2 November 2015

Tun Dr Mahathir Mohamad

1. I am confused by the AG's statement that Dato Seri Khairuddin and Matthias Chang are being charged with sabotage of the nation's banking and financial system.
2. I assume that their reports to the police authorities in the UK, Switzerland and Hong Kong, where the transactions took place, are the basis of these sabotage charges which if convicted may land them in jail for up to 15 years.
3. But the publication by the foreign press of the shenanigans in the investments by 1MDB came out long before Khairuddin reported. These news reports were not casual reports but were very detailed descriptions of what and who were involved. They were reporting on what is well known to the whole world.
4. Why were these newspaper reports not satisfactorily rebutted by 1MDB or the MOF since the impression created about Malaysia's alleged abuses of the financial and banking systems could result ultimately in the loss of confidence in Malaysia's political and economic health and its financials?
5. But had there been no 1MDB and no 42 billion Ringgit being borrowed, the press would not report nor would there be any police reports. Wouldn't these press reports then be considered as sabotage?
6. 1MDB may sell the 60 Ringgit p.s.f. land that it bought from the Government at 5000% above the purchase price and repay the loans. But the fact remains that had 1MDB not been created, the huge sum of borrowed money would not have disappeared. For this 1MDB and those responsible must still be charged for abuses of the banking and financial system, repayment of the loans notwithstanding. The creators of 1MDB and the managers are the people who sabotaged this country, which before this had a good record for financial management and a sound banking system. They are the people who should be charged in court for sabotage of the Malaysian banking and financial systems. Since it was Najib who created 1MDB, borrow 42 billion Ringgit and invested the money and losing it, Najib should also be charged with sabotage.
7. Alternatively everyone, from the initial set-up of 1MDB to the borrowing, to the newspaper reporters and the reports to the police should all be charged with sabotage of Malaysia's financial and banking systems.

VERSI BM

SABOTAJ

1. Saya keliru dengan kenyataan Peguam Negara bahawa Dato Seri Khairuddin dan Matthias Chang sedang didakwa kerana sabotaj sistem perbankan dan kewangan negara.
2. Saya menganggap bahawa laporan mereka kepada pihak berkuasa polis di UK, Switzerland dan Hong Kong, di mana urusan niaga itu berlaku, adalah asas kepada caj-caj sabotaj yang jika disabitkan kesalahan boleh dikenakan hukuman penjara sehingga 15 tahun.

3. Tetapi penerbitan oleh akhbar asing mengenai tipu helah dalam pelaburan oleh 1MDB keluar lebih lama sebelum Khairuddin melaporkannya. Laporan-laporan berita ini bukan laporan sambil lewa tetapi penerangan yang sangat terperinci mengenai apa dan siapa yang terlibat. Mereka melaporkan apa yang sudah diketahui umum di seluruh dunia.

4. Kenapa laporan-laporan akhbar ini tidak disangkal dengan memuaskan oleh 1MDB atau MOF sedangkan tanggapan yang telah terujud mengenai pendakwaan penyalahgunaan sistem kewangan dan perbankan Malaysia boleh akhirnya mengakibatkan kehilangan keyakinan terhadap kesihatan politik dan ekonomi Malaysia dan kewangannya?

5. Jika sekiranya tidak wujud 1MDB dan tiada RM42 bilion yang dipinjam, akhbar tidak akan melaporkan dan tidak akan ada laporan-laporan polis. Tidakkah laporan-laporan akhbar itu dianggap sebagai sabotaj?

6. 1MDB boleh menjual tanah yang dibeli dengan harga RM60 kaki persegi daripada Kerajaan pada kadar 5000% atas harga pembelian dan membayar balik pinjaman. Tetapi pada hakikat seandainya 1MDB tidak dicipta, jumlah besar wang yang dipinjam itu tidak akan lesap. Untuk ini 1MDB dan mereka yang bertanggungjawab masih perlu didakwa kerana penyalahgunaan sistem perbankan dan kewangan, tidak terkecuali juga pembayaran balik pinjaman. Pencipta 1MDB dan pengurus-pengurusnya adalah mereka yang mensabotaj negara ini, yang sebelum ini mempunyai rekod yang baik bagi pengurusan kewangan dan sistem perbankan yang kukuh. Mereka adalah orang-orang yang patut didakwa di mahkamah kerana sabotaj sistem kewangan dan perbankan Malaysia. Oleh sebab Najiblah yang mencipta 1MDB, meminjam RM42 bilion, melabur wang itu dan menghilangkannya, Najib juga sepatutnya didakwa kerana sabotaj.

7. Atau sebagai alternatif semua orang, dari awal penubuhan 1MDB hingga pinjamannya, pemberita-pemberita akhbar dan laporan kepada polis, semuanya harus didakwa kerana sabotaj sistem kewangan dan perbankan Malaysia.

For the edification of all, here is the cast of the Opposition Magnificent 7 as recommended by isayso.

The Cast of the Opposition Magnificent 7.

1. The aka TWOG. A spy, agent provocateur and journalist from the PAP controlled media of Singapore. Because the Singapore Government is kiasu and employed very few spies, he was probably captured in technicolour in the naive, gullible, friendly and hospitable UMNO owned New Straits Times Streets Central Supplement Page 8 March 8 2014. Please look see.

2. isayo. The Man from Sime Darby and now in the Opposition. As a friend, I will not expose him and keep the sanctity of this distinguished Blog.

However, in 1972, I conceptualised the capture of Sime Darby PLC for the Malays so that they would not put on their red shirts and threaten to thump those in yellow shirts in Petaling Street Kuala Lumpur. In future. By November 1976, Sime Darby was delivered by me and others and two Singapore corporates for the Malays control.

By and by, isayso was employed by Sime Darby with a luscious salary in keeping with his style of life which was much more than mine as a non-Executive Director who took in total for 18 years, only RM 30,000 per year before Income Tax.

After the death of the Chairman in 1988, I was sacked from the Board in 1992 after 18 years without a reason.

The Management assumed I was the protege of the late Chairman. But I was recommended in 1974 by the great Prime Minister Tun Abdul Razak on the advice of our visionary YBM Tengku Razaleigh Hamzah. Both had the vision of the NEP in 1972.

The next 18 years from 1992, Sime Darby went bankrupt twice, in 1996 involving RM 1.0 Billion and in 2010 RM 2.1 Billions. Between 1992 and 2010, Sime Darby went Yacht Ocean Sailing in the Southern Antipodes for more than 9 years and other sporting activities, bought golf courses in Florida, small businesses all over the World and empty offices like in Vancouver and New York, etc and dealt with unsavoury Chinamen buying up their pondan oil palm estates, lending them huge sums of money, developing marshy Queensland property with a PAP fund raiser in hot pants. (She was caught holding this property with her pants down !).

Come home Sime Darby ! It is time to buy that beautiful Mall from EPF opposite Imperial Hotel just down the road from Sime Darby for the Malay traders and others to trade, progress and prosper. Build a couple of platforms over the Sungai Gombak and the Sungai Klang for the Malay traders and others to trade, progress and prosper too.

3. wajaperak is still producing white rabbits out of his proverbial hat just like when he was in school in short pants !

5. balance is a retired non-Malay Civil Servant still trying to make himself relevant after a lifetime of being irrelevant.

6. ilioni is a lady of a certain age with some education and a smattering command of English.

7. faridina is a lady of a younger certain age who likes to be relevant with the madding crowd. No problem.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH ! and now MOLLYWOOD BOLEH !

Only for the good Madam HouseWife and Saudara Sudin.

The Opposition Magnificent 7 will blush bright red when I will tell the TRUE STORY on 21 February 2016. No need for these 7 Opposition Conspirators to snigger, make snide remarks, whisper behind my back, drop hints etc trying to breakdown my character. The Truth will be told.

If I have no character, Opposition Magnificent 7, you think I dared to take on your crooked conman and Dictator Lee Kuan Yew (1959-2015) to put everything into proper perspective ?

The TRUE STORY IS ALREADY KNOWN FOR YEARS BY OUR BELOVED TUN DR MAHATHIR MOHAMAD, TUN DAIM ZAINUDDIN AND TAN SRI KAMARUL ARIFFIN YASSIN.

AKAN DATANG.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

A study of the genesis of these Opposition Magnificent 7 shows when they lost their arguments, they COLLECTIVELY complained that I monopolised the time and space on this Blog.

As you are aware, the fact of the matter is that I was only promoting the Statesman of the World. No more. No less.

A very crude way to get rid of a FRIEND OF THIS DISTINGUISHED BY OPPOSITION OUTSIDERS. Please respect our Tun, folks !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

The play acting of the digits, cohorts, camp followers, fellow travellers, etc of the crooked conman and Dictator are the MAGNIFICENT OPPOSITION 7 WHO ARE NOW EMBEDDED IN THIS DISTINGUISHED BLOG.

This is the Fifth Column against UMNO and the BN. One of them admitted that he is for you because you remarked something harmless against the incumbent Government. If this is not divide and rule, what is ?

As I am a lightning rod to attract abuse, vulgarities, insults, lies, etc, this has proven that this lot of digits, cohorts, camp followers, fellow travellers, etc could only do their worst what they know best at their level.

For months and years, the MAGNIFICENT 7 OPPOSITION CONSPIRATORS 'The aka TWOG', isayso, balance, wajaperak, faridina, iliona COULD NOT PRODUCE A SINGLE GOOD POLICY OF THE DICTATOR LEE KUAN YEW (1959-2015). With this deficiency, THE MAGNIFICENT OPPOSITION 7 TURN TO WALLOPING ME BELOW THE BELT PERSONALLY ON BEHALF OF THE CROOKED CONMAN AND DICTATOR LEE KUAN YEW (1959-2015). How....!

Since the Magnificent Oppostion 7 could not produce a single GOOD POLICY OF THE DICTATOR LEE KUAN YEW, I DO IT FOR YOU FOLKS !

HIS GOOD POLICY WAS TO ADMINISTER THE TINY REPUBLIC OF SINGAPORE NORMALLY AND ON AN EVEN KEEL. Pour le vouz francais ? Wanna some more ?

Ladies and Gentlemen, now you see these LKY GANGSTERS IN ACTION IN OUR BELOVED MALAYSIA !

WHAT HAPPENS IF THE OPPOSTION REALLY TAKES OVER PUTRAJAYA ?

