

TONY BLAIR
June 16, 2010
chedet.co.cc

1. Tony Blair, the disgraced ex- Prime Minister of Britain, who was recently paid RM 1 million by "Malaysian achievers" to personally teach them how to achieve, says that Israel has a right to defend itself, when commenting on the killing of Turkish volunteers on the Mavi Marmara.

2. This is to be expected of a British Prime Minister who lied so he could send the British forces to kill Iraqis. Killing innocent people is to have almost a pastime. That the Turkish volunteers were on a mercy mission to bring food, medicine and building material to the Palestinian in Gaza; that Turkey is not at war with Israel, that they were unarmed mean nothing to Tony Blair.

3. Just as he feels justified telling lies so he could war against Iraq, shooting and killing aid workers is to him part of defending a country.

4. The achievers in Malaysia must have learnt a lot about how to achieve by lying and by killing innocent people. The one million Ringgit (200,00 Pound) they paid him is well spent.

Hi all,

I'm Malaysian and I can sense that Malaysia is very bias towards Israel. Just watch the medias, i.e TV1 and TV3, they are good in manipulating people's mind into believing that Israel is evil. I agree with those who believe that Israel has her right to defend herself. I agree because there is no state called Palestine. Palestinians are Jordanians and Syrians. Palestinians have been used and manipulated by Arabs to wage a war against Israel. Jewish has existed in the land of Israel long before the Palestinians (Where this people actually come from?) and many Jewish cities such as Jerusalem and Bethlehem (now in West Bank) have Jewish historic records that can be traced back before Islam. "Palestine" has been an important tool for Arabs and Muslims to call on propaganda war against Israel. Many Muslims in this world wish to see the destruction of Israel and that's why they have a deep hatred towards Jewish people. Even American Jews and European Jews have been victimized by anti-Semitic Muslims because many Muslims especially radicals believe Jews are evil pigs and must be slaughtered.

Humanitarian flotilla was purposely reaching the Gaza blockade in order to provoke Israel. The blockade are made to prevent the Iran-backed Hamas to receive any single weapon from foreign Jihad movement. Even the organizer of humanitarian aid itself, IHH has a tie with Jihadist and Islamic radical movement. The so-called activists in the flotilla mainly Turkish were not the true activist. If it was, why they chanted "Khaybar, Khaybar! Oh Jews, remember. The armies of Muhammad are returning!" Their intention was not about humanitarian aid, but it was about waging a war against Israel. Palestinians are not starving and in desperation of help. How about Muslim in Darfur? Where are their humanitarian aid?

Here it is:

In a March 31, 1977 interview with the Amsterdam-based newspaper "Dagblad de Verdieping Trouw",

March 31, 1977, PLO executive committee member Zahir Muhsein said: "The Palestinian people does not exist. The creation of a Palestinian state is only a means for continuing our struggle against the state of Israel for our Arab unity. In reality today there is no difference between Jordanians, Palestinians, Syrians and Lebanese. Only for political and tactical reasons do we speak today about the existence of a Palestinian people, since Arab national interests demand that we posit the existence of a distinct 'Palestinian people' to oppose Zionism. For tactical reasons, Jordan, which is a sovereign state with defined borders, cannot raise claims to Haifa and Jaffa, while as a Palestinian, I can undoubtedly demand Haifa, Jaffa, Beer-Sheva and Jerusalem. However, the moment we reclaim our right to all of Palestine, we will not wait even a minute to unite Palestine and Jordan."

During a meeting with leaders of the Palestine Liberation Organization (PLO) in 1976, Syrian President Hafiz al-Asad referred to Palestine as a region of Syria, as Southern Syria. He then went on to tell the Palestinians:

"You do not represent Palestine as much as we do. Do not forget one thing: there is no Palestinian people, no Palestinian entity, there is only Syria! You are an integral part of the Syrian people and Palestine is an integral part of Syria. Therefore it is we, the Syrian authorities, who are the real representatives of the Palestinian people."

MBA,

u said Palestine had no peace since Israel came. We can say the same about the conduct of some Moslems who have been terrorizing kafirs all over the world

By gunse007Author Profile Page on June 28, 2010 6:05 PM

nukemuzzies,

well said,

not all people in malaysia hates Israel. Indians in malaysia just like Hindus of India support Israel and believes that the Jews have the right to self defence just like anybody else. We are proud that Hindus have treat Jews well in India and we are proud that Jews continue to live peacefully in India.

Moslems generally hates Jews. I just dont understand it. Its not for the sake of Palestine but hatred between religions.

Shalom.

Masjid Al-Aqsa - SINISTER PLANS EXPOSED

AS-SALAAMU-ALAIKUM! IT WILL JUST TAKE 5 MINUTES OF YOUR TIME TO READ THIS, AND LEARN ABOUT THE EVENTS OF THE PAST, AND WHAT IS YET TO COME. THEN YOU'LL UNDERSTAND WHATS REALLY HAPPENING IN PALESTINE TODAY.

THIS IS SERIOUSWHAT THE ZIONISTS ARE DOINGAND MORE IMPORTANTLY, DO YOU KNOW WHY?

FIRST THOUGH, TAKE A LOOK AT PHOTOS OF THE EXCAVATION UNDERNEATH MASJID

AL-AQSA. DANGER AND DAMAGE!

CRACKS IN PILLARS, FLOOR AND WALLS OF ISLAM'S HOLY MOSQUE. THEN READ THE RESEARCH BELOW.

The Israeli's are digging under Masjid Al-Aqsa. They have openly admitted their intention to demolish Masjid Al-Aqsa and in its place "resurrect the Temple of Solomon".

Archeologically and historically, we know that the ruins of the Temple of Solomon lie beneath Masjid Al-Aqsa. We don't know how deep the excavations go, but its happening with every passing day. The situation needs no more silence!

With ALLAH as my witness, Al-Aqsa, the first Qibla of Islam, is in DANGER.

Excavated passageway under Masjid Al-Aqsa

PLEASE FORWARD THIS TO ALL OUR BROTHERS & SISTERS IN YOUR MAILING LIST.
EVERY MUSLIM MUST KNOW THIS SHOCKING TRUTH.

