My blog became one year old last week. (The first posting appeared on 1 May, 2008).

It had been an exciting journey to be able to share my thoughts with so many who had taken time to visit and comment on my postings.

When I first started blogging, I was merely trying to find ways of expressing myself after being blocked by the mainstream media.

I did not expect to receive such high hits (to date it is 18,710,769) and such thoughtful comments. I have tried my best to respond to these comments. But the commenters must know there are too many.

There had been times, especially when I was travelling, when I found it to be quite difficult to keep up with the postings but I am glad that I had managed to ensure my blog remains active.

I have to thank visitors and commenters for their continued support. Without that, I would not be inspired to continue blogging, at least not at the pace that I do.

I hope to be able to continue with my blogging and I also hope that your support will keep on coming.

Thank you.

Dear Tun,

One of the reason why your blog became so popular is because the topic chosen always near to the people heart. Your posting not only confined in politics but also ranging from economies, world issues till up to the slightest stories which sometime people not even think about it.

I understood that you will not be able to answer all comments posted by other bloggers, but you still answer to certain comments posted which has caught your attention such as Hamman, Robe and Nasha B. Edwin.

It has shows that, more people particularly new generation has shifted their attention toward internet blogs rather than common media such as newspapers etc, even we has seen that NST newspaper have received a rapid declined in sales lately (probably it was due to the accuracy and biased in posting).

The government on the other hand should take into consideration on every thought posted because your blog is most popular among other blogs which have seen the numbers of visitor already touch 18 million in about 1 year, congratulation for that.

Dear Tun..

What is it with MAS now? They appoint Pak Lah as the advisor of the ailing national carrier. Seems like cronysm is still active in MAS. perhaps it has something to do with Munir Majid (They guy who spent millions of MAS funds to buy painting, and yes he is still around)

Or maybe just to secure Pak Lah's brother's stake in LG skychef, the caterer for MAS.

Tun please stop these madness!!!

PAS vice-president Datuk Husam Musa condemned the arrests of political activists, saying they were "a clear indication of a desperate move by the Barisan Nasional to stop the mammoth gathering" planned for Thursday in Ipoh.

In a statement to The Star, Husam urged for the immediate release of the detainees, saying "the credibility of the country, in the eyes of the world, is at stake."

comment:

Well done, Hishamuddin. Forget about being popular. You have a job to ensure that the security of the country is intact. Prevention is better than cure.

Talking about credibility of the country in the eyes of the world is at stake is just RUBBISH.

In fact the world will admire and respect us more for maintaining peace, stability and security so that the majority of the people could carrying on with their life peacefully.

Yes, Hisham, you must act without fear and favour to ensure that those undesirable leaders don't behave like "clowns" trying to disturb the rakyat with all sorts of funny antics demonstrated by them in order to gain popularity.

Their stupid "antics" is out of fashion. Nothing to be proud of!!!Very disgusting, indeed.

Saya setuju kalau diadakan Operasi Lalang sekali lagi.

Dear Tun Dr M,

I got my internet fixed 8 months ago. My nature is that I would like to express my views on Politics, Humanities and current affairs. So, I decided to commence blog communications.

The first blog that came to my mind was yours. True enough it satisfied my taste and it will in the future. I believe I have taken part in at least 90% of your blog discussions from September, 2008.

I would say that you are walking dictionary for Politics and a Nuetralizer of any situation.

Many more returns of the day to you and your blog.

Assalamualaikum, Salam kasih dan Salam hormat Ayahanda Tun. Seperti penulisan saudara kami Samurai Melayu, jika bagi setiap yang hadir dilaman ini menganjarkan dengan nilai RM0.50 sen kepada laman istimewa ini, maka pasti jugalah banyak perolehannya. Namun, kami semua memberikan sesuatu yang lebih bernilai bagi individu yang seistimewa Tun. Di setiap kali kami berdoa selepas bersolat, kami memohon kepada Allah untuk kesejahteraan Tun dan Toh Puan. Sama keistimewaannya kami letakkan pada hati kami sepertimana juga kami berdoa untuk kedua-dua orang tua kami. Tak kira dimana kami menghamparkan sajdah kami, tak kira musimnya; doa kami kepada Tun berdua tetap kami kirimkan. Tanpa pengorbanan dan jasa Tun kepada negara, siapalah kami semua pada hari ini. Segala pengorbanan Tun adalah ibaratkan tiupan bayu yang telah mengizinkan kami untuk menebar sayap, dan memecah angkasa jua dalam kehidupan kami. Terima kasih daripada kami Tun. Seikhlasnya dan buat selamanya bagi Tun berdua yang sentiasa istimewa dihati kami. – Nukilan kami: Nik & Keluarga, Kamal & Keluarga.

Assalamualaikum Ayahanda Tun Mahathir Mohammad.

Saya meminta jasa baik Ayahanda Tun Mahathir untuk KOMEN tentang Penasihat baru Syarikat Penerbangan Malaysia(MAS) yg baru. Tolong lah Ayahanda Tun Mahathir... Sebagai seorang warga syarikat yg setia. Mengapa MAS perlukan penasihat??? Tidak cukup bagus kah prestasi kewangan setakat ini?? Mengapa perlu di tambah satu lagi jawatan yg tidak perlu? Gaji yg di beri pada satu lagi jawatan?? Sedangkan syarikat sedang berusaha cut cost?? Ayahanda Tun Mahathir sebagai penasihat Proton dapat diterima kerana Ayahanda berusaha menaikkan nama kereta nasional Malaysia. Tapi Saya tak pernah nampak penasihat MAS yg baru ini sebelum ini datang ke tempat kerja kami?? Melawat?? Jauh sekali. Tahukah remuknya hati saya sebagai warga kerdil syarikat yg berusaha keras ke sana dan ke sini menjaga nama baik syarikat dan Malaysia?? Gaji yg besar dapat kepada orang yg belum boleh menaikkan Malaysia ini di lantik pula menjadi penasihat MAS??

Tolonglah Ayahanda Komen kan tentang topik ini. Saya amat tidak berpuas hati. Tapi apa hak saya dan kedudukan saya. Tapi saya berhak bagi pendapat juga. Pengarah Urusan syarikat MAS telah bertindak baik selama ini. Apa perlunya jawatan Penasihat MAS ini?? Di mana Fungsinya?? Apakah kerana kepentingan?? Apakah kerana orang yg supply makanan di dalam kapal terbang itu adalah "saudara" Penasihat MAS?? Malaysia ini adalah sangat kecil. Tiada kebenaran yg boleh kita selindung.. Saya memang tak faham lah apa Fungsi Penasihat MAS yg baru ini?? Jambatan untuk memajukan Ekonomi Malaysia tak boleh di buat. Jadi Penasihat Pula?? Macam petikan cerita "Seniman Bujang Lapok" Badan kurus keding ada hati nak jadi HAng Jebat??

Jaga Kesihatan Ayahanda Tun MAhathir Mohammad dan Bonda..

Saya tetap menantikan komen Ayahanda Tun untuk Topik ini biar terpaksa menunggu 100 tahun. Terima kasih.

Hello Tun,

1. Congratulations and happy blogging.
2. It is your blogging in point forms that inspire me to write in such manner to clearly distinguish comments and ideas so that readers could understand clearly.
3. Speaking of media freedom, during your tenure, did you do anything to suppress media freedom?
4. Besides you there are many bloggers out there whom having a higher chances of being arrested if they comment the government or certain politician. Maybe your statue shielded you to have superior luxury not being put into their situation? Lately more and more bloggers being arrested.

The Selangor Government will launch a programme to turn Mat Rempit into useful citizens, said Menteri Besar Tan Sri Abdul Khalid Ibrahim.

"We will announce the programme in two or three months' time. We want to change their (Mat Rempit) ways so that they will no longer be regarded as menaces to society," he said.

comment:

Lets monitor in 3 months time what kind of programme this "textbook" Menteri Besar is initiating to turn the Mat Rempit into useful citizen.

Jangan cakap tak serupa bikin. Sampai masanya dia pun lupa apa yang dia cakap dulu.

Actually, this Menteri Besar of Selangor is not an intelligent person. He looks like an intellectual but actually he is just a lucky person being with the right "godfather" (the late Tun Ismail) at the right time and

place.

The way he expresses himself on certain issues, you will find that he is having difficulty to explain to the public in a clear and concise manner. All vague and a lot of contradictions and confusions.

Mungkin pasal dia GAGAP kut.

By OnlookerAuthor Profile Page on May 6, 2009 10:40 PM

People will give you support only when you talk things with good sense, like saying openly about the constitutional truth that the Sultan has no discretionary power to sack a Menteri Besar.

You will most likely find that the number of commentators who leave their comments in your blog will turn lesser and lesser if you keep on talking nonsense, like fantasizing on the legend that the financial fallout of the global economy was the effect caused by the fact that Hedge Fund Managers were allowed to borrow up to 30 times of their cash on hand!

