**Chedet.co.cc**

**By Tun Dr. Mahathir Mohamad**

1. Twenty years ago the Serbs of Yugoslavia began their genocidal war against the Muslims of Bosnia-Herzegovina. They made no attempt to hide their intention to kill all the Muslims. They openly declared they were carrying out "ethnic cleansing".
2. Europe, according to the Europeans, is Christendom – the kingdom of the Christians. The presence of a European Muslim country in Europe seems to contradict this assertion.
3. Although Europeans are not as committed to Christianity today as they were in the past, nevertheless anti-Muslim feelings is still strong. So the elimination of Muslims from Europe is not unwelcome. The genocidal war waged by the Serbs was allowed to go on.
4. But the Serbs committed horrible atrocities against the Bosnians. A television report showed a British Army officer expressing horror and anger when Serbs burnt houses with the occupants still in them.
5. But the NATO forces were there only to watch. They may not shoot at the murderous Serbs. When in Srebrenica the Dutch troops, tasked with protecting the Bosnians saw the Serb soldiers killing 8,000 Bosnians in front of their eyes, they simply moved away. The Serbs used axes to bash in the heads of Bosnian men and boys in one of the worst massacres in Europe.
6. Perhaps it was this massacre which prompted the West to stop the fighting. Apparently they could stop the Serbs if they wanted to.
7. But in a travesty of justice America imposed on the Bosnians the Dayton Plan in which Bosnia-Herzegovina was divided into two.
8. The Serbs were rewarded with an independent state completely under their rule although it is supposed to be a part of Bosnia-Herzegovina. It is called Republika Srpska.
9. The rest of Bosnia-Herzegovina would have three presidents all the time. There would be a Serb President, a Croatian President and a Bosnian President. Every decision by this coalition Government must be agreed to by all three Presidents.
10. As can be expected the Serb President never agreed to anything that can contribute to the rebuilding of this part of Bosnia-Herzegovina.
11. The west talks ad infinitum about justice and the rule of law. Rewarding the murderous genocidal Serbs with an independent state and frustrating the Bosnian Muslims' quest for independence by giving veto power to the Serbs and the Croats is an example of justice for the West. They have ensured there would be no Muslim state in Christendom.

Salam hormat Tun,

Memang tidak dinafikan ramai rakyat Islam Bosnia begitu terhutang budi dengan Tun. Itulah sepatutnya dilakukan membantu sesama Islam yang diancam oleh anasi-anasir anti Islam. Di Eropah sedang begitu hangat diperkatakan isu-isu berkaitan anti Islam. Islam digambarkan begitu buruk oleh sebahagian masyarakat Eropah. Mudah-mudahan di negara tercinta Malaysia Islam dilindungi Allah SWT tidak diganggu-gugat oleh anasir-anasir yang anti Islam yang boleh mencetuskan suasana seperti apa yang telah berlaku terhadap umat Islam di Bosnia satu ketika dahulu.

2. Turkey sebuah negara Islam dan termasuk dalam gugusan negara Eropah, tetapi dukacita sebahagian rakyatnya (beragamas Islam) sudah terpengaruh dengan budaya barat. Turkey pernah menjalin hubungan baik dengan Israel, kini hubungan baik itu terjejas selepas insiden aktiviti kemanusiaan rakyatnya (aktivis Turkey) membantu rakyat Palestin mendapat tentangan Israel (ada yang mati dibunuh oleh tentera Israel seperti yang dilaporkan media). Dato' Seri Anwar Ibrahim ketua pembangkang atau sesiapa sahaja dari mana-mana kalangan pemimpin politik boleh menjalin ukhuwah dengan Erdogan Perdana Menteri Turkey, itu bukan sesuatu yang menghairankan atau sesuatu yang luar biasa. Yang lebih penting dari itu yang perlu diambil kira ialah integriti seseorang pemimpin. Integriti Erdogan yang tidak menjadi pertikaian majoriti rakyat Turkey agak jauh berbeza dengan integriti Dato' Seri Anwar Ibrahim yang berterusan menjadi persoalan dan pertikaian majoriti rakyat Malaysia. Semenjak memegang kuasa di Turkey, Erdogan membuat banyak perubahan terhadap perkembangan Islam di Turkey. Manakala Dato' Seri Anwar Ibrahim tidak benar-benar mempertahankan kedaulatan Islam, malah lebih dari itu memberi ruang kepada sekutu politiknya dari bukan Islam memperlekehkan agama Islam di Malaysia dalam usahanya meraih sokongan politik dari bukan Islam untuk mengejar cita-cita menjadi Perdana Menteri.

