

**The Internal Security Act**  
**Chedet.co.cc**  
**February 22, 2013**  
**By Tun Dr. Mahathir Mohamad**

1. We have now abolished the ISA on the grounds that it is not right to detain a person without trial. This is an injustice and a violation of human rights.

2. The opposition is particularly strong on this issue. They are very concerned that we respect human rights and principles of justice. They believe that we should accept the liberal views of the great western civilisations particularly the United States of America.

3. In war of course you can kill anyone you designate as the enemy. The war against terrorism which many countries led by the US is fighting is not a war against any country. It is a war against terrorists.

4. But who are the terrorists. Generally in the eyes of the US they are the Muslims, but specifically the Al Qaeda, led initially by Osama bin Laden. Who determined who is a member of the Al Qaeda? Not Al Qaeda but the CIA and the US Government.

5. If the US says a person is an Al Qaeda terrorist then no one should dispute this identification. The US Government categorisation cannot be questioned in a court of law.

6. Once the US classifies the person to be a terrorist, then he is the enemy and he can be considered as an imminent threat to the US. He is considered as planning to kill Americans. As an imminent threat it is justified to kill him.

7. According to the US the person need not be told of his classification as a terrorist. He need not be charged in a court of law. He can be taken out i.e. executed by the agents of the US.

8. And so today, even as the US condemns detention without trial, it executes just about anyone without trial. It considers executing individuals who do not even know they are classified as terrorist or that they constitute imminent threats to the US as right and proper. The US Government need not explain why the person is a terrorist and what kind of imminent threat he poses the US.

9. In 2011 an American citizen of Yemeni origin was killed with weapons mounted on a drone flying in Yemeni airspace. Many other US citizens have

been similarly assassinated using drones. Of course there are any number of foreign citizens who have been assassinated in foreign countries without trial.

10. The Governments of these countries may or may not be informed. Their permission is not needed. They may be deemed unable or unwilling to kill the designated terrorists. Then the US has the right to violate their air space, their sovereignty and send their drones or unmanned aerial vehicles to kill the person concerned. In the process other people, innocent people, will also be killed. That's too bad. They are collaterals.

11. I wonder what Malaysians who object to detention without trial think of execution without trial. So far, they have not commented on this issue.

12. Maybe they think killing without trial is not as bad as detention without trial. Maybe this is what they would do if they govern this country.

13. I wonder.

The US drone is terrorizing the Middle East and Central Asia region. Many innocent people have been killed by this brutal attack.

Many innocent people have been detained in a lengthy period of time without trial.

The US can do everything without being questioned. And this is what we call 'democracy'.

Peace!

1. DETENTION WITHOUT TRIAL IS A FORM OF PERSECUTION. It persecute the detainee, the detainee's wife, the detainee's children, the detainee's family.

If a detainee is being detained for two years, his children grow up without a father for two years. His wife lived without a husband for two years. As such, it is UNFAIR TO HIS WIFE AND HIS CHILDREN TO BE "PUNISHED" merely because the detainee is just A SUSPECT, NOT A CRIMINAL.

2. PERSECUTION IS WORST THAN MURDER.

The Quran, Surah Al Baqarah, 190-194 – "Fight in the case of Allah those who fight you, but do not do aggression, for Allah loves not the aggressor. Fight in the way of Allah against those who fight against you, but begin not hostilities. Lo! Allah loveth not aggressors. And slay them whenever ye find them, and drive them out of the places whence they drove you out, for PERSECUTION IS WORST THAN SLAUGHTER. And fight not with them at the inviolable Place of Worship until they first attack you there, but if they attack you (there) then slay them. Such is the reward of disbelievers. But if they

desist, then lo! Allah is Forgiving, Merciful. And fight them until persecution is no more, and religion is for Allah. But if they desist, then let there be no hostility except against wrongdoers.”

3. We have to be just to all people, even to the bad ones. We should CHARGE THE DETAINEE(S) IN COURT, not lock him/her/them up without any trial.

[5: 42] THEY ARE UPHOLDERS OF LIES, AND EATERS OF ILLICIT EARNINGS. If they come to you to judge among them, you may judge among them, or you may disregard them. If you choose to disregard them, they cannot harm you in the least. But IF YOU JUDGE AMONG THEM, YOU SHALL JUDGE EQUITABLY. GOD loves those who are equitable.

