

**JUST JUSTO**  
**Chedet.cc**  
**29 Jun 2015**  
**Tun Dr Mahathir Mohamad**

1. Some people are very excited about Justo. Now they say the critics of the Prime Minister should apologise. Apologise for what? The fact remains that vast amounts of money has disappeared. Can Justo bring all the money back?
2. Justo was dismissed and Petro Saudi gave him 15 million Ringgit. Is he being bribed or what? That is a handsome amount to pay an employee or director after he had done something wrong. Normally he would just be kicked out. But we are told he is not happy with this amount and demanded for more or else he would leak documents. What is the proof that he tampered with the documents or he has more incriminating documents. How does he negate the fact as admitted by the Prime Minister in a written reply to Parliament? He said that, "a US1.9 billion dollar loan from 1MDB to a subsidiary of Petro Saudi International Limited was in order to reduce the risk on the equity holding." Giving a loan to a joint-venture partner who was found unsuitable as a JV partner would increase the risk, not reduce it.
3. When the JV was dissolved after only 6 months of its formation, it must be because 1MDB realised that the venture was bad. What it should do is to demand the equity and the loan amounting to US1.9 billion be returned. Instead it was converted into a loan (murabahah).
4. Having given this US1.9 billion loan, where is the money now? The Government has not clarified. Is it in Cayman Islands, or in Singapore or where. That amount of money cannot be shifted around without being recorded by the banks involved. Surely Najib knows. Yet the money has not returned.
5. Even if Justo tampered with the e-mail, it does not alter the fact that 1MDB forked out US1.9 billion to the JV with Petro Saudi, which within 6 months was so worthless that the JV was aborted. And after that the investment and the loan of US700 million was converted to a loan to a partner you no longer believe could deliver through the JV. You had some direct control over a JV, but not over the borrower.
6. So what has all this to do with Justo blackmailing Petro Saudi: Nothing.
7. The supporters of the Prime Minister seem unable to understand that 1MDB borrowed 42 billion Ringgit to invest in shady businesses. In the process large amounts of money has disappeared.
8. It is not just about Petro Saudi or the JV. The money has been used to buy IPP at inflated prices. This is wrong. Attempts to sell to Tenaga have only cause Tenaga shares to fall. Unless the IPP are sold at a loss there is no way investments in Edra would give profits. But if the sale is at a loss 1MDB will face problems of paying debts.
9. The restructuring of 1MDB seems to be based on settling the 42 billion Ringgit loan.
10. The money is to come from the sale of TRX and Bandar Malaysian land. 1MDB paid extremely low price for this land. But can 1MDB do so?

11. The [London Stock Exchange News Service](#) reported that International Petroleum Investment Company (IPIC), Aabar Investments PJS entered into a binding term sheet with Minister of Finance Inc., Ministry of Finance and 1MDB for the following.

– IPIC on 4 June, 2015 provides US1 billion to 1MDB to utilise immediately to settle certain of its liabilities.

– Also on 4 June '15 IPIC has assumed the obligation to pay all interest due under two IPIC guaranteed 1MDB financing accounting amounting to US3.5 billion (RM13.3 billion) in aggregate principal amounts.

12. For this takeover of the loans, on 30 June, 2016, IPIC is to receive transfer of assets with aggregate value of an amount which represent the sum of the cash payment (US1 billion or RM3.8 billion), and the assumption of the debt of US3.5 billion or RM13.3 billion.

13. IPIC has met the cash payment and will meet the interim interest payment.

14. Curiously no mention is made of what the 1MDB asset are which will belong to IPIC.

15. What are the possible assets? If it is the power plants or the land, it would mean that these assets no longer belong to 1MDB to sell. So how does 1MDB recover the RM42 billion it had borrowed?

16. Is Justo going to reveal there is anything worse than what the London Stock Exchange has revealed? So who needs to apologise?

VERSI

BM

1. Sesetengah orang sangat teruja dengan Justo. Sekarang mereka mengatakan pengkritik Perdana Menteri perlu meminta maaf. Meminta maaf untuk apa? Hakikatnya sejumlah besar wang telah hilang. Bolehkah Justo membawa kembali semua wang itu?

2. Justo telah dihenti kerja dan Petro Saudi memberinya 15 juta Ringgit. Adakah dia disogok (dirasuah) atau apa? Itu satu jumlah yang lumayan untuk dibayar kepada seseorang pekerja atau pengarah selepas dia telah melakukan perkara yang salah. Biasanya beliau ini akan ditendang keluar sahaja. Tetapi kita diberitahu dia tidak berpuas hati dengan jumlah ini dan menuntut untuk dibayar lebih, kalau tidak dia akan bocor dokumen. Apa buktinya yang dia mengubah meminda dokumen atau dia mempunyai dokumen yang lebih membabitkan. Bagaimana dia dapat menyangkal fakta seperti yang diakui oleh Perdana Menteri dalam jawapan bertulis kepada Parlimen? Beliau telah berkata, "Pinjaman US1.9 bilion dolar dari 1MDB kepada sebuah anak syarikat Petro Saudi International Limited adalah untuk mengurangkan risiko pada pegangan ekuiti." Memberi pinjaman kepada rakan usaha sama yang didapati tidak sesuai sebagai rakan usaha sama akan meningkatkan risiko, bukan mengurangkannya.

3. Apabila usaha sama (JV) telah dibubarkan selepas hanya 6 bulan ditubuhkan, ia mestinya kerana 1MDB sedar bahawa usaha itu tidak baik. Apa yang perlu dilakukan adalah untuk menuntut ekuiti dan pinjaman berjumlah US1.9 bilion itu dikembalikan. Sebaliknya, ia telah ditukar menjadi pinjaman (murabahah).

4. Setelah memberi pinjaman US1.9 bilion ini, di mana wang ini sekarang? Kerajaan tidak memperjelaskan. Adakah di Kepulauan Cayman, atau di Singapura atau di mana? Wang sejumlah ini tidak boleh dipindahkan ke sana sini tanpa direkodkan oleh bank-bank yang terlibat. Pasti Najib mengetahui. Namun wang tidak dikembalikan.

5. Jika sekali pun Justo telah meminda mengubah e-mel, ini tidak mengubah hakikat bahawa 1MDB mengeluarkan US1.9 bilion kepada usaha sama dengan Petro Saudi, yang dalam tempoh 6 bulan sahaja didapati tidak begitu bernilai dan usaha sama tersebut telah digugurkan. Dan selepas itu pelaburan dan pinjaman sebanyak US700 juta telah ditukar kepada pinjaman bagi rakan kongsi ini yang tidak boleh anda mempercayai lagi untuk menjayakan sesuatu melalui usaha sama ini. Anda mempunyai beberapa kawalan langsung ke atas rakan usaha sama tetapi tidak atas peminjam.

6. Jadi apa yang kena mengenai semua ini dengan Justo memeras ugut Petro Saudi: Tidak ada apa-apa.

7. Penyokong-penyokong Perdana Menteri nampaknya tidak dapat memahami bahawa 1MDB meminjam 42 bilion Ringgit untuk melabur dalam perniagaan yang diragukan. Dalam proses ini jumlah wang yang banyak telah hilang.

8. Ianya bukan sahaja mengenai Petro Saudi atau usaha sama. Wangnya telah digunakan untuk membeli IPP pada harga yang dipertingkatkan. Ini adalah salah. Percubaan untuk menjual kepada Tenaga hanya menyebabkan saham Tenaga jatuh. Kecuali IPP ini dijual dengan kerugian, tidak ada jalan pelaburan dalam Edra akan memberi keuntungan. Tetapi jika penjualan itu adalah pada paras kerugian, 1MDB akan menghadapi masalah membayar hutang.

