**Chedet.co.cc**

**February 10, 2012**

**By Tun Dr. Mahathir Mohamad**

My Dear Hanan,

Mr Alireza Forghani, Khamenei's strategy specialist must of course be speaking for the Government of Iran and Ayatollah Khamenei when he puts in his website the Ayatollah's "legal and religious justification for killing all Jews and annihilating Israel".

You would like to believe that this threat is true. It would give Israel the excuse for taking the pre-emptive strike that you say it needs to do to secure Israel. You have to build a case for that dastardly act.

Between Iran and Israel, I believe Israel is more likely to carry out its threat. You have a record for doing this.

The world knows that Israel did carry out a pre-emptive strike to destroy Iraq's nuclear facilities long before the war against Iraq.

The world knows that Iran has never carried out any pre-emptive strike against any other country. The world also knows that Israel's satellite, the United States, financed Iraq to attack Iran. Israel bombed the Egyptian air force base without any declaration of war.

Israel breaks any law with impunity e.g. build settlements on Palestinian territory, build walls which divide Palestinian villages, blockade Gaza illegally, shoot and kill aid workers on a mercy mission in international waters, destroyed hospitals, schools and homes in Gaza, prevents construction materials from being sent to Gaza to rebuild homes, ran over Rachel Corrie, an American because she stood in the way of Israel bulldozers about to destroy a Palestinian home, and more.

Yes, all these you do to secure Israel and Israelis. Don't others have any right to secure their people and their countries? You will say it is retaliation for attacks against Israel. Actually the Palestinians were retaliating against Israeli seizure of their lands, killing their people, arresting and detaining thousands of their people etc.

Israel is known to have more than 200 nuclear warheads and delivery systems. Israel uses phosphorous bombs and cluster bombs and together with America used depleted uranium in

the bombs and missiles.

Iraq had neither nuclear weapons nor any WMD. It was a lie and the world knows it. But Israel has nuclear plants in Rafael, Eelun and Nebrin. Then there is Dimona, nuclear centre in Nageb which produces 90% of enriched uranium for Israel's nuclear weapons.

With Israel's history of pre-emptive strikes, invasion and occupation, Israel's total disregard for international laws and the recent talks about taking out Iran's nuclear facilities and Israel's possession of nuclear bombs, shouldn't Iran prepare itself for possible Israeli and US attack? Or are other people disallowed from preparing for their own defence.

Why is it that Israel is entitled to security but Iranians and everybody else should not be so entitled? Why is labelling all Muslims as terrorist permissible but any criticism of Israeli intransigence condemned as anti-Semitic?

Iranians may sound belligerent but they are not mad. They know that if they ever use nuclear weapons, Israel and the United States would wipe Iran off the face of the earth with the tens of thousands of nuclear weapons in the arsenal of the two countries.

Islam does not teach us to kill. But Islam says we have a right to defend ourselves if attacked. That is the true teachings of Islam.

But there are Muslims, as there are Christians and Jews, who make use of religion for their own purpose. They don't represent their peoples or their religions.

I am a Muslim fundamentalist.

I adhere to the true teachings of Islam.

This is not a religious war between Islam and Judaism. It is a territorial war. When you seize other people's land, you must expect attempts to recover it. Or do you think people must thank you for robbing them of their property?

DR MAHATHIR BIN MOHAMAD

p/s: This entry is in reply to a comment Hanan submitted to this blog on 2012/02/07 with the message and link;

Nothing to say about that? Isn't this bothering the religion of peace followers?

Assalamualaikum,

It is interesting how good you deal with the beastly Jews and ignore your own beastly Muslim brothers.

<http://youtu.be/0cYBdPidbpQ>

Where is Dr. Mahathir's "jump" for the human criminals?

If it would happen with the IDF, he would be the first to claim that this is a war crime and would bring them to justice in his tribunal.

Anti Antisemitism and hypocrisy and hand shaking, thus whatever is wrong it is the Jews.

Salam TUN,

Dear Hanan,

Israelis Land Grab on Palestinian's Land (Owned)

Jews and Americans has one thing in common,ie Land Grab.

In the 18 century the Americans practiced ‘Manifest Destiny’.

An ideology not sanctioned by the US govt of the day,to expand Westward,displacing all American natives along the way until what is today, California.

This precipitated into an all out war between White Americans (Pale Faced) against the Red Indians All Western movies produced by Hollywood protrayed the Red Indians as the villains.which is the opposite.

Actually,the Red Indians are protecting their Rights,which is equivalent to what the Palestinians are fighting today.

Embarking on the ambition to create a Greater Israel will result in a Smaller Palestine.This actions has to STOP.