4. I HEREBY CONDEMN ALL ACT OF INJUSTICE AND PERSECUTION, BE IT KILLING WITHOUT TRIAL, OR KILLING WITHOUT A JUST TRIAL, OR DETENTION WITHOUT TRIAL OR DETENTION WITHOUT A JUST TRIAL.

5. I HEREBY CONDEMN ALL THE PARTIES WHO PRACTICE INJUSTICE AND PERSECUTION, be them the United State Government, Singaporean Government, Malaysian Government or Kelantan Government.

6. I HEREBY DECLARE THAT NO PARTY HAS THE RIGHT TO DETAIN ME WITHOUT ANY TRIAL. ANY DETENTION ON ME WITHOUT TRIAL IS AN ACT OF PERSECUTION.

Regards.

ISA dah takde tapi jangan tulis macam macam yang mengganggu ketenteraman awam.

Dengar kata Anwar Ibrahim pesan rambut palsu dari India masa dulu. Kerana takut pada Dr Mahathir Mohamad tulis akhbar lagi.

Rupa-rupanya Anwar menyamar jugak ye bila keluar malam-malam.

Of course saya jugak menyamar kat luar sini. Tapi bila Tan Sri Muhyiddin Yassin turun ke tempat saya, penyamaran saya taklah sehebat mana bila unit pengesan bahan asing datang bertanya saya “berapa ramai orang hari ni?”

Officer bertugas yang lain pulak tanya “kerja kat sini ke? Kat mana surau?”

Entah-entah saya diperhatikan dari jarak jauh.

I wonder.

Bab ni saya pun nak tahu jugak. Tapi tak tahu-tahu. Nak tahu lebih lebih pun tak dapat jugak sebab saya bukan kerja kat Jabatan Perdana Menteri.

Tapi kalau kerja kat sana pun tak dapat tahu jugak sebab RAHSIA.

Kalau detention dalam blog dapatlah saya ceritakan bahawa memang terdapat detention dalam jiwa. Seumpama dikurung di dalam sebuah bilik. Ibarat duduk dalam gua. Tak bercampur dengan orang.

Kerana detention tersebut, maka baliklah saya ke kampung berjumpa dengan nenek. Saya beritahu kot kot saya tenggelam dalam lautan yang dalam sorang sorang. Boleh mati apa. Gila pun boleh jadi.

Maka nenek saya pun berkata "kalau mung tenggelam sape nak tolong?"

Tiada orang boleh jawab persoalan ini kecuali Kementerian Dalam Negeri.

Killing without trial, seperti yang Tun sebut tu, sudah pun berlaku di negara kita, cuma ianya tidak dijadikan satu akta yang rasmi seperti USA PATRIOT Act.

Satu kes contoh, ialah pembunuhan model Mongolia oleh anggota polis, yang sehingga kini menjadi duri dalam daging yang meracun fikiran rakyat tentang integriti pasukan keselamatan.

Salah seorang mereka bahkan mengaku pernah membunuh sebelum itu – entahlah samada atas kapasiti rasmi atau peribadi maka pembunuhan tersebut dilaksanakan.

Mungkin Tun atau rakan-rakan di sini boleh beri sedikit pencerahan?

Salam Tun,

Izinkan saya bicara dengan MsEmma49 petikannya di bawaah,

Saya dapati Puan seorang yang matang, waras dan bijaksana. Sekiranya pengundi2 terpedaya dengan fitnah2, putar belit dan tipu daya pembangkang, Malaysia akan diperintah oleh mereka2 yang busuk hati, penipu dan kaki fitnah. Pemimpin2 Pakatan Rakyat terdiri daripada puak2 Cina kapir komunis DAP, Ulamak2 palsu yang sanggup menggadai agama dan bangsa kepada Kapal Singh dan penderhaka agen yahudi dari PKR. Sampai hati orang2 Melayu yang beragama islam bergelar Ustaz Nik Aziz dan Ustaz Azhar mengatakan sesiapa yang meenerima rm500 BR1M ibaratkan BINATANG.. BR1M ialah wang bantuan untuk rakyat Malaysia yang miskin yang diluluskan di parliament secara sah dan saksama. Ustaz2 pakatan Rakyat ini semua jahat dan busuk hati, tidak ikhlas, bersubahat dengan kafir komunis, semata2 gila kuasa ingin menjadi menteri.

Just imagine, what will happen if people like Anwar Ibrahim gets to rule Malaysia. Democracy will surely die in this country.