BUT IT IS UNLIKELY BECAUSE THE PAP GOVERNMENT HAD ALREADY DISCOUNTED THEM AND THE DELUSIONAL CHINESE WHO WOULD SOON BE RUNNING BACK TO DADDY UMNO AND THE BN FOR SECURTIY. Acheh !

HENCE, THE ILL-INFORMED MAGNIFICENT 7 WILL WASTE THEIR TIME AND GO ALL OUT TO BLITZKREIG ME TO SATIATE THEIR DEEP ANGST ! No problem. I am trained to handle mental cases at mid-night, dead or alive !

I was only producing the facts in DEFENCE OF THE HONOUR AND REPUTATION OF OUR BELOVED TUN DR MAHATHIR MOHAMAD, A MALAY BECAUSE HE WAS BULLIED AND HAD TONS OF VULGARITY OR WORSE Poured ON HIS HONOUR AND REPUTATION FROM 2003 TO 2014. From here, these OPPOSITION DIGITS softened their vulgarity and abuse and have now appeared in this distinguished BLog walloping me a messenger who only produced facts and no personal insults for anyone. Like our beloved Tun Dr Mahathir Mohamad, we have no hatred in our hearts and minds contrary to the behaviour of others.

This only shows these MAGNIFICENT OPPOSTION 7 ARE JUST WHAT THEY REALLY ARE, DIGITS IN THE EYES OF THE DICTATOR LEE KUAN YEW. Digits ! Now I know my friend wajaperak is a secret magician who could produce so many rabbits out of his proverbial hat to suit the occasion.

I COULD PRODUCE 44 FAILED POLICIES OF THE DICTATOR LEE KUAN YEW BACKED UP BY FACTS.

Tun once told me to write what is fair and honest. He advised me not to be afraid. Quote President Franklin D Roosevelt in 1931, ' THERE IS NO GREATER FEAR THAN THE FEAR OF FEAR ITSELF.' Pour le vouz francais, digits ?

KUDOS TO BOTH OF YOU MADAM 'HOUSEWIFE' AND SAUDARA 'SUDIN'.

I am a NATIONALIST. I see nothing wrong for a Chinaman to prove to the World that our beloved Tun Dr Mahathir Mohamad, A MALAY. is a real STATESMAN OF THE WORLD. If the hat fits, wear it.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

For The, TWOG, isayso, ilioni, balance, wajaperak, faridina etc. – THE CONSPIRATORS AGAINST MUBARAKCHAN FOR HIS EFFORTS TO TELL THE WORLD THAT OUR BELOVED TUN DR MAHATHIR MOHAMAD IS A HERO, AN ICONIC MALAY, STANDING TALL AND PROUD AS A WORLD STATESMAN WHILST THE CROOKED CONMAN AND DICTATOR LEE KUAN YEW (1959-2015) HAS BECOME THE VILLAIN OF THE PIECE.

History will bear me right. Go ahead ladies and gentlemen, take your kid-skin gloves off and wallop the messenger because he brought you bad tidings not to your liking.

Your combined efforts only go to show what sort of brainwashed robots you supporters of the Dictator have become. You conspirators want TO DOMINATE OUR BELOVED TUN DR MAHATHIR MOHAMAD' BLOG BY PRETENDING YOU ALL ARE HIS FRIENDS AND SUPPORTERS.

Shame on all of you who only turned up here literally this very instant and claim to be our beloved Tun Dr Mahathir Mohamad's friends and supporters. YOU ARE JUST TRYING TO DIVIDE AND RULE AFTER 3 BIG FLOPS AT PUTRAJAYA. By being vulgar and nasty you Conspirators will get nowhere !

I could think of 3 OPTIONS HOW YOU CAN GET TO PUTRAJAYA. You cannot even think of one WITH TONS OF MONEY but to appear in this distinguished Blog to create your thuggish mischief. Shame on you ! Think big not small to bully me !

I have been a friend of Tun since 1972, not his crony.

When I saw the injustice which you, THE CONSPIRATORS, heaped on him verbally and in writing after 2003, I STEPPED IN AND DUG AT THE POLICIES OF YOUR FAVOURITE AND HERO THE DICTATOR LEE KUAN YEW and at the last count, I found 44 FAILED POLICIES OF LEE KUAN YEW.

YOU CONSPIRATORS PRODUCE 44 GOOD POLICIES OF YOUR DICTATOR IN DEFENCE.

I FOUND YOUR HERO AND DICTATOR LEE KUAN YEW COMMITTED 44 FAILED POLICIES. OF WHICH TWO ARE BLOODSTAINED WITH THE POSSIBILITY OF ANOTHER ONE WHICH NEEDS TO BE INVESTIGATED TO PRODUCE THE FACTS.

NOW YOU CONSPIRATORS PRETEND YOU ALL ARE OUR BELOVED TUN DR MAHATHIR MOHAMAD'S FRIENDS AND SUPPORTERS. It was not too long ago in the Malaysia Chronicles, etc. the worst foul language was poured on our honourable and beloved Tun RELENTLESSLY. Now, you conspiratorial folks are his friends and supporters. Please don't joke !

Please note, Bloggers, that I kept strictly to the OFFICIAL FACE of the Dictator Lee Kuan Yew. I am not bothered about his personal life or the lives of all the Bloggers here.

For Bloggers, 'The aka TWOG' is just a drift-wood dirty minded sub-digit from the sub-continent in the employment as a spy and journalist by HIS DICTATOR'S SERVICE TO SPY AND BE A MISCHIEF MAKER RIGHT IN THE HEART OF KL. A leopard cannot change its spots. Vide. The New Straits Times Streets Central Supplement Page 8. March 8 2014. All the spies and mischief makers from Singapore in technicolour. Wikileaks. Singapore spies.

CONSPIRATORIAL FOLKS ! AND OUR TUN DR MAHATHIR MOHAMAD ! THE HAPPIEST THING I DISCOVERED IN THE FACE OF THIS LEE KUAN YEW'S THUGS BLITZKREIG ON ME IS THAT SINGAPORE'S DEFENCE IS NO LONGER THE BATU PAHAT-MUAR-MUAR RIVER LINE LIKE THE MAGINOT OR SIEGFRIED LINE. IN THE APPARATCHIKS aka MERIOCRATS STRATEGIC VIEW IT IS UMNO THE FIRST AND LAST LINE OF DEFENCE FOR SINGAPORE AND MALAYSIA RIGHT HERE IN KL. The little Dictator had been playing around with his military toys since 1965 at the expense of his citizens. I did not realise that lives are this cheap in World-Class Singapore.

AND THAT SINGAPORE IS INDEFENSIBLE. Wake up ! All Singaporeans. The World's military strategies have changed since 2000 !

I say it once again I am not anti-anyone, or anti-Singapore or anti-Singaporean or anti-Lee Kuan Yew – BUT ONLY HIS PUBLIC POLICIES.

IF THIS DICTATOR IS WORLD CLASS AND SO BRILLIANT, LET US LOOK AT HIS WORLD CLASS AND BRILLIANT POLICIES IF ANY !

History records that all dictatorial regimes like Hitler, Mussolini, Franco, Stalin, Mao, Tito, Castro, Lee Kuan Yew etc will disappear after the departure of the Dictator. CONSPIRATORS PROVE ME WRONG ON THIS HISTORY !

At the last count, the Dictator Lee Kuan Yew committed 44 failed Policies.vide<http://chedet.cc/?P=464>

And note that this distinguished Blog has drawn the attention of the World to make our beloved Tun Dr Mahathir Mohamad, A MALAY, WORLD CLASS STATESMAN. And the World now knows the sort of thugs like "The aka TWOG" who work for the Dictator always.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH as confirmed by Bilahari Kausikan and his dysfunctional crew !

Yes, isayso and Faridina – you guys are right and I apologize to Mubarakchan. Just trying to figure out the cause of his irrational hatred of LKY and Singapore. His blanketing of this blogs with his inane and incessant repetitions is getting on everyone's nerve.

Nevertheless, Mr Chan – my unreserved and sincere apologies. Just a request – please leave a dead person to rest in peace. His failed policies will continue to haunt Singapore for all eternity. All the readers here have gotten your message loud and clear. We are not pro-LKY or pro-Singapore – so, don't have to label us and we won't label you. Fair?

My support to Faridina. People who condemned Tun is actually trying their very best to carry Najib balls for their survival.

And their mentality is as simple as this example. They will always blame the school headmaster when their children becomes a thief. Dont be shocked when they blamed it on Japan... British... and so on..

Salam Jumaat Ayahanda Tun,

Saya ingin mengucapkan syabas buat Ayahanda Tun kerana seperti biasa, telah mengendalikan kes soal siasat oleh Bukit Aman dengan penuh macho.

Saya ingin memberi cadangan kepada pihak Bukit Aman. Sedarlah bahawa gaji yang anda bawa pulang untuk diberi makan kepada anak bini tu adalah belas ehsan daripada cukai yang kami, rakyat Malaysia, yang membayar setiap bulan tanpa keluhan.

Tiada keluhan kerana kami merasakan ini adalah tanggungjawab kami untuk pembangunan negara yang tercinta termasuklah membayar gaji anda sekalian demi menegakkan keadilan dan bukan untuk menegakkan benang yang kuyup.

Dah cukai yang kami bayar setiap bulan ini adalah rezeki dari Allah berkat usaha Tun M yang telah menanam benih pembangunan sejak 22 tahun yang lalu.

Ambil lah masa untuk berfikir seketika...apa yang anda buat ni betul ke tidak? Kalau tak betul, masih ada masa untuk bertaubat. Jangan menjadi manusia yang kerugian bila mana yiba masanya kita dijemput untuk kembali kepada Allah, apa jawapan anda dia hadapan Allah kelak bula ditanya apakah anda telah menjalankan tanggungjawab anda dengan adil dan saksama?

Ayahanda Tun, kami rakyat Malaysia bangga dengan Tun. You are our legend! Dulu, kini dan selamanya.

Tun tidak pernah keseorangan. If they dare touch you, they have to face the consequences to face all of us. And if they dare to do that, they will speed up digging their own graves. The choice is in their hands. Hope that they do not make another blunder out of their stupidity. May Allah bless Tun and family.

Mubarak – a bankrupt is a bankrupt. Whoever google your name will come up with this fact – not those manufactured “facts” of yours. If someone is half past six, anyone else can only describe that someone as half past six or 6.30 (am or pm). The same fact is identical. Unlike any of your “facts”. Your fact is that Singapore is a massive failure with 42 failed policies. Singapore would have gone completely under if that were the case. Now compare that to Malaysia which is on the verge of becoming a failed state. Yet to you, Malaysia has no wrong policies.

