya sebagai Rasul Melayu.

Dan sebagai kesimpulannya, Ahlul Bait yang terpilih, mewarisi sifat-sifat dari Rasulullah s.a.w secara semulajadi tetapi tidaklah maksum. Kerana dengan hanya memiliki sedikit kefahaman dari itu amatlah membebankan dan besar tanggungjawabnya.

Antara sajak dari Iran :

Andainya bumi membuka rahsianya

Dari Awal hingga akhir

Tentunya terdedah tubuh raja-raja

bermakhota

Dan darah pahlawan-pahlawan di
sebelahnya

Ini dunia yang sementara

Tanamlah budi yang baik

Terima kasih Tun.

Salam Sejahtera Ybhg Tun,

Seperti dahulu juga, cuma berita agenda politik (samada yang remeh atau tidak), berita skandal² penyelewengan, percakapan politik, jenayah, kejadian huru hara dan percanggahan tetap menjadi tajuk utama memenuhi muka akhbar² dan media televisyen.

Sudah beberapa tahun trend ini berlarutan. Saya percaya trend ini telah pun mempengaruhi pemikiran rakyat awam. Rakyat telah menjadi keliru, baran, tiada peradaban terhadap sesama masyarakat, tiada matlamat selain mencari rezeki untuk sendiri dan sebagainya. Tidak diketahui samada rakyat sudah jelak atau tidak.

Mungkin benih² permusuhan yang telah disemai semenjak beberapa tahun yang lepas, yg telah bercambah menjadi anak pokok kayu keras, kini dibiarkan supaya membesar lagi menjadi pokok yang lebih besar pula.

Sebenarnya cerita yg amat disukai oleh rakyat adalah cerita² pembangunan dan kejayaan negara mara ke hadapan.

Kempen 1Malaysia semarak didlm lagu² patriotik dan poster².

Sudah banyak kali dinyatakan bahawa rakyat cuma akan bersatu (1Malaysia) apabila semua rakyat (Melayu, Cina dan India dll) mempunyai satu matlamat yang sama. Matlamat ini adalah pembangunan dan kejayaan negara mara ke hadapan. Agenda pembangunan negara akan memberi peluang yang luas kepada semua kaum untuk mencari rezeki dan memiliki kehidupan yg selesa.

Masih lagi tidak nampak visi terhadap perancangan pembangunan negara.

Tidak banyak cerita agenda² pembangunan yang tercetus sejak sekian lama kebelakangan ini. Masih lagi cerita politik huru hara, cerita² saman dimahkamah, jenayah dll.

Lebuhraya Pantai Timur ke K. Terengganu dan Kota Baru masih lg belum siap² walaupun setelah beberapa tahun berjalan. Mungkin tak ada siapa nak ambil tahu.

Lebuhraya Pantai Barat dari Pontian ke Perlis tiada cerita lagi walaupun sebahagiannya telah pun diberikan Letter of Award.

Concession Agreement untuk cadangan Elevated Highway Kemuning-Shah Alam telah pun ditanda tangani tahun lepas, tetapi la ni tiada cerita lagi. Begitu juga concession agreement untuk lebuhraya Templer Park-Kuala Selangor yang telah ditanda tangani, tetapi tiada cerita nya lagi.

KTM pun masih lagi menggunakan gerabak lama (mungkin gerabak tahun 80an atau 90an) untuk landasan baru.

Jambatan bengkok sudah senyap sepi.

Adakah perkara2 pembangunan infrastruktur negara masih lagi menjadi perkara kedua dan tidak penting\$. Samada projek2 tersebut penswastaaan atau tidak, itu adalah perkara kedua. Yg penting ianya perlu dilaksana (Demi untuk UMNO dan BN)..

Semua rakyat gembira apabila ahkbar menceritakan bahawa untuk tahun ini PETRONAS telah memberi sebanyak RM76 billion. Terasa pahit didalam kegembiraan tersebut kerana tidak tahu (tidak nampak) kemana duit tersebut dibelanjakan.

Orang mengatakan bangsa Melayu tak pandai memerintah dan mentadbir negara, kalau difikirkan semula adakah betul..

Rakyat Sweden masih lagi menggali terowong lebuhraya melintasi Banjaran Alps yang dijangka akan siap 15 tahun lagi dari sekarang. Walupun berlaku i.e pertukaran kerajaan dsb, terowong tersebut perlu diterus dan disiapkan.

Salam Ayahanda Tun. Maybe HBT is right. Just celebrate retirement, celebrate many things wonderful. You've earned it beyond any of our silly all knowing comprehensions here. Things are starting to make a mess one out of the other in Malaysia. So why even bother anymore really. I don't know Tun. At some point it all simply boils down to "time management"; to waste it or to put it to good use.

