By Tun Dr. Mahathir Mohamad

1. Anwar telah menyatakan kepada BBC, iaitu kepada bangsa Barat, bahawa undang-undang Malaysia lapok, ketinggalan zaman.

2. Tentulah Anwar tahu bahawa lapok dan ketinggalan zaman, bagi orang Barat bermakna tidak seperti apa yang terdapat di Barat sekarang. Sejak revolusi Perancis, slogan Liberte`, Egalite`, Fraternite`, iaitu Kebebasan, Persamaan dan Persaudaraan menghantui fikiran Barat sehingga apa sahaja yang tidak menepati slogan ini mesti ditukar atau dihapus.

3. Oleh kerana BBC bertanya berkenaan kes liwat Anwar, maka undang-undang yang didakwa jumud oleh Anwar tentulah berkenaan larangan terhadap hubungan seks di luar nikah.

4. Apakah undang-undang yang tidak lapok berkenaan seks yang terdapat sekarang di Barat? Bermula dengan keagongan konsep "freedom" atau bebas dan persamaan, mereka menjunjung tinggi hak yang sama antara lelaki dengan perempuan. Yang mula dituntut oleh kaum perempuan ialah hak mengundi dalam pilihanraya. Dan hak ini telah diberi kepada mereka seperti yang diberi kepada lelaki.

5. Kemudian ia melarat kepada hak yang sama dalam pakaian. Ini dituruti dengan kebebasan seks. Jika lelaki sebelum atau selepas kahwin boleh adakan seks dengan mana-mana perempuan kenapa perempuan tidak boleh dengan mana-mana lelaki. Atas nama kebebasan dan persamaan maka masyarakat pun memberi hak ini kepada mereka. Maka siapa sahaja, lelaki atau perempuan boleh tidur dengan siapa sahaja bila-bila sahaja. Dengan ini institusi perkahwinan antara lelaki dengan perempuan dianggap tidak penting lagi.

6. Sebaliknya institusi perkahwinan dan kekeluargaan di beri makna yang baru. Bersekedudukan di takrif sebagai berkeluarga. Bila bosan dengan pasangan, tukar sahaja. Penceraian tidak diperlukan lagi. Siapa yang menjadi bapa kepada anak tidak penting.

7. Dimasa yang sama, sekatan terhadap apa jenis seks yang boleh memuaskan nafsu dihapuskan juga atas nama kebebasan. Dengan itu lelaki boleh meliwat lelaki dan perempuan mengadakan hubungan seks dengan perempuan.

8. Kenapa harus hubungan seks dilakukan antara dua orang sahaja? Kenapa tidak

beramai-ramai. Dan seks beramai-ramai pun diadakan.

9. Kemudian diadakan pula perkahwinan antara lelaki dengan lelaki atau perempuan dengan perempuan. Pendek kata apa sahaja yang dilarang oleh agama, adat atau undang-undang yang menyekat nafsu, hendaklah dihapuskan. Segala yang menghalang dianggap lapok dan tidak sesuai dengan kebebasan dan persamaan. Dengan bangganya orang Barat mempamerkan pengamalan seks mereka sebagai hak asasi manusia.

10. Seperti biasa apa yang dicipta oleh Barat dianggap oleh mereka sebagai baik bagi semua manusia. Dengan itu mereka melancarkan usaha untuk mengembangkan konsep kebebasan dan persamaan mereka berkenaan seks.

11. Tentangan yang terkuat terhadap seksualiti merdeka ini datang dari orang Islam. Untuk mengatasi tentangan ini mereka mengenalpasti orang Islam yang boleh menjayakan perjuangan mereka. Bermula dengan tuntutan kebebasan yang mudah diterima, umpamanya hak asasi manusia, hak memilih Kerajaan (demokrasi), hak bersuara, kebebasan media, kempen Barat sudah sampai kepada serangan terhadap nilai-nilai moral orang Islam, pegangan mereka kepada agama, adat dan undang-undang yang menghalang kebebasan hubungan seks.

12. Undang-undang biasa dan undang-undang Islam digambarkan sebagai jumud dan perlu diganti dengan undang-undang Barat. Berzina dan meliwat disaran supaya menjadi sebahagian daripada hak asasi manusia termasuk hak asasi orang Islam.

13. Kita dapati Barat dengan kerjasama orang Islam tertentu sudah berjaya kerana di Malaysia sudah ada orang Islam yang anggap segala sekatan terhadap aneka jenis seks sebagai meniadakan kebebasan semulajadi manusia, sebagai zalim, terutama kepada pembesar politik. Dan ramai sudah orang Islam di Malaysia yang percaya ahli politik seperti inilah yang patut dipilih untuk memerintah negara Malaysia. Dengan kuasa yang diberi kepada mereka ini maka segala yang lapok di negara ini akan diganti dengan pendapat semasa termasuk merdeka seks.

14. Walaupun Barat menerima zina dan liwat sebagai perkara biasa, tetapi mereka tidak dapat terima paksaan keatas mangsa zina atau liwat. Sebab itu apabila seorang wanita melaporkan yang pengarah IMF Strauss Kahn telah merogolnya pihak berkuasa terus tangkap Strauss Kahn dan jawatannya dilucutkan.

15. Di Malaysia juga apabila laporan diterima dari mangsa yang dianya telah di liwat, tentulah wajar tertuduh dikenakan tindakan undang-undang. Ini sudah tentu tidak lapok kerana Barat juga mengamalkannya.

16. Disini ingin saya jelas bahawa "teknikal" bukan bermakna tidak. Jenayah berlaku, bukan tidak berlaku. Hanya hakim tidak dapat hilangkan keraguannya terhadap bukti yang tertuduh melakukannya. Mungkin orang lain!! Kenapa mangsa tidak menuduh orang lain, wallahuwalaam.

P.S.

a. Newsweek melaporkan berkenaan tuduhan merogol yang dibuat oleh Diallo, perempuan kulit hitam yang bekerja sebagai pencuci bilik hotel terhadap Dominique Strauss-Kahn, pengarah IMF, seorang orang besar berkulit putih.

b. Walaupun Strauss-Kahn ditangkap kerana merogol dan ada bukti yang mangsa telah dirogol, tetapi pendakwaraya tidak membawa kes ini untuk dibicara dalam mahkamah.

c. Kononnya Diallo suka membohong. Apakah pembohongan yang dibuat? Kononnya dia membohong tentang apa yang dilakukan olehnya selepas dirogol, bilik mana yang dia pergi dan berapa lama.

d. Kononnya dia (biasa) membohong berkenaan duit yang diberi kepadanya dan lain-lain pembohongan lagi. Akhbar melapor oleh kerana dia biasa membohong, panel hakim tidak akan percaya yang dianya telah dirogol. Sebab itu Strauss-Kahn tidak dihadapkan ke mahkamah.

e. Tanya penulis rencana dalam Newsweek, "apakah panel hakim tidak tahu yang perempuan yang membohong juga boleh jadi mangsa rogol?"

f. Di Malaysia soalnya ialah apakah orang yang melafazkan sumpah dengan menjunjung Quran dalam masjid juga tidak boleh dipercayai? Sebaliknya orang yang tidak berani bersumpah boleh dipercayai.

Dear Tun,

Please allow me to quote Abdulazizomar
Abdulazizomar said

“Subhaan Allah (Glory be to God), no wonder prophet Muhammad will complain to God on the Day of Judgment that his people have deserted this Quran.

May Allah grant us

The Knowledge to recognize the truth,
The Wisdom to adopt it as our path
The Patience to steadfastly adhere to it, and
The Courage to defend it.

Thank you Tun!”

May I inquire, is this Hadis Daif from false prophet Abdulazizomar?

Dear Tun,

May I address Abdulazizomar

Dear Abdulazizomar,

In your last posting you implied Friday prayers at our masjid are idol worshipping. Are you some kind of religious authority to make such serious claim and defamation of our mosques? Either you are better in religious knowledge than the Ustadz at JAKIM and Mufti or you are the enemy of Islam and a fraud trying to undermine Islam as practised in Malaysia. Judging from your bold and audacious claims quoting English translation of Holy Quran, either you are a real prophet or a false prophet or somebody like Ayah Pin. To me you are trying to be too clever and personally how many Surah have you memorised? At least Saudara Wajaperak has memorised Surah Al Kafi. Memorizing Quran is a must, otherwise how are you going to solat? I think Abdulazizomar is talking a lot of nonsense and rubbish when he said he is the follower of Nabi Ibrahim as stated in his English translation of the Holy Quran.

“Friday prayer is personally obligatory. It has been established from the Quran, Hadith and the consensus of the Ummah. It is one of the most salient features of Islam. The person who rejects Friday prayer is a kafir. The one who misses it without any valid excuse is a fasiq.

1. Allah Most High says in the Quran:

“O you who believe! When the call for Friday prayer is made, hasten towards the remembrance of Allah Most High and leave all transactions. This is best for you if only you know.”

In this verse, “remembrance” refers to the Friday prayer and khutbah. “Hasten” means that one should go with great concern and care.

2. The Messenger of Allah (PBUH) said: “the person who has a bath on Friday, purifies himself as far as

possible, applies oil to his hair, applies perfume, leaves for the mosque, when he arrives at the mosque he does not sit down by removing anyone from his place, offers as many nafl prayers as possible, when the imam delivers the khutbah he remains silent – then his sins from the previous Friday till now will be forgiven.” (Bukhari)

3. The Messenger of Allah (PBUH) said: “the person who has a bath on Friday and goes early to the mosque on foot, and not by a vehicle, listens to the khutbah and does not do any foolish act while it is being delivered, will get the reward of one year’s worship, one year’s fasting, and one year’s prayer; for every step that he takes.” (Tirmidhi)

4. Hadrat Ibn Umar and Abu Hurairah (Allah be pleased with them) narrate that they heard the Messenger of Allah (PBUH) saying: “People should abstain from leaving out Friday prayer. If not, Allah Most High will put a seal over their hearts whereby they will fall into severe negligence.” (Muslim)

5. Taariq bin Shihaab (Allah be pleased with him) narrates that the Messenger of Allah (PBUH) said: “the Friday prayer with congregation is a duty which is necessary for every Muslim with the exception of the following four persons: (i) a slave, that is the one who is owned by someone according to the rules laid down by the Shariah, (ii) a woman, (iii) an immature boy, (iv) a sick person.” (Abu Dawud)”

Assallammualaikum Tun..

abdazizomar dah jelas mengaku dia kafir..

