**June 09, 2010**  
**chedet.co.cc**

1. The MCA has rejected Ong Tee Keat as President. It is to be expected that he would be dropped from being a Minister in the Cabinet.

2. His successor as Minister must know that Ong Tee Keat was about to expose the culprits in the Port Klang Free Zone (PKFZ) scandal. His removal may lead to the investigation and exposure as well as action on the Port Klang scandal being terminated.

3. I hope this does not happen. Tee Keat's successor must carry on his work and expose as well as take action against the people involved in that scandal. I don't think it is the intention of the MCA to put a stop to the needed action by dropping Tee Keat.

Good morning Ayahanda Tun,

May I.....have the right from Tok Det to express my view as a wife and a mother, and I am not a beauty compares to the Taiwanese main actress, Ms Ling Chiling, ejaan might be wrong, don't know how to menginggeriskan the ejaan or han-yu pinyin of the Chinese characters, in Red Cliff: By wajarperak on June 16, 2010 8:39 PM Moral of the stories.

Dear wajarperak,

There are some attributes on why and how General Chou Chou lost the war in the South:-

1. He used to advised his warriors and troops by: "Yung Ren Mo Yi, Yi Ren Mo Yung" (Bahasa Zaman China) - Trust the People if you want them to back up, if you don't trust them, don't back up..But due to his strong suspicious mind, he ordered his troops to chop-off the heads of his 2 warriors who were loyal and excellent in training troops in fighting for sea war which Chou Chou himself cannot train since he is from the North who is good in land war strategy and he knows nothing about the sea war strategy.

2. In the movie, Chou Chou was a very powerful Northern General of the 2nd generation of Emperor Shih Huang Ti, the Qin Dynasty. The new young Qin Emperor of age 20's, a silver spooner, was shown in the movie in the begining of 1st part of the movie as "lembap dan tidak matang", beliau main dengan burung kan while waiting for Chou Chou in the Palace meeting hall. When Chou Chou said fight, he did not dare to say no since all those Palace Ministers chosen were Kiasu of the Tak Boleh Gang.

3. Chou Chou knew that he had the army power to topple the young Emperor, he found the need to destroy the morale of the palace ministers by using strategy of "Win Runs Riot".

4. However, Chou Chou was shown in the 2nd part of the movie as an emotional general who fought the war not because of the Northern Nations, but for his personal passion for the young and beautiful

pregnant wife, Ms Ling Chiling, selebriti antarabangsa Taiwan who is now rated as the most sexy oriental woman in Asia by Western Entertainment Industry, of his enemy General Chou Yue, HK international male celebrity, Tony Leung.

5. With this action, Chou Chou had again downgraded the patriotism of his warriors and troops, the MUST HAVE patriotism without personal interest in war strategy.

6. Because of these attributes, the Southern Nations lead by General Chou Yue won the war. Remarks: Chou is the surname of international Hollywood cum Honger actor, Mr Chow Yuen Fatt, and his wife is a Singaporean.

7. In Malaysia, weredogs do exist and they are label as 'xiao ren' or maverick person atau bahasa pasar, lalang man.

8. The enemy within is non other than himeslf.

9. Today, if we label a person with highly suspicious mind, we will use the creative line of cantonese as " Yat Gong Chou Chou, Chou Chou Chow Dou", means the highly suspicious general has many2 spies around you, beware..

10. Di dunia damai dan aman with no stress, pressure and enemies, we tend to be relex, and want to sleep due to no tanggungjawab, sure sleepy wat, hence we will express politely by saying in Cantonese. "Ngo Yew Wan Chow Kung or We would like to see 'Chou Gung or We would like to go for a nap', and this Chou is Tony Leung in the movie....no more peperangan, no work so can nap or tido lo.....

//Lesson in one can be meaningless to other's.I hope dear HBT care's to share any similar stories and chinese wisdom and "pepatah".Here is a japanese one

Kalau hendak menyembunyikan daun..soroklah di dalam hutan..//

Yeap, be humble and diam2 ubi if we are not kiasu and uliao (boleh) no need to show off how Smart we are, right.....Take care....and you may find many sincere and passionate "Chuge-liang" around you who may not be 6 foot tall, handsome nor rich.....they may be non silver spooner, small size and not handsome at all, conthonya, Deng Xiaoping....

Have a pleasant day, Ayahanda Tun.

Assallammualaikum utk Tun and hi for HBT..

The reshuffle is the tree.The forest is the integrity.So one should not missing the forest for the tree..

As regard of histories and The General in the Red Cliff, I believes that greedy can be miscontrued as "passionate".Between this two attitude are very thin line.Chinese character's are not known to be involves in any "were" like werewolves or weretiger.And I happens to know that weredog is truly exist!..

Meaning certain belief and folklores and histories were evolves from grain's of truth..In this regard, The General has devised a very good plan.He sent his "agent provocateur" for "provocateur impression".

The General agent have managed to convinced the armies on boat to attaches their ship together.This is to enable the armies to parade and train their horses together.Binding to bond.

This moves was advised against because the moment the ship is attached together they are vulnerable to the soldier's on the cliff flamming arrows.

The soldier's on the boat and ship admitted that the attached ship brought the intended maneuver for the horses and the men. In due time they have forgotten the folly of doing this.

When the moment was ripe, the General on the red cliff attacked and true enough the attachment of the ship's is their own undoing.

Moral of the stories.

In order to gain the trust of the enemy, one have to sacrifices and showed element of truth in their offering. The maneuver is applicable but the acceptance of the agent is not. Meaning one have to scrutinized among rank and file to ferret out any undesired element. Prepared for any surprises. Musuh dalam selimut dan gunting dalam lipatan amat merbahaya kepada organisasi.. Much more so for any military element and engagement.

And again chinese as far as I know do not suffer the transformation of one character to another namely the "doppelganger"..

The enemy within

Lesson in one can be meaningless to other's. I hope dear HBT care's to share any similar stories and chinese wisdom and "pepatah". Here is a japanese one

Kalau hendak menyembunyikan daun.. soroklah di dalam hutan..

Terima kasih Tun.

Dear Tun,

Its evident that MCA is split in the middle. Ong TK's defeat was by a very thin margin.

MCA leadership needs to unify its members, esle MCA will never be a force to be reckon with and will not strengthen BN for the next general elections.

MCA needs to stop their internal politicing. Ong TK has shown to be gracious in defeat.

Now to the hardwork of unifying itself. MCA can do well not to point their finger to others and instead focus on itself.

BN needs a strong MCA to go into the next GE.

As for the PKFZ case let justice take its course of finding the truth and punish the guilty. And in the process we can all learn from any mistakes and shortcomings in the system. WE MUST NOT REPEAT the same mistakes again.

// We are talking about national interest at stake and it seems only one person in Malaysia can expose the culprits in the PKFZ scandal.I strongly suggest we close down the MACC the useless good for nothing organization and take a good look at UMNO whether it has the will to curb corruption///

Tun, can you feel the anger,the frustration?He is not alone.I think most of us down here share this sentiment.We are very angry at what we see as no reaction whatsoever from Najib on this issue.I don't think it would be wise for Tun to let Najib believe that his popularity is ever so good now based on just that merdeka survey-Why is he so eager to know whether he is popular or not now-work first lah,if you really perform you will surely be popular one..

