1. Gelaran, seperti label untuk barangan berjenama, sukar untuk dikikis. Berasas atau tidak, gelaran kekal sepanjang hayat. Oleh itu gelaran amat berguna dalam politik, terutama gelaran yang memburuk musuh. Buatlah apa pun, musuh pihak yang bergelar tidak akan hentikan mengguna gelaran.
2. Sebagai Perdana Menteri dahulu saya diberi banyak gelaran. Mahazalim, Firaun, diktator adalah antara gelaran yang dicipta oleh musuh politik saya.
3. Apabila saya ditemuramah sekarang, walaupun oleh orang yang tidak bermusuhan dengan saya, soalan-soalan mereka ternampak yang mereka agak percaya bahawa gelaran terutama gelaran diktator yang diberi kepada saya adalah tepat dan berasas kepada kepercayaan bahawa saya adalah seorang diktator.
4. Apakah yang saya lakukan yang menyamakan sifat dan perbuatan seorang diktator.
5. Sekarang kita sedang melihat kejatuhan beberapa ketua negara yang dicap sebagai diktator. Hosni Mubarak umpamanya dituduh membunuh beribu ahli Muslim brotherhood. Dia juga dikatakan telah mengumpul harta kekayaan bernilai 70 billion dolar Amerika.
6. Semasa saya berada di Kaherah di zaman Mubarak untuk bermesyuarat, apabila Presiden Mubarak bermotor dari istananya ke tempat persidangan, jalan yang dilalui olehnya dikosongkan dan askar bersenjata lengkap berderet sepanjang jalan. Di atas bumbung bangunan terdapat askar 'sharp-shooter' yang bersenjata untuk menembak sesiapa yang disyaki cuba menyerang rombongan Presiden.
7. Istana Presiden dikelilingi tembok tinggi dan askar bersenjata berada di sekeliling sepanjang masa.
8. Musuh Mubarak tidak dibenar berpolitik, sering ditangkap, dikurung tanpa dibicara dan dihilangkan.
9. Selama 30 tahun Mubarak menjadi Presiden, pemilihan bagi jawatan ini tidak pernah ditandingi oleh orang lain. 99% daripada undi didapati oleh Mubarak.
10. Tidak ada kebebasan bersuara atau akhbar bebas. Tidak ada pilihanraya untuk ahli dewan. Siapa sahaja boleh dilantik oleh Mubarak untuk menjadi menteri. Mereka juga boleh dibuang bila-bila sahaja.
11. Ada lagi diktator yang dikenali umum. Hitler mendirikan pemerintahan kuku besi Nazi di Jerman. Enam juta Yahudi dibunuh dalam kamar gas. Yang tidak dibunuh, disiksa sehingga ramai yang mati.
12. Benito Mussolini, Ferdinand Marcos, Presiden Rumania Nicolae Ceaușescu yang dibunuh, dan ramai lagi yang dicap sebagai diktator. Demikian juga Gaddafi dan Saddam Hussein.
13. Saya ingin tahu daripada pelawat ke blog saya tentang apakah yang saya telah lakukan

semasa saya menjadi Perdana Menteri Malaysia yang menjadi bukti bahawa saya adalah seorang diktator.

Salam Tun and all,

I find it strange that instead of getting angry at the enemies of Islam who have corrupted the hadith, Iskandar Shah 2 and the other so-called Muslims got angry at our imam and decided to throw out the hadith. Which Muslim will look up to the bible for the meaning of 'illiterate'? This in itself speaks volumes of their faith.

It reminded me of the white 'Sheikh', by the name of Hamza Yusuf, who after 9/11, stood next to George Bush Jr, announcing that "Islam is in a mess". I had thought at that time, if this guy knows Islam and he is really a Muslim, he should know that Islam is not in a mess, the Muslims may be but not the religion. True enough, after he has become one of the most influential 'Islamic scholar' in the West, he asserted that "Islam need to be reformed". He openly supported Irshad Manji, the lesbian.

I would not call people like Iskandar Shah 2 as 'gunting dalam lipatan'. They have made known their beliefs. We know who they are. 'Gunting dalam lipatan' are people like Hamza Yusuf and converts especially white men who became scholars overnight and giving themselves the title of Sheikh and Imam. These people have the audacity to criticize our ulamas. These people are more dangerous. Their agenda is to mislead the Muslims especially young people. Once they have become influential and have a strong following, they will show their true colors just like Hamza Yusuf. They are many of them out there and they all come from the same institution or program. I am not saying all white scholars are imposters, many of them are and our brothers and sisters have to be wary of these imposters.

Of course, they are Muslims who are also 'gunting dalam lipatan'. People like those in PAS. But that is another story.

Anyway, if Iskandar Shah 2 is sincere about his faith, he should take up Bro Wajaperak's offer to discuss this matter face to face and I hope Tun will consider Bro Wajaperak's suggestion.

Salam Tun

May I copy paste this from Joseph A Islam <http://www.quransmessage.com> to answer to bro Wajaperak's queries about the Qur'an.

//THE COMPILATION OF THE QURAN

Despite the controversy generated by Islamic historical sources, from a Quranic analysis it appears that the complete Quran was fully transcribed, compiled and committed to writing during the life of the Prophet.

From the Quran's perspective (without question the most reliable historical source contemporaneous to the time of the Prophet), the position that a later copy had to be collated / compiled by the companions of the Prophet seems untenable.

If one accepts the testimony of the Quran, all debates surrounding the Quran being committed to writing later by the

Caliphs, or the burning of certain copies, or to its insinuated redaction, missing verses, political motives, or the idea of companions writing it on leaves, animals skins or debris parchments become futile.

#### THE QURAN WAS PUT TOGETHER BY GOD'S DECREE DURING THE LIFETIME OF THE PROPHET

025.03 "And those who disbelieve say: Why is the Quran not revealed to him all at once? (It is revealed) thus that We may strengthen thy heart there with; and We have arranged it in right order (Arabic: Ratalnahu tartila)"

There are some key terms here that enhance understanding and context.

The phrase 'Ratalnahu tartila' clearly denotes the well constructed action of putting together of component parts into one integral whole endowing the complete scripture with an 'airtight' inner consistency devoid of errors. Further usage of this term is discussed in the next section.

This response must be understood in the pretext of the charge being made against the Prophet in the same verse.

The disbelievers ask, 'Why is the Quran not revealed to him all at once?' i.e. as one integral unit (Jumlatan Wahida). Regardless of the obvious charge of the polemics of Islam at the time of the Prophet with this statement which hints at a Prophet of God revealing verses to suit certain conditions, the Quran's statement clearly denies the insinuations and admits to a well planned and arranged structure despite its piecemeal revelation.

075:016-17 "Move not thy tongue concerning the (Quran) to make haste with it. It is for Us to collect it and to promulgate it"

The above verse clearly states the purpose of God to collect it (The Quran) / put together and then to order its recitation.

#### THE QURAN WAS PUT TOGETHER BY THE PROPHET HIMSELF BY GOD'S DECREE

Many English translations completely misrepresent the essence of verse 73:4 stating that the Prophet is being asked to recite the Quran in slow measured tones or chant it in a manner that it should be chanted.

Let us note the Arabic carefully.

073:004 "...and arrange (Arabic: Wa-rattili) the Quran in its arrangement (Arabic: Tartilan)"

Both the words rattilli and tartilan are formed of the same root word RA-TA-LAM which means to put something in order, to make even or well arranged/set together, to make correct or to put in the right state of arrangement.

We noted similar uses of the word in verse 25:32 which connects with the verse above. Therefore the arrangement of the Quran was not only put together in the lifetime of the Prophet, but by the Prophet himself by God's decree and under the Prophet's supervision.

Whether this 'arrangement' is being instructed as a requirement during any recitation the Prophet may have made (as common translations seem to imply by the mention of 'chanting'), the fact that an arrangement is being clearly instructed as an action on behalf of the Prophet is difficult to dispute.

Furthermore, the above verse provides strong indication of the Quran's initial stages of revelation supported by a process of early arrangement as the next verse confirms.

073.005 Indeed, We will cast upon you a heavy/weighty Word (Arabic: Qawlan thaqilan)

Therefore, the Quran at the point of verse 73:4 is still in its infancy and the Prophet would be ultimately charged with a 'weighty' word from God completed during the lifetime of his ministry (73:5). As the process of proper arrangement would be a continuous exercise working in tandem with revelation, it is clear that by the time of its completion, the Quran would also be fully arranged in a perfected order.

#### THE RELIGION WAS COMPLETED DURING THE LIFETIME OF THE PROPHET

In the famous verse of Surah Maida (Chapter 5), often quoted with reference to the favour bestowed by 'perfecting the Deen', one must ask the obvious question as to how it was possible to complete a 'Deen' (a system / religion) without the bedrock of instructions formulated and referenced by scripture? One must therefore posit the possible conclusion that for a 'Deen' to be complete, the scripture must have taken its final form.

005.003 "Forbidden to you (for food) are: dead meat, blood, the flesh of swine, and that on which hath been invoked the name of other than God; that which hath been killed by strangling, or by a violent blow, or by a headlong fall, or by being gored to death; that which hath been (partly) eaten by a wild animal; unless ye are able to slaughter it (in due form); that which is sacrificed on stone (altars); (forbidden) also is the division (of meat) by raffling with arrows: that is impiety. This day have those who reject faith given up all hope of your religion: yet fear them not but fear Me. This day have I perfected your religion for you, completed My favour upon you, and have chosen for you

Islam as your religion. But if any is forced by hunger, with no inclination to transgression, God is indeed Oft-forgiving, Most Merciful”

THE QURAN WAS WRITTEN DOWN BY NOBLE SCRIBES AT THE TIME OF THE PROPHET  
080.013-16 “(It is) in sheets / pages held (greatly) in honour (Arabic: fi suhufin mukarrama), Exalted (in dignity), kept pure and holy (Arabic: marfu’atin mutahhara), (Written) by the hands of scribes. (Arabic: bi’aydi safara), honourable and pious and just (Arabic: kiramin barara)”...

Other Quranic references also strengthen this position:

068.001 Nun. By the Pen and the (Record) which (men) write,-

096.001-5 “Read in the name of your Lord Who created. He created man from a clot. Read and your Lord is Most Honourable, Who taught (to write) with the pen. Taught man what he knew not”

098.002-3 “A messenger from God, reciting purified pages. Wherein are laws (or decrees) right and straight”

025.005 “And they say: The stories of the ancients – he has got them written – so these are read out to him morning and evening”

Note that albeit an accusation of plagiarism is being made by the disbelievers against the Prophet, there is more than an allusion that the Quran was already committed (being committed) to written form....

THE RESPONSIBILITY OF THE QURAN’S PROTECTION WAS WITH GOD NOT MAN

015.009 “We have, without doubt, sent down the Message; and We will assuredly guard it (from corruption)”

THE QURAN LEGITIMISES ITS OWN STUDY

The Quran clearly states with regards itself that:

It is a clear proof (6:157)

That it is a book in which its verses are explained in detail (41:3)

It is a manifest light (42:52)

That it fully explains to mankind in all kinds of ways and similitudes (39:27;17:89;18:54:)

Readers are asked to ‘tadabur’ on the Quran (Ponder, reflect, study ardently till the matter is completely clear) and follow it in strict terms:....

Think, meditate, endeavour to understand it, research it and study it repeatedly in order to know it.

023.068 “Do they not ponder (Arabic: Tadaburu) over the Word (of God), or has anything (new) come to them that did not come to their fathers of old?”

047.024 “Do they not then earnestly seek to understand the Quran (Arabic: Tadabaruna), or are their hearts locked up by them?”

See also 4:82, 38:29

050.045 “We know best what they say; and you are not one to overawe them by force. So admonish with the Quran such as fear My Warning!”

FINAL THOUGHTS

It is clear from many references that the Quran has a simple message, that it is an unambiguous scripture and that all humankind is invited to reflect, ponder and meditate on its verses. The Quran is not merely restricted to man appointed ‘specialists’ or ‘clergy’ that can potentially guide the text to fit their own motives. Rather, it is a duty for all to seek and extract its core and peripheral messages. There is clearly more than a tacit allusion that there exists a divine legitimacy to study the Quran for oneself through the consistency of the primary text itself.

From the Quran’s own consistency and message, it seems clear that the Quran took its final written form including its collation during the time of the Prophet. It was the written and oral transmission working in tandem which most likely assisted in its preservation.

Please note the following comment by Dr. Adrian Alan Brockett and his view after conducting a comprehensive study of the Hafs and Warsh transmissions of the Quran.

“...Thus, if the Qur’an had been transmitted only orally for the first century, sizeable variations between texts such as in the hadith and pre-Islamic poetry would be found, and if it had been transmitted only in writing, sizeable variations such as those in different transmissions of the original document of the Constitution of Medina would be found. But neither is the case with the Qur’an. There must have been a parallel written transmission limiting variation in the oral transmission to the graphic form, side by side with a parallel oral transmission preserving the

written transmission from corruption. The oral transmission of the Qur'an was essentially static, rather than organic. There was a single text, and nothing, not even allegedly abrogated material, could be taken out, nor anything be put in..."//

1-He,he,look like I have shot myself in the foot with that posting about the re-emergence of the Islam of the prophet (less the books of the hadith).I thought nobody would read that prediction of mine which middle ages would simply brush off as absurd.

2-Though not unexpected I have angered Amin Tan and wajaperak.Although I thought it would be wajaperak who would be the one all set to pullout the sword against me I find him friendlier and less judgemental although he is just a "sekolah" and not a scholar.

3-Bro Amin Tan has begun to judge me a fraud and is is only waiting to meet me to confirm that.A muslim just can't even express a different view to challenge the mainstream without being labelled fraud,imposter,apostate,etc. Why are you so insecure?

4-If you disagree with my points you can always counter with your arguments why you think that the present version of Islam is ready to be alternative solution to the broken system of the world today.Or alternatively you can hit and say why Islam without the hadis is not the solution. Attack the ideas,not the person.

5-I am not an enemy to the muslims who believe in the hadis all my family members (except my immediate) are still with the mainstream simply because they have 100% trust on the ulamas.Once the ulama declare that the hadis is not to be believed ,due to certain circumstances, they would immediately renounce the hadis,guaranteed.Its that easy esp if its Nik Aziz making the announcement.

6-It is just what the ulamas decide for them,senang tak payah pening kepala.I wish I could be just like the rest of the 'herd mentality'. Life would be such a breeze.Tak kisah la hadis merapu ke asalkan mainstream semua ikut kite ikut ajelah,sonang hidup ni.

7-Throwing out the baby and the bathwater too was my defense for the hadis before but when you look deeper especially that the bathwater contain dangerous virus that had contaminated and transformed the baby now into a beast,than this bathwater must be thrown out with the baby .

8-The Qur'an has numerous commandments not to look for guidance from any other source but since you only follow the hadis there is no need for me to quote anything from the Qur'an,you are not going to believe it anyway.No wonder the prophet lamented "my people have abandoned the Qur'an"!!

9-These are some of the hadis that is trying to tell us that the Qur'an is less than preserved by God:-

i- The Prophet forgot his surahs- SAHIH BUKHARI, Volume 6, Book 61, Number 556; 557; 558

ii-That Caliph Uthman burnt the extant copies of the Quran- SAHIH BUKHARI, Volume 6, Book 61, Number 510

iii-From al-Baraa, verses that were lost with dead Muslims, cancelled and repealed verses and those forgotten by the Prophet himself and those lost by Quranic reciters -SAHIH MUSLIM, Volume 1, Book 5, Book of Zakat (Kitab al-Zakat) Number 2286

iv-That verses were missing and a goat ate the stoning verse with regards to adultery – SUNAN IBN MAJAH, Book of Nikaah, Number 1944, Hadith in Arabic

v-That there was a missing suckling verse (Ten clear sucklings which made the marriage unlawful, then it was later abrogated (and substituted) by five sucklings and then was somehow removed or missed from the Quran altogether – SUNAN IBN MAJAH, Book of Nikaah, Number 1944.Etc,etc,etc.

10-Yes I do hope that Tun Mahathir can arrange for us to meet in a more secured situation so that we can show

whatever we have sincerely discovered to rationalize why we disbelieved these secondary documents. The pro hadis can in a less judgemental and insecure fashion show how a proven faulty book full of dangerous doctrines—one of which is the glorifying and idolizing the prophet through the day and night salutations, and his possession with the powers of intercession, etc., can help us achieve our salvation.

11-But I don't think such a friendly discourse is possible knowing that judgements has already been made. The truth could only be delivered through God's own intervention at the right time as He had promised, whichever it is.

I have said this before.. and I am saying it again... No, a dictator will not queue up himself to buy movie tickets, as oppose to one who reserved house seats via management contacts. I was there Tun.. and I attended to you.. and I wish you are still the PM now.

I've been to the middle east and eastern europe. Whenever I met a person and asked where I am from, they never failed to mention you (Mohamad Mahathir...with thumbs up.... very good leader)... other than the Twin Towers, bananas and Langkawi. And that was from the commoners on the street, not some politician who made remarks out of political goodwill.

Dear Tun,  
Please allow me to quote Iskandar Shah 2

“1-When the actual Islam is being proclaimed again on earth soon as God had promised it will be truly an unrecognizable Islam. It will be based only on the Qur'an and the Qur'an alone .It will be awesome and just. In fact it will be like almost a different religion altogether from the present Sunni/Shiite Islam.”

Mr. Iskandar Shah 2

Look at what you wrote. It was never about hadis. It was pure assault of islam. You must understand that Quran alone cannot stand without the original context. Uthman was ridiculed for running away during the Battle of Uhud. A Revelation reprimanded those who laughed at Uthman. Prophet Mohammad was commanded by a revelation to marry Zainab bint Jash, wife of Zaid bin Harithah, his adopted son. At first Zaid had his name changed to Zaid bin Mohammad.

I strongly object to your throwing out the baby together with the tub when you said 'when actual islam is proclaimed'. Mohammad is supposed to be the last and final Prophet and Quran is the final testament. Ayah Pin and AbdulAzizOmar are not prophets but false prophets or impostors.

On the pretext of disagreeing with hadis, you tried to undermine islam. Your hatred for hadis is only a masquerade. It is better we meet up to see whether if you are genuine, sesat or fraud.

2-It has got to be because the present Sunnis and Shiites do not have in them a culture of success to carry Islam to a glory.They are being indoctrinated by their religious leaders to suppress the freedom of thought.Ideas like the parachute will only work when it is opened.If all your thoughts have to be controlled for fear of it going off limits than it will not be able to achieve its full potential.

3-To them people who think differently from them must be killed.They are more like a MAFIA group,once you join us you can't leave.Even though you don't believe you must believe.

4-They think God is so desperate for people to believe in Him.They don't understand that had God wanted us all to believe in Him by magic he could easily do it.He is all powerful.God want us to discover and surrender ourselves to him on our own freewill,without compulsion.If we wish not to surrender to Him,no big deal.God could exist without us but can we survive without Him?God want us to decide that for ourselves.

5-The true Muslims to come will be a group of very open minded people who are more interested in seeking God's pleasure more than anything else.They do not dress like Arabs of the 15th century just to emulate the prophet.

6-What they want to emulate is how the prophet achieved the impossible world class things through his faith in God.In his mould,they would strive to do anything that could contribute to mankind and obtain God's blessings with all their heart and soul .No they would not be differentiating a thing agama or secular.Everything under the sky created by God will be used for the good of mankind.

7-Their preoccupation is work,work,work with their hearts and soul in order to derive this pleasure from God.They have little time to think what other people think of their faith.As long as God is pleased with them who cares what others think.