Anwar Ibrahim was found guilty of abusing power when he was Deputy Prime Minister by ordering the police SWAT to intimidate Hafilda into withdrawing the letter she wrote to Tun about his homosexual, including the infidelity with her sister in-law.

There are talks, when he was DPM & Finance Minister, he had bank accounts, amounting billions, in Singapore's Bank. Some say these bank's vaults are full with RM500 & RM1000 notes, which was declared 'not legal tender' by Tun, during the 1998 economic crisis.

Bank Negara sources say Singapore banks have been in touch to inquire about what to do with the billions of ringgit stashed in Singapore in these two denominations, Bank Negara said, "No problem, just ask the accounts holder to get in touch". After about 15 years, no body comes forward. So don't be surprise, if these denominations become legal tender again, if Pakatan rules.

Gopal Raj Kumar (GRK) have another insight, about this traitor, though.  
<http://takemon.wordpress.com/2013/02/22/anwar-to-step-down/>

GRK's articles seems credible enough. His blog is known to have reported about the Gold scam, Innova something, about 3 years ago, but nobody takes heed.

Suatu ketika dulu Anwar juga pernah mengemis simpati dari Tun supaya tidak digugurkan jawatan TPM, setelah Tun tahu tentang aktiviti songsang Anwar meliwat dan juga berzina dengan isteri rakannya sendiri. Bukan sekali dua Anwar menangis-nangis menghantar Ibrahim Ali sebagai wakilnya untuk pujuk Tun. Namun, Allah Maha Mengetahui telah memberi hidayah kepada Tun. Maka di atas prinsip agama dan moral, bukan atas sebab politik, Tun

tetap dengan pendirian beliau tidak melayan lakonan drama keling dan airmata buaya Anwar.

Kita bersyukur kepada Allah, melalui Tun negara kita diselamatkan dari kezaliman seorang peliwat, penzina dan penipu besar, yang berlagak warak tapi sebenarnya haprak.

Setelah peristiwa itu, sejarah dan sandiwara politik Anwar beralih arah mencari pentas di arena antarabangsa, dengan melobi simpati Zionis di US dan serata dunia, mengumpul dana dari pelbagai yayasan gelap seperti FFF, Open Society, dll. Apa yang Anwar lakukan, melalui lambakan dana, ialah mengumpul kekuatan jaringan berita melalui media kafir di internet termasuk portal fitnah Malaysiakini – lagipun, kita tahu media kafir amat gemar kepada berita sensasi, kontroversi, perversi, terutamanya kalau ia meliwbat negara Islam yang menentang cita-cita Zionis.

Anwar, di tahap terbaiknya, adalah pelacur politik yang dibela oleh Soros, Murdoch dan konco-konconya. Semua mereka ini boleh menonggang dan mengguna Anwar pada bila-bila masa yang mereka suka, kerana media yang dikawal orang tersebut akan memberi gambaran yang hebat setiap kali pelacur ini membuat persembahannya di fasada antarabangsa.

Bukan setakat itu saja, malahan pelacur tua ini juga mendapat protection, perlindungan eksklusif bila dibekalkan dengan sekumpulan bodyguard profesional yang terlatih dengan CIA.

Salam Tun,

Saya harap BN akan menang with big majority in PRU13... Antara perubahan penting dalam arena politik negara saya bilang ialah quality pemimpin calon2 itu sendiri, seperti PAS kebanyakan pemimpin tak berpendidikan dan golongan artis, pemimpin BN kebanyakan adalah businessman yang berjaya, jadi kekayaan digunakan untuk "moving forward" in party, disitu terdapat pelbagai political game yang jika tak dikawal lebih memburukkan party, DAP kebanyakan "old faces" with "old ideas", tiada idea baru yang boleh dijual... Pakatan pula... masih dibawah "bayang"2 Anwar Ibrahim yang akhirnya terjelepek di tanah.... politik perlu lah berdasarkan keikhlasan untuk membantu rakyat semata-mata bukan untuk kepentingan mana-mana individu.. di situ barulah rakyat UNTUNG BESAR.... barulah lahir pelbagai ideas untuk memperbaiki taraf hidup... merancang arah dan kemajuan negara... bukan hati yang dibutakan oleh kuasa, tamak, kekayaan individu, sifat menjatuhkan sesama pemimpin...

