

TPPA
Chedet.cc
31 December 2015
Tun Dr Mahathir Mohamad

1. The Government could not care less for whatever opposition that is voiced by anyone in Malaysia or abroad against signing the TPPA. It will go ahead and sign.
2. The MITI Minister assures us that we can get out of the agreement anytime we want.
3. Yes indeed we can. But it is not going to be easy and the cost would practically bankrupt us.
4. In the TPPA agreement companies can sue Government for loss of profit including future profit if Government action results in the loss.
5. In one case in a Latin American country, for reasons of massive pollution, the Government decided to stop the mining operation granted to an American company. The company then sued the Government for loss of profit, including future profit amounting to several billion US Dollars.
6. A decision to withdraw from the TPPA will obviously result in loss of profit and future profits by companies investing in Malaysia or trading with Malaysia.
7. The withdrawal will involve numerous companies and the purported loss will run into hundreds of billions. The court will not be ours where we can count on sympathy and concern for what will happen to our economy and finances. There is also no way we can pressure or bribe the courts. We will just have to pay the billions.
8. So please don't talk about extricating ourselves from this treaty for controlling trade and investments called the TPPA. It is not for promoting free trade. It is entirely dedicated to regulating trade.
9. Against this perhaps we should remember that when we had entered into no such treaty we became the 17th biggest trading nation in the world. We were free to protect ourselves and to devise policies beneficial to all of us Malaysians. We grew fast at that time. We traded with whomever we liked.
10. I can say a lot of other things which are bad about the TPPA. But the Government wouldn't care of course. The Government will do what it wants to do. Don't ask why. You know what answer you will get when you ask the Government any question.

VERSI BM

TRANS-PACIFIC PARTNERSHIP AGREEMENT (TPPA)

1. Kerajaan tidak kisah apa jua tentangan yang disuarakan oleh sesiapa sahaja di Malaysia atau di luar negara terhadap menandatangani TPPA. Ia akan terus menandatangani.
2. Menteri Kementerian Perdagangan Antarabangsa Dan Industri (MITI) cuba meyakinkan kita bahawa kita boleh keluar daripada perjanjian itu pada bila-bila masa yang kita mahu.

3. Ya, memang kita boleh. Tetapi ianya tidak akan menjadi semudah itu dan kosnya boleh muflikan kita.
4. Dalam perjanjian TPPA ini syarikat boleh menyaman Kerajaan kerana kehilangan keuntungan, termasuk keuntungan masa depan, jika tindakan Kerajaan mengakibatkan kerugian itu.
5. Dalam satu kes di sebuah negara Amerika Latin, atas sebab-sebab pencemaran besar-besaran, Kerajaan telah memutuskan untuk menghentikan operasi perlombongan yang diberi kepada sebuah syarikat Amerika. Syarikat itu kemudian menyaman Kerajaan beberapa bilion Dolar AS kerana kehilangan keuntungan, termasuk keuntungan masa depan.
6. Sesuatu keputusan untuk menarik diri daripada TPPA sudah pasti akan menyebabkan kehilangan keuntungan dan keuntungan masa depan oleh syarikat-syarikat yang melabur di Malaysia atau berdagang dengan Malaysia.
7. Penarikan diri ini akan melibatkan banyak syarikat dan jangkaan kerugiannya dikatakan boleh mencecah beratus-ratus bilion. Mahkamahnya bukan milik kita di mana kita boleh bergantung untuk simpati dan prihatin terhadap apa yang akan berlaku kepada ekonomi dan kewangan kita. Tidak ada cara di mana kita boleh memberi tekanan atau merasuah mahkamah. Kita akan terpaksa membayar berbilion-bilion.
8. Oleh itu, tidaklah perlu bercakap tentang melepaskan diri daripada perjanjian bagi mengawal perdagangan dan pelaburan ini, yang dipanggil TPPA. Ianya bukan untuk menggalakkan perdagangan bebas. Ia adalah khusus untuk mengawal selia perdagangan sepenuhnya.
9. Berbanding dengan ini, mungkin kita perlu ingat bahawa apabila kita tidak memeterai sebarang perjanjian seperti ini, kita menjadi negara perdagangan ke-17 terbesar di dunia. Kita bebas untuk melindungi diri kita sendiri dan merangka dasar yang memberi manfaat kepada kita semua rakyat Malaysia. Kita tumbuh dengan pesat pada masa itu. Kita berniaga dengan sesiapa sahaja yang kita suka.
10. Saya boleh banyak berbicara tentang perkara-perkara lain yang tidak baik mengenai TPPA. Tetapi Kerajaan sudah tentu tidak akan mengambil berat. Kerajaan akan melakukan apa saja yang ia mahu lakukan. Jangan soal mengapa. Anda tahu apa jawapan yang anda akan dapat apabila anda bertanya kepada Kerajaan sebarang soalan.

Assalamualaikum Tun,

My little brain knows so little or nothing at all about TPPA but my clear head and mind wants to throw out a few thoughts in this area.

Tun, we are dealing in a do or let die issue here. After all the handlings of this issue, it leaves me a feeling of uneasiness. Tell us, Tun how should we tackle this situation. Do you think Malaysia should be more watchful and not be tricked or trapped by TPPA.

Tun, I believe once you are in an agreement and signed in black and white then you're forever bind by it.

It's like a declaration that you are for him and with him. Who is this him?..only he who signs it knows. You are forever obedient to the 'Authority'. You cannot challenge to combat or refuse or express defiance. There's no way you can get out of it unless you're willing to sacrifice something for that precious freedom. Isn't that how's business goes about, Tun. I don't know. I have sold biscuits for charity during my school days, that's about it. Tun, business is a gamble on risks and hopes. Allah forbids gambling but this is just a figure of speech. Good or bad fortune depends on how that person manages his business, either through honesty or deceit. DSN is not only a top civil servant of the government of today but he also ventures into business..what is it..wheeling and dealing hartanah of Malaysia, the buying and selling of land in Malaysia to cover up debts?

Anyway Tun, is Malaysia really 10x ready for TPPA. My confidence in DSN and his chiefs has been dented by their ignorance of the people's disparages, worries, grouses about the facts, controversies, questions that still linger in their minds. I hope we will not be thrown into a den of thieves, swindlers, deceivers, imitators and fakers. I think there's a lot of the nays than the yeas. DSN and his chiefs should stop and listen to the peoples' worries and exasperations first before he does anything that might ruin our beloved nation, who knows only Allah knows best. DSN should not create anymore pains to Malaysia in 2016. Give due and fair consideration to the peoples' fears and tears, our thoughts matters and relevant. Malaysia is not his, or anyone, to do as he pleases.

Tun, isn't it better to be a free country, be free to trade with any country according to our own trade and commercial laws that give benefits and profits to all fairly and equally.

Is Malaysia free, Tun?. Eventhough the western culture, muzik, food are here to stay, but our strong eastern culture and religious beliefs help us from falling to their preys.

Our future generations will judge us on the compassion we showed. But we should not submit ourselves and be like slaves to the so called superpowers and their doctrines. We are only slaves to Allah and to Him alone. May Allah forgive us and save us from the turbulances of the dunia and the hereafter.

Tun, May Allah forever Protect you. May Allah Bless you Always. Take care and Thank You Tun.