In fact, many KLSE-listed companies, which one of your sons sat as the non-executive director in the Board of directors during 1997-1998 currency crisis periods, had borrowed more than 30 times of the net tangible assets they possessed. Why did you have to keep finding fault on the foreigners while you yourself failed to clean up the whole mess in your own backyard?

Your blog has been a mixture /combination of trash, harsh comments and some common sense (which these days is a most uncommon commodity!).

Tun,
1)Thank you.Although I do not agree with you over many issues and how you ran our country,particularlylily the NEP and giving silverspoon to a selected few,nevertheless I respect you as a worthy stateman.
2)Tunku impressed me as a moderate guy ,at least he gave a million citizenships to non-malays but he also got it back by incorporating S153 into the Federal Constitution which leads to many abuses and the others impressed me not a bit as I was overseas then.
3)I don't want to waste time to comment on your successor but I did bump into him, while he was then out in wilderness,sitting next table ,in Bangsar in an open night store for a cup of tea tarik.
4)With your blog opened,I am able to air my simplistic thoughts.And sofar,the Sedition Act,PPSA,ISA etc,have not been used is a good sign in that the authority does not dare (yet) to touch all the postings.
5)keep it up for our country sake.

Perak Menteri Besar Datuk Seri Zambry Abdul Kadir said he is not bothered where Barisan Nasional (BN)

state assemblymen will be seated during the State Assembly session starting Thursday.

An English newspaper today reported former menteri besar Datuk Seri Mohammad Nizar Jamaluddin as saying that he expected a tussle for seats to occur tomorrow.

KUALA LUMPUR, May 6 (Bernama) -- Tun Abdullah Ahmad Badawi's openness and transparency in administration when he took over as the Prime Minister in 2003, contributed largely to a flourishing democracy in the country, said Prime Minister Datuk Seri Najib Tun Razak.

Najib said since taking over, Abdullah practiced a leadership that portrayed openness and one that was receptive to criticism.

comment:

Yes, but when Pak Lah allowed openness, transparency and criticism he should also be prepared to tackle and take immediate action for all the weaknesses of his administration. But on the other hand unfortunately, he did nothing and the end result was reflected by the rakyat forcing him to resign. That

shows how stupid he is and he deserved it for being naive by letting his government of BN almost "masuk longkang" !!

Congratulation for Dr Mahathir in successfully attracting more than 18 million visitors in a year. From past history i've learned that Tun Perak was the last Malay capable administrator to four Sultans. You have achieved beyond that though you didnt conquer neighbouring states. But its ok. Kita kan bukan lagi dizaman meluaskan empire menggunakan kekejaman dan senjata tetapi menngunakan ilmu dan budibicara.

Tertarik juga dgn komen Speedbird dan Romeo tentang perlantikan penasihat dalam MAS. Adakah khidmat penasihat diperlukan lagi kerana beliau pernah menyelamatkan MAS dari terlungkup dahulu ataupun kerana untok menghargai jasa2nya maka diadakan jawatan itu.

Teringat cerita Ibnu Sutowo - menaikkan Pertamina setinggi2nya dan kemudian melungkupkan se bawah2nya. Harap2 MAS tak akan menjadi seperti itu.

Thanks Dr Mahathir for having an you as my idol in my lifetime.

How i wish Pak Lah or future leaders like the Agong can have an entertaining blog like Chedet for rakyat to learn and read.

Dear Dr. Mahathir,

Salam Alaikum, Salam Sejahtera.

It is me to thank you for the space you gave me to comment in your blog. Despite our tough arguments, mainly on the Israeli-Palestinian conflict, I can inherit many things from your writing. It is never late to learn (and I'm not a teen ager, hahaha).

I'm sure we'll have future arguments but I can feel that they are with sense. Keep enriching us with your thoughts. I'm following your writing and speeches regularly. Your blog was a "spring board" to know very special people from your country, real peace lovers even many people here poured on me "freezing water". It is above what people can imagine and I thank you for what your blog did to me in my activity towards peace.

May God bless with you long living years and good health with your family.

Salam Tun..

Semoga sihat selalu...

Atas rasa tanggungjawab dan sayangkan negara...

Sebagai mahasiswa yang telah menuntut hampir tujuh tahun di IPTA..

Saya rasa terpanggil untuk mengulas mengenai isu politik dan sistem pemerintahan negara...Saya anak muda, anak jati Perak yang begitu berminat meneroka permasalahan politik atau secara umumnya digelar sebagai seni pemerintahan...Namun akhir-akhir ini, sistem pemerintahan negara telah hilang seninya...Seni ini telah ditendang dan dipijak sewenang-wenangnya waima ia terus dijadikan bahan lucu untuk dibualkan oleh masyarakat...Disebabkan kerja-kerja manusia yang tidak memahami dan menyintai seni pemerintahan ini, kehidupan rakyat kemungkinan akan lebih parah akaibat merosotnya kecekapan dan keberkesanan prestasi kerja dan pembangunan ekonomi di setiap unit sama ada kementerian ataupun kerajaan negeri...Tun, seni pemerintahan berhubung dan memberi kesan yang signifikan terhadap pembangunan ekonomi dan sosiobudaya masyarakat sejagat...Kesan ini akan dirasai lebih teruk lagi jika isu berbangkit berlaku pada pilihan raya akan datang...

Berdasarkan kajian dan pemerhatian saya, saya boleh membina satu hipotesis yang mengatakan kerajaan BN mungkin akan terkubur pada PRU akan datang...Undi golongan muda terutamanya mahasiswa akan lebih memihak kepada pembangkang...Golongan mahasiswa yang kurang di pandang oleh kerajaan kini mempunyai peranan yang besar terhadap pembinaan kerajaan baru pada masa akan datang...Mungkin kempen-kempen golongan ini tidak kelihatan begitu membahayakan kerana ia tidak kelihatan secara ekstrensik tetapi ia bergerak secara intrinsik...

Tindakan dan prestasi kerajaan DS Najib kini menjadi penanda aras terhadap perubahan sikap golongan muda...Rampasan kuasa dan kekecohan di Perak adalah satu bencana besar yang menyebabkan golongan muda semakin tidak percaya terhadap kerajaan pimpinan DS Najib...Ketelusan dan keadilan media menyebabkan golongan muda semakin bijak menggunakan informasi sistem teknologi maklumat sebagai contohnya seperti blog2 di internet..Kemenagan KJ dan penolakan KJ dalam kabinet juga menjadi bahan ketawa golongan muda yang semakin menjauhi diri dari dunia politik...PPSMI juga memberi kesan terhadap undi golongan muda yang mempunyai sifat cintakan keindahan bahasa melayu

sebagai bahasa rasmi negara...Keangkuhan dan kekayaan golongan elit Umno juga menyebabkan golongan muda semakin hari semakin sedar akan perbezaan jurang ekonomi yang diwujudkan oleh sistem kapitalis yang semakin tidak terkawal kini...Kesedaran terhadap nilai agama dikalangan elit umno juga menjadi bahan kajian golongan muda yang menjadi penentu kemenangan atau kehancuran kerajaan BN kelak...

Golongan muda inginkan perubahan...mereka inginkan ketelusan...mereka tidak mahu ditakutkan...mereka ingin mengelak daripada dituduh orang yang tidak menghargai jasa...mereka juga mahukan agama mereka diangkat ke darjat yang lebih tinggi...mereka tidak mahu dizalimi...golongan muda kini lebih bijak dalam pelbagai soal terutamanya soal ekonomi...mereka kini berfikir dengan lebih kreatif dan kritis...mereka telah berubah dan mahukan perubahan...

Akhir sekali...berubahlah...jangan meminggirkan golongan mahasiswa..dekatiilah mereka..sayangilah mereka...

kenyataan santai ini hanyalah sebuah hipotesis yang boleh diterima atau disangkal oleh keputusan pilihan raya akan datang...

salam

Abdullah, The Fokker F28 and MAS.

Salam kasih dan salam hormat Ayahanda Tun.

One day in 1999 when Tun was still PM and Abdullah was just warming up to his DPM role, he had to fly back to KL on short notice and there was not a single Government Jet on the apron. So Pak Lah took the MAS Fokker back to KL. The flight in the ever trusty F28 Fellow Ship was pleasant and relaxing. Upon final approach into Subang, the pilot must have had a cross wind situation. Hard to tell really, he might have slightly crabbed in that approach to compensate for the shifting angle. Anyway, thanks to the excellent Pilot ship, the Fokker landed with only a slightly above normal thud. But still enough to unnerve several passengers, who were nonetheless, lighten of the safe landing. Later when the Press asked the new DPM about the incident, Pak Lah coolly relied: "I don't know - the flight was all good and relaxing. I slept all the way through landing". At that point many have said "wah Pak Lah really cool one la". Fast forward to today, I believe we have Dr Munir and now ably assisted by Pak Lah in managing that division at MAS.