BN sebagai sebuah party memang berkaliber untuk terus memacu kejayaan negara, tetapi oleh kerana sifat tamak sesetengah pemimpin yang merasakan mereka lebih besar dari party itu sendiri yang agak mencatkan.

Jadi saya cadangkan satu transformasi untuk memastikan suara ahli bawahan dapat terus dominan dalam barisan nasional... pemimpin yang didapati rasuah without favor perlulah dihukum tanpa mendapat apa apa talian hayat... budaya memberi jawatan sebagai balas budi juga perlulah dihentikan... berilah dalam bentuk rewards lain.. tak perlu bagi jawatan senator kepada personaliti yang "entah apa apa" atau seperti Abdullah Badawi sebagai advisor MAS yang saya tak nampak sumbangannya.... sebagai generasi muda saya memang terkejut dengan budaya ini... saya kira adalah menjadi tanggungjawab seluruh rakyat Malaysia untuk membebaskan diri dari cengkaman budaya budaya yang merosakkan generasi dan masyarakat kita. Di peringkat negara pula, suara rakyat perlulah lebih dominan dari suara2 pemimpin itu sendiri kerana rakyat intipati kewujudan kerajaan. Jadi saluran untuk rakyat melahirkan rasa susah senang sentiasa mendapat perhatian pemimpin kita.

Ketaksubanan kepada pelbagai bentuk gelaran untuk mendapatkan pelbagai kemudahan juga satu budaya yang merosakan, dalam case MAS, saya dengar ramai VVIP yang guna business class tapi liat membayar, adakah begitu perangai orang kaya? tidak berkemampuan membayar perkhidmatan? saya juga tidak setuju dengan segala "bail out" untuk menyelamatkan MAS, kerana duit rakyat digunakan tetapi manalah rakyat mampu menaiki 5-star airlines seperti MAS, jika "bail out" untuk perkhidmatan Airasia masih boleh diterima sebab memang itulah yang rakyat mampu dan memang memajukan industri perlancongan tempatan yang memberi direct impact to rakyat jelata. Atau jika Airasia banyak tipu muslihat, mungkin boleh diwujudkan budget airlines yang lebih jujur dalam perniagaan. LOGIKnya, jika tak mampu memiliki 5-star airlines... down grade sahaja ke budget class kan?... or VVIP kita tanak naik budget airlines?

Pokoknya segala jenis budaya yang diketahui merosakkan, tidak kiralah melibatkan pemimpin kerajaan, pemimpin pembangkang, hatta melibatkan golongan diraja sekalipun , perlulah ditangani dan diubah kepada budaya yang lebih progresif, untuk kebaikkkan generasi dan masyarakat kita juga.

Itu sahaja untuk kali ini...

Terima Kasih Tun...

To execute enemies of the Zionist Jews is not something new to the US govt.

In fact it was believed that General Patton, who was not friendly to the Jews was quickly silenced by a convenient "accident" which took his life in December 1945. This is what they have to say about Patton, to justify the execution - 'We've got a terrible situation with this great patriot, he's out of control and we must save him from himself'.

It is possible that their target list as per Patriot Act includes Tun, in which case Tun will die and then live forever as a martyr.

They may not need to fly a drone to Sri Kembangan, it would be too obvious, because there are hundreds of ways to skin your enemy. Kosher or non-kosher.

BRAVO TUN MAHATHIR  
YOU ARE A TRUE THINKER WITH THE RIGHT SENTENCE THAT YOU PUT ON  
WHAT IS THE DIFFERENCE OF UNITED STATES DOINGS

8. And so today, even as the US condemns detention without trial, it executes just about anyone without trial. It considers executing individuals who do not even know they are classified as terrorist or that they constitute imminent threats to the US as right and proper. The US Government need not explain why the person is a terrorist and what kind of imminent threat he poses the US.

THE OPPOSITIONS NOW SAY IT LOUDLY ITS AGAINST HUMAN RIGHTS  
FOR FEAR OF THEMSELVES BEING SENTENCE FOR THEIR VIOLENCE

Tumpang lalu; terima kasih, Tun!