Dah lama dah...saya (abdazizomar) tidak mendatangi masjid..

abdazizomar mengingkari Ayat Al Quran ini..

Dalam Surah At-Taubah, ayat 16 dan 17, Allah telah menegaskan bahawa:-

16. Tidaklah pantas orang-orang musyrik itu memakmurkan masjid-masjid Allah, sedang mereka mengakui bahawa mereka sendiri kafir. Itulah orang-orang yang sia-sia pekerjaannya, dan mereka kekal di dalam neraka.

Tun..Terima kasih..

Salam Tun,

I had a very interesting experience that I would like to share since we are all subjected to these kinds of circumstances. A few days back a couple of my friends came to see me and talk to me about not attending the Friday prayer at the masjid (mosque) anymore. When I told them that I stopped going there since this masjid, like many others, advocate idol worshipping, they were stunned!! They tried to argue with me that fact and getting on my case for calling these, so-called-Muslims, idol-worshippers. Here, I'm representing my argument.

First I started with reciting the following verses:

[72:18] The places of worship belong to GOD; do not call on anyone else beside GOD.

[9:107] There are those who abuse the masjid by practicing idol worship, dividing the believers, and providing comfort to those who oppose GOD and His messenger. They solemnly swear: "Our intentions are honorable!" GOD bears witness that they are liars.

[9:108] You shall never pray in such a masjid. A masjid that is established on the basis of righteousness from the first day is more worthy of your praying therein. In it, there are people who love to be purified. GOD loves those who purify themselves.

Then I explained a very important issue that's very misunderstood by the majority of people: The difference between a KAFER (non-believer) and a MUSHRIK (idol-worshiper).

The common idea of an idol-worshiper is a person who prays to a statue or some form of idol (such as fire, sun, moon, stars, animals...etc) but when reviewing this matter in the light of the Quran, we'll simply find that this isn't the complete truth. Let's check some verses in which God is talking or describing idol-worshipers.

There is one verse in which God is talking to the believers, the ones who followed prophet Muhammad and chose Islam as their true religion.

[6:121] Do not eat from that upon which the name of GOD has not been mentioned, for it is an abomination. The devils inspire their allies to argue with you; if you obey them, you will be idol worshipers.

My question here is WHY? Why would people who truly believe in God alone, when committing what's considered a minor sin (not mentioning Allah's name when they eat) are considered idol-worshipers? It's because they accepted the arguments of devils' allies and disregarded God's revelations by accepting other source of LAW beside Him. This is clearly stated in the following verses:

[7:3] You shall all follow what is revealed to you from your Lord; do not follow any idols besides Him. Rarely do you take heed.

[42:21] They follow idols who decree for them religious laws never authorized by GOD. If it were not for the predetermined decision, they would have been judged immediately. Indeed, the transgressors have incurred a painful retribution.

[6:114] Shall I seek other than GOD as a source of law, when He has revealed to you this book fully detailed? Those who received the scripture recognize that it has been revealed from your Lord, truthfully. You shall not harbor any doubt.

Now notice that whenever the word IDOL is mentioned, it's always accompanied by BESIDE. Meaning that idol worshipers do believe in God (unlike the non-believers) but they always defy God's revelations by:

1. Glorifying or praising someone or something beside God in any act for worship (prayers [doa'a], Salaat...etc.)

[43:86] None of those whom they idolize beside Him possess any power to intercede, unless their intercession coincides with the truth, and they fully know.

[6:82] Those who believe, and do not pollute their belief with idol worship, have deserved the perfect security, and they are truly guided.

[30:31] You shall submit to Him, reverence Him, observe the Contact Prayers (Salat), and—whatever you do—do not ever fall into idol worship.

2. Following others beside God as source of religious laws (by making things lawful or unlawful)

[43:21] Have we given them a book before this, and they are upholding it?

[43:22] The fact is that: they said, “We found our parents carrying on certain practices, and we are following in their footsteps.”

[4:60] Have you noted those who claim that they believe in what was revealed to you, and in what was revealed before you, then uphold the unjust laws of their idols? They were commanded to reject such laws. Indeed, it is the devil’s wish to lead them far astray.

[39:38] If you ask them, “Who created the heavens and the earth?” they will say, “GOD.” Say, “Why then do you set up idols beside GOD? If GOD willed any adversity for me, can they relieve such an adversity? And if He willed a blessing for me, can they prevent such a blessing?” Say, “GOD is sufficient for me.” In Him the trusters shall trust.

[3:79] Never would a human being whom GOD blessed with the scripture and prophet-hood say to the people, “Idolize me beside GOD.” Instead, (he would say), “Devote yourselves absolutely to your Lord alone,” according to the scripture you preach and the teachings you learn.

3. Expecting these idols to get them closer to God or intercede on their behalf on the Day of Judgment when these idols are unaware of being worshiped (like Jesus, Mary and Muhammad). Note they’re all humans, righteous people and not just statues and they, themselves, are seeking God’s mercy and forgiveness!

[46:5] Who is farther astray than those who idolize beside GOD idols that can never respond to them until the Day of Resurrection, and are totally unaware of their worship?

[46:6] And when the people are summoned (on the Day of Judgment), their idols will become their enemies, and will denounce their idolatry.

[10:18] They worship beside GOD idols that possess no power to harm them or benefit them, and they say, “These are our intercessors at GOD!” Say, “Are you informing GOD of something He does not know in the heavens or the earth?” Be He glorified. He is the Most High; far above needing partners.

[17:57] Even the idols that they implore are seeking the ways and means towards their Lord. They pray for His mercy, and fear His retribution. Surely, the retribution of your Lord is dreadful.

[39:3] Absolutely, the religion shall be devoted to GOD alone. Those who set up idols beside Him say, “We idolize them only to bring us closer to GOD; for they are in a better position!” GOD will judge them regarding their disputes. GOD does not guide such liars, disbelievers.

[2:166] Those who were followed will disown those who followed them. They will see the retribution, and all ties among them will be severed.

4. Doing these things while being unaware of their gross sin by simply not studying the Quran carefully (as God commanded us) or following their ancestors ways.

[7:173] Nor can you say, “It was our parents who practiced idolatry, and we simply followed in their footsteps. Will You punish us because of what others have innovated?”

[12:106] The majority of those who believe in GOD do not do so without committing idol worship.

[6:22] On the day when we summon them all, we will ask the idol worshipers, “Where are the idols you set up?”

[6:23] Their disastrous response will be, “By GOD our Lord, we never were idol worshipers.”

[6:24] Note how they lied to themselves, and how the idols they had invented have abandoned them.

[2:165] Yet, some people set up idols to rival GOD, and love them as if they are GOD. Those who believe love GOD the most. If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs to GOD alone, and that GOD’s retribution is awesome.

In the end, I concluded my argument with a few other verses as a reminder and a manifest warning so they may take heed.

[4:82] Why do they not study the Quran carefully? If it were from other than GOD, they would have found in it numerous contradictions.

[6:106] Follow what is revealed to you from your Lord, there is no god except He, and disregard the idol worshipers.

[18:54] We have cited in this Quran every kind of example, but the human being is the most argumentative creature.

[32:22] Who is more evil than one who is reminded of these revelations of his Lord, then insists upon disregarding them? We will certainly punish the guilty.

[47:24] Why do they not study the Quran carefully? Do they have locks on their minds?

[47:25] Surely, those who slide back, after the guidance has been manifested to them, the devil has enticed them and led them on.

Subhaan Allah (Glory be to God), no wonder prophet Muhammad will complain to God on the Day of Judgment that his people have deserted this Quran.

May Allah grant us

The Knowledge to recognize the truth,
The Wisdom to adopt it as our path
The Patience to steadfastly adhere to it, and
The Courage to defend it.

Thank you Tun!

Salam Tun,

Please allow me to share the verses from Al Quran to some of your friends here.

Etiquett (Two Prayers Mentioned by Name)

[24:58] O you who believe, permission must be requested by your servants and the children who have not attained puberty (before entering your rooms). This is to be done in three instances – before the Dawn Prayer, at noon when you change your clothes to rest, and after the Night Prayer. These are three private times for you. At other times, it is not wrong for you or them to mingle with one another. GOD thus clarifies the revelations for you. GOD is Omniscient, Most Wise.

[24:59] Once the children reach puberty, they must ask permission (before entering) like those who became adults before them have asked permission (before entering). GOD thus clarifies His revelations for you. GOD is Omniscient, Most Wise.

The Noon Prayer

[17:78] You shall observe the Contact Prayer (Salat) when the sun declines from its highest point at noon, as it moves towards sunset. You shall also observe (the recitation of) the Quran at dawn. (Reciting) the Quran at dawn is witnessed.

You Shall Observe the Contact Prayers

[2:238] You shall consistently observe the Contact Prayers, especially the middle prayer, and devote yourselves totally to GOD.

Three of the Five Prayers

[11:114] You shall observe the Contact Prayers (Salat) at both ends of the day, and during the night. The righteous works wipe out the evil works. This is a reminder for those who would take heed.

Above verses prove to us that each prayer time was given by Allah to remind us of doing the Contact Prayer to Him in order to be close to Him.

