

## **1MDB RESTRUCTURE**

**Chedet.cc**

**4 Jun 2015**

**Tun Dr Mahathir Mohamad**

1. The 2nd Finance Minister has presented Cabinet with a restructuring plan for 1MDB which will solve all its problems. I would like once again to repeat that repayment of the debt does not absolve the borrowers from responsibility for losing the money in the first place. The money is not lost through bad businesses but has simply disappeared. Somebody knows how the money disappeared and who has the money now. But that somebody is not telling.

2. Now the restructuring process.

3. IPIC is said to have invested 1 billion U.S. dollar in 1MDB. It is not a loan as claimed by the 2nd Finance Minister. Certainly it is not a free gift. What does IPIC get for its 1 billion dollars from 1MDB. It must be the assets of 1MDB.

4. IPIC may be putting in another 3 billion USD. The money which 1MDB gets will be used to repay the German Bank which had lent approximately 1 billion USD. The additional 3 billion USD will be for transferring the landed assets of 1MDB.

5. 1MDB had acquired Government land worth between RM4000/- to RM7000/- psf at RM60/- to RM90/- psf. Actually the price paid by 1MDB for Government land represents or reflects an abuse of authority. The right thing to do is to pay the market price of the land before it is developed or disposed of.

6. If IPIC pays 4 billion USD to 1MDB, effectively IPIC become owner of the assets of 1MDB.

7. 1MDB actually gets nothing as the money from IPIC will go towards paying the interest and loans of 1MDB to reduce the total loans of RM42 billion to a smaller amount.

8. On this smaller loan 1MDB would still have to pay interest until money is found to pay off the principal.

9. So how does this restructuring benefit 1MDB. It would:

I. Lose control of 1MDB to IPIC

II. Any development of the land would accede to IPIC.

III. The deal would result in the Malaysian Government losing billions of Ringgit unless market price is paid for TRX and Bandar Malaysian land.

IV. 1MDB would still have to pay interest on the balance of the loan and eventually billions of Ringgit to settle the loans. Having lost the most valuable part of its assets, how does it raise money.

V. 1MDB would still have to sell off the power plants. Since it paid higher than market value for the plants it will not be able to list it or sell at the purchase price. It will have to lose at least 3 billion Ringgit simply to get rid of the plants.

10. So far there is no evidence that money amounting to 4 billion dollars (14 billion Ringgit) from Cayman Islands is in Singapore. That money has disappeared unless 1MDB can show there are "units" with value in money in Singapore. The units must be converted to real money to be credible.

11. The restructuring plan presented by the 2nd Minister of Finance cannot erase the problem of 1MDB, cannot erase the fact that money borrowed by 1MDB has disappeared, that the Government of Malaysia will lose billions of Ringgit. Part of the loan may be redeemed but a very substantial amount will remain. Certainly the restructuring will not result in the lost money being recovered.

12. There are too many evidence of cover-ups by politician and civil servants. When Najib is defeated and I believe he will, in the next election, there will be no stopping the legal actions which must follow.

13. I hope the restructuring will help but unless the lost money is returned, paying off debts will absolve no one.

Assalamualaikum Tun,

I would like to say I have been your loyal follower when you were in office and out off office. I have the utter most respect for you and what you represent as a Malaysian leader. What you are doing on the 1MDB issue to me is right and should be addressed to obtain the real scenario of Najib leadership.

But to me Najid is not right as a Prime Minister, he can never fill his belated Father shoes Almarhum Tun Razak who is a brilliant leader,a pro bumiputra & a well precision racial leader. Its will take alot of passion, commitment & love of the country to be a brilliant leader.

But you Tun, to me you are one off the best Malaysian leader cause I learn so much from you and how you tackle situations. Your views & ideas help me realize as a Malaysian that there is hope for Bumiputra if they put their minds and heart to it.

With regards to 1MDB, I hope you will end this soon. To me GST is Najib way to cover the losses that is related to 1MDB and the Malaysian people are suffering because of GST which was not properly structured.

Fitch Ratings dah turunkan taraf kredit negara berikutan kes hutang yang membabitkan 1MDB dan Kerajaan dah pergi jumpa Fitch Ratings untuk menaikkan semula taraf tersebut kata Abdul Wahid, awalnya Abdul wahid kata hutang 1MDB tidak memberi kesan kepada sistemik. Menurut harian metro muka surat 45 hari ini.

Saya bukan dari jurusan ekonomi, jika ada sesiapa yang faham tolonglah jelaskan apakah kesan pada penurunan taraf kredit dan sistemik.

Saya dan mungkin ramai lagi yang agak keliru kerana zaman sekarang terlalu banyak perkataan global yang di tulis dan di sebut dalam bahasa malaysia tetapi tidak di terjemah sepenuhnya di dalam perkataan dan terjemahan bahasa malaysia..contohnya PROGRAM dalam bahasa melayu setelah di tukar dari bahasa inggeris kita akan menulis dan menyebut PROGRAM juga.

Oleh sebab saya dari jurusan teknikal dan mungkin individu2 lain dari jurusan masing masing pun sukar untuk memahami...

Assalamualaikum.

Setuju dengan pandangan cruze dan hikari.

Dalam realiti yang sebenar, makna satu-satu perkataan bukan terletak pada kata yang diucap tetapi pada perbuatan yang dilakukannya.

Dalam situasi sekarang Najib Altantuya tu cuba bermain kata-kata tetapi hanya orang yang bodoh saja boleh dengar cakap dia.