8-It would definitely be a grand farewell to the hadis and its falsehood that had muslims misled for a thousand years.No point crying over split milk.The important thing is we have discovered where we have gone wrong and ready to go forward.Now that we are a million miles behind others we have to work round the clock to redeem our lost pride.

9-Be sure the journey to the Golden Age of Islam part 2 will come.It will be next change! Insyallah.

Happy Ramadhan to all Muslims.

Thanks Tun.

Salam Tun May I

//Itally July 23,2012 at 3:08 pm

As far as I concerned. You have been rule for 22 years with 4 deputy. You have suggested the UMNO president position cannot be contested. You have appoint cronies as your cabinet. You used your influenced to enriched your family member. You have defend ISA as your personal tools.//

1-Tun ruled for twenty two years because his party won the elections everytime. When he thought that he has done all that he could,without any warning he resigned.His people cried ,some crocodile tears ,begging him to stay. No dictator has ever got this kind of treatment.

2-Let us discuss about his 4 deputies:-

(a) No 1- is Musa who RESIGNED because dia MERAJUK ,malang sekali for him taada sapa nak pujok.Is this 'softie' the kind of man we want to take over from Tun?Good riddance..

(b)No 2 is Ghaffar Baba,who was defeated DEMOCRATICALLY by your idola the backstabber Anuar.

(c)No 3-Anuar, who perasan just because ironman Suharto was collapsed by 97/98 economic crisis he could also beat the man who had risked evrything to bring him into UMNO.You wanted to destroy the boss at a time the boss needed your help most?What a terrible miscalculation.What do you expect Tun to do to him?The only present he would deserve is to be kicked in his arse,and that was just what he got.

(d)The last but not least was Pak Lah who was not really his candidate of choice.The betrayal of Tun by your idola has brought about this situation.He would have favoured the younger Najib who is actually the more popular VP of UMNO but I believe Pak Lah was chosen due to his religious credentials and being the older candidate would be able to help UMNO face up to PAS.Anyway how is this proof of Tun's dictatorship?

3-No the top post could be contested but you need twenty divisions to nominate you,or something like that.You see,UMNO had been declared invalid and became split up between UMNO baru and S46 because of these fights for the top post of UMNO in 1985/86.Due to money politics the candidates chosen by the grassroots may not necessarily become the winner of these top positions.It is he who has the money...what Tun has done was to make it difficult for people with the money to buy their way to power and this is in a way to also curb money politics.Of course this is the area that is subject to abuse.There is no perfect tool for anything but what choice has Tun got?

4-Tun has an agenda to develop as many as possible successful Malay entrepreneurs.Daim was brought in because of his business acumen.Tun needed a man like Daim to spearhead this mission to bring up as many millionaires amongst Malays as possible.Tun have said before "give me Ten Daims the Malays will rule the world."Before the economic crisis of 97 came along it seemed as though both Tun and Daim had achieved their dreams.We had Tan Sri Rashid Hussain,Tan Sri Yahya,Dato MS Nasaruddin,Tan Sri Tajuddin Ramli,Tan Sri Halim Saad,etc.,But the crisis came and almost the entire crop of Malay billionaires and millionaires dissappeared.This is not Tun's fault.At least he tried.Would you have preferred a PM who does nothing to make his own race looks "sama tinggi" with the other races?

5-I don't think Tun use his powers to enrich his own kids.But Tun is definitely powerless to keep back his kids who are clever enough to use their father's position to do business.Surely it is not fair to hold back your son from doing business just because you are the PM,right?In this regards let us just remember that Tun is only human....(sorry Tun if I can't defend you too much here)

6-Tun has used the ISA for our good.In 1985/86 the DAP had really to take full advantage of the split of the Malays within UMNO into New UMNO and S46,by instigating the Chinese community over the Chinese education issues and if the ISA had not been invoked a repeat of 13th May 1969 was in the offing.Malaysia was aggressively promoting FDIs then all these racial outburst will only frighten investors away.We are at a time we were not ready for full democracy yet.Of course I think we are ready now.We cannot follow others blindly...

Thanks Tun

Salam,

Tiada seorang pun Perdana Menteri Malaysia bersikap diktator. Semua PM dari UMNO mudah bergaul dengan rakyat biasa. Pi solat Jumaat ,pi pasar, pi segala jenis aktiviti tanpa kawalan keselamatan ketat.

Yang jelas di Malaysia dan diketahui seluruh dunia ialah masih wujud malahan bertambah kekuatan pembangkang melalui amalan demokrasi. Rakyat dari pelbagai kaum boleh jadi wakil rakyat malahan jadi Ketua Menteri dan Menteri Kabinet. Aiyoh sudah cukup baik ma!!

Malaysia tak pernah diperintah oleh diktator kerana adanya amalan pilihan raya yang memberi kebebasan kepada rakyat memilih wakil rakyat mereka. Semasa Tun Dr. Mahathir jadi PM pun rakyat bebas memilih BN atau pembangkang. Adik2 yang baru belajar politik, biar orang lama bagitau sikit sifat diktator ialah tak akan benarkan ada pembangkang, tak kan bagi peluang bagi rakyat pilih siapa wakil rakyat depa. Nikmat peluang memilih ini semua dikecapi kerana negara Malaysia dibawah pimpinan Perikatan dan sekarang Barisan nasional mengamal demokrasi pilihanraya tulin. Kalau diperintah diktator, tak adalah DAP, PAS, PKR, dan semua parti2 lain. Tak adalah wakil rakyat Cina, India dan lain2. Negara dibawah diktator tak ada pilihanraya, kalau ada pilihanraya pun diktator akan pastikan pembangkang kalah teruk melalui pelbagai manipulasi yang tidak adil seperti di Singapura. Jangan sokong pembangkang sebab salah sebuah parti nya iaitu DAP adalah sebenarnya ikut acuan Singapura.

Malaysia tak ada diktator kerana peratusan kerusi pembangkang di Parlimen /DUN di Malaysia adalah lebih besar dari di Singapura. Kerajaan Singapura PAP ini adalah model kerajaan yang bakal digunakan oleh Pakatan rakyat. Semua orang tahu Pakatan Rakyat sebenarnya ikut acuan PAP. Semua orang tahu kecuali Tok Guru Hadi Awang dan Tok Guru Nik Aziz kot?

YB Datuk Seri Anwar Ibrahim dan juga YB Lim Kit Siang, cuba kalau ada senang tengok sikit dalam parti sendiri DAP dan PKR adakah amalan demokrasi dilaksanakan dengan baik dalam parti terlebih dahulu sebelum berfikir nak jadi memimpin negara Malaysia!!!! Di Perak DAP dan PKR pemilihan pemimpin ada ok ke? Di Penang apa macam orang Melaka jadi KM? Di selangor ada ok ke? Kalau dalam parti sendiri tak ada ok, tak adil, macam mana mahu adil kepada rakyat ?

Mungkin Pakatan Rakyat bermaksud depa tak ade diktator kerana setiap kali ada kenyataan akhbar kerajaan Selangor, nampak sangat YB Khalid Menteri Besar Selangor dihipit jejak kacak dari DAP. Inilah barangkali amalan demokrasi Pakatan Rakyat. Tapi pelik pula bila itu Ketua Menteri Penang tak diapit orang berserban pula. Oh mungkin dia dah taraf Khalifah tak perlu diapit oleh orang PAS lagi kot?

Banyak lagi cerita2 pilihanraya akan datang untuk adik2 Malaysia tanpa mengira kaum , berfikir kenapa kita semua mesti sokong Barisan Nasional.

Orang Lama ucapkan Selamat Berpuasa kepada semua Muslimin dan Muslimat.

Assalamualaikum W.B.T Yg Bhg Tun dan Selamat Berpuasa.

1. Saya tidak melihat Tun semasa menjadi Perdana Menteri Malaysia ke 4 (1981 – 2003) sebagai pemimpin yang bersikap Diktatur. Tun dilihat mengamalkan sikap ketegasan yang begitu tinggi, dan sedikit keras dalam tindakan menentukan sesuatu perancangan yang Tun rancang dapat dilaksanakan dengan betul mengikut waktu yang ditetapkan dan berjaya sepenuhnya. Tun mempuyai vision yang begitu jauh dalam aspek pembangunan negara semasa era pemerintahan Tun. Dalam menentukan vision itu mencapai matlamatnya seperti yang dirancang sikap ketegasan amat diperlukan oleh seseorang pemimpin, sikap sedemikianlah yang telah Tun amalkan.
2. Isu memperlekehkan Institusi agama Islam, Institusi Raja Perlembagaan, kedudukan istimewa kaun bumiputra amat kurang dibangkitkan semasa era kepimpinan Tun, kalau adapun begitu pantas diselesaikan oleh kepimpinan Tun dengan begitu tegas. Bagi musuh politik Tun sikap-sikap sedemikian memang tidak boleh diterima oleh mereka, dan menganggap Tun sebagai pemimpin diktatur, kerana suara penentangan mereka tidak boleh tersebar luas dengan begitu mudah seperti apa yang berlaku semenjak era kepimpinan Perdana Menteri ke 5 sehingga kini. Kebebasan bersuara itu merupakan satu perkara yang baik, jika kebebasan bersuara itu digunakan secara penuh berilmu, beretika dan bertamaddun. Dukacita parti pembangkang berimejkan Islam sendiri menyalahgunakan kebebasan bersuara dengan menyebarkan fitnah, memburukkan saudara sesama Islam yang berlainan ideologi politik. Akibatnya imej Islam itu sendiri tercalar dan membuka ruang bagi yang bukan Islam memperlekehkan Institusi Islam dan agama Islam itu sendiri dengan bebas, atas kapasiti bebas bersuara. Perkara sedemikian amat kurang berlaku semasa dibawah pentadbiran Tun, maka itulah diantara puncanya Tun dikatakan sebagai pemimpin diktatur.
3. Kalau benar Tun pemimpin diktatur, Pas tidak akan menang di Kelantan sehingga boleh berkuasa lebih dari 22 tahun yang lalu. Tun tidak akan dicabar oleh kepimpinan UMNO untuk merebut kerusi Presiden dan menjadi Perdana Menteri, jika benar Tun adalah seorang pemimpin diktatur. Ada dikalangan peminat blogger Tun nampaknya begitu beremosi menghentam Tun dan berterusan melabel Tun sebagai pemimpin diktatur, atas kapasiti kebebasan bersuara. Dukacita mungkin mereka lupa dalam menjalani kehidupan sebagai rakyat Malaysia, mereka juga menikmati segala kemudahan dan kebaikan hasil perancangan Tun terhadap pembangunan negara Malaysia yang dikatakan pemimpin diktatur.
5. Setelah Merdeka selama 55 tahun, hasil gerak kerja dan pembangunan yang diusahakan kerajaan Perikatan pada awalnya, seterusnya Barisan Nasional, Malaysia telah berjaya maju dan akan seterusnya menjadi negara maju menjelang tahun 2020 (Vision 2020) yang diilhamkan oleh Tun sendiri, Insha'Allah. Maka sudah semestinya rakyat Malaysia juga turut maju dalam segala segi kehidupan termasuk tahap pemikiran. Seharusnya kita tidak lagi berfikir pada tahap ke tiga, dan hasilnya corak pemikiran berpolitik pun menjadi cacat merba, tidak profesional seperti orang berilmu dan maju, lebih mendukacitakan ahli politik yang berimejkan Islam tergolong dalam ahli politik yang tidak matang, tidak maju kerana menggunakan kaedah-kaedah dan tindakan yang kurang Islamik dan profesional. Adakah menjalin hubungan dengan parti politik yang jelas membenci Islam itu satu tindakan yang Islamik dan profesional. Adakah memusuhi rakan sebangsa dan seagama itu tindakan yang Islamik dan berlandaskan politik Islam yang sebenar? Malah tindakan parti berimejkan Islam itu agak canggung dan meragukan.
6. Tun bersikap begitu terbuka dan berani membuat komen dan teguran terhadap perilaku seseorang pemimpin negara lain khususnya barat yang Tun fikirkan begitu bercanggah dengan amalan biasa sebagai pemimpin. Sehingga kini belum ada lagi kepimpinan negara lain yang berani dan tegas seperti Tun. Kedaulatan negara Malaysia adalah tanggungjawab kepimpinan utama negara Malaysia. Tun telah berjaya memperkukuhkan imej dan kedaulatan negara Malaysia di mata dunia. Malaysia amat dihormati dan dijadikan contoh oleh sebahagian negara di dunia sebagai negara yang aman, maju dan berdaulat. Sebagai rakyat Malaysia kita seharusnya bangga dengan kedudukan negara

Malaysia hasil usaha kepimpinan negara Malaysia.

7. Melabel musuh politik dengan sesuatu gelaran tertentu (gelaran yang tidak relevan atau buruk) bukan amalan orang berilmu dan bertamaddun, amalah seperti itu boleh merendahkan martabat seseorang ahli politik yang membuat pelabelan itu. Yang harus tidak disepakati ialah idea atau isu yang difikirkan tidak realistik atau kurang baik oleh seseorang pemimpin, bukan dengan melabel seseorang pemimpin itu dengan jenama-jenama yang tidak baik, itu menunjukkan sikap kebudak-budakkan dan tidak berilmu walaupun ia mungkin seorang yang berilmu tinggi.

8. Walau apapun gelaran yang Tun terima dari musuh-musuh politik Tun, dengan iziz Allah S.W.T. Tun telah banyak berjasa kepada negara dan rakyat Malaysia, dan sewajarnya Tun dinobatkan sebagai seorang negarawan ulung. Persetankan segala gelaran buruk itu yang tidak memberi apa-apa kebaikan atau ganjaran dalam hidup Tun, yang lebih penting dari itu ganjaran dari Allah S.W.T. di dunia dan akhirat.

Sekian, salam hormat Yg Bhg Tun.

Tun

For Truthseeker.

We must all thank Tun Dr Mahathir Mohamad for allowing us to air our views and hearts and minds freely.

You are great because you realise how great Malaysia and her citizens are, far better than Singapore.

Thanks to the BN, UMNO, successive Prime Ministers from Tunku, Tun Abdul Razak, Tun Hussein Onn, Tun Dr Mahathir Mohamad, Tun Abdullah Badawi and the present Prime Minister Dato Seri Najib Abdul Razak. I had to mention all the names because each actually carried on the legacy of being a referee in a diverse population as the leader of UMNO.

Yes ! It is good to be normal and it is with this way of life that our beloved Malaysia marched along uncharted paths for so long – over 55 years.

Yes ! I like everyone to be well-off or rich with a job, a roof over their heads, good education for their children with prospects and potential, at least a Proton in the garage, a holiday for the family etc.

Yes ! All these we can have if the Government led by BN with the full support of UMNO and others continue to govern as they had governed since 1951 !

Yes ! The political and socio-economic structure of our country should be like an onion with UMNO at its core – The Malaysian Way with our own heroes and icons like our Royal Sultans, past and present and successive Prime Ministers !

No foreign icons and heroes for us !

Yes ! We have evolved a long way and we do not need wisecracks to tell us what to do and to whom we should worship or kow-tow to. We are Malaysians !

We know exactly what to do.

Tun,

Izinkan saya menjawab mrnrmelayu 19 Julai 2012.

Sdra or sesiapa juga anda adalah contoh orang yang terlalu taksab terhadap DSAI.

Kalau tidak kerana Tun dan jika pemimpin yang sdra kagumi itu terus menjadi menteri kewangan sudah tentu saya dan saudara mungkin tidak dapat menulis dalam blog ini kini.

Mungkin kita tengah merempat entah ke mana kerana negara kita telah jatuh muflis sebab mengikut pentunjuk kuasa Barat atas nasihat pemimpin yang sdra kagumi semasa krisis ekonomi dulu.

Sdra menuduh Tun mengumpulkan kekayaan yang banyak sewaktu memegang jawatan PM.

Saya ingin bertanya sdra, salah ke jika Tun mengumpul wang yang banyak jika ia dibuat secara jujur hasil titik peluh Tun sendiri?

Sdra sendiri boleh mencongak secara rambang sebagai contoh berapakah pencen Tun, jawatan-jawatan Tun sebagai penasihat, sebagai penceramah di dalam dan luar negara, perniagaan kedai roti yang Tun jalankan dan lain-lain.

Ini sahaja sudah tentu mendatangkan pendapatan yang lumayan kepada Tun tetapi adakah ia satu kesalahan?

Bagaimana pula pemimpin yang sdra kagumi mengumpulkan harta lebih-lebih lagi berhubung dakwaan yang timbul baru-baru ini? Saya yakin sdra tidak akan mempercayai apa sahaja tuduhan terhadap pemimpin yang sdra kagumi.

Otak sdra sudah dikunci oleh perasaan taksab terhadap seorang pemimpin yang sdra sukai.

Tidak kah sdra berasa pelik langsung bahawa sdra menuduh Tun bermacam-macam tetapi idola sdra semuanya elok belaka?

Sdra cubalah membaca sedikit berita dan buku politik (jangan hanya buku memuji pemimpin sdra kagumi) bahawa idola sdra juga didakwa pernah menggunakan polis untuk kepentingan sendiri mengugut penentang-penentangannya.

Tidak kah ini juga bermakna pemimpin idola sdr juga memperkosa (seperti sdr tulis) undang-undang untuk terus berkuasa?

Rasuah berleluasa adalah disebabkan diri seseorang itu sendiri mengamalkan rasuah dan bukan terletak di tangan Tun seorang sahaja untuk membanterasnya.

Tuduhan sdr terhadap Tun menggunakan wang negara bagi menyelamatkan syarikat2 sewaktu krisis kewangan menunjukkan sifat sdr yang lebih mementingkan emosi, cemburu atas kejayaan orang lain walaupun mereka yang berjaya terdiri daripada syarikat bumiputera dan daripada kalangan bangsa sdr sendiri.

Sdr membiarkan diri sdr terperangkap dengan emosi dan kerana taksud dengan seorang pemimpin sdr sanggup melihat negara ini mufliis.

Krisis kewangan yang berlaku sebelum ini menunjukkan bahawa idola sdr tidaklah hebat sebagai menteri kewangan untuk menangani krisis kewangan malah memburukkan lagi keadaan semasa itu.

Mengenai institusi kehakiman, sdr harus ingat bahawa para hakim juga adalah manusia biasa dan terdapat hakim yang cenderung kiblatnya kepada parti pembangkang.

Mengapakah hakim tidak boleh dipecat jika tidak menjalankan tugas mereka? Apakah keistimewaan institusi ini hingga tidak boleh ditegur langsung? dan adakah jika sesuatu keputusan yang hanya memihak kepada pembangkang baru mereka dikatakan tidak korup?

Berhubung kenyataan sdr bahawa menuduh DSAI melakukan liwat dan memecat beliau sesuatu yang tidak diterima akal adalah hak dan pendapat peribadi sdr.

Jika betul pun seperti dakwaan sdr bahawa ia adalah "purely political strategy" kerana DSAI telah mengugut dan mengancam Tun, itu nasib idola sdr lah kerana kalah dalam percaturan politik.

Pepatah Melayu ada menyebut, kalau takut dipukul ombak jangan bina rumah di tepi pantai.

Seperti orang bermain catur. Katakan sdr yang mulakan permainan dan kemudian kalah tetapi sdr marah kepada lawan sdr. Apa makna permainan ini sdr? Beginikah cara orang bermain catur?

Bagaimana pula nasib orang kerdil yang lain di negara ini sdr, adalah mereka tidak mempunyai hak dan berhak dibela? dan adakah hanya pemimpin sahaja yang harus dibela di mahkamah?

Cuba sdr berfikir sedikit walaupun jika Tun seperti dakwaan sdr membiarkan peguam Negara membuat selective charges, tidak kah idola sdr akhirnya dibebaskan oleh mahkamah?

