

1 MDB CLEARED
Chedet.cc
9 October 2015
Tun Dr Mahathir Mohamad

1. The Attorney Generals Chambers have cleared 1MDB of any wrongdoings with regard to the use of the funds approved by Bank Negara for foreign investments.
2. But Bank Negara is obviously not satisfied and appealed to the AG without any change in the report. Again the AG rejected the appeal.
3. We know of course that the AG is empowered to decide whether a case should go to court or not. The presumption is that the AG would appreciate and understand the seriousness or otherwise of the case before him, that he would appreciate the concern of the complainant or agency making the report, that if there is dissatisfaction the case should be judged in a court of law by a judge and if still dissatisfied that an appeal be allowed.
4. That should be the way. But it would seem that the AG has made the judgement, rejecting the case as having no merit for a hearing in a court of law. And when an appeal is made, the appeal is dismissed by him on grounds which are not clear. There is a lack of transparency here.
5. Is this the rule of law that this country is supposed to uphold? Is the AG higher than a judge, that his judgement is final and there can be no appeal?
6. In this particular case the people would like to know whether the Prime Minister is involved or not. By dismissing this case suspicions will remain in the minds of the people. In fact people are thinking that the decision of the AG may not be by the AG.
7. On the other hand we are seeing people being detained under a law supposedly meant for curbing terrorism.
8. In his speech when introducing Rang Undang-Undang Kesalahan Keselamatan (Security Offences (Special Measures) Act) 2012 the PM said activities which undermine parliamentary democracy is interpreted as an activity carried out by an individual or a group with the intention of toppling or undermining parliamentary democracy through violence and in contravention of the Constitution
9. The Security Offences law itself confines its application to security matters. It provides for the arrest and detention by a police officer any person whom he has reason to believe to be involved in security offences for twenty-four hours and for the purpose of investigations, detention can be extended for not more than twenty-eight days.
10. The arrests of Dato Khairuddin and his lawyer Matthias Chang have created fear among the people that reporting about wrongdoings of the Government and its officers constitute threats to security. Whistle-blowers which the Government is said to encourage, is now threatened with the danger of being accused of threatening the nations security.
11. With this the call by the Rulers for probes to be conducted fairly and in a transparent manner can no longer be achieved. There are literally dozens of people with knowledge of the wrongdoings in

1MDB who will not risk giving evidence or making accusations because they risk being detained and charged under the Security Offences Act.

12. We all know that the investigations into the 1MDB affairs and the USD 700 million in Dato Sri Najibs personal account has been jeopardised by the removal of the AG, the transfer of the MACC officers, the emasculation of the Public Accounts Committee and the implied threat against Bank Negara. Now lawyers for the defence can be questioned and detained.

13. These actions have intensified the lack of confidence and distrust of the people in the Government. Merely by stating the investigation is on going will not convince people that truth will prevail.

14. In the eyes of the world Malaysia has become a pariah state, a state where anyone can be hauled up and questioned by the police, detained and charged through abusing the laws of the country.

15. And the AGs Chambers will dismiss or disregard any report of wrongdoing that involves the Prime Minister.

16. Already the members of the Government are saying that no one, not even the Rulers may comment on obvious Government abuses of the laws of the country.

BM VERSION

1MDB DIBERSIHKAN

1. Jabatan Peguam Negara telah membersihkan 1MDB dari segala salah laku yang berkaitan dengan penggunaan dana yang diluluskan oleh Bank Negara untuk pelaburan asing.

2. Tetapi Bank Negara jelas tidak berpuas hati dan merayu kepada Peguam Negara tanpa apa-apa perubahan dalam laporan itu. Sekali lagi Peguam Negara menolak rayuan itu.

3. Kita tahu memangnya Peguam Negara diberi kuasa untuk membuat keputusan sama ada sesuatu kes perlu dibawa ke mahkamah atau tidak. Anggapannya adalah Peguam Negara akan menghargai dan memahami betapa serius atau sebaliknya kes yang dibawa kehadapannya, bahawa dia akan menghargai keprihatinan pengadu atau agensi yang membuat laporan itu, bahawa jika ada perasaan tidak puas hati kes itu patut dihakim dalam mahkamah undang-undang oleh seorang hakim dan jika masih tidak berpuas hati rayuan dibenarkan.

4. Itulah cara yang betul. Tetapi sekarang nampaknya Peguam Negara telah membuat penghakiman itu, menolak kes itu kerana tidak mempunyai merit untuk perbicaraan di mahkamah undang-undang. Dan apabila rayuan dibuat, rayuan itu ditolak oleh beliau atas alasan yang tidak jelas. Terdapat kekurangan ketelusan di sini.

5. Adakah ini kedaulatan undang-undang yang negara ini patut dukung? Adakah Peguam Negara lebih tinggi daripada seorang hakim, yang penghakimannya adalah muktamad dan tidak ada sebarang rayuan?

6. Dalam kes ini rakyat ingin tahu sama ada Perdana Menteri terlibat atau tidak. Dengan menolak kes ini syak wasangka akan kekal dalam minda rakyat. Malah orang berfikir bahawa keputusan Peguam Negara ini mungkin tidak dibuat oleh Peguam Negara.

7. Sebaliknya kita melihat orang sedang ditahan di bawah undang-undang yang kononnya bertujuan untuk membendung keganasan.

8. Dalam ucapannya ketika memperkenalkan Rang Undang-Undang Kesalahan Keselamatan (Security Offences Special Measures Act) 2012, PM berkata aktiviti yang menjejaskan demokrasi berparlimen ditafsirkan sebagai satu aktiviti yang dijalankan oleh individu atau kumpulan dengan niat untuk menjatuhkan atau melemahkan demokrasi berparlimen melalui kekerasan dan dengan melanggar Perlembagaan.

9. Undang-Undang Kesalahan Keselamatan itu sendiri membatasi pemakaiannya bagi hal-hal keselamatan. Ia memperuntukkan penangkapan dan penahanan oleh seorang pegawai polis mana-mana orang yang dia dipercayai terlibat dalam kesalahan keselamatan selama dua puluh empat jam dan bagi maksud penyiasatan, tahanan boleh dilanjutkan selama tempoh tidak melebihi dua puluh lapan hari.

