

THE 1MDB REPLY

Chedet.cc

18 Jun 2015

Tun Dr Mahathir Mohamad

1. To all my criticisms 1MDB, can only say that they are all wrong. But there are no proofs given. The answer is always about secrecy of Government matters.
2. I know about the TIA refusal to allow the future products of Terengganu oil wells to be used as collateral by talking to the people who were actually involved with the TIA. The Federal Government as guarantor for the RM5 billion loan was because Terengganu rejected the absurd. Why should Terengganu pull out of the Federal Government's initial proposal that its oil wells future production be the collateral.
3. No Cabinet paper on the 5 billion loan was presented. Produce the paper for the public to see. Of course you will say Cabinet papers are secret.
4. If the loan is not off-budget then show in the Government yearly budget provision for raising the loans. There is none.
5. There are written evidence about GOLDMAN SACHS terms for the bond issue. Show that GOLDMAN SACHS or Ambank did not impose high interest rate and 10% commission on the loan. Don't just say it is a secret.
6. So 1MDB issued a 30-year bond. When it borrows money the suggestion is made that 1MDB would make money.
7. The yields accrue of 6.15% or whatever is for the purchasers of the bonds. 1MDB will have to dole out money for 30 years as interest which means it borrows now and our children will bear the burden. And 1MDB will get only 88 cent to 1 Ringgit. What is so good about that.
8. Okay. The interest p.a. is RM 2.4 billion and not RM3 billion. Can 1MDB pay that amount? Already it had to get money from Ananda and the IPIC to pay. Borrowing money to pay interest does not reduce the principal. It only increases the debt. Even if it is payment for shares or whatever the loan would still be there. So you cannot explain more. It is confidential – secret.
9. Thirteen power plants bought. But the big ones in Malaysia can be bought for a song. But by paying RM18 billion, 1MDB overpaid at least by RM3 billion. Why? If they are good assets, why cannot they be listed? Why is it that when Tenaga and Malakoff were rumoured to buy 1MDB power plants, their shares all plunged.
10. 1MDB is a Government company but when it bought Government land at 1/50th of the market price, the Government lose a huge sum of money.
11. When 1MDB sells the land, it is merely taking what should be Government earnings from the sale. That process is no different from people who sell APs, contracts and licence. Is this how 1MDB expects to make money?

12. Is 1MDB a strategic development company? What has it developed – nothing. Even TRX is all fence and nothing else.

VERSI BAHASA MALAYSIA

1. Bagi semua kritikan saya, 1MDB hanya boleh mengatakan bahawa semua adalah salah. Tetapi tidak ada bukti-bukti yang diberikan. Jawapannya sentiasanya adalah mengenai kerahsiaan urusan Kerajaan

2. Saya tahu tentang keengganan TIA untuk membolehkan produk masa depan telaga minyak Terengganu digunakan sebagai cagaran dengan bercakap dengan orang-orang yang benar-benar terlibat dengan TIA. Kerajaan Persekutuan sebagai penjamin bagi pinjaman RM5 bilion adalah kerana Terengganu menolak perkara yang tidak masuk akal. Mengapa Terengganu perlu menarik diri daripada cadangan awal Kerajaan Persekutuan bahawa telaga minyak pengeluaran masa depan menjadi cagaran.

3. Tiada Kertas Kabinet bagi pinjaman 5 billion telah dibentangkan. Tunjukkan Kertas itu untuk orang ramai melihat. Sudah tentu anda akan berkata kertas-kertas Kabinet adalah rahsia.

4. Jika pinjaman itu tidak off-budget tunjukkan dalam proses penyediaan bajet tahunan Kerajaan peruntukan yang membolehkan membuat pinjaman-pinjaman itu. Tidak ada pun.

5. Terdapat bukti bertulis mengenai terma-terma GOLDMAN SACHS untuk terbitan bon. Tunjukkan bahawa GOLDMAN SACHS atau Ambank tidak mengenakan kadar faedah yang tinggi dan komisen 10% ke atas pinjaman. Jangan hanya mengatakan ini adalah rahsia.

6. Jadi 1MDB mengeluarkan bon 30-tahun. Apabila ia meminjam wang cadangan itu dibuat atas dasar 1MDB akan membuat wang.

7. Hasil terakru daripada 6.15% atau apa sahaja, adalah untuk pembeli bon. 1MDB perlu membayar wang selama 30 tahun sebagai faedah, yang bermakna ia meminjam sekarang dan anak-anak kita akan menanggung beban. Dan 1MDB akan mendapat hanya 88 sen pada 1 Ringgit. Apa yang baik tentang itu.

8. Okay. Faedah setahun adalah RM 2.4 bilion dan bukan RM3 bilion. Bolehkah 1MDB membayar jumlah itu? Sudah pun ia terpaksa mendapatkan wang dari Ananda dan IPIC untuk membayar. Meminjam wang untuk membayar faedah tidak akan mengurangkan pokok pinjaman. Ia hanya meningkatkan bebanan hutang. Walaupun ia adalah bayaran untuk saham atau apa pun, pinjaman akan masih wujud. Jadi, anda tidak dapat menjelaskan lagi. Ia adalah sulit – rahsia.

9. Tiga belas loji kuasa dibeli, Tetapi loji-loji yang besar di Malaysia itu boleh dibeli dengan harga paling murah. Tetapi dengan membayar RM18 bilion, 1MDB terlebih bayar sekurang-kurangnya sebanyak RM3 bilion. Mengapa? Jika loji-loji itu adalah aset yang baik, mengapa mereka tidak dapat disenaraikan? Kenapa apabila telah desas-desus bahawa Tenaga dan Malakoff akan membeli loji kuasa 1MDB, nilai saham mereka menjunam

10. 1MDB adalah sebuah syarikat Kerajaan tetapi apabila ia membeli tanah Kerajaan pada hanya 1/50 daripada harga pasaran, Kerajaan kehilangan sejumlah wang yang besar.

11. Apabila 1MDB menjual tanah itu, ia hanya mengambil apa yang sepatutnya menjadi pendapatan Kerajaan daripada penjualan itu. Proses itu tidak berbeza daripada orang-orang yang menjual AP, kontrak dan lesen. Adakah ini caranya 1MDB dijangka membuat wang?

12. Adakah 1MDB sebuah syarikat pembangunan strategik? Apa yang telah ia majukan? – Tidak ada apa. Malahan TRX adalah pagar sahaja dan tidak ada apa-apa.

Assalamualaikum Tun. Selamat bersahur.

1. Pertamanya saya mahu ulas gandingan Muhyidin, Mukhris dan Tun selaku pensihat. Saya percaya gabungan ini adalah mantap dan punya ciri-ciri aura kepimpinan masa depan negara. Malaysia sekarang mengalami krisis ketidakmampuan pemimpin memimpin negara dengan baik. Saya cukup yakin kerajaan sekarang mengalami ketidakpercayaan rakyat. Saya yakin jika diadakan pilihanraya sudah pasti kerajaan sekarang kalah dengan pukulan TKO walaupun gabungan pembangkang kelihatan rapuh. Saya ulangi walaupun gabungan pembangkang kelihatan rapuh.

2. Selain dari Muhyidin dan Mukhris, saya percaya beberapa muka lain yang punya aura sebagai pemimpin kesayangan rakyat antaranya Mustapha Mohamed, Shafie Apdhal dan ramai lagi. Jika gabungan ini bertanding dengan team Najib pondan dan balaci-balacinya yang lain saya percaya tem 2M akan berjaya dengan syarat Najib tidak bermain kotor.

3. Kegusaran saya kini Tun mengenai "Ringgit Malaysia" yang kian merudum berbanding US dan negara jiran Thailand:

Kini USD 1 = RM 3.80 manakala RM 1 = Thai Baht 8.99 sahaja

berbanding zaman Tun ianya setabil sekitar USD 1 = RM3.2 dan RM 1 = Thai Baht 10.1 sahaja.

4. Najib berkata jika kita tidak melaksanakan GST kerajaan akan mufliis? Setahu saya kenyataan ini menunjukkan kerajaan kekurangan wang kerana punya kadar berhutang yang tinggi? Dalam masa yang sama kerajaan memaklumkan pendapatan perkapita negara sekarang semakin menaik malah berlipat kali ganda berbanding era Tun? Kenyataan ini mencurigakan saya sebagai rakyat biasa-biasa? Nilai RM yang semakin menguncup mengakibatkan hutang negara (yang menggunakan matawang USD) akan bertambah. Saya tidak nampak dimananya terletaknya kecerdikan Najib.

5. Saya bersetuju bercampur sedikit musykil jika dikatakan pendapatan perkapita negara meningkat. Ianya meningkat dalam RM sahaja tetapi bukan dalam nilai USD. Tidakkah ianya idah khabar dari rupa sahaja? Ianya serupalah nilai aset 1MDB hanya di atas kertas tetapi selepas ditolak hutang, maka nilainya hampeh. Indah khabar dari rupa.

6. Saya tidak yakin dengan cara Najib mentadbir urus negara samaada kewangan (ekonomi) mahupun UMNO itu sendiri.

7. Saya yakin masa Najib diberi peluang selama 6 tahun menunjukkan kebolehannya sudah cukup. Negara diambang krisis kewangan yang teruk.

8. Justeru itu sudah tiba masanya Najib berundur.

9. Tun, boleh Tun jelaskan apakah kesannya jika kita menambat matawang negara kita dengan USD?
Pro and cons.

Terima kasih Tun.

Dear Tun,

I read somewhere that if we don't introduce the GST, we will become bankrupt. How lame that statement is! One pair of shoe can't fit all the feet. With 63 advisers around him, there must a better ways of how to skin a cat! and GST is not one of them as it is hurting the rakyat as a whole. Maybe all of us should use the holy month of Ramadan to pray and doa in the layladur qadar (the night of power) so that all our wishes will be fulfilled and all the good things will happen to our country after Raya. We don't want Samy Vellu to call the pot black ever again. Period.

Selamat Bersahur Tun.

Petikan kata BODOH hari ini

Utusan Malaysia. – Mingguan Malaysia 21.6 15

Anekdote Ahad

Kolumunis Ku Seman Ku Hussain

Siapa Chegubard cabar Dr. Mahathir debat?