Apa kata ahli-ahli UMNO yang merasakan diri mereka bijak dan bukan pembodek, boikot ceramah-ceramah Najib. Biar dia keseorangan dan syok sendiri seperti cadangan saudara hikari.

Wassalam.

Ada di antaranya yang cuba nak sabotaj Tun dengan mengatakan "NO BODY PERFECT" Fikirlah sendiri mengapa dan untuk apa adanya ISO sebagai contohnya.

Wah!!!!!!!!!! Jika dah buat salah pandai pulak guna NO BODY PERFECT", Habislah kalau slogan ini anda gunakan jika anda Menjawab jawatan sebagai ARKITEK dan IR, contohnya bangunan Putra Jaya roboh hingga ada menteri kabinet yang mati.....masih lagi mahu mengatakan Nobody perfect? Jika tidak kisah jangan di gantung IR mereka dan biarkan lah mereka teruskan kerja dan Business untuk membuat bangunan2 lain tanpa di siasat.

Contoh lain pula, lebih baik tidak payah wujudkan Mahkamah atau Badan Pencegah Rasuah kerana "NO BODY PERFECT".

Contoh lain lagi, jika perogol kita maafkan secara "NO BODY PERFECT" ok tak?

Hanya individu yang pemalas dan berhati jahat sahaja akan selalu menggunakan alasan "NO BODY PERFECT" ..

Tun orangnya sangat teliti dalam banyak hal, Tun tidak akan wujudkan ruangan balas komen kerana Tajuk dan intipati yang Tun bentangkan sangat jelas dan padat.

Tun memberi ruang kepada semua rakyat meluahkan rasa hati dan pendapat yang seiring ke bertentangan ke dan bermacam macam lagi, jika ruangan balas di sediakan kungkinan besar blog Tun akan jadi kecoh di sebabkan pertelagahan sesama kita.

Jangan risau, kita demokrasi sesiapa pun boleh meluahkan di sini. Jangan bezakan samada anda dari golongan profesional, petani, peniaga, pekebun, artis malah menteri kabinet pun boleh turut serta. Tun sendiri pun tidak membezakan darjat dan pangkat rakyat malaysia.

Jika anda yang rasa sangat profesional dan kami yang dari golongan bawahan ini bukan di sini tempatnya maka jangan sesekali lupa, jika anda Professor ke, IR ke CEO ke, jika mati nanti kita semua tempatnya sama tiada yang mulia iaitu liang lahad (tanah) jangan terlalu berbangga dengan Kereta besar, rumah besar dan harta yang banyak.

hanya jangan ada unsur unsur perkauman bila membuat sebarang kenyataan.

Selamat sejahtera Tun Mahathir, TMJ, Muhyidin Yasin, Shafie Afdal, Hj Mukhriz dan Khairi Jamaludin, semuga semuanya sihat.

Tak usah memandang rendah sesama kita, kita rakyat malaysia mahukan negara yang aman dan ekonomi yang sihat...

Hi Sawmill, I do not think you understand the issues that have been raised. Everybody understands what is at stake, except you. Do you know that the effect of the unaccounted money is to be a huge catastrophe for us all, much worse than Greece is facing now. Our RM exchange rate will continue to fall and inflation will rise. The poor will get poorer. Since Najib became the Prime Minister, Malaysia have been befallen with one calamity after another. Don't these bear a sign that there are lots of things that are not right with the leader? Let us stop the calamities once and for all by pressuring Najid to leave.

jika semua rakyat boikot semua acara yang dilakukan oleh UMNO dan acara yang dihadiri oleh mana2 menteri BN, pasti kesannya adalah sangat kuat.

Hi Tun..pardon me for saying that no one including yourself, Tun, or myself can be a soothsayer for anybody's future..that we leave it to Allah S.W.T. For me i am bewildered as to why any reason(s) for attacking must be made out on the open as if though Tun's wish has not been granted by the very person Tun is taking aim at. I am 100% sure nobody is perfect in the order of the day and that is including everybody so to speak. BUT do not take it out on 'somebody' you want to avenge because of your unsuccessful wish. For heaven's sake, the good people is at stake here. Unless you, Tun want to see it RUIN. Do not think of yourself, please.

We the rakyat know what to do. And our job is to prevent the opposition from getting even an ounce of confidence on ruining the country. Mind you, Tun.

Dear All,

I am quite amazed at this suhainin suhaibul guy, he was attacking Dr.Mahathir without giving specifics like what we do here on 1mdb.

He said Dr.Mahathir is a hypocrite but he is, by not being specific, is also treading on a munafiqun line.

I clicked on the YT attachment hoping to find answers but all I find is some old Indonesian song. Good though it may be but romance is for the elite and the downtrodden.

The former because he has everything else (there is to have), and the latter because that's the only thing he had.

Was he jailed for 12 years? What was the purported crime.

Did his business went bust? Or his licence not renewed.

Did Dr.Mahathir steal his money? Or rape his daughter.

Until I find those answers, I just can't take those comments seriously.

By now it is confirmed yg Najib itu Kecut & Takut due to the fact that apabila Tun Mahathir hadir dan ingin bersemuka dgn dia.

Memang benar sangat pantun lama mengatakan...

Tangkap ikan haruan

Dapat si ikan keli

Kalau salah haluan

Jumpa tuk guru belajarlh lagi.