As is, D.S Najib must do the right thing for the nation. Friction is never good. Nothing gets leaned out of it; no efficiency ever came out of it. We wish Pak Lah well at his new role in MAS and the Corridors development. In my book, Pak Lah is always the simple and straight forward man - sometimes too good for his own good. Its people who hangs around him (off-course when he was PM "days") that had painted the picture disgrace. They were opportunistic political parasites who had leached all they could out of a candid man. In his compensatory reactions, he almost bordered on the blurs for reality. And we take comfort again; as in like any good leach, they would fall off when they are filled to the brim, no where to be seen again. I have stopped sending Raya cards to Pak Lah for many years now. My son has always received a Raya card from him when he was PM. But we did not send in any for the past few years when he was finishing of his tour of duty as PM. We never hated him; we just hated the crowd he was with. We despise that crowd till today. But like any good leach, they have fallen off today. I think Tun would perhaps understand the modest tone of my humble comment this time. For me, the time now is to build on ahead as a team. Not to ponder upon yesterday in pieces. That's not the way forward.

Nevertheless we must never-NEVER-ever-EVER forget the perils of "over education" in all the maddening "Oxford ways". We must never underestimate this one factor from the days ahead. This one

threat/menace still looms large over us. NEVER UNDERESTIMATE THAT.

Tun saw his responsibility through in the episode. He appointed Abdullah as PM and yes, it goes all the way around to a stop. It had to be done. Tun is not the kind of person who would take kindly anyone talking bad about another soul. Tun would always go about looking for the positive side of people to build up on. But in this saga, Tun had to finish off his responsibility to the nation. And perhaps this blog had served its purpose I all the right moves and senses. Sometimes, we have to do even what we hated in doing if it's the right thing to be done in a leadership. I had always imagined the worst if the 5th PM were to take us to PRU13. But that episode has now closed.

Like any good leach, they shall fall off when they are filled. That's their nature, that's how God had created them to be. Welcome back to the fold Pak Lah. All bitterness we ingest and absorb in the name of advancement for another day of our lives. Happy retirement and may Allah bless you with good spirits and cheerful hearts as always Pak Lah.

Terima kaseh seharus nya kami yang ucapkan pada TUN kerana tetap bersma2 rakyat walaupun tidak lagi menjadi perdana menteri kami.

Kerana ada nya nya Blog TUN ramai rakyat Malaysia dapat disatukan semula setelah hampir kehilangan arah tanpa dipimpin oleh seorang pemimpin dan pejuang bangsa sebenar.

Syukur akhir nya TUN kembali bersama Blog, dengan sentuhan kritikan yang mencabar minda rakyat untuk bangun semula dan bergerak kehadapan. Artikel TUN telah banyak membantu kearah kesedaran dan membina semula minda rakyat untuk bangun memulihkan negara yang seakan2 hampir tenggelam selepas PRU12.

Teruskan usaha TUN untuk membentuk pemikiran rakyat kearah lebih positif dan berilmu terutama generasi muda yang baru membesar dan baru mengenali diri TUN.

Terima kaseh kembali pada TUN.

Tahniah diatas segala khidmat bakti Tun dalam usaha memajukan melayu bertambah bertamadun. Muga usaha dan fikiran Tun dapat berdaya diteruskan. Kini, mungkin kah Tun dapat menumpukan sumbangan dalam apa cara sekalipun untuk menyedarkan melayu betapa Malaya penah menjadi miliknya. Kini pemimpin Melayu telah mula lupa membela Melayu, mereka hanya perlukan undi dan berusaha dengan segala cara malah mengadai hak melayu.

Senantiasa mendoakan kesejahteraan dan kebahagiaan Tun sekeluarga. Amin

Salam Tun,

Tahniah! Dengan adanya blog ini ramai yang berkesempatan berkomen dgn agak bebas, samada menyokong atau sebaliknya. Saya rasa ini adalah baik untuk membuka peluang buat masyarakat kita membentangkan sesuatu yang dipikir tak baik untuk kita sama-sama bahaskan dan menyelesaikan, umpamanya, perkara atau sesuatu yg telah lama masyarakat telah mengamalkan yg telah menjadi darah-daging yg meracuni dan menjumudkan pemikiran kita. Ini lah penyebab masyarakat kita dikelabui dengan pandangan sempit dan takut untuk menghuraikan sesuatu perkara dengan mengambil jalan yg paling baik untuk menyelesaikannya.

Tidak kurang banyak nya para-cendikiawan kita, tetapi kalau tak dapat berbuat sesuatu yg paling baik, masalah yg menyeret kita ke tahap yg lebih terok akan terus mengancam kita.

Pemikir dan penulis Dr Kassim Ahmad, Professor Emeritus Engku Aziz dll, jika mereka ini dikumpulkan bersama Tun saya rasa tembok kejumudan masyarakat kita akan dapat dihancurkan untuk kita terus maju. Mungkin usaha Tun selama 22 tahun sebagai PM telah pun melebihi apa yg baru saya perkatakan ini. Jika demikian halnya, saya mohon maaf!

Dear Tun Dr Mahathir,

Just wanted to let you know that there are SICK people in the alternatives media that are trying to pit you against Najib and UMNO.

Their latest MIS-INFORMATION is the article written by them on your speech regarding the constitution yesterday.

They CLEARLY manipulated your words to suit their SICK agenda. They wrote in their articles as if you are endorsing what PR is saying all along.

They omitted (in their writings) the part where you talk about responsible media and how one should not go against the Sultan for personal/political reasons.

I am sure you and your visitors know these alternatives media. They are nothing but a mouthpiece of that sodomite! Very unprofessional!

HAPPY 1st ANNIVERSARY TO CHEDET BLOG!

:)

Got 1 or 2 suggestions at hand;

1. How about a "Meet the Chedet Session" over a cup of Teh Tarik to commemorate this?

2. I understand it is not possible for Dr to reply individually all comments. But it would be good if a short commentary/summary is given to all those burning questions and issues forwarded in chedetblog. At least we commentators know that you really read each and every comment of ours.

Salam and may Allah swt provides you and yr family good guidance.

Congratulations Tun on celebrating the 1 year anniversary of your blog. It has been a wonderful experience sharing your thoughts and view on the current issues both home and abroad. Your views has always been welcomed for us to view certain issues with an open mind. Keep up the good work and don't stop. On the other hand, may i ask what is your comment about the appointment of Pak Lah as the advisory of MAS. I can't believe that MAS are willing to pick such an unwanted person to become their advisory. Is there any political motivated decision made by them on this selection, or are we in for another Pak Lah and family drama. Please give your thoughts on this issue.

Please take care yourself. Wassalam.

Salam Ayahanda Tun,

Terlebih dahulu saya ucapkan ribuan terimakasih kepada Ayahanda Tun kerana sudi mendampingi rakyat melalui blog. Fikiran dan idea Tun yg bernas memberi inspirasi kepada kami rakyat Malaysia.

Saya bersependapat dgn rakan2 dari MAS yg tidak berpuashati Pak Lah menjadi penasihat mereka. Sbg seorang PM flip-flop dan decisionnya lebih byk membawa kepada kehancuran, tak sepatutnya beliau dilantik sebagai seorg penasihat. Mengapa perlu kita berikan padanya tugas sbg penasihat sedangkan semua sedia maklum beliau bukannya seorg yg bijak-pandai? Cukuplah Anugerah Tun diberikan padanya suami-isteri sbg menunjuk terimakasih Malaysia padanya.

Sekian, terimakasih.

Semuga Ayahanda Tun sekeluarga sihat sentiasa dan dilimpahi rahmat Allah snw.

Ayahanda Tun,

Congratulations to chedet, a 20 Millionaire Club today. From May 1st 2008 - until today, Chedet learned from us and we learned from chedet, utilizing the latest information technology.

I would like to take this opportunity to thank Tun Dr Mahathir Mohamad for driving Malaysia out from the choas done by LAH-UMNO Family, which has jeopardised the harmony and peace in the nation be it politically or economically which we have enjoyed for the past 20 years. Without Tun Dr Mahathir, we will not be able to see what lies a head of us.

Keep on blogging Tun, we need your information to plan for and determine our future so that we will not be the slaves to the crooked politicians of all parties (BN & PR).

Take care and May "ALLAH" be with you ALWAYS.

Ayahanda Tun,

The Government has appointed former Prime Minister Tun Abdullah Ahmad Badawi as the National Corridor Development adviser. I expect some of the bloggers will ask why such appointment is a MUST.

UMNO and BN must fulfill all the signed "promises" (agreements, IOU, etc) made when Tun Lah was the PM. Corridor projects must carry on and that is why the Finance Minister liberalized the sub-sectors services by deleting 30% bumiputras equity. FLIP FLOP must be erased from UMNO/BN in order to get back the confidence from investors and rakyat.