THE MOSQUE WITH THE GOLD DOME IS NOT MASJID AL-AQSA. THIS IS THE "DOME OF THE ROCK". THE AL-AQSA MOSQUE IS BEHIND THE DOME OF THE ROCK. WHENEVER MASJID AL-AQSA IS SPOKEN ABOUT IN THE MEDIA, THEY SHOW US THE IMAGE OF THE DOME OF THE ROCK. WHY? SO THAT MOST PEOPLE REMAIN UNAWARE WHICH BUILDING TRULY IS AL-AQSA.

THIS IS A ZIONIST PLOY, SO THAT WHEN THE REAL AL-AQSA IS DESTROYED, MOST PEOPLE WONT EVEN REALISE ITS HAPPENED. MUSLIMS, MAKE IT YOUR DUTY TO KNOW WHICH IS THE REAL AL-AQSA MASJID.

DO YOU KNOW WHY THIS IS HAPPENING?

CAN YOU AFFORD NOT TO KNOW? I ASSURE YOU IT'S GOT NOTHING TO DO WITH LAND!
WHAT IS HAPPENING IS FAR MORE SINISTER THAN YOU CAN IMAGINE.

CAN YOU HANDLE THE TRUTH? YOU SURE??

Whenever I tried to alert Muslims to this, many looked at me like I was crazy, like I didn't know what I was talking about...but I think you should know that I am a Muslim too. I have studied comparative religion, and have been heavily involved in critically researching various aspects of "new religions" for approximately 10 years to date.

Most of my, and my colleagues, findings are shocking to say the least. At first, even we found them hard to swallow. And then slowly, with each new day Allah (SWT) provided more and more wisdom to help us make sense of what we were uncovering. We have looked at banned footage, articles, interviews and various other research material.

What I'm about to share now, may seem like hogwash to many people, but all I ask is that you open your heart and mind to this information and before you say I'm crazy, I challenge you to go out and research for yourself.

So yes, we know that Masjid Al-Aqsa has been under siege for many years. Palestinian people have not known peace since the State of Israel was formed in 1947.

We believed it was because they're Muslim, and because Israel wants their land, particularly the land on which Al-Aqsa is built. True. BUT DO WE KNOW WHY?

In order to find this out, we had to go way back in history and literally put the confusing pieces of the puzzle together.

To cram months of research into an email, is a hard task. But I hope to share pertinent stuff in a few short paragraphs. And hopefully, I shall provide food for thought as to the reasons behind the "WHY".

We have uncovered much information to substantiate the following claims. We have gone back in history and our findings are pretty much black and white.

We have used primarily, the Quran, Bible, Hadith, and happenings in today's world as our points of reference.

So below, please find the following on Why the Israelis want to destroy Masjid Al-Aqsa:

1. Predominant belief at the time and proof from the Quran
2. What's this got to do with Masjid Al-Aqsa?
3. What Islam warned us and the difference between Hadrat Isa (AS) and the Dajjal
4. Where is the original temple located
5. Pictures of the signs in our time

WHY DO THE ISREALI'S WANT TO DESTROY MASJID AL-AQSA??

THESE FEW POINTS WILL SUMMARISE KEY POINTS TO HELP YOU UNDERSTAND WHATS REALLY GOING ON. AND TO DO THIS, WE HAVE TO GO BACK TO THE ORIGINS OF ANCIENT BELIEF SYSTEMS IN THAT REGION. EVERYTHING STARTED FROM HERE, AND THAT'S WHY ITS IMPERATIVE IN ORDER TO UNDERSTAND THE BIGGER PICTURE.

PREDOMINANT BELIEF AT THE TIME + PROOF FROM THE QURAN

- There are Jews that believe in one god – praying properly etc
- Then there are Jews that are "ashkenazi" and those that believe in the origins of the Jewish religion. Prior to Judaism, the people of that land were Zionist. They believed in Zionism, which has its roots in a practice called "Kabala" (this is an ancient form of Jewish magic and is based on the principles of the occult and paganism ie: believing in gods and goddesses as well as satan). This practice was learnt from the ancient Egyptians prior and during the time of Moses (Musa AS). Further research proves that what they actually worshipped was Jinn.
- Jinn come in 3 forms, as the Quran tells us – in form of dogs or snakes, birds or flying, and that which shape shifts (can assume the shape of a man etc) – look at the ancient gods or pictures of them and you will see what I mean... the Egyptian "gods" were in those forms...head of a dog, bird etc etc etc.... same with the Annunaki 'gods' in Persia, and the gods worshipped by the Mayans, Aztecs, Incas and other ancient civilisations. In all ancient paintings, drawings etc, these Gods were all blue in colour. The Quran tells us that Jinn is created from the smokeless flame of fire – meaning the essence of a flame. So go ahead and light a flame, and you'll see that the heart of that flame is BLUE. Jinn also live for thousands of years and travel very fast (which explains why all the ancient civilizations had similar looking "gods" at least one of whom was blue).
- The Quran warned us to never take Jews as our friends. Allah warned us that they would work to destroy Islam. And this is something we see happening.
- Muslims and Christians are awaiting the second coming of Jesus The Messiah. We also know that the Dajjal (the Anti-Christ / False Messiah) will appear before Jesus does. Jews also believe in a "second coming." They are preparing for it. However, the interesting thing is that the Jewish faith does not recognise Jesus. Jews do not acknowledge Jesus at all. You fit the puzzle! If they do not acknowledge

Jesus and don't believe he's returning, yet are awaiting a second coming...then who are they waiting for??

THE DAILY DIGGING UNDER MASJID AL-AQSA

Excavated tunnel under Masjid Al-Aqsa. Note what seems to be a cross in a circle in the far left, and the strange face-like image underneath the cross. Looks like some creature lying there on the floor! These images were taken by one of the men digging in the tunnel. It is unknown what / whose form that is. There is no reasonable explanation, as it was noted only after the picture was taken.

