

ADVICE UNSOLICITED

Chedet.co.cc

September 15, 2011

By Dr. Mahathir Mohamad

1. An online news portal recently reported the Mufti of Perak, Tan Sri Harussani Zakaria, said in a forum that he advised me not to take action against Anwar Ibrahim because I had no witness and I might lose the case.
2. I am sorry but I cannot recall him giving me such advise, not personally or even in public occasions when I met him.
3. I had been convinced by witnesses, but, if by witness the good Mufti meant four sinless people actually seeing the deed, as required in Shariah court, I admit I did not have.
4. The court case was initiated by the officers responsible, not by me. But supposing no court action was taken, how do I explain why Anwar had to be sacked because he was unsuitable to succeed me as Prime Minister?
5. If I drop him, and I had no choice but to drop him because of his immorality, how do I explain to people? The accusation against me would be that it was political.
6. If I said that he was immoral and therefore I had to drop him, people would want to know about the case. Anwar would certainly sue me if I said that he committed sodomy. He would hold rallies all over the country to claim that it was all a conspiracy, a plot to stop him from becoming Prime Minister. Even when the court decided that he was guilty he was still able to convince people that it was all a conspiracy.
7. Even if the Mufti did advise me, and I deny that he did, I would not be

able to take that kind of advice. I would be covering up. Let the court decide. Even the special hearing for his appeal after he was found guilty by the courts concluded that he did indulge in sodomy, but not on the day and date alleged by the prosecution.

8. The third judge in that hearing validated the findings of the three courts which heard his case.

9. The learned Mufti may be prepared to accept an immoral person to become the Prime Minister of Malaysia. I am sorry but I hold my responsibility as an amanah, a trust, and I never can be prepared to accept an immoral Prime Minister.

10. I would have ignored the claim by the Mufti that he advised me. But the report is in in the online news portal and that has political implications unfavourable towards me.

Tun,

Tak boleh pakai la mufti perak ni nye akal. Ni la antara sebab sebab saya tak mahu PR memerintah. First, pandai membelit dengan fakta yang kurang logik dan tak masuk akal. 2nd, suka jadi balaci kaum Tiong Hua yang rasis.

Mana boleh nak kena ada 4 saksi terpacak melihat kesalahan pada zaman sekarang untuk menuduh seseorang melakukan kesalahan. Pada saya, zaman Nabi pun, rules tak macam mufti (censored) ni bagi la. Bagi saya maksud 4 saksi menurut Nabi adalah melalui kajian menyeluruh, dan sekiranya orang yg membuat kajian tersebut bersetuju atau tidak, beliau la dikira saksi kepada kesalahan yang dilakukan oleh seseorang manusia.

Ni dok buat gila kena ada 4 saksi terpacak tgk kesalahan baru dikira salah. Perogol mana nak rogol wanita minta 4 orang tolong lihat kesalahan dia. Tak logik. Adus, tolongla tolak habis habis kejahilan org org kanan PR nie, termasuk manusia yg cetek akal seperti mufti nie.

Salam Tun,

Mungkin Tun boleh tanya mufti tu balik bila dia advise Tun? kalau dia pun tak ingat, biar ajelah Tun..

Semua orang mahu PM yang bermoral..daripada dia tu kecil sampai lah dia nak jadi PM..

Tapi, masih ada kah insan berkualiti sebegitu sekarang?

Dalam dunia demokrasi ni, as long as majority votes, he/she will become PM, kan? Moral ke tak bermoral, belakang kira..

SALAM KASIH DAN SAYANG

AYAHANDA RAKYAT TUN

Izinkan,

Kenapa lah Ayahanda Tun siarkan diChedet.cc ni 'Pembohongan' oleh lalok lerSeptember 23, 2011 at 4:33 pm?

Orang yang dikatakan Mahakaya tidak perlu ada Weblog untuk disiarkan komen2 yang tidak berasaskan bukti kukuh.. kalau begitu kami pun nak juga merapu pula!

Sdr. lalok ler,

Sebenarnya, Tun ada 5 ladang kuda untuk anak2 nya... satu untuk Marina, satu untk Mirzan, satu untuk Mohzani dan satu untuk Mukriz.. satu lagi untuk siapa ya?

Oh ya, untuk anakanda rakyat seperti saudara yang 'KU' (walaupun sihat tubuh badan) yang tidak mampu mencari rezki dinegara yang telah memberi ruang dan peluang SEPENUH nya bagi rakyatnya yang gigih dan rajin mencari kekayaan dan kebahagiaan hidup.... hinggakan berjuta2 rakyat asing datang secara halal dan haram kenegara tercinta ini... marapu kami sekadar ini saja..

Perlukah kami menyebut WAWASAN Pembangunan siapa kah itu hingga dijadikan contoh oleh negara2 membangun dan negara ketiga ?

Insan itu..antara permohonan nya selepas solat adalah bagaimana nak memajukan negara nya dan bagaimana hendak mengubah sikap anakanda

rakyatnya...supaya anakanda rakyatnya dapat hidup senang, aman dan sejahtera (22 tahun pentadbiran nya cukup bukti2nya)

Kalu nak cerita perit, pedih dan rintihan nya mengejar impian nya mungkin tak cukup ruang disini (rajin kalu, rujuklah 'posting' Samuraimelayu' sejak tahun 2008 'mengiringi' Shogun nya)...

Mungkin puisi kami dibawah ini dapat menggambarkan perjuangan Ayahanda Tun Dr. Mahathir Mohamad yang 'dibantu' dari belakang oleh Bonda Tun Dr. Siti Hasmah dapat menyedari dan mengisafi orang seperti anda, jika betul2 anda bergelar Melayu!

Salam Tun.

The last comment that I posted was mistakenly introduced to a different entry, and should rightfully be in this particular entry. I'll just copy and paste as below:

....[[[I'm not giving any comments here but suffice to say that your entry certainly did help to expose the specially classified group of morons called the `katak bawah tempurung` to indirectly identify themselves!

Led by that `Ernest` (a typical hypocrite that usually accuse others as being one, and even chose a namesake that contradicted his corrupted mind!) who are telling/asking others from within his tempurung "Don't you see the light of day?" A perfect question from the katak!

It used to be mostly the Malays that comprise of Anwar's "he can fool them all of the time" supporters, but now the scenario has changed; while the Malays are deserting that maniac Anwar (with good reasons) like being chased by hungry lions, this Ernest and some other newly established/self-proclaimed non-Malay `toads under the coconut shell` are proud to tell the world "go see the light of day" and "Anwar please fool us to eternity".

How things changed! What a moron. Must be Syed Alwi's favourite disciple!!

Maybe Ernest will wait to the day when he catches that maniac bedding his wife or his love ones, or when Lizzie Wong come knocking on his door looking for fun, or when Mat Sabu having lurid phone calls with his wife, only then he realises that he's a katak moron!