Judaism,Christianity and Islam are branches from the Abrahamic faiths in which Jerusalem played a pivotal roles.

American Christian Zionists fondness towards Biblical Palestine also influenced/shaped its foreign policies.

Dear Tun,

Please allow me to address Hanan,

Dear Hanan,

I sympathise with the jews and Israel for their desire to have a country of their own like Kurds seeking an elusive Kurdistan. According to them they number 70 millions living in Iraq, Iran, Turkey and all over.

But the jews in Israel lord over the much inferior and poorer Arabs. In your video, you call islam a barbaric religion. And you say you seek peace. The videos are mostly aimed to hate the muslims and definitely one sided. What excuse have you got to dish out atrocities and cruelties by the killings of innocent arabs. The occasional retaliation by the arabs are mainly due to rough, harsh and cruel treatment by the occupying jews. Hatred is a two way sentiment. You get what you sow. Why should anybody want to hate jews if they are generous, kind, caring, helpful, considerate, never grab what does not belong to them and if they are righteous and virtuous. Don't ever say islam is barbaric. It is offensive. It would bring about anger, ill will and unnecessary provocation and retaliation.

Dear Cherry,

I you believe that

‘there is no oppression done by Muslims (like stealing other people’s land and building illegal settlements) against “his people”.’

then I wish you well. I’ve given many examples

to the contrary.

I believe Hell is full of well meaning people who believe their opinions are the only correct ones and whose beliefs will lead them down the path of destruction

jews will be wiped out from this planet one day as promised by HIM.

jews are close to be wiped out by hitler. but why hitler not doing that?

because he want to show to us that jews are bad people and that the reason he left some alive. he has succeeded with flying colour.

and jews are really bad people because the jews are very proud of killing the prophet.

even the animals wont do like what the jews did. jews are very bad people.

Hanan,

I wonder why you kept involve in this blog.

Personally, I do not hate a fellow human being, not even the Jews. Hatred is not good for the soul. I just don't trust the Jews. No Muslim in the right mind should trust the Jews.

You should know that right?

Not only the Muslim, the non-Muslim also do not trust the Jews. They just didn't admit it. They do not talk about it openly.

Just as what had happened 4 months ago when French President didn't realize that the mic is still on. He told President Obama "I can't stand him (Netanyahu) anymore. He is a liar". President Obama said "You can't stand him, what about me....".

Hanan, you are a liar yourself. We both know that.

Why do you hate Muslim so much....we didn't killed the Jews in Germany, Adolf Hitler did. You should focus on your hatred to the Nazi, make more films about them, not us.

Jews are occupying Palestinian land, what do you expect from the Muslim? Stand aside and give in?.

What exactly are you trying to achieved by involving yourself in this blog other then stir up hatred?

I see that you kept on provoking us Muslim in this blog. Are you trying to gauge the Muslim sentiment towards the Jews?

I had told you the last time that we were never thought in our religious schooling to kill the Jews.

If Israel make peace with the Palestinian then you will have peace with the Muslim.

The problem is that, Israel of course do not want peace. You know that and I know that.

So, why don't you leave us alone and stop wasting our time with you.

Salam Tun.

Allow me to comment on the comments submitted by 'dtan' (10/02/2012 @11:32am,CUTI-CUTI MALAYSIA).

Hi 'dtan'.

I wonder if all the replies that you had provided were supposedly on behalf of Hanan the jew, and with his concurrence?

You see, if Hanan did agree to all those nonsense that you've written, then people will start wondering the integrity of israeli leaders such as him!

I'll just give SOME of the very obvious instances that you've written which clearly showed you've been trying very hard to tell us all, that is, you are a moron:

1. You volunteered to be the errant boy for Hanan the jew, how embarrassing

2. Recently you unashamedly wrote to tell everyone “Hanan called you”, which was of no significance to the comments you were writing then! You must be very proud telling everyone “Hey guys, Hanan knows me!” Such big deal, eh?

3. You’ve been trying very hard to tell the world through Tun’s blog that “I’m a Christian preacher”, but are you truly a Christian?

Any true Christian won’t be that stupid to go around telling everyone repeatedly “I’m a Muslim hater!” Once, a Christian blogger even harshly questioned your belief in Christianity, since your comments were very unbecoming that of a Christian believer!

4. Hanan believes in Judaism, in the teachings of Moses. However you keep referring Hanan with Jesus, associating Hanan and Jesus!

5. Your reply to my comment “What about the more than 1 million dead Iraqis that resulted from the US invasion on the pretext of WMD which the jews wrongly-fed on purpose to Bush & Blair...” clearly showed that

“You certainly agreed that THE JEWS HAD INDEED WRONGLY-FED ON PURPOSE TO BUSH & BLAIR ON THE WMD STORY!!! “

You just wait when the jews find out about it, and ready yourself to face the Mossad killing squad!