WHAT ISLAM AND OUR PROPHET MUHAMMAD (SAW) WARNED US

1. Well, in Islam we know the Dajjal is the false messiah. Meaning – he will imitate the true messiah in every way. The true Messiah, Hadrat Isa/Jesus (Peace be upon Him) will come back to rule the world from JERUSALEM. So that's where the Dajjal will be arriving: THE HOLY LAND, JERUSALEM. He comes back to his home.
2. Nabee Muhammad (SAW) told us that the Dajjal was released into the world during his (Rasoolullah's) lifetime. Thus he has been on this planet since the time of Rasoolullah (SAW). We were informed that Dajjal will live on earth for 40 days (one day like a year, one day like a month, one day like a week, and the rest like normal days. Remember 1 heavenly year is equal to a 1000 human years. You do the math). This proves that he is a powerful Jinn, as jinn can live for thousands of years.
3. All prophets of Allah warned their people about the false messiah.
4. Our noble Prophet (SAW) informed us with a description of Dajjal and warned us to know that Allah is not "ONE-EYED".. Dajjal will also have the word Kaffir/Kuffar on his forehead. The Messenger of Allah, Nabee Muhammad (SAW) also warned, that any Muslim upon hearing of the Dajjals "arrival" should turn his back and walk away from Dajjal, not look in his direction, or walk in his direction. Don't be curious as Nabee warned that even the strongest in Iman amongst us would be tested and could easily fall prey to Dajjal, as Dajjal is the Master of Deception.

Hadrat Isa AS (Jesus the Messiah, son of Mary) Dajjal the Deceiver

The True Messiah The False Messiah/ Anti Christ
Prophet of Allah Rrepresentative of Iblees (Shaytaan)
Comes to restore faith and peace Comes to deceive and spread corruption
Will never claim to be God Will say he is the Messiah, then say he is God
Is to rule from Jerusalem Will rule from Jerusalem
Is human Is of jinn origin but will appear as a human being
Will have two seeing eyes Will have ONE SEEING EYE, the other is closed and bulging
Is not yet on earth. Arrival is preceeded by Imam Mohammed Mahdi Is already on earth. Arrived during the lifetime of Rasoolulah (SAW). Physical recognition of him will be preceeded by the fall of Masjid Al-Aqsa. Only then will people recognise him and his true identity..
Is a being Is both a being and a consciousness
Will not perform miracles when he returns Will perform miracles in order to deceive people
Will descend from Jannah, at the time of Fajr salaah, at the eastern minaret at a masjid in Syria. His hands would be resting on the shoulders of two Angels. Beads of fragrant perspiration gleaming like pearls will drop from his forehead. Will have the word Kufar/Kafir/Kafr on his forehead. Whichever way it is spelt, the pronunciation is the same, and denotes "disbeliever"
All Muslims will recognise the word irrespective whether they are literate or not.
Will travel to Jerusalem with Imam Mahdi. Will, and has, travelled around the world. Cannot enter Makkah & Madina. Angels guarding the holy cities will prevent him from entering.. Will return to settle in Jerusalem once the Zionist temple is resurrected.
Will kill the Dajjal and restore faith to the world Will dissolve like salt upon seeing Hadrat Isa (AS)

The Zionists refer to the land between the Nile and the Euphrates as "their promised land." Dajjal is their king, and in keeping with their occult belief, they have to resurrect the original temple for him to take his throne.

So where is this original temple of Zionism?

Archeological and historical evidence proves the ruins of the original temple of Zion is underneath the temple of Solomon. Meaning Hadrat Sulayman (AS) knew how evil this magic is, that he built his MOSQUE OVER THE ZIONIST TEMPLE. Simply because people praying in that Mosque, worshipping one true God is strong enough to override any evil that happened there.

THIS IS WHY THE JEWS/ZIONIST WANT TO DESTROY MASJID AL-AQSA! THEY NEED TO RESURRECT THE TEMPLE BENEATH. Its common sense, logic! The Dajal is inherently evil – so he will not be able to enter any paak or holy place. Meaning he cannot rule or enter any mosque, where the worship of one true God takes place.

The only place he can enter and rule from, is a temple in-keeping with his evil nature.

- This also explains why the US Govt is so buddy-buddy with Israel. They have a common goal, and common belief. They work for a force far greater, and far more evil and deceptive than you and I could ever comprehend. This is why their foreign policy is pro-Israel. This is why they allow Palestine to be attacked over and over again. They need to destroy Al-Aqsa. And this is why they portray Arabs & Muslims to all be terrorists. They want to turn the world against us in hatred, because the fact is, the people who will continue to defend Masjid Al-Aqsa are Arabs! MUSLIMS! Muslims understand the significance of Masjid Al-Aqsa, it is Islams first Qibla. Therefore the Muslim people of that land is their greatest resistance. And these disciples of Dajjal know that.

Islam tells us that one of the final signs before the arrival of the Dajjal, and the heralding of the end of times, is THE FALL OF MASJID AL-AQSA. And its HAPPENING AS YOU READ THIS.

May Allah protect us all from the evil of Dajjal and the followers of Satan. May the light of Islam shine brighter than ever.

Warn everyone you know:

Worldwide evidence from natural phenomena to top Illuminati artists overtly displaying their satanic affiliations, to the cracks in the pillars of Masjid Al-Aqsa, shows that end is near. Allahu Akbar.

Earthquakes, tsunamis, violent storms, raging fires etc (its like nature is even rebelling against these evil people). Yet, even so, they are blind to the signs of Allah.

Dear Tun,

With you permission,please.

Please refer to "By Nukemuzzies on June 22, 2010 9:20 PM".

Assalammualaikum Nukemuzzies. Please be upon you.

Prophet David (Nabi Daud A.S) the servent of Allah (as all prophets are) will be with us as well as long and we are just, fair and not take advantage of the weak and helpless.

I can see where you are coming from, just as I can see where Hitler was coming from for his actions, or

Stalin was, or Bush was coming from, or Japan was in WW2.

These myopic or self centered worldview had been proven to cause distruction in this world. Do you think Prophet David would have condorned it?

You need to come out of you shell and look at the issue from a different perspective,i.e. from the body of a belittled Palestinian and from the non-biased factual perspective.

It is incumbent upon any civilised society to protect and support those weak and helpless from bring harmed and taken advantaged of.

For the very reason that the sovereign and powerful goverment of Isreal have the same myopic view as the week Hamas org...PEACE will never come to Isreal.

Your GOVERNMENT must work with the UN (not US only who are similarly myopic and selfcentered thinking of thier interest only) to solve this problem.

The UN is the right platform to get HAMAS and the people of Palestinian to toe the line. The ball is in the more powerful Isreal goverment (and people) to initiate. This is if they are SINCERE in wanting peace and NOT TO TAKE CONTROL OF JERUSALAM and GAZA!!!

Open up your heart and mind and look at the situation OBJECTIVELY.

Can you do that?

