Tun Dr Mahathir Mohamad

1. I had worked hard to make Najib the Prime Minister of Malaysia.
2. But now I want him to be removed, to step down from being Prime Minister.
3. It is nothing personal.
4. It is because he has failed terribly as Prime Minister.
5. Very early I noted the wrong things he was doing.
6. We have been independent since 1957. We should be able to run our own country by ourself. Indeed we had been doing so for decades before Najib, and we did very well.
7. But Najib appointed several British officers as his advisers.
8. Najib appointed many foreign consultants to advise him on running the country.
9. These people cost billions of Ringgits but their advise were generally not good for the country. They knew nothing about the politics, economics and sensitivities of Malaysia. As a result the development of Malaysia has slowed down and the races are at each others throats.
10. Najib's Government became extremely unpopular. Despite giving lots of money to the people, they rejected him in the elections of 2013. He performed worse than Abdullah, who was also rejected by the people. The Chinese rejected him totally despite his declaring himself to be their brother.
11. He antagonised the civil servants by setting up Pemandu to take over the job of the EPU. Pemandu non-Government personnel were paid very high salaries, far above the Government Salary Scheme. So annoyed were the Civil servants that a few, upon retirement joined the opposition party and stood as opposition candidates, something which never happened before.
12. The growth of the economy fell below those of the Philippines and Indonesia.
13. The currency depreciated and share prices went down badly creating problems for businesses, importers and exporters. The cost of living went up especially after the GST.
14. Then came the 1MDB scandal. A totally unnecessary fund was created which was to be financed by huge borrowings. The Government gave one million Ringgit as capital but 1MDB (1 Malaysia Development Berhad) borrowed 42 billion Ringgit from the market. It paid high interest of 5.9% and gave 10% commission to Goldman Sachs. Government never borrowed so much or paid such high rates.
15. 1MDB bought electric power plants at higher than market price. It also bought the debts of the power companies. Total cost was 18 billion Ringgit. 1 MDB lost so much money that it cannot pay the interest on the loans.

16. 1MDB bought Government land at 60 Ringgit per square foot when the real price is over RM3000 psf. Revaluing the land by 50 times, it claims its asset is bigger than its debts. This is like selling Approved Permits obtained free from the Government.

17. Then 1MDB entered into shady business with Petro Saudi as JV partner. It paid USD 1 Billion for its 40% share. Six months later the JV was dissolved. But the USD 1 Billion together with another 700 million USD were converted to a loan to Petro Saudi. The money has now disappeared.

18. The only assets that 1MDB has are the power plants and the land in Kuala Lumpur. More than RM20 Billion of the 42 billion Ringgit cannot be traced or accounted for.

19. Then suddenly the Wall Street Journal reported that Najib had in his private account at the Arab Malaysian Bank USD700 million (amounting to RM2.6 billion at that time)

20. No PM of Malaysia or UMNO President can have that much money. All donations to UMNO are normally received and banked by the UMNO Treasurer. All assets are placed under the name of three trustees.

21. Never in the history of UMNO had there been more than RM250 million in cash. All other assets are in the form of shares, land and buildings. The President is duty-bound to hand over all donations to the treasurer for banking. The President never had UMNO money or money donated to UMNO for elections for example in his private account. There is no provision for UMNO accounts to be operated by the President.

22. Najib and his wife are well-known for a lavish life-style. Obviously millions were spent on the betrothal and numerous wedding ceremonies in Malaysia and Kazakhstan. Najib's step-son spent hundreds of millions of dollars buying property in London, New York and California. He also financed the production of a Hollywood movie, "The Wolf of Wall Street" with over 100 million US Dollars.

23. On Najib's salary as Prime Minister, it is impossible for him to spend millions on all these. A statement by the PMO claimed that the money for the foreign properties and film was inherited. It is impossible for Tun Razak, or Haji Noah or Rosmah's father to have and leave hundreds of millions of Ringgit. They were not even known as millionaires. Najib's brothers refuted the claim.

24. So where did the money come from. Najib claims the 2.6 billion Ringgit was donated to him by an Arab. This is ridiculous. Nobody ever gives that amount of money to anyone. And Najib cannot prove that the Arab had given the money.

25. And so a special task force consisting of the A.G, the Anti Corruption Commissioner, the Governor of Bank Negara and the Inspector-General of Police was set up to investigate the source of the RM 2.6 billion in Najib's private account at The Arab Malaysian Bank.

26. The Public Accounts Committee of the Dewan Rakyat was also investigating what happened to the RM 42 billion Ringgit borrowed by 1MDB. So was the Auditor General.

27. Suddenly Najib sacked the Attorney-General claiming he was sick. The A.G denied he was sick. There was no certificate by doctors to prove he was sick. Najib had no right to claim that the A.G was sick.

28. At the same time the head of the Anti-Corruption Commission was said to have gone on leave. The Governor of Bank Negara was silent. Later she stated she was afraid of being arrested.

29. Two of the Government members of the PAC were made deputy ministers and another two given other jobs. They could not carry on their work as PAC members. The PAC was without a Chairman and its investigation of 1MDB has stopped.

30. Two members of the Anti-Corruption Commission were arrested, released and transferred to the PM's office. After complaints were made they were transferred back to the Commission.

31. The assistant head of the Special Branch was transferred out. He then made a strong statement against his transfer.

32. People who spoke about 1MDB and the 2.6 billion Ringgit in Najib's account, or reported on it were arrested, have their passports confiscated and threatened by the police with questioning. It seems that any question about 1MDB and Najib's 2.6 billion constitute acts to undermine democracy and to topple a properly elected Government. People can be detained for up to 28 days without trial under a new law which is meant for acts of terrorism. Talking about 1MDB and Najib's 2.6 billion seems to constitute acts of terrorism. Najib forgets that he was involved in the removal of his predecessor who was also elected democratically.

33. Then came a bombshell. Al Jazeera screened the story of the murder of the Mongolian girl Altantuya. It was clear from the story that Najib has something to do with the murder.

34. Many Malaysians refuse to believe it. But people all over the world believe the story. It has become an international scandal. It has brought shame to Malaysia. Everywhere one goes, one is asked, "What has happened to Malaysia".

35. Between 1MDB, the 2.6 billion Ringgit in Najib's private account and the murder of Altantuya, Malaysia's good name has been totally blackened. Never before has Malaysia become so disgraced by its own Prime Minister. Never before have people looked down upon this country. Never before have Malaysians been so ashamed of their country.

36. Najib has paid people to demonstrate in the streets in support of him. He has of course made it illegal for people to demonstrate for his removal.

37. If the currency and the economy is to recover, Najib must cease to be Prime Minister of Malaysia. Malaysians must demand for Najib's removal. It is totally democratic to demand for his removal. The actions he has taken to detain people for holding rallies to demand for his removal is what is undemocratic and against the laws of this country.

38. I call upon all Malaysians to demand that Najib allows the investigation against him to be carried out by independent people not appointed by him. Najib must allow due legal process to go on. If it is found that he had done illegal things he should be made to resign.

39. Only his ceasing to be the Prime Minister of Malaysia will the economy recover, the Ringgit revalued up, and cost of living go down. Only after his removal can Malaysians stand tall again.