But I believe that there's more than meets the eye as regards UMNO's will to curb corruption.Does Najib has the guts?It may be the end of his career come the next UMNO presidency election.I think he has hinted this problem while in S'pore..

I really wondered Tun,since you no longer wanted to be president of UMNO after 2003-why don't you use that opportunity to do a total overhaul or cleansing of UMNO then?Is it because it's just too corrupted that even you can't change?Now If you can't how are we to believe that a parachuted leader like Najib who has been made Pahang MB position by virtue of being Tun Razak's son, whose fighting material has not been tested before,can?Personally I see Najib as a yesman, a play safer politician who has not helped Pak Lah at all even when he knows Pak Lah was heading for the abyss.

You expect us to believe that Najib dare to take that risk?And for as long as UMNO can't change itself,it can't change the rest.Some more want us to discuss subsidy cut..Looks like the rakyat need to try someone else to help look into this critical matter.Why is the PRU13 still so late,just can't wait..

Salam Tun yang amat dihormati,

Maafkan saya sebab ter"submit" komen yang tidak lengkap...

1. Ong Tee Keat telah ditolak oleh perwakilan sebagai President. Dan secara dasarnya akan juga menjadi tidak layak menjadi seorang menteri. Tetap apa yang lebih menarik minat untuk di perlihatkan disini ialah penolakkan beliau.....

i-adakah penolakkan ini adalah kerana ia memang tidak layak dan tidak mampu memimpin masyarakat MCA?

ii-adakah ia tidak jujur terhadap perjuangan masyarakat MCA?

iii-adakah ia cukup tidak telus berbanding dengan pemenang jawatan ini yang terlalu telus sehinggakan aksi di ranjang dapat di lihat oleh masyarakat?

iv- adakah isu PKFZ adalah penyebab utama menjadikan ia tidak di pilih malah perwakilan memilih orang yang telus sehingga ke ranjang sebagai wakil mereka?

v- adakah isu beliau tidak mempunyai "geng" menyebabkan ia tidak dipilih dan benarkah beliau tidak mempunyai "geng"?

Apapun alasan ketidakpilihan beliau dan pemilihan "Mr Porn star" telah menunjukkan sedikit sebanyak polar pemikiran perwakilan MCA dan sebahagian masyarakat cina di Malayisa hari ini. Bagi saya adalah

cukup jelas dan tak payah bersuluh polar pemikiran masyarakat politik MCA sekarang dan persoalan lain ialah adakah polar ini juga berada dalam "gerakkan" dan yang lebih penting lagi adakah ini adalah polar pemikiran rakyat Malaysia berketurunan Cina?

2. PKFZ???? cerita sedih lagi yang dah lama, tetapi kesungguhan kerajaan untuk menangani masalah ini membawa ia berpanjangan. Musang akan sentiasa musang dan ayam akan sentiasa ayam jadi, bagi saya isu yang lebih penting lagi ialah adakah kita mampu membuat kesimpulan bahawa Malaysia terdedah kepada sejenis permainan POLITIK yang menjurus kepada kehancuran kerana pemimpin rakyat Malaysia tidak kira dari apa keturunan sudah cukup tidak wibawa kerana berakhirnya sebuah episod yang penyelesaiannya ke arah yang sama (kepentingan mengaut).

Saya sebenarnya cukup dekat dengan PKFZ kerana telah membawa pelabur dari luar negara memenuhi sebahagian premis di PKFZ dan secara dasarnya saya simpulkan bahawa tiada seorangpun layak dari segi moral mentadbir dan menguruskan PKFZ ini. Keadaan ini adalah disebabkan oleh semuanya tidak betul bermula dari peringkat pembuat polisi dan berlanjutan hingga ke peringkat atas pentadbiran/pengurusan.

Terlalu muak dan malas untuk memanjangkan isu ini kerana saya pasti jika polar pemikiran ini tidak dapat di atasi, maka isu ini akan sentiasa berlaku dan akan sentiasa di dedahkan sebagai sajian masyarakat dan saya cukup yakin dalam jarak masa yang terdekat ini, akan ada lagi isu yang lebih kurang sama akan di dedahkan kerana penyakit ini tidak dapat di ubati dengan sebaiknya oleh orang yang dipertanggungjawabkan!

3. Saya juga berharap seperti ayahanda Tun semuga ini terus di bongkarkan dan dikenakan tindakan sewajarnya bagi memastikan segala wang rakyat dipulangkan dan biarkan orang yang bertanggung jawab menghadapi hukuman juga proxy mereka yang hidup mewah sehingga sekarang mendapat balasan yang sama. Biarkan mereka ini merempat tak berharta serta sekat segala rangkaian mereka yang telah dikenalpasti dari mengambil bahagian dalam projek kerajaan dan pastikan rangkaian ini juga tidak terlibat secara tidak langsung dalam apa2 projek berkaitan kerajaan.

Wassalam

PKR claim that Umno state reps plan to cross over is a lie: Perak MB Zambry

IPOH: Perak Menteri Besar Datuk Seri Dr Zambry Abdul Kadir dismissed as a lie an Opposition claim that three Perak Umno state assemblymen would join PKR soon.

Dr Zambry, who is chairman of the Perak Umno Liaison Committee, said the allegation was designed to cause disunity in the state Umno, which was gaining strength.

"They (the Opposition) are trying to create issues at a time when their leaders are leaving the party one by one," he said when contacted Sunday.

Dr Zambry was asked to comment on the statement earlier Sunday by Perak PKR information chief Zulkifli Ibrahim that Perak Umno was facing a severe internal crisis, which would result in three elected representatives to leave the party and join PKR soon.

However, Zulkifli had declined to identify the three assemblymen, saying discussions were still ongoing for their eventual admission into the opposition party.

Zulkifli had also said that the alleged crossover of the Umno assemblymen was expected to be announced by the PKR leadership at the right time.

Zambry "advised" Zulkifli to focus on harnessing humanitarian aid for the people of Gaza instead of trying

to disunite the people in Perak. - Bernama

Comment:

Mr Zambry, "We know what he did, don't you?"

Nanti Orang label MB's Zambry a Chou Chou neh (The Greedy General in Red Cliff Part 1 & 2 which sdr wajarperak have talk about it in his comment.)

The government now in Confusing Stage in 3 Chinese Characters wrote by chedet's blogger Ms junechang and Mr Zambry does need the advisor with Chu-ke-liang's brain to advice him!!!

Mr Choo-ke's surname is not Mr Chu, it's Mr Chu-ke, and His Name is Liang means Shining like Mr Lee Kuan Yew's middle name, Kuan means Cahaya....

Take care Ayahanda Tun.

Dear Tun,

It is imperative for the new minister of Transport to continue the efforts of OTK to expose all the culprits in PKZ scandal without fear. The MACC may not be interested to pursue with the investigation due whatever reasons. But, this high profile scandal involving billion of ringgit of public fund should not be taken lightly. It may cost him loosing the Minister post, but Rakyat of Malaysia will rally support behind him until the truth is unveiled.

