

THE FOREIGN MINISTER OF SAUDI ARABIA

Chedet.cc

18 April 2016

Tun Dr Mahathir Mohamad

1. What did the Foreign Minister of Saudi Arabia Adel al-Jubeir actually say? The video recording of him answering the question posed by a Malaysian reporter is available to the whole world. Below is the transcription of the recording:

"Your Excellency" said the reporter, "are you aware of the background and details about the issue on the donation to the Prime Minister of Malaysia?"

2. In case Najib's supporters failed to note, the question is whether Mr al-Jubeir is aware of the background and details about the donation. Accordingly the Saudi Foreign Minister replied, "We are aware of the donation and it is a genuine donation with nothing expected in return."

3. And he "is aware that the Attorney General of Malaysia had thoroughly investigated the matter and found no wrongdoing (and in) so (as far as he is concerned) the matter is closed."

4. Being aware of the statements of the A.G. does not mean he agreed with the statement.

5. In Malaysia and also in many countries of the world lots of people are aware of the A.G.'s statements. If you ask them if they are aware, they would say, yes they are aware. If they are asked whether they believe in the A.G.'s many statements, that the 2.6 billion Ringgit is a donation which the PM can do what he likes with it and Najib had done no wrong, their answer would be "No, they don't believe."

6. In the video, at no time did the Saudi F.M. retract his earlier statement or declare that the USD 681 million was a donation. Nor did he say he has now found new evidence that it was a donation. All he said was that he is aware when asked whether he was aware. He did not apologise or negate his previous statement made two months earlier to the New York Times. It is the Malaysian media which interpreted his awareness as a negation of his previous statement.

7. Being aware does not confirm anything. One example is the latest Singapore Straits Times report titled: "KL-Abu Dhabi stand-off may hit markets" in which one particular paragraph read: "IPIC said it was aware of media reports that 1MDB had sent money to a company called Aabar Investment PJS in the British Virgin Islands, but that the company was not in its corporate stable."

In other words, IPIC being aware of media reports does not make Aabar Investment PJS BVI one of its company.

8. DPM Zahid told me to move on over the donation issue. I think Zahid needs to move on more than I do. But unfortunately he has nowhere to go. When his name was mistakenly mentioned as a possible successor to Najib, there was an uproar as the free citizens of Malaysia voiced their rejection.

VERSI BM

MENTERI LUAR ARAB SAUDI

1. Apakah yang sebenarnya dikatakan oleh Adel al-Jubeir Menteri Luar Arab Saudi? Rakaman video beliau yang menjawab soalan yang diajukan oleh wartawan Malaysia disebar ke seluruh dunia. Berikut adalah transkripsi rakaman tersebut:

"Tuan Yang Terutama" kata wartawan itu, "Adakah anda menyedari mengenai latar belakang dan maklumat terperinci mengenai isu derma kepada Perdana Menteri Malaysia?"

2. Jika sekiranya penyokong-penyokong Najib gagal mengambil perhatian, soalnya ialah sama ada Encik al-Jubeir sedar mengenai latar belakang dan butiran terperinci mengenai derma itu. Selanjutnya Menteri Luar Arab Saudi menjawab: "Kami mengetahui mengenai derma itu dan ia adalah derma ikhlas tanpa mengharap sebarang balasan".

3. Dan beliau "sedar bahawa Peguam Negara Malaysia telah menyiasat dengan teliti perkara itu dan mendapati tiada salah laku dan (bagi dia) perkara itu ditutup."

4. Menyedari kenyataan Peguam Negara tidak semestinya bermakna beliau bersetuju dengan kenyataan itu.

5. Di Malaysia dan juga di kebanyakan negara dunia banyak orang mengetahui kenyataan-kenyataan Peguam Negara. Jika anda bertanya kepada mereka sama ada mereka sedar, mereka akan berkata, ya mereka sedar. Jika mereka ditanya sama ada mereka percaya kebanyakan kenyataan Peguam Negara bahawa 2.6 bilion Ringgit adalah derma yang Perdana Menteri boleh gunakan sesuka hati dan Najib tidak melakukan sebarang kesalahan, jawapan mereka adalah "Tidak, mereka tidak percaya."