I have been reading the post(s) here which i think have been written and have been posted by Mr Mahathir himself.I'm not a Malaysian,i am an Israeli.After reading this,i want to say some few words using simple English so that everyone can get ma point here,mr former president of Malaysia,Israel is our country we love it,we will do everything we can to protect it,whether the world like it or not,we will use force against anyone who will try to break open the blockade on Gaza.The next thing is that Israel is sovereign country,we have the right to protect ourself,just like Malaysia(ns)have that right to.I think Malaysians are interfering in issues that they don't know,we know you are Muslims,you take care of your brothers,but do not let religion wash away your mind,i am a jew,i have a feeling for the people Gaza,i wish they can live the same way we do in Haifa,i wish their children can attend skuls freely just like our children,and i wish all the best for them everyday,but one thing is,they are people out there who do not care about the People of Gaza,people like you mr Mahathir,leaders of Turkey,Iran and all those who have been repeatedly calling for the destruction of Israel.If you people want peace,stop spreading hatred and stop arming people like Hamas and Hezbollah to destroy the beautiful and peaceful people of Israel.Tony Blair is not a liar,i think he is more smarter than some of the Muslim leaders who are promoting terrorism and want to destroy the world peace.Thats all from me.May god bless all beautiful and peaceful Muslims of this world.Long live ISAREL, LONG LIVE AIPAC.KING DAVID IS WITH US

Ada satu ---- di Malaysia, tidak perlu sebut di sini, bila ada mata perhati dan ada ruang, berfikir - siapa mereka dan kiblat mereka yang memang jelas. Mereka fikir hebat kerana kemampuan bertutur dalam loghatul Ingelisia. Entah, yang saya nampak , mereka ini dibayangi. Malah, saya rasa, sejak berzaman lamanya ---- ini sentiasa mendambarkan pengiktirafan dari omputih. Syok sendiri.

Jangan ketuk ular.

Tentang Malaysian Achievers ini, harap-harap halatuju Malaysia kita tidak dipengaruhi oleh orang-orang seperti ala-ala "Malaysian achievers" ini. Nanti,entah apa lah yang akan termampu oleh orang biasa-biasa macam saya agaknya, Diorang nak jual dan tunjuk kredibiliti dengan senarai kontek yang antaranya termasuk bekas PM omputih itu. Orang biasa-biasa macam saya bukan sasaran jualan. Yang di inginkan hanyalah sekiranya diberi 'briefing' tentang apa yang bekas PM omputih itu kata, saya perlu teruja, kemudian menyokong dan akhirnya untuk kelancaran, saya perlu mengiakn sahaja. Teringat saya pasal si c..labbi, [lupa, tapi nama cam gitu gitu lah] yang muncul ketika negara asal nya itu berada di ambang kehancuran. Negara itu kini sudahpun hancur! Batang hidung manusia itu pun dah tidak kelihatan. Bila negara tunggang terbalik, saya hendak berkemas untuk balik ke negara mana ya? Hutan pun dah 'occupied'. Hendak terbang pokok buat penempatan baru nanti bukan saja kena sergah pencinta alam dan penduduk asli tapi pendatang haram juga. Nak duduk kat mana,huh? Saya mungkin tergelincir, yang nyata, saya resah dan kluatir dengan orang-orang yang ala-ala Malaysian achievers, si c..labbi ini dan mungkin ada lain lain lagi. Lain kali, saya akan pastikan saya keluar mengundi untuk memilih.

Hey gunse007. I really believe that Dr. Mahathir bin Mohammad is very nice and he is very cool. Both George W. Bush and Tony Blair should be put on trial and charged with mass murder. What do you mean Muslims should stop attacking Kafirs and Jews. The Jewish State of Israel is a rascist and Terrorist state full of lunatics. It is said so by Norman Finklestein as well as by several academians. If you really don't like Muslims how come you as stupid white-skinned American Redneck really write an oppinion here. By the way the Jewish state is not "peacefull" or "humane". It is bad. Thank you Dr. Mahathir for exposing this stupid rasicst fascist state and its evil NAZI-like leaders such as Benjamin Netanyahu and the evil Avigdor Lieberman. I hope that both Bush and Blair are put on trial and sentenced to life in prison.

why are we criticising how isreal handles its border security where approximately 3000 people has died in detention in Malaysian since 1990. where malaysia has been criticised by human right groups for detention without trial, ill-treatment of illegal immigrants, freedom of expression, police abuse and intervention of justice.

Lets deal with our internal problems first okay. we are malaysia, no one cares about our opinions because we are neither rich, powerful or "clean" as well. and if the political situation continues as it has been, malaysian will not be rich, powerful or clean in the near future.

I clearly agree with Liew comment.

It was sincere and constructive.

Bahasa Malaysia or Ibuda,cannot be place as an educational prospect

nor commercial prospect.Nevertheless bahasa malaysia needs to be recognise as Malaysia identity.

Malaysia perhaps more appropriate the malay can never progress

if refuse,disregards English as an educational and commercial prospects.

Architectural,medical,technology,economics,military and many more proven to be human development are learned from English of America or Western country.Yes early science,algebra,etc was discovered by muslims in early days,but was now advanced by westerners.

So don,t look back on history,we have to look forward now.

Restoring bahasa malaysia as educational language is absolute in now time. One can never progress.

1. Blair is a tool of Zionist-Israel.
2. He is paid darn well to do the job (being a tool and spokesman) and to strut around the globe as Israel's proxy.
3. The zionists do not need to apply for visa to "enter" any country. They pay others to do their job.
4. Blair is a puppet on a string.
5. And a few Malaysians even bothered to invite him over to our country? What a clown. OR.. was it all planned...?

Dear Tun Dr. Mahathir:

I guess I can never ever be surprised or shocked with the behavior of Tony Blair in support of the Zionist regime. He has proven himself many times over that he is nothing but a dog on the US leash. But what saddens me is the stupidity of some Malaysians that continue to give credit to a person who has directly murdered many innocent people including women and children. Some may continue to support him in their writings here, but no matter what the justification, Tony Blair is a murderer. The sooner these goon Malaysians who support him recognize this, the better it will be for all of us.

Ironically the Zionist bombed London and British/UN facilities, killing a senior UN representative to force the British hand on Palestine, this of course happened many many years ago. One of the Zionist bomber (Menachem Begin) later became a prime minister of Israel, his past was conveniently ignored and he was

accorded the status of a celebrity.