1. Age\_of\_Enlightenment,

a) You're an ignorant hypocrite!

b) I shall ignore those other moronic comments except the following excerpts just to proof my above statement. You wrote," 5. However, it is Religion that does not allow us to think and use our hearts. USA during Bush days think well but have no human heart, and therefore says the killing of babies "worth it".

c) Hence, if your above statement was to be believed, is Bush a Muslim? And countless other to name but a few likes Hitler, Stalin, Mussolini, Serbians that massacred thousands of Bosnian, Israelite that are still massacring Palestinians, "The Oklahoma Bomber; etc., are they Muslims too? Please make up your own mind; you sounded an intelligent man! ^\_^

d) After all, you wrote," 6. And so life goes on in this manner until we humans come to terms that we should not kill and should not cause harm to others. Now if only the muslims can accept that that is Islam, we would have some measure of peace in this world, for a while at least."

e) Nice statement, the above! Could you then identify (factually, please!) events or situations where Muslims killed or caused harm to others, as you had alleged? I need to know so I could update my archives. Thank you. Please come back here when you are ready, you hear? (Editor's note: Do not make an exception as a rule! I'm always wondering what's the thinking of our Home Affairs Minister!

If isreal can bulldoze their ways in blatant disregard of international laws when tackling issues of importance just to ensure & emphasize their superiority, and all of those cases are carried out in foreign land, why is Hishamuddin very concerned on those reports by pro-Anwar foreign media!! Arrest all those trouble makers who are so very obvious to be the instigators of public disorder!

Let those foreign media write/broadcast till their readers/listeners really become modern day cavemen for believing in perpetuity all the 'doctored' reports!!

The Home Ministry must be held responsible if any untoward fracas are to happen arising from bloody confrontations the next time that oversize ambiga parades herself on the streets!

The Home Ministry is not doing anything by continuing to allow the likes of that self-proclaimed "aku babi" HBT, that paderi kid who thinks himself being imammalaysia, that coward & confused moron middleages/enlightenedman, dtan the donkey, to openly belittle & fooling around on our religion Islam & our Malay race!!! They know their identities.

PM Najib might have abolished ISA, however the new acts to replace ISA must be more punitive and greatly feared by those ingrates!

salam Tun,

may Tun will always be in His blessings

Again, we can see that United States is not consistent with their principles. They said that others are not right and they need to repair the other countries. They need to attack these bad countries so democracy will be spread and the world will become a better place to live. They can easily point out the others' problems and everybody is not right except their country.

In fact, the most problematic country in this world is only the UNITED STATES OF AMERICA!! Their soldiers all around the world are consistently creating problems with their abused power. The raping cases in Japan, unnecessary killings of Iraq's people and even the General in the army itself is having a moral crisis. They are also not perfect and no need to teach others about how to do things. It is them who are consistently creating problems thus others are also affected.

Salam Tun,

For the benefit of your readers.

1. It is not about USA. It is about Islam and the way of thinking. And it has led mankind to believe that killing and / or torture ( mental and /or physical ) is justified for religious or Islamic reasons. It is now already translated into laws, so called laws of "God" or "Allah", implying no one should question it. It also means there can be no Opposition to this, and any opposition to God is bad, evil, satan.

2. This hideous and cruel doctrine exists in many religions. And therefore we can find many examples of cruelty done in the name of religion. And as

demonstrated by USA, it does not have to be religion, many cruelties in world history was done either due to religion or due to politics and power.

3. So then it is not religion or politics or power that kills, it is the way of thinking itself. Hence if a human feels it is justified to kill for anyone for thinking differently, there will then be, as we have all witnessed, many deaths.

4. Is that a cure for all this ? Yes, i think so, and it is by correcting our own way of thinking. And that is why we need opposition, so that we can balance our way of thinking and decide after hearing both sides of the argument and using our good heart.

5. However, it is Religion that does not allow us to think and use our hearts. USA during Bush days think well but have no human heart, and therefore says the killing of babies "worth it".

6. And so life goes on in this manner until we humans come to terms that we should not kill and should not cause harm to others. Now if only the muslims can accept that that is Islam, we would have some measure of peace in this world, for a while at least.

7. The thing that comes to mind nowadays is, who will control and silence the local terrorists if the religious nuts themselves rule this country ? Bersih demonstrators are crucified but terrorists and ridiculous religious rules allowed to roam free ? I don't know, i think we need a rationale and logical government. A government who is focused on progress, and not moral judgements, holier than thou laws, and above all can take effective action against religious threats and remove archaic laws.

