1. Among the comments in my blog is a reference to Malaysia's ban against the visit of the Australian Senator Xenophon.

2. I agree with this comment that despite my nasty comments on the US and Britain, I was never banned from visiting those countries. However, I would like to relate an incident in which a friend of mine, now deceased, who was handcuffed and taken away in a truck full of common criminals and even his request to have his diabetic injection was rejected. The reason for this treatment was because the immigration officers at the airport in New York did not like his answers to their questions. He was subsequently released.

3. It is well-known that hundreds of people have been arrested and detained without trial in the US and a few were subsequently released without explanation. At the detention place there are reports of torture and humiliation of the detainees.

4. People are also detained in the UK accused of planning acts of terrorism. This is preventive detention without trial.

5. There have been many allegations of US agents assassinating leaders. Currently the debate is about US drones rocketing or bombing countries not at war with the US, killing according to a US senator, as many as 4700 people, some of whom are described as innocent.

6. I must admit that on the two occasions I visited the US after I retired, I have nothing to complain. But as a Muslim I worry because one of my friends was thoroughly searched as he was thought to be a Muslim. He was not.

7. Incidentally President Mugabe of Zimbabwe and President Bashir of Sudan would be arrested if they were to visit the US.

8. What happened to YB Xenophon of Australia is nothing.

Assalamualaikum Tun,

I am very sad with regard to death of our heroes in Lahad Datu. Al-Fatihah.

The more I read about the Lahad Datu incursion, the more I feel that these people came with the intention to pick up a fight with Malaysia. I have read the arguments regarding the 'Sabah Claim' and found that even the Philippines experts say that Sabah is rightfully and lawfully Malaysia's. But we are not dealing with people that can be reasoned with. The law does not compute in their mind. From the day the militants set foot on Sabah, their aim have always been Sabah, by hook or by crook.

I understand now why Malaysia was hesitant. They wanted Malaysia to retaliate to give them a reason to fight. However, imagine robbers came into our house. There are two options available, i.e give in to their demands by giving them money, gold, laptop, etc. Or retaliate which could cause death. In a normal circumstances, we were told to give in, as long as our lives and the lives of our loved ones are spared. This is exactly what the Lahad Datu incursion is all about, give in to their demands i.e through negotiations like giving them half of Sabah's income or RM200 million as some have suggested and in return the lives of our people will be spared. Or retaliate and fight to the death. They are holding the nation of Malaysia at ransom. If we were to give in, how sure are we other robbers might not the same in the future? If we retaliate, they would create havoc and killings as is happening now. This is really a tough decision to make.

Even with all this fighting the going on, the so called Sultan have said he is still open to negotiations. This basically means, if you had enough, give in to my demands.

What would other nations do if they were in our shoes? I heard China, Vietnam, Korea, would actually shoot at the ships that even try to enter their territory. They would fight for even an inch of their land. The United States have a zero tolerance policy against terrorist. They will never ever give in to demands of terrorist or militants.

The decision to retaliate or not is already under the bridge. We chose to retaliate. I believe other nations would have done the same.

I am not so worried about the 200 militants in Lahad Datu. I believe our army will wipe them out. It is also important for the army and police to comb out the remaining ones in other areas as well.

But what I am worried about is future guerrilla attacks that may drag on. The objective of the guerrilla attacks is to force the Malaysian government to negotiate with them (i.e give them money). Guerrilla attacks by definition means to attack or sabotage and run away. They would attack Sabah, and run away to Mindanao or any of the nearby Islands in the Philippines. Our army could not attack them since their base is in Philippines, but they could attack us. Further, it is only an hours ride from the Philippines to the Sabah.

Therefore, I agree with you that we need to increase our surveillance, patrol boats, etc to monitor the sea separating the Philippines and Sabah. The surveillance must be so excellent such that our navy can monitor all the ships moving in there. The cost may run in the hundred of millions but I believe it is worth it. The objective is not to allow any single ship that may harbor these militants to reach Sabah land. On sea, they could do nothing. But once on land, they could do much damage and lost lives.

I wish to add, they are quite defenseless on sea, since they use only boats. If our navy was to spot them, that would be the end of it for them.

On another front, can these people be regarded as terrorists? If they are, the Philippines should not protect them. Just as we would detain any terrorist in our land, the Philippines should also detain anyone that give orders to create chaos in other countries as well.

I am not a military strategist, so do take my words with a pinch of salt.

May Allah protect us Malaysians in these trying times.
Allahuakhbar!Allahuakhbar!Allahuakhbar!

Salam Tun.

Mengapa PATI yang telah bermastautin di Sabah sudah lebih 40 tahun dan beranak pinak dimana lebih 80% dari mereka langsung tidak pernah menjejak kaki dibumi Filipina, dipertikai apabila diberi kerakyatan Malaysia!

Mengapa Ronnie Liu menjalankan beratus2 rumah urut & hotel budget diseluruh Selangor dengan kemasukan beribu2 Cina doll sehingga memporak-perandakan kekeluargaan masyarakat Cina di Pulau Ketam tidak dipertikai!!

Kenapa apabila Singapura mengimpot berjuta2 warga Cina serta memberi mereka kerakyatan SEGERA berserta dengan layanan paling istimewa disamping menganaktirikan Melayu yang adalah sah penduduk asal Pulau Temasik tak berani dipertikai/dipersoal oleh sesiapa!!!

Bandar Baru Bangi adalah satu2nya penempatan orang2 Melayu taraf middle class yang terulung diSelangor, tetapi kini telah dibanjiri oleh Cina doll yang menetap dirumah2 urut & hotel budget yang bertaburan disetiap pelusuk Bandar Baru Bangi.

Boleh pilih untuk sewa bilik semalaman, 6 jam, 4 jam atau hanya untuk 2 jam!

Kenapa Haron Din dan PAS menyepi tanpa sepatah kata!!!

Apakah anggota Polis takut kepada Ronnie Liu yang memang dikenali ramai sebagai seorang samseng dan juga gangster?

