

**NO CONFIDENCE VOTE**  
**Chedet.cc**  
**29 September 2015**  
**Tun Dr Mahathir Mohamad**

1. I read a report that the Speaker of Dewan Rakyat will not allow a motion of non-confidence to be tabled in the Dewan by anyone.
2. He insists that only he can decide whether such a motion can be put before the house or not.
3. The reason he says is that Parliamentary standing orders are silent on this matter. Also it had never been done before.
4. True, it had never been done before. That was because none of the previous five Prime Ministers had 2.6 billion Ringgit in their personal accounts, nor have they been involved in financial scandals and the alleged murder of anyone.
5. None of the previous Prime Ministers had dismantled the institutions investigating into the origins and whereabouts of the money they had.
6. None of the previous Prime Ministers had borrowed RM42 billion at high cost to set up a development fund which became involved in shady deals.
7. None of them had invested more than one billion USD in dubious joint-venture projects with equally dubious Arab companies.
8. None of them had dissolved the joint-venture company only 6 months after formation and converted the 1MDB capital into loan with the partner they don't think they should continue to have the joint-venture with.
9. But Najib is involved in all these. And now, other than saying the 1MDB assets are worth more than the 42 billion Ringgit borrowed, he cannot prove where the money is. The assets are actually Government land which Najib allowed 1MDB to acquire at ridiculously low prices, and then revalued 500 times more.
10. A vote of non-confidence is totally democratic. Parliament may not have any provision for it but the Constitution, the supreme law of the country clearly states that if the Prime Minister no longer commands the support of the majority of the members of Parliaments, he should resign. Article 43 (4) of the Federal Constitution states "If the Prime Minister ceases to command the confidence of the majority of the members of the House of Representatives, then, unless at his request the Yang di-Pertuan Agong dissolves Parliament, the Prime Minister shall tender the resignation of the Cabinet".
11. So, is the Speaker trying to ignore the constitution?
12. Today, if you go abroad, foreigners, especially their press will ask, "Hey, what is happening to your country?" You will feel ashamed, but you can do nothing about it. The people who can do something are totally without shame. They openly admit to having received money by the millions from the Prime Minister. This is corruption at its worst. They support the PM because he gave them money, money which he cannot explain with any credibility that he obtained legally.

13. No wonder Malaysia is now listed as among the top of the corrupt countries of the world. And now the supporters of the Government do not even respect the Constitution.

14. No vote of non-confidence because the speaker will not allow it.

VERSI BM

Undi Tidak Percaya

1. Saya membaca laporan bahawa Yang di-Pertua Dewan Rakyat tidak akan membenarkan usul undi tidak percaya dibentangkan di Dewan oleh sesiapa pun.

2. Beliau menegaskan bahawa hanya dia boleh membuat keputusan sama ada usul boleh dibentangkan di dalam Dewan itu atau tidak.

3. Beliau berkata sebabnya ialah kerana perintah tetap (standing order) Parlimen bisu mengenai perkara ini. Juga ia tidak pernah dilakukan sebelum ini.

4. Benar, ia tidak pernah dilakukan sebelum ini. Ini adalah kerana tiada seorang pun daripada lima Perdana Menteri sebelum ini mempunyai 2.6 bilion ringgit dalam akaun peribadi mereka, dan tiada pula mereka terlibat dalam skandal kewangan dan tuduhan pembunuhan sesiapa.

5. Tidak ada seorang daripada Perdana Menteri sebelum ini telah membongkarkan institusi-institusi penyiasat asal-usul dan di mana adanya wang yang mereka miliki.

6. Tidak ada seorang daripada Perdana Menteri sebelum ini meminjam RM42 bilion pada kos yang tinggi untuk menubuhkan dana pembangunan yang terlibat dalam urus niaga yang curigakan.

7. Tiada seorang pun daripada mereka telah melabur lebih satu bilion USD dalam projek usaha sama dengan syarikat-syarikat Arab yang kredibilitinya juga meragukan.

8. Tiada seorang pun daripada mereka telah membubarkan syarikat usaha sama hanya 6 bulan selepas pembentukan dan menukar modal 1MDB menjadi pinjaman dengan pasangan usaha sama itu yang mereka fikir tidak perlu lagi teruskan usaha sama itu.