Seems the right to violence lies entirely with Israel, they are largely immune to International censure anyway, but their inhuman acts are condoned by both US and UK and lately Canada, all this takes an enormous toll of Palestinian lives, begging the question, is this self defense by Israel or are they slowly and gradually achieving ethnic cleansing and attempting to remove the pesky Palestine from occupied territories and for that matter from Israel itself.

But the weakness is in Muslims, their internal squabbling and lack of development and ignorance of scientific advancement coupled with dysfunctional Muslim States and societies allow others to abuse them

Tun,

What zainal comment on June 16, 2010 11:15 PM is a fact that BN is not a true Malay party and have no intention to help the Malays. They only use the name and symbol of malays and cheat every Malays and some UMNO members. Your intention for the malays supremacy look good on the outside and win you many years of power but the actual fact is that you are killing most of the malays by giving them false hope which UMNO have no intention to delivering. I pity those Malays brothers and sisters that have supported UMNO all those years and I think the era is ending soon as the saying "you can fool them once or twice but you cannot fool them forever" Every scheme that the UMNO lead Govt introduce to help the common malays turn out to be false and are scam to cheat the malays. I hope that the current PM can change the trend and without a solid plan to pull or put the majority of the population into a better position, Malaysia will never achieve develop nation status.

From my view it is best to improve or concentrate or commercialise or corporatize the agriculture sector which more kampong or outskirt malays (and most are located) can take part to improve their income (pak lah plan). The second best option is to improve the education system and "bite the bullet" or force English as the medium of communication to improve the malays for better employment worthiness. I understand that some of those intellectual who advocate BM as the medium of instruction in school or university are actually very affluence in English but they cannot understand that the commercial sector (especially MNC) requirement. They are more concern about the mother tongue which has not so much commercial value (no offence) this will make the malays less employment attractive. This subject should be the malays main concern to improve the malays economical status. Look at those urban Malays that are more concern about their children English capabilities they are now enjoying their status/income and high paying jobs. It is those suppress kampong malays which our Govt contain for their votes that are suffering. They the kampong malays are told to love their BM but the politician that told them that are sending their own children to international schools. This is to avoid competition for the elite. I genuinely hope that the malays realise that they been taken for a "ride" by their own people that need them to be poor so that they can control them. Tun, you are one of them, you educate your children in English but you stated the BM education in Malaysia and now we just a little better then Indonesia and Thailand. Don't stop this trend we soon will be like them.

Dear Beloved Tun,

I can safely say 110% that you are a much better speaker than Tony Blair the big liar. Your intelligence is also unmatched by anyone in Malaysia and the world. Those who give bad comments about you are just

envious and trying their best to discredit Malays. The chinese and indians are very much overrated. I have not yet seen any intelligent chinese or indian in my life. The Najib government is repeating the same mistakes as the idiotic AAB government. He should make 1Malaysia as making Malaysia excel instead of using it to try unite the various races. After more than 50 years of independence, unity should no longer be an issue. If 1Malaysia is to make the country No 1 or excel in everything the people do, unity will come naturally as everyone will competitive and will make them proud of the country.

Just look at the state of Britain which Tony BLIAR left it in! A failing economy and a failing system that has little success of being revived.

I personally think the Malaysian authorities should have arrested him for his war crimes against humanity and held him on trial in absence of the political will in the Hague and the ICC.

Sir

let me ask one question - when other vessels complied to being checked..why did one vessel choose to ignore and more importantly why did they chose to launch an attack using 'harmless' weapons as you seem to put it? Is it they want to instigate a reaction from the Israeli commandos which they can then exploit as brutality etc etc

Re. Tony Blair - he gives his opinion on how he sees Israel - that differs with yours. Does that make him a liar. Just like he gave his version of why they did a preemptive strike in Iraq. That was based on the Intel he had. Does that make him a liar?

You keep calling him a liar - again I dont see you file a case in the World court against all those people you call a Liar (Bush, Blair, Howard...) Why is that. Is it because it's easy to blog? Its easy to accuse...you feel you have done your job? No need to really prove your accusation is valid?

I guess you and Barry Wain are one and the same - both are authors and like to write...just one publishes a book about one liar, the other publishes a blog instead.

Personally sir, you should file a law suit against Barry for smearing your name, challenge Tun Abdullah to an open debate on why you are more progressive than he is, file a case against all the War crimes committed by the 3 "axis of evil" by Tun's Mahathirs view (Bush, Blair and Howard). Then a lot of us detractors might actually believe you are not only sincere but serious about all the allegations you have made that others are wrong and you are the only correct soul.

Lastly, I am sorry if you (or your blind supporters) think I am rude...I am not. I am a child telling his father he should do something about an injustice he claims, not just whinge about it.

Salam Tun dan dengan izin,

Old Fart

I'm afraid all that flatulence has gone to your head and clouded your judgment.

Tony Blair lied in order to help Bush launch his illegal invasion of Iraq. Tun isn't the only prominent politician to call him a liar. One of Blair's own ministers, Claire Short, also thinks he's a liar; as well as family members of British soldiers who died in Iraq and thousands of others.

This is what the Legal Adviser UK Foreign and Commonwealth Office, 2001 – 2006 had to say about the legality of the Iraq war: I considered that the use of force against Iraq in March 2003 was contrary to international law. In my opinion, that use of force had not been authorized by the Security Council, and had no other legal basis in international law.

The activists on the Mavi Marmara had no firearms, stun grenades or helicopters. All they had were wooden sticks and fire hoses. The so-called 'weapons' which were displayed by Israeli propaganda and which you apparently swallowed whole were kitchen knives from the ship's galleys, axes from the fire-control boxes, spanners from the engine room.

You said, If you think these are not weapons, you got to ask yourself, what about Paper cutters! That was all needed to bring down the Twin Towers.

You mean box cutters. There is only one report on the use of box cutters, the source of the report being George Bush's lawyer and that was on the plane that crashed into the Pentagon not the Twin Towers.

Mengikut Al Quran..

Tanah itu akan menjadi milik Bani Israel jika mereka "masuk melalui pintu gerbangnya".Tetapi mereka enggan.Ini jawapan yang di berikan kepada Nabi Musa a.s.