3. Maaf melencong sedikit dari tajuk asal, kerana nak ambil kesempatan mengulas serba sedikit apa yang berlaku dalam demonstrasi jalanan bersih 3.0 pada 28 April, 2012. Pada awalnya kelihatan usaha mengadakan demonstrasi bersih 3.0 nampak ada bermatlamat baik mahu menuntut pilihanraya bersih dan adil, pada amnya sesiapa sahaja rakyat Malaysia memang mahukan pilihanraya yang bersih dan adil. Realitinya berbagai usaha telah dilakukan oleh SPR sendiri dan kerajaan Barisan Nasional hampir setiap masa menambahbaik segala kelemahan yang terdapat dalam pelaksanaan pilihanraya. Pakatan pembangkang sendiri diberi ruang oleh kerajaan Barisan Nasional untuk sama-sama berusaha menambahbaik perjalanan pilihanraya. Banyak cadangan pembangkang diambil kira oleh kerajaan dan SPR untuk penambahbaikan perjalanan pilihanraya. Namun demikian majoriti rakyat tertanya-tanya kenapa pakatan pembangkang masih lagi tidak berpuas hati dan berterusan menyalahkan SPR dan kerajaan Barisan Nasional, sehingga tercetusnya demonstrasi bersih 3.0 yang bertukar menjadi ganas, jauh melencong dari tujuan asal sepertimana yang diuar-uarkan. Demonstrasi bersih 3.0 menjadi demonstrasi kotor 3.0 dan menjejaskan imej negara Malaysia di mata dunia. Mungkin itulah matlamat yang sebenarnya penganjuran demonstrasi kotor 3.0 untuk mencetuskan huru-hara dan melemahkan UMNO dan kerajaan Barisan Nasional yang berkuasa.

4. Kepada seluruh rakyat Malaysia yang mempunyai jati diri yang unggul, sama-sama kita renungkan dan membuat penilaian berasaskan pemikiran yang rasional terhadap

perilaku pakatan pembangkang dalam usaha mereka meraih sokongan politik dan mengambil alih kuasa.

5. Berwaspada dan berhati-hatilah apabila membuat pilihan, supaya tidak tersalah perhitungan seperti apa yang telah berlaku pada pilihanraya ke 12, 2008.

Sekian, terima kasih dan wassalam Tun.

Asslamu'alaikum Tun

apa yg Tun tulis disini sama lah dgn pendapat-pendapat di kedai-kedai kopi seluruh Negara.sejak lebih dua puluh tahun dulu malah mungkin jauh lebih lama sebelum itu,perbualan-perbualan di kedai-kedai kopi kita telah menghukumkan ini adalah Serangan kafir terhadap Islam.

malang nya perbualan-perbualan kedai-kopi tidak di ambil kira oleh pemimpin-pemimpin Negara.sebab itu perdagangan dan ekonomi kita masih bergantung kpd ihsan negara-negara musuh Islam sedang dalam masa yg sama kita melaung cogan kata Membela Umat Islam.

kita tak berani mengambil langkah yg betul.sebab itu musuh-musuh Islam berani mengambil langkah yg terus menerus mengasak kita secara agresif.

di Negara ini atau dimana saja Negara Islam, sedikit saja kesilapan Kerajaan boleh dijadikan isu-isu kontroversi yg memalukan Umat Islam. kenapa Tun?

salah satu sebab nya ialah kita lebih suka memilih memilih "calon yg boleh menang".jentera-jentera pilihanraya kita membiakkan calon yg begini sebanyak mungkin.ini menimbulkan budaya buruk yg mengancam Kedaulatan kita.

lalu rakyat mendapat pemimpin-pemimpin yg satu-satu nya kebolehan yg dia ada ialah memenangi pilihanraya dan menjahanamkan Negara.

Tun, pendapat rakyat harus diambil kira.Orang Melayu dan Umat Islam asal nya adalah jenis yg 'tidak-kisah' tentang ehwal politik.budaya kita adalah mentaati Pemimpin.

hanya sesudah negara kita di kotori dgn kehadiran orang-orang asing, yg kemudian memanfaatkan kebodohan pemimpin-pemimpin kita, baru lah kita merasa tertekan sedikit untuk memilih Pemimpin yg berkebolehan sahaja.

malang nya Umno masih terus-terusan menghidangkan 'calon-calon yg boleh menang' kpd kita. kenapa tidak diramaikan golongan pelapis yg masih muda, bertenaga, masih bersih dan ada idealisma yg belum tercemar sebagai calon?

golongan elit pemimpin-pemimpin tua yg sudah lama merosakkan imej Umno mesti berundur secara terhormat atau dimalukan dgn penyingkiran.