How could it be possible for an ex-israel leader of Hanan’s stature to be associated with such moron!!

I can’t imagine how the other jews will react if they realize their ex-leader Hanan has a moron like you as his companion cum adviser!

By the way dtan, just out of curiosity, what does the letter ‘d’ before ‘tan’ stand for? I won’t be surprised if your answer is going to be “d is for donkey”.

Maybe Hanan the jew should start looking for a new errant boy!

I definitely won’t recommend that neutral joker boy ‘juks’ to the post because he behaves almost in similar manner to dtan, another moron! But the joker can be excused for being most ignorant since he’s only a student.

Assalamualaikum.

Here are the answers to you.

The more you hate the Jews, the more God will make you suffering. Those who curse the Jews in their daily prayers are cursed back by the same God. Reconsider your mindset. The truth is below even it makes you more angry. Our luck as Jews is that you are hating us. The more you'll hate us the more we'll succeed, the more we'll learn knowledge, the more we'll have survival abilities. There is no one, no nation, no empire that can wipe off the Jews not even 1.5B Muslims.

Salam Tun.

I wish to refer to Tun's last sentence, "Or do you think people must thank you for robbing them of their property?"

My answer is definitely NO, even though history has shown that the most crooked one got a YES!

Just consider the following instances:

1. The Europeans came to the New World and took anything they wanted, and massacred all Red Indians that they thought could possibly pose even the slightest threat to them.

Later after establishing themselves as the one and only true master of the land, they decided to give pockets of 'their' land to the Red Indians, who inevitably thanked their butchering masters for providing them little heavens in the so-called reservations!

2. When that hungry little shark called ikan yu (kuanyew) obtained Singapura's independent, first and foremost he neutralized the Malays so that there would be zero chance of the Malays to even think of making attempt to re-claim Singapura's ownership.

He imported new Chinese citizens, relocated all Malays such that there's not a single Malay majority seat, divided the Malays into the various sub-ethnic groupings in the registration/identification cards (Bugis, Jawa, Bawean, but he did not indicate Hokkien, Cantonese, Hakka, whatnot to the Chinese).

Later he made the very few economically stable Malays to make recorded appearance on tv, newspapers to declare "We are very happy to be Singapuraeans. Thank you ikan yu!"

Sorry to the jews, they are still not good enough, and unable to make the Palestinians and the Arabs of israel to say thank you for robbing them of their property!!

Salam!

These verses are for me to take heed and also for all the Muslim fundamentalists.

[5:20] Recall that Moses said to his people, "O my people, remember God's blessings upon you: He appointed prophets from among you, made you kings, and granted you what He never granted any other people.

[5:21] "O my people, ENTER THE HOLY LAND THAT GOD HAS DECREED FOR YOU, and DO NOT REBEL, lest you become losers."

[5:41] O you messenger, do not be saddened by those who hasten to disbelieve among those who say, "We believe," with their mouths, while their hearts do not believe. Among the Jews, some listened to lies. They listened to people who never met you, and who distorted the words out of context, then said, "If you

are given this, accept it, but if you are given anything different, beware.” Whomever God wills to divert, you can do nothing to help him against God. God does not wish to cleanse their hearts. They have incurred humiliation in this world, and in the Hereafter, they will suffer a terrible retribution.

[5:42] THEY ARE UPHOLDERS OF LIES, AND EATERS OF ILLICIT EARNINGS. If they come to you to judge among them, you may judge among them, or you may disregard them. If you choose to disregard them, they cannot harm you in the least. But IF YOU JUDGE AMONG THEM, YOU SHALL JUDGE EQUITABLY. God loves those who are equitable.

Are we equitable?

[38:24] He said, “He is being unfair to you by asking to combine your sheep with his. Most people who combine their properties treat each other unfairly, except those who believe and work righteousness, and these are so few.” Afterwards, DAVID WONDERED IF HE MADE THE RIGHT JUDGEMENT. He thought that we were testing him. He then implored his Lord for forgiveness, bowed down, and repented.\*

\* Footnote : In this clear example, 99 on one side vs 1 on the other side, David’s extreme care to render the correct judgment caused him to ask forgiveness. Are we this careful?

[38:26] O David, we have made you a ruler on earth. Therefore, YOU SHALL JUDGE AMONG THE PEOPLE EQUITABLY, and DO NOT FOLLOW YOUR PERSONAL OPINION, lest IT DIVERTS YOU FROM THE WAY OF GOD. Surely, those who stray off the way of God incur severe retribution for forgetting the Day of Reckoning.