"Wahai Musa (a.s) kami tak mahu masuk ke negeri itu kerana ada penduduknya yang kuat di dalam.Pergilah engkau dengan Tuhan Engkau yang berperang.Kami duduk menunggu di sini sahaja."

Satu rumpun itu betul.Tapi inilah yang menjadi pertikaian Yahudi.

Mereka mendakwa Ibrahim itu Yahudi.Sedangkan seperti yang saudara amin tan sebutkan bahawa Nabi Ibrahim a.s seorang muslim.

Pokok pertikaian dan perselisihan ialah Bani Israel dan Yahudi

Tidak mahu mengaku kesamarataan dengan manusia bangsa lain.

Mereka menyangka mereka kaum dan bangsa yang terpilih. Dan sebagaimana yang di sebutkan di dalam Al Quran Surah An Najm

TIDAKLAH SANGKAAN SANGKAAN ITU AKAN MEMBAWA KEPADA KEBENARAN..

Terima kasih tuan.

Malaysia Govt are unable to stop Blair or the organiser for having a legal oraganise party in Malayisa itself. Wow ! what a disgrace. It reflects Malaysia inability to uphold its stands and honor. Itu buah potong kasi anjing makan sudah. Malaysia is against Invasion of Iraq. Consenting Blair to have a party here indicates weakness of their stands. I don,t know if Blair were to sent forces here, gulung tikar agaknya Kerajaan Malaysia. Cakap champion tapi sayang tak dapat masuk final.

You call him disgraced. Can you recite all the names that would apply to you?

Even while you were PM you were given the honorific "Recalcitrant"!

Others given by locals themselves: The 10% PM! Corrupt! And so many others.

Little advise from me. People living in glass houses should not be throwing stones!!

Anyway, you think the Turkish on board the Mar Mirama were all humanitarian. I don't think so. There were about 20 on board who were armed with all kinds of weapons. Knives, bats, sticks poles, chains, catapults etc. If you think these are not weapons, you got to ask yourself, what about Paper cutters! That was all needed to bring down the Twin Towers. Maybe you choose not to see what might contradict the version you' are pontificating. But fact is the people on board the ship attacked!! What did you do to many of the boat people who were attempting to land on pour shores in the 1980s?

Salam bahagia Tun,
Semoga sihat wal'afiat.

WHY TONY BLAIR AND THE AMERICAN PEOPLE VERY LOVE AND ALWAYS SUPPORT THE JEWS. ?.

The answer is too easy, British and United States are allies into Israel. Therefore no wonder that Tony Blair ; in any permanent partial support to the Jews.

Saya juga seperti AMIN TAN, bukan niat nak menyokong Yahudi; Cuma bagi pandangan saksama untuk renungan kita semua(mulsims).*

WE HAVE TO LOOK BACK ON THE HISTORY OF WHY THE WHITE MAN IS VERY STRONG SUPPORT OF THE JEWS, BECAUSE THEY ARE GRATEFUL FOR THE MANY CONTRIBUTIONS OF THE JEWS IN VARIOUS FIELDS.

Antaranya; sumbangan dalam bidang ilmu seperti Ahli Sains, Pakar Ketenteraan, Pakar Ekonomi/kewangan(sprt. George Soros), Ahli Perniagaan yang kaya-raya dan Pakar Astronomi yang banyak memberikan sumbangan kepada kemajuan Barat.

Dalam bidang sains contohnya; Albert Einstein(ahli fizik), Robert Oppenheimer(pencipta bom atom) dan ramai lagi yang memberi sumbangan kepada kemajuan teknologi dan kekuatan ekonomi Amerika.

During the second World War the Jews helped the British and Americans in the forefront of the effort to defeat the team of Germany in Europe and Japan in the Pacific.

Many Veteran during the Second World War story is told again in the History Channel is made up of Jews who worked at the forefront of American troops and the British. Thus the White Man are probably grateful to this nation.

***Antaranya ialah orang seperti Jack Werner; berbangsa Yahudi Austria adalah golongan hartawan yang lari ke Amerika dari kekejaman Hitler. Jack Werner adalah VETERAN PERANG Pasifik bersama tentera Amerika bersabong nyawa mengalah Jepun yang bertahan kuat di kepulauan Pasifik(google search – Jack Werner).

*** My father is a former British Army in Singapore; been told that many of the Jews (apart from the Gurkhas, and Punjab) served with British troops based in Singapore at that time.

Unlike the Muslim + the Muslim in Palestinians do not provide any contribution to the development of Europe and America.(especially for the development of Islamic world and mankind).

Seorang lagi Saintist Fizik; J. Robert Oppenheimer yang juga berketurunan Yahudi adalah PENCIPTA BOM ATOM yang digugurkan keatas Hiroshima dan Nagasaki dalam perang dunia ke 2 yang memberikan kemenangan kepada pihak Berikat.

Kerana bom itu; Jepun akhirnya terpaksa menyerah kalah(google search - J. Robert Oppenheimer).

So it is no wonder why is it that the British (like Tony Blair) and the American people until now; help of Israel seized from the Palestinians (such as courtesy and service) to remember all those who serve on the Mat Saleh in the past.

Lagi pun mengikut sejarahnya; tanah Palestin itu adalah tanah orang Yahudi juga asalnya, iaitu semasa zaman para nabi-nabi dahulu. Orang Islam Palestin dan orang Yahudi Palestin sebenarnya adalah satu rumpun. Cuma agama saja yang membezakan mereka setelah kedatangan Islam. Skian;Tq Tun.

Dear Tun Dr M,

I do understand and agree with you that Tony Blair was almost the worst PM of Britain after the WW1. He bluffed to his countrymen and abetted with George Bush in 'punishing' the Iraqis and Afgans for 'promoting' terrorism and Iraq was believed to have 'amassed' nuclear weapon.

In short, Bush was the tyrant and the perpetrator behind those attacks. Where else Blair was just a puppet to Bush's ill intentions (a feeling fed to him by his Papa Bush).

It is my (and also the world's) conclusion that the real culprit is George Bush. However, your blogs have been frequently attacking Tony Blair to the maximum. There is hardly, any criticism or reference to George Bush and his misdeeds to those Islamic countries.

In fact, George Bush should be brought to the World Court and punished to ensure no other world leader will act in the manner Bush did in the future.