For wajaperak. You find it OFFENSIVE reading the only person who dares to say

" I STILL SAY THAT THE CLOSEST AIDES CAUSED ALL THE SCANDALS AND BLAME THEM ON OUR DISTINGUISHED AND HONOURABLE (YAB) TUN DR MAHATHIR MOHAMAD AND OUR DISTINGUISHED AND HONOURABLE (YAB) PRIME MINISTER DATO SERI NAJIB BIN TUN HAJI ABDUL RAZAK. "

Hence, by reading the spiel once, you agree with me. Thanks ! I am sorry ! Please do not read it again if you find a second reading OFFENSIVE because I appreciate your agreement to all that have been said

All distinguished and honourable personalities are our ICONS which will be part of our long HISTORY as those who contributed to the building up of a Nation.

If we become iconoclastic at every turn of the captalistic cycle in a small country soon we will have no one left.

NOW, SO MANY OF OUR CAPABLE MALAYS, CHINESE, INDIANS AND ALL ARE LANGUISHING BECAUSE OF BUSINESS MISTAKES WHICH THEY TRULY REGRET. IF WE KEEP ON DESTROYING HISTORY, WE HAVE NO NEED TO HAVE A FUTURE.

For isayso,

Many thanks for your excellent response to the use of the honorifics, Distinguished and Honourable Dato Seri isayso.

Actually my learned lawyer advised me to 'ignore dummies' (his words, not mine) who use pseudonyms on Blogs. However, we have been friends since your Sime Darby days and you now have achieved the Malaysian Dream and we are Malaysians. I have no hatred for you, I told my learned friend, "Never mind !"

On 1MDB, it is not my concern because to me it is just one of the 100 GLCs now sloshing around in our beloved Malaysia. I am not interested.

Let me tell you a true story.

One morning in the early 1980s, the younger sibling of Lee Kuan Yew rang me up and said without the usual felicitations, ' Tell your brother not to bring young girls to the Balmoral Park flats. He is so old and they are so young !' (Apparently this is not the Norm in Sinagpore as the 2 Child Family Policy was still in operation) With this, he cut-off the line. I was not perplexed or upset because I thought that since I was not the MORAL POLICE OF SINGAPORE, it was not my job to be one. I did not do anything because it was also not my business.

However, a few months later, I hired a limousine which was owned by a Singapore Government company complete with an ex-Police Sergeant as the driver to spy on my sexual peccadilloes. I did not have any ! I asked him whom he worked for. He replied, ' The Big Boss's brother.' 'Oh! Oh! Oh!' I said. Out of curiosity, I asked him again, ' What did you do for this Big fellow's brother ?' He replied

nonchalantly, ' Sometimes, I ferry his friends to his place.' It is a small, small World. This is the truth and nothing but the truth. I do not tell lies.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! THE WORLD, CHINA AND SINGAPORE NOW LOVE UMNO ! UMNO BOLEH !

Dear Tun,

For Mubarakchan, your distinguished and honourable commentator in your great blog.

Well, I'd rather be a Conservative. To be sure, I am a Moderate. I am for free speech as well and I have no qualms whatever honorific you choose to paste on Prime Minister Najib. I also do not mind the racism propounded by certain individuals in this blog. But it is my right to deem any honorific you choose as inappropriate under the circumstances that we are confronted with, whether you like it or not. Accept the fact we can disagree on matters and do so without branding people who disagree with you as a member of the opposition or LKY is my hero. Nothing you say can rankle me or anyone else for that matter.

If you are right that the RM2.60 billion that went into PM Najib's personal bank account had been caused by closet aides, what is the most charitable take from such a (ridiculous) claim?

If what you say is true then, in essence, we have a PM who cannot tell right from wrong, who cannot think or who does not how to control his closet aides in a matter as big as 2.60 billion. I agree with you the PM or a huge corporation's CEO may not know everything but this not pocket change we are talking about or trifling cases of directors being told to hand in their lesen beras. PM Najib is a highly educated and intelligent man. How could he have been so careless, clueless and brainless? And to provide his bank account details just like that? And all the acts to stymie the investigations, etc were committed without his knowledge were also aides gone wild? To make a claim as you have done is thus an insult to PM Najib's education and intelligence.

He knew what he was doing!

Saya mohon ruangan.

[I STILL SAY THAT THE CLOSEST AIDES ARE RESPONSIBLE FOR ALL THE SCANDALS WHICH THEY BLAME ON OUR BELOVED Distinguished and Honourable (YAB) TUN DR MAHATHIR MOHAMAD]

[AND OUR DISTINGUISHED AND HONOURABLE (YAB) DATO SERI NAJIB BIN TUN HAJI TUN ABDUL RAZAK]

Tun.

Your most HONOURABLE AND DISTINGUISH BLOGGER KEEP grinding and grinding his fact that we and I mean we the majority of your blog find it odious if not offensive..

PLEEZEE!..

Please use the magic word IN MY HIGHLY SOUGHT VALUABLE OPINION!!!

Tun..

Hidup ini serius.Amat serius tetapi keseriusan hakikat ini amat tidak dimengertikan oleh kebanyakan diri kita bak kata orang melayu..

Life is so serious.The severity of life escape our understanding and comprehension until death come knocking..but it will be too late then..

Tun.

Dalam mengharungi hidup ini kita mesti pilih apa panduan hidup yang ingin kita percayai dan pegangi.Saya dan rakan-rakan serta saudara muslimin saya memilih agama Islam sebagai pegangan dan kepercayaan.

Dalam memahami Islam yang mudah ini ada tahap kecekapan masing-masing mengikut darjah atau kata lain there is the degree of understanding and the hierachy of comprehension.

Dalam hal ini saya amat tidak bersetuju dengan Mubarak Chan.

Mungkin satu masa nanti saya dan Mubarak Chan serta pengikut-pengikutnya yang ramai dan 'DISTINGUISH' and 'HONOURABLE' berbeza kefahaman akan mencapai satu kefahaman.

Sebelum kami mencapai tahap itu saya dengan tegas menyatakan

YOUR FOOD IS DEFINITELY MY POISON!!!!!!!

Terima kasih Tun.

The claim that DAP would be offered money in exchange for an Israeli naval base
Lim Kit Siang denied this as accused ? It's his right anyway

The Questions is

Did he receives the money though not in exchange for naval base ?

Smells same as Najib receives Donation

Well to Hell or to Heaven

We Malaysian will not allow our Govt nor Opposition

to have affairs with others even our neighbor

Its a Betrayal to our Nation

UMNO must work hand in hand with PAS

As much as seen DAP as have been working along with PAP an outsider

I Hope 2015 is a Wake Up call for Najib

To be serious in handling foreign affairs

He must put Malaysia interest , Malaysian importance above all

Nor be Mr.Niceman to Foreigner

Local Swears and Curse him

He must learn this from Lee Hsien Loong , perhaps Lee Kuan Yew years before
As they are very good at protecting their interest
As much heard as Kiasuism
Najib must not be the Asal Bolih Pemimpin

For isayso. As an ordinary Malaysian, I say to you Distinguished and Honourable (YAB) Dato Seri DM and also to your leader the Distinguished and Honourable (YAB) Leader of the Opposition, I have always addressed our Distinguished and Honourable Prime Ministers of our beloved Malaysia since 1957 to this day 2015. I do not know of any other form of honorifics which you may have. I mind my own business. However,

I STILL SAY THAT THE CLOSEST AIDES ARE RESPONSIBLE FOR ALL THE SCANDALS WHICH THEY BLAME ON OUR BELOVED Distinguished and Honourable (YAB) TUN DR MAHATHIR MOHAMAD AND OUR DISTINGUISHED AND HONOURABLE (YAB) DATO SERI NAJIB BIN TUN HAJI TUN ABDUL RAZAK.

isayso Distinguished and Honorable (YAB) Dato Seri DM do not force others who have the freedom of speech, the freedom of thought and the freedom of expression like all the Rakyat to have your OPPOSITION view of others whom you do not like.