I believe Tun Dr Mahathir Mohamad is one of the invited local expert in determining the 1Malaysia Economic Model for our future.

Good day Ayahanda Tun.

Salam Tun, bila Tun akan siapkan Buku Memori Tun?

By mantobaAuthor Profile Page on May 7, 2009 12:52 PM

TUN.

Izinkan menyentuh sedikit 'Kemelut' kerajaan negeri Perak.

1. Apabila selepas PRU12 parti2 dalam Pakatan Rakyat telah dapat mengumpul jumlah kerusi sebanyak 31 untuk mengatasi jumlah kerusi BN sebanyak 28 kerusi untuk membentuk kerajaan pada ketika itu.

2. Gabungan parti2 dalam PR secara teknikal nya berjaya mengambil alih pemerintahan negeri Perak dari kerajaan BN yang memerintah sebelum PRU12 dengan kelebihan cuma 3 kerusi sahaja.

3. Perantikan MB dan ahli exco baru dari PR setelah di perkenankan oleh Duli Baginda Sultan Perak mengikut Perlembagaan Tubuh Negeri Perak.

4. Tidak timbul masalah bagi BN untuk melepaskan dan peralihan kuasa pada PR. Segala peralihan berjalan lancar melambangkan menjunjung demokrasi.

5. Tapi telah berlaku disebalik nya selepas 11 bulan. Apabila jumlah anggota di pihak BN pula berjumlah 31 kerusi melebihi 3 kerusi PR.

6. Dalam keadaan ini BN berhak mendapatkan semula kuasa nya dari PR.

7. Dengan kebijaksanaan Baginda Duli Sultan Perak setelah dipertimbangan dan tiada keraguan mengikut perlembagaan Tubuh Negeri Perak telah melantik BN sebagai kerajaan baru Perak.

8. Jelas disini tidak timbul masalah "Rampas Kuasa" sebagaimana yang di kelirukan PR pada rakyat. Ini terjadi keadaan yang sama sebagaimana PR mengambil alih kerajaan dari BN.

9. PR mesti menerima hakikat ini. 31 kerusi dipehak mereka adalah jumlah rangkuman dari tiga parti ia itu PAS 6 kerusi, DAP 17 dan PKR 8.

10. Keadaan itu terbalik apabila BN dengan 28 kerusi disokong oleh 3 wakil bebas (Setelah 2 adun PKR dan 1 DAP) untuk menyebelahi BN. menjadikan BN pula berada 31 kerusi. Ini lah yang membolehkan BN membentuk kerajaan.

11. Sekali lagi Tuanku Sultan telah mengikut kebijaksanaan Baginda mengikut perlembagaan melantik calon BN sebagai MB yang baru menggantikan Nizar yang dilihat telah hilang keperjayaan dan majoriti dalam DUN Perak.

12. Persoalan nya kenapa PR tidak mahu menerima keadaan sebenar nya dan cuba pula mengheret perkara ini sehingga ke mahkamah dan lebih sedeh dan dukacita nya melibatkan ketidakan taat setia pada perintah Sultan. Malah mengheret bersama Sultan dalam kancah mainan politik mereka.

Menghasut rakyat untuk menderhaka pada Sultan.

13. Sehingga saat saya menulis ini khabaran dari Perak mengatakan keadaan agak tegang dalam dewan. Exco pembangkang menumbuk wakil BN dihadapan Duli Pemangku Sultan Dr. Nazrin.

14. Sivakumar telah berjaya dilucutkan jawatan Speaker nya. Dan digantikan oleh Datuk P. Ganesan.

15. copy & paste.

MUTAKHIR 12.34 tengah hari: Sidang Dewan Undangan Negeri (DUN) Perak kembali kecoh apabila disambung semula selepas rehat selama sejam. Bekas Speaker, V Sivakumar tetap mengambil tempat di kerusi Speaker.

16. Nampak nya Sivakumar ini tidak menghormati dewan dan undang2 pelembagaan. Dia seolah2 dah hilang akal, amat kemaruk dan gila akan kuasa speaker.

17. Walaupun gaya bahasa TUN tidak merestui cara BN mengambil kuasa di Perak, namun saya amat gembira keadaan itu. Sebagai anak jati Perak saya tidak mahu cara kerajaan campuran PR itu berkuasa. Mereka bukan bekerja untuk kepentingan dan faedah semua kaum rakyat Perak tapi hanya untuk puak dan kaum2 tertentu sahaja yang di beri keutamaan.

18. Walaupun Nizar itu orang Melayu dan wakil PAS namun dia tidak berbuat apa2 pun untuk kemajuan orang2 Melayu. Tak kira lah kawasan PAS mahupun BN. Dia hanya pak angguk kepada Nga & Ngeh dua bersaudara dari DAP itu sahaja.

19. Orang2 Melayu hanya disuruh berdemonstrasi sahaja untuk kepentingan politik mereka. Itulah malang nya orang2 Melayu Perak, mereka celik tapi buta, Tidak dapat melihat dengan jelas maianan politik pembangkang.

I sure hope his bladder holds as good as his mouth Tun. Other wise it would be a total mess with the DUN Seating. Will somebody hurry and call in Ripley's Believe It Or Shove It already!

SALAM AYAHANDA RAKYAT TUN
IZINKAN,

I have to thank visitors and commenters for their continued support. Without that, I would not be inspired to continue blogging, at least not at the pace that I do.

HAPPY 1ST ANNIVERSARY AYAHANDA TUN.
19 MILLION VISITS..CONGRATS!.. THAT SHOWED HOW MUCH THE RAKYAT LOVED AND ADMIRERD YOU WITH THE EXCEPTION OF THE 'ABI'(AGGRAVATED BRAIN INJURY) AND 'DUMB'(DERANGED, USELESS AND MENTAL BLOCKED) CRITICS, OF COURSE.

PERHAPS, NOT TO BE INTIMIDATED THEY SHOULD BE ALLOWED TO REMAIN IN THE DUMPS OF CHEDET.CC OR BE ADVISED TO ROAM AND PUKE ELSEWHERE. BUT KNOWING OUR AYAHANDA TUN, NO 'TALKING DONKEYS' CAN INTIMIDATE HIM... EVER!

WE CAN'T THANK YOU ENOUGH FOR ALL THE HAPPY DAYS YOU HAD GIVEN US DURING YOUR ERA AND NOW THIS SPACE FOR US TO 'ESCAPE' FROM THE SUFFERINGS WE HAD TO ENDURE SINCE YOU RETIRED FROM OFFICE.

ONLY TO ALLAH SWT WE BEG FOR HIS ETERNAL LOVE AND FORGIVENESS TO BE BLESSED UPON AYAHANDA DAN BONDA TUN, ALWAYS.

Time to declare emergency or better still declare Perak state as as having "absolute monarchy system". Kuasa balik semula kepada Sultan Melayu jajahan Negeri Perak. I still remember when the late Tun Ismail made a public statement on TV telling the rakyat that DEMOCRACY IS DEAD.

Yes, history would soon repeat itself. DEMOCRACY IS DEAD AND THIS TIME FOR GOOD.

Actually, I am a monarchist and a typical conservative person of old generation. I believe in "guided democratic feudal system" if there is such a term.

I don't believe in absolute Westminster parliamentary democracy. It is a nuisance because our multi-racial rakyat are inclined to take advantage by abusing the system. The rakyat are still not matured enough to practise the system even after 50 years of practising it.

So in order to prevent anarchy and causing a lot of distractions to the daily life of the rakyat I think the most appropriate thing to do is for the rakyat "berpayong semula bersama Raja Melayu".

Daulat Tuanku ! Daulat Tuanku ! Daulat Tuanku !!

Salam kepada Yang Berbahagia Tun,

Tahniah akan sambutan ulangtahun pertama chedet.com

Percayalah, ia memberi input berguna untuk orang yang daif politik seperti saya. InsyaAllah saya sentiasa di belakang Tun yang saya hormati sebagai pemimpin dunia berwibawa dan lantang. Pada lewat 90an, saya sentiasa ternanti hari Jumaat untuk melihat kelibat Tun bersolat di bahagian anjung kiri Masjid Negara.

Saya juga turut resah pada waktu solat Jumaat sehari lepas DSAI ditangkap pada pada penghujung 1998 (dalam demam sukan komanwel dsb). Saya amat takut akan apa-apa kemungkinan berlaku pada Tun... DSAI pula di lokap, kemungkinan rampasan kuasa dari mana-mana arah. Bukan ingin memikirkan benda-benda buruk sangat tetapi dek saya betul-betul menyanjung dan takut kehilangan Tun.