8. And that would be the PR coalition perhaps ?

Thank You Tun

For Xenophon. A little bit of history of the Greeks or Grecians (Bush Jr called them so. Shows how important is Greece!). The Ottoman Turks walloped them. 1492-1918. Hitler walloped them 1941. Their own Royalty walloped them late 1940s followed by the Communists. Just 25 years ago, the Turks walloped them on Cyprus. They hate Muslims. How Xenophon=Erdogan, I do not know ? Xeno should lobby the British for the return of his Elgin Marbles, return to Athens to sort out the mess and save EU, investigate the over 2,000 Greek Swiss Bank accounts, help to polish the ancient marbles in Greece to submit claims to the Honourable Chancellor Merkelt for expenses etc. Leave us Malaysian alone to enjoy our peace, stability, prosperity as led by the BN as led by the UMNO with 14 component parties. Jealous ?

Vote BN. All Malaysians especially the Malaysian Chinese. See how desperate people try to upset our present idyll and create scenarios to fight amongst ourselves. Unite and vote them out.

Anwar wants his supporters to believe that they are on the same page as the US citizens, in terms of freedom – ranging from LGBT sexdom, Islam-bashing, litigation, lifestyle, bitchery and even the PATRIOT Act assassinations – but of course, Anwar is just towing the line here, and always itching with bated breath for a good hump from his master and pimp, Soros. But more impotently, Anwar wants his supporters to know that he has the US forces available in this contingency plan to rough up his enemies, in the case he gets bashed sorely in the PRU13 and the retired generals infirm to his rescue. I have a gut feeling that he will call upon his US mongrels to covert some dramatic scenarios that will find him lodged cozily in a foreign embassy, possibly US UK France, definitely not Turkey nor Bob Carr, again drawing the world attention to this helplessly battered mommy's boy. I'm not doing a Dr Phil here, but I have reasons to believe that Anwar as a kid was

abused by his dad. To be a hero, he needs a new father, and the US is up for adoption. We have a situation here ... Roger.

P.s.

I anticipate a PAS fallout from Pakatan immediately after PRU13 will justify them the Terrorist label and fit nicely into the PATRIOT backronym = Providing Appropriate Tools Required (to) Intercept (and) Obstruct Terrorism

You are right Tun.

These opposition people, especially their supporters are very cruel and wicked people. I often read the comment section on pro-BN blogs and you seems to be the most despicable man to them. They say you have RM42 million stash somewhere. You are corrupt, you only enrich the UMNOputras. The first thing that they will do when they get to govern this country, is to arrest & jail you and all the corrupt UMNOputras. If prison is not enough, they will build more.....etc.

Some of their cybertroppers even resort to provoking hatred and animosity (pitting Indians against Malays) by masquerading as Indian, degrading the Malays on pro UMNO blogs. One of them comes by the name, Vinnan. He writes like a racist Chinese who dislikes Indians, Malays and everyone who is non-Chinese (except the white man).

If the likes of these people comes to power, democracy will die in Malaysia.

1. What's the difference between detention without trial and detention after trial based on same evidence?
2. What freedom is violated if one is free to pursue economic opportunities to freely? The Opposition particulalry strong on blightedness.
3. Why rise in terrorist activity? We live in world whose leaders are unashamedly belligerent.
- 4-10 What threat to security that warrants execution without trial of people already in their custody?
- 11-12 Opposition more used to fraternity than any profundity.

Salam Tun,

Tumpang lalu; terima kasih, Tun!

The Hidden Secret,

1. ISA stands for "Internal Security Act". Security as define by Merriem-Webster.com is the quality or state of being secure: as (a) freedom from danger — safety: (b) freedom from fear or anxiety; (c) freedom from the prospect of being laid off . It was not Oppression, as you surmised (or attempted to surmise?). But since you referred to it as 'an act of oppression' while quoting various "verses from the Quran" to support your argument, then I'd say, "Islam opposes Oppression, Terrorism, and Injustices!"

2. Islam strictly forbids killing of innocents. Nobody can ever be justified in killing one innocent man, woman or child. It is indeed a grave sin. In fact, all forms of oppression are outlawed, and Muslims are encouraged to help others no matter what their religion or background is. Rather, it upholds the sanctity of life. It encourages human rights and supports resolution to peace (unless you are Arabs not living in Palestine (Gaza)!)

3. Good you might become as a Theologian but kindly refrain from abusing the Quran! Like this instance, you misquoted the Quran purposely, which is sinful.