Kenapa tidak disiasat kemasukan beratus ribu pelarian Cina kebumi Melayu SELEPAS KITA MERDEKA dan seterusnya diberi kewarganegaraan Persekutuan Tanah Melayu dalam tempoh sebulan sahaja tidak pernah disiasat!!!

Mengapalah terlalu ramai orang2 Melayu yang sanggup diperbodohkan oleh si Anwar kaki seks sehingga mereka lupa pada kepentingan bangsa dan SEMANGAT MELAYU!

Salam TUN,

Xenophon, pronounced as Xenephen.

Xenophon (circa 430-354BC) also known as Xenophon of Athens, was a greek historian, soldier, mercenary and a philosopher.

R Xenophonnn decendant of Greek migrant to Down Under is only a shade of Xenophon of Athen.

Common in name does not inherit the greatness of Xenophon of yesteryears.

Greece's economy is in a doldrum, R Xenophonnn should rather offer his service there, than in Malaysia.

Malaysia under the BN administration has a vibrant economy.

Many con artists are lucky, and they know it, because they are living in Malaysia and can move around freely, even enjoying freedom of

speech to voice their so-called grievances, like some who still do in Tun's blog, despite so often shamelessly insulting and spreading lies about Tun. Yes, these people, they are simply a shameless lot, even after caught red handed in the act of cheating – like the shameless faggot, after his lame lies exposed by a fellow blogger [<http://chedet.cc/?p=922#comment-112424>] – still tebal muka macam kulit Babi, masih ada hati mau hantar komen yang karut, fitnah dan menghasut.

Which reminds me of a culinary remark by another fellow blogger, "you are what you eat ... and if you eat babi, you will behave shamelessly like one", and if we do a CSI test on these guys, I'm pretty sure they have lots of it in their system, at a level more than humanly allowed.

Nonetheless, I will still like to add that Babi is not just a binatang, it is like a certain tribe with an attitude problem and character defect that gives away the moral label of the Unclean. Fortunately, all people of the book Muslims, Christians, Jews alike even the Buddhist and Hindus and those who are god-fearing, all agree about this one and it would not be a bad idea to suggest, to a certain further enhanced extent, of having it legalized by the courts of law. So, nobody should take you to court and sue you for a cool 100 million, if you tell them straight in the face that they are like a Babi indeed, inferring to the moral character of the Unclean. So, the patented backronym Brader Anwar Bin Ibrahim, is after all very precise and encapsulates the elements of Babiness in it, and should be allowed into the Dewan Bahasa's thesaurus section, so that we can legally coin a peribahasa, a proverb that says, "seperti BABI memberi ceramah, ekor tergedik-gedik tapi tak sedar diri sendiri menghirup taik".

Why I have taken this much space to write in relations to the discussion on the topic of Xenophon, I believe would have found its Unclean dimensions explained sufficiently thus far. To point at the obvious, it is the babiness in Xenophon that was detected by our Immigration intels, preventing further mating and breeding of this Unclean lot, that infuriates their babes in heat.

PM in the heart of Anwar is siapa?

It will depend on the grassroots' feedback.

Nurul can't be PM because of her young age.

Wan Azizah or Guan Eng will be the PM?

It looks like both Anwar and his wife will pave way for Guan Eng to be the PM.

Tired, what Alfred commented is true and based on hard facts.

Whoever become the PM, we will still have to work.

Either you are with BN or PR, that's the choice you have to make in this GE 13th.

Salam, Tun.

Tumpang lalu; terima kasih, Tun!

Alfred Willner,

You commented, "alfred.willner@euromotors.ltd.gi; February 28, 2013 at 11:32 PM; Xenophon" – "7. Incidentally President Mugabe of Zimbabwe and President Bashir of Sudan would be arrested if they were to visit the US." "Nothing wrong with that, dear Tun Dr. Mahathir, because Warrants of Arrest have been issued for those two by the International Court of Justice in The Hague, so they would have to be arrested in Malaysia too if they ever set

foot on that territory. This is no good for your argument then.”

1. Before we go any further, let us review “The ICJ” and “The UN”, respectively, for references, according to “Wikipedia.” Thus,

(a) The International Court of Justice:

The International Court of Justice (ICJ) is the principal judicial organ of the United Nations (UN). It was established in June 1945 by the Charter of the United Nations and began work in April 1946. The seat of the Court is at the Peace Palace in The Hague (Netherlands). Of the six principal organs of the United Nations, it is the only one not located in New York (United States of America). The Court’s role is to settle, in accordance with international law, legal disputes submitted to it by States and to give advisory opinions on legal questions referred to it by authorized United Nations organs and specialized agencies. The Court is composed of 15 judges, who are elected for terms of office of nine years by the United Nations General Assembly and the Security Council. It is assisted by a Registry, its administrative organ. Its official languages are English and French.

(b) The United Nations:

Whereas, the UN is an international organization whose stated aims are facilitating cooperation in international law, international security, economic development, social progress, human rights, and achievement of world peace. The UN was founded in 1945 after World War II to replace the League of Nations, to stop wars between countries, and to provide a platform for dialogue. It contains multiple subsidiary organizations to carry out its missions.

2. Obviously, there was nothing wrong with your statement, “This is no good for your argument then.” After all, you did sound friendly, except that, if one were to analyse same, it does sounds a bit ‘nutty’ though. Again, I could be wrong in my analysis, and for that, if I did, I apologize, sincerely (I was just trying to be a smart Alec! ^_^).

3. Anyway, since we are on that subject, it is quite strange though that ICJ is relevant suddenly; that is if we were to take your statement in its literal context though, don’t you think?

4. As Tun had mentioned countless times, the international communities, the UN and the ICJ included, appear to be very selective in their opinions and actions, especially, concerning ‘the third world countries’, in general, and ‘the Palestine Conflicts’, in particular; have you ever wonder why?

5. Let us take as example “the Palestine Conflicts.” According to ‘Wikipedia’, the UN (forget about the irrelevant ICJ!) has issued hundreds of resolutions since 1955 on “Palestine” especially on their relations with Israel; but up until yesterday evening, there were still killings there; why that is so, Alfred? Would you like to comment? I just would like to know; that is all. Thank you, Alfred!

