

MONEY TRAIL – The Route of “Cash the King”

Chedet.cc

14 April 2016

Tun Dr Mahathir Mohamad

1. Money, large sums of money cannot be moved without leaving a trail.
2. And so it is with the RM 2.6 billion (or USD 681 million) which the Wall Street Journal reported was in Dato Seri Najib's secret private personal account in Ambank.
3. The first reaction of Najib was to deny but later he admitted to having this money in his secret personal account. People suspect it was from 1MDB. That would be stealing. Najib needed to make some explanation. He claimed it was a gift. People simply laughed. Then it was a donation by some Arab who wanted him to win the 2013 Elections. The Arab it seems thought he was such a good Muslim leader that he must continue to be Malaysia's PM.
4. To verify this the newly appointed DPM stated that he has seen the Arab.
5. But who is this Arab he saw? No name. Anonymous. USD\$681 million cash is not something just anyone can have or people give away easily. The donor must be extremely rich. Rich people can be rich through inheritance or through business.
6. Where did he get so much money? Business?? Nothing is known about this very successful businessman, not even in the O&G world. Who is his banker? There must be a banker or banks. You cannot keep USD681 million under your pillow. In fact even banks do not have such big amounts of cash in their strong-rooms.
7. The money would be in the form of entries in the books of the banks. Paying out would be by cheques or electronic transfer. No one has been given sight of entries in bank book, nor any cheque stubs or cheques presented to the bank.
8. Did Ambank receive cash amounting to USD681 million or Ringgit 2.6 billion? Or is it a cheque or electronic transfer. Whatever, it must be entered in the books of the bank. The bank must submit this account for internal and external audit. As the sum is huge, a report needs to be made to the Central Bank for approval. This is to ensure the money is from legitimate source and is not being laundered.
9. Today we are worried about money-laundering. If you deposit or you take out any sum more than RM50,000 you must get the approval of Bank Negara. For RM2.6 billion deposited in a Malaysian bank lots of questions have to be asked by Bank Negara about the origin, ownership and transfer of money. Bank Negara subsequently lodged a report to the Attorney General. We don't know the contents of the report. But the A.G. dismissed the report. Najib is not guilty of any wrong-doing said the A.G. Just A.G.'s words. No documentary proof. Malaysians just don't believe the A.G. anymore.
10. Then there is the income tax to be paid by the owner of the money. If no tax has to be paid, the Board of Inland Revenue must give a statement that the money was not taxable. No confirmation from LHDN.

11. In the meantime the donor has increased from one Arab to two. Then it is said to be from a Saudi prince. And finally it is claimed that the late Saudi King donated the money.

12. Now a Saudi Minister denies there is any record that the 681 million USD was a gift. He claims that it was an investment. He did not think the sum was so big.

13. The A.G. then claims that 620 million USD was returned to the Saudis in 2013. Exactly when? What proof. Previously the money was said to have been moved from Ambank to Singapore banks and the Singapore Government had frozen it. So how did Najib return the money if it is frozen. What banks were involved? What is the proof that the money was frozen? How much?

14. How long can a Government freeze an account? The freezing is to enable the Monetary Authority of Singapore to investigate the possibility of the money being laundered. We heard nothing from Singapore.

15. So where is this money now? Is it in Singapore banks, frozen stiff? Or is it with the Saudis? Is it the Saudi Government's or Saudi prince's or individuals? Was it returned to the donor? What proof. Is it in the reports by Bank Negara or MACC? No proof. Just A.G.'s words. Sorry I do not believe the A.G.

16. Now the Swiss A.G. claims that it is not Ringgit 2.6 billion but Ringgit 4 billion. The Swiss A.G. seeks cooperation of the Malaysian A.G. Immediately the Malaysian A.G. claims that it is not about the 681 million US dollars in Najib's private accounts. There is nothing wrong there.

17. But he himself said that he dismissed the MACC report because the evidence was not sufficient. If it is not sufficient shouldn't further investigation be carried out until it is sufficient.

18. But Apandi exceeded his authority and ordered MACC to stop investigating the 2.6 billion (681 million USD) in Najib's private personal account at Ambank. The MACC is an independent institution. Even the PM cannot stop its investigation. But clearly Apandi is scared that more evidence would be found.

19. And now he wants to strengthen the OSA so he can jail leakers for life. Why? Could it be that he is hiding evidence. What does the law say about people who hide evidence about crimes?

20. Laws are not made to hide crimes. Laws are made to prevent crimes and punish criminals. Could it be that his attempt to keep the reports out of reach of the Swiss A.G. stems from his desire to hide evidence? That could be a criminal act.

21. Najib is strongly supported by UMNO division heads, UMNO members of Parliament and his Cabinet Ministers. They are prepared to accept the billions he has in his private accounts as normal.

22. When he tried to explain to the UMNO Supreme Council where he got so much money and why he did not tell UMNO, one council member said there was no need for him to explain. Just give RM5 million to him for the next election and he would win. Whether the money was stolen or not is not important to Supreme Council members. They seem to be prepared to accept stolen money. Can we trust such people to govern Malaysia?

23. Money cannot be hidden. A few thousand Ringgit as cash can be hidden but not billions of Ringgit. If you keep such huge sums of money in the bank, a lot of people who have to handle it and the accounts will know. But banking secrecy means that they will not tell what they know.

24. The MACC would be toothless and useless if they cannot get information because of banking secrecy. I don't think they are subject to banking secrecy act. If they are, let's forget about fighting corruption. We should legitimise corruption instead.

VERSI BM

JEJAK WANG – Laluan "Wang itu Raja"

Wang, sejumlah wang yang besar tidak boleh dialihkan tanpa meninggalkan jejak.

2. Begitu juga dengan RM2.6 bilion (atau USD681 juta) yang Wall Street Journal melaporkan berada di dalam akaun rahsia peribadi milik Datuk Seri Najib di Ambank.

3. Reaksi pertama Najib ialah menafikannya tetapi kemudian, beliau mengaku mempunyai jumlah wang tersebut di dalam akaun rahsia peribadi beliau. Orang ramai mengesyaki ianya daripada 1MDB. Ini maknanya pencurian. Najib perlu membuat penjelasan. Beliau mendakwa ianya adalah hadiah. Orang ramai hanya ketawa. Selepas itu, ianya suatu derma daripada orang Arab yang mahukan beliau memenangi Pilihanraya 2013. Orang Arab, kononnya menyangka beliau merupakan pemimpin Islam yang baik dan mesti terus menjadi Perdana Menteri Malaysia.

4. Bagi mengesahkan perkara ini, Timbalan Perdana Menteri yang baru dilantik menyatakan beliau pernah berjumpa orang Arab itu.

5. Tetapi, siapa orang Arab yang dijumpainya? Tiada nama. Orang yang tidak diketahui. Wang tunai USD681 juta bukanlah sesuatu yang boleh dimiliki sesiapa sahaja atau didermakan sewenangnyanya. Penderma mestilah seorang yang sangat kaya. Orang kaya boleh menjadi kaya melalui warisan atau melalui perniagaan.

6. Dari mana beliau mendapat wang sebanyak itu? Perniagaan? Tiada yang diketahui mengenai ahli perniagaan yang sangat berjaya ini, walau pun dalam dunia minyak dan gas. Siapakah pengurus bank beliau? Semestinya ada seorang pengurus bank atau beberapa bank. Anda tidak boleh menyimpan USD681 juta di bawah bantal anda. Sedangkan bank-bank pun tidak mempunyai sejumlah wang yang besar ini di dalam bilik peti kebal mereka.

7. Wang tersebut selalunya adalah dalam bentuk catatan buku kira-kira bank tersebut sahaja. Pembayaran adalah melalui cek atau pemindahan elektronik. Tiada sesiapa yang melihat catatan kira-kira di dalam buku bank, atau keratan cek ataupun cek-cek yang dipersembahkan kepada bank.

8. Adakan Ambank menerima wang tunai berjumlah USD 681 juta atau RM2.6 bilion? Atau adakah ianya cek atau melalui pemindahan elektronik? Walau apapun, ianya perlu dimasukkan di dalam catatan kira-kira bank tersebut. Bank tersebut perlu menyerahkan akaun ini untuk pengauditan dalaman dan luaran. Kerana jumlahnya besar, laporan perlu dibuat kepada Bank Negara untuk mendapat kelulusan. Ini bagi memastikan wang tersebut daripada sumber yang sah dan bukannya daripada wang haram.

9. Hari ini kita risau mengenai pelaburan wang haram (money laundering). Jika anda menyimpan atau keluarkan jumlah wang melebihi RM50,000, anda mesti mendapat kebenaran daripada Bank Negara. Bagi RM2.6 bilion yang didepositkan di dalam sebuah bank Malaysia, banyak soalan perlu diajukan oleh Bank Negara mengenai asal usulnya, pemilikan dan pindahan wang. Bank Negara kemudiannya akan membuat laporan kepada Peguam Negara. Kita tidak tahu kandungan laporan itu. Tetapi, Peguam Negara menolak laporan tersebut. Najib tidak bersalah daripada sebarang kesalahan, kata Peguam Negara. Hanya kata-kata Peguam Negara. Tiada bukti yang didokumenkan. Rakyat Malaysia tidak mempercayai Peguam Negara lagi.

10. Kemudiannya, cukai pendapatan yang perlu dibayar oleh pemilik wang tersebut. Jika tiada cukai yang perlu dibayar, Lembaga Hasil Dalam Negeri (LHDN) harus memberi kenyataan bahwa wang tersebut tidak dikenakan cukai. Tiada pengesahan daripada LHDN.

11. Sementara itu, penderma telah bertambah daripada seorang warga Arab kepada dua orang. Dikatanya pula ianya daripada seorang putera Saudi. Dan, akhirnya, dikatakan arwah Raja Saudi yang menderma wang itu.

12. Kini, seorang Menteri Saudi menyangkal adanya sebarang rekod yang menunjuk USD681 juta itu adalah suatu hadiah. Dia mendakwa ianya adalah suatu pelaburan. Jika pelaburan, dia berfikir bahawa jumlahnya tidak sebesar itu.

13. Peguam Negara kemudiannya mendakwa bahawa USD681 juta sudah dikembalikan kepada Saudi pada tahun 2013. Secara tepatnya, bila? Apa buktinya? Sebelum ini, wang tersebut dikatakan telah dipindahkan daripada Ambank ke bank-bank Singapura dan kerajaan Singapura telah membekukannya. Jadi, bagaimana Najib boleh mengembalikan wang tersebut jika ianya telah dibekukan. Bank-bank mana yang terlibat? Apa buktinya bahawa wang tersebut telah dibekukan? Berapa jumlah?

14. Untuk berapa lama sesebuah Kerajaan boleh membekukan sesuatu akaun? Pembekuan adalah untuk membolehkan Monetary Authority of Singapore menyasat kemungkinan wang itu adalah haram. Kita tidak mendengar apa-apa daripada Singapura.