I thought you folks are LIBERALS AND MODERATES. Have I got you wrong ?

Assalamualaikum Tun.

HBT,

Tun pernah berkata seorang pemimpin boleh bekerja dengan sesiapa sahaja.

Tiada alasan. Kalau kita salah, kita terima. Kalau orang bawahan kita salah kita bangkanglah.

Kalau kita tak suka, maka kita tinggalkan, jangan mencaci.

la bukan berkenaan politik atau perniagaan. la berkenaan sikap dan karakter pemimpin.

Berjawatan PM tidak semestinya anda punyai karakter dan sikap sebagai seorang pemimpin.

Seorang pemimpin sepatut ambil tahu semua hal berkenaan agama, budaya, sosial, ekonomi (untung rugi) dan keselamatan.

Bukan senang untuk menerima sebarang jawatan terutamanya jawatan PM.

Disebelah kiri dan kanan seorang pemimpin adalah NERAKA dan SYURGA.

Terima kasih Tun.

Dearest YAB Tun,

1. DSN & gang don't care about the common people's welfare and also the well-being of our beloved country.

2. To those BN/UMNO leaders who support TPPA, all of you are also traitors ('pengkhianat') to our 'bangsa and negara'.

3. I believe the majority of the Oppositions leaders are quite happy to see DSN & gang mess up this country further by signing the TPPA. More Malaysians will reject DSN & gang, and the Oppositions can easily win PRU-14.

4. DSN & gang are sabotaging themselves...Clap..clap...clap..."bod*h tak boleh diajar, sombong tak boleh ditegur, pandai tak boleh diikuti..."

5. News about PM Najib @ Ah Jib Gor (it is an embarrassment to still have DSN as our PM):

<http://www.thestar.com.my/news/nation/2016/01/03/pm-on-working-visit-to-saudi-arabia/>

After 'missing in action' for several days especially on 1 Jan 2016, now he is in Saudi Arabia. Hopefully, he and Co. used their own money while on holidays...

6. Can the PM and his family members /gang use our 'official jet' (Government's facilities and money) for their own 'personal agenda / gains'?

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Tun

For isayso. Felicitations to you and all for 2016.

Since you, who is a closest aide and Distinguished and Honourable Dato Seri (Kedah) to the Opposition leader, I must explain about certain words which were used by me in my Comments and taken out of context by you in your profound expressions of discontent in this distinguished Blog.

I still say that it was the CLOSEST AIDES which put the blame for all the scandals on our beloved Tun Dr Mahathir Mohamad, a Great Statesman of the World, and our Distinguished and Honourable Prime Minister Dato Seri Najib bin Tun Haji Abdul Razak.

Facts. In the case of our beloved Tun Dr Mahathir Mohamad,

i) he did not know about the intricacies of the BMF Scandal. It began before his Premiership.

ii) he did not know what trading on the London Commodity Exchange entailed in the tin caper. It was the closest aide who was the expert.

iii) he did not know that the Japanese associate was unwilling to pass the technology to build the engine for Proton. Who did ? It was the closest aide.

iv) he did not know that Perwaja was supplied with unsuitable machinery.
Who did ? It was the closest aide.

v) he did not know that outside forces would put a stop to the Bakun Dam which would have been a great success because Britain is considering laying down a power line from Iceland to Britain.

Fact. In the case of our Distinguished and Honourable Prime Minister Dato Seri Najib bin Tun Haji Abdul Razak.

i) he was completely misled by a closest aide who should have better ideas than bungling to create embarrassment to all and sundry..

ii) he had to rely on his closest aides as we could see in the Press Reports in recent days. IT WAS ALL ABOUT HIS CLOSEST AIDES.

WE DO NOT EXPECT OUR DISTINGUISHED AND HONOURABLE PRIME MINISTERS TO KNOW ABOUT JAPANESE, CHINESE AND ARAB COMPANIES TO RUN AROUND DOING DEALS. THEY ARE STATESMEN, NOT ENTREPRENEURS.

isayso, Sir. Just like you, our Distinguished and Honourable Prime Ministers expect their CLOSEST AIDES OR FLUNKEYS NOT TO BETRAY, EMBARRASS AND BLAME THEM BY CREATING SCANDALS THROUGH BUNGLING DUE TO THE LACK OF EXPERIENCE OR INFORMATION ! In every case, this has happened with only one exception !

And your hero, Lee Kuan Yew mentioned in the 1st Volume of his biography that as he lounging with his wife drinking tea out of fine English China on the Istana lawn one lazy afternoon, he saw his butler picking the ball for his kids. isayso, Sir. Different strokes for different folks !

Please note that you, isayso and our Distinguished and Honourable Prime Ministers are on a different status level from me. With this realization, I hope you view my factual Comments in a different light.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! THE WORLD, CHINA AND SINGAPORE

Very much seen Najib could not lead
He himself don't know where he is heading
He just know He is a PM and act like one

Seen Najib just follow the flow not knowing his directions
S,pore wants Apple he give Apple
Obama want orange he gives orange
Rakyat Malaysia left with Kangkong

It's out most important A Leader must know his directions
He must braves the waves to reach our destinations
One must know when to say Yes when to say No for an answer

We cannot allow Leader to continue to make huge mistakes
One after another
Najib settling of selling lands to China to cover his weaknesses, debts on 1MDB
Is indeed another stupid ,irresponsible, clumsy decision
It does not solves
It does not solves to clear his image also at the expense of Malaysia

I,m quite speechless seeing my leader continues his stupid clumsy repeated mistakes
It very mush seen as irresponsible
An easy way out to solves his personal image problems
He is Done . Once Bitten Twice Shy

What a waste . This is what the malay saying Bodoh Sombong
Tun Mahathir is proven an excellence leader
Regardless of Tun retirement Tun is always for Malaysia
His Blogs proves , his voices proves , his intentions tells it all
Unfortunately Najib Bodoh Sombong instead od listening to Tun
He turn his back on Tun
Tun Mahathir may not be a perfect Leader as none exists a perfect Leader
Tun is Mature ,Experience and He is still around for Malaysia
Najib should by all means take advantage of Tun
This to my opinion that causes the goes wrong

So what's next ?
Expecting for Miracles to happen ?

It is now UMNO has to make that moves
UMNO ,Malaysia ruling needs a Big Revamp a Big Reshuffling

TPPA or whatever next is never important
If we are unable to have the Right Leadership , the Right People
The Right Chemistry for Malaysia

Assalamualaikum, Tun.

Memandangkan TPPA ini memberi kesan yang begitu besar ke atas masa depan Negara, baik kerajaan mempertimbang adakan satu sesi pengundian umum sama ada Rakyat mahukan TPPA atau tak.

Yang dipandang sekarang, jika Malaysia tidak menyertai TPP, kemungkinan Malaysia akan ketinggalan. Sepuluh tahun yang lalu, Malaysia jauh lebih maju daripada Thailand, tetapi Thailand nampaknya lebih berjaya sekarang. Apakah dalam tempoh sepuluh tahun yang akan datang, Vietnam yang dipandang ketinggalan sekarang akan berkembang dan menjadi lebih maju daripada Malaysia?