VERSI BM

1. Saya telah bekerja keras untuk menjadikan Najib Perdana Menteri Malaysia.
2. Tetapi sekarang saya mahu dia disingkirkan, meletak jawatan daripada menjadi Perdana Menteri.
3. Ia bukan hal peribadi.
4. Ia adalah kerana dia telah gagal teruk sebagai Perdana Menteri.
5. Daripada awal lagi saya perhatikan perkara-perkara salah yang dia lakukan.
6. Kita telah merdeka semenjak 1957. Kita sepatutnya dapat mentadbir negara kita sendiri. Sesungguhnya kita telah pun berbuat demikian selama beberapa dekad sebelum Najib, dan kita telah melakukannya dengan cemerlang.
7. Tetapi Najib melantik beberapa pegawai British sebagai penasihatnya.
8. Najib telah melantik ramai perunding asing untuk menasihatinya bagaimana mentadbir negara.
9. Orang-orang ini melibatkan kos berbilion-bilion ringgit tetapi nasihat mereka secara amnya tidak baik untuk negara ini. Mereka tidak tahu apa-apa tentang politik, ekonomi dan sensitivi Malaysia. Akibatnya pembangunan Malaysia lembab dan bangsa-bangsa berada dalam keadaan menentang satu sama lain.
10. Kerajaan di bawah pimpinan Najib menjadi sangat tidak popular. Walaupun memberi banyak wang kepada rakyat, mereka menolak beliau dalam Pilihan Raya 2013. Prestasi beliau lebih buruk daripada Abdullah, yang juga telah ditolak oleh rakyat. Orang Cina menolaknya sama sekali walaupun beliau mengisytiharkan dirinya sebagai saudara mereka.
11. Dia menimbulkan kemarahan kakitangan awam dengan menubuhkan Pemandu untuk mengambil alih tugas EPU. Kakitangan Pemandu yang bukannya pegawai Kerajaan telah dibayar gaji yang tinggi, jauh lebih tinggi mengatasi Skim Gaji Kerajaan. Begitu marah, sebilangan pejawat awam sebaik sahaja bersara mereka telah menyertai parti pembangkang dan bertanding sebagai calon pembangkang, sesuatu yang tidak pernah berlaku sebelum ini.
12. Pertumbuhan ekonomi jatuh di bawah paras pertumbuhan ekonomi Filipina dan Indonesia.
13. Mata wang telah susut dan harga saham susut dengan teruk mengakibatkan masalah untuk perniagaan, pengimport dan pengeksport. Kos sara hidup meningkat terutama selepas GST.
14. Kemudian datangnya pula skandal 1MDB. Suatu dana yang sama sekali tidak perlu telah diwujudkan yang akan dibiayai oleh pinjaman yang besar. Kerajaan telah memberi satu juta Ringgit sebagai modal tetapi 1MDB (1Malaysia Development Berhad) telah meminjam 42 bilion Ringgit daripada pasaran. Ia membayar faedah yang tinggi sebanyak 5.9% dan memberikan komisen 10% kepada Goldman Sachs. Kerajaan tidak pernah meminjam begitu banyak atau membayar kadar yang begitu tinggi itu.
15. 1MDB membeli loji kuasa elektrik pada harga lebih tinggi daripada harga pasaran. Ia juga membeli/mengambilalih hutang piutang syarikat-syarikat janakuasa. Jumlah kos adalah 18 bilion

Ringgit. 1MDB kehilangan begitu banyak wang sehingga ia tidak boleh membayar faedah ke atas pinjaman.

16. 1MDB membeli tanah Kerajaan pada 60 Ringgit kaki persegi sedangkan harga sebenarnya adalah lebih daripada RM3,000 kaki persegi. Dengan menilai semula tanah itu sebanyak 50 kali ganda, ia mendakwa asetnya adalah lebih besar daripada hutangnya. Ini adalah seperti menjual permit import yang didapati secara percuma daripada Kerajaan.

17. Kemudian 1MDB telah menyertai perniagaan yang mencurigakan dengan Petro Saudi sebagai rakan usaha sama. Ia membayar USD1 Bilion bagi saham 40 peratus miliknya itu. Enam bulan kemudian usaha sama ini telah dibubarkan. Akan tetapi USD1 Bilion itu bersama dengan USD700 juta yang lain telah ditukar menjadi pinjaman kepada Petro Saudi. Wang ini kini telah lesap.

18. Satu-satunya aset yang dipunyai oleh 1MDB sekarang adalah loji kuasa dan tanah di Kuala Lumpur. Lebih daripada RM20 Bilion daripada 42 Bilion ringgit itu tidak dapat dikesan atau dihitung.

19. Kemudian tiba-tiba Wall Street Journal melaporkan bahawa Najib mempunyai USD700 juta dalam akaun peribadinya di Bank Arab-Malaysia (bersamaan RM2.6 bilion pada masa itu).

20. Tidak ada PM Malaysia atau Presiden UMNO yang boleh mempunyai wang sebanyak itu. Semua sumbangan kepada UMNO biasanya diterima dan dibankkan oleh Bendahari UMNO. Semua aset diletakkan di bawah nama tiga pemegang amanah.

21. Tidak pernah dalam sejarah UMNO terdapat lebih daripada RM250 juta secara tunai. Semua aset lain adalah dalam bentuk saham, tanah dan bangunan. Presiden adalah bertanggungjawab untuk menyerahkan semua sumbangan kepada Bendahari untuk perbankkan. Presiden tidak pernah menyimpan wang UMNO atau wang didermakan kepada UMNO, untuk pilihan raya misalnya, di dalam akaun peribadinya. Tiada peruntukan untuk akaun UMNO dikendalikan oleh Presiden.

22. Najib dan isterinya terkenal dengan gaya hidup yang mewah. Jelas sekali jutaan telah dibelanjakan untuk pertunangan dan pelbagai majlis perkahwinan di Malaysia dan Kazakhstan. Anak tiri Najib membelanjakan ratusan juta dolar membeli hartanah di London, New York dan California. Beliau juga membiayai pembikinan filem Hollywood, "The Wolf of Wall Street" dengan perbelanjaan melebihi USD100 juta.

23. Dengan gaji Najib sebagai Perdana Menteri, adalah mustahil baginya untuk membelanjakan jutaan ringgit bagi semua ini. Ada satu kenyataan oleh PMO yang mendakwa bahawa wang bagi harta-harta luar negara dan filem itu telah diwarisi. Adalah mustahil bagi Tun Razak, atau Haji Noah atau bapa Rosmah untuk memiliki dan mewariskan ratusan juta Ringgit. Malah mereka tidak dikenali sebagai jutawan pun. Adik beradik Najib menafikan dakwaan itu.

24. Jadi dari mana datangnya wang itu? Najib mendakwa 2.6 bilion Ringgit itu telah didermakan kepadanya oleh seorang Arab. Ini tidak masuk akal. Tiada siapa yang pernah memberikan wang sebanyak itu kepada sesiapa. Dan Najib tidak dapat membuktikan bahawa orang Arab itu telah memberinya wang.

25. Dan dengan itu sebuah pasukan petugas khas yang terdiri daripada Peguam Negara, Pesuruhjaya Pencegahan Rasuah, Gabenor Bank Negara dan Ketua Polis Negara telah ditubuhkan untuk menyiasat punca RM2.6 bilion berada dalam akaun peribadi Najib di Bank Arab-Malaysia.

26. Jawatankuasa Kira-Kira Dewan Rakyat juga sedang menyiasat apa yang berlaku kepada RM 42 bilion Ringgit yang dipinjam oleh 1MDB. Begitu juga Ketua Audit Negara.

27. Tiba-tiba Najib memecat Peguam Negara dengan mendakwa dia sakit. Peguam Negara menafikan beliau sakit. Tidak ada sijil oleh doktor membuktikan dia sakit. Najib tidak mempunyai hak untuk mendakwa bahawa Peguam Negara sedang sakit.

28. Pada masa yang sama, ketua Suruhanjaya Pencegahan Rasuah dikatakan telah pergi bercuti. Gabenor Bank Negara membisu. Kemudian dia menyatakan dia takut ditangkap.

29. Dua daripada ahli-ahli Kerajaan PAC dilantik Timbalan Menteri dan dua lagi diberi pekerjaan lain. Mereka tidak dapat meneruskan kerja-kerja mereka sebagai ahli PAC. PAC adalah tanpa seorang Pengerusi dan siasatan 1MDB telah berhenti.

30. Dua anggota Suruhanjaya Pencegahan Rasuah telah ditangkap, dibebaskan dan dipindahkan ke Pejabat Perdana Menteri. Selepas komplek dibuat mereka telah dipindahkan semula ke Suruhanjaya.

31. Penolong Ketua Cawangan Khas telah dipindahkan keluar. Beliau kemudian membuat kenyataan yang keras terhadap pemindahannya.

32. Orang yang bercakap mengenai 1MDB dan 2.6 bilion ringgit dalam akaun Najib, atau melaporkan mengenainya telah ditangkap, pasport mereka dirampas dan diancam oleh polis dengan soal siasat. Ianya seolah-olah sebarang soalan mengenai 1MDB dan Najib 2.6 bilion merupakan tindakan untuk melemahkan demokrasi dan menjatuhkan Kerajaan yang dipilih dengan betul. Orang boleh ditahan sehingga 28 hari tanpa perbicaraan di bawah undang-undang baru yang bertujuan untuk mencegah tindakan keganasan. Bercakap tentang 1MDB dan RM2.6 bilion kepunyaan Najib seolah-olah merupakan tindakan keganasan. Najib lupa bahawa beliau sendiri terlibat dalam penyingkiran pemimpin terdahulu yang juga dipilih secara demokrasi.

33. Kemudian datangnya sesuatu yang menggemparkan. Al Jazeera menayangkan kisah pembunuhan gadis Mongolia Altantuya. Adalah jelas daripada kisah itu bahawa Najib mempunyai kaitan dengan pembunuhan itu.

34. Ramai rakyat Malaysia tidak mahu mempercayainya. Tetapi orang di seluruh dunia mempercayai cerita itu. Ia telah menjadi satu skandal antarabangsa. Ia telah memalukan Malaysia. Di mana-mana sahaja sesiapa pergi, ada yang bertanya, "Apa yang telah berlaku kepada Malaysia".