Now, the MACC is suddenly very aggressively investigating money politics in Sabah involving many prominent politicians. Rumours are saying, top leaders in peninsular are really worried about Sabah Pemuda supporting KJ and pressuring PM to appoint KJ to the Cabinet. Anyhow, whatever the findings obtained by MACC must be made public to avoid any unnecessary speculation.

Salam,

\*\*\*\*\*1.Datuk Ong Tee Keat\*\*\*\*\*

Masalah ahli politik BN ialah duduk dalam tempurung masing2. Sepatutnya MCA mengukuhkan perpaduan sesama ahli selepas pemilihan pucuk pimpinan. Adakah menggugurkan Ong Tee Keat adalah satu langkah bijak untuk meraih undi kaum Cina? Ini serupa macam MIC, asyik duk pecat pemimpin/ahli , tak bimbang ke hilang keyakinan kaum India?

Pada pandangan saya, negeri dibawah jajahan Pakatan Rakyat perlu Menteri penuh yang PANDAI BERPOLITIK, yang boleh ada "impact" untuk meraih sokongan kaum Melayu. Perlu ada "reshuffle". La ni ada Menteri tapi pada kemeterian yang barangkali tak dapat memberi kesan lansung kepada penduduk negeri masing2.

Barisan kabinet mencerminkan kerajaan BN. Kalau Menteri dan Timbalan Menteri bermasalah ,rugilah BN. Uni rakyat bukan boleh dipaksa2.

\*\*\*\*2. PAS selalu beri alasan bimbang luka lama berdarah kembali sekiranya bersama UMNO\*\*\*\*\*

PAS sentiasa salahkan UMNO punca PAS keluar dari BN. Pernahkah terfikir kemungkinann berpunca dari PAS sendiri? Ada banyak andaian2 dan cerita2 yang menyatakan perpecahan itu berpunca dari kalangan orang PAS sendiri. Yang jatuhkan pemimpin PAS ialah orang PAS juga. Sekarang pun nampak macam tu lagi.

Kalau betul UMNO yang jadi punca, dari segi Islam adakah dibenarkan PAS tinggalkan UMNO untuk brsengkokol dengan DAP? Berapa lama PAS nak terus benci UMNO? Berapa lama PAS nak "main kayu tiga" atau berkasih sayang dengan DAP? Ingatlah awal2 agama ialah mengenali Allah Yang Maha Esa. Ajar depa yang ini dulu, baru cerita yang lain2.

Ingat Muslim itu bersaudara. Orang kafir kalimah syahadah pun depa tak terima. Adakah sama seorang Muslim dan bukan Muslim. Ingatlah petunjuk itu dari Allah, adakah belum sampai dakwah kepada depa berkaitan keesaan Allah dan bahawa pesuruh Allah ialah Nabi Muhammad SAW? Adakah dengan memberi depa hak2 orang Melayu baru nak masuk Islam. Adakah bagi harta pusaka keluarga kepada seorang kafir baru dapat membuka hatinya masuk Islam? Nak masuk Islam kena ikhlas hanya kerana Allah Ta'ala sahaja, bukan perkara lain2. Nanti macam2 fatwa hang pa pula keluar . Marilah sama2 kita mengikhlasakan diri kepada Allah.

Dear your beloved Tun,

"Saudi Arabia gives Israel clear skies to attack Iranian nuclear sites" - news from Time on Line.

Can you persuade our Malaysian Government and all OIC members to persuade Riyadh not to allow Israel to use their air space to invade IRAN. Are we Muslim leaders too weak to stop Zionis regim from becoming too arrogant.

Tun, You have done a lot to save our brothers Palastinian in Gaza and West Bank even though You are no more in power.

After Iran collapse than other Muslim countries will be their next target- including Saudi Arabia. Knowing Jews and Israel policy all these are possible.

Than, please TUN do something.

This article sounds as if it is imperative for Ong Tee Keat to be Minister in order to expose the culprits in the Port Klang Free Zone (PKFZ) scandal. Question is: Is it really necessary? Maybe it is easier for him to do so by being outside the government.

By ekomputeAuthor Profile Page on June 12, 2010 2:01 PM

We are talking about national interest at stake and it seems that only one person in the whole of Malaysia can expose the culprits in the PKFZ scandal. I strongly suggest we close down MACC, a useless

good-for-nothing organization, and take a good look at UMNO to see whether it has the will to curb corruption.

SALAM BUAT TUN BERDUA MOGA DIRAHMATI ALLAH S.W.T.

2) SELALUNYA MASAALAH YANG DIUTARA DALAM KOMEN TUN INI TIDAK MUNGKIN MENDAPAT PERHATIAN OLEH BARISAN PENGKAJI PERMASAALAHAN NEGARA. LEBIH-LEBIH LAGI PENDAPAT DALAM KOMENTAR TUN INI AKAN DIKATEGORIKAN SEBAGAI RAKYAT TIN KOSONG. CAKAP BERABOK MENUMPANG TUAH TUN SAHAJA.

3) TETAPI RAKYAT YANG DIANGGAP TIN KOSONG INI INGIN MELUAHKAN PENDAPAT YANG ILMU KEPERCAYAAN PENUH QODHO DAN QADAR KEPADA ALLAH S.W.T DAN ADAKAH PENDAPAT PEMIKIR EKONOMI PILIHAN ATAU SAHABAT YANG DIKENALI PERDANA MENTERI AKAN SENTIASA BERSAMAAN DENGAN KEHENDAK ALLAH S.W.T ??

4) BAGI RAKYAT TIN KOSONG TIDAK SETUJU AKAN TARIKAN 'SUBSIDI' INI SEBAB PERNAH BERLAKU FORMULA MENYELESAIKAN SESUATU PERKARA SEPERTI MENGELAK KEMALANGAN DENGAN WANG DAN BEBERAPA PERKARA LAGI TIDAK MENAMPAKKAN JALAN PENYELESAIAAN.

13) SEPATUTNYA SUBSIDI DITARIK AKAN DIIMBANGI DENGAN PENGURANGAN CUKAI TETAPI SEBENARNYA AMALAN 'SEDEKAH' YANG TELAH HILANG DARI PIHAK KERAJAAN YANG AKAN MENYEMPITKAN SUMBER REZEKI PEMBERIAN ALLAH S.W.T.

Tun,

Kita sebagai rakyat boleh dengar dan pandang. Isu kapal selam (Albatunya), enjin jet F5E, kerugian Tabung Haji, kerugian Proton dan yang terbaru, Sime Darby. PKFZ pun serupa jugalah. Nanti diam begitu sajalah. Lebih-lebih lagi kerajaan tengah nak ambik hati orang Cina. Semua bagi, semua tak apa.

Kepada bumiputera Melayu pun bagi juga. Ala kadar cukuplah. Habuan tutup mulut.

Sebenarnya kerajaanlah yang patut sekali bimbang dengan kisah-kisah di atas. Sepatutnyalah, kerana kantung kerajaan dah susut banyak. Ni tidak.. Selamba dan terus selamba selalunya. Kita yang dok bawah ni yang sakit kepala dan mata.