Kekuatan Hang Tuah terletak pada huruf 'T'. Begitu juga kekuatan Tun Mahathir terletak pada huruf 'M'. Selain itu, fadhilat huruf 'M' menonjolkan istilah berikut :-

M – Mahathir

M – Muhammad

M – Muslim

M – Melayu

M – Malaysia

Semua ciri-ciri ini cukup sinonim dgn keperibadian Mahathir Mohamad, seorang Muslim, perdana menteri Malaysia selama 22 tahun, pemimpin Melayu bertaraf dunia (world class leader).

Sementara UMNO.....

United Malay National Organisation

Under Mahathir No Oppostion

Nama Najib letak di mana....Najib apa ada.....???

Assalamualaikum Wahai Ayahanda Tun yg dikasihi,

Utk makluman Ayahanda Tun, saya adalah salah seorg jentera gerak gempur UMNO dibwh naungan BTN pd zaman pemerintahan Ayahanda Tun. Pada ketika itu saya curahkan segala tenaga dan masa saya demi keunggulan Parti Keris UMNO kerana pd ketika itu saya amat yakin pada perjuangan yg blm selesai yg dikemudikan oleh Ayahanda Tun adalah asli demi bangsa dan negara.

Sebaik saja Ayahanda Tun melepaskan jawatan Perdana Menteri Malaysia, saya dan Sahabat2 mengambil langkah mengundur diri dari persada politik kerana telah hilang keyakinan pd perjuangan selepas itu. Hampir kebanyakan dr kami menyepikan diri sejak hari itu hinggalah kini. Namun yg demikian peristiwa semalam yg menyaksikan Ayahanda Tun diberhentikan dr memberi ucapan di PWTC bagaikan menyentak setiap sendi di tubuh ini.

Saya berikrar, dgn segala tenaga dan masa saya dgn izin Allah akan saya curahkan utk bersama2 berjuang kembali bersama Ayahanda Tun. Selagi pemerintah itu masih memegang kemudi parti UMNO, maka saya adalah keris yg derhaka.

Wasalam Wahai Ayahanda Tun yg sgt dikasihi.

Salam Tun,

Your 22 years of rule has benefited Malaysians in many ways. I cannot imagine if someone else became PM after THO. With a big population and vast land area, you have done much much better than any other leader/s in this region. Look at our neighbors, some succeeded and some failed. But their challenge is not the same as what you have encountered. Different scale and different situation. You are the greatest leader ever born in this region I believe.

Thank you Tun.

As Salam Tun, May Allah bless you always and longevity.

1.I was watching 2nd Finance Minister explanation on 1MDB restructuring over TV 1.As an average man I found quite difficult to grasp the overall explanation except manage to catch bit and pieces of the story-telling.

2.Agreed with you Tun, "Where is the detail the restructuring process?".

3.The Irony is that he also mentioned if 1MDB failed on the repayment of debts the Malaysian Debt deficit will increase from 3% to maybe 5 to 6%.

All the while if I am not mistaken,(please correct me if I am wrong), PM says 1MDB has paid capital of 1 million, if it goes bankrupt it will loose on the capital only and does not effect the overall Malaysian Govt. i.e. the people.So I found it contradicting, appreciate if I can get more clarity.

4. Lastly. 2nd Finance Minister said that 1MDB has help Pasarana get Millions Dollars of contract in Saudi Arabia through the help/collaboration with Petro-Saudi.This has been denied openly by the former CEO of Pasarana. What a lie..!Firman Allah, "Wamakaru wamakarulah, Wallahimakirun".(In short it means, you don't try to lie, as Allah is the best lying that fix you up)Mat Hassan like to use this verses in his speech, ask him what it really means.

saya adalah seorang yg tidak minat politik.. tak pernah kisah dan tak pernah ambik tahu..

but, the whole 1MDB issue is something that even I think is a bit hinky.. the more read about it the more frustrated i become..

Najib sebagai seorang perdana menteri, harus ada kepercayaan daripada org ramai/rakyat..

tetapi kepercayaan itu, makin hari makin pudar.. its black and white now when it used to be the color of a rainbow..

before one tarnish one/UMNO/BN reputation even further..

one should know when to step down especially when things are not getting better nor will it be..

at least that is my opinion..

then again.. i am just one person .. and it might just be me

Sincerely,

Anony -a Malaysian who wants Malaysia to be better

SALAM TAHNIAH TUN.

DAN

SALAM KO NAJIB.

SERTA

SALAM KEPOLISIAN TAHAP RENDAH PDRM.

KEPUTUSAN PENUH.

TUN = 20 MATA PENUH

NAJIB= 1 1/2 MATA

POLIS = 3 MATA

Justifikasi.

TUN.

1. 10 MATA KERANA – Walaupun pahlawan ini TUA, tapi masih hadir untuk bersemuka dengan Pahlawan Doraemon Najib.

2. 5 MATA KERANA – Penyokong pahlawan TUA ini hadir dalam jumlah yang ramai. Tidak membawa Placard/sepanduk "WE LOVE PM IKAN DURI"

3. 5 MATA KERANA – Amat "berbatu" pahlawan TUA ini.

Pahlawan Doraemon Najib

1. 1/2 MATA KERANA – Pahlawan Doraemon Najib takut sangat nak bersemuka dengan Pahlawan TUA. Tengok gambar Pahlawan TUA pun boleh terkencing dalam seluar. Adakalanya merancau-melancau dalam mimpinya. Kalau tengok wajah Pahlawan TUA dan disoal olehnya pasti Pahlawan Doraemon Najib akan mengalami gangguan jiwa dan raga sepanjang hidupnya.