9. Tetapi Najib terlibat dalam semua ini. Dan kini, selain daripada berkata aset 1MDB bernilai lebih daripada 42 bilion Ringgit yang dipinjam, dia tidak dapat membuktikan di mana wang itu berada. Aset ini adalah sebenarnya tanah Kerajaan yang Najib membenarkan 1MDB mengambil alih pada harga yang amat murah, dan kemudian dinilai semula lebih 500 kali ganda.

10. Suatu undi tidak percaya benar-benar demokratik. Parlimen mungkin tidak mempunyai apa-apa peruntukan untuk itu tetapi Perlembagaan, undang-undang tertinggi di negara ini dengan jelas menyatakan bahawa jika Perdana Menteri tidak lagi mendapat sokongan daripada majoriti ahli-ahli Parlimen, beliau harus meletakkan jawatan. Perkara 43 (4) Perlembagaan Persekutuan menyatakan "Jika Perdana Menteri tidak lagi mendapat kepercayaan majoriti ahli-ahli Dewan Rakyat, maka, melainkan jika atas permintaannya Yang di-Pertuan Agong membubarkan Parlimen, Perdana Menteri hendaklah menawar perletakan jawatan keseluruhan Kabinet".

11. Jadi, adakah Yang di-Pertua Dewan cuba mengabaikan perlembagaan?

12. Hari ini, jika anda pergi ke luar negara, warga asing, terutama akhbar mereka akan bertanya, "Hai, apa yang berlaku kepada negara anda?" Anda akan berasa malu, tetapi anda tidak boleh berbuat apa-apa mengenainya. Mereka yang boleh melakukan sesuatu langsung tidak berasa malu. Mereka secara terbuka mengaku telah menerima jutaan wang daripada Perdana Menteri. Ini adalah rasuah pada peringkat paling teruk. Mereka menyokong PM kerana dia memberikan mereka wang, wang yang beliau sendiri tidak dapat menjelaskan dengan sebarang kredibiliti yang ianya diperolehi secara sah.

13. Tidak hairanlah Malaysia kini disenaraikan sebagai antara negara-negara korup di dunia. Dan kini penyokong kerajaan tidak langsung menghormati Perlembagaan.

14. Tiada undi tidak percaya kerana Yang di-Pertuan Dewan tidak akan membenarkannya.

Assalamualaikum, Tun.

Sama ada undi tak percaya berjaya digerakkan tidak diendah ramai. Tahap keyakinan terhadap kerajaan BN telah merosot dari semasa ke semasa, memandangkan adanya perhimpunan rasis, penurunan nilai RM yang nampaknya tidak boleh dikawal, pergaduhan dalaman BN, krisis perpaduan masyarakat majmuk, kos hidup yang melambung tinggi dan sebagainya.

Penyokong-penyokong BN tidak boleh menerima hakikat yang jika undi tak percaya digerakkan dan Najib dipanggil turun tangga, BN mungkin kehilangan kuasa. Dalam percaturan politik, jika ini berlaku, baik PM membubarkan sahaja Parlimen, untuk PRU baru.

Assalamualaikum.

Tun,

Tulisan Hajar dirujuk:

Pembangkang perlukan PM Najib untuk menumbangkan UMNO/BN pada PRU-14.

1. Saya sokong dan percaya serta cukup yakin tentang kenyataan Hajar di atas.
2. Bila tiba masanya menjelang PRU14, Najib dan talibarutnya dan UMNO itu sendiri ( diandaikan UMNO masih dipimpin oleh Najib ) akan diserang dengan terlalu banyak isu besar yang mana berpunca dari "kebodohan" Najib.
3. Ketika itu namun sekarang pun Najib akan menjadi punca kejatuhan BN pada PRU14 ??? Saya percaya dan yakin 4/5 kebarangkaliannya ini akan berlaku.
4. Pendapat saya serta pengamatan saya "Najib tiada masa depan bersama UMNO" lagi.

5. Biar apa pun yang positif dilakukan dalam masa 3 tahun akan datang namun "kebodohan"nya yang dapat dilihat ketika ini ( belum masa-masa depan ) sukar untuk rakyat menerimanya.