35. Di antara 1MDB, 2.6 bilion ringgit dalam akaun peribadi Najib dan pembunuhan Altantuya, nama baik Malaysia benar-benar rosak. Tidak pernah sebelum ini, Malaysia menjadi begitu hina oleh Perdana Menternya sendiri. Tidak pernah orang memandang rendah negara ini. Tidak pernah sebelum ini rakyat Malaysia begitu malu dengan negara mereka.

36. Najib telah membayar orang untuk menunjuk perasaan di jalan-jalan untuk menyokong beliau. Dengan sewenangnyanya beliau juga mengharamkan usaha orang-orang tunjuk perasaan bagi memecatnya.

37. Untuk mata wang dan ekonomi pulih, Najib mesti berhenti menjadi Perdana Menteri Malaysia. Rakyat Malaysia mesti menuntut penyingkiran Najib. Ianya sesuatu yang amat demokratik untuk menuntut penyingkiran beliau. Tindakan yang diambil beliau untuk menahan seseorang untuk

mengadakan perhimpunan untuk menuntut penyingkiran beliau adalah apa yang tidak demokratik dan bercanggah dengan undang-undang negara ini.

38. Saya menyeru semua rakyat Malaysia untuk menuntut Najib membenarkan siasatan terhadapnya yang akan dijalankan oleh orang-orang bebas yang tidak dilantik olehnya. Najib mesti membenarkan proses undang-undang berjalan. Jika didapati bahawa dia telah melakukan kesalahan dia perlu didesak untuk meletakkan jawatan.

39. Hanya dengan pengundurannya sebagai Perdana Menteri Malaysia barulah ekonomi akan pulih, nilai ringgit akan meningkat, dan kos sara hidup akan turun. Hanya selepas penyingkirannya rakyat Malaysia akan mampu berdiri semula.

Salam to all Malaysians'...

I agree with what everyone are saying in one way or another but for me the real problem lies with our mentality. Malaysians are keen on saying and believing that each race are better than others. These problems can only be solved once we put our racist mentality and comments aside and start thinking as one race, a race that's called MALAYSIAN!

We have to stick to each other, believe and respect each other as one race, one community. We have to be there for each other, then only can we resolve this arising problems which mostly are created by our irresponsible government who are taking advantage of our weakness. When we are together, no one can play with our minds nor play with their words to weaken us. Only then they will start respecting us as one community with one race in one nation that's called MALAYSIANS MALAYSIA!!

Don't the Malaysians realise that we are born in this country and we will have no other place to call home if anything happens to our beloved country? Why are the Malaysians allowing these racism issues to dictate their minds and start behaving like uneducated people and fall into these irresponsible politicians trap?

Stop behaving like smart ass and start learning from each other. Even how smart we are, we are unable to master all knowledge in the world and the only way to up grade our knowledge is from learning with each other. Yes, not all subjects are worth learning, but that is why GOD has given us a brain to think. Take and learn the good things and throw away the bad one. Any satisfaction that comes from winning a stupid racist debate won't last long and it will only create one problem after another. The real satisfaction will only come when we can live in peace, harmony and economically stabilised country. We will be happy to see our family growing in a nation with no problems concerning race, religion and economy.

I hope we will stop talking rubbish and start talking sense. If Malaysians feel they are smart, which they are, eradicate negative racism mentality and start finding a way to remove our corrupted leader and government. Try to look for a leader who can unite us and bring glory to our beloved nation. Let us live and die in peace. Try to build a good future, not only for us but also for our children and great grand children. Only then our next generation will appreciate us as their responsible ancestors!!

We don't have all the time in the world. We must act fast before our country's pride and wealth are auctioned internationally. Start loving the nation and each other. Stop loving and trusting politicians cos leaders will come and go but we and our nation will be here forever.

Tun

For HouseWife.

Do you realize why our beloved Tun Dr Mahathir Mohamad started this distinguished Blog in 2008 ?
Do you realise ?

Do you realise why I am here since September 2011 only presenting facts about the crooked conman and Dictator Lee Kuan Yew (1959-2015) and nothing much else on Malaysia. Do you realise ?
Previously, I never bothered about our well-being with such intensity. But the more I delved into the crooked conman and Dictator Lee Kuan Yew (1959-2015) the more I found that he was a fake for his own glory and power. As of the last count he had a total of 42 Policies failures which NO WESTERN COUNTRY WILL DO IN THEIR RIGHT SENSES !

Madam, do you remember his 2 child family Policy imposed on a productive population of 1.6 millions from 1970s to 1980s. An he never showed any remorse or regrets in destroying other people's lives eg the sterilizations, the abortions, the suicides, the depressions etc. This was just one of his 42 Failed Policies !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Madam, how can I become a hypocrite and say the crooked conman and Dictator (1959-2015) was the best in the World ? How can I become a hypocrite and say Singapore is better than Malaysia when we have a real and tested Democratic Political System next to Mother India, the biggest democracy in the World !

Tun

For Housewife. As I always said in this distinguished Blog that we Malaysians are naive, gullible, hospitable and friendly. We were all bullied by snide remarks and books to denigrate our leadership were a regular feature. Now, their GDP is in a mess.

You forgot what the Dictator said about crime in Johor Baru in the 1980s and just a few years ago, about Islam. You forgot ?

Madam, why should I bow down to a non-entity like TEOHBENGHOCH000 who tried to make a mickey of some indolent Malaysians.

It is time for all of us to wake up that our political and money problems of today originated out of the crafty and wily mind of the crooked conman and Dictator Lee Kuan Yew (1959-2015). I am duty bound to de-nazify all brainwashed Malaysians who were held mentally captive since 1959. This is no joke if you are aware how these all or nothing types play.

Actually HBT000 is nothing. I just jousting with this PAP worm to draw attention to the crooked conman and Dictator Lee Kuan Yew (1959-2015) !

<http://chedet.cc/?p=464>

If he is not crooked and a conman, Singapore would have no Dictator, no Godless Ultra Communistic Political and Social System imposed on the citizens by the Apparatchiks aka Meritocrats. He would have been world famous and won the Nobel Prize recommended by his Middle Eastern friends. And to top off, he became a rogue alumnus of the University of Cambridge.

WE MUST NEVER BE AFRAID OF OFFENDING CROOKS WITH FACTS, MADAM ! DON'T BE SHY ! THE BRITISH PRIME MINISTER CHAMBERLAIN GAVE WAY TO HITLER AND BRITAIN AND THE REST OF THE WORLD PAID THE PRICE WITH MILLIONS OF LIVES !

Madam, I believe you have no bank accounts, condos, relatives studying or working in Singapore. Right ?

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Salam Tun

I usually lambat tidur, baca investment articles, esok boleh plan mana nak jual, mana nak tunggu, dalam ekonomi begini "timing" memang payah sedikit.

OK, I tak berapa suka PKR sebab parti ini fight for satu individu, sekarang UMNO dan BN pun sama. My hubby semalam cakap gabungan parti baru, fight for anwar, I also tak suka. Perhaps next election I pilih independent candidate lagi baik. Or I can also pilih untuk tidak mengundi.

My Chinese friends tidak suka PAS. Mereka kata kalau PAS naik nanti jadi Taliban state. I find that so amusing, Hadi Awang memang ada rupa Taliban...hahaha Anyway I also tak faham their fear, I mean kalau PAS naik modern Muslim yang kena.

Anyway politik ini can be very memeningkan. Jiran jiran kita pun dah tambah menyampah dengan kita. Rating udah la masuk junk status. So as rakyat memang real sakit hati with Najib and equally menyampah dengan 1MDB. Kadang baca news tu I expect good news tapi sebaliknya.

I am sharing news yang I baca online

Salam Tun, perhaps more international 'persuasion' e.g. the likes of WSJ and aljazeera are needed? The outside world has been laughing at our country and 'leader' for sometime now; only now out loud. DSN and his geng of pak sanggup/ turut do not equal UMNO; they just work there! The haze/smog that surrounds KL is like the pollution that surrounds DSN + cronies. Thick, smelly & poisonous!
Our future generations deserve better.

Tun,

I have a strange inkling that you have a severe prejudice against the West. The West being the economic force that they are, are able to do what they like with littler repercussions. The reason is because they hold economic super power. You can not blame them for being economically successful and then able to influence matters. Malaysia could have been like Singapore if it had done things properly since independence but has failed at an epic level in terms if development. That is why this country that you administered is so weak. It is voiceless from a global context largely because of its divisive constitution. The NEP etcetera has help Malaysia's progress back. You may say it has done well, but how well? When compared to China? India or even Korea? It has lagged behind Indonesia, Thailand and now Vietnam...
This is what happens when you build a house on sand. It may look like a nice house, a big house, but the tide is coming in and it will soon be destroyed.
Your leadership built these towering houses on a sandy foundation and that is why the years that you spent trying to build the country is now going to collapse.