9. Penyusunan semula struktur 1MDB nampaknya berdasarkan penyelesaian pinjaman 42 bilion Ringgit.

10. Wang ini akan datang daripada jualan tanah TRX dan Bandar Malaysia. 1MDB membayar harga yang amat rendah bagi tanah ini. Tetapi bolehkah 1MDB berbuat demikian?

11. Bursa Saham London News Service melaporkan bahawa International Petroleum Pelaburan Syarikat (IPIC), Aabar Investments PJS telah memeterai "a binding term sheet" dengan Menteri Kewangan Diperbadankan, Kementerian Kewangan dan 1MDB untuk yang berikut.

– IPIC pada 4 Jun 2015 memperuntukkan US\$1 bilion kepada 1MDB untuk digunakan dengan sertamerta untuk menyelesaikan liabilitinya yang tertentu.

– Juga pada 4 Jun 2015 IPIC telah mengambil alih tanggungjawab untuk membayar semua faedah yang kena dibayar oleh 1MDB di bawah dua perakaunan pembiayaan yang dijamin oleh IPIC berjumlah US3.5 bilion (RM13.3 bilion) dalam jumlah prinsipal agregat.

12. Bagi pengambilalihan pinjaman ini, pada 30 Jun, 2016, IPIC akan menerima pemindahan aset dengan nilai agregat jumlah bersamaan dengan jumlah pembayaran tunai (US\$1 bilion atau RM3.8 bilion), dan pengambilalihan hutang US3.5 bilion atau RM13.3 bilion.

13. IPIC telah memenuhi pembayaran tunai dan akan memenuhi pembayaran faedah interim.

14. Agak menghairankan tidak disebut apakah aset 1MDB yang akan menjadi milik IPIC.

15. Apakah kemungkinan bentuk aset itu? Jika ia adalah loji kuasa atau tanah itu, ini bermakna aset-aset ini tidak lagi dipunyai oleh 1MDB untuk dijual. Jadi bagaimana 1MDB hendak mendapatkan balik RM42 bilion yang telah dipinjam?

16. Adakah Justo akan mendedahkan perkara yang lebih teruk daripada apa yang telah didedahkan oleh Bursa Saham London? Jadi yang perlu diminta maaf?

Assalam Tun,

The whereabouts of some of the RM42billion borrowed by 1MDB which amounted to RM23billion have been identified, even though the manner of their disbursement have raised eyebrows in anger to every Ahmad, Ah Meng & Rajoo when the circumstances of every transactions made were shady.

Now for the worse part, where are the remaining balance of RM19billion, which are still unaccounted for???

Tabung Haji are forced to buy a small piece of TRX land on cash before delivery basis just enough for 1MDB to urgently service the schedule interest amounting RM188million for the loans!!!!

Assalam Tun,

Sejak Wall Street Journal siarkan berita bahawa Najib telah memperoleh berbillion ringgit wang masuk kedalam akaun bank peribadinya, barulah ada desas desus yang Attorney General serta beberapa agensi/badan kerajaan yang lain juga telah mengetahui hal tersebut.

Kalau bukan kerana WSJ menghebohkan tentang dokumen tersebut juga ada terdapat pada badan kerajaan yang menyelidik salahlaku Najib dan juga "Satu Malaysia Di Bohong 1MDB", sampai kucing bertanduk pun mereka2 tu tak berani nak ingkar arahan Najib supaya rahsia jangan dibocorkan!!

Nak tengok kemana isteri tersayang dia akan lari lepas ni...

Assalam Tun,

These ministers who never fail to make those "I love PM Najib" statements at the slightest of information which they think may cause Tun Dr M to be in the wrong, are really causing/creating the bad impression to Malaysian government in general.

THEY ARE NOT QUALIFIED TO BE MINISTERS!!!

They are merely yes man to any superiors and they will only care for their personal benefits!

They never even bother to distinguish or to go into the details if those information are really foolproof facts that can give credence to support denials of the "Satu Malaysia Di Bohong" fiasco.

BN don't deserve to rule Malaysia, especially with all those "I love PM Najib yes man" ministers unashamedly and repeatedly showing-off their stupidity publicly!!

I feel ashamed, sad and angry at what the closest aides or eunuchs could do to our beloved Malaysia which could have been avoided.

First, the hectoring of these closest aides, consultants, party boys, unqualified cartoonists or eunuchs on our leaders have wrought havoc in our political System today.

The adoption of the GLCs from the late Dictator Lee Kuan Yew's (1959-2015) Godless Ultra Communistic Political and Social System imposed on the citizens by Apparatchiks aka Meritocrats was done without a serious consideration or study. What we now see and hear in our beloved Malaysia is

the brutal result. We and our Federal Government are now mired in controversies concerning MONEY MONEY MONEY.

Second, the closest aides, the consultants, the party boys, the unqualified cartoonists – the eunuchs were the persons who did all the nitty-gritty of any one scandal. Therefore, our PRIME MINISTERS were never involved in the first place. Because of their corruption, irresponsibility, ignorance and incompetence, these closest aides, the consultants, the party boys the unqualified cartoonists – the eunuchs cannot escape the Sword of Damocles as their finger prints are all over the shop

It was absurd to use Government money belonging to the Rakyat to go through a series of motions to hide something as big as an elephant in the room.

How absurd to do so by setting up dummy companies or bank accounts in the Caymans, the Virgin Islands, Dubai, Hong Kong, Singapore, London etc to destroy an indestructible money trail in these days of anti-money laundering, anti-terrorism and of course, the money belonging to a sovereign Nation which is our beloved Malaysia.

Third, we have instances of Government Civil Servants in GLCs who lost their memory concerning themselves. They bought 3rd rate properties overseas in 4th rate places at sky high prices to the consternation of the natives. Little do they know that :-

1. As Civil Servants, they are Trustees of the People, for the People, by the People.
2. As Directors of a company, they are Trustees of the Shareholders, for the Shareholders, by the Shareholders.

AND THERE IS NO RUNNING AWAY FOR THOSE WHO CONTROL THE GLCs. THEY ARE JUST AS CULPABLE.

Fourth, these GLC and Government Civil Servants behaved as though the Government's money belonging to the Rakyat was their private sector money by the creation of all sorts of private sector subterfuges in traditional dubious money laundering centres. Obviously, amateurs must have advised them to do so, FORGETTING THAT GOVERNMENT MONEY IS EXEMPT FROM ALL LAWS. But there was one instance when it was alleged money was parked offshore in Singapore to avoid Bank Negara Malaysia rules and regulations. Malaysian Government money avoiding Malaysian Government Laws ? What about our very own Labuan off-shore financial centre ?

Fifth, it is beyond the pale (courtesy my old friend and myself) for these jokers, the closest aides, the consultants, the party boys, the unqualified cartoonists, the eunuchs to be so very foolish and amateurish TO HANDLE BILLIONS AND BILLIONS OF RINGGITS OF THE GOVERNMENT'S MONEY WHICH BELONGS TO THE RAKYAT not to realise the treatment of Government's money is different from that of the Private Sector. Stupid.

THEREFORE, I AM ABSOLUTELY CERTAIN THAT THE CLOSEST AIDES, THE CONSULTANTS, THE PARTY BOYS, THE UNQUALIFIED CARTOONISTS – THE EUNUCHS LET DOWN OUR HONOURABLE AND DISTINGUISHED PRIME MINISTER, YAB DATO SERI NAJIB BIN TUN ABDUL RAZAK like what they did to our beloved Tun Dr Mahathir Mohamad during his 22 year Administration.