Malaysia kini terlalu berfokus ke atas isu-isu politik, daripada polisi-polisi kerajaan yang boleh memajukan Negara. Dan, yang mengecewakan ialah adanya sekumpulan yang mahu mengapi-apikan keadaan dengan isu perkauman seperti PERKASA dan ISMA!

24. You are absolutely right, sir mubarak chan.

25. Malaysia has unique free malaysian style and free capitalism under iconic umno.

26. It will be better off for mca to mind their own business.

27. Why?

28. When mca makes noise, it will always the chinese voters suffered most.

29. Once bitten, twice shy.

30. If mark zuckerberg could gave 100% speech in putonghua in chinghua university in beijing, I dont see any reasons why chinese banana cant learn chinese language.

31. After sg50, next year singapore government is renewing diplomacy and bilateral ties with japan as sj50 because the japanese tradition and culture have a lot of similarity with china, taiwan, hk, and korea too.

32. The late lky invited the independent chinese educationists to work with singapore government by donating his wealth in sin dollar 50 million.

33. He told them singapore's national language will stay put with english due to multi ethnic races, but as government, it is their responsibility to enhance chinese language mother tongue to higher level without pride and prejudice.

34. Why?

35. Because singapore needs to master english and mother tongue language to keep the kinship to move forward singapore.

Assalamualaikum Tun.

Baru-baru ini saya berkunjung disatu majlis kesyukuran keluarga sebelah isteri.

Selepas majlis terselit perbualan situasi semasa kos sara hidup yang menghimpit negara tika ini dan berlarutan kepada cerita politik.

Setahu saya hampir semua keluarga sebelah isteri sebelum ini adalah penyokong tegar UMNO walaupun hanya 2 daripada 20 orang adalah ahli UMNO.

Kami bertukar-tukar fikiran dan diahkhir pertemuan apa yang saya boleh simpulkan bahawa kesemuanya selepas ini tidak akan mengundi UMNO atau BN lagi selagi Najib kekal sebagai Presiden UMNO atau PM.

Rata-rata dari mereka menyalahkan ketua-ketua cawangan dan bahagian UMNO yang bersekongkol mengekalkan Najib sebagai presiden UMNO.

Jadi dari sample 20 kumpulan ini dan kesemua 20 orang (suami dan isteri) bertekad mahu mengundi bukan UMNO pada PRU14, keyakinan saya bahawa PRU14 akan memberi keputusan yang buruk kepada kekalahan BN semakin nyata.

Kepada ketua-ketua cawangan, bahagian UMNO dan yang bersekongkol dengan Najib, saya mensahitkan agar bersedialah kerana selepas ini UMNO SUDAH TIDAK BANGUN SELEPAS PRU14. Kerana PERJUANGAN KAMU SEBAGAI AHLI UMNO BUKAN KERANA NEGARA TETAPI HANYA MATERIALSTIK SEMATA-MATA.

Sekian Tun.

Dear Tun,

Wishing you, Tun Dr. Siti Hasmah and family a happy new year 2016, may this year be filled with hope and blessings for you both and family. Even though most of us do not look forward to a year that's any different from the last 7 – 11 years (Pak Lah – Najib), we are still thankful to God for this life as a whole, and for having you still around for us!

Tun, the TPPA will make the country a subject of the US. Our economy will be subject to the US's trade regulations for this region. We are forced to accept something that will enslave our nation to a foreign power. Our PM is selling this land and its people to outsiders. Generations to come will have to pay for what our PM has done today. And even as the agreement is yet to be signed, some citizens in the capital of the land below the wind have sighted foreign white species with trained built bodies, tattooed arms and legs and sometimes visibly on back of the neck, and army crew cut hair! They are eye catching alright, just like what we sometimes see on tv. To what extent or how long of their stay or how frequent of their sightings by locals...big Question mark. Just for your info Tun.

Tun, let us all be hopeful and pray that our Malaysia would still be our home sweet home for generations to come.

Take good care Tun Dr. Mahathir. Happy new year 2016!

Harap Najib faham Benar madsud kami
Kami memerhatikan dan kami akan Bersuara
Di harap Najib sedar akan Kepentingan Malaysia bersama
Teutama running an Kerajaan sama Kerajaan Asing

Jangan lah Tanah Jadi Habuan Dan Penyelesai masalah
Tentu banyak jalan keluar Jika Kita Bijak memikir Dan me laksanakan
Tanah Bukan untuk di Gadai , Perhitungan Atau untuk menembus Kesilapan

Urusan perniagaan TPPA Yg di teraju Amerika amat membimbangkan
Sebab Amerike akan Menggunakan Kekerasan ,Ugutan , Ketenteraan
Jika Kehendak Mereka tidak dapat di laksanakan

Ini lah Politik Amerika

Ini lah undang undang Amerika Yg di Gelar Demokrasi

Polis Putih membunuh orang Hitam di depan ramai dengan bukti Yg nyata

Masih Tidak Bersalah Begitu juga

Para Pemimpin politik Mereka Yg membunuh ratusan ribuan Manusia Yg Lemah Dan tidak bersalah
termasuk Bayi Dan Anak anak juga Mereka tidak Pertikaikan dan terus membunuh se harian

Adakah Pembunuh Kejam bergini Kita Nak jadikan rakan kongsi ?

Assalamualaikum Tun.

ISIS, TPPA, MH370, RUSSIA, PALESTIN, LAUT CHINA SELATAN, BARRACK OBAMA.

Sudah tentu apabila ditanya Tun, siapa akan ganti kalau Najib diturunkan? Jawapannya tentulah
Muhyiddin Yassin yang menjadi orang nombor dua jawatan semasa itu.

Adakah kita fikir Yahudi juga tidak dapat agak siapa akan gantikan Abdullah Ahmad Badawi selepas
beliau?

Dan apakah kita fikir Yahudi juga tidak tahu siapa yang akan gantikan Tun Mahathir selepas bersara?
Tentulah orang nombor dua.

Apakah kita fikir setiap kejayaan negara kita menangani krisis adalah nasib semata mata tanpa
sebarang perancangan?

Jadi semua orang tahu siapa akan ganti siapa.

Datuk Paduka Mukhriz? Kenapa kita tidak pergi sahaja kepada Marina Mahathir?

Tun Abdullah? Kenapa kita tidak pergi sahaja kepada KJ?

Semua orang tahu.

Terima kasih Tun.

Weather we like it or not, Malaysia under Najib is very much pro-United States. Malaysia is very much involved in assisting the US pivot to Asia by signing the TPPA.

Does it surprise anyone that Najib will lick Obama's ass given the ongoing investigations by the FBI? If TPPA is bad let's be comforted by the fact that, according to Mubarakchan, Malaysia is led by an honourable and distinguished Prime Minister who sings the praises for TPPA. Or maybe the close aides made him do it. A PM who cannot think.

Honourable and Distinguished. Give me a break.

Assalamualaikum Tun.