15. Jadi, di mana wang itu sekarang? Adakah ianya di dalam bank-bank Singapura, beku keras? Atau, adakah ianya berada dengan orang Saudi? Adakah ianya Kerajaan Saudi atau putera Saudi atau individu-individu? Adakah ianya telah dikembalikan kepada penderma itu? Apa buktinya? Adakah ianya terkandung di dalam laporan Bank Negara atau Suruhanjaya Pencegah Rasuah Malaysia? Tiada bukti. Hanya kata-kata Peguam Negara. Maaf, saya tidak percaya kepada Peguam Negara.

16. Sekarang, Peguam Negara Switzerland mendakwa ianya bukan RM2.6 bilion tetapi RM4.0 bilion yang berada dalam akaun Najib. Peguam Negara Switzerland meminta kerjasama Peguam Negara Malaysia. Serta-merta Peguam Negara Malaysia menyatakan bahawa ianya bukan mengenai USD681 juta di dalam akaun peribadi Najib. Tiada apa yang salah di situ.

17. Tetapi, beliau sendiri yang menolak laporan Suruhanjaya Pencegah Rasuah Malaysia kerana bukti yang tidak mencukupi. Jika ianya tidak cukup, tidakkah seharusnya penyiasatan lebih lanjut perlu dilaksanakan sehingga bukti cukup.

18. Namun, Apandi melangkaui bidang kuasanya dan mengarahkan Suruhanjaya Pencegah Rasuah Malaysia untuk menghentikan menyiasat wang RM2.6 bilion (USD681 juta) dalam akaun peribadi Najib di Ambank. Suruhanjaya Pencegah Rasuah Malaysia adalah institusi bebas. Perdana Menteri

sendiri tidak boleh menghentikan siasatan. Tetapi, jelaslah, Apandi takut jika lebih banyak bukti akan dijumpai.

19. Dan sekarang beliau ingin menguatkan Akta Rahsia Rasmi supaya beliau boleh memenjarakan pembocor seumur hidup. Kenapa? Adakah kerana beliau menyembunyikan bukti? Apakah pula peruntukan undang-undang mengenai orang yang menyembunyikan bukti mengenai jenayah?

20. Undang-undang bukanlah digubal untuk menyembunyikan jenayah. Undang-undang digubal untuk menghalang jenayah dan menghukum penjenayah. Adakah kemungkinan cubaan beliau untuk menghalang Peguam Negara Switzerland mendapat laporan-laporan berkenaan berpunca daripada keinginannya untuk menyembunyikan bukti? Ini mungkin adalah satu tindakan jenayah.

21. Najib mendapat sokongan kuat daripada ketua-ketua bahagian UMNO, Ahli-Ahli Parliament UMNO dan menteri-menteri Kabinet beliau. Mereka sedia untuk menerima hakikat wang berbilion yang dimiliki di dalam akaun peribadinya seperti perkara biasa.

22. Apabila beliau cuba untuk menerangkan kepada Majlis Tertinggi UMNO bagaimana beliau memperolehi sebegitu banyak wang and mengapa beliau tidak memberitahu UMNO, seorang ahli majlis berkata tidak perlu untuk beliau menerangkannya. Hanya beri RM5 juta kepadanya pada pilihanraya akan datang dan beliau akan menang. Sama ada wang tersebut dicuri atau tidak, ianya tidak penting kepada ahli-ahli tertinggi UMNO. Mereka seolah-olah bersedia untuk menerima wang yang dicuri. Adakah boleh kita mempercayai orang-orang sebegini untuk mentadbir Malaysia?

23. Wang tidak boleh disembunyikan. Beberapa ribu Ringgit wang tunai boleh disembunyikan tetapi bukannya berbilion Ringgit. Jika anda menyimpan sebegitu banyak wang di dalam bank, ramai orang perlu menguruskannya and akaun-akaun itu akan diketahui. Tetapi, rahsia perbankan bererti mereka tidak akan memberitahu apa yang mereka tahu.

24. Suruhanjaya Pencegah Rasuah Malaysia tidak bergigi dan tidak berguna jika mereka tidak boleh memperolehi informasi kerana rahsia perbankan. Saya rasa mereka tidak tertakluk kepada akta rahsia perbankan. Jika betul, lupakanlah sahaja mengenai membanteras rasuah. Sebaliknya kita menghalalkan sahaja rasuah.

Salam Tun,

Jangan lupa jaga kesihatan.

Minta ruang nak jawab Hajar.

Dear Hajar I tak pro-Anwar. I bagi example pasal I nyampah dengan Najib punya statement. Masa I taip kat keyboard, I terlepas pandang TSMY. Dia memang banyak kali ura2 naik jadi PM, tapi tak jadi,

naik PM Pak Lah lah, Najib lah, esok lusa Zahid lah.

I nak share pengalaman sini. I pernah nampak Anwar kat function in the 90s. Dia tertamu kehormat sebab Tun Mahathir tak dapat datang. I pula hanya hadirin biasa. Masa dia berucap I terfikir dalam hati. Aduhai kalau dia jadi PM agaknya Malaysia jadi macam India. Buat banyak filem Hindustan, lagu2 Hindustan, rakyat miskin tapi rajin berpuisi dan berkhayal. LOL

I fikir gitu sebab dia baca speech dengan bahasa baku dan guna perkataan yang tak di guna dalam percakapan harian. Dia more of sasterawan dari bakal PM to me. LOL

Anyway tu saja masa I nampak kelibat Anwar.

Lepas Anwar jatuh I bertanya kawan2 tentangnya betulkah dia ini miang. Sebab the stories I heard

after that sort of he very miang guy

Kebetulan ada seorang kawan pernah jumpa dia semasa TPM dan wife kat rumah seorang lecturerer musim raya.

Kawan ini kata dengan ragu2, tak tau lah aku perasan ke ape, tapi dia asyik tenung aku, mata tak gerak2, sampai isterinya mencelah tanya, datang seorang aje ke? Kawan ini jawab, datang dengan

suami, baru Anwar berhenti tenungnya.

Assalamualaikum.

Tun Asalamualaikum,

Picture this will you, it is a Drama Swasta – Detective Story/Series. There was robbery and the Detective was investigating the Crime. A lot of witnesses came forward to testify the false stories, and the Detective was pretty confused at least looks that he is. He continued analysing the crime, questions a lot of suspects, proposing a lot of possible theories and studying the alibis that were brought to him and still the crime is not solved. It distress the Detective Enormously of course, not only was he excited to know who the criminal is, he is he thinks after all an honest Officer, so he is pretty determined to solve the mystery surrounding the Crime. The money seems to disappear quite

magically too that is even more confusing to the Detective. Oh Boy.... who can it be he asked. It has to be someone really nasty and tricky.

So in his desperation to solve the mysterious crime, the Detective decided to put forward a list of names. In order to solve the mysterious crime, he started to make some accusations and allegations of a list of names and proposed a theory as to what happen. The show was not ending anytime soon. As more and more people get suspected and allegations were hurled at different people, it was comical at the same time exciting. It was incredibly entertaining.

Finally the show ended, like all shows. And in the end the public and the audience finally see the criminal. Although there were not too delightfully amazed by the conclusion, because everybody sort of knew who it was all along.

The Detective who was investigating the crime and giving a whole lists of suspects and possible criminals, the protagonist himself, the hero of the whole show, the person you trust the most was the Criminal in the end. He was the Culprit, the Investigator who Investigates his own Crime. Amazing!

Applause

Salam Dearest Tun,

1. DS Nazir Razak said that he "won't be wearing red"...
2. Of course, because he has been wearing YELLOW all this while.
3. Minta maaflah, sebab saya bukan percaya (untuk diangkat menjadi pemimpin di Malaysia) sangat kepada adik PM Najib @ Ah Jib Gor ini. Imej LIBERAL beliau memang terpancar terang-benderang, sama seperti abang kandung beliau – acuan sama.
4. Dulupun saya memang tidak 'pro' DSN. Tun sepatutnya mencadangkan TSMY sebagai pengganti Tun Abdullah, bukan menyokong dan menaikkan DSN. Saya tidak menyalahkan Tun, kerana semuanya terpulung kepada Tun Abdullah sebab beliau yang ada kuasa 'mutlak' melantik DSN sebagai pengganti beliau. Tapi, sekarang Tun Lah 'tidur' saja.

P/S: Puan 'Sri Sense', I disagree with you on Anwar Ibrahim. It would have been a disaster if Tun M had not sacked him (Anwar juga derhaka kepada Tun M; bila kena pecat dari jawatan/ UMNO dia 'meroyan' ke seluruh negara menghina dan memfitnah Tun M; dia penyumbang terbesar kepada persepsi buruk banyak orang terhadap Tun M. Tun yang bawa Anwar masuk UMNO kerana 'tertipu' dengan imej 'warak' beliau; jika tidak jadi anak didik Tun M, Anwar tidak naik ke tahap TPM dengan cepat).

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Nazir goes on leave as CIMB reviews anti-money laundering law

KUALA LUMPUR: CIMB Group Holdings Bhd's board of directors has initiated a review on its anti-money laundering processes including the US\$7mil transaction chairman Datuk Seri Nazir Razak admitted to conducting.

In light of the review, Nazir has voluntarily taken a leave of absence.

He said he had ensured it was not illegal and did not misuse his position at the bank.

"There is no other time my brother asked for this," he said at a briefing referring to a question if there were other transactions he made for his brother, Prime Minister Datuk Seri Najib Tun Razak.

Nazir added the board will deliberate on the outcome of the review, and then decide whether he will maintain his position as chairman.

Shareholders have however reelected him as chairman during the group's AGM earlier today.

He added the bank is continually in contact with Bank Negara on all matters, including this.

The review, which will be done with assistance from independent accounting firm Ernst & Young, is expected to complete in a few weeks time.

USD3.5 billion and USD700 million is lost as admitted in PAC report. It is sad that not a single leader mentioned that a total of USD4.2billion is confirmed lost. Sweep it under the carpet just like that? Do they really believe all these money is scammed overseas and non of it flowed back into Malaysia?

Covering 1MDB losses through other means (well, buying cheap Rakyat land) does not absolve this accountability!

After so many official visits by Najib and his slaves to Saudi Arabia, their prince announced that donation is in fact from Saudi Arabia. This urgency is for winning Sarawak election. But Malaysians already convinced he looted them from govt. coffer.

They will only believe when they see all the transaction papers. But those will not be provide since it's doesn't exists at all.

It it is True

Now Saud confess yes they did donate

But if it is found later

No it is not a Donation from Saudi

Meaning The Prince of Saud is abetting to Najib embezzlement and Misappropriations of Authority

Thus It breaks Malaysia and Saudi Relations

Such a Leader are behaving like King Firaun of the 21 st Century

An act should be condemn and punish

The Jews will be more respected

Simply they could make up everything from Day 1

Instead of heating behind the bush

These are much seen as Frauds creates more Hatred towards Najib

And now the Saudis will not be respected also

Don,t they think they are King or Prince

The world is theirs

They are also No difference as what they term Assad, Saddam ,Gadaffi

No Diferrence as Regime not Demcracy

Persoalannya mengapa kedutaan Arab Saudi perlu mengambil masa yg begitu lama untuk membuat pengakuan? Apa bukti dokumen yang boleh menyokong pengakuan? Mengapa Najib mengambil masa untuk mengaku duit itu derma dari Arab. Menariknya pengakuan itu tidak pula menyebut duit derma. Adakan duit 1mbd yg berliku itu singgah di tanah Arab sebelum masuk ke akaun Najib lalu ada yg ambil kesempatan untuk memesonkan fakta? Yg nyata pengakuan kementetian luar Arab masih tidak kredibel. Malah laporan WSJ kelihatan lebih menyakinkan dengan bukti2 yg disertakan. Lagi pun kena isu ini tidak dijawab oleh Najib dan tidak dibahaskan secara terbuka antara 2 kem jika

terdapat fakta kebenaran? Atau adakah dura Arab dah ternakan dedak??? Semuanya menimbulkan tanda tanya.