6. Satu lagi Najib tidak akan mengundur diri sebagai PM ialah takut dia akan dihukum kerana kesalahan dunianya sendiri.

Sekian Tun.

Salam Tun,

Jika tiada undi tidak percaya bermakna BN akan kalah pada PRU akan datang akibat undi tidak percaya daripada rakyat. Jika tuan speaker menang sekalipun pada PRU akan datang dia hanya akan menjadi pembangkang. Apabila rakyat mengharapkan mereka mengembalikan kepercayaan kepada rakyat tetapi mereka tidak mahu apalah salahnya jika rakyat terus-menerus tidak percaya. Memainkan isu perkauman daripada Parti keramat Melayu adalah tidak dapat diterima akal sama-sekali.

Tidakkah mereka melihat sejarah? Tidakkah mereka merasa bertanggungjawab? Wang kertas telah menyebabkan Melayu menjadi buta. Dan kalau UMNO rasa mereka masih boleh mempertahankan kedudukan mereka teruskanlah dan akibatnya UMNO akan menjadi sejarah dan akan dimasukkan dalam buku teks sejarah sebagai sebuah parti yang gagal dalam memperjuangkan perjuangan mereka sendiri sebaliknya hanya ingin memperjuangkan nasib sendiri. Haruslah mereka ingat yang perjuangan mereka adalah sia-sia..

Kasih kepada pemimpin terdahulu yang mendahulukan UMNO dari diri mereka sendiri, kini pemimpin UMNO dahulukan diri sendiri daripada UMNO..

Melayu terpaksa... terpaksa mencari parti lain untuk memayungi mereka kerana UMNO sudah tidak boleh diharap kerana korup..

Assalamualaikum Ayahanda Tun,

Well as you have made known, all channels have already been closed by Najib but definitely not a motion of no confidence which is suppose to be the platform for the rakyat to voice their disapproval of Najib's leadership via their elected representative which is allowable under the constitution.

Let's wait and see whether Pandirka will go by the law come these October 19 and the rakyat will be eagerly waiting for the outcome

Other than these motion nothing much is left to oust Najib before GE14, maybe an EGM from UMNO which is rather slim given the current scenario and last but not least hopely DSN will be charged by the Swiss, UK or the US for corruption, abuse of power or money laundering.

Wasalam Tun.

Assalamualaikum, Tun.

"Tak pernah dilakukan" atau "tak pernah berlaku" tak halus dijadikan alasan!

Belum pernah Malaysia dijadikan Negara maju. Kalau dengan tanggapan begitu, apakah Malaysia tidak akan menjadi Negara maju buat selama-lamanya?

Biar apapun, Rakyat berharap dan berdoa agar semuanya hidup aman makmur. Janganlah segelintir yang kurang bertanggungjawab cuba mengapi-apikan hubungan antara kaum, demi agenda mengalihkan fokus. Kurangkanlah serangan peribadi. Biarlah kita fokus ke atas dasar-dasar yang membina, untuk merealisasikan Wawasan 2020!

To me, it looks like this one man, the Speaker, is holding hostage of the Dewan Rakyat by not allowing a "No Confidence" motion to take place. He is literally abetting and allowing the PM to cling on to power. Morally and legally, he should give the benefit to the Dewan Rakyat who represents the Rakyat. This means the last resort that is available to the Dewan has been denied and hijacked. Can't anything be done about this anomaly, Tun?

Assalamualaikum, Tun.

A common understanding is that Parliament is the place to resolve whatsoever issues material to the administration and well-being of this nation. Speaker is just a figure to coordinate the process, and to control the meetings so that everything goes smooth along the process.

Is the Speaker holding such discretion to say "yes" or "no" to a proposed debate issue?

However, from another perspective, to sustain political stability, we should always consider a smooth power transition. Tun has done a good job, in duly passing over to Pak Lah. Likewise, Pak Lah has also gently handed over to Najib. Now, Rakyat should also let Najib act on the mandate given by Rakyat, and plan for his successor.

Komen pembaca dari indonesia semasa tun mendapat anugerah soekarno...