dgn keadaan kemiskinan yg masih meluas,kita semakin benci melihat pemimpin-pemimpin termasuk dalam golongan elit yg serba mewah dimana secara logik nya gaji menteri tidak setanding dgn kemewahan yg dipaparkan oleh isteri-isteri atau anak-anak mereka.

di negara seperti Islam Malaysia dimana berkecamuk kaum pendatang peninggalan penjajah menimbulkan huruhara, teramat sangat perlu kita memilih pemimpin-pemimpin yg benar-benar berkebolehan melindungi kepentingan kita.

sedih saya melihat seorang perempuan bangsa pendatang,yg kalau masih di negara asal nya belum tentu diberi makan tapi di Negara kita ini dia boleh meneraju gerakan tunjuk-perasaan yg menggugat kedudukan pemimpin tertinggi kita.

apa sudah jadi,Tun? Bosnia-Herzegovina jugak ke?

terimakasih Tun

Salam Tun,

Religion is just an excuse to commit crime. There must be a deeper reason, a more solid and logical reason for the heinous crimes. It must be simple hatred.

No one is born to hate, it is taught or acquired or both. When allowed to grow, this monster manifests itself in wars. The doctrine of hate is dangerous. But then, so is crossing a road.

Thank You Tun

Assalamualaikum Tun dan semua pembaca.

Maaf sekiranya komen ini tersasar dari tajuk. Sebenarnya saya ingin meluahkan sedikit pandangan berkenaan BERSIH3 baru-baru ini dimana telah mencetuskan huru hara di negara kita Malaysia yang tecinta ini. Bagi saya orang yang harus dipertanggungjawabkan diatas kerosakan ini bukanlah AMBIGA ATAUPUN A.SAMAD SAID kerana mereka berdua ni tak da power pun yang boleh mempengaruhi orang untuk menyertai demo bersih 3..kata orang mereka berdua ni cuma budak suruhan jak..takda pengikut pun.

Para pembaca sekalian bagi saya orang yang harus bertanggungjawab ialah NIK AZIZ (PAS) DAN ANUAR IBRAHIM (PKR) kerana mereka inilah sebenarnya dalang di sebalik kekacauan ini, mereka la yang sebenarnya mengarahkan manusia-manusia bangang ini untuk berdemo dan membuat kekacauan itulah objektif mereka. Kalau setakat si Ambiga atau a samad said silap-silap haram seorang pun xdatang.

Pembaca sekalian, WAJIB untuk kita bersama-sama menentang (berjihad) terhadap dua orang manusia ini yang akan menghancurkan keamanan dan keharmonian yang sekian lama kita kecap, sekiranya dibiarkan hancur la negara Malaysia ini. lihatlah kerosakan yang mereka timbulkan semasa demo... mereka inilah orang yang patut ditangkap dan dipenjarah...pastu dibelasah....

sekian....

p/s tentang tajuk diatas...sangat menyedihkan jika kita masih lagi mahu bersekongkol dan percaya dengan barat (kafir) yang sebenarnya mahu menghapuskan islam di muka bumi ini.

Salam Tun,

Where were the Muslim brothers then?

The remarks commonly heard over the other Muslim nations who lent little help or none at all was " The Bosnians were nonpractising Muslims, they deserved the wrath from God!"

Only those few militant Muslims from all over the world who symphatised this "ethnic-cleansing" fought alongside the brave Bosnians.

We cannot help but realise the diversions within Muslims themselves throughout the world brought about the inevitable. At least those non-Muslims & pagans seemed united when dealing with Muslims.

The reason to me is simple: Muslims have turned their backs against the true teachings of God's final revelation to mankind – the Quran.

Do not wonder why we Muslims fail to shine as a society & lead mankind towards prosperity.

Salam, Tun Dr. Mahathir, Greetings from Europe!

This whole issue is more a result of some one not doing his duty before he went off, Marshal Tito, who ruled Yugoslavia which embedded all these countries, lands and people when the Iron Curtain was still intact.

Unlike General Franco of Spain had done, Marshal Tito made no provisions for what will happen to this country which he had arbitrarily put together as a result of a Guerrilla and Partisan War and then run with an iron fist for as long as he lived. When he died and when the Iron Curtain fell, the people, who he had kept together in a certain tyrannic manner while he was ruling, sought their freedom thinking that they would find it in separating.

Had Marshal Tito made provision to keep Yugoslavia together as one nation after he died, like General Franco has done with Spain, where there are also basically many regions of very different people albeit them all being Christians, but some are of different race like the Basques, YUGOSLAVIA might today still exist and the people might have been spared the Balkan War.