2020 rasanya takkan tercapai kalau macam ni juga pengurusan kerajaan. Tak berubah langsung!!

Lupakan saja Anak Kecil Main Api, kita nyanyi lagu Mimpi Siang Hari...genaa??

Assallammualaikumwarahmatullahiwabarokatuh.

Semoga mendapat izin dan perkenan Tun..

Terima kasih Tuan parameswara..( Sultan Iskandar Syah )

Pertama sekali Nama.

Allah mempunyai 99 nama yang mulia, Asmaul Husna. Allah sukakan yang baik jadi menyuruh hambanya yang baik bermula dengan nama. Rasulullah s.a.w di beri nama Muhammad bukan oleh datuknya sebagaimana umum percaya tetapi dari Allah melalui lisan datuknya. Lihat kembali tulisan saya mengenai Muhammad Angkasa. Baginda s.a.w kemudian di gelar Al Amin. Yang Amanah. Jadi Muhammad Al Amin ialah gelaran Yang Terpuji yang amanah. Lihat juga As Siddiq, Al Faruk, Zun Nurrain dan Karamaulah Wajhah.

Kesimpulan. Jika anda tak layak janganlah guna nama yang mulia!!

Jangan ada nama Muhammad Nyetannyahu nanti!!!

Kedua. Pendidikan.

Jelas sekali anda belajar Agama Islam lain dengan apa yang saya belajar. Saya menunaikan pesanan Allah ini di dalam Al Quran

"Nikmat TuhanMu hendaklah kamu sebarkan"

Juga pesan guru saya Ustaz Zainuddin. "Sampaikan apa yang telah ustaz sampaikan." Ya Allah kau saksikan bahawa HambaMu telah menyampaikan.

Ketiga. Intipati pendidikan.

Kami belajar agama asas iaitu Awaltu Din Makrifatullah. Awal Agama mengenal Allah. Tuan parameswara tidak berhujah dengan mengemukakan mana-mana dalil aqli apatah lagi dalil naqli. Jangan buat "sweeping statement" sebagaimana orang yang tiada berilmu. Sambutlah cabaran Allah di dalam Surah Al Baqarah ini..

"Tunjukkanlah bukti jika kamu orang yang benar!!"

Keempat. Niat.

Siapa yang tahu apa yang ada di dalam hati manusia? Hanya Allah sahaja. Tetapi barang diingat.. hendaklah sayugianya di ingat bahawa gerak tangan dan anggota adalah berdasarkan niat hati!!.. Oleh itu apabila Saidina Umar r.a. di tegur

"Mengapa tuan menghukum sedangkan tuan tidak tahu niat hatinya?" Jawab Saidina Umar r.a. aku menghukum mengikut perbuatan lahiriahnya. Batiniahnya aku serahkan kepada Allah".

Sadinia Usman r.a. pernah menyatakan di dalam majlisnya.. "Aku melihat telah masuk ke dalam majlis ini seorang yang ada kesan zina pada matanya." Melentinglah orang yang terasa pedas itu.

"Hek eleh ( Bahasa Moden ).. Apakah masih ada wahyu setelah ketiaadan Rasullulah s.a.w? Jawan Saidina Usman r.a "Tidak. Tetapi ini firasat seorang mukmin" Bersesuaian dengan Firman Allah melalui RasulNya yang mulia " Berhati-hati dengan firasat orang-orang mukmin. Kerana mereka melihat dengan Nur Allah".

Kelima. Kelaziman sifat.

Allah itu Maha Adil. Berapa banyak orang mukmin yang hampir lagi masuk syurga tapi masuk neraka dan berapa banyak orang kafir yang hampir lagi masuk neraka tetapi masuk syurga? Banyak sekali.. Tetapi.. Zainah ini lazimnya telah mengeji dan mencaci perundangan Islam banyak sekali dan inilah yang terbaru rentetan

"kata-kata jahil dari dia"!!

Keenam. Sokong membawa rebah.

Imam Shafie dan Hambali pernah di seksa oleh pemerintah yang zalim kerana perkara "Baru" Dan "Lama". Mereka ini ramai anak murid dan terkenal kefasihan ilmu mereka. Yang menuduh dan cuba menjatuhkan mereka adalah Ulamak As Suk. Di manakan kedudukan anda Tuan Parameswara??

Jahiliah moden.

[[Situasi yang berlaku 1400 tahun yang lalu adalah berbeza sama sekali dengan situasi abad ke21]]

Islam itu luas dalam rukhsah. Tapi jangan sekali-kali gunakan kepala otak sendiri untuk menafsirkan ajaran Islam. Jika kita tak bersetuju dengan sesuatu maka hendaklah kita bermusyawarah. Jangan cuba-cuba memperlekehkan undang-undang Allah mengikut akal sendiri!!

[[Situasi yang berlaku 1400 tahun yang lalu adalah berbeza sama sekali dengan situasi abad ke21]]

[[Kalau saudara tidak bersetuju itu adalah hak saudara tetapi untuk membuat andaian yang bukan bukan dan berburuk sangka secara emosi adalah amat tidak wajar sekali dan tidak menampakkan ciri ciri

keintelektualan seorang insan Muslim. Cuma Allah yang tahu apa didalam hati manusia dan hanya Allah sahaja lah yang berhak untuk mengadili manusia di hari perhitungan kelak. Saya tidak faham mengapa saudara langsung tidak boleh memberi baik sangka kepada orang-orang yang tidak sependangan dengan saudara-adakah anda merasakan bahawa cuma anda yang mempunyai monopoli segala ilmu didunia ini? Anda yang terhebat? Adakah sifat angkuh seperti ini islamik?]]

Angkuh itu apa? Rasulullah s.a.w di tuduh dengan amat dahsyat sekali. Tapi Baginda s.a.w bersabar. saya juga bersabar di atas kata-kata kosong anda tanpa hujah dan nas dari Al Quran.

[[Biarlah kerja mengadili manusia ini diserahkan kepada yang hak dan kita pula melaksanakan saja tugas kita dimuka bumi Allah ini sebagai Khalifah nya, untuk memakmurkan Bumi ini, menghidupkan kasih sayang dan menjauhkan persengketaan sesama manusia, semoga kita semua mendapat keridhaan nya]]

Itulah yang saya buat selama ini mengikut kemampuan saya sendiri. Cuba ceritakan pula hasil "tawassul" anda untuk kami contoh.

Orang kata saya kasar. Anda silap. Saya hanya menjalankan tugas

Maksud dari Al Quran

"Biarlah orang kafir itu merasakan kekerasan dari kamu"

Tuan Paramesawara maafkan saya. Mengapa tidak reshuffle kepada

??Sultan Iskandar Syah??

Terimakasih Tuan

Terima kasih Tun.

He is confirmed the delegate of DAP's MP Dr Tan ?? Seng who has been close with PAC's Head DS Khalid Azmi.

Now, PKFZ case is closed, and AVATAR is upset because it would affect performance of DAP and PKR in Sarawak?

He is making complaints out of one-sided coin politically minus Rakyat DiDahulukan by shooting in the dark, pak pandir aka cina melayu, sigh...Wen can he learns "Jiabao/kekeluargaan" neh?