Dearest Tun,

I don't want to sound too patronizing in my initial tone. I want to thank-you for writing a letter to Hanan. Also, i want to thank your other followers for contributing to this letter . If you will suspend your angst for a moment. Allow me, to re-butt your statements

I want to start at the very end of your letter because i believe that is what you perceive is at the very heart of the matter. You said, I quote ‘This is not a religious war between Islam and Judaism. It is a territorial war. When you seize other people’s land, you must expect attempts to recover it.’

I want to assess the veracity of that statement and explain why it is inaccurate or misleading. I also want to interject some comments made by others in between the lines.

i) This is not a religious war between Islam and Judaism

If you will, Tun. Please explain the massive rallies around Islamist countries for eg. The hundreds of thousands gather around Tahrir square in Egypt led by Islamist Sheikh Qaradawi fuelling the hatred and lending fuel to the destruction of the Jews.

Imagine, if the Pope did likewise in the Vatican calling for the destruction of a race or culture. Would it be belligerent or a veiled threat? This is happening all over the middle-east. Sermons and Prayers in Tehran, Gaza, Istanbul, Khartoum etc. Saudara Zulkiflee yang benar katakan 'Bumi yg telah kita sertu menjadi Islam namun gerakan kekafiran merampasnya dari tangan kita'. Pengikut anda yang memang berasa 'adalah soal Kafir menentang Islam'.

ii) It is a territorial war.

There aren't any other examples of peoples committing suicide for land while being blessed by their Imams in the hope of a heavenly reward. I've heard the platitude that they are not practicing true Islam. They may not be practicing true Islam but they are practicing what they believe is some form of Islam. You yourself are not advising your Brethren to practice anything else. You are, however, ratcheting Anti-Jewish sentiment. China wants back Taiwan but I don't hear them crying for the destruction of the Taiwanese.

iii) When you seize other people's land, you must expect attempts to recover it

Apart from the Arab centric contextualized argument of the land. Let me put it this way. The Ottomans had the land owned it, abused it and left it barren. You said, the British unjustly carved it up but neglected to mention the Ottoman Empires involvement in World War I and Haj Amin's involvement with the Nazi Regime (WWII). You then framed the proverbial picture of an innocent child that had its candy swiped from its hand while neglecting to mention that the child stole it from the candy store to begin with. If the Ottomans weren't so zealous to 'campur tangan' in thus regional conflicts. Your Brethren would have still had the land but Yahweh knows the motivation behind how your Brethren behave and resurrected the Jewish Nation by their underhanded motives.

Per Israel's pre-emptive strikes on other Nations. In the War of Independence 1948 when five Arab nations pre-emptively attacked Israel from the start. Your Brethren set the example to be followed to begin with. Again, in the Yom Kippur War, Israel lost many thousands of its soldiers because she did not pre-empt her friendly neighbours. We know how Islamists behave. They expect Israel to lay back because they believe, deep down, Islam will eventually win. Israel maybe paranoid about Iran. It is their prerogative because your Brethren have behaved so nicely towards them. About the US, don't worry Tun, America's hegemony is almost over.

Tun, Palestinians have a right to exist and co-exist with Israeli's. They don't have the right to impose their Cultural Ethos on the Jewish Nation. Until they decide that it's Not OK to blow themselves up, sneak into Israeli homes and butcher families or Lynch Jews who accidentally drive through Ramallah, Nablus etc. You are going to continue to get conflict. You can continue to whine that it is a Jewish Issue and I will continue to refute your angst by historicity and facts. Tun, I don't like the Barriers, I don't like this Land Competition, and I wish the Settlements Issue was resolved. There is no land in Israel to build buildings. Palestinians can collaborate within a mutually agreed framework or wait for the next War that they are hoping for. I'm not stupid enough to believe the Al-Takiya your Brethren are spewing within Israel, across the borders in the north, south and west.

As far as Nukes goes. Israel has never threatened to use them against others. You are aware of the 'Samson Option' as a last resort. Malaysia has however threatened to cut-off Water to Singapore during your reign. You also threatened to shoot Vietnamese Refugees if they kept landing on the East Coast of Malaysia (Malay Dilemma Preface). So, I should also believe you, that your moral

standing puts you in good stead to Demonize Israel? Granted that i may have taken your statements out of context. I am also wary of your ethos, after-all, my Uncle was probably the Last Jewish Citizen of Malaysia. There are non-left and Hanan is my friend.

Peace Be With You in Jesus Name

Salam Tun,

That's pretty sharp sarcasm in the first paragraph of the letter ;) Ouch!!

Any schoolboy who can type 'Alireza Forghani' into Google can find his website and read what he wrote. Forghani wrote considerably less about a 'doctrine' for Ayatollah Ali Khamenei than the Daily Mail said he wrote. What doctrine and what strategy?