So, why don't we let readers decide whose facts are facts, and whose are fiction.

Bankrupcy can make one irrational.....

For those who attacked me personally out of the blue, balance, wajaperak, ilioni, The, etc., defending your erstwhile hero, the crooked conman and Dictator Lee Kuan Yew (1959-2015).

All you folks are completely out of date. Either you are like Rip van Winkle or still in Mars.

You have been out-dated by Bilahari Kausikan's and his dysfunctional meritocratic crew's non-delusional opus in the Straits Times with the delusional title, "Singapore is not an island" and his speech at Fitzwillian College, Cambridge University on 31 October 2015.

These are feelers out to indicate the change of Foreign Policy towards Malaysia – some 6 months after March 2015 after years of bitterness and antagonism towards our beloved Malaysia from 1965 ! This is an important political watershed for our beloved Malaysia.

THE PAP GOVERNMENT OF SINGAPORE HAS COMPLETELY DISCARDED THE 95% CHINESE WHO DID NOT VOTE FOR UMNO BY CALLING THEM DELUSIONAL CHINESE AND SAID THAT THESE CHINESE ARE ON A POLITICAL TRAJECTORY THAT HAS HEIGHTENED RACIAL AND RELIGIOUS TENSIONS AND MAY WELL LEAD TO VIOLENCE.

I agree with this statement completely. Soon, 95% of the Malaysian Chinese will vote for UMNO leaving behind the charlatans. As a person of peace, I have always said that we must support our iconic UMNO !

As our beloved Tun Dr Mahathir Mohamad had always said, ' A week is a long time in politics.'

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

PM Najib @ Ah Jib Gor will have his day in prison for all his wrongdoings and misuse of power. He will not survive during PRU-14 if this is how he & his 'koncu2' treat those who are against him (because of his bad scandals).

Thanks Tun.

Dearest YAB Tun,

Good news I guess:

Concerns over TNB bid for 1MDB unit allayed, share price up

PETALING JAYA: News that Tenaga Nasional Bhd (TNB) has put in the lowest bid for Edra Global Energy Bhd has allayed concerns that the company may have put in an over-priced bid for the latter's power assets.

The stock surged to its highest since June this year, jumping by as much as RM1.06 in early trade. It closed 56 sen higher at RM13.20, with a market capitalisation of about RM74bil.

The counter was the top gainer of the day.

The surge in interest has pushed the benchmark FTSE Bursa Malaysia KL Composite Index up 2.92 points to 1,688.54.

TNB's share price has been under pressure due to the perceived bailout of 1Malaysia Development Bhd (1MDB). Analysts said bailout fears had lingered since 1MDB revealed that it was looking for buyers for its power assets.

The news went down well with many, as the utility giant is unlikely to be chosen by 1MDB, given its low bid, thus allaying concerns that the utility giant is bailing out Edra. The worry that TNB may have put in an over-priced bid is unlikely to materialise, analysts said.

More:

<http://www.thestar.com.my/Business/Business-News/2015/11/06/Edra-Concerns-over-TNB-allayed/?style=biz>

P/S: Good to know that the BODs and management of TNB are not stup*d like those in 1MDB.

Thanks Tun.

Salam Tun,

Sorry for my trolling. Guys, I think we have sent our message across to Murabarakchan. If he still think that there is nothing wrong about the obsession on the 42 failed policies by Mr LKY out of the thousands of policies that he made, then we are just going to turn ourselves to become into a troll ourselves by feeding him. It is better to leave him alone.

Let's try to be constructive and share something useful, some ideas, some thoughts, some news that will enrich our thoughts to build a better Malaysia.

I am moved when I read this news and watched the videos in it. Bravo & good effort from Pemandu. Even our normal plain Malaysian knows what's best for our children. Do we need the expert from overseas to tell us what's best for us? If we get those honest smart people to manage these institution, we can do it. If those in power today are the leader before our independence, our independence will never happen because we are inferior. But, to the contrary, it is because we think we are NOT inferior but in fact can do better than the British that we seek independence.

Hey korang menteri2 yang lemah otak tak sedar diri sekarang kutuk kutuk Tun dan korang mansuhkan gesaan Tun untuk matapelajaran math dan sains di ajar dalam bahasa inggeris?. Hishammudin tak guna jadi menteri pelajaran dulu.

Kenapa sekarang @ hari ini nampaknya PEMANDU sibuk buat kajian akan kemunduran anak bangsa dalam bahasa inggeris, kenapa takut sangat anak bangsa tidak pandai berbahasa inggeris? Kenapa baru sibuk nak mulakan balik saranan TUN MAHATHIR yang korang hina bagai tiada jasa langsung pada negara?

Korang semua menteri yang pentingkan kecek dan belanja anak bini sahaja...

Korang menteri termasuk najib yang meluluskan pemansuhan saranan TUN MAHATHIR tu telah bersalah besar kepada anak bangsa dalam tempoh korang mansuhkan sampai ke hari PEMANDU baru nak perasaan ini. Berapa tahun di kali dengan jumlah pelajar yang telah kerugian dan tidak di pandang langsung oleh firma firma swasta @ antarabangsa?

Najib ingat dengan beri BRIM dan memansuhkan pelajaran percuma dalam bahasa inggeris itu sudah boleh memberikan kesenangan kepada anak bangsa untuk memohon pekerjaan yang baik?

Zahid hamidi ingat dengan memasukkan beribu2 pekerja bangladesh dah boleh menyelamatkan anak bangsa yang terpinggir?

Hishammuddin tak boleh di harap, dia ingat gambar dia di peluk oleh rakan sejawat dari negara luar tu dah cukup membanggakan negara. Setakat peluk2 semua orang boleh buat.

Azalina pula jadi menteri setakat kaji dan baca kod etika pakaian saja.....alahhh tak susah lah tugas tu.

Maaf kepada semua menteri termasuk salleh keruak dan menteri yang tak makan telur penyus kerana ada darah tinggi katanya..tolong lah buat sesuatu yang lebih memberi munafaat kepada generasi baru ini dari pada asyik fikir tentang persoalan 1MDB.

1MDB bukan tugas dan ciptaan kamu semua wahai menteri, pandikar, dan AG, untung rugi, perjalanan, loan, lost dan lain lain adalah tanggung jawab najib, arul dan menteri kewangan, biar mereka yang putarkan kepala bagaimana nak bayar hutang tu, nak tambah pelaburan dan menjawab segala masalah...kamu semua wajib tumpukan kepada tanggung jawab sendiri seperti

1. Pelajaran semakin mundur
2. Kesihatan rakyat
3. Pekerjaan anak bangsa
4. Internet slow di fikirkan kaedah lain
5. Kawal jenayah dalaman dan kurangkan jumlah pencopet dari kalangan yang menggangu dan masalah dadah
6. Sosial remaja / pembelajaran kelas agama
7. Artis yang semakin menjolok mata
8. Dan banyak lagi tanggung jawab sebagai wakil kepada kami rakyat ini.

For The. The professional cybertrooper from Singapore. You brainwashed types just refuse to produce a single good work or deed by your crooked conman and Dictator but instead kept attacking me PERSONALLY WITHOUT GOOD REASON. Your intention is very CLEAR. YOU FOLKS DO NOT WANT ANYTHING BAD ABOUT YOUR HERO LKY TO BE TOLD. Hence, the vehemence.

Unfortunately for you, I have got a very thick skin to serve our SOVEREIGNTY, NATIONAL INTEREST, SELF ESTEEM. Acheh !

AND WHY THE VEHEMENCE AT PEOPLE LIKE ME A HARMLESS MESSENGER WHO ONLY PRODUCED INFORMATION BASED ON FACTS AND YOU SAYING EMBARRASSING THINGS INCRIMINATING YOURSELF AS THOUGH YOU OWN THIS DISTINGUISHED BLOG ? ARE YOU OK OF SOUND AND STABLE MIND ? WHY NOT BRING UP YOUR HERO'S GOOD DEEDS TO ERASE OFF HIS 42 FAILED POLICIES WHICH WERE DISCOVERED BY ME ? This is fair debate as recognised in our beloved Malaysia !

And irony of all ironies, your phraseology is exactly the same as TWOOG the other gent from Singapore !

I bet one ringgit with you, The and TWOG that soon both of you will be singing praises how very good UMNO, all our Prime Ministers, our beloved Malaysia etc, are, after reading and better informed :-

1. Bilahari Kausikan and his dysfunctional meritocrats non-delusional opus with the delusional title, " Singapore is not an island." They only bloomed after March 2015. Strange to say.

2. Same – " The Legacy of Lee Kuan Yew " speech by Bilahari Kausikan on 31 October 2015 at Fitzwilliam College, Cambridge University.

If this is not a change of Singapore Foreign Policy towards our beloved Malaysia due to urgent security considerations, what is ? – by going so far as to call the 95% (your friend here excluded) of the Chinese DELUSIONAL !

After the passing of the Dynasty, the Singapore Government itself will speak about the truth on this peculiar period of Singapore's history.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

For balance. You still want to go on and on with your 'colonial' mind-set in November 2015. As always, you folks who kow-tow to the crooked conman and Dictator Lee Kuan Yew (1959-2015) for no good reason but to insult, abuse and vilify me the messenger and good Blogger. Please produce at least one of your hero's good works like demolishing places of worship relentlessly in the 1970s or wiping out the Vernacular School and University System etc.

Balance please balance yourself with the latest from Bilahari Kausikan and his dysfunctional meritocrats which are :-

1. " Singapore is not an island " a opus with a delusional title written by non-delusional experts who bloomed only after March 2015.

2. " The Legacy of Lee Kuan Yew " a speech given by the same on 31 October 2015 at Fitzwilliam College, Cambridge University.

The latest political scenario between Malaysia and Singapore is changing fast due to security considerations.

I bet a ringgit with you, imbalance, that after the present tenure of the Singaporean Prime Minister, the truth of this peculiar part of Singapore's history will be told by the Singapore Governement itself, if you are still around !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

The reason why I have to repeat the 42 failed Policies of Lee Kuan Yew is that there are millions of Bloggers who visit this distinguished Blog which does not cater to both of you alone. Please do not be selfish.

Mr Chan – who is the selfish one here? You are the only monopolizing this blog with your cut and pastes. In one of the old topic, more than 90% of the posts were from you. Why don't you start your own blog – you can be sure I won't read it. But this is Tun's blog – we want to read what others have to say, without having to scroll through all your drivels.