10. Penangkapan Dato Khairuddin dan peguamnya Matthias Chang telah menimbulkan perasaan takut di kalangan orang ramai bahawa melaporkan tentang salah laku Kerajaan dan pegawai-pegawainya merupakan ancaman kepada keselamatan. Pemberi maklumat yang Kerajaan dikatakan menggalakkan, kini menghadapi bahaya dituduh mengancam keselamatan negara.

11. Dengan ini titah oleh Raja-Raja untuk pemeriksaan dijalankan secara adil dan telus tidak lagi boleh dicapai. Terdapat berpuluh-puluh orang yang mempunyai maklumat tentang salah laku dalam 1MDB yang tidak akan mengambil risiko memberi keterangan atau membuat tuduhan kerana mereka menghadapi risiko ditahan dan didakwa di bawah Akta Kesalahan Keselamatan.

12. Kita semua tahu bahawa siasatan dalam hal ehwal 1MDB dan USD 700 juta dalam akaun peribadi Dato' Sri Najib telah tergendala oleh pemecatan Peguam Negara, pemindahan pegawai-pegawai SPRM, pengebirian Jawatankuasa Kira-kira Awam dan ancaman tersirat terhadap Bank Negara. Sekarang peguam pembelaan boleh dipersoal dan ditahan.

13. Tindakan-tindakan ini telah meningkatkan kurang keyakinan dan rasa tidak percaya terhadap mereka dalam Kerajaan. Semata-mata dengan menyatakan siasatan adalah berterusan tidak akan meyakinkan rakyat bahawa kebenaran akan berlaku.

14. Di mata dunia Malaysia telah menjadi sebuah negara pariah, sebuah negara di mana sesiapa sahaja boleh ditahan dan disoal siasat oleh polis, ditahan dan didakwa melalui menyalahgunaan undang-undang negara.

15. Dan Jabatan Peguam Negara akan menolak atau tidak mengambil hirau apa-apa laporan salah laku yang melibatkan Perdana Menteri.

16. Sudah pun ahli-ahli Kerajaan mengatakan bahawa tiada sesiapa, tidak juga Raja-Raja boleh komen mengenai penyalahgunaan yang jelas undang-undang Negara oleh Kerajaan.

Assalamualaikum Tun dan semua rakyat jelata yg semakin tertekan dgn keadaan semasa. Just sharing a weird feeling.

Kenapa orang tak pernah atau kurang berbicara tentang wanita puaka itu ya? Mungkinkah wanita itu benar2 puaka bersama bomoh2 dan ganster2 beliau?

Banyak tindakan2 bodoh yg diputuskan oleh pembesar2, kenapa begitu bodoh keputusan sehingga tidak boleh diterima akal fikiran walaupun secara logik akal haa?

Adakah keputusan dibuat oleh manusia yg dianugerahkan akal fikiran 1 berbanding 9?

Apa lah shahril samad ini, main berkiasa pula, jika mahu nyatakan bahawa penyatuan tun, muhyidin, shafie afdal dan lain lain terdapat agenda peribadi seperti yang anda nyatakan itu, jelaskan lah secara dewasa dan matang.

Bukan begini caranya, andah sudah cukup tua dan berpengalaman...nyatakanlah secara profesional, jangan takut, mereka tak ada point untuk saman anda ke mahkamah.

Cuba fikir dalam2.. kelihatannya mereka semua lebih matang dengan menyatakan apa pandangan mereka terhadap kepimpinan sekarang tanpa berkias berbanding anda.

Nanti semua rakyat dapat menilai bahawa Dato shahril mempunyai pendirian yang tidak jelas...ini untuk kebaikan semua pemimpin juga..

Jika sikap pemimpin tidak jelas rakyat akan merasakan masa depan dan hala tuju parti juga turut tidak jelas.

Kami alu alukan supaya anda nyatakan apa tujuan tujuan peribadi oleh tun dan lain lain supaya kami dapat menilainya....

bila masalah yg timbul lain dari kebiasaan maka penyelesaian nya juga pasti lain dari kebiasaan...

kekuatan raja2 melayu moden terletak pada majlis raja2 melayu...(majlis syura raja2) dan bukannya pada individu...

andai vote of confidence di tolak oleh speaker, usul tersebut boleh dibawa oleh majlis raja2...usul tidak semestinya datang dari bawah...ianya juga boleh datang dari atas...

majlis raja2 wajar campur tangan dalam menangani masalah salah laku di peringkat tertinggi kerana jarak pemisah antara langit dan bumi amat jauh melainkan kiamat...

cadangan byk pihak mengenai penubuhan badan siasatan khas yang dikendalikan oleh majlis raja2 juga wajar diberi perhatian...

di kala kebebasan bersuara menjadi sangat kritikal dan rakyat menjadi takut dengan 1001 macam masalah dalam negara, raja2 lah tempat kami bernaung...

Salam Satu MDB!

Most of us focusing on Najib.

Najib is definitely corrupt but the fact is... the whole system (executive, legislative, separation of power, etc) is wrong!

After being independent for almost 60 years, after having six PMs (all from one single political party ie. UMNO), we failed to establish a good and solid governance for Malaysia.

A government leader abused his power, abused the law, abused the government machineries and officials. This leader is the UMNO president.

I believe UMNO needs to change the way they elect their president. if UMNO cannot change, what options do we have other than changing the government (which I think is difficult also).

Salam Tun

Negara kita menuju kepada kemusnahan. Kerajaan sekarang sudah totally corrupt. Memang betul dan tepat sekali statistik luar terhadap malaysia. Tak dapat dinafi lagi.