Dear Tun,

The Malaysian achievers literally dah kena "main bontot" dengan Tony Blair for parting away RM1 million just to attend a forum on how to lie people. How naive and gullible the Malaysian achievers are! To these achievers they feel very proud for being able to attend the so-called exclusive talk by a war criminal. They never realise that by attending the forum they are the elite few who are really "dah bodoh stupid".

Tony Blair and Barry Wain are the same breed of people. They are gay !!!
By Asvocalasyou Author Profile Page on June 16, 2010 11:44 PM

Tun,

- 1) Barry Wain attacked you and in turn you attacked Tony Blair-What goes round, comes round.
- 2) You never lie to the people of this country, for good or bad reasons?
- 3) Look at the state of our economy now. It would be like Greece if the current rot is not stopped or reduced. But Awang says otherwise. The EPU came out supported Idris. So who is making a lie to us?
- 4) Someone invited me to a church to hear this murderer converted to a Christian and he said everything stated in the Bible is holy and then he asked the audience two simple questions: 1) Do you lie?; and 2) Do you steal? He asked those, including me, to raise our hand if the answer "No, I do not" but hardly there is one who can answer that!
- 5) You are biased now and so does everyone and also depending on where you stand.

6) Frankly, we have many problems of our own - a long list which I think you also have read them in the media, all created while the BN is in power, to be bothered by what are happenings in that region that you should direct your resources to assist our PM to overcome or reduce them.

7) Like you said before 60 years (the conflict) has gone past and it will continue in another 60 years in which you may not see the light, if any, at the end of the tunnel.

8) That region is in confrontational mode and anyone who is in that mode is not rationale and reasonable.

9) No need to go far, just cite example at our own doorstep, if two political parties were to march towards each other without the presence of a neutral peacekeeping force standing in the middle, what will happen (as it had happened before)?

10) TB, I am opined to say whatever decisions he had made while in office have not affected the vast majority of us here greatly or to an extent that our livelihoods have also been affected but may have affected or agitated a few egos. So leave the retiree alone to make a few bucks to buy his bread at the LOFTY Bakery.

I believe there's so much more money on the other side. That's why Blair will be doing road shows to convince these richer side why Israel has the right to defend itself..poor Israel..damn the MV Marmara and unarmed volunteers for threatening poor Israel!

I'm very sad with what has happened to humanitarian flotilla to Gaza. Tony B - what can I say,,,,obviously he and G.W. Bush are the most dangerous terrorist in the world during they were in power.

In the name to defend own country, do any country in this world is justified to kill others in the international water especially to the humanitarian mission????

In order to counter terrorist activities and threats, they, the super power nations especially USA and Britain including Israel will not hesitate to "warring" other nations. And if the other nations do the same thing, what will happen to this world???

Next time, I suggest that if any leaders of nations have conflicts, they should established a "boxing ring" so they themselves can "sparring" without involving innocent people.

To Tun, why don't you also help those poor Malaysian. I don't say it a humanitarian mission but you help these poor Malaysian to get help. What you have plan for Gaza flotilla will surely working if you also do the same thing to help the poor in Malaysia.

You can really be sarcastic or cynical when you wanted to, Tun. But the Achievers certainly reflect that deification of the West has not entirely disappeared from our midst though we've been independent for more than half a century.

Western scholars and ex-statesmen or political leaders are still venerated in spite of the skeletons hidden in their closet. One probable reason is that few of our own leaders or ex-leaders can be considered to have risen to the the level of an international speaker. Unlike yourself many can only grace an international podium while in office. After that no one wants to listen to them.

The question is why. Why do we fail to produce international speakers like the Indians, the Philipinos and even the Thais? One reason could be that few of our politicians are scholars with a wide breadth of knowledge. Even listening to some speaking in Parliament make us feel letdown. The standard of English used leaves much to be desired, not in terms of pronunciation and articulation but in terms of vocabulary and conceptualization. I feel that even some of the Bahasa used is substandard, some sounding like a schoolboy reading in class. Sorry to say this but we have to say it out because sarcasm and cynicism don't seem to have any effect sometimes.

Maybe our Parliamentarians should also attend some advanced English and Bahasa classes.

Who dares to say he has not....or had not lied before?

Everybody lies and lied in one way or another. It is whether the lie was done now or in the past. Do not let the kettle calling the pot black or vice-versa.

Telling lies is typical of humans, the religious books already had spelt out clearly in ancient times it happened. What is so alarming about it today that we have to say, point out and indiscriminately zero down to this person or that person had lied.

Even in the current government, people do not seem to learn from the mistakes of the past in Malaysia, yet we engage our enemies to advise us. If our enemies advise with malicious intent, it is also deemed as lies and if we swallow bait, hook & line...then we are also telling lies for we abetted..... just because we resort to our enemies to lie-advise us.

Who doesn't lie then? Who? Who? WHO?.....Who else don't? Only God doesn't lah...stupid!!!!

By Abang AdikAuthor Profile Page on June 16, 2010 6:35 PM

Salam Tun,

I read with much surprise and disgust some of the comments posted here.

But I guess that's what freedom of speech is all about.

Allow me to remind friends out there about the international law, particularly on controlling a ship in international waters by force a.k.a HIJACKING.

Article 3 of the Rome Convention for the Suppression of Unlawful Acts against the Safety of Maritime Navigation of 1988 states that it is an international crime for any person to seize or exercise control over a ship by force, and also a crime to injure or kill any person in the process.

So the act by the Israeli Defence Forces in controlling the aid ships like Mavi Marmara by force is in a nutshell committing the act of hijacking a ship. An act that is no different from what the Somali pirates are doing or the Lanuns in selat melaka.

Actually the IDF's action is worse.

So the counter argument of the Israeli of self defence does not apply.

Self defence is a defence only available to the victim on the boat not the aggressor who attacked with their war machines.. unless of course one is arguing that sailing in international waters is an unlawful act.

4. The achievers in Malaysia must have learnt a lot about how to achieve by lying and by killing innocent people. The one million Ringgit (200,00 Pound) they paid him is well spent.

AND THEY MUST BE PROUD ACHIEVERS TO 'CONTRIBUTE' THE RINGGIT TO THE LIVES OF THE MILLION IRAQIS MAIMED AND KILLED...AND WHAT BETTER WAY TO RECOGNIZE THE B..LIAR THAT SENT THOUSANDS OF BRITISH MERCENARIES TO SLAUGHTER THE MILLION INNOCENT IRAQIS.