Here are some cheap anecdotes on an even cheaper subject for some cheap laughs.

In democracy it's your vote that counts;

In feudalism it's your count that votes.

-Mogens Jallberg

The word 'politics' is derived from the word 'poly', meaning 'many', and the word 'ticks', meaning 'blood sucking parasites'.

-Larry Hardiman

The trouble with practical jokes is that very often they get elected.'

-Will Rogers

Politics is supposed to be the second oldest profession. I have come to realise that it bears a very close resemblance to the first.

-Ronald Reagan

The government's view of the economy could be summed up in a few short phrases: If it moves, tax it. If it keeps moving, regulate it. And if it stops moving, subsidize it.

-Anonymous

I have left orders to be awakened at any time in case of national emergency, even if I'm in a cabinet meeting'.

-Anonymous

Instead of giving a politician the keys to the city, it might be better to change the locks.

-Doug Larson (Politician at work)

Today's public figures can no longer write their own speeches or books, and there is some evidence that they can't read them either.

Dear Tun Mahathir.

You have to see the frustration of the people whether they are Malay, Chinese or Indians and I can understand it. When the times are bad everybody blames others. My question to you is, is it not better for you to remain in retirement as you have wished and not give statements and at the end everything points on to you?

You will be most busy only to defend yourself, you should enjoy your retirement and be happy or you should not have retired.

I honestly do not know what retirements means to you.

I would be happy to retire and leave everything behind me, people have done better than me afterwards, I admit it.

Lingam's case has shown us how the modus operandi is? Righteousness starts from the top leadership and authority is instituted by God. In our case we pray the King is God-fearing. The system is like the wineskin which needs to be

Frankly, I do not know what shall I do with this kinds politicians. I still remember the German proverb that said "Our sin will find us out" or in German tounge "Ihre Sinde findet Sie heraus."

There is no complete perfect person/poeple on this earth though our beloved Prophet Muhammad SAW, always in istighfar for doing sin if any.

To sue politician RM1million is something not gentlement. If I sue politician means that I revenge on him.

I still remember Dato' Seri Anwar Ibrahim want to sue you Tun. So I label him as a person who loves to make revenge for personal gains, not for the truth.

I always believe Allah SWT always be equal and fair to all of us. In hereafter we will now our own fate about the sins we done.

Peoples actually can judge a politician who always mingling with sue other politicians. Types of this politician is not true animal politics. They want to succumb other politics through court is more worst than uneducated people.

Very clever...very clever indeed...and used effectively by many a politicians!

Hi..hi..thanks for the lesson Tun!

On a more serious note, the Malaysian judiciary should consider migrating to an IT-based infrastructure to speed up cases. There should be a total overhaul just like you did for the Govt with Putrajaya and your MSC incentive. It may be a large, difficult task but it will be worth it in the end.

The way the M'sian juduiary works right now, the very long time lag for case hearings is actually being used as a weapon by the guilty party rather than them being given the appropriate judgement for their crimes promptly! What an irony! Sad...sad...sad...

Tun Dr Mahathir said the best solution to the problem was to have a good government that had the people's support. On assumptions by some parties that he was a racist leader because he was seen as fighting for a certain community as posted in his blog, he said he had long been labelled as a racist leader.
"Before I became prime minister, some viewed me as an ultra Malay. But when I became prime minister, I found the other communities did not complain.
"When I was prime minister, they received their rights. Whatever views I post in the blog are facts. If there are facts that I gave that are incorrect, prove it...whatever I said were facts," he said.
Tun Dr Mahathir said it was a fact that there was a racial imbalance in terms of wealth in the country.
"If necessary, this can be audited. For example, under the New Economic Policy (NEP) we have succeeded in producing more doctors among the Malays to create balance...what's wrong with that? If they say I'm racist...they can actually be called racists too," he added.
comment:

Well said, Tun. They simply refuse to accept the facts and the reality. It all boils down to greed, selfish and not willing to share. What more they want? They have literally everything under the sun and yet it is not enough for them.
It is time for them to reflect and be sincere and stop being HYPOCRITE !!
As what former President Bush said, " Either you are with us or you don't, period." Make no mistake about it !!

TUN.

Itu lah hakikat nya politik. Satu permainan seperti catur. Siapa pandai mengatur strategi akan menang. Saya setuju cara permainan politik yang TUN cuba fahamkan kepada rakyat. Dan ia nya jelas pun sedang di praktikkan oleh seorang itu dalam kes "sondol belakang nya ". Asyik tangguh dan tangguh.