Darwis Balingan.28 September 2015 at 18:54

Betapapun kesilapannya tetapi Soekarno adalah suatu nama besar bagi bangsa Indonesia malah dunia kerana pernah cuba mengimbangi antara pengaruh Barat dan Timur tetapi dia kalah dalam perjuangannya bersama-sama pemimpin Afro Asia lainnya seperti Nasir, Nehru, Chou En Lai dan Tito.

Mereka gagal dalam perjuangan tetapi kebenaran juga dapat dilihat sekarang pembunuh perjuangan mereka yang dianggap juara demokrasi dan kebebasan akhirnya menjadi lebih ganas sebagai pelindung demokrasi, mereka membunuh orang Islam yang tak berdosa di Iraq, Iran, Libya dan Syria.

Mereka adalah penganas yang berwajah demokrasi.

Selain dari bapa kemerdekaan Indonesia, tidaklah dapat dinantikan Soekarno sebagai pemimpin besar Indonesia yang pernah menyuarakan supaya Bangsa-Bangsa Bersatu dipindahkan ke Asia demi untuk keadilan bagi seluruh manusia.

Maka itu nama besar ini tidak pernah diperkecilkan oleh bangsanya dan tidak sahaja oleh anak-anak dan keluarganya. Bangsa yang besar adalah bangsa yang tahu menghargai pemimpin yang berjasa. Maka itu anugerah Star of Soekarno adalah amat sesuai bagi Tun Mahathir malah rakyat Indonesia pernah menyatakan " Itu Mahathir lebih besar Soekarno". Pengiktirafan generasi baru Indonesia adalah menunjukkan bahawa nilainya tetap sezaman

Tetapi saya tidak dapat mengingat apakah jasa anak Tun Abdul Rajak yang bernama Najib. Pastinya beliau akan dikeang dengan wang sebesar RM2.6 billion yang terus masuk ke akaunnya. Jadi tak usahlah nak diperkecilkan seorang yang tekah membangunkan Putrajaya, mengalahkan Soros, menyamai pemodenan Singapore. Bagaimana jika sekarang Malaysia tanpa LRT, tanpa bangunan tertinggi di dunia. Apa Najib buat? Apa jasanya. IMDB? Tak ada apa-apa kecuali Duta Cina pun tidak menghormati Malaysia dan Tsunami Cina..

Salam YAB dan Yang DiKasihi Tun,

UNDI TIDAK PERCAYA

1. Ahli2 MT UMNO yang sepatutnya mendesak PM Najib @ Ah Jib Gor untuk berundur kerana telah memalukan dan merosakkan imej Kerajaan BN dan UMNO dengan skandal2 peribadi beliau. Ini juga perlu untuk memastikan tiada perpecahan dalam UMNO/BN. Saya doakan ahli2 MT UMNO insaf dan balik kepada perjuangan asal UMNO, untuk 'Agama, Bangsa dan Negara'.

2. Undi tidak percaya di Dewan Rakyat tidak akan berjaya atas 2 sebab:

(i) Hampir mustahil untuk mendapat undi yang mencukupi untuk menyokong usul 'undi tidak percaya' ke atas PM.

(ii) Pembangkang mahu jatuhkan PM dan juga BN pada masa yang sama, dan mana mungkin akan ada cukup undi dari BN yang akan menyokong usul tersebut.

3. Lagipun, Pembangkang perlukan PM Najib untuk menumbangkan UMNO/BN pada PRU-14. Jadi mengapa pula mereka perlu jatuhkan PM Najib sahaja tanpa menjatuhkan BN sekarang? Sejak bila pula puak2 'kiasu Malaysian Malaysia' ini tahu erti TOLAK ANSUR, dan bertindak semata-mata untuk kesejahteraan rakyat?

Terima kasih Tun.

Dear Tun,

Congratulations for being awarded The Star of Soekarno for your contribution towards human rights. The world, not only Indonesia, recognised your efforts in championing peace and justice for the human race. I am so proud of you Tun Dr. Mahathir.

On your latest post 'no confidence vote' Tun, I truly have no words to express my feelings of disgust towards all that is happening before us. Everything is suited to the wish of the master. All doors have been shut. What more can be done except wait for the GE14. If that will in fact happen in 2018. Or postponed? Well anything is possible now here in bananaland. Tv3 said so in iklan jomheboh.