Sekian, Tun. Wassalam.

Assalamualaikum Wbt,

1. `Ada yg komen` jgn dijatuhkan kerajaan Islam spt jatuhnya Hosni Mubarak, puppet A.S & Israel yg Munafik tetapi Muslim ! Sy amik contoh apa yg berlaku di Syria yg bukan semata2 konflik Sunni & Syiah. or Islam & Kristian, mmg betul Basyar xdemokratik, mmg betul rakyat dia tuntutan besarkan lg ruang tuk demokrasi, sejak dr bapak dia lagi. Sedang Basyar bmazhab Alawite ! Ok di M`sia, rakyat minta besarkan lg demokrasi, sejak dr zaman bapak Najib lg, bersihkan keraguan daftar undi. Semua ni mmg lumrah tuntutan rakyat negara ke 3.

2. Elit politik di Syria, Ex-Mesir, Ex-Libya sama jer dgn politik di M`sia or negara dunia ke 3 lain yg zalim, ganas, rasuah & rakus curi harta negara spt negara2 Islam yg tumbang akibat Arab Spring ! . Jika Iraq hanya eksport Petai, Jering & Cencaluk pasti Iraq xkan diserang ! Jika Iran just ada Budu & xdak Petrol & Gas maka Iran xkan dikenakan mcm2 sekatan ! Yg sebenarnya serang Iran, Syria & (Mesir selain pembangkang) ialah imperial Anglo-Amerika or bahasa kasar `kapitalis bertuhan untung maksima`, utk kuasai hasil bumi Iran, Syria & Mesir ! napa xserang Turki, kan Turki ada minyak, ada ker ? Napa Arab Saudi, Qatar, xdiserang, aman jer, sbb 2 negara ni barua setia AS spt ex-Mesir dulu, & AS plak tunduk pd Israel ! Sedang `2` telaga minyak di Saudi & Qatar milik AS... M`sia & Brunei `2 budak setia` AS di rantau Melayu, malah Msia hantar askar ke Afghan bantu AS. Msia juga sdg bantu Arab saudi redakan api kebangkitan rakyat Bahrain tuntutan demokrasi b4 terjadinya ala `Arab Spring` tuk tukar pemimpin. M`sia blh berdagang dgn Israel senyap2 & lantik pula perunding yahudi APCO tuk bantu naikkan imej PM ! Xcaya gi check kat kdutaan Saudi & Qatar bila dorg nak election ?

3. Apa yg bezakan kita ngan Syria, yg bagus pada hemat sy, Basyar & bapak dia dari dlu terang2 sokong angkat senjata bg sokongan kpd perjuangn Hisbullah & Hamas lwn Israel, means xtunduk pada AS. Syria & Iran sama2 tentang Israel dr dulu, so b4 Amerika dpt jatuhkan Iran, Syria mesti dijatuhkan dulu. Pandangan sy, rakyat Syria dlm masa sama ingin dr dulu lg nak jatuhkan Hafez melalui sistem demokrasi & anaknya Basyar yg kotor dlm pemerintahan walau baiknya Syria Vs Israel. Sama cternya rakyat Iraq yg bencikan Saddam walau ex-Iraq anti barat.

4. Rakyat M`sia wajib bangkit lawan kjaan yg terang2 menipu pilihanraya tuk kekal bkuasa kaut kekayaan negara tuk peribadi masing2 ngan alasan jaga `bangsa` & agama...apapun correct, Syria jauh lebih kejam tangani rakyatnya yg mmberontak dlm masa sama Msia xkurg kejamnya tangani rakyat yg lawan mereka melalui tuntutan demokrasi, cuma kita lebih buruk

Ig dr Syria, pemimpin ktr ber `sunnah wal jamaah` tp gunakan nama agama menjadi pemuka agama.

5. Huru hara di Mesir sudah bleh diduga coz Dr Morsi perlu lwn saki baki barua Hosni Mubarak yg masih kuasai Mahkamah, pihak2 berkuasa dll. Ya betul kerajaan Hosni Mubarak Islam & ditumbang oleh parti Islam pimpinan Dr Morsi al-Hafiz, beliau pernah mringkuk dipenjara zaman Hosni sptmana juga Reccep Tayyip Endorgan, & Anwar Ibrahim juga bekas banduan politik dgn tuduhan negara masing2 bagi menutup mulut mereka2 ini !

6. Negara kecoh bila DSAI ungkap ayat "I support all efforts to protect the security of the state of Israel," although he stopped short of saying he would open diplomatic ties with the Jewish state, a step which he said remains contingent on Israel respecting the aspirations of Palestinians" konon DSAI ejen Israel & AS. Sedang Reccep Tayyip Endorgan lawat Israel pd 2005 bawa delegasi usahawan berdagang dgn Israel & jalin hubungan dgn PM Israel Simon Peres ! Tetapi ketika `Forum Ekonomi Dunia 2009` yg hangat isu `GAZA` dibom, Tayyp berkata `Turkey would have done the same if rockets had been hitting Istanbul from Israel !` & bertekaklah dia dgn Simon Peres dgn berkata " Mr Peres, you are older than I am. Maybe you are feeling guilty & that is why you are raising your voice. When it comes to killing you know it too well. I remember how you killed the children on beaches..." ` Upon the moderator's reminder that they needed to adjourn for dinner, Erdogan left the panel`Lihat betapa berani pemimpin ini, persahabatan ekonomi xhalang beliau utk kutuk keras berhadapan dgn Israel, bukan spt Malaysia yg lawat GAZA tetapi xiktiraf kerajaan HAMAS & pulang ke Malaysia dilaungkan rakyat sbg PEJUANG UMAT ? Talam 2 muka ! Najib, berani kritik Israel berhadapan ?""

Tuan Shaikh Mohd Shaszeri,

1. Tahukah Tuan bahawa kereta kebal israel yang menyerang penduduk Gaza dibuat di Turkey dan dibiaya oleh kerajaan German. Kerajaan Endorgan berniaga dengan Yahudi Zionis atas kesensaraan , penderitaan dan darah penduduk Gaza. Tuan cakap seolah-olah Perdana Menteri Endorgan itu kawan baik Tuan, sepertilah rakan seperjuangan Tuan yang mengguna nama Imammalaysia mengaku kawan baik dengan President Barack Obama dan President Putin. Cakap besar.

