Tun Dr Mahathir Mohamad

1. Saya berada di Tawau pada 5 Oktober di atas jemputan dari seorang bekas calon parti lawan.
2. Ramai ahli UMNO di Sabah tidak dapat hadir bicara negarawan yang diadakan kerana dianjurkan oleh bukan UMNO. Kata mereka SUA UMNO amat marah jika ada ahli atau pemimpin yang hadir diperhimpunan ini.
3. Sesungguhnya saya sudah 15 tahun tidak ke Tawau. Sebab itu walaupun jemputan datang dari musuh UMNO saya terima kerana saya ingin lihat perubahan di Tawau. Kalau nak tunggu UMNO jemput, sampai bila pun saya tidak dapat lihat Tawau. Saya ini, walaupun masih ahli UMNO dan biasa menjadi Presiden UMNO, dianggap oleh kepimpinan UMNO sekarang sebagai musuh parti yang saya pimpin selama 22 tahun.
4. Ya lah. Saya tidak bersetuju dengan Dato Seri Najib, Presiden UMNO dan saya desak supaya dia disingkir. Tetapi dahulu saya juga cuba dijatuhkan oleh Tengku Razaleigh dan Musa Hitam. Tujuan mereka apabila mereka bertanding melawan saya dan Ghaffar ialah supaya saya tidak jadi Presiden lagi dan tidak jadi Perdana Menteri. Mereka berhajat menjatuhkan saya.
5. Saya tidak larang mereka berkempen di kalangan ahli-ahli UMNO dan ahli-ahli UMNO tidak dilarang oleh saya menghadiri kempen mereka. Bahagian-bahagian UMNO menjemput mereka untuk merasmikan mesyuarat Bahagian dan mereka berkempen semasa perasmian dan dimasa-masa lain.
6. Ada Bahagian yang mencalon Tengku Razaleigh dan Musa Hitam sebagai Presiden dan Timbalan Presiden. Saya tidak anggap mereka musuh saya dan perlu diambil tindakan. Tidak ada larangan terhadap pencalonan oleh mereka kerana ini memang cara demokrasi. Diwaktu ini calon-calon untuk Presiden Amerika Syarikat sibuk berkempen dimana-mana sahaja, kerana inilah cara demokrasi.
7. Tetapi sekarang Presiden UMNO belum pun dicabar secara rasmi sudah tidak benar saya berjumpa dengan pemimpin dan ahli-ahli UMNO. Ada unsur ugutan dalam arahan ini. Akan diambil tindakan, akan dibuang dari parti, akan disiasat. Masa depan dalam parti akan menjadi gelap. Tidak boleh jadi pemimpin lagi; tidak akan dijadikan calon lagi.
8. Dimasa yang sama sesiapa yang menegur Presiden dituduh cuba sabotaj, cuba menggugat demokrasi, menjatuhkan Presiden yang dipilih secara demokratik. Mereka yang membuat laporan polis kerana kehilangan duit Kerajaan disoal dan disiasat, dijadikan muflis. Dan seterusnya ditahan. Apabila dibebaskan oleh mahkamah ditangkap semula bawah undang-undang baru Sosma, undang-undang kononnya untuk terrorist pengganas.
9. Apakah orang yang melapor kepada polis berkenaan jenayah yang berlaku boleh dituduh jadi pengganas.
10. Sambil melaung-laungkan demokrasi peguam pihak yang dituduh pun disoal siasat. Peguam pun hendak ditakutkan.

11. Semua ini menakutkan rakyat, terutama ahli UMNO dan pemimpin kerdilnya. Mereka tahu ada perkara yang salah yang sedang berlaku. Tetapi mulut mereka ditutup. Telinga juga ditutup.

12. Kebebasan bersurat khabar yang kononnya didokong oleh Kerajaan ditutup kerana melapor berkenaan jenayah 1MDB dan lain-lain.

13. Imej negara ini sudah bertukar dari demokrasi kepada seakan-akan police state dimana undang-undang disalahguna untuk menakutkan rakyat. Kesalahan Kerajaan dan Perdana Menteri tidak boleh disebut pun. Perjumpaan rakyat dihalang dengan berbagai cara, dituduh rasis dan Kerajaan menggalakkan demonstrasi rasis diadakan kerana kononnya perhimpunan bersih yang bertujuan meminta Najib berhenti didakwa adalah rasis, satu percubaan orang Cina menjatuhkan Kerajaan Melayu.

14. Kerajaan menuduh sesiapa yang mendedah kesalahan Najib sebagai percubaan mengguling Kerajaan secara tidak demokratik.

15. Sebenarnya Kerajaanlah yang dengan mengugut bertindak terhadap rakyat, melarang ahli UMNO dari mendengar syarahan politik, Kerajaan sudah tidak demokratik lagi. Tidak ada demokrasi untuk diruntuh oleh rakyat, kerana demokrasi sudah pun dimusnah oleh Kerajaan.

16. Alhamdulillah, ada beribu orang Sabah yang tidak gentar dengan ugutan dan mereka hadir di perhimpunan di Tawau.

TAWAU

1. I was in Tawau on October 5 at the invitation of a former opposition candidate.

2. Many members of UMNO in Sabah were not able to attend Bicara Negarawan which was held as it was organized by non-UMNO. They said the Secretary General of UMNO will be very angry if there are members or leaders who attend this gathering.