2. 1/2 MATA KERANA – Penyokong Pahlawan Doraemon Najib tidak dapat hadir kerana ketinggalan bas dan kapal terbang dan lupa bawa membawa Placard/sepanduk "WE LOVE PM,SILA BAYAR DAHULU" baru senpaduk di angkat.

3. 1/2 MATA KERANA – Amat sikit atau hampir tidak "berbatu" Pahlawan Doraemon Najib ini.

#### PDRM

1. 1 MATA KERANA – Kelulusan telah di beri dan disaat-saat akhir kelulusan di tarik balik. Tidak dapat menjangkakan keselamatan awan semas nak beri kelulusan. Separuh "cerdik" dan separuh "bodoh" di dalam menjangkakan atau membuat prediction of event. Kadang-kadang sahaja ambil berat keselamatann awan/rakyat. Tapi tidak ambil berat keselamatan DANA AWAN/RAKYAT di 1MDB.

2. 1 MATA KERANA – Penyokong PDRM adalah lebih kurang atau seramai penyokong Pahlawan Doraemon Najib. Tiada sepanduk dibawa tapi amat disiplin mereka ini kerana memakai baju dan seluar yang seragam. Ada diantara mereka tidak mengenakan pakai seragam kerana atas arahan tugas.

3. 1 MATA KERANA – Kadang kala "berbatu" dan kadangkala nipis "batunya'

Ayam yang tidak sempat masuk "bong" (gelangang sambung ayam) untuk belaga hanyalah ayam daging seberat 3 kilo. Ayam kampung TUA walaupun berat 1 kilo pasti akan berlaga dahulu. Kalah atau menang kira kemudian, tapi prinsip ayam daging tengok "bong" pun dah mati terkejut sakit

jantung kerana terlalu berlemak dan gemuk. Ayam daging ini jangan di makan kerana mati sebagai bangkai kerana tidak sempat di sembelih mengikut Islam.

Tun makan ayam jenis apa?

Wassalam.

Tun

For the PAP worm embedded in the woodwork,TeohBengHock69/6666 from the humongous Ministry of Information, Phoenix Park, Singapore. My thanks for giving me publicity by mentiioning my name. I love it. Please mention some more. Just do not say anything bad about me. You know I am a good guy unlike your former boss Dictator Lee Kuan Yew. OK.

For Saudara Othaman Ahmad. I fully support you. All that our leaders/rulers need to remember is ' SOVEREIGNTY, NATIONAL INTEREST, SELF-ESTEEM. '

There is absolutely nothing wrong with the Malays, the Indians, the Chinese, the Dayaks, the Kadazans and all Malaysians. We are all the same under the skin as our beloved doctor Tun Dr Mahathir Mohamad knows very well.

We now see for ourselves and learn for ourselves the Devil is not in the details but in the aping of the failed MONEY MONEY MONEY policies of the late Dictator (1959-2015) who conned two generations of insiders and outsiders.

It is bad, very bad that the leaders of the day are turned on their heads upside down by MONEY MONEY MONEY. As I have always said a democratically elected Government is to rule over us, fair and just. What has it got to do with money? In fact in our beloved Malaysia MONEY MONEY MONEY IS ALL AROUND US! Right Saudara Othaman Ahmad?

If we fly over our beautiful country with its beautiful people, we see huge swathes of green below us. Our ever eager State excos can just 'convert' this greenery into commercial land and presto, we have the money eg. 30 sens into RM 3 per sq ft. It is as easy as that.

WHY EXPOSE OURSELVES TO ALL THE JEWISH OR NON-JEWISH CHARACTERS (DUMB CHINAMEN) FOR MONEY WHEN WE ARE ALREADY SITTING ON TOP OF THE MONEY? I remember the Johor State Government gave away 1 acre of land as long ago as the 1960s and earlier. As I always said History is a fair arbiter of Humankind.

Your desire that our beloved country Malaysia and its people return to NORMALCY is as great as mine Saudara Othaman Ahmad. No doubt about this. This desire is what makes our beloved Malaysia great.

Unlike the brainless worm BengHockTeoh89/6666, I always hoped that one day our beloved Malaysia will ape the best of Japan and Switzerland in education, industry and life-style. This can be done with the proper leadership. Words like fun and games are VERBOTEN in these countries.

To ape Singapore which is a failed State wrapped in BLUFFOLOGY can only bring us much pain and no gain. The Dictator tried to turn Ang Mo Kio into the Canton of Vaud but found the tiny isle of Singapore could fit into just one lake, Lake Geneva. He gave up but kept on sending clean shavened fellows in white shirts to Zurich for what purpose I do not know – to make Swiss chocolates I suppose.

With our beloved Tun as our Great Statesman leader, I am confident we should revert back to NORMALCY soon and not bugged by this fake Singapore thing known as MONEY MONEY MONEY. It is crazy.

In fact, the Dictator (1959-2015) created the Godless Ultra Communistic Political and Social System imposed on the citizens by the Apparatchiks aka Meritocrats which sucked every available cent legally into Government coffers so that the citizens were emasculated and cannot resist or desist his power and control over them. The System has already gone toxic with the citizens demanding back their CPF contributions. This System is also known as the Singapore Model or authoritarian capitalism or benign dictatorship (no such thing) or rich Cuba without the havanas but the bananas.