Why flogged a dead horse. Why rub salt in Singapore's wounds? Singapore according to you is a failed state. Any sane person would commiserate and empathize with Singapore for its 42 million failed polices and not to gloat and rub salt.

Mubarak – you are a bankrupt – bankrupt of ideas. Is that why you are so sore with Singapore. Or just simple hatred and jealousy?

Mubarakchan,

"I am duty bound to defend our iconic heroes like our beloved Tun Dr Mahathir Mohamad and the Prime Ministers who were elected to show us the way. No more. No less."

On one need defending, only in your mind your superheros are defending others. The navy, army, air force and police are the real defenders. Is that true Wajaperak??

One one asking for apple or car polishing services too.

We are your real friends that are helping you to wake-up from your fantasies and illusions about Cambridge education, fail policies and unnecessary comparing of unnecessary subjects. We understand your ill feeling about the "useless, godless and etc etc" LKY and his millions of failures but for once try see from another angle. Your knowledge, experiences, intellect are second to none and it should make you a very wise person but now it is actually making you a shallow, narrow and troubled minded person. Age is catching everyone "let go" is the only way to leave this world or physical self in/with peace and joy. I once said to you "i have met many such person" that wasted their knowledge, experiences, intellect on "PAST" subject and situation. History is a good subject to "know only" but living is a better subject to practice. Both subject are not connected as things change, evolved and environment/time/era are never the same.

Let start pleasant exchange of opinions and ideas for a better life, experiences and living. Leave the hate, jealousy, one-track-mind, chest-thumping and etc etc in the "KIV" part of our mind or brain or body.

Have a nice day and everyday nice

For The. It is good to know that you are another one who kow-tows to the crooked conman and Dictator Lee Kuan Yew (1959-2015). When I appeared in this Blog in September 2011, I was prepared to be scolded, insulted, vilified and abused by the brainwashed LKY cybertroops like you.

When I was in action were you born yet, the Ringgit was RM 1 = S\$ 1.03. So do not be smart by making sarcastic remarks when you cannot produce the facts to defend your demi-god and hero Lee Kuan Yew.

I deliberately produced the 42 failed Policies of your hero Lee Kuan Yew to shake your fervent belief to the core. No need to be abusive or sarcastic. But all you LKY folks could do were to be EMOTIONAL OVER THE FACTS ABOUT YOUR HERO.

If you think your God is such a hero, why don't you produce 42 of his good policies to defend him. INSTEAD YOU FOLKS ALWAYS INSULT AND ABUSE ME THE INNOCENT MESSENGER. This is proper debate.

Show the World his good works and deeds like what I presented about our beloved Tun Dr Mahathir Mohamad.

Forever you LKY folks tried to suppress me and the real facts on this crooked conman and Dictator Lee Kuan Yew (1959-2015).

The truth must prevail.

I was waiting for the moment who will be the first person to extend his handshake of friendship of forgiveness. Mr Mubarakchan has made the very gracious move. Please accept his handshake, Mr Wajaperak, Mr illioni, Mr balance, Mr isayso, and others. I believe Mr Mubarakchan can defend himself and does not need anyone, esp me an old ordinary housewife to come to his rescue. He's a man full of

rich immense experiences that need to be told while he still has the strength the ability in thoughts in speech and in writing to do so.

Tun has given Mr Mubarakchan a special space here, his freedom to express as he wishes as Tun believes in his causes. Mr Mubarakchan must be one of Tun's trusted friend. So if we respect Tun, please respect Tun's friend too. That's all I want to say.

Mr Mubarakchan and everyone can just ignore this but I say this sincerely from the bottom of my heart. And I do have great respect for people with vast knowledge like all of you here.

Thank you Tun. Thank you all.

May Allah Bless you Tun and everyone here Always. Amin.

Salam Tun,

DSN said "we will get answers", and "the wrongdoings will be dealt with in accordance with the law". To my understanding this 1MDB is his brainchild and he is responsible for all the 'kaluts', the dirty linens, and the big ? in 'find me (\$RMbillions) if you can' and 'how I (RMbillions) got into his bank account'. Isn't he DSN@1MDB?, same person, same entity?

He makes it look as if he is not the player but the victim. Nice strategy. He's good in conning, in twisting facts to make it look like sabotage. The key players are his trusted aides. His hands are clean. But facts are pointing at him. If he thinks he has done nothing wrong, come forward and face all Malaysians, (not only Umnotizens) and the whole world, tell exactly what transpired till it became so obnoxious. We are waiting.

The showdown is off! Sian si keruak, he is so excited but then came along pak speaker merajuk 'if you two go on I quit'. Pasa kesian pak speaker nanti tak dapat duduk kerusi empok, they surrendered to his whinings. Good job pak speaker kalau tak malulah those two sebab tak cukup latihan. Atau pun ada yang takut tersilap cakap tersasul habis rahsia terbongkar. Kalau dah tak berani cakap je la. Ni belum kaji betul2 boleh ke tak dah canang satu dunia..dunia pun perhati tindak tanduk you all.

Tun, tuan2 menteri sekarang ni baik sungguh suka bagi nasihat2 pada rakyat Malaysia bagaimana nak urus kehidupan yang bahagia. Suruh bangun awal2 pagi, suruh makan kangkong, suruh guna internet yang slow, suruh masak sendiri bawa bekalan, suruh jimat cermat tak payah buat kenduri kahwin di hotel2 etc etc.

Tuan2 menteri, semua tu kami dah buat dari dulu lagi semasa mula2 kerja dari remaja hingga dah beranak pinak. Apa kata tuan2 menteri buka satu kementerian..Kementerian Beri Nasihat Percuma Bagaimana Hidup Cara Murah Mudah Dan Senang Dalam Negara..nak pendekkan up to you, tuan2 menteri. Fungsinya supaya senang rakyat Malaysia dapat berhubung dengan tuan2 menteri bila hati rasa bingung macam mana nak urus hidup cara murah dan efficient.

But I just got to say this, dear TPM bila makan ikan harga rm1200+ tu ingatlah kami sama ye yang makan kangkong.

Tun, come next ge I'll wait and see their next move, if they remove you from Umno, if they touch you in any way they can say bye2 to my vote, to any components in bn, Umno cannot win in my area. But it also depends on you, Tun. If you still believe in the party you once lead than those who trust Tun and believe in your untiring efforts in saving Malaysia from further downfall, should join Tun hand in hand in making sure Umno is free from being infested with corruption, arrogance, egotism, snobbish, cowards, fist-mighty, big-shots, etc etc.

These are just my expression of frustrations to those sit in high office who let down the people's trusts. They are suppose to serve the people not to themselves, people comes first themselves last. Another thing Tun, is our economy really intact as they say? Why is it then his brother said our ringgit is plunging and our economy is slowing down? He urge the gomen to explain the issue. Now if this person of his statue thinks so than what do ordinary people like me know? The gomen should not lie and gives false news on the real state of our economy. This is bad management. Maybe they don 't have the expertise. Maybe they're not the right persons to hold office.

I asked Tun because my son could not get a single company to do his practical, the reason they gave was the economy is teruk, even though he said he just want to do his practical without any allowance. This is really bad Tun. What if after graduation there's no job for my children, do they have to compete for jobs from the 1.5million bangladeshies that TPM loves so much? May Allah save my children from discrimination, from non citizens of Malaysia.

Tun, we cannot let our children merempat in their own country. Something must be done quick to rectify this situation.

Tun, whatever you're going to do please don't neglect your health. Allah knows best. May Allah Bless you Always. Take care Tun.

What is so annoying about the fact THAT YOUR HERO LEE KUAN YEW HAS 42 FAILED POLICIES AS COMPARED WITH OUR BELOVED TUN DR MAHATHIR MOHAMAD WHO HAS NONE ?

Mubarak Chan – it is very annoying because you are repeating the same “facts” at every post like a broken record ad nauseum. What has this post got to do with LKY? Yes, Singapore is a failed state. Do you have to keep repeating it? Singapore is such a failure with 42 failed policies and Malaysia is such a successful country with RM42 billion brilliant policies. That is why the Singapore Dollar is in such deep shit with exchange rate MYR1 = SGD3.06 That is why Malaysia per capita GDP is USD82,800 is compared to Singapore’s miserable USD24,700. That is why Singapore is a one-street third world country with the worst education, while Malaysia is a first world country with first world universities.

Yes, we all know Malaysia is very successful with all the best policies, while Singapore has 42 million failed policies (in line with your practice of increasing the number of failed policies with each of your new post.)

Yes, everyone knows your facts, which you have polluted all over this blog. How about giving it a rest? How about respecting Tun’s blog by not dragging in the dead LKY in every single post and topic?

May your facts rest in peace.

However please note that I will always comment based on our “ Sovereignty, National Interest, Self-esteem.” and my life-long support for our Yang Di Pertuan Agong, the Royal Sultans, our Prime Ministers, UMNO and other iconic national institutions, our cherished Constitution etc.which made us GREAT !

Lest we forget, we all have come a long long way from the distant past of centuries ago.

I will not be personal in my remarks when I defend myself with the facts. Hopefully, my friends will do likewise.

I am not anti-anyone, Singapore, Singaporeans, LKY etc. I am only anti-LKY the 42 failed Policies especially those affecting our beloved Malaysia.

Pilihan raya akan datang saya dah tak nak undi umno lagi, kebodohan menteri2 sekarang termasuk najib dan speaker dewan telah melemahkan semangat saya. Saya tak dapat brim dan tu hidup seharian kena gst, saya kena bayar income tax yang paling tak logik bila harga rokok naik mendadak 3.30 katanya duti kastam, kilang rokok dunhill dalam malaysia. Jika harga minyak dunia naik masih boleh di terima.

Raan dahlan bongok bolehlah suruh masyarakat bangun pagi pagi untuk elak tol sebab gaji dia besar, apa dia rasa?.bodoh punya jawapan, sama dengan ahmad maslan masak mee goreng dengan najib. Gaji kamu semua berbelas ribu, rakyat?

Agreed Mr Mubarak Chan.That is why we have the role of Agent Provocateur and Provocateur Impression.I will let you know a little secret of confidential military nature..

In Lahad Datu or everywhere in the contention in Malaysian disputed territorial right that lead to bloodshed,there is thing's that civilian would not understand.

eg In Lahad Datu some time ago the radar showed numerous boat and sea craft but none is visible to naked eyes..My friend told me the how..HOW ARE WE GOING TO SHOOT THE INTRUDERS??