1. Di ucapkan "terimakasih" di atas komentor yang berat sebelah dan berpaksi natijah anda yang "sadir"?
2. Kemuncak dalam kerjaya politik Chegubard sebagaimana Ku Seman takrifkan hanya layak di beri pengiktirafan apabila mencabar Dr. Mahathir berdebat?
3. Itu saja kah tahap "intelektual" yang Ku Seman ada selama ini?
4. Jika saya yang "entah siapa-siapa" ini mencabar Najib berdebat maka saya juga akan di beri pengiktirafan yang sama mengikut piawaian/ standard Ku Seman ?
5. Jawapan No. 4 di atas adalah TIDAK, kerana saya yang "entah siapa-siapa" adalah tidaklah "sekufu" dengan orang yang saya cabar berdebat itu.
6. Sekufu atau di dalam bahasa Arab disebut 'kafaah' bererti kesamaan atau kesetaraan. Di dalam urusan perkahwinan, para fuqaha' berpendapat kafaah ialah sepasang suami isteri hendaknya sama atau setara dalam aspek-aspek tertentu .
7. Dan jika faktor sama atau setara ini tidak dipenuhi berkemungkinan akan menyebabkan ketidakharmonian dalam kehidupan rumah tangga.
8. Pertimbangan kafaah dalam pernikahan disandarkan kepada satu riwayat daripada Ali bin Abi Thalib karramallahu wajhah, bahawasanya Rasulullah SAW bersabda kepadanya yang bermaksud: "Hai Ali, janganlah engkau mengakhirkkan (menunda-nunda) tiga hal: sholat jika telah tiba waktunya, jenazah jika telah hadir (untuk segera diurus dan dikuburkan), dan anak perempuan yang siap menikah jika telah engkau dapatkan yang sekufu dengannya".
9. Senang kata saya "tidak setaraf" dengan Najib, dimana saya tidak berpengetahuan dan berpengalaman bagaimana perjalanan dan urustadbir sesebuah kerajaan dilaksanakan.
10. Oleh itu, yang "sekufu" dengan saya adalah anda?

11. Adakah Tun Mahathir tidak "sekufu" dengan Najib? Persoalan ini biarlah Ku Seman yang menjawabnya.
12. Adakah Tun Mahathir "sekufu" dengan Chegubard ?
13. Persoalan diatas ini biarlah Ku Seman yang menjawabnya.
14. Tapi dari riak-riak penulisan Ku Seman, dapatlah saya memahami yang Ku Seman memberi taraf yang sama atau "sekufu" diantara Tun Mahathir dan Chegubard?
15. Amat menjelikkan penarafan Ku Seman ini?
16. Ku Seman amat menyanjung tinggi keberanian Chegubard dan memberi taraf "lebih berani" apabila Chegubard menganggap Tun Mahathir tidak berani berdebat dengannya mengenai isu-isu yang berbangkit ketika ini.
17. Itu hanyalah anggapan kerdil atau igauan berahi yang nakal Ku Seman sendiri, yang berputik dari "kebelengguan jiwa" nya.
18. Ku Seman mewakili penulis Utusan yang saya gambarkan sebagai manusia yang menulis dengan "bebas" tapi malangnya mereka menulis menggunakan kedua-dua tangannya yang sedang "di gari".
19. Ku Seman tidak pun mengambil kira mengenai taraf "sekufu" diantara kedua mereka ini? Mengapa?
20. Boleh di katakan Ku Seman menyokong agar debat diantara Tun Mahathir dan Chegubard diadakan?
21. Tapi Ku Seman amat menikus orangnya dan tidak ada keberanian untuk mengulas tentang cabaran Tun Mahathir untuk berdebat dengan Najib. Mengapa ha!!!!
22. Oh Ya! Penulis "bebas" tapi BERGARI.
23. Jika bersetuju dengan debat tidak "sekufu" diadakan mengapa tidak boleh bersetuju dengan debat yang "sekufu" diantara Tun Mahathir dan Najib diadakan?
24. Debat Tun Mahathir dan Najib adalah lebih afdal dan berfaedah diadakan buat masa ini.
25. Gambar Chegubard yang diletakkan bersebelahan dengan gambar Tun Mahathir pun boleh dijadikan isu oleh "penulis bergari" ini?
26. Ku Seman mengatakan No. 25 diatas sudah pasti sebagai pengiktirafan yang besar kepada Chegubard kerana bukan semua orang boleh duduk bersebelahan dengan Tun Mahathir waima dalam gambar sekali pun.
27. Sahlah penulis bergari ini bukan sahaja penulis picisan tapi penulis keanak-anakan lagaknya.
28. Di zaman IT ini, gambar Najib yang "berkepala hotak kan Rosmah" boleh di buat dan duduk bersebelahan dalam kedudukan bersila dengan gambar Barak Obama yang berekor. Apa nak di hairankan.

29. Gambar Ku Seman apatah lagi, boleh di bogelkan dan diletakkan di sebelah gambar bogel Jho Low dan Paris Hilton bersama-sama di atas katil.
30. Maksud saya, penekanan isu yang kurang matang di perbesarkan oleh Penulis Bergari Ku Seman disini.
31. Persoalannya bolehkah saya memberi pengiktirafan yang besar apabila melihat gambar bogel Ku Seman bersebelahan dengan gambar bogel Jho Low?
32. Saya masih lagi waras dan tidak sedangkal pemikiran Penulis Bergari.
33. Semakin lama membaca komen Ku Seman mengenai kehebatan Chegubard semakin saya terasa yang Ku Seman ini sebenarnya bertindak sebagai Penulis Upahan pula. Seperti di bawah,
34. Siap dengan sokongan agar profil politik Chegubard melonjak ke arah positif atas sebab keberanian nya membuat cabaran debat kepada Tun Mahathir.
35. Siap dengan kata nasihat pula agar Chegubard tidak kecewa sampai menonggeng kerana Tun Mahathir tidak menjawab cabarannya dan mengatakan Chegubard telah mendapat kemenangan, kalau pun belum tentu menang.
36. Apa salahnya menyedapkan hati sendiri?
37. "Kemenangan Moral" kah yang Penulis Upahan ini maksudkan?
38. "Kemenangan Moral" bukannya kemenangan MUTLAK, dan hanya penulis yang bodoh akan menggunakan alasan ini dalam mewajarkan pendapatnya.
39. Orang Melayu dan penulis seperti Ku Seman ini masih dilenakan dan diperbodohkan oleh "Kemenangan Moral"?
40. Hanya mereka yang "menunggu kekalahan" akan mengatakan mereka telah pun mendapat "Kemenangan Moral" di awal peperangan.
41. Apa salahnya jika Ku Seman menekankan dan memberi pandangan tentang cabaran Tun Mahathir untuk berdebat dengan Najib. Ada berani untuk membuka gari di kedua-dua tangan anda?
42. Atau anda sekeluarga akan "kelaparan" selepas bulan puasa ini?
43. Anda sebenarnya "TIDAK BEBAS", walaupun ada ketikanya dalam komen anda ada menunjukkan anda adalah penulis bebas. Itu semuanya hanyalah kepura-puraan penulis.
44. Anda mendakwa bahawa anda tidak berminat dengan politik kepartian dan tidak menulis pasal politik.
45. Hanyalah dakwaan penulis yang "hipokrit" terhadap dirinya sendiri. Anda tidak akan berjaya sama sekali untuk menipu diri anda sendiri. Harap anda faham itu.
46. Setengah-setengah pembaca boleh anda tipu tapi sayangnya bukan semua pembaca.
47. Harap anda Ku Seman menjadi seorang yang "berbatu".

Wassalam Tun.

Salam Tun,

Hi Mutley. You did a great job. The jawi translation was awesome. Hope those old timers dapat baca the whole picture. I guess the next step is to get otherd especially on those rural areas to know this blogspot of Tun's. Even my home town relatives does know the actual scenario. They don't really into blogspot or reading internet news. To them newspapers and tv news is everthing. No wonder PM claim rakyat still support him (pity pahang people)

10.  [Log in to Reply **cruze** Jun 21, 2015 10:57 PM](#)

Kalau rakyat dilarang untuk menjual tanah rizab melayu. Bagai mana pula dengan Najib yang jual TRX dan kem sungai besi?

Orang dulu dulu jual tanah kerana nak pergi haji atau anak nak sambung belajar di over sea.

Apa pun alasan 1MDB, menjual tanah untuk business dan berhutang2 adalah di tolak.

Amat memalukan kaum Melayu jika di kelilingi hutang dalam berniaga tidak seperti bangsa lain....

11.  [Log in to Reply **cruze** Jun 21, 2015 10:52 PM](#)

Mutely kata tu betul, Tun tidak ada menjual pun tanah kerajaan.

Fikirlah pakai otak jangan fikir di poket sendiri wahai shahidan kassim, shahril samad, salleh keruak yang sesuatu sangat aura mukanya itu, ahmad maslan dan lain lain.

Apa punya perangai perdana menteri melayu itu yang Menjual tanah milik kerajaan, milik bangsa sendiri. Tak payah susah susahkan kepala hotak kau untuk fikir 1MDB tu tak salah, korek2 kisah lama tun, Korang berdosa besar apa bersubahat, duit banyak yang korang pakai tu tak berkat, tunggu sahajalah korang nanti terseksa amat sangat sebelum nak mati nanti dengan penyakit2 pelik tetapi biasa bagi orang kaya yang makan duit dengan jalan yang tidak benar....

