

ISRAELI JUSTICE

Chedet.co.cc

September 14, 2012

By Tun Dr. Mahathir Mohamad

1. An Israeli court hearing a case brought by the mother of Rachel Corrie, the American girl who was deliberately run over and killed by an Israeli soldier driving a bulldozer to destroy the home of a Palestinian in Gaza, found the case to be an accident because the Israeli soldier claimed he could not see the girl standing in the way of the bulldozer shouting for it to stop.

2. I have often enough sat in the driver's seat of a bulldozer or mechanical hoe and I have always been able to see everything in front of me. Certainly a person standing in my way would be clearly seen by me.

3. But the Israeli court believed the soldier when he said he could not see the girl Rachel Corrie standing in front of his bulldozer. And so he ran over her crushing her under the bulldozer.

4. Even the Chinese Communist soldier stopped his tank when, in Tiananmen Square, a young man stood in the way of his vehicle. The view from the tank must be less clear. But the Israeli was driving a bulldozer which is designed to enable the driver to see clearly what is in front of him.

5. If he ran over the girl, it must be deliberate; it must be because he wanted to kill the girl.

6. It is a travesty of justice for the court to decide it was an accident, that the soldier driving the bulldozer could not see the girl.

7. The judge must be as cold-hearted as the soldier for the pain he inflicted on the grieving mother.

8. I am glad to be labelled anti-Semitic. How can I be otherwise when the Jews who so often talk of the horrors they suffered during the Holocaust show the same Nazi cruelty and hard-heartedness towards not just their enemies but even towards their allies should any try to stop the senseless killing of their Palestinian enemies.

9. Our concern and disgust over the cruel killing of Rachel Corrie is not new. When the Perdana Global Peace Foundation bought a ship to send food, medicine and construction material to the Palestinians in Gaza, she was named Rachel Corrie.

10. We were intercepted by the Israeli Navy in Gaza waters and forced to go to El Arish in Egypt. The supplies were sequestered and after some months were taken by others to Gaza. But we do not know if the people in Gaza ever got the supplies meant for them.

11. We had sympathised with the victims of the Holocaust. That sympathy was wasted and misplaced.

Salam Tun.

Comment by 'dtan' (16/09/2012 @12:16pm).

I'm wondering why Hanan the jew suddenly has become so very quite, unresponsive and very unlike of him to ignore Tun's present entry that accurately & strongly criticised the 'dirty' attitude/behaviour of the jews. As anticipated, all the major western newspapers/electronic media 'seems do not even know anything' about the verdict, or there was a court hearing on Rachel Corrie!!

Now, here we go again! Round ?

As usual, Hanan's errant boy dtan gladly volunteered to respond on behalf of Hanan!

He picked on the death to the suicidal of that 'still green boy' Beng Hock (which was due to regret, remorse & shamefulness for carrying out numerous corrupt practices as instructed by Ean Yong, and a bastard child waiting to be born, in which suicide was the only way out) as comparison to the sacrifice made by Rachel Corrie, which was totally unrelated in nature and intention!!

Just like 'MiddleAges', this 'dtan' (he's very satisfied to my earlier reasonings that the letter 'd' before 'tan' IS short for donkey) gets great satisfaction being ridiculed by other bloggers.

What a moron!

Hey Hanan, that errant boy has lost his direction and has become irrelevant. No class.

You must disown him before he causes more damage to your most valued jewish race!

Please don't call 'dtan'. He'll most likely tell the world, "Hey fellas, yeah Mr. Hanan called me!"

Even his willingness to be your donkey and which is symbolised by the initial 'd' before his surname 'Tan' will not suffice and very insignificant in comparison to the huge liabilities he continually created to the jews!!

Tun izinkan saya menjawab Middleages dan mereka-mereka yang sekono dengannya..