I know the Prime Minister personally. I strongly emphasize that he is NOT INVOLVED IN ALL THESE SCANDALS. I know he is sincere and a person of the highest integrity. I had the pleasure to know his father Tun Abdul Razak personally who was at the Raffles College with my elder sister. I also had the privilege to be in the delegation which presented the Bank Negara Malaysia's Commemorative Coins

of Tun Abdul Razak, our Father of Development, to YAB Dato Seri Najib and his family at their family home in 1976.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! NO MORE CLOSEST AIDES, CONSULTANTS, PARTY BOYS, UNQUALIFIED CARTOONISTS – EUNUCHS FOR US, WE ARE MALAYSIANS !

There has never been a day within these past few months that we have never been rocked by MONEY MONEY MONEY ! This is undoubtedly the careless adoption of the late Dictator's (1959-2015) failed MONEY MONEY MONEY policies by whoever is responsible in our beloved Malaysia WITHOUT ANY THOUGHT OR STUDY !

WE NOW HAVE 100 GLCs CONTROLLED BY CIVIL SERVANTS WITHOUT BUSINESS EXPERIENCE, OWNERSHIP OR ACCOUNTABILITY. I shiver !

In the case of the late Dictator, he personally micro-managed all forms of MONEY whether it is the GLCs or not including the flower pots in the Istana according to one eulogy ! With his dictatorial personality and never failed him dysfunctional Judiciary, he had every cent under his full control because HE NEVER WANTED ANY FORM OF SCANDAL IN HIS FAILED AND BARREN ISLE ! Even his Civil Service and elites were advised to have illicit sex overseas with countries ranked according to their social means eg. ASEAN for lower ranked Civil Servants. Taiwan and Australia for the topmost. Nothing worthwhile in Hong Kong !

AND THE LATE DICTATOR NEVER TRUSTED CLOSEST AIDES BECAUSE HE KNEW THEY WERE JUST A BUNCH OF EUNUCHS OR WORSE ! Kudos to him for this ! At best, they were just secretaries or butlers who carried his bag or make up his tea !

Today the swirling hot news of MONEY MONEY MONEY brought me much sadness that

1. Power corrupts absolutely.
2. The behaviour of consultants, party boys and unqualified cartoonists may bring much damage to the highest hallowed office in the land.

The reason why I bring this UNIQUE MONEY MONEY MONEY SCANDAL OF THE WORLD to attention is the singular fact that

1. The closest aides are useless and more often than not betray their bosses with unerring frequency because of their stupidity and incompetency.
2. ACCORDING TO MY CHINESE FRIEND, ALL THE SCANDALS IN OUR BELOVED TUN DR MAHATHIR MOHAMAD 22 YEAR ADMINISTRATION WERE CAUSED BY HIS INCOMPETENT AND INEFFICIENT CLOSEST AIDES WHO MADE MONEY BEHIND HIS BACK ! One even boasted to Dr Goh Keng Swee in front of his cousin in Singapore of all people !

3. MY CHINESE FRIEND ALSO SAID THAT TUN DR MAHATHIR MOHAMAD'S SONS NEVER TOOK ADVANTAGE OF THEIR FATHER'S POSITION AS THE PRIME MINISTER BUT ACHIEVED SUCCESS ON THEIR OWN.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! NO CLOSEST AIDES OR EUNUCHS FOR OUR BELOVED MALAYSIA !

Naluri saya berkata tangkapan justo adalah rahmat bahawa kebenaran terhadap tuduhan penyelewengan atau penyalahgunaan wang negara melalui 1mdb akan menjadi kenyataan. Sebab itulah kenapa PDRM cepat2 ingin masuk campur menyiasat beliau. PDRM sebelum ini bersikap berdiam diri. Entah apa yang akan dijanjikan kepada justo untuk memberi kenyataan menyebelahi 1mdb dan yang bersekongkol dengannya. Kerap kali strategi jahat memakan diri sendiri. Don't worry Tun. Kebenaran Tun akan menjadi kenyataan.

84. Why kdn minister goes after the edge regarding 1mdb?

85. The simple conclusion is the edge owner is not a muslim, it becomes haram?

86. If the edge is utusan melayu, it becomes halal?

87. Another conclusion is, he cannot read and understand english?

88. He does not understand the basic law?

89. Umno will loose not because najib.

Assallammualaikum Tun.

Saya mohon ruangan.

[Mr hskamal

Can we strategize a plan on how to dismantle them part by part, starting with the government tools which is at their disposal like the law and enforcement agencies]

Tut..Tut..:)

If life solution is so simple I can rivalled Tun achievement..So I wish!:)

Mr hskamal..

I was trained officially some time ago militarilly,meaning my grammar is faux pas but my achievement is not.

When we were sent off some night years ago by our senior, I was hoping 'an officer and a gentleman' attitude.Instead he just said "You guys can f....off" ..

And that the least of our subtlety military training!..:)

I am offering you the same perspective I told Mr balance some time ago.

LEARN FROM THE MOVIE THE UNTOUCHABLE.

YOU WILL FIND IT MOST APPROPRIATE!

Malone: You said you wanted to get Capone. Do you really wanna get him? You see what I'm saying is, what are you prepared to do?

Ness: Anything within the law.

Malone: And \*then\* what are you prepared to do? If you open the can on these worms you must be prepared to go all the way. Because they're not gonna give up the fight, until one of you is dead.

Ness: I want to get Capone! I don't know how to do it.

Malone: You wanna know how to get Capone? They pull a knife, you pull a gun. He sends one of yours to the hospital, you send one of his to the morgue. \*That's\* the \*Chicago\* way! And that's how you get Capone. Now do you want to do that? Are you ready to do that? I'm offering you a deal. Do you want this deal?

Ness: I have sworn to capture this man with all legal powers at my disposal and I will do so.

Malone: Well, the Lord hates a coward.

[jabs Ness with his hand, and Ness shakes it]

Malone: Do you know what a blood oath is, Mr. Ness?

Ness: Yes.

Malone: Good, 'cause you just took one.

For the moment I think it will suffice.

In real life you can find Malone but you will not find Elliot Ness.

These people is abundant in military and not in civilian life you are not privy.

They have the resources within the capacity in the forces.Army,Navy and the Air Force.

But what you were suggesting only applicable in Thailand.

Why?

You should fairly guess why.

This war can only be won by masses of people.

Unfortunately the masses are weak as shown by time immemorial.The captive masses of people simply walk like meek lambs to their slaughter house eventhough they outnumber their captors.

Learn from history.

Our current predicament actually can be overcome by the 'warlords'.

Like always.

Who are they?

**THE SHOWN HAND LIKE A GAME IN POKER..SOME 4 YEARS AGO..**

Terima kasih Tun.

Salam YAB dan Yang DiKasihi Tun,

///

KUALA LUMPUR 1 Julai – Fitch Ratings (Fitch) mengesahkan penarafan penerbit mata wang asing jangka panjang pada A- dan Penarafan Kemungkinan Penerbit (IDR) mata wang tempatan pada A manakala penarafan terbitan bon mata wang tempatan tidak bercagar senior Malaysia juga disahkan pada A.

Agensi penarafan antarabangsa itu berkata, unjuran ke atas IDR jangka panjang itu disemak menaik kepada Stabil daripada Negatif.

Katanya, kewangan fiskal negara semakin meningkat sejak tahun lalu dengan defisit umum kerajaan susut daripada 4.6 peratus Keluaran Dalam Negara Kasar (KDNK) 2013 kepada 3.8 peratus pada 2014.

“Hutang kerajaan secara amnya juga menguncup daripada 54.7 peratus pada akhir 2013 kepada 53.9 peratus pada akhir 2014. Kemajuan yang direkodkan ke atas pelaksanaan **cukai barang dan perkhidmatan (GST) serta reformasi subsidi bahan api**, turut menyokong kewangan fiskal.

Nampaknya bertambah kuatlah hujah yang kononnya ‘1MDB berada atas landasan yang betul’ oleh para ‘kabinet dapur’ PM Najib dan ‘bloggers bang\*ng’ upahan PM.