6. Dalam video itu, tidak ada ketika di mana Menteri Luar Arab Saudi itu menarik balik kenyataannya sebelum ini (iaitu ianya satu pelaburan) atau mengesahkan bahawa USD681 juta adalah satu derma. Beliau juga tidak mengatakan bahawa kini beliau telah menemui bukti-bukti baru bahawa ianya adalah derma. Apa yang beliau katakan adalah bahawa beliau sedar ketika ditanya sama ada beliau sedar. Beliau tidak meminta maaf atau menafikan kenyataan beliau sebelum ini yang dibuat dua bulan lebih awal kepada New York Times. Hanya media Malaysia sahaja yang mentafsirkan kesedaran beliau sebagai penafian kenyataan beliau sebelum ini.

7. Menyedari sesuatu tidak membuktikan apa-apa. Salah satu contoh adalah laporan terbaru Singapore Straits Times bertajuk: "KL-Abu Dhabi Stand-Off May Hit Markets" yang mana suatu perenggan tertentu berkata: "IPIC telah berkata ia menyedari laporan media yang menyatakan bahawa 1MDB telah menghantar wang kepada sebuah syarikat bernama Aabar Investment PJS di Kepulauan British Virgin, akan tetapi syarikat itu tidak berada dalam kumpulan korporatnya." Dalam erti kata lain, dengan IPIC menyedari laporan media itu tidak menjadikan Aabar Investment PJS BVI itu salah sebuah syarikatnya.

8. DPM Zahid meminta saya untuk beralih daripada isu derma itu. Saya berasa Zahid sendiri yang sepatutnya perlu lebih beralih daripada saya. Tetapi malangnya dia tidak mempunyai tempat untuk pergi. Apabila namanya tersilap disebut sebagai bakal pengganti Najib, berlakunya kekecohan, oleh kerana rakyat Malaysia yang bebas menyuarakan penolakan mereka terhadapnya.

Assalamualaikum Tun.

Bagi saya Pak Arab yang declare 2.6 billion adalah derma kepada Najib seorang yang beb*l.

Semalam ahli dewan negara mengutuk Tun, kononnya 2.6 billion yang masuk akuan Najib "mungkin" dari wang 1MDB adalah fitnah. Saya tertarik melihat kebebalaan antaranya ALI RUSTAM.

Ali Rustam yang saya dengari semasa menjawat sebagai KM Melaka adalah penerima rasuah.

Akibat pengamal rasuahlah dia jatuh semasa pru13 lalu.

Wassalam Tun.

Salam Dearest YAB Tun,

1. I don't trust this Foreign Minister of Saudi Arabia. Personally, I am also aware & BELIEVE (based on DSN's admission and based on statements made by the A-G and DSN's supporters) that DSN received billions of Ringgit in his private accounts.
2. I am also aware about the 'hikayat penderma2 Tok/Pak Arab' by DSN. But unfortunately, I don't believe in the 'hikayat – that the money was a donation'.
3. Those who are supposed to go back to the 'beginning of the road' ('balik ke pangkal jalan') is DSN, DS Zahid, DS Noh Omar, and the entire Najib's regime because they are now so LOST in their own maze. Bertaubatlah!
4. They must apologize to Tun Mahathir, and resign.
5. Let a new/fresh lineup of leaders from BN take over.

P/S: Tun, saya sedih (namun amat kagum) lihat Tun terpaksa bersusah-payah (sehingga terpaksa turun padang berjumpa rakyat jelata) pada usia hampir 91 tahun semata-mata untuk mensejahterakan kembali kehidupan rakyat. Apapun Tun (dan Tun Hasmah) mesti jaga kesihatan dan keselamatan pada setiap masa. Saya percaya ramai ahli2 akar umbi UMNO yg masih mengharap kepada Tun (bekas Presiden UMNO). Mereka sekarang sedang ditekan dan dikawal (silap sikit, rejim Najib akan hukum mereka seperti apa yang dilakukan terhadap Tun). Amat pelik sebab rejim Najib lebih menindas ahli2 dan bekas ahli UMNO sedangkan mereka yang bukan ahli agak bebas berbuat apa saja (ini bod*h namanya). Contohnya, mengapa pemimpin2 Pembangkang tidak dikutuk seteruk mereka (rejim Najib) mengutuk/mencerca Tun walaupun pemimpin2 Pembangkang pun pergi majlis yang sama dengan Tun? Pelik sungguh!