And the public cried that our security forces are lackdaisical..)

[Beyond this, the scandal blooms but before this there would have been no scandal]

Spoken like a true gentleman that you are..:)

Something have to starts somewhere..

[And we do not expect a Prime Minister or a President to pick up the phone to buy and sell in billions worth of ringgits or US Dollars. Then, who did ?]

It does not matter who did..

The pertinent question is..
WHO?..

WHO MUST SHOULDER THE RESPONSIBILITY???

Thank You Mr Mubarak Chan.

Sebenarnya Malaysia perlu lebih rami Anak Mami Islam
Berkecimpung Dalam arena Politik
Anak Mami maksudnya India Keberanak Islam seperti Tun Mahathir

Ini Bukan nak menggunakan Atau menjatuhkan Melayu
Ini satu Kenyataan Yg Tidak perlu kita sensitive untuk menerimanya

Dalam Semua PM Malaysia Bermula Malaya Tidak ada satu pun Pemimpin Melayu
Yg Begitu Padat Dan Kuat

Dalam akidah Islam juga Kita perhatikan u at Islam India
Lebih Menjaga Hukum Islam dari Umat Melayu Islam
Sebagainya contoh ramai kenalan saya Yg Melayu semasa Puasa
Hanya berpura puasa sahaja .Lebih saya lihat Ketaatan pada India Muslim walau tak Semua

1. Setuju dengan kenyataan Faradina tentang menteri-menteri "bengap" dalam kabinet Najib.
2. Tidak kisahlah mereka dari negeri mana, asalkan bijak buat kerja, mengeluarkan kata-kata yang cerdas dan gred A.
3. Bagi saya nampak jelas Najib mengutip menteri-menterinya dari kumpulan kelas C-.
4. Dato Seri Shafie Apdal yang nyata berfikiran kelas A dan disayangi rakyat Sabah diturunkannya, satu kebodohan dan tamak kuasa Najib.
5. Faradina dan kawan lain-lainnya, kita tunggu dan lihat apa sudahnya nasib Najib dan menteri harapannya pada PRU14...
6. Yang sedihnya kerana PM yang bod*h inilah UMNO/BN akan terima nasib yang terhina pada PRU14 nanti.

7. Apa nak jadi jadinya asalkan saya serta keluarga sekitar 10 orang akan memberi undi kepada PAS atau tidak mengundi.

Assalamualaikum Tun,

Saya cuba membayangkan bagaimana sepatutnya sebuah negara demokrasi berfungsi apabila berhadapan dengan skandal 1MDB dan isu derma RM2.6 billion.

Sepatutnya apabila skandal ini mula-mula berlaku, Majlis Tertinggi UMNO diketuai oleh Timbalan Presiden meminta penjelasan penuh dari Presiden tentang apa yang berlaku. Wakil-wakil rakyat BN juga akan beralih sokong kepada TPM sementara siasatan penuh dijalankan. Najib sepatutnya direhatkan sehingga perkara sebenar dapat diketahui oleh satu taskforce.

Jika didapati ada unsur-unsur jenayah, maka Majlis Tertinggi dan wakil rakyat BN akan menyokong

penuh TPM sebagai pengganti Perdana Menteri. Di mana-mana negara yang mengamalkan demokrasi, inilah yang sepatutnya berlaku.

Oleh itu, saya hairan kenapa di Malaysia perkara ini tidak berlaku? Sebaliknya Majlis Tertinggi menyokong penuh Presiden Parti. Sebaliknya Timbalan Perdana Menteri pula yang dipecat. Pemimpin-pemimpin UMNO yang telah mencurahkan seluruh kehidupan mereka untuk berbaki kepada agama, bangsa dan negara seperti Tun, Ku Li, dan Tan Sri Sanusi telah diletakan dalam senarai mereka-mereka yang mungkin dipecat dari parti.

Mengapa pemimpin-pemimpin yang cuba menegakan kebenaran pula yang dihukum dan dilabel pengkhianat sedangkan pemimpin dipersoalkan integriti dibiarkan bahkan disanjung siang dan malam?

Jelas ada yang tidak kena dengan sistem kita ini. The system is not working as it suppose to.

Kenapa?

Saya berpendapat ini kerana pemimpin-pemimpin UMNO sekarang masih percaya bahawa mereka akan terus memerintah Malaysia dulu, kini dan selamanya. Hakikatnya, UMNO tidak pernah kalah dalam pilihanraya umum (PRU). Pemimpin-pemimpin UMNO merasakan asalkan mereka dapat sokongan orang-orang kampung, Sabah dan Sarawak, mereka akan terus memerintah Malaysia.

Saya melihat penyakit yang kena kepada pemimpin UMNO sekarang ini, samalah penyakit yang kena UMNO Selangor di bawah pimpinan Khir Toyo dulu. Pemimpin UMNO Selangor dulu begitu sombong dan bongkak. Mereka bukan sahaja sombong, bahkan memilki kereta mewah dan rumah-rumah yang besar. Kemuncak kesombongan ini ada kes apabila penyapu diberikan oleh Khir Toyo kepada Penjawat Tempatan yang gagal mengutip cukai pintu.

Selangor dulu kubu kuat UMNO. Dahulu pemimpin UMNO selangor begitu mendabik dada bahawa mereka akan terus memerintah Selangor. Namun, apakah yang terjadi sekarang?

Selangor kini menjadi kubu kuat pembangkang.

Selepas terkena kejutan ini, barulah saya lihat perubahan-perubahan pada pemimpin-pemimpin UMNO Selangor. Mereka tidak lagi bongkak, tetapi amat mesra kepada rakyat. Tetapi nasi sudah jadi bubur. Sekali rakyat beralih arah, bukan mudah hendak dapat kepercayaan rakyat itu kembali.

Demikianlah halnya dengan UMNO secara amnya sekarang. Mereka mendabik dada bahawa mereka akan memerintah Malaysia walau apapun kesalahan yang mereka lakukan.

Hanya dengan kalah dalam PRU, barulah mereka sedar pentingnya tidak membuat kesalahan sehingga membuat rakyat benci dan marah pada mereka.

Itulah sebabnya Najib masih mendapat sokongan UMNO. Kerana mereka yakin UMNO akan selamanya memimpin Malaysia.

Kalau mereka tahu, jika mereka salah, mereka akan terima padahnya dengan kalah pada PRU, saya yakin mereka tidak akan mendabik dada seperti sekarang ini.

Kita perlu terima hakikat, UMNO sekarang tidak seperti UMNO dulu. UMNO sekarang adalah semata-mata untuk Najib. Saya dari dahulu lagi adalah sokong UMNO. Tetapi saya sedar, UMNO dahulu yang berjuang pada agama, bangsa dan negara sudah tidak wujud lagi. Yang ada, adalah UMNO adalah untuk Najib atau "I love PM".

Murah ceritanya. Murah. Lagipun debat dah batal. Salleh Keruak kata dia bukan penganjur, cuma peminat (yang difahamkan maksud).

Lagipun Arul Kanda dah tersepit dalam permainan politik. Arul Kanda adalah saksi utama 1MDB dan Jho Low cuma 'personaliti' dalam siasatan PAC seperti kata Rompin.

Sampai satu masa mungkin akan ada maklumat akan bocor dari mulut Arul Kanda sendiri.

Mungkin.

For ilioni. You mean a historian cannot write that Hitler was a bad guy because he is dead. This is no excuse for Hitler to escape punishment for what he did.

What is so annoying about the fact THAT YOUR HERO LEE KUAN YEW HAS 42 FAILED POLICIES AS COMPARED WITH OUR BELOVED TUN DR MAHATHIR MOHAMAD WHO HAS NONE ?

This proves beyond reasonable doubt that our beloved Tun Dr Mahathir Mohamad, a Malay, is a Great Statesman of the World for his efforts in creating the 3 million families Malay Middle Income Group which up-lifted the 3 million families non-Malay Middle Income Group by the purchases of the goods and services of the latter by the former.

IF I DID NOT DISCOVER THE 42 FAILED POLICIES OF LEE KUAN YEW AS COMPARED TO THE SUCCESSFUL PRIME MINISTER-SHIP OF OUR BELOVED TUN DR MAHATHIR MOHAMAD, A MALAY, SOME OF US WILL STILL THINK DUE TO BRAINWASHING THAT LEE KUAN YEW IS A SUPERMAN AND A GOOD GUY.

Assalamualaikum Ayahanda Tun,

Hakikatnya kebanjiran menteri-menteri bengap dalam kabinet 1MDB hari ini adalah tidak lain tidak bukan bagi menjamin survival Najib.

Tidak pernah dalam sejarah Malaysia komposisi menteri yang sangat tinggi diperuntukkan untuk Sabah dan Sarawak.

Bayangkanlah Sabah memegang rekod melahirkan seramai 6 menteri kabinet dalam satu-satu masa mengalahkan Johor kubu kuat UMNO dan Barisan Nasional.

Sudah pasti negeri-negeri di Semenanjung dapat melihat permainan Najib yang terpaksa mendapat talian hayat dengan mengutamakan Sabah dan Sarawak yang disifatkan simpanan tetapnya.

Faktor ini menyebabkan menteri2 khususnya dari Sabah berasa besar kepala kerana kelangsungan pemerintahan Najib bergantung pada mereka lantaran keluarlah kenyataan2 separuh masak dari menteri2 segera!

Apa istimewanya Salleh Said Keruak yang terpaksa dilantik menjadi senator untuk diangkat ke Pusat melainkan untuk menyekat pengkritik Najib di media sosial dan elektronik serta berusaha untuk mempromosikan Najib melalui semua saluran yang ada.

SSK juga dikutip Najib kerana kelantangan mengkritik dan mencemuh ayahanda Tun satu ketika dahulu itu sahaja dan mengidam untuk ke pusat sementelah dia hanya berpeluang menjadi KM Sabah 2 tahun sahaja.

Anifah Aman pula hampir merajuk walaupun abangnya Musa Aman KM Sabah tetapi sebelum ini dia hanya jaga Persatuan Bolasepak Sabah. Menteri ni jugalah yang pernah mengeji ayahanda Tun berhubung laporan berita luar negara. Dia ni jenis perasan hensem dan boleh tahan miang tahap buaya darat dan cakap omputih merapu lebih.