YAM Tun, saya dapati terjemahan 21 Jun 4.41 ptg Sdr Mutley terhadap Tulisan Tun kali ini kurang bertepatan dengan maksud yang Tun cuba sampaikan. Saya percaya terjemahan tersebut di sampaikan dalam bahasa Melayu melalui tulisan jawi atas maksud ia senang difahami oleh orang-orang Melayu luar bandar dan dikampung-kampung. Walau pun itu hasrat yang baik, maksud tersebut perlu disampaikan dalam bahasa yang senang difahami, bahasa yang tidak dikusuti oleh terma-terma asing dan teknikal, dan memadaai di sampaikan dalam tulisan Rumi kerana saya percaya jenerasi yang ada tidak lagi mahir dengan tulisan jawi, lebih-lebih lagi cara ia dieja kebelakangan ini. Berbalik kpd terjemahan Sdr Mutley, saya dapati bahasanya berbelit-belit kerana telah diterjemah mengikut aliran bahasa Inggeris yang Tun gunakan dan pemahaman menjadi lebih rumit dengan adanya singkatan katanama yang dieja mengikut bunyi perkataan (umpamanya TIA dieja ta-ya-alif), dan ada pula yang ejaan ruminya hanya diganti dengan huruf jawi yang sesuai (1MDB = 1-mim-dal-ba). Akibatnya pembaca hilang tumpuan dan tak faham dengan apa yang dibacanya. Oleh kerana kelemahan demikian boleh membunuh hasrat kita untuk menyebarkan maklumat yang benar, saya harap langkah diambil untuk mengatasi apa yang patut.

Salam Tun,

Saya menyokong teori faridina, yakni Muhyiddin sebagai PM dan Mukhriz sebagai TPM. Buat masa ini, saya rasa gabungan mereka berdua boleh meletakkan Malaysia ke landasan yang betul. Menteri yang lain ada juga kebolehan mereka, akan tetapi inilah saya rasa yang rakyat biasa seperti saya mahukan.

Muhyiddin nampak ada jiwa rakyat. Pembawakan diri beliau boleh menaikkan imej pemimpin melayu yang boleh disokong oleh masyarakat melayu dan bukan melayu. Mukhriz pula pada saya, pasti ada ciri2 kepimpinan Tun sendiri sebagai seorang anak Tun. Prestasi Mukhriz pada pemilihan UMNO lepas hampir2 mengeneipkan Hishammuddin. Beliau telah berjaya menawan semula Kedah dari PAS pada PRU lepas. Tentulah dengan bantuan rakan2 yang lain. Akan tetapi inilah kebolehan beliau yang mampu membawa cabaran zaman moden dan globalisasi, pada masa yang sama punya imej yang senang diterima masyarakat di kampung2.

Terpulanglah kepada ahli2 UMNO samada inginkan gandingan ini ataupun tidak. Ini kerana, semuanya akan bergantung kepada pemilihan UMNO nanti. DSN sebagai pemimpin sekarang harus meletakkan kepentingan survival UMNO dan melayu No. 1. Semoga DSN akan mendapat ilham untuk memperlihatkan sikap pengorbanan beliau demi UMNO.

Terima Kasih Tun.

Sorry. Just a small amendment to my comment New amendment, '...never forgot that he did not own a single sen of the Rakyat's wealth managed by the Federal Government.' instead of '....and never forgot he owned the Rakyat's wealth.....' The error is regretted.

Tun

My mother and myself were staunch supporters of the BN/Alliance from 1954 to 2013. I donated to the construction of the UMNO Headquarters and the Kelantan UMNO Building in the 1970s. We felt secure and happy that we had a leadership which looked after our eclectic interests on par with the other citizens.

And the following were what we got from the leadership to 2003.

After which, I felt strange and uneasy with events which seemed to me to be un-Malaysian with billions of ringgits flowing out of our economic system from 2004 to 2009 amounting to nearly a trillion ringgits and veering of our policies from ' Sovereignty, National Interest, Human Rights.' which were steadfastly safeguarded by you, Tun and your predecessors.

A. The great Tunku was humane and compassionate – we began to appreciate sports in an area which was previously compartmentalised. Stability, peace and harmony were the watchwords. But unfortunately, the economy remained very much what it was before his time as he was advised by unqualified aides.

B. The redoubtable and forward thinking Father of Development Tun Abdul Razak was able to put our beloved Malaysia on the road to be a great Nation. His legacies are still with us today.

C. Tun Hussein Onn was just as great as any other Prime Minister because he knew the fables and foibles of Humankind. This is a great virtue in itself. He wore the hat which fitted him. He had the military discipline not to interfere in the Rakyat's money when he was no expert. My family was privileged to be in Dehra Dun when Tun was training to be a military officer without peer. I knew him personally.

D. Our World Statesman Tun Dr Mahathir Mohamad became our Prime Minister at the right time. His achievements are too many to be put into any cursory comment. He definitely exercised and implemented the sincere wishes of his predecessors. Here is a few of his great achievements :-

i) The Tun's creation of the 3 Million families MALAY MIDDLE INCOME GROUP WITHOUT STRIFE OR RANOUR, WHICH UP-LIFTED THE NON-MALAY MIDDLE INCOME GROUP THROUGH THE PURCHASES OF THE GOODS AND SERVICES OF THE LATTER BY THE FORMER was without peer. In 1970, the Malays owned only 2% of the asseets of the Malaysian economy. NO OTHER COUNTRY HAS DONE SO. Just look at the poor Rohingyas.

The late Dictator, Lee Kuan Yew (1959-2015) screwed down his indigenou citizens from 100% in 1959 to 62% in 2010. 300,000 of his supporters emigrated. Vide. Singapore Government White Paper on Population. 2011.

With vision, Tun further created a nearly complete panoply of infra-structural developments which were too many to list in a single comment eg. the Highways, Putrajaya, KLIA, KLCC, the holiday resorts, the World Class Health System, the expansion of higher education, the Bumiputra participation in big business corporations, a continuous growth, GDP above 5%, for 22 years etc. Last but not least this was/is the Tun's biggest legacy.

HE SAFEGUARDS OUR SOVEREIGNTY, NATIONAL INTEREST, SELF-ESTEEM always – and did not give away rocks or blocs of ocean or land for free as though he owned them.

THE TUN NEVER FORGOT HE WAS ONLY A TRUSTEE FOR THE RAKYAT'S WEALTH and never forgot he owned the Rakyat's wealth managed by the Federal Government. THIS IS ONE FEATURE OF GOOD GOVERNANCE !

MY MOTHER AND MYSELF AFTER SO MANY YEARS OF LOYALTY AND DEVOTION AND MORE TO THE BN CAUSE 1950 TO 2015 by queueing for hours to vote at every General Election,

WHAT DO WE GET AFTER 2003 ? This is what we get as follows :

" EITHER GST OR FACING BANKRUPTCY "

<http://www.thestar.com.my/news/nation/2013/11/25/najib-its-either-gst-or-facing-bankruptcy/>

We were certain we did not vote for ' BANKRUPTCY OR GST '

And yet today, we still find Bloggers who cast snide, vulgar, insulting, abusive remarks etc at our beloved Tun Dr Mahathir Mohamad WITHOUT A REASON OR LOGIC. Maybe they have a short memory or looked after accordingly which I learnt from the great Singaporean lady lawyer, ' You know, by tomorrow our people will forget about today !' How true was my rejoinder.'

MY MOTHER TAUGHT ME NEVER TO BITE THE HAND THAT FED ME !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Salam Yg Bhg Tun,

PM Najib dan rakan2 pengikutnya menggesa supaya menghentikan perbalahan Tun ketika bulan Ramadhan ini. Perlu diingat bahawa skandal ini bukan isu perbalahan tetapi ianya adalah isu kemungkaran terhadap hukum Allah. Penentangan terhadap orang2 yang melakukan kemungkaran hukum Allah (tidak amanah dan membohong rakyat) terutamanya oleh pemimpin besar negara hendaklah dilakukan pada setiap masa walaupun didalam bulan Ramadhan.

Salam Tun.

Dear Tun,

In this holy month of Ramadhan al Mubarak let us not apportion blame and dig out dirt under the carpet. Yesterday, the Prime Minister disclosed that the country would go bankrupt if GST is not implemented. That means we do not have the money. It is not sensible and not logical to continue to create projects if you do not have the money. To raise money through borrowing is suicidal because the country would be mortgaged to the borrowers and we would end up without a country. To raise money through taxation is an additional burden on the people and it is politically unacceptable.

HEAVY TAXATION would eventually bring about the downfall of the ruling government. Therefore, instead of seeking money by way of taxation to cover ever expanding expenditure the government should reduce spending by reducing less urgent projects like BRIM, DELAY INFRASTRUCTURE projects like LRT, MRT, TRAN BORNEO highway, projects under 1MDB and many brand new projects which Tun and I may not know due to non disclosure. We should live within our means. We should not continue to spend, lavishly or not if there is no money. To spend money using borrowed money would eventually lose the country to the creditors. Taxation(GST) is robbery because it is through force of law enforcement. Charity is different as it is given willingly and compassionately. Wallahu alam

amin tan

i am pro or against 1M?B or whoever but talking and more talking will only bring higher possibilities of the whole country collapsing. Almost everyone in Malaysia is trying to be adviser, commentator, consultant of/for the Govt but all the analysis or analyzing will bring more paralyzing and panicking. Maybe for many it is fun or "I am right" or "I told you so". We all know every countries in the world are corrupted one way or the other and those that try to be corrupted or involved in corruption should know the consequences. Look at FIFA or follow what happen to FIFA and it's broad of directors. The milk has already spilled isn't it better to find a way to recover then blaming or finger pointing. We have to bring an end to this chapter of the story no matter what the outcome can be. We can survive with or without the current leaders as Malaysians are strong people. Tun is the only one capable and Tun is doing the right thing but not forceful and focus enough due to the attachment to a party and ideology. The question is:

- 1.Is it worth it?
- 2.Can it be done destroying a branch without killing the tree?
- 3.What have learned about absolute power or/and one-sided thinking or/and foolish supreme thinking.

I think and hope at the end of this story, Malaysia and Malaysians will bounce back be a more realistic and wiser country and people. It is not and never about the RM42B or XXB it is about learning and waking up to reality.

Salam SatuMDB!