Bila mana seseorang rakyat yang melakukan pemindahan wang haram atau money laundering disiasat... dia boleh guna cara yang sama untuk menyelamatkan diri. Bila bank atau pihak berkuasa mengambil tindakan atau menyiasat, dia boleh minta polis tahan orang yang menyiasat kerana membocorkan maklumat akaunnya kepada pihak lain. Dengan ini pihak yang membongkar kegiatannya yang mesti ditahan. Sama lah dengan skandal 1MDB.

Well done.

Power & Poetry

When power leads man towards arrogance, poetry reminds him of his limitations. When power narrows the area of man's concern, poetry reminds him the richness and diversity of his existence. When power corrupts, poetry cleanses.

Manusia itu lumrahnya tamak...
tamak kuasa, tamak harta....
Kecuali sedikit shj yg dirahmati-Nya.....

Manusia itu kebanyakannya
hilang sedar...
Betapa beratnya memegang kepimpinan..
Lebih berat lagi,
kepimpinan tanpa memiliki kemampuan..

Memburu jawatan hanya
utk keuntungan diri...
utk kesenangan duniawi...

As-saamu alaykum....
wahai Najib Razak...

Tahniah kerana Tun telah berjaya menyakinkan pemimpin2 otai UMNO untuk berani kedepan memberikan pandangan tentang isu yang dihadapi oleh rakyat marhain sekarang. Tahniah juga kepada UMNO kerana telah melahirkan pasangan DAJAL sebelum dajal sebenar ujud diakhir zaman nanti. Pasangan DAJAL ini pula telah banyak menetasakan anak2 dajal bukan saja dalam kabinet, tapi juga dalam umno dan agensi2 penguatkuasa. Mereka ini bukan saja sanggup bertindak ikut law of the jungle malah sanggup jilat tahi pasangan DAJAL.. Kalau sebelum ini berlarak kunon nak mempertahankan ketuanan melayu tapi hari ini menjadi perderhaka kepada raja2 melayu kerana raja2 pun dah menyampah dengan perbuatan DAJAL dan anak2 dajal yang memalukan orang melayu keseluruh dunia. Jadi kalau UMNO masih bermaruah dan ingin terus relevant dalam arena politik negara ini maka UMNO sendiri harus menyinkirkan DAJAL dan anak2 dajal ini segera. Ika tidak bersiap2 la kain kapan untuk di kebumikan oleh rakyat pada pru 14 nanti.

Tun,

I would like to hear about your thoughts on the arrest of Khairuddin Abu Hassan and his lawyer Matthias Chang.

I would like to know, given his lawyer has also been locked up, will there be another lawyer allocated to represent these 2 people in the Court of Law, and if so, will this lawyer also be locked up?

This whole arrest of lawyers is troubling... Without legal representation how can one uphold the law in the Court?

Has SOSMA and this government taken the Law and Lawyers into its own hands???

The country is a bloody mess...

Assalamualaikum Tun.

Pertemuan Tun bersama beberapa orang veteran kanan UMNO dan majlis tertinggi UMNO pada hari ini sepatutnya menjadi fasa baru menyatakan pendirian terhadap kepimpinan Najib.

Sepatutnya bekas-bekas menteri dan veteran UMNO bersatu menyatakan pendirian dan petunjuk jelas serta berani bahawa presiden yang ada sudah semakin tidak relevan lagi.

Hari ini juga kerajaan telah pun mengumumkan kenaikan tol di beberapa lebuh raya di lembah Klang dan sekitar KL. Bagi saya ianya jelas dan petunjuk jelas bahawa kerajaan semakin terdesak menaikkan pendapatan kerajaan akibat penyelewangan kewangan negara seperti isu 1MDB.

Rakyat kini semakin tertekan dengan pentadbiran Najib yang ternyata tiada "idea yang bijak" mentadbir urusan kewangan negara.

Menteri-menteri yang ada pun ternyata bodoh dan gagal membantu Najib mentadbir negara dengan baik.

Akibatnya mereka akan dihukum oleh rakyat dengan keputusan PRU14 yang bakal bukan memihak kerajaan yang ada kelak.

Wassalam.

the only way to solve all these issues is to remove the current Igp. the royals could intervene and make a change in the police administration. once this is done there will be no more protection towards the crooks.

most people are missing the point here. anyone voicing their opinion. the police comes in to arrest. remove the Igp and appoint an educated one that knows the law.

John,

I want to be an optimist too. Thus I'd hope the guilty will get to live out many years in a gated and guarded community in Sg Buloh.

Names can be a funny thing in Malaysia. I spent my upper secondary school years in The Royal Military College, in a place called Sg Besi, in Selangor. I am sure you know that too. I mean the college, a carbon copy of Sandhurst in England. A tailor shop nearby the college was Mansfield Tailor. The owner was more Chinese than Mao Zedong. Remember the Red Guards? Now we have Red Shirts.

Cheers.

Salam Tun, glad to see you're still alert and vibrant, Alhamdulillah. You are not just any ordinary person to waste time and lay idle in bed. But make sure Tun to re-energized your body. Sayangilah kesihatan sebelum sakit mendatang.

Tun, you're trying to help to free the two who were detained under that dreaded law. Why is it to be a good samaritan to help save one's country can be labelled as penjahat, pengkhianat, pengganas? Did they jadi penyamun, perompak, pencuri, penggelap berbillion Tun? Negara ni under threat dibawah tangan siapa sebenarnya Tun? We'll see how long and how far they will sit in their 'thrones'. Tak ada apa dan siapa pun yang akan kekal selama-lamanya.

All will be kaput oneday.

May Allah Almighty have Mercy on us all and Forgive us on our wrongdoings. I hope there are no more of his diversions or inhumane plans to make the rakyat quiet. It is very bad to play with human's emotions, lives and griefs for their loved ones.

Even the Council of Rulers has spoken. So this means this 1MDB issues is declared authentic and is of great concern to every Malaysians.

DSN and his merry men must not be biadap to the Rulers, as most of them are Malays and Muslims, and say there is absolutely nothing wrong with 1MDB and all in the house is nice and sparkling bersih. The mess is done by DSN and supported by his merry men, so they should clean it up. But it seems they like living in this kind of mess and the rakyat have to bear the cost. I believe the gullible, hospitality and friendly Malaysians can withstand all storms at whatever cost for the love of this

country, InsyAllah.