In history, every Dictatorship and its System collapsed after the departure of the Dictator like Hitler, Mussolini, Franco, Stalin, Mao, Tito, Castro, Lee Kuan Yew etc. Power actually came from the barrel of a gun.

OUR BELOVED MALAYSIA AND ITS PEOPLE ARE FORTUNATE THAT OUR GREAT STATESMAN TUN DR MAHATHIR MOHAMAD SHOWS EVEN TODAY WHAT HE HAS SACRIFICED FOR ALL OF US. IF HE HAD TAKEN MONEY AS ALLEGED, HE WOULD BE ENJOYING HIMSELF WITH 19 HOLES OF GOLF. WHY BOTHER WITH US THE RAKYAT ?

It is his deep love for his Country Malaysia, for the Rakyat, for the works of his predecessors, the distinguished Prime Ministers, for the Royal Sultans for his heritage and religion that he now leads us from the front, AND NOT RUN AWAY TO ENJOY HIMSELF. Tun made all of us stand proud and united.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

I believe a person received some portions of the lost money to sustain his supports as PM and UMNO president. He, as most people aware, has insufficient intellectual to even debate, speak, and as simple as answer a question, not to mention correctly. We can see the number of puppet positions (minister level?) and bodies have been introduced with unclear job scopes and this already consumes a large amount of operational budget, for the sake of buying supports. And he is fully aware that the supports are not going cheaper, as we can see the national debt spikes with no signal of its going down or even an effort to make it so. Instead, GST was introduced as a shortcut. This is obviously a national threat and crisis until he is toppled down (since he won't leave his position). The IGP and AG are just puppets. This is indeed a new era for Malaysians, benevolent dictatorship.

Salam Tun.

Di Sarawak Najib mengatakan "INI ZAMAN SAYA MEMIMPIN" dan semangat kepahlawan tetap ada dalam diri saya.

Analisa saya.

1. Apa yang pahlawan Doraemon ini merepek?
2. Setiap hari pahlawan Doraemon ini bercakap macam orang dirasuk hantu iblis dan merancau dan melancau di setiap pelusuk kampung.
3. Kalau pahlawan tak payah lah cari sokongan sebegitu rupa? Hanya pahlawan yang penakut akan cari sokongan untuk menghadapi musuhnya.
4. Keris di bawah pinggang tu sudah di asah ke? Berapa inci panjangnya?
5. Semalamkan malam Jumaat, adalah "malam pemintaan kaum ibu"?
6. Siapakah musuh Pahlawan Doraemon ini?
7. Mengapa musuh ini berani sangat dan mahu berlawan dengan Pahlawan Doraemon?
8. Sebahagian rakyat adalah musuh kepada Pahlawan Doraemon ini dan sebab rakyat mahu lawan adalah kerana Pahlawan Doraemon ini suka MENIPU dan MEMPERBODOHKAN rakyat nya.
9. Bukan sikit-sikit dia memperbodohkan rakyatnya tapi saban waktu dan ketika rakyat di perbodohkan.
10. Apa nak hairan apabila rakyat diperbodohkan? Kawan – kawan rapat dalam Kabinet juga telah diperbodohkan oleh Pahlawan Doraemon ini.
11. Zaman sekarang orang bukannya nak BERLAWAN TAPI NAK CARI KEBENARAN, wahai PM Bodoh!
12. Terangkan secara terperinci segala pertanyaan rakyat tentang 1MDB tu. Itu saja yang rakyat nak tahu. Adakah urus tadbir 1MDB di jalankan secara telus, berhemah dan berintegriti?
13. Tapi Pahlawan Doraemon bodoh kita tak melakukan ini. Rakyat kau kenakan GST tapi rakyat merasakan kau merugikan berbilion wang kerajaan melalui 1MDB.

14. Itu yang buat aku, rakyat yang sokong kau selama ini pun marah kat kau. Apatah lagi rakyat yang selama ini tak sokong kau?

15. Sendiri mahu ingat lah NAJIB!!!!!!

16. My vote is NO more for BN.

17. If i have to choose between 2 bad apples, i rather not to bite it at all and will discard both of them.

18. Unless you NAJIB are replaced by someone good.

WASSALAM

Apa yang menyebabkan Najib berdegil dalam kes 1MDB ini walaupun pihak TUN melontarkan persoalan tentang keraguan kehilangan wang ini...

Adakah Najib tiada perasaan malu? Tidakkah Najib berperasaan malu seperti menteri2 Jepun yg akan meletakkan jawatan atau membuat harakiri...

Adakah Najib terlalu sayangkan kuasa yang di miliki kerana kuasa ini membuatkan cita2nya tercapai..tapi ini semua tiada siapa yang tahu...hanya Allah sahaja yang mengetahuinya...kami rakyat biasa hanya meminta satu sahaja..jujurlah serta bertanggungjawab kepada rakyat berkorbanlah untuk rakyat kerana itu adalah amanah rakyat memilihnya untuk membawa rakyat dan negara maju ke hadapan.

Disebabkan terlalu lambat menjawab persoalan yang di lontarkan oleh TUN atau juga tidak menjawab pada soalan yang di ajukan ianya menambahkan lagi keraguan kes ini dari setiap lapisan rakyat...