If only constitutional reforms could be applied. You would not see a brain drain that is occurring. You would not see this abuse of power, nepotism, racism and eco-political turmoil. You would have seen an increase in standards. Progress.

It is a shame Tun. The fear that the majority have clutching their special privileges like an Ace up their sleeves, but everybody has walked away from the poker game. They have walked away because this game is no longer worth playing...

For dek noor. Thanks. We Malaysians must now know the truth about our Political System in relation to that of the crooked conman and Dictator Lee Kuan Yew's (1959-2015) Godless Ultracommunistic Political and Social System. Our Political System is on par with the World's best democratic systems like India's.

Thanks again.

Once we understand our Political System we the Malays, the Chinese, the Indians and all have no quarrels because our beliefs are the same. To run to the Constitution is wrong.

THIS IS THE REASON WHY MISCHIEVOUS NON-MALAY POLITICAL PARTIES KEEP US CONFINED TO ABANG ADEK POLITICS in which there is none !

WE SHOULD RUN TO THE POLITICAL PARTIES LEADERSHIPS TO RESOLVE PROBLEMS. These folks are responsible for the good, bad or ugly.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH !

Salam Tun, 1MDB is najib and najib is 1MDB. Tun perlu ulang dan sebut balik hal isu sebenar sebab 1MDB@najib putar dan putar isu ini jadi isu perkauman antara Melayu dan Cina. Lecek sungguh mereka ni.

Tun always stay focus dan tak lari daripada topik sebenar. Kita ni yang selalu need to be reminded and focus on the main isu. Tun ada aura dan cara tersendiri yang boleh menarik ramai orang. Si Keruak ni ada? Tun tak perlu beli upah orang untuk berjuang bersama2 Tun, hanya dengan tulisan di blog sudah dapat menarik berjuta2 followers.

Tun, excuse me nak keluar topik sat. To HBT, are you suffering from Melayufobia? The only way to naik maruah Melayu is for ourselves to ubah sikap, we all know that. Yes, the Malays have faults and flaws, don't we all. So please do stop harpooning often on the Malays. Don't you think you're being unfair. I do respect your opinions, some can be given credit. Since you, HBT and Mr Mubarakchan are very 'responsive' to each other, maybe both of you could get your brains together and find a remedy to put an end to these neverending debates once and for all. Please patch up each other differences and focus on the main hot issue on how to clean up the 1MDB@najib mess. Who knows maybe you two could oneday be good friends, insyAllah. Allah works Wonders.

Tun, May Allah Protect and Bless you always. Take care Tun.

Dearest YAB Tun,

5. I wonder why PM Najib @ Ah Jib Gor did not adopt an Indian name. His foreign / expensive advisers did not advise him to do so I guess...

6. BN is a registered alliance. Is Pakatan Rakyat / Pakatan Harapan a registered coalition?

7. BERSIH is also not registered. Its organizer already had 4 rallies, but all of them are illegal.

8. Is it possible that PDRM purposely made all BERSIH's rallies illegal? If true, then BERSIH must sue PDRM!

9. I wonder who spread the news (lies?) about possible 'riots / rallies' at Petaling street? 'Red Shirt' organizer or the Oppositions @ 'Yellow Shirt'supporters?

10. Who started 'budaya' street demonstrations? 'Red shirt' or 'Yellow Shirt'? Which group started violent street demonstrations?

11. Now we have the Chinese Ambassador who said he's against street violence, 'discrimination against races and any form of extremism' at Petaling Street. Why Petaling Street (Chinese majority), not Jalan Tunku Abdul Rahman (Malays/Muslims)? Racist?

12. It's funny to see Pakatan's leaders talking about 'racial harmony' when they themselves support 'violent' street demonstrations (since 1998). And, they also had their very 'bersopan' demonstrators

(Chinese?) stomped on Malay leaders' pictures. Not racist? Why Hadi's picture? Is he the TPM of Malaysia? I can understand why they stomped on DSN's picture (even though they were being so rude; unnecessary).

13. What kind of 'wayang Cina' or 'wayang kulit' are we going to have next? Akan datang!!! It's getting very interesting...

Thanks Tun.

It is time that all Bloggers know the true facts which support your comments in your distinguished and respected Blog even little PAP worms muscled in for a piece of the action. Your Blog is probably the most active political Blog in the World today ! Syabas !

1. The Red Shirts have nothing to complain about if the following facts are widely known.
2. It was wrong of the Petaling Street traders to call in His Excellency the Ambassador of the Chinese People's Republic of China. The last time when a Chinese Consul could do something was in 1949 when the Generalissimo Chiang Kai Shek's China had a Consulate in Kuala Lumpur. By 1951, most of the Chinese residents became Malayan citizens.
3. The MCA leadership instead of turning up at Petaling Street well before anyone else, dealt with a political minion instead of the political leadership and said the wrong thing – ban all. This faux pas gave the Singaporean Trojan Horse DAP space thereafter.

As Prime Minister of Australia said ' Three Wongs do not make a right !'

Here are the true facts why the Red Shirts are barking up the wrong tree, Petaling Street, Kuala Lumpur, Malaysia on 26 September 2015 !

Tun with your permission :-

On 13 May 1969, the British owned 70% of the best assets of the Malaysian economy, the Chinese with a handful of towkays, 25% of the third rate, the Malays 2%. There were no Malay Middle Income

Group which was created by our beloved Tun Dr Mahathir Mohamad single-handedly without strife or fervour between 1982 to 2003 after which nothing happened.

In the 1960s, my newly graduated Malay friends had no money to buy a pair of cavalry twill, a pair of brogues etc as there were no OD, credit cards, housing loans, car loans etc. The financial system was based on Colonial Currency Board principles. We spent what we earned. The rich got richer. Business was very slow and done at a snail pace. The British dominated the economy.

After 13 May 1969, I had the beauty of a hind-sight. I could foresee trouble would come again after the launch of the NEP if the Malays were not on an even footing with the other communities as soon as possible. In 1972, I conceptualized the take-over of Sime Darby PLC based on free market principles by the Malays for them to shoot right up to do big time corporate business without disadvantage for the non-Malays.

This concept had the support of the great Prime Minister Tun Abdul Razak and his close confidant YBM Tengku Razaleigh Hamzah. By November 1976, the Malays were in control of Sime Darby with the help of 2 Singaporean corporates, myself and others. In those days, the Malays did not have billions of ringgits to buy foreign things. By 1979, Sime Darby was repatriated back to Malaysia. In 1982, Sime Darby became the flagship of the PNB. In 1982, I suggested Sime Darby to control the bunkering facilities for palm oil in China. A small facility was set-up in Port Said, Egypt. By 1992, 3 Malaysian Chinese companies controlled all the bunkering facilities for palm oil in China.

Sime Darby established small businesses in the Southern Antipodes and the Philippines. The former is now a famous watering place for tired Malaysians. And Sime Darby sponsored an Ocean Yacht Race in New Zealand for more than 9 years !

In 1992, I was sacked as a non-executive Director for opposing unsavoury deals so that Sime Darby could go BANKRUPT IN 1996 AND 2010 !

I was paid only RM 30,000 per annum before income tax for 18 years. Now the executives walloped RM100,000 to RM500,000 per month before allowances for golfing etc.

My vision in 1972 was for Sime Darby to acquire industrial entities, Jaguar, Volvo, Harrisons & Crossfields etc with technological know-how and markets for the Malaysians, Malays, Chinese, Indians and all. THIS NEVER HAPPENED TILL EVEN TODAY 2015. IT IS STILL NOT LATE ! Otherwise, there would have been no Red Shirts, Yellow Shirts or coloured Shirts !

NOTHING HAPPENED WITH SIME DARBY since 1976 but only the sale of its best assets. This is another story.

In fact, Sime Darby became an elegant Malaysian Trading House without the Empire Tariff from a British Trading House with the Empire Tariff. Easy colonial style living for all. Sime Darby never contributed to the National Developmental Effort based on improving our economy to move out of the Middle Income Trap ! In fact, factories are easy to manage if they made an effort !

Even today or from 1976 to 2015, the Red Shirts are irrelevant because all Sime Darby needs to do is to buy that beautiful Mall opposite the Sheraton Imperial (I do not know the owner) for all the Malay traders to do business and progress with know-how from Sime Darby's staff who are just down the

road instead of putting billions of ringgits into a derelict London power-station which no one wanted for decades ! And now Sime Darby is in financial trouble again.

And we have at least 100 GLCs which can do the same and more like Sime Darby. These have all bought foreign properties but forgot about the Malays, the Red Shirts and the other Malaysians.

Therefore, Sime Darby and all the GLCs with billions and billions of ringgits at their command can help out Proton, Perwaja, the irrelevant Red Shirts, all Malay traders, the non-Malays etc. It is still not too late !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! FULFILLING THE WISHES OF THE RED SHIRTS AND ALL MALAYS AND NON-MALAYS BY THE GLCs is NO PROBLEM ! We can start tomorrow, Monday 28 September 2015 ! But CEOs where are you ?