Rahman Dahlan pula perasan macam dia good2 aje tambahan dilantik Pengarah Komunikasi & Strategik BN dan sesi soal jawab di TV sekali je kenapa tak buat lebih. Dia nilah dengan bangga beritahu secara live di TV apa pasal tak percaya PM boleh dapat derma 2.6billion dari Arab kerana katanya ada putera arab pun nak derma duitnya yang berpuluh2 billion. Tapi tahukah dia putera arab tu meletakkan syarat2 tertentu sebelum menderma antaranya untuk tujuan kebajikan, pendidikan dan kesihatan yang semestinya NGO dan ada had2 tertentu dan bukannya senang2 nak bagi derma pada INDIVIDU! Yayasan Bill Gates pun ada syarat2 ketat sebelum menderma untuk pembasmian penyakit tertentu dan paling penting ianya dibuat secara telus dan TIDAK BERSELINDUNG!

Ahh rasanya dah penat mengulas semua ini sedangkan ahli2 UMNO telah menghalalkan cara Presidennya atau matlamat menghalalkan cara. Kau dapat banyak aku dapat sikit jadilah tak gitu Bang Shahrir 1Million dollar man dan adik Mat Maslan 2Million dollar man. Datuk Yusuf Haslam tak payah tunggu duit derma pun dah boleh mengalahkan kau orang berdua dan tandingi Six Million Dollar Man rancangan TV masa kecik2 dulu.

Bikin malu bangsa Johor je dahlah kuota menteri Johor jatuh merudum nanti kalau TSMY jatuh kau orang pun akan jatuh sekali dalam PRU 14!

Wasalam Tun.

For wajaperak. I am amused that you deemed it fit not to reply at the basic level which is what you said on Nov 2 2015 6.00 pm but to create additional levels of argument. For simpleness, I suggest we stick to the basic level which is what you said

' I BELIEVE MR MUBARAK CHAN IS REFERRING TO CERTAIN LADY BY NICKNAME FLOM OR WAS IT FLOP ? THIS IS A CLEAR CUT CASES OF BAD GIRL RUNNING WILD !'.

You said it. I did not say it. I invite all Bloggers to view this interesting statement not by me. IT IS SELF-EXPLANATORY.

Your statement mentioned above was in reply to what I have always said,

" I STILL SAY THAT THE CLOSEST AIDES ARE RESPONSIBLE FOR ALL THE MEGA SCANDALS AND MISLED THE BOSSES.'

The reason is because in every Project there is always a point of no return. Beyond this, the scandal blooms but before this there would have been no scandal. And we do not expect a Prime Minister or a President to pick up the phone to buy and sell in billions worth of ringgits or US Dollars. Then, who did ?

In his First Volime of his biography, Lee Kuan Yew mentioned how his butler picked up the ball for his kids while he enjoyed tea with his wife on the Istana lawn one lazy afternoon.

I will not comment on this subject anymore as it is only my personal opinion.

Salam YAB dan Yang DiKasihi Tun,

1. Kelakar betul bila baca (secara rambang saja sebab tidak berbaloi baca tulisan merapu yang asyik terkeluar topik) tulisan dari bloggers tajaan parti rasis Malaysia. Yang lagi kelakar, yang menulis bertukar-tukar orang walaupun pada mulanya nyonya Cina yang mula2 guna 'pseudonym 456' tersebut.

2. Kelakar betul sebab kononnya mereka bukan ahli mana2 parti! Pengecut? Orang yang pengecut biasanya suka bermuka-muka (munafik) sebab tidak mahu orang tahu siapa mereka sebenarnya. Tapi dari penulisan, ternyata mereka ini anti Islam, anti Melayu, anti UMNO dan anti Kerajaan BN.

3. Yang lagi kelakar, mereka mahu PM Najib @ Ah Jib Gor terus jadi PM sebab senanglah nanti untuk mereka tumbangkan BN/UMNO pada PRU-14.

4. Jika mereka ikhlas berpolitik / berjuang untuk kebaikan rakyat Malaysia, mengapa mereka mahu PM Ah Jib Gor terus jadi PM? Adakah mereka suka ada PM yang KORUP dan MENYALAH-GUNA KUASA? Maksudnya, mereka tidak kisah ada PM yang korup, asalkan hasrat mereka untuk berkuasa berjaya. Dan jika pemimpin2 mereka korup dan menyalah-guna kuasa, mereka pasti diam membisu saja (lihat saja bagaimana mereka bermati-matian mempertahankan pemimpin2 mereka yang korup dan bermoral rendah), sebab mereka bukan kisah pun tentang prestasi dan kelakuan buruk pemimpin2 mereka; yang penting mereka berkuasa dan orang Melayu/Islam boleh mereka tindas dan jadikan boneka seperti yang mereka lakukan di negeri2 yang mereka perintah. Saya tinggal di negeri terkaya di Malaysia yang diperintah oleh Pembangkang, tapi kualiti hidup makin merosot.

5. PAS pula kata akan sebulat suara menyokong (tidak menolak) Bajet 2016. Ini pun kelakar juga! Konon mahu menasihati UMNO/BN dalam pelbagai isu! Tapi belum apa2 gaya mereka sudah seperti Pak Turut! Dalam PR pun mereka jadi Pak Turut saja! Kasihan betul! Hudud di Kelantan bila agaknya akan dilaksanakan? Atau sekadar dijadikan isu politik untuk dapat undi?

Terima kasih Tun.

As Salam Tun

Sosma is likened to ISA. The interpretation is loose. So, any Attorney General and Judges may interpret as what are and much worse, conflicted each other. The sad things were the accused need to go to court and to another court just to get right lawful interpretation. It will take times until suddenly one heck of court said there were no case or send the accused for 15 years.

SOSMA to said is in limbo.

Those has been charged like Dato Khairuddin and Matthias Chang were clearly victimised and injustice were served to them.

What we can do?

Mostly nothing unless the pressure from the ground must go on and on until majority of the people understand that this Government of Malaysia practising double standard.

The media, now so called social media need to meet the people and to explain that sources from social media is also viable and can be account for.

One blogger need to call all of his followers in a cordial place and informed that the events happening in Malaysia were real.

Sometimes, when the social media read something, they tends to forget the event once they closed off the computer/hand phone.

It seems that they the social media user wanted to know but they didnt realized what would happened next.

For Bersih 4, they went down to see the social media user, campaigning of get together campaign and they have successfully grouped to almost half a million people in Kuala Lumpur.

But for this SOSMA, 1MDB, SRC INTERNATIONAL, GST, PETROL INCREASED, TOLL INCREASED, INSURANCE INCREASED and a name all kind of taxes, its increased. The social media operator need to go down now see face to face with his followers and explained that the events happening surrounding Malaysia is happening and not part of his dreams. Action need to be taken as and when decided.

People need to understand that reporting by the Government has always been one way affairs. People need and alternative news and they may decides whatever they believed in aftermath.

Fighting this 'war' against corruption and slander were much as difficult as fighting the Israeli in Arabs.

We are gonna to loose every time but the fight must go on.

Thank s Tun.

Undi tak percaya pun tak jalan, macam mana. Parti2 politik asyik pentingkan diri sendiri.

Hari ini harga rokok naik lagi, tak lama lagi minyak naik lagi, tol dah tentu naik, GST kena lagi. So yang paling tidak untung rakyat jelata.

Bursa pulak dah ada desas desus public listed companies nak take company private. Mana taknya business kurang, ringgit jatuh, nak service loan pun dah tak mampu, harga saham pulak makin merudun.

Memanglah bursa dan investment banks dok cari jalan tarik investors, tapi yang masuk ramai traders bukan investors, orang takut duduk lama, satu hari masuk, CABUT!

Walau majoriti rakyat tak percaya sama N tapi ahli2 politik percaya pulak, so lagu mana.

Kalau salah tolong diamkan!

Dua tiga Najib belari
Mana nak sama Rosmah menari
Dua tiga FBI cari
Lawan Najib kena gari!

Tepuk amai amai

Kita sembang ramai ramai
Najib tak berhenti menipu!

Lawan Najib cerita kedai kopi
Nanti Marah Rosmah macam sapi
Tengok Najib angkat topi
Dia lalu, semua ke tepi.

Kita cerita pasal 1MDB

Buka mulut, polis tubi
Di panggil bangsat, dimaki babi.

Dari pagi Najib, Najib
Dengar nama sudah wajib

Salam Tun,

I believe the The Laws are in his grasp, he is untouchable..for now, he is so so protected that he truly believes nobody and nothing can bring him down. But for how long. Only time will tell.

Tun, don't despair if things do not go your way now. Never give up hope in your fight to put Malaysia

back in her respective place, to give her a better respectable honest leader to guide her. She needs a leader who respect the laws and not abuse the laws and not use the laws at gunpoint to the people. Laws are set to guide the people what is right and wrong. But sometimes people who are so knowledgeable in the laws do not follow but abuse and misused the very laws they set.

During my schooldays at every monday assembly, we had to read out our school motto and the sacred Rukun Negara. Shouldn't every lawmakers do the same thing cos as we grow older we tend to forget the 5 pillars and its meaning. When power, wealth, rank and vast knowledge consume our humanity, our sacred pledge will be eroded bit by bit in heart and mind. Ego takes its place instead.

Tun, there are people who says you are playing the same record, the same tune. Never mind them, Tun just go ahead and do in what you believe to save us and the future generations of this country. They may not realise it now but they will soon know your sincerity in your endless efforts to make this country a better place than it is today.

Alhamdulillah, Allah has given you a long flourish life...why? You, and those your angkatan, are living examples for us to follow..or not. Your experiences, your hardships, your stories, your goals in life, how you overcome and endure them are for the younger generations to learn to become a better person or future leader. My father is now 91years old and Alhamdulillah he's still alert like you, and of course sometimes he tells us what he has already spoken. Men and women of great age, like you and my father, feel it is their obligation to repeat their stories over and over again cos there might come a day when they might not be able to tell, to talk, to speak, to write, as most people tend to forget what was told to them before. Be patient with them, respect them, let them be, cherish them while they're still with us.

Cherish your long life, Tun and never allow anyone to say 'stop, Tun go sit on your lazy chair and enjoy life'.