Come on Ernest, get out from the tempurung! See for yourself how Guan Eng disqualified all bidders except his chosen one, learn how Ean Yong handpicked Chinese only with no competitors and gave out greatly bloated contract sums, and so and so and so....., a never ending list! Don't be bias like that jolly 'the baby' preacher.

Show/proof to us all that you deserve to have the namesake 'ernest'!!]]]]

p.s.

A few days ago this Anwar maniac held a gathering at an open stadium in Penang and less than a thousand attended, inclusive of the PAS & PKR diehard supporters and sympathisers. Unfortunately, immediately after the opening, Guan Eng decided to pay a visit to his godfathers from PAP in Singapura and other DAP stalwarts decided to stay away!!!

The next day N.Ajis (tok guru(?) Nik Aziz) terus mengamuk; "kita laksanakan hudud, DAP boleh blah, bye bye".

Maybe the above should help to expedite 'Ernest' and others alike to get out from under the tempurung!!

Deat Tun,

No one is saying that you did the wrong thing. Rather you made a brave decision to expose Anwar for the greater good of the country because leadership is a huge responsibility.

You say:

>> but, if by witness the good Mufti meant four sinless people actually seeing the deed, as required in Shariah court, I admit I did not have <<

May I humbly request that you stop making such innuendos when it comes to Islam. As you may apparently know, the Shari'ah does not require "sinless" witnesses, rather those whose general character is known to be

trustworthy.

Zaki.

MAHATHIR YANG KAYA RAYA

Satu kelebihan pemimpin-pemimpin Malaysia, khususnya Mahathir dan Daim, ialah kelicikan mereka dalam menyembunyikan kekayaan mereka.

Barangkali inilah sebabnya Mahathir masih bertahan sehingga 2003.

Sedangkan Suharto telah pun jatuh.

Bagi mereka yang hampir dengan Mahathir dan keluarganya, mereka tidak dapat lari daripada merasa kagum atau hairan dengan kekayaan Mahathir.

Bagi mereka yang tidak peka dengan penyelewengan Mahathir mereka akan rasa kagum dengan kekayaannya.

Tetapi mereka yang peka dengan keadaan sebenar akan tentu hairan bagaimana dia boleh menjadi begitu kaya.

Di antara harta milik Mahathir ialah rumah-rumah mewah yang terdapat di berbagai tempat.

Sebagai contoh, sesiapa yang berada di tol plaza Sungai Besi dapat melihat sebuah banglo besar yang terletak di atas banjaran bukit di The Mines.

Ini adalah satu dari rumahnya.

Dia juga memiliki sebuah rumah di Subang yang dibina oleh Rin Kei Meng.

Selain ini, terdapat juga sebuah lagi rumahnya di Langkawi yang dibina oleh Ting Phek Khing, sebuah lagi di Country Heights (kini diduduki Mirzan) dan yang terbaru ialah di Bukit Tinggi, Pahang.

Rumah di Bukit Tinggi ini dibangunkan oleh Vincent Tan dengan harga RM21 juta.

Selain itu, Mahathir juga memiliki rumah-rumah lain di luar negara.

Ini termasuklah sebuah mahligai di London yang dibeli menggunakan nama Daim, sebuah di Vancouver yang dibeli menggunakan nama Mirzan, sebuah lagi di Florida di atas namanya sendiri.

Mahathir juga memiliki sebuah ladang kuda (ranch) di Argentina.

Satu peristiwa yang mendedahkan kekayaan Mahathir ialah apabila Datuk Seri Anwar Ibrahim mengetahui mengenai tindakan Daim memindahkan RM1 bilion ke akaun di sebuah bank Switzerland sebelum Malaysia mengenakan kawalan ke atas ringgit.

Anwar telah melaporkan mengenai hal ini kepada Mahathir.

Tetapi Mahathir hanya mendiamkan hal ini.

Hanya selepas itu baru Anwar ketahui bahawa rupanya akaun itu adalah akaun bersama Mahathir dan Daim.

Patutlah Mahathir dan Daim mahadiam mengenai pemindahan wang ini.

Persoalan yang rakyat berhak ketahui ialah dari manakah Mahathir memperolehi kekayaan yang sebegini banyak?

Gajinya sebagai Perdana Menteri tidak sampai RM30,000 sebulan.

Sekiranya dia tidak membelanjakan sesen dari wang ini dia akan mengumpul RM360,000 setahun.

Dalam masa sepuluh tahun ini menjadi RM3.6 juta.

Ini bererti dalam 17 tahun dia menjadi Perdana Menteri gaji terkumpulnya tidak akan melebihi RM6.12 juta.

Ini bererti kalau diharapkan pada gajinya sahaja, Mahathir tidak mampu membayar kos pembinaan rumahnya di Bukit Tinggi.

Apatah lagi untuk membeli rumah-rumah lain, termasuk di London, Florida, Vancouver dan Argentina.

Dari manakah datangnya wang yang sebegini banyak?

Di sinilah kita dapat melihat kelicikannya.

Dia menggunakan berbagai proksi untuk memegang kekayaannya.

Di antara proksinya yang paling penting ialah anak-anaknya dan Daim Zainuddin.

Syed Mokhtar Al Bukhary

Daim pula akan menggunakan proksi untuk memegang kepentingannya.

Amalan Daim ialah tidak memegang lebih dari 10% saham mana-mana syarikat di atas namanya sendiri.

Sebahagian besar kekayaannya dan Mahathir dipegang oleh proksi seperti Halim Saad, Allahyarham Tan Sri Yahya Ahmad, Kadir Jasin, Ting Phek Khing, Eric Chia, Vincent Tan, anak-anak Taib Mahmud dan lain-lain lagi.

Dengan ini mereka memastikan kekayaan sebenar mereka tersembunyi dari pengetahuan rakyat.

Patutkah seorang Perdana Menteri yang mempunyai kemewahan sebegini banyak meminta rakyat berkorban?

Dan kita juga ingin tahu berkorban untuk apa?

Berkorban supaya wang Petronas dapat digunakan untuk menyelamatkan syarikat anaknya Mizan?

Berkorban supaya tol dapat dinaikkan untuk menyelamatkan syarikat milik UMNO, Renong?

Berkorban supaya sebanyak RM776 juta wang rakyat di Khazanah Holding dapat digunakan untuk membantu Rashid Hussain dan RHB Bank?

Berkorban supaya Mahathir dapat membina mahligai bernilai RM200 juta di Putrajaya dan membeli jet Global Express juga dengan harga RM200 juta.

Sekiranya kita mendapatkan kembali semua wang Mahathir dan Daim di bank Switzerland dan menggunakannya untuk membiayai pembinaan lebuh raya mungkin rakyat tidak perlu membayar lagi tol untuk selama-lamanya.

Sekiranya kerajaan tidak membina mahligai Mahathir di Putrajaya

wang RM200 juta itu mencukupi untuk memberi pendidikan percuma selama setahun untuk semua pelajar di sebuah universiti tempatan seperti Universiti Malaya.