The Red Shirts need not bother with a seamy tourist street like Petaling Street. Go 5 Star ! Just check in at Sime Darby for your requirements, down the next street.

Assalamualaikum Ayahanda TUN,

Could'nt agree more with what you wrote dearest Tun but we need some clarification on point No. 38 – I call upon all Malaysians to demand that Najib allows the investigation against him to be carried out by independent people not appointed by him. Najib must allow due legal process to go on. If it is found that he had done illegal things he should be made to resign.

We thought it was made cleared that all channels have been blocked or controlled by Najib and all the people are at his mercy?

Look what happened to Khairuddin Abu Hassan detained under Sosma for 28 days even he was not a terrorist but fighting justice on behalf of the rakyat. I came to know that they even let the aedes mosquitoes do the dirty job for them, but how far its true I wouldn't know. Let us all recite our 'doa' that Khairuddin stays healthy, protected and be blessed by Allah S.W.T

I guess priority here is the rakyat and NGO's should demand for the release of Khairuddin as he is not the threat to the rakyat but is only seen as a threat to Najib himself not even to the BN government.

Why is everybody silent about these?

As much as the rakyat wishes to see that Najib is been sacked, we also wish that our compatriot be released the soonest.

Wasalam Tun.

*63. Jawi, chinese and tamil are MOTHER TONGUE LANGUAGES, therefore SUBTITLES OF MOTHER MOTHER TONGUES LANGUAGES MUST NOT be used in cinema since movie goers are of all races.

REMARKS: WE ONLY NEED TO TRANSLATE BM TO CREATE JOBS, AS FOR ENGLISH, IT IS ALREADY INCLUSIVE IN THE MOVIES PRODUCED BY THE MOVIE MAKERS. Jadi, jika tamil movie, those who fasih in tamil and bm will get this job, similarly those who fasih in chinese and bm will get this job. As for jawi, I dont think their movies can sell since they still worship stoning, canning, slaughting and burning in the public since they do not have civilized court like we have in malaysia.

For mubarakchan:

You said that you support a riot that is legalized by the police in the BERSIH thread. Give an example of a violent disturbance of the peace that can be legalized by the cops to justify this rather strange utterance.

You say Najib Tun Razak is a distinguished and honorable prime minister. Good heavens! Tun Mahathir believes he has stolen money from 1MDB. As Tun's greatest apple polisher, don't you believe Tun? Many Malaysians share that view. Never saw pictures of the huge crowds at Bersih 4? Where were you? Even Tun went to support the movement's wish to have Najib step down.

You say rather silly things for someone who claims to have excelled at Cambridge and continually brags about how clever and great you were. By the way, Kim Philby was also from Cambridge. The fifth man could be John Cairncross.

Anyone who challenges you is branded a digit from the PAP Singapore, or worse, You claim never to insult anyone. Yet you can label others a worm, or imbalanced, etc. You know, you are in real trouble when you start believing in your own propaganda. You go on and on about LKY. China has not given up its claim to Malaysia as being part of a "greater China". Relinquishing that claim was an integral part of the negotiations for establishing mutual recognition between Malaysia and China and the establishment of diplomatic relations between the two nations.

China's ambassador's interference in Malaysia's domestic affairs (by his recent comments) demands Malaysia's government sanction the man, demand an unreserved apology from him and his government and a renewal of the promise they made a few decades ago that Malaysia is a sovereign nation and that China has no claims to it.

The Malays have been pushed against a wall and now radicalized to the point we are all living on borrowed time before the inevitable and unthinkable happens. The Tun of all people should be

sensitive to the signs that are there. he lived through it and has written extensively about similar previous events in the nations's history that ended in bloodshed.

It is clear that the recent renaissance of Chin Peng as a "hero" was part of China's sinister build up at another shot at control of Malaysia. This time in a more cunning, covert, sweeter, more acceptable, respectable way.

They have engaged institutions like the Malaysian Bar, retired Judges, politicians and academics to help them pursue their objectives in this regard. The objectives though remain the same. Domination of Malaysia and subjugation of its Malays. Perhaps a short study of how Chinese intelligence has operated in other countries through openings in its democratic institutions would serve as an indicator of China's intentions for Malaysia.

Malaysia's upper middle class Malays, those foreign educated beer swilling, token only Muslims, beneficiaries of the NEP at the expense of rural Malays, have joined the other side without realizing it. They have become part of the chorus insulting Islam, the culture of the Malay, the constitution and all legal and cultural institutions of the nation Malaysia.

The Chinese ambassador's comments is the last straw. The Prime Minister Najib has a sacred obligation to stand up to the Chinese in at least a token manner and to rebuke the Chinese Ambassador for his comments. The Ambassador's comments is undiplomatic and a thinly veiled threat reflecting Chinese hegemony in the region.

China has already showed its willingness to invade. It has taken parts of land in the south China sea whilst the rest of the world looks on with pious platitudes as a response, Malaysia included. China is not invincible. No one is.

If the Malays don't stand up to directing its government, in a majority, then they can only blame themselves when the take over by the Chinese (as in Singapore)is complete.

The responses by Chinese Malaysians on social media after the Ambassadors comments is reminiscent of the insults, abuses and threats immediately prior to May 13 (1969). They now think themselves to be protected and invincible, China watching their backs.

In truth the Malays have no choice but to react. Malays everywhere with any sense of dignity, self respect and pride will pressure government to act. Thats what government is there for. Not to act in the interests of powerful minorities but the interests of the majority. And in this case that majority is overwhelmingly Malay.

China has already annexed the south China sea with a unilateral creation of an exclusion zone in the area. The government has paid lip service to this act of international piracy. It is an invasion in no uncertain terms.

The former prime minister TDM has also disappointingly discarded the cause of Malays in pursuit of his own personal political goals it would appear. I say this respectfully and in deference to his position as an elder statesman.

It is as if Altantuya, 1MDB, \$2.6 billion are the most important things on this planet and none of the Malays (Muslims), their culture, their institutions or their position as a majority mean anything.

Malays are the political fodder to set alight when something goes wrong. Malays are the punching bag when the Chinese don't get their way. Yet the Chinese who complain are quite content to bribe their way through Malay politicians whilst the vast majority of Malays carry the can for their collective sins.

The Chinese not only accuse Datuk Najib of financial impropriety. They have blamed TDM and others for all of Malaysia's ills and have also on many occasions accused TDM of having given away licenses and privileges in exchange for bribes although they have not provided the evidence of the same.

They Chinese through Bersih and other NGO's are now doing the same thing with the current PM and no one should not back them in their scurrilous and criminal allegations against either TDM or Datuk Najib.

Social media and the so called "freedom of the press" has become a tool for Malay bashing because the Malays do not speak read or write as competently in English as the foreign and English educated minorities that attack the Malays. And why should they?

It is time for the tail to wag the dog. The government regardless of its political complexion like the constitution needs to be kept sacrosanct and inviolable as long as it is in office. It is the adat of not only the Malay in this respect but also the overriding obligation of every citizen.

If the Malays of Malaysia in a majority do not act now, the precedent will have already taken root that regardless of what they do in the future, they will be subservient to the mainly Chinese and those other groups who are on a dog leash to them forever.

The Chinese ambassador's unsolicited comments is evidence that the Chinese of Malaysia are "their citizens" and not loyal citizens of Malaysia. The Chinese enjoy a citizenship of convenience in Malaysia at the expense of all Malays.

Salam Tun,

Tajuk baru yang sangat simple tapi penuh dengan cerita seribu satu malam.

Kucar kacir dah "Bogus worrior" ni buat negara kita. Melayu berbalah dengan cina... pastu melayu berbalah sama sendiri.

Pada hal kita nak Najib jer berhenti. Dia sorang je. Tapi sekarang habis parti dilibatkannya. Bila dah libatkan parti, itu yang berpuak puak sekarang ni. Kalau semua boleh fokus buang si Najib sorang..kan tak seteruk sekarang keadaannya.

Orang tak mintak pun yang lebih lebih. Ada ke sampai orang mintak kaum lain jadi PM?

Takde pun. Takde sampai kena bubarkan UMNO pun. Apa yang susah sangat. Masalah ni berpunca dari Najib. So dia jer lah mesti disingkirkan.

Tak boleh ke asingkan Najib dengan parti dan kaum? Fokus pada apa yang dia dah buat. Tak payah libatkan dengan kaum atau parti. Biar dia tanggung sendiri. Biar dia jawab sendiri. Tak boleh ke?