With your wisdom and wise moves Tun, by Allah's will, we can see a bright future ahead for Malaysia, no matter what non-lovers of Malaysia say bad of this country, this where we Malaysians are born, live happy and bad times, the land where the sun shines above and the land where we will die, by the will of Allah.

Please take care of your health Tun. May Allah grant you all His Blessings.

This morning I read in the newspaper that there was a suggestion to include 'contract social' as part of the lesson in history. I hope the government will agree to that and I hope they will seek your opinion and experience on the matter. But then, our current education Minister is one of those not the bright ones and arrogant in the cabinet so, he might dismiss the idea. Anyway Tun, please, please get well. Assalamualaikum Tun.

1. Jabatan Peguam Negara telah membersihkan 1MDB dari segala salah laku yang berkaitan dengan penggunaan dana yang diluluskan oleh Bank Negara untuk pelaburan asing.

– Najib menghidu umpama seekor anjing bekas peguam negara Gani Patail tidak mungkin berpihak kepadanya, sebab itulah Najib menggantikan Gani Patail dengan alasan yang tidak masuk akal.

2. Tetapi Bank Negara jelas tidak berpuas hati dan merayu kepada Peguam Negara tanpa apa-apa perubahan dalam laporan itu. Sekali lagi Peguam Negara menolak rayuan itu.

– Skrip bermula dengan peranan peguam negara baru terbukti tali barut Najib.

3. Kita tahu memangnya Peguam Negara diberi kuasa untuk membuat keputusan sama ada sesuatu kes perlu dibawa ke mahkamah atau tidak. Anggapannya adalah Peguam Negara akan menghargai dan memahami betapa serius atau sebaliknya kes yang dibawa kehadapannya, bahawa dia akan menghargai keprihatinan pengadu atau agensi yang membuat laporan itu, bahawa jika ada perasaan tidak puas hati kes itu patut dihakim dalam mahkamah undang-undang oleh seorang hakim dan jika masih tidak berpuas hati rayuan dibenarkan.

– Bukti peguam negara bukanlah seorang yang jujur.

4. Itulah cara yang betul. Tetapi sekarang nampaknya Peguam Negara telah membuat penghakiman itu, menolak kes itu kerana tidak mempunyai merit untuk perbicaraan di mahkamah undang-undang.

Dan apabila rayuan dibuat, rayuan itu ditolak oleh beliau atas alasan yang tidak jelas. Terdapat kekurangan ketelusan di sini.

– Peguam negara akan sentiasa berpihak kepada Najib sebagai orang suruhan yang boleh diharapkan.

5. Adakah ini kedaulatan undang-undang yang negara ini patut dukung? Adakah Peguam Negara lebih tinggi daripada seorang hakim, yang penghakimannya adalah muktamad dan tidak ada sebarang rayuan?

– Peguam negara yakin di belakangnya ada “hakim” yang lebih berkuasa iaitu Nnajib.

6. Dalam kes ini rakyat ingin tahu sama ada Perdana Menteri terlibat atau tidak. Dengan menolak kes ini syak wasangka akan kekal dalam minda rakyat. Malah orang berfikir bahawa keputusan Peguam Negara ini mungkin tidak dibuat oleh Peguam Negara.

– Kekalutan Najib, majoriti rakyat telah sedar dengan skrip dan jalan cerita berpihak kepada Najib yang tidak masuk akal dilakukan oleh tali barutnya.

7. Sebaliknya kita melihat orang sedang ditahan di bawah undang-undang yang kononnya bertujuan untuk membendung keganasan.

– Tuduhan demi tuduhan kepada pelapor kesalahan Najib tetapi Najib menggunakan apa saja cara yang ada untuk mengekalkan kuasanya. Tetapi rakyat nampak.

8. Dalam ucapannya ketika memperkenalkan Rang Undang-Undang Kesalahan Keselamatan (Security Offences Special Measures Act) 2012, PM berkata aktiviti yang menjejaskan demokrasi berparlimen ditafsirkan sebagai satu aktiviti yang dijalankan oleh individu atau kumpulan dengan niat untuk menjatuhkan atau melemahkan demokrasi berparlimen melalui kekerasan dan dengan melanggar Perlembagaan.

– Najib sebagai PM iaitu ketua kerajaan kebal daripada kesalahan tetapi jika pegawai kerajaan melakukan kesilapan kecil akan dihukum. Bukti Najib seorang ketua kerajaan yang tiada integriti.

9. Undang-Undang Kesalahan Keselamatan itu sendiri membatasi pemakaiannya bagi hal-hal keselamatan. Ia memperuntukkan penangkapan dan penahanan oleh seorang pegawai polis mana-mana orang yang dia dipercayai terlibat dalam kesalahan keselamatan selama dua puluh empat jam dan bagi maksud penyiasatan, tahanan boleh dilanjutkan selama tempoh tidak melebihi dua puluh lapan hari.

– Kuasa Najib mengatasi undang-undang negara. Rakyat tahu kepincangan dan salahlaku PM sekarang.

10. Penangkapan Dato Khairuddin dan peguamnya Matthias Chang telah menimbulkan perasaan takut di kalangan orang ramai bahawa melaporkan tentang salah laku Kerajaan dan pegawai-pegawainya merupakan ancaman kepada keselamatan. Pemberi maklumat yang Kerajaan dikatakan menggalakkan, kini menghadapi bahaya dituduh mengancam keselamatan negara.

– Bukti Najib umpama seorang perdana menteri paling kejam dalam sejarah Malaysia.

11. Dengan ini titah oleh Raja-Raja untuk pemeriksaan dijalankan secara adil dan telus tidak lagi boleh dicapai. Terdapat berpuluh-puluh orang yang mempunyai maklumat tentang salah laku dalam 1MDB yang tidak akan mengambil risiko memberi keterangan atau membuat tuduhan kerana mereka menghadapi risiko ditahan dan didakwa di bawah Akta Kesalahan Keselamatan.