Saya juga tertarik dan bersetuju akan komen TUN bahawasa nya PAS atau lebih tepat kenyataan Nik Aziz yang sedia nak berbaik2 dan bekerjasama dengan UMNO itu tidak ikhlas. Ia nya lebih condong bermotifkan politik survival PAS. Ini dapat dilihat setelah PAS hampir tewas di Man U baru lah Nik Aziz nampak terkejut.

Untuk mengembalikan sokongan rakyat kepada PAS di Man U dan serata negeri Nik Aziz cuba mengeluarkan kenyataan tersebut untuk melihatkan PAS sekarang menukar arah untuk bergerak bersama UMNO untuk menyatukan Melayu dan rakyat seluruh nya.

Dan UMNO pulak bergitu ghairah menyambut tangan PAS. Sedangkan belum pun lama sebelum ini Nik Aziz dan Hadi dengan angkuh menolak perpaduan dan kerjasama dengan UMNO.

Harap pemimpin2 UMNO jangan lah cepat terpesona dengan mulut manis PAS itu. Berhati2 lah agar jangan sampai UMNO dilihat bergitu terdesak untuk mendapatkan sokongan majoriti orang melayu.

Jika cara diplomasi PAS ini berjaya, PAS yakin orang melayu akan terus menyokong mereka. Dan akhir nya mereka akan menikam semula UMNO dari belakang.

Saya sokong pendapat TUN jika PAS ikhlas untuk membela nasib orang melayu, PAS hendak lah menyertai BN.

Dan bergerak bersama UMNO memperjuangkan dan memertabatkan nasib bangsa, agama dan negara.

Saya percaya dan yakin ramai antara pemimpin PAS dan pengikut2 mereka sedar PAS tidak akan dapat survive

dalam PR. Namun kerana sikap sombong dan angkuh pemimpin2 tetinggi mereka untuk mengejar sesuatu yang lebih bersifat peribadi daripada kepentingan ummah.

Ini kita boleh dilihat diceramah2 dan sidang akhbar mereka.

Mereka lebih taksub bersekongkol dengan Annuar dan DAP yang dilihat konon nya akan dapat mengujudkan kerajaan selepas PRU 13.

Tapi saya yakin mereka tidak akan berjaya. rakyat akan dapat membuat penilaian selepas apa yang telah berlaku dalam kerajaan PR di negeri2 dibawah kuasa mereka.

Dear Tun,

This is what happening now in our beloved country.

People who are oppressed remains in their predicament whilst those who are in the corridors of power is untouchable.

We know of prime and important cases which were brought to the court take years and years to finish. In the mean time, the wrongdoers already have established themselves as a free man by pretending that nothing happened and eventually will get away scott-free.

Salam Sejahtera Tun,

One wonder too, the so call your "enemies" have had said, sometimes not too long ago...!! That they have "ton's" of evidence's that will goes against you..!!

You are believed to stashed away another "ton's" of monies some where, some places either in this country or musta be at some unknown parts of the globe..!!

Your many other, what so ever "doing" and it must be an evils one..! And that's too, are plenty of it..!! It does seem the country Court of Justice gonna to have...a very busy-time with the loads of the cases. And will last very, very long..!!

But to this very moment of time. Your so call "enemies" are either busy collecting the many evidence's against you or they have other priorities that's are more important. Rather then spending their quality time against you. The former Malaysian PM, who are very corrupts,self enrichment PM, dictator's and many other "Good's" title bestowed upon yourself.

One now do hope that "they" will, Walk the Talks. And just proceeds with what ever incriminating evidence's against the 4th. PM with the many-many so call plenty of proof..!! That's they have in their hand's.

Or rather on the positive note's, "they".. have to much, 'respect' towards you. Or there's a lots of good thing's than the bad one...!!

Or simply there's NONE what so ever...!!!

Salam Tun,

Semoga Tun dan keluarga sihat walafiat dan sentiasa dengan percambahan idea yang baru serta memberi ilmu yang berguna buat kami rakyat Malaysia.

Pendedahan Tun mengenai perkara ini mungkin menyebabkan ada pihak yang membuka mata sama ada rakyat Malaysia ataupun pihak yang makan cili terasa pedasnya. Apapun yang pasti , bagi kes berkenaan mungkin mengambil masa yang lama untuk diselesaikan dengan pelbagai kerenah daripada pihak peguam dan juga pihak tertentu untuk memastikan perjalanan sesuatu kes dapat ditangguhkan -kalau boleh untuk ke pilihanraya akan datang.

Sebagai rakyat Malaysia, saya rasa kalanya rasa hati kita perlu diutarakan bagi memastikan sesuatu perkara itu logik atau tidak dan takkanlah Tun mengambil langkah kurang wajar memecat seseorang yang merupakan orang kanan Tun tanpa sebarang bukti dan implikasi yang besar?