Sebagai orang Melayu yang juga bekerja seperti sdr, saya nasihatkan sdr jangan mudah kecewa dan cemburu melihat orang lain kaya-raya malah kita harus berbangga dengan kejayaan mereka.

Jika idola sdr jadi pemimpin pun tiada jaminan bahawa sdr akan dapat seperti sdr sebutkan "yg ada connection sama ada dgn menteri, politicians, pegawai atas kerajaan adalah lebih cerah".

Berhubung tuduhan sdr quote "ada yang minta duit kerana nak buat umrah!!!! betapa murah nya maruah".

Kalau tidak silap saya perkara ini pernah jadi isu terhadap seorang pemimpin pembangkang suatu ketika dahulu kan sdr?

Sdr, jangan sebab marahkan nyamuk, kelambu dibakar. Jika sdr ingin membanteras rasuah lebih elok sdr memberi sumbangan daripada dalam dan bukan memebel haruk piruk dari luar.

Berfikir sedikit sdr dan jangan biarkan emosi mengawal perasaan dan fikiran termasuk membiarkan diri terlalu taksud terhadap seseorang pemimpin.

Salam Tun.

Salam YAB & diKasihi Tun,

1. Jika Tun ialah contoh seorang DIKTATOR, amanlah dunia ini.
2. Cuma orang DUNGU & JAHIL saja yang tidak tahu membeza antara sifat ZALIM dan sifat TEGAS.
3. Tun seorang yang berpendirian TEGAS, dan juga seorang bekas PM yang amat disanjung oleh majoriti rakyat Malaysia. Malahan banyak orang luar yang kagum dengan kebolehan Tun semasa menjadi PM Malaysia. Sifat tegas Tun membantu Malaysia untuk berjaya dalam pebagai bidang dan Malaysia juga tidak mudah diperkotak-katik oleh negara luar semasa Tun menjadi PM. Sehingga sekarang Tun masih bebas bergerak ke sana-sini dan tidak perlu dikawal ketat. Habis-habis pun mungkin kena ada 1-2 untuk mengawal keselamatan Tun bimbang Tun kena serbu oleh peminat-peminat tegar Tun.
4. Biasanya orang yang tegas akan diberi segala macam gelaran yang tidak masuk akal. Saya sendiripun pernah

disamakan dengan "pembunuh kejam" cuma kerana saya tegas. Saya tidak pernah kena dakwa di mahkamah. Hutang pun saya tidak pernah lupa bayar atau dan saya tiada saman tertunggak. Jadi saya sendiri tidak tahu apa kaitan ketegasan saya dengan perlakuan seorang pembunuh kejam. Lagi satu saya bukan orang politik.

5. Sebenarnya TUJUAN mereka yang suka menggelar orang dengan gelaran-gelaran yang tidak masuk akal ialah semata-mata untuk membuat orang lain membenci orang yang mereka tidak suka kerana orang tersebut tegas & tindakan telah diambil ke atas mereka. Kononnya mereka telah dizalimi walaupun kezaliman yang mereka dakwa tidak pernah berlaku.

"Selamat Berpuasa kepada Tun sekeluarga".

Terima kasih Tun.

\*\*\* Semoga Allah SWT melindungi Tun sekeluarga. \*\*\*

I wish to add that the Malaysian Judiciary is without peer and first class – unlike other regimes which use their perfunctory judicial systems as the first line of defence of the palace guard to defend at all costs, come what may, the incumbent absolute Ruler.

This would have been the very first Institution for any Dictator to meddle with on his very first day because on the second day it would have been too late – A judiciary which is completely pliable and compliant without the use of a telephone !

It is now proven that you were no Dictator, even the top Opposition Blogs, the Malaysia Chronicle and Malaysiakini willingly said so.

It is only fit and proper and they will be world class if they publish the appropriate apologies to you, Tun, a great Malay hero, a great Malaysian hero, a great Asian hero and a great World Leader from the Muslim World.

Nothing more ! Nothing less !

KRITERIA2 YG DI PERLUKAN UNTUK MENJADI SEORANG DIKTATOR.

1. the power to make laws without effective restraint by a legislative assembly.
2. suspension of elections
3. single-party state, and cult of personality.
4. die with them boots on!
5. self proclaimed leader assumes post unelected

Jika berpandukan kriteria2 di atas maka boleh di katakan Tun TIDAK LAYAK DI GELAR DIKTATOR!

Malah jika di kaji kriteria2 tersebut beberapa nama terkenal lain comes to mind!

1. ANWAR IBRAHIM – Ketua Umum PKR yang tidak di lantik menerusi undian parti!
2. NIK AZIZ NIK MAT – Ular mak politik tersohor yang pernah menggesa Tun letak jawatan PM dulu, di petik kata2 azimat beliau..

” jika Mahathir letak jawatan pada hari ini, esok ambo (saya) pula letak jawatan sebagai Menteri Besar Kelantan.”

Juga di dapati bersalah kerana menggalakkan budaya CULT OF PERSONALITY di kalangan pengikut2 taksu beliau.

Orang tua ni gila glamour tuuu...hehe orang tua pelupa cakap tak serupa bikin!

3. LEE KUAN YEW – hakikatnya akan mati WITH HIS BOOTS ON kerana masih aktif dalam kabinet Singapura sehingga kini.

IF THERE IS ONE GUY WHO SHOULD BE LABELLED A DICTATOR IT SURELY MUST BE LKY!

4. LIM GUAN ENG / LIM KIT SIANG – tagteam ini pun layak kerana mengemudi parti secara dictator. Sesiapa yang tak di sukai maka malaplah masa depan individu terbabit. Nama2 yang sering di kaitkan dengan perkara ini ialah Tunku Abdul Aziz dan Dato Lee Lam Thye.

Kita juga boleh lihat sendiri bagaimana LGE mentadbir PP secara authoritarian sehinggakan sangat ramai orang melayu PP benci kepadanya sekarang.

OK TUN SEKIAN ULASAN SAYA BERKENAAN DIKTATOR.

Tun

It is timely that the facts about Lee Kuan Yew and Singapore have unfolded before us, with crass attempts at calling you a Dictator and other names which show disrespect to a Malay hero, Malaysian hero, Asian hero and World

leader.

You have no blood on your hands !

And the top Opposition Blogs, Malaysia Chronicle and Malaysiakini, have admitted openly that you were not a Dictator, Tun !

The Opposition amongst other sources of inspiration took the blessings, inspirations and motivations of the apparent successes of Lee Kuan Yew's Singapore, a modern temple stuffed with money but a complete absence of soul and spirit – this has already shown to be unsustainable -

If only the Foreign Policy of Singapore had been different.

Here is the comparison of latter day Singapore and Malaysia.

1. Singapore under Lee Kuan Yew is a child of the Cold War – a War which was cast in black and white, a War of cowboys and Indians.

2. With Lee Kuan Yew's one-off brilliance at Cambridge, the die was cast for a clear run to achieve greatness for himself and Singapore.

3. As is now shown, the great expectations of the successes of Lee Kuan Yew were not to be, due to the lack of compassion in most of his dealings which were closely related to money eg. the Australian and German drug mules. And so, we have a temple of money which is the Singapore of today – hollow and soulless.

This is the legacy. This is the pay-back.

Strange to say, 2 generations of Singaporeans and some Malaysian Chinese and maybe a few Bumiputeras were convinced of his greatness.

4. The failure of the 2 Child Policy of the 1970s and 1980s forces the present importation of millionaires from China and India to fill the void of those Singaporeans which should have been born. And possibly the 1% elite void to rule the 99% real Singaporean folks by imported foreigners with big bucks !

The Policy itself might have breached Clause 16 of the United Nations Universal Human Rights Charter.

Vide. The announcements of the Government in the Channelnewsasia in 2012.

5. Money was used as an instrument of Singapore's Foreign Policy in the guise or form of an innocent investment in friendly countries. But in some instances, the Policy was bloodied and blood stained with the blood of innocent men, women and children. And the Head of State flew into orbit like a Flying Dutchman !

Vide. ASEAN Regional News.

6. With a much flaunted and vaunted meritocratic ruling elite with a pyramid to boot, a titanic sum of US\$ 108 Billions of her citizens Trust money from a sovereign state, was lost amongst the lesser institutions of Wall Street in October 2008. ( The sum of money lost was just short of the total Foreign Reserves of Malaysia at the material time.)

Vide. Channelnewsasia. Lee Kuan Yew November 2008. All Singaporean Blogs. 2009 to 2012. Financial Times, London. April 2010. Gillian Tett. ' Singapore's Harvard Model '

7. There was no awareness of humanity and multiculturalism in Singapore until a Chinese family complained about the smell of curry from his neighbour's dwelling in 2011. This had to be sorted out by a tribunal. Recently, the Government exhorted the Singaporeans to assimilate with each other. We all thought assimilation happened as long ago as 1965 ! We love curry in Malaysia.

8. The life-style and wealth of the ruling elite is world class.

Vide. The sale of Kim Eng Securities to Maybank  
The right to import 5,000 pigs daily into Singapore.

If the Opposition especially the DAP had based their influence and magic smoke and mirrors on the greatness of Lee Kuan Yew of Singapore, then, it is time for them to find a Malaysian hero. If PKR took the same tack, time is running short too. And for PAS, your hero will come to the beach of Passionate Love, like Lee Kuan Yew, in time.

It is always the 99% of the population which suffers.

All Malaysians, especially the Malaysian Chinese, we should all vote for BN to keep our normality and sanity and forget about foreign icons and heroes with feet of clay !

We do not want what happened to the Singaporeans to happen in our beloved Malaysia ! Take your choice. Vote for BN ! Vote wisely !

We are the 99% ! Please do not forget.

Salam Tun dan fellow bloggers,

1. Nak komen sikit komen2 bloggers lain;

a. mubarakchan – tqvm, anda berfikir dan seorang observer yang berkesan

b. Azmi2012 – hanya kerana Tun melahirkan kecewa dengan orang Melayu, you anggap Tun perlekeh orang Melayu? Lihat kepada usaha dan tindakan Tun yang realistik untuk orang Melayu. Tun bukan bercakap sahaja tetapi jadikan program, masukkan bajet untuk laksanakan program untuk melayu – he doesnt talk about malays' problems but he solved them. Tolong jangan bandingkan cara you akan handle (menggunakan lemah-lembut, bersopan)nasib orang melayu dengan cara Tun, yang mengejar masa – 5 tahun setiap penggal bukannya masa yang lama...no time for democratic or laissez-faire kind of leadership.

c. blackwar – you bangkitkan tentang memali; please check masa tu Tun ada di mana dan siapa yang took charge semasa memali. Jangan fitnah Tun. You kata tiada press freedom; ada, cuma apabila freedom disalahguna untuk hancurkan negara, mestilah ditahan, kalau tidak tuhan bertanya kepada Tun di akhirat nanti kenapa tidak menghalang bencana manusia buat? Tentang Anwar; Tun lagi malu kerana percayakan setan itu, tetapi kerana undang2 mendapati Anwar bersalah, kenapa you persoal cara Tun handle kes Anwar? You mahu Tun buat tak tahu walaupun ada saksi dan bukti?

Cerita you berkaitan little napoleons, saya rasa agak remeh – BN, UMNO bagus, tetapi terdapat orang2 dalam parti itu dan pegawai2 kerajaan yang tidak beriman – dalam mana2 parti pun ada. Kalau you terkenal penyokong kerajaan, pergi cuba minta tolong kepada pembangkang yang berkuasa, then you know...manusia jahat ada di mana2.

d. MiddleAges – 'no 16; hanya keadilan dan dap dapat menyelamatkan Malaysia – hehe...bunyi macam you cina chauvinis yang nampak lebih banyak habuan kepada you dan suku sakat you kalau dap in power dan juga you pengamal benda2 songsang kerana keadilan fight for those freedom...or maybe penyokong yahudi like your brader anwar

e. pakpandir08 – tqvm tolong bagitahu nama tun ada dalam list modern dictators – rasanya tu antara sumber yang membuatkan Tun terpanggil membincangkan isu ini, ertinya tun bukan saja2 nak provoke pemikiran kita – musush Tun tidak habis2 nak benamkan pengaruh Tun

f. kamaljasin – bagus juga you bangkitkan tentang anak melayu dapat pinjaman dan bukan melayu dapat biasiswa. Saya agak kecewa dasar Najib yang terlalu bermurah hati kepada kaum2 lain yang jelas telah mendapat habuan mengikut perlembagaan; dapat kerakyatan bererti freedom untuk menjadi orang kaya di sini dengan sah, ada harta, ke sekolah aliran bahasa ibunda dan sekarang katanya sijil sekolah cina UE boleh digunakan masuk univ tempatan tanpa perlu kepujian bahasa malaysia. Bagi saya, cina2 dalam MCA tahu dan menghormati kontrak sosial, yang dalam DAP tu tidak akan sokong BN kerana DAP lebih menguntungkan cina dan merugikan melayu – itu yang mereka mahu, itu dendam mereka. Dato Sri Najib, pleaselah...agak2lah nak bagi cina2 melampau ni.

g. wajaperak – nampaknya you pandang Islam pada pakaian, ayat2 yang dilafazkan (ada bunyi arab pun jadilah)dan

apa2 yang luaran. Tun nampak macam 'bukan Islam' kerana tidak berjanggut, dll, tetapi perbuatan Tun, dasar2 Tun adalah Islamic. Terlalu banyak, tidak cukup ruang untuk tulis. Tun lagi banyak faham tentang Islam, please read his thoughts on Islam.

Bagi saya, istilah 'diktator' digunakan kerana;

1. untuk bangkitkan perasaan orang melayu supaya marah Tun. apabila Tun dibenci, maka pengaruh Tun yang konsisten menentang kejahatan, ketidakadilan, mempersoalkan dasar kerajaan yang tidak betul, dll akan berkurang. Maka musuh senang masuk jarum. Tun jenis no nonsense, Tun bukan menyokong kerajaan membuta tuli je...so my theory is, both the people in opposition and some in the government do not like him and supported that term 'dictator', in order to dilute his influence.
  2. di Amerika, kerajaan guna istilah 'desert shield' untuk justify kehadiran tentera US di Kuwait, Arab Saudi dan menentang Iraq. Rata2 rakyat Amerika berhati baik macam orang melayu, jadi kerajaan kena pakai istilah yang baik2 supaya rakyat sokong tindakan mereka dan musuh digambarkan dengan istilah seperti 'diktator'. samakan? So di sini, orang melayu marah kepada apa2 yang bercorak 'tidak demokratik', 'tidak adil', 'melanggar hak kemanusiaan', 'tidak ada sama rata', dll, maka istilah 'diktator' tu sesuai dengan jiwa melayu yang baik, mahukan keadilan, bersimpati, kebajikan dll. Cuba perhatikan slogan, cogan kata, istilah yang digunakan dap dan pkr – democracy, equality, human rights, bla, bla, bla... untuk pancing baik hati melayu dan mereka dapat – itulah kebodohan orang melayu. Lepas itu, satu persatu hak melayu diberi kepada kaum yang sudah ada lebih daripada sepatutnya. Bacalah nasib kaum cina Islam di China, kaum melayu di Singapura...tak sedar lagi ke bodoh?
  3. Yang guna akal (adalah pengikut Rasullullah saw sebenarnya) saja akan melihat kegunaan istilah2 ini – personaliti orang melayu adalah bangsa yang baik hati, menjaga kebajikan, ikhlas, pemurah, penyayang...musuh pun tahu sifat2 anda, maka istilah2 digunakan untuk memenuhi jiwa anda yang bodoh...masyaAllah

Salam Tun dan fellow bloggers,

Selamat berpuasa kepada semua muslim bloggers. Diktator adalah label negatif, jahat, ganas dan lain-lain lagi yang tidak baik. Tetapi Tun bukanlah seorang diktator. Antara alasannya, Tun;

1. menjadi teladan seorang Muslim dan Melayu yang baik; Tun modelkan kepada kami sikap dan tingkah laku real muslim.
2. tidak mengambil kesempatan
3. tidak berlagak macam orang 'tersangat penting'; Tun dan Tun Siti Hasmah bergerak macam orang biasa membeli barang dapur, Tun tidak mahu anggota UTK terlampau rapat dan mengelilingi Tun seolah-olah nyawa Tun sentiasa terancam (lain pula dengan Dollah yang gemar ramai UTK kelilingnya walaupun di tempat yang tidak terbuka), Tun solat Jumaat bersama-sama orang ramai – in short, Tun behave macam orang biasa yang so happened menjadi PM
4. tidak menyediakan pengganti yang tidak baik, tetapi mencari orang yang dianggap baik – itulah saya rasa kenapa

Tun groom Anwar untuk next PM kerana Tun benar-benar percaya Anwar baik, real muslim...tetapi Tun bukan tuhan yang tahu niat jahat Anwar. Tetapi bagi saya, tindakan Tun mencari pengganti yang baik adalah kerana Tun orang baik, bukannya diktator.

5. tidak menyalahguna kuasa seperti Anwar yang perguna polis dan orang2 lain untuk tujuan jahat- itu sebabnya musuh Tun susah mahu mencari bukti untuk menuduh Tun yang bukan2

6. tidak takut mengkritik Dollah dan juga Najib kerana Tun tahu rekod Tun bersih dan mereka tidak ada poin untuk kenakan Tun – sudah tentu Tun akan berdiam diri macam si Dollah jika Tun ada banyak sejarah hitam.

7. tidak menghalang media sebagaimana sewaktu Anwar dulu, cerita arwah Ghafar Baba ditenggelamkan, barua Anwar menggambarkan Tun sebagai pemboros projek mega dan Anwar sebagai hero rakyat. Semasa Dollah pula, gambar wajah Tun yang buruk, nampak bengis yang ditunjukkan.

8. tidak buang komen2 negatif terhadap Tun dalam blog Tun sendiri.

Ada banyak lagi...walaupun saya orang biasa yang hanya kenal Tun dari jauh, tetapi otak saya berjalan, mata saya melihat dan telinga saya mendengar – confirm, Tun bukanlah diktator. Tun jenis pro-aktif, futurist; ingat apa Tun cakap? jika buat benda salah, tentu melibatkan orang lain dan akan ada orang yang akan membocorkan cerita itu...so, Tun percaya itu cara bodoh yang Tun tidak akan lakukan. Geng ahli politik yang menjadi diktator selalunya orang yang gagal guna otak tetapi ikut nafsu...wallahuaklam

Tun

Please excuse me for saying 'Hey! Hey! Hey!'.

What is going on in the Opposition Blogs today which first brought up the lie that you were a Dictator !

Why the sudden turnaround ?

Why not continue to say that you were a Dictator, Tun ?

Why these Blogs have no backbones to carry on with their unfair and lousy diatribe ?

Why the sudden change of heart ?

Hey! Hey! Hey!

When I was young, I discovered that once I said certain words, it was impossible to retrieve the words again- like the bullets coming out of the barrel of a gun.

In the latest Blogs of today, Malaysia Chronicle brought out an age-old mischievous article full of lies and hearsay on a former successful Minister of your Government and to quote'...Mahathir panicked...If Daim's plan had been followed, Mathathir would turn dictator.' And please note that Tun, if the participants (the females) so mentioned did not complain why should Malaysia Chronicle which is obviously not practising 'sauce for the goose, sauce for the gander !'

From the Opposition's very own mouth-piece it is clearly stated that you were not a Dictator and they fired blanks. Hey! Hey! Hey!

In addition, the Malaysiakini has a headline, ' Perhaps not a dictator, but clearly an autocrat.' This Blog who has claimed to be awarded with such and such is confused whether you were a Dictator or an Autocrat ! Absolutely laughable and Malaysiakini loses creditability and professionalism for this faux pas. Maybe they only know Anglo-Saxon words from Beowulf. Hey! Hey! Hey!