I admit that my research of the Daily Mail article took slightly longer — I had to use Google's translator software — than the time taken by the IAEA, who also used Google, to debunk the 'proof' put forward by the US and UK that Saddam Hussain was buying uranium yellowcake from Niger.

It's interesting that Forghani has put a Hebrew translation of his erm, 'explosive' article on his site. How very thoughtful of him. It's also interesting that on his blog Forghani says he's a computer engineer and makes no claims of being a strategist for the Ayatollah, a fact not lost on one commentator on the Daily Mail who asked, 'How come Ynetnews. com, which is an Israeli news website, says Alireza Forghani is just a blogger and a computer engineer?' And it's also interesting that Forghani's blog is hosted on a server in North America [anybody who can google 'dns lookup' can check this]. Can't the Iranian authorities provide the Ayatollah's strategic adviser some bandwidth?

The Daily Mail quotes WND.com and in fact DM's article looks eerily similar to an article on WND.com which we know are peopled by writers with an Islamophobic agenda.

My take is: this DM article is just another clumsy effort to get the Brits and the Americans to fight Hanan's war.

Good morning YAB,

15. Nik Abduh selar Karpal  
Oleh MOHD. KHUZAIRI ISMAIL  
pengarang@utusan.com.my

KUALA LUMPUR 12 Feb. – Timbalan Ketua Dewan Pemuda Pas Pusat, Nik Abduh Nik Aziz hari ini menyelar tindakan Pengerusi DAP, Karpal Singh yang tidak bersetuju dengan pendirian Pas menentang sambutan Hari Kekasih.

Sambil meminta Karpal belajar menghormati agama lain, Nik Abduh turut menegaskan peguam itu sepatutnya tidak memaksa pandangannya diterima oleh orang lain.

“Ia bukan hanya pendirian Pas, ia pendirian semua umat Islam. Semua pihak mesti terlibat mendidik dan menyeru umat Islam kepada kebaikan beragama.

“Mencegah kemungkaran adalah kebaikan yang dipromosi agama secara unggul. Dalam diri umat Islam ada agama. Ia hak tertinggi. Justeru, mendidik umat agar menghormati ajaran agama adalah hak asasi umat Islam.

“Karpal kena belajar walau sudah tua untuk menghormati agama lain, bukan memaksa pandangan sendiri ke atas orang lain. Politik bukan mahkamah,” katanya menerusi status terkini di laman sosial Facebooknya hari ini.

Kenyataan Nik Abduh itu dipercayai berkait dengan tindakan Karpal yang menggesa Pas menarik balik pendirian membantah sambutan Hari Kekasih pada 14 Februari ini kerana ia mempromosikan aktiviti tidak bermoral.

Karpal seperti yang dilaporkan oleh sebuah akhbar hari ini dipetik berkata, pendirian Pas itu tidak boleh dipertahankan kerana sambutan Hari Kekasih diterima umum dan disambut hampir di semua negara.

Menurut Karpal, DAP berpendapat pendirian Pas menentang sambutan Hari Kekasih bukan satu langkah yang baik dan tindakan Pas juga bertentangan dengan hak asasi manusia dan prinsip kebebasan.

Dewan Pemuda Pas pada 7 Februari lalu, menggesa kerajaan melancarkan kempen menentang sambutan Hari Kekasih termasuk dengan menyiarkan iklan anti sambutan hari tersebut bagi mencegah umat Islam menyambutnya.

Dear Tun,

May I address Mr juks,

Mr juks, you said

“Amin

Yes, I am grateful indeed. We all live in harmony and peace. I had a great childhood filled with good memories of Msia. It will always be home for me. However, these are the things that worry me. Stats, indexes and studies worry me deeply. NOT what I see. I have never seen poor in KL. But once I get into Perak for example, you really see what poor means. Hence, it is not fair for me to equate Msia as KL alone. I have friends who are proper katak di bawah tempurung. They haev the same mindset as you do. Look around us in Bangsar. Mana ada corruption. Everything so peaceful. Ppl shopping and buying luxury goods like there is no tmr. Mercedes Benz and BMW all over on the streets. THIS IS NOT MALAYSIA!!!! Damansara Heights is not MALAYSIA! For a so called older gentleman, I would expect you to have seen more by now.”

You want to look for poverty, please look else where, not in Malaysia. Malaysia is the country of affluence, bounty and prosperity for people seeking fortune and employment from Indonesia, Bangladesh, Nepal, Vietnam. Malaysia is the modern version of El Dorado. There are now 2 millions foreign workers in Malaysia and another 1,3 illegal workers. You people are so gullible to ape or parrot the opposition to bad mouth and defame our beloved Motherland. Don't be traitors like the sour grape Opposition. Be loyal and patriotic, support the government of the day, democratically elected, like uncle amin tan supporting Barisan National.