Wang sejumlah itu juga boleh membina 8,000 buah rumah kos rendah untuk rakyat miskin.

Bayangkanlah berapa banyak sekolah, komputer dan subsidi untuk petani yang boleh diberikan dengan wang yang dibelanjakan untuk menyelamatkan Mirzan dan RHB?

Kenapakah anak-anak Mahathir yang telah pun kaya perlu dibantu lagi.

Mirzan memiliki saham bernilai RM726.5 juta di sebelas syarikat yang disenaraikan di KLSE.

Mokhzani pula memiliki saham bernilai RM624 juta.

Sebaliknya, nasib penanam padi tidak terbelah.

Harga barangan semakin naik.

Daim Zainuddin dikatakan "Menteri Kewangan"

tidak rasmi Mahathir

Pengangguran semakin meningkat.

Dan kita semua disuruh terus berkorban.

Apakah pula pengorbanan Mahathir dan Daim serta suku-sakat dan kroni mereka?

Apakah terlalu besar pengorbanan sekiranya kekayaan Mirzan, Mokhzani, Daim, Rashid Husein dan lain-lain kroni Mahathir yang beratus juta ringgit itu berkurangan menjadi beberapa puluh juta ringgit?

Sekiranya keadaan ini berterusan, kita akan menjadi rakyat miskin dalam negara yang kaya.

Petani kita tidak akan mampu menyuapkan makanan kepada keluarga mereka.

Siswa-siswi tidak dapat belajar dengan sempurna kerana kelengkapan yang serba kurang di universiti-universiti.

Graduan kita tidak mendapat pekerjaan kerana hanya segelintir syarikat yang mendapat manfaat dari program pemulihan ekonomi.

Para eksekutif kita pula akan menjadi pegawai yang memiliki nama jawatan yang besar tetapi tidak mampu membeli rumah untuk keluarga sendiri.

Dan kita disuruh berkorban dan terus berkorban pada ketika Mahathir dan Daim serta suku-sakat dan kroni mereka membongkah kekayaan negara untuk diri mereka.

Adakah rakyat harus mahadiah melihat golongan mahakaya ini terus mahamenindas kita?

Selamat sejahtera Tun, Saya ingin mendapatkan pandangan dan penjelasan Tun mengenai penglibatan Tan Sri Zarinah dan suaminya, Dato Azizan dalam pembelian saham E & O oleh Sime Darby. Tidakkah ini merupakan CBT oleh kedua2 mereka kerana mereka adalah pengarah Sime Darby dan Zarinah pula berpengaruh untuk membeli saham E & O pada harga yang dikata lebih mahal dari pasaran. Isu2 beginilah yang menjatuhkan kewibawaan kerajaan kerana tidak mempraktikkan ketelusan sepertimana yang di heboh2kan oleh kerajaan pemerintah dalam menangani rasuah. Kalau BN hendak mendapat undian majoriti rakyat, isu begini tidak seharusnya di biar begini sahaja tetapi tindakan tegas harus diambil memandangkan Sime Darby adalah syarikat milik kerajaan. Sekian Tun....

Assalam Tun

alhamdulillah dengan rahmatnya kita dapat berkomunikasi walaupun bukan cara berdepan. I'm always your fan when it comes to brilliant thoughts and actions. you have done many great things unthinkable by many. Allah has given you that ability. With all the great things, it comes also some discrepancies that one has to learn to accept. i've been reading your weblog almost on regular basis to see what new thinking that you want readers to know. e.g. though i'm not at all a financial person but i learned a lot of financial matters indirectly from your writing and actions. currently i am reading a book "Notes to the prime minister". All of your discrepancies in my mind is nothing compared to your real contributions except one, the DSAI issue. it is truly a blessing in disguise. what you have done economically was unparalleled to others. however one of the real tests (ujian Allah) is the DSAI issue. if you heed an advice from a plain man like me, far from being a mufti, i have this to say. "there is no other laws supreme to the laws designed by Allah. the 4 saksi requirement for instance truly shows the Al Mighty Allah's protection of individual rights and dignity. this is purely a deterrent measure not at all meant to punish human being except those crossing that line". if this fact is observed by muslim MANY PEOPLE would escape and maintain their dignities with the grace of Allah that to HIM we can repent. FROM ALLAH WE CAME & TO HIM WE SHALL RETURN"

Dearest Tun

1-God have promised he will open up people to his religion (S An Nasr)in crowds but if we do not do anything at all this promise will remain

just an offer. When the offer was taken up and the sciences worked up correctly in the Arab Peninsula in the 7th AD and Straits of Malacca in the 14th AD God delivered the promise. Tun if we can work out the right things again Tun it would happen again this 21st C.

2- While the Christians are so aggressive reaching out to the world promoting the holy trinity with their money and even their lives in Afghanistan, Iraq, Iran, Somalia etc. Islam in Malaysia seem to be aggressively promoted to the Orang Asli only. So much is the confidence we have in Islam a religion that promote a one absolute God.

3- Our 'ulamak' is NOT thinking about how to make it more attractive for the lost souls to see the beauty of Islam no they are constantly thinking of how to make it more difficult. The job of a mufti it seems is to think up what else to fatwa as haram..!

4- I also have a new article on this on my blog...

Thanks Tun

Salam Tun,

1. This Hudud thing appears again. Are we to live in fear all the time ? Will this enable progress in Science & Technology ? Will we love Allah so much because he has ordered us to chop the hands off our fellow beings ? Will we have economic progress after we have Hudud ? Will our loving

Prophet be ever so proud of us ?

2. Forget Hudud, in America, they used to hang horse thieves. Let's all go back to cowboy days. I want to be able to carry around a loaded gun, in case someone tries to steal my car or my mobile phone. It'd be easier to implement than Hudud. And a lot cheaper. Maybe T.S. Muhyiddin can be Deputy Sheriff.

3. I give up on PAS. They just cannot get their act together. As i said, PAS really should be out of PR. And for good i hope.

4. PAS seem to sway according to the tide of politics. Hence inconsistent. Incomprehensible too. I am not sure where to file them now, maybe i will file them under "gila agama". And i thought all the while i am the one who is gila agama. Wasting time and money discussing things long ago solved by so many other civilizations. When will we ever learn ?

Just my unsolicited advice.

Than You Tun

Salam Tun,

Selama Tun menjadi PM,negara kita aman sentosa walaupun ada di antara rakyat malaysia tidak suka keamanan.Golongan yang tidak suka keamanan di negara kita ini terdiri daripada orang2 yang bijak,berpelajaran tinggi berpengaruh dan bukan calang2 punya manusia. Mereka sekarang

adalah orang2 yang paling GEMBIRA.