Assalamualaikum Tun,

Tun, hati saya teramat sedih...teramat pilu dan kesian lihat Tun sanggup bersusah payah, berpeluh kesana kemari untuk mengajak rakyat bersama-sama menyelamatkan negara. Kalau Tun pentingkan diri dan anak beranak Tun tak akan berdiri sama level dengan rakyat bawahan. Tun pada usia begini sanggup gadai nyawa dan kesihatan jejak ke ceruk kawasan yang 'orang atasan' tak sanggup jengah.

Tun dan isteri....berdua tak pernah berenggang...saya sedih namun gembira lihat Tun berdua setia bersama. Saya sedih hari-hari tak kira dimana, bagaimana dan cara mana dengan kuasa sombong, mereka ini menyindir, merendah-rendah Tun seolah-olah mereka lupa diri dan hilang rasa hormat pada Negarawan terulung Malaysia. Siapa kalian semua? Apa hak kalian untuk menghina Tun sebegitu rupa?

Manusia yang sombong akan bercakap besar dan hanya membohongi diri sendiri.

Semua institusi kerajaan, yang beruniform dan tidak beruniform, sanggup melempar Tun seperti sehelai kain buruk yang sudah kusam dan tidak bernilai. Mereka lupa kain inilah yang membaluti mereka dengan kesenangan, kemewahan, mengajar mereka keperibadian dan keilmuan yang tinggi. Sampai hati kalian!

Sanggup lgp anggap Tun yang mulia ini sebagai perosak negara, penjenayah? Sanggup lgp menyembor semua kata-kata yang hanya sesuai untuk dilempar kepada PENJENAYAH sebenar dan IA BUKAN TUN. Tun hanya bersenjatakan pena, jari, mulut dan otak yang waras. Adakah senjata-senjata ini yang kalian takuti? Kalian tidak takut dengan penjenayah-penjenayah kejam yang berkeliaran diluar sana. Kalian takut dengan seorang LELAKI TUA BERUMUR 91 TAHUN BERNAMA TUN DR MAHATHIR MOHAMAD! Tahukah kalian LELAKI TUA BERUMUR 91 TAHUN BERNAMA TUN DR MAHATHIR MOHAMAD tidak takut pada kalian kerana LELAKI TUA BERUMUR 91 TAHUN BERNAMA TUN DR MAHATHIR MOHAMAD ini berani kerana benar!

Saya berdoa agar Allah S.W.T. melindungi Tun, isteri dan keluarga dan memakbulkan hajat Tun semoga dapat melihat dan merasai keharuman Malaysia ditadbir oleh pasukan pentadbiran yang mengabdikan diri pada Prinsip Rukun Negara...dan bukan pada "Cash is King". Amin.

Terima kasih Tun.

Salam,

Saya hanya terfikir-fikir, kenapa Najib kebal di atas takhta dan tidak mahu berundur.

Sekadar rewangan minda untuk dikongsikan, bahawa

Barisan Nasional tidak akan dapat ditumpaskan selagi Pakatan Harapan tidak berjuang di dalam 1 bendera yang satu. This is a very sad fact. Selagi pembangkang berlawan dengan sect yang berbeza selagi itu BN tidak dapat ditumpaskan.

Saya cuba memahami maksud disebalik kesanggupan TUN untuk duduk "semeja dengan DAP iaitu musuh tradisi BN. Saya dapati TUN mengajar anak muda untuk UNITE, jangan kira kaum, fahaman, agama.

Jadi pembangkang, bersatulah jika anda benar – benar ingin reset politik Malaysia selepas teori RAHMAN dengan memacu arus politik baru dimana "we Malaysian fight for Malaysia" bukan berlandaskan parti kaum masing – masing. Sediakah Melayu bertoleransi hak bumiputera dengan kaum lain? Sediakah Cina berkongsi kekayaan dengan kaum lain? India bersedia berkongsi kemahiran, kepakaran dan tenaga bersama kaum lain. Dayak di East Malaysia sudah bangkit hari ini.

Selepas RAHMAN adakah teori M.A.H.A.T.H.I.R. akan memacu Malaysia dimulakan oleh Mukhris@Muhyiddin. yang pastinya saya tidak mahu

Salam Tun,

I am very very happy that you finally did a walkabout at Jln Tuanku Abdul Rahman last night meeting the Rakyat to urge them to support and sign the Deklarai Rakyat.

I put this suggestion to you to do the Walkabout many many months back in your blog even before the idea of the Deklarasi Rakyat came up.

I did say this is the only way to put forward the message to the Rakyat that Najib must be brought down as not only he is corrupted but also bringing miseries to the ordinary Rakyat by imposing GST, increase in toll charges, getting All Gment depts and agencies to summon and taking legal actions for even the slightest mistakes made just to collect as many income possible to settle the 42 billion heist that he did to this Gment.

I even suggested that the Walkabouts should be done in all states and even small towns to get the people awareness.

I hope the Walkabout last night was the first step to many more Walkabouts.

Do not forget to look after health Tun. But you still look strong and alert at every Friday prayers at Meajid Negara.

It is very much seen today

Malaysia Police are doing some work But for the wrong purpose

If PM Najib from Day 1

Behaves like a True Gentlemen , A True Leader like x PM Lee Kuan Yew and his Son today PM Lee Hseing Loong

Those who defame him ,the Lee will appoint a Lawyer to seek Justice from the Judiciary System

BUT our Beloved PM Najib Tun Razak are so much afraid that

He desperately appoint a new AG to defend himself even order to stop investigations of 1MDM and the few matters

How nice if these system of Najib the people can also apply

And Opposition can also do so if Najib have already done it

These Today have results

Of how desperate Najib try to paint good images of himself

Have indeed Paint Najib himself as Bad n Black

Today he desperately blames others of his Black images

Apa berita tu Hajar, nak check Tun Mahathir pulak. Pemimpin dulu2 pulak nak siasat. Atas arahan pemimpin sekarang? Kalau pemimpin sekarang bersih tak diragui, ok juga la, kita semua boleh tepuk tangan.

Bior benor2 sikit. Awak tu duduk dalam UMNO Tun Mahathir bukan lagi UMNO Tun Razak ada. I ada baca caption something like Najib kata Tun Mahathir lupa saya sokong dia 22 tahun. I like to add here Najib lupa Tun Mahathir sokong dia selama 22 tahun. Dari sokong Najib kan baik Tun sokong Anwar

Ibrahim. Just saying.

Jatuh jugalah UMNO nanti.

Dulu kat Selangor dalam teruk2 Khir I fikir mungkin kurang seat menang, tapi terus tumbang. My

advise pemimpin sekarang janganlah nak eksyen dengan rakyat.

Kalau Najib kata dia dah return a part of duit itu, then must be the Arab la money laundering. Maybe after this Najib kena pulak tolong the Arab untuk elakkan Money Laundering charges. Tak tau la apa

pulak nanti dia putar putar kan. Kira kita bakal dengar cakap2 yang lagi pelik2

But I tengok rajah WSJ dan Malaysian Insider dulu macam duit KWAP je. Pusing2 pusing keliling dunia. My brother bekas pegawai kerajaan sampai kata "Habih abang tak dapat pencen le" I jawab mengusik "Entah la abang, abang duduk rumah tanam la sayur sayur kat rumah bungalow abang tu". Marah

punya pasal abang terus kerja swasta. Kebetulan dipanggil kerja. LOL

Salam Tun

Semalam I pergi Setia Alam Mall, tak ramai orang, parking masih mampu dapat walaupun dah tengahari. A week ago I pergi Publika, sama juga. KLCC I pergi a month ago pun sama.

Orang mungkin kata sebab Klang Valley banyak malls so tak ada customers, tapi yang dah established pun sama. Kalau dulu nak pergi Mid-Valley kena sebelum pukul 10 pagi senang dapat parking sekarang tak lagi.

I ini rajin pergi mall, cakap aje apa mall dalam KLang Valley I dah pergi. PKNS Shah Alam, tempat yang paling popular kalangan orang Melayu bukan saja musim hari raya pun ramai pekedai dok mengeluh, customer dah kurang.

Rata2 orang tak berbelanja unnecessarily. Orang tak beli barang mahal lagi. Kalau ada sale baru nampak kelibat orang datang, tapi itupun kebanyakan hanya tengok2.

My son juga kata sekarang susah cari kerja.

Bila cerite bab shopping, I dulu sebelum Tun naikkan Malaysia setaraf dengan Singapore, I shopping

kat Singapore sebab masa tu Malaysia tak ada choice dan kebanyakan barang lama.

IMAO ramai rakyat tiada kerja jadi tak dapat belanja, ramai rakyat juga tak nak bayar GST, so depa masak kat rumah, ramai rakyat tak nak bayar tol, so depa bangun pagi naik public transport, ramai rakyat nak jadi macam Najib and Rosmah hentak tinggi, hinggan jawatan security guard pun kena

bagi hantaran 15K.

Kita boleh lihat sekarang banyak betul perangai yang pelik2, sebab yang diatas tu sering pelik bin

ajaib.

Salam YAB dan Yang Amat DiKasihi Tun,

<http://www.utusan.com.my/berita/nasional/polis-buka-empat-kertas-siasatan-terhadap-tun-mahathir-kpn-1.268075>

Wah! Hebat! Efisyennya KPN kita menyiasat 'jenayah2' yang Tun M disyaki telah lakukan.

Apa kata TS Khalid siasat laporan2 polis terhadap PM Najib @ Ah Jib Gor. Lagi pun sudah ada banyak bukti2 sahih (SAH) seperti wang BERIBU-RIBU JUTA ringgit yang telah disalurkan ke dalam akaun2 peribadi DSN.

Wang SRC International (SRCI) berjumlah RM 42 Juta juga disahkan oleh Peguam Negara telah didepositkan ke akaun peribadi DSN. Takkanlah jawapan dan kata2 DSN saja sudah cukup untuk dijadikan alasan/bukti sahih yang beliau tidak tahu wang tersebut dari SRCI. Jika demikian banyaklah penjenayah2 yang boleh terlepas dari didakwa sebab 'cakap2 mulut' pun boleh diterima sebagai alasan kukuh terutamanya penjenayah2 yang kerjanya MENIPU orang.

Butakah anda wahai KPN?