Yang hairannya, apa dia pembangunan strategik yang telah 1MDB buat? Hutang 42 Billion ringgit, tapi yang nampak hanya aktiviti2 menjual harta benda 1MDB termasuk tanah ‘anugerah Kerajaan’ (TRX, Sungai Besi) untuk melunaskan hutang-piutang.

Sekarang sudah terbukti kehebatan dan kemerlangan Tun sebagai PM. Tun tidak perlu bebankan rakyat dengan GST dan ‘reformasi/mansuhkan subsidi bahan api’ untuk memajukan Malaysia.

Sila letak jawatan wahai PM Najib.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga. \*\*\*

Dear Tun.

I gave attention that each time u post something, your topic always bring billions of money or some kind of big numbers.

Honestly, Majority of Malaysians living in village and most of them don't wanna give a single word because they don't understand what are u trying to say.

If you wanna gain attention from public, Please try to explain with simple way such as Ringgit rate to USD or prices rise for everything since kak Najib become PM. SO that public will hear you and could join for further demos. Since i grew up in village, we use to accept what government impose to public because we (most of us) thinking it is best for our future.

I remember when i was in school, my teacher use talk " Malaysia has good economy, Look at the other country such as Africa. They are poor and don't have enough food to eat bla bla" But when i grew up and seen the reality, most of countries my teacher mentioned has been much stronger than Malaysia already.

Unlike some neighboring countries, any person be he/she a Prime Minister or Minister would honorably resign from their positions, to shoulder the responsibility and make way to assist further investigation on such a great scandal over our National Debts. Imagine asking the citizens to apologize, it is a Joke of the year 2015.

What rubbish are they trying to instill in our minds ? We are not color blind ' Black is not White ' . Is anybody printing the RM42 BN like some African scam in Malaysia and come calling, here is the money LoL !

Saya cadangkan sesiapa yang pakar dalam bidang animasi, tolong la buat movie pendek tentang 1mdb ni.

Semoga ada yang berani tampil untuk menjelaskan skandal 1MDB dalam bentuk animasi dan kongsi ke dalam YouTube, supaya lebih mudah untuk rakyat faham.

Bercakap berbuih tak guna.

Filemkan terus dalam bentuk grafik!

Assalamualaikum Tun.

Saya faham apa HBT maksudkan dengan adanya bangsa lain selain Bumiputera dalam menentukan siapa yang perlu memimpin.

Terlebih dahulu saya memohon maaf kepada semua kerana membuka cerita berkaitan seks.

Pada pemahaman saya perkara berkaitan nafsu semulajadi ini juga diberi 'pemahaman' dalam tasawuf.

Dikisahkan Syeikh Abdul Qadir Al Jailani pada awal awal pengenalan pengetahuannya, beliau telah diberikan mimpi basah selama berpuluh puluh hari dan dengan itu beliau setiap hari bangun untuk mandi wajib sebelum sembahyang subuh.

Maka ia disimpulkan bahawa tasawuf juga memahami perkara berkaitan ini.

Peristiwa tersebut berlaku pada Syeikh sebelum beliau 'diarahkan' oleh Nabi Khidir a.s memasuki daerah utama sumber pembelajaran ilmunya.

Saya tahu HBT menyokong lesbian, gay kerana alasan sifat semulajadi. Adakah HBT juga mengamalkan lesbian?

Menyokong dan mengamalkan adalah perkara yang berbeza. Mengamalkan menikmati proses sementara menyokong hanya melihat.

Jika HBT menyokong, maka HBT juga patut mengamalkannya, then you'll know.

Amalkan sungguh sungguh. Use the props. Kemudian jelaskan mengapa lesbian, gay perlu dihalalkan.

Terima kasih Tun.

HBT 456,

Where in the world did you get the idea and conclude that Gay activities are sinless and born biologically natural??

Are you among the species? If you're then you really need to do some fact finding through all the religion of mankind.

God created Adam and Eve. Not Adam and Steve. Don't play God and misled our society by by saying that such activities are sinless and biologically as natural birth.

You seriously need to learn and understand better the facts surrounding God's creations and his commandments to all mankind.

Do not misled mankind with your own theories and relate it as though it is biologically natural birth coming from God.

You're disgustingly very very wrong in your observation as mankind with wisdom.

The thief is still the thief. Justo arrest does not mean the 42B of the lost public fund is justified.

The more the Umno ministers trying to talk their way out with the arrest, the more sheepish they make the PM to become.

Tun

One fine day in the distant future, a hundred years hence, when our beloved Malaysia has achieved similar greatness as a Nation like Switzerland and Japan, our descendants will look back with horror that their beloved country was once embroiled in an absurd and abstract item known as money.

They will reel back in horror too that our Government consisting of elected representatives in the land with the highest credentials were embroiled with all and sundry over this money which in one hundred years time will become a historical relic. Maybe in historical terms, our descendants will also look upon us as a lot of greedy people who know no bounds as to our desires and pleasure.

Why in one hundred years our descendants who are basically the same type of human beings as us and of the same flesh and blood have advanced so much in their behavioural patterns than us ?

The answer is that it is the development of their minds because successive Governments had the will and inclination to further develop the Malaysian mind-set for the better.

Yes, Tun ! It is our minds at work whether for good or for the Devil. It is as simple as this. And to the our descendants of one hundred hence, they have an unlimited imagination which reaches beyond their borderless mind unlike now when we are all could only think within the borders of our skulls, sometimes numbskulls !

What am I trying to get at ? Years ago I discovered that whenever I discussed anything with my subordinates, I found that I obtained no results. Eventually, I came to the conclusion that I thought I was giving them advice on the 88th floor of the Petronas Towers, their minds were actually in the basement ! Some of them even have the audacity to say behind my back that they did not understand what I discussed with them.

Hence, for the very first time in our short history, our beloved Malaysia now faces a mental riot of sorts amongst its very own citizens affecting the mind sic the brain.

And affecting us all is something called the GLC which was the invention of the late Dictator (1959-2015) of a barren isle which had no resources not even water !

We in the land of bountiful human and natural resources adopted the late Dictator's (1959-2015) to the fullest and in our irrelevant exuberance created 100 GLCs which undoubtedly more will be established without control. By this act, the 100 GLCs and the Government has already absorbed ONE TRILLION RINGGITS DEBT from the banking system. The Private Sector has no more room to breathe without the MONET MONEY MONEY for their natural expansion ! Please take note that Government officials emphatically said that a debt is not a loss. I have no quarrel with this explanation.

Is this done deliberately in support of the Government's announcement that it does business to make money for us the Rakyat ? Then, are we the Rakyat suppose to work or not in anticipation of the hand-outs in place of our earned incomes ?

Before we deviate to far by this MONEY MONEY MONEY thing, I understand that a democratically elected Government in the West eschews doing business of any kind because Democracy respects the governed and is accountable to the governed.

Any deviation from Democracy is Communism with central control and central economic planning like the late Dictator's (1959-2015) Godless Ultra Communistic Political and Social System imposed on the citizens by his Apparatchiks aka Meritocrats.

The ineffective and incompetency which affect the Malaysian GLCs as applied in our Free Malaysian Style Democracy with Open Capitalistic Characteristics and Malay Bias, have created in our once peaceful and harmonious Society one big unholy mess (for want of a better word !)

And these 100 GLCs are topped off by Civil Servants who have no business experience, accountability and ownership. For assistance, consultants which had been dispensed with by the Government in 1970 and successively until 2004, party boys and unqualified cartoonists have been engaged to do the needful. What a party !