The Oxford Dictionary defines an 'autocrat' as (i) a ruler who has absolute power (ii) a domineering person.

It is crystal clear that a lot of bunkum is dished out of these 2 Blogs every day to mislead, to misrepresent, to provide any twist or turn for those who are not conversant with the real facts, in their earnest march to Putrajaya.

Before your march, folks, please brush up your English first.

And an enterprising paper Gallop polled 1,200 persons to say you were a Dictator in the streets after you left the Government since 2003. And as you know Tun, how many of these folks have a newspaper or book in their homes ?

And like this, in a country of 27 Millions of diverse population, this absurd survey was blared from the rooftops as indicative of your purported behaviour. This shows the Opposition is bankrupt of ideas to defend against the crumbling clay legs of their foreign icon Lee Kuan Yew.

It is better for these folks to worship themselves than to have no self-esteem but to worship and kow-tow to foreigners.

Lee Kuan Yew to nobody's surprise swung round the hinterland of Malaysia (hinterland to Singapore) in his quest to examine at first hand how good were the folks who did so well at the 2008 General Elections of Malaysia. His personal touch. All the lucky folks were in high heaven.

For the very first time, Lee Kuan Yew invited Ong Tee Keat, the then MCA President who was all toggged up in his finest Mandarin silks. Ong may or may not have known that Lee Kuan Yew had always ignored the MCA leadership, maybe he thought they were corrupt or whatever.

A night is a long time in Malaysian politics.

Oops ! And Lee Kuan Yew had tete-a-tete tea at another place too !

Did our distinguished and prominent Malaysians worship and kow-tow to a foreign Autocrat with feet of clay ?

Are they alright ?

Aslmkm Ayahanda Tun,

Kadangkala saya pun pelik kenapa ada gelaran-gelaran untuk memberi persepsi personaliti yang tidak baik kepada orang lain seperti diktator, rasis, dan sebagainya. Mungkin tujuan mereka adalah untuk meruntuhkan semangat dan jatidiri jer tuh. Bagi saya Ayahanda Tun "biaq pi depala nak cakap pa pun". Sekurang-kurangnya Tun ada juga gelaran yg diberi, depa langsung xda gelaran. :) . Elok Ayahanda Tun sabaq dan buat tak tau ja. Tak semua orang luaq cakap betui. Akhir kata saya nak ucapkan Selamat berpuasa pada Ayahanda Tun dan Keluarga. Semoga diberi kekuatan dan dipanjangkan umur.

Assalamualaikum Tun,

Seorang diktator tidak mungkin menerima terlalu banyak anugerah dan penghargaan bukan sahaja dari dalam negara tetapi dari segenap pelosok dunia. Kebanyakan Anugerah2 ini Tun terima selepas bersara ketika Tun berada dipuncak . Tun tidak pernah dipaksa untuk bersara .Ini bermakna dunia mengiktiraf pemerintahan 'diktator' yang Tun lakukan selama 22 tahun ketika menjadi Perdana Menteri Malaysia.

Kalau apa yang Tun lakukan selama 22 tahun sebagai Perdana Menteri Malaysia itu adalah satu kezaliman, bersifat autokratik dan diktator, maka saya lebih rela hidup dibawah pemerintahan yang sebegini daripada dipimpin oleh orang2 yang bersifat MUNAFIK yang mendabik dada sebagai manusia paling suci dimuka bumi ini sedang pada hakikatnya mereka adalah dari kalangan manusia perosak yang hanya mementingkan diri dan kelompok mereka sahaja.

Semoga Tun sentiasa mendapat perlindungan Allah SWT. Percayalah jasa Tun akan tetap dikenang.

Salam hormat dan Selamat Berpuasa kepada YBH Tun berdua.

YAB,

80. Have mercy on others is to have mercy on ourselves.

81. Why?

82. No human beings or leaders have had never make mistakes or white lies in this world because human beings are progressive and smartest animals on earth.

83. Major mistakes have been made, we just solve them since we have paid in advance universally for such man-made universal mistakes that can never be avoided.

84. We should rectify these mistakes to avoid repeat of such mistakes via national policies.

85. I learned a lot from Dr MM and MM Lee.

86. Dialects / longhat telah dihapuskan when MOE Minister DS Najib bin Tun Razak pushed for Bahasa Malaysia as the main language to teach in sekolah jenis kebangsaan.

87. Bahasa Cina, Bahasa Tamil, Bahasa Jawi and Bahasa BI are approved to be taught in vernacular, agama and private schools.

88. If Minister MOE can flip flop, then they are maverick and not firm to protect their chicken political party.

89 If Minister MOD can flip flop just to be the personal hero, then they are not loyal to our King.

90. I 100% support PLKN as an additional safety raft to MOE yang telah diwajibkan DS Najib bin Tun Razak as Malaysian.

91. Thank you DS Najib for offering my “anak sulong” the chance to be trained in the “kem tentera” so that he would be able to stand like a man to protect the country and family as Malaysian.

92. If we are not equipped with this additional safety raft, Malaysians shall never learn the technique and skills in solving our personal matters like a gentleman.

That's all, YAB.

Tun

Finally, for a Dictator to strengthen his position as a Dictator, it is imperative that the Judiciary System is pliable and compliant. A Dictator would have meddled with the Judiciary from the very first day on his ascent to power.

Tun, you did not.

I remember when there was a change of power in a neighbouring country many years ago, a whole host of lawyers swamped into Kuala Lumpur seeking refuge and sustenance.

A perfunctory Judiciary system has always been the set-up in countries with a Dictator in the ultimate interest of wiping out all opposition to the Dictator through the apparent due process of the law – this is the first line of defence of the palace guard of any Dictator.

Even in the darkest days of the failure of the Third Reich of Hitler's Germany which was near its demise, opponents or traitors of the Nazis Regime were brought to trial and inevitably, the death sentence was always carried out which was hanging by piano wires after the prisoner was stripped naked to demean his character and personality. Vide Admiral Canaris.

I know a certain country where a more devious, insidious and sneaky legal system was set-up for over 50 years whereby a person need not use the telephone and it was all done by digits using telepathy. In a small place, this is easy.

Such a legal set-up has been in operation actively in the ultimate interest of the ruling elite for more than 50 years. And not a squeak from the NGOs around the world !

A friend of mine who dedicated his whole life honestly and sincerely to his noble profession, was discarded from promotion as he was not au fait with the ruling elite. This was his mental disability.

Another, a prominent Malaysian and resident of Malaysia was stripped of any dignity when his normal life was irrelevantly tried against the laws of this country after he became a Plaintiff by seeking justice when his relatives who were related to the ruling clique libelled and slandered him. To his surprise, he also discovered there was one set of laws outside and another set inside the Court. After going through this 2 part Third Degree treatment and judgement, the Plaintiff was finally presented as the Defendant, and the Defendants became the Plaintiffs. It was surreal. It was like Hollywood. It was like Lewis Carroll's 'Alice in Wonderland'. Vide. Admiral Canaris.

Whatever adjustments to the Malaysian Judiciary in the past, I consider as an act to save the spirit and soul of Malaysia – her very survival.

There was absolutely no intent to meddle with the Malaysian Judiciary to support a Dictatorship in your favour, Tun. It was an act of necessity and not a deliberate act to deceive, to toy with justice in someone's personal interest and to treat all outsiders as stupid – and to turn the Judiciary as the palace guard as the first line of defence in any purported Dictatorship like Hitler's Germany.

There is nothing wrong with the Malaysian Judiciary as we know of it, always.

Tun

I do not find any element of dictatorship behaviour throughout your famous 22 year Administration.

What I found were the elements of your training as a medical doctor at the King Edward VII Medical College, Singapore. I have many friends from that famous College and most of them were like you with a trained mind to see that orders were carried out as instructed. This could only be done by carrying a note book in which orders for the day were recorded diligently – the follow up.

And you carried one and made notes always.

I was surprised when I came to manage enterprises, no one knew the importance of a follow-up. Maybe this little procedure irked some in the Civil Service who were not trained to be disciplined in this clinical manner.

Plus your requirement for all civil servants to clock in on time instead of the easy work ambience of the past probably irked the gentle Malaysian spirit and coupled with the more stringent policy of Look East for all, meant everyone had to be on their toes.

To me the above requirements as desired by you, Tun are normal.

On any hint of a heavy dictatorial hand to establish an enduring dynasty of rulers from your family during your famous 22 year Administration, I find none.

You promoted deserving aspirants to their respective posts but their misunderstanding of your manner of speech and will, I believe, is one of the many reasons for the eventual clash of personalities. As you can clearly see now who benefitted the most and contributed the least.

Your Government never had a huge Ministry of Information dedicated employees to gather all information on the fables and foibles of prominent personalities of neighbouring countries and itself and staffed by loyal ex-citizens of those countries. Such super computers were set up as long ago as 1972. Our Immigration Department computers began to operate in the year 2000 and not perfectly at all.

And on major holidays, the gates of Malaysia were fully opened and no passport chops required for all to rush home at Johor Baru !

And as events unfolded before us, all these super duper devices are of no avail. It is the human spirit and endeavour that counts.

Why you are not a Dictator ?

1. You did not impose a 2 child policy on us at all times. Our factories are still opened and not closed as one Singaporean wisecrack told me. If you had done so, you would have breached the United Nations Universal Charter of Human Rights eg. Clause 16
2. You did not speak with a fork tongue and disrupt any happy and stable country with a blood-stained Foreign Policy under the guise or form of an investment. If at all, your compassion to help African countries was sincere and true. Why ? Because the Malaysian investors nearly all lost money, and no African Head of State became a Flying Dutchman thereafter.
3. When outsiders tried to impinge on the sovereignty, national interest and self-esteem in devious and sneaky ways like the creation of Trojan horses as corporates or digits, you were there to safeguard our interests and were called all sorts of names as a result.
4. Humanity and multiculturalism were virtues which were upheld by you and made the Nation stuck together to this day. No Dictator cared for this.
5. Financial mishaps have occurred but those closest aides which were entrusted with the tasks kept their mouths shut until it was too late. But such titanic losses of US\$ 108 Billions using the citizen's Trust money invested in

lesser institutions on Wall Street, never happened under your Premiership which never claimed to be smart or meritocratic, world class.

6. The garnering of wealth for yourself either legally or illegally did not happen.

7. You sincerely and truly wanted to have a deserving person to carry on your good works.

All in all, your general behaviour throughout your political career was quite normal. And when you said or pointed out certain things which were unpalatable or conventional but unacceptable, all were up in arms.

You were a trained doctor and not trained through the august halls of great universities to be a politician. As such your greatness as a great leader of the Malays, the Malaysians and of the World is safe in the Pantheon of World Leaders. You have no blood on your hands !

In politics, nice guys do not last !

Peace Tun,

1. You personally is not the dictator, your reasoning is. People feel obliged or compelled to follow your reasoning, and those who do not agree, but have no counter argument, hate this and hence the label dictator.

2. When i argue, i tend to lean towards achieving freedom for myself. My opponents usually lean the other way, they try to imprison me. Their usual traps are religion, laws and simple emotion ( tak suka ). All these can be broken, and emotion is problem actually solved by both reason and religion, reason being a much stronger glue.

3. The real dictator in Malaysia is BN government, who tries to dictate our lives from cradle to grave. BN is brought up that way, so they are unable to see any other way, dia nampak satu jalan sahaja, Jalan Sehalu.

4. Orang lain tak nampak jalan, jadi BN kata jalan ini lebih baik, percayalah, orang pun ye sajalah. Lepas tu semuanya habis dia orang sapu, dia tunjuk kat kita pulak tu, elok kan, bersih semua ! Memang lah bersih dah korang sapu semua, kami nih habok pun tak ada !

5. However, it is not about wealth distribution, it is about how we are living. Kalau korang nak harta, suka hati lah, tapi kenapa pandang hina orang tidak berada, orang miskin, orang cacat, orang susah, orang sakit ? Kenapa pandang hina bangsa bukan Melayu, apa suci sangat ke Melayu tu ? Kenapa pandang hina orang agama lain, betul sangat ke agama kamu ? Kalau dah betul sangat mintak lah mati cepat, boleh masuk syurga.

6. Orang2 macam in ini yang sebenarnya diktator, dia orang nak Tun dengar kata dia orang. Bukan kita tak mendengar, akan tetapi hujjah mereka seperti orang tak sekolah. Semangnya mereka tak habis atau tidak cemerlang dalam sekolah dulu, jadi mereka ingin membalas dendam, menjadi pemerintah, memerintah kita yang usaha memahami sesuatu sehingga demam, sementara mereka sibuk pegi tengok wayang. Sekarang mereka ini mahu gaji besar, kereta mewah, rumah 10 bilik, setiap bilik behias dengan orangnya sekali. Macam mana ? Senang saja,

suruh si cerdik sekolah tu buat kita projek juta2, billion2, kita makan komisen cukup lah. Dapat 10 kali projek macam ini boleh pencen.

7. Apabila kita soal mereka dari segi etika, dari segi agama, dari segi keadilan, dari segi perundangan, tiba2 mereka menjadi marah serta diktator tak bertauliah. "Itu hak kami", mereka mejerit. Seolah2 orang lain tak punyai hak, seolah2 Tuhan telah memilih mereka untuk mendapat bonus tahun demi tahun, tanpa gagal. Seolah2 komisen itu semuanya halal. Dan seolah2 saya in jahil sangat tentang Islam, kerana saya tiada ijazah dari Al-Azhar.

8. Jadi kasian kami Tun, kami rakyat Malaysia hampir kesemuanya akan masuk neraka sebab kami tak berpeluang belajar Islam di Al-Azhar. Yang dapat masuk cuma Wajaperak, Zulkiflee. Abdul Aziz pun tak dapat masuk, sebab sesat songsang ! Nasib baik kerjaan BN dah cop di IC "Islam", lepaaas seksa kubur, ugh ugh ugh. Jadi saya fikir kena undi BN jugalah, tak mau pun kene mahu juga. Itu saja jalan nak masuk syurga ! Hidup BN !

9. Saya sendiri, saya dah lama tau saya fail dah. Dari dulu lagi. Sebab saya memilih agama sendiri, saya enggan di jajah oleh sesiapa yang datang menggunakan Islam untuk menjajah saya. Sebab saya kenal sangat jajahan Islam ini. Itu lah diktator. Di bawah "Islam" ini, semua perintah mesti ikut, tak ikut tak boleh, mesti ikut juga, kita hanya lembu tak berakal, kita tak boleh berfikir. Lepas tu habis semua mereka kebas.

10. Semua agama kenal tamak, tetapi tamak tak kenal agama, dia boleh masuk kepada semua agama, semua bangsa. Yang di katakan diktator itu, nama lainnya ialah tamak.

11. Saya berterus terang sahaja Tun, kalau BN terus memerintah, habis Malaysia ini. Saya sudah pun kehilangan hampir kesemua kawan2 saya, mereka sampai tak tahu apa itu erti hidup, apa itu manusia, apa itu kasih sayang. Mereka hanya tahu seronok. Seronok ke tengok orang lain susah ?

12. Orang Melayu dahulu menentang Malayan Union, orang Melayu sekarang menentang Malaysia, sebab ingin kekal kan Tanah Melayu. Jadi Melayu ingin menjadi diktator di negeri sendiri.

13. Saya pula, ingin diri sendiri serta Melayu bebas di negeri dan tanah sendiri, saya tidak mahu di perintah oleh sesiapa samada Melayu maupun Orang Puteh, saya mahu di perintah mengikut Sebab. ( Rule of Reason ).

14. Jadi siapa jadi PM, saya tidak kritikal, akan tetapi kalau PM bentangkan undang2 agama, saya terpaksa menentang atau lari ( fight or flight ).

15. Bererti, PAS memang tak ada harapan lansung nendapat sokongan dari saya. Sori lah Tok Guru, kita orang KL hidup sudah cukup sengsara, kami tak perlu Tok Guru cakap banyak2.

16. Hanya Keadilan dan DAP dapat menyelamatkan Malaysia. Kalau BN, kapal ini akan tenggelam.

17. Selamatkanlah Malaysia !

Thank You Tun

Salam Tun

Saya tidak peduli apa yg dikatakan oleh mereka2 yg menggelarkan Tun sbg 'diktator'. Kerana bagi saya hasil kebijaksanaan Tun sbg pemimpin lah yg menjadi titik tolak pembangunan pesat, kemakmuran dan keharmonian Malaysia ini. Tanpa perlu branding kejayaan Tun mengemudi Malaysia tiada tandingan sehingga digeruni oleh dunia luar. Saya sbg generasi muda sgt mengagumi ketokohan Tun. Pada pendapat saya, tidak perlulah Tun mengusutkan fikiran ttg label diktator tersebut yang sememangnya sgt mengarut. Slmt menjalani ibadah puasa esok. Smga Tun diberi kesihatan yang baik untuk menjalani ibadah puasa tahun ini disamping isteri dan keluarga.

Hidup Tun!

Dear Tun,

Assalamualaikum,

A dictator? That is far from the truth. It's an effort to undermine your credibility as an excellent leader of the world who loves his country and his religion. As someone who grew up from your era, I've seen only greatness. Yes, I made a mistake when I supported Anwar though not to the extent of joining the stupid party or participate in the street demo. But those were the times when I just graduated and started working. Soon after, I've realized you were meant to be a leader. Alhamdulillah, Allah chose you to be the leader of Malaysia. And I wish you to continue to be one. Any managers or directors of companies must have certain criterias to fit the job. Firmness, decisive, punctuality, hardworking apart from being brilliant and innovative is a must. But what made you ahead of other leaders of the world is that you have compassion, thoughtfulness and far sighted. You are one in a million. I owe you my gratitude. Because of you, my family have broken out of poverty. And as of today, without the need to get tender from the government. We can stand on our own two feet. And in return, BN and UMNO will have my continuous support as long as Anwar is not in.

Assalamualaikum Tun,

Pada pendapat saya gelaran-gelaran tersebut sebenarnya sudah terhakis apabila wujudnya media alam maya (Blogger pro kerajaan) yang mempertahankan tindakan Tun (ketika itu) dalam mewujudkan kedamaian untuk Rakyat malaysia.

Ia juga mungkin juga disebabkan bukti-bukti pendedahan yang di mainkan oleh media baru (blogger pro kerajaan). Pada masa kini rakyat tahu menilai tindakan Tun tersebut adalah untuk kebaikan rakyat supaya kedamaian dan keharmonian rakyat Malaysia terpelihara.

Sifat-sifat keperibadian Tun amat jarang didedahkan, sebagai contoh Tun melaksanakan Projek 'serbuan waktu subuh' untuk mengembalikan sebahagian tanah yang dirampas oleh pihak British diatas pendudukan mereka di Malaya.

Pada saya Tun adalah Hero dalam mengembalikan tanah-tanah yang mereka rampas kepada rakyat Malaysia. Ini apa yang Rakyat Malaysia tidak nampak (seperti sejarah ini dilenyapkan).

Akhir kata apa yang mereka gelarkan keatas Tun sama sekali tidak berasas kerana Tun, DUNIA MEMANDANG TINGGI MALAYSIA. Kebaikan Tun tidak akan saya lupakan sepanjang hidup ini. (Dulu saya penyokong tegar Pembangkang tetapi kini setelah membaca banyak artikel yang menyanggah media Pembangkang, terbukti gelaran itu sebenarnya hanya main mereka untuk meraih simpati politik, dan tindakan tersebut amat jijik kerana penyebaran fitnah ini bermain berpuluh tahun).

Assalamualaikum Tun, Keluarga dan Semua,

Selamat Menyambut Ramadan AlMubarak. Semoga kita dilimpahi dengan ibadat dan doa dibulan mulia ini.