3. Actually I had not been to Tawau for 15 years. Therefore, even though the invitation had come from UMNO's rival I accepted because I want to see the changes in Tawau. If I have to wait for UMNO's invitation I do not know when I will be able to see Tawau. I, although still a member of UMNO and used to be the President of UMNO, am now considered by the UMNO's present leadership as an enemy of the party that I used to lead for 22 years.

4. Yes. I do not agree with Dato Seri Najib, the President of UMNO and I insisted that he should be removed. But previously Tengku Razaleigh and Musa Hitam had also tried to remove me. Their intention when they stand against me and Ghaffar was that I did not become President again and also do not become Prime Minister. Their intention was to remove me.

5. I did not forbid them from campaigning among members of UMNO and UMNO members were not forbidden by me to attend their campaign. UMNO Divisions invited them to officiate their divisional meetings and they campaigned while officiating these programmes and at other times.

6. There are divisions that nominated Tengku Razaleigh and Musa Hitam as President and Vice President. I did not regard them as my enemies and to take action against. There were no restrictions

on nominations by them because this is the way of democracy. At this time candidates for President of the United States are busy campaigning everywhere, because this is the way of democracy.

7. But now the President of UMNO has not even been officially challenged, already I am not allowed to meet leaders and members of UMNO. There is an element of intimidation in this directive. Action will be taken, will be sacked from the party, will be investigated. Their future in the party will be bleak. Cannot be a leader anymore, will not be nominated as a candidate again.

8. At the same time those who rebuke the President are accused of trying to sabotage, trying to undermine democracy, of overthrowing a democratically elected President. Those who make police reports on loss of government money are being questioned and investigated, forced into bankruptcy. And subsequently arrested. If acquitted by the court will be re-arrested under the new law Sosma, a law ostensibly for terrorists.

9. Can people who report to police on crimes committed be accused of being terrorists?

10. While there all these talks about democracy, lawyer of the accused was also investigated. Fear are even instilled into lawyers.

11. All these scare people, especially UMNO members and its insignificant leaders. They know there are things not right happening. But their mouths are shut. Their ears are also closed.

12. Freedom of press supposedly backed by the Government are abolished due to reports made about the crimes of 1MDB and others.

13. Image of the country had changed from a democracy to a quasi-police state in which laws are being abused to scare people. Errors of the Government and the Prime Minister cannot even be mentioned. Gathering of people is restricted by various means, accused of being racist, and the Government encouraged demonstrations with racist overtone supposedly because Bersih rally that aimed to ask Najib to resign is deemed racist, an attempt by the Chinese people to overthrow a Malay Government.

14. The Government has accused those who attempt to expose Najib's wrong doings as undemocratic attempts to overthrow the Government.

15. Actually, it is the government that is threatening action against the people, prohibiting UMNO members from listening to political lectures, the government is no longer democratic. There is no democracy to be demolished by the people, for democracy is already destroyed by the Government.

16. Thanks to Allah, there are thousands of people in Sabah that are not daunted by threats and they were present at the rally in Tawau.

Tun

An ingenious Blogger has listed out a long list of the shenanigans of wrong doings by certain parties probably the closest aides, GLC civil servants, party boys, unqualified cartoonists, fellow travellers etc at work and play. OK.

Is it strange or is it not strange that the World's famous Bank Negara Malaysia trustworthy recommendations were not accepted by the Attorney General's Chambers after two requests. Let us remind ourselves the requests came from Bank Negara Malaysia and not from anybody else.

Being the Banker to the Government, the Protector of our currency value, and the Issuer of our currency, any breach of these functions by anyone is subjected to prosecution or punishment by the BNM.

The BNM may deal with any wrong-doing now or the future. The Bank cannot forget what happened because it is the Rule of the Law which uphold our Democratic System of checks and balances through national institutions.

It maybe pointed out in this Age of Uncle Sam's hegemonic spiel " Globalization, Free Trade, Human Rights.' How lo can we go ?

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! ONLY UMNO (1946-2015) CAN !

BNM directs 1MDB to bring back US\$1.83b from overseas

KUALA LUMPUR: Bank Negara Malaysia (BNM) has directed 1Malaysia Development Bhd (1MDB) to bring back the US\$1.83bil from overseas.

Below is the full statement issued by BNM on Friday:

The Attorney General's decision with respect to the investigations on 1Malaysia Development Berhad (1MDB) relates to Bank Negara Malaysia's recommendation to initiate criminal prosecution against 1MDB for breaches under the Exchange Control Act 1953 (ECA). It is to be noted that under the Federal Constitution, the decision to initiate criminal prosecution lies solely with the Attorney General.

As an investigative authority, the Bank is duty bound to conduct its investigations with the highest professional care and diligence. The Bank at all times expects full and accurate disclosure of information by applicants in considering any application under the ECA. On its part, the Bank concluded that permissions required under the ECA for 1MDB's investments abroad were obtained based on inaccurate or without complete disclosure of material information relevant to the Bank's assessment of 1MDB's applications.

Therefore, the Bank has revoked three permissions granted to 1MDB under the ECA for investments abroad totalling USD1.83 billion and also issued a direction under the Financial Services Act 2013 to 1MDB to repatriate the amount of USD1.83 billion to Malaysia and submit a plan to the Bank for this purpose.

The Bank will continue to extend its full cooperation to ongoing investigations by the Royal Malaysia Police and the Malaysia Anti-Corruption Commission.

sAssalamualaikum Ayahanda Tun,

Mulanya sdr Khairuddin Abu Hassan kini giliran Matthias Chang seorang pengamal undang2 pula menjadi mangsa terkini undang2 anti keganasan, khas untuk pegganas yang mengganas menggunakan sos paling pedih dan pedas, kalau terkena atau terpalit mahu 28 hari baru hilang pedasnya.