Salam Tun,

Every time when you post something related to Israel, I see many people responding with great interest. This is definitely due to the fact that Israelis killing and bombing the innocent Palestinians everyday for the past God knows how long.

But I must admit that I agree with you when you mentioned about the land issue. It is obvious that the issue that causing the war between the two is because of the land factor. If you rewind back the history, the Palestinians lost the war about 70 or 80 years ago. And since then, the Jews have occupied the land and since then, the war never stop.

But why don't we look at ourselves the Muslims? For the past 70 or 80 years, what have they done? The Palestinians? Have they been doing something good for their country and Islam? Have they try to change their own fate to better themselves and their destiny? Have they really done good among them to deserve happiness in their own land?

I remember watching one of your speech during OIC meeting held in KL just before you stepped down as a PM of Malaysia. You said we need to take a pause and try to gather information, knowledge, and etc. Your speech was one of the best speech I have heard in my life concerning Palestine. This is exactly what the Palestinians should be doing rather than fighting and killing each other. Among them also, Fatah and Hamas also killing each other.

There is no one in the world who would help Palestine sincerely other than Malaysia. Not even the other Arab brothers like UAE, Saudi, Qatar, Kuwait, Egypt want to help Palestine. It is sad to see this situation happening to the Palestinians but that is the truth.

So I suggest you should call them President and tell them if Malaysia can help to take their students to Malaysia and provide them with good educations. God willing this will be better for them and their future. They will be equipped with knowledge that no one can take it away from them. And slowly they can be good in politics, economy, and best of all, in engineering to create weapons to defend their country against the will of Zionist. If only they did that for the past 80 years or so, it would have been different now. They would have been better prepared. Instead they continue to fight among each other and throwing stones to the Zionist soldier as if it will cost them anything. Ended up, they being fired by M16 and die.

There is no way you can fight Israel now. I remember in your speech during the same OIC meeting, you said ' Muslims have 1.2 billions around the world, and we can easily wipe them (Israel) out' of the map'.

I think you may be right when you mentioned that or probably you tried to boost the confidence of the Muslim world, but the truth it is more difficult than that. There is no Muslim country in the world other than Iran that is not having any relationship with USA. And everybody knows that USA President is decided by the Jewish people in the USA. So there is no way we can wipe them out that easy because then we will get the retaliation of world force to kill us all. Unless we are prepared for the war, I would say lets do this. But as for now, no where near to fight them. It is better to fight them the smart way. By educating our children and people to be better. And slowly we can take the world too.

I pray that Palestine will once again be a peaceful country and we no longer have to read or see pictures of our brothers being killed and tortured like animals. God may guide them and protect them. I pray that

the Palestine people would realize sooner rather than later that they need to buckle up and be educated before it is too late. They need to fight the Zionist with knowledge and not weapons!

Thank you Tun!

Good morning YAB,

1. From Utusan Malaysia, it is reported that President Hadi Awang from [presiden.pas.org.my](http://presiden.pas.org.my), akhirnya, dah buka mulut.

Haram terima kewujudan Israel

Oleh MOHD. ASRON MUSTAPHA

[mohdasron.mustapha@utusan.com.my](mailto:mohdasron.mustapha@utusan.com.my)

KUALA LUMPUR 11 Feb. – Setelah sekian lama membisu dalam isu kontroversi mengenai sokongan Datuk Seri Anwar Ibrahim terhadap keselamatan Israel, akhirnya Datuk Seri Abdul Hadi Awang (gambar) membuka mulut.

Melalui blog <http://presiden.pas.org.my>, hari ini, Presiden Pas itu menegaskan, adalah haram bagi mana-mana umat Islam menerima kewujudan negara Israel kerana telah menjadi fardu ain kepada orang Islam untuk membela serta membebaskan rakyat Palestin yang sekian lama dizalimi rejim zionis.

Sehubungan itu, jelas beliau, Pas menolak penyelesaian dua negara dalam isu Palestin-Israel.

“Haram menerima kewujudan negara haram (Israel). Maka Pas yang berdasarkan Islam menolak penyelesaian dua negara iaitu satu untuk rakyat Palestin dan satu lagi bernama Israel untuk Yahudi Zionis.

“Bagi kami, hanya satu negara Palestin sahaja bagi penduduknya yang berhak,” kata beliau sebagaimana dipetik dari laman blog tersebut.