Mengulas tentang TPPA ini Tun seperkara yang bermain difikiran saya:

1. mengapa PERJANJIAN PERDAGANGAN ini dicipta oleh Amerika?
2. mengapa sebelum berlaku PERDAGANGAN wujud PERJANJIAN?
3. adakah PERDAGANGAN SEDIA ADA selama ini tidak cukup adil untuk semua pihak?
4. adakah TPPA ini satu dari PENJAJAHAN EKONOMI ABAD BARU oleh Amerika?
5. adakah selepas TPPA diterima oleh Najib, kesannya kita terpaksa bersekongkol dengan Amerika bukan sahaja dalam kontek perdagangan malahan politik, dasar luar negara, dasar ketenteraan dan dasar keagamaan global?

6. mengapa BLOK PERDAGANGAN perlu ada dan ini seolah-olah TIADA LAGI PERTANDINGAN SEMPURNA ujud dalam ekonomi moden?

7. alangkah baiknya jika Najib memikirkan kewujudan BLOK PERDAGANGAN ANTARA NEGARA ISLAM agar kekuatan ekonomi negara Islam digeruni dan disegani oleh dunia.

8. jika kesilapan penerimaan TPPA oleh Najib ini memberi impak yang lebih negatif dari positif, satu anugerah yang patut kita berikan kepada Najib iaitu PERDANA MENTERI TERBODOH DUNIA ISLAM.

Sekian terima kasih Tun.

Kelihatan Tun Sudah menukar Topik hangat
Mungkin teguran Dan amaran Dari pihak atasan Dan polis

Ok , ok Lah

Namun apa jua Topik Yg Tun hidangkan
Akan memercik ke Muka pentakbiran Najib
Sebab pentakbiran Negara Amat mustahak
Yg menuju Malaysia pada Kemakmuran
Maka Kita perlu memastikan Kita mempunyai
Pentakbiran Kerajaan Yg Layak

Saya amat suka Kesemua filem P.Ramlee
Beliau manusia Luar biasa
Bukan sahaja sebagai penghibur Malah Beliau layak Jadi Pemimpin Negara
Nak menjadi Pemimpin Negara tidak perlu Manusia Yg berpelajaran Tinggi
Lebih Tinggi pelajaran Beliau mungkin Lebih tinggi penipuan Beliau pada negara
Keikhlasan . Ketulian adalah Kunci utama bagi sesorang Pemimpin
Pemimpin Kita Nabi Muhammad s.a.w pun Bukan lah ber Degree holder
Malah sesorang Yg Buta huruf dimasa beliau

Saya suka sedutan Cerita Ahmad Albab , Hari Jadi Bapa
Dimana Kedua menantu A.R Tompel menghadihkan
Sedulang emas Dan 100 Ekor Kibas
P.Ramlee hanya menghadihkan sebungkus Gula Dan Garam disertakan
Masakan Dan Minuman Yg tidak punya Gula Dan Garam

Begitu juga Pentakbiran Najib
Jangan kau fikir Cash is King
Dah Tak percayakan Tuhan lagi ke ?
Dimana Keimanan kamu ?
Cash 2.6 billion Yg telah MengHina kamu Bukan kami

Harap Pemimpin Kita tidak terbeliak dengan Sumbangan Agenda Luar Yg akan menghancurkan Kita
.Mereka memberi harapan , memberi Habuan dengan Tujuan

Bukan Keikhlasan .Ini akan menghancurkan Kita .Ini Yg saya sebut Pentakbiran Najib Tidak punya Foundation

Salam Tun,

Mahu juga rasanya untuk mengulas tentang TPPA ini, tetapi rasanya saya tidak cukup ilmu untuk ini. Cuma dalam item yang kesembilan penulisan Tun, pada pendapat saya adalah sangat benar terutamanya diawal tahun sembilan puluhan. Tanpa terikat dengan mana-mana pihak, kita benar-benar menjalani kehidupan sesebuah Negara yang merdeka.

Baiklah, saya ingin mengalih sedikit dari tajuk disini dan ianya lebih kepada persoalan mengenai kemalangan yang berlaku pada 4hb April, 2015.

8 bulan telah berlalu, apakah kesudahan siasatan mengenai kemalangan helikopter yang dinaiki oleh Tan Sri Jamaluddin dan Dato' Sri Azlin serta beberapa lagi insan? Dari lapuran awal, ianya disebut ada letupan kedengaran sebelum helikopter menjunam.

Berkemungkinan saya terlepas pandang berita susulan mengenai hasil siasatan, sekiranya ada, saya berharap ada pembaca disini lampirkan pautan berita itu disini, terima kasih.

Terima Kasih Tun untuk laluan ini.

Assalamualaikum Ayahanda Tun,

During the 1997/98 economic turmoil you don't even bother to accept offers from the IMF.

You rejected a lot of treaties which are not in our favour.

You never kowtow to nobody.

You got nothing to lose or nothing to hide so nobody could blackmail you.

Today all hell breaks loose and we the rakyat will have to accept TPPA if Najib is still around because minister like Mustapha Mohamed or Tok Pa whose kampung image and close to the rakyat now turns villain because of Najib and RM.

Now Tok Pa has become part of TPPA himself – Tok Pa Pleases America!

Lastly Tun like our mentor TSSJ says doesn't feeling like celebrating New Year until Najib steps down.

Well its gonna be SAD NEW YEAR everybody!

Wasalam Tun.

Assalamualaikum Tun,

We have discussed in great length with regard to the TPPA in your blog sometime ago. To know what is TPPA, we need to understand the origin of TPPA, how was it conceived.

TPPA was conceived the same time Obama announced "the US pivot to Asia" policy.

The United States of today is far different from the United States of old. The nation is technically bankrupt with debts in the trillions. On the other hand, China is the rising super power. One of the few countries that can destroy the United State hegemony of world politics is China. China is fast catching up on the United States as the new super power. If nothing is done to stop this, China will soon overtake the United States as the new superpower.

Will the United States allow China rise as the new super power of the world?

Of course not. And so the 'pivot to Asia' was conceived. The pivot consists of two prong strategy, one being military and the other economic. On military we are seeing large US military build up in Asia. US military presence in South Korea and Japan to North, Australia to South East, and Singapore to South. The idea was to contain China by encircling China. Should a war arise between the US and China, the US can attack China from all sides.

The US would need the help of Asian nations to achieve this. To achieve Asian nations to side with the US portrays China as the big bully of Asia. The US is capitalizing on two conflicts i.e the North South Korean conflict to the North and the Spratly Islands conflict to the South.

In this very blog I have informed we must not fall in this trap laid by the US. Why do I side with the US instead of China? For the simple reason the US is very much pro-Israel, providing financial and military aid to Israel. This is in contrast to China and Russia which are pro-Palastine. If the US is able to win over China, the US will be the undisputed superpower of the world and rule the world with a New World Order.

My foreign policy is very simple. To know who are the enemies of Islam, find the countries that support Israel. It just so happen the US is the No. 1 supporter of Israel.

With the fall of the United States, so will Israel.

Another strategy of the US pivot to Asia to contain China would be the TPPA. Ironically the TPPA is open to every Asian country EXCEPT China. Is this not strange? Has this not triggered into the minds

of our cpga 3.85 leaders? TPPA is designed to control/regulate Asian countries economies while at the same time contain China by excluding China from the TPPA.

When we first discussed in this blog, I would have NEVER thought Malaysia would ever sign the TPPA. My own country, is now a supporter of the United States. Now we know that Najib and Obama are not mere golfing buddies. Golfing buddies with significant meaning.

Weather we like it or not, Malaysia under Najib is very much pro-United States. Malaysia is very much involved in assisting the US pivot to Asia by signing the TPPA.