Bagaimana pula dengan 1MDB? Masih tidak cukup buktikah untuk mendakwa mereka yang bertanggung-jawab terutamanya DSN yang ternyata 'sain' dokumen2 perjanjian tanpa baca isi kandungan dokumen tersebut. Saya risau nanti DSN akan tanda-tangan dokumen jual-beli negara Malaysia kepada negara asing tanpa baca isi dokumen tersebut. Agaknya semasa beliau tandatangan

dokumen perjanjian berkaitan tanah KTM di Singapura, beliau juga tidak baca kandungan dokumen

berkaitan. Memang 'hampeh' PM kita ni...

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Assalamualaikum,

Kehadapan yang dikasihi lagi dikasihani ayahanda dan nenda rakyat.. YABhg Tun Dr Mahathir..

Moga sentiasa berada di bawah perlindungan Allah s.w.t. hendaknya.

Teringat zaman dahulu diawal-awal pemerintahan Tun sebagai PM, perhubungan antara anak dan kedua ibubapanya adalah secara kiriman surat dan emak saya menulis dalam bahasa jawi tetapi saya balas dalam rumi sebab tulisan jawi saya huduh.

Kadangkala kalau sesuatu perlu disampaikan cepat contohnya bila kehabisan wang dermasiswa (zaman Tun, kami siswa pun dapat derma tapi taklah sebanyak insan kesayangan Arab dogol tu!) kemudian pakat telefon di public phone dan minta buat reverse charge lagi.

Duitnya kemudian boleh diterima paling cepat waktu itu melalui TMO atau Telegram Money Order ambil masa juga.

Hari ini semuanya berada diujung jari, anak2 tidak perlu lagi menulis surat atau bercakap melalui telefon cukup sekadar menekan paparan skrin telefon pintar ditujukan kepada ibubapa maka wang ringgit akan dipindahkan dengan sekelip mata.

Masa berubah usia bertambah namun Tun nampak potensi internet walaupun ramai yang masih kurang pasti kebaikannya masa itu tapi hari ini di Malaysia individu paling bertuah mengeksplotasikan sistem pemindahan wang secara elektronik ini tidak lain tidak bukan ialah Perdana Menteri kesayangan UMNO dan Arab Saudi iaitu Najib Razak.

Bayangkan jika tanpa sistem perbankan elektronik sebegini tidak mungkin Najib akan berjaya memegang rekod dunia sebagai individu yang paling banyak menerima sumbangan derma sekurang2nya USD681juta atau orang kata bukan saya kata mungkin lebih dari USD1billion dan sedikit derma juga kot dari SRC dalam RM42juta.

Terima kasih perbankan elektronik kalau tidak Najib mungkin memerlukan satu kontena dalam denominasi RM100 untuk menyimpan wang sebanyak itu tapi kesian juga nanti Pak Najib kena bukak payung sebelah kontena dengan Shahrir, Mat Maslan, Nazir Razak dan ramai lagi kena beratur panas2 tunggu giliran masukkan bahagian masing2, ada yang bawa beg pakaian dan ada juga yang kena bawa karung guni.

Apa-apapun kami bagi pihak YABhg Tun Dr Mahathir mengambil kesempatan ini memohon maaf kepada Pak Najib kerana tidak dapat menerima temubual santai dari Jubeir al-Adel sebagai pengesahan rasmi dari kerajaan Arab Saudi.

Mohon jasabaik pihak kerajaan Arab Saudi diwakili Adel sekali lagi, mengadakan sidang akhbar dengan menjemput semua media asing dan membuat pengesahan secara rasmi dengan merujuk kepada derma yang mana? Samada USD375juta tahun 2011 atau USD681juta tahun 2013 atau ada lagi ratusan juta dolar US tercicir selain 2 tahun ini? Kami feninglah banyak sangat derma derma derma yang mana satu daa?

Kemudian lebih afdal pihak Arab Saudi mungkin boleh tambah satu lagi surat iaitu surat pengesahan penerimaan balik wang derma yang tidak digunakan sebanyak USD621juta dengan sedutan kandungannya antara lain menyebut;

"HRH the late King Abdullah if he is still alive today will definitely feel saddened knowing that you simply doesn't accept the whole amount of HRH small gift and therefore will not accept that balance amount but in return will donate back that USD621 million to be shared among all muslim charity organisation in Malaysia via the official Malaysian Government account."

Tak ke bagus macam tu you tak nak buatlah macam nak bagi balik pada pertubuhan2 Islam negara ini, cantik sikit jalan ceritanya.

Paling lucu tertengok tak sengaja buletin utama TV 3 suku malam tadi 3 individu hebat dengan bangga mengulas kenyataan Adel bahawa sahlah duit itu dari wang derma dan bukanlah untuk pelaburan dimulakan Anuar mu Salah, Salleh asyik Keruk dan Kikikik Jer.

Wahai menteri2 bodoh yang tak boleh diajar setakat temubual santai dengan Adel tu tanpa tunjuk bukti bukanlah boleh dikira pengesahan! Apatah lagi si budak KJ diakhir2 sedutan temuduga tergaru2 kepala yang tak gatal. Lain macam sahaja 'body language' dia yang nak menipu tak kena gaya!

Akhir sekali mungkin di lain kesempatan kami boleh kongsi cerita bab panduan sains menyain teknik terkini terbaru "tiru macam Pee M" terhangat di pasaran sekarang!

Wasalam Tun.

Salam,

Hanya sesuatu di dalam benak fikiran sahaja, bahawa :

1. Orang UMNO marah TUN bila TUN duduk dengan LKS dalam DR untuk motif selamatkan Malaysia dengan alasan TUN menyokong dan membenarkan musuh "melayu" duduk dengan "bekas" pemimpin UMNO.

Tapi

Orang UMNO membenarkan Najib duduk dengan Jho Taek Low dalam 1MDB dengan motif menghancurkan negara dengan hutang yang tak patut diambil pun.

2. Orang UMNO marah pada TUN dan mencemooh TUN tidak bermaruah bila TUN jumpa "orang luar" untuk membongkar salah laku PM.

Tapi

Orang UMNO berkata PM bermaruah bila PM luluskan berbillion ringgit kepada syarikat "orang luar" yang menipu dengan syarikat palsu.

3. Orang pro-najib berkata TUN mamak india

Tapi

CEO dan Presiden syarikat paling popular di Malaysia yakni 1MDB India Convert. (A2K2)

4. Orang UMNO marah TUN sebab telah lupakan perjuangan UMNO dengan tidak kemelayuan.

Tapi

Orang UMNO biarkan orang Melayu yang jadi kambing hitam (shahrol dan sirul) untuk selamatkan jawatan PM.

Sekadar renungan orang UMNO yang tahu membaca. Membaca itu jambatan ILMU. IQRA'

TQ

Assalamualaikum W.Wb.

Tun yg di kasihi,

Memang seperti saya katakan semalam dan sudah di jangkakan menteri menteri dedak semua akan dan sudah pun menyalak senada sebab makan dedak yang sama. Jadi senada lah. Ada pula yg minta Tun minta maaf pada Najib. Haah...Fat hopelah.

Sebenarnya yg membuat masalah dan kecoh di sini hingga ke hari ini ialah Najib sendiri. Kalau dia membuat pengakuan sewaktu PERTAMA KALI di tanya ada tak terima duit dalam akaun nya dan jika dia seorang yang jujur dan dia menjawab ADA dan sekaligus bantangkan secara jujur bukti bukti pengiriman duit secara terperinci perkara ini tidak melatut sampai kesini. Masalah nya dia tak buat begitu. Dia tidak jujur pada Malaysia dan diri nya sendiri. Helah demi helah di berikan.

Sekarang menteri menteri dedak nya cakap mereka consistent dalam jawapan nya...Hello....Consistent tu betul tapi bukan dalam jawapan nya. Consistent nya ialah consistent dalam pembohongan. Lie after lie after lie to cover up the previous lies. That is what all of you are consistent about.

Nak kenal orang yg membohong atau tidak senang saja. Tanya satu soalan tengok apa dia jawab. Kalau pertama jawab lain kemudian jawab lain jelas orang sebegini memang kaki membohong. Kalau orang yang tak reti membohong hari ini dia jawab A besok dan seterusnya juga jawapan nya ialah A. Tapi itu tidak berlaku.

Jadi menteri menteri yang ada tu elok lah makan lebih sikit supaya tak boleh nak buka mulut langsung kerana penuh dalam mulut. Senang sikit. Kalau nak harap saya percaya anda sebenarnya anda bermimpi. Saya akan percaya bila anda bantangkan bukti pengiriman duit tersebut semua nya. Saya ulangi semua nya. Baru lah saya akan berpuas hati kebenaran pengakuan Najib. Kalau cuma si arab tu saja cakap perkara itu betul dan kamu semua dah menyalak suruh saya diam sebenarnya kamu mengigau. Sebab kamu semua dah menggelabah. Hari semakin dekat dengan jawapan yang akan keluar. Waktu itu kita lihat Tun minta maaf pada Najib atau sebaliknya. Apa lagi kalau ending nya Najib masuk Sungai Buloh macam ?....Kamu ingat kamu orang semua boleh lepas ????????

Ada menteri yang ada lembu tinggal dalam kondok, ada yang kata pemutihan tak pakai ejen tapi ada 3 ejen besar yg buat duit, ada yang lesapkan 100 juta pun tak tahu benda berlaku dan macam macam lagi lah. Ada six million dollar man. Ada yang kasi kroni AP lepas tu minta tolong Tun selamatkan dia lepas tu gigit balik tangan Tun dan macam macam lagi. JADI MASING MASING CERMIN LAH MUKA SENDIRI DULU PUAS PUAS SEBELUM NAK PALINGKAN CERMIN TU. Jangan nak berlakun jadi malaikat. Yang ada semua kat atas tu tak ada satu pun yang betul.

Kepada Tun semoga Tun sentiasa dalam lindungan Allah SWT dan di berikan kesihatan dan iman.

Teruskan perjuangan YANG BELUM SELESAI dalam menegakkan kebenaran.

Wasalam

Salam Tun yang dikasihi,

I was laughing at Novo's letter to PM office, which I thought was right and hit the message across.

We try not to bring our friends down, race is not the issue, if we focus on race we will lose this and repeat the mistake that has brought down so many countries. Race, religion, and Gender should never be the issue so I feel what WandyCaswady say was right and it will be insensitive if we come in here and start putting down our brothers ro sisters too. Not unless the issue is about Ethnic Cleansing like in Kosovo and Serbia or Palestine.

=====

Today I shall touch on Khairy's comment

"All the political efforts and agenda to bring down this government is not gaining traction and even so that the Saudi government confirmed that the money was donated without wanting anything in return," Khairy told reporters here.

"So to me, all the attempt to supposedly save malaysia has been rendered meaningless because there is nothing more to dispute," he added.

=====

For someone who lost 100 million during his watch, it seems normal that the Saudi Foreign Minister's confirmation could potentially released Najib from all the allegations and free the latter. It's timely too, in less than 24 hours. He made a press statement.