Tun, I hope you stay strong and stay safe. We are here with you even by means of this blog of yours, our spirits are with you. If all doors have been closed we must not forget that there is still the One up there who is still in control of everything, ALLAH must have His reasons for letting everything to flow its course, ALLAH will answer our doa Tun. Percayalah.

Take care now dear Tun Mahathir. Be safe always.

Doctor,

I must say, your post is one that I very much enjoyed. The setniment of frustration is felt by all level headed modern citizens. I do not like you and your policies, but I would much prefer you to be PM than Najib any day... and that is saying something...

I am residing here in America and will be travelling to Australia next month for Christmas.

People in the States are well educated and can smell a dead dirty rat from a mile away. My friends from Tokyo facebook me Japanese articles with Data flow diagrams of where the funds have come from and gone to – All in Japanese. 1MDB scandal is making major headlines in Japan.... It represents just how screwed Malaysia is, and what a laughing stock Malays are. The fact that a sitting PM can get away with this.... a lawless society .... the country is screwed. The economy is screwed. Investors aint gonna risk any money in Malaysia for a long time... its not about Najib, well it is, but its also about the system... there isnt any governance... real checks and balances... audit etc... the country is run by amateurs.

My Japanese friends are questioning why the PM had received USD 700 million into his own personal bank account. I bow my head in shame.... for what? for Najib? to Shame us ALL?

Tun, your country is screwed. The ringgit is almost USD4.50. How big is your foreign debt now???

Ingatlah tuan speaker, dunia ini bulat. Tak selama2nya tuan berada diatas. Allah maha adil. Janganlah menzalimi kami yang mengharapkan tuan bersikap amanah dgn tugas yang dipegang.

Salam Tun,

Pada pendapat saya, vote of no confidence amat sangat diperlukan...tapi ianya mesti telus setelus-telusnya.

Walau macam mana pun, oleh sebab ianya melibatkan pak AJAIB, maka keputusannya kita boleh agak. Sekarang ni pun kita dah nampak dah berapa ramai yang dungu dalam kabinet.

Al maklumlah...kan pak AJAIB dah kata dia tak perlukan "smart people...tapi loyal". So mesti mangkuk mangkuk tingkat ni akan berpihak pada pak AJAIB.

Kalau yang majoritinya berfikiran macam TSMY atau Shafee Afdal, mungkin keputusannya akan berbeza. Sekarang ni pun kita boleh nampak...orang orang baru yang baru nak mengumpul kekayaan dengan mengampu, bertungkus lumus berlumba lumba menunjukkan kebodohan masing masing. Patutnya kita wujudkan carta 10 teratas menteri paling terserlah bengapnya setiap bulan.

Cuba baca statement duta China

"I saw this TV report on Channel News Asia and heard Najib giving a speech. In his speech, he was urging them (the Malays) to be violent, to show that Malays can be equally violent.

"So they took the cue from there to be violent against the so called Chinese, when the Bersih 4 rally was not Chinese, there were many Malays who joined the rally," he said

Alahai...negara lain pun tahu dah pak AJAIB putar alam aka kaki kencing bak kata AININA. Tapi nak buat macam mana...masing masing nak jaga periuk nasi sendiri.

Ni dah sampai bulan oktober... peguam pak AJAIB tak saman saman lagi The Edge. HAHHAHA... lupa ke nak saman. Atau NO CONFIDENCE?

Undi tidak percaya yang disuarakan bagi menurunkan Dato' Sri Najib sebenarnya adalah satu strategi politik yang boleh dilihat daripada dua perspektif yang berbeza. Pertama, bagi Barisan Nasional khususnya UMNO, sama ada usul undi tidak percaya akan dapat menurunkan Najib atau tidak, kedua-duanya sebenarnya akan merugikan UMNO.