Kepada sapa-sapa yang cuba memburuk-burukkan Tun M... Korang pegi amik cermin dan tengok muka korang dalam cermin. Memanglah Tun M bukannya manusia yang perfect. Sedangkan Nabi Muhammad, Nabi Musa, Nabi Ibrahim, Nabi Sulaiman pon pernah buat silap, inikan lagi kita termasuklah Tun M. Tapi... Apa sangatlah contribution korang kepada negara kalau nak dibandingkan dengan contribution Tun M kepada negara? So... Tolong hormat kat Tun M sebagai Stateman yang

jasanya lebih dari jasa-jasa korang semua (itupun kalau korang ada berjasa kepada Malaysia). Apa jasa Nazri dll kepada Malaysia?

Kepada sapa-sapa yg kononnya nak whack TMJ... Korang cermin muka korang dulu... Ape ajelah jasa korang kalau nak dibandingkan dengan jasa keluarga diraja Johor? Almarhum nenda TMJ derma 1222 hektar tanah untuk bina kampus UTM di skudai. Nazri, brapa lot tanah ko pernah derma utk bina tadika? Sultan Johor beli registration number kereta pada harga RM 500,000. baginda beli nombor tu... Baginda bayar kepada kerajaan, bukannya baginda curi duit kerajaan. Baginda menyumbang kepada pembangunan negara apabila baginda beli nombor tersebut tapi, bagi mereka-mereka yang tak nampak (seperti Nizar), mereka kata ini satu pembaziran.

So... Ingatlah... Malaysia ni asalnya kepunyaan raja-raja Melayu. Raja-raja Melayu telah bersetuju untuk menyerahkan kuasa mereka kepada Parlimen dan... Mereka (raja-raja Melayu) boleh mengambil balik kuasa tersebut sekiranya mereka mahu.

Salam YAB dan Yang DiKasihi Tun,

1. Para pembodek/jemuan PM Najib sudah semakin ramai yang menunjukkan aksi 'membodek/mengampu' semata-mata untuk 'survival politik' mereka. Terbaru Anifah Aman yang kata Tun M yang memupuk budaya 'Yes-Man / Pak Turut'. Hakikatnya memang pun mereka yang tiada kebolehan lebih menekankan kepada jadi 'Pak Turut' semata-mata untuk lebih mudah naik pangkat.

2. Kasihan Anifah Aman! Beliau amat tertekan sehinggakan diri sendiri rela jadi 'Pak Turut / Yes-Man' pun salah Tun M. Tun M kah yang paksa beliau supaya jadi 'Pak Turut'? Agaknya beliau marah sebab Tun M tidak mahu jadi 'Pak Turut' kepada PM Najib seperti beliau dan rakan2. Jadi siapa sebenarnya yang memupuk 'budaya Pak Turut'?

3. PM yang korup dan tidak amanah mesti disanggah & ditegur. Cuma 'Pak Turut' saja yang masih menyokong PM Najib kerana kepentingan peribadi. Amat menyedihkan!

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Dearest Tun,

Due to the complexity of the 1MDB saga, I have reason to believe that it will take a long time to get to the bottom of it at these current pace as no affirmative action is taken to address these issue.

I don't see any possibility for a motion of no confidence in the near future with the demise of Malaysia's opposition Pakatan Rakyat alliance.

Therefore we are left only with next year UMNO general assembly to challenge DSN for the presidency.

Given all these vital informations about all the wrong doings of 1MDB by Tun will sooner or later open up the minds of the majority of the grassroot leaders at UMNO branch level.

On that note I will now change my MAHATHIR theory as per my comment dated 13/05/15 under the topic Pilihanraya Kecil to a theory using Tun's initial MM (Mahathir Mohamad).

Why I am changing this theory is because I no longer have confidence in Ahmad Zahid nor Hishamuddin as both of them are seen over supportive and protective of their boss wrong doings.

Then again these MM theory is short and chances it may turn out right is higher I presume.

To all UMNO branch leaders, I challenged you to nominate Muhyiddin as a candidate for the President sit and Mukriz as a candidate for Deputy President sit!

By electing them you have concluded my theory and will be written in history as a group of people who played their part in saving these beautiful country Malaysia.

Why I chose Mukriz? To be continued..

Wasalam Dearest Tun M and warmest regards to bonda Tun Siti Hasmah tersayang..

Correct me if I am wrong.

" An Open Letter ";

Once again PM Najib has "ask" someone to do his bidding , FM Anifah Aman has commented on Tun Mahathir criticism of him in NYT , making it an official Malaysian Government stance .

Why , to save face with his political "friends" in Washington .

PR (permanently retarded) is still a functioning opposition coalition
it's only a smoke screen (wayang Cina) .

With ;

DAP/evangelist a two face (lebih dari 3), foul mouth , venom spewing ,
self idolised , lovey dovey ,.....and the mother of bigot .

PAS (ulama/ahli) on their high horses ,holier than thou attitudes ,all
knowing , over confident as if the common Malays/Muslims (bukan ahli PAS) a mere "kayu api" in
hell and so much so has the ability to tell Satan to be civilised .

PKR (the low of the low) a self serving , spineless ,flip flop ,...and anything goes kind of people .

"The opposition support DS Najib as PM" ,I hear bells ringing .

PM Najib is UMNO/BN "Achilles heel", he is slowly "bleeding" , the pack of wolf (PR) can smell it for
miles .

The kill when it happen is on GE 14 or sooner if PM Najib call a snap GE 14 (ini yg di harapkan oleh PR
).

Matlamat PR kan Putrajaya .

Yg heranya kalaulah Tun Mahathir and his " over the hill gangs aka the Rough Riders" megada-adakan
cerita utk memburukan PM Najib dan rakan-rakan sejenisnya takda pula laporan polis atau saman
menyaman berlaku seperti selalu terhadapnya .

Come on rakyat Malaysia khasnya ahli UMNO/BN got "apples" or not marilah
kita ramai-ramai buat laoran polis , jika benar "Tun & the Gangs" akan di sumbat dlm lokap kerana
memfitnah .

So please ;

Correct me if I am wrong .

Petikan kata BODOH hari ini.

“Dr. Mahathir korban prinsip sendiri”

Utusan Malaysia – 19 Jun 2015

Oleh Pengerusi Kelab Penyokong Barisan Nasional (BNBBC), Tan Sri Shahrir Abdul Samad

1. Amat lah kebodohan si Shahrir ini dalam mengeluarkan pendapat?
2. “masyarakat masih belum melupakan saranan Dr. Mahathir agar berhati-hati dengan media asing yang dikatakan mempunyai agenda zionis serta sering kali memburuk-burukkan Malaysia”.
3. Mana ada mengatakan prinsip di atas sebagaimana anda sendiri ucapkan.
4. Berhati-hati dengan media asing BUKAN PRINSIP MUTLAK tapi saranan Tun agar extra cautious step taken when interview by them.
5. PRINSIP MUTLAK ialah “Saya tidak akan memberi interview kepada Foreign Media samasekali”
6. Itu baru PRINSIP.
7. Anda hanya “menangguk di air yang keruh” wahai pengerusi BNBBC.
8. Jika saya tidak BERPRINSIP sebagaimana anda dan berkepentingan, saya akan mengatakan Tun perkara yang sama.
9. Jika saya “menangguk di air yang keruh” sebagaimana anda dan jika bernasib baik, dapatlah saya projek indent 1MDB tu.
10. Bercakap pasal PRINSIP, saya rasa susah nak cari ahli politik yang berprinsip.
11. Anda jauh sekali dan tidak berprinsip langsung orangnya.
12. Tindakan anda berseorangan pergi berjumpa si penipu Arul pada waktu malam di hotel adalah berprinsip?

13. Kata anda untuk kepentingan awan dan untuk mendapatkan maklumat terkini 1MDB dan mewakili BNBBC.

14. Tindakan anda tidak menunjukkan anda ialah seorang yang berprinsip.

15. Tindakan berprinsip di sini bagi saya ialah "BERJUMPA si Arul tu di ofis secara official la".

16. Anda macam curi-curi keluar waktu malam jumpa bini orang kat hotel.

17. So, Tun tidak mengorbankan prinsipnya. Tiada prinsip yang dikorbankan oleh Tun.

18. Anda juga tidak mengorbankan prinsip anda iaitu "menangguk di air keruh".

19. Arul juga tidak mengorbankan prinsipnya iaitu selalu "menipu".

20. Tapi yang paling penting Najib boss anda masih MENGEKALKAN PRINSIP beliau iaitu "ALWAYS HIDE"

WASSALAM TUN

It seems that Arul is dodging arrows and keeps lunging left and right trying to find a killer punch, unfortunately he is standing on quicksand and the more he shadow kicks, the more he gets mired and sinks the faster.

He said 1MDB assets can pay off the debts? Ask why he and 1MDB got suckered into all the debts by his young friend? Be brave Arul. He keeps on referring all questions to the PM Najib, ok ok he's the one who told us that PM Najib has the final authority on all 1MDB financial deals. Just be brave Arul and take the bull by the horns and come clean. A clean conscience makes a person sleep better.

Assalamualaikum Tun.

Nampaknya orang UMNO Terengganu kurang memberi komen di sini.

Masih ingat lagi bilamana Ahmad Said diperkotak katik semasa beliau ingin melaksanakan majlis perkahwinan anak beliau di kediaman rasmi Menteri Besar. Tak dan dan Adnan Mansor nak halau Ahmad Said dari rumah rasmi tersebut.

Masa era Pak Lah juga meremehkan orang Terengganu dengan membantah perlantikan Ahmad Said sebagai Menteri Besar Terengganu ketika Sultan Mizan berjawatan Agong dan meninggalkan anakanda baginda bersama sama jemaah negeri mentadbir negeri.

Benar negeri Terengganu tidak begitu membangun seperti negeri negeri lain.

Satu ketika saya nak pergi berenang ke kolam MPKT di sebelah Hopital Besar Trg, bumbung kolam pun tak ada. Katanya dalam pengubahsuaian.

Di TER terdengar bahawa kolam memang ada tetapi tiada bumbung.

Stadium Gong Badak juga pernah roboh. Dan juga pernah dibakar semasa perlawanan Terengganu vs Lion xii

Bangunan baru dibelakang PERMINT juga hanya cantik pada ukiran. Dikhabarkan masih ada bangunan tidak lulus CF dan ruang niaga hanya terbiar kosong.