Kalau seorang pemimpin yang membuat keputusan tegas setelah mendapati pendapat pembantu-pembantunya kurang baik adalah dikira sebagai diktator, mungkin Tun adalah diktator. Menteri-menteri lain dikeliling Tun dulu adalah jauh ketinggalan dari segi pandangan, semangat dan komitmen. Ramai yang sekadar menumpang tuah...kebanyakan dengan personal interest. Apabila pendapat tidak diterima, cita-cita tergendala, dan ramai juga yang kecewa....Timbullah panggilan diktator.

Ramai kata Tun memang 'zalim' apabila mula menwajibkan punch card untuk kakitangan kerajaan. Slogan Bersih Cekap Amanah...susah sekali nak dikata mereka yang terkena.

Paling 'zalim' adalah Tun memulakan Dasar Pandang Timur yang memberi tamparan pada dunia barat. Jelas, keputusan dan pendapat tegas telah melonjak Malaysia kemata dunia dari segi politik dan ekonomi. Ramailah yang kaya raya. Yang kecewa semestinya ada juga. Katalah mereka yang kaya tu disebabkan croynism dan nepotism. Agaknya Kronisma dan Nepotisma tak wujud dalam bahasa Melayu sebelum 1998...semua tahu siapa yang popularkannya.

Sekiranya Malaysia bermula 1981 sehingga 2004 adalah dibawah pimpinan diktator, kembalikanlah diktator itu...kami semua memerlukannya. Dunia memerlukannya.

Allah berkati Tun, Keluarga dan Semua.

Salam Tun

1-You are indeed a dictator by virtue you are surrounded by yesmen all your twenty two years.

2-Not everybody in your team agrees with all your great ideas.But because you are too smart for them they dare not question you in your face .They only grumble in the toilets.

3-They can also see what happen to all those tough guys who dared challenge you-all gone down the drain forever.They can see only the kaki ampu and kaki bodek survive and get promoted so why should they reinvent the wheel.

4-Afterall they know when Mahathir wants something done it will be done anyway.Tun Mahathir is a man always in a rush.He has a great vision to achieve.He is a man on a great mission.

5-He is perceived to be someone unstoppable.For example,when he wants something done about his beloved Langkawi don't anybody dare question his ideas.

6-Anyway other than matters Langkawi or Malay rights, Tun is surely the kindest,most generous, patriotic,hardworking,democratic,intelligent,visionary ,peace loving and God fearing dictator the world has ever seen.

7-I think the world need more world class dictators like this.

Thanks Tun

Assalamu'alaikum Tun

dari banyak segi Tun adalah pemimpin terbaik sekurang-kurangnya untuk Umat Islam dan Bangsa Melayu.yg menggelar Tun 'Diktator' hanyalah orang-orang kafir saja.

atau sebagian kecil umat Islam yg membiarkan otak mereka di pengaruhi oleh orang-orang kafir.

tuduhan 'diktator' yg di lemparkan terhadap Tun adalah jelas berdasarkan kebencian semata-mata.bukan sesuatu yg patut Tun jadikan sebab untuk bermuhasabah diri atau termenung panjang.

malah,kebanyakan kami,Umat Islam,beranggapan Tun bersikap demokratik dalam hal kebebasan bersuara hingga menyebabkan orang-orang asing mendapat peluang menyuarakan dasar supramacist mereka.

percaya lah,perikatan orang-orang kafir Yahudi-Barat-PAP yg di sokong oleh Anwar atau Pas,merasa amat perlu untuk mendiskredit Tun.

setiap diayah-propaganda mereka yg Tun gagalkan adalah punca kebencian terhadap Tun.setiap satu dari mereka mempunyai sebab kukuh untuk memburuk-burukkan Tun.

Israel membenci Tun kerana Tun membela Palestin.Amerika membenci Tun kerana Tun membela rakyat Iraq dan Afghanistan,malah menganjurkan hukuman terhadap Bush.

Lee kuanyew membenci Tun kerana Tun membendung ketamakkan bangsa asing yg hendak menelan hak Bumiputera.Lim kitsiang,guan-eng dan karpal membenci Tun adalah kerana ikut cakap LKY.

di blog ini,orang-orang seperti HBT,d.tan,andrewtay,sivarajah arasu,joshua lopez dan sebagainya membenci Tun adalah kerana mereka memang tolol.

ramai juga anak-bangsa kita sendiri yg membiarkan otak nya di cuci oleh diayah-diayah yg memburuk-burukkan Tun.kebencian-kebencian begini tidak lah menjadikan Tun setaraf 'diktator'.sebab ia hanyalah berdasarkan kebencian semata-mata tanpa dasar yg cukup.

namun untuk pengetahuan Tun,ada sebilangan anak-bangsa kita yg begitu kecewa kerana penindasan terhadap mereka tidak mendapat pembelaan Tun,iaitu Bangsa Bumiputera Singapura.

teruk mereka di diskriminasikan oleh LKY.hak-hak mereka yg di jamin oleh Perlembagaan Singapura,dirampas begitu saja.kampung-kampung mereka di robohkan dan di paksa hidup berjiran dgn bangsa asing atas dasar quota yg secara efektif membunuh kebebasan mereka bersuara.

satu rumah Melayu di kelilingi sepuluh rumah bangsa asing dan undi adalah wajib? dua-ratus lebih mesjid di tahun 70an kini tinggal 69 buah saja?

Singapura adalah antara negara terkaya di dunia.namun bumiputera nya hidup bagaikan menumpang negara orang.dan langsung tidak mendapat pembelaan Tun.

saya mempunyai ramai sanak-saudara di Singapura.malah kebanyakan masa saya di habiskan di sana.sedih mendengar apabila mereka berkeluh tentang nasib yg tidak di perdulikan oleh para pemimpin Malaysia.

padahal menurut mereka, Dr Mahathir itu Wira Umat Islam dari kalangan Bangsa Melayu. Palestin pun dia bela. lalu kenapa dia berdiam saja mengenai penindasan yg berlaku didepan mata nya? dan bersuara lantang untuk membela Palestin, Iraq, Bosnia dan saudara-saudara yg jauh?

bukan kah orang Melayu Singapura menjadi Melayu Singapura adalah kerana kelemahan Pemimpin Malaysia sendiri yg gagal mempertahankan kesatuan wilayah nya?

di negara lain, orang sanggup berperang mempertahankan walau seinci wilayah nya. kita pula menyerah bulat-bulat kedaulatan kita terhadap Singapura.

dan lebih memalukan, kita bukan kalah berperang kpd tentera asing yg menyerang, sebaliknya kita kalah berhelah dgn bangsa asing yg menumpang...

kemudian, atas sikap berlapang-dada, setiap Perdana Menteri Malaysia berlagak Wira, ingin menjadi jiran yg baik, membuka seluas-luas nya laluan kekayaan kpd LKY. segala khazanah kita baik di Malaysia, Indonesia atau Brunei, di curi dan di larikan ke Singapura dan setiap pemimpin kita mendiamkan nya.

LKY, yg ada banyak tangan, satu tangan nya menjabat erat tangan pemimpin kita, dalam masa yg sama, sepuluh lagi tangan nya yg lain sibuk mencuri, menipu, merasuah, menghasut dan menindas apapun kepentingan kita.

dan dgn segala masalah yg di cipta oleh LKY terhadap bangsa kita, saya secara peribadi dan ramai kawan-kawan yg sependapat dgn saya, akan lebih lega dan berbangga seandai nya Tun benar-benar seorang 'Diktator'.

tapi malang nya, di Negara yg peratus bangsa pendatang nya amat tinggi melebihi tahap 'selamat', Tun masih mampu bersikap 'demokratik', meskipun ia merugikan kami, Umat Islam dan Bangsa Bumiputera.

saya mohon sebanyak-banyak maaf. Tun tetap Pemimpin terbaik yg pernah kita ada. namun Tun bukan lah 'Diktator' yg sangat-sangat kita perlukan dalam menangani orang-orang asing yg sedang menjarah Tanah Melayu ini.

terimakasih Tun

A lot of ur decisions were authoritarian dr concensus.  
You know dictator love authoritarian style. Hence  
You memang dictator.  
Sbb halang peliwat jadi PM Malaysia  
Sbb halang kit racist siang dr memerintah mesia sampai takut dgn mahathirISM tapi racisISM dier suka.  
Sbb halang tok guru tuhan mencarut tu jadi pemerintah mesia.  
Sbb mau gantung lawyer. hahahahaha

Banyak sbb dah bagi tu.

Btw i as well a dictator.

Sbb i got 3 kids which sorang suka ikan, sorang suka ayam and sorang suka daging. If my wife follow their needs, mampus la my wife kene masak banyak n akan membazir. So i jadi dictator and requested them to eat aper yang their mum masak. No xcuse.

So i am bad? I believed it was a good decision to get a better result.

So is it wrong to be a dictactor?

Foolish people will say i am wrong but are they sure they never made such authoritarian decision before. What a hypocrites.

Tun,

Izinkan saya menjawab tulisan wajaperak 18 Julai 2012.

Sdra, tulisan sdra adalah contoh yang saya katakan mereka yang berfikiran cetek, hanya mementingkan diri sendiri, bersifat berdendam dan mengutamakan emosi daripada berfikir secara waras.

Bukan tujuan saya untuk mengampu Tun tetapi cara sdra menulis seolah-olah sdra beranggapan bahawa sdra lah sahaja seorang yang alim dan memperjuangkan agama Islam atau secara ringkasnya penganut Islam yang tulen. Malulah sikit wajaperak, siapakah anda berbanding Tun seorang pemimpin tersohor yang juga dikenali sebagai seorang pemimpin Islam yang hebat di kalangan negara Arab.

Saya tidak tahu sdra mahupun sumbangan yang sdra berikan terhadap Islam.

Jika ada orang lain tidak bersetuju dengan pendapat anda mengenai Islam, jangan mudah menuduh orang lain sebagai anti Islam dan sebagainya iaitu satu cara mudah bagi mereka yang tidak mahu menggunakan akal atau berbahas secara waras atau rasional.

Orang seperti sdra yang berselindung dibalik agamalah yang merosakkan perpaduan di kalangan masyarakat Islam dan ajaran Islam yang terkenal dengan sifat toleransi terhadap umatnya.

Jangan meloyakan pembaca lain dengan berlagak seperti orang alim atau pejuang agama Islam.

Jawapannya senang sahaja Tun, kaum kita mudah di putar-belit. Jika Bersih boleh di bawa hingga Makkah & Medina? apa maksudnya? dimana Iman kita? mana tujuan kita?

Kita ke sana untuk sembah patung? gambar? apa bezanya? Nampak sangat kita dah tak boleh pegang teguh kepada iman.

Telah disempurnakan agamamu dan pegang teguh kepada kitab suci Al-Koran dan Sunnah, segala akidah tajaan manusia yang direka selepas Rasulullah s.a.w tak perlu di ikut. Tun

It is important that we clear all the cobwebs from the minds of doubters and the like about Malaysia, the Malays and the Non-Malays.

On this topic, we cannot avoid history eg. the pre-colonial, the colonial and the post-colonial period.

The first question I ask the Americans is ' Have you ever seen a group of people (or country) eg. the Malays who had one continuous stream of existence as a political and socio-economic group from at least a thousand years ago or more ?'

To add, a Muslim group of people the Malays who evolved with their leadership into modern Malaysia without bloodshed and could accommodate the non-Muslims in peace, harmony and prosperity ?

I ask the Americans again ' Have you seen another Muslim country like Malaysia with such a long long history ?' We practice democracy too but we could not do it the American Way because we are Malaysians and not Americans.

And so it is that the BN must keep all their media blaring away at the great success of Malaysia as led by a Malay leadership in BN through UMNO which will evolve with the time and keep up with the times. No big deal !

The success was through the power sharing formula as thought out by successive leaders since 1951. And the goodies must flow down the power pyramid to the proletariat at the bottom to keep the pyramid in shape.

Oops ! It is already 2012 not 2003. How time flies !

For the Opposition to say this and that is partially correct. They are only dotting the i's and crossing the t's. They could not see the bigger picture which was painted with broad strokes because there are only 6 of them who recently got together in 2008 to march to Putrajaya.

All of us Malaysians must look at the broad strokes of history or Malaysian history to understand the strength and wherewithal of the BN as led by UMNO – a rather unique political structure of over 60 years standing.

As I said many a time, the weakness of the BN is the weakness of its major component parties who only took a free ride with non-qualified leadership. For them, the very hard work to make themselves credible begins right now. Sorry folks ! The holiday is over.

With such a long long history of Malay political endeavour, some are trying to mislead us Malaysians to destroy our very own icons and heroes which make up the font or nub of Malay society vis-a-vis the Malaysian Society at large. In a diverse society, all the communal components are linked together for good or bad. Hence, the enduring durability of the BN right up to the present time.

At a moment of weakness between 2003 to 2012, the purported wreckers of the Nation appeared armed with tons of money and money and cheerleaders to boot, to exhort and watch the sufferings of the innocents. Such a common world-wide scenario must not be allowed to be repeated in Malaysia for the entertainment of others or fulfil the prophecies of oracles.

It is within our will to put order normal again !

The success or failure of such a set-up like the BN depends entirely on its human leadership or digits ( Lee Kuan Yew ).

With strong digits we get strong leadership like the famous 22 year Administration of yours, Tun.

We cannot or must not destroy our very own icons and heroes of the past or present like the Royal Sultans and our successive Prime Ministers.

If we do so, we destroy ourselves and our beloved Nation, Malaysia.

Every nation must have role models like a family with a father and a mother. We cannot be iconoclastic for no reason given the peace, stability and prosperity of this land. Those who do so with their large money bags should be shown the exit. Fast. Fast.

I consider that a campaign or any campaign which is aimed at destroying our heroes like you, Tun, is as treasonous as trying to destroy this beloved country which has been built up over the centuries. This should simply be a non-event.

The name calling campaign as it began might not sound as serious as it should be. But the repetition of it is a form of brainwashing of the ordinary minds of the Rakyat with an evil intent to make disinterested minds to believe as though it is true. How cruel !

Take how effective it is down in Singapore. It was the expatriates who pointed out to me that in a public place if you just mentioned the name Lee Kuan Yew, all Singaporeans would instinctively swung their heads round to see whether Lee Kuan Yew was listening behind them.

We certainly do not want to live in a society like this. Dictator or no dictator !

Malaysian Chinese, you have lived in a country which is not perfect. In fact, no country or humankind is perfect. Think hard ! Think deep ! In your own interest that only BN deserves your precious vote.

Please do not waste it.

Salam Tun..

Saya generasi baru tak tahu byk sgt pasal sejarah lama pemerintahan Tun, hanya sempat di peringkat kemudian dah. Cuma apa yg saya nampak & sgt ketara adalah Tun ni seorang yg berpengetahuan hampir dlm semua perkara (kelebihan sbg seorg doktor & pemimpin yg sukakan ilmu ) terutama bab ekonomi. Dgn ilmu & segala pengetahuan serta diikuti dgn sifat peribadi Tun ini menjadikan Tun seorg yg amat yakin, tegas dan berani dlm menyatakan sesuatu pendapat. Tun bercakap berdasarkan fakta, dan contoh yg sgt 'visible'. Dgn ketegasan & ilmu ini menjadikan Tun seorang pemimpin yg 'tak terkalahkan' @ sgt sukar utk dikalahkan, oleh sesiapa shj termasuk pemimpin2 agong Eropah sekalipun mahupun cendekiawan2 Yahudi. Demikian juga dlm negara, golongan2 yg anti samada India, terutama Cina dan juga Melayu yg 'sgt berkepentingan' demi survival politik akan sentiasa mencari jalan demi utk melenyapkan @ mengsenyapkan seorang Mahathir..yg sentiasa 'mencari pasal' dgn membantai secara langsung dan penuh sinis. .

Pada pendapat saya, utk mentadbir, menyatu dan mengharmonikan sebuah negara dgn pelbagai kaum, budaya dan kepentingan yg berbeza, ketegasan teramat perlu tapi mestilah disertai dgn justifikasi yg jelas. Sebab ada ketikanya sgt jelas ada pihak2 @ kaum yg sengaja mencucuh api dgn niat utk melihat tahap response pihak kerajaan..jika dilayan & diberi perhatian lebih mulalah naik tocang, dan kaum lain akan terus mempamerkan tuntutan mereka pula. Terbukti ketika pemerintahan Tun semua ini tidak berlaku..sepertimana sekarang. Sgt jelas pemimpin sekarang amat lemah, matlamat hanya pada undi untuk terus kekal memerintah sebab itu semua tuntutan diberi muka sehingga

akhirnya apa lagi yg tinggal...?

Saya tak nafikan sepanjang pemerintahan Tun mungkin ada tindakan atau keputusan yg ekstrem diambil, sesungguhnya kronisme dan nepotisme mmg tidak dpt dielakkan..tak usahlah mana2 pemimpin menafikannya kerana mana2 pemerintah atau PARTI pun yg memerintah sekalipun percayalah, keadaan akan sama sahaja kerana manusia tidak akan dpt menahan godaan pada harta, wang ringgit, kekuasaan dan wanita..selemah2 pemimpin dalam keadaan ini adalah sekurang2nya utamakan keperluan dan kebajikan rakyat terlebih dahulu.

Semoga MALAYSIA akan dikurniakan seorang pemimpin yang berilmu pengetahuan, yg akan menjadikannya yakin dan tegas pada keputusan, yg sentiasa mengambilkira kepentingan dan kebajikan rakyat terlebih dahulu ( tak perlu slogan pun kalau ikhlas ) secara adil dan saksama pada semua..dan ciri-ciri ini hanya ada pada pemimpin MELAYU.

Salam Tun,

Saya tidak mengenali Tun secara dekat dan terperinci, tetapi selepas DSAI dipecat, saya begitu meyakini bahawa Tun

- 1) mengumpulkan kekayaan begitu banyak sewaktu memegang jawatan PM.
- 2) menyimpan fail2 peribadi kebanyakan menteri2 terutama yang bermasalah sebagai senjata sekiranya mereka cuba menentang.
- 3) membiarkan Tun Daim dan anak didiknya menggunakan UMNO/kerajaan untuk mengaut kekayaan peribadi dan secara tidak langsung Tun mendapat atau mengambil "faedah yang tinggi"
- 4) menggunakan atau "memperkosakan" (bahasa yg digunakan) undang2 sebagai alat untuk terus berkuasa
- 5) menggubal undang2 hanya bagi memastikan Tun terus berkuasa dan menjadi PM
- 6) membiarkan rasuah terus berleluasa bukan sahaja dikalangan politicians malah juga dikalangan kakitangan kerajaan, GLC etc
- 7) menggunakan wang Negara bagi menyelamatkan syarikat2 sewaktu krisis kewangan tetapi membiarkan pemilik syarikat2 itu terus hidup mewah tanpa sebarang tindakan kerana mungkin akan membuka pekong Tun. Jerung2 besar terus bermaharajalela
- 8) "memperkosakan" institusi kehakiman, memecat hakim yang jujur dan melantik hakim yang korup
- 9) menuduh DSAI melakukan liwat dan memecat beliau sesuatu yang tidak diterima akal. (saya yakin tindakan itulah adalah "purely political strategy" kerana DSAI telah mengugut dan mengancam Tun)
- 10) membiarkan peguam Negara membuat selective charges

Ini hanyalah sedikit yang disebut dan yang saya ingat sebab2 yang Tun dituduh dan terus dituduh sebagai Ditaktor, Firaun, Mahazalim..

Sebagai orang Melayu yang bekerja sendiri ini, saya merasakan amat kecewa melihatkan apa yg berlaku peluang diberikan tidak sama rata, yg ada connection samada dgn menteri, politicians, pegawai atas kerajaan adalah lebih cerah.