– Peranan Raja-raja Melayu terbukti “tiada” kesannya dan kuasa PM jauh lebih “kebal” berbanding raja-raja Melayu.

12. Kita semua tahu bahawa siasatan dalam hal ehwal 1MDB dan USD 700 juta dalam akaun peribadi Dato’ Sri Najib telah tergendala oleh pemecatan Peguam Negara, pemindahan pegawai-pegawai SPRM, pengebirian Jawatankuasa Kira-kira Awam dan ancaman tersirat terhadap Bank Negara. Sekarang peguam pembelaan boleh dipersoal dan ditahan.

– Kerana kuasa PM terlalu power menyebabkan peguam negara berani berbuat sesuatu untuk menterjemahkan “skrip” olahan Najib asalkan ianya berpihak kepada Najib.

13. Tindakan-tindakan ini telah meningkatkan kurang keyakinan dan rasa tidak percaya terhadap mereka dalam Kerajaan. Semata-mata dengan menyatakan siasatan adalah berterusan tidak akan meyakinkan rakyat bahawa kebenaran akan berlaku.

– Majoriti rakyat tidak akan percaya dengan keputusan siasatan 1MDB kerana majoriti rakyat lebih bijak dari kerajaan sekarang.

14. Di mata dunia Malaysia telah menjadi sebuah negara pariah, sebuah negara di mana sesiapa sahaja boleh ditahan dan disoal siasat oleh polis, ditahan dan didakwa melalui menyalahgunaan undang-undang negara.

– Malaysia di bawah pimpinan Najib dilihat oleh masyarakat dunia semakin korupsi. Indonesia di bawah pimpinan Jojo Widodo semakin dilihat semakin baik rankingnya dalam soal rasuah.

15. Dan Jabatan Peguam Negara akan menolak atau tidak mengambil hirau apa-apa laporan salah laku yang melibatkan Perdana Menteri.

– Inilah yang Najib mahukan seorang peguam negara yang boleh ditindik mengikut arahnya.

16. Sudah pun ahli-ahli Kerajaan mengatakan bahawa tiada sesiapa, tidak juga Raja-Raja boleh komen mengenai penyalahgunaan yang jelas undang-undang Negara oleh Kerajaan.

– Semakin kuatlah kuasa Najib hinggalah PRU14. Selepas itu, saya percaya UMNO/BN akan kalah khususnya di mana sebelum ini UMNO menang tipis seperti Selangor, Perak, Pulau Pinang, Terengganu, Negeri Sembilan, Melaka dan mungkin di Perlis.

– Mengapa ????

– Jawabnya kerana Najib sebagai ketua kerajaan atau presiden UMNO yang korup, tiada integriti, memimpin negara secara bodoh dan berbagai lagi.

– Saya cukup yakin jika Najib mampu diganti dengan pemimpin yang jujur tetapi bukan dari kalangan menteri-menteri pengampunya seperti Zahid, Hishamuddin, Ahmad Maslan, Shahrir Samad, Nazri

Aziz, Shahidan Kasim dan ramai lagi setahun sebelum PRU14, UMNO akan lebih kukuh dan kuat berbanding PRU12 dan PRU13 yang lalu.

Sekian Tun.

If only the ex Attorney General Tan Sri Gani Patail would speak up. If only Bank Negara Governor would not play safe and sweet. If only those people (who know about this dirty son of a gun and his government) would not be so afraid to come out and speak up. If only we all are like Tun Mahathir. Like Dato Khairuddin, Matthias Chang. And like Dato Hamid Bador. And like uncle Lim Kit Siang. Or like Rafizi Ramli and Tony Pua. Non opposition and opposition it does not matter in this situation Malaysia is in something is bizarrely not right.

If only the people of Malaysia are brave enough to truly fight for this country. Unfortunately only few are. Like those names above. The rest prefer to play safe to save continuity of 'life as usual'.

PM Najib and his puppet government will surely receive their reward one day and that is the wrath of God. Till then we all will have to endure the fruit of our own mistake and that is giving the mandate to BN again in the last GE13. This country truly is in need of reform Tun. A truly holistic reform.

Thank you Tun Mahathir. Do take good care and be safe always. Love yah!

Assalamualaikum Ayahanda Tun,

Glad to know that even 1MDB is been cleared by AG but BNM still has the option to take a civil suit against 1MDB to get around AG's reluctance to prosecute the company, according to lawyer-blogger Art Harun as reported by FMT.

Quoting the Financial Services Act, he said 1MDB or those responsible for its affairs could be punished by an amount of up to three times the amount involved in a complaint by BNM.

This could be as much as US\$5.5 billion, base on the figure of US\$1.83 billion that BNM has ordered 1MDB to repatriate to Malaysia.

Read more of this via FMT – Art : BNM can now sue 1MDB for US\$5.5bn

See you just need a lady to destroy everything but you have to rely on another strong lady to rectify the matter.

Just sharing something I read somewhere;

Ruler Council : Please address scandal

BNM : Please return the money.

1MDB : We spent it.

AG : No case!

Another blog you guys need to read often is sanusijunid.blogspot.com where I commented on a quotation by

the famous Mark Twain;

“Lies would have travelled half-way around the world before truth puts its boots on”

And my add-on version “But unfortunately the boots got stuck in the hole made by lies”.

Wasalam and may ALLAH SWT grant good health to our dearest Tun.

Amin.

Hello Tun, You obviously feel justice is not being served. Your feelings appear to be shared. However, the institutions in place appear to be allowing the PM the freedom to function. It appears the system of checks and balance within the system strongly favours those in power.

If a certain Mr Nixon had not decided to tape all White House conversations for posterity, who knows if he could have overridden any efforts to remove him from office?

I think, rightly or wrongly the PM will survive this.

I'm an optimist, and I think lessons will be learned. Positive things are just around the corner.

Good luck and look after yourself.