But of course some of us are not happy with the above proof that they will continue asking and doubting the fact that Allah made it clear in those verses. For some, the proofs shown is not enough because they insist on believing Hadith to explain the details of how to do Solat.

But they forget that Solat was done long before Prophet Muhammad came to this world. It was done during the time of Prophet Abraham and his son, Ismail. When Allah stated clearly in the Quran of when to do it, it must have been in the practice of the community since the time of Abraham. Abraham taught his children and family, and go on like that until now. Allah takes good care of the way Solat is done by us, Muslim.

As for the Middle prayer, it is the most missed Solat for many people because the time is very short and most people do not have any break time during their work, or either they are doing sports. That is why Allah mentioned in 2:238, 'especially the middle prayer' because He knows that we are always occupied during the time. But for those who are consistently worshiping Allah, they do not find excuse to miss it or doing it the different way like some people who combine the Zuhur and Asar prayer just to make their life easier. This practice is not Quranic and base on Hadith teaching.

Some people like to question so much of the lacking in information of the al Quran but they forget that Allah's words is sufficient enough for those who believe. If they choose not to believe it, it is their problem, as for those believe, they will be among the winners!

God bless us all!

Salam Tun,

I would like first to explain the details of 'Syahadah' mentioned in the Al Quran for everyone to see.

True Proclamation of Faith

Before we humans were banished to this earth, God Most Merciful gave us crucial information we would need to redeem ourselves. Thus we are born with instinctive knowledge about God:

[7:172] Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "Am I not your Lord?" They all said, "Yes. We bear witness." Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

[7:173] Nor can you say, “It was our parents who practiced idolatry, and we simply followed in their footsteps. Will You punish us because of what others have innovated?”

[7:174] We thus explain the revelations, to enable the people to redeem themselves.

The major commandments are very clear in the Quran:

[4:36] You shall worship GOD alone – do not associate anything with Him...

[13:36] ...Say, “I am simply enjoined to worship GOD, and never associate any idols with Him. I invite to Him, and to Him is my ultimate destiny.”

We took a covenant with God to uphold these commandments. Otherwise, the devil is the other alternative.

[36:60] Did I not covenant with you, O Children of Adam, that you shall not worship the devil? That he is your most ardent enemy?

[36:61] And that you shall worship Me alone? This is the right path.

[36:62] He has misled multitudes of you. Did you not possess any understanding?

[5:7] Remember GOD’s blessing upon you, and His covenant that He covenanted with you: you said, “We hear and we obey.” You shall observe GOD; GOD is fully aware of the innermost thoughts.

How did we go wrong?

Satan, our most ardent enemy, has once again caused multitudes of humans to disregard our Creator’s soul-saving advice. He has whispered to us that there is no harm in associating others with God as “we are merely acknowledging and giving respect to God’s messengers.” Whom should we believe? God, Lord of the Universe, or Satan who duped us before and caused our eviction from Paradise?

[7:19] “As for you, Adam, dwell with your wife in Paradise, and eat therefrom as you please, but do not approach this one tree, lest you fall in sin.”

[7:20] The devil whispered to them, in order to reveal their bodies, which were invisible to them. He said, “Your Lord did not forbid you from this tree, except to prevent you from becoming angels, and from attaining eternal existence.”

[7:21] He swore to them, “I am giving you good advice.”

[7:22] He thus duped them with lies. As soon as they tasted the tree, their bodies became visible to them, and they tried to cover themselves with the leaves of Paradise. Their Lord called upon them: “Did I not enjoin you from that tree, and warn you that the devil is your most ardent enemy?”

The Quran, God’s great gift to us, repeatedly gives us the correct information about the most important commandment and the greatest criterion:

[3:18] GOD bears witness that there is no god except He, and so do the angels and those who possess knowledge. Truthfully and equitably, He is the absolute god; there is no god but He, the Almighty, Most Wise.

[37:35] When they were told, “Laa Elaaha Ella Allah [There is no other god beside GOD],” they turned arrogant.

[39:45] When GOD ALONE is mentioned, the hearts of those who do not believe in the Hereafter shrink with aversion. But when others are mentioned beside Him, they become satisfied.

[3:79] Never would a human being whom GOD blessed with the scripture and prophethood say to the people, “Idolize me beside GOD.” Instead, (he would say), “Devote yourselves absolutely to your Lord alone,” according to the scripture you preach and the teachings you learn.

[3:80] Nor would he command you to idolize the angels and the prophets as lords. Would he exhort you to disbelieve after becoming submitters?

The Most Gracious further informs us that He sent all of His messengers with the same message (shahadah).

[21:25] We did not send any messenger before you except with the inspiration: “There is no god except Me; you shall worship Me alone.”

In addition, God gives us enough examples of His messengers to eradicate all doubt.

[7:59] We sent Noah to his people, saying, “O my people, worship GOD; you have no other god beside Him. I fear for you the retribution of an awesome day.”

[21:56] He said, “Your only Lord is the Lord of the heavens and the earth, who created them. This is the testimony to which I bear witness. (Abraham)

[7:158] Say, “O people, I am GOD’s messenger to all of you. To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death.” Therefore, you shall believe in GOD and His messenger, the gentile prophet, who believes in GOD and His words. Follow him, that you may be guided. (Moses)

[3:51] “GOD is my Lord and your Lord; you shall worship Him alone. This is the right path.” (Jesus) Prophet Muhammad preached the Quran, the whole Quran, and nothing but the Quran:

[6:19] Say, “Whose testimony is the greatest?” Say, “GOD’s. He is the witness between me and you that this Quran has been inspired to me, to preach it to you and whomever it reaches. Indeed, you bear witness that there are other gods beside GOD.” Say, “I do not testify as you do; there is only one god, and I disown your idolatry.” (Muhammad)

God’s Messenger of the Covenant also preached the same message:

[13:30] We have sent you (O Rashad) to this community, just as we did for other communities in the past. You shall recite to them what we reveal to you, for they have disbelieved in the Most Gracious. Say, “He is my Lord. There is no god except He. I put my trust in Him alone; to Him is my ultimate destiny.”

In fact, every single messenger of God, without any exception, came with the same straightforward message:

[7:65] To `Aad we sent their brother Hood. He said, “O my people, worship GOD; you have no other god

beside Him. Would you then observe righteousness?"

[21:87] And Zan-Noon (Jonah, "the one with an 'N' in his name"), abandoned his mission in protest, thinking that we could not control him. He ended up imploring from the darkness (of the big fish's belly): "There is no god other than You. Be You glorified. I have committed a gross sin."

[12:38] "And I followed instead the religion of my ancestors, Abraham, Isaac, and Jacob. We never set up any idols beside GOD. Such is the blessing from GOD upon us and upon the people, but most people are unappreciative. (Joseph)

[7:73] To Thamoud we sent their brother Saaleh. He said, "O my people, worship GOD; you have no other god beside Him. Proof has been provided for you from your Lord: here is GOD's camel, to serve as a sign for you. Let her eat from GOD's land, and do not touch her with any harm, lest you incur a painful retribution.

[7:85] To Midyan we sent their brother Shu'aib. He said, "O my people, worship GOD; you have no other god beside Him. Proof has come to you from your Lord. You shall give full weight and full measure when you trade. Do not cheat the people out of their rights. Do not corrupt the earth after it has been set straight. This is better for you, if you are believers.

[20:90] And Aaron had told them, "O my people, this is a test for you. Your only Lord is the Most Gracious, so follow me, and obey my commands."

[37:125-6] "Do you worship a statue, instead of the Supreme Creator? GOD; your Lord, and the Lord of your forefathers!" (Elias)

[23:32] We sent to them a messenger from among them, saying, "You shall worship GOD. You have no other god beside Him. Would you not be righteous?" (Unknown)

The Quran which God calls the "Messenger of God," undoubtedly proclaims the same message:

[11:2] Proclaiming: "You shall not worship except GOD. I come to you from Him as a warner, as well as a bearer of good news.

What of those of us who are not messengers? God gives us our examples.

[46:13] Surely, those who say, "Our Lord is GOD," then lead a righteous life, will have no fear, nor will they grieve.

[31:13] Recall that Luqmaan said to his son, as he enlightened him, "O my son, do not set up any idols beside GOD; idolatry is a gross injustice."

[18:14] We strengthened their hearts when they stood up and proclaimed: "Our only Lord is the Lord of the heavens and the earth. We will never worship any other god beside Him. Otherwise, we would be far astray. (Dwellers of the Cave)

[18:38] "As for me, GOD is my Lord, and I will never set up any other god besides my Lord. (The man from the garden)

[7:121] They said, "We believe in the Lord of the universe. (The magicians)

[2:133] Had you witnessed Jacob on his death bed; he said to his children, "What will you worship after I

die?" They said, "We will worship your god; the god of your fathers Abraham, Ismail, and Isaac; the one god. To Him we are submitters."

[72:1] Say, "I was inspired that a group of jinns listened, then said, 'We have heard a wonderful Quran.

[72:2] " 'It guides to righteousness, and we have believed in it; we will never set up any idols beside our Lord.

[72:3] " 'The Most High is our only Lord. He never had a mate, nor a son.

In all the examples that God has given in the Quran of believers proclaiming their faith in Him (Shahadah), there is not one who has mentioned any other name with God. The only instance in the Quran where this occurs is in Sura 63 titled Hypocrites:

[63:1] When the hypocrites come to you they say, "We bear witness that you are the messenger of GOD." GOD knows that you are His messenger, and GOD bears witness that the hypocrites are liars.

[63:2] Under the guise of their apparent faith, they repel the people from the path of GOD. Miserable indeed is what they do.

[63:3] This is because they believed, then disbelieved. Hence, their minds are blocked; they do not understand.

God calls these people hypocrites and alerts us to their ultimate destiny.