Kan dia kata dia tak salah. So biarlah dia buktikan sendiri. Yang parti sibuk tolong dia buat apa? Tak payah le tambah masalah. Yang lain sibuk back up dia buat apa? Lain le kalau memang dalam 1MDB jugak. Sebab tu melayu berpecah belah. Lepas tu kaitkan kaum lain pulak. Pada hal masalah asalnya ialah Najib dengan pengurusan 1MDBnya. Syarikat penuh dengan hutang. Untung tak tentu tapi rugi dan hutang dah terbukti. Kesudahannya rakyat dibeban dengan GST. Siapa punya angkara? Najib la kan?.

Dah terang terang dia buat masalah. Jadi tengok apa dah jadi sekarang. Masalah demonstrasi lah... masalah perkauman lah... masalah orang kena buang lah... masalah petaling street lah.... masalah ekonomi lah...kelakar lah. Dah jauh dah lari dari masalah sebenar.

Bila kita bercakap pasal masalah Najib dengan 1MDBnya... ada lah pulak yang kaitkan pasal cerita PKR buat itu buat ini la..DAP buat itu buat ini la....PAS la. Keluar la cerita zaman tok kadok yang tak ada kena mengena langsung dengan 1MDB. Nak back up jadi lari tajuk. Hello.. ni cerita pasal Najib dengan 1MDB la.

Dearest YAB Tun,

1. PM Najib @ Ah Jib Gor must step down immediately because he has totally failed as our PM.

2. His first mistake was to adopt a Chinese name, 'Ah Jib Gor', just to 'kowtow' the Chinese community. This clearly shows that he is such a WEAK Malay leader, and that's why he was rejected by the Chinese community during the 13th GE. I can only say 'padan muka'. May be his foreign advisers and other expensive advisers advised him to do so ('kowtow' the Chinese community), and he 'stupidly' followed their billion-dollar 'stupid advice'. He gave millions of ringgit to Chinese schools, which was unnecessary.

3. PM Najib also tried very hard to 'kowtow' the Oppositions (and their supporters). He repealed ISA and EO, and almost abolished the Sedition Act. But, he failed to get their votes during PRU-13. 'Padan muka' again...

4. In fact he's losing the Malay/Bumiputra votes because he did not take good care ('pinggirkan') of those who voted UMNO/BN that made it possible for him to be the PM. Only stupid leaders would ignore their voters, and instead 'kowtow' those who rejected them.

Thanks Tun.

*** May Allah SWT bless Tun and family ***

Assalamualaikum Tun.

Alhamdulillah kerana saya juga dapat sedari detik awal pasal kesilapan Pentadbiran Najib.

Cuma perlukan kepastian dari pihak lain. Dalam hal ini ia adalah kepastian dari Tun.

6 bulan pertama pentadbiran Najib sudah dapat dibaca tentang karakter yang tidak munasabah dengan title Perdana Menteri, jika dibandingkan dengan Tun (sudah tentu tidak boleh dibandingkan).

Antara tulisan saya semasa itu adalah, "saya tak mahu bertanggungjawab atas kerosakan yang mungkin/bakal berlaku dengan penglibatan saya".

Saya berhenti. Dan kita fokuskan pada isu Palestin Israel seperti yang dikatakan oleh Tun.

Bila saya 'disenaraihitamkan' Tun kata jangan bising bising, Tun juga diperiksa dan tak panggil kawan kawan dan berkata "hai kawan, saya Perdana Menteri kenapa perlu periksa kasut dan talipinggang saya?"

Sedikit tulisan memori.

Terima kasih Tun.

Salam tun yang saya kasihi harap tun sihat belaka tak perlu lah kita memikirkan sangat tentang politik yang ada sekarang kerana saya tahu Ds Najib tidak akan meletakkan jawatan sehingga PRU yang akan datang ,beliau tahu sekiranya beliau meletakkan jawatan dia akan disoal siasat kelak . Tun sudah berusaha keras supaya beliau meletakkan jawatan sebagai PM .Tiada orang suara yang menyokong kita hanya mampu berusaha berserah kepada yang maha kuasa allah menentukan . Kini saya keadaan Negara sudah menjadi tak tentu hala orang melayu sudah berpecah dan kebangkitan suara melayu menentang orang cina tambah meruncing keadaan Negara. Tiada seorang dari menteri kita yang mampu bangkit demi kebenaran hari tengok media banyak pembunuhan belaku mahukan Negara kita menjadi seperti mesir,libya,syria ,Iraq masa itu sudah terlambat keadaan ekonomi sudah

susah untuk dipulih ya akan berterusan kita kena terima hakikatnya Negara kita akan menjadi Negara kita seperti Filipin atau Indonesia rakyat tidak boleh membantah setakat mana yang boleh

En sallah keruak, jangan lah jadi kampung sangat apabila mengejek tun ketiadaan modal dan mengeluarkan kenyataan lama.

Saya dah kata banyak kali dah, anda ini kurang matang daya pemikirannya..maka saya ulangi, tak kan lah setakat kondem tum mahathir sahaja, kondem media cna singapura, media barat dan lain lain tugas anda yang telah di pilih oleh najib dan di berikan gaji besar untuk jawatan seorang menteri! Kalau tidak mampu berfikir secara dalam cuba guna contoh di bawah..yang agak mudah dari segi psikologi dan teorinya.

Jika anak anda lakukan kesilapan yang agak besar akan tetapi anak anda buat muka sepuluh sen (buat tak dengar dan tiada perubahan dan semakin menjadi jadi)

Adakah anda akan memarah atau menegur dengan menggunakan bukti dan cerita yang sama juga? Saya jamin...cara tun itu sangat relevan di peringkat antarabangsa.

Dalam islam pun ada juga sedikit persamaan dalam menegur anak yang tidak sembahyang contohnya. Marah, marah, marah dan barulah pukul...marah dengan ayat ayat serta kenyataan yang sama seperti setiap tiga kali marah bapa akan bercakap akan hal berdosalah, sembahyang pintu rezeki, sembahyang tiang agama. Betul tak?

Tunggulah, sabar, jika ada kisah baru mungkin Tun akan buka cerita baru...

Yes, if Najib don't want to follow Tun M footsteps, then learnt from foreigners. After all didn't he loves foreigner? Learn from the likes of Vladimir Putin, the late King Faisal, Hugo Chavez, Joae Mujica, Robert Mugabe, Ahmadinejad or the late Charles de Gaulle. Not Mubarak, Ben Ali or Marcos.

And definitely not Bush, Obama or Cameroon.

Work for the people, not against the people. There's plenty of good examples to choose from, you just need to take your pick Najib and act on it.

Najib o Najib, why do you have to become such a headache to the nation. You've got the power to empower the people yet you choose to abuse your power instead. By employing those foreign advisers, you have reduced yourself to being proxy to the West. And you were so proud to have taken selfie with Obama??

If only you would recall what happened to Egypt's Mubarak, Libya's Gaddafi, Tunisia's Ben Ali, Iraq's Saddam Hussein, Iran's Shah Reza Pahlavi. Those world leaders who once cuddle with the West and who enrich themselves with public funds at the detriment of their people, look at what happen to them in the end. You need even more reminder? Then look at Syria's Bashar Assad. Britain was once very friendly to him. And now, Britain are the one calling the shots to topple him and bomb Syria. Think you will be an exception? Then just continue with what you're doing, take more selfies, enrich yourself.

But let me remind you again, by the time you have realize your mistake, I hope it wont be too late. Yasser Arafat was friendly with America & Israel, but by the time he realize he was tricked over the future of Palestine, Mossad poison him to death. The Italian groomed Gaddafi & the American love him but when Gaddafi try to oust petrodollar monetary system from his country and the African region & replace it with gold, NATO went on bombing campaign over Libya and super smug Hilary Clinton face is plastered over Gaddafi dead body all over the newspaper with her infamous 'We came, we saw, he died' remark. His wealth surely cant save him nor his previous good relationship with the West.

Najib, you better learnt your lesson fast or ends up like one of those people.

For Tun, may Allah protect & bless you. Amin.