This isn't a small hole, that has been created, it is a Grand Canyon, and now they can't move any funds to rectify the problem because the whole World is Watching. So in short Ladies and Gentlemen, the problem will persist for Najib it never could be rectified. Even as we speak now he is being investigated, by multiple Nations. So then, do you see how ridiculous this is going. The whole is wrong except Najib, the "Save Malaysia" campaigners are wrong, the other Govtments and Institutions investigating this case are wrong, the Public is wrong, Tun Mahathir is Wrong, Tony Phua and Rafizi are wrong, Nurul Izzah and Datin Wan Azizah are wrong, Ambiga she is wrong too, all the opposition parties, are wrong, all except Najib. I stop there.

=====

Like Cancer, corruption has spread vastly, crippling the economy, and infrastructural resources and reserves unseemly, which could have been invested elsewhere in good faith. These very same people involved in the movement to free Malaysia, are the proponents pleading for Najib to step down, and for voicing against the aftermath of corruption.

A corrupt free society is equal to human rights of the citizens. It's going to be a lengthy affair, hoping to yield some conviction to reveal the truth, as days go by. The air of Pudu seems closer for certain individual who deserves to be there quite rightly so since it was first brought to light this scandal.

The Act 575 ANTI-CORRUPTION ACT 1997 and MACC should by and large address the problem of inadequacy of various systemic difficulties, abnormal delays in investigation, and prosecution and disposal of the case. But it's not happening as such. The awareness that the integrity of Politicians involved in the scandal and they who are hiding the truth and put on a show to conceal the mistakes,

and they who partakes in those activities, must realize that they are a total disgrace to Malaysia, to the Legacy, to the Freedom, to the the Human Rights of the Citizens, to the Reputation. The Corruption Scenario and the way it is being handled, does not inspire much hope, for men and women in the streets, the rural folks and the working class who feel that there is no way out and they have to live with it. Not unless this is rectified honestly. And not unless the Royals and the all the other Government Institutions can see the bigger picture and do so with good faith for Malaysia. This is worse than the British Occupation, the Japanese Occupation, the Communist Insurgencies, the Confrontation, the Racial Riots of 1969. All those are peanuts compare to what this is implicating all of Malaysia.

Shame on you if you know the truth and protect the criminal.

Wasalam Tun yang kami hormati...

M. M.

Assalamualaikum Tun,

Pak-pak menteri Malaysia dan pengipas2 DSN dah mula serabut agaknya. Tak habis2 suruh rakyat diam jangan unkit-unkit lagi isu 'donation' RM2.6 billion yang dimasuk dalam akaun peribadi DSN. Pak-pak menteri yang berIQ tinggi, ini bukan isu 'donation' RM2.60sen tapi RM2.6 BILLION! Mana boleh rakyat dok diam! Cakap pak menteri arab tanpa bukti kukuh macam kosong saja sapa nak percaya.

Tun, manalah tak serabut kepala mereka semua. Mereka semua dah buat silap besar. DSN terima duit berbillion ini dia diamkan saja (mungkin ada beberapa kerat yang tahu?). Bila dah terbongkar sepatutnya dari awal lagi mereka minta pengakuan dan penjelasan daripada DSN dan minta DSN 'rehat' sementara mereka buat siasatan. Tetapi malangnya mereka tersilap ikut rentak maka jadilah pasukan pengipas2 yang buat2 pekak, bisu dan buta. Bukan mereka tak tahu, bukan mereka tak nampak tapi disebabkan menyintai 'Cash is King', semua jadi lupa daratan. Sungguh mengecewakan. Kenapalah mereka tak jalankan amanah dengan sebaik-baiknya? Susah sangat ka? Rakyat pilih mereka bukan untuk dicekek dan diperas ugut keatas keringat dan airmata rakyat. Your duty is to serve and protect the people, not to one person.

Tun, Igp dah tak ada kerja lain ka? Pergilah tangkap penjenayah2 yang masih bebas dan berkeliaran di muka bumi dan lautan Malaysia ini. Awatlah dok sebok dengan Tun. Tun tak kacau periuk nasi sapa2 pun. Semua yang Tun 'usik' hidup senang lenang, reputasi still intact, muka semua pun tebal2 elok je. So bagitau sini sapa yang hidup merana kerana 'usikan' Tun? Tak ada? So kenapa nak siasat Tun? Jenayah apa yang Tun lakukan? Apa takut sangat dengan seorang lelaki tua 91 tahun? Takut dengan ketajaman minda dan kata-kata Tun ka?

Tun's statements are shown to be fair comments on matters of public interest. Tun can exercise his right to express opinions on matters that affect the lives of all Malaysians. Tun, I'm not sure, are they charging you for defamation? When making any statement or comment on a subject matter, Tun has the justification and legal or moral duty to do so, and the subject matter has an interest in receiving it. Tun, you do have very caring, smart and wise lawyers to defend you. They know what to do. Don't worry too much Tun. I can't help much but my prayers are always with you that no harm come to you.

May Allah Bless you Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care and rest well. Thank you Tun.

Salam Saudara/Saudari WandyCaswady,

Membaca, memahami dan menulis dimana-mana penerbitan adalah pilihan diri sendiri, tiada yang memaksa dan tiada yang melarang.

Dalam pada itu, pada pendapat saya, ayat dibawah ini adalah tidak sesuai sekali.

"Cina cina nenek aku... Sbb dialah aku ni islam!!! Melayu Bodoh!!!"

Terutamanya dua perkataan yang terakhir itu. Berkemungkinan ianya ditujukan kepada seseorang tetapi apabila kita menggunakan gantinama sesebuah bangsa, secara tidak langsung keseluruhan bangsa itu terpalit dengan panggilan yang tidak manis ini.

Insyallah, penulisan kita akan lebih diambil berat sekiranya kita mengutarakan pendapat kita dengan isi yang bernas secara berhemah.

Terima Kasih Saudara/Saudari WandyCaswady.

Kalau letih usahlah peduli lagi hal Najib dan kunci2nya lagi. Tun rehat2, jalan2, makan angin. Walau apa pun kami semua tetap bersyukur kami ada tempat mengadu disini.

Teringat masa zaman Tun jadi PM, MCA rajin. Sering keluar dalam thestar tangani masalah rakyat yang bermasalah. MIC Samy Vellu pula sering jadi bahan lawak jenaka kat Jabatan Kerajaan yang I

kunjungi kerana Samy tak boleh sebut "d"

Itu cerita lama, Tun tetap terbaik sekarang PM kita macam semua kat sini cakap.

Betul kata adelheid, I pun kadang2 kesian tengok PM Malaysia kena maki hamun tiap2 hari, pagi petang, non-stop tapi dia je tak kesian diri sendiri, kena menagih kasih dan respect nun

overseas.

WandyCaswady, janganlah merajuk, orang kalau marah memang kadang2 keluar perkataan yang tak

sedap dengari, tambahan orang yang kita marah tu degil, besar kepala, kaki putar alam.

Happy Saturday. Hari ini hubby's birthday. Nak keluar makan2. Kedai mamak la. Or maybe kita minum

Sekarang Najib kena jual statement menteri pak arab tentang pengakuan derma tersebut berasal dari Arab Saudi untuk menutup MALU NYA. Masaalah Najib ialah dia punya tahap tak tahu MALU itu sangat tebal dan kebal sehingga HILANG RASA KEMALUAN NYA.

Sekarang si betina pengerang tu pula dah menyalak membersihkan nama bos nya konon, ada lagi yg dah menyalak suruh hentikan kritikan terhadap bos nya kerana pengakuan pak arab dan konon nya laporan PAC sudah membersihkan nama bos nya dan sebagai nya. Sikit lagi menteri menteri lain pun akan sambut untuk menyalak juga membela boss mereka yang tiada RASA KEMALUAN langsung. Kepada the bunch of menteris and PM that you all are a party to the scandal and a real LIABILITY TO MALAYSIA. To the AG don't play GOD as if all your words are the gospel truth and cannot be challenged. You make belief that you are rhe highest ranking person in Malaysia and on earth and are untouchables. You think that you already have the MASTERKEY TO HEAVEN.....Go and look yourself in the mirror and ask yourself if whatever you did you have done the right things and stop PLAYING GOD.....If you can't even stop your breath and live don't ever thing that your position is so high and untouchables. At the most at the age of 60 then you are nobody and just like a rubbish on the street where people will step and spit on you.

So whilst you are in position always do an honest job to earn discern income.

Take care Tun.

Dearest Tun,

1. Tun, you did not make any mistake when you sacked Anwar Ibrahim in 1998. He was fully responsible for his wrongdoings.
2. In fact, he was the one who started (did it openly) money politics ('Cash is King') in UMNO. Bringing Anwar into UMNO was a big mistake even though Tun's intention was good. Everyone knows that his main objective is to become PM.
3. Is this the person the Oppositions will appoint as our PM if they win during PRU-14? I wish the Oppositions & their supporters the best of luck (2x5 dengan DSN – very corrupt).
4. If DSN is still leading BN during PRU-14, I will just be an observer (not voting).
5. Please be careful Tun, especially when you are among the Oppositions' supporters. Some people are not very rational.

Thanks Tun.

P/S: Almost all 'Pak/Tok Arab' cannot be trusted (from my own experience and from what I heard – kaki kelentong / penipu).

*** May Allah S.W.T. bless Tun and family ***

Najib ...Lalang berdiri Tinggi
Tun MahathirPadi tunduk berisi

Inilah perbezaan Kepimpinan Manusia yg Berilmu Dari Manusia yg bersifat
Cash is King

Najib lebih menjahanamkan Negara Dari Membela Negara
Lihat apa yg beliau lakukan hanya pembaziran , kerugian Dari membawa Keuntungan untuk Negara

Dikelilingi pula oleh yg hanya pandai membaduk disertai permaisuri yg hanya pandai membazir Dari mencari

Hancurlah Malaysia
Hancurlah Melayu
Hancurlah UMNO

To Minister in the Prime Minister's Department Azalina Othman Said.

So who's god damn stupid to sign the document without reading the text ?

It must be your ultimate boss. Najib. You must be "proud" to have him as your boss so that you can fool him around. You and Mohamed Nazri Abdul Azizi are in the same boat, talk nonsense when defending their big boss.

I call it "sign membabi buta" and Najib's attitude is just at par with a retarded person. He is deemed not fit to be my PM and to lead me but of course it's fit you enough because of your "blindness" and "deaf". Do you benefitted something by defending 1MDB and Najib. As what i see you just defending your boss at all cause but not base on his righteous act.

We live in this civilised world. And in the civilised environment there is something we call as "civilised act".

This civilised act that I refer here is "When you sign a document you must endorse all the details inside it". You can't endorse partially or two third of it contains, must be all.

And a "civilised man" will take a full responsibility of his signature which he jot down in the document.

And your boss Najib can't be civilised man even though he played golf with Mr Obama. He can be called a civilized man up to when he take the responsibility of his endorse / signed document. Simple as that.

Macam anak aku la! cikgu ajar tulis surat dan dia sign sebiji nama dia. Sekurang – kurangnya dia tak "sign membabi buta".

Azalina mesti "sign membabi buta" juga kan? Kerana bos dia macam tu.

Wassalam.

Dear Tun,

Salam sejahtera Tun yang dikasihi.