MP's Dr Tan ?? Seng was hit by spoilt eggs many months back as reported by The Star, reason only he himself know la.

The people in Kepong and Bandar Menjalara do not back up DAP political party because they don;t trust them anymore due to their perangai of double standard kut, "Depa kata oK, belakang pulak kata Ok", and majority of these Melayu Cina in Kepong prefer to reserve their own cultures and traditions. Though Jaya Jusco and Carrefour are set up there, the shop owners still can make revenue because they are very close like neighbours and friends to these melayu cina.

KTM Kepong Sentral is set up in Jalan Kepong beside Desa Mall, and yet Desa Mall did not do well.

Ironically, Desa Park City opposite Bandar Menjalara (not Manjalara as per LDP's signboard) is doing so well, same name as Desa, yet the Desa Park City can do well.

Instead of wasting time barking at the wrong tree, it would be better off for him to be the Gertak for DAP's Cina Melayu to Tanah Melayu Cina.

Complaints with no action is NATO, Never Act, Talk Only, because he has never put himself in the shoe of KL's Federal Government.

If he knows what Prinsip Rukun Negara 1 to 5, I think today he is a successful politician to represent DAP.

He should know by now that majority of the KL Chinese prefer to preserve their Tanah Melayu's Cina cultures and traditions.

Making money out of tax payers' monies is like "Robbing from the Poor and in Cantonese: Hak Yi Dau La Fun Sik, I hope AVATAR understand what these Sky Malaysia Chinese want, and Jake Sully has the hairstyle of the Manchurians, AVATAR did not notice????

In Jianghu (nama manja China), the President of the Beggar Association, Mr Hoong 7 Gung is the most popular president who was respected by all Chinese in the world, AVATAR tak tahu ke?

Good day Ayahanda Tun.

The PKFZ issue should be resolved immed as it involves people's tax money. It seems the BN are getting weaker and weaker everyday. I hope the BN's can really make a great transformation soon in order to become better. From all the PM that has governed the country, I believe based on my own opinion, only Tun Dr. M managed managed to lead the country succesfully into a rapid growing modern country.

Tun, I believe that Najib should create a special panel which should be headed by OTK to look further into the PKFZ issue. Only then Najib's popularity would grow even further especially among those who anti-rasuah rakyat and the chinese community.

I have been a strong supporter of BN and had voted for BN in all elections that I have voted for. However, next election, I will NOT vote for Opposition Scums, however, I might abstain from voting for that MCA bugger (DUN) who is CSL strongman. Opposition can forget about me ever giving them votes.... but MCA might lose my vote in the next election. As for UMNO MP, I would most probably still vote for him... unless

Najib screws up on something.

Dear Tun Dr M,

I feel the practice of appointing political leaders as Senators and eventually swearing them as Ministers, Deputy Ministers etc should stop. This practice would result in those political leaders taking government positions for granted. Thus, they would not give much concentration and care to win in any election.

It is also unfair for the YBs who came through the election process being sidelined for such positions.

However, I whole heartedly welcome the non-political public figures & leaders of NGOs to be appointed to serve the government in such manner.

In addition, I feel that, the speakers of both the upper house and lower house should not be from any political party. This is to ensure the integrity and the "true and fair" handling of the sittings. Currently, it is obvious that the Speakers are biased.

My dearest Tun and fellow Malaysians,

Politics is a dirty game. Those who are in politics have one agenda and that is power. The power to enrich oneself regardless whether the riches are illgotten or robbing from the rakyat. It is very rare to find a politician who will work sincerely for the rakyat. It is like a needle in the haystack. And if you find the needle, there will be people waiting to throw the needle into the sea. Just like our OTK. In Malaysia, it is okay to elect someone who was caught cheating on his wife to be a president of a party. I always think the Americans can get away with almost everything. Just take Mr. Bill Clinton who resigned from his presidency after he was caught cheating on his wife and the Americans did not give him a chance to go back to politics. I guess Malaysians are forgiving or forgetful. Anyway good luck fellow Malaysians.

Dear Dr Mahathir,

G'day from Australia.

This is a bit off topic, but I must advise of discrepancies in the Malaysian response to the Israeli outrages over the past few days, and the potential threats they pose to the fabric of Malaysian society.

Under the guise of free speech, pro-israeli bloggers on Malaysiakini are spreading zionist propaganda trying to discredit Malaysia's stand on this festering and unending conflict. (Refer "Going gaga over Gaza", by Dean Johns, the article can be found here: <http://www.malaysiakini.com/columns/134044> , I have also reproduce the article below.)

This guy looks like another child molesting serial killer, but the lies he peddles seems to have an increasing audience in Malaysia, a nation that used to be among the most heroic supporters of the just Palestian Cause.

To addres his attacks on Turkish policies, the massacres on Armenians and the conflict with the Kurds are and were orchestrated by the Turkish military, at a time when it's ties to Isreal were the most intimate. This liar did mention this fact. Also, Isreal supplied the weapons that the turkish military used to kill kurds.

By the way, the israelis supply weapons to the other side as well!

Anyway, my advise to the good people of Malaysia is to be vigilant against agent provocateurs working for Israel on Malaysia Today, Malaysiakini and other filthy rags.

Perhaps before you send other convoys to gaza, you should send a few homeward to root out the Zionists in your midst

I am shocked the new minister Kong Cho Ha made the statement that no further investigation be carried out. Because it is a HUGE public money - I beg Najib as PM override the statement and continue with the investigation until the truth of the matter is revealed and public informed in the name of transparency.

This is the type wastages Idris Jala should quote in his report. What's the point in the rakyat tightening its belt when these people squander our hard earned savings/ reduction without a whimper.

It is a sin when people who allegedly hoodwinked the people's money on such monstrous scale get away. We the layman are subject to grilling for the minutest of offence.

I smell rot in the new MCA line up. The good people go thrown out the "bad" comes in

Salam Tun & Fellow CheDet's Bloggers,

It is time that Tun be more aggressive in raising such important issues and many more in the pipeline, that would affect Malays/Islam in particular and Malaysia in general.

Now would be in the best position and the time for Tun to voices your views as you answer to no one but to yourselves and Allah. That cannot run away from the truth.

I think DSN in the spot with a lot of problems that he alone may not be able to handle them to ensure the right decisions were made. How much balancing act can he keep doing? He must be God fearing person, only then he can execute all his decisions with honesty, toughness, firm but fairness. Personal interest has to be sacrificed and there is no 2-ways about it if BN/UMNO under his leadership were to survive with Rakyat's strong support in the next general election.

Hope that Tun can help to advise him, of course it is up to him to ask Tun. I believe Tun would be ever willing to help him with advices. Time is running out and need quick corrective actions. BN cannot rely anymore on MCA for Chinese votes and MIC for Indians votes. MCA's new leadership is questionable in term of moral issue at the least. ( Why should OKT is replaced at the peak of PKFZ scandal? Appointing Chua TY as deputy minister is like rubbing salt to the wound. Many think DSN must have good reason that reason if not fully explained will lead to many speculation that will be to the PR's advantage. Is DSN having something he hope to cover by his action? It may back fired. ) Obviously, Samy Vellu is more a burden than an asset to BN and a disgrace to his race he represented. ( Many think that SV is working hard, hoping to cover-up his many skeletons in the his closet before retiring ). Why not DSN take a bold step to just include other Indians breakaway parties that have showed full support to BN all the while despite being outside BN to be part of BN ? ) As for the Malays, sad to say they are divided over many issues. Unless new blood is injected into the UMNO hierarchy, the situation on the ground at the moment looks bad. DSN must pay a serious attention to address those critical issues, not only rightly but also fast.