Ini kerana usul undi tidak percaya terhadap Dato' Sri Najib akan menambah parah lagi perpecahan dalam UMNO. Bukan mudah untuk mencapai satu kesepakatan ahli-ahli Parlimen UMNO yang mewakili 88 kerusi daripada 133 kerusi Parlimen yang dimenangi oleh Barisan Nasional pada PRU13 yang lepas. Realiti sekarang jelas menunjukkan masih ramai ahli-ahli Parlimen UMNO yang begitu kuat mempertahankan Dato' Sri Najib.

Ditambah pula tiada jaminan yang jelas daripada pihak pembangkang bahawa mereka akan menyokong usul undi tidak percaya terhadap Dato' Sri Najib.

Assalamu-Alaikum,

Dear Leader Dr. Mahathir Mohammad,

I want to say some personal talk with you. Cause my family is oppressed by PHP Chairman Sufi Mizanur Rahman. In the past, our family was a solvent family of Bangladesh, but now we are losing our solvency only for various types of conspiracy of PHP Chairman Sufi Mizanur Rahman. He occupied our 107 acres of land by some forged land document in May 2005. So my father filed a case in Court. Previous case No. was 403/05 and now the number is CR 68/08. The CID police report of CR 68/08 is also in favour of us. The high court order about CR 68/08 is also in favour of us. Where High Court accused Sufi Mizanur Rahman & his evil allies & ordered for quick disposal of this case in lower court (Chittagong Chief Magistrate Court).

My father S. M. Nazrul Islam is a well-known historian & rightist intellectual & columnist in our country. He has written already 6 books & he has many seminar papers. He is also an Editor of a Monthly Magazine Named Itihas Onnesha or Discover History in English (a history based Bengali Magazine). But, dear leader, I think you know that this time is very difficult for our rightist people in Bangladesh.

PHP Chairman Sufi Mizanur Rahman & his evil allies tried many times to kill my father by various types of conspiracy.

But now an arrest warrant issued by Chittagong Court against Sufi Mizanur Rahman & his 34 evil allies. Actually, we don't want to fight-fight & fight against a "bandit" like Sufi Mizanur Rahman. We need a fair negotiation with him. But he doesn't want it & want's to destroy us by his evil black money power. Beause he founded his maximum industries by occupied others land & negotiated them low or cheap payment & here my father is different. So he is fighting against PHP Mizan during 10 years.

Why I saying this to you?

I'm saying this to you for various reasons. These are:

1. I found a news that you have good business relation with PHP Group.

News Link:<http://www.thedailystar.net/business/php-assemble-proton-cars-locally-72440>

2. I believe this you are an honest & good leader for the Muslim World. So you are always in favour of right people.

3. We hope you are able to do the right work for negotiation with PHP & our family.

4. I personally believe that my or our great Muslim leader will not favour the evil person against our legitimate right, after hearing this.

Dear leader, if you are interested to help us you can contact with me on my mobile: +8801816-826217 & My father's mobile number is +8801711-720923.

Salaam Tun et al

IMHO this is a sign of SOTIM – Sindrom Orang Tak Ingat Mati. Rumah kata pergi, Kubur kata mari.

Bila kerja pangkat kecil, teringin nak pangkat besaq.

Dah dapat pangkat besaq, teringin nak kuasa besaq jugak.

Bila dah dapat pangkat dan kuasa, mulalah nak duit banyak pulak.

Resmi Manusia. Tak pernah puas.

My 2 cents. This blog has been turned into public bashing of Mohd Najib and his sycophants.

Everybody has their points. IMHO what is most important is how Mohd Najib can be dethrone ASAP i.e. before the next election in 2 years. For the last 6 months, Malaysia has been turned from topsy-turvy. The economy is in decline, the value of ringgit is depreciating by the seconds, the cost of living has no choice but to go up. So Malaysia must be save urgently hence Mohd Najib has to go ASAP.

IMHO, Tun needs to take the lead. Appoint and announce publicly your Champion.

Im sure the masses will rally behind him. Let the leader and his team with Tun as the advisor, formulate the battle plan. But the plan must have a lifeline. Maybe 1 year. Form a think tank with people of similar interests, to look into all aspects from legal, constitution etc. on allowable ways to force Mohd Najib out. Street protest violence etc. should not be in the agenda.

Then announce the battle plan so that the masses will be informed. If Plan A fails, we execute plan B, Plan C etc. until we exhausted all plans. If all plan fails then it means we have no choice but to wait

until next election.