May Allah help us. They can plan what whatever they want but it is Allah that decides what will happen.

Kami amatlah berbesar hati sekiranya Tun dapat meluahkan pendapat secara terperinci bagaimana TPPA memundaratkan kepentingan Negara.

Kenapa negara-negara seperti Vietnam, Singapore dan Brunei nampaknya mengalu-alukan penandatanganan TPPA?

Apakah rakyat hati harus juga berfokus ke arah menguatkan daya saing diri?

Anything that the American proposed including TPPA will only benefit them bei Politically, Militarily, Economy,etc.

Once this country has been sucked and drained of its wealth it will be left in ruins and sufferings.

As it is now, with Najib at the helm and being very pro Western, Malaysians are already sufferings.

Assalamualaikum...

YABhg. Tun,

Our current leaders are ruining our country with economics turmoil due to the flip flop decisions. They have betrayed our trust in governing our dear nation. Too many to mention here, though.

I remember almost every morning and evening (about 33 years ago) we (students before leaving for overseas to further studies) had to sing WARISAN song. Well... Look what happen now. Those hopeless leaders are selling our country to others, for instance the latest news about 1MDB. What more about TPPA – so scary! Not sure what happen to Tok Pa now. He was very reliabe and was well respected before.

As for 1MDB or any other GLCs, you don't simply sell the company's asset to pay off the debt. What a joke! Any clown would be able to run any companies – no need to acquire MBA /PHD to do so. Ainina is very right when she said AM could also become PM. Most of us, rakyat are very sick and tired with their unbecoming remarks – truly insult our inteligent!

Hopefully, 2016 is the year for major restructure / overhaul. Enough is enough!

Enough said, dear Tun. Take care...

Wassalam.

Assalamualaikum Tun.

Arul Kanda dengan bangganya berkata "PELAN RASIONALISASI 1MDB TELAH LENGKAP".

Kita ingin bertanya siapa yang paling beruntung dalam urusan "pelan rasionalisasi 1mdb" ini?

Antara 3 pihak iaitu 1MDB atau kerajaan atau pelabur asing, yang mana paling untung dan yang mana paling rugi?

Setahu saya Tun, yang paling rugi adalah kerajaan kerana 1mdb membeli aset kerajaan dengan kos yang jauh lebih rendah dari harga pasaran, dan yang paling untung dalam jangka pendek adalah 1mdb dan yang untung jangka panjang adalah pelabur asing.

Siapa ketua kerajaan pada masa urusniaga menjual aset kerajaan kepada 1mdb berlaku dan siapa pula penasihat 1mdb pada masa urusniaga ini berlaku?

Majoriti rakyat tahu bahawa ketua kerajaan adalah Najib dan Penasihat 1MDB adalah Najib.

Ini adalah antara dosa Najib yang paling jelas dilihat oleh majoriti rakyat Malaysia.

Wassalam Tun.

It is seen Najib Ruling is more to submissions to Foreign proposals
Foreign Request , Foreign Interest ,Foreign Agendas
More than to the benefits and interest of Malaysia
That truly Malaysia will be at Stakes and it will affects us in long run

In simple English
Najib has No Foundations
Has no vision for Malaysia
He is Mr Yes Man for Foreigners ,for foreign political needs
Indeed he engage Foreign British Advisor
Adds up to Israel ,S,pore Quietly Creeping Malaysia

Nothing that he ever did prioritize to Malaysia Importance
Foreign Influnece has been taking a Ride on Najib Weakness and Stupidity
His first decision giving up the KTM Tanjung Pagar
Says it All

How could we then able to mount the importance of Malaysia
If our own leader was not aware of this facts
We are in a Dangeours Zone
We have not feel it But it will comes eventually
By then where will Malaysian be ?

S,pore Govt are very tackful and capable
They call it investors ,they call in foreigners
They reaps all the benefits and fruits of it
Najib brings in Foreign Investment , Foreign Influence
Much of it Malaysia is always at a Loss

Simple reasons is
We have a Stupid Govt Run by A Stupid Leadership

Assalamua'laikum Tun,

Sekarang langkah terbaik adalah berdoa agar Trans-Pacific Partnership Agreement (TPPA) tidak ditandatangani oleh Malaysia.

Memanglah, malang sekali pun kita dapat Perdana Menteri (PM) yang dungu dan kini jelas tidak layak jadi PM lagi. Sudahlah selepas tindakan mansuh Akta Keselamatan Dalam Negeri (ISA) sekarang bergiliran mereka-reka akta yang baru merugikan Melayu dan Islam padahal ISA itu sudah kemas utuh menjamin negara. Ini pula mahu menanggung di air keroh memuji-muji TPPA melalui menteri-menterinya yang turut sama hampir dungu.

Adakah setelah merasai kesedapan keberkatan kemakmuran kebijaksanaan hidup 20 tahun era pemerintahan Tun Mahathir kini pula merasa pemimpin penuh kebodohan dan hanya mahu penuhkan poket sendiri.

Sekian sambil itu semoga Allah S.W.T. memberi kesihatan berpanjangan kepada Tun Mahathir. In sha-Allah. Wallahua'lam...

Salam YAB dan Yang DiKasihi Tun,

1. Tun mesti teruskan usaha untuk menurunkan PM Najib @ Ah Jib Gor kerana beliau seorang pemimpin yang lemah, liberal, 'blur', boros, korup, boleh dibeli dengan 'cash', etc.
2. DSN akan membawa Malaysia ke ZAMAN KEGELAPAN yang mungkin akan selama-lamanya menjadikan Malaysia sebuah negara yang dikawal oleh kuasa asing. Kita mungkin akan hilang kemerdekaan negara/diri yang selama ini pemimpin2 terdahulu telah perjuangkan dan pertahankan.
3. Jika TPPA ditanda-tangani, lengkaplah sudah misi DSN untuk menjadikan Malaysia sebuah negara yang bakal 'tunduk' kepada kuasa2 asing. DSN cuma 'boneka' saja.
4. Kononnya boleh keluar dari TPPA bila2 masa, tapi adakah AKIBAT buruknya telah difikirkan dan dikaji??? Sesal dahulu pendapatan, sesal kemudian tiada berguna...
5. DSN ialah 'pengkhianat negara' dan ini akan tercatat dalam sejarah tanahair.

'Selamat Menyambut Tahun Baru 2016' kepada semua.

Dengar berita DSN & RM meraikan tahun baru di Dubai (mungkin tidak betul kot...). Dua bulan lepas saya ada jalan2 di Dubai...barang2 mahal. Yuran untuk naik ke 'top of Burj Khalifa' pun dalam RM600.. nasib baik 'sold out'..jadi saya jimat duit...

The TPP is more a political agreement than an economic one. It is to contain China and Indonesia.

If it is really a great and wholesome treaty, why is it covered in so much secrecy? Why are the negotiating texts out of bounce to the parliamentarians and citizens of the negotiation countries? This is unusual. The conclusion is that big brother USA is going to be the biggest benefactor of the terms of the TPP – so that they continue to be No 1 country.

Assalamualaikum Tun.

Selamat menyambut Maal Hijrah dan salam tahun baru kepada semua di blog chedet.

Bagi saya sesebuah negara seperti Brunei, Singapore dan Hong Kong amat sesuai dengan TPPA tajaan Amerika. Maksud saya negara seperti ini kurang hasil sumber asli dan industri bersumberkan bahan asli di negara tersebut.