Thanks Tun.

*** May Allah S.W.T. bless Tun and family ***

Assalamualaikum Tun,

Tun, saya terbaca di BH hari ini, Mesyuarat Agung Tahunan Umno Parit Haji Yusof membuat usul mengutuk tindakan kumpulan Tun dan pembangkang. Mereka kata Tun cipta pelbagai isu untuk jatuh DSN. Mereka cukup yakin isu 1MDB selesai dengan laporan PAC (yang berat sebelah). Mereka yakin 'donation' RM2.6billion masuk akaun peribadi DSN selesai dengan penjelasan pak menteri luar arab

saudi (pakai mulut je). Pelaksanaan GST oleh kerajaan DSN sangatlah baik dan tepat pada masanya. Isu2 yang sebegini berat mereka boleh tepis dengan begitu mudah!

Tun, mereka tahukah apa sebenarnya berlaku sekarang? Isu2 ini kalau tak dicerita dengan betul memang susah nak faham sebab ia berliku-liku dan melibatkan berbillion ringgit. Macam saya lah Tun, kena baca banyak10x kali, tanya soalan2 bodoh pun asal dapat jawapan dan faham, nasib baik ada yang pemurah hati hantar links yang berkaitan.

Tun, mungkin mereka tahu bagaimana 1MDB ini lahir dan oleh siapa tapi adakah mereka berfikir dan bertanya. Apa sebenar itu 1MDB? Kenapa 1MDB wujud? Kepunyaan siapa? Siapa shareholders 1MDB? Dari mana 1MDB dapat berbillion ringgit? Kenapa 1MDB hutang sampai RM50 billion? Siapa untung? Siapa rugi? Siapa yang akan jelas hutang ini? Bagaimana?

Untuk jawab diatas, tanya kenapa GST dilaksanakan? Untuk apa? Apa sanggup paut GST dengan 1MDB? Ke mana duit kutipan GST ni disalurkan? Kenapa GST dikenakan pada semua lapisan rakyat? Adakah nak kutip seberapa banyak secepat mungkin? Kalau ya kenapa?

Banyak persoalan belum berjawab, takkan mudahnya kata kes tutup.

Tun, izinkan saya beri pandangan. Sekarang confirm Tun dah keluar Umno kan, bukan ahli Umno lagi. Tapi kesan bekas2 dan sisa2 Tun semasa jadi Presiden Umno dan PM Malaysia, masih melekat dan terpahat di hati kaum Umno hingga kini. They cannot shake you out of their heads. Sebab itulah Tun, mereka asyik gelabah, gelojoh dan tak boleh dok diam, tak boleh tengok Tun bergerak, bergandingan dengan orang2 luar...macam jeles je. Masih nak kacau Tun. Kenapa dengan mereka ni Tun? Kan Tun dan mereka dah bercerai...awat mereka tak sanggup nak lepaskan Tun ka? Rugilah mereka ini Tun, kerana Tun adalah khazanah Malaysia yang amat bernilai. Mereka ini semua telah di'beli' dan dimanipulasi oleh DSN, so mereka akan puji dan puja DSN like god.

Macam nilah Tun, saya rasa usahlah Tun masuk balik Umno sebab Umno dah hilang rasa hormat pada Tun. Umno dah banyak kali bercakap dan bersifat kurang asam dengan Tun. Terlajak perahu boleh berundur, terlajak kata buruk padahnya. Umno ni sudah jadi macam lubuk buaya, siapa dia tak suka...dia ngap!

Tun, ini pandangan saya yang ikhlas yang hanya risaukan keselamatan Tun.