Semasa Tun jadi PM, BANYAK negara2 luar suka melabur di negara kita. Tidak lain dan tidak bukan kerana kerajaan kita ada system ISA yang di benchi oleh Golongan orang2 yang paling gemira sekarang ini di Malaysia. Mereka dahulunya bersifat berdiam diri sahaja. Tetapi sekarang mereka menyanjung tinggi penghapusan system ISA sambil membuat segala toman dan kritikan keburukan yang telah di lakukan oleh Tun. Golongan orang2 ini akan sentiasa mencari keburukan Tun dalam semua bidang yang terdahulu. Penghapusan system ISA di Malaysia pada pandangan saya harus lah di lihat pada keberkesanan nya dalam menjaga keamanan negara sebelum ia di persetujuan di hapuskan. Coba kita lihat di seluruh dunia apa yang sedang berlaku sekarang terhadap pemimpin2 mereka. Jangan kata BERANI kalau tidak tahu akan akibatnya. Biar lah kita berani kerana benar dan bukan kerana BODOH dan kita jangan mudah di perbodohkan

kerana ada sesuatu perjanjian. Dengan penghapusan system ISA maka LEBIH BANYAK lagi pelabur2 asing melabur di negara Malaysia dengan matlamat dan tujuan masing2 yang rakyat Malaysia sendiri tidak ketahui

Pelancong dari Beijing ke KL disaring di China

Berita Harian

2011/09/20

Kerjasama 2 negara perangi jenayah rentasi sempadan

KUALA LUMPUR: Kemasukan pelancong dari China ke Malaysia akan disaring di pintu keluar republik itu apabila kedua-dua negara memeterai perjanjian kerjasama memerangi jenayah merentasi sempadan yang disifatkan kerajaan sebagai ancaman amat kompleks dan berisiko tinggi.

Menteri Dalam Negeri, Datuk Seri Hishammuddin Hussein, berkata negara tidak boleh bergerak sendirian memerangi jenayah merentasi sempadan yang disifatkannya lebih serius daripada masalah tsunami, gempa bumi, kegawatan serta rusuhan di Timur Tengah.

Malah, katanya, berdasarkan pendakwaan kes pengubahan wang haram di mahkamah negara ini, hasil yang dikenal pasti dijana daripada pelbagai jenayah meningkat sehingga mencecah RM2.3 bilion ketika ini.

"Jumlah pelancong China yang terlalu ramai ke negara ini menyebabkan Malaysia tidak mampu melakukan penapisan secara bersendirian, walaupun menggunakan apa juga teknologi sedia ada.

It was a bitter pill to swallow back then but it is not now. Anwar may fool some of the people all the time, and all of the people some of the time, but he certainly cannot fool all of the people all the time.

I thanked you for not making me a fool out of myself. Why sacrifice the whole country just for the pride and glory of one guy. Why do I have to be fool enough to be responsible for other people wrongdoing.....I think he should stop dragging people into his own mess. He should learn to take it like a man. Such a dramatist

Dear Mr Mahathir

It was your prerogative to elect Anwar as your successor but you so choose not. No one can go against your prerogative. Not even the courts.

I think the government of the day at that time should be more careful with inmates of interest such as Anwar in order to not be seen a political motivated manoeuvre. However, to cause a man to be thrown into gaol and to be beaten up by the thugs in the guise of police is downright shameful. Thank god Rahim Noor isn't here to hurt no body anymore.

To publicly declare that a person is guilty (executives should not exercise the discretion of the judiciary), as you did before, during the progress of Anwar's trial and the maltreatment of Anwar may be seen by some quarters as an orchestrated attempt by the government to blatantly influence the judiciary process.

I personally don't care about an event some 13 odd years ago. However I do care that the government, despite the failure of past cases, does not guarantee the safety of inmates and in many cases, disregarding the law themselves as if the government is immune to the law. Maybe in Malaysia it could get away with minor misjudgements but I surely hope that it would not reoccur in the future.

I do genuinely believe the the opposition do intend to remove the laws which seem to be draconian in nature as most of the leaders of the opposition have been thrown into gaol for speaking their thoughts and criticising the government in the past (another failure on the government's part which they paid dearly in 2008). I am confident that they will not want that to happen again in the future. Again, I am driven by the saying, the people should not be afraid of their government, it is the government that should be afraid of their people. Call me an idealist but I am sure that is how democracy was intended.

If this was Australia, the government would be in deep trouble as seen by the Australian – Malaysian refugee swap (see how the Australian government has to bow down to the very law they help to create, now is that being idealist? No because that is how things should work).

But funny enough, Malaysia was like Australia back in the days but the independence of the Court was severely compromised in 1988. The court, if remains impartial, will always guarantee and safeguard everyone's interest, big or small, poor or rich. It is sad to hear that most of Malaysians do not even trust the very organ whose existence is to uphold the interest of the

people under the law.

In my opinion, the best gift the current government of the day is to shower the people by restoring the judiciary as it once proudly stood in the past. Free up the judiciary = makes a lot of happy citizens.

Anwar Ibrahim is a gone case, Doc; dan tak payahlah nak taubat pasal perkara TPM yang dipecat ini yang telah berlalu atau menyesal.

Allah Dia yang beri kemuliaan dan Dia juga yang memberi hina tetapi janji-janjiNya benar sekali. Di hari Pembalasan tidaklah Dia menzalimi akan hamba-hambanya.

Mufti hanya mahu tengok pendirian Doc. Orang yang bersalah jiwanya kacau. Macam Anwar Ibrahim. Just imagine kepala ABIM dulu dan sekarang apa jadi pada dia. Itulah kuasa Allah subhana wa ta'ala.

Maaf but I wont do'a long life to you, doc.

Big trouble ahead for Malaysia even you can't help solve it. In fact you will make it worst. Maaf, for we truly had a great time when you were PM – adat dunia. Di Akhirat, jumpa di al-Kautsar, Doc.

Firstly Salam Sejahtera To All.

My take on this is that we need to get our youngsters especially those in universties on the right track. They have been manipulated and are easily influence.

On comment by peiseh I do agree. We can see that most of the time which minister or minister's wife get the most TV/Radio. coverage.

Assalamualaikum Tun.

Dulu saya pernah sarankan supaya kita semua belajar dari Anwar Ibrahim.

Apa yang kita pelajari adalah maruah manusia yang menghina agama, bangsa dan negara akan dibongkar di atas dunia. Tak perlu tunggu akhirat.

Pada hemat saya membongkar peribadi Anwar Ibrahim sudah jatuh ke tahap wajib. Dan sesetengah ulama yang berusaha menjadi seorang mujaddid pada kurun ke 15 ini tetap akan memberitahu bahawa membuka aib seorang manusia adalah dilarang oleh agama.

Ini bukanlah disebabkan kita membicarakan hal politik. Tetapi setiap musuh agama dan negara adalah wajib ditentang dan diperangi jika perlu.

Ia tidak elok untuk diperkatakan secara terbuka dalam masyarakat yang kita usahakan supaya menjadi masyarakat yang patuh dengan ajaran agama.