..Yang menghairankan ialah bahawa jikalau seorang anak kecil menerangkan kepada engkau bahawa di dalam kain engkau ada kala jengking nescaya engkau lemparkan kain itu dengan seketika tanpa meminta akan anak kecil itu dalil dan keterangan.Maka adakah ucapan nabi-nabi,ulama-ulama,hukama-hukama dan wali-wali umumnya begitu sedikit kesannya pada engkau dari perkataan seorang anak kecil yang termasuk dalam jumlah orang-orang bodoh? Adakah panasnya neraka Jahannam,rantai-rantainya,belunggu-belenggunya,buah kayu zaqumnya,lalat-lalatnya,air nanahnya,racun-racunnya,ular-ularnya dan kalajengking-kalajengkingnya yang tidak engkau rasakan kepedihannya selain sehari atau kurang daripadanya?Tidaklah ini perbuatan orang-orang yang berakal bahkan jika tersingkaplah keadaan engkau kepada binatang hewan nescaya dia tertawa dari hal engkau dan dia hinakan akan akal engkau... Salam,

Tun yang dihormati,

pembaca sekalian,

Let us take off our shoes as the victim here...

and put on the shoes of zionist...

Well for starter ...

Zionist profile = Powerful, united, selfish, arrogant

Zionist no 1 enemy = Muslim

Zionist no 1 power = money

Zionist no 1 big brother = US

Zionist no 1 aim = to live in this world everlasting

Zionist no 1 fear = as stated in the al-Quran – to be destroyed by Muslim

So with all the power I have and the hatred to Muslim... why not I destroyed the Muslim before they destroyed me... I believe in al-Quran more than the Muslim themselves. ... hahahahaha

I hate I hate I hate

Kill them destroy them coz I hate them

Never never never leave even 1 soul of muslim

HAHAHHAAAAHHAAAAHHAAAAH

Hmm scary ehhhh
Well that is the truth

Muslim is powerless and not united
Its the facts

But at the end we are as beliver BELIEVE al_Quran
We will DESTROYED the Zionist eventually....

11. We had sympathized with the victims of the Holocaust. That sympathy was wasted and misplaced.

Dear Tun,

your comments from 1. to 10. on this subject are to be well taken – one can sympathize with this view of yours.

But comment 11. as reproduced above is totally disgraceful and it disappoints.

You are not a person not be sympathetic to the descendants of more than six million people killed by a ruthless regime as were the Nazis – you are now sympathizing with the grieve of the parents of one girl who was killed by a dull dozer, whether accidentally or not, so you value each and every life.

One life is as worthy as six million and visa versa.

An equation is not justified here. Unfortunately your comment makes it appear as though. Was it not a remark that was just maybe one note to rough? To be labeled and anti-Semitic is nothing to be proud of as the World Wide Respected Elder Statesman who you are.

Salam, Tun!

lynas issue: Experience or scientific prove?

1. walaupun sisa rare earth yang belum diaktif radiasi-nya berdasarkan penjelasan scientific tidak berbahaya terhadap kesihatan.
 2. mungkin scientific belum lagi membuktikan ianya membahaya tetapi cuba lihatlah tempat yang sudah memproses rare earth..
Apakah yang terjadi kepada persekitaran? cuba lihat negara China.
 3. berdasarkan pengalaman, boleh dapat tahu kesan pun.. walaupun tiada kajian scientific.
 4. dunia ini, kalau tiada keuntungan, jarang ada penerokaan, masing masing mempunyai manfaat, baru kajian lebih mendalam dibuat.
 5. cuba ambil product collagen atau botox, sebagai contoh, cuba buat selidik, jarang ada article mengenai kesan negative nya.
 6. disebabkan tiada manfaat dan mengugat keuntungan, mereka cuba menyimpan atau menyerok kesan penggunaan nya.
 7. cuba ambil lagi contoh susu enfagrow, nutrisi yang dipamerkan adalah nutrisi biasa tetapi menjual pada profit yang sangat lumayan.
 8. hujah nya pula mengatakan ia menyambung sel otak bayi. adakah benar? cuba fikir, siapa yang akan membuka otak bayi mengkaji sel penyambungan? tiada.
 9. is sejenis selling point... tiada nutrisi yang istimewa.
 10. disebabkan motive keuntungan.