4. I would like to draw just one comparison to your many "verses" that you quoted, which is the Surah Al Baqarah, 190-194, as found in the Al Quran, which states, "Fight in the case of Allah those who fight you, but do not do aggression, for Allah loves not the aggressor. Fight in the way of Allah against those who fight against you, but begin not hostilities. Lo! Allah loveth not aggressors. And slay them whenever ye find them, and drive them out of the places whence they drove you out, for persecution is worse than slaughter. And fight not with them at the inviolable Place of Worship until they first attack you there, but if they attack you (there) then slay them. Such is the reward of disbelievers. But if they desist, then lo! Allah is Forgiving, Merciful. And fight them until persecution is no more, and religion is for Allah. But if they desist, then let there be no hostility except against wrongdoers."

5. Where did it say, "DETENTION WITHOUT TRIAL IS WORST THAN KILLING WITHOUT TRIAL" or something to that effect?! You cannot manipulate the above verse just to suit your ideal; it is unbecoming of someone as intellectual as you.

6. But again, if you could declare, "DETENTION WITHOUT TRIAL IS WORST THAN KILLING WITHOUT TRIAL.", what can one expects? I guess you are just pathetic.

Sekian, Tun. Wassalam.

As a result of the instigation of foreigners by the Opposition, Xenophon turned up to inspect our books uninvited. Do the Malaysians realise that Xenophon is from Athens, Greece and not Sparta ? That all the Italian restaurants in Oz are owned by Greeks. And yet the Opposition never learnt from the well-worn cliché. ' Beware of Greeks bearing gifts !' My advice to Xenophon is to sort out the Greek expenses claimed on the Honourable Chancellor Merkel for the restoration of the ancient Greek marbles when Greece is in absolute turmoil instead of taking a busman's holiday in friendly and hospitable Malaysia !

Vote BN. All Malaysians. Especially the Malaysian Chinese. If the DAP is so confident of winning with the support of the great Lee Kuan Yew, why bring in the untouchable Xenophon who should be back home in Greece sorting out the marbles !

What I have said previously supports that Malaysia is a runaway success in human terms and Singapore a runaway failure. And yet, the Opposition went overseas to instigate the foreigners to view us as a bunch of bearded fellows from the medieval ages wielding whips and axes on our compatriots. The real truth will now slowly slowly unfold. Not by us but fortunately or unfortunately by the culprits themselves whoever they are.

A Tan Sri once told me never to tell a lie because at the end of the day, I would not be able to remember which lie I told. How true ! How true ! Tun !

Vote BN. All Malaysians especially the Malaysian Chinese. The BN as led by the UMNO and the 14 component parties never lied but delivered the goods. They looked after your well-being and security.

Another excellent topic which you have brought up to the notice of everyone.

Take the case of Singapore. The ISA is still there. See how absurd it is for the Singapore Government to retain it as follows:-

Lee Kuan Yew ruled as a one man ruler of Singapore for 55 years, 1959 to 2013 and it is suggested that he will be there for another 10 years. During this period, Singapore sprouted that their Government practices democracy, clean Government, meritocracy, fairness, rugged society, crime-free, world class, world's best etc.etc. And during this period, 1959 to 2013, 38% of its indigenous Singaporean population disappeared through emigration or abortions.

Here is a Government which clearly laid out the lines of governance and engagement to all its citizens and blared their apparent successes in monetary terms to us Malaysian folks in the ulus.

And to compound the absurdity of mis-governance by Lee Kuan Yew with the impeccable starred Double First in Law from Cambridge, not Oxford, the Singapore Government at public expense produced a White Paper on the Population which starkly outlined to the remaining Singaporean folks that their remaining numbers will be reduced by another 12% to 50% and the other 50% will be hard-core foreigners of India and China origin. Further, if nothing is done, (this is the result of Lee Kuan Yew's meritocratic pyramid's policy), the existing 62% will be reduced by another 50% in one single generation to 31% by 2040. Hey! Hey! Those clever folks must have been drinking a lot of teas in the halcyon days to sell these poor Singaporean folks down the Singapore River !

Without the application of the ISA, as at the present date, 38% of the indigenous Singaporean population had already gone somewhere!

I think this White Paper on Population and its implications is the joke of 2013. White Papers were often demanded by the DAP.

During the same period, 1959 – 2013, Malaysia democratically elected 5 Prime Ministers and never boasted on anything at all. Our Prime Ministers were all compassionate and did what is required of them concerning good governance and the ISA was hardly used at all. And yet, Malaysia managed to build up a credible middle income group especially between 1981-2003 of 750,000 household with 7.5 Million souls and the majority are either millionaires or potential millionaires. This only one of the many goodies which the BN as led by the UMNO with the 14 component parties have delivered.