Akhir kata: "Kepada Allah kita memohon petunjuk... semoga Allah tunjuk jalan yang selamat untuk semua. Ameen."

Assalamualaikum Tun,

I sense they are an agenda by 'somebody' or 'society' to make MIC, Gerakan and MCA look so dirty in the eyes of rakyat in order to weaken UMNO and BN as a whole.

Maybe this agenda is played down by inner or outsider in BN is not important as the objective is undeniable, topple UMNO/BN by making its subordinate parties so crooked, incompetence, corrupted etc.

Why the MCA, Gerakan, PPP and MIC leaders are creating issue and more issues that make the rakyat so fed up with their antics??? Semi-Value with his stubbornness and undefeated whole-life-until I die MIC President. MCA with too many 'feel' capable leaders and gentleman, manhood immoral leader and PPP with "who is the real President" issue.

These MIC/MCA/PPP leaders and members know what they did are weakening the BN but they keep doing it, repeating same mistakes, stubborn and treating the party like "his grandmother, grandfather's own party".

In the end, rakyat is blaming UMNO and everything is UMNO's fault. Example like MIC issue whom Vell Pari blamed UMNO for Gerakan Anti Samy (GAS ) action.

TO Vell Pari, Semi Value might be MIC President, you is his son, but MIC is a party for ALL Indian.

As for the MCA, since they voted an immoral as their leader so what sort of behaviour is to expect from them? Their leader is immoral, the members also immoral that's why they fired their good man who tried to repair something spoil and rotten. MCAs are immoral party.

Thank you, Tun.

Salam Tun.

I consider Tee Keat a firm, no-nonsense, scandal/corruption free, and daring politician, the basic requisites to be a good leader. When the MCA delegates voted him out for the tainted Soi lek, my first impression then was MCA will become irrelevant to BN.

When Cho Ha announced that there's no need to investigate further on the PKFZ scandal, did PM Najib give his blessings. If so, then I'm affirmative that the numerous scandals owing to the team of Pak Dol & the budak 'kurang \_jar (KJ)' infamous & very ruckus cleansing reign will all be forgotten. Tun's entries on their corrupt practices will just become 'interesting reading material' and nothing more.

Words have started to go around that the budak KJ may probably has some influence on some of Najib's actions. Najib must prove to us that the rumors are wrong!

I just hope Soi Lek's tenure as MCA president is short-lived. The big majority of Malays that are agreeable to his presidency are most likely PKR sympathisers due to the 'close similarity of Anwar's behavior'.

Dear Tun,

A bit too late I'm afraid.

Kong Ho Ho Cha Cha has already closed the file and hence driven nails into the PKFZ coffin.

Ah Chuah 'Kamasutra' has appointed his son as dep minister and Najib says he has full confidence in this young man.

MCA stands for 'Making Chinese Angry'. The leadership better look out. What is a party without its

members' support.

By the way, Ayahanda Tun,

Gu Lung treated sex education as entertainment, I guess Chor Har also treats sex education an entertainment like Dr Chua.

Taiwanese and Hongers said, "Men Not Naughty, Women Don't Love.

Men also can cast their votes even though they treat sex education as entertainment to release frustration, stress and pressure, which healthy to men, right???

Bye Ayahanda Tun.

Ayahanda Tun,

PM Najib has no better person to choose meh beside Kong Chor Har?

Chor Har looks so messy and untidy, Tee Keat looks tidy, handsome macam HERO of the Taiwan's Jianghu novel or Swordman in ancient China novel - Meteor, Butterfly and Sword by Gu Lung.

Chor Har looks a bit like the Gu Lung, also untidy and messy since he was a writer.

For Jianghu novel, I prefer to read Guangzhou's or Hongers' novelist, Jing-Run's who had migrated to Hong Kong in early 1910 even though I am a woman.

Jing-Run wrote in all his novels the creative line to show corruption and nepotism which I read in Cantonese: "San Go Won Tai Yuen" means The Emperor lives at the top of the Organisation Chart (macam Gunung Ledang), what happen down there, the Emperor will never find out.....

The Merdeka survey's Ibrahim apanama claimed Chinese Supports to BN now has dropped to 58% according to Monaliza/DaVinci Code kut? But Tee Keat was voted highest, still lost wat in the election done by MCA's CC Delegates wat.

Better don't trust Merdeka Survey since he is more to UMNO and MCA parties, cannot be trusted because he is UMNO politician ma.....

Have a pleasant day Ayahanda Tun.

Salam Tun..

Thanks for highlighting the above issue. I wonder how our recent govt top guns ethically and professionally manage such issues which to be honest part of "corruption" & "mishandling" of Rakyat's

"amanah".

PKFZ scandal, Sime Darby's lost in Qatar Project, GE Jet Engines "Scrap" issue, Additional contract for completing the Incomplete Govt Schools construction, Sand Stealing at Selangor, Treated water contract with our neighbour country, Under Specs buses supplied to Syarikat Prasarana, Timber stealing at Pahang reserve area, Eurocopter probe, wasted money for several re-elections.....

Plus at the country's border, the Singaporean and Thais can simply bought more than 20 liters of Fuel (SUBSIDISED) even though regulation been made. Regulation without proper enforcement is meaningless. It would be proper to built special dedicated Fuel Station operated by our Army or KPDNHEP just for those Tourist to fill in their tank using price without subsidy. Or not, we keep subsidized their vehicles using our tax money.

So many more mismanaged of resources if I can quote here....

If those above mismanaged money can be recovered, we may cover part of the country's expenditure or debt and reduce the subsidy instantly and upgrade our country's life mode.

Mismanaged of Resources VS Subsidy removal? How do we balance the scale? This is where we want the Govt and all the authorized people to think deeply to save our country from Debt and to nurture our citizens to be no more subsidy minded....

Dear Tun, Really need your favor on this. I have sent the below comments to the newspapers but somehow or rather they are not publishing it. Would really appreciate if you can highlight these problems in your column. Thanks.

#### NO BUS SERVICE IN BANDAR MENJALARA

Can RAPID KL please explain why is it there are no bus plying this route for the past 2 years ?? If the reason given is that there are not enough loads for it to be commercially feasible then I call upon these steps to be considered -

1. RAPID KL sack the manager who advises it so because this area is so populated even more than many Taman in Kepong area. Anyway just to enlighten RAPID KL, as my wife is a regular commuter, let me tell you why the number of commuters drops when it was in service earlier plying the Menjalara and Taman Maluri route was because every time when reaches Jln 1/62, the drivers will stop and 'lepak' at the mamak stalls (apparently this is the first stop of the route when the bus is empty) at least for 45 mins to an hour. Even the bus was half full the drivers will not be bothered, they will continue to chat among themselves. Over the times many commuters have lost patience and fed up thus giving up using the service. If it was properly managed and utilized I am sure it is a profitable route bearing in mind the taxi fares is so high now.