Umno bukan 'tuhan'. Umno juga bukan Government of Malaysia. Umno is just one of the many dots in Malaysia. So Tun janganlah bersedih kalau tak masuk Umno balik ye. Apa pun yang kita rancang dengan ikhlas dan kerana Allah, Allah jua yang menentukan ke mana akhirnya. Wallahua'lam.

May Allah Bless you Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Please take extra care and Thank you Tun.

Ini pula dari jiran kita Singapore

1MDB in default, declares Gulf fund

The declaration by Abu Dhabi's International Petroleum Investment Company, or IPIC, against 1MDB immediately throws into limbo a complex US\$3.5 billion (S\$4.7 billion) international bond the Malaysian fund raised in May 2012 with full, iron-clad guarantees from the tiny oil-rich emirate's business entities.

– Wait a minute, hutang 50B, asset value 53B.

Tun, kalau nak imagine hutang rumah I 50B tak kena juga, so katakan lah rumah I ada hutang 50K, asset value 53K, ayoyo tak tidur malam. Katakan lah I terdesak I nak jual asset, boleh ke dapat market value? I doubt so, lagi orang tau kita terdesak lagilah depa nak beli harga rendah. What happened if satu orang pun tak nak beli, chances are sipemberi hutang declare I bankrupt la, kan? Just

saying.

Assalamualaikum Ayahanda Tun,

Berita WSJ 2015;

Najib Razak terima pindahan wang sebanyak RM2,600 juta ke dalam akaun peribadinya sekitar 2013.

Apa kata Najib;

Satu usaha menjatuhkan kerajaan yang dipilih rakyat dan saya akan menyaman WSJ hari Selasa ni. Dia orang tak tahu saya ni Pahlawan Bugis pantang dicabar tau! (dalam nada menjerit lepas tu lap air liurnya dibibir yang pink).

Berita WSJ 2016;

Nazir Razak terima pindahan wang sebanyak RM21 juta ke dalam akaun peribadinya sekitar 2013.

Apa kata Nazir;

Saya menyesal dan akan bercuti sementara siasatan dijalankan. Saya telah berkhidmat selama 26 tahun dengan CIMB dan tidak sekali-kali mahu mencemar imej CIMB dan takbir urus korporatnya.

Apa kata rakyat;

Padan muka Panglima Bugis bibir pink air liur melecit, adik kamu sendiri pun dah tak percaya pada kamu sebab kamu pun macam nak tabur pasir kat periuk nasinya dan adik sendiri pun kamu aniaya inikan pula kami rakyat marhaen lagi mudah kamu dustai.

Apa kata Shahrir;

Siapa saya nak minta kalau bukan Presiden UMNO salah ke? Lagipun RM1juta bukan banyak pun. Mana dia dapat duit itu bukan masalah saya ok.

Apa kata budak genius Mat Maslan;

Bapak aku hanya seorang penoreh getah dan aku juga telah diajar menoreh sejak masa kecik2 dulu. Bila aku dah besar tapi taklah panjang, engkau ingat aku sanggup menoreh arang di pokok getah? Kalau korang nak tahu juga aku pun macam kak semah, aku kumpul duit getah skrap sejak aku kecil sampai sekarang dah jadi sebanyak RM2juta tau. Korang jangan bising2 sangatlah nanti aku buat nasi goreng Ridsect kasi korang makan baru padan muka korang!

Bersabarlah semua, drama abad ni dah sampai ke penghujung.

Wasalam Tun.

In a democratic country, if a govt. servant gets donation/gift, he should deposit them in Govt. treasury. They are not entitled to keep it themselves as long as they occupy a govt. position. This is rule of law. This is ethics.

But instead he deposited in his a/c ...LOL

Salam Tun yang dikasihi,

There numerous ghosts in the English Language, a sentence may not convey what the author wants to really say.Or the reporter might manipulate what the Saudi Foreign Minister was trying to say, or generally the reporter/media might misrepresent or intentionally cause speculation or worse to use it as prove of their stand in support of the lies they fabricate. Political instrument.

In a spectrum of vast diversity of people, the simple person might literally fall prey to the Journalism and it's tactics as a Political Instrument to address the agenda for certain Ruling Class, who holds the Coutry's Media. However, like said, it is exceptionally more difficult to realise this with the English Language, because they contain innumerable 'ghosts' what you want to convey may not be accurately perceived, or they may be manipulated in that sense.