Baru-baru ini, Anwar dalam temu bual bersama The Wall Street Journal memberitahu, beliau menyokong segala usaha untuk menjamin keselamatan Israel sekali gus, mengundang kecaman daripada pelbagai pihak.

Namun ketua pembangkang itu berkata, pandangannya selari dengan Resolusi 1397 Majlis Keselamatan Pertubuhan Bangsa-Bangsa Bersatu (PBB) dan Inisiatif Keamanan Arab yang berteraskan penyelesaian dua negara.

Menurut Abdul Hadi, walaupun banyak negara Arab menerima penyelesaian secara dua negara, tetapi Palestin bukan hak orang Arab sahaja sebaliknya, negara bumi anbiya itu adalah hak umat Islam keseluruhannya.

“Bumi Palestin adalah salah satu daripada tiga tanah suci bagi umat Islam selepas Mekah dan Madinah. Palestin dimuliakan kerana ramai para rasul dilahirkan di situ dan terpijak di atasnya kaki-kaki para anbiya.

“Allah juga menjadikan kiblat pertama bagi umat Islam di bumi Palestin. Di sini juga tempat Isra’ dan

Mikraj, maka yang layak memakmurkan bumi Palestin ialah mereka yang beriman dan budiman (bukan golongan Zionis).

“Islam mewajibkan penganutnya memegang amanah memelihara bumi Palestin kerana banyak darah para syuhada dari kalangan nabi dan ulama dibunuh Yahudi menyebabkan mereka dilaknat Allah sehingga ke hari kiamat,” tegasnya.

2. YAB, allow me to say halo to PAS future President as “Supreme Islam Leader” to replace Perdana Menteri in the 5 states hold by Pakatan Rakyat.

3. What will Democratic Action Party, DAP, cock fighter, Mr Lim Guan Eng, going to debate Malaysia Chinese Association Party being aired in Astro AEC?

4. Rukun Negara should be written as 1. Kepercayaan Kepada Islam PAS in PR states?

Good day, YAB.

Dear Dr. Mahathir Mohamad  
Salam Hormat

Indignant self-righteousness is a hallmark of the ahlul-kitaab.  
One knows not who Fortune shall favor most – the Jews and Zionists or the Palestinians?

One do know that Jews and the non-muslims everywhere and everyday live in the wrath of YWH holding on to the empty hope that Muhammad’s ilah ar-Rahmaan will favor them.

Excellent fundamental Islam rebuttal to self-inflicted paranoia of Hanan, Dr. Mahathir. Would Hanan

hope to find comfort and security when Islam is more in the form to his wishes of peace and muslims doing his biddings.

Sekian

Dear Tun M,

Respectfully, I do hope that I am given the same equal treatment and respect as you give others who nod constantly. We are all different minded ppl and would like to discuss openly. However, when one starts getting personal with unnecessary remarks, that is when the line is drawn. I know sir you believe that respect is always given priority on the elder's side. However, in my upbringing now, I believe that respect is a two way street. Hence, you choose to allow Encik Sudin to continue berating me in his comments as he is older. However, you choose to moderate my comments as I am younger. If I re-used words used by him against him, is that a fairer approach in your opinion? DAPig? MORON? IDIOT?

The reason I come back everyday is not to change minds. But to engage and understand why ppl think a certain way. I would have gone a long time ago due to the hostility being thrown my way. However, I am persitent and will not tolerate being attacked personally. When you nothing else to add or say, yea resort to personal attacks. All I ask for is the same respect that you have shown them in return. I may be younger and seem like I deserve less. However, please treat others and you would like to be treated in return. If a 90 year old man said something nasty to you, I am sure you would lose respect for them as well. Thank you.

Assalamu'alaikum Tun,

maaf Tun,saya rasa Tun terlepas-pandang sedikit.bagi pihak Palestin,Tun benar mengatakan ini isu perebutan tanah.namun bagi Israil,ini adalah soal Kafir menentang Islam.

tanah hanyalah sekadar musabab saja.dan Palestin bukanlah satu-satu nya bumi Islam yg di bagi-bagi dikalangan orang-orang kafir.