Dear tun,
My two cent worth;

...

4. Back to Tony Blaire, I also paid for to listen to his (and other quality) speakers... I would say again it was worth it...

AND WE WOULD SAY..POOR HATI.MALAYSIA WHO PAID TO LISTEN TO A SON OF CAPITAL B...LIAR!

YOUR HONOURED SPEAKER IS ONLY DEEMED FIT OF A'TEROMPAH' AND ROTTEN EGGS .

AND K.A.M.I (KITA ANAK MALAYSIA INSAF) BEG THE ALMIGHTY ALLAH SWT HIS MERCY ON THE SOULS OF THE IRAQIS AND PALESTINIANS..

ALFATIHAH, AMIN.

Ps. Coincidentally, we picked no. 4 from both Tun's article and hati.malaysia comments. In Mandarin, it means 'Sie', in Bahasa 'Mati' and DEATH in English..and we say "Death to Blair the Liar!

Salam Sejahtera Tun dan Keluarga.

Hairan Lah Tun mengapa benarkan blair pengkianat pijak kaki nya di bumi Malaysia

Kalau lah Tun masih memimpin sebelah kaki blair the liar pun tak dapat pijak di bumi Malaysia.Apa boleh buat kerajaan sekarang begini rupa.Saya sangat merasakan kali ini UMNO akan jatuh apabila pilihan raya nanti.Lihat sahaja bagaimana Tun mempertahankan Tanah KTM di Singapura.Tapi dengan senang sahaja DS Najib melepaskan nya.

Tengok sahaja israel zionis jahannam apa dia lakukan.Cuma kita orang Melayu ni ambil perkara perkara begini sambil lewa.

Tengok sahaja negara Cina yang sanggup berperang untuk mengambil balik Taiwan.

Apa agaknya salah orang Melayu ni Tun,Mereka suka di tindas.Agak nya seronok di tindas.Tun we miss your Midas touch.

Tun bantu lah kami.Jasa Mu tetap di kenang.

Semoga Allah melindungi Mu sentiasa.Amiin

Tun,

They are the dumbest people in the world to pay a bastard the 1Mil better to give to charity.

Yang Mulia Tun,

1-Recently, in one of the Sudut Pandang programme in ASTRO Awani, they were discussing about the appropriate person or party to mediate between Israel and the Muslims. Previously, Turkey who had good relation with Israel, was the moderator between the two opposing groups. Now Turkey openly is not happy with Israel.

2-One of the participants in the tele-discussion, is a Malay professor from UKM. He beleive, since Blair is against waht Israel is doing to the floatilla, Blair is one of the appropriate person to be the mediator.

3-Coming back to the main point in the discussion, it looks like even University professors needs further teaching, in order to gain 'mental' acheivement.

Malaysians love the orang putih.That's the reason why they must have people like Tony Blair and Wain to lecture them.

Be sure that you are not deceiving yourself at any time about the actual conditions.

Dear Tun,

I didn't know terrorists are also included in humanitarian missions.

I also did not know Erdogan was breeding terrorists in his own backyard.

I think the Israelis should have rolled out the red carpet for them.

Dear tun,

My two cent worth;

1. Israel already said there is sea blockage and no ship will be allowed, until the dispute in Gaza and with Hamas is resolved. Mavi Marmara just ignored and challenge Israel forces, if you were Israel PM you also will instruct to attack. The Israel force used this to eliminate some of their long standing enemy.

2. Today Mavi Maramara will bring humanitarian aids... Tomorrow Hamas will bring in missile to attack Israel, for which Israel will send missile back to Gaza and close boarders... The people of Gaza will surfer again.

3. I remember reading Readers Digest (issue 2009), that one Gaza mother took her 8-years old girl to Tel-Avie for FREE open heart surgery, because her automotive-electrician husband could not afford one in Gaza. From this article what I note is that the actual situation is Gaza is not what been projected by our main-stream media. Yes there is suffering and help is needed, but not as bad as other countries.

4. Back to Tony Blaire, I also paid for to listen to his (and other quality) speakers... I would say again it was worth it. Yes, In your view my dear TUN, he is a lied ... but our BN/Umno government also liar in that respect... yes, BN/Umno did not kill or sent army to other states.. they lied about spending... they told Istana Negara will cost Rm400million now it cost Rm650million, total cost now become Rm811 million not including furnishing. This does not include the lie on the Bakun costing and other project. Even the PKFZ is another lie and the stadium collapsed case, the main contractor is still give project and so another lie.

5. We have Tony in UK and Pak Lah who lie about Block M and N, and made Malaysia lost billions. So, politician=lie no big deal. I listen to you every time you give speech.. You also have lie to us in the pass.

5. The whole world knows you hate Tony and I respect that you and your die-hard follower have the right to hate or approve anyone deem to fit your standard.

6. Again it's always rewarding to read your blog. Wish you good health.

Dear Tun,

Indeed rm 1 million is well spent, to stretch the sarcasm. Surely the organizer and the participants can learn how to lie and manipulate from a proven liar like Tony Blair. He had the dossiers on WMD, mind you. With that the war is continued until now in Afganistan. They paid rm 1 million to hear from a master magician and world class liar. People like to see Clint Eastwood/Lee Van Clif shooting from the hip, so to speak.

Salam Tun. Just one comment. We should ask the "Malaysian achievers" to share with us that valuable knowledge learnt from second world devil- Tony Blair The Murderer.
By azrolazizAuthor Profile Page on June 16, 2010 10:51 AM

Salam Tun,
As u shud know, those disgraced politician like Blair is a really convincing liar like that Senator John Edwards who lied to the American people of his affair. His comment just to 'win' the heart of those Jews whom his country last time have expelled to the sea and founded the Israeli land. and those Malaysian Achievers who chanting his name as a great leader...shame on u!

Why Hitler Did What He Did ?

By TAuthor Profile Page on June 16, 2010 10:04 AM

A "disgraced" ex-Prime Minister was paid RM1 million by high achievers. Obviously, these businessmen are no fools and would not part with their hard-earned money for a "disgraced" ex-Prime Minister.

On the other hand, we have a disgraceful ex-Prime Minister who had to pay millions of US\$ just for photo-shoots. And that too, when he was actually in office and should have command more respect.

What an irony.