Assalamualaikum Tun,

1MDB have debt of RM 42billion. However, my understanding are that these debts are in USD, approximately USD11.73billion. With the weakening of the ringgit from 1 USD = MYR 3.50 t 1 USD = RM 4.50, the debt should increase to (USD11.73billion x MYR4.50) RM 52 billion. That's an increase of RM10 billion! Who is going to pay for this extra RM10 billion? This is really worrisome.

Assalamualaikum Ayahanda Tun,

The rakyat is at the mercy of King Najib since many many moons ago, ruling these pariah state as he wishes and as he is the law, the rakyat are supposed to abide by him and never question whatever he does.

See what happened if you questioned or investigate about 1MDB and the 2.6 billion donation?

1. Threaten to sue WSJ.
2. Banned the Sarawak Report.
3. Issue warrant of arrest for Miss Claire.
4. Got Justo jailed.
5. Banned the Edge.
6. Banned few opposition leader from leaving the country.
7. Sack the Deputy Prime Minister.
8. Sack a senior Minister.
9. Sack the AG.
10. Harass the MACC officials.
11. Ask the MACC head to go on leave.
12. Harass the Central Bank officials.
13. Dismantle the PAC committee.
14. Sack a small time UMNO member from Kedah.
15. Arrest 2 individuals who reported about 1MDB abroad under Sosma.
16. Threaten to sue Tun Ling Liong Sik.
17. Bin the request from the Ruler Council.

Well believe it or not these list is not going to stop any time now.

Next in line to be taken action against is as follows;

1. Disciplinary actions towards 7 UMNO members including our beloved Tun and his sidekick TSSJ.
2. Show cause letter to Syed Saifuddin of Pusat Bandar Tmn Cempaka branch.
3. Tan Sri Zeti will be asked to go on leave and made to retire.
4. Check on all bloggers who are against his leadership.
5. Etc etc.. ..

Can't wait to see how long these list gonna be until he really make the call to step down or been asked to step down.

Only ALLAH S.W.T. knows, till then we have to live with it.

Wasalam Tun.

Salaam Tun et al,

It seems that Mohd Najib and his sycophants are taking the third choice that I have stated in my earlier post in your article 'Tawau' i.e. they will act normal as if nothing happens. IMHO if the Royal decree to have any value whatsoever in the eyes of the masses, DYMM Tuanku whom had bestowed State honors i.e. Datukship etc. to revoke their bestowment to these wicked individuals who defies the Royal decree, as a show of seriousness of their call and as a sign of 'Daulat'. It is DYMM Tuanku prerogative to do as such. Then only would Mohd Najib and his sycophants have any respect whatsoever to the DYMM Tuanku call. Or maybe this will just be another wishful thinking. As of Mohd Apandi, it is predicted of him to do as such. He is BTW handpicked by Mohd Najib. Surely Mohd Najib is intelligent enough to pick somebody with no spine.

Winter is coming.
And Allah knows best.

Love from Saudi

Malaysia , Indonesia , Brunei juga Negara Islam yg lain
Sebagai Negara yg mempunyai lebih penghuni Islam
Perlu Pemimpin Islam yg Luar Biasa
Inilah masa terpenting bagi Umat Islam Keseluruhannya
Ini bukan masa Umat Islam bolih Bercanda , bolih ambil sambil Lewa

Sebab Islam sedang Tergugat , Di Uji
Di lempar dengan Fitnah yg berjaya memecah belahkan kita
Maka itu buka sahaja Pemimpin dan Pasukannya
Malah Umat Islam Keseleuruhannya perlu berubah

Maka seolan pertama yg perlu di tanya Pemimpin yg sedia ada dan yg bakal berada

Apakah Niat anda untuk menjadi Pemimpin ?

Bijak Pandai bukan ukuran Pemimpin

Niat anda adalah ukuran segalanya

Pemimpin pandai lagi Penyangak akan Menghancurkan kita

Pri Pentingnya Umat Islam Wajib Bersatu walau ada pertikaian kita sesama

Pertikaian kita sesama adalah Lumrah dan Sandiwara Manusia

Berlaku di dalam Keluarga, Suami Isteri , Anak Beranak , Adik Beradik

Tidak bermakna Kita perlu memutuskan Siratulrahim , membunuh sesama bersekutu dengan musuh Islam sebenar

Namun apa yg akan berlaku Kelak

Sudah tercatat ,semua sudah di aturkan

Namun Kita perlu Berusaha menuju kepada Ummah

Bayangkan jika anda berada di Suasana Syria , Libya dan Keseluruhanya

Mereka dalam Suasana yg tidak Terbayang Azabnya

Berdepan denga ISIS yg di reka Amerika , dengan kalangan Radikal melawan sesama

Berlawan dengan Assad di Hujani pula dengan Bom ,Missiles Amerika ,British, France Saudi , Turkey , Israel dan sekarang Rusia

Dengan tiada makanan, minuman , dalam cuaca yg tidak menentu , berhijrah beramai ramai mencari Tedur Mengemis di Negara Barat , di Halau pula ke sana sini

Semoga Allah melindungi mereka kesemua juga Haiwan yg menjadi Perlarian

Bukan Pemimpin yg Handal yg di perlukan sekarang

Malah Setiap Umat Islam walau si cacat ,si terencat akal pun perlu kedepan

Berkorban berusaha memyatukan kita sesama

Dear Bro & Sis in Islam

Hold Fast to the Rope of Allah

Be not be us be Divided

We can,t go Wrong , Its written in the Quran

We don,t have to fight the Mighty Military of US & the West

God will deal with them

We just need to be United with Niat with Kalimmah

US & The West Military Aggression, Allah will Deal with them

Its already seen US weapons are Eating themselves up itself

Daily murder of their Civil life , Rampage with Guns in their School Children

Is already an Indications

Doc,

In Malaysia, you can be arrested for being a progressive, modern citizen. Handing out Balloons with words such as 'honesty', 'integrity', 'freedom'! I still can not believe the daughter of one of the best architects was hauled in.... She comes from an artisitc background... This is shameful.

Your daughter too, she is a progressive. These are the faces of modern, moderate, progressive Malays.