Tun, kenapa kita mesti kecoh apabila setiap kali Najib ke negara Arab pasti disusuli dengan cerita baharu yang menyokong kisah derma beliau. Biarlah dia buat cerita apa pun, mintak pak Arab mana pun untuk keluaran kenyataan menyokong, tetapi jika tidak disertai dengan bukti-bukti transaksi bank yang sah maka takda hal kita nak percaya. Sememangnya kesemua alasan yang beliau dan 1MDB beri tanpa bukti autoriti sah. Dokumen-dokumen yang diserahkan pada PAC pun adalah yang terpilih yang tidak memungkinkan apa-apa kesalahan di pihak Najib.

Seharusnya Najib jangan lagi main wayang. Letak jawatan saja demi maruah dan harga diri kalau masih ada. Kalau tak ada kesalahan yang telah dilakukan tak ada apa yang perlu ditakutkan. Biarlah badan-badan berkenaan buat siasatan mereka demi sebuah kerajaan yang bersih dan telus. Kalau bukan sekarang lambat laun akan terbongkar juga kesemuanya. Undur diri dengan maruah dan harga diri lebih baik daripada dihina dan dimalukan saban hari saban waktu. Kalau orang Jepun dah bunuh diri agaknya. Walaupun mereka ini bukan Islam atau Kristian tetapi harga diri mereka adalah sangat tinggi.

Adakala saya kasihan tengok Najib dicemuh saban hari, tetapi beliau nampaknya lebih rela mempertahankan kedudukan material daripada mempertahankan harga kehormatan beliau. Sehinggan beliau dan kerajaan beliau kelihatan sebegitu rendah martabat di mata rakyat. Kita manusia yang ada maruah kalau orang dah tak hendak dengan kita, kita berundur sahaja. Undur bukan bererti kalah. Undur kerana kita ada maruah. Kecuali memang kita ada buat salah dan kita takut akan akibat serta padah kesalahan kita itu.

Saya boleh rumuskan yang Najib memang ada buat salah yang maha besar, yang berantaian antara satu dengan yang lain, mungkin semenjak beliau belum jadi Perdana Menteri lagi, semasa beliau masih TPM dan Menteri Pertahanan era Abdullah Badawi. Setelah jadi PM Najib semakin skillful

ditambah dengan sikap pahlawan yang membuat beliau tidak takut buat perkara serong. Saya khuatir kalau MH370 dan MH17 adalah hasil buah tangan beliau akibat terlibat dengan perkara-perkara yang tak sepatutnya beliau terlibat. Akibatnya seluruh rakyat dan negara terpaksa menanggung sama.

Tun, semoga Tun baik-baik selalu, jaga diri serta keselamatan, ceria jangan bersedih. Kami sentiasa bersamamu Tun Dr. Mahathir. Semoga negara kembali sejahtera. Love you Tun.

Assalamualaikum Tun,

Tun, saya ni taklah bijak tapi kenapa otak saya ni asyik curious je. Bila timbul hal2 dibawa oleh DSN dan pengipas2 dia, otak saya dok main2 macam2.

Tun, isu 'donation' RM2.6billion ni memang dah jadi isu teramat berat dan besar gajah hingga ke pengetahuan pelusuk dunia. Saya lihat ni pun di kaca tv dan media perdana.

Macam ni Tun, semasa pak menteri arab ni di temuramah, siapa disekeliling dia? Saya lihat dia dok berdiri kat corridor tempat mana entah. Sebelah dia pun nampak macam pak menteri Malaysia, nampak dia sorang je ke ada lagi? Crew tv atau yang temuramah pak menteri arab ni berapa orang, dari Malaysia je ke? Dari tv mana? Berapa lama masa diambil intebiu pak menteri arab ni? Berapa soalan yang ditanya? Apa soalan2 yang ditanya? Berapa banyak statemen pak menteri arab ni buat? Ada lagi statemen lain selain daripada yang ditayang di tv ke?

Isu 'donation' ni tersangat berat kerana ia melibatkan integriti dan maruah seorang PM Malaysia. Kenapa tak buat press conference dengan wakil2 wartawan dari seluruh dunia? Mereka memang dah pakar dengan hal korek dan cungkil ini. Si pak menteri arab ni pun mestilah ada bawa dokumen2 sahij tunjuk pada semua sebagai bukti yang memang ini duit betoi2 'donation'. Dan pak menteri arab ni mesti minta maaf dan betulkan kesilapan dia yang menyatakan dulu duit ini business investment daripada arab prince citizen. Si penderma ni kalau sayang sangat si DSN, kena hadir sama. Takkan nak biarkan orang cakap macam2 pasal orang kesayangan dia tu, kan Tun. Dah tak payah nak berahsiakan diri tu. Come out and save your kesayangan DSN ni. Dah tiba masanya untuk buktikan you, si penderma really exist.

Nah, pada masa conference inilah boleh dapat pencerahan dan penjelasan dengan adanya sesi soal jawab daripada wartawan2 antarabangsa dan negara Malaysia, kalau wartawan Malaysia beranilah. Oya, dan DSN mesti ada sama dalam conference tu. Dengan disiarkan pada seluruh dunia maka bolehlah dianggap benar dan bukan tipu-tipu. Dengan itu selamatlah dan 'bersihlah' DSN.

Malangnya Tun, ni depa panggil dan tarik pak menteri arab ketepi sorang, lepas tu bagi soalan yang mungkin dah tahu in advance, lepas tu suruh dia jawab gini gitu bagi nampak DSN 'bersih' dan Tun kita semua salah. Lepas tu cepat2 pancar berita 'gumbira' mereka ini ke pelusuk tanahair, maka mulailah pengipas2 DSN jalan tugas masing2 mengipas lagi rancak lagi laju.

What is this he's selling to us Tun?. Should we buy Tun? Saya tak percayalah Tun. I'm not buying. Nak buat rekaan macam ni pada seluruh rakyat Malaysia? Ingat rakyat Malaysia ni tak sekolah ka? Yang pak menteri arab ni pun satu! Ingat dia kaya boleh beli dengan kata2 putar belit dia tu ka, sat cakap lagu ni sat cakap lagu tu. Tun, sapa boleh bawa dia mai sini? Suruh dia cakap berdepan dengan segala bukti2 hitam putih sign and delivered pada seluruh rakyat Malaysia. Takkan tak ada masa kot. Dia

jangan takut nak mai, kita bukan nak makan dia , nak dengar percakapan benar dengan bukti2 itu saja, kan Tun.

Gitulah Tun, my little brain dok main curious. Maybe tanggapan saya ni salah, bahaya juga kan Tun. Maybe Tun knows more than this. Apa pun never give up on fighting the truth. May Allah Bless you Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Take extra care and Thank you Tun.

This is another typical amateurish drama played by Arul, because he knows Najib will ask one of his macai (probably Salleh Keruak) to cancel the debate.

Just tell the rakyat whatever silly reason available to pick up from the sky will suffice for the purpose.

Arul knows that his days are numbered, and also he is running out of points to reply, and he is starting to blurt out silly contradictions, thus recycle!

Asalam Tun.

Now the reporters will presumably continue to follow and inquire more details from the Saudi Foreign Minister, Adel al-Jubeir.

Seems Al-Jubeir talks more than he knows, and some good questions from experience reporters will certainly obtain new twists about the supposedly made-up stories enforced(?) by Najib on the Arabs.

Why are the Arabs interfering on the internal affairs of Malaysia?

They will greatly regret for going along with Najib's concocted story on the purportedly huge donation from them.

Lately Najib has been seeing the Arab leaders very often, probably promising to give whatnot to the latter, and in return they only have to tell the world they are most kind to donate \$681 million to Najib, without the money!

For a certain illogical reason, the Arabs have transferred the purported \$681 million donation in several transactions.

Salam Tun,

Saya tiada di Shah Alam semalam tetapi saya mengikuti dialog yang diadakan menerusi kinitv.

Cerita tentang 1MDB dan kerosakannya itu tidak perlukan ulasan lanjut tetapi yang menarik perhatian saya adalah soalan-soalan yang ditujukan pada Tun serta jawapan yang Tun berikan.

Sebelum bertanya, ada yang menyatakan UMNO/BN perlu dibuang habis-habisan, kenyataan ini walaupun dilihat sebagai sesuatu yang pahit untuk ditelan tetapi apabila kita melihat keadaan hari ini, berkemungkinan tradisi didalam UMNO/BN itu sendiri yang menjerumus kepada keadaan semasa.

Seterusnya ada yang ingin menandatangani Deklarasi Rakyat sekiranya Tun mengaku bahawa sejarah 1998 adalah sesuatu kesilapan.

Jawapan Tun secara ringkasnya, kita akan gagal sekiranya kita tidak bersatu untuk menurunkan Dato' Sri Najib. Perkara-perkara lain akan disusuli kemudian walaupun kita tahu sekiranya PM diganti hari ini, hanya calon dari UMNO/BN sahaja yang layak kerana masih memegang majoriti kerusi Parlimen. Tun juga menyebut, adakah PM yang baru kelak berani untuk berperangai seperti PM yang ada sekarang ini? Setelah melihat kekuatan kebangkitan rakyat, dari segi rasionalnya sudah semestinya tidak.

Baiklah Tun, mungkin banyak kebenarannya kenyataan ini tetapi kita semua tahu barisan pimpinan UMNO/BN yang ada hari ini adalah dari acuan yang sama. Secara jujurnya saya tidak nampak pun sesiapa yang benar-benar berkaliber untuk menduduki kerusi Perdana Menteri dari kalangan ahli kabinet hari ini dan saya juga percaya Tun juga melihat perkara yang sama, betul Tun?

Yang boleh mengubah keadaan ini (selain dari ketentuan Allah) adalah dengan mengadakan pilihanraya umum dalam masa yang terdekat ini. Kadang-kadang tu bila difikirkan ada baiknya diadakan dalam tahun ini juga termasuklah Sabah, sekurang-kurangnya kita satukan dengan pilihanraya Negeri Sarawak. Ini boleh mengeratkan persefahaman diantara Semenanjung dan Sabah Sarawak.

Sepertimana Tun telah menyatukan waktu diantara Semenanjung dan Sabah Sarawak sebelum ini, dengan penyatuan pilihanraya keseluruhan Malaysia, insya Allah, tiada lagi pemikiran yang berbeza diantara kita semua Rakyat Malaysia.

Tetapi, siapakah yang layak untuk membubarkan Parlimen hari ni??? Dengan tekanan yang cukup tinggi untuk singgah di Hotel Sungai Buluh, pembubaran Parlimen adalah perkara yang terakhir sekali bermain dikotak pemikiran Perdana Menteri kita.

Terima Kasih Tun.

Dear Tun Dr Mahatir,

Today we see news that the Saudi Finance Minister has 'acknowledged' the donation and that he is aware that the AG of Malaysia has cleared Najib....

Do not be fooled by his tricky words as we are ALL aware of the so called donation and that the AG had cleared Najib...

The question is, why can he not be clear and say yes, the King of Saudi directly transfer funds into Najib's account?

The statements made by the FM are purely tricky words and intentionally ambiguous....