[4:145] The hypocrites will be committed to the lowest pit of Hell, and you will find no one to help them.

If any person still harbors doubt after all these examples from his Creator, perhaps he/she should choose to be on the safe side and consider Abraham's conclusion:

[19:48] "I will abandon you and the gods you worship beside GOD. I will worship only my Lord. By imploring my Lord alone, I cannot go wrong."

Thank you Tun

Assalamualaikum Tun,

Saya berpendapat bahawa apa sahaja perlembagaan dan undang-undang yang diamalkan di Malaysia masa kini yang bertentangan dengan corak pemikiran, cara bertindak, berlawanan dengan kepercayaan dan keyakinan diri, tidak bersesuaian dengan gaya berpolitik dan tidak menyebelahi kepentingan peribadinya, maka DSAI akan menganggap perlembagaan dan undang-undang amalan Malaysia itu sudah lapuk.

Di atas nama hak asasi manusia yang diamalkan oleh barat mahu diimplementasi oleh DSAI jika berjaya menguasai Putrajaya sebagai Perdana Menteri. DSAI mahu menjadi Perdana Menteri Malaysia yang dikagumi oleh dunia barat. Arah tuju perjuangan DSAI melalui Pakatan Rakyat (DAP, PKR & Pas) untuk mendapatkan kuasa amat berlawanan dengan amalan majoriti rakyat Malaysia berlandaskan undang-undang dan perlembagaan sedia ada lebih-lebih lagi yang jelas bercanggah dengan syariat Agama Islam dan amalan budaya rakyat Malaysia yang terdiri dari berbagai kaum dan budaya.

Mensamaratakan agama suci Islam dengan agama lain adalah suatu pendekatan yang salah dari pandangan Islam dan boleh merosakan akidah. Pendekatan mensamaratakan semua agama (Islam dan agama lain) merupakan suatu kaedah untuk meraih sokongan peribadi dan politik dari berbagai kaum di Malaysia yang cuba diaplikasikan oleh DSAI untuk meraih kuasa.

Masyarakat barat tidak memandang perlakuan homoseksual, kahwin sejenis, lesbian dan sebagainya sebagai suatu kesalahan berasaskan hak asasi manusia. Amalan sedemikian oleh masyarakat barat amat bertentangan dengan syariat Islam. Masyarakat Islam di Malaysia dan di seluruh dunia seharusnya menolak segala total amalan kepimpinan yang bercanggah dengan syariat Islam.

Perlembangan dan undang-undang yang diamalkan di negara Malaysia amatlah bersesuaian dengan masyarakat Malaysia semenjak kita mencapai kemerdekaan, ianya tidak lapuk seperti yang didakwa oleh ketua pembangkang. Kerajaan Barisan Nasional amat perihatin terhadap keperluan rakyat Malaysia. Tiada amalan bersifat ketidakadilan kepada mana-mana golongan rakyat Malaysia yang sentiasa mendapat perlindungan secukupnya dari perlembagaan dan undang-undang sedia ada. Jika terdapat undang-undang yang tidak lagi relevan mengikut peredaran masa, ianya akan dipinda atau dibuat penambahbaikan dari semasa ke semasa oleh Parlimen yang dipilih oleh rakyat.

Rakyat Malaysia yang cintakan keamanan, kedamaian dan mahukan segala bentuk pembangunan untuk kesejahteraan hidup seharusnya menyokong secara konsisten kerajaan Barisan Nasional sedia ada yang telah terbukti mampu dengan jayanya mentadbir urus negara Malaysia semenjak Merdeka lagi.

Sekian, terima kasih dan salam hormat Tun.

Dear Tun,

Please allow me to reply to abdulazizomar,

I quote

“The five times are specified in the Al Quran

- (1) The Dawn Prayer is mentioned by name in 24:58. Before sunrise.
- (2) The Noon Prayer is specified in 17:78. When the sun declines.
- (3) The Afternoon Prayer is in 2:238. Midway between noon and sunset.
- (4) The Sunset Prayer is mentioned in 11:114. Immediately after sunset.
- (5) The Night Prayer is in 11:114, and is mentioned by name in 24:58.

The reason why I do Contact Prayers is because I want to grow my soul. My soul will last forever. And of course I want to be among the winners during the Hereafter who follow exactly what Prophet Muhammad brought to this world, which is the al Quran.

So why don't you now answer the Zakat process that was mentioned in the Quran. Since you are smart one, and the PERFECT MUSLIMS who does not follow Islam blindly, please share your thoughts on that. And please also use ONLY AL QURAN to justify your point for God sake!

Nobody is greater than God and I am full aware of that. But for those who try to corrupt the religion of God are to be condemned. Those who try to bring different teachings other than Al Quran are the enemy of Allah and this is clearly stated in the Al Quran.”

How do you perform the actual physical ritual of solat as it is not specified in the Quran. I disagree with you if you totally exclude hadis and sunnah. However, from your description of prayer times I assume you follow convention meaning 2 rakaat for Subuh, 4 rakaat for zohor, asar and isyak, 3 rakaat for maghrib.

Please don't mock me that I am the perfect muslim. Nobody is a perfect muslim, not you and not me as long we are humans. Humans are daif. Only Allah is perfect. We are here not to show off in a debate like Chua Soi Lek and Lim Guan Eng. It is our duties as muslims to dakwah as our holy Prophet(PBUH) did. If I ever hurt you or wrongly accused you, I hereby apologise without any reservation. I am not a religious authority in any way. But we know where we stand. Any religious dispute, please refer to the authority,JAIS, for selangor and JAKIM, for Malaysia.

One last question I would like to inquire from you. What does Quran say about bribery and corruption? You don't have to answer if you feel not comfortable. cheers.

abdulaziz, amin tan.

i tak tau sangat how zakat diuruskan kat mesia ni.

for me, something is not right on how they handle the zakat.

for me, please dont use duit zakat to make more money. no need dilaburkan or finance project.

duit zakat sepatutnyer dihabiskan kepada fakir miskin anak yatim there and then.. so we only require org yang diamanahkan untuk mengagihkan duit zakat for a short period. bukan pekerjaan tetap. ni nampak macam org makan gaji untuk mengagihkan duit zakat. what a shame... i dont know if that can be classified as haram... i tak arif.

since duit zakat dilaburkan untuk mengembangkan jumlah atau menambahkannya, i think the zakat spirit is no longer there.

hence melambak lah murtad n fakir di negara islam kiter ini.

Salam Tun,

Saudara AminTan,

Of course I did the 5 daily contact prayers and I read the Al Fatihah in Arabic and of course I understand the meaning of it too. And I pray 5 times day from Subuh, Zuhur, Asar, Maghrib, and Isyak. But I do it at specific time when God tells me to do and I do not find excuse in missing them. And if I do miss them, I will ask God's forgiveness so that I can do better next time. But I do not change the time of Solat just to make life easier for me. When Allah said we have to pray at the specific time, we must obey so. We do not change it and make it differently. We must always remember God and do not find excuse in meeting Him during our daily life.

The five times are specified in the Al Quran

- (1) The Dawn Prayer is mentioned by name in 24:58. Before sunrise.
- (2) The Noon Prayer is specified in 17:78. When the sun declines.
- (3) The Afternoon Prayer is in 2:238. Midway between noon and sunset.
- (4) The Sunset Prayer is mentioned in 11:114. Immediately after sunset.
- (5) The Night Prayer is in 11:114, and is mentioned by name in 24:58.

The reason why I do Contact Prayers is because I want to grow my soul. My soul will last forever. And of course I want to be among the winners during the Hereafter who follow exactly what Prophet Muhammad brought to this world, which is the al Quran.

So why don't you now answer the Zakat process that was mentioned in the Quran. Since you are smart one, and the PERFECT MUSLIMS who does not follow Islam blindly, please share your thoughts on that. And please also use ONLY AL QURAN to justify your point for God sake!

Nobody is greater than God and I am full aware of that. But for those who try to corrupt the religion of God are to be condemned. Those who try to bring different teachings other than Al Quran are the enemy of Allah and this is clearly stated in the Al Quran.

Only One Religion: Monotheists vs Idol Worshipers

[42:13] He decreed for you the same religion decreed for Noah, and what we inspired to you, and what we decreed for Abraham, Moses, and Jesus: "You shall uphold this one religion, and do not divide it." The idol worshipers will greatly resent what you invite them to do. GOD redeems to Himself whomever He wills; He guides to Himself only those who totally submit.

[42:14] Ironically, they broke up into sects only after the knowledge had come to them, due to jealousy and resentment among themselves. If it were not for a predetermined decision from your Lord to respite them for a definite interim, they would have been judged immediately. Indeed, the later generations who inherited the scripture are full of doubts.

Quran: The ONLY Source

[17:46] We place shields around their minds, to prevent them from understanding it, and deafness in their ears. And when you preach your Lord, using the Quran alone, they run away in aversion.

So please Saudara AminTan, do your talking now.

Thank you!

Dear Tun,

May I quote Abdulazizomar,

” Please do not follow anything blindly just like how you follow your religion!”

You are saying I follow Islam blindly. Do you perform the daily compulsory 5 times a day prayer like I do? How many rakaat each prayer you recite. What do you recite in each rakaat. Can you or do you recite Al-Fatihah in English or in Arabic? Why do you pray 5 times daily like all practising Muslims do, if you ever do? Please sincerely answer the few simple questions I am asking you to see whether we are talking about the same Islam which you say I follow blindly, of which I fully agree because I BELIEVE IT IS WAHYU (REVELATION) FROM ALLAH. Don't be too arrogant and too sure of yourself. Allah is greater than you can ever imagine. Allahuakhbar!!!

Mengikut anda, Anwar Ibrahim lebih baik daripada Najib Tun Razak mungkin kerana anda dan Anwar Ibrahim sama2 sokong Yahudi.