It is not at the end of the day yet, but a few significant Government announcements should be taken notice :-

1. The Government has stopped hiring Civil Servants.
2. Malaysia's portion of the AIB membership subscription has been delayed even though Malaysia has the Chair of ASEAN 2015 ! Yet, Indonesia has the wherewithal of US\$ 700 Millions to do so.
3. Just one GLC MARA has a budget of RM 2 Billions part of which went overseas instead of helping out 1MDB and 9 other GLCs ! Strange !

I have noticed US dollar loans have been obtained by some Government Agencies.

For years, I am of the opinion that our Government should return to true democratic governance to rule over us. 'Just Justo or Just So So' Hence :-

1. Sell the GLCs to Bumiputras and their non-Bumiputra partners.
2. Sell the GLCs back to their former Bumiputra owners who did not break the law, and their non-Bumiputra partners.
3. Sell the GLCs to the incumbent Management and their non-Bumiputra partners.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Menurut Menteri Kewangan II, penangkapan Justo menunjukkan yang "1MDB berada atas landasan yang betul." Dangkal sungguh pemikiran Menteri2 Kewangan kita. Lingkup negara kerana ada Menteri2 Kewangan yang 'kurang cerdas' @ bang\*ng.

Jadi tidak hairanlah bila harga minyak naik lagi pada bulan Julai. Adakah kenaikan ini berkaitan dengan kejatuhan nilai ringgit? Jadi memang bang\*ng lah Menteri2 yang kata kejatuhan ringgit baik untuk negara.

Eloklah PM Najib meletak jawatan. Pada pandangan majoriti rakyat masalah negara paling besar sekarang ini ialah PM Najib dan koncu2 beliau (yang sewaktu dengannya). Eloklah semuanya berundur dan beri peluang kepada orang lain untuk memimpin negara.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga. \*\*\*

Tun

The current scenario involving politics and governance of this country is very worrying,...therefore need a very urgent fix before further beyond amendable damage with no return occurs.

With warrior blood flowing in DSN's body i'm, afraid DSN, will not go out gracefully. He thinks and believe that he has seen enough politically to be able to withstand whatever form of attempt to oust him from power. Malaysia' is a country governed by very rare type of human species, which only thinks of its survival and continuity.

This particular species has grown over the years to became mindless and heartless towards the livelihood and welfare of the others living surrounding them. They will whack everything and everybody who crosses their pathway for survival through their sheer arrogance and ignorance.

Tun, how long more do we have to let them devour everything this country can offer its people. Can we strategist a plan on how to dismantle them part by part, starting with the government tools which is at their disposal like the law and enforcement agencies. Only then we could eventually destabilize them and end their powers.

A lot of money will be needed and will be used by this regime at any cost to cling on to power, which is going to take this country to very destructive level never before witnessed in our history – we'll become a poor nation soon if we don't stop this rape and destruction to our well being – Ameen

Dear Sir,

To recapped what you have said, " it is so strange that peoples reported a crime are subjected to investigation but peoples that committed a crime was walks free" ( this is my own interpretation )

Jho Low and his company obviously has done the biggest heist of the century and make whole Malaysian bloody stupid with his beautiful strategies and masterpiece skills and plan

Jho Low and his company is untouchable and nobody dares to investigate him on this serious crime

Now he is a philanthropist , donating free money around the world like nobody business, tonned of money like never end!

Just wondering where is our respectful PDRM or SPRM on this issue or it is true the allegations is merely not happening and pure fantasy

Najib now on his way to make history in Malaysia, to break your record of 22 years becoming a Prime Minister

With his brilliant team surrounding him, be it foreign consultants, high power network and super power back up, he will Captained Malaysia as long as he like

Its a pity on you Sir, each times your trusted Lieutenant keep stabbing your back

With a big plan in place to demonizing you and they guarantee not a single piece of you legacy remained

I and my family are fully behind you Sir in this war

You have defeated the world's best Jews in a financial crisis

Jho Low and his company is nothing in comparison with George Soros & Co

Deep into my heart you will makes history again by winning this war and send all these crooks to ALCATRAZ AND NEVER COMEBACK!!!!

We have Allah The Creator, The Most Gracious, The Most Merciful in this cause

May Allah Always Bless you Sir!

Howdy, Tun

Dahulu...lawyer pandai2 semua India. Mereka pandai putarbelit, sebab itu majoriti dpt belajar dan berjaya jadi peguam (loyar buruk) Tapi pada hari ini, Majoriti peguam merupakan terdiri drpd bangsa Melayu.

Saya, seperti biasa bertanya pada kawan saya, Mengapakah peguam berbangsa india dianggap bagus kerana dikatakan pandai berputarbelit. Lalu kawan saya, yg berbangsa Melayu, berkata pada saya, bahawa, opinion tersebut tidak boleh di gunakan lagi terhadap bangsa india. Ianya sudah beralih kepada bangsa Melayu pada masa kini, apabila bidang tersebut sudah di didominasi oleh yg bukan berbangsa India lagi.

Perbuatan memutarbelit itu tidak boleh lagi dikaitkan terhadap mana2 bangsa tertentu sahaja. Pada zaman skrg semua yg bergelar manusia boleh memilikinya kalau tersasar drpd jalan benar yg di tuntutan ajaran agama masing2.

Tambah kawan saya, lagi, bahawa kalau di lihat pada masa skrg, ramai yg berbangsa Melayu Islam di samping China dan India telah mempamerkan perbuatan seperti pecah amanah, rasuah, menipu, jenayah dll, yg menjurus kepada kehancuran moral, peradaban dan keperibadian.

Sesuatu bangsa tidak boleh lagi dikaitkan terhadap sesuatu perbuatan manusia yg baik dan buruk – ambil contoh 1MDB, majoriti Melayu dan ada juga China dan India – Malaysia Boleh!

Sepatutnya Malaysia Boleh, dgn harapan untuk kayakan negara bukannya sebaliknya, miskin negara pulak – sedih, slogan yg Tun, cetuskan itu telah dicemari dgn prbuatan2 yg jijik dan kotor oleh pemimpin2 yg menerajui kerajaan.

Harap semua slogan cetusan Tun, seperti Bersih Cekap Amanah, Kepimpinan Melalui Teladan, Malaysia Boleh dan banyak lagi, dpt di hidupkan semula dalam hati2 yg sudah gelap dan buta.

Selamat bersahur, Tun

Dear Tun,

DSN amat licik, beliau bukan 'bodoh' seperti yang semua kata. Beliau beserta team perang sudah bersedia dengan langkah-langkah teliti sebagai treatment kepada kerosakan yang sudah dibuat sehingga kesan buruk kecederaan/kerosakan itu mungkin sukar kita detect di mana. Langkah cover-up, diikuti langkah delay men-delay sudah pun berlaku, Pemilihan UMNO tidak akan berlaku sehingga selepas PRU14. Banyak masa yang DSN ada untuk treat kerosakan yang sudah dibuat beliau. Lagi kambing hitam Xavier Justo pun sudah di'perkenal' kepada umum. Tunggulah kambing-kambing hitam lain lagi yang mungkin bakal muncul.

Kesemua itu adalah untuk melengah-lengah masa sambil 'mengubati' keadaan kerosakan di mana dapat. Sambil kita dihadangkan dengan 'tugas baharu' memikirkan pasal Xavier Justo segala kemungkinan habis kita kupas. Inilah yang DSN serta team pemikir beliau hendak, supaya kita 'disibukkan' dengan 'homework' baharu. DSN dan team pemikir beliau tersenyum tertawa melihat rakyat Malaysia sibuk mengejar 'bahan baharu' yang beliau humber kepada rakyat untuk dibelek-belek – umpamanya seseorang pemilik anjing yang bermain baling-baling frisbee atau 'toy bone' kepada anjing beliau, maka anjing tersebut akan leka mengejar toy bone tersebut bagai nak rak. Sedangkan tuan anjing tersebut terhibur kesukaan melihat lurus bendul haiwan peliharaannya itu.