Even the transparency of the next election may be doubtful as Mohd Najib favorite term – Cash is King.

Love from Saudi.

And Allah knows best.

Diorang semua ni mana tau malu.

Khair Toyo tak nak mengaku salah. Dia sikit pun tak rasa bersalah.

Malaysia is now officially a Gangster State-sponsored Terrorism (GST) nation. GST was implemented officially on April Fools' day. But the 6% General Service Tax is not the only GST applied. Human-Drug Traffickers, Money Launderers, Murderers, Corruption Terrorism, Financial Scammers are not only welcomed in Malaysia but given preferential treatment complete with 1MDB (1stop Money-laundering Defrauding Banking) facilities. 911 operatives met and planned their initial operation here in KL. It is a published fact that foreign jihadists & Muslim extremists involved in the bombing operations elsewhere in South East Asia transit, remit funds & initiated their coordination in Malaysia.

So while racial – religious terrorism were state-sponsored and given free transportation and free reign to express their ultra-sensitive racial sentiments, anti-corruption, anti-racial and anti-terrorism demonstrations were curtailed at the start and the organisers harrassed, arrested and intimidated.

Anyone who lodges police reports even in countries where the rule of law prevails, can be prosecuted and detained without trial under the Security Offences (Special Measures) Act (SOSMA) on his/her return to Malaysia.

KUALA LUMPUR, Sept 25 — A person who dares to publicly discuss 1Malaysia Development Berhad (1MDB) or the RM2.6 billion donation controversy could now be seen as engaging in acts of terrorism, Tun Dr Mahathir Mohamad suggested this evening in his latest blog post on Prime Minister Datuk Seri Najib Razak.

The warning from Najib's chief critic comes a day after former Batu Kawan Umno deputy chief Khairuddin Abu Hassan was sentenced to detention for 28 days under the Security Offences (Special Measures) Act (SOSMA) over his criticism of the troubled state-owned fund.

15. Tok det, kita tidak perlu peningkan kepala yang dipertuan agong kita.

16. Kita sebagai rakyat malaysia wajib menunaikan haji, I mean, undi, iaitu tanggungjawab kita sebagai rakyat malaysia berasas 'parliamentary democracy' secara serentak di seluruh peninsula dan sabah kecuali sarawak.

17. It is up to pm najib to decide to dissolve parliament or not, not the speaker, since dsn had obtained consent from HIS EXCELLENCY YANG DIPERTUAN AGONG MALAYSIA in shuffling the cabinet whom he thought could work with him to legalize illicit money in covering his power abuse as PRIME MINISTER in 1mdb scandal and the murder of altantuya which have created headlines world.

18. Since dsn prefer to dissolve the parliamentary democracy through ballot boxes, and not street demonstrations, tok det, we just wait for his announcement.

19. Dsn has appealed in the news that we, the voters, should allow him 6 months to solve 1mdb scandal, countdown now from september 2015 to march 2016.

20. For the second line up of leaders from both coalitions, they must start preparing themselves the best scripts in order to show their voters that they are fit to be elected in the federal parliament.

23. Dsn must walk his talk, either he show his kpi as chairman in handling 1mdb or dissolve parliament because all the leaders that have diplomacy with malaysia are watching him closely.

22. Tok det, you too as ex malaysian pm needs to walk your talk too in solving the conflicts of sarawak-putrajaya since this vision of wawasan 2020 was consented in the federal government when you were the pm for 22 years since 1983.

Yes we have to allow totality of factors and Constitution to determine truth and actions.

But historically undemocratic regimes have never been removed by democratic procedures.

The Dewan Speaker must not act like a computer.

I can argue that there is also no provision in the law that says that the Dewan Speaker can reject a no-confidence request. So, he must allow such request.

Pls tell this to the Dewan Speaker.

One of the quintessential elements in a parliamentary democracy is a vote of no confidence in the prime minister. That does not apply in Malaysia. Can the court decide?

Assalamualaikum.

Tun,

Speaker pun mengamalkan prinsip double standard?

Speaker pun tidak bebas buat kerja?