Setelah berlakunya krisis kewangan, baru lah jelas bahwa orang2 melayu so call the New Malay billionaires adalah penyamun2 yang tamak. Mereka bukan sahaja tidak membantu syarikat2 melayu lain tetapi menyebabkan ramai yang gulung tikar dan jatuh muflis. Untungnya bangsa cina, mereka saling membantu2.

Tidak dinafikan ada ramai juga usahawan melayu yang nak kaya cepat dengan menyalahgunakan pinjaman yang diberikan, projek terbengkalai kerana hilang focus dan tamak, hanya tahu makan commission malas nak usaha dll.

Tahukah Tun bahawa budaya rasuah ini terus menular ketahap, pada pandangan saya, ada yang sanggup mengadaikan maruah sebagai orang islam, orang melayu, rakyat Malaysia dan sebagai manusia kerana ianya tidak dibendung selama Tun jadi PM. Sebagai orang Melayu dan beragama Islam, saya sungguh malu apabila bukan sahaja nak dapatkan projek kena bagi wang tapi nak minta payment pun kena bayar. Ada yang minta duit kerana nak buat umrah!!!! betapa murah nya maruah

Walaupun begitu, saya yakin bahawa tanggapan saya pada Tun itu kebanyakannya salah. Waktu Tun berkuasa, jika wang tidak dapat membeli Tun, maka wang akan digunakan untuk membeli orang2 disekeliling Tun sepertimana

comment CH Liew, if I may, "You are not a dictator but you allow people to use your name to do what they want. Your napoleons, lords and lieutenants abused the authority you gave them. You created a group of people to protect and guard your fort but instead they fill their pocket first then created hatred and enemy for you".

Saya rasa Tun memegang jawatan PM terlalu lama, menyebabkan these lords, lieutenants etc evolved and became so good in siphoning monies, projects and controlling the enforcement agencies and judicial. They would make sure that you did not "see" these by all means. However, i think we were so lucky because Petronas was helmed by Hassan Merican otherwise these people would have robbed like what they start doing now and to many GLCs.

Wassalam.

Salam buat Tun yang amat saya hormati.

Usahlah Tun terlalu memikirkan tohmahan orang terhadap Tun. Tun perlu menjaga kesihatan dan tidak perlu dirunsingkan kepada perkara yang dilakukan oleh orang-orang yang sememangnya ada barah yang sukar diubah dalam hati mereka. Seperti disebut dalam Al Quran, kelak Allah juga yang akan memberikan keputusan ketika kita saling bertelagah. Mereka tidak akan redha kepada Tun sampai mereka menutup mata. Namun, ada jua sebahagian besar dikalangan mereka yang mulai sedar akan kesilapan mereka terhadap Tun. Saya sendiri ketika reformasi 1998 memimpin tangan Anwar berarak ke Dataran Merdeka sambil melaungkan kata-kata seperti "Undur Mahathir", "Mahafiraun" dan "Mahazalim". Ketika asyik berdemo sehingga menjelang senja saya terlihat kereta yang membawa Ratu Elizabeth melalui Dataran Merdeka untuk perasmian Sukan Komanwel. Ketika itu saya rasakan malunya keadaan huru-hara ini disaksikan oleh pemimpin tertinggi negara luar... Saya masih mentah untuk menilai sesuatu keadaan yang sangat kompleks. Hanya menerima bulat-bulat apa saja yang Anwar katakan.. Kehebatan beliau berpidato sehingga menyebabkan saya dapat rasakan seperti berada ditempatnya, kononnya dizalimi dan menjadi mangsa percaturan politik Tun. Saya sampai boleh terfikir kenapa tidak ada orang yang boleh bunuh sahaja Tun dan segala-gala masalah ini akan selesai. Namun setelah bertahun lamanya peristiwa itu berlalu, timbul pula isu kalimah Allah, pluralisme yang menyamatarafkan Allah dengan tuhan-tuhan agama lain dan sokongan Anwar terhadap kes lina joy di Youtube. Saya langsung tidak dapat menerima apa yang Anwar katakan.. Seperti penyokong pembangkang yang lain, saya cuba mencari sebab untuk menyokong Anwar tetapi gagal. Keterlibatan saya dalam Jemaah Tabligh yang sangat mementingkan pemurnian akidah menyebabkan tindakan Anwar menghilangkan rasa hormat dan percaya saya kepada beliau.. Hati saya mula terdetik jika Anwar berani dan sanggup memainkan isu-isu sebegini besar, tidak mustahil segala cerita dan tuduhan yang telah dilemparkan kepada Tun selama ini juga dusta untuk menyelamatkan air muka beliau semata-mata .. Saya yakin bukan saya sahaja yang menjadi mangsa pembbohongan manusia rosak seperti Anwar, malah ramai lagi seperti saya yang telah sedar dengan pembbohongannya. Beliau terus melakukannya dan kini sudah berjaya mengkader beribu lagi klon yang mana datangnya dari generasi yang 10 tahun lebih muda dari saya.

Kini zaman sudah berubah, saya dapat rasakan betapa keamanan dan kesejahteraan negara yang kita nikmati sepanjang zaman Tun menjaga kami semakin tidak terurus dan seperti telah hilang dari kawalan. Keadaan ketidaktentuan ini sebenarnya telah merencatkan fokus pasukan pentadbiran baru negara dalam meneruskan agenda pembangunan negara. Kita seperti hilang arah walaupun pernah bertahun-tahun gagah mengatur langkah. Resepi Tun menguruskan negara seperti tidak pernah diperturunkan kepada Paklah mahu pun Najib. Masing-masing seolah-olah terlalu bebas dalam menentukan polisi negara dengan pendekatan yang seringkali menggusarkan. Bagi saya jika ada yang menuduh dan melabel Tun sebagai seorang diktator, tindakan mereka itu hanya sebagai menyatakan rasa kecewa setiap kali rancangan mereka mengganggu kesejahteraan negara digagalkan dengan ketegasan Tun. Jika tindakan Tun yang mengawal media dan menangkap kumpulan radikal dianggap sebagai tindakan seorang diktator, mereka perlu membandingkan pula ketika situasi yang sama berlaku di Singapura. Adakah Singapura itu negara yang rakyatnya boleh lakukan apa saja sebeb bebasnya? Sewaktu curfew berlaku, kerajaan menangkap sesiapa saja tanpa bicara dan 3000 orang ditahan dan diletakkan di Pulau Ubin. Adakah sesiapa yang berani menuduh Perdana Menteri dan bekas Perdana Menteri mereka sebagai diktator?. Malah rakyat dengan mudahnya faham apa yang dilakukan kerajaan adalah untuk keselamatan dan kemakmuran mereka jua. Betapa faktor komunikasi kerajaan Singapura kepada rakyatnya sangat berkesan sehingga tiada masalah mereka mengekalkan dan menguatkuasakan ISA sampai sekarang.

Pemimpin negara sepatutnya mengekalkan corak kepimpinan tegas dan berprinsip seperti Tun amalkan yang mana setiap warganegara tidak mengira perbezaan ideologi politik melihat jelas sempadan yang perlu dipatuhi bagi melumpuhkan terus amalan politik secara melampau. Kerajaan sendiri perlu mempertahankan kuasa Perlembagaan Negara dan undang-undang yang diperuntukkan dan bukan sekadar mementingkan tindakan populist sehingga hilang kawalan terhadap kesejahteraan dan keamanan negara. Dalam kepimpinan negara sendiri masih belum ada personality pemimpin yang benar-benar berkebolehan berkomunikasi secara berkesan sehingga mampu menarik sokongan rakyat. Kewujudan pelbagai bantuan seperti BRIM dan banyak lagi seolah-olah negara memanjakan rakyat tanpa perlu gigih berusaha dan hilangnya keyakinan pemimpin terhadap kebolehan sendiri dalam meletakkan acuan yang beliau mahu kepada pemikiran rakyat. DNA dan gaya kepimpinan yang ada pada Tun bukan sahaja terletak pada ketegasan Tun, tetapi pada setiap isi dan tutur kata Tun yang Berjaya menyentuh hati dan membentuk pemikiran rakyat supaya bersetuju dengan setiap tindakan dan polisi yang Tun laksanakan. Cuma teguran saya kepada pemimpin negara, apa guna berkuasa jika tidak mampu mengawal negara.

Jika ada yang berkata saya dan kawan-kawan disini mengampu Tun, maka mereka sepatutnya menasihatkan kami untuk beralih kepada Najib sebab Tun bukan lagi seorang Perdana Menteri Malaysia. Apa yang kami katakan hanyalah dari hati kami yang prihatin akan pentingnya resepi kejayaan dan kemakmuran negara dikekalkan demi masa depan Malaysia yang lebih cemerlang.

If there was no Mahathir...Malaysia will be nothing.It is through his vision and bold attitude that made Malaysia what it is.

Had it been Badawi..God forbids,Malaysia if not going forward very slowly like a snail or worst reverse gear.

Which actually happened during his short stint as PM.True la..Mahathir no skill in selecting people to important post.

Further, Malaysia,especially the Malays are not easy to deal with.They are an emotional lot.Imagine if they are fed with wrong informations,their reactions can be bad.

On the brighter side (or negative side in some cases\_)Malays are too good-hearted. Suka banyak kasi chance till sendiri yang memerlukan chance pun tak sedari.

If Mahathir had been like Najib,accomplishment very minimal as the way I see it.Najib is more of a crowd pleaser. As an effective leader,Pm do not have time to please everybody-its just not possible.

Also ,see what Singapore got when he became PM....Almost everything. Malaysia is left with less cards to play with...

Singapore has the Chinese-businessmen attitude of pleasing and praising when they want something..Najib fit in just fine-typical Malay.

I wish we have Mahathir to represent us in Singapore.

Diktator jugak kot .... when you instill an idea, some would not agree that it is doable. Most were 2 steps behind you (yg tak jumpak steps lagi pun ada kot). So what needed to happen had to happen. I think it was a good dictatorship. Another thing, since some can't seem to pin you down for any misdeed, it would only leave with you being a dictator. It is just too illogical that an enemy is right.

Why don't you build a what if senario for all that is done. ie. What if no Vision 2020, what would happen.

Assalamualaikum w.b.t. Tun,

1. Gelaran 'diktator' kepada Tun adalah satu cara mereka 'demonising' Tun. Perkara ini diulang-ulang pihak yang ingin melemahkan semangat juang Tun. Abaikan mereka.

2. Taktik ini jelas menunjukkan mereka tiada idea lain bagi mengurangkan semangat dan curahan idea-idea Tun kepada masyarakat Malaysia dan dunia yang dahagakan idea-idea dari pemimpin seperti Tun.

3. Ia telah lama diulang-ulangkan, namun Tun tetap berdiri teguh dengan pendirian Tun. Ianya mungkin kembali kerana idea-idea dan pimpinan Tun merupakan antara baki sokongan yang masih utuh dalam menyatukan masyarakat Malaysia dan seterusnya masyarakat Islam di dalam konteks global.

4. Salam ramadhan Tun. Semoga ramadhan ini membawa kepada kemaafan serta kesatuan dan kesejahteraan ummah dan negara.

Wassalam :)

Salam Tun, semoga sentiasa sihat & diberi kesihatan yg baik.

I'm one of the UKM student who study medicine. last few weeks Tun ada datang ke HUKM untuk bagi talk. I found it so interesting :) Ya waktu talk tu pun Tun ada bergurau pasal tittle "diktator" yg diberi kepada Tun. To be truth, Tun bukanlah seorang diktator. Tp Tun seorang pemimpin yg TEGAS. bukan DIKTATOR. seingat sy waktu zaman Tun, ramai saja pembangkang yg menang negeri, umpamanya Kelantan. dh lama rasanya pihak pembangkang pegang beberapa negeri Tun. masakan seorang diktator akan membiarkan sahaja pembangkang berkuasa begitu sahaja? kalau diktator rasanya mungkin Tok Guru Nik Aziz dh dibunuh sekarang & juga musuh2 politik Tun yg lain. Tun seorang yg tegas dalam memimpin. Iyanya sama seperti seorang ayah yg sayangkan anak2 nya. itu sahaja. ketegasan Tun membuatkan dunia barat amat takut dengan kelantangan Tun bersuara. Mungkin itu salah sebab mereka menggelar Tun seorang diktator. sama juga seperti musuh2 politik Tun. MEREKA TAKUT.

kalau Tun ingat, waktu Tun menjalani pembedahan di hukm beberapa bulan yg lalu, sebelum Tun discharge, ada sekumpulan medical student yg mahu bergambar dengan Tun. Itu sy & kawan2. kami sangat hormat Tun sebagai bekas pemimpin kami. Tun banyak sangat menolong rakyat Malaysia. kalau la seorang diktator, takkan la kami sebagai rakyat biasa ni mampu bergambar & bersalam dengan Tun. mungkin kalau diktator, kami dh dihalau kot. tp tidak. Tun & Tun Hasmah sangat humble. WE LOVE U TUN MAHATHIR.

selamat berpuasa Tun :-)

Salam Tun and All,

If you persona fits the description of a dictator, then I say I love to become one someday. But when I look at the real dictator, I say God forbid me from becoming one. The label put on you is just for politic reason only. It is good for dumb people and idiotic young yuppies only.

I recall you have never sued anyone in your political career. Unlike Anwar, he had sued many people and manage to shut people up despite his cunning freedom of speech idealism.

Only stupid people believe in Anuar...

Salam YB Tun,

Sebagai pemimpin kita kenalah tegas dan bijak dalam membuat keputusan setelah mengambilkira pendapat orang-orang yang dipimpin. Masalahnya kebiasaannya orang-orang di sekeliling pemimpin sama ada agenda tersendiri atau tidak bijak memberi buah fikiran. Oleh itu sebagai pemimpin mestilah mengambilkira faktor-faktor ini. Sebagai orang-orang yang dipimpin kita hendaklah memberi buah fikiran yang terbaik secara ikhlas dan setelah itu terserahlah kepada pemimpin untuk membuat keputusan.

Kadang-kadang keputusan dibuat secara demokrasi atau kosensus atau atas budi bicara pemimpin (yang ini selalunya orang ramai akan melabelkan pemimpin itu sebagai diktator). Apabila keputusan telah dibuat, maka sebagai satu pasukan tindakan yang selari mestilah diambil untuk menjayakan rancangan tersebut walaupun keputusan itu tidak memihak kepada cadangan kita. Kita perlu ingat kadang-kadang cadangan atau isi hati pemimpin pun tidak diterima semasa mesyuarat dan pemimpin tidak pula mengatakan yang orang yang dipimpin sebagai "diktator" .

Bak kata Saidina Umar (RA) yang maksudnya lebih kurang kita jangan menjadi terlalu pahit hingga orang meludah kita keluar dan jangan menjadi terlalu manis hingga orang menelan kita.

YB Tun, saya secara jujur mengagumi kepimpinan YB Tun. Saya adalah produk daripada kepimpinan dan pemikiran YB Tun selama ini. Orang yang melabelkan orang lain terutama di dalam organisasi baik kerajaan, parti politik atau korporat, adalah meraka yang bodoh dalam berorganisasi. Segala ketidakpuasan hati perlu disalurkan kepada pemimpin baik dalam kerajaan, parti politik atau korporat secara bijak menurut saluran yang ada. Jika tidak, sila tinggalkan organisasi tersebut baik kerajaan, parti politik, korporat atau NEGARA.

Doakan semoga YB Tun sentiasa di dalam keredhaan Allah.

Selamat berpuasa di bulan Ramadhan.

Tun,

You are not a dictator but you allow people to use your name to do want they want. Your napoleons, lords and lieutenants abused the authority you gave them. You created a group of people to protect and guard your fort but instead they fill their pocket first then created hatred and enemy for you.

I think you are a kind and soft-hearted man and you genuinely want to help Malaysia but due to unforeseen and uncontrollable reasons you created a monster. You speak your mind without fear against the most powerful country as you can see and feel their evil intention. You are gifted with knowledge and vision. If only .....

Anyway nobody is perfect and you can rest assure nobody will especially politicians. So far you are still leading as the best Malaysian leader and no one within a million kilometres to over-take your position.

I truly believe you are NO dictator. Dictators don't lose any states in elections, yet u did.

Oppositions will be killed during dictators rule but none was during your tenure. In fact a few even came to hold office positions in states they captured.

Its unjust to say you are a dictator and i believe these people never had chance to visit countries which are/were ruled by dictators.

So, they saw and created demon out of something that never came close.

Perhaps you should write about the practice of crony on the other side. Its flourishing in abundance :-)

Salam Tun,

Boleh dikatakan saya mengkagumi semua dasar-dasar yang Tun bawa semasa menjadi PM. Saya juga menerima setiap individu itu ada juga kelemahannya dan kalau ditimbang tara kebaikan dan kemajuan yang dibawa oleh dasar-dasar Tun adalah lebih banyak kepada seluruh rakyat dan orang Melayu terutamanya.

Walau bagaimanapun saya masih tertanya-tanya sehingga sekarang mengapakah Tun sendiri kadang-kadang memperlekehkan bangsa Melayu itu sendiri sehingga kadang-kadang kata kata Tun itu pula menjadi punca cacian oleh bangsa bangsa lain. Kalau Tun renungkan memang ADA kemajuan di kalangan bangsa Melayu itu sendiri sebelum Tun menjadi PM dan sekarang. Sebagai perumpamaan, sekiranya ada dikalangan anak kita yang kurang menonjol, kita tidak seharusnya mencaci, mengeji atau memperlekeh-lekehkan beliau di hadapan anak anak yang lain. Itu seperti membunuh semangat dan masa depannya.

Kadang kadang kata kata perangsang itu lebih berharga dan lebih bernilai dari segala jenis bantuan wang ringgit tanpa ada hala tuju yang jelas. Secara umumnya orang Melayu tertinggal di kalangan bangsa bangsa lain adalah kerana sikap, kurang objektif dalam hidup, selalu menggunakan agama sebagai bahan perdebatan (ASB pernah diharamkan), berdengki dan irihati sesama sendiri, membuang masa sesuka hati, sikap bertanggung dan ada juga yang malas. Ini juga yang disentuh oleh Tun dalam "Malay Dilemma" dan apakah yang sepatutnya kita lakukan? Adakah dengan mengutuk, memperlekehkan orang yang lemah dan tidak bermotivasi adalah jalan yang betul untuk menggalakkan untuk lebih berjaya?

Saya harap sangat Tun dapat memperjelaskan kenapa mengeluarkan kata kata begitu kepada bangsa yang Tun sendiri. Sekiranya Munsyi Abdullah yang menjadi agen propaganda Stamford Raffles telah berjaya meracun pemikiran bangsa bangsa lain didunia ini bahawa Melayu Itu malas dan amat tidak berguna demi menghalalkan British untuk membawa bangsa cina dan india ke Tanah Melayu, saya berharap kata kata Tun tidak pula menjadi sebab untuk pemimpin masa kini membawa dasar dasar baru yang boleh meminggirkan orang Melayu atas nama Kemajuan Negara.

Saya percaya masih ada cara yang lebih sesuai untuk memajukan orang Melayu selain kita melemah-lemahkan semangat mereka. Yang terbaru Tun menyatakan sebab Diploma TAR diiktiraf adalah kerana kebodohan Melayu itu sendiri. Saya tidak faham kaitan itu...

Salam Semua,

\*\*\* sebagai org awam kene tahu adakah pemimpin atau kerajaan sekarang lebih baik atau byk mendatangkan kemakmuran bg org islam-melayu atau yg terdahulu lebih baik.

— Pilih yg lebih terbaik. bukan yg baru nak buat cakap2 sahaja baik.

Individu yang menggelar seseorang Mahazalim, Firaun, diktator adalah atas kemurungan diri sendiri. Mereka Ini tak ada tempat yang hendak dilepaskan perasaan mereka.