Maaf Tun saya menggunakan perumpamaan tuan anjing dan pet dog beliau. DSN memang smart kerana telah berjaya menjadikan kita semua alat permainan beliau. Kita semua sibuklah mengupas satu persatu cerita yang beliau sajikan, sementara dia pula sibuk merawat kerosakan yang sudah dibuatnya. Berbagai cara dia akan buat sehinggalah sampai ke masa PRU14 nanti dia pun pasti akan buat cara-cara BN dan Najib tetap menang dan tetap jadi penghulu kerajaan Malaysia untuk penggal seterusnya. Masa itu beliau sudah pun berjaya menutup cerita 1MDB dengan jayanya tanpa ada sebarang isu pun. Tak ada isu tak ada kes.

Tun, dari kes Altantuya pun sudah dilihat bagaimana kes dimanipulasi sehingga berjaya diwujudkan 'missing links' yang berjaya mem'putus'kan hubungkait beliau dengan kes tersebut. Begitu juga sekarang 'missing links' Jho Low di'putus'kan supaya link kepada Riza Aziz, DS Rosmah, beliau sendiri juga putus. Maka selamatlah beliau daripada dipertanggungjawabkan. Kalau ada yang bersalah pun nanti adalah orang-orang lain. Kambing hitam yang pertama Xavier Justo sudah pun dipersembahkan. Maka lekalah semua orang dengan cerita Justo ini buat ketika ini sehingga muncul lagi cerita seterusnya untuk meleakakan para pengikut drama ini. Asalkan yang penting DSN bukan jadi watak utama, dia akan terselamat juga nanti. Seperti dengan kes pelacur Mongolia yang amat malang itu.

Tun dearest, that's all for now. Just another thought from me to add to the other commentators' more ever so brilliant thoughts. Goodnight Tun, take good care now wherever you are whatever you do. Selamat bersahur dan berpuasa esok. Love ya Tun and Tun Siti Hasmah.

Hanya perlu membentang kebenaran 1MDB

Jika Najib berdiam beliau akan di benci

Kerugian Pelaburan National juga peribadi

Ada untung ada ruginya

Tapi bila perlaburan ini bukan milik anda

Anda sebagai pengetua mesti menghuraikannya sebijak mungkin

Jadi anda tidak akan dipersalahkan  
Malah anda akan di hormati  
Ini perluang anda Yr only choice

Perlaburan Kerajaan S,pore juga hilang berbillion US dollars terutama di China  
bukan berbullion ringgit JAUH beza rugi  
TAPI Tidak siapa yg persoalkan sebab Malaysia lebih Demokratik lebih hak bersuara  
Jadi tidak jadi salah kalau anda menghuraikan secara transparent

Salam Ramadan, Tun

I wonder what the other politicians who sits in the ruling government and outside the gov would do, when their boss DSN, himself involved in peoples money missing trail involving 1MDB.

Most obviously the rest of the politicians in the gov and outside would definitely want to scavenge and suck on at every opportunity involving public money and trust – why do they care, when their big boss the PM, himself has dirtied his hands with so many scandals and crime.

It is now free for all. Everybody in the gov and outside are not afraid anymore to whack public monies into their own pocket. DSN, is in no position whatsoever, to question anybody in his administration for any wrong doing and misuse of power.

DSN, has lost whatever integrity as the number one. In which it opened the floodgates for the others in the gov currently to become thick skinned like their big boss, and continue to suck the peoples blood till dry.

Can you imagine the chain reaction that is taking place among the ruling elite involving the allocations and public funds and the misuse of it so blatantly, without any shame and guilt, because of DSN, own weaknesses, and leadership failures.

DSN, is in no position anymore to correct or take action towards anyone in his administration. DSN, has become a cat without their teeth, and the rats are having a jolly good time with all the public money at their disposal.

Even so called leader as small as Saravanan, from MIC could amass wealth beyond any human logic, and DSN, could not do anything about it.

Very very shameful situation for a top leader of a country.

Assalamualaikum wbt dan salam sejahtera Tun. Salam 13 Ramadhan dan selamat berpuasa diucapkan buat Tun berdua serta seisi keluarga. Saya dan seluruh ahli keluarga saya akan sentiasa menyokong Tun dalam memperkatakan yang benar sehingga turunnya Najib si darah pahlawan (konon, para pembodek serta punahsihatnya. Apa yang saya lihat, najib dan bala tenteranya memang terlalu asyik dalam mengarang skrip demi skrip untuk menangkis apa yang didedahkan oleh Tun sehinggalah terpaksa menggunakan khidmat mereka-mereka yang boleh dibeli maruah dan harga dirinya, yakni golongan yang pernah memfitnah dan mencacinya dahulu dan kini memutarbelit fakta untuk memburukkan Tun pula. Namun, najib perlu sedar bahawa semua tindakannya itu tidak sekali pun menjawab apa yang YABhg Tun soalkan tentang misteri 1MDB bahkan semakin memburukkan pandangan majoriti rakyat kepada kepimpinannya yang memang sangat lemah. Saya dan majoriti rakyat sentiasa berdoa agar YABhg Tun berdua sentiasa sihat dan selamat, DAN berdoa agar ALLAH SWT dengan segera menurunkan si najib dan semua kroninya dari tampuk pemerintahan negara bertuah ini. Kami tidak rela mempunyai ketua kerajaan yang terlalu memandang ke USA dan Barat; bukan setakat memandang bahkan rela menjadikan USA dan Barat sebagai penentu corak pengurusan dan pentadbiran negara ini.

Undur najib... Undur najib... Undur dengan segera sebelum kamu dimalukan. KAMI semakin benci dan meluat dengan cara kamu mentadbir negara ini

Najib has failed the nation in the 1MDB. The honorable way is for the PM to step down gracefully.

Cakap orang Melayu, jaga lah maruah parti, kalau diri sendiri sudah terjundang.

Assalamualaikum Tun.

Najib bercakap benar bila Najib berkata beliau sedia dikritik untuk kebaikan, tetapi perlulah disertakan dengan jalan penyelesaian.

Tan Sri Muhyiddin pernah cadangkan lucut jawatan orang 1MDB. Tapi Najib tak buat.

Mungkin Najib tak percaya pada orang no 2 sebab takut dilawan jawatan.

Tetapi terus terang saya kata, cadangan Tan Sri Muhyiddin itu adalah amalan kebiasaan dalam GLC yang bermasalah pada pandangan saya. Tiada agenda tersembunyi di dalamnya.

Lepaskan tengkuk anda, jangan libatkan diri anda dalam masalah orang lain. Kecuali Najib dari awal awal lagi telah melakukan kesalahan dan kesilapan?

Tun Mahathir sendiri telah bagi cadangan agar semua sekali disiasat dan Najib boleh kembali memimpin Malaysia jika semua siasatan selesai dan tidak disabitkan apa apa tuduhan.

Malangnya nasihat itu juga tidak diikuti. Kecuali Najib awal awal lagi telah terbabit sama dalam kesilapan yang berlaku?

Jika kesilapan itu benar benar berlaku, nasihat saya, Dato Seri Najib perlu berhenti dan meletak jawatan.

Tanyakan diri anda sendiri, ke mana anda mahu pergi?

Maaf, tiada nasihat lain boleh saya berikan. Kerana nasihat Tan Sri Muhyiddin itu lebih selamat kepada anda dari segi politik dan sepatutnya anda percaya pada nasihat sahabat anda itu.

Terima kasih Tun.

Assalamualaikum Tun.

Bila Najib tak boleh cagar telaga minyak Terengganu, Najib cagar kerajaan Malaysia pula.