Dear Tun,

Please allow me to quote you comparing the Chinese people and the Jews

//4. Even the Chinese Communist soldier stopped his tank when, in Tiananmen Square, a young man stood in the way of his vehicle. The view from the tank must be less clear. But the Israeli was driving a bulldozer which is designed to enable the driver to see clearly what is in front of him.

5. If he ran over the girl, it must be deliberate; it must be because he wanted to kill the girl.//

//11. We had sympathised with the victims of the Holocaust. That sympathy was wasted and misplaced.//

Firstly the Chinese people are compassionate and caring. The battle tank the Chinese soldier was driving was a lethal weapon whereas the bulldozer driven by the Israeli soldier was a construction instrument. It clearly shows the Jews harbour hatred and the Chinese displayed kindness and compassion against another fellow human being.

2. The Chinese are the most populous in the world, 1.5 billions, a quarter of humanity. Generally they adept and assimilate and blend into local politics and culture. Whereas, the Jews has only 6 millions world wide, calculative, miserly, cold hearted and naturally disliked by the British and persecuted by Hitler to almost extinction. All my life, I have never personally known a Jew before. But by and large, that is my general perception of the Jews. Now the Jews are said to have controlled the purse string or finances of America. Barack Obama and the only super power in the world is at the behest of the wealthy Jews. That is why now the Jews are arrogant and bullies.

Salam Tun.

An amendment to my earlier entry (15/09/2012 @9:30am), the word 'suhakam' to change to 'suaram'. Sorry about the error.

Thus the full sentence should read as, " Why is Soros openly and very determined help finance suaram?"

Suaram, the vehicle being used by the perpetrators who are bent on undermining our beloved country to the wishes of Soros and his jewish types.

Elizabeth Wong, the naked queen of Malaysian politic who was given the full blessing by tok guru(?) Nik Aziz and by Anwar (as expected), will feel most secure to be with suaram knowing her x-rated files (just like Anwar's) will be safely kept away by mossad.

Suaram, the non-Malay controlled think-tank that only took in Malays that can guarantee to behave as their puppets to hide their true intention.

Assalamualaikum Tun,

Your article is really new news to me. I like to read online news and till this day there has not been any mention about this Israel court judgement on the killing of Rachel Corrie.

On the other hand if a Malaysian opposition leader was charged in court, the international media would quickly publish such news as a conspiracy by the Malaysian government to punish the said opposition leader.

It goes to show the international media have their own agenda and very bias in what they report. Clearly the international media is controlled by "them".

The killing of Rachel Corrie clearly shows the suffering of the caused by Israel is not only confined to Muslims but to non-Muslims as well. Therefore, all those against Israel injustice, irrespective if they are Muslims or non-Muslims should be united against the tyranny of the Israel regime.

We must not give up hope and continue to fight this worthy cause to help the Palestinians.

Selamat Hari Malaysia Tun.

Tak Melayu hilang di dunia.
Tak mustahil Melayu hilang di dunia, jika Melayu beri mandat pada Anwar Ibrahim untuk menerajui kerajaan Malaysia.
Cukup lah kehilangan singapura.
Cukup lah kehilangan pulau Batu Putih.
Tapi kalau Anwar memegang Putra Jaya, tak mustahil nanti satu persatu negeri2 Melayu di beri pada kuasa asing.
Hati hati lah wahai rakyat Malaysia yang cintakan negara apabila mengundi pada PRU 13.

Sudah terbukti si yahudi ada memberi bantuan pada pihak2 tertentu di Malaysia.
Ini di lakukan semata mata untuk menghancurkan Malaysia.
Ini bukan main2 , tapi betul2 boleh berlaku.
Yahudi sudah bertapak di nusantara lebih dari sedekad.
Kehadiran mereka bukan hanya untuk berniaga saja, lebih dari itu.