2. Mengikut Tuan, semua pemimpin2 negara Arab termasuk Hosni Mubarak, Gadafi, Sadam Hussein, Bashir, Raja2 Saudi adalah zalim, jahat dan Munafik dan patut dibunuh, termasuk Malaysia dan Brunei. Yang betul2 baik ialah Hamas, Endorgan, Anwar Ibrahim, kapal Singh dan Imammalaysia. Tetapi Tuan Imammalaysia mengaku dia beragama Kristian dan dia percaya bahawa nabi Mohammad bukan nabi. Tuan berjuang sama angkatan dengan Imammalaysia dalam Pakatan Rakyat untuk menghapuskan kerajaan Barisan Nasional yang berteraskan UMNO. Kapal Singh juga seperjuangan dengan Tuan untuk menghapuskan orang2 Melayu UMNO.

3. SAYA percaya Tuan telah terpedaya dan telah sesat terpukau oleh upah wang ringgit dan janji jawatan tinggi seperti menteri oleh Anwar Ibrahim.

Oleh yang demikian, Tuan amat bersemangat menghentam UMNO.

4. SAYA CADANGKAN TUAN BERMUHASABAH DIRI, insaf dan taubat nasoha. Saya berdoa Tuan dapat pulang ke pangkal jalan dan diberi HIDAYAH supaya tidak bermusuhan sesama islam dan tidak mengadu domba sesama orang2 islam. Wallahu alam.

Assalamualaikum Tun,

Its been a long time since I wrote to your blog. I was actually happy the last time I wrote, as overall the country was safe, the people was taken care of, the government was moving in the right direction and the economy growing ever strong. I also felt for all the years I wrote in your blog, I have said all the things I wanted to say. And so I took the opportunity when your blog was down for some time (which was due to hackers), to finally rest my writing to your blog. I do not want to sound like an old tape recorder saying the same things over and over again. I still do read your blog from time to time and the comments (although I don't understand what some of them are talking about since I lost track).

However, recent events have compelled me to write again. The current incursion by the militant group into Sabah is of concern. For one thing, the militant group is not a recognised entity. The militant group wants to be recognised as the Royal Sulu Army. My question is, is there a Sulu Government or country for it to be recognised as such? For example, the Malaysian Army is the army of Malaysia, the Philippines Army is the army of the Philipines. Where is the country known as Sulu? If they say it is in Mindanao, then that is not true, because that is part of the Philippines. If they say it is in Sabah, then that is also not true since Sabah is part of Malaysia. It also be noted that since the Philippines is a republic, therefore all types of monarchy cease to exist in the Philippines.

Therefore, does the Sulu Sultanate exist? It may exist in the eyes of some of them who still hold dear to history, but in substance the Sulu government does not exist since it does not have the capacity nor recognised as a country. Therefore, how can a Sulu government that does not exist nor recognised by any other country lay claim to Sabah?

During the formation of Malaysia, it was not Tunku nor Malaya that forced Sabah and Sarawak to join. Rather it was the Sabahan and Sarawakian themselves that wanted to join in the formation of Malaysia. And so the British formed the Cobbold Commission to conduct a vote to ascertain

whether the Sarawakians and Sabahans wanted to join Malaysia or they still wanted to be under British rule. The result showed the Sarawakian and Sabahans voted to join in the formation of Malaysia. Therefore, it is wrong to say the British handed over Sabah to Malaysia. It was the Sabah people themselves that chose to join Malaysia. Because the Sabah people themselves voted to join Malaysia, by default Sabah gained independence from the British as well as the Sulu Sultanate. Had they wanted to still be with the Sulu Sultanate, they would have voted no and remain under British rule and when the term expires the British would hand over Sabah to the Sulu Sultanate. I suspect the current payment by Malaysia is out compassion and compensation for the great loss the Sulu sustained when the Sabahan voted to join Malaysia.

And so now we have militants claiming to be from the Sulu Sultanate that is not recognized and does not exist anymore landing in Sabah. Their incursion with arms into the country is not an act being friendly. If Malaysia does not have an army, I doubt they would come in peace. Rather it is out of the knowledge they are outmatched and outgunned by the Malaysian Army that they say they come in peace.

The Philippines have said they do not support the militants in Sabah. They have even said if the militants do not cooperate and return back, they will be prosecuted once they return. Similarly the opposition have also call for quick action to be taken against the militants as it endangers the safety and livelihood of Sabahan. It is also an act of aggression by entering Malaysia illegally and with guns, bazookas and bombs. Even Sabahan also does not support these militants. Sufficient warning have been given to the militants with so many extensions for to leave. Since everyone (Malaysia, the Philippines, Sabahans,) wants the militants to leave, why is Malaysia still hesitant?

Nobody supports the militants.

I know it is good to be friendly with everyone, but I think there should be a limit that we can tolerate. Sometime people might step on our head if we try to be too friendly. It is clear the militant demand is that they want Sabah. It is also clear Malaysia nor Sabahan wants to give Sabah to the militants. Therefore, the government must be responsible enough to protect the sovereignty of Malaysia. That must be the Malaysian government top priority.

7. Incidentally President Mugabe of Zimbabwe and President Bashir of Sudan would be arrested if they were to visit the US.

Nothing wrong with that,

dear Tun, Dr. Mahathir,

because Warrants of Arrest have been issued for those two by the International Court of Justice in The Hague, so they would have to be arrested in Malaysia too if they ever set foot on that territory.

This is no good for your argument then.

That people are arrested in the U.S.A. and the U.K. alike and detained there under dubious suspicions is unfortunately true. Both, the administrations of U.S.A. and of the U.K. suffer from Terror-Phobia so to speak, still fighting a war against terrorism as declared by George W. Bush at the time and, also unfortunately, the means will heal them the purposes to this extent. In this regard Justice has gone down the drain as it were. There are still people jailed in Guantanamo in Cuba without a trial and some of them for close to a decade by now.