Ukiran memang cantik, tapi bila hujan, tempas di kaki lima menyebabkan orang ramai termasuk saya tidak dapat berteduh sepanjang laluan tersebut. Apa guna?

Melalui TIA ada orang berharap supaya duit royalti ini tidak disalahguna untuk kepentingan lain. Maka tujuan TIA yang dapat saya fahami adalah untuk menyebarkan dan mengembangkan faedah bagi seluruh rakyat Terengganu.

Walaupun orang Terengganu mungkin dipandang sebelah mata seperti Ahmad Said yang nampak gaya kekampungan (termasuk saya), namun keberanian menolak permintaan pemimpin yang tidak betul ajakannya adalah semulia mulianya jasa kepada Negeri Terengganu.

Tetapi untuk berkata saya berpuashati dengan pembangunan Terengganu sekarang, saya fikir saya belum berpuashati.

Jangan membuang duit ikut sesedap rasa. Buat bangunan biar yang ada kelas. Buat kolam renang biar tahan lama. Buat Stadium biar tahan lama.

Terima kasih Tun.

Assalamualaikum.

Tun,

1. Perniagaan 1MDB "Satu Malaysia Dah Bungkus" ialah perniagaan yang kalut dan kononnya Najib anak lelaki Tun Razak ini pandai. Tun, rupanya dia hanya pandai menipu.
2. Nak bayar hutang, Najib (yang ada kuasa selaku menteri kewangan 1) jual tanah yang ada kepentingan kerajaan dengan harga tersangat murah dari harga pasaran pada 1MDB, kemudian 1MDB (di mana Najib juga pengurusinya) jual kepada pelabur lain dengan harga pasaran? Bijaknya PM Malaysia sekarang? Kalau begitu, dia belajar kat luar negara dari kecil dulu rupanya untuk memutar belit orang / rakyat.
3. Kalau begitu, asset kerajaan tergadai dengan harga yang hampir tiada nilainya?
4. Alamat lingkop la Malaysia, lingkop la UMNO, lingkop la BN.
5. Kalau kita bandingkan PM yang memimpin Malaysia seramai 6 orang, hanya Tun Mahathir dan Tun Abdullah sahaja lepasan universiti tempatan.
6. Pemimpin yang berlatar belakangkan pendidikan luar negara, mentalitinya banyak bezanya.
7. Seperti Tun , semangat cintakan negara agak menebal, semangat sayangkan rakyat sangat luar biasa kecuali Tunku dan Tun Razak. Malangnya Najib anak Tun Razak ini menyongsang dengan sikap bapak dia.

8. Kalau kita imbas cerita P Ramlee, "DARI KECIK TAK NAK MAMPOS, DAH BESAR MENYUSAHKAN ORANG". Kalau susahkan orang tak mengapa, ini menyusahkan rakyat. Impaknya amat besar, wang rakyat berbilion mungkin lesap umpama MH370 yang hilang tanpa dikesan.

9. Sedih...

Sekian Tun.

Questions:-

Can someone work for a company or country, purchase something for the company or country asking for commission from the seller?

Aren't they getting paid monthly by the company or country to do the job of purchasing?

By asking commission from the seller, that means the purchasing cost will be higher, are they supposed to help the company or country to safe cost?

What happen to the person if the company found out? Or If the country is other country like Thailand, Singapore, China, South Korea and other country... what will happen to this person?

Any lawyer out there can answer the above questions?

Can they bring along all the Billions when they passed away?

Dearest YAB Tun,

1MDB 'replied', but PM Najib, Arul Kanda & gang did not answer Tun's and the rakyat's questions regarding 1MDB controversial issues/transactions.

Now they are trying to divert our attention by calling Tun as a 'compulsive liar'. But, as observers, we the 'rakyat' know who the REAL LIARS are. PM Najib, Arul Kanda and gang are caught lying to the public many times. And, how dare they accuse Tun M as a liar.

We trust Tun M, and we love Tun M. PM Najib must learn from Tun M how to make the 'rakyat' trust him and his leadership. Majoriti rakyat sudah hilang kepercayaan terhadap PM yang bercakap bohong dan tidak amanah.

Thanks Tun.

Mubarakhan, your 18 June comment is a good snap-shot of 1MDB, as we know it. The RM 42 billion Loan utilization table was dished out to outwit everyone, giving the illusory impression that the money has fully been accounted for, when the contrary is true. Many perhaps did not realize that the table was not 1MDB's Balance Sheet and is thus unreliable for use as data. Hence, it is wrong to assume that everything was above board simply because utilization had equaled the amount borrowed. All sorts of pilferage could lie camouflaged in items such as " Cost of Finance & Working Capital " and " FX Cost ". As example, it is perplexing as to why "FX Cost" had arisen at all when none of the loans had been retired up to the date of reporting.

Salleh keruak ? Adakah itu sahaja yang mampu anda lakukan (komen TUN) dengan jumlah besar gaji yang rakyat bayar?

Muka kamu tak nampak sinar popular, hanya nampak seolah ada udang di sebalik batu.

Tak nampak sumbangan kamu kepada rakyat!

TUN yang mencadangkan untuk kamu di calonkan dahulu, ingat tak? Inilah balasan kamu pada dia, atau kamu sebenarnya bercita cita mahu menjawat jawatan perdana menteri?

Kamu amat memalukan bangsa melayu kerana tiada istilah lupa budi pada bangsa lain dan melayu sebelum ini, kamu orang pertama melayu yang menunjukkan kepada bangsa asing bahawa orang melayu tak tahu kenang budi alias biadap.....

Sembahyang istikharah lah wahai salleh kruak untuk mencari kebenaran antara dua pemimpin kamu itu.

Juga untuk menteri lain di sarankan juga buat sembahyang istikharah antara dua insan utama negara ini...

To CAGM chairman Md Zainal Abidin & Mamak Arul

Mereka yg sebenar kena menjalani Lie Detector Test

Mereka yg tahu menahu tentang urusan 1MDB

Bukan Tun atau Kita

Kita dan Tun hanya berhak bertanya dan mereka menjawab dengan penuh Kekeliruan

Jadi mereka berdua inilah yg seharusnya menjalani interrogations & lie detection

Seharusnya Badan Pencegah Rasuah mesti mendalami siasatan ini semua bagi

Menyelsaikan Keresahan Rakyat

Kita tidak menuduh ,kita sudah tidak percaya maka perlu Badan Ketiga untuk menyelesaikan

Assalamualaikum Tun,

1. Sudah beberapa hari TV3 yang direstui oleh Najib dan penjiatnya mula memburukkan proton. Bagi saya ini perkara yang aneh tetapi ianya realiti dan menunjukkan betapa buruknya sifat PM dan penjiatnya. Lagak lakonan samalah seperti pepatah Melayu "kayu hulu kapak".
2. Saya percaya 100% semua lakonan iklan tersebut adalah berbayar termasuk wawancara dengan pemandu teksi.
3. Saya percaya sesiapa yang hampir dan mengenali pemandu-pemandu teksi yang menjadi pencacai selepas-selepas ini akan mendapati hidup pencacai ini "senang" selepas dibeli. Jika tidak kaya, akan kayaplah orang tidak bermaruah seperti ini.
4. Sedihnya Najib yang berakhlak rendah ini sanggup menjadi KAYU HULU KAPAK. Kalau inilah lagak seorang pemimpin no 1 di Malaysia menangani isu, saya percaya masa depan Najib di Malaysia akan malap bersama pencacainya khususnya pemimpin UMNO yang utamakan kuasa dari kepentingan rakyat keseluruhannya.
5. Saya percaya jika selepas PRU 14 nasib Najib dan pencacainya sama seperti nasib Mahmoud Mursi di Mesir.
6. Kita tunggu ending nasibnya kelak.

Wassalam.

Sampai hari ini tidak ada tindakan atau apa apa yang berlaku terhadap DS Najib sebabkan beliau adalah PM

Cuba ini berlaku pada orang biasa pecah amanah dah tentu tindakan serta merta akan diambil

Setiap hari berlaku Tun dan DS Najib bertikam lidah

Sistem perlembagaan di Negara ini tidak tulus ikhlas pesalah di pihak atasan tidak ada tindakan diambil

Salam Ramadhan Ayahanda Tun,

Di malam awal ramadhan ini saya terpanggil membicarakan kenapa dan bagaimana kemelut kecelaruan kepimpinan UMNO di bawah dua orang Presiden/Perdana Menteri selepas Tun boleh menggagalkan Wawasan 2020 ciptaan Tun.

Secara amnya kedua2 mereka tidak melalui pengalaman berada dalam 5 jenis pemerintahan yang berbeza sepertimana Tun lalui.

Hanya seorang bekas PM negara jiran yang pernah melalui seperti mana Tun lalui dan walaupun ramai tidak menyukai stail kepimpinan mendiang ini namun beliau berjaya sekurang2nya menerapkan visi beliau kepada pemimpin2 pelapis selepas beliau dengan cara genggam kuku besi, berada di balik tabir sebagai senior minister dan kemudian minister mentor. Dan memang benar beliau secara

simbolik menunjukkan beliau sangat berkuasa sehingga memberi amaran dengan berkata kalau apa2 terjadi pada negaranya maka beliau akan bangkit dari kuburnya.

Kenapa saya kaitkan cerita ini sebab kalau masa boleh diputar semula Tun seharusnya tidak meletakkan jawatan sebagai Presiden UMNO! Sementara mereka menangis2 merayu agar Tun terus memimpin kerana mereka benar2 ikhlas di kala itu. Bagi memenuhi permintaan ahli UMNO yang dahaga kepimpinan Tun waktu itu Tun patut kekal sebagai Presiden UMNO dan cuma lepaskan jawatan Perdana Menteri kepada Timbalan Presiden UMNO. Lantaran itu Tun masih berkuasa di belakang tabir pemerintahan kerajaan tanpa perlu jadi senior minister atau minister mentor.

Dipendekkan cerita tiadalah kes kow-tow2, jambatan bengkok tak terbantut, keretapi laju dah lama beroperasi, Malaysia jadi antara 10 negara di dunia tanpa GST dan lebih menyegarkan lagi jangan haraplah kerajaan nak berniaga ala2 1MDB – Tun batuk2 dah terkencing.