Tun,
Maybe the driver being a jew could not see the American girl because she is not a jew?Or maybe it is because the bulldozer driver thought that being god chosen people that have god blessing, so it okay to deliberately run over others even if it is their own allies citizens.
I also believe the israeli judge that made the judgement could not imagined the American girl at that scene because she is not a jew.
To the israeli judge, no one will dares to challenge his judgement because as god chosen people, israelis is always right.
And he and the israeli regime have the jewish votes in US even if the victim is an American girl.
The israelis struggle are more important than the life of a single American girl.
Even the US presidential nominee needs isrealis blessing if he/she want to win as the US president.
So please be carefull non isreali citizens and those who are not jews.Dont you dare to stop an isreali bulldozer driver from doing his job demolishing the poor palestinians house.
You must wear the symbols of the star of David's on your shirt before you stop an isreali bulldozer otherwise the driver could not see you and run you down.

Tun,

Here we go again round 2. I agree on the matter that her parents did not get closure as to what they were expecting from Israeli Justice. The world is not fair. It wasn't fair for Rachel Corrie, it wasn't fair to Teoh Beng Hock, it wasn't fair to Einat Haran.

Who is Einat Haran you may ask? Well, Einat Haran was the 4 year old Israeli girl whose head was bashed in on a rock by Samir Kuntar. You know Tun, the one thing I noticed when I was in Israel. It was the deep-deep love Israeli's have for their little ones. They hold them in their hearts like little treasures. Perhaps, its because they're out numbered by people who supernaturally hate them.

I empathize for Rachel, sympathize for Beng Hock and Einat. Your sympathies lie only with those you share common cause with. If Rachel Corrie was one of the US Embassy Staff in Libya who was murdered and body defiled. Well, they deserved it per Surah 5:33

Do you really sympathize with those who suffered in the Holocaust ?
You said 'The Europeans killed 6 million Jews out of 12 million. But today the Jews rule this world by proxy. They get others to fight and die for them.' It seems to imply that the Jews did not learn their lesson. Hitler thought them a lesson they did not learn. They somehow manipulate others to do evil for them.

Salam Tun,

1. Islam has been abused to a very high degree, and has been made a religion to impose and oppress other peoples and other religions. This is definitely wrong.

2. Adding insult to the religion, children was and is still being used for propaganda and skewed opinions. I do not know how old Rachel Corrie was, but shouldn't children be at school playing with friend rather than stopping bulldozers ?

3. Recent disturbances in the Islamic World shows how misguided muslims are. Here is a picture from Hyde Park, Sydney of a perhaps two year old asking for beheading those who insult the Prophet.

4. Is this what the Islamic World demands ?

http://richarddawkins.net/news_articles/2012/9/15/behead-them#.UFTFW64suVp

5. It is time for a total revamp of the entire Islam Religion and World, so that this sick brainwashing and extreme worshipping of a sick God is kept to a sane level, and hopefully eliminated, for the sake of us all.

6. We have a situation in Malaysia where children are taught blindly religious fanaticism and forced to follow (wear tudung, say certain words, belief in certain things without proof), and this sick ideology is being propagated in schools and all academic institutions, under the name of "official religion".

7. If nothing is being done NOW, our children and grandchildren will be at each others throats, in the name of God. And they will think they are righteous, and that they will go to heaven.

Over to you Tun.

Salam sekali lagi Tun dan rakan2 bloggers,

Perbuatan hakim mahkamah, penguatkuasa dan individu Yahudi yang membunuh Rachel adalah sesuatu yang dijangkakan...semuanya termaktub di dalam protokol Zionis.

THE PROTOCOLS OF THE ELDERS OF ZION a.k.a THE PROTOCOLS OF THE MEETINGS OF THE LEARNED ELDERS OF ZION

Zionis dan penyokong mereka mengatakan protokol2 ini suatu pembohongan oleh kumpulan 'anti-semitic' (hehe Tun pun terlibat ka?), sengaja memfitnah Yahudi/Zionis yang menuduh ketua2 Yahudi/Zionis bermesyuarat dan protokol merupakan 'sumpah' mereka untuk mendominasi dunia. Soalan 'bocor' iaitu protokol2 ini katanya berdasarkan minit mesyuarat ketua2 Yahudi nun semasa kurun ke 19. Zionis kata protocol adalah dusta.