“But why don't we look at ourselves the Muslims? For the past 70 or 80 years, what have they done? The Palestinians? Have they been doing something good for their country and Islam? Have they try to change their own fate to better themselves and their destiny? Have they really done good among them to deserve happiness in their own land?”

Dalam perbalahan di antara Yahudi dengan Islam di Palestine, terang2 AbdulAzizOmar menyokong pihak Yahudi. Memang benar kata Saudara Wajaperak bahawa AbdulAzizOmar musuh Islam.

Apakah orang2 Arab Islam boleh dan mampu lakukan apabila mereka seeding ditakluki dan dizalimi oleh tentera Yahudi zionis yang amat kejam? AbdulAzizOmar tidak ikhlas dengan Islam apabila beliau mengatakan saya tidak patut mengikut Islam secara membabi buta.

Buta. Beliau pernah mengatakan ajaran Islam dewasa ini adalah salah. Shahadah kita sepatutnya satu kalimah sahaja, 'la ila ha illallah'.

Bagi saya beliau ada agenda Yahudi untuk menyesatkan orang2 Islam.

Salam!

[5:41] O you messenger, do not be saddened by those who hasten to disbelieve among those who say, "We believe," with their mouths, while their hearts do not believe. Among the Jews, some listened to lies. They listened to people who never met you, and who distorted the words out of context, then said, "If you are given this, accept it, but if you are given anything different, beware." Whomever God wills to divert, you can do nothing to help him against God. God does not wish to cleanse their hearts. They have incurred humiliation in this world, and in the Hereafter, they will suffer a terrible retribution.

[5:42] THEY ARE UPHOLDERS OF LIES, AND EATERS OF ILLICIT EARNINGS. If they come to you to judge among them, you may judge among them, or you may disregard them. If you choose to disregard them, they cannot harm you in the least. But IF YOU JUDGE AMONG THEM, YOU SHALL JUDGE EQUITABLY. God loves those who are equitable.

[38:24] He said, "He is being unfair to you by asking to combine your sheep with his. Most people who combine their properties treat each other unfairly, except those who believe and work righteousness, and these are so few." Afterwards, DAVID WONDERED IF HE MADE THE RIGHT JUDGEMENT. He thought that we were testing him. He then implored his Lord for forgiveness, bowed down, and repented.*

* Footnote : In this clear example, 99 on one side vs 1 on the other side, David's extreme care to render the correct judgment caused him to ask forgiveness. Are we this careful?

[38:26] O David, we have made you a ruler on earth. Therefore, YOU SHALL JUDGE AMONG THE PEOPLE EQUITABLY, and DO NOT FOLLOW YOUR PERSONAL OPINION, lest IT DIVERTS YOU FROM THE WAY OF GOD. Surely, those who stray off the way of God incur severe retribution for forgetting the Day of Reckoning.

GOD bless.

Dear Juks,

You're correct that CPI is qualitative and it is merely based on perception. Corruption may not necessarily high basing only on perception. On the other hand, corruption may not necessarily low with high ratings on CPI. The limitation of perception is trully acknowledged.

For example, Malaysia is deemed corrupted over relation between business and politics. But this was not an issue in USA as the practice of lobbyist group is considered ok and legalised. They are ranked 24 with a score of 7.1 while Malaysia was ranked 60 with a score of just 4.3.

In UAE it is okay for government official conducting business themselves and they are not subjected for audits. They are ranked 28 with a score of 6.8.

With the current war on perception, we wouldn't know what's on peoples' minds. As such, you're again correct that it should also be addressed for 'my beloved BN' to ensure their reputation can be improved.

What I am concerned is that with people talking about corruption just for political sentiment to win votes, the real issue is left unattended. We should increase the level of awareness and tighten the controls. That is the real answers for corruption. To me, it is just absurd to link corruption with political ideology because none of ideology in this world promotes corruption as part of their plight.

P/s: Perception is also running high on corruption in Selangor where I lived. When one party is using 'Keadilan' as its ideology, that doesn't mean that other ideology in this world promotes injustice.

Dear Eanis Azman,

The reason corruption is being equated with political parties is more due to the gov. They are in charge of ensuring and also combatting corruption. It is vital that they put in some tough measures into place. Based on the Corruption Perception Index, the public is not convinced yet that corruption is slowing down. Now, based on our good friend Amin Tan's believes, he does not think ppl's perception matter. As mentioned before, it is the most sought after index today to measure corruption as it is a qualitative measurement. Also, ppl's perception do matter as we elect the government. This Index is our response on the issue of corruption and it does not look great. Tun M has stated before that it is absolutely vital that we portray ourselves in a good light as well. It is not about just being a Muslim and believing in your own integrity. If you cannot gain trust from people, then politics is not your field. We can never ever know people's intentions these days. Actions speak louder than words or intentions. So yea, in terms of not understanding why it equates to political parties, they are in charge now. Your beloved BN has not convinced ppl yet. Something to think about. Now I never said that corruption is necessarily on a high. That is the limitation of perception. It is not measureable to an extent. If they wish to contend strongly for the next GE, I really hope that they start putting more focus into combatting corruption. Of course, our beloved ppl in the rural areas have other focuses more towards economic prosperity and how they can benefit from it. However, everything is inter-related today from the corruption, abuse of power to the cops and much more.

Salam YAB & diKasihi Tun,

Yang LAPOK ialah cara kes liwat 2 melibatkan Anwar Ibrahim dikendalikan. Saya pelik sebab mahkamah membenarkan Anwar Ibrahim BEBAS ke hulu ke hilir walaupun semasa menghadapi tuduhan JENAYAH LIWAT dan perbicaraan sedang berjalan.

Mengapakah pihak berwajib tidak berani untuk menahan Anwar Ibrahim (letak beliau di bawah pengawasan Polis)? Lagipun jika beliau tidak bersalah, mengapa beliau asyik menanggung perbicaraan? Tambahan pula ini kali kedua beliau dituduh meliwat. Adakah beliau seorang yang amat tidak bernasib baik sehinggakan beberapa orang telah mengadu diliwat oleh beliau? Saya bukan ahli dalam undang-undang tetapi saya yakin mereka yang menghadapi tuduhan berat seperti rogol, liwat dan bunuh tidak patut dibiarkan bebas kerana jika sudah ada kes dan perbicaraan sedang berlangsung tertuduh mesti ditahan dan diletak di bawah pengawasan polis; takut nanti ada lagi mangsa lain; hak majoriti mesti didahulukan berbanding hak individu.

Lagi satu, taktik Anwar Ibrahim untuk meraih simpati sudah LAPOK. Sudah ramai yang tersedar dari terus kena tipu. Nasib baik saya tidak pernah tertipu dengan lakonan berkesan Anwar.

Terima kasih Tun.

Salam Tun and All,

I've been reading a lot of comments about equating corruption with political standing or party. I've been investigating fraud for quite a number of years now and there isn't any single knowledge that support being partisan is a factor of corruption or fraud. It is all about opportunity and motivation or pressure.

To me, corruption or shall i generalise it as 'fraud', is an intrinsic characteristic of human being. It has been as old as prostitution. It relates to the integrity of the human being which deals greatly with their heart. If the intent is sincere, this will strengthen their heart and assist them in resisting temptations or overcoming the pressure. As a Muslim, I believe that this is the matter of someones faith to Allah.

Of course I am against fraud. And associating me with the party I support with fraud would be quite insulting. To tell me that by electing PR would permanently eradicate fraud is somewhat unsubstantiated. In turn, PR particularly PKR, has somewhat shown its characteristic of fraudster themselves. The dirty tactics, the lies, the immoral behaviour, the manipulation, etc. are indicators that they would be rather

more professional and organised fraudster compared to the foolish act by BN's fraudsters. If BN have fraudsters, they have tendency to produce a better ones. The only thing that I can agree is that PR are envious and wanted to share the cakes with BN.

On other hand people's mind can be corrupted also. Their minds can be corrupted with immoral behaviour like sodomy, drinking problem, lust, sloth, greed, cheating, slander, ill intention, etc. People even wonder what is it wrong with sex in other man anus. This was used to be taboos by all religions in the world but someone has proposed that this has gone 'lapok'.

Politics is all about supporting ideology. Generally in this world today, they are predominantly conservatism and liberalism. There is no ideology in the world that support corruption. Just fight for your cause and stop bragging like you are descended from heaven. It has gotten under people's skin.

If anybody in the Parliament like to talk about curbing corruption then they should voice out specifically how this controls can be done. For PR, they have got less to loose if this are fought concertedly because they have less opportunity compared to BN. Ultimately, nobody is supposed to lose anything if all of us start talking in improving controls on fraud. Be it opposition nor rulling party, it was suppose not to make any difference because all that they got is just chances to contribute to the country with some compensation on allowance, perks and benefit. Even the salary and perks of a pilot, geologist, directors, salesman, etc nowadays are more than the PM itself.

But this was not specifically discussed. Instead, I was forced to just give them the 'power' on 'trial and error' basis. This would just transfer the opportunity to them without any assurance at all.

Someone may have died by 'accident' before the worms could be uncovered. Wonder the reputable triad gangs are backing which party right now. How are these political parties actually financed their activities. And they say I am naive. Well, talk all they can, I've seen them all. I don't buy anything that promotes being politically 'hollier than thou'.

Salam Tun,

Its been a while since the last time I shared my thoughts here on chedet. I have always been following your blog but this time, regarding the comment made by Anwar recently with BBC has stirred a lot of controversy among the Malaysians. I have been waiting for him to comment on it and finally you did.

Anwar now has gone from hero to zero to some people and from zero to hero to some others. But you continuously questioning and attacking Anwar as if something is not settled between the two of you. But lets leave it for both of you to deal with those issue.