Di negara kita dan juga negara lain seperti Thailand dan Indonesia, banyak hasil sumber asli dan industri bersumberkan bahan asli. Selama ini khususnya pemerintahan Tun, tanpa TPPA Malaysia tetap makmur dan ekonominya berkembang baik.

Dari sudut ekonomi bebas, dengan adanya TPPA ini seolah-olah perdagangan “bebas” negara yang bersetuju dengan TPPA terdapat sekatan dengan perjanjian yang menguntungkan negara besar dan kaya seperti Amerika.

Saya kluatir masa depan industri kereta Malaysia misalnya. Jika pengeluar kereta nasional gagal berdaya saing dengan pengeluar kereta negara lain khususnya Amerika, tiba satu peringkat syarikat pengeluar kereta yang lebih hebat akan membeli syarikat kereta negara kita. Di sini dalam perniagaan adalah menjadi amalan biasa syarikat besar “menelan” syarikat yang lebih kecil. Begitu juga dalam industri dan perniagaan lain.

lanya berbeza dengan perdagangan “bebas tanpa sempadan tanpa perjanjian” iaitu BUKAN TPPA.

Pemikiran Najib yang banyak masalah dan isu umpama PEMIMPIN YANG BODOH DAN TAKUT PADA BAYANGNYA SENDIRI.

Saya lihat tiada idea yang benar-benar cerdik yang dilakukannya oleh Najib khususnya selepas PRU13 lalu melainkan kaedah menjilat Obama dan suka dijilat oleh orang yang di bawahnya.

Mengapa Najib semakin BODOH Tun ??????

Adakah dia ni terlalu banyak dosa Tun ?????

Mengapa saya cakap Najib bodoh Tun?

Kerana TERLALU RAMAI RAKYAT DI LUAR SINI MENGATAKAN NAJIB SEORANG YANG BODOH. Saya hanya seorang dari jutaan yang mengatakan begitu Tun.

Blessed thee,

I realised that China is moving out huge amount of money into Malaysia. I'm guessing it will force us to trade even more with the US to balance the books, else we may hack Labuan's when the price of gold is revalued. That seems like an old trick but clearly how this normally goes, even you know politics can only puts pressure & never was a solution.

Tun, you have voiced your opinion on vision 3030. I may know why & I might have exactly what we need. If people needs food while the industry needs power to survive, then war is a crime or was it not?

We know the answer, only on what can be done within a thousand years when we have less then a hundred to become meaner & lenr to face the challenges or worst just before TPPA hit our shores.

There's a reason why China sent a thousand ships to Melacca & the same thing we need to have right now, even you knew mat adib is from the chinese lineage.

For those who thought, please think wisely & lenr.

Assalamualaikum, Tun.

It's too subjective and early to conclude that TPPA is harmful to our nation. Experts have given their views on this topic.

In fact, not to mention TPPA, AP system is also harmful to Rakyat, as Rakyat are compelled to pay for AP holders' (middlemen's) gains, at the expense of Rakyat.

However, it's most welcome for Tun to establish a new political party, to allow Rakyat more options, for a good government.

Salam Tun

1. Sejarah silam banyak mengajar kita bagaimana perubahan akan berlaku bila sesuatu perjanjian di laksanakan contohnya perjanjian Pangkor. Tidakkah ini menjadi satu pengajaran dan iktibar ?
2. Sejarah lama penguasaan oleh Syarikat Hindia Timur Inggris dan sejarah terdekat negara jiran Indonesia yang memilih IMF, tidak sebagaimana negara kita memilih jalan sendiri tanpa menanggung hutang yang lebih besar.
3. TPPA yang di anggotai 12 negara dengan contoh dikatakan telah menyebabkan kerajaan Equador disaman USD 2.3 Billion, Jerman disaman USD 1Billion, Kanada 2.41 Juta dan Peru USD 800 Juta.
4. Semua petunjuk ini dengan ulasan pakar-pakar adakah ini juga akan menjadi sebagaimana kerajaan menjalankan perniagaan yang mendatangkan hutang dan tertebusnya tanah-tanah yang asalnya milik negara Malaysia kepada bangsa asing ?
5. Disebabkan ini pilihan yang tepat makna sebenar TPPA ialah Perjanjian Perkongsian Trans Pasifik yang penuh rahsia dan penuh tipu muslihat.
6. TPPA sebenarnya penjajahan ekonomi alaf baru yang mencagarkan kebebasan hak dan kedaulatan sesebuah negara anggota.
7. Dikatakan Syarikat2 Malaysia terpaksa bersaing dengan Syarikat lain yang lebih besar 'Dana' serta keupayaan teknikal.
8. Hilang keistimewaan dinegara sendiri dan upaya diperingkat antarabangsa dalam persaingan. Padang permainannya tidak sekata dan sama rata.
9. Bagaimana dengan nasib kontraktor (68,394 berdaftar CIDB Mac 2013) dan perolehan kerajaan Rm 90 Billion.
10. Tiada lagi keistimewaan untuk rakyat Malaysia. Contohnya kos ubatan akan meningkatkan kos rawatan 3 kali ganda.
11. Pesakit tidak dapat akses ubatan murah kerana TPPA telah meluluskan cadangan untuk memanjangkan tempoh paten keatas ubat-ubatan.

12. Kerajaan tidak berani bertindak kerana bimbang disaman. Lebih-lebih lagi semua ubatan di kuasai oleh pihak farmasi antarabangsa.
13. Bagaimana nasib warga tua yang selama ini mendapat rawatan harga Rm 1 ringgit keatas ubat generik yang ramuannya sama dengan ubatan paten antarabangsa yang lenih mahal.
14. Subsidi dihapuskan kerana terpaksa mengikut hak tuntutan sama rata TPPA. Syarikat Antarabangsa akan menyaman kerajaan jika menggunakan paten yang murah.
15. TPPA lebih mengutamakan Syarikat Koperat yang lebih besar daripada Syarikat yang kecil.
16. Tanggungjawab Pemerintah di anggap menghalang perdagangan yang saksama.
17. Lebih membimbangkan TPPA boleh mengancam kedaulatan negara. Negara terdedah dengan kusa yang lebih besar.
18. Semua yang berbentuk bantuan, geran dianggap menghalang perdagangan secara saksama ini.
19. Raja berpelembagaan telah tergugat dan dianggap lebih rendah. Malah undang-undang yang telah tersedia ada akan tergugat dengan hak sama rata yang di tuntutan oleh TPPA.
20. Adakah kita sudah bersedia dengan kehendak sama rata TPPA ini ? atau kita ada pilihan lain sebagaimana kita bentuk acuan kita sendiri dalam menghadapi kemelesetan ekonomi yang menjadi sejarah yang lalu.
21. Allah s.w.t mengatakan didalam al-quran serta sejarah yang berlaku pada umat terdahulu sebagai ingatan kepada umat yang akan datang jika ingkar akan perintahnya.