=====

In any case, Friedrich Nietzsche said :

"There are horrible people who, instead of solving a problem, tangle it up and make it harder to solve for anyone who wants to deal with it. Whoever does not know how to hit the nail on the head should be asked not to hit it at all."

This is perfectly applicable here

And we most certainly do not want to be in a position of out of the frying pan into the fire, because I most certainly wish its not him too as successor. It will be a complete set of new nonsense, or maybe same one with minor modifications. We want clearly a total revamp, a total fresh beginning an untainted pure clear honest and sincere Leader.

Assalamualaikum Tun.

Saya tidak selidik sampai tengok video kisah Pak Arab kata derma 2.6 bil ni. Cuma saya tertanya tanya jugak, ni Tun buat silap macam tempoh hari ke...pasal Datuk Khairudin kena Sosma masa sidang akhbar sama sama dengan Ku Li (Ku Li jangan sorok sorok la niat tu nak jadi PM – masih menilai pasaran).

Seperti dikatakan saya sebelum ni, saya tertarik dengan penggunaan perkataan 'bahaya moral' oleh Nazir Razak dan tiadanya sokongan dari saya iaitu "you are alone" tidak lama dulu ;

Saya berkesempatan menonton video Dr Zakir Naik yang lama dan saya fikir itulah jawapan kepada permasalahan bahaya moral sekarang dan kenapa saya katakan "you are alone" – sekarang tidak lagi kerana ada deklarasi rakyat ; secara politiknya.

Sudah tentu bila menyebut pasal ceramah Dr Zakir Naik ia dikuatkan dengan dalil Al Quran dan kebetulannya memang dalam ceramah tersebut beliau mengambil contoh orang yang merompak – Mafia besar.

Saya juga tertarik dan mungkin timbul sedikit kemarahan dalam diri apabila terbaca berita yang seorang anggota komando Sg Udang berusia 26 tahun berpangkat koperal telah digari silang sebelah kaki tangan dan dicampakkan ke dalam Sungai Timun supaya lemas dan seterusnya mati setelah cedera teruk di muka dengan menerima 80 jahitan di muka dan mata.

Polis sedang mencari 4 anggota tentera terbabit (mungkin komando amature).

Pesan saya, kalau nak bunuh orang biar 'bersih' dan pastikan mati. Dan ingat dalam Islam ada hukuman 'darah dibayar dengan darah'. Lagi satu, ajal dan maut ditangan Allah swt.

Ingat tu baik baik pesan saya.

Sedikit perkongsian :

Saya juga tertarik dengan tulisan Pn Hajar pasal Anwar Ibrahim yang kelihatan warak sampai Tun tertipu.

Selama saya di sini, saya lihat tidak semua orang suka pada tulisan berkenaan agama, mungkin agama hanya dilihat berkaitan dengan PAS dan disyaki yang menulis tidak punyai pengetahuan berkenaan apa yang ditulis. Lebih lebih lagi bila bercakap pasal agama, ia melibatkan akhlak dan peribadi perilaku.

Seperti yang saya 'aware' Tun pernah menulis di sini, "takkanlah nak tertipu sampai 2 kali". Dan terima kasih pada Tun kerana pernah membersihkan nama saya (sebab tu saya pergi beraya dan salam dengan Tun – untuk berterima kasih).

Terima kasih Tun.

Assalamualaikum Tun,

Ya, Tun inilah berita2 yang disumbat kepada rakyat oleh media-media yang dikuasai dan dicengkam oleh kerajaan DSN.

Si zahid kata: ini adalah 'donation' daripada arab saudi...

Si adenan kata: kita ada berita baik. Arab Saudi mengesahkan wang itu (RM2.6 billion) adalah derma tulen yang diberi mereka kepada Najib.....

BH kata: menteri luar arab saudi mengesahkan wang RM2.6 billion yang dimasukkan ke akaun peribadi PM sebagai derma ikhlas negara itu....