Leaves one to wonder whether Barack Obama will manage to close down Guantanamo during his second term in office. He has set out to risk head-on collisions with the Republicans this time, now that he has not to worry about re-election anymore.

So many things are wrong world wide. Malaysia is blessed with its situation, well managing a peaceful co-habitation of different races and religions – an example to the world, really!

Salam and Good Health, Tun!

Aiyo, yo ! Most of our citizens had it so good during the Alliance/BN years that they think it is so easy to have a new and bright world as propagated by the Opposition. It is all rubbish. For those who knew Malaya from the 1920/30s to now will know the difference that it is easy to talk but very difficult to implement.

I have to repeat that until 1972, the economy of Malaysia was governed by the Currency Board which was set up by the British all over the World including Palestine, Hong Kong etc. to have monetary hygiene. You spend what you earn. At 13 May 1969, the wealth of the Bumiputras was less than 5% because there was no hope they will ever be given opportunities to be

rich. The Currency Board of Malaya, Singapore, North Borneo, Sarawak & Brunei was disbanded in 1972. The Bank Negara Malaysia became a full-fledged Central Bank of a developing country. Hence, from this point and within the context of the NEP, the BN Government as led by the UMNO and the 14 component parties created a bigger cake for all and through Tun's 22 year administration, 750,000 households with extended families of 10 each amounts to 7.5 million souls. Whoever responsible for this huge socio-economic transformation should be given the Nobel Prize if there is no bias ! And each household has the potential to be a millionaire !

Vote BN. All Malaysians especially the Malaysian Chinese. Ignore the Johnny-come-latelies who want to assume power and takeover all that had been created by all together with the BN as led by the UMNO with 14 component parties. The bigger cake as promised years ago is all around us.

Salam Tun.

A little error to my most recent posting, the corrected comment to read as follows:

"When Rhodesia managed to change to a new government led by Robert Mugabe from the previous British descendants white ruling, the >90% coloured population were helpless to move forward due to every major economic activity were controlled by the white men which practiced discrimination indiscriminately!!

The worst part, >95% fertile arable land were in the possession of the the white men!

Farming activities were the single most familiar work that the Rhodesian coloured people were capable of doing, and the <5% remaining fertile land were definitely insufficient for all.

Thus Mugabe decided to nationalise the white men owned land for the survival of his people. This created the wrath of the British government, and together with all the other major English speaking countries of the world, Mugabe was declared as a "white men's burden".

Zimbabwe will never improve economically under Mugabe, say them!!

HYPOCRITES!!!

Salam to all.

Kepada yg lain lain, tak payah layan lah comment saudara shaik itu. Baca dan senyum sahaja. Semua dye ckp betul, org lain salah. Semua dye tahu, org lain xtahu. Semua yg DSAI kata, betul katanya. Semua "fakta" ada padanya, kita ini seolah olah xtahu apa apa.

Tun cakap ape pon, dye xkan percaya. Kita sama sama berdoa agar dye dilapangkan dada oleh Allah utk menerima hakikat yg sebenar, realiti yg sebenar. Disini, org berfikir dgn matang jauh lagi mahu bergaduh. Hujah dibalas dgn hujah, kalau hujah yg dulu xboleh nk jwb, anda patut rasa malu utk ke topik yg lain. Pointless kata Mat Salleh.

Kesian kt saudara, kesian kesian. Do more Research ok? Jgn berkitabkan harakah, suara keadilan shj. Xadil lah kalau mcm tu. In Sha Allah anda akan bertemu dgn kebenaran. Amin..

Sekian.

Salam Tun.

When Rhodesia managed to change to a new government led by Robert Mugabe from the previously 90% coloured population were helpless to move forward due to every major economic activity were controlled by the white men which practiced discrimination indiscriminately!!

The worst part, >95% fertile arable land were in the possession of the the white men!

Farming activities were the single most familiar work that the Rhodesian coloured people were capable of doing, and the <5% remaining fertile land were definitely insufficient for all.

Thus Mugabe decided to nationalise the white men owned land for the survival of his people. This created the wrath of the British government, and together with all the other major English speaking countries of the world, Mugabe was declared as a "white men's burden".

Zimbabwe will never improve economically under Mugabe, say them!!

Dear Tun,

The Opposition tripartite collusion of PKR, PAS and DAP cannot, must not and should not be allowed to win the PRU 13 for the following compelling reasons

1. For the Opposition to win the Malaysian General Election 13th with the majority seats in the Dewan Rakyat means a revolution of sorts in our beloved country. The outcome may be similar to that of Egypt which is still in turmoil with no end in sight.
2. Opposition wins means there is uncertainty and risks which are not conducive to healthy business environment. Opposition victory at the poll would bring about unprecedented panic in the stock market and a sellout especially of government linked blue chips counters. The scenario is reminiscent of the 1997 Asian economic crisis. As a result, domino effect of business failures become widespread. The populace would be restless and the economic prospect and horizon is gloomy and dismal, to say the least.
3. The outcome of choosing a government is not exactly like the final of a football match. The victorious football team triumphantly takes away the championship cup, does a victory lap and that is the end of the story. Should the Opposition wins the majority seat in parliament, that is the beginning of trouble for Malaysia.
4. We do not have a precedence of Opposition winning the General Election in Malaysia. For the past 55 years we enjoyed political stability, relative racial harmony and economic well being and prosperity. Now we see the Oppositions are agitating and instigating dissent and hatred against the legitimate ruling coalition of Barisan National government.
5. The seed of hatred and abhorrence of the ruling Barisan National has been indoctrinated daily during Opposition campaigning, foreign funded alternative media harping on baseless accusation of UMNO corruption as their clarion call and election slogan. All sorts of accusations are levelled against the BN, including murder of Mongolian prostitute to bribery of government minister and threatening and intimidating of material witnesses.
6. This is tantamount to a built-up of anger equivalent to that of the French Revolution. The aftermath would be equally frightening. More than a million civil servants, police personnels and military officers may be fired and replaced by the Pakatan Rakyat supporters recruited from BERSEH rally, Mat rempit and Hindraf members who are ardent activists of the Opposition. The ensuing jubilation of the Opposition, the jeering, taunting and insults hurled at the vanquished BN supporters may bring about violent reaction and bloodshed in the streets of the major towns and cities.
7. We are yet to witness unbridled democracy at its worst, anarchy, violence, chaos, mayhems, revenge and what evils in humans to surface. Malaysia

would be in turmoil and upheaval in the event of a change of government. We would forever bid farewell to peace and prosperity in our beloved Motherland, Malaysia. Some of us may have to look for another Nanyang to rebuild life anew. Fiji? But Colonel Rabuka is waiting with a machine gun to shoot uninvited immigrants.