Wallahua'lam

salam tun,

izinkan saya.

saya amat setuju dengan point no. 8 tun...

mengapa perlu perjanjian sekiranya ianya perdagangan bebas? perkataan perjanjian itu sendiri memberi maksud tidak bebas kerana di dalam sesuatu perjanjian wajiblah ada terma dan syarat. sekiranya sesuatu pertukaran atau perdagangan itu memerlukan perjanjian bermakna pertukaran atau perdagangan itu tidak bebas..

bukanlah saya ingin mengatakan dalam perniagaan itu tidak boleh ada perjanjian seperti hari ni ambil barang esok bayar... bukan.. itu perjanjian hutang tiada kena mengena... yang saya maksudkan kebebasan dalam urusan jual dan beli.. you tak boleh paksa i beli, dan i tak boleh paksa you jual. jadi

setiap pertukaran adalah berlandaskan i suka jual kat you, dan you suka beli kat i.. kedua-dua pihak masing-masing merasa dia untung dari urusan pertukaran itu...

begini... pembeli tak akan beli kalau dia merasa sesuatu barangan itu dijual lebih mahal daripada nilai yang dia fikirkan, tak untungkan dia. dan penjual tak akan jual pada harga tertentu sekiranya dia fikir dia tak untung dari jualan itu. bila berlaku transaksi bermakna kedua-dua pihak untung... pihak membeli untung kerana dia dapat membeli pada harga yang murah dan penjual untung kerana dapat jual pada harga yang paling untung... transaksi jual beli tak akan berlaku sekiranya sebelah pihak sahaja untung...

ini adalah amat berlainan sekali didalam situasi monopoli, iaitu sesuatu perniagaan yang diberi lesen oleh kerajaan atau pihak berkuasa (sistem perlesenan). sekiranya lesen yang dikeluarkan adalah terhad atau lambat diluluskan (tiada persaingan) maka akan berlakulah situasi dimana pembeli terpaksa membeli sesuatu barangan kerana terpaksa.. sebelah pihak mendapat untung dan sebelah pihak lagi terpaksa menanggung rugi.

namun begitu kewujudan persatuan-persatuan perniagaan juga mewujudkan situasi monopoli dimana perniagaan-perniagaan yang berpersatuan berpakat didalam menentukan harga yang menyebabkan sebelah pihak untung akibat tiada persaingan dan pembeli rugi akibat daripada terpaksa juga membeli sesuatu keperluan...

walaupun kerajaan ada membuat sistem kawalan harga, akhirnya kerajaan terpaksa tunduk kepada desakan kumpulan ini dengan terpaksa memberi subsidi.. begitu juga dengan halnya akta anti pencatutan yang sangat dibangga-banggakan itu. sepatutnya kerajaan menggalakkan persaingan dengan menekankan sistem perdagangan bebas yang tulen supaya peniaga dapat bersaing dan akhirnya peniaga yang mengenakan harga berpatutan akan maju dan peniaga yang mengambil untung berlebihan akan lingkup..

jadi tiada sesiapa boleh menyalahkan kerajaan baik pihak peniaga mahupun pihak pembeli kerana masing-masing akan bersaing dengan adil dan saksama yang akan menguntungkan rakyat...(rakyat termasuk semua wakil rakyat, kakitangan kerajaan, peniaga,pekerja,petani dsbgnya..)

memanglah benar kerajaan akan berkata sistem perlesenan ini adalah suatu bentuk kawalan yang akan menentukan kualiti dan kuantiti.. tetapi haruslah diingat yang tangan kerajaan terikat... kerajaan akan dipaksa menanggung kerugian peniaga sekiranya kerajaan inginkan sesuatu barangan itu dijual pada harga yang lebih rendah yang telahpun mewujudkan situasi dimana kerajaan terpaksa memberi subsidi.

bukankah orang-orang yang dilantik menjadi wakil kepada rakyat itu juga pembeli dan peniaga? bukannya kakitangan kerajaan itu juga ada yang menjual dan membeli? mengapa kita harus mengzalimi sedangkan kita boleh menggalakkan perdagangan yang menguntungkan kedua-dua belah pihak? hanya peniaga tamak sahaja yang akan tersungkur dan pembeli yang silap menilai sahaja yang akan rugi... dan dengan kuasa pembeli yang akan menentukan kualiti dan kuantiti.. siapa nak beli barang sikit harga mahal? semua orang nak beli bayar sikit dapat banyak... siapa nak beli barang tak bermutu.. semua orang nak beli barang bermutu dan berkualiti.. maka barangan berkualiti akan mendapat tempat dan barangan yang murah akan mendapat tempat didalam pasaran.

siapa yang akan membeli daripada peniaga yang menjual mahal? dan peniaga mana yang hendak menjual mahal sekiranya sesuatu barangan itu memang mahal? permintaan dan penawaran yang menentukan.. apabila kerajaan melepaskan ekonomi berlangsung secara bebas maka undang-undang tuhan yang satu akan menentukan siapa yang rugi dan siapa yang untung...

saya amat berharap kita janganlah menjerumuskan diri didalam perjanjian yang berlabel free trade.. kerana asasnya perdagangan bebas adalah perdagangan tanpa perjanjian...

terima kasih, tun.

As also seen
It was S,pore that really want Tanjung Pagar KTM eagerly from Day 1
They did not get it from Tun Mahathir
Najib is easily Fool as He is a Fool
A foolish leader ruling Malaysia....Wow What a Bad Luck

So how many mistakes we can allow him ?
One after another and it cost Malaysia Billions of losses
No wonder our Debts is getting a Burden
What is it that Najib really do that truly benefits Malaysia ?
What is it ?
We can understand to balance it up

As much seen and written
We tried to understand Najib
Repeated lose of Billions of Ringgit one after another
Najib must go

Next Election
Najib will pull UMNO to the Graves

Assalamualaikum Tun.

Saya setuju dengan Tun.

Saya yakin bahawa NAJIB ADALAH PEMUSNAH EKONOMI DAN KEMAKMURAN MASA DEPAN NEGARA.

Wassalam Tun.

Tepuk dada tanya selera. Kita mungkin tak lama hidup tapi bagaimana nasib anak, cucu cicit kita? Sanggupkah kita perjudikan masa depan mereka di atas kebodohan pemimpin kita hari ini? Jika ada kesedaran lakukan sesuatu sebelum terlambat. Jangan ikut resam pak kadok menang sorak kampung tergadai.

DearTun

What the hell with the Government? We will be tied to western power and obeyed forever and becoming the slaves.

Somebody should tell Dato Mustapha Mohammed to tell us the truth since he seems quite an honest man and put his country above self interest.

What is TSMY doing now? Is it his fight is on Najib received personal donation only? He and Shafie Apdal should go around tell UMNO members on how this TPPA agreement would torn the Malay Supremacy.

Thank you.

Allah swt Protect Us, Najib must go.

Salam, Tun,

1. For the sake of our future generations, please set-up another political party where we could vote for in GE14.
2. It is a foregone conclusion that BN would be defeated in GE14. Hence, discussing BN now is a waste of time. We have to move forward. We need a fresh political party to pull us out of this enigma we are in, currently!
3. YBs Azmin and Mukhriz could head this New Party. It should focus on grooming next generation politicians who are honest and hardworking with good academic qualifications (especially in the fields of economy and management).
4. You, Daim, TSMY, Ku Li, Sanusi, Zam, Zaid, Sak47, LLSik, LALek, LLTYe, TSGiaw, and LMToyad should serve as "The Elders" for this new party (until life returns to normalcy for Malaysians).
5. I am certain that the New Party would receive tremendous supports in GE14, and more so from the new voters who are your "grandsons and granddaughters," Insyallah!
6. Do not waste your time and effort in trying to rescue and rebrand BN. Moreover, they too do not want you anymore!

Wishing you, Tun Dr Siti Hasmah, and your family, "Happy New Year 2016!"

Sekian, Tun, terima kasih. Wassalam.