Rakyat harus lebih berhati2 kerana SOSMA rupanya meliputi perkara yang definisinya tidak jelas seperti sabotaj. Apabila rakyat bersuara mahukan kebenaran yang tidak didengari di dalam negeri maka terpaksa ke luar negara mencari kebenaran lantas diklasifikasikan sebagai usaha menjatuhkan kerajaan adalah satu penindasan namanya.

Ini bukan soal kerajaan ini soal 1MDB dan sekiranya tiada salahlaku dalam urusan 1MBD apa yang perlu ditakutkan?

Sedih apabila nama2 yang terpalit dalam isu 1MDB langsung tidak boleh disentuh, dipanggil tidak, sentiasa dilindungi dan bebas ke mana2 dengan segala kemewahan dunia maka benarlah 'wang tunai itu raja'.

Walau apapun tahniah buat 38 NGO's yang membuat bantahan terhadap penahanan Khairuddin, sekarang ni geng2 majlis peguam pula akan bertindakbalas terhadap penahanan ahlinya.

Semua ini seolah2 melarikan perhatian orang ramai terhadap isu 1MDB yang baru sahaja disuarakan Majlis Raja2 yang sepatutnya turut menyentuh isu penyalahgunaan duit derma 2.6 billion dari siapa, untuk apa dan mana baki duitnya?

Wasalam Tun.

p/s – Molek kiranya diadakan dialog berskala besar yang membicarakan tentang pelaksanaan dan implikasi SOSMA terhadap kesejahteraan rakyat.

Dear Tun,

TPPA is an American tool to bully small countries like Malaysia into submission, and Malaysia and other countries have indeed been submissively bullied. Malaysia and other countries surrendered everything that U.S. wanted. U.S. got everything they demanded for.

If this had been true, TPPA would not have taken more than 5 years to conclude. If would have been a done deal in a year, if not 5 months. Why would a big bully need a long time to subdue a meek prey.

Negotiations had been very tough for all the participating countries, including the U.S. Now that it has been concluded all Governments claim they made many wins, including the U.S., and Malaysia.

In all the countries there are many unhappy, even angry, people who say their country had lost out, made too many concessions. In Malaysia people are saying American businesses will use the Investor State Dispute Settlement (ISDS) scheme to sue our government for passing laws that cause losses to their business in this country. So, they say Malaysia will lose its sovereignty because it cannot pass laws the way it likes. So, they say the government has sold Malaysia off.

Interestingly, the Republicans and Obama's detractors in U.S. are very mad that ISDS scheme gives power to foreign companies to sue American government if the laws it passes cause losses to their business. They are also unhappy that some countries, like Malaysia, are not removing all import duties in one go and are also given extended time for reform of state-owned enterprises and government procurement.

Then there are people who say TPPA serves big businesses and patent owners only. However, big pharma is mad because the extension of patent rights in biologics is much shorter than it wanted, and tobacco is mad because it has been carved out of the dispute settlement deal.

Paul Krugman, the distinguished American economics professor, Nobel Prize winner for economics and harsh critic of TPPA, said all these all round unhappiness is a good sign that the agreements had been fiercely fought for by all the countries.

TPPA is a done deal. Not true. In the next few weeks the full contents of the agreement will be available to the public. It has to be debated in Parliament. If a large majority of the people are fiercely against it Parliament might be compelled to reject it, or approve it with amendments. The same process will also take place in the U.S. Congress, parliaments in Australia, New Zealand, Brunei, Vietnam and the rest.

But before people make their stand and tell their MPs what to do in Parliament, they should read and understand the full agreement when it comes out (especially highly educated people, such as the graduates).

And remember, there are risks in joining TPPA

There are also risks in not joining TPPA

Assalamualaikum Tun,

Saya bersetuju dengan Tun dan rakyat yang tiada kepentingan peribadi juga majoriti rakyat yang berkata bahawa demokrasi berparlimen sudah hampir pupus di Malaysia.

Betapa dahsyatnya kuasa "PM" Malaysia yang sanggup menggunakan apa sahaja cara bagi mengekalkan kuasa yang ada.

Kini saya baru sedar bahawa betapa dahsyatnya kuasa "pengampu" dalam mengekalkan "pemimpin yang korup" dan terus berkuasa.

Tidak lain dan tidak bukan 2 kuasa yang saya maksudkan ialah Najib yang takut bini sebagai PM dan pembela-pembelanya seperti Hishamudin gagap, Salleh Keruak bodoh, Ahmad Maslan yang tak cerdik, Nazri Aziz bongkak, Zahid bengap, Tok uban pandir, azlina tom boy, mas ermayanti bengap, idris harta karun, zahrin bahalol dan ramai lagi.

Dengar khabar pula pihak tertentu declare 1MDB tiada isu???

Saya tidak sabar melihat kesudahan PRU14 adakah 2 kuasa tersebut mampu mengekalkan kuasa yang ada atau UMNO/BN tumbang bersama 2 kuasa tersebut atau Malaysia terus berada dalam politik yang tidak stabil.

Kesan dari seorang pemimpin yang korup sekarang dan pengikutnya yang ber"tuhan"kan perauah, saya yakin Malaysia terus kekal berada dalam politik yang tidak menentu dari sekarang hingga 2 tahun selepas PRU14.

Saya melihat betapa dahsyatnya kuasa seorang "isteri" yang mampu mendayuskan seorang suami dan kesannya terhadap negara.