Tetapi bagi seorang pemimpin, musuh jangan dicari tetapi kalau dia tetap datang kita perlu hadapi dengan tabah. Allah swt bersama sama dengan umatnya yang melakukan apa yang disuruh tetapi meniggalkan apa yang dilarang.

Terima kasih Tun.

Dear Tun,

It is indeed unfortunate that some individuals whether they are layman or learned Mufti still look at things from their own perception and not from an objective evaluation of the person, the situation surrounding and the cause and effects with regards to any issues concerned.

In my opinion, despite all the valid debate on Anwar Ibrahim's immorality and various angle of opinions be it religion, politics or logic...the fact remains that at that point of time you were the Prime Minister of Malaysia and it was your responsibility to ensure that your successor are individuals whose immorality are not questionable.

I agree with your contention that you are required to be 'amanah' more than maintaining your popularity or avoiding conflicts and with the evidence privy to you, you alone had to make that decisions.

I also agree that the Courts of Appeal was very clear in stating that it did not have doubts that the act of sodomy did took place but the prosecution however failed to prove that it indeed took place at the date and

location stated in the facts of the case.

Our problem as a nation with Anwar Ibrahim is that we are so gullible and tend to judge a person from their outlook.

Just because a Mufti made a statement that a person is 'murtad' all of us immediately condemn the person without further examination of facts.

Just because Anwar Ibrahim portrays himself as a pious Muslim leader, husband and father then we assume such accusations against him 'must be impossible'

Many then are confused and hold a neutral stand on the matter, which I believe does not solve the uncertainty of the matter.

How should we analyze this issue then?

Consider this :

In the recent case involving the political aide Saiful, it is logical only God would know who is telling us the truth, and as a result Saiful took the 'sumpah laknat' to state his innocence.

As such Anwar Ibrahim being the de facto leader of the Opposition who feels he should lead this country should do the same because he has stated that he has nothing to hide or to be afraid.

Unfortunately he has not done so and therefore he has lost his right to

argue and we as the layman must accept the fact that he does have something to hide and we must question his ability to remain the leader that he asks us to believe.

All political sentiment, outlook, perception and emotion aside... Anwar Ibrahim have issues that he needs to handle and therefore unsuitable to be the leader of Malaysia.

Leaders of any parties, factions or association be it political, religious, non governmental should be courages to analyze the facts and see it as it must be seen and accept the facts laid out objectively.

Yes, Tun. I agree with you we never can be prepared to accept an immoral

Prime Minister. Its horrible, disgusting and going to dirt Malaysia image in the world's eyes. We need someone clean, efficient, hardworking

and really competent to lead the nation. I cant say too much about Najib

and other candidates as I also dont know the details most of them. The

Internet media, I hate them sometimes because they came out with a ridiculous news from an unreliable source. We are f**ked if the country

continues being fed with a cheap and untrue story. Can you imagine, even

for one sodomy case also already consuming three judges.

The third judge in Anwar's sodomy hearing validated the findings of the three courts which heard his case. Note, three courts?!! For God sake the country already wasted its resources to this case, monthly and yearly while the nation needs all the resources to progress. Damned wasted! Why dont we hire the judges to solve the case of "The Star: Fresh forest clearing in the Belum-Temengor wildlife corridor, Perak" and "The Star: Datuk Seri Dr Zambry Abd Kadir has ordered an in-depth probe into ongoing activities to clear some 74ha of land within the Belum-Temengor Forest Complex (BTFC) wildlife corridor."

Damn it, someone is making millions of ringgit clearing and logging the jungle in Perak. I am fully confidence theres corrupted and dishonest officer in the state administration. Why dont we solve the case which benefit us rather then sodomy, sodomy and sodomy in our head? Crazy.

Assalamualaikum wbt Tun,

I have read the remarks on the news portal, and knowing your former DPM then and now, it would just made scenario worst if the advice is taken.

As he would still be in power even in other portfolia more or less, he would still have the necessary connection and advantage to turn the situation around in favouring him, and yet even made the country even more chaotic than ever..

As the statement made by the Mufti, I would see its more on personal liberty to show he is correct all along, "yeah I told you so!", not taking into consideration the chain-effect it would cause thereafter. ~Sigh~

My apologies should I hurt anyone?

Assalamualaikum Tun.

Hadith Rasulullah SAW bermaksud :

Sesungguhnya Allah membangkitkan bagi umat ini seorang mujaddid yang akan membaharui agamanya pada setiap awal seratus tahun.

(al hakim,al baihaqi,ibnu hajar,abu daud & al iraqi)

Dan Al Arqam menjadi terpesong kerana Abuya mengaku beliau adalah mujaddid iaitu Pemuda Bani Tamim yang akan menyerahkan kekuasaan kepada Imam Mahadi.

Sedangkan seluruh ulama di dunia ketika ini masih tertunggu tunggu akan kedatangan mujaddid pada kurun ke 15.

Iaitu mujaddid seperti mujaddid yang pertama khalifah Umar Abdul Aziz yang memegang kuasa pemerintahan.

Yang bermaksud Pemuda Bani Tamim (yang nipis keturunan keArabannya) akan memegang tampuk kuasa dan seterusnya akan menyerahkan kepada Imam Mahadi.

Oleh sebab itu,kebanyakan ajaran yang tersesat adalah ajaran yang memperjuangkan secara kekerasan bagi menguasai Malaysia.

Salam bahagia Tun,

We can't stop people from allegation that he/she had spoken to you or not, and with their positions and titles bestowed on them, ordinary folks would find it hard to disbelieve that the matter isn't true.

Soon Tun will find yourself going about correcting the allegations inflicted by these popularist-seeking officers.

How to overcome this? A stern warning issued would be just right to would be opportunist out there. But knowing Tun, you would rather ignore them than to waste it on them.

Tun, I seek to diversify a bit here. I would like to know your opinion about Malaysia's current development in terms of economy and her achievement so far. To be precise, would you have done it better in both if you were still the PM of the day?

Because Tun, we have not seen anything significant to be proud of

lately. We have no economic achievements, no international achievements, and non-pretty much in the country as well.

OIC, OPEC, Asean Submits, etc.. no more relevant to Malaysia?

Our Foreign Minister is so low profiled that I think Min.of PM – Dato Nazri appears more on the media than him.

I am asking this questions because we need to move forward now. We need to cast aside our internal issues and concentrate on building the nation economically in international arena and then locally.

Our infrastructures are readied, and human resources are available. We need to move on now.

Thank you Tun,

Salam bahagia.

Nasihat sepanjang zaman

Barangsiapa merasa cukup dengan apa yang telah diberikan Allah, maka dia kaya.

Barangsiapa suka memandang harta orang lain, dia akan mati miskin.

Barangsiapa tidak redha (tidak rela) dengan apa yang telah diberikan Allah kepadanya, maka dia telah menentang keputusanNya (qadha'Nya)

Barangsiapa memandang remeh kesalahannya, maka dia akan memandang besar kesalahan orang lain.