Wasalam Tun2 dan selamat bersahur.

p/s – Ini sekadar igauan minda saya yang tidak boleh terima hakikat apa yang di alami Tun sedemikian rupa..

Dear Tun,

Selamat berpuasa semoga Tun dan Tun Siti Hasmah diberi kesehatan serta kekuatan menempuh bulan Ramadhan ini. Juga kepada rakan-rakan yang tidak jemu-jemu menyumbangkan pendapat di blog chedet ini – cruze, faridina, oran, kaninna, teratai, juga tak lupa saudara suhainin suhaibul, dan semua yang menunaikan ibadat puasa – selamat berpuasa Ramadhan, semoga ibadat dan amalan kita diterima Allah, tidak kira apa pun latarbelakang fahaman politik yang didokong di hadapan Allah kita semuanya serupa.

Tun yang dikasihi, saya rasa tersentuh apabila posting Tun hari ini juga disertai dengan terjemahan versi bahasa melayu/malaysia. Tersentuh sebab sedih Tun sanggup kerja dua kali/ double the task of writing the original post and translating into bahasa. Saya sanjungi pengorbanan mereka di blog Tun ini yang berusaha menterjemah tulisan Tun agar mesej Tun dapat disampaikan kepada mereka di luar sana yang kurang memahami bahasa Inggeris. Salah seorang pengikut blog chedet yang melakukan tugas murni ini ialah 'teratai' <http://translationfocus.blogspot.com/>. Bukan tugas mudah menterjemah kerana bimbang silap dan lari maksud asal. Hail and thumbs up 'teratai'. And Tun too.

Tun, hutang negara yang amat menakutkan besarnya juga kedudukan matawang serta pasaran saham yang jatuh merudum, tidak dapat disembunyikan oleh PM, kabinet beliau, 1MDB mahupun Bank Negara. Walau apapun yang cuba dilakukan oleh mereka ini untuk selindung, tetapi kebenaran akan terdedah juga Tun, lambat atau cepat sahaja. Kami pun dah naik buntu akibat menyampah dengan gelagat pentadbiran PM yang ini kerana semakin ditegur untuk kebenaran ia semakin menjadi-jadi rebelnya umpama samseng. Sehingga bulan puasa tahun ini buat pertama kalinya saya dengar ada tagline Ramadhan #Inikan Puasa kononnya untuk apa tah, agaknya untuk memperli mempersenda Tun. Macam dah bercelaru saya perhatikan taktik kotor kerajaan yang ini sehingga sanggup

mempergunakan bulan Ramadhan untuk menghina orang sesama Islam. Terpesong dari barakah mereka ini Tun. Tun tabah okay.

Saya berdoa kepada Allah swt di bulan mulia ini semoga dipermudahkan jalan buat Tun dan semua yang menuntut kebenaran, agar semua kemungkaran yang dilakukan oleh pemerintah yang kini ini terbongkar juga akhirnya. Sementara itu Tun jagalah diri serta keselamatan, jangan diambil ringan aspek keselamatan Tun. Kami semua maseh memerlukan Tun. Take good care Tun Dr. Mahathir. You always have this special place in our hearts.

SALAM TUN

To CAGM chairman Md Zainal Abidin VIA TUN.

Petikan kata BODOH hari ini.

"Only by undergoing a polygraph test and passing it can Dr Mahathir make the public trust his words," CAGM chairman Md Zainal Abidin said in a statement today.

Cadangkan saya semalam dalam blog Tun "MORE INVESTMENT BY 1MDB"

Petikan kata bodoh hari ini

The Edge.

"1MDB's Arul hopes for fair probe by PAC"

Yes, you Arul Kanda Kandasamy is entitled to have a fair probe by PAC as you are also entitled to wear a "lie detector" or polygraph.

1. PDRM, please make sure the lie detector is available on the date of Arul's interrogation
2. Nur Jazlan, please reassure us, it is mandatory requirement for Arul's case.
3. Or, can i suggest that lie detector should be a Standard Operation Manual to probe the Chairman and BOD of 1MDB.
4. If Najib Razak is to be called by PAC, please make sure the lie detector is from the most advance one and calibrated by the manufactures.
5. PAC should use all means and not base solely on theirs statement in finding the irregularities.
6. All human are prone to lie as to protect theirs wrong doings or under siege of their superiors.
7. As proven by Arul, we can't rely and really take his words as statement at all, as he is not competence to differentiate "cash" and "units"
8. As he claimed "The purpose of my appearance before the committee is to respond to questions that its members may have"
9. As my claimed "The purpose of his appearance before the committee is to respond to questions with more lies so that its members may have more headache.
10. So it is wiser for PAC conducting probe on Arul with the help of lie detector. Your times and ours expenses will be save.
11. As for me, Arul is just a competences person to lie and lie.
12. Cheaters always tends to forget of what they have lied.
13. But as a profesional cheater like Arul, the lie detector is the answer.

Nampaknya idea ini telah di tiru oleh The Citizens for Accountable Governance Malaysia (CAGM).

1. CAGM chairman Md Zainal Abidin amat lah BODOH orangnya kerana
2. Mengeluarkan pendapat yang bodoh dan berat sebelah?

3. Selepas ini semua pedebat yang mewakili sekolah Rendah dan Menengah diseluruh negara akan di kenakan POLYGRAPH TEST ke?

4. Jawap lah Wahai si BODOH Md Zainal Abidin.

5. Najib tak kena ke?

6. Mana kamu yang BODOH ini tahu Najib tidak MENIPU?

7. Entah-entah Najib telah berkurun lamanya tipu kamu semua, termasuk mak bapak kamu?

8. Sebab tu lah aku suruh kamu si BODOH kenakan POLYGRAPH TEST kat Najib juga supaya jangan kena tipu selamnya.

9. Barulah nampak kamu ada "cerdik" sikit bila bercakap.

10. Sebenarnya aku malas nak ambil tahu pasal CAGM wahai Md Zainal Abidin.

11. Tapi bila kamu nampak terlajak BODOH nya dan nak memperbodohkan orang cerdik macam aku, terpaksa aku menjawab ke BODOH an kamu tu.

12. Aku nak tanya satu soalan tapi sebab aku bercakap dengan orang BODOH maka terpaksa aku BERTANYA cara orang bodoh.

13. 2,000 members who have each contributed RM500 to RM1,000 adalah sama BODOH dengan engkau ke? Atau lebih bodoh kerana mereka di ketuai oleh orang bodoh bernama Md Zainal Abidin.

14. Kalau kamu "cerdik" dan well organised party,tak payahlah bercakap besar tentang rewards RM 1 juta.

15.Tunjuk je account statement RM 1 juta atas nama CAGM, bercakap besar tak guna tapi biar account statement bercakap lagi power tau.

16. Lepas ni pinjamlah duit siapa saja atau para penaja anda dan masukkan dalam account bank. Buat press statement tunjuk bukti baru kau ada batu pel.r.

17.Tapi jika kau buat ini semua, aku hanya boleh senyum je kerana kau nak tunjuk bagus selepas aku tunjuk dimana kebodohan kau.

18. " We hope Dr Mahathir will accept our humble request."

19. The above statement by you is totally stupid.

20. It is not your "humble request" but your "stupid request", my dumber friend.

21 Cukuplah setakat ini sahaja buat salam perkenalan kita. Harap dapat berjumpa lagi di masa hadapan jika kebodohan kamu masih ada.

22. Diharap semua di sini dapat membandingkan cadangan saya atau saudara Md Zainal Abidin CAGM chairman. Mana lebih cerdik dalam memberi cadangan?

Wassalam Tun.

Salam SatuMDB!

Cuba uols baca tentang People Power Revolution ni... Beginilah pemimpin korup Filipina, Ferdinan Marcos dijatuhkan.

https://en.m.wikipedia.org/wiki/People_Power_Revolution

Yang ni adalah excerpt dari wikipedia...

To help finance a number of economic development projects, the Marcos government borrowed large amounts of money from international lenders.[67][68] The Philippines' external debt rose from \$360 million (U.S.) in 1962 to \$28.3 billion in 1986, making the Philippines one of the most indebted countries in Asia.[67] A sizable amount of this money went to Marcos family and friends in the form of behest loans. THESE LOANS WERE ASSUMED BY THE GOVERNMENT AND ARE STILL BEING SERVICED BY TAXPAYERS, TO THIS DAY. These loans were ostensibly funded to construct the Bataan Nuclear Power Plant but after Marcos' ouster, the plant was not utilized. TODAY, MORE THAN HALF OF THE COUNTRY'S REVENUES GO TOWARD THE PAYMENT OF INTEREST ON THESE LOANS, WITH THE PRINCIPAL AMOUNTS REMAINING LARGELY UNTOUCHED.

https://en.m.wikipedia.org/wiki/Ferdinand_Marcos

Beginilah nasib Filipina disebabkan oleh seorang pemimpin yang korup. Jangan sampai Malaysia pun jadi macam ni.

Salam Tun.

1. Allah s.w.t mewahyukan kepada Rasullullah s.a.w bahawa katakan kepada mereka-mereka bahawa urusan kiamat adalah urusan ku tiada siapa yang akan tahu bila akan berlakunya kiamat ini melainkan dirinya (Allah s.w.t).
2. Itu adalah rahsia tetapi kita tahu kiamat itu pasti berlaku soalnya bila berlakunya ? kita diberi tanda-tanda seperti hari akan terjadi iaitu hari Jumaat untuk meneka dengan tepat bila wallahua'lam.
3. Maaf Rimba Emas menjadikan soal ini sebagai contoh dalam menjadikan satu rahsia kerajaan yang dilarang diketahui pihak awam.
4. Soal yang besar pun Allah s.w.t berikan tanda-tanda kepada Rasullullah s.a.w inikan pula Kerajaan yang di pilih oleh rakyat.

5 Pastinya tidak semua perlu dirahsiakan lebih-lebih lagi kalau rahsia itu boleh mengakibatkan perkara-perkara negatif yang boleh membawa mudarat kepada kerajaan sendiri.