Mangsanya adalah rakyat dan kita semua.

Wassalam.

Salam YAB dan Yang DiKasihi Tun,

1. PM Najib @ Ah Jib Gor ialah individu yang telah merosakkan sistem demokrasi di Malaysia, dan yang paling memalukan beliau jugalah yang terjerit-jerit di serata negara dan dunia mengenai betapa demokratiknya beliau dan Kerajaan pimpinan beliau.

2. Jika PM Najib seorang yang demokratik, beliau sepatutnya berehat beberapa bulan, dan memberi laluan kepada pihak2 berwajib untuk menyasat skandal peribadi beliau yang melibatkan wang RM2,600 juta dan 1MDB.

3. Majlis Raja-Raja juga sudah bersuara, dan jika PM Najib ada maruah, beliau sepatutnya membenarkan proses undang2 berjalan seperti yang sepatutnya. Janganlah lagi mengeruhkan keadaan kerana bimbang nanti beliau sudah tiada jalan pulang, dan akan disingkir dalam keadaan yang mengaibkan.

4. Letak jawatan sajalah wahai PM Najib @ Ah Jib Gor! Anda telah gagal! Sudahlah gagal, korup dan menyalah-guna kuasa pula!

Terima kasih Tun.

AGC confirms binned two Bank Negara requests for action in 1MDB case

KUALA LUMPUR, Oct 8 – The Attorney-General's Chambers (AGC) revealed today that it rejected Bank Negara Malaysia's (BNM) recommendations for action against 1Malaysia Development Berhad (1MDB) twice after finding no wrongdoing committed by any of the state-owned firm's officials.

In a statement, the AGC said BNM first submitted its investigation papers on August 21 and that upon studying the bank's findings, it found that no further action was necessary.

The papers were subsequently returned to BNM on September 11, and the decision communicated to the bank the same day, it said.

On October 1, however, the AGC said BNM issued a letter of request, seeking a review of the decision.

"Having considered the request and the fact that there was no new evidence made available, the Attorney General decided to maintain the decision made earlier," the AGC said.

It added that news reports between September 12 and today claiming BNM's investigation papers are still in the AGC's hands are "inaccurate and not true".

In early June, Bank Negara announced that it had launched a formal inquiry on 1MDB's activities to establish if there were any contraventions to the country's financial rules and regulations.

According to the AGC today, the bank's probe on 1MDB was for an offence under paragraph (4)(b) of Part 1 of the Fifth Schedule to the Exchange Control Act 1953 namely, "knowingly or recklessly making a statement which is false in a material particular".

The AGC also responded today to the Conference of Malay Rulers' call to expedite 1MDB investigations and for the culprits to be brought to book, saying that all ongoing probes into the firm's troubled financials have never at any time been halted or hindered, despite claims otherwise in the media.

"The Attorney General has been constantly monitoring and giving instructions to the relevant agencies whenever the investigations were referred to the AGC, including instructions to expedite investigations.

"As of today the Royal Malaysia Police (RMP) and the Malaysian Anti-Corruption Commission (MACC) have not completed their investigations as some key witnesses' statements have yet to be recorded," the AGC said.

In its statement Tuesday, the Conference of Malay Rulers directed Putrajaya to ensure that 1MDB is comprehensively investigated and for those found guilty of wrongdoing to be punished.

In the statement issued by the Keeper of the Rulers' Seal Datuk Seri Syed Danial Syed Ahmad, the rulers also said that investigations must be made public in order to show that nothing was being hidden in the probe on the state-owned investment firm.

Improper handling of the 1MDB controversy and related investigations could also affect the economy and even threaten national security, the rulers added.

NAJIB GOES AFTER DR M'S MEN: Now, ex pol-sec Matthias Chang arrested SOSMA for reporting on 1MDB

KUALA LUMPUR – Matthias Chang, the lawyer for a former Umno leader detained under Malaysia's anti-terrorism law, has been arrested under the same Act today.

Chang confirmed with Malay Mail Online that he has been detained under the Security Offences (Special Measures) Act (Sosma) 2012.

"I have already been arrested. I'm at Dang Wangi now with my lawyers. I've been detained under the Sosma act," he said when contacted, referring to the Dang Wangi police headquarters.

Chang was acting as counsel for former Umno Supreme Council member Datuk Seri Khairuddin Abu Hassan, who was detained on September 23 for 28 days under SOSMA after a global tour to solicit investigations by other countries into 1Malaysia Development Berhad (1MDB).

When contacted, Chang's lawyer Mohd Akmal Afiq Mohamad said his client is being investigated under Sections 124K and 124L of the Penal Code, similar to Khairuddin.

Sections 124K and 124L deal with sabotage and attempting to sabotage the state respectively.

The lawyer said Chang was informed by the Dang Wangi police that he would be detained when he went there to visit Khairuddin earlier this afternoon.

"As soon as he just finished visiting Khairuddin and left the room, the investigating officer told us that he is being detained under SOSMA as well," he told Malay Mail Online.

Akmal added that the police have notified that they are detaining Chang for 24 hours today before applying for a 28-day detention under the SOSMA provision tomorrow.

Khairuddin had kicked off the tour following a series of reports by US-based business daily Wall Street Journal alleging dubious activities involving the state-owned firm.

He was first arrested on September 18, the day he was reportedly due to fly to New York in the US to meet with the Federal Bureau of Investigation (FBI), and was remanded a further six days the following day.

Both men were also barred by the authorities from leaving the country.