Dalam semua kenyataan ini membawa maksud wang berbillion ini datangnya daripada kerajaan arab saudi? Bukan daripada Raja Saudi, anak raja saudi yang dirahsiakan? Raja Saudi, anak raja saudi = kerajaan arab saudi ka Tun? Sebenarnya 'donation' berbillion ni datang dari mana?

- a) Raja Arab Saudi
- b) Anak-anak Raja Arab Saudi
- c) individu warga anak raja arab saudi
- d) kerajaan Arab Saudi

Dengan kefahaman saya berdasarkan statemen pak menteri arab ni dan juga daripada pak-pak menteri Malaysia, wang berbillion ini datangnya daripada Kerajaan Arab Saudi dan dimasukkan kedalam akaun peribadi DSN tanpa balasan apa2. Noktah. Macam2 interpretasi boleh dibuat daripada kenyataan demi kenyataan yang berbelit2 daripada mereka ini. I think they are lost somewhere, they themselves got more confused, don't you think so Tun.

Tun, pak menteri arab ni mewakili kerajaan arab saudi ka, jadi spokesman isu 'donation' ni ka? Pak menteri arab cakap saja tapi tak tunjuk pula surat rasmi hitam putih daripada kerajaan arab saudi sebagai bukti mengukuhkan statemen terbaru yang dikeluarkannya. Barulah boleh letak Noktah. We want a sworn statement from the saudian government and from this pak menteri arab to convince us. Saja nak tanya Tun, kabinet kerajaan arab saudi ni aware of what their foreign minister's role in this RM2.6 billion issue? Are they aware of his statement (and previous statements) and the implications brought by it(them)? Hope he's not working as a 'Lone Ranger'.

Wahai DSN and gang pengipas2, you have made things more complicated for yourselves...not to Tun, not to the Citizen's Declaration. So the noktah you have put, you yourselves have removed it. And yes Tun will move on fighting corruption, injustices by the current government and DSN's game of deceit and deception must and will be put to a stop!

May Allah Bless you Tun. May Allah Protect you Tun. May Allah grant you great wealth in health, happiness and knowledge. Please follow doctor's orders, take a good rest. And Thank you Tun.

Salam,

In Najib supporter understanding, being aware is just enough.

We Malaysians aware when Najib & Family lifestyle are more than their means. We are also aware that Najib has become a "billionaire" instantly. We also aware that Najib ruling bring Malaysia to a disastrous nation. We are aware that Najib has done a disastrous fraud in 1MDB when he sign and endorse billion dollar fund to fake off shore company, eventhough in his lawyer statements stated that Najib are not aware of the document that he "had" sign.

Thus, we "believe" by bringing Najib down and put him in a fair trial in court will solve this country issue.

Does it mean we dont have a very solid reason to fight together with our "Statesmen" dear Zahid?

TQ

Assalamualaikum Tun,

When I first read the news, I also thought the way he answer was not an admission the money was a donation. He like many others are aware of the scandal. But after much spinning by the news media I began to believe he did say it was a donation.

Arabs are known for using words so as not to lie. Being from Saudi Arabia and a muslim it is a grave sin to commit fitnah or lie. So he has to give comments that could help Najib, but at same time not lie. Reporters need to ask the honourble Saudi Foreign Minister again with a direct question. Were the money deposited in Najib's personal account a donation by the Saudi royalty? A simple yes or no answer is suffice.

Salam Tun,

Question by Tony Pua,

"Aabar Investments PJS Limited related to Aabar Investments PJS of Abu Dhabi?"

Answered by Arul Kanda,

"As far as we are aware, yes"

Subsequent Note by Tony Pua,

"we made an agreement with them we should know whether they are or they are not, cannot be 'as far as we are aware'."

Tun,

The word AWARE means a lot in 1MDB stories... hehehe...

Assalamualaikum, Tun.

Since two eras of leadership ago, Malaysians have faced news of scandals concerning leaders. Rakyat do hope to see transformation in mentality, patriotism and culture.

We do wish that politicians do not take donations of hefty sum, and make the country subject to terms and conditions, to the detriment of country's and Rakyat's interest, whether expressly, impliedly or silently.