Barangsiapa memandang besar kesalahannya, maka dia akan memandang remeh kesalahan orang lain.

Barangsiapa membuka aib orang lain, maka aib keturunannya akan tersingkap.

Barangsiapa menggali lubang untuk mencelakakan saudaranya, maka dia sendiri akan terjerumus ke dalamnya.

Barangsiapa bergaul dengan ulama, maka dia akan dimuliakan.

Barangsiapa memasuki tempat-tempat biasa dikunjungi orang-orang bodoh, maka dia akan direndahkan.

Dan barangsiapa memasuki tempat-tempat kemaksiatan, maka dia akan dituduh berbuat maksiat.

Assalamualikum w.b.t Y.A. Bhg Tun,

Sebagaimana yang tersebut di dalam media, Yg Bhg Tan Sri Harussani Mufti kerajaan negeri Perak ada menyebut bahawa beliau pernah menasihatkan Tun waktu itu sebagai Perdana Menteri Malaysia ke 4 supaya tidak mengambil sebarang tindakan terhadap DSAI sebagai Timbalan Perdana Menteri pada waktu itu (sekitar tahun 1998) diatas salah laku immoral dan salah guna kuasa seperti yang didakwa oleh banyak pihak. Samaada nasihat sedemikian benar-benar berlaku atau tidak mungkin Y.A. Bhg Tun sendiri saja yang tahu.

Saya masih ingat dengan jelas bahawa Tun pernah mengeluarkan kenyataan bahawa seseorang pemimpin politik mestilah seseorang yang bersih dari segala bentuk kemungkaran dan dianya mestilah kelihatan bersih dari segala imej salah laku atau sebarang pelanggaran kemungkaran dari segi syariat agama bagi pemimpin Islam. Saya amat menyokong pendirian dan tindakan Tun pada waktu itu. Seseorang pemimpin yang berwajah buruk dari segi moral dan integriti amat tidak wajar berterusan menjadi pemimpin. Kita ambil contoh pemimpin-pemimpin seperti di negara Jepun dan lain-lain negara, akan dengan segala sukarelanya meletakkan jawatan sebaik sahaja namanya dikaitkan dengan sebarang salah laku walaupun belum didakwa di mahkamah keadilan bagi menentukan samaada salah laku itu telah benar-benar dilakukan ataupun tidak. Perkara seperti tersebut (meletak jawatan) seingat saya belum pernah berlaku di Malaysia.

Tun mungkin telah banyak menerima maklumat yang terperinci dari berbagai pihak terhadap salah laku pemimpin-pemimpin dibawah kawalan dan kepimpinan Tun sebagai Perdana Menteri (1981 – 2003) pada waktu itu. Melalui maklumat-maklumat yang Tun terima dan setelah dianalisa dengan begitu teliti, maka seterusnya diserahkan kepada pihak yang berkuasa khususnya polis untuk membuat siasatan lanjut dan mengambil tindakan wang sewajarnya mengikut lunas undang-undang yang diamalkan di Malaysia.

Sebagai orang politik lebih-lebih lagi yang berjawatan tinggi dalam

kabinet kerajaan negeri atau persekutuan sudah tentunya amat sukar menerima kenyataan bahawa dirinya telah samada dengan secara sedar atau tidak telah melakukan sesuatu perbuatan salah laku, dan jika didakwa di mahkamah keadilan suatu jawapan yang pasti ialah mengaitkan isu salah lakunya sebagai suatu konspirasi menjatuhkannya dalam politik. Jika dilihat senario yang berlaku mengaitkan konspirasi politik banyak mempengaruhi pemikiran orang ramai terhadap sesuatu dakwaan salah laku kepada pemimpin politik dan ada yang mempercayainya. Saya sendiri tidak menolak bahawa konspirasi politik mungkin juga boleh dikaitkan usaha sesuatu pihak menjatuhkan carrier politik seseorang pemimpin, tetapi elakkan dari sifat ketaksuban yang melampau dan berusaha mencari fakta kebenaran.

Sekian, salam hormat Tun, moga-moga Tun dikurniakan Allah s.w.t senentiasa sihat walafiat ditingkatkan keimanan dan taqwa, terus menyumbang bakti kepada pembangunan bangsa dan negara Malaysia.

Assalamualaikum Tun.

Di Malaysia kelihatan politik dan golongan ulama kurang ngam. Bukan kerana Islam memisahkan antara agama dan politik tetapi saya kira tiada orang yang mempunyai kemampuan dalam menterjemahkan politik dalam Islam tidak dapat diasingkan.

Saya sedar saya kerap kali menulis berkaitan Islam walhal di sini adalah blog politik. Memandangkan topik kita kali ini menumpukan pertembungan antara golongan agamawan dan negarawan maka saya kira saya perlu memperjelaskan kewajaran mengapa saya 'tersesat' di chedet.cc

Sesungguhnya berada di blog ini merupakan satu beban yang tidak tertanggung. Kalau di zaman Nabi Saw, ketika baginda menerima wahyu di belakang unta, maka dahi baginda akan berpeluh dan unta baginda akan terjelepek terduduk. Begitulah berat ketika menerima wahyu.

Tapi baginda adalah Rasul terakhir dan tiada lagi nabi selepas baginda. Oleh itu manusia hanya menerima ilmu ilham atau ilmu laduni.

Dipendekkan cerita, ketika saya menerima beban yang tidak dapat

ditanggung,Rasulullah SAW datang membantu."Adakah itu kamu ya Rasulullah?"

Saya mungkin memperkembangkan penulisan saya pada masa akan datang,kerana itu saya menulis keterangan yang seperti di atas.

Antara perkara yang saya pelajari dari peristiwa tersebut adalah `jangan meminta sesuatu dengan makhluk melainkan dari Allah SWT`

Saya kira setakat ini ia cukup untuk dijadikan landasan pada penulisan saya pada masa akan datang.

Terima kasih Tun.

Assalammualaikum Tun,

1. As I grow older and with a daily study of the Quran, I already have less faith in the Ulama. Alhamdulillah, I am able to identify the fake ulama (those mercenaries, political and religious bigots). I have avoided religious ceramah for umpteen years now. There is nothing new in these ceramah. All ceramah have the same content, repeated by different speakers.

2. I can easily classify religious ceramah into three categories. The first is lies, cynicism and anti-establishment. The second is rubbish and entertaining. The third confused the listeners as a result of men trying to outsmart each other. Anyway, each category has its own strong following.

3. It is best to heed Allah warning as in verse 115 and 116 of surah Al-An-am. Verse 115 says "And the Word of your Lord has been fulfilled in truth and in justice. None can change His Words. And He is the All- Hearer, the All-Knower." And verse 116 says "And if you obey most of those on the earth, they will mislead you far away from Allah's Path. They follow nothing but conjectures, and they do nothing but lie."