2. RAPID KL surrender back the route rights to the government in order to give it to other operators who are interested. Still remember back in those days where mini bus was so popular among the commuters. No hassle, fast, punctual and economical. And the operators and drivers were a happy lot too because of good profits and commissions. If RAPID is clueless then it should learn and adopt their system.

3. Profit aside, as a concessionaire that monopoly the bus service in Kepong, shouldn't it meet the social obligation of covering the whole area?? What about the ministries involved have to say about this? Don't you all have a duty to check on your operators' performance from time to time? Where's the KPI? The commuters in Menjalara will be grateful if bus service are provided at least to destination like Kepong KTM and Metroprima Jusco (to connect with the city bus) if direct bus to the city cannot be provided.

**TAXI FARES** - I wish to draw the attention of Minister in the Prime Minister's Department Dato' Seri Nasri Aziz who was responsible for launching the new taxi rates months ago. I remember him announcing 30 percent increase in taxi rates which I think is fair considering the last price revision was very long time ago. But I wonder if Dato' Seri have ever tried boarding a taxi with the new rate to check the precision of the new meter? Let me give you 2 examples - Short Distance - Since there are no Feeder bus service nor normal bus service from Menjalara to Kepong KTM station which is hardly 3 kilometers away, commuters are forced to use the taxi service. The normal fare previously before the hike was RM 4 at most but after the hike, it is RM 6.50 (if we are lucky when there is no jam). Long Distance - Kepong to Ampang (Non Peak Hours/Daytime) Previously - app RM 14. Now - app RM 25. I really do not understand what mathematical formula the Ministry applies when coming up with this new calculation. It's definitely more than 50 percent. Especially on the timing side of the meter, let me relate my friend's ordeal taking a cab from Pandan Indah to Bukit Bintang on a working afternoon. The normal rate he pays was at most RM 9 but because it was raining heavily in the city that day he was caught in the jam for about an hour and he

ends up paying RM38 even before reaching his destination becoss he only have RM40 with him at that time.He has since bought a second hand Kancil.There goes another car jamming the street. Mr.Minister,I hope you put yourself in the shoes of the commuter to have a feel if you are serious in promoting the use of public transportation.( never mind the lousy integration of the whole public transportation network that we are having right now,first just improve the individual line of each public transportation mode especially taxi,bus and commuter train. Except that for LRT I must admit is good. )

KTM Commuter Train - The GM of KTM was telling the media last month that the waiting period of 15 minutes will be reduced to 7 to 8 minutes in the future.Please Mr. GM don't treat the public as a 'dunggu' in order to impress your boss.If you can 'turun pandang' as what our PM said and wait together with us,if at any one time we only need to wait 15 minutes after the last train left,I will pay double the ticket whenever I use the commuter service in the future.What say you ??

KTM should also improve on the direction signboards leading to the commuter station.What's the point when we finally see the signboard when the station is only 200 meters away or we have the full view of the station already.I am staying in Kepong for years but when the first time I tried going to the station,I really have a hard time locating it even thou I know it is somewhere specifically in that area.Same applies when I tried driving first time to many of the commuter stations elsewhere in Klang Valley. For practical reason ,I suggest Mr.GM try to drive yourself to a few stations which you have not been there by driving,then you will know what I mean .And please look into your lightings at your stations and the surroundings as I am sure you will feel very worried if your children or spouse goes there by themselves at night.And also please improve your PA system (I am not sure if it is due to the system or due to the announcer) in the Sentral Station,sub-stations and in the train.Except for the pre-recorded No Smoking Message that is loud and clear,other important announcements like delays,cancellations,promotions etc etc sounds so soft and most of the time all we hear are mumblings,mumblings and more mumblings.If you compare KTM announcement clarity against LRTs then you will know what I mean.

KTM- I need to clarify that I am not against your management or anybody in particular but for all the weakness stated above you should carry out a mass survey among your commuters to see if there are any truth on the above so that improvement can be made immediately becoss some of the problems are not related to lack of coaches which the public already knew.Can KTM also consider to provide feeder bus service in Kepong which have a very sizeable population now ?

OTK should leave MCA and joins the Opposition.If the Opposition is smart enough to offer OTK a major role ,the remaining little Chinese support left on MCA will also goes to the Opposition. Najib should emulate Tun like when Tun appoints Subramaniam as Senator then as a Minister to protect him from the MIC president Mr.'SEMI VALUE'. After Kong Cho Ha announced that there will be no further need to investigate PKFZ, it became clear and obvious why these crooks kicked Ong Tee Kiat out from MCA presidency thus losing his Ministership. They have achieved their objective to stop further exposure of the scandal. But they forgot the rakyat are watching their every move. Roughly estimates MCA have only 20% Chinese support now and after this it will definitely erode further. The day MCA becomes irrelevant as happened to Gerakan is getting very very near.

Therefore Government shouldn't say that Chinese are ungrateful for not voting BN when this type of scandals also can be swept under the carpet

By Hsien-hannAuthor Profile Page on June 9, 2010 4:30 PM

Your excellency,

I personally believe that with the removal of OTK as a Minister, the trust of many Chinese on Barisan would also drop apart from BN not able to garner support from those already supporting the opposition. OTK is well known (at least the image he has instilled in the minds of Chinese) to be a politician who "tahu buat kerja" and well known for his commitment to his people. To drop him from the cabinet is an unwise step his excellency the Prime Minister had made. Those who voted him out, from the MCA by Presidential Election are those delegates who I believe have certain interest of who becomes president. It doesn't reflect the sentiments of the grassroots of MCA. Prior to the election, many Chinese who are not MCA members were in full support of OTK, even till date. To completely wipe him out of services within the government is to throw out a talent from government. As a good friend of mine said, normally, those who do not do work for the people get voted in, and those who are serious in doing things for the people don't get voted in. Truthful and sincere people are those that we need, but people will vote these people out. Not every good man like Tun is able to survive in politics for long. Najib seriously needs to re-consider, or at least make full use of his talents in other fields in the government.

Nothing divine in child marriage

SHARING THE NATION By ZAINAH ANWAR

Early marriage can have serious harmful consequences for children. The figures show that is a problem that crosses all races and states, raising many disturbing questions that need to be answered.

<http://thestar.com.my/columnists/story.asp?file=/2010/6/6/columnists/sharingthenation/6406864&sec=sharingthenation>

Bila Israel menyerang GAZA, Flotila dan sebagainya mereka hanya menyebabkan kehilangan nyawa. Hasilnya ribuan kecaman mereka terima. Tetapi Zainah biadap ni menyerang kefahaman Islam dan menuduh Allah dan Rasulullah s.a.w bodoh tetapi umat Islam hanya menyepi diri sahaja!!

MENGAPA?

Saya harap Tun sudi menegur Zainah dalam blog Tun menjadikan

RESHUFFLE lebih bermakna.

Ribuan terima kasih Tun.