The images of the Red Shirts, their Hate, Racist taunts. Ugly, Corrupted and Blind faces. They hold the power. They and UMNO are holding Malaysia back in the stone age.

Then we see the 2 faced, the UMNO Youth leader, Najib – who says something to UMNO then says something to the West. We all know that the internet exists and we are not fooled by his insincerity.

What has become of Malaysia?

Najib adalah PKR[Pariah Ketua Rakyat].Najib juga PKR [Pasti Kuli Rosmah].Bagi BN [Barisan Najis],Najib UMNO {Untuk Mereka Najib Orait} tapi bagi rakyat,Najib DAP[Dasarnya Adalah Pencuri].Bila Najib cakap,rakyat ingat PAS [Pasti Ada Sesuatu],tapi Najib tegaskan itu BN [Bukan Najib]tapi Bugis Nature [BN].Najib cuba jadi PKR [Pemimpin Kebangsaan Rakyat] tetapi menjadi PAS[Pemimpin Amatur Syaitan].Dulu,Najib UMNO [Untuk Mahathir Najib Ok],tapi sekarang Najib di kenali sebagai Mr.GST [Gengster Samun Terkenal].

Najib

Kami Ummah Muhammad memerlukan Pemimpin yg Luar Biasa
Bukan hanya untuk Malaysia bahkan untuk Umat Islam Sejagat
Jika anda tidak yakin akan Tugas yg di berikan

Lucutkan lah Jawatan kamu
1MDB bukan duit saya punya tapi saya Halalkan

Dunia Islam Di Fitnah Di Zalimi Di Porakperandakan oleh
FITNAH Amerika untuk Israel bersekutu dengan Barat
Bukan Kezaliman Saddam , Assad , Gadafi dan selanjutnya

Tidakkah kita lihat penampilan yg mereka lakukan
Negara demi Negara ,Bermula Afganistan , Iraq , Libya ,Syria ,Yemen
dan ramai lagi . Hanya tunggu Iran terakhir untuk
Barat ,Amerika , Israel menguasai semua

Kenapa Kita Bodoh mempercayai Fitnah Amerika ?
Tidakkah kita lihat perbuatan mereka jauh sekali bercanggah dari apa yg mereka katakan
Kenapa kita tuduh saudara kita yg merayu , menitis bantuan sebagai Terrorists
Dayus Kita sekarang Umat Muhammad
Tergamak melihat ,mendengar saudara kita menderita

Lagi sibuk mempertikaikan wang 1MDB
Mempertikaikan persoalan Peribadi masing masing

Mengapa Tidak kita pelawa saudara kita yg menderita ke Tanah kita
Di Indonesia , di Malaysia , di Brunei
Kalau kita takut akan akibat masa depan
Kalau kita takut tak mampu memberi mereka makan dan teduh
Kita campakkan mereka ke satu , dua atau berapa Pulau sekali pun Hutan Belantara
Untuk mereka berlindung sementara Biar mereka usaha sendiri untuk Hidup
Perlu Kawalan Askar kita sendiri supaya mereka tidak ke Jahiliah dan untuk Keselamatan kita

Ya Allah Ya Rahman Ya Rahim
Bantulah Saudara kami di Timur Tengah ,yg sedang bergelumuran dengan Ketakutan, Bergelumuran
Darah ,Maut seharian ,Anak anak yg tidak berdosa jadi mangsa
Kaum Hawa jadi Pertarungan Nafsu dek kerana
FITNAH AMERIKA ,Negara Barat dan Israel untuk Kepentingan mereka
Ameen ,Ameen

Two watershed reports in the media within two days have brought back our beloved Malaysia to her senses. That the Rule of the Laws within the pretext of our cherished Constitution must prevail eg.

" TIMELY REMINDER FROM RULERS " The Star October 8. 2015

" BANK NEGARA MALAYSIA URGES CRIMINAL PROSECUTION OF 1MDB."

These watershed events re-affirmed the Political System of our beloved Malaysia which is led by the trustworthiness and the wisdom of UMNO.

In the case of Bank Negara Malaysia, I am relieved that our most famous iconic institution next to the Dewan Rakyat finally drew the line in the sand. That the finest traditions of the Bank as was led and successfully administered for nearly a generation by our towering Central Banker Tun Ismail bin Mohd. Ali have been kept alive and well.

Syabas to YB. Tan Sri Zeti Aziz, the present Governor.

A Nation must have holistic and iconic institutions to be a Nation.

I sincerely hope wisdom and sound minds will prevail in this unnecessary conundrum which is only about MONEY MONEY MONEY. If money has been lost, then it should be recovered or created again after all it is only MONEY MONEY MONEY. No problem.

I am certain once NORMALCY returns, we will shoot up to the Moon and the stars again.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Salam Tun.

1. Pasti undang-undang yang ada sudah digubal sekian lama oleh mereka-mereka yang diiktiraf terdahulu dan melalui kajian secara antarabangsa. Maksudnya mereka-mereka yang pernah menjadi penguamcara yang bertaraf antarabangsa yang bukan sahaja berpengalaman didalam negara sendiri sahaja.
2. Kita dapat mengetahuinya berpandukan biodata yang dimiliki golongan ini dengan disahkan oleh pakar-pakar dari kerajaan Malaysia dan luar negara.
3. Dalam agama Islam undang-undang yang sebenar sepatutnya berpandukan Al-Quran. Bagaimana pun cara ia dilaksanakan selalunya tidak akan sama dengan apa yang dikehendaki oleh Allah s.w.t.
4. Disebabkan kelemahan manusia yang mempunyai nafsu dan pernah diragui oleh malaikat menyebabkan hukuman secara adil iaitu yang seratus peratus hanya boleh berlaku pada hari akhirat nanti.
5. Cara yang diguna pakai oleh manusia telah ditentukan oleh Allah s.w.t sebagaimana yang diwahyukan kepada baginda Rasullullah s.a.w. Sangkaan malaikat ada benarnya walaupun dibantah oleh Allah s.w.t yang maha mengetahui.
6. Sebab itu hukuman akan dinilai kembali pada hari akhirat berpandukan dosa dan pahala yang telah dilakukan oleh manusia di dunia ini. Semuanya dengan bantuan malaikat yang tiada nafsu dan hanya mempunyai sifat kepatuhan sahaja.