Tindakan Tun memberi komen akan flip-flop pemimpin sebelum ini sebenarnya patut dipuji, kerana tanpa ada pandangan berani dari pihak Tun, dikhuatiri menjadikan pemimpin itu alpa dan menganggap tindakannya betul belaka. Komen yang membina sepatutnya diterima dengan hati terbuka dan dikaji semula selain dari tindakan pembaikan yang mesti diambil..Bukan kita secara negatif menerimanya dan menyangkal pendapat/komen memikirkan kita saja yang sempurna dalam serba serbi.

Didoakan juga kesihatan kebawah Tun dan diterima Allah segala amalan yang baik dan dijauhi daripada keburukan dan bahaya yang kita nampak dan tidak nampak,Amin.

I dont understand why the tree in Ipoh is called "Democracy Tree". I think the newspaper, in this case,the STAR, have a hidden agenda. It should actually be called "TREASON TREE". this is in alignment DAP, PKR & PAS stand.

PAS reaction in many instances only show their greed for power, if not their extreme spudity. I do not know what the power for, for them. There is no so-called "ISLAMIC NATION" agenda. They even bargain with DAP on this issue. GOD ordain can be taken lightly and compromised. GOD being paramount is their way to cheat their supporter. So far, it has worked well, as far as their short shighted objective is concerned.

PKR is more heinous. UMNO also is not completely clean.This needs a special session to discuss.

Now when i think of PAS, i associate with stupidity. PKR crook at all cost. UMNO, self interest. DAP, they have clear agenda which is not good at all for the majority of the RAKYAT. Its stupidity of PAS & PKR supporters to support DAP.

The obvious good thathas happened in the Selangor Government since Barisan ALternatif to over is the new liberalism and human right (or privacy) where indecency is not only allowed, but encouraged. To demonstrate this the EXCO herself practice this and proud of the sexuality. This is her statement.

The PAS muslimah (muslimah, I dont know what it means now), has never condemned it but tolerated. PAS murshidul am also condons KHALWAT. May be that is what is said in the Quran as the murshidul must be well versed with quran (doubtful??). Islam is not that rigid as feared by the non-muslim. I am not surprised if SALMAN RUSHDIE condons it.

I would like to propose Selangor State set up "ART GALLERY" and make it a tourist destination and include in tourist. It should be easy as the EXCO tourism is the person in the centre of this new liberalism. Space should also be resrvd for other prominent figures. I am positive sure there will be positive spin offs and the tourist dont have to cross the border up north.

I look forward to a country rule by BARISAN ALTERNATIVE where people have greater freedom in practicing sexuality without negative stigma.

Assalamualaikum Tun!

Congratulation on your 1st anniversary of blogging. I really envy the stamina that you have to constantly put your ideas and thoughts in your web-log. I wish I have the same stamina as yours.

I can be considered as a silent reader and yes, I do love to read. I only conveyed a couple of feedback on your previous writing but that was all, they were just feedback. Nothing special. Frankly, I am not always in total agreement of all your ideas or thoughts like some of your readers here. However, I am also not like those people who dislike your ideas or thoughts simply because who you are or who you previously were. In my opinion, if I am to disagree with someone ideas/thoughts I must counter provide alternative

ideas/thoughts. Since I am not a smart person and unable to do that, I better shut up or write nothing at all. I really hope that my humble opinion here can be a ground rule (or etiquette) for all bloggers. That was just my thought, Tun. Nothing special.

Lastly, I wish that you continue writing in your web-log for as long as you can. At least it can give a simple man like me the pleasure in fulfilling my passion in reading.

with regards,

Dear Tun,

As a Malaysian, residing overseas, I am astounded upon learning that Pak Lah is appointed as the advisor for MAS & the national corridor. He can't emulate you coz you helped developed proton & Petronas. I almost have faith in Najib as the new Prime Minister. I thought he would change from being the yes man & "terharu" man to a man of principal. I am almost certainly wrong. When he appointed Pak Lah as MAS advisor I was flabbergasted. And now as the National corridor advisor? Looks like Khairy & Pak Lah still has his claw on Najib. To Najib tun Razak... Don't let this be your downfall.

Dear Tun,

saya nak share ttg kemarau politik di Perak. Baru terima emel drp kawan ttg kekecohan sidang DUN pd hari ini(7/5/09)

saya copy n paste ttg sequence (latest news)peristiwa itu dibawah.

DUN Perak kecoh, BN-PR bertegang

May 7, 09 8:31am

Persidangan DUN Perak yang dinanti-nantikan - menentukan hidup mati pentadbiran menteri besar Pakatan Rakyat, Datuk Seri Mohamad Nizar Jamaluddin dan kestabilan kerajaan pencabarnya Datuk Zambry Abd Kadir - bermula seawal menjelang subuh hari ini apabila sekumpulan penyokong PAS mengadakan solat hajat di Manjoi, beberapa kilometer dari pusat bandar Ipoh.

Berikut perkembangan terkini di Perak:

10.35am Kedua-dua kumpulan wakil rakyat BN dan Pakatan terus bertegang. Speaker terus mengulangi bahawa usul yang dibawa Zambry untuk menggantikan beliau terbatal dan tidak sah, sementara menteri besar BN itu tetap bertegas Speaker itu telah diganti.

Speaker mengarahkan pengawal keselamatan dewan menghalau keluar tujuh wakil rakyat BN, termasuk Zambry, dan tiga bebas. Pengawal bagaimanapun enggan berbuat demikian.

Kedua-dua pihak berkerumun di kerusi menteri besar di dalam dewan dan terus bertikam lidah. Setiausaha dewan cuba campur tangan tetapi ADUN Pakatan mengawalinya, sementara Speaker tidak melayannya.

Zambry cuba mengumumkan Speaker telah ditukar tetapi tetapi semua mikrofon ADUN telah dimatikan kecuali di depan Speaker. Setiap kali Zambry cuba bersuara, ADUN Pakatan Rakyat membuat bising.

Suasana tegang berlanjutan.

Pemangku Raja Perak, Raja Nazrin Shah yang dijadualkan membuka secara rasmi persidangan tersebut belum boleh memasuki dewan akibat ketegangan tersebut.

10.20am Suasana kecoh di dalam dewan apabila kedua-dua kumpulan wakil rakyat BN dan Pakatan Rakyat masing-masing bangun untuk campur tangan keputusan Speaker, V Sivakumar.

Sekumpulan ADUN Pakatan menghalang setiausaha dewan Abdullah Antung - yang juga digantung tugasnya - duduk di depan Speaker untuk memulakan persidangan.

Mereka menggesa Abdullah agar tidak campur tangan dengan alasan beliau hanya seorang kakitangan kerajaan.

Tindakan itu mendorong wakil-wakil rakyat BN bangun dan turut berhujah. Kedua-dua pihak saling bertengkar dan menjerit-jerit. Suasana dewan menjadi tidak tentu hala.

Bagaimanapun tiada pergaduhan fizikal berlaku.

Menteri besar BN Datuk Zambry Abd Kadir cuba berkata sesuatu tetapi Speaker menjawab bahawa beliau enggan mendengarnya. ADUN-ADUN Pakatan juga cuba menghalang Zambry bercakap.

Menteri besar BN cuba membawa usul menggantikan Speaker tetapi ditolak.

10.19am Dua ahli parlimen Pakatan Rakyat ditahan polis berdekatan DUN Perak kerana memasuki kawasan larangan polis 500 meter dari bangunan tersebut.

Wakil rakyat PAS bagi Parit Buntar, Mujahid Yusof Rawa dan wakil PSM bagi Sungai Siput, D Jeyakumar antara ADUN dan ahli parlimen pembangkang yang telah ditahan.

9.55am Speaker DUN V Sivakumar mengarahkan Menteri besar BN Datuk Zambry Abd Kadir dan enam exconya - yang digantung oleh jawatankuasa khas dewan tersebut - keluar.

Beliau enggan memulakan persidangan jika ketujuh-tujuh itu enggan mematuhi arahannya. Wakil-wakil Pakatan Rakyat menepuk meja sebagai tanda sokongan.

Tindakan tersebut bermakna Speaker - yang mempunyai kuasa tersendiri dalam cabang legislatif - tidak mengiktiraf keputusan mahkamah yang telah membatalkan penggantungan yang dibuat oleh DUN.

Sivakumar, yang mengetuai jawatankuasa hak dan kebebasan DUN Perak, juga mengarahkan tiga ADUN bebas meninggalkan dewan.

Ketiga-tiganya dianggap telah meletakkan jawatan awal Februari lalu, sebelum rampasan kuasa BN.

Wakil-wakil Pakatan Rakyat menepuk meja dan menjerit "keluar" ke arah 10 ADUN tersebut, tetapi mereka masih berdegil.

ADUN Pakatan dan BN masing-masing menjerit ke arah satu sama lain.

Speaker DUN terus mengarahkan 10 ADUN itu meninggalkan dewan. Kedua-dua pihak BN dan Pakatan masih saling jerit-menjerit ke arah satu sama lain.