Simply Najib is a Waste

We'll known leader

Putin my favorites

He is Touch in physical ,in Speech ,very capable person

I read after he exercise he was late

He fly his own Jet Plane for his appointment

Spiritual Leader Ayatollah Khomeini , Mahatma Gandhi

Even Mandell made their Struggle to change their Nation

Tun Mahathir also made his struggle from no one son to someone

Najib , Lee Hsieng Loong are the same gender

Both were seen by their Father

Both are Girlish

The Difference is Lee HSien Loong are guided by Strong Govt though S.porean hates them .They won the recent votes not by liking of the born S,porean

They won because of the influx of new S,porean that was given Citizenship

Bring foreigners mostly from China has won the PAP not just recent

It is happening It is how Lee Kuan Yew maintain his seats

Not from the hearts of Born S,porean

Najib a very Girlish character
Behind a successful leader is a Women
Najib is a Failure He has a monstrous women behind him

There are no excuse for Najib hiring foreigner to Govt Malaysia
So what do we Malaysia votes for ? For foreigners to govt Malaysia
It tell Najib is a Lazy Fat Man
Look at his physical with his Buldging stomach compare To Putin my James Bond 007

Najib you are waste to Malaysia
A threat to the Bumis when foreigners is around you
Advantaging Govt revenue made yr Family rich like Marcos
Is Hatred towards you but Marcos did not have foreigners around him
That make you
Penderharka Negara Demi Kepentingan sendiri

1 Qusetions Najib ?
Why do you not step down for every good ?
Oh I see.....these Foreign of yours do not advise so
So for whose importance ?
For Malaysia or for their Makan Gaji Buta enjoying Life's in Malaysia

Kalau Ini Pendirian kamu Najib
Kan bagus kau panggil suku kaum kau sendiri menerajui Malaysia dari orang Asing
Kami akan lebih Ikhlas

Assalamualaikum, Tun.

PM needs to consider hiring of British advisers, as British was notorious for their "break and rule" policies during their colonial rule.

We can still remember during the era of Tun, BN managed to retain 2/3 majority in Parliament seats. Rakyat of all races, including Chinese, supported BN well. Why not now? Perhaps, with wrong and evil advices, the Government has sponsored some racist NGOs.

The Red Rally is something that can't be accepted. We, educated Malays, know well that Chinese should not be blamed for participating in Bersih, and Bersih had nothing to do with insulting our dignity. Sponsoring the Red Rally will kill the future of Malaysia.

Assalamualaikum, Tun.

Pelbagai gejala telah menunjukkan sesuatu yang kurang betul dengan system tadbir-urus kerajaan, di mana pengasingan tugas dan tanggungjawab tidak diamalkan dan kuasa yang dipegang seseorang itu melepasi batas yang berpatutan. PM mungkin harus melepaskan portfolio Menteri Kewangan dan ketua pelaburan Negara kepada pakar-pakar.

Berkenaan dengan hidup mewah keluarga PM, telah pernah dijelaskan bahawa mereka mewarisi hartanah. Ini menyebabkan Rakyat meragui ketulusan Allahyarham, yang telah banyak berbakti kepada pembangunan Negara.

Kalau kita mengimbas perkembangan politik tanahair, rasanya UMNO dan BN akan terus memerintah, buat PRU yang akan datang. Kalau Najib turun tangga, siapa pula yang harus mengambil alih?

Salam Tun,

I tau you sad. I pun sad.

Dah banyak dah bala jatuh kat dia tapi dia tolak bala tu kat Malaysia. Dia buat muka selaba je. So now rakyat kena tanggung. And I think silap orang UMNO yang duduk kat atas juga, terlalu manjakan dia. Tu sebab dia asyik kata apa dia buat semua betul, tak ada salah silap lansung. Kalau hari ini rakyat makan ikan kering sekali pun bukan salah dia, tapi salah Tun.

Haritu I ada baca kadir jassin tulis, yang sidia tu dah tak boleh drive sendiri pergi mana2, well setahu I kalau businessman perangai gitu sebab takut kena serang dek orang yang telah mereka aniyakan. Kenapa dia sebagai PM takut, sebab dia tau rakyat benci kat dia, takut kena boo, atau kena ludah muka. Anyway baling belon kat belakang dia pun kena cekup.

Pasal tu I teringat satu video I tonton alikisah orang kuat UMNO Perak nak keluar parti. Bukan video baru, dah tahun2 lamanya. Ramai kawan tonton tergelak habis, ada yang sampai sakit perut, mereka kata inilah rupa perangai orang UMNO giler duit dan kuasa.

Anyway I teringat satu ungkapan mamat kampar ini dalam video tersebut, dia kata SIAPA AMIR, ANAK SULTAN KE, ANAK AGONG KE DIA. I tanya soalan yang sama sapa dia ini, anak agong ke, anak sultan ke.

My 2 cents.

Tun, I tak nak dah vote BN, cukuplah, cukup!!

Goodnight.

Salam Tun Det..

PM Najib – kalau dia cakap dia bermewah kerana harta warisan menimbun, mesti orang akan beranggapan arwah bapanya (Tun Razak) memang kaki pow @ kaki songlap. Tindakan adik-beradiknya yang menafikan hal ini memang tepat.

Kalau duit USD700m tu derma untuk parti dan diselewengkan oleh Najib untuk kegunaan lain, tentulah orang kaya Arab berkenaan dah mengamuk sebab duitnya tak digunakan kepada tujuan asalnya.

Sebenarnya ada rahsia besar hal ni terjadi dan Ayahanda Tun tahu. Biarlah masa membuktikannya.

Salam Tun.

1. Tun kata terpaksa berkerja kuat untuk menaikkan PM Najib pada kedudukan sekarang. Jadi ketika ini kehendak Tun supaya seseorang yang telah menjadi PM dan gagal dalam tugasannya akan membuatkan Tun terpaksa bekerja lebih kuat malah boleh diterbalikkan menjadi satu usaha yang mustahil dilaksanakan.
2. Lebih-lebih lagi dengan kuasa yang diberikan pada seorang PM dalam negara kita. Berlainan dalam agama Islam seorang Rasul dipilih oleh tuhanNya iaitu Allah s.w.t.
3. Allah maha besar, Allah maha besar, Allah maha besar, tiada tuhan yang disembah melainkan Allah, Allahlah maha besar dan kepadanya diberi segala pujian.
4. Kuasanya cukup besar ketika menjadi PM sedangkan ketika belum dipilih menjadi PM lagi Tun sudah terpaksa bekerja kuat.
5. Bayangkanlah kalau kita manusia yang tidak berkuasa yang dijadikan oleh Allah s.w.t dalam serba kekurangan yang tidak mampu mencipta umpamanya seekor lalat memberi kuasa kepada seseorang yang seperti kita juga iaitu seorang manusia.

6. Bayangkanlah kalau kita tersilap pilih iaitu seorang penipu memimpin kita. Sementara kita memberi kuasa kepadanya boleh menukar jawatan seseorang itu termasuklah mereka yang diberikuasa menjatuhkan hukuman kepada seseorang yang bersalah.

7. Kuasanya bukan setakat itu sahaja malah diberi kuasa memilih jemaah menteri sendiri yang dia suka dan mempunyai kuasa boleh menukarnya secara segera tanpa ada kuasa lagi yang di atasnya yang boleh menukar seorang Pm dengan serta merta.

8. Manusia tidak boleh diberi kuasa kerana kuasa hanyalah milik Allah s.w.t. Manusia hanya diminta memilih seorang ketua dan Allah s.w.t.lah yang mengeluarkan kuasanya kepada manusia untuk memilih seorang ketua dikalangan manusia.

9. Ingat undang-undanglah yang sepatutnya ada kuasa bukan diberi kepada seorang manusia. Sebab itulah dalam Islam undang-undang dari Al-Quranlah yang benar kerana ia kata-kata dari Allah s.w.t. pemilik agama itu.

10. Undang-undang didunia ini yang ditulis manusia pastikan tidak memberikan kuasa kepada seseorang untuk menghukum. Sebaliknya pastikan kuasa ada pada undang-undang itu.

11. Seorang Hakim layak kerana kefahaman dan kelulusannya yang diiktiraf oleh kepakaran terdahulu yang bukan dilantik oleh seorang PM dan boleh ditukar oleh seorang PM. Dia hanya boleh diberhenti disebabkan kelemahannya kepada undang-undang yang diamalinya.

12. Undang-undang Islam yang berpandukan Al Quranlah yang sebenar kerana ia kata-kata Allah s.w.t yang tidak boleh dijual beli seperti undang-undang yang dicipta oleh manusia yang bernafsu ini.

Wallahua'lam.

Yang saya sanjungi ayahanda Tun

Saya berasa amat hairan kerana ada orang islam yang menjadi ketua negara, TAK TAU MALU. Patutlah ada orang gelar dia "the naked emperor walking about".

Di mana letaknya maruah seorang pemimpin negara setelah di landa berbagai musibah namu tidak mahu muhasabah diri.

Dah terang lagi bersuluh yang najib ni seorang yang ada ciri2 orang MUNAFIQ. Banyak sudah dia becapak bohong. Di beri amanah dia khianat; harapkan pagar pagar makan padi. Sudahlah tu, pengecut pulak tu. Tak malu kah gelar diri sendiri pahlawan bugis tapi takut menghadapi "nothing to hide" dan tak berani merasmikan persidangan "RASUAH SEDUNIA"- itu lah dia berani kerana benar dan takut kerana salah!

ZamanTun Malaysianization di kejar, zaman pahlawan bugis pengecut, masih berpegang kepada colonization (habis duit banyak sekali dengan punahsihat British dan berniaga dengan syarikat yahudi.