Dusta? Cuba baca rumusan2 protokol di bawah dan cuba ingat semula apa yang berlaku di dunia, termasuklah Malaysia, suatu kebetulan atau kenyataan?

p.s Penjelasan adalah bersandarkan rumusan daripada

<http://www.iamthewitness.com/books/Protocols.of.Zion/index.htm> Terdapat pernyataan2 daripada protokol2 itu di laman web yang sama.

Rumusan besar protokol;

Goyim (non-jews, termasuklah kita semua di Malaysia)are mentally inferior to Jews and can't run their nations properly. For their sake and ours, we need to abolish their governments and replace them with a single government. This will take a long time and involve much bloodshed, but it's for a good cause. Here's what we'll need to do (ini semua termaktub dalam 24 protokol2 itu):

- Place our agents and helpers everywhere; ADA DI MALAYSIA KAN?
- Take control of the media and use it in propaganda for our plans; PERNAH SUATU KETIKA SALAH SEBUAH SURAT KHABAR KITA BERKIBLATKAN SINGAPURA DAN JIKA DIBIARKAN AKAN MENJADI MEDIA YAHUDI...NASIB BAIK TIDAK SERIUS LAGI. TAPI MEDIA PR SUDAH ADA UNSUR PROPAGANDA UNTUK YAHUDI/ZIONIS
- Start fights between different races, classes and religions; SUDAH ADA DI MALAYSIA KAN?
- Use bribery, threats and blackmail to get our way; PUN SUDAH ADA...
- Use Freemasonic Lodges to attract potential public officials; PUN SUDAH ADA...
- Appeal to successful people's egos; TIDAK DAPAT DINAFIKAN SUDAH BERLAKU
- Appoint puppet leaders who can be controlled by blackmail; AGAKNYA ITU SEBABNYA ADA VIDEO (TENGAH BUAT KERJA TIDAK BERMORAL), SENANG DIGUNAKAN UNTUK UGUT DI BELAKANG HARI. JIKA DATO ESKAY KATA BUKAN KAMERA VIDEONYA DAN WIKILEAKS MENCERITAKAN TENTANG 'ANWAR WALKED INTO THE TRAP...' MAKA, KAMERA SIAPA YA? SINGAPURA? ISRAEL?
- Replace royal rule with socialist rule, then communism, then despotism; TERDAPAT NIAT PR MAHU JADIKAN MALAYSIA SEBUAH REPUBLIK. MASIH INGAT BAGAIMANA PEMIMPIN MENGAJAR SUPAYA TIDAK MENGHORMATI RAJA2?
- Abolish all rights and freedoms, except the right of force by us; HAK DAN KEBEBASAN MENGIKUT DEFINISI MEREKA – BERTENTANGAN DENGAN HAK DAN KEBEBASAN YANG DIANJURKAN AGAMA, YANG LEBIH BERKESAN. PR MENGATA BN MELANGGAR HAK DAN KEBEBASAN TETAPI

JELAS DARI SEGI PERBUATAN, PR JELAS MELANGGAR HAK DAN KEBEBASAN MANUSIA.

Salam Tun,

An advanced society is not one with high rise buildings and super modern conveniences. An advanced society is a close nit society with mutual respect and aiming for high and good values in life.

It is non judgemental, and non discriminatory, with a strong bias towards Human Progress and Science, not plagued with religious bias and dogma.

We need a new Malaysian government who can reflect these advanced values without fear of losing popularity and votes.

Thank You Tun

Dear CHEDET,
Salam Hari Malaysia

We know what the Middle-East means to you; and the plight of the Palestinians.

But the kepala crook, head of stick says, "You can't even handle PAS and Patani here – don't dream of helping the Palestinians without the Chinese"

Salam Takzim.

The untimely and brutal death of a young unarmed person, Rachel Corrie, is completely unwarranted. She was a peace activist and the general Western media hardly made a squeak until my attention was drawn to the brave souls manning the MV Rachel Corrie organised by the Perdana Foundatin not too many months ago.