In Spain there were ETA terror attacks to the civil state of Spain for three decades after General Franco died alright, but SPAIN, under the rule of King Juan Carlos I. , has mastered this situation because General Franco had made provision for that before he died. He had raised and educated the present King of Spain to become the King he became and to accomplish the task of keeping Spain together as he did in a manner no one ever thought he would be capable of.

Something Marshal Tito has failed to do.

If he has ruled and run the nation of Yugoslavia without racial or religious incidents as he did during decades of his ruling, he should have passed on his knowledge of how he managed to do that while in power – much like you did before you left too, Tun.

Your wise ruling and governing a nation like Malaysia as Head of Barisan Nasional, which, as I understand it, is a basically a coalition of as many as 16 different political parties, will never fail to amaze your Pars in Europe. Here they have difficulties running a Two-Party Coalition, if you look at Great Britain today. Coalition Government is not their Cup of Tea it would seem.

Can there be Muslim ruled Countries in Christendom Europe?

In actual fact there already are. The Muslim States and Countries that arose out of the Balkan War, like Bosnia Herzegovina, are there to stay. Those are territories of Muslim

populations that settled there ever since the rulers of the Ottoman Empire had attempted an attack on Vienna a second time in 1683. On their way back many Ottoman Warriors settled in those Balkan lands then and with them they settled their religion; Mosques were built and ever since then believers are called for prayers from Minarets and Church Towers alike.

This all happened long before the U.S. obtained their independence in 1776.

The home land of the Muslims in the Balkan States is now where they are. Not just the Serbs were given their own country then but the Muslims too.

Today we should all pray that peace shall prevail in that region from now on, pray to the very same God we all pray to, Muslims, Jews and Christians alike.

Salam Alaikum, Shalom Alechem, May Peace be with All ...

.. and may Good Health be with you for many years to come, Tun.

Alfred Willner

Salam Tun.

Knowing and realising the rapid spread in the belief of Islam and the consequential conversions of their own people to become Muslims, which they are still unable to find ways to prevent, they will continue their barbaric behaviour as shown in Iraq and Afghanistan.

They will portray the internal killings within Muslim countries that have intention to change rulers alienated to them as the most heinous of murders.

They will add salt to the tiniest of rebellions happening in Muslim countries that are not very supportive/agreeable to their arm-twisting gangsterism policy!

They will use puppets and/or establish X-rated files to purportedly Muslim individuals that are only interested in personal gains to topple Muslim leaders that dare to criticize their wrongful ways, as obviously noted when a sex-maniac called Anwar is their chosen donkey to topple Dr. M!!

They will fully support/assist to whatever needs that are necessary to the likes of 'abdulazizomar' to confuse and hence cause internal disputes and infightings among Muslims!!

The US and her allies have created/shown to the world the true meaning of HYPOCRITE!

Dear Tun,

Thanks for the valuable insight that was well articulated. I'm now have better understanding about the whole issue, and understood why you always sceptical to

European. Your points have more dept and full of facts. I could not find any other facts to counteract your notions. Only immaturred and psychotic could not understand it. Probably they were blinded by their emotion.

To me, you are a true Mujahidin who have a deep love to it fellow Muslims and religion, unlike the other Mujahidin who always preaching Islam through guns and rockets, and sometimes even kills its fellow Muslims just because they have different opinion politically.

1. greetings dear Tun..i have been following your blog for quite some times, tq by having me here btw..2 b honest, i didn't agree with most of your writings including this one...yeah, you always come up with many strong point to support ur argument...what you wrote here is totally true accept the last part where you mentioned ..."They have ensured

there would be no Muslim state in Christendom (Europe).”

2. ok dear Tun, i know what is your true intention behind this..you wanted to say that there is no Muslim state in Europe including Turkey which is apparently located in that region..is that your true intention when you said “They have ensured there would be no Muslim state in Christendom.” dear Tun??

3. and why would you say that ?...simple, as we both know Erdogan is a good friend of Anwar Ibrahim and we know for a fact that your hatred towards your ex deputy is still there..since that he made friends with turkey PM so you must also convince the public that turkey is no longer an Islamic state as it was before..you must also portrayed a bad image of your opponent friends which i believe you’ve uphold the principle of “friend of my enemies is also my enemy”

4. nice try Tun..i have seen you using the same tricks over & over through your writings..it may works on some people but not me..

5. Just so as you know...Erdogan is a goodhearted man, he provide free education for his people whereas you did otherwise..and in he did it in just 3 months times even without having resources like oil..you on the other hand, had granted your cronies and your son billion dollars contract while the people, mostly Malays suffers by the current economic situation..

6. Erdogan has clear stance towards Israel, he had a quarrel with Israeli PM while you on the other hand, wrote a letter to them, congratulating their victory in election... i don’t have to elaborate further..so far, it is clear who is the bad guy here