4. Coming to the issue of having to produce four male non-sinners as truthful witnesses for sodomy and illegal sexual intercourse committed by Anwar Ibrahim as demanded by the Ulama, beware the followers/ believers of Anwar and Ulama. Allah warns that His Words in the Quran must be accepted in total. We are not supposed to accept the ones that suit us and discard the rest, like what the Ahli Kitab did as mentioned in the Quran. We should not join this munafik group.

5. Any Ulama who applies only "four male non-sinners truthful witnesses" joins that Ahli Kitab group. This is stated in the Quran. For there are other Words of Allah that can apply.

6. Firstly, there is Surah Yusuf in the Quran, verse 25 to 28 where the woman (Zulaikha) accused Yusuf has evil design on her. But a witness told the woman's husband that if Yusuf's shirt is torn from the front, he is a liar. If it is from the back, then the woman is a liar. It was from the back, and the woman is a liar. What does this imply? It implies that forensic evidence is accepted by Allah.

7. Secondly, there is Surah An-Nur where a witness can accuse a person to have committed a crime provided he takes an oath as instructed in verse 6 and 7 of the surah. Allah's word is clear, unless ones has sinister intention.

8. Fellow Muslim, let us learn the Quran for the true faith. Go through as many times as possible until you die. Insha'Allah, Allah will guide us. Do not subscribe totally to any Ulama, since they are human and can mislead us astray.

Thank you Tun for giving me space for my comments.

3-By the way talking about moral,what is your opinion about Najib

offering RM3million that was upped to 5 million just to get the people of Sibul to vote the BN?The thing he also admit in doing in Hulu Selangor.

4-It doesn't make a difference whether he is giving it to a school or an individual but the fact he is using money which belongs to the govt/people to win power for his party is wrong.The fact that he was doing that in broad daylight and seem proud of it tells me that he must have thought he is doing something morally right and great the opposition cannot also do.

5-Since I really admire you so much and wish to emulate you,I will not also be prepared to accept an immoral person for my PM.The problem however,it is going to be a choice between two immoral persons..hmm what an Islamic country we have ya Tun.

6-Harussani is only seeking attention.He had the 'wisdom' to keep on coming with all the controversial fatwas from time to time to make Islam even harder and harder to follow.Not many seem to be taking much heed of his fatwas anyway.

Thanks Tun

Good morning Tun,

pakpandir08 gave many reasons why he need to attack chedet.co.cc, he said he want to bring democracy to the bloggers of chedet.co.cc, to destroy threat of terrorisms macam-macam story pun ada

pakpandir08 seems to be a warrior on what the explanation he gave ... hero of democracy and hero of peace for the globe ...

But ... slowly slowly ... people feel something goes wrong ... he did that not because of democracy, but some other agenda behind ...

aduh President pakpandir08, suka tipu budak-budak... and because of manusia mudah lupa, pakpandir08 buat welfare chedet.co.cc tanpa mengeluarkan satu sen pun, sigh...

I see you are bit worried there Tun. I belived mufti is thinking the

other way around. I think you should be considered. It may be hard for you to be accepted but it could be good to accept sometimes, Mufti did it right. Do not worry what others will think about you, see yourself as what you are. What goes around will come back around, I do not see "Anwar Ibrahim" issued are relevant to the current Malaysia situations. By the way" Could you write more about "MERDEKA" National Day, I start to feel some things interested to be discussed online with Malaysians, do not you think so?

Salam Tun,

1. Had D.S. Anwar admitted his sexual inclinations publicly and withdrew himself from office voluntarily, things would have been very different. But then, this is just a theory. And I know next to nothing about politics.

2. Since the world is against him, he fights back. And politicians fight their way they know best i.e. using political power. You have said Tun, that the courts are not above politics. This is especially for the case of Christians using the word "Allah" and the "Lina Joy" case. If your statement is

technically correct, and if D.S. Anwar is politically sound, then logic follows that he should be able to "win" against the court. And if so, he will roam and rule again. People who hate him will faint.

3. In politics, if people say that an orange is blue, then blue it is, and that shall be the law. In science, orange is orange, between yellow and red. And i guess in political science (if it is even a science) then the colour of orange is according to the season.

4. My hope is that D.S. Anwar is free and able to contribute even more to the growth of Malaysia. Maybe muftis ought to spend some time in prison for giving bad advice, and to learn more about the lives of those imprisoned but not really guilty i.e. victims of the system.

5. Personally i do not care about sexual inclinations or sexual adventures of any leader of our country or any country for that matter. But most people do, which is why Bill Clinton had to leave office. I guess the world does not accept anyone who has sex on their mind, anyone who reminds us of sex, as leaders of a nations or states. However, movie stars do become governors, even presidents, so politics is still a subject most elusive to me.

6. At the end of the day, i come to the interim conclusion, politics does not make sense and is a complete waste of time, even an evil, but a necessary evil as the alternative, military rule, is a more unpleasant environment. So people uphold politics because we want peace without having to carry guns like cowboys in the wild2 west. We choose to leave our guns at home so that we may walk in peace.

7. There are several types of people who goes around shooting their mouths. The politicians, because it is their game. The salesman, because it is their livelihood. And the religious fanatics because they are sick. We can

go around avoiding all of these type of people and live well.

8. Perhaps it's time the government come up with an equivalent of Speakers Corner. But please, don't just copy. It is only the functionality that is needed, not the soap box. I bet Parameswara 2 would be the first to want to stand up and speak.

Thank You Tun

Mufti of Perak must have been watching too much P Ramlee movies. He sounds very emotional too. He should know that Anwar is not showing any symptoms of Tasawuf. Anwar is very power crazy in the very simple term. He as well as all of us should not waste our precious time on Anwar.

Inshallah it should not happen but if Anwar becomes PM he will be busy taking revenge on his so called conspirators. The country will be turn

Dont ever let that happen.

Salam Tun, may Allah keep you always in good health.

Nothing much you can do to stop anybody from saying what they want to say, the truth or otherwise.

Knowing you, I am sure you know what you are doing and will readily take responsibility for your action. However, even you can be proved wrong years later, nobody is perfect except Allah SWT but you did what you believe right that time based on evidence or basis available to you. The best you can do for yourself, as mortal human being is to ask for Allah's forgiveness should you genuinely made mistake in your decision. The rest will can continue to talk because talk is easy & cheap.

You take the ownership of your decision and that is the real leadership. As you said, " If you try to please everybody, you will please nobody".

We are always with you and pray for your good health and Allah's blessing.

saya bersetuju dengan pendirian Tun, dan menjadi tanggungjawab Tun pada ketika itu untuk membuat keputusan yang pastinya tidak popular. Jika Tun mengikut "nasihat" seperti yang diperkatakan oleh mufti perak tersebut, saya lebih yakin lebih ramai rakyat yang akan menolak Tun, menyalahkan Tun.