Mereka yg menggelar org lain dgn apa2 ungkapan adalah tidak tahu identiti mereka sendiri.

Mereka ini hanya tahu menggelar atau melihat kejahatan orang lain, tetapi tidak mahu menerima dan melihat kejahatan diri sendiri.

Mereka bercakap demikian adalah kerana untuk menutup kejahatan mereka sendiri.

Salam Tun

Diktator zaman moden datang dari negara Timur Tengah. Mereka yang menggelar Tun tak pernah tinggal di Timur Tengah dan tak pernah tahu cabaran berhadapan dan bekerja dengan penduduk asal di sini. Mereka juga tak pernah membaca dan tahu bahawa terdapat perbezaan memimpin dan gaya kepimpinan orang Arab, orang Asia yang berbilang bangsa atau Amerika yang sangat berbeza.

Mungkin Tun masih ingat saya. I was with MSC and been living here for last 5 years. Saya tinggal di negara Arab dan berhadapan dengan kepimpinan diktator yang sebenarnya setiap hari. Orang yang menggelar Tun, baik Cina atau Melayu, kalau mereka tinggal di sini bekerja dan berhubungan dengan penduduk asal setiap hari tentu tidak lagi akan menggelar Tun diktator. Sebaliknya tanpa segan silu akan mendabik dada – berbangga mengaku “saya orang Malaysia” – sebuah negara yang sangat terkenal dan dihormati oleh orang Arab. Semestinya Tun adalah satu-satunya pemimpin yang amat dikenali dan dihormati. Tanpa pemimpin yang bernama Tun Dr Mahathir Mohamad, siapakan kita orang Malaysia di mata dunia?

Pedulikan mereka Tun, tidak hilang bisa ular yang menyusur akar. You are the best Muslim leader of the 21st century! Tanpa Tun, Malaysia tidak akan maju dan terkenal. Begitu juga tanpa Lee Kuan Yew, Singapura tidak akan menjadi negara maju seperti sekarang.

Tetapi ironinya mengapa mereka tidak memanggil Lee Kuan Yew diktator?

Ramadhan kareem. Semoga Tun terus sihat dan dalam peliharaan Allah. Ameen.

Yang Amat Berbahagia Tun,

Semoga sentiasa berada dalam keadaan sihat sejahtera.

1. Terdapat dua unsur yang sering dikaitkan dengan seorang diktator. Pertama, tempoh yang lama menyandang jawatan tertinggi iaitu Perdana Menteri, Presiden dan sebagainya. Kedua, kata-kata yang sentiasa dituruti.
2. Ramai diktator mempunyai kedua-dua unsur ini.
3. Tetapi sekiranya dilihat semula. Dalam negara demokrasi yang mempunyai pilihanraya, rakyat berhak memilih sesiapa sahaja yang mereka rasa layak memimpin. Di Malaysia, sekiranya majoriti memilih seseorang untuk menjadi pemimpin, beliau adalah sah dari segi undang-undang untuk menjadi pemimpin selama mana majoriti memilih beliau.
4. Sekiranya seorang memberi pandangan yang baik, besar kemungkinan pandangan tersebut akan diterima pakai. Sekiranya beliau sentiasa memberi pandangan baik, besar kemungkinan juga kata-kata beliau akan sentiasa diterima pakai. Oleh itu, pemimpin yang sentiasa memberi pandangan baik akan mendapati kata-katanya sentiasa dituruti.
5. Maka, tempoh memimpin yang lama dan kata-kata yang sentiasa dituruti tidaklah merupakan unsur yang hanya ada pada seorang diktator. Pemimpin negara demokrasi yang diyakini rakyat dan mengemukakan pandangan baik boleh juga mempunyai unsur yang sama.
6. Beza antara diktator dan pemimpin yang baik adalah diktator menggunakan kekerasan (atau kezaliman) manakala pemimpin yang baik menggunakan ketegasan.
7. Dalam tahun 1980an, ramai pihak terutamanya dari parti pembangkang telah memainkan isu-isu sensitif yang boleh menyebabkan peristiwa 13 Mei 1969 berulang. Keadaan pada masa itu membimbangkan. Keharmonian negara sekali lagi boleh terganggu.
8. Dengan undang-undang yang sah iaitu Internal Security Act (ISA), mereka yang tidak menghiraukan masa depan negara telah ditahan. Penahanan mereka telah meredakan keadaan masa itu.
9. Ketegasan tindakan ini telah menyelamatkan negara dari mengalami rusuhan kaum. Rusuhan kaum tidak membawa keuntungan kepada mana-mana kaum. Bahkan ia hanya akan merugikan negara.
10. Tetapi, beberapa mereka yang ditahan termasuk Lim Kit Siang telah mendakwa bahawa mereka dizalimi. Dengan mengatakan mereka dizalimi, ramai orang termasuk media asing menganggap penahanan tersebut sebagai tindakan diktator.
11. Sekarang ini, kita lihat ramai yang melampaui batas dengan tidak menghormati undang-undang dan perlembagaan. Bersih 3 umpamanya, tidak menghiraukan larangan mahkamah. Tetapi, kita tidak berani bertindak tegas kerana khuatir orang yang dikenakan tindakan mengatakan kita zalim. Apabila kita dituduh zalim, orang lain akan menganggap kita diktator.
12. Rakyat perlu tahu membezakan antara diktator dengan pemimpin yang baik. Kedua-duanya mempunyai tempoh memimpin yang lama dan kata-kata yang sentiasa dituruti. Sekiranya tidak, mereka akan dipermainkan oleh golongan yang mempunyai kepentingan.

Salam Tun,

Saya agak terkejut membaca artikel ini kerana bagi saya Tun tidak perlu bertanya mengenainya. Orang yang mempunyai akal yang waras tahu akan kebenarannya. Tetapi mungkin Tun mahu dengar dan membaca sendiri jawapan dari rakyat Malaysia mengenai gelaran sedemikian.

Saya harap Tun dapat kembali mengetuai barisan kepimpinan negara kerana saya fikir Malaysia masih lagi memerlukan khidmat Tun. Orang yang digelar Tun dengan bermacam-macam gelaran hanyalah orang yang mempunyai niat yang jahat dan ingin mencemarkan nama baik Tun. Hanya Tuhan yang boleh menghukum mereka yang melakukan fitnah sebegitu rupa. Tidak perlu khuatir Tun.

Kalau Tun diktator, Tun tidak mungkin boleh pergi makan sarapan pagi dekat Village Park di Damansara Utama,

atau pergi bersiar-siar di sekitar Kuala Lumpur dengan bersahaja. Sudah tentu akan ada orang yang ingin membunuh Tun atau melakukan sesuatu di luar jangkaan Tun seperti menikam atau menembak Tun. Tapi kerana Tun yakin akan kesahihan perlakuan Tun, maka Tun tidak perlu takut kepada fitnah yang hina itu. Tun hanya perlu takut kepada Yang Esa dan bertawakal sahaja.

Saya pasti Tun masih lagi tidur lena, dan sihat tidak seperti sesetengah yang asyik memikirkan cara hendak memburukan nama orang lain siang dan malam. Rakyat Malaysia harus sedar akan situasi politik di negara kita sekarang. Semua orang boleh membuat fitnah dan sampai sudah tidak ada had lagi. Macam-macam tuduhan yang dilontarkan antara puak parti BN dan parti pembangkang. Ini sudah tidak masuk akal. Mereka sudah lupa akan tanggungjawab mereka iaitu membina negara dengan mementingkan keamanan dan kesejahteraan rakyat dan bukan mementingkan jawatan dan kuasa mereka.

Ini yang saya fikir telah membuatkan ramai di antara mereka di parti pembangkang cuba lakukan bagi menjatuhkan UMNO/BN demi kepentingan politik sempit mereka. Ramai di antara kita sudah lupa akan siapa dia Anwar Ibrahim. Mereka lupa semasa beliau menjadi TPM seketika dahulu yang mana beliau telah mengkayakan berapa ramai kroni beliau demi kuasa politiknya. Tetapi mereka yang menyokongnya lupa akan peristiwa ini. Bermacam-macam lagi peristiwa yang berlaku yang mengaitkan nama Anwar Ibrahim.

Sekarang ini, beliau cuba menolak persepsi itu kepada Tun sedangkan Malaysia maju seperti hari ini kerana jasa baik dan kebijaksanaan Tun sendiri yang memastikan Malaysia terus maju sebaik mungkin dalam masa tidak lebih dari 25 tahun.

Orang Malaysia harus berfikir secara rasional dan lihatlah sendiri apa yang kita perolehi di Malaysia ini sekarang. Memang saya akui masih ada ruang untuk kemajuan seperti negara-negara lain juga termasuk negara maju, namun kita perlu bersyukur dan berterima kasih kepada Allah kerana mengurniakan pemimpin agung seperti Tun.

Lihat sajalah negara yang memilih untuk melakukan pemberontakan untuk menjatuhkan kerajaan atau secara kekerasan, apa yang berlaku kepada mereka? Adakah mereka maju? Adakah mereka berjaya melakukan pemberontakan itu tanpa kehilangan jiwa mana-mana rakyat? Lihat sahaja di Thailand, ketika penyokong baju merah menentang kerajaan Abhisit, berapa orang yang terbunuh? Adakah ini yang kita mahu? Jangan disebabkan oleh seorang pemimpin yang gilakan kuasa dan kononnya menggunakan watak warak dan beriman menipu kamu. Haruslah kita fikir dengan akal dan nilai secara betul. InsyAllah kita dapat membuat keputusan yang bijak demi perpaduan dan kemajuan Malaysia.

I salute you Tun, and I thank you so much for leading us to a level in which I am proud to say I am Malaysian! We love you and we support you Tun.

Thank you!

Salam Tun,  
Saya tidak nampak sedikit pun benarnya mereka yang melabelkan Tun seorang diktator. Tidak ada satu perkara pun yang boleh menjadikan Tun seorang diktator. Pilihanraya tidak pernah ditiadakan sepanjang pemerintahan Tun, malah ada negeri yang tidak pernah Tun dapat tawan sepanjang pemerintahan. Semua orang bebas bersuara tetapi mereka tidak berani menyuarakan pendapat sebab mereka kalah fakta berdebat dengan Tun. Itu tidak menjadikan Tun diktator. Siapa atau kumpulan mana yang pernah Tun bunuh? Minta mereka namakan. Tiada, memang tiada. Kalau ada sudah tentu Tun dah lama musnah. Parti politik mana yang mati? Tiada. Siapa pemimpin politik yang Tun saman? Tiada. Ahh..sebutkan apa saja yang diktator buat, tidak ada persamaan langsung dengan Tun. Bayak yang boleh ditulis di sini tetapi semua fakta tersebut tidak dapat melabelkan Tun sebagai diktator

Sebenarnya hanya rasa dengki dan khianat kepada Tun yang membawa kepada tohmahan tersebut. Sesungguhnya Tun seorang pemimpin terbaik di dunia. Hanya kerana Tun seorang Melayu, Islam, lahir dan menjadi Perdana Menteri di Malaysia menjadikan Tun seorang 'diktator'. Jika Tun berada di negara 'sekutu' sudah tentu Tun menjadi Setiausaha PBB sekarang.

Doa kesihatan dan kesejahteraan untuk Tun sekeluarga. Amin

Tun

You have brought up an interesting topic which is mischievous, devious and ungrateful.

I will speak openly because I did not become rich or decorated during your famous 22 year Administration. And as an apolitical observer of the good and great on both sides of the hallowed Causeway since October 1951, I have accumulated quite a lot of first hand information on public personalities since then.

First, your compassion has permitted the emergence of a tribe of folks who only knew how to deride others who are better than they by being abusive, vulgar, insulting etc in their arguments without any thought. This form of low-down tactics must be highlighted as being unfit to anyone who claims to be an Asian with Asian values.

This tribe of folks instead of doing something constructive like you, specialised in destroying their apparent superior rivals to bring them down to their level which is the longkang. This is precisely the reason why these folks can never achieve the Prime Ministership and greatness.

Unfortunately, because of the state of the English language in this country, the tribe only knows how to use abusive and foul words in the English language. It is time we go back to proper English classes and read Shakespeare.

As a medical student, you had nine months to think about life and death during your dissection of the human body. This was when your compassion first arose. And you began to use your brain to think.

On compassion, I am not aware of any dictator allowing challenges to his dictatorship position through elections, definitely not Hitler, Hosni Mubarak or Mussolini.

Even in democratic Singapore, no one challenged Lee Kuan Yew for his top job.

And in Singapore, if you mention the name of Lee Kuan Yew to anyone in a public place, the person will look back across his shoulder to see if Lee Kuan Yew is listening behind him. Why the fear of Lee Kuan Yew ?

Second, throughout your famous 22 year Administration, the number of deserving personalities who were awarded the Tan Sri-ship and the Dato-ship at both the Federal and State levels fully confirmed that you did not forget or were ungrateful to those who served the Yang Di Pertuan Agong, the Sultans and the Nation well.

So much so, an elite whispered into my ear that maybe the number of Tan Sri-ship awarded might have shot past the Gazetted figure. With this information, some wise crack might treat this as corruption or abuse of power !

However, whether the gratefulness of these ennobled recipients to you was sustainable or not is another story, maybe. And through the famous 22 year Administration, the numbers of Malaysians which had become well-off and rich, is the story. Nothing more. Nothing less !

Third, not only the middle income group was expanded but then many millionaires were created during this period of the NEP which nearly became still-born due to the untimely passing of Tun Abdul Razak and the short period of Tun Hussein Onn's stewardship.

This famous 22 year Administration was not only crucial but critical to the success of creating a very large group of middle income Bumiputeras and non-Bumiputeras as a ballast for the political stability and harmony of our beloved Malaysia. How many will admit this ?

But unfortunately, the direction complete with the bearings as set by you, Tun, was lost after 2003. The Nation has to find its proper bearings again which is straightforward.

The goodies must flow down the power pyramid to the proletariat at the bottom and should not defy gravity !

The NEP really began concomitant with the beginning of the famous 22 year Administration under your Prime Ministership – 10 years late.

Fourth, a rich friend once sought my advice whether he should enter politics. I told him that 50 percent of the population were already jealous of him and if he became a politician, 50 percent of the other population would hate him. Eventually, 100 percent of the population hated him.

On this premise, I now wonder why very rich Opposition political families participate in politics. For what purpose ?

Hence, I proposed previously that all intending candidates who wish to be an elected representative of the Rakyat should declare that they have no assets of money or kind outside the jurisdiction of Malaysia before the General Election.

Let us have a level playing field for the very rich and the ordinary folk.

Fifth, I saw Tun Dr Siti Hasmah and yourself with a single bodyguard at the Malls in the evenings a few times. Once, as I walked rapidly round a corner, I nearly bumped into both of you at the Ampang Park. I said ‘ Oops !’

Lee Kuan Yew usually cruised around at midnight in his favourite Jaguar to see the results of his handiwork or his underlings mistakes. An antibomb squad disposal unit would scour any place which he attended, sometimes even up a lamp-post or a tree.

Tun, in your case you had no fear because you had no blood on your hands because your Foreign Policy was not blood-stained and your conscience is as clear as a mountain stream.

The Oxford Dictionary defines ‘ dictator ‘ as a ruler who has total power over a country.

All Malaysians and especially the Malaysian Chinese, do not listen to people who cry ‘ wolf ‘ for your votes. Vote only BN or you may get a real wolf or dictator.

Tun,  
Biaq pi mereka la Tun, biar apa sahaja yang mereka ucapkan terhadap Tun, saya rasa ia tidak memberi sebarang kesan terhadap Tun mahukan rakyat jelata.  
Saya percaya rakyat secara amnya tahu membezakan tuduhan-tuduhan melulu yang lebih bersifat dendam, marah dan emosi yang keterlaluan oleh mereka yang taksu dengan parti pembangkang.

Kebiasaannya mereka yang mengatakan Tun diktator, mahazalim dan sebagainya adalah terdiri daripada pemimpin dan penyokong tegar parti pembangkang.

Saya pernah membaca kain rentang di jalan menuduh Tun mahazalim tetapi yang timbul pada fikiran saya apabila membaca sepanduk itu ialah orang yang menulis (kain rentang) ini tidak betul ke otaknya? cetek fikirannya dan tiada modal lain untuk memburuk-burukkan Tun.

Selain itu timbul tanggapan bagi saya siapa yang menuduh Tun itu sebagai seorang yang tidak bertamadun dan lebih mengutamakan emosi, dendam dan rasa marah daripada berfikir secara rasional.

Jika marahkan seseorang pemimpin pun, mereka diberi hak dalam sesebuah negara yang mengamalkan demokrasi untuk tidak mengundi Tun tetapi cara yang mereka amalkan dengan membuat tuduhan yang tidak berasas tidak bertamadun langsung. Ia juga tidak mencerminkan ciri-ciri orang Islam mahupun Melayu yang tinggi budi bahasanya.

Saya pernah mendengar sidang akhbar yang diadakan oleh pemimpin-pemimpin pembangkang dan berpendapat isu-isu yang mereka bangkitkan sebagai remeh dan tidak boleh diterima akal sekali pun.

Menuduh orang lain sahaja salah tetapi mereka sahaja betul adalah satu perkara yang menjijikkan bagi rakyat yang berfikiran waras.

Perkara ini (membuat tohmahan keterlaluan terhadap pemimpin) tidak berlaku di negara lain tetapi cuma di Malaysia sahaja dan ia adalah sesuatu yang meloyakan bagi rakyat biasa yang tidak suka cara berpolitik yang melampau terutama di kalangan penyokong pembangkang.

Isu ini tidak perlu Tun layan kerana hanya membazirkan masa.

Salam Tun.

Salamun 'Alaikum,

Mudah2an Tun sentiasa berada dalam rahmat Allah.

As someone who grew up most of my life when you're our PM, I sincerely believe that the label 'Dictator' does not befit you. To me, you're a leader with remarkable achievement and at the same time, not free from mistakes, some of which are manipulated by your opponents which form the basis of them calling you with such labels.

Honestly, as an observant, the following are the issues which were used by your opponents to support their claim and my takes about it:

- 1) Your government's handling of Memali case. Obviously, to fight against a ruling government in any country is a crime and should the deceased and his supporters did that, they are warranted to face the laws in this country. But, with heavy government machinery and advanced expertise, was killing them on the spot warranted? Most of them were villagers anyway, and what made it worse, they were from your opponents' party. There must be mistakes somewhere within the security forces and did they face disciplinary actions?
- 2) Press Freedom. Living in vulnerable multi-religious, multi-ethnic and multi-lingual nation needs meticulous care in pre-emptive laws to avoid any threats to its stability. But does this means almost complete shutdown of opposition to use national TV, radio and press to air their views? Why was Harakah not allowed to be sold to other than non-PAS audience? Due to limited exposure to reach bigger audience, your critics (not necessarily your opponents) became in the end desperados whom in the end resorted to either apolitical (give up/does not care about issues in country), extremes (ie: create lies to demonize your party) or more resolved (country-wide road ceramahs to criticize you and your party). All three are not good for either you or country.
- 3) Your handling of Anwar's case. Though now your handling of the case is getting more recognition due to Anwar's own misbehaviors afterwards (ie: Cases of Saiful, China-Doll, refusal to 'bersumpah', Israel's issue, Omega etc), but when it happened, rakyat was divided due to lack of information or less-trusted information from government's media, since national media is controlled 100% by government and is perceived to be bias. Anyway, i agree with your decision to sack Anwar, and most of the people do now.