I am here to comment on current law practiced in Malaysia. I agree to certain extent of what Anwar said regarding the Law because most of it need to be looked into again and to be revised. This is due to many factors. But of course the gay rights and other related law are totally unacceptable to me. But other law, we need to look into it again debate on it to come out with the best law according to the teaching of al-Quran. Laws relating to the rights of each human being, laws relating to young people involving in politics, laws regarding corruption (must not be biased towards some people only, eg: NFC Issue), Islamic law as practiced today are not according to the right teaching of Islam based on the al-Quran must be looked into and studied too. Whatever the Law made by the Majlis Fatwa is not necessarily correct just because they are ulama but must be according to al-Quran. Eg, the distribution of Zakat practiced today is

not according to the teaching of al-Quran.

[6:141] He is the One who established gardens, trellised and untrellised, and palm trees, and crops with different tastes, and olives, and pomegranate – fruits that are similar, yet dissimilar. Eat from their fruits, and give the due alms on the day of harvest,* and do not waste anything. He does not love the wasters.

*6:141 Zakat charity is so important, the Most Merciful has restricted His mercy to those who give it (7:156). Yet, the corrupted Muslims have lost this most important commandment; they give Zakat only once a year. We see here that Zakat must be given away “on the day we receive income.” The proportion that came to us through Abraham is 2.5% of our net income.

Recipients of Charity

[2:215] They ask you about giving: say, “The charity you give shall go to the parents, the relatives, the orphans, the poor, and the traveling alien.” Any good you do, GOD is fully aware thereof.

The above revelations from the Holy Quran show us that we need to perform obligatory charity when we receive our paycheck and not wait until end of the year because the needy or poor need the money now. They need the money to be spent every month for their food, shelter, clothes, water, support their kids at school and etc not wait end of the year. This is severely been corrupted by our leaders just to make their life easier in terms of getting things worked out their way when it comes to the system of the government. Islam teach us to be fair and just towards the needy and poor and not the other way round.

Also I would like to share with you Tun and everyone else is that Anwar seems to be getting the support of many people. I must say that I agree to some of his point/opinion but not all. I am not a fan of Anwar or anything but I think he has brought the sentiment of change among the youth in Malaysia to vote against the current government due to their poor governance and corruption practice among the top leaders. Anwar has managed to gather information and pull the crowd on to his side to support him against the government.

I believe that many people are now most likely to be voting against the government. But I do not know the future, but this is just my opinion. I would rather see BN leading the country anytime than Anwar and his crony. For me, any country in the world practice corruption and it is impossible for Anwar to come in and expect it to be 100% clean. He was the most corrupt too when he was with the government. He created many crony then but the hardcore PKR fan would deny this fact.

I think Najib is trying hard to repair the problem within UMNO and also to bring back the confidence of the Malays voter for UMNO. He is doing his very best with the GTP and ETP program and I believe he will see the result soon. God willing it will work out well for him.

Tun, many people put the blame on you regarding the current corrupt practice by many top leaders in UMNO/BN. I must say there may be some truth to that too but I do not think it is purely because of you. The practice has been there even before you became the PM of Malaysia but things were getting out of control since the time of Pak Lah.

Many people are wondering if Anwar were to be elected as the next PM of Malaysia, how would it be to people like Tun, and others who are enemy of Anwar? Would they move to overseas to avoid any corruption charges? Or would they stay put and fight like how Anwar fought back when he was thrown into the prison? I believe all Malaysians are waiting for the end of the chapter between you and Anwar.

Sadly to admit this Tun, Najib is no where near to Anwar caliber to lead this country. You are of course

the best PM of Malaysia ever but right now we do not have anyone close to your rank except for Anwar. It is just his personal record is a bit shaky and he has too much hatred in him to lead the country.

I just hope and pray Malaysia will get a leader like you again in the near future. Malaysia is a rich country and we should all share the sum of it in order to reach vision 2020 that now seems to fade away from our target.

Tun, I thank you for allowing me the space to pen my thoughts.

Thank you

Assalamualaikum Tun,
Sekadar berkongsi pendapat....

Joshua Lopez said:

Tun tinggal kat Somalia Ke? Seks sebelum nikah atau seks selepas nikah adalah hal peribadi individu, macam mana dijadikan hal Kerajaan? Rakyat undi Kerajaan untuk diMoral Poliskan oleh Kerajaan? Mana Logiknya? Hal Kerajaan bukan untuk menjaga hal tepi kain orang. Tak malu ke bila kerajaan dah lenyapkan duit rakyat bermillion-million ringgit lepas tu nak katakan tentang isu seks & agama??? Feudal & Hipokrit namaya!

Inilah jadinya kalau semua orang boleh bercakap..... seingat saya zaman Tun dulu tidak ada orang yang "sekurang ajar" seperti ini bersuara. Ya Allah.....

Rukun Negara Malaysia:

1. Kepercayaan kepada tuhan
2. Kesetiaan kepada raja dan negara
3. Keluhuran perlembagaan
4. Kedaulatan undang-undang
5. Kesopanan dan kesusilaan

JL rukun negara yang pertama dah fail.... so saya cadangkan JL pilih mana-mana negara dalam dunia ni yang membolehkan seks sebelum kawin or seks belakang taro... jangan tinggal di sini... this is an Islamic Country. I can assure you that i will and willing untuk mempertahankan negara Malaysia ini ke titisan darah yang terakhir...(please hayati masuk perkataan saya).

Saya bukan pro atau kontra kepada Tun tapi.... saya sokong kepada kebenaran dan saya respect the elderly... terutamanya the elderly yang telah banyak berjasa kepada negara.

Dulu masa muda-muda saya mengundi ikut ikutan.... kawan-kawan pangkah dacing saya pangkah dacing, kawan-kawan pangkah bulan saya pangkah bulan... (baik takde parti kepala paip, kalau ada pun saya pangkah juga dek mengikut kawan-kawan). Tapi sekarang nak melangkah kaki ke tempat mengundi pun saya rasa gerun.... why??? Takut salah pilih:

1. Parti A – track record excellent, banyak jasanya, ramai orang bijak pandai, negara membangun, tapi "asuk"nya pun excellent.... terang-terang rasuahnya, kalau kakitangan kerajaan atau swasta dah lama masuk dalam jika anak bini dapat projek hehehehe... yang No 1 kureng kawalan pada "surinya"... kalau balik shopping, terus bawak balik rumah barang2, jangan letak bersepah sebab orang nampak.... jaga hanger bukan kambing, tambahan parti A-1 pemimpinnya ada affair siap bervideo punnnnnnnnnnnnnnn

boleh jadi ketua... aduhai apa nak jadi pada masyarakat kaum C, seolah-olah budaya menyimpan ini boleh diterima oleh masyarakat kaum C. Parti A-2 pulak yang kaya-raya takde ke inisiatif nak tolong masyarakat kaum I yang fakir miskin, jurang terlalu besar.... kalau kaya terlalu kaya... kalau miskin papa kedana.

2. Parti B – parti keluarga, bini ok, anak ok, bapak KO. Seterusnya no komen. Takkan saya nak mewariskan pemimpin belakang taro pada anak cucu saya, lagipun kang di Israelkan kita semua camner??
3. Parti C – ada lambang scud. “REJECT”. Tiada dakwa dakwi.
4. Parti D – dah jadi parti boneka. Pecat ulamak masukkan gendang perang. Geram juga tengok, sebab encik belakang taro punya assistant suruh pecat.
5. Parti E – lagi hancus... belum apa-apa dah nak bubar parti.... bodohlah orang camni.... nampak sangat tubuhkan parti sebab tak dapat jawatan huhuhuhuhu...

Apa dah jadi ni Tun...

Wallahualam.

Yes, but Amsterdam is irrelevant to the discussion we had previously I believe. I cant be bothered to dig up past comments. My only point is that the world is a big and does not revolve around Msia. Its funny you bring up the index and economic perspective of the ringgit vs dollar, euro, pound and etc. Our ringgit is worth less and less. But again that is not the point. Our fuel prices are one of the lowest in Asean but it has gone up nonetheless. You talk about inflation of goods. But the pays have not increased. DO you know how newly graduates struggle these days. Hence, more young ppl are leaving for either Singp. Cant compare with UK as ppl here are protected with min wage. Mr. Amsterdam, could you kindly comment on that. And on Taiwan, what no need to tell la.

It was falling on deaf ears before this. Everyday, Malaysia is better. It is better for you personally. BUT on facts, please dont sound ignorant and tell a taiwanese that your country is greater than his. Trust me, ppl will laugh at you. You want to see what a develop country looks like with high literacy, and extremely low crime rates, head over to Taipei. People there leave their car keys in the ignition while they run into 7 eleven to grab something. That is Taiwan. Our Msia Boleh spirit however, will see some nut driving our car off by then. Having your mobile phone stolen these days in KL is no surprise anymore.

“somebody” likes to champion on human right.
when i gave example of armsterdam, “somebody” not understand it. hehehehe

Armsterdam allow the transgender, liwat, and whatever human right that the stupid people champions about.

You can smoke marijuana in the coffee shop. you can liwat, have live sex shows and you can do whatever you want in armsterdam on human right ticket.

however “somebody” that kononnyer champion on the human right issue not understand why i gave example human right in armsterdam to compare with malaysia.

what a pity.

other issue

Taiwan income per capita (in PPP) is around us35k per annum and malaysia around us15k per annum. talking on nominal income per capita, taiwan rounds us35k per annum and malaysia around us8.5k per annum. malaysia got a lot of poor people. malaysia also developing country. so dont compare la... definitely taiwan is better. Their people 2 times richer than malaysian (in PPP) and 4 times richer than malaysia (in nominal). walaoeh.. if 4 times richer for everybody in malaysia on what they are gaining now.. everybody know what they can do and what lifestyle they can have....no need to tell them la..

setakat McDonald index (which taken from the economist mag) then corvert it to exchange rate for comparison, the figures which distorted, become as “somebody” reference to hentam malaysia and other people.. please dont la.