Speaker pun dah jadi "yes man"?

Speaker pun hanya jaga "periuk nasi" sendiri?

Speaker pun report perkara yang "elok" untuk kesinambungan "tali hayat" Najib?

Buatlah apa nak buat, dunia hidup pemimpin bertanggungjawab kepada rakyat, di akhirat kelak jawablah kepada Allah swt.

Saya sebagai rakyat tidak akan memaafkan tindak tanduk pemimpin seperti Najib dan talibarutnya.

Sekian Tun.

The Speaker has to abide by the Supreme Law of the Land – i.e Our Malaysian Constitution. If he fails to do so, then the MP's should take the appropriate steps to remove him IMMEDIATLEY and be replaced by prominent personalities from The Legal Field.

What a shame... With the human and natural resources, fertile land, rich culture, good location free of natural disasters, Malaysia has so much potential. To be one of the Asian success stories. To be a

shining example of a modern multiracial Islamic country, a country where it's citizens could proudly proclaim to be Malaysian.

I had high hopes during the administration of Tun. Tun did the right things: Modernization and industrialization of the economy. Tun's projects like NSE highway, Proton, KLIA, MSC, and KLCC serves a purpose: which is to propel the country forward.

However, what is happening today serves as a reminder that the strong leader cannot just focus on the infrastructure and outward things. Although infrastructure are important, he must place even greater focus on people. He first must fill his ministerial team and civil servants with people of integrity, integrity, caliber and courage. These people will do the right things even when he is no longer watching over them. He must also eliminate wrong culture and bad habits, even though it is unpopular and inconvenient.

Without the right people in cabinet and civil service, all hard work, achievements and progress can be undone easily, as what we are witnessing today.

I hope the livelihood of people will not deteriorate further.

Salam Tun.

1. Seperti mana pernah Tun rayu kepada rakan -rakan dalam UMNO supaya berani kerana benar dalam menyatakan pendirian masing-masing terhadap undi tidak percaya kepada Perdana Menteri sebelum terlambat bila menghadapi kekalahan dalam pilihan raya ke 14 nanti.
2. Sepertimana dalam Islam seseorang itu sentiasa diminta beramal termasuk bertaubat kepada Allah s.w.t supaya tidak menyesal di kemudian hari terutamanya pada hari perbicaraan di akhirat nanti.
3. Undi tidak percaya ini adalah satu usaha awal bak satu pencegahan daripada satu penyakit yang akhirnya boleh membuatkan satu penyesalan yang tak kesudahan bila menolak kebenaran kerana takutkan kehilangan kebendaan daripada kesucian hati nurani.
4. Umpama seseorang itu hidup berjemaah penuh kemegahan termasuk harta benda yang boleh di jual beli tetapi tidak sanggup hidup keseorangan dipinggir serta hilang segala kebendaan.
5. Bayangkan bila kita keseorangan tanpa sesiapa dan harta benda disekeliling kita. Hanya yang dapat menolong kita ialah amalan kebaikan tanpa niat lain serta kebenaran dalam percakapan dan pekerjaan terutamanya yang diperintahkan oleh Allah s.w.t.
6. Ini satu lagi contoh kesalahan kita manusia yang memberi kuasa kepada seorang ketua dan bukannya kepada undang-undang . Akhirnya undang-undang nampak tidak berkuasa kerana pendapat hanya datang dari seorang sahaja yang menidakkan kefahaman undang-undang secara majoriti.
7. Allah s.w.t maha berkuasa. Kita manusia ialah hambanya yang wajib patuh atas segala arahnya.

Wallahua'lam

Salam Tun Det..

Tak mengapalah, setiap yang bermula pasti akan berakhir. Kalau PM Najib dan pasukannya terlalu angkuh, ketahuilah diri mereka ini juga sentiasa dipantau dan takkan terlepas walau sesaat pun dari genggamannya Yang Maha Esa. Kebobrokan manusia kepada kuasa yang dimiliki pasti ada hadnya dan sat lagi sampailah kot kat penghujung kuasanya. Moga era post-najib nanti negara kita akan lebih makmur dan bermaruah. Moga juga Tun Det masih berpeluang menyumbang ke arah ini nanti.