Ini jenis orang yang tak ambil pusing akhirat, dunia juga yang di kejar....you help me, I help you....money is king.....I love PM....ayam for u.

Bergelomang dengan kes di syakki terlibat dalam pembunuhan, terlibat dalam rasuah secara terang-terang, terlibat dalam menzalami penjawat awam dan paling teruk sekali, menzalimi diri sendiri (yang di larang sangat dalam islam).

Maka wajiblah rakyat Malaysia menyokong Tun agar najib ini di lucut jawatan.

Wahai pemimpin2 UMNO, jangan jadi haman para pendokong Firaun. Kembalilah ke jalan yang lurus.

Semoga Allah memberi kekuatan ayahanda Tun untuk berjuang menegakkan keadilan.

Assalamualaikum Tun.

Semuanya kenyataan Tun ini teramat saya setuju dan sealiran dengan pandangan saya terhadap Najib.

Sebab yang sama juga saya teramat bersetuju Najib sememangnya gagal membawa negara kepada kemajuan yang sewajarnya.

Dikelilingi penasihat-penasihat yang mana kosnya menelan berbilion RM dari dalam dan luar negara, sedihnya kemajuan ekonomi negara tidak memberikan hasil yang setimpal malah menyusahkan keseluruhan rakyat.

Ditambah sebagai ketua negara Najib gagal membentuk politik yang stabil dan PRU14 akan mengundang padah bahawa UMNO akan kalah dibanyak kerusi yang dahulunya hanya menang dengan majoriti bawah 500 undi.

Sebagai pemimpin no 1 di Malaysia, imej buruk beliau seperti rasuah peringkat atasan dibolehkan, bercakap berdolak-dalih (pembongong), pemimpin yang tiada integriti tetapi bercakap seolah-olah dia seorang pemimpin yang cukup berintegriti dan banyak lagi adalah punca imej Malaysia dipandang rendah oleh dunia kini.

Tidak hairanlah matawang negara kian mengecil nilainya kerana spekulai yang dicipta oleh dirinya sendiri.

Salah guna kuasa seperti mengarahkan pegawai-pegawai tinggi kerajaan mengikut telunjuknya (PDRM, SPRM, Kehakiman, Bank Negara). Yang menyiasat cara yang betul dipersalahkan, mnakala yang membodeknya dinaikkan pangkat. Saya amati ramai golongan yang berpendidikan tinggi sedar apa yang berlaku di negara ini adalah penuh kekalutan di bawah kuasa mutlak Najib.

Jika apa yang berlaku kini di"amin"kan sahaja oleh ahli-ahli UMNO saya cukup yakin UMNO akan alami kekalahan besar pada PRU14 dibawah kuasa Najib.

Pengamatan saya, Najib syok sendiri dan begitu juga majoriti menteri di bawah pentadbirannya tidak sedar akan bahaya kuasa UMNO umpama dihujung tanduk dan mengalami fasa dan masa depan yang cukup tidak meyakinkan.

Tak tumbuh tak melata, kalau tak sungguh saya tidak kata.

Sekian Tun.

Tun

For HBT000.

Fortunately, I neutered you little PAP worm just in time and stripped you of all the digits ! Please keep out of our domestic affairs which have nothing to do with your Boss, the crooked conman and Dictator Lee Kuan Yew (1959-2015) who created and runs a different Political System the Godless Ultra Communistic Political and Social System imposed on the citizens without their permission and in collusion with the West by his Appartachiks aka Meritocrats.

Do not forget your Dictator became a rogue alumnus of the venerable University of Cambridge which upholds freedom of speech, freedom of thought and freedom of expression, after he gained power in

1959 democratically. He insiduously changed the whole Political System with the collusion of the West. The other rogue alumni were Blunt, Burgess and Maclean.

Little PAP worm do not pour oil on burning waters !

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! The TPPA will kill us all for Singapore's sakes in their eternal search for a captive LIEBENSRAUM ! Without Malaysia signing the TPPA, Singapore will have to consider 5 Options within less than 25 years.

1. To merge with the United States as the 53rd State of the Union. Our venerable Johor Straits will become a monsoon drain with a chain-linked fence. We may say ' Selamat Pagi, Amerika.' to our neighbours the Americans every morning.
2. To be a Crown Colony again. Even the Scots want out.
3. To confederate with Scotland to form a confederation of Scotsmen and Chinamen – a super duper kiasu union of sorts with a Jewish President ! The World's First and Best Parliament by Teleconference !
4. To re-merge with Malaysia. But the ancients forbid because a good horse never returns to old pastures !
5. To maintain status quo with an Indian Prime Minister, the highest cost of living in the World and a humongous Lend Lease military manned by foreign mercenaries against naive, gullible, friendly and hospitable neighbours who love to play 19 holes of golf daily and will never defend their territory unlike Japan, Korea and China. But, they prefer to give away island rocks, ocean blocs, steel rails, MSA software, our lives through the TPPA, treasury gems, 1 million barrels of Iraq oil, etc for free.

MALAYSIA BOLEH ! MALAYS BOLEH ! MALAYSIANS BOLEH ! No little PAP worm for us !

TDM, most insightful and bravery blog about Najib, 1mdb and his misdeeds. Hope justice prevails in Malaysia for the country to recover. Is disturbing to learn that the CM Salleh said you are a racist. He is wrong. Never go against TDM, a wise statesman who brought 22 years progress for the country.

Tun yg dikasihi,

Seperkara lg ingin saya suarakan. Tun yg brsungguh2 mnjadikan najib pm malaysia. Ini menyebabkan ada pihak yg menyalahkn tun atas kerosakan yg najib lakukn skrg. Saya cuma ingin katakan pd pihak2 tersebut. Tun pun manusia biasa. Tak dpt meramal masa dpn. Kalau tun dpt meramal, tntu bukan najib yg mnjadi pm skrg. Malah kalo tun razak sndiri dpt meramal, mungkin beliau pun taknak anak ini. Apa yg dpt kita lakukan skrg, memikir ikhtiar supaya org ini berundur. Dan berdoa terus berdoa supaya Allah kenalkn perasaan malu pd org ini.

Terima kasih tun.

Tun yg dikasihi

Dgn tekanan yg brtalu2, rakyat brsuara dgn pelbagai cara. Fb, blog, bersih, laporan polis oleh datuk khairuddin, bekas tpm, malah pihak polis, sprm, malah gabenor bank negara turut brsuara. Apa lg yg kami mmpu lakukn? Org ini, trgamak memekakkn telinga, buat2 bodoh tak reti bahasa dgn apa yg brlaku disekelilingnya. Kdg2 saya lucu mmbaca komen sesetengah pihak yg mngatakn najib ini, ada jurus menebalkn muka taktau malu pringkat trtinggi.

Tp kdg2 saya trpikir, mungkinkah benar? Agaknya dia btul2 ada ilmu taktau malu??

Sbb sungguh LUARBIASA sifat TAKTAU MALU org ini.

Tun yg dikasihi,

apa lg yg kami, kita boleh lakukan?

53. China, just other countries, will not pull out from malaysia.

54. Similarly, usa cannot let china pull out cause china bought their bonds.

55. The nuclear ban in iran, with or without usa, china,japan and few countries stand firm to support it.

56. Even if republican wins out, they will support this ban because americans will not support payment default.

57. Majority of the americans favor peace, and not war.

49. Tok det, it should be najib and zahid who declare war on sulu militants, not other umno members.

50. Why hantam sekolah cina dan bukan tamil atau agama?

51. Since kaum cina is haram to umno najib, then, get najib to divorce all chinese political party.

52. Biar pas dan umno dan pas bergabung, pakai iraq ke, kezaliman ke, bomoh ke atau hudud ke atau kapal selam ke, suruh zahid pilih.

Tun,

- 1) You put abdullah as pm. Then u push him down
- 2) You put najib very hard as pm, now u try very hard to push him down
- 3) You think the whole malaysia belonged to u alone?
- 4) Later if u push down najib and push up najib #2. Same thing going to happen again?

u should just admit that u failed to establish an independent administration system in our country.
Admit for ur mistake and now u wanted to correct it

otherwise, u will be remembered and people will assume u have ur own motives behind

46. Well, if no resolution, it will be better off to decalare ge.
47. Resolution will be solved immediately rather than guessing.
48. Whoever become pm, than this person will lead the cabinet.

40. It sound like buy british last again, tok det.
41. Proton also bought land from perak government.
42. <http://www.themalaysianinsider.com/malaysia/article/najib-slams-islamophobia-in-clock-arrest-of-us-teen>
43. It will depreciate myr more.
44. Just admit it, najib administration declare war on sulu militants, hence, these people have no choice but kidnap locals and tourists.
45. It has nothing to do with other component parties because umno declare war on sulu militants without debate in federal parliament.