Adakah kelewatan ini menandakan ada sesuatu sedang dibuat untuk membetulkan apa yang sudah berlubang....jadi mereka memerlukan masa untuk mengusik pada mereka yang boleh membantu menyelesaikan masalah ini dan bila selesai usikan tersebut barulah boleh ke hadapan untuk memberi penjelasan serta menangkis soalan2 yang akan dan yang telah di ajukan kepada Najib...itulah yang di fikirkan rakyat sekiranya terlalu lambat memberi penerangan...rakyat akan berfikir benda yang buruk buruk semata-mata ini kerana politik dan masalah negara tidak seperti pada zaman 60an atau 70an...

kini adalah zaman internet fitnah dan perasangka dimana-mana sahaja....

Tiba- tiba Najib sudah mengumpul alasan2 serta jawabpan yang akan di jawab Datuk Seri Najib Tun Razak yang berjudul Nothing to Hide Dialog PM bersama NGO anjuran SukaGuam.

Jika salah akui sahaja kesalahan itu..dan perkara ini selesai..

Dengan keberanian najib di forum Nothing to Hide memberi penerangan membuatkan kami berbangga...tapi apakah jawabannya ?

Wonder why nobody asked the rationale to sell a piece of gov owned land to a company that does not have the money to buy? It borrows money to buy and gov has to pay the loan in the end?

It is like I own a fully paid house worth 1 million. I sold to my brother for 200k. He borrowed 200k from the bank, and I am the guarantor. So if he defaults, I will pay.

I can understand why my younger brother want such a deal. He got a house that he could sell and make 800k. If he can't pay, I will. But I fail to see why I want to lose my house and be the guarantor of 200k

Times over times our beloved grand old wise statesman has forewarned about the Jewish cartels global domination. Jews now control the US congress, media & global banking system. Under the New World Order, the Jew Rothschild control the Global World of Business & Politics. How on earth Najib fail to see this and fell into their trap..??

The rakyat are now getting screwed up & down by Najib. The poor majority folks doesn't know what the hell is going on. In his sneaking way, Najib keeps the masses ignorant & occupied with his gimmicks... eg. giving away the kacang putih BR1M.

Dear Tun,

PM is the cause of all these headaches to you and the people of Malaysia. Everybody is like crazy trying to figure out where the money went when it's plain to guess that the 'lost' billions actually went into our PM's pocket. Being the leader and decision maker of the country what better way than to use readily available means to prosper himself.

I have never come across such a defiant shameless supposedly leader who swears and insinuates as he likes. A respectable with integrity leader will never swear or insinuate bad things about other people. Never in public. Our words reflect our true self.

Tun, in last night's Dialog Khas bersama Menteri Kewangan 2, I noticed that Dato Seri menteri kewangan 2 a little too often cleared his throat... I thought that was weird because he actually cleared his throat all the way through the program... I believe Dato Seri is a good person but somehow he had to do what he got to do even if he himself doesn't believe in it.

I hope this 1MDB tale will come to pass in due time and our country will survive the damage done. In the mean time I believe our PM will do all he can to sustain his own life and if he survives to see GE14 he would then make doubly sure that his grip on the POLICE, SPRM, JUDICIARY is tighter than ever. Also altering the polls results who knows?

Thank you Tun Dr. Mahathir. Take good care now.

Salam Tun.

1. Menjadi tandatanya Menteri-menteri (lebih dari seorang) Kewangan lebih kepada plan tindakan memulihkan 1MDB dengan mencari sumber kewangan membayar hutang-hutang.

2. Tidakkah tindakan begini bagaikan terlibat sama menghilangkan wang 42 billion dan tidak mahu penyangak wang kerajaan ditangkap.

3. Selalunya keadaan sebaliknya akan ada report dari orang dalam sendiri yang menunjukkan beliau tidak mahu berkompromi dengan kehilangan wang ini.

4. Seorang yang mempunyai mentaliti begini tidak sesuai untuk mentadbir wang lebih-lebih lagi wang yang bukan milik sendiri.

5. Perlu diingat cara kita mempertahankan tindakan atau cara yang kita kendalikan seolah-olah semua betul dan menolak pendapat bekas-bekas yang mengendalikan wang kerajaan terdahulu menunjukkan kita ada kuasa macam kita mengendalikan syarikat sendiri.

6. Pertimbangkanlah ingatan Tun berhentilah sebelum kita diberhentikan oleh keegowan kita. Malah ada Menteri Kewangan yang terdahulu sanggup meletak jawatan walau pun tengah meletakkan Malaysia dalam keadaan memuncak.

7. Pada tahun 1998 kita berjaya melawan penyangak dari luar negara dengan keupayaan sistem kewangan sendiri tanpa membebankan wang rakyat.

8. Kini penyangak wang kerajaan dari dalam negara tidak perlu kita tahu dan lepaskan sahaja kerana kita senang dapat dari sumber harta galian dan eset-eset serta wang rakyat secara cukai.

9. Di sini nampak ada dua perbezaan ketika 1998 sistem menyelamatkan beban rakyat dan kerajaan tetapi dalam 1MDB ini beban rakyat dan kerajaan di gunakan menyelamatkan sistem .

10. Allah s.w.t menganugerahkan akal fikiran dan tubuh badan (sistem) untuk mencari rezeki (manusia dan hasil bumi) yang dikurniakannya. Adalah melawan fitrah kalau rezeki pula mencari akal fikiran dan tubuh badan.

Wallahu'alam.

Assalamualaikum Tun.

Baru saya baca bahawa PM kita pernah cuba nak cagar minyak dan gas Terengganu melalui Ahmad Said.