9.45am Ketua Pemuda PAS Salahuddin Ayub, yang juga ahli parlimen Kubang Kerian, ditahan polis di belakang bangunan utama pentadbiran Perak - yang menempatkan DUN.

9.30am Raja Muda Perak, Raja Nazrin Shah tiba untuk memeriksa perbarisan di luar dewan DUN.

Kedatangan baginda disambut dengan rasa hormat semua ADUN Pakatan Rakyat, mereka semua berdiri, tidak seperti sikap mereka terhadap Menteri besar BN Datuk Zambry Abd Kadir yang tidak menerima penghormatan itu.

9.24am Menteri besar BN Datuk Zambry Abd Kadir tiba untuk memeriksa perbarisan di luar dewan DUN sebelum pembukaan rasmi sidang.

Beliau berjabat tangan dengan Speaker DUN V Sivakumar, juga seorang ADUN DAP bagi Tronoh.

9.23am Bilangan anggota polis yang kebanyakan berpakaian biasa - dalam vest kuning bertulisan "polis" - semakin ramai di bangunan Umno.

Suasana tenang, helikopter kelihatan mengawal dari udara.

9.00am Ahli parlimen PKR-Ampang, Zuraida Kamaruddin [foto, serba hitam] dan ADUN Ayer Keroh (Melaka) Khoo Poay Tiong - yang ditahan - dibawa di dalam trak polis.

Mereka menjerit "1Black Malaysia", "bubar DUN" dan "reformasi."

8.50am Sekurang-kurangnya 11 orang ditahan polis, termasuk ahli parlimen PKR-Ampang, Zuraida Kamaruddin, ADUN Teratai (Selangor) Janice Lee [foto, tersenyum] dan ADUN Ayer Keroh (Melaka) Khoo Poay Tiong.

8.40am Semua lebih kurang berada di perkarangan lobi bangunan Umno Perak, beberapa kilometer dari bangunan DUN. Sepanduk yang direntang berbunyi, antaranya, "kami anti penderhaka, pertahankan hak rakyat, biarkan DUN bersidang dengan aman."

Mereka juga melaungkan "daulat tuanku."

8.35am Mohamad Nizar dan semua ADUN Pakatan masuk ke Bangunan Perak Darul Ridzuan. Semua pengawal peribadi mereka disekat masuk di pintu utama. Pemandu dibenarkan masuk.

8.30am Semua ADUN Barisan Nasional tiba di Bangunan Perak Darul Ridzuan dalam sebuah bas. Mereka disambut oleh sekumpulan penunjuk perasaan yang berpakaian hitam di luar bangunan tersebut - yang menempatkan DUN Perak.

Tiga orang ditahan polis, termasuk ADUN Ayer Keroh (Melaka) Khoo Poay Tiong.

7.55am Kira-kira 100 penyokong BN berkumpul di bangunan Umno, beberapa kilometer dari bangunan DUN Perak.

7.45am Kawalan keselamatan ketat di Bangunan Perak Darul Ridzuan - yang menempatkan DUN Perak - bagi menghadapi sebarang kemungkinan pada hari pertama persidangan yang akan dibuka secara rasmi oleh Raja Muda Perak.

11.22am V Sivakumar, speaker Pakatan, memulakan semula persidangan DUN walaupun R Ganesan, speaker BN, menangguhkannya sebentar tadi.

Walaupun tanpa mikrofon, Sivakumar tetap meneruskan arahannya yang awal agar tujuh ADUN BN termasuk menteri besar mereka Zambry dan tiga wakil bebas meninggalkan dewan.

Jika mereka enggan berbuat demikian, beliau enggan memulakan persidangan tersebut.

Kedua-dua pihak bertikam lidah sekali lagi dari tempat duduk masing-masing, tidak seperti tadi.

Wakil-wakil rakyat Pakatan berkumpul di sekeliling menteri besar mereka Datuk Seri Mohamad Nizar Jamaluddin dan berbincang dengan mereka tindakan selanjutnya.

Kedua-dua pihak masih bertegang leher tetapi tidak sehangat tadi.

11.13am Zambry membawa usul agar persidangan dewan ditangguhkan dan ia diluluskan. Persidangan dewan ditangguhkan, kata Ganesan.

Pemangku Raja Perak, Raja Nazrin Shah yang dijadualkan membuka secara rasmi persidangan hari pertama belum boleh memasuki dewan.

11.01am Wakil-wakil BN berdiri mengelilingi timbalan Speaker, Hee Yit Fong dan menteri besar mereka Zambry.

Mikrofon Speaker kini dimatikan tetapi mikrofon depan Hee dan Zambry masih berfungsi walaupun telah dimatikan sebelumnya.

Dengan perlindungan kumpulan ADUN BN itu, Hee mengumumkan beliau kini sebagai pemangku Speaker dan mengarahkan pengawal keselamatan dewan menghalau V Sivakumar daripada kerusi Speaker.

Mereka bagaimanapun tidak bertindak mematuhi arah tersebut.

Kemudian Zambry mengusulkan Sivakumar digugurkan sebagai Speaker dengan sokongan tangan semua ADUN BN. Zambry kemudian membawa usul melantikan R Ganesan sebagai Speaker baru.

Dengan cepat Ganesan datang dan menerima pakaian rasmi Speaker, memakainya, mengangkat sumpah dan menandatangani beberapa dokumen berkaitan di tempat ADUN BN.

Sivakumar masih duduk bertahan di kerusinya, sambil menjerit "Speaker (Ganesan) ini haram", "selagi Speaker ada di sini, Speaker ini (Ganesan) adalah haram" dan "Perak ada Speaker haram."

Ganesan kini cuba mengambil alih perjalanan dewan dan wakil-wakil BN membawa beberapa usul lagi.

Sivakumar kemudian bangun semula dan mengumumkan - tanpa mikrofon - semua usul yang dibawa sebentar tadi ditolak oleh beliau sebagai Speaker.

ADUN Pakatan bersorak gembira. Kumpulan wakil rakyat BN mengabaikan arahan Sivakumar, dan meneruskan dengan usul bahawa perhimpunan di bawah pokok, pada awal Mac, anjuran Pakatan Rakyat sebagai tidak sah.

10.35am Kedua-dua kumpulan wakil rakyat BN dan Pakatan terus bertegang. Speaker terus mengulangi bahawa usul yang dibawa Zambry untuk menggantikan beliau terbatal dan tidak sah, sementara menteri besar BN itu tetap bertegas Speaker itu telah diganti.

Speaker mengarahkan pengawal keselamatan dewan menghalau keluar tujuh wakil rakyat BN, termasuk Zambry, dan tiga bebas. Pengawal bagaimanapun enggan berbuat demikian.

Kedua-dua pihak berkerumun di kerusi menteri besar di dalam dewan dan terus bertikam lidah. Setiausaha dewan cuba campur tangan tetapi ADUN Pakatan mengawalinya, sementara Speaker tidak melayannya.

Zambry cuba mengumumkan Speaker telah ditukar tetapi tetapi semua mikrofon ADUN telah dimatikan kecuali di depan Speaker. Setiap kali Zambry cuba bersuara, ADUN Pakatan Rakyat membuat bising.

Suasana tegang berlanjutan.

Pemangku Raja Perak, Raja Nazrin Shah yang dijadualkan membuka secara rasmi persidangan tersebut belum boleh memasuki dewan akibat ketegangan tersebut.

Berikut perkembangan terkini di Perak:

2.55pm Kumpulan "pegawai" mengelilingi tempat duduk Speaker - kini diambil alih oleh R Ganesan - untuk mengawal keadaan.

2.41pm Sekumpulan lelaki berjaket, dengan tag nama "pegawai", mengheret V Sivakumar dan memaksanya keluar dewan.

2.35pm Usaha pengawal dewan dan kakitangan DUN mengalihkan V Sivakumar dari tempat duduknya dibantah oleh Speaker tersebut dan sekumpulan ADUN Pakatan Rakyat.

Sementara sekumpulan ADUN Pakatan yang lain cuba membawa keluar Ganesan, speaker lantikan BN, dari dewan.

2.15pm Persidangan dewan negeri Perak bersambung. Wakil-wakil rakyat Pakatan cuba menghalang R Ganesan, speaker lantikan BN, memasuki dewan.

Suasana kelam-kabut dan tidak menentu di dalam bangunan tersebut. Saling tolak-menolak dan tumbuk-menumbuk, beberapa ADUN kelihatan berdiri di atas meja.

Beberapa pegawai polis masuk ke dalam dewan DUN bagi menenangkan keadaan, dengan disambut jeritan ADUN Pakatan agar mereka meninggalkan dewan.

Pada waktu yang sama, wakil-wakil rakyat pula berusaha membuang keluar V Sivakumar dari tempat duduk Speaker - tetapi beliau masih dikelilingi oleh beberapa ADUN Pakatan.