After Kong Cho Ha announced that there will be no further need to investigate PKFZ, it became clear and obvious why these crooks kick Ong Tee Kiat out from MCA presidency thus losing his Ministership. They have achieved their objective to stop further exposure of the scandal. But they forgot the rakyat are watching their every move. Roughly estimates MCA have only 20% Chinese support now and after this it will definitely erode further. The day MCA becomes irrelevant as happen to Gerakan is getting very very near.

Therefore Government shouldnt says that Chinese are ungrateful for not voting BN when this type of scandals also can be swept under the carpet.

Dissappointed with Soi Lek appointed his son as a Deputy Minister. Say what u like about Chua Jr's experience and qualification, i'm very sure in MCA there's more experience and well qualified members that can be appointed as a Deputy Minister.

MCA President have to walk the talk and avoid croynsim, MCA is not a family business where you can pass down to your children.

Yes MCA can argue that DAP practice the same policy, but Lim Guan Eng and Gobind earned thir stripes before they were appointed to thier current position.

Hmm..I read The Star N14 yesterday. If only Tun's suggestion posted on the said date.... The information may come at the wrong time. Such a pity..But anyway, Gaza mission is more important.

Salam Tun

Unfortunately your prediction became true.

1. Ong Tee Keat was a good man who tried to embattle corruption and clean up the MCA image. Instead the Chinese chose a sex offender as its leader who has no shame in appointing his son to a government post.
2. His successor has stated in The Star on Tuesday 08/06/2010 that no further investigations will be done on PKFZ because there has already been much investigation made earlier (even though the culprits have not been caught and no conclusions has been made). Instead this successor would like to concentrate on meeting the KPI objectives of his post. So that is the finale of PKFZ and the culprits get away scot free!
3. I don't know how UMNO can come to ally itself with such people and with such a party!

Dearest Tun,

Najib must take a more proactive and responsible attitude in matters like these,rather than leaving them at the whims and fancies of the Ministers.You mean to say these Ministers have a choice to pursue or not, matters that are 'boiling' issues to the Rakyat?Do not take lightly these things that has been one of the most talked about issues amongst the rakyat at the grassroots.

And so far efforts to improve these areas are not convincingly looked into or if something have actually been done ,it has not been very effectively communicated to us.Please don't mess around with the rakyat esp in these accountability and transparency matters.Esp now that the burden of removing subsidies is on his shoulders.

This is an opportunity for Najib to make a huge emotional deposits in our emotional Account.Show more energy and zest-everyday just talk about it again and again.Make some sacrificial lambs-sack Musa Hitam and the whole Board,and this sacking will be a good lesson and reminder to all other GLCs key members to shape up or risk to be shipped out in similar fashion.And keep it going forever.

I hope he will stay on course with his original slogan-'Ubah atau Rebah',ie 'change or collapse ',instead of his newer one 'I help you you help me'.Of course after that expose at the Sibü by election, Najib has just got to work triply hard.Good luck to him.

I just don't get it. Why is the post as an MCA President so important for Tee Keat?..I'm not saying that I'm against any BN members but the 'rakyat' should come first and not the position. Just follow the examples of the leading BN countries. As Tsun Zsu once said, to be the best we learn from the best. It doesn't mean we follow everything what the succesful countries do or implement. We can take some of the methods or practice which can stir our country to stability. Politicians are known to be shrewd and they tend to be smart like a fox but citizens are getting smarter nowadays, don't forget that. What ever it is, it's not important who is going to be the President. That will come second, but the important thing is, the country

is the first priority.

Too late. Kong Chong Ha already stated that the PKFZ investigations have been closed.  
What say you Chedet?

Thank you.

Dear Tun,

You heading towards a good start and this the beginning. Use whatever influence you have and bring CORRUPT BN leaders current and past to justice.

It does not stop here, all the stolen \$\$\$ must return to Rakyat.  
Believe me Tun, your 'karma' will improve and Rakyat will support you.

A major TURNAROUND is needed to clean corrupt govt. Don't forget Tun, I will continue to pursue you to return most of your family wealth to Rakyat. Think of Warren Buffet and Bill Gates. They are serving mankind and isn't that god wishes.

Dear Tun,

Totally agree to this... The culprits must be punished. This is the Rakyat's money that this thieves has stolen. This need to be esposed and bring all those who involves to justice.

Thank you.

Dear Tun,

I concur with your conjecture. Investigation into the PKFZ would be terminated or discontinued. To put it in legal jargon 'discharged not amounting to acquittal' or whatever.

Dear Tun,

Assalamualaikum,

- 1) The system of allocating government contracts to politically linked organization as a reward for their contribution towards the BN government may no longer act as an effective mean for sharing the economic cake.
- 2) Indirectly, the government has springing-up the system of introductory fee or commission agents. Such a practice is widely accepted though informally.
- 3) As a consequence, we face with cost overrun.
- 4) The practice mentioned above will over time overtakes one's professional senses when greed overcome professionalism. PKFZ is an example of such.
- 5) I wonder why you had not addressed such practices while you were in power. I believe in your strive for clean government but why had you allow such practice to survive for far too long until it is now becoming a deadly virus? If the objective is to enrich certain races, we have been proven many a times that they do more harm than good. The phrase " Give the man the rod instead of the fish as he'll learn more and live longer" is relevant in all human civilization.
- 6) The above debacle has posed unnecessary risk to BN. But BN must blame itself for failing to learn from past mistakes.
- 7) If parties need to make money out of government contracts to sustain their operation, then it is must be done professionally. If I may suggest, BN can impose a ruling for contribution be made to the parties based on percentage of profit. Of course, companies must be encouraged to make profit. If they fail, no more contracts should be issued to them.
- 8) In terms of allocation of private sector contribution between the component parties of BN, the formula must allow UMNO to take the biggest portion because of its Bumiputera status. Again, this is in the spirit of the Constitution.
- 8) Some may argue that this is not in the spirit of '1 Malaysia', but one must understand that the Bumiputera rights are enshrined under the Constitution and therefore, it must be respected at all times.
- 9) And lastly, '1 Malaysia' has done much confusion to the rakyat. I hope you'll address this soon.

Thanks for reading, Tun. Just a minor recommendation from me.

Anak Chua Soi Lek yang baru jadi Timbalan Menteri, Chua Tee Yong telah mengabadikan catatan bersejarah iaitu "tiada kaum di Malaysia ini yang majoriti" pada sidang 16 Mac 2010 seperti yang dilaporkan oleh [www.merdeka-online.net](http://www.merdeka-online.net).

Ketua Pemuda UMNO, Madam Khairy dan Penyalak, Tajuddin dari Pasir Salak, Ulama Kinabatangan, Bung Moktar dan Si Tak Berseri, Mohamad Aziz hadir dan turut berbahas ketika itu tetapi memperakukan kenyataan Tee Yong itu.

Atas keberanian dia, MCA bagi dia jadi Timbalan Menteri!

Mungkin selepas ini Tee Yong akan menjadi Hong Tuoh baru dan berucap di Parlimen sekali dengan berteriak "confirm loh Melayu sudah hilang di dunia".

Dah pondan nampaknya semua Ahli Parlimen yang berbangsa Melayu di tanahair Melayu ini!