The killings in the land known as Palestine under the British Mandate have been occurring non-stop since the British quickly de-camped in 1947 leaving the unarmed and unprotected Palestinians at the mercy of the Israelis who arose out of the ashes of the Second World War, armed to the teeth.

Thanks to our Royal Sultans and UMNO and other Malay figures. Malaya nearly ended up in such a similar situation as well if not for her strategic geographical location and natural resources and her inhabitants.

The recognition of the Israeli court which was of indeterminate origin, of the statement by the Israeli soldier tractor driver was to be expected given the inclination of such courts to be blindsided in favour of the ruling clique.

Even in our neighbourhood we have such laconic scenes staged managed by perfunctory judges who were willing to please their superiors ad infinitum. And some even admitted that such acts gnawed their conscience 26 years later ! And this is from the land of meritocracy ! And in such courts, the unfortunate became the fortunate sometimes. As the saying goes ' To err is human, to forgive is divine !

I do not know whether to laugh or cry !

Vide. Admiral Canaris was demeaned and stripped naked by Hitler's Judiciary and later hung naked with piano wires. The Australian and German drug mules. And now Tan Koon Suan...etc.

If Israel had been fair and reasonable, she should have acceded to an Independent Legal Tribunal to review this brutal murder. But then Israel could not as she is on a war footing against those who are plotting her downfall and destruction and such deaths are a common occurrence daily in this land formerly known as Palestine and also known as Palestine to those who want their dispossessed possessions back.

This ding-dong between the haves and the have-nots have been going on since 1947, some 65 years ago. And this death and destruction will continue on and on as long as oil is a vital component to life's very own survival in the industrialised West.

The British (perfidious Albion ?) masterfully passed the buck to the United States when they abdicated their Mandate powers in a hurry.

And this is not a beautiful hindsight ! The uncalled for death of Rachel Corrie and all the other innocents.

Vote BN always all Malaysians especially the Malaysian Chinese. Go with the flow !

Salam Tun.

Why are the jews continuously behaving so unbecoming?

Why Americans/Europeans have become ignorant lots and very tolerable to all obvious misdeeds carried out by the jews?

Why is Soros openly and very determined help finance suhakam?

Why is Suk Kyi the favourite of the jews?

Why are the jews trying hard to topple Putin?

Why are the Arab Sheikdoms & kingdoms trembling to hurriedly obey every instruction from the jews?

Now even Italy, France and the Germans have to listen to the jews.

Did the jews taught/instruct that kuan yew to become greedy?

Why the Nazis did not exterminate more of the jews?

When will Hitler 2.00 appear?

Why is 'dtan' ever-willing to be Hanan's errant boy?

Why is 'dtan' trying hard to do the impossible, i.e. to convert/become a jew himself?

Did 'dtan' realise that China and the jews are becoming closer to the biggest economic fight the world ever witness?

Salam YAB Tun dan rakan2 bloggers,

Kesimpulan yang boleh dibuat daripada insiden ini adalah;

1. Zionis bersatu untuk mencapai matlamat mereka; dari rakyat biasa sehinggalah (tengah2 macam pihak judisiari, penguatkuasa, dll) pemimpin mereka. Walaupun ada juga rakyat Israel yang membantah tindakan jahat dan kejam mereka...tetapi ini bukan golongan zionis dan mereka tidak ada kuasa. Banyak keputusan mahkamah memihak kerajaan...macam di Singapura kan?

2. Tidak ada kuasa besar seperti Amerika Syarikat berani menegur atau membantah, sebagaimana negara AS masuk campur hal dalaman negara kita – ada saksi yang nampak dan dengar beberapa senator AS memberi ‘tekanan’ kepada Dato Sri Najib tentang anwar, tetapi mengikut saksi, PM kita selamba saja mengatakan kena patuhi prosedur mahkamah, hormati sistem keadilan dan terpulang kepada mahkamah untuk mencapai keputusan. Kata saksi, kalau PM kita sudah di ‘kuasai’ AS, sudah tentu PM kita akan akur saja.