1.10pm Difahamkan Zambry bertemu dengan Raja Nazrin Shah - yang dijadual membuka secara rasmi persidangan DUN Perak pagi ini - di luar dewan.

Tiada maklumat lengkap tentang pertemuan dan tujuannya.

NAMPAKNYA kelam kabut kerna puak pro anwar buat kecoh dlm politik di Perak.

Tun, saya rasa wajar cadang bubar DUN, buat pilihanraya semula. saya berkata begitu bukan kerana saya sokong PKR (puak2 pro anwar), saya sokong UMNO dari dulu hingga kini. Tetapi jika dr awal lagi 'rampasan' kuasa BN menjadi buah mulut orang sebab 2 orang yg keluar PKR pun ada kes rasuah belum selesai serta masuk Bebas tapi dok bergambar dengan orang2 UMNO/BN. Tak seronok betul, saya ada baca kenyataan Tun dlm utusan malaysia hari ni, peralihan kuasa di Perak mungkin betul tapi tergesa-gesa. saya bersetuju dgn Tun....minta pandangan orang bijak pandai dan berhemah dlm hal ini.

Salam Tun

Congratulations on your 1-year blog! Although from your viewpoint, you see it as a way to express yourself, from my viewpoint, I see it as a way to express my opinion to you directly because the reality is

that the Malaysian public cannot just come over and meet you like I go over and meet my teh tarik maker at the stalls anytime I want. It is unfortunate that this is so because I think many people would like to be friends with such a high intellectual and visionary leader who has led us for 22-years, like you.

Alhamdulillah, my prayers has been fulfilled and when you created your blog, I knew I could get my thoughts over to you by my comments. However it is a bit unfortunate that this blog technology did not exist earlier and you had not started blogging earlier during your early days beginning your Prime Minister-ship. The comments and opinions of all the blog commenters would have given you valuable input in your role as leader of the country. But never mind. Let bygones be bygones. At least we have chedet now.

Before I sign-off, I cannot resist to express my shame at what is going on in Perak. You are right in that BN should not be too hasty to take over Perak. I believe at 28-28 ratio with just 3 independent reps to back BN, BN will lose its more valuable integrity by choosing to forcibly govern Perak in this manner. At first hand, it looks like the police and the Sultan is biased towards the BN. Nobody cares about the people. I respect Dr Zambry but looking at the Perak situation, I just goyang kepala. It is just too "equal" for the state to be governed well. So BN, your 2/3 majority is very important to run the country smoothly. Don't be like Japan, UK or US where left and right wings are more equal in representation. But at least the US and UK can accept this in a civilized manner and the equal representation seems to be a good thing for them.

Assalamualaikum Tun,

Congratulation Tun on you becoming a blogger for a year now and a big happy mother's day to our dearest mother Tun Siti Asmah. You have been like a burning candle that lights us all in voicing our frustration with the previous premier. Your experience and expertise have taught us a lot and you were like a father to us all when we thought that there was no more hope. For that we salute and admire your courage in supporting us in times of difficulties. You are really a noble, brave statesman who speaks out the truth and for that you will always be a hero to us all and we love you for that.

Once again Tun congratulation and " Hidup Tun Dr Mahathir and may Allah bless us all". Aminnnn.....

sama sama lah Tun... hhihih....tu nak melawak la tu Tun. sebenarnya...adalah satu rahmat Allah yang buka hati Tun untuk blogging ni... kalau tak, tak taulah kat mana nak dengaq suara hati Tun.. keluaq tv pun sat sat ja....soghat habaq pun sikit ja... adalah 2 para 3 para. Kalau dulu masa Tun Jadi PM dulu boleh la dok baca ucapan Tun dalam utusan...lepaih lepaih pak lah jadi pm ja...teghuih takdak.rasa macam takak motivasi ja hidup ni.

La ni... saya dok tengok blog Tun haghgi haghgi. ... dok rindu dengan posting terbaru, dok rindu dengan ilmu pengetahuan terbaru. macam macam dok ada....astro pun kalah...hihihi.....

dalam setaun ja...dah nak cecah 20 juta hits,... kalau dapat kat bill gates tu, tambah 0 lagi kat pendapatan dia. tapi takpa, bukan tugas tun nak cari kekayaan....)

sebenaqnya, saya selalu dok habaq kat bini saya...Tun tu Imam Mahadi, kawan saya kata Tun tu dulu nama mahadi, tapi tunku abd rahman tukaq nama tun jadi mahathir.. tak tau lah betui ka dak...

tapi, kalau pikiaq pikiaq balik, betui lah kut... sebab imam mahadi takkan nak keluaq kat mekah sana dok pakai serban dok cerita pasai bunuh orang kapiaq ja.... org yang nak jadi imam mahadi misti pandai serba serbi.. akai panjang....misti nampak dunia ni lagu mana..agaknya la kut..saya pun bukan pandai sangat....sekolah takat spm ja...hihih...

tu ja lah saya nak habaq.....saya nak ucapkan terima kasih sebanyak 5 kazillion pada Tun dan saya akan menjadi pengikut Tun hingga akhir nanti..... hingga akhir nanti...

Tun

first and foremost - congrats on you reaching another milestone in your 'successful' post political life.

You achieved significant milestones in your long 22 year career as PM, plus many more before that.

But in the last 6 years, you have taken your entire good-will that you built and created and flagrantly threw-it out.

Yes, you still have a loyal supporter base. Now these are the people who will follow your every footstep and accept your every word with no objection or thought of their own. It's called BLIND WORSHIP!

And then there are a much bigger community who don't blog here because they believe you to be the

hypocrite and disruptive personality you are, one who had selfish ambitions to enrich yourself and your family and cronies, and one who will 'rattle the apple cart' if it's in your way so to speak.

The simplest achievement you could have left Malaysia is building a viable succession plan, which you didn't. You left us with a lot of baggage of old and crusty politicians with pretty much the same selfish values as you.

Yes, you built and modelled Modern Malaysia - I thank you for that. But that is infrastructure, not Goodwill and sincerity.

You did that to enrich your own coffers - i.e. Proton, Petronas, Perwaja (note the 3Ps).

You sir remind me of an Albert Einstein phrase -

We can't solve the problems by using the same kind of thinking we used when we created them.

Your proposals for fixing all the "problems of today i.e. past administration, money politics and corruption, nepotism and cronyism, wasteful infrastructure, local industry etc" are in fact what you created in your 22 years of running this country.

You punished hardworking people by making them work harder, and rewarded those people who ensured to keep you in power.

The ethical problems we have today are as much a legacy from you as with the Twin Towers, the Cyberjayas etc...

Even with all this negative feedback for you - I still respect your age and your title TUN. But it's sad that I only respect that because of my cultural view and upbringing.

I would rather respect you for your sincerity and ethics...but something which I don't think you have anymore, and which it all diminished on the day you started being openly disruptive - not only to your handpicked successor, but to this entire nation which you so very proudly like to say, you developed.

To say - I wish you well as a closing point will make me a hypocrite like you.

But to say - I wish you a good heart, that is my honest and sincere wish, but one which I don't think will materialise.

So I'll end my "congratulatory" note by saying I wish our country, a future Government built on positive energy and fundamentals!

Salam hormat dan kasih sayang buat Tun, isteri tercinta dan keluarga.

Tahniah atas pencapaian 18+ juta pengunjung dalam setahun dan mendapat komen bloggers yang kadang-kadang mencapai seribu (terutama isu politik).

Terima kasih tak terhingga kerana Tun sudi berblog dan berkongsi pemikiran Tun dengan kami tanpa sekatan, diskriminasi dan pilih bulu. Yang penting sekali secara percuma.

Saya bersyukur Allah swt telah membuka hati Tun untuk berblog dan memberi sedikit kekuatanNYA pada Tun untuk terus berbakti kepada agama, negara dan bangsa. Saya lihat ini adalah sedekah dan ibadah yang Tun curahkan pada anak bangsa.

Alhamdulillah, selagi Tun terus menulis, kami mendapat faedahnya. Doa saya sentiasa mengiringi Tun

dan mendapat pahala yang berterusan dunia dan akhirat. insyaallah.

Tahniah Yang Amat Berbahagia Tun Dr Mahathir,

Saya mendoakan segala yg baik untuk Tun dan semua sahabat seklian, di sinilah ruang yg dapat kita saling belajar-mempelajari apa yg ada sesama kita dan berkat ketajaman fikiran Tun kami warga muda Malaysia sedikit demi sedikit kembali tahu menghargai harga diri dan maruah diri sebagai bangsa Malaysia bertunjangan adab dan adat Melayu yg terkenal penuh diplomasi, dalam lembut ada keras, pantang surut pulang, berhemah dan penuh sopan dan menghormati segala bangsa yg ada di dunia.