Salam Tun yang dikasihi,

I think he is a rickshaw man, who changes his course, to reach his destination. Peddling his way through the concrete jungle of lies and deceit. Then he realize Oh my God, the idea of collaboration

could mean eternal torcher in Hell and eternal damnation and slicing of the tongue. That is perhaps way too much for a Rickshaw Man to handle, after all riding rickshaw is an honest living, and he doesn't want any part of that in the end. So a little awakening amidst the sinful act of collaboration.

It's better to die a poor man than to suffer eternally in the after-life. If one believes in any moral and religious faith. Dying for someone's else sins is not worth a candle. So Sheikh decided to adapt and make some alterations and modifications. Sheikh felt a committed involvement and the sinister deeds all going and working simultaneously... he felt an almost conflicting dilemma and decides the best was to make some intelligent remarks to rectify what was being said. Nevertheless, truth and lie can be 2 extreme ends, lets choose a point on the continuum and have a little mixed and balanc could be politically a valid standpoint without hurting anyone..... except Truth doesn't require Auxillary support. In quite the same way it is in this instance and 'menegakkan benang yang basah' kesian Sheikh ni...

binggung dia....

Sekian Wasalam Tun yang kami semua ciantai.

Saudi minister says donation to Malaysia's Najib was genuine – state media

KUALA LUMPUR (Reuters) – Saudi Foreign Minister Adel Al-Jubeir said that a \$681 million deposit in Malaysian Prime Minister Najib Razak's bank account was a donation originating from Saudi Arabia, Malaysian state media reported on Friday.

Najib has been facing allegations of graft after reports claimed that the funds found in his personal bank account originated from troubled state fund 1Malaysia Development Berhad (1MDB).

Najib, however, has maintained that the funds were a donation and did not originate from 1MDB.

"We are aware of the donation and it is a genuine donation with nothing expected in return. We are also fully aware that the Attorney-General of Malaysia has thoroughly investigated the matter and found no wrongdoing," Al-Jubeir was quoted telling reporters by state news agency Bernama at a summit of the Organisation of Islamic Cooperation in Istanbul.

"So, as far as we are concerned, the matter is closed," he added.

Al-Jubeir was speaking to Malaysian reporters after a meeting with Najib on the sidelines of the summit.

1MDB, whose advisory board is chaired by Najib, is under investigation in at least five countries for alleged graft and mismanagement.

Last week, a Malaysian parliamentary inquiry slammed the board of 1MDB for being irresponsible and urged a probe into its former chief, but stopped short of implicating the prime minister.

In January, Malaysia's attorney-general cleared Najib of any wrongdoing or corruption in relation to the funds, saying that they were a gift from the Saudi royal family.

Salam YAB dan Yang DiKasihi Tun,

1. PM Najib @ Ah Jib Gor & koncu2 serta rakan2 jenayah beliau sudah 'pecah tembelang' dan tidak mungkin dapat melepaskan diri. Mereka semua bakal didakwa dan didapati bersalah. Mana mungkin perkara seperti 'hadiah @ derma' yang diharamkan dilakukan oleh mana2 penjawat awam (juga mana2 pekerja yang berintegriti) tiba2 boleh pula dihalalkan bila melibatkan PM Malaysia. Jika DSN bukan PM Malaysia, adakah sesiapa yang mahu 'menderma'/menyalurkan beribu-ribu JUTA ringgit ke akaun2 peribadi beliau? Jika DSN jahil/bod*h, beliau masih melakukan kesalahan kerana cuai dalam menjalankan AMANAH sebagai Ketua Kerajaan, dan mesti bertanggung-jawab.

2. Bukti-bukti ('money trail') sudah terlalu banyak. Dalam aktiviti 'Money Laundering' / 'Pengubahan Wang Haram' dalam jumlah besar memang melibatkan transaksi2 yang melangkaui beberapa negara untuk mengabui mata pihak2 berwajib/berkuasa.

3. Jawapan2 balas dari rejim Najib amat dangkal. Memanglah duit yang masuk ke dalam akaun2 peribadi DSN tidak datang 'direct' dari 1MDB (tidak didepositkan oleh 1MDB secara terus). Penipu2 memang berusaha meyakinkan orang ramai yang duit tersebut bukan datang dari 1MDB.

4. Sebab itu wang asal (dari 1MDB) dipusing-pusing (supaya orang pening) dan dipindah-pindahkan ke banyak akaun2 berlainan sebelum akhirnya wang haram tersebut 'landing'/'mendarat' di akaun2 DSN. Kononnya ada 'bisnes' dilakukan – sebenarnya palsu/fake; beli-jual, sains kontrak, batal kontrak/konon bayar penalti; lagi satu modus operandi pengubahan wang haram ialah dengan menubuhkan 'syarikat – konon ada bisnes dan beroperasi' untuk menutup kegiatan HARAM; dalam kes 1MDB nama syarikat disengajakan hampir sama dengan syarikat 'halal' yang ada nama untuk kelirukan orang-ramai. Pelaburan ribu2 juta mestilah dengan syarikat2 ternama.

5. Mengaku sajarah PM Najib @ Ah Jib Gor yang anda telah banyak buat salah. Sila letak jawatan dengan bermaruah (jika masih ada maruah)!

Terima kasih Tun.

*** Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga ***

Assalamualaikum W.Wb.

Tun yg di kasihi,

“PERKARA YANG MENCURIGAKAN”

Minggu lalu Zaid Hamidi pergi Amerika. Konon konon lawatan kerja. Kerja ke jalan jaslan ke ada misi ke ??? Kesan nya berita WSJ buat pengakuan in favor of Najib. Lepas tu senyap.

Baru baru ni Najib pergi OIC summit di Turki jumpa pak pak Arab. Najib pun cakap menteri luar Arab Saudi mengesahkan derma itu datang dari Arab Saudi. Rasa nya semua nya tak kena. Tak tau berapa banyak dedak kena sumbat kat sana daaah.

Apa pun NAJIB cakap dah tak masuk akal lagi. WHAT I WANT IS PROOF. JUST SIMPLY PROOF. SHOW ME THE PROOF BEFORE I BELIEVE YOU NAJIB.

Perlu di ingat kita bukan nak tumbangkan kerajaan. Itu satu kesalah fahaman. Kita bukan nak jatuhkan Najib. Ini semua perkataan tak tepat. Kita cuma nak pastikan kalau ada kesalahan yang Najib lakukan. Kalau sabit kesalahan Najib mestilah DI HUKUM DENGAN SEADIL ADIL NYA. Apabila hukuman nya itu melanggar syarat nya untuk layak menjadi wakil rakyat maka hilang lah kedudukan nya menjadi Perdana Menteri. Jadi pihak kerajaan, menteri menteri jangan lah putar belit kata kata nak salahkan rakyat yang di aniaya. Termasuklah semua jabatan jabatan kerajaan.

Take care Tun.

Love you.

Wasalam.

Assalamualaikum Tun,

The latest news on 1MDB is that at the Saudi Arabia foreign minister confirms that the cash deposited into Najib's account is donation. I thought previously he said it was an investment by a Saudi private citizen as explained by Tun in para 12? Why the change? There is a big difference between an investment and donation. Did he made a mistake earlier? How could he made such a mistake for such an important issue? He would have verified the evidence 1000 times before issuing any statements. People are now more confused. Who can they trust if the facts keep on changing? The only thing constant about 1MDB issue is that the answers keep on changing. My earlier proposal for a royal commission stands. The 'majlis raja-raja' should demand for such a commission to get to the bottom of this and give closure to the rakyat.

Everyone is talking about the 1MDB scam but not many mention how that money was used to buy massive votes in PRU13 ! Can the present government (including PM) claim any legitimacy under these circumstances ? Another attempt by Opposition parties to appeal to legal recourse to nullify the elections, seems to me, to be the only choice.

Based on the quote above, I strongly believes that the Arab must be a very very good Muslim as well, as a very good Muslim, his/her money must came from a good way and most important is that a good muslim will not let anyone especially the one he love so much, being fitnah and hated by the whole nation or being a International Joke and shamed by the world because his/her own mistaken, his/she could not be selfishness to hide behind.... unless this Arab is just a fairy-tale.

UMNO ni dah bukan buta, pekak, bisu saja malah ada masalah resdung yang kronik. Tinggal kulit jer belum rasa sebatan di penjara atas kesalahan rasuah. Time tu baru ada pedoman hidup.

TUN, kami tak nak pesalah – pesalah ini dipenjara diluar sebab diluar tiada hukuman sebat. Kami mahu mereka dihukum di Malaysia.

Anak raja Saud yang paling kaya ialah Prince al-waleed dengan nilai kekayaan peribadi hanyalah USD20.4b setakat tahun 2016. Nak bagi Najib 10% kekayaan dia? Entahlah. Nasib baik Najib tak cakap King Abdullah wasiatkan harta dia kepada Najib. Anak angkat lah katakan.

Nak lupus bukti macamana kalau dah bukti merata – rata. Semua buat online banking sekarang, boleh trace punya. Yang dah belanja tu apa boleh buat lah. Cuma satulah. Berani ke SPRM masuk kediaman PM buat cari bukti macam SPRM buat pada pegawai KBS? Pasti ada jumpa Hermes, LV, entah – entah MH370 pun ada dalam tu.

PDRM sibuk buat filem, drama, telemovie dari buat kerja kepolisan. Hampir setiap drama, filem, telemovie melayu ada saja muka polis. Tak ada masa buat kerja belakang tabir, tak glamor.

Masih menanti kesan lepas sign TPPA, Pak Mustapha? Diam je. Nak juga saya bekerja kat US. Kat sana gaji USD13/hour@Rm52/hour(x4 conversion rate). Kat Malaysia RM6.25/hour@USD1.50/hour (ikut purata gaji minimum rm1000/8jam sehari/5 hari bekerja). Bukalah peluang pekerjaan.

In this country..

In this century..

There is one monkey..

That has too much money..

Most other monkeys agree..

Money-money grows on tree..

We the rakyat believe as far as money trail is concern apart from Bank Negara the other expert in this field is Lembaga Hasil Dalam Negeri.

As I have commented before, LHDN should be included in the task force team.

LHDN harass us the rakyat most of the time, to the extent which I could recalled even the hawkers were never out of their radar.

Now money goes into Najib's personal private account, who is Najib? Base on Income Tax Act 1967 Najib is an individual therefore he is liable to tax unless he can prove that the late King of Saudi is his father. Whatever it is, then there is another tax HRH Cash is King Najib cannot escape that is the withholding tax via his fatty bank account.

Moral of the story LHDN's Dr Syukur is just another clown in town with no balls.

How sometime I wish Datuk Hassan Ibrahim is still around.

I know Dr Syukur and he knows very well who Datuk Hassan Ibrahim is!