Tun, you must know by now your purpose in life. Nobody needs to tell you, you already know. What is this..a debate without an audience and so many donts!. So low, lower than a high school debate. What is there to be afraid of? Malaysian audiences so rowdy one ka. Get hold of the men in greens browns blues to stand guard. Must be boring one la. Waste of time, no purpose what so ever. If there is Q&A from the audiences than it's worth watching. Are they afraid you might come? Are they afraid they don't have answers to your questions or they're afraid of your answers? When will there be a face off between you and whoever they choose to be your opponent?

Why rtm not call you, Tun to their talk show? Hands tied maybe. I can understand if they cast away the oppositions..but Tun, the once PM of Malaysia who brought Malaysia flying her flags all over the world. Shame to those who are so afraid of an old man.

Never mind, Tun you are not alone. Allah knows best. May Allah grant you great wealth in health. May Allah Bless you Always. Take care Tun.

Let's see how to steal by revaluing land which was acquired at dirt cheap prices, and selling them at market or above market prices.

Year 0 B/S (Balance Sheet or Bull Shit whichever is applicable)

Assets

...Cash.....RM1 billion

Liabilities

...Loans & Borrowings...RM0 billion
Net Assets.....RM1 billion

Year 1 B/S

Assets

...Cash.....RM40 billion

...Land & Properties....RM3 billion

Liabilities

...Loans & Borrowings...RM42 billion

Net Assets.....RM1 billion

Year X B/S

...Cash.....RM0 billion

...Land & Properties....RM93 billion (same properties but revalued upwards)

Liabilities

...Loans & Borrowings...RM42 billion

Net Assets.....RM51 billion

Now, notice that the RM40 billion cash has disappeared. Just by revaluing those land acquired cheaply, it is possible to push up the total asset value and net asset value. Notice how 1MDB keep saying that they have enough assets to offset the liabilities. The key question to ask is not whether the Fund still has positive equity, but whether assets (cash) have disappeared. We require not only the B/S & P&L, but the Consolidated Statement of Cash Flows.

Put it simply, it is not enough (through robbing Peter to pay Paul) to show that there is positive NAV and "profit", but where those "profit" came from. Without the cash flow statements, it is bullshit to say that the Fund, say, made a profit of RM20 billion. With land acquired at such friendly prices, the Fund could conceivably have made RM60 billion profit, but with RM40 billion of those profit having disappeared into black holes.

Your hero Mr Lee Kuan Yew went into the bottom most non-college by the back-door. He was over-aged and did not have Latin. He did not take the Open Entrance Examination.

Your snide remarks that I had a gilded life is ABSOLUTELY WRONG. I took the Open Entrance Examination into the best College with 100 marks for 4 subjects in 9 months. I had no Raffles College education immediately after the War. I just slogged through. I competed with 154 undergraduates, the best from the United Kingdom. Facts are facts, isayso. As a result, the Chaplain, Dr Raven, to the Queen at Windsor Castle recommended me to his own College of which he was the Master and Vice-Chancellor of the University of Cambridge.

isayso. I have no quarrel with your Opposition's opinion. I always present the facts. No personal attacks on others. It is not my cup of tea. I respect the views of all only if they DO NOT INDULGE IN PERSONAL ATTACKS. I ask you one question isayso

WHY THE OPPOSITION PKR WHICH YOU REPRESENT SINGLE ME OUT FOR THE TREATMENT ?

What has the crooked conman and Dictator Lee Kuan Yew (1959 – 2015) got to do with you, a Bumiputra of our beloved Malaysia and the PKR ? And what has my personal background do with PKR and you either ?

My comments had always stuck to the 6 subjects which I mentioned previously. No personal attacks on you or PKR.

Your intervention on behalf of the crooked conman and Dictator Lee Kuan Yew (1959 – 2015) is far too late. His inheritors have already changed some of his Failed Policies.

OUR BELOVED TUN DR MAHATHIR MOHAMAD IS NOW PROUD AND STANDING TALL SMELLING OF ROSES !

DO NOT TELL ME THAT THE GREAT OPPOSITION PARTY PKR HAS NO MORE WORTHWHILE SUBJECTS TO ATTACK ? BUT TO ZERO IN ON A NONENTITY LIKE MYSELF ? If you are serious after I am around since September 2015, then I must have done some good works for the deserving personalities of our beloved Malaysia.

WHY ARE YOU SO UPSET WHEN I STILL SAY THAT THE CLOSEST AIDES WERE RESPONSIBLE FOR ALL THE MEGA SCANDALS AND THEY MISLED THEIR BOSSES ?

Please do not set me up as an object of hatred by the PKR. I am not worthy of this honour. Besides, how can you attack someone who does not attack PKR ? And you attack me because of the facts on Mr Lee Kuan Yew (with due deference to you). Stranger than fiction, isayso ! Stranger than fiction.

Mubarakchan,

I STILL SAY THAT IT IS THE CLOSEST AIDES WHO CREATED THIS MEGA SCANDALS BY MISLEADING THEIR BOSSES. Go and check.

ANYONE WHO ATTACKS ME ON THIS DISTINGUISHED BLOG IS A HARD-CORE OPPOSITION MEMBER like wajaperak, isayso, etc.

Yeah, yeah. Whatever.

I think it will do you good to take balance's advise to stop acting like you are the smartest man in the room. With your gilded upbringing, great education out of Cambridge and great achievements in life, why is it necessary for you to proclaim only you have the facts and any person who has the audacity to challenge you is a member of the opposition, a PAP worm or under the payroll of the Ministry of (Mis)Information, Singapore, excetera excetera? Everyone comes to this blog to comment freely. We can disagree and I won't sue you for calling me a member of the opposition.

The only thing I have said in this blog in relation to Lee Kuan Yew was I am thankful that there are at least 42 failed policies or else the Singapore dollar may be stronger than it is today. Oh how the food and entertainand sex industries in Johore must be hating LKY. If not for the 42 failed policies Johore Bahru will be enjoying a greater field day and night with Singaporeans Gone Wild.

I came to this blog because of Tun Mahathir's contention that there had been grand theft of the rakyat's money. I am just one of many Malaysian who do not believe in fairies and are looking forward to the completion of investigations by any credible institution so the guilty can be despatched to a gated and guarded community in Sg Buloh.

I did not mean Dato Seri Khairuddin and my fellow club member Matthias Chiang created a mega scandal. I was inferring that a closet aide has acted on his own and created a scandal by charging these two gentlemen with an act of sabotage. The AG acted without reference or brief or discussion with his master(s). What a courageous public official!

I have no bones to pick with five of the six subjects that you have spoken about from November 2011. That does not mean I agree with all that you say. It is just that I don't care whether you are right or wrong on these points. You believe what you want to believe. Period. **I do not suffer from LKY Derangement Syndrome. And I am not the one brainwashed by TiapTiapHari Kausikan.** But I am definitely in sync with the Indian writer who wrote that Tun Mahathir has a better/ kinder heart. Ops Lallang did not last that long and Chandra Muzaffar, himself a detainee, has backed Tun's statement that it was a police operation. The detention period was short. By contrast, LKY could lock someone up on Sentosa Island for years and years. That is cruelty. LKY deserves to die and he is.

My beef is simply that the RM42 million and the RM2.60 billion is not a matter of closet aides gone wild. I do not believe in fairies, hence I do not believe the donation claim.

Normally I would simply skip over what you write unless it is directed at me. No disrespect to a highly educated man with great intellect but I care not for the endless repetition of the same yarn you dish out all the time. This time though, as advised by your goodself, I did go and check what you have written in the previous post and found an offering of a TRUE AND SOLID FACT in support of your 'closet aide theory'; your account of your 'ouster' from the Board of Cycle & Carriage Group.

I do not mean to rain on your parade, but why do you deem your ouster from the C&C boards to be so scandalous that it ranks as a true and solid fact of your 'closet aide gone wild (CAGW)theory'? You were on that board for a number of years, I suppose, and had been brought in for your special skills, so you tell us. Being the fighter that you are, steeled by an adventurous young life (snakes, or huge monitor lizard lurking around your young, tender feet, bullets whizzing past and bombs falling around you – you don't need to watch a Bond movie!) I am disappointed that you gave in just like that. Didn't you check with the puppet master whether the closet aide was acting on instructions when he yanked your chain? Could it be that your 'use by' date was simply up?

Nevertheless, on balance (no pun intended), I think you were right to quit the board post haste because a Chairman and closet aide who threatens to remove a non-executive director by means of an EGM demonstrates possession of extremely little between their ears, unless, of course your continued presence on the board would have prevented the property sales from going ahead. At the time of your resignation, the deals had not been announced, right? So what reason could the C&C board offer to the shareholders in support of the resolution to boot you out? Was it really necessary to get rid of you so they could sell the prized assets? You mean the Board could not stomach even one dissenting vote? And how would the public have known of your dissent had you remained on the Board and voted no to the shenanigans?

The Companies Act does not require a company to have a public tender of the assets it chooses to sell. Private deals are not unusual. When Sime Darby's Consplant (or maybe it was Taiping Consolidated) sold the land to the Paremba group (Tun Daim, Tun Mahathir's sidekick) to build what is now The Saujana Gold & Country Club, was there a public tender? No man. I can't remember any land sold by public tender. I should, if there was any, as people at my low level deal or spin with the nitty gritty – the professional valuers, the advising merchant banks, etc. All brought in to churn out the standard reports for a fat fee and the only work they seem to do is change the name and address on a standard photocopy of the report they are issuing. Professionals Boleh!

The Board is a collective group you have sat with for years but you do not trust them to make a proper decision whether to proceed with selling the prized assets and whether a public tender is the best way to do it? The KLSE and the Securities Commission would have required a professional valuation and approval of the shareholders in general meeting for what must have been a significant transaction. Do you mean to say all these checks and balances could not prevent the sale of the properties to a friend on easy terms? So what does that say about UMNO's rule of this country's affairs? A bunch of nincompoops? How then to prevent another Humpty Dumpty?

You have to try harder harder with another example of CAGW to support your theory.

2. In 2008, he had sorted out the 32 Aduns BEFORE and NOT AFTER the 12th General Elections, he would have been the Prime Minister since 2008.
3. In 2013, he and his erstwhile friends had checked into the 1st Class Ward of the General Hospital and called a 100 day fast (not even Gandhi could last this long) and boycotted the 13th General Elections in full glare of the international media. For isayso and wajaperak – Members of the Opposition.

For your information and edification, I am here in this distinguished Blog since September 2011 for the following reasons and to present the facts in support of my factual comments.