Di sini kami dapat meluahkan apa yg terbuku dari hati tapi dengan berakal, berhujah tetapi tak semestinya kena menentang, menyokong tapi tak membuta tuli, mana yg betul tetap betul, mana yg salah tetap salah. Kerana selagi kita bersandar kan yg hak, tidak perlulah gusar dengan kebathilan yg palsu dan sementara itu.

Terima kasih Tun dan teruskan perjuangan mua yang belum selesai. Saya ada di sini.

Loved your postings a lotttt!!! I can learn so much by reading your views on certain issues and some comments from others as well.

Dear Tun, salam mesra harap sihat sejahtera. Ini kiriman tahniah dan sokongan...

.....COUNT ME IN

If dissenting view is welcome as supporting the blog, I am in! Anyway, you have the pleasure to overlook, quarantine or block and they inadvertently calculate as multiple hits.

In my case, it is sparingly applied so far.

.....ONLY NEGATIVE NOT BAD

Those who gripe that negative comments are nuisance and don't offer any constructive suggestions, do care to look at the far greater mushy praises, worshipping and echoing of Tun. Do they add any value to the topic? Accept free expression in all guises!

Contribute to the debate not to the hate of contributors. To hoot an idea is not hate, to protest an opinion is not antagonism, to disagree is not disrespect, dissent differs from demean.

.....THANK YOU TOO!

Thank you for graciously releasing my comments so far and accepting my participation. I have also help increase traffic when triggering responses to my 'unwelcome' non pro Che Det contribution. Consider this my positive contribution?

Your many Che Det patrolmen are very touchy and edgy! Hopefully they dont turn your blog into a fan club!

Dear YABhg Tun and everyone,

I agreed with mr Libzim that I noticed offlate since PRU 12 last year, that a newspaper the Star, bit by bit,

little by little, has shown its true picture and agenda that can be considered as racist by always putting heroic images and rhetorics by whatever favor to certain race. Instead, cleverly and trickily, portraying still supporting the govt consists of many components including MCA and Gerakan, slowly, unnoticeably, i can sense some hidden agenda in what we call gunting dalam lipatan or menyemai api dalam sekam, as well as sapu keliling, by giving emphasis, sympathetic portrayal of image and prominent space for DAP government in Perak as well as Pulau Pinang.

In short, what ever favors for certain race will be given highlights. At the same time, try to demand kesamarataan, but indeed if given any chance to have power cannot tolerate and samarata for others. I think this should be given some deep thoughts to prevent thins become cancer to the society at large.

Thank you

Would you?

Now you says that I am blind follower of my father. True enough. Maybe he made huge mistake in his life. But then again maybe he is not. All I am asking you is to furnish details and evidence of my father folly that hurts your conscience..

Where is the evidence?..Show me..As a rightful sons of my father, I demands you to furnish them..

I will tells you something out of your faith incidence. When our prophet Rasullulah s.a.w was summoned to Allah (you says he passed away) Why he was summoned ?

"Janganlah kamu menyangka mereka itu mati, tetapi mereka itu hidup di sisi Tuhannya." Maksud Al Quran.

Rasul s.a.w did not appoint his successor. Why? Allah decreed so.

Same principle applied in Tun cases. He have many 'mistake' in his successor for Allah needs us to learns from this incidence.

Untuk pengetahuan komentor diatas dan pembedahan ayat saudara.

Bukan 'rampasan kuasa di Perak dan rampasan kuasa kerusi Speaker'

Tapi ia adalah 'Peralihan kuasa' . Hati2 bila buat kenyataan.

Tidak ada rampasan kuasa berlaku.

Jika anda meneruskan tuduhan sedemikian anda telah menghina ke Bawah Duli Pemangku Raja Dr Raja Nazrin yang telah merasmikan persidangan Dewan DUN Perak.

Kerajaan BN diPerak adalah sah mengikut Perlembagaan Tubuh negeri Perak. Dan perlantikan Dr

Zambry selaku MB telah di perkenankan oleh Duli Baginda Sultan Perak.

Dear Tun,

Congrats on the 1 year. Now we all have an avenue to channel our thoughts, frustrations and feelings. Thank you.

It is time you made a strong statement on the Mat Rempit menace. The police force does not have a clue on how to handle this problem. The Deputy Home Affairs Minister did not mince words when he told the police "DON'T MAKE EXCUSES". Below is a list of point he made:

Points made by the deputy minister that the IGP must take stock are:

- the force must think outside the box, in tackling the issue
- the police have to buck up
- no means is too conventional (in arresting the menace) as this is not business as usual
- it is a question of the putting the right emphasis where roadblocks are set up
- we have to get sufficient intelligence on when they are coming and what their next moves are
- members of the People's Volunteer Corps (Rela) would also be roped in to assist the police
- possible deployment of spike strips at roadblocks to disable motorcycles quickly while ensuring the safety of enforcement officers on duty, suspects and civilians

Tun would have to add on and give these guys a clear direction on addressing this menace. Our streets are no longer safe!!!!

I think Tun must have found last week very eventful & some incidents especially in Perak legislative Assembly very disturbing,unwarranted,high-handed & unnecessary.It should not have happened at a democratic sitting.I saw in internet video & read in papers too.I think our democracy had flown out through the windows.Somebody suggested going back to monarchy system--berpayong semula dgn Raja Melayu.I take it as suggesting we return to kampong days.Well, I doubt many of us want that.We all want good & peaceful progress to lead a happy life.

Sure Tun tak mau berpayong semula for obvious reasons 'cos Tun has 2020 vision for Malaysia.Hope we can achieve the goals.Seems very far away now.....Can't even solve the Perak debacle right now!!!!!!So how to achieve Wawasan 2020.Entahla????

Dearest Tun,

Was at a meeting with friends. Can't help noticing some of the Malays at the helm still oblivious of the fact that we are losing our rights. A friend at the side commented, "They are amongst themselves at the top, very comfortable with what they had gathered. They are not feeling what we are feeling at the bottom".

We have challenges at the bottom and now opening up to all is going to kill us. The knowledge

infrastructure and skill sets are not well developed. The Malays will sink and thanks to the current regime, change for the sake of change without proper plan, can't see any effective ones. Before, more about handouts and approving Ali Baba schemes. No difference now and more giving-ins!

GLCs appointing non-Malays without any tussle, no requests but merely following suit the politic will of the day to remain relevant. In my opinion, the Malays must rise now, work hard especially the GLC heads. Show that they are chosen by merits, rather than emulating Ali Baba work culture and handing out strategic positions that will effect the development of anak bangsa. History will repeat where the country will be handed out easily..Melayu mudah lupa..

Salam.

By independent thinkerAuthor Profile Page on May 11, 2009 2:18 PM

Tun Dr. Mahathir

This is not the first time that you had complained that the 'main stream media' had 'blocked' you. May I ask how many 'unblocks' you want. In 1993 when you were PM you complained that the main stream WESTERN media 'blocked' or did not give enough publiicity of your speech at the UN General Assembly. Of course the late Soviet leader Nikita Krucshev got more publicity than you did when he took off his shoes and banged it on the speaker's dais at the UN GA around 1960 and Hugo Chavez also got publicity when in 2007 he stated that the UN General Assembly hall 'smelt' of sulfur ('the devil') as George W. Bush had spoken earlier

During your time as PM as far as the English language media was concerned it was all or mostly praise for you. THE JAKARTA POST was more critical of Suharto in its editorials than the NEW STRAITS TIMES or THE STAR was of you in the 1990s. I realize that more people in Malaysia read English language newspapers than Indonesia. Since there is a new PM perhaps to your liking perhaps there will be less 'blocking' of your views now in the Malaysian 'main stream media'.

Dear Tun, salam mesra harap sihat dan gembira. Kiriman saya mengulas tulisan pengunjung...

This view in response to comments on bias of The Star, MCA, Gerakan by a commenter. I have split the comments to facilitate 'release' of the views after a quarantine.

.....PRESS BIAS

In terms of biasness, The Star is a tiny fraction and a pale shadow of Utusan. Utusan will lie to even its own constituents. Tun himself denounced their bias before (being subject of their misreporting) Utusan is being sued for their lies which the Star has not.

.....BACK STAB

MCA Gerakan draw their support from Chinese community (just like DAP) surely they will scramble over each other to highlight Chinese issues. Umno and Pas do the same over Islamic matters. Simplistic to think these constitute betrayal or racist pursuits.

On comradeship, Umno even tried despicably to entice Pas in S'gor with MB post after elections. They still try to court Pas till today. Who is the enemy within?

.....UNINVITED PUBLICITY

MCA Gerakan will target DAP leaders for issues cos they depend on same support base. Surely you don't expect them to target Umno ministers? Inevitable that both accuser and accused will get publicity, nothing racist.

It is alright to champion a race, but wrong to denounce other races, paint other races as up to no good, insist on race superiority or deny others based on race.

Avoid race mongering in your comments. To borrow someone 'see the plank in your eye before you want to see a speck in somebody's eye!'