Bagi saya, pendapat peribadi saya, keputusan yang Tun telah buat memang tepat. Takkan Tun perlu membiarkan seseorang yang tidak punya moral menjadi khalifah di bumi Tanah Melayu, di bumi Malaysia yang pastinya akan membinasakan negara ini. Seseorang yang tidak mempunyai moral yang tinggi SEMEMANGNYA TIDAK LAYAK untuk menjadi pemerintah walaupun mereka tergolong dalam golongan yang tinggi ilmu agamanya.

Assalamualaikum YBhg Tun.

Memilih pengganti PM adalah hak YBhg Tun (pada waktu YBhg Tun sebagai PM), kami rakyat cuma menerima sahaja siapa yg duduk di atas kerusi panas (rebutan) itu. Kami (rakyat) tiada kuasa, cuma 4-5 tahun sekali sahaja (mengundi). Sekiranya YBhg Tun salah pilih, maka hasilnya akan diketahui juga akhirnya kerana benih itu yg ditanam akan mengeluarkan hasil (apa ditanam itu kita tuai).

Biar apa juga kata atau kecaman mereka (orang yg ada kepentingan politik) mengenai menggugurkan DSAI (menjadi PM) wajar atau tidak, hari ini saya katakan tindakan YBhg Tun adalah sangat TEPAT.

Semua hanya sementara, takhta dan kekayaan akan kita tinggalkan. Jika YBhg Tun rasa tindakan itu betul kerana AMANAH, maka di atas bumi ini selagi hayat dikandung badan saya akan berstuju tindakan itu. Orang lain (rakyat) tak perlu risau kerana perkara telah menjadi sejarah dan Allah SWT lebih mengetahui. Semua sejarah ada rekod dan akan diaudit semula di padang mahsyar.

Lakukan yg terbaik (jihad) utk bangsa dan agama selagi termampu atau sebelum kita hilang segala-galanya. Selebihnya serahkan pada yg Esa.

Wallahualam – Tuhan sahaja yg lebih mengetahui.

Dear Tun

I agreed with your views on Anwar's and just wish the whole episode involving Anwar's and PKR comes to an end. As a Malaysian I believe there are more pressing and important issues to be put on the spotlights i.e. the world and Malaysian economy, rakyat welfare, education, bread and butter issues and not the ongoing court news, political parties suing each other and politicians making insensitive comments from time to time.

Hope the current and future government should set their focus on the common people of Malaysia.

Dear Tun,

I am with you 100% on this. What is supposed to be a legal and judiciary matter, PAS has twisted and turned it into a matter of faith comparable to Israj and Mehraj. To the simple Muslim Malays and HBT 456, Nik Aziz, Yusof Qadawi, and quite a number of UMNO members they don't believe Anwar Ibrahim did it, even though the court has provided overwhelming evidence otherwise. These people have an evil agenda using religion as camouflage. HE WILL continue to do it because he has totally denied doing it. He has not even repented. He is either an angel or an

accomplished liar that has hoodwinked all and sundry. A clear cut criminal case has been manipulated to become a political and religious issue. It is so preposterous, and yet that is it.

Let the court decide and enforce without fear and favour

Awww Tun, you are surely a hypocrite. According to you, Tan Sri Rahim Thambi Chik, who raped a minor is fit to be a leader, Tan Sri Megat Junid, who was implicated in the murder of the video arcade owner, is fit to be a leader, Tun Daim, who plundered the country of billions, is fit to be a leader, Dato Seri Samy Velu who stole the Telecom shares meant for MIC members, is fit to be a leader, DP Vijiyandran who taped himself having sex, is fit to be a leader, Tengku Azlan, who is not really a Tengku, but helped you fix judges, is fit to be a leader, Tan Sri Rafidah Aziz, who helped your son obtain shares in listed companies, and also enriched herself, is fit to be a leader. Remember them Tun? They were all implicated, but your 'invisible' hands cleansed their crimes.

But Anwar Ibrahim, whom your appointees fixed up with corruption, is

NOT fit to be a leader, because the God of Malaysia then, that is you, said so.

The two most prominent people who helped you fix up Anwar, Musa, leap frogged others' more senior, to become the IGP, because you forced Badawi to promise you that Musa will be appointed to the position, and Gani Patail, is still the AG. Look at their lives now, AG is having an affair with his own staff, which is alright, as they "do it overseas", and can't be caught for "tangkap basah", According to you, he is a good muslim, though he has extra marital sex. Corruption is in their blood. Surely you know that Tun.

If you dare, take a referendum of Malaysians, and see how many people believe you, that you were not behind the fixing of Anwar. Take another referendum and see how many Malaysians believe that you did not enrich your sons. BN did badly in the 1999 elections, comparatively at least, and you had to go before the next elections, which you did. UMNO wouldn't have you leading the BN Govt. for the 2004 elections.

But all that is ok, so long as you say it's ok.

I do hope that this comments sees the light of day.

Hi,

People still give their opinion of guilty or not, with or without verdict from court of law.

It seems to me that many Msians do not trust the Msia court of law or Msia police so much. Forcing people will not make people respect the court or police, it is integrity that gives respect.

Some comments I heard or read even seem like that it is ok to accuse someone with family despite guilty or not just for the sake of political opinion. They think if someone is not consistent to their political choice then it is right to make up "white lies" and let's throw him in jail.

The problem is once we allow "white lies" we do not know whose version of "white lies" to trust. What if it is you are then one ended up in jail due to white lies and you hv family?

Is this the country I feel safe in?

There are a lot of comments I read and heard that makes me strongly suspect that those saying it are simply supporter of BN or some supporter of PKR without caring for the truth. The objective is to give utmost support to their preferred political party.

It is so unsafe as they dont care if its right or wrong as long as they get what they want. Msian are torn apart by people with "white lies". BN "white lies" and PKR "white lies".

Seeking the truth is the only way to free our souls from being the slaves of political parties.

I think I know when I see someone write something neutral and fair.

Hope you be fair too.

Alhamdulillah. Kalu tak malapetaka tak habis habis diturun kat malaysia nih. and main bontot tepi jalan berleluasa la...

to name a few

a) Choi soi lek – skandal sex

b) Anuwar ibrahim- skandal sex and liwat

c) Mat Sabu – phone sex (Kalau ikut rupa... damn.... jaga jaga.. saper kawan dgn mat sabu komunis ni.. habis bini korang dier jilat... macam jepon ajer...)

2. Why?

3. Because Malaysians are stupid and easy to kene kelentong.

4. because the parti that kununyer parti Islam lebih tamak kepada harta dan kekayaan, lebih suka kemunggaran, lebih suka orang murtad, lebih suka main belakang, lebih suka khalwat, lebih suka bini orang, lebih agung agungkan fahaman tiada tuhan.

5. Nampaknyer org Cina lebih bermoral. tu sebab MCA hanya kenangan.

6. Org yang sokong mat main bontot ni sebenarnyer suka pluralism agama, main bontot, nak kaya cepat, suka fitnah suka macam macam.. i.e orang mesia ler katerkan.

7. So orang Malaysia.. tolong lah.. sedar lah...