Cagar kerajaan Malaysia bermakna Najib cagar rakyat Malaysia kepada orang luar untuk melakukan urusniaga.

Betul apa Najib katakan yang beliau adalah dari keturunan baik baik.

Sememangnya wujud rasa malu dalam diri. Apatah lagi Najib ketika ini sedang mengupah orang untuk melawan Tun Mahathir.

Bagaimana Najib mahu menghadap rakyat walaupun sekadar bersalaman di Kg Baru meraikan masjid baharu?

Bila Exec Chef berbangsa India memanggil saya bekerja semula, saya demand dan kata croissant saya sedap.

Beberapa kali saya try n error kerana peralatan tidak cukup dan sebab jarang buat.

Tapi saya tidak rasa malu walau dianggap hanya bercakap besar. Sebab? Sebab sudah tentu saya pernah belajar dari Master Baker. Saya punyai kemahiran dan pengetahuan dari segi suhu, oven, resepi dan cara melakukannya.

Cuma masa akan menentukan bila masa saya akan melakukan penetapan hasil dari try n error saya itu.

Najib telah melakukan perkara yang sama iaitu try n error. Najib berpeluang memperbaiki kesilapan kerana Najib punyai segala sumber dan rangkaian (ayat beliau semasa anggota keselamatan berjaya bawa balik kotak hitam).

Malamnya Najib tidak dapat melakukannya kerana Najib melengah lengahkan dan tidak dapat menjawab kemusykilan dalam masa yang singkat.

Approach yang salah.

Di mana Najib nak letak muka lagi?

Terima kasih Tun.

Read this: <http://www.sarawakreport.org/2015/06/spot-the-difference-we-prove-how-the-allegations-of-tampering-are-lies/>

What we are good at are making statements, ask questions and answer the questions with more statements. This is the standard that we will get with current probes by a few committees/authorities.

The first world authorities/mentality would go deeper with scientific/technical evidence based on actual documentations from email servers, bank computer records/filings, office documents. This can be seen from the above Sarawak Report link.

1MBD & related companies, key employees & relevant businessmen & associates, Petrosaudi, financial institutions & authorities should have been raided long time ago and their computers/servers and office records and files confiscated and secured.

The probe teams should not only consist of senior people who ask questions and make statements, but young energetic analytical technical mind to go through thousands if not millions of documentations & records.

As Salam Ramadan Tun, May Allah always bless you with his gracious and merciful.

On your point no 7 :-

7. The supporters of the Prime Minister seem unable to understand that 1MDB borrowed 42 billion Ringgit to invest in shady businesses. In the process large amounts of money has disappeared.

On this Tun, I read in newspaper recently your statement that UMNO has painted "A climate of fear" among its members. I tend to agree with you on this. So this point 7, is not they don't understand, but because of "Climate of fear" everyone is zipping their mouths.

Others have just "chicken out" see what Kluang UMNO Youth Chief have done. I used to be UMNO Youth Chief of Seremban Division during Tun time, we don't see this kind of things happen.

On the climate of fear in my state, some told me the leader action is brutal. (May Allah safe us from all this EVIL!)

Dear Tun,

May you always in good health.

1. Just like you, I was wondering why there has to be an apology. The real issue is the location of the money.
2. Although the breakdown has been given by 1MDB, there are still puzzling questions like the money from Cayman Islands.
3. I was also amazed by the willingness of IPIC in settling the 1MDB's debt. Surely, it is not for free. So what is the catch? It was Ananda Krishnan last time. And until now, there is no explanation.
4. On another note, the government is going to tender vehicle registration numbers with prefix 'Patriot'. Proceeds from this tendering exercise will be given to Yayasan Patriot Negara Malaysia (YPNM), an NGO.
5. As far as I know, the Road Transport Department has been tendering plate numbers and the proceeds has been treated as government revenue. Channeling them out means the government loses some potential revenue. Is it okay?

Selamat berpuasa, Tun.

A kurang ajar will indeed need a course in etiquette – so, give him an air ticket to Oxford? I thought they the best finishing schools are in France or Switzerland where you learn how to be a lady.

Salam ramadan, Tun

Perkembangan terbaharu melibatkan skandal 1MDB telah membuka satu lagi tin yg berisi ulat.

Kali ini, DSN, dan yg lain2 sedang cuba untuk melakukan lakonan2 yg seperti dlm cerita Macgyver, siri TV yg popular. Tema dan cerita lakonan Macgyver, ini, dpt menunjukkan pada kita bagaimana pelakon utamanya mempamerkan kebolehan tipu dan muslihat dlm mencari jalan untuk melepaskan diri. Watak dlm cerita biasanya ada watak jahat dan baik. Bagaimanapula kalau ceritanya hanya ada watak jahat sahaja – penghujungnya kehancuran dan kemusnahan terhadap nilai2 kemanusiaan yg sepatutnya mulia dan baik.

Saya, amat sedih dan kecewa terhadap DSN, sepertimana org2 lain. Pada mulanya saya, melihat DSN, mampu membawa kebaikan kepada rakyat, tetapi pada hari ini, majority rakyat Malaysia' hidup dlm tekanan yg amat sangat drp segi cost kehidupan dan tanggungan hutang.

Alangkah eloknya jikalau DSN, sebagai PM dan kerajaan mengarahkan semua pemaju2 agar peruntukkan sekurang2nya 20% rumah2 binaan mereka di seluruh Malaysia dgn kadar subsidi tersasar. Jgnlah bina rumah seperti reban ayam dan seksa kehidupan mereka. Kalu benar2 DSN, ingin dahulukan rakyat, dasar baharu perlu di majukan di mana keluasan minima sebuah rumah tidak boleh kurang drp 900kps. Subsidi tersasar sebanyak 30 – 50% harus di beri kepada pembeli2 tersasar drp harga yg ditetapkan pemaju. Kerajaan boleh menyalurkan subsidi tersebut terus kepada pemaju atau pun bank melalui kaedah2 percukaian atau subsidi bahan binaan.

DSN, mesti memikirkan quality kehidupan rakyat di peringkat pertengahan dan rendah yang terutamanya melibatkan perumahan dan proses pemilikanya. Jgnlah memisahkan rakyat golongan ini drp menikmati kehidupan yg selesa dgn hanya membina rumah2 PPR seperti reban ayam – ini merupakan satu penghinaan terhadap hak kehidupan rakyat drp golongan tersebut – tidak perlu risau, negara tak akan bankrupt kalau di lakukan dgn cara teramat mulia, berpandukan jalan Allah

Jgn biarkan ketamakan mengatasi secara total terhadap kewangan negara yg di miliki. Kerajaan tak perlu untung, semua pendapatan kerajaan harus kembali kepada rakyatnya melalui saluran2 tertentu secara langsung dgn kerajaan dan bukannya melalui Umno, MIC yg rakus dan zalim, MCA, PPP, IPF, GERAKAN dll parti politik yg bersama kerajaan.

Kerajaan Malaysia' harus menjadi pemerintah bukannya peniaga. Dasar2 kerajaan dan perlaksanaanya harus diberi keutamaan drp yg lain2, seperti menarik pelaburan2 luar. Kalau kerajaan Malaysia hanya memikirkan tentang perniagaan dan bukannya pemerintahan, maka tak lama lagi; Malaysia' can be for sale, even wholesale.

Harap2 DSN, berdarah Pahlawan dpt meninggalkan satu legacy yg betul2 nyata bagi semua rakyat Malaysia melibatkan pemilikan perumahan.

Project2 PRIMA tak akan sama sekali boleh mencapai apa yg di diharapkan. Hanya melalui kaedah yg tersebut diatas sahaja atau pun yg lebih baik bukan kurang baik drp itu, benar2 boleh address this major issue.