Assalamualaikum Tun,

Bila Tun bercerita tentang pihak Najib sedang berusaha keras menutup mulut penentang Najib saya teringat kisah 'Pakaian Baru Maharaja'.

Di dalam kisah tersebut, dua orang pembuat baju telah menipu maharaja dengan memberi maharaja pakaian yang kononnya ajaib. Pakaian ini ajaib sampai hanya orang yang layak sahaja dapat

melihatnya. Disebabkan tidak mahu menunjukkan sebagai seorang yang tidak layak, semua dari menteri-menteri, pegawai-pegawai kata nampak pakaian ajaib itu walaupun mereka sebenarnya tidak nampak. Sehingga lah seorang budak kecil yang berani telah menegur maharaja bahawa sebenarnya Maharaja tidak memakai apa-apa pakaian pun. Mendengar teguran itu, maka bermulalah yang lain tiba-tiba berani berkata maharaja memang tidak memakai apa-apa pakaian pun. Sehingga seluruh rakyat gelak melihat maharaja yang tidak berpakaian itu.

Mungkin itulah yang dikuatiri pihak Najib. Mereka kuatir dari seorang dua yang berani bersuara kebenaran nanti orang lain juga akan berani bersuara perkara yang sama sehingga kebenaran itu tidak dapat dibendung lagi.

All it needs is a small spark for someone brave enough to tell the truth, for everyone to say the truth.

Harapan saya bersuara kebenaran ini akan berjangkit kepada ketua-ketua cawangan dan bahagian UMNO, ke ahli-ahli parlimen UMNO sehingga ianya tidak dapat dibendung lagi. Amin.

Yes, the thousands present does lend support, and so does the statement by the rulers, and Muhyiddin's timely, eloquent call to follow up on the rulers' edict and audit the government's efforts, and act using the ruler's statement as a guide and standard.

Hope these and other actions of the righteous will cascade and check our slide into oblivion.

Salaam Tun et al

As I have said earlier, the only way Mohd Najib can be brought down to Earth is for the DYMM Raja-Raja to make a stand denouncing his actions and conducts. Well praised to Allah, this has come to pass.

IMHO Mohd Najib and his sycophants have several choices:

1. Mohd Najib abide by the Royal decree and temporarily step aside and resurrect the investigations into IMDB and the 'donation' or;
2. Zahid Hamidi can broker a deal with AG independently and resurrect the 'charges' previously alleged drafted by Gani Patail or;
3. Mohd Najib in all his wickedness defies the Royal decree and continues to govern as normal and use his sycophants to create racial tension.

I for one will never agree for any safe passage to be given to Mohd Najib and the rest of his goons. These wicked must be accountable for their actions.

If not all the oaths these wicked took when they were appointed into positions will only be lip service. It will be interesting how things will develop soon.

Winter is coming.

And Allah knows best.
Love from Saudi.

Tun, maafkan saya meluahkan isi hati disini.

Saya berterus terang berasa amat malu dgn pihak berkuasa skrg kerna tindakan anda2 pihak berkuasa YANG TERLIBAT DENGAN PENYALAHGUNA KUASA membuatkan saya dan rakan2 serta ramai lagi rakyat malaysia hilang hormat kepada kamu sekalian.

Kalau bab cari salah dan saman-menyaman rakyat marhaen, andalah JAGUH. Kalau orang berpengaruh buat hal, tak perlu diungkapkan kerna majoriti rakyat tahu apa kesudahannya.

Kenapa perlu sampai tahap begini, anda ada kuasa menyiasat siapa saja yg disyaki bersalah tetapi kenapa ketepikan rintihan rakyat yg serba kekurangan ini. Rakyat cuma nak keamanan di negara demokrasi yg mementingkan ketelusan pihak yg diberi kuasa dalam apa jua jabatan sekalipun terutama jabatan yg menyiasat apa yg dilaporkan, bukan menjadi jabatan siasat dan tangkap semudah ABC siapa yg membuat laporan tersebut.

Agak2 laa nak main "tarik tali" pun, janganlah sampai tertarik tali ampai rakyat marhaen. Pikirlaa, duit memang kena cari tapi jangan sebab duit maruah dibeli.

#Amanah+Jujur+Ikhlas

InsyAllah akan dihormati.

Assalamualaikum Ayahanda Tun,

Perlu sangat pandangan ayahanda berhubung tingkahlaku, sikap serta budi pekerti pemimpin negara dewasa ini.

Jelik melihat keangkuhan Zahid Hamidi menjawab soalan blogger Shahbudin berhubung mengapa tarikh lawatan rasminya ke Indonesia sama tarikh dengan majlis resepsi perkahwinan anak lelakinya oleh besannya di Indonesia.

Apa-apapun beliau boleh menasihati besannya tidak mengadakan majlis resepsi sewaktu lawatan rasminya kerana tidak mahu mencampuri urusan kerja dan peribadi. Bukankah cara begitu lebih baik bagi mengelakkan persepsi negatif dari orang ramai tambahan pula perkara yang lebihkurang sama pernah diamalkan oleh bosnya.

Di penghujung temuramah beliau meminta Tuhan menghukum Shahbudin bila tiba masanya anak lelaki atau perempuan Shahbudin berkahwin kelak.

Hiba sedih geram sayu pilu mendengar amarah seorang pemimpin sehingga sanggup memohon sesuatu yang tidak baik terhadap orang yang dipimpinya.

Inikah jenis pemimpin yang kita mahukan ayahanda Tun?

Wasalam Tun.