Kashmir,East-Turkmenistan (Xinjiang),Mindanao,Selatan Siam, Timor Timur dan yg terburuk,Singapura....semua ini adalah Bumi yg telah kita sertu menjadi Islam namun gerakan kekafiran

merampasnya dari tangan kita.

mubaligh-mubaligh Islam secara halal dan terang meng-Islamkan penduduk peribumi negeri-negeri tersebut namun British dgn kerjasama yg kuat di kalangan agama-agama penyembah patung, berjaya membagi-bagi kedaulatan negara-negara itu sesama mereka.

dan mereka pastikan yg mana-mana negara kafir yg bermasalah tanah atau berebut daerah akan jauh lebih kuat dari jiran nya yg Islam. dan tidak ada satu negara Islam pun akan dibenarkan menjadi lebih kuat dari jiran nya yg bukan Islam.

ini bukan kebetulan. ini adalah akibat dari perancangan teliti dan kebencian yg amat mendalam terhadap kemurnian Agama Islam.

perbincangan secara akademik hanya akan membebankan kita dgn persyaratan-persyaratan kekafiran, demokrasi, kebebasan bersuara dan hak asasi manusia hanyalah slogan-slogan lucah yg dikenakan terhadap setiap pemerintahan Islam.

sandiwara lima kuasa nuklear yg memegang undi-veto di PBB pada akhirnya akan sebulat suara setuju Republik Islam Iran mesti di serang.

Amerika, Britain dan Perancis adalah musuh Islam secara terang namun Russia dan China adalah jauh lebih buruk. mereka sebenarnya sama dalam satu persekongkolan hendak menubuhkan Islam.

mudah-mudahan di Iran lah mereka akan menemui padahnya. dan mendidik orang-orang kafir yg bertamadun haiwan ini tentang Kemanusiaan dan menghormati Kebenaran. Insya-Allah.

terimakasih Tun

Dear Tun,

Mr Hanan calls himself jewish zionist and our dtan proudly ticked off every one who tried to lend what little support they can muster, to our beloved Ayahanda Tun.

Dear Mr dtan, your support and defence of Hanan and Israel is really misplaced and misguided if you are a man of virtue and compassion,

zionism is racism because in modern times, the promise of liberal democracy and justice is a double-edged sword, preached by the Western powers, yet only paid lip-service to in the case of Israel, where Palestinian are continuously expelled, ethnically cleansed, and subjugated, and in the cases where they are assimilated, they are granted, limited, if any, civil rights.

zionism is racism, because in establishing the racially exclusive state of Israel, in 1948, and expelling the indigenous Palestinians from the land, the zionists severed a relationship that people had to the land for over 4,000 years, uninterrupted, since before Abraham.

zionism is racism, because in building Israel, the zionists were revising history, embracing the notion of racial superiority, an ideology that has empowered them to discriminate, with all of its associated social ills, injustices, and moral bankruptcy.

zionism is racism because it fails to distinguish between the nationalism of the American, based on multi-cultural harmony, and the racial exclusivity, separatism, ethnic cleansing, and brutality of zionism, that stands in clear violation of the most basic elements of international law and human rights practices, as most recently highlighted by reports issued by Amnesty International and Human Rights Watch.

zionism is racism because it self-propagates itself as a democratic movement. However, a democracy, cannot, by definition, only be representative of one community in a bi-national and tri-religious contiguous geographic area. A democracy cannot exist for one people and not for another. This as called Apartheid in South Africa, and is now called zionism in Palestine.

zionism is racism, because it espouses an independent and sovereign Jewish state, in a land where there is no Jewish majority. It espouses that such a sovereign state be at peace and harmony with its neighbors without allowing the Palestinian refugees dwelling within their borders, who were expelled from their homes in Palestine by zionist militias, as is clearly documented by numerous sources including the memoirs of David-Ben Gurion himself, to return to their homes, which is a basic human right guaranteed by Article 13 of the Universal Declaration of Human Rights.

salam Tun,

to whom it may concern,

some commentators praise Jesus PBUH and ask Tun to read the Holy Bible, but which version, may I ask? the Douay or the King James version? What? Don't tell me you don't know that there are different versions of the bible?

And may I suggest that you also try to read the Holy Quran? Don't worry, there is and always will be only one version. Not even a single word can be taken out or put in.

Oh yes, and try to be REALLY OBJECTIVE when studying the Holy Quran as many people (especially white folks!) who are interested in finding REAL truth are beginning to discover for themselves.

Why it may even be life-changing!

to all jew suckers,

How long were the jews actually in Palestine before they were dispersed thousands of years ago?

ONLY A MERE 70 YEARS.

Now if we were to follow the Zionist jews twisted logic, the world's maps would be turned upside down. The White Americans should be evacuated out to make way for the Red Indians, so do their cousins in Australia and New Zealand!

So all jew suckers, please try to be really objective next time! If you were to be really objective, then you will find that you do not have a choice but to sympathise with the plight of the Palestinians.

Oi Hanan,

Everybody except US (UN) and Britain are with you in stealing the Palestinian land and killing them because they are the proxy countries of Israel.

Does your religion teach you to steal Palestinian land and kill them too?

Just answer this basic question before you turn and twist your words and story like your leaders.

Just remember that you people do not want to suffer for the sins that you have and are doing like Ariel Sharon... why didn't God take his life ?