Akhirnya mahkamah melepaskan anwar...jelaslah PM kita tidak menyalahguna mahkamah...mahkamah kita bebas (sudah banyak kes yang pembangkang menang, betul?) dan tidak seperti mahkamah zionis atau mahkamah Singapura yang sering bagi LKY dan kerajaan menang, sampai pihak pembangkang ramai sudah dibankrapkan!

3. Istilah ‘anti-semitic’ adalah untuk mewujudkan undang2 bagi melindungi zionis daripada ditegur, dikritik, dikomen, dipersalahkan, dll. Walaupun Tun bercakap yang benar, mengutuk kekejaman, kejahatan zionis, memang ada fakta dan bukti, namun Tun dilabelkan ‘anti-semitic’, hanya supaya Tun tutup mulut. Terima kasih Tun, kerana tahu akibat tetapi tetap memperkatakan yang benar...Tun ingat balasan di akhirat, tetapi zionis dan penyokong mereka ingat tidak ada balasan Allah s.w.t. Alhamdulillah Tun rasa bangga digelar ‘tokoh dalam 10 orang tahun 2010’ yang dilabel ‘anti-semitic’...inilah pendirian orang yang beriman – berani kerana benar. Mereka yang hipokrit, pengkhianat, iblis tidak akan berani melawan zionis.

4. Orang seperti anwar yang ada pengikut (malang bagi kamu semua...) akan berperangai seperti golongan zionis ini. Sejak daripada kes anwar suruh polis ‘gempaq’ orang, arahkan supaya penyokong PAS (guru-guru) ditukarkan ke Sabah dan Sarawak dalam masa 24 jam (semasa dia menjadi menteri pelajaran dulu), bersubahat dengan soros, IMF, menyatakan sokongan tentang keselamatan Israel, dll, sudah nampak sikap dan perangainya yang menepati banyak daripada protokol-protokol zionis. Anwar nampaknya memenuhi kriteria pemimpin ala zionis. Tidak mustahil arah negara berkiblatkan Israel jika anwar menjadi PM.

Accident is true. But the motivation of the soldier is unwholesome. Judge decision is also unwholesome as the judge follows the Government motivation. Increasing unwholesome energy is covering Israel. Israel have allowed demons into their heart, hence they are all blinded and rationalise their action as the right one or it is an accident. How convenient!

Dear Dr. Mahathir,

Everything you said is true. Sadly there will be no justice if we, the people of the world, through our governments, do not demand a timely change to the the body that is the United Nations. It is certainly not democratic when 5 nations can hold the world to ransom with its veto powers. The USA has been protecting and condoning the injustices done by it's master, Israel, for the longest time. The world has failed to effect a just policy on Israel due to the incessants vetoes of its lone poodle, USA, who is certainly quick to condemn others. As in a democracy, let the votes of the majority rule. Let have a UN spring.

My cousin as a Senior Broadcaster in Singapore, Daud Yusof has taken an initiative to produce a special documentary (which all of us could easily watch it thru Youtube by typing "DIARI PENERBIT") on Palestinian-Israeli conflict. He manage to go there an interviewed some a Palestinian family and also a Jews Orthodox Rabbi to get a both side perspectives. Surprisingly the Rabbi actually believe that someday (sooner or later) the Moslem will defeat them and it's was supported by the various Islamic scholar's view and some provocative declaration made by Muslim leaders. They even believe some verses of Al Quran that condemning the Jews and prophesying the fall of the Jews by the hands of Muslim. That's why they never stop attacking Muslim even at a very small scale like what they do in Palestine. Their lands are full with cowards and that's why they will announce the Jewish who manage to kill a Muslim as their hero. How come they will ever punish the killer of Rachel Corrie? Our hands are tied as long as we think that they will obey the law like what we do. There is no law. They just mock the justice and they know the world could never do anything about it. They are now at the peak of the world. The King of the world doesn't subject to any kind of laws and restrictions like the others. They will always get what they want and they keep pressuring the world for it. Someday, the world will realize and starts asking "why?" .. zulhairifetani.blogspot.com