1. That our beloved Tun Dr Mahathir Mohamad is a Great Statesman of the World. Vide My facts in support and comments of Nobel Prize winner Amartya Sen and famous journalist TJS George of Mother India.
2. That as a citizen of our beloved Malaysia I am duty bound to contribute whatever to make our iconic institutions stronger eg. our Yang Di Pertuan Agong, the Royal Sultans, our cherished Constitution, our iconic UMNO, national agencies, our communities etc. Hence, my latest view on security converges with Bilahari Kausikan and his dysfunctional elites as published in the non-delusional opus with the delusional title, " Singapore is not an island." even though it is after the recent departure of your hero Mr Lee Kuan Yew. (Mr is in deference to both of you)
3. That your hero Lee Kuan Yew is no demi-god but an ABNORMAL person who committed 42 Failed Policies despite the fact that he was a brilliant Double Starred First in Law from the University of Cambridge.
Vide. <http://chedet.cc/?p=464>. Now China has to dismantled its One Child Family Policy as well after the Singapore disaster. Who copied whom we have yet to find out ?
4. That our beloved Tun Dr Mahathir Mohamad in comparison did not create a similar palette of 42 Failed Policies. He created 3 million Malay Middle Income Families without strife and rancour which uplifted the 3 million non-Malay Middle Income Families by purchasing the latter's goods and services.
5. That the GLCs should be distributed in conformation of the promise by the Government Policy to create big Bumiputra businesses in a small country.

6. That the closest aides were responsible for all the mega scandals by misleading their Bosses that things could be done with no problem.

From September 2011 to November 2015, I kept within the parameters of these 6 subjects. I never mentioned any names.

I was determined to be iconoclastic to the generally accepted demi-god because the facts did not jive with the fiction. And I knew some Malaysians are naive, gullible, friendly and hospitable.

AT THE END OF THE DAY, OUR BELOVED TUN DR MAHATHIR MOHAMAD NOW STANDS PROUD AND TALL SMELLING OF ROSES.

I have not veered one iota from my intended task within the 6 allotted subjects.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

Salam Tun

Semuanya yang berlaku dah sememangnya terang terangan untuk menyelamatkan diri "Pak Najis". Dah terbukti dah sangat sangat.

Dari buang orang...tangkap orang....pindah orang... semua tu dah cukup membuktikan Pak Najis yang sebenarnya yang mensabotage siasatan atas diri dia. Tak termasuk sembunyikan saksi... manipulasi bukti.. tangguhkan itu tangguhkan ini. Alahai tak kan orang tak faham lagi.

Yang terbaru, peguam dia keluar statement kata keberatan nak fail saman WSJ kat US sebab Najib tak dikenali ramai... Hahaha memang Maharaja Lawak tahap gaban. Kenapa tak kata jer sebab hakim kat sana tak boleh nak disuap dan perundangan kat sana tak boleh nak diSABOTAGE macam disini....kan senang.

Itu yang lutut dia mengeletar nak saman....
Suka hati le Najis oooooi..

Salam Tun.

1. DS Khairuddin dan Matthias Chang telah tersilap langkah kerana melaporkannya tidak secara rahsia. Dalam keadaan rakyat Malaysia sudah rasa tertindas dan bingung kenapa satu kesalahan yang dihalangi pihak yang berkuasa menjadi kebal.

2. Terkilan juga gaya Ds Khairuddin dan Matthias Chang melapor sesuatu dengan diketahui oleh orang-ramai dengan laporan akhbar bukan secara dirahsiakan untuk diketahui umum lebih-lebih lagi pihak yang akan didakwa.

3. Rimba Emas pernah berpendapat tiada jalan lain boleh dilakukan didalam negara kalau kita tahu ada kuasa yang lebih berkuasa dari undang-undang negara.
4. Pernah kejadian seorang yang bersalah di negaranya hanya berjaya ditangkap apabila dia dihakimi pihak luar yang lebih berkecuai. Sebaliknya semua dilakukan secara rahsia agar tidak dapat dikesan pihak yang bersalah.
5. Cara yang dilakukan oleh kedua-dua mereka ini amat bertentangan dengan yang diamalkan pegawai-pegawai penyiasat samaada dalam negara (Polis) atau luar negara contoh FBI (Amerika Syarikat).
6. Yang hendak didakwa sudah tentu melakukannya secara rahsia sebab itu mereka dakwa yang cuba mendakwa melanggar akta rahsia.
7. Bila susah untuk mendakwa seseorang yang bersalah bermakna pesalah itu telah mengebalkan dirinya dengan pertahanan berbagai cara. Sebagaimana adanya dakwaan terhadap seseorang itu dibawah satu akta ke akta yang lain pula. Semuanya dibuat untuk mematikan langkah seterusnya.
8. Jadi kita tahu langkah seterusnya hanya boleh dilakukan oleh seseorang yang boleh berahsia dalam tindakannya malah yang terbaik sanggup tidak diketahui pada pandangan manusia.
9. Ikhlas walau pun rugi di dunia tetapi ganjarannya besar disisi Allah s.w.t jika yang dilakukan itu adalah satu kebenaran.
10. Terimalah hakikat yang mendakwa dan yang didakwa akhirnya akan kembali kepada yang maha berkuasa untuk diadili seadil-adilnya hingga kebenaran akhirnya tertegak jua.

Wallahua'lam

Tun

For isayso and wajaperak.

My olde friends now come after me personally with vengeance having lost their uninvited arguments with me in previous comments.

Their comments are not only personal but putting words into my mouth as well HOPING TO GET ME INTO TROUBLE. THIS IS VERY CRUEL AND VICIOUS TO DO TO A FRIEND.

Hey ! I am just a nobody who has no power to do both of you any harm. I am just the messenger presenting the facts on my discoveries of your hero LKY and your antagonists the closest aides.

You both Opposition Members missed your targets in your frustration and anxiety to win. You both took it upon yourselves to contradict my factual comments. This is your prerogative. I did not invite you to do so.

But to go on and on like this only show exactly what I have said about both of you, being personal and frustrated in the Opposition Politics you are involved in. Not me.

ANYONE WHO ATTACKS ME ON THIS DISTINGUISHED BLOG IS A HARD-CORE OPPOSITION MEMBER like wajaperak, isayso, etc.

The application of the age-old ' divide and rule ' which both of you wanted me to do which is say one Prime Minister is right and the other wrong is NOT MY CUP OF TEA.

MY CUP OF TEA IS THAT OUR ICONIC UMNO MUST STAND STEADFAST AND NOT BE CONCERNED WITH MISTAKES IF ANY AND MARCH UNITED FORWARDS FOR THE BETTERMENT OF OUR BELOVED MALAYSIA AND THE WORLD. Anything else lies with the Rule of the Laws.

isayso and wajaperak you may join UMNO at anytime.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

For wajaperak. Let us Malaysians be sensible and not be involved in emotions. Wild accusations will get you nowhere wajaperak. I am surprised at you. Stick to facts which can only be revealed in the Court of Law otherwise you maybe accused of libel and slander.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

Tun

For isayso.

Dato Seri Khairuddin and Matthias Chang did not perpetrate any mega scandals.

My olde friend from Sime Darby please do not twist facts. In any scandals there are layers and layers of duties and responsibilities as you are aware having worked in Sime Darby.

I am referring to the very top not at the level you are spinning about.

I STILL SAY THAT IT IS THE CLOSEST AIDES WHO CREATED THIS MEGA SCANDALS BY MISLEADING THEIR BOSSES. Go and check.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO CAN BOLEH !

What matters to me is the future of Malaysia

To have a Good Leader

A Good Leader that able to put Malaysia Interest aboves

Najib Ruling seemed Failed from the very begining

1. Abolished ISA is an indications of a Stupid Leader when it has already existed
2. Duplicating S,pore Style of Governing without understanding the pros & cons of his own Nation Interest is a Fooled. S,pore govt has always its own interests above Malaysia
3. The deal of S,pore & Malaysia is always S,pore won by one to a thousands Very Childish played by Malaysia Govt , like the kneeling of KTM Land in exchange for the 2 plot of tiny land to be shared by S,pore Govt for the vast land of KTM land Is a True Indications Najib and his Cronies are Dumb & Clumsy Leader I simply don,t understand Najib could close such a Stupid Childish Agreement Very much seen Najib cannot and don,t know how to play his Cards
4. The sights of Rosmah and his son expense picture Najib was an Ugly Leader
5. Ringgit keeps falling not knowing what creatives & tactful to do will collapsed Malaysia further

These is just the Least waiting for time UMNO , Malaysia will Fall with Najib

Assalamualaikum Tun.

Jika fasa 2:

2. I assume that their reports to the police authorities in the UK, Switzerland and Hong Kong, where the transactions took place, are the basis of these sabotage charges which if convicted may land them in jail for up to 15 years.

Balasan di dunia jika BN gugur pada PRU14, hukuman pada Najib bukan setakat 15 tahun tetapi 50 tahun kerana terlalu banyak perkara "menyalahi kuasa" semasa pemerintahannya.

Saya yakin perkara ini akan berlaku.

Wassalam.

Wassalam.

Assalamualaikum Ayahanda Tun,

Members of UMNO should also be blamed for sabotaging the nation given that their President were let loose to rule even with all his dirty wrongdoings.

They should be ashamed of themselves for not pressuring MKT to vote for non confidence towards the party's President.

Now DS Khairuddin and Matthias are real threats to Najib so much so that they were denied bails!

Wasalam Tun.

Dearest YAB Tun,

1. Alahai! Our new AG is such a confused person! Yang Arif??? He accused / charged the wrong people for sabotage (of our banking and financial system).
2. The AG overlooked (purposely) the fact that those people including PM Najib @ Ah Jib Gor were the ones who created the problematic and scandalous 1MDB, and also caused the current mess in our banking and financial system.
3. Furthermore, RM2.6 BILLION was channeled into PM Najib's personal account, not to DS Khairuddin's or Mathias Chang's personal accounts.
4. Who is he (AG) kidding? He thinks all Malaysians are as du*b as he and gang? Or may they are not du*b, but just corr*pt? Or cowards?
5. I totally agree with Tun's suggestion. PM Najib @ Ah Jib Gor & gang (those responsible for the creation of 1MDB and all problems associated with 1MDB) must be charged with sabotage.

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Dear Tun,

You are wrong-**yet again!**

According to Mubarakchan, our honorable and distinguished Prime Minister Najib Tun Abdul Razak is not responsible for these scandals. I suppose the charging of Dato Seri Khairuddin and Matthias Chang is yet another example of closet aides gone wild.