1. mereka yg prihatin akan penderitaan rakyat ialah; wakil rakyat yg belum dapat ruling power; wakil rakyat yg dah hilang kuasa; bekas2 wakil rakyat.
2. masa berkempen, calon2 membuat janji semuanya utk kesejahteraan rakyat sampai malaikat2 dengar terbang balik naik ke langit kerana depa tak mampu buat.
3. bila menang & jadi wakil rakyat & jadi pemerintah, jin2 pun lari lintang pukang kerana depa pun tak mampu buat – sembah duit. berapa kerat saja yg betoi2 berabdi kpd Allah SWT.

Assalamualaikum Ayahanda Tun,

Sejukur-jujurnya peribadi Tun jauh lebih mulia dan terpuji sebagai seorang insan dan sebagai seorang pemimpin sebuah parti pemerintah jika dibandingkan dengan seorang Najib yang hina dan terkeji tingkahlakunya dalam kehidupan peribadi dan berpolitik.

Ayahanda Tun sebagai mantan Presiden UMNO dipandang sepi dan dianggap seperti ahli biasa-biasa sahaja sementelah Timbalan Presiden UMNO (TPU) yang dilantik secara demokrasi boleh disejuk bekukan dan pelbagai usaha dilakukan agar TPU terus dibekukan dari melaksanakan tugas-tugasnya sebagai TPU. Akhirnya TPU kerjanya hanya berpeluk tubuh datang mesyuarat MT sebulan sekali dan mungkin hanya dapat mengeluarkan suara keramat bila tiba bahagian perkara-perkara berbangkit sahaja.

Tidakkah tindakan ini mencemarkan kerusi TPU itu sendiri, membelakangkan pilihan ahli yang memilihnya secara demokratik namun semua ini tiada dalam kamus Presidennya yang lebih mengutamakan hayat kerusinya sendiri.

Maka adalah lebih wajar sekali kerusi TPU ini diserahkan kembali kepada yang berhak secara konvesyen iaitu kepada TPM namun mesti juga secara konvesyen dan demokratik iaitu Pemilihan Parti. TSMY harus menggerakkan usaha dan mendesak pemilihan parti dipercepatkan semula dengan alasan kerusi yang disandangnya tiada berfungsi lagi dan memberi peluang kepada Zahid mendudukinya secara sah dan terhormat.

Sebenarnya Najib perlu berani menghadapi ujian 3 juta ahlinya kerana UMNO akan lebih kuat selepas itu untuk menghadapi PRU 14 kelak. Orang-orang Najib berkata hendak mencontohi ayahanda Tun menang 1 undi sekalipun akan terus memerintah. Maka penasihat Najib harus menyakinkannya bahawa beliau boleh dapat 10 kali ganda lebih baik dari 43 kelebihan undi ayahanda Tun.

Apa yang hendak dirisaukan TPU bukan TPM lagi, TPU dah sejukbeku, TPU tiada kuasa, TPU tiada apa-apa dan yang lebih penting TPU tiada wang berbillion.

Wahai ahli-ahli UMNO perkukuhkan kembali semula UMNO dan berilah mandat kepada Najib dan Zahid melalui pemilihan UMNO yang boleh dipercepatkan semula kerana apa gunanya TSMY yang dah jadi macam patung bernyawa dan tunggul kayu sahaja.

Kami rakyat marhaen cukup kagum bangga dengan rekod pemerintahan Najib yang penuh dengan rekod-rekod dunia lantas sekiranya ahli-ahli UMNO yang 3 juta orang ini memilih Najib maka kami juga akan sokong beliau masa PRU 14 nanti.

Apa-apapun semua cawangan2 UMNO kena desak percepatkan semula pemilihan parti jika sayangkan Najib dan Zahid sebagai 2 tokoh pemimpin UMNO ulung yang tiada tolok bandingnya.

Wasalam Tun.

Assallammualaikum Tun.

Saya mohon ruangan.

Tun seperti yang kita sedia maklum, sejak zaman kesultanan Melaka pasti ada dengan nyata individu tertentu mengambil kesempatan di atas kelemahan raja dan menteri-menteri yang lemah. Cerita si Kitol dan Raja Mendaliar amat popular. Tidak kisahlah samada cerita itu benar atau tidak. Yang penting pengajaran dan moral dari cerita tersebut.

Di masa kini bila berlaku penyelewangan seperti cerita si Kitol dan Raja Mendaliar, akibat yang dihadapi oleh rakyat lebih besar lagi kerana jajahan takluk Melaka kecil sahaja berbanding Malaysia sekarang.

Justru akibat yang di hadapi oleh Melaka iaitu penjajahan Portugis akan lebih buruk lagi bagi Negara Malaysia.

Hakikat kebenaran seperti biasa tidak dimengertikan oleh orang-orang awam. Sebab itulah ulama dan ummara akan di seksa lebih hebat lagi dineraka. Hal ini semua jelas di dalam Al Quran.

Bagi yang mengharap dengan harapan kosong tanpa usaha gigih maka marilah kita menghayati peribahasa Melayu ini.

"If wishes are bird, beggar's can fly".

Pengecut akan bertambah kecut apabila menyedari diri mereka terkepung 'cornered' dan akan menentang habis-habisan. Even a cornered rat will fight.

Even a cornered dog will fight.

Jadi..apakah kita yakin Najib dan kuncu-kuncunya akan menunggu sahaja 'keputusan' ini ke atas diri mereka?

Saya berpendapat Najib akan mengusahakan pula satu 'avenue' supaya raja-raja pula tidak dapat 'menyentuhnya'.