6. Rahsia peribadi iaitu milik tuan punya seperti kata Allah s.w.t tadi iaitu urusannya di bolehkan sebagai rahsia.

7. Jadi tiada rahsia lagi kalau kerajaan melibatkan orang awam seperti menggunakan wang rakyat dalam urusan kerajaan. Agak pelik kalau kita meminta wang dari seseorang dengan memintanya jangan ambil tahu wang itu atas urusan apa dan kenapa di ambil.

8. Kita merahsiakan urusan kita dari rakyat tetapi urusan itu di ketahui oleh Allah s.w.t maka agaknya rahsia itu pasti bukan rahsia apabila diakhirat nanti.

Wallahua'lam.

Lihat sumbangan daeng, Mubarakchan, Mutely, hajar, faridina, chrix, praxis, mokhtarsalleh, mustakimabdulrahman, seorang pakar pantun dan lain lain.

Kita orang kecil tak layak di mata wartawan untuk menyiarkan pendapat kita di akhbar mahu pun tv3 yang semakin tak maju tu. Pendapat tun pun susah mereka nak siarkan.

Kita alu alukan sesiapa saja nak masuk. Caranya login dahulu dan setelah dapat kata laluan maka anda dah boleh menulis apa sahaja.

Saya sudah mula tidak suka pada Khairi setelah beliau cuba menegakkan benang basah. Khairi tidak mengkaji sebelum membela. Tindakan Muhyidin Yassin lebih kepada tidak menyokong 1MDB rasanya. Biar dia senyap semuga beliau mencatit nama nama menteri yang kuat menyalak dan mencarut2 agar apabila beliau memegang tampuk pimpinan beliau akan gugurkan nama yang tersebut.

pemimpin yang tiada budi bahasa dan kaki menyalak adalah serupa seperti seorang yang samseng dan akan memalukan Munnyidin akan datang.

Fikirkan sendiri bagaimana pendirian PM jika anak buah sekarang kaki menyalak dan mencarut langsung dia tidak menegur.....Raja raja tanah melayu sedang memerhati ya jangan rasa selesawahai semua pemimpin di bawah naungan Najib.

Tun

The 1MDB is led by the finest Administrative, Management and Advisory in the land. All documents and money should be able to be exhibited on demand like any other commercial undertaking.

Strangely, for some months, 1MDB has obstinately refused to release any document or evidence that it has any cash. Let us remind ourselves that whatever cash used by 1MDB belongs legally to the

Rakyat. Maybe this is one reason why the most senior Government officials also made pronouncements to explain about the missing cash.

Why the opacity and the obstinacy ? If no illegal activity had taken place in 1MDB what is the harm in showing public documents and the cash. There should be no State secrets in the purchase of old power stations, derelict lands next to venerable temples, or soon to be re-zoned ex-Government properties or big Saudis owning small companies.

But as the apparent chase after the facts relating to 1MDB gets heated up, we find another strange spectacle of 1MDB jettisoning its assets to whatever buyer could be dragged in from the street but unfortunately, these so-called buyers are firmly part of the family of the Government.

Right up to this stage, we cannot deny that the RM42 Billions debt is a Saudi Arabian desert mirage. The debt is there. Not only is it bigger than life but it is a very big elephant in the Dewan Rakyat with all our YBs trying to figure out how to be as competent and efficient as Mr David Copperfield in making it to disappear. Unfortunately the elephant will never go away as it was created by evil intentions.

Like a magic show, we find all sorts of false trails like in a paper chase to mislead and to cover-up all that was done to the CASH which was the main allure of this 1MDB game blessed with the finest credentials in the land.

With our beloved Tun leading the rest of the country in this absurd but fascinating game of ' WHERE'S THE MONEY ? WHERE'S THE MONEY ? 1MDB ! It will be many moons before many sunrises to find the money has gone and only 'units of toilet paper remain in 1MDB'. Why ?

As I conjectured before,

1. No money was capitalised to purchase RM14.7 Billions worth of assets.
2. Because of the pukka credentials with superb references attached, RM 42 Billions of ringgits were raised from all sorts of financial agencies based on a private revised valuation of the RM 14.7 Billions assets to RM 42 Billions which is inclusive of its pukka progeny. Why RM 50 Billions or RM 100 Billions were not borrowed puzzled me.
3. The forced exit of 1MDB from the firmament was undertaken inadvertently. What in common parlance – 1MDB is beating a hasty retreat.
4. 1MDB is a badly planned farce thought up over some Manhattan penthouse parties.
5. I am confident our Prime Minister is not involved in all these if there was no closest aide who should have read the book "THE CREATION OF MONEY WITHOUT MONEY" MPH.2009.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIAN BOLEH !

No denying that TDM created the climate and structures for people like Najib to behave this way. Quite true, that Mahathir's tenure itself was plagued with controversies. In fact he can be singled out for corrupting the whole system. I wrote sometime before to be wary of the monsters you spawn. Look at what's happening now. No one seems to be able to touch the PM.

I thought it was only in the least developed of the Third World that so much power is allowed to be vested in one person. And, we call ourselves a democracy! What a shame! Then, there is this nit-wit proudly declaring that he was "voted into office", therefore, represents the people. What about the opposition? Are they not the peoples' reps? Yet they are treated worse than common criminals! And, you dare brag about being elected when the disparity between constituencies is so glaringly disproportionate! Real thick-skinned parasites!

My question is was Najib living on the moon when Mahathir was the PM? If Mahathir committed any crime, which I suppose he did, then is not Najib himself complicit? But, the difference, I suppose, is when you blatantly steal the rakyat's money. Now, that is the core of the matter here. Which of these two openly stole and then made the rakyat pay for their crimes?

No point saying that we will resolve the issue after a few months. Sure, given the clout the PM has, even the most dumb of the UMNO scoundrels in his position could make 1MDB smell like roses, given time. But, at whose expense? The money is lost! Period! You can take from whatever other source to recoup the losses. But, in the final analysis, the country's wealth has been frittered away by these treacherous rascals.

Even Tabung Haji was not spared. If in fact, as the PM, in his desperate attempts to defend himself and to deflect blame, suggested that his intention was for the Tabung to gain from the TRX deal, why did he not sell it to the Tabung at 64 in the first place? Why rob the poor by making them pay blatantly inflated prices? There seems to be no fear of God in UMNO, And, Mahathir, you should be ashamed for allowing this mess to develop.

And, just digressing, where is the PAT now? Did he not say that he will 'whack' anybody who dares insult the monarchy? Another appointee to do UMNO's bidding?

Dear Tun,

What happen to our beloved Malaysia?? I am someone who are totally not interested in Politics, just like many other Malaysian that are trying hard to make ends meet. Thanks Tun for bring the 1MDB issue up, lately its been not only talks of the town, talks of the country... we have heard people discuss the issue not only in coffee shops, offices, shopping center.... we can also see other countries' news report on this shame wanted news towards what supposed soon to be well developed beautiful country of Malaysia.

Look at the recent South Korea case, because of suspected corruption case, their PM resigned. Look at Thailand, suspected cases also the PM is being throw out. China, many top officials being investigated and brought into justice. Look at Taiwan, Philippines, Indonesia and many more country. Why is Malaysia so different? Malaysia are rather well known among Western countries of late because of our twin towers, promotion of visit Malaysia, F1 racing and many more. It all takes years, yes many years of hard working to gain a good reputation but I can see it is fading away very soon with this 1MDB scandal as well as some other issue.

Just because of some visit to some kampung with some supporters, that night our PM said he can sleep soundly? What happen with other nights? He cannot sleep soundly because of all he has done?

Look at other countries PM, when something like earthquake happened, the 1st thing the PM will do is to concern about the rakyat, surely the the PM will fly in to the effected place to meet them but our PM is so busy flying to Saudi Arab which is so important that cannot be postponed. Aren't they using private Jet to fly? Can't the private Jet make at least few hours of stop over?

As a Malaysian where we were taught from Primary School that this Country most respected person are the King and Sultans, we also must respect the Royal Families but it seem also there are some rich politician who forgot what he was taught in school. What a shame.

Lastly, I sincerely hope Tun and perhaps TMJ the King or Sultans of this beautiful country Malaysia will continue what Tun are doing and stand up TO HELP THE RAKYAT TO HELP THIS BEAUTIFUL COUNTRY MALAYSIA GET BACK ON TRACK AGAIN SOON.

Assalamualaikum, Tun.

Pembelian loji-loji kuasa kelihatan kurang sesuai. Baik 1MDB pakai pinjaman itu untuk membeli lebuhraya-lebuhraya penting di Semenanjung. Sekiranya 1MDB membeli lebuhraya dengan harga yang tinggi, untuk mengekalkan harga tol, Rakyat akan berterima kasih.

Dari perspektif yang lain, Rakyat tak faham kenapa anggota-anggota Kementerian Kewangan tidak tahu membuat pengiraan ringkas dan senang, dalam soal bunga dan pulangan modal. Apakah kerajaan harus meneliti kelayakan mereka yang diupah dalam kementerian kewangan?

Tun,

The Arul Kanda's Statutory Declaration

Will He Dare To Make A Statutory Declaration On All The Issues Relating To The RM42 Billion Debt Of 1MDB?

By Matthias Chang – Future Fast-Forward

Many commentators have accused Arul Kanda of lying with regard to his press statements. He has denied that he lied.

A lie has been defined as:

A false statement deliberately presented as being true; a falsehood.

Something meant to deceive.

To convey a false image or impression.

To rebut conclusively that the statements that he has made are not lies, all Arul Kanda has to do, **after consulting the Prime Minister, the 2nd Minister, the members of the Board of Directors of 1MDB (former and current)**, is to make a Statutory Declaration annexing all the relevant documents in support of the "Truths" that he is declaring.

It is as simple as that.

For a start, we will invite Arul Kanda to swear that he will tell the truth, the whole truth and nothing but the truth on the following two issues, namely: (A) The payment of US\$700 Million by 1MDB was not in repayment of a loan extended by PetroSaudi Holdings (Cayman) Ltd and (B) Arul Kanda's press statement that there was US\$1.103 Billion cash in BSI Bank in Singapore was a "miscommunication".