7. Malah caranya adalah berlainan seperti adanya titian sirotulmustakim, neraca timbangan, catatan malaikat dengan kitab-kitab yang didatangkan dari kiri atau pun kanan dengan pengakuan sendiri anggota-anggota manusia. Semuanya menunjukkan kekuasaan Allah s.w.t yang maha mengetahui.
8. Kalau kita sendiri tahu kelemahan manusia dalam melaksanakan undang-undang negara dengan cara yang berlainan sekali dengan kuasa Allah s.w.t. Maka apa yang telah di sangsikan oleh Tun ada kebenarannya.
9. Kuasa sepatutnya ada pada undang-undang. Bukannya pada manusia atau pengamalnya. Dalam proses perbicaraan telah ada cara yang telah diamalkan iaitu adanya seorang Hakim dan ramai barisan Juri yang sepatutnya berbagai latar belakang yang terbukti seseorang yang dihormati didalam masyarakat dan agamanya.
10. Bukan seperti sekarang adanya 'AGs Chambers' mendahului undang-undang. Mereka ini pula yang boleh menentukan seseorang itu boleh melalui proses undang-undang. Nampak kuasa ada padanya bukan pada undang-undang itu.
11. Muktahir ini undang-undang telah boleh diubah bermakna mereka-mereka yang berada didalam majlis undang-undang ini telah mendahului pengamal undang-undang yang lama dan telah mengkuasakan diri mereka dari kuasa yang sepatutnya hanya pada undang-undang negara.
12. Siapa mereka yang berada didalam 'AGs Chambers' ini dan selidikilah biodata mereka adakah sama berpengalaman dengan yang memulakan undang-undang yang terulung itu ?.
13. Pasti 'AGs Chambers' tidak sepatutnya berada dalam kedudukan sekarang kerana ia mendahului kuasa undang-undang negara. Kalau kuasa ada pada undang-undang sudah tentu satu keadilan telah tertegak kerana tiada siapa boleh melarikan diri daripada menerima hukuman.
14. Allah s.w.t maha adil , maha berkuasa lagi maha mengetahui.

Wallahua'lam.

Salam Tun,

Seperti dijangkakan, bom telah diledakkan oleh TS Zeti dan tenteranya kat ubun-ubun kepala pihak-pihak berkenaan yang 'membersihkan' 1MDB. Berpinar-pinar mata depa malam ni. Dan nilai ringgit juga meningkat sedikit kesan tindakan BNM ini yang mana sedikit-sebanyak memberi harapan kepada pasaran bahawa BNM tak lah tidur lena.

Rasa-rasanya SPRM juga bakal meledakkan bom mereka sedikit masa lagi. Mengikut pandangan orang-orang alim lagi kasyaf, hayat PM dah dipenghujung kuasanya. Baterinya dah tak boleh dicaj-semula lagi dan ramai pakar-pakar terselindungnya juga telah mula menjauhi diri. Para penyokong tegarnya juga harus memikirkan alternatif lain dan nilailah apakah dia boleh berkayuh jauh lagi dalam gelombang desakan untuknya turun.

Malaysia ni masih berdaulat. Seharusnya beliau rela turun secara terhormat. Ingatlah, dah beberapa orang penasihat beliau (pegawai yang paling rapat dengannya) telah dipanggil Illahi berturut-turut dalam selang hanya beberapa hari secara tak diduga. Khuatir juga kalau-kalau Allah hilang redha-Nya ke atas beliau untuk terus menerajui negara. Macam-macam boleh jadi walaupun asalnya tak pernah pun terfikir akan berlakunya peristiwa demikian ke atas beliau. Wallahualam.

Assalamualaikum, Tun.

Ramai Rakyat hari ini telah berpendidikan dan tahu membuat penilaian dan analisis secara logik.

Janganlah kerajaan menganggap Rakyat bodoh, dengan penjelasan yang tidak masuk akal.

Alangkah pilunya, Negara kita disifat pariah, bukan saja disebabkan perbuatan-perbuatan yang di luar logik, malah sesetengah, seperti Jamal, Tajuddin dan Ali Tinju terus bersamseng, seakan-akan Negara ini tidak mempunyai undang-undang!

Assalamualaikum Tun,

Najib is above EVERYBODY. That include the Raja2. He is above the law to be precise.

Apandi is more scared of Najib than Allah swt. Virtually all Government servants are scared of Najib than Allah swt.

They all willing to die for him and suffer in Hell rather than follow Allah' s words.

I wrote a few months ago that this country has been turned into a Pariah state. So I am not wrong.

Worse still I am damn sure Najib kneels in front of the Superpowers like USA..Australia..UK and even Singapore so long he can rule this country for a long time.

Believe me..he learnt the trick from Anwar Ibrahim when the latter joined UMNO and introduced Money Politics.

Thats is why he has to keep Anwar quiet now.

It takes a thief to know another thief...

This is a game for political survival. Najib will use whatever means to remain in power. However, I respected him for 2 great achievements which none of our former PM did. Firstly, he is the only PM who has an ability to get RM2.6 million donation! Secondly, he is the only PM played golf wirh US president (despite Kelantan was sink by flood)

As Salam Tun,

I am glad of your fast respond to this shameful act of AG finding that there were no case against 1MDB investment overseas amounting to (more or less) USD 1.8B.

Just received information that BNM statement today has rejected claimed by AG that there were no any wrongdoings by 1MDB which in actual Bank Negara Malaysia has advised AG to prosecute 1MDB for failing to plan according to BNM guidelines before investing overseas.

And we witnessed that AG has jeopardised BNM integrity and BNM responded in ways of telling AG that BNM was not stupid.

We will see the drama continue.

Take care Tun M.