"Every Day Is Exactly The Same"

I believe I can see the future
Cause I repeat the same routine
I think I used to have a purpose
But then again
That might have been a dream
I think I used to have a voice
Now I never make a sound
I just do what I've been told
I really don't want them to come around

Oh, no

Every day is exactly the same
Every day is exactly the same
There is no love here and there is no pain
Every day is exactly the same

I can feel their eyes are watching
In case I lose myself again
Sometimes I think I'm happy here
Sometimes, yet I still pretend
I can't remember how this got started
But I can tell you exactly how it will end

I'm writing on a little piece of paper
I'm hoping someday you might find
Well I'll hide it behind something
They won't look behind
I'm still inside here
A little bit comes bleeding through
I wish this could have been any other way
But I just don't know, I don't know what else I can do

Assalamualaikum Tun,

As you said in para 22: "They seem to be prepared to accept stolen money. Can we trust such people to govern Malaysia? The answer is NOoooo! We cannot trust them at all in any public or private institutions. They are bad bad examples.

Absolutely a very bad situation for Malaysia. Sangat menakutkan membiarkan mereka berterusan mentadbir negara. Patutkah mereka diberi peluang kedua atau ketiga walaupun mereka telah insaf? We have learned from past mistakes, kan Tun.

Tun, this trail of money-the route of "Cash is King" leaves a long long trail of unanswered questions. How many brief cases you need to carry around with RM2.6 billion...oops nope RM4 billion? It is so easy to create money, kan Tun. You just need a cunning deceitful corrupted brain with corrupted ideas...in other words-an intelligent corrupted criminal. Well, this person must also has an intelligent corrupted teacher, put him as adviser too. Then all he has to do is find people to act as your 'itik' ka, 'ayam' ka or 'cow' ka and ask them to transfer BIG BIG MONEY into his accounts. And then 'feed' them well for job done. Just take a peep on their lifestyles Tun.

You can also become wealthy by making "duit atas angin", kan Tun. I am so amazed at how they can distribute loads and loads of money, in the name of development, like bertih jagung. Is it true, Tun if you want to have easy living, join politics or befriend a politician or be a slave to a politician with money and power? Now, this is not morally good.

This trail of money, I'm waiting for a good convincing documentary by DSN and his pengipas2 on the creation and the end of this "Route of Cash is King". It would be very interesting and exciting, won't it Tun. Who will fund it Tun?

Make sure it is not from stolen money.

And another thing Tun, don't mind about all sorts of declarations coming out, like the Pkr permatang pauh deklarasi, the semporna deklarasi etc etc...it is NOT ABOUT THEM or their main agendas, it is about the RAKYAT AND MALAYSIA.

Siapa yang dapat rasai kesengsaraan yang rakyat hadapi sekarang? Jikalau bukan Tun yang mulai pengorbanan ini tiada siapa yang akan lakukannya...sebab tiada siapa yang berani. Semua takut kehilangan kepentingan. Lihat Tun, apa yang Tun dapat...segala-gala macam kata2 yang menyakitkan hati dilempar pada Tun. Bila semua terbongkar dan kebenaran dihidang kepada kamu, bila semua diadili dan dihukum nanti, bila semua mess ini tamat...adakah kamu semua sempat jumpa Tun? Wallahua'lam.

May Allah Bless you Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Please take extra care Tun. And Thank you Tun.

1. Kehidupan manusia dan makhluk telah direncanakan oleh Allah s.w.t malah al-quran menceritakan kisah lampau, kisah yang berlaku sekarang dan kisah yang berlaku akan datang. Itu kuasa Allah s.w.t.
2. Begitu juga kisah PM sekarang sebaik diangkat menjadi PM telah mula merancang untuk kepentingan dirinya. Pada mulanya yang terpilih dalam kabinet tidak ambil peduli langsung Syarikat seperti 1MDB yang ditubuh bukan dari anggota kabinet.
3. Hanya yang meragui aktivitiya cuma dari kalangan pembangkang yang pasti akan mengikutinya untuk modal di bahas balik akan kebersanan dalam dasar yang diambil dalam pentadbiran PM yang di pilih rakyat.
4. Sebagaimana seorang yang mempunyai cita-cita untuk mengekalkan kuasanya pada masa sama menjalankan usaha lain menambah harta wang ringgit melebihi lagi gaji yang hanya ada sekarang lebih kurang 22,000.
5. Padanya dia boleh melakukannya jika kuasa Menteri Pertahanan dan Menteri Dalam Negara memihaknya. Sebab itu Datok Sri Dr Ahmad Zahid Hamidi bekas setiausahanya silih berganti dengan saudara sepupu Datok Sri Hishamuddin Hussain Onn.
6. Semuanya telah di atur supaya kuasa seperti Polis, SPRM dan terkini kemungkinan menguasai BNM seperti mana telah di lakukan pada jawatan AG negara.
7. Kunci kekuatannya sekarang memastikan kuasa-kuasa ini dapat diteruskan sehingga dapat melemahkan penentangannya selama yang mungkin. Sehingga kesalahan yang di buka tidak berjaya di kesan dalam negara dan melupakan ingatan rakyat akan kesalahannya dengan menghalang secara kuasa yang ada padanya.
8. Dengan kuasa yang dilindungi menyebelahnya maka bukti-bukti kebenaran yang dikatakan Tun tidak akan berjaya dibawa dalam bicara kes pendakwaan.
9. Dalam pendakwaan selalunya jalan mendapatkan kebenaran akan lebih mudah bila bukti-bukti dapat diadili dan di nilai kembali.
10. Ketika diakhirat tiada sesiapa dapat melindungi pesalah melainkan dengan kuasa Allah s.w.t sahaja yang menentukan seseorang itu ke syurga atau ke neraka.

Salam Tun,

We signed a lot of agreements thru out of lives.

What was it? Perhaps initially our scholarship.... later perhaps our car loan agreement, housing loan agreement and for some of us who is a public professionals such as IRs, Lawyers, Chartered Accountants, Medical Specialists and many more who has to have a certain level of agreement with their clients will sign even more agreements thru out their lives.

What does it meant when we signed those documents? It means that we agree with the content of it.

Some perhaps never even bother to read the whole agreement, myself included. However I do know the risks involved when I do not read it carefully as I need to be responsible about it.

Take for example housing Sales & Purchase Agreement, if you noticed, the lawyer will asked you to at least initialized each and every page of the agreement, why is that so? Because at the very least you are needed to be informed what is the content of every page of that agreement.

Yeah, myself is not rich, my agreement values typically will be very cheap. Small it maybe but still, I took the effort in understanding the core content of an agreement that I'm going into.

Now, our highly respectable person in this Country signed away billions of Ringgit without even considering the details of it? Arrgggh... even his LAWYER also says that it is OKAY to do what he did without proper checking the content as it is just a matter of procedural?

Arrgggh... let say one of these days, his aides came along and asked for his signature on an agreement without the aides explaining the content of it, looking at the history, he'll signed it blindly....

Now, what happens if the agreement is about releasing Langkawi Islands to the Thai? Isn't this practice is so dammed disastrous?

How can we put our Nation's faith on this guy????? Seriously I do not comprehend any of it.

He needs to be removed AS SOON AS POSSIBLE.

Oh Tun, this is becoming terrible on each passing day.

While I understand Tun's article is on the weakness of our Malaysian Financial and Legal systems that mishandled the RM2.6B 'donation' to Najib's personal account, RM2.6B (USD681M) is just the tip of the 1MDB iceberg.

The total amount 1MDB cannot account for is USD7,010,000,000 (USD7B), USD3.51 paid to Aabar BVI that has disappeared, and 1MDB still have to repay the USD3.50B owing to Aabar/IPIC.

If Tun spends RM1,000 fully per day, for USD7,010,000,000 (RM28,040,000,000), it will take Tun 76,822 YEARS to finish spending the sum.

Salam Tun,

If I'm not mistaken, for your item 10, I read somewhere that LHDN already issued a statement that no tax shall be levied on donation money.

For the rest, all are right on the ball.

Anyway for the fun of it....

RM100 note is the largest denomination of our currency.

What is its dimensions?

Length = 120mm

Width = 65mm

Thickness = 0.12mm

Volume = $120 \times 65 \times 0.12 = 936 \text{mm}^3$

In cubic meters = $9.36 \times 10^{-7} \text{m}^3$

For RM4 billion, if this is transferred directly into cash....

The volume is about....

$4,000,000,000 \div 100 = 40,000,000$ unit of rm100 notes.

Where the volume is $9.36 \times 10^{-7} \times 4.0 \times 10^7$
 $= 37.44 \text{m}^3$

How big this space of 37.44 cubic meters?

Mmmm.... if a typical terrace house having a living hall of 3 meter width, 3 meter height and 4 meter in length then this living hall shall have a volume of 36 meter cube. If we are talking about RM 4 billion cash, apart from the living hall, we may even need to stash some of it in the kitchen as well!!!

Now imagine the smallest denominations i.e. 1 cent at 4 billion...

Hehehehe.... habis lombong copper seluruh Malaysia nak produce satu sen sejumlah tu kot....
hahahaha....

As I said, just for the fun of it. Thanks Tun.

Assalamualaikum W.Wb.

Tun yang di kasihi,

All that you have written explains everything. Perhaps Malaysian Anti Corruption Commission (MACC) should then be changed to Malaysian Promotion of Corruption Commission (MPCC). That should be more like it unless the MACC can prove otherwise. Today Malaysmail On Line report that the IGP and his team headed by himself will investigate further into 1 MDB based on the PAC report. I am very skeptical about it and I am confident that the answer will be just the same as the AG's answer and said that in their course of investigation on 1 MDB there was nothing incriminating found on it and all the allegations made were baseless. Unless the IGP could prove otherwise that is my perception on the

results of their forthcoming investigation. Then we should give him a key to heaven .
Perhaps the CITIZENS DECLARATION should pave way to a CITIZENS ARREST as provided in constitution. I think and believe that Citizens Decalaration is CONSTITUTIONAL and lawful as the bottom line is the intention to arrest a criminal and the CULPRITS. You should look and explore into Citizens Arrest as a possibility Tun.

Assalamualaikum, Tun.

Sepertimana yang dikata Wahid, di dunia akhirat nanti, setiap insan akan berhadap dengan Tuhan, atas segala-gala salah-laku yang seseorang pernah buat dalam hayatnya.

Soalnya, kalau duit haram ini telah diagih kepada ketua-ketua bahagian untuk propaganda politik, maka mahukah Tun masih nak kekalkannya sebagai platform untuk perjuangan politik Tun mahupun Mukhriz? Tubuhkanlah parti politik baru untuk memberi nafas baru kepada arena politik tanahair!

Salam,

For a leader to lead such a scheme using a public fund is completely immoral and a total disgrace to the nation. No matter what banking term, economic term, legal term used to deny this illegal transaction.

Nor BNM never issued a show cause letter to the Ambank or PM or raised the public attention from such such monetary activity by the top leader.

For merely 2 years the transaction was made and kept secret by the BNM, Ambank and PM is totally absurd. Only when SR and WSJ made it their official report and publish it for their entries than only the whole world are at shock. Even no UMNO members was made aware of this transaction.

Its like winning the BIGGEST JACKPOT in world history. Even BNM has to send their report to International Monetary Board for disclaimer, for not attempting or allowing such illegal activity in the nation then only BNM will get merits to be a trusted body. Am I right?

Do BNM only provides the Pak Arab letter for this transaction? Without place of origin? without money route?

TQ