Assalammualaikum Tun,

Saya tidak faham kenapa Tun, seorang pemimpin yang dihormati terus mengambil pendekatan sebegini untuk menakutkan rakyat. Strategi lama yang saya rasa sudah tidak effective.

Walaupun Tun merupakan satu-satunya pemimpin negara ini yang berani dan telah berjaya membawa Malaysia maju ke hadapan dari segi pembangunan, ekonomi dan kekayaan. Tetapi Tun sebenarnya telah

gagal membangunkan kekuatan insaniah hingga luputnya semangat perjuangan dan cintakan Negara terutama dikalangan orang Melayu.

Diatas kegagalan ini, secara tidak langsung saya berpendapat bahawa Tun lah orang yang bertanggungjawab merosakkan UMNO hingga keakar umbi, menyebabkan UMNO terus lemah hari ini. Tun lah juga bertanggungjawab menyebabkan orang Melayu benci UMNO.

Tun telah membiarkan pemimpin2 UMNO menggunakan kedudukan untuk membuat duit, tidak ada tindakan diambil terhadap kegiatan rasuah di semua peringkat di dalam kerajaan dan UMNO sehingga ianya tidak mampu lagi dibendung. Tabiat2 ini terus diwarisi sehingga hari ini. Apa jua alasan yang diberikan, UMNO telah rosak kerana ini. Pada saya mereka ini lah sebenarnya pengkhianat bangsa.

Kepimpinan UMNO terus mewarisi pemimpin yang lemah kerana Tun telah meninggalkan barisan pak & mak turut. Kononnya pertandingan di peringkat tertinggi tidak digalakkan untuk mengelakkan perpecahan.

Sekarang UMNO mempunyai ketua yang lemah, mempunyai rekod lama yang tidak menarik dan beliau tidak mampu mengawal isteri. Begitu juga kebanyakan pemimpin2 UMNO lain, mereka lemah dan korup.

Sogokkan demi sogokan telah dibuat dan diberikan kepada rakyat untuk meraih sokongan. Kebanyakan orang Melayu sudah bosan dan merasakan UMNO tidak boleh berubah.

Bukan kerana Anwar tetapi kecewa... yang dekat menjauhi UMNO, yang jauh terus meninggalkan UMNO.....

SALAM TUN,

IZINKAN SAYA berbicara dengan Saudara Joshua Lopez,

Saya petik kata2 saudara Joshua Lopez

“Tun tinggal kat Somalia Ke? Seks sebelum nikah atau seks selepas nikah adalah hal peribadi individu, macam mana dijadikan hal Kerajaan? Rakyat undi Kerajaan untuk diMoral Poliskan oleh Kerajaan? Mana Logiknya? Hal Kerajaan bukan untuk menjaga hal tepi kain orang. Tak malu ke bila kerajaan dah lenyapkan duit rakyat bermillion-million ringgit lepas tu nak katakan tentang isu seks & agama??? Feudal & Hipokrit namaya!”

Saudara Joshua Lopez,

kenapa saudara perlu sindir Ayahanda Tun dengan menanya samada Tun tinggal di Somalia?. Saudara telah menunjukkan sifat kurang hormat dan kurang sopan seolaholah saudara mencabar Tun tiada pasal2. Saudara kena tahu agama rasmi Malaysia ialah islam, suatu agama amal, bukan sahaja percaya di hati masing2. Mana2 Melayu islam, perempuan atau lelaki, jika melakukan maksiat seperti berzina atau minum arak di khalayak ramai boleh ditangkap oleh pihak berkuasa pencegah maksiat dari jabatan agama islam negeri dan didakwa di mahkamah sharie. Ini bukan jaga tepi kain orang, ini menjaga kesucian agama islam.

Saudara kata kerajaan dan UMNO rasuah berjuta2. Pembohongan dan dakwaan tiada berasas dan tiada bukti ini menampakkan saudara amat benci kepada UMNO, kerajaan Malaysia dan Tun semata-mata kerana sifat perkauman saudara yang amat tebal sekali.

amin tan

It's time your party gets out of denial and smell the coffee. Time and time again you use religion as a means of uniting or forcing fear into the minds of Malays. When you do this, you may get the support of rural Malays, not the urban and educated Malays. Time and time again you and your party have proven to be hypocrites.

Why are you so hung up on sex and sexuality when it should never be the business of the government? A government is voted in by the people to build the economy, education, infrastructure and to uphold democracy and protection for ALL citizens irrespective of race, religion (with or without), colour, creed & sexuality. Voting power is in the hands of ALL Malaysians, Hence The Government has to practise Secularism while protecting the rights and safety of ALL Malaysians.

It is absolutely illogical for the government to play the role of 'religious teacher' or Moral Police. Please get real, whether you like it or not, People will and always have sex before marriage or live in together before marriage, it's a norm, society has evolved. Are you 100% sure that all your children were virgins before marriage? Are you sure that in the future all your generations to come will be virgins before marriage? What are you talking about really? How is it then in the most Islamic state of Kelantan, HIV is the highest? How? Can you stop people? And why is it the highest in Kelantan because they use religion to remain ignorant and feudal, they lack education on safe sex, Period.

It's rather strange that you are so hung up about sex and sexuality all of a sudden when Malaysians in general have always known and lived with people of different sexual orientation. We have had well known figures who were of different sexual orientation and it has never been a huge drama. How does this topic come into the business of governance?

Are you so shallow that you use it as a tool against Anwar Ibrahim? Are you so disrespectful towards fellow Malaysians who gave Anwar 5 states in the last GE? Are you in a state of denial that this very Man holds huge support? Haven't you realized the magnitude of his popularity? People want change and change has become a political tsunami around the entire globe and you cannot prevent it. Are you going to further stoop so low as to blame everything on the West? Why are you throwing yourself into so much self disrespect? You were well respected when you retired but today you have lost most of it. You only have the support of rural Malays and not urban Malays and non Malays, this is the truth. People are so tired with your old school & draconian state of mind. Hitting out at people's private lives and sexuality is absolutely irrelevant.

You are avoiding the simple fact, People are questioning your government, a government tainted with malignant corruption from head to toe. You blamed Samy Vellu for corruption and boy he has not seen the kind of cash which your fellow UMNO cohorts have in their banks & investments! Your party is filled with dirt and sickness. As I mentioned it's Cancer and it cannot be cured with any form of therapy. Please wake up and look at the state of affairs of your party. It's not the fault of Abdullah or Najib. It is your fault because you crafted a feudal mindset in UMNO & allowed corruption to spread and grow to a malignant level today. Your party's days are numbered and they only have themselves to blame. Face it, whether it's this GE or Next GE, Your Party's days are numbered. Period.

Salam.

1) ulasan yang menarik .

2) Seksyen 377 Kanun Keseksaan, mereka yang melakukan persetubuhan luar tabii dengan haiwan, hukumannya ialah penjara sehingga 20 tahun dan denda atau sebatan.

Seksyen 377A iaitu kesalahan melakukan persetubuhan yang bertentangan dengan aturan tabii sama ada melalui mulut atau dubur, hukuman ialah penjara sehingga 20 tahun dan boleh juga dikenakan sebat.

Seksyen 377B mengatakan bahawa sesiapa yang melakukan hubungan seks luar tabii secara sukarela, akan dihukum penjara maksima 20 tahun, termasuk sebatan.

Seksyen 377C merujuk kepada persetubuhan bertentangan dengan aturan tabii tanpa kerelaan dan pesalah boleh dipenjara tidak kurang lima tahun dan tidak lebih 20 tahun dan boleh juga dikenakan sebatan.

Seksyen 377CA iaitu perhubungan seks dengan objek sama ada melalui dubur atau kemaluan, hukuman yang boleh dikenakan ialah penjara sehingga 20 tahun dan sebatan.

Seksyen 377D iaitu melanggar kesopanan dengan melakukan kelucahan melampau, hukuman yang boleh dikenakan ialah penjara sehingga dua tahun manakala kesalahan mengikut Seksyen 377E iaitu merangsang seorang kanak-kanak (di bawah 14 tahun) untuk melakukan sesuatu perbuatan kelucahan melampau, membawa hukuman penjara sehingga lima tahun dan sebatan.

Perhatikan seksyen 377B dan 377C, munasabahkan orang yang melakukan secara sukarela dihukum penjara maksima 20 tahun dan kalau secara tanpa kerelaan, pesalah boleh dipenjara tidak kurang dari lima tahun dan tidak lebih 20 tahun. Masih relevanah undang-undang ini, orang yang melakukannya tanpa rela sama sahaja hukumannya dengan orang melakukannya secara sukarela?

salam Tun,

I envy Brader Anwar Bin Ibrahim a.k.a. Imam Mahadi a.k.a. Anugerah Tuhan hahaha.

He has a different set of laws unto him which is separate from us lowly normal ordinary folks. He can go anywhere he wants in the world to criticise everything and anything about our beloved country when normal ordinary folks would have been imposed a travel ban due to the various pending court cases.

Hah how I envy him..he can even dare to show his face in public even when foreign video forensics experts have identified him with 99.9% probability that he was the same person in the sex video exposed by Dato Eskay!

Now I await apprehensively the supposedly Siamese Dolls sex video purportedly being targeted as “Next Change” on the web circuits.

Man! How will he react then? Hmmm.....

Tidak pernah isu seks luar nikar diperkatakan oleh Anwar atau sesiapa pun. Kenapa pula nak tukar belit cerita serupa Utusan & Tv3 sampai rakyat mencaci mereka? Semua berita hari ini dijadikan mainan politik UMNO, putar belit sampai takat yang tidak munasabah. Hanya perkampongan yang tiada internet akan percaya sandiwara politik macam ini.