For those in the dark about what is what. Sime Darby plc was the first British big corporation to be controlled by the Bumiputras on free market terms. Strange to say 2 private Singaporean corporations assisted and were rewarded handsomely later. That was in 1976. The rest is history.

Vote BN. All Malaysians especially the Malaysian Chinese. The BN as led by the UMNO and 14 component parties have done a lot for the citizens even before some of the Opposition were born. Do not be misled.

YABhg Tun,

When Datuk Seri Anwar Ibrahim formed PKR on a multiracial platform, he has lot the right to represent and protect the Malays because he's the leader of all, although he may be a Malay. Malays must understand and accept this concept. The multiracial concept. The " kalimah Allah " is one good example. He cannot be seen on the sides of the Malays/Muslims.

He is the leader of all races, the fact that he was bestowed the paramount leader or the huguan siou by the Kadazan Dusun prove this point. The Kadazan Dusun can no longer have a leader from their own race because they cannot be two paramount leader or huguan siou from amongst them. He represents them not just politically but also culturally, meaning, for example, in the event that he is served with "tapai" or rice wine, he must drink it by virtue of being their leader.

If we accepted this concept, they will finally be only one leader from amongst us. If Indian used to have Datuk Samy Vellu as their leader once....that will be no more. Same goes with the other races. But, don't get me wrong. Our

leader need not necessarily be a Malay. He/she for all you know might be an Indian of origin or Chinese for that matter.

Assalamualaikum Wbt,

1. `Ada yg komen` jgn dijatuhkan kerajaan Islam spt jatuhnya Hosni Mubarak, puppet A.S & Israel yg Munafik tetapi Muslim ! Sy amik contoh apa yg berlaku di Syria yg bukan semata2 konflik Sunni & Syiah. or Islam & Kristian, mmg betul Basyar xdemokratik, mmg betul rakyat dia tuntutan besarkan lg ruang tuk demokrasi, sejak dr bapak dia lagi. Sedang Basyar bmazhab Alawite ! Ok di M`sia, rakyat minta besarkan lg demokrasi, sejak dr zaman bapak Najib lg, bersihkan keraguan daftar undi. Semua ni mmg lumrah tuntutan rakyat negara ke 3.

2. Elit politik di Syria, Ex-Mesir, Ex-Libya sama jer dgn politik di M`sia or negara dunia ke 3 lain yg zalim, ganas, rasuah & rakus curi harta negara spt negara2 Islam yg tumbang akibat Arab Spring ! . Jika Iraq hanya eksport Petai, Jering & Cencaluk pasti Iraq xkan diserang ! Jika Iran just ada Budu & xdak Petrol & Gas maka Iran xkan dikenakan mcm2 sekatan ! Yg sebenarnya serang Iran, Syria & (Mesir selain pembangkang) ialah imperial Anglo-Amerika or bahasa kasar `kapitalis bertuhan untung maksima`, utk kuasai hasil bumi Iran, Syria & Mesir ! napa xserang Turki, kan Turki ada minyak, ada ker ? Napa Arab Saudi, Qatar, xdiserang, aman jer, sbb 2 negara ni barua setia AS spt ex-Mesir dulu, & AS plak tunduk pd Israel ! Sedang `2` telaga minyak di Saudi & Qatar milik AS... M`sia & Brunei `2 budak setia` AS di rantau Melayu, malah Msia hantar askar ke Afghan bantu AS. Msia juga sdg bantu Arab Saudi redakan api kebangkitan rakyat Bahrain tuntutan demokrasi b4 terjadinya ala `Arab Spring` tuk tukar pemimpin. M`sia blh berdagang dgn Israel senyap2 & lantik pula perunding yahudi APCO tuk bantu naikan imej PM ! Xcaya gi check kat kdutaan Saudi & Qatar bila dorg nak election ?

3. Apa yg bezakan kita ngan Syria, yg bagus pada hemat sy, Basyar & bapak dia dari dlu terang2 sokong angkat senjata bg sokongan kpd perjuangan Hisbullah & Hamas lwn Israel, means xtunduk pada AS. Syria & Iran sama2 tentang Israel dr dulu, so b4 Amerika dpt jatuhkan Iran, Syria mesti dijatuhkan dulu. Pandangan sy, rakyat Syria dlm masa sama ingin dr dulu lg nak jatuhkan Hafez melalui sistem demokrasi & anaknya Basyar yg kotor dlm pemerintahan walau baiknya Syria Vs Israel. Sama cternya rakyat Iraq yg bencikan Saddam walau ex-Iraq anti barat.

4. Rakyat M`sia wajib bangkit lawan kjaan yg terang2 menipu pilihanraya tuk kekal bkuasa kaut kekayaan negara tuk peribadi masing2 ngan alasan jaga `bangsa` & agama...apapun correct, Syria jauh lebih kejam tangani rakyatnya yg mmemberontak dlm masa sama Msia xkurang kejamnya tangani rakyat yg lawan mereka melalui tuntutan demokrasi, cuma kita lebih buruk lg dr Syria, pemimpin kler ber `sunnah wal jamaah` tp gunakan nama agama menjadi pemuka agama.