The main reason why we see all the injustices meted outside Malaysia at the present time is that we are Asians with compassion for the injustice and the sufferings of the innocents. Without the great Lee Kuan Yew as the bulwark of the Opposition and his warts or clay feet showing through his failed Policies, where is the Opposition going get MORAL support anymore ? His own Singaporeans came out to demonstrate for the first time AGAINST their own impending demise in ONE generation !

From the comparison of the tale of two countries, it is as clear as crystal that as regards that transparent fair play and justice, Malaysia has no guilty conscience to hide in the protection and security of her citizens. The ISA should have been retained within the present international scenario. In the case of Singapore, its citizens were just reduced by law and not by rote !

Vote BN. All Malaysians especially the Malaysian Chinese. To those who kow-tow to the great Lee Kuan Yew with his impeccable academic credentials of a double starred First Law degree from Cambridge, not Oxford and probably a Third Class in the Bar Finals London. See what happened to his compatriots who voted for him since 1959 ! They reduced in numbers from 100% to 62% and to 31% by 2030. And the Opposition follows his every word and move. See what the Opposition is delivering to us the Malaysians – oblivion or —— ! Another great joke from Singapore in 2013. A Minister said that academic qualifications are no longer the sole criterion for judging a person's ability. Hey ! Hey ! Hey ! Why tell the citizens 2 generations later, when all the opportunities to make MARNEY and become billionaires are all gone !

Come to Malaysia, all Singaporeans ! At least the much criticised NEP produce 7 1/2 Billionaires from world's best Singapore !!!

Peace!

Killing without trial vs. detention without trial?

Are we trying to justify the act of detention without trial over killing without trial?

We should not justify the Malaysian Government's practice of detention without trial just because the American government is practicing killing without trial.

Both (killing without trial and detention without trial) are BAD. Both are against the teaching of the Quran.

[6: 151] Say, "Come let me tell you what your Lord has really prohibited for you: You shall not set up idols besides Him. You shall honor your parents. You shall not kill your children from fear of poverty – we provide for you and for them. You shall not commit gross sins, obvious or hidden. YOU SHALL NOT KILL – GOD has made life sacred – except in the course of justice. These are His commandments to you, that you may understand."

Please note that detention without trial is a form of oppression.

Based on the Quran, oppression is worst then murder.

[2: 191] You may kill those who wage war against you, and you may evict them whence they evicted you. OPPRESSION IS WORST THAN MURDER. Do not fight them at the Sacred Masjid, unless they attack you therein. If they attack you, you may kill them. This is the just retribution for those disbelievers.

[2: 217] They ask you about the Sacred Months and fighting therein: say, "Fighting therein is a sacrilege. However, repelling from the path of GOD and disbelieving in Him and in the sanctity of the Sacred Masjid, and evicting its people, are greater sacrileges in the sight of GOD. OPPRESSION IS WORST THAN MURDER." They will always fight you to revert you from your religion, if they can. Those among you who revert from their religion, and die as disbelievers, have nullified their works in this life and the Hereafter. These are the dwellers of Hell, wherein they abide forever.

As such, DETENTION WITHOUT TRIAL IS WORST THAN KILLING WITHOUT TRIAL.

As such, the act of the Malaysian Government in detaining people without trial is worst then the act of the American Government when they killed people without trial.

We have to be just to everyone, even to the bad people. The key word is JUSTICE.

<http://www.youtube.com/watch?v=WM8bTdBs-cw>

[5: 42] THEY ARE UPHOLDERS OF LIES, AND EATERS OF ILLICIT EARNINGS. If they come to you to judge among them, you may judge among them, or you may disregard them. If you choose to disregard them, they cannot harm you in the least. But IF YOU JUDGE AMONG THEM, YOU SHALL JUDGE EQUITABLY. GOD loves those who are equitable.

[4: 135] O you who believe, you shall BE ABSOLUTELY EQUITABLE, and observe GOD, when you serve as witnesses, even against yourselves, or your parents, or your relatives. Whether the accused is rich or poor, GOD takes care of both. Therefore, DO NOT BE BIASED by your personal wishes. If you deviate or disregard (this commandment), then GOD is fully Cognizant of everything you do.

Regards.