Maknanya 1MDB pernah ada hati nak cuba rompak Terengganu? Dan PM kita marah marah pada Ahmad Said kerana menolak pelawaan tersebut?

Memang saya ada terdengar bahawa Terengganu menerima wang royalti minyak dari pihak Pak Lah. Saya tak berapa ambil kisah sangat pasal itu kerana ia tidak ada kena mengena dengan pekerjaan saya.

Walaupun, semasa dihebahkan oleh tv3 bahawa wang ehsan diberi kepada kerajaan negeri Terengganu , secara spontan anak sulung saya ketika itu berumur 2 tahun telah mencium bertubi tubi pipi saya melebihi 10 kali semasa pengumuman tersebut.

Saya fikir ia adalah ciuman terima kasih. Sekarang saya dapat tahu lagi bahawa ciuman tersebut bukan selalu ayah dapat.

RM3billion. Dan 1MDB cuba sasarkan cagar minyak dan gas Terengganu.

Sekarang anak ini makin membesar, dan ketika pertama kali saya bawa ke kolam renang, anak ini berkata "Nanti bila besar Aniq ajak anak Aniq pulak". "Bila Aniq besar nanti papa nak bagi buku buku besar dalam bilik tu pada Aniq ke?"

Menginjak ke umur 40 tahun, benarlah Imam Al Ghazali, beliau menggunakan tongkat ketika di usia ini kerana ia mengingatkan kepada kematian. Tiada apa dapat ditinggalkan untuk anak-anak dan zuriat kita melainkan ilmu pengetahuan.

\*Ini adalah antara kisah-kisah memori penyelesaian krisis ekonomi 2008 berkaitan harga minyak dunia.

Terima kasih Tun.

Lupalah jasa pemerdeka – pemerdeka negara malaysia yang berjuang memerdekakan malaysia 58 tahun dulu.

Lupakah DSN yang bapak dia sendiri yang berusaha untuk memerdekakan malaysia. Sedihlah sang bapak yang melahirkan zuriat yang rakus menjual hasil titik peluhnya kepada bangsa asing.

Bukannya pelabur yang dibawa masuk tetapi penjajah – penjajah luar yang dibawa masuk. Buat apa nak jual 1MDB lagi tapi GST buat jugak. Tanah digadai, maruah digadai, bangsa digadai, rakyat ditibai, penjajah dirai.

If Singapore is part of the ' restructure process ' again this proves beyond doubt that Malaysia is obliged to signed the poisoned chalice TPPA. The Malays die like the Red Indians of North America. They signed. They died without a whimper. For the non-Malays, a fate worse than Death because they have no power to sign their own Death warrant. Singapore lives. Malaysia dies.

It is alleged Sembawang may purchase the power stations. Singapore sells old power stations to Malaysians and buy new ones from us.It is something wrong somewhere.

Our beloved Malaysia is now caught between a rock and a hard place. On the one hand we may face the IMF Michel Cademessus scenario. On the other, the Singapore inspired, created and promoted poisoned chalice the TPPA. It pays not to play games with big boys.

Assalamu'alaikum Dearest Tun,

What you wrote about the restructuring of 1MDB have been detailed out by both Arul of 1MDB and 2nd Finance Minister Husni (he really look tense and uneasy throughout the live telecast).

They even boast about knowing the where about of the missing 27 billion ringgit but most of us will find it ridiculous and many more mind boggling humongous figures appeared which is subject to further clarification.

1st on the list was the Inherited Debt of 6 billion ringgit! How prudent is a so called strategic investment company fully owned by the GOVERNMENT OF MALAYSIA to in the first place bought few IPP's well above market value and generously absorb all the so called debt!

2nd on the list, Investment Cost totalling 15.4 billion ringgit in Brazen Sky, Aabar and GIL funds? You need to borrow just to invest? I thought we invest when we have extra! Well this is not a normal practise in the corporate world but obviously it's their call and their own world.

3rd on the list, Financial Expenditure amounting to 5.8 billion ringgit in just 4 years! Well less taxes of 400 million we still have 5.4 billion and 4.5 billion ringgit is for the Cost of Finance and Working Capital alone. I wonder what kind of business they are in?

Therefore Tun there is a lot more to be done to get to the bottom of it and you might be right it may drag until the next GE 14 if PM Najib refuses to step down or go unchallenged in UMNO.

Having known all this figures which is subject to a lot of queries, we should then go to the sources of loans of 42 billion ringgit – what is the breakdown? Who is the lender other than KWAP, KWSP and LTH to get a clearer picture and see the trend or the grand modus operandi?

Very sad that the rakyat like us who are trying to earn a decent living have to indulge in this enormous national issue of the century.

Keep it up Tun and stay strong to face all this.

You are not alone and it's your trademark not to kow tow to them.

Wasalam.

Salam Tun,

As a rakyat in this beloved country of Malaysia, we can only watch all such abuses of power in passing. Does this mean that there is ABSOLUTELY NOTHING can be done to nail the culprit? I mean from my experience, even town council performance can be monitored by a body formed within the PM's department. And they are an impartial party which had performed to my satisfaction.

In such era of technology, everyone is able to access the net and I am sure your writings are being watched daily with hawk-eye precision.

Still the same old nagging question is, there is no other avenue to prosecute the guilty ones especially those walking along the corridors of power? I am very hopeful to see the day when our judiciary system can stand up and actually perform their duties without fear and favors.....still hopeful having waited for past 40 over years....