Berfikir lah sejenak secara waras dan teliti? Adakalanya kucing juga boleh menjadi harimau walaupun nampak secara realitinya kucing tapi mana kita tahu apa di dalam hatinya....?

Wassalam

Ayahanda,

Aiyah, the rakyat do not believe the Malaysia courts anymore turned into kangaroo courts , what for we wanna sue them, better pakat with them to earn a better or luxury living and peaceful life. Awe man, no one will know if we do not leak a word, that's how kangaroo courts work. Politics are dirty because Malaysia is a free country that can allow kangaroo court in 1Malaysia.

What is kangaroo court? a Kangaroo court is whereby they hide and masuk "kedaulatan Undang2 and Keluhuran Perlembagaan" in the pocket. The case will never bring up to the royal inquiry lah. Semua pakatan kroni, how to sue? Hm... are Malaysia Court similar to Singapore court, the One Republic court?

No matter what Tun Dr M. Mohamad said, they will not listen because Pakatan Kroni are our Kings of King in Malaysia.

Ayahanda, don't feel sad and frustrated, no matter what you wrote, no one is going to believe you because we have Main Stream

newspaper in cetak and online which always sent the wrong message to our King and the Kings. Sedih & Pilu, this is 1Malaysia for our generasi wawasan 2020 going DOWN South, Hai sedih.....

Ayahanda, Better stick to 1WORLD 1VISION, got money, just migrate out from Malaysia, free country ma under Commonwealth.

Take care Ayahanda and better go for retirement lah, Pakatan Kroni is running the show, not the rakyat under Common Wealth, kekayaan apa, kekayaan diri Pakakatan Kroni saja, biarlah rakyat makan nasi lemak RM1.50 (harga dah naik kini), Pakatan Kroni makan "Steak" in 7 Stars Hotels in Overseas (Stik kat 5 Bintang Hotel di Antarabangsa).

Izinkan Ayahanda I nak sampaikan 1 World 1 Vision to En. Mohd Khir Toyo, the Ex-Menteri Selangor.

To Encik Mohamad Khir Toyo,

It is okay if YB is "syaki" for makan duit HARAM RM24 million, this RM24 million is ballooned up to make the blind chinese to believe that YB No. 2 Selangor Must Die because this number is:

2- Second Brother

4- Mati

It's okay because YB Ong Tee Kiat is "syaki" for makan duit HARAM RM27 million as No. 1 in Transport Minister in China Press Paper but not publish AT ALL in The Star Online. YB Khir, accept the fact that Malaysia is controlled by Singapore because they have 22,000,000 readers out there!!!!

Take care YB Khir and I believe in True Justice without reading our main stream English, The Star Online, what for, The Star Online Tipu Lah!!!!

Tun,

Lebih 100,000 orang melawat blog Tun dan mengundi pendirian mereka berhubung dengan pengajaran Sains dan Matematik dalam BI. Keputusan sudah diketahui. Lebih 86% menyokong pengajaran mata pelajaran itu dalam BI. Bagaimana sekarang? Apakah kita berhak membantah seperti para anti-PPSMI? Kerajaan harus peka terhadap `silent majority`. Sekiranya terus dibiarkan, biarlah kita membuat keputusan pada pilihanraya umum akan datang. Sekian

Dear Tun,

It's really spark my interest to comment on your article today. I agree with you on this. Just sue them, that the best way to muzzle and prolong the issues.

But i believe we take personal issues of politician so seriously. I hope Malaysian could focus on the economy. Our concern today is not who rules the country or heads the state governments but the looming bad economy. A politician should be responsible to ensure people under their care and payroll continue to prosper the nation. We should work hard and willing to go the extra mile to make sure our nation not only survive this crisis but come out stronger and wiser.

If you read Singaporean newspaper daily than you will understand why they has left us far behind. Most of the media just get so busy discussing on economy issue and way forward rather than focusing on personal agenda of a politician and tiny issues of Bigfoot etc..

Focus all politician, talent, energy and hard work in steering the country out of an economic downturn. By doing so, Malaysians will see your party as caring, unselfish and smart and give you their support in the next elections. Get together and compromise. Someone has to give in. Or has hate consumed your heart till it blinds you??

They can do it. They have enough intelligent people between them. I am sure they can find solutions. Take the nation to heart. That is why they are in politics in the first place.

Hope you get my point Tun..

Thanks

Salam Tok Det,
Hahaha... it seems that someone is already taking your advice... Maybe he learned it at the time when he was really close to you...? Hehehe....
The truth is not important. The most important is people's perception and that is what he is doing right now..
Err... does everyone know who 'he' is? I bet you know Tok Det.. ;p