Saya berpendapat untuk memperketatkan keputusan ke atas Najib, bacaan Yassin dan solat hajat mesti di lakukan selama 40 hari dan 40 malam.

Jika kita lemah dan tidak berdaya melakukan maka layaklah kita mendapat pemimpin seperti Najib dan kuncu-kuncunya kerana orang melayu pernah berkata

THE SUBJECT DESERVED THEIR LEADER!!

Terima kasih Tun.

Tun,

No offence, but I believe now you can see precisely what Anwar and the opposition are fighting against...UMNO do not have proper governance controls to provide a safe way to vote out this corrupt and greedy evil PM. If it did, he would have been removed a long time ago. Furthermore Bribery is something that has to be made illegal. It is illegal, but then there is no rule of law etcetera... you see the systemic waterfall effect of issues that Malaysia has?

You are worried about UMNO? You really think UMNO is the priority to be worrying about? I would suggest you think about the entire economy. UMNO is not the solution. It is the entity to blame.

Najib will bring down the country, UMNO included... The Corporates have absolutely no faith in Malaysia at all in terms of Governance, independent judiciary, the rule of law.

The educated with skills will end up moving to Singapore where they have created a first class economy, first class developed world infrastructure – Already!

Leaving Malaysia with dole bludgers and leaches who proclaim superiority.. but actually being completely incompetent. Much like current UMNO members and the unsophisticated race hate Red Shirts.

It is a dire situation. Malaysia will collapse. It is market forces. It is Darwinian. Sooner or later, without a proper foundation and good governance, the castle will crumble. Malaysia is at a turning point.

Is moving back to Malaysia worth it? To speak up about what is right only to be threatened and put in jail... is it right? Is it worth it?

is it worth waiting for Malaysia the laggard in becoming a developed country for 20 years when Singapore, Japan, Taiwan, Korea and yes, even china are at the top? What is Malay superiority? Superior in doing what? seriously, lets get real here... There is nothing superior about Malays or Malaysia.

The country is a mess Tun. A complete mess... If you don't do something soon my dear debating partner, I fear Malaysia will further turn into a failed state.

Compared Indonesia Politic and Malaysia Politics now
I would say Indonesia Politics are far better than Malaysia Politics
They are quite very capable of handling Foreign Affairs Agreement
They look into their self interest , self importance of the Nation
Malaysia are merely Asal Bolih policy run by Gundus

We allowed Malaysia to be Run by Najib
Who is proven a Big Failure
What did he do ?
Is he heard and acknowledge by World Leader ?
Is he a laughing stocks of Malaysia as much the MH Bomoh 1 Malaysia
He is Clumsy as can be seen and We allow A Man who can,t even manage his Wife to run Malaysia
When Najib dropped
The need to probe his wrong doings need to be investigates
Any wrong doings He must be Charged

Salam Tun.

1. Sudah ada persamaan dengan cerita-cerita pada zaman dahulukala seperti Perdana Menteri Haman semasa pemerintahan beraja di Mesir, cerita-cerita pada zaman Nabi Yusof a.s dan banyak lagi kalau kita perihatin dengan cerita-cerita sejarah yang lampau.

2. Malah kesemua Nabi-nabi atau Rasul-rasul yang diutus ada cerita masing-masing dan ada yang pernah dipenjarakan oleh pihak pemerintahan yang pastinya bersalah pada awalnya kerana memenjarakan seorang Rasul utusan Allah s.w.t.

3. Seorang pujangga ulamak terkenal Hamka juga tidak ketinggalan pernah dipenjarakan akibat kesilapan oleh seorang pemerintah. Seheinggakan dicerita olehnya bahawa pegawai yang menyiasat dirinya sendiri mengaku bahawa kuasa dari pembesar menyebabkan arahan atas tugas terpaksa dilakukan bukannya dari kehendak hati.

4. Hamka berkata hati pegawai kerajaan itu tidak kuat melawan arahan yang diatas disebabkan kelemahannya dalam menjalankan kewajipan terutamanya yang diperintahkan oleh Allah s.w.t. .

5. Takutkan azab dari Allah s.w.t dikemudian hari sahalah yang dapat membuatkan seseorang itu berani melawan arahan dari pemerintah yang melakukan kesalahan di dunia ini.

6. Seseorang yang selalu mengingati kepada Allah s.w.t takut melakukan kesilapan dalam menjatuhkan hukuman kepada seseorang yang lain kemungkinan dapat melawan arahan orang atasan atau ketua yang bersalah. Malah seseorang penghukum tahu hukuman datang setelah dibicarakan.

7. Hukuman oleh Allah s.w.t akan dibuktikan melalui titian sirotulmustakim, neraja timbangan, catatan oleh malaikat serta pengakuan anggota-anggota kakitangan manusia itu sendiri. Bermakna selepas dibicarakan.

8. Menjatuhkan hukuman kerana patuh akan seorang ketua yang tidak dibicarakan untuk mengetahui samaada dia bersalah atau tidak amatlah bercanggah seperti yang dikehendaki undang-undang negara dan sebagaimana yang Allah s.w.t laksanakan di akhirat nanti.

9. Tepuk dada tanya hati samaada pemerintahan sekarang sama dengan cerita-cerita yang berlaku dizaman lampau yang tidak sama dengan yang akan berlaku diakhirat nanti kerana lupa akan kehendak Allah s.w.t.

Wallahua'lam.

Salam Tun,

Najib tidak akan selama-lamanya dapat melengahkan masa.

Dia juga tahu pihak berkuasa berpihak padanya.