(A) The payment of US\$700 Million by 1MDB was not in repayment of a loan extended by PetroSaudi Holdings (Cayman) Ltd.

1MDB press release on 17th June, 2015 states,

“In return for the USD2.7 billion asset transfer, JV Co had to pay PetroSaudi USD700 million. This indebtedness resulted from the asset transfer. Accordingly, there was no loan made or “to settle”.

We therefore invite Arul Kanda to swear,

1. That he has not read the Letter dated 28th August, 2009 from Mr. Tarik Obaid to the Prime Minister regarding “An initial US\$2.5 billion Joint Venture between PetroSaudi International Ltd incorporated in Saudi Arabia (“PSI”) and 1Malaysia Development Bhd (“1MDB”)” with a proposed signing date on 28th September, 2009.

2. That “PetroSaudi” in the press release dated 17th June 2015, refers to PetroSaudi Holdings (Cayman) Ltd, the company that entered into the JV Agreement with 1MDB and not the company referred to in the above letter dated 28th August, 2009 to the Prime Minister.

3. That he affirms that the said PetroSaudi International Ltd (“PSI”) incorporated in the Kingdom of Saudi Arabia is a different company from that of PetroSaudi Holdings (Cayman) Ltd registered in the Cayman Islands. That this Cayman Island Company in the JV Agreement was also referred to as “PSI” in the said agreement.

4. That the said JV Company, 1MDB-PetroSaudi Ltd was incorporated on the 18th September, 2009 in the British Virgin Islands. If Arul Kanda dares to deny this fact, then he must swear as to the date of incorporation of 1MDB-PetroSaudi Ltd, the JV Company and where the said company was incorporated.

5. That when 1MDB-PetroSaudi Ltd, the JV Company was incorporated on the 18th September, 2009 in the British Virgin Island, 1MDB did not give the consent to the incorporation of such a company. However, if in fact 1MDB gave its consent, Arul Kanda must state when such consent was given and the name of the directors nominated by 1MDB to be on the board of this hastily incorporated company in the British Virgin Islands.

6. That he denies that there was a loan agreement dated 25th September, 2009 and made between PetroSaudi Holdings (Cayman) Ltd (referred to as the “Lender”) and 1MDB-PetroSaudi Ltd, the JV Company (referred to as the “Borrower”).

7. That he denies that in the JV Agreement, PetroSaudi Holdings (Cayman) Ltd was also referred to as “PSI” as the party in the JV Agreement.

8. That he denies the Recital of the JV Agreement expressly state that, “PSI is the legal and beneficial shareholder of one billion five hundred million (1,500,000,000) Shares (as defined below) and has provided the Company with advances amounting to seven hundred million dollars (USD700,000,000), to the Company”.

9. That he denies that there is a provision in the JV Agreement stating, “PSI Loan Agreement” means the loan agreement dated 25th September 2009 entered into between the Company (as borrower) and PSI (as lender) in respect of a principal amount of seven hundred million US Dollars (USD700,000,000) and under which the interest rate is zero per cent (0%)”.

10. That he denies that there is a Clause 4.5 in the JV Agreement which states, "Conditional upon the completion of the subscription, the Company shall repay all outstanding indebtedness under the PSI Loan Agreement to PSI in full, and in accordance with the terms thereof, on or before 30th September, 2009.

11. If Arul Kanda denies that there was a loan agreement and that the payment of US\$700 million was for some other purpose, he must exhibit such other documents in his possession or custody to prove otherwise.

12. That he denies that there was a Letter of Demand dated 29th September, 2009 for the repayment of the said loan of US\$700,000,000 signed by Tarik Obaid and that the monies must be wire-transferred to a bank account in JP Morgan Chase, New York.

13. That he denies that Tarik Obaid had on the 6th October, 2009 wrote a letter to 1MDB-PetroSaudi Ltd, the JV Company that the said loan has been repaid.

14. That he denies that 1MDB received a letter dated 15th October, 2009 from Messrs Wong & Partners signed by Mr. Lim Jo Yan (an "Associate") confirming the repayment of the said loan and enclosing the letter of 6th October, 2009 from Tarik Obaid.

15. That he accuses Tarik Obaid when writing the above mentioned letters that the said Tarik Obaid was lying.

16. That he accuses Lim Jo Yan when writing the letter dated 15th October, 2009 was lying.

17. That Mr. Tang Keen Chee and Mr. Shahrol Azral bin Ibrahim Halmi, the nominated directors of 1MDB to be members of the Board of 1MDB-PetroSaudi Ltd, the JV Company were not aware at all of the said loan and its repayment.

(B) Arul Kanda's press statement that there was US\$1.103 Billion cash in BSI bank in Singapore was a "miscommunication".

18. In that event, Arul Kanda must annex to his Statutory Declaration all the documents referring to the transfer of monies and or "Units" to the BSI bank in Singapore.

19. Arul Kanda must state why as a person qualified in Law, having obtained his LLB from the London School of Economics (LSE) and as a banker with much experience, he could "miscommunicate" to the Prime Minister that the alleged documents which he had seen referred to "UNITS" but he deemed it to be "CASH"!

Nothing to Hide

If Arul Kanda after consulting all the above-mentioned personalities have nothing to hide and is determined to tell the truth, the whole truth and nothing but the truth, then he must comply with the above demands.

Arul Kanda as the spokesperson (but, we are told that the 2nd Finance Minister is the official spokesperson) cannot be making press statements giving information in dribs and drabs to justify the case for 1MDB thereby appearing to be accountable to the Court of Public Opinion but, at the same time demanding that the public cannot seek clarification from him and or 1MDB on the very stupid

and silly statements made by him until the completion of the investigations by the Auditor-General, the Parliament Public Accounts Committee (PAC) and Bank Negara.

What he is saying (as well as the Prime Minister and his dumb supporters) is that he must be at liberty to mislead, lie and hide the truth but we, the public must be muzzled until the outcome of the investigations.

Please do not take the public for fools.

We dare you to make a Statutory Declaration on the above issues and if you are not willing and continue your idiotic ways of defending yourself by way of press releases and not sworn statements (which when proven to be false would subject you to prosecution) then you have by your actions confirmed that you have been lying.

Salam Ramadhan Ayahanda Tun,

True indeed Tun, now it's all about secrecy of Government matters even though you have proven them wrong.

When will all these ends Sir? Now it makes me ponder to learn that these is not the first time PAC have called upon 1MDB! The first one was done several years ago and the same cliché answer was given 'secrecy of Government matters'. Will PAC do us any good now? Now PAC has generously given them extension by extension for some lame excuses.

Now how can the voices of the rakyat be heard and some stern action been taken because the last time PAC called upon them it was about RM 5 billion debt and could'nt do anything and within a short period of time it has ballooned to RM 42 billion!

Maybe we ought to find a way or take an action maybe to resolve these issue.

Wasalam and Selamat Berbuka Puasa Tuns.

p/s – Semoga Allah swt memberi hidayah dan membuka pintu hati para menteri2 kabinet berkenaan dan pemimpin2 UMNO bahagian di bulan Ramadhan yang mulia ini untuk menolak kemungkaran yang nyata ini. Amin.

YOU ARE WRONG DR M!

That's what they say. They just keep denying. But no proof given. For that they cannot even

touch or sue you. We have SPRM right? Did they even start investigating? Or they wont? Or they cant? I'm just sad this all is happening in Malaysia. Total circus act by the higher ups.

Salam Tun,

1. Apa yang perlu kita lakukan seterusnya?

2. Kita tahu DSN tidak akan meletakkan jawatannya; baik di dalam kabinet maupun partinya. Kita tahu tidak akan ada sesiapa di dalam kabinet atau partinya yang akan menyuruh beliau berbuat demikian. Kita tahu hanya ahli-ahli politik lawan yang menyokong Tun terutama sekali LKS (menghairankan!). Kita tahu 1MDB, PFI, BLT, MPP, GLC, GLIC, dll. akan sentiasa beroperasi (walaupun dah 'mati' dan atau 'nak mati!') sambil terus memerah kewangan Perbendaharaan (baca: 'Duit Rakyat'). Kita tahu ekonomi kita semakin lemah. Kita tahu ringgit kita semakin jatuh nilainya. Kita tahu pengangguran semakin tinggi yang seterusnya akan mencetuskan inflasi akibat daripadanya. Kita tahu kita 'keseorang!' Kita tahu pihak-pihak dan badan-badan berwajib tidak mampu (atau mahu?) berbuat apa-apa. Kita tahu DSN akan berterusan memerintah sehingga PRU14. Kita tahu jika keadaan sediala masih sama (atau lebih meruncing), kemungkinan besar DSN akan menggunakan Dharurat untuk mengelak PRU14. Kita tahu kesemua yang menyokong DSN kini akan berterusan menyokong beliau biarpun sokongan mereka akan membawa rebah. Kita tahu akhirnya, 'menang sorak, kampung tergadai!' Kita tahu kita dan generasi mendatang akan menjadi hamba di negara kita sendiri. Kita tahu kita dan generasi mendatang akan dibebani dengan hutang negara yang melangit tinggi! Kita tahu kita telah melepasi fasa-fasa penerangan dan penjelasan.

3. Justeru itu, apa yang perlu kita lakukan sekarang?

Sekian, Tun, terima kasih. Wassalam.

p.s.

4. Saya tahu kesemua komen saya sedang dipantau oleh pihak-pihak dan badan-badan yang berwajib! Tapi komen saya bukan berbau hasutan, tetapi cuma luahan perasaan. Sila ambil perhatian. Tk!

5. 1MDB dipohon menjawab segala pertanyaan Tun dengan jawapan ('Answer') dan bukannya balasan ('Reply') melalui Akuan Bersumpah ('Statutory Declaration') atau Afidavit ('Affidavits') dan bukannya melalui Siaran Akhbar ('Press Release') sebab Akuan Bersumpah atau Afidavit tidak boleh ditipu atau putar belit tetapi Siaran Akhbar, sebaliknya. Justeru itu, 'berani kerana benar; takut kerana salah!'