5. Huru hara di Mesir sudah bleh diduga coz Dr Morsi perlu lwn saki baki barua Hosni Mubarak yg masih kuasai Mahkamah, pihak2 berkuasa dll. Ya betul kerajaan Hosni Mubarak Islam & ditumbang oleh parti Islam pimpinan Dr Morsi al-Hafiz, beliau pernah mringkuk dipenjara zaman Hosni sptmana

juga Recep Tayyip Erdogan, & Anwar Ibrahim juga bekas banduan politik dgn tuduhan negara masing2 bagi menutup mulut mereka2 ini !

6. Negara kecoh bila DSAI ungkap ayat "I support all efforts to protect the security of the state of Israel," although he stopped short of saying he would open diplomatic ties with the Jewish state, a step which he said remains contingent on Israel respecting the aspirations of Palestinians" konon DSAI ejen Israel & AS. Sedang Recep Tayyip Erdogan lawat Israel pd 2005 bawa delegasi usahawan berdagang dgn Israel & jalin hubungan dgn PM Israel Simon Peres ! Tetapi ketika `Forum Ekonomi Dunia 2009` yg hangat isu `GAZA` dibom, Tayyp berkata `Turkey would have done the same if rockets had been hitting Istanbul from Israel !` & bertekaklah dia dgn Simon Peres dgn berkata " Mr Peres, you are older than I am. Maybe you are feeling guilty & that is why you are raising your voice. When it comes to killing you know it too well. I remember how you killed the children on beaches..." `Upon the moderator's reminder that they needed to adjourn for dinner, Erdogan left the panel`Lihat betapa berani pemimpin ini, persahabatan ekonomi xhalang beliau utk kutuk keras berhadapan dgn Israel, bukan spt Malaysia yg lawat GAZA tetapi xiktiraf kerajaan HAMAS & pulang ke Malaysia dilaungkan rakyat sbg PEJUANG UMAT ? Talam 2 muka ! Najib, berani kritik Israel berhadapan ?

Kesimpulan, SPR dakwa dorg telus tapi if parti lain yg btanding bg bukti adanya daftar pemilih yg ragu2 tetapi still xdak tindakan maknanya menipulah tu.

<http://www.jpn.gov.my/sites/default/files/pdf/keratanakhbar/sabah21092010.pdf> `PTI miliki mykad palsu kena setahun` bertarikh 21/09/2010 & cuba masukkan i/c palsu PATI Sabah tu kat `daftar pemilih SPR` & anda akan dapati selain hampir 3 tahun PATI ni didakwa tapi namanya still lagi sah bakal pemilih hasil PROJECT MAHATHIR !. Byk lg cth blh attach tp tu xubah pendirian hangpa. Teringat ucapan DSAI dulu2 dlm UMNO ` Inilah Satu2nya Parti Yg Dapat Membela Nasib Org2 Kita` ...:)

Allah lebih mengetahui....

You are so so so right DR. M pass all Malaysian wealth to all Malaysian Chinese only until now Petronas, Maybank, TNB, TM, CIMB, Sime Darby, Proton, Perodua, UMW, MAS, Khazanah & etc belongs to Malaysian Chinese. Ha ha ha

something for you to think

Who were the tin miners, rubber estate owners & traders, rice millers, sugar, spice, canned food traders before Independence?

Did Dr.M take away those above mentioned and give to Malays or give more to Chinese?

Nice day to you

Further, after their own King walloped them and followed by the Communists, the military junta took over and walloped them with the support of NATO. Xenos is a Greek like the ancient Malay saying, 'A bean who forgets its pod'.

To all Bloggers, Tun did not enrich the Malaysian Chinese at the expense of the Bumiputras. Remember the promise, a bigger cake for all ! From 1957 to 2003, 750,000 middle income households were created and each has the potential to be millionaires. Go and count ! `What happened to YB Xenophon of Australias nothing` ? XENOPHON dituduh bahayakan negara walhal hanya turun sbg pemerhati bebas pantau SPR yg motifnya memenangkan BN, tetapi penjenayah besar yg lari dr Filipina disorokkan ? MALAYSIA LAW OF THE JUNGLE ! PERBICARAAN PALING CEPAT DIDUNIA !

1) Amalilio, penjenayah dikehendaki Filipina terlibat kes tipu RM895 juta `skim cepat kaya` & lari ke Sabah.

2) Anak saudara KM Sabah Musa Aman & Menteri Luar Anifah Aman yg ditahan ejen Siasatan Filipina (NBI) di Ranau.

3) B4 naik flight, Polis kita tahan mereka, alasan Amalilio warga Malaysia miliki mykad palsu ? 25 Jan tarikh didakwa, 4 Feb after mengaku bersalah & dijatuhi hukuman penjara 2 tahun pada hari sama !

4) RCI Sabah membuktikan Tun terlibat langsung walau tahu sifat Tun yg akan menunding jari salahkan org lain spt DSAI. Spt dakwaan Tun bahawa Tunku pun patut disiasat coz bg kewarganegaraan kpd 1 juta rakyat dlu, namun Tunku xtipu spt Tun yg jalankan projek IC saat2 menjelang GE pada 1994 tujuan tumbangkan kerajaan Pembangkang (PBS) pimpinan Pairin Kitingan. Antara pengkhianat negara terlibat selain Tun, ialah (ex SetPol Dr M), Tan Sri Ab Aziz Shamsuddin & (ex Timbalan Menteri Dalam Negeri), (Tan Sri) Megat Junid (Megat Ayub)

5) Apabila dtg musim Maulid Nabi kita ckp soal Nabi & teladan dlm kepimpinan. Nama Nabi s.a.w hanya sekadar modal politik sedapkan bicara di dpn rakyat. Di mana Nabi & kepimpinan negara umat Islam kita dlm amalkan sunnah nabi ?! Semasa perang Badar, tentera Islam mempunyai jumlah kenderaan yg sgt terhad. 70 ekor unta dikongsi oleh kira2 300 orang tentera. Nabi berkongsi dgn `Ali Abi Talib & Abu Lubabah. Memandangkan pangkat Nabi & mereka berdua lebih muda dari Nabi maka mereka minta agar Nabi shj yg gunakan unta tersebut. Namun, dengarlah jawapan Nabi s.a.w kpd mereka:

"Tidaklah kamu berdua lebih kuat daripadaku, & tidak juga aku org yang paling kurang memerlukan pahala dibanding kamu berdua" (Riwayat Ahmad, Ibn Hibban) . Pemimpin bukan pelacur yg menjual diri bg mendapat upah undi. Pemimpin x boleh tipu rakyat dgn pemberian yg mengkaburkan spt `BR1M` apatah lg menipu utk terus berkuasa bg dptkan undi sedang kesemua itu x dibina atas kejujuran terhadap negara. Lagi buruklah jika calon yg menang dgn cara menipu & berhadapan rakyat mengguna pula agama utk modal politik !