Lambat laun masanya akan sampai.

Dia juga tahu yang pihak berkuasa yang patuh padanya akhirnya terpaksa patuh kepada kuasa rakyat jua.

Tanpa cukai yang dikutip daripada rakyat macam mana Najib nak membayar gaji pihak berkuasa..

Adakah pihak berkuasa merasakan yang Najib membayar gaji mereka dari duit poket dia sendiri? Sehingga pihak berkuasa tidak boleh menyiasat dia? Sedangkan gaji pihak berkuasa dibayar oleh rakyat...

Siasatlah... kalau najib benar, bebaslah dia... kalau najib korup terkurunglah dia. Mudah sahaja.

Kepada pihak berkuasa ingatlah... yang gaji anda semua dibayar oleh rakyat. Bukannya dari duit poket najib.. Insaflah pihak berkuasa...

Apabila rakyat mogok tak mau bayar cukai lagi... macam mana kalian nak bagi makan anak bini?...

Kalau anda pihak berkuasa sayangkan negara ini... dan masih mahu makan hasil dari kutipan cukai dari rakyat marhaen, lakukanlah sesuatu... siasatlah segala dakwaan.... biar kami semua puas hati... itupun kalau pihak berkuasa merupakan orang yang beriman dan mahu menegakkan keadilan... Jika tidak maka terbuktilah bahawa pihak berkuasa hanya menunjuk kuasa kepada rakyat kerdil tetapi pengecut bila mengadap pemimpin negara...

Negara tidak akan akan huru hara.. Encik Zahid Hamidi boleh memangku jawatan PM sementara...

Tahniah kepada Tun diatas kecekalan untuk menegakkan kebenaran. Sesungguhnya khidmat Tun memberi penjelasan kepada skandal yang berlaku amat-amat diperlukan terutamanya dikalangan rakyat yang hanya bergantung kepada akhbar dan media arus perdana tempatan. Sungguh malang kepada golongan ini kerana mereka disajikan dengan berita-berita palsu mengenai 1MDB dan Najib.

Alangkah baiknya jika sesi sebegini dapat diadakan di Pekan Pahang, dihadapan peneroka Felda, Felcra, orang-orang kampung dan masyarakat pendalaman. Tun hidangkan mereka dengan fakta-fakta agar mereka lebih jelas. Selebihnya terpulung kepada mereka.

Teruskan Tun. Sesungguhnya Tun tidak bersendirian.

Dear Tun

I hope you are doing well.

Sharing this good news;

Rulers: Settle 1MDB issue fast

KUALA LUMPUR: The Malay Rulers want the Government to complete the investigation into the 1Malaysia Development Berhad controversy as soon as possible and take "the appropriate stern action" against all found to be implicated.

In a statement, their royal highnesses stressed that all concerned should extend "real and sincere" cooperation for the investigation to achieve its objectives.

"The findings of the investigation must be reported comprehensively and in a transparent manner so the people will be convinced of the sincerity of the Government which shall not at all conceal facts and the truth," they said.

The statement was released by the Keeper of the Rulers' Seal, Datuk Seri Syed Danial Syed Ahmad, after the pre-council meeting of the Conference of Rulers at Istana Negara yesterday.

The 239th meeting of the Conference of Rulers is scheduled for today and tomorrow.

The statement said: "The failure to give convincing clarifications and answers is feared to have resulted in a crisis of confidence.

"As a consequence, the people believe, whether basing on reality or perception, that this is among the causes for the plunge in the value of the Malaysian Ringgit, impacting the country's financial market and economic climate negatively and at the same time adversely affecting the world's view of Malaysia."

According to the statement, the Malay Rulers were worried that if the issue was not wisely handled, and was allowed to drag on, it could jeopardise the country's economy and the livelihood of the people.

"To ensure that the Government enjoys the people's trust, that leaders are respected, that political stability is guaranteed and that the economy continues to grow, all leaders must constantly ensure that justice is meted out equitably and transparently based on the law," they said.

For this, the statement said, enforcement agencies and regulatory institutions such as the police, Malaysian Anti-Corruption Commission, Bank Negara, Attorney-General's Chambers and the Judiciary, as well as related government bodies, should be worthy of God's trust and the people's faith in transparency, credibility and integrity.

The Malay Rulers also wanted the leaders to give priority to factors of security, tranquillity, peace and harmony and place national and the people's concerns above their personal interests.

"The Malay Rulers take seriously issues affecting race and religion and would like to remind leaders of political parties and non-governmental organisations not to sensationalise racial and religious issues to garner support," the statement said.

Their royal highnesses said the long-prevailing inter-racial and inter-religious harmony and solidarity had been the main pillar for the stability of an independent, peaceful, progressive and prosperous Malaysia.

As such, they said, the harmony and solidarity of the people should be safeguarded at all times and never be sacrificed for shallow political aims. — Bernama

Dari segi budaya politik yang sihat pula, baik pemimpin-pemimpin kita menumpu perhatian lebih ke atas soal polisi, ekonomi dan kebajikan Rakyat. Janganlah buat kerja benci-membenci, dan tak terhenti-henti membalas dendam.

Baik saya memberi peringatan kepada Ali Tinju yang biadab, yang mencabar Tun turun ke gelanggang menentang Najib di Pekan. Tindak tanduknya telah mengakibatkan kepincangan masyarakat majmuk, dan kini pula berbiadab terhadap bekas pemimpin yang pernah berbakti kepada Negara. Nak bodek pun kena ada cara yang betul!