Assalamualaikum Tun.....

## CONCLUSION

So all Mahathir could do is agitate the population. Which he is trying to do now like when he was mobilising against Abdullah. His echoes, to a limited extent, is from the opposition ranks. A little bit from sincere Malays, and Perkasa-type racists which is latent in our political practice and people who are not thinkers able to get out his spell, like Anwar Ibrahim's put-on charm. Cronies and mercenaries who had been a permanent feature of Mahathir's power-broking have aged and shuffled the old-fashion way

As to why the opposition is getting aroused, dining beside their hated enemies in spite of being victims of Mahathirism for decades, is answered by naive young opposition leaders who sincerely believe that a government misdeed must be punished. They think that Mahathir is all that powerful to help them dispose of Najib, and Mahathir revealing how much of what they believe of UMNO's past misdeeds are really true, and after all that are said and done, they will finish off a battle-weary Mahathir too. So they think they can ride a tiger. Ride the tiger by the tail and end up with hands smelling of tiger-crap.

Short of a people-power uprising or a Thaksin-type civil disturbances, Mahathir has no chance selling Mahathirism to the people. Not in today's Malaysia. Suddenly, Mahathir is a champion of the Malays? His list of Malay-betrayals is endless. Sometimes it appeared like he has nothing but contempt for the agrarian-minded Malays who could not help push him up to compete with the likes of Lee Kuan Yew. The megalomaniac.

Maybe Najib is no angel. But he is in legitimate power. He has time to modify his governance. We wish. 1MDB could very well be a disaster. One wrong step, he too will be finished. But not at the hands of the chief hypocrite. It is not deserving – not of Najib but for a hypocrite to triumph. Mahathir would not have lasted one term after he snatched victory from Tengku Razaleigh, if he rules in today's internet savvy Malaysia.

Instead of retiring safely in his mega hundreds-of-hectars ranch in Argentina, he chosed to mess around with us again, purportedly to save the Malays. What hog-wash, we are not born yesterday! Let the people who will inherit this country fight their battles their way. Keep your superiority-complex smirk out of sight. They don't charm us. In fact it is a bit pukish.

Let the man who shaped this country into a kleptocracy disappear into the sunset. If he had stayed to offer us his head – take it. I had thought that we got rid of him and thus lost that chance. God operates in mysterious ways. This time, He will help us destroy Mahathir's legacy that brought us backwards, not in materialistic terms, but as a maturing nation that had values that enriched us as a people.

Salam Yg Bhg Tun,

Walaupun ada restructure plan untuk usaha pemulihan 1MDB tetapi perkara pokok yaitu kemana hilangnya US4 Billion (RM14 Billion)masih lagi tiada jawapan. Perkara pokok ini diketepikan begitu sahaja dan tidak diambil peduli.

Saya berpendapat bahawa Yg Bhg Tun mengetahui kemana perginya RM14Billion itu dan sudah pun mempunyai bukti2nya. Tun juga tahu siapa lagi yang telah mempunyai bukti2 skandal ini. Susah bagi kerajaan untuk menyaman Tun sebagai membuat hasutan kerana ini hanya akan memakan diri mereka. Satu usaha untuk mengheret Tun ke mahkamah telah dilakukan oleh Jaringan Melayu Kuantan ketika dulu. Tetapi isu itu senyap begitu sahaja. Sebagai usaha lain, mereka berusaha untuk mencari kesalahan dan keburukan Tun ketika pentadbiran dahulu supaya isu skandal mereka itu diverted dan justified.

Bagi untuk menyelamatkan UMNO/BN dan juga diri PM itu sendiri, Tun telah meminta supaya PM berundur. Agak hairan kerana PM masih lagi seolah tidak dapat memahami agenda "yang tersurat

dan yang tersirat" didalam tindakan Tun yaitu untuk menyelamatkan dirinya, UMNO/BN dan negara Malaysia amnya.

Tun juga telah memberi amaran yaitu didalam 12. There are too many evidence of cover-ups by politician and civil servants. When Najib is defeated and I believe he will, in the next election, there will be no stopping the legal actions which must follow.

Salam Tun.

Negara kita memerlukan mekanisme audit yang lebih rapi dan sempurna. Kes-kes seperti 1MDB, PKFZ dan sebagainya jelas menunjukkan kelemahan pentadbiran, di mana kalau bukan orang-orang dalaman mendedah, salah-laku mungkin tersembunyi di bawah permaidani.

Haruslah kerajaan sekarang memberi tumpuan ke atas aspek ini.

Assalamualaikum, Tun.

Penyelewengan duit negara sememangnya satu jenayah dan pengkhianatan terhadap ibu pertiwi yang tidak boleh dimaafkan. Tindakan-tindakan susulan untuk memperbetulkan keadaan tidak boleh dijadikan alasan tidak menghukum pesalah.

Aset-aset 1MDB yang ditukar-tangan kepada IPIC haruslah didedah kepada pengetahuan umum, untuk penilaian. Kerajaan yang bertanggungjawab haruslah memastikan aset-aset tertentu, yang membawa makna kemakmuran, tidak terjatuh ke dalam tangan pelabur-pelabur asing. Apa ertinya Malaysia mengecapi negara maju pada 2020, sedangkan aset-aset yang menandakan kemajuan itu dimiliki orang-orang asing?

Semoga BN akan meraih kembali keyakinan Rakyat dengan inisiatif pembaikpuliannya.