Sebenarnya, perundangan semua negara Komonwel berasaskan Perundangan ‘Common Law’ iatu Perundangan British. Hari ini, Agama digunakan untuk faedah politik dan perniagaan. Bila UMNO sudah menjadi lemah, isu Agama dijadikan Pelampong atau sistem untuk menakutkan rakyat melayu untuk kembali ke UMNO. Memang satu strategi yang telah berjaya untuk 50 tahun tetapi dunia politik hari ini kian berubah. Rakyat lebih bijaksana, berpendidikan & berpengetahuan ataupun ‘Exposed’.

Dimanakan muka UMNO terletak bila didapati Bermillion-million ringgit masuk poket Ahil Politik Atasan UMNO dan Menteri-Menteri, juga Timbalan Menteri. Rasuah Wang dalam UMNO memang pada tahap Cancer dan tiada Chemotherapy, Radiotherapy ataupun Oral Chemotherapy yang boleh mengubati Cancer UMNO. Cancer ini kalau kita bandingkan dengan isu seks & isu peribadi orang, memang kelakar muka UMNO!

Assalamu Alaikum Tun,

Tun, kita tidak boleh biarkan kumpulan atau individu yang bersenjatakan "kebebasan" untuk memusnahkan prinsip moral bertunjangan al-Quran di negara kita. Kita harap umat Islam terus mempelajari dan mendalami ajaran Islam dan mengamalkannya kerana inilah satu-satunya benteng umat Islam untuk selamat di dunia dan di akhirat.

Salam Tun

"Disini ingin saya jelas bahawa "teknikal" bukan bermakna tidak. Jenayah berlaku, bukan tidak berlaku. Hanya hakim tidak dapat hilangkan keraguannya terhadap bukti yang tertuduh melakukannya. Mungkin orang lain!! Kenapa mangsa tidak menuduh orang lain, wallahuwalaam. "

Jawapannya mudah sekali Tun. KONSPIRASI

Yang hairan dan ajaib tu mana dia suara protes dari ulama yang kononnya memperjuangkan Islam. Tidak mahukah mereka tunaikan sembahyang hajat memohon kepada Allah untuk menghancurkan (atau pecahkan perut) puak munafiqun ini.

Salam Yang Berbahagia Tun,

1.Masaalah 'lapok', hanya masaalah 'teknikal'.Ini lah gambaran yang di fikirkan oleh manusia yang konon nya mengetengahkan freedom,liberalisma,sekularisma, hak asasi,LGBT dan seumpama nya. Semua nya kita tahu MILIK syaitan laknatullah. Tidak terkecuali 'rasuah' seks dalam kategori yang sama. Semua di lakukan di pintu belakang,kecuali di negara-negara barat dan bukan Islam. Itu amalan dan cara hidup mereka. Syaitan itu rakan sepermainan mereka.

2. 'Teknikal' di sini pula di terjemah sebagai tiada kekuatan bukti dari penyiasatan yang boleh mensabitkan kesalahan kemungkaran tersebut. Semua ini tipu daya syaitan laknatullah juga. Tipu daya yang di terjemah pula oleh manusia yang tiada pedoman dan tiada kekuatan iman(pada yang muslim).

3.Maka manusia yang memperjuangkan perkara-perkara mungkar ini,mereka ini sememangnya syaitan. Derhaka kepada Allah SWT. Jika seorang Islam melakukan perbuatan ini, dia bukan syaitan,tetapi seorang munafik. Golongan munafik akan di humber ke neraka paling bawah 'darkil asfal..' Seorang kafir harbi atau zimmi tidak pula tempat nya di sini, tetapi agak diatas – aras 4 dalam susunan siksa neraka nya. Begitu terhina sekali di sisi Allah Taala.

4.Paling penting moga kita TIDAK terpengaruh dengan dakwah dan agenda zionis bergandingan pihak nasara yang sentiasa ingin meleburkan Islam dari dulu hingga sekarang. Ini dendam mereka yang tidak akan padam. Ayat-ayat Quran menyatakan.

5.Apa yang pasti,kita perketatkan lagi Syariah Allah ini. Syariah Allah tidak lapok dan sudah terbukti zaman berzaman. NUR ini mesti di serlahkan melangkau alam. Jika kita gagal, maka hipokrit lah kita melafazkan syahadah dan masuklah kita dalam golongan orang-orang yang berdosa (kafirun).

6.Di Malaysia,kita mohon agar mereka semua bertaubat.Kita mohon agar kembali semula ke Jalan yang Benar. Tiada Agama lain yang benar KECUALI Agama Islam. Semua bukti dan kenyataan nya di hujung jari dan di depan mata. Mengapa AKAL tidak boleh di manfaat kan? Masaalah 'teknikal'?

7.Yang 'lapok' itu ialah manusia yang menunggu saat kematian nya kerana hidup dalam jangka USIA yang SIA-SIA...."kullu nafsin za ikotul maut"

Kenapa kita mesti bersekongkol dan masih ragu kepada kekuatan dan kebenaran Islam ???

As Salam Tun,

DSK was taken out of IMF because he dared suggest that US\$ be replaced as a reserve currency, perhaps by the SDR. This didn't go down well with the powers-that-be, (though he was one of them). He shot his mouth off....they shot him down...and out.

Another probable reason was that he was on his way to an IMF meeting where he was to propose a declaration that the Greek were defaulting on their debt. It was a non-starter. Once he was "safely" out of IMF, his "maid" case broke down and the Greek bailout solution was voted on successfully overseen by his successor, Christine Legarde.

Oh well, if any or both of the above were true, its ironic that the west still harps on B.A.B.I being kicked out of government and slapped with all kind of criminal charges, simply because he disagreed with you. They see conspiracies even where theres none, since they practise them all the time, thoroughly and may I say with finesse!

1. Anwar has said the BBC, which is to the West, that the laws of Malaysia outdated, obsolete.

2. Anwar certainly know that the outdated and obsolete, to the West means nothing like that found in the West now. Since the French Revolution, the slogan of 'Liberté, Egalité', Fraternité', namely freedom, equality and Brotherhood haunt the Western mind to anything that does not meet this slogan should be changed or removed.

3. As the BBC asking about Anwar's sodomy case, then the law alleged by Anwar would be rigid prohibition against sex illegitimate.

4. What are the laws that are not outdated with respect to sex their present in the West? Starting with the supremacy concept of "freedom" or free and equal, they uphold the same rights of men and women. First claimed by women is the right to vote in elections. And this right was given to them as given to men.

5. Then they advanced against the same rights in the garment. This is followed by sexual freedom. If the man before or after marriage can have sex with any woman why she can not be with any man. The name of freedom and equality, then the community without giving this right to them. So anyone, man or woman can sleep with whomever whenever. By this institution of marriage between a man and a woman were considered not important.

6. Otherwise the institution of marriage and family were given new meaning. In the definition of cohabitation as a family. When bored with your spouse, change only. Divorce no longer needed. Who the father is not important.

7. At the same time, the restrictions on what kind of sex that can satisfy the appetite eliminated also the name of freedom. With the men could sodomize men and women having sex with women.

8. Why should sex committed between two people? Why does not the mass. And sex may be done en masse.

9. Then held about a marriage between man and man or woman with woman. In a word anything that is forbidden by religion, custom or law restricting the passions, be removed. All the block is considered outdated and not compatible with freedom and equality. Western people proudly displaying their sexual practices as human rights.

10. As usual, what is created by the West regarded by them as well for all people. With that, they launched an effort to expand their concept of freedom and equality with respect to sex.

11. The strongest opposition to free sexuality comes from Muslims. To overcome this resistance they identify Muslims who can promote their cause. Starting with the simple freedom of claims, such as human rights, the right to choose government (democracy), the right of speech, freedom of the press, the campaign has come to attack the West against the moral values of Muslims, their faith in religion, customs and laws that prevents sexual freedom.

12. Common law and Islamic law is described as obsolete and be replaced by Western laws. Adultery and sodomy are urged to become part of human rights including the rights of Muslims.

13. We find that the West in collaboration with some Muslims in Malaysia have been successful because there are Muslims who consider the the restrictions on various types of sex as denying freedom of human nature, as cruel, especially to political dignitaries. And many Muslims in Malaysia have believed this kind of politician who should be elected to the state in Malaysia. With the power given to them is outdated, but what this country will be replaced with the current opinion, including free sex.

14. Although adultery and sodomy West accept as normal, but they can not accept coercion on the victim of adultery or sodomy. Therefore, when a woman reported that IMF director Strauss Kahn has raped the authorities continue to arrest Strauss Kahn and stripped of his office.

15. In Malaysia as well as reports received from the victim who was considered to have been in homosexual sex, would the accused should be dealt with by law. This would be outdated because the West was taking.

16. Here I want to clear that the “technical” does not mean there is not. Crime occurred, not not happen. Only the judge can not be removed doubts about the evidence that the accused did. Maybe someone else! Why victims do not accuse others, Allah is omniscient.

P. S.

a. Newsweek reported the rape allegations made by Diallo, a black woman who worked as a cleaner room against Dominique Strauss-Kahn, director of the IMF, an influential white.

b. Although Strauss-Kahn was arrested for rape and there is evidence that the victim had been raped, but prosecutors did not bring this case to be tried in court.

c. Diallo allegedly lying like. What lies being made? Supposedly he was lying about what was done by him after the rape, which room he went and how long.

d. Supposedly he (normal) lying on the money given to him and others lie again. Press reports since she used to tell a story, a panel of judges will not believe who was considered to have been raped. That is why Strauss-Kahn is not brought to court.

e. Ask the author of articles in Newsweek, “the panel of judges did not know that women can also be put across a rape victim?”

f. In Malaysia, the question is whether those who recite the oath to uphold the Quran in the mosque could not be trusted? But those who do not dare swear reliable.