DSN, if you could do this, you're the CHAMPION – What a pity, you're entangled in the 1MDB mess.

hskamal

1. Justo menggugat Petro Saudi bekas majikannya dengan mengeluarkan kenyataan yang salah dalam urusanniaganya dengan 1MDB ? Beliau tidak puas hati dengan pampasan yang diterimanya jadi dia palsukan urusanniaga ini untuk pengetahuan umum ?

2. Kenyataan yang meragukan selalunya seseorang itu berani menggugat kalau dia ada bukti sebenar yang akan membolehkan dia menang dalam pampasan yang diterimanya. Kalau tidak tindakannya dari awal lagi dia sudah tahu sia-sia dan majikannya tidak perlu takut kalau orang tahu keuntungan telah dilakukan terhadap 1MDB .

3. Sebenarnya kenyataan Justo boleh menyelamatkan 1MDB yang telah rugi dalam pelaburannya oleh Petro Saudi jika wang yang dikatakan pinjaman di minta pulangkan. Sebaliknya Justo dikatakan penyelamat untuk urusanniaga yang dikatakan tidak pernah terjadi.

4. Justo pernah terlibat dalam urusanniaga ini setelah gagal dalam usahanya memeras ugut wang maka dia membuka rahsia urusanniaga yang telah dilakukan oleh bekas majikannya dengan 1MDB. Adakah Justo salah seorang seperti mana kalangan rakyat Malaysia yang mengatakan telah berlaku salah laku dalam urusan wang kerajaan ?

5. Beliau bagaikan satu yang membuka satu kebenaran yang dirahsiakan sebab pernah terlibat didalamnya daripada kita rakyat biasa yang tidak mempunyai kuasa dalam cara yang patut dilakukan.

Salam,

Memang permainan politik barat yang sedang diaplikasikan oleh Najib ni ( tak layak rasanya panggil dengan gelaran kerana perangai terlampau jijik) Justo ni siapa.. Executive yang ugut Petro Saudi dan dirasuah Petro Saudi untuk 'shut up' dengan money laundering yang dibuat oleh pihak mereka ini.

Pelik juga dengan kes Justo kerana jika transaksi yang dilakukan adalah sah disisi undang-undang, kenapa diberikan pampasan seolah-olah untuk tutup rahsia syarikat. Nak tutup cerita salahlaku dan penyelewengan salahkan si Justo ni.

Jika benar laporan Justo ialah palsu dan telah diolah. Mana laporan yang original/sah/benar? Tunjukkan lah..

Taktik-taktik najib nak lepas diri semua Tun dah tengok dan pernah buat. Bodoh lah najib ni guna taktik sama. Tun makan garam dulu la najib. Bijak la sikit najib nak tipu orang pun. Lepastu nak tutup mulut orang dari terus cakap hal 1MDB.

The rakyat demands 1MDB and PM Najib to answer as to what assets were given to IPIC for the takeover of the loans, on 30 June, 2016, with aggregate value of an amount which represent the sum of the cash payment (US1 billion or RM3.8 billion) to settle certain of its liabilities, and the assumption of the debt of US3.5 billion or RM13.3 billion being interest due under two IPIC guaranteed 1MDB financing accounting amounting to US3.5 billion (RM13.3 billion) in aggregate principal amounts. Wah, going on like this, is like plundering 1MDB's "treasure chest" one after another until they come up empty to pay off its interests.

The above has got nothing to do with Justo's arrest. 1MDB's financial chaos remains just as bad, and will get worse with time. Justo has no means at all to influence the management of 1MDB, and bear this in mind that CEO Arul has said that the PM is the final approving authority for all of 1MDB financial deals.

So what are those people in 1MDB, Putrajaya and the list of dunggus sitting in the cabinet parroting? The RM42 billion is still missing, more and more "restructuring" (meaning disposal of 1MDB assets at firesale prices) until nothing else is left, and a very very big hole for these people to commit hara-kiri.

Our beloved Malaysia should send young political aspirants of all races to Oxford the home of culture, ( Cambridge is the home of agriculture ) to read for the PPE degree otherwise known as Politics, Philosophy, Etiquette. I believe that in the whole of Malaysia there is only one such person. However, 99.9% of these lucky undergraduates normally spent time doing something else unrelated to the degree. And 0.1% of the English students go on to serve in the English Houses of Parliament.

However I note that the MARA students are entering Melbourne, Australia in force. Money maketh the Man ?

I suggest that all the billions of ringgits which were spent on 3rd rate buildings around the World in 4th rate areas should be able to set-up an independent Malaysian college in Oxford and another in Cambridge. Forgot ? To err is human, to forgive is divine !

I guarantee these graduates will come back speaking pukka English with manners. Whether they fit into our rough and tumble society with the foul-mouthed types is another matter.

For the interested, many of the Bloggers must have read that billions and billions of ringgits have been invested in the Bayswater area of London. This whole area was once a famous red-light district the favourite haunt of students from all over the World. And believe it or not, the whole area is owned by the Church of England. Where are you FGV ?

I mentioned the above facts in passing which I think is very much linked to the incident of JUST SO SO and 1MDB.

1. All the denials on 1MDB are just hot air of the political kind.
2. The critics or seekers after the truth are talking about HARD CASH IN BILLIONS OF RINGGITS NOT POLITICS.
3. If the good folks who deal in the BILLIONS AND BILLIONS OF RINGGITS LIKE THEY DEAL IN POLITICS, it is not business with all due respect but politics.
4. As the Prime Minister of Australia, Curtin once said, ' Too many Wongs do not make a right.'
5. It is as simple as this. THE MONEY IS EITHER THERE OR NOT THERE.

6. In defence of the Chartered Accountants of the Institute of Chartered Accountants of England and Wales, chartered accountants are accountants. Their Royal Charter does not permit them to be crooks.

It is the silly Season Sir ! We seem to be talking about (missing) MONEY MONEY MONEY ALL THE TIME !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Dear Tun:

You must make a comment on the "indemnity" that the government made to IPIC regarding the repayment of the money or the provision of assets of equivalent value. Effectively, the government

guaranteed the entire transaction by providing an indemnity to IPIC. An indemnity is worse than a guarantee, but let's not quibble for the time being. It just shows the ignorance or desperation of the government. If 1MDB can't perform, the government must perform to the satisfaction of IPIC.

This is crazy because the hole gets bigger and bigger, and the Arabs must think that this government is incompetent.

Beloved Tun,

Firstly, may Allah continue to shower you with His Divine blessings and may you remain in the soundest of health.

1. Thank you for shedding the light to all of us with regards to the economical fiasco that has befallen us, like it or not the issue of 1MDB has caught all of our interest and attention.
2. Needless to say, time and time again you have proved to us all how DSNTR is unfit to run the country.
3. The 1MDB conundrum is indeed very complex and even after thorough simplifications done by your kindself and other politicians and bloggers, the complex minutia still evades us.
4. However, one thing is clear, RM42 billion has been spent under dodgy business dealings with no clear inductions.
5. The Malaysian Government has been made solely responsible to bail-out 1MDB should it default its payments.
6. Unfortunately again the poor rakyat will have to suffer and pay for the poor business judgements and greedy financial ambitions of a certain group of 'leaders'.
7. I applaud you Tun, for again standing up for the wrongdoings of DSNTR and his kuncu-kuncu.
8. Its about time some respected political figure within the upper ranks of UMNO to retaliate outwardly and force DSNTR to relinquish his post in the cabinet. (We have all seen snippets of the TSM video).
9. And its also about time that we fellow Malaysians get a righteous, scandal-free, rakyat-loving PM once again. (Bring back the Mahathirean Era).
10. I end my comment by wishing you and all the loyal readers and bloggers Ramadhan Al-Mubarak.