Kesimpulan, `Ketika Kuat Pun Menipu, Lemah Lagi Banyak Tipu` . Hosni Mubarak bukan jatuh melalui peluru sesat/ mati di bom spt Altantunya, tetapi internet...Jgn cerita tentang SPR telus lah tumbangny kerajaan2 negeri 2008, tapi jika SPR bersih nescaya lebih byk lagi yg tumbang. Bukan soal menumbangkan sesiapa, tetapi soal telus & biarkan rakyat menentukan jika PR / BN yg patut dihukum.

Allah lebih mengetahui apa yg kamu sorokkan....""

Kepada Tuan Shaik Mohd Shaszeri,

Tuan nampak cepat menuduh orang lain menipu dan menyorok. Apakah bukti yang Tuan kemukakan yang SPR menipu, BR1M menipu dan semua

orang menipu. Seronok sangat ke Tuan hendak tengok jatuhnya kerajaan islam dan Melayu seperti jatuhnya kerajaan Hosni Mubarak. Tahu kah Tuan bahawa negara Mesir masih huru hara sampai sekarang. Menang kalah, kekal dan jatuhnya sesebuah kerajaan bukan seperti macam main bola sepak final. Cuba Tuan bayangkan akibat kekalahan Perikatan pada pilihanraya 1969. Rusuhan dan pembunuhan antara kaum telah berlaku dan ramai rakyat jelata, jiran tetangga yang tidak berdosa menjadi mangsa perbalahan kaum, gara2 penghinaan orang2 Cina yang menang terhadap orang2 Melayu yang kalah, dengan laungan 'Melayu balik kampung!!!', Melayu bodoh, malas dan lain2 kata2 kesat' Kali ini mungkin tambah 'Melayu tipu, BR1M tipu dan SPR TIPU'. Cuba Tuan perhatikan sekarang benih anti islam dan anti Melayu menjadi semakin lantang dibantu oleh petualang dan pembelot agama dan bangsa seperti Tuan. Sudah2lah menuduh sesama islam yang bukan2 dan tanpa bukti yang sahih. BR1M iaitu BANTUAN RAKYAT SATU MALAYSIA. Bantuan ini diadakan dengan niat ikhlas dan baik untuk membantu rakyat Malaysia yang miskin tanpa kira kaum. Ianya dilakukan mengikut undang2 dan saksama. Tidak patut sama sekali untuk sesiapa yang dengki, buruk sangka dan memburuk2kan bantuan murni ini.

1. Pesan Rasulullah SAW yang bermaksud, "Sesiapa yang menutup aib manusia lain di dunia, nescaya Allah akan menutup aibnya pada hari akhirat." (Hadis riwayat Muslim)

2. Baginda Rasulullah SAW bertanya kepada Muaz bin Jabal yg diutuskan ke Yaman sebagai Hakim, "Apabila kamu dihadapkan dengan sesuatu masalah, bagaimana engkau menghukum?" Muaz menjawab, "Aku menghukum seperti dalam al-Quran." Baginda bertanya lagi, "Jika tidak ada dalam kitab?" Jawab Muaz, "Aku menghukum seperti yang ada dalam Sunnah Rasul." Baginda meneruskan soalnya, "Jika tiada dalam Sunnah Rasul?" Kata Muaz, "Aku akan berijtihad berdasarkan fikiranku." Lalu Baginda menepuk dada Muaz sambil berkata, "Pujian bagi Allah yang memberikan taufik kepada perutusan Rasul seperti mana yang diredai oleh Rasulnya."

Xenophon is a Greek or Grecian (as President Bush Jr called them). The Greeks were conquered by the Turks of the Ottoman Empire, 1492 to 1918. Hitler walloped them in 1941. In the late 1940s their own King walloped them followed by the Communists. By the 1960s, they migrated to Oz in droves setting up Italian restaurants but not Greek. A few years ago, the Greeks were walloped again on Cyprus by the Turks. The Greeks hate Muslims. Xenophon=Erdogan ? Salam Tun.

As the name suggests, this sexnophon is very much linked to the sex maniac Anwar!

Are they also brothers in se_?

Malaysia should have chased out that ikan yu too, the little shark that prey on Singapura Malays, when he came to celebrate the PR wins in Penang and Kelantan.

Maybe N.Ajis and other PAS leaders should return the courtesy call of ikan yu and visit Singapura's victorious Labour party candidates!

I can still recall & visualize the proud looks of N.Ajis while HUGGING that kafir laknat ikan yu, who is indisputably anti-Malay and anti-Islam!!

Dear Tun,

Bravo Dr Jafri, enjoyable to read your posting. As for last sentence , I would write flies and shit are attracted to Vell Paari because they are of the same category.

There are people in Malaysia who can view the US system and govt with

pride and love, where their infatuation with the Mat Salleh knows no bound, like Anwar to Soros or Village People to Anwar.

Illustratively, their dubious affinity is not unlike a blonde Chinese woman flirting particularly for a Caucasian man's attention in a crowded bar in downtown Singapore, and despite Vell Paari's loud dress and mouth, he could do nothing to arouse her or her attention but only to a disdainful distraction of the pariah kind. Vell Paari is so confused why Xenophone gets all the chicks, but he only gets all the bills. This is so un-happening for a Tamil movie director of strategy. Ayoyo ... Cut !!!

It is one of the surprises of creation, but then every created being loves something. The fly loves shit, whilst the bee loves honey.

And then again, in an isolated stinking case, even fly and shit avoid Vell Paari."