4. Little Napoleon within your party or government. I've experienced through my own, colleagues' or that of my relatives of several incidents in this aspect. The first, some of the appointed Penghulu refused to assist even for small

favors to be accorded to his constituents from the opposing party. In my relative's case, her son, whom most of his childhood and teenage life grew up as an orphan without a father, failed to get the Penghulu's signatory as a support to get into University. This was simply because the Penghulu refused to sign it as the mother supported the opposition party. Second, few incidents happen in front of our eyes of corrupt practices of our policeman. One such example is when my relative was stopped for traffic offense by a policeman and she was asked for some money to avoid being summoned. I believe there are many such examples that occurred to Malaysians. For commoners, it's hard to not take the government under you to be serious in tackling the above and some even claimed that you or your party sanctioned it.

5. Operasi Lalang. After reading your memoir, i understand the rationales from your point of view.

6. Tun Salleh Abas' sacking. You've explained this point also in your memoir. The people's perception about this before is that you had directed, planned or involved in his sacking.

7. The ISA. The notion that one can be detained without trial does not dwell well with any human being except those in power. So long as the act exists and being used, it is subject to criticism and speculations as well as adding opposition's claim of the ruling party's cruelty, regardless whether or not the arrest was justified.

Nonetheless, the above to me are still not enough and strong justification for you to be labelled as a dictator. Though i might disagree with your takes in some of the above issues, i acknowledge the benefits and efforts that you're contributed to the Muslims, people and the nation of Malaysia. As Nabi SAW mentioned in authentic hadith narrated by Tirmidzi, ("If good is done to someone and then they say "Jazak Allahu khayran" to the one who did the good, they have indeed praised them well."), i hereby would like to say thanks to you by saying 'Jazakallahu khoiran' (May Allah reward you with goodness) for all your hard work. I pray that Allah accepts it from you and forgive your mistakes.

Tun ... tak berani nak mengatakan disini ... nanti kena tangkap mampus lah saya ...

akan tetapi, Tun boleh dapat maklumat seperti di wiki yang bertajuk "list of modern dictators" ... terperanjat saya nampak nama Tun disana ... entah maklumat itu betul tidak ... :p

atau Tun boleh buat google search juga, macam-macam cerita boleh nampak di situ ...

tak berapa suka sangat dengan Bush, kerana dia tidak disukai ramai ... namun Bush sampai hari ini pun berpendapat dia itu baik, dan handsome-handsome belaka ... walaupun dia tak handsome langsung ...

My Dear Beloved Dato'Seri,

It's rather amusing that you decide to compare yourself with fallen dictators. Why do you compare yourself with the worst? Just like how you compare Malaysia's Election System with Zimbabwe, Why? Such extream comparisons would only paint an angelic picture of you & your administration isn't it? Smart & Politically Correct as always.

Zaman sekarang tidak ada diktator.

Awal bulan ni, ada anak-anak yang mendaftar di sebuah kolej swasta dan kos menuntut di situ dibiayai melalui pinjaman dari agensi kerajaan. Kebanyakannya mendapat straight As tetapi tidak mendapat biasiswa, hanya pinjaman. Tidak tahu di mana silapnya.

Pada masa yang sama, Kementerian Pendidikan (KPM) turut menghantar pelajar tajaan (read ..scholarship) ke kolej tersebut dan selepas dua tahun, pelajar tajaan KPM ini akan di hantar ke luar negara untuk selama empat tahun. Program ini dipanggil "Bursary".

Mungkin ada 60 penuntut tajaan KPM di situ. Dan tak sampai 10%, bumiputra. Pada tahun ssebelumnya, terdapat 40 pelajar tajaan KPM, hanya 2 pelajar Bumi.

Di mana silapnya, bila ada pelajar yang mendapat straight As hanya mendapat pinjaman?  
Adakah masa depan anak-anak kita di gadai atas nama kesamarataan?  
Sanggupkah konglomerat bukan melayu membuka peluang yang sama pada pelajar bumi dalam bidang pekerjaan seperti yang di lakukan dalam pemberian biasiswa?

Dalam masa yang sama, konglomerat bukan melayu turut menaja pelajar yang rata-ratanya bukan melayu. GLC pulak, berprinsipkan 1Malaysia.

YAB PM tak boleh pandang mudah. Perlu ambil tahu berapa banyak biasiswa yang di beri oleh swasta. Perlu ambil tahu pembahagiannya. Ia mesti seimbang. Ini untuk masa depan anak-anak kita. Ini untuk kestabilan mereka hidup dan bekerja dalam keadaan saksama. Bila ada yang ketinggalan, pasti ada berantakan.

Dictate it .... According to the Constitution

Salam Dr Tun Mahathir

Tidak perlu kita bahas jelas dan nyata dari kaca mata kaum bumiputra (kecuali mereka yang tdk kenang budi) Tun ada lah seorang pemimpin yang belum ada pengantinya. Tun telah mewujudkan bangsa bumiputra menjadi bangsa yang bermaruah, menjamin kedudukan bangsa tetap berkuasa dalam negara sendiri. Kemajuan bangsa begitu sangat memuaskan sehingga sebahagian besar kaum bumi yang professional, pendidikan tinggi dan mejamin anak cucu bangsa masa depan mereka di jamin dan raja2 melayu tidak akan hilang dipermuka dunia ini.

Belum ada pemimpin yang dapat ambil tempat Tun. Kaum bumi harus bersyukur dan berterima kasih atas Tun. Dan juga jelas dan nyata pada mereka yang bukan bumi dan kaum pendatang Tun ada sebaliknya dan sudah menghambat mereka dari memegang kuasa dan harta.

Semoga mendatang seorang pemimpin akan muncul yang sanggup berkorban, membela dan memperjuangkan nasib kaum bumiputra daripada jadi hamba tdk berkuasa dalam negara perseketuan tanah melayu.

Assalamualaikum, bagi saya isu Anwar Ibrahim dipecat dari UMNO lalu dia dipenjarakan atas kesalahan-kesalahan tertentu semasa 1998 dipolitikkan sebagai satu medium untuk menunjukkan Tun ini seorang diktator. Tetapi bagi saya Tun bukan diktator tetapi protector. Seorang protector kepada generasi saya untuk masa hadapan.

This is how American or Western Propoganda infiltrates into the developed Asian , middle east countries and other regions too. They use words like “dictator” to sow the seed of mistrust in the minds of the people against the government. And , they spends billion on how to brainwash the people mind. And American are good at this strategy. And the propoganda have been sublimely transmitted since the screening of western movies. All is possibles through the research and coordinating effort of the CIA.

1). Mungkin Tun ada gelaran Doctor. Dictator & Doctor, lebih kurang sama bunyinya. Orang racist seperti Lim Kit Siang mendapati amat payah untuk memperkecilkan pengaruh Tun. Jadi mereka mencipta gelaran yang paling ‘ngam’ dan secara tidak langsung boleh memburukkan imej Tun. Saya rasa tak berkesan kerana mereka beri terlalu banyak gelaran, jadi tak ada satu pun yang kekal melekat.

2). Orang susah nak lawan cakap Doctor. Kalau berhujah dengan Tun, mesti akan kalah sebab Tun amat mahir

dalam memberi pendapat. Takut mendapat malu, ramai menteri tidak berani beri pendapat. Oleh yang demikian, semua orang ikut saja apa yang Tun cakap.

3). Tun selalu berucap dengan panjang dan kelihatan seperti tidak perlukan text atau nota. Kebolehan Tun menghafal & memikir amat mengagumkan.

4). Timbalan kepada Tun, kecuali Yang Kerap Tertidur, semuanya berundur dan ada yang dipecat. Yang dipecat pula adalah seorang sesumpah 'dua-alam' yang tamak, menyalah-guna kuasa dan sangat mengidam jadi PM. Apabila tindakan undang-undang di ambil keatasnya, dia menggelar Tun sebagai diktator.

5). Semasa Tun melawat China, 'kerajaan' yang dipimpin sementara Musa Hitam, tanpa provokasi yang terang, telah melancar 'perang' terhadap penduduk kampung Memali, yang hampir-hampir mencetuskan pertempuran bersenjata di antara tentera darat dengan anggota keluarga Balai Polis Baling. (Kaum ibu & anak-anak berpelukan menangis ketakutan, semasa tentera mengepung dan mengoncang pagar Balai)

Saya amat sayangkan Tun, tetapi saya masih tidak dapat menerima kewajaran KDN ketika itu, yang sanggup mengambil tindakan sedemikian kejam. Inilah juga sebahagian sebab mengapa penduduk sekitar Baling menjadi sangat taksud dengan PAS. Nampak semacam kerajaan hanya berani bertindak keatas Melayu saja.

Maafkan saya kalau menyinggung perasaan Tun.

Dear Tun,

You did all you can during your time, despite people keep saying it was ridiculous. I guess they just unable to accept the change, or they couldn't see it from your view. When you're being strict, they call it dictator. When you try to listen to them, they call "it was his chrony.."

I love to see that at your age you still can contribute to the nation growth. not many leaders could to that...keep writing so that youngsters these days would open up their mind & see things the way you do.

YABhg Tun,

Satu nama yang tertinggal ialah Lee Kuan Yew. Manusia ini merampas sebuah negeri kepunyaan Melayu secara halus. Dia menggunakan kelemahan dan kebodohan pada Tunku untuk merampas Tanah Melayu, dan memperkenalkan Malaysian Malaysia. Dia juga mengeksploitasikan kelemahan jentera kerajaan Malaysia untuk menguntungkan dia dan Singapore. Kononnya dia mengangis apabila terkeluar dari Malaysia. Itu titisan air mata buaya yang sangat happy kerana mendapat sebuah negeri yang begitu strategik.

Pada tahun enam puluhan habis semua kampung-kampung Melayu di Singapura "terbakar". Yang sebenarnya rumah-rumah orang Melayu telah dibakar, supaya tanah orang Melayu akan diambil secara paksaan oleh kerajaan Lee Kuan Yew untuk "dibangunkan semula". Ini semua orang tahu, tak usah dinafikan.

Bangsa Melayu di Singapore terus dibinasakan, diganti dengan pelbagai nama suku kaum seperti Bugis, Jawa, Rawa, Aceh sebagainya, supaya tiada lagi perkataan "Melayu" di Singapura. Semua kaum-kaum keturunan Melayu tertindas, dan ramai dipujuk masuk agama Kristian. Kini jangan dipanggil orang Melayu di Singapore "Melayu", mereka akan marah. Mereka mahu dipanggil "Singaporean". Itulah kebijaksanaan otak manusia Lee Kuan Yew. Dia ini seorang diktator dalam erti kata yang sebenar.

Kini dia menggunakan DAP bagi melanjutkan segala usaha membinasakan Bangsa Melayu di Malaysia. DAP pula sangat happy kerana manusia seperti Anwar dan Nik Aziz menyebelahnya. Lagi pun orang Melayu pun sudah berpecah belah. Siapa tidak happy?.

Apakah segala kejahatan Lee Kuan Yew perbuatan terpuji? Ya, dia dipuji dan di puja oleh manusia yang bencikan

Melayu, seperti bangsa Yahudi, bangsa Eropah, bangsa asing di Malaysia yang mahu memusnahkan Melayu, dan segelintir manusia dari Tanah Melayu seperti Nik Aziz. Anak-anak muda Melayu yang buta sejarah pula turut serta dengan bangsa asing untuk membinasakan bangsa Melayu. Mereka yang muda ini tidak sedar dan tidak berterima kasih kepada golongan Melayu lebih tua yang telah berkorban dan berusaha bermatian untuk memperbaiki ekonomi orang Melayu dan memberi pendidikan dan pendedahan supaya bangsa Melayu boleh maju dibumi sendiri.

Pulak terdapat YB dari Gerakan dan MCA yang menidakkan sejarah Melayu di Tanah Melayu. Orang Melayu yang baik hati pula terus memangkah mereka ini supaya menjadi wakil rakyat BN.

Perkataan diktator yang dilontarkan kepada Tun ialah meminjam satu strategi Yahudi dalam perniagaan. Ianya satu "branding" seperti branding untuk jenama benda-benda lain, yang kemudiannya diiklan, dijaja, dipasarkan, dipromosikan dan lontarkan sepanjang masa supaya kekal dikepala semua orang. Hinggakan ubat gigi ialah semata-mata Colgate. Branding sangat efektif. Musuh politik Tun akan bersama-sama menjaja dan mempromosikan labelling diktator ini. Kita sudah lihat bagaimana Dolah Bedawi melakukannya, dengan sokongan nyata daripada manusia seperti Musa Hitam, Anwar, Nik Aziz, dan terakhir, Sheikh Fadzil.

Kami rakyat biasa tidak gentar atau mempedulikan segala apa yang dilabelkan oleh manusia diatas kepada Tun. Hanya kami mahu ajar anak-anak kami, jika memasuki politik, belajarlah dari kesilapan Tun dalam memilih sahabat dan teman dalam politik. Manusia tersebut di atas sabenarnya ialah musang berbulu ayam.

Its Very Easy.....

a)Point No 5

You and your family and cronies also gather billions of ringgit through ill gotten projects,unfair biased tenders.

Example:

Kencana,Shapadu,Perwaja,DRB,Sime Darby,Sapura...to name a few.....the new one is PETRON.....

b)Point No 6

You used police to catch people and create false evidence.(Anwar(liwat Case),Lim guan Eng go to prison because he defended a girl rape by your crinies).You fired the Supreme Judge who oppose you and make a mockery of malaysia legal system.

c)Point no 7

U also used police as a guard.Thats standard.

d)point no 8

U used the court/police (ISA) and Media to destroy those who oppose u.....(ANWAR,KU LI,Musa Hitam)

e)point no 9

When you became PM you enforce that those who wantas to challenge for UMNO president must have 30 or so nomination.

Nobody contest against you.

f)point no 10,

Media malaysia is 300% biased

g)point no 11

You are clean on this except you did catch people and torture them under ISA..

Bye the way.....

despite all this....

i applaud u.....

The education system in Malaysia is quite good....

i also benifited from this nice policy....

But its time to change.....

Clean and transparent management is needed.....

Change is imminent.....

Assalamualaikum Tun.

Saya tak mahu komen pasal cara Tun tadbir masa jadi Perdana Menteri dulu. Tapi saya mahu tulis apa yang saya tahu dari pembacaan alam sufi atau orang alim.

Pemimpin yang bertuah dikurniakan kelebihan dapat mempengaruhi masyarakat ke arah kebaikan melalui kata kata.

Setiap perbuatan dan keputusan mentadbir adalah berlandaskan kepada kepentingan semua lapisan.

Pemimpin yang bertuah juga tak perlu kepada jalan raya perlu dikosongkan, sharp shooter atau yang seumpamanya. Semua itu hanyalah pandangan fizikal sahaja.

Seorang guru dikatakan layak mengajar apabila dia tahu isi hati antara murid dan guru, masing masing di timur dan barat. Berjauhan. Keduanya tahu apa yang berlaku di dalam kubur.

Jika tidak haram bagi guru untuk mengajar kepada orang lain. (www.delisufi.blogspot.com)

Pemimpin tulen sukar untuk menerima pandangan secara membabi buta tanpa bukti di depan mata. Maka kalau tak dapat mematahkan hujah pemimpin maka wajib turuti seperti orang mati. (kesufian).

Jika itu dinamakan diktator, maka kamu tidak menghormati wali Allah yang dilantik. Kamu mengistiharkan perang

dengan Allah s.w.t

Tarekat diasaskan apabila ada individu menerima ilmu dari Allah s.w.t dan ia ditulis menjadi pengetahuan secara sistematik.

Maka ia tidak kelihatan begitu tulen kerana terlalu teratur. Tetapi ilmu tersebut adalah bertepatan dengan apa yang berlaku.

Sepertimana untuk membuktikan kurniaan Illahi adalah tidak diperlukan kerana bagaimana untuk mersai nikmat manisnya madu, maka kamu perlulah merasainya sendiri.

Maka kerana itulah pemimpin yang tulen dikatakan palsu dan yang palsu dikatakan tulen.

Seperti kepercayaan Imam Mahadi 'jaya negar' (saya tak sempat baca blognya) yang masih belum matang.

Terima kasih Tun

Tidak pernah saya rasa Tun seorang diktator. Buktinya majoriti pemimpin-pemimpin negara banyak dikurangkan pada PRU 1999 dan jawatan Presiden yg Tun pegang sendiri pernah dicabar, namun pencabar itu langsung tidak dipenjara dan dibuang. Namun Tun mempunyai ketegasan dan keberanian. Kedua-dua nilai ini amat diperlukan dlm kepimpinan. Pemimpin yg mengamalkan nilai-nilai ini dgn konsisten dan meluas tidak ada lagi selepas Tun, baik Najib apatah lagi Abdullah.

Namun tidak semua manusia sempurna, tiada yg maksum terutama apabila memimpin negara. Mungkin Nik Aziz saja. Tun juga ada buat silap, begitu juga org lain. Itu biasa. Namun kesilapan-kesilapan Tun tidaklah sebesar kejayaan-kejayaan idea dan strategi Tun. Tidaklah memudaratkan rakyat.

Saya sendiri yakin dan percaya bahawa Tun Dr. Mahathir bukanlah seorg diktator dan sentiasa berharap semua org yakin dan percaya bahawa label itu tidak benar.

Tun bukan diktator.

32. Why?
33. Because I do not want to feel regret nor guilty for the rest of my life.
34. PKFZ is a good and cash cow national project approved and championed by YAB for good geo-economic reason via shipping businesses.
35. PKFZ lost so much money that all Malaysians shall have to pay due to boat rocking inside political parties and authority of semua pun mahu tunjuk ego tanpa kerja keras.
36. I sincerely hope that under our elected new PM, DS Najib bin Tun Razak, this kind of attitude shall be minimized under 5 Rukun Prinsip of what race we belong.
37. If we work hard, we will be able to pay off the debts 10 years from now.

Salam Tun,

Harap Tun berdua sihat walafiat.

Tun, tak perlu melayani musuh-musuh Tun yang mahu memburukkan nama Tun. Mereka tidak ada apa-apa bukti dan tidak ada apa-apa jalan lain untuk membuktikan Tun melakukan kesalahan semasa Tun menjadi PM. Oleh yang demikian, mereka memburukkan nama Tun dengan memberi gelaran-gelaran tertentu. 'Calling names' is an act of a coward.

Yang penting, Malaysia berada pada landasan yang baik untuk terus menikmati perkembangan ekonomi. Tidak dapat dinafikan bahawa keadaan ekonomi agak lembap disebabkan apa yang berlaku di Eropah dan Amerika Syarikat. China, Brazil dan India juga menunjukkan prestasi yang lembap.

Diharap kerajaan tidak lalai dan leka seperti tahun-tahun 2003-2009.

YAB,

14. Both my mama and papa are very dictator too.

15. Why?

16. Both of them ala katak di bawah tempurung have had gone through the Japanese occupation via hatred conqueror of Japan Imperialists during the 40s whereby they did not abide to humanitarians nor basic human rights.

17. The reason for them to do such dictator role is because they are children, daughter and son in laws, wife and husbands, mother and fathers and employees to the family business.

18. They too, is to protect the family businesses at all cost via political party.

19. Why KL Perdana Foundation To Criminalize War Criminals was set up?

20. YAB has gone through the fear and damages of wars happened during 40s.

21. Today, YAB is watching helplessly of civil wars in Muslim countries inflicted by their presidents out of greed and fear for absolute power via relativity effect, contohnya, a tooth for a tooth.

22. Malaysia is not Pakistan, Tajikistan, Turkmenistan nor Uzbekistan whereby they can use their religion champion to silent their enemies via assassination or civil wars.

23. Why should US pay them to increase their military budget to kill the Muslim and Christians?

24. After 55 years of Merdeka, if Malays still think that they are indispensable and unbreakable, they are being naive and ignorant.

That's all, YAB.
