Tun Dr Mahathir Mohamad

1. The MCA President has expressed his disgust at what he calls the lack of principle on the part of DAP.

2. He seems to think that DAP's working together with me is all wrong.

3. But MCA's working together with a known kleptocrat who has stolen billions of Ringgit is the worst example of a lack of principle. Or is the MCA unaware of what Najib has done to UMNO, BN and the nation. If he is not, I would like to tell him that under Najib Malaysia has been classified as one of the ten most corrupt country in the world.

4. The American Dept. of Justice has reported that Najib, who is Malaysian Official 1 (as confirmed by Cabinet Minister Abdul Rahman Dahlan), has stolen billions of Ringgit of the Malaysian people's money, and 2.6 billion Ringgit of this is in Najib's personal bank account. Of course the MCA thinks this is okay. That is the MCA's principle which it must cling to. It must be proud that it is supporting Najib who is involved in the world's biggest fund case as alleged by the Department of Justice.

5. Now Najib considers the contest is between UMNO and DAP. This means Najib believes in racism because to him Malaysian politics is about Malays versus Chinese. Towards that end he has redrawn constitutional boundaries to separate Malays from Chinese.

6. Perhaps this accords with MCA as an ethnic Chinese Party. DAP is a multi-racial party which supports all the provisions of the Malaysian Constitution, namely

I. The monarchical system

II. Malay Special rights

III. Malay is the national language

IV. Islam is the official religion of the country.

7. Accordingly the DAP celebration of its 50th anniversary was conducted completely in the national language.

8. The DAP Secretary General categorically stated in his speech that DAP had never asked to have a Chinese Prime Minister in answer to Najib's claim that if the DAP wins the next election Kit Siang would be P.M. DAP's choice is Anwar Ibrahim, a non-Chinese.

9. MCA obviously supports Najib's racist play by saying that if UMNO loses to DAP, there would be a Chinese as PM., or maybe MCA just wants to bodek Najib, principle be damned.

10. MCA should not talk about principle as it is just opportunistic. It is not the MCA of Tun Tan Cheng Lock. It is just an appendage of Najib's racist UMNO now.

11. I am with DAP and the other opposition parties because I don't want to be associated with Najib and his kleptocratic government. Until he can prove beyond reasonable doubt he did not steal 1MDB money, I will still say he has stolen money from the people of Malaysia.

12. For MCA everything that Najib has done is okay. So stay with him. And that means MCA has no principle. DAP has upheld its principle to have clean election, to have democracy and to fight for a clean Government. MCA is as kleptocratic as Najib.

13. Shame on you MCA.

Assalamualaikum wbt Tun.

Masyarakat bandar secara umum sudah tahu masalah Negara kini dan 20-30 tahun mendatang. Mereka sudah faham tentang kesan negatif 1MDB, FGV, BR1M, TPPA, Susutan Nilai Ringgit, kegoyahan perpaduan rakyat, dsb. Pendeknya, Negara sedang dlm bahaya hutang tinggi, kemungkinan percukaian berlebihan, kongkongan asing dan keretakan perpaduan rakyat. Politik Negara juga sedang bercelaru. Semua ini berpunca dari kelemahan pengurusan Najib MO1! Semua masalah ini akan terus meningkat dan sulit jika Najib MO1 terus berkuasa. Mereka sedar Najib MO1 mesti ditumbangkan. Namun Rakyat di luar bandar tidak faham akan kaitan semua itu dgn masalah kehidupan masa depan mereka. Lantas mereka tidak nampak kenapa Najib MO1 mesti diturun dan atau tumbangkan!

(2) Rakyat Negara ini kini spt terpecah kpd dua kelompok yg sedang "berperang". Satu pihak ingin menukar Kjaan, sedang di pihak lain ingin mempertahankan Kjaan. Kegilaan manipulasi politik pemerintah dgn penerobosan soal2 perkauman, agama dan wilayah kian mengeruhkan keadaan.

(3) Saya berkira, paling2 di bandar hanya menyumbang 25-30% kerusi DUN dan Parlimen. Maka biar kemenangan 100% Pakatan Harapan (PH) di bandar tidak akan merubah parti pemerintah! 70-75% kerusi di luar bandar harus jadi tumpuan kemenangan kita, jika Kjaan hendak diubah. Ini bermaksud, kita mesti perolehi 60-70% kerusi di luar bandar utk menang besar.

(4) Utk merobah pegangan politik luar bandar saya belum nampak Bersatu dan PH mempunyai perjuangan yg jelas! Begitu juga, saya berkira jiwa anak2 muda yg kini bersikap anti-establishment

juga belum tergerak utk merobah segalanya biarpun perundangan memberikan mereka hak berbuat sebegitu. Akibatnya, kita akan kekal dlm status quo! Kita dlm bahaya!

(5) Apakah bahaya yg sedang dihadapi oleh Negara, khususnya Rakyat? Bahaya paling bahaya yg kita sedang hadapi adalah bila Rakyat ie pengundi terbanyak tidak memahami bhw segala bahaya yg Negara sedang hadapi sebagai tiada kaitan dgn mereka. Juga adalah sangat merbahaya bilamana kita juga adalah gagal utk menyadarkan mereka tentang bahaya bersama yg sedang kita hadapi.

(6) Kecelaruhan pengurusan Negara atau bad governace telah menimbulkan segala macam rasuah, kegilaan kuasa, salah guna kuasa, sifat tamak, dengki, khianat yg berakhir dgn segala ketidak cekapan pengurusan di peringkat manapun. Semua ini menjadikan kalangan berpendidikan tinggi dan Gen Y menyisih dan bersikap anti-establishment. Bagi golongan ini, harapan mereka adalah utk melihat Good Governance mesti dinobatkan. Kalangan ini mahu melihat secara jelas Good Governance menjadi asas perjuangan kita!

(7) Di pihak rakyat umum, mereka hanya tahu tentang kesulitan harga barang keperluan hidup yg kian naik dan harga komoditi menurun @ rendah. Mereka juga kian sedar masalah pekerjaan di kalangan anak2 mereka. Mereka tahu gaji yg diterima dari pekerjaan anak2 tidak cukup utk menampung keperluan asas hidup mereka. Pokoknya, mereka sedar kehidupan harian mereka kian sulit, namun mereka tidak nampak semua itu berkait dgn sifat lemah pengurusan Najib MO1. Sebabnya Najib MO1 mempunyai sikap Santa Claus sang Badut!

(8) Asasnya, Rakyat biar di tahap mana, sedar Kjaan yg ada sangat2 menyulitkan keadaan Negara. Namun isunya Bersatu dan PH belum kelihatan dpt membakar hati rakyat utk berkata "Ya. Kita bangkit dan ubah Kjaan!".

(9) Maka bagi saya, jika benar Bersatu dan PH sedang berjuang utk rakyat, maka pertama2 kita perlukan slogan perjuangan yg benar2 berteraskan rakyat dgn pemikiran yg mudah iaitu setia pd yg kelihatan dan kedengaran baik-baik. UMNO hebat dlm sandiwara ini. Maka apakah gagasan perjuangan yg boleh disajikan utk menguncang hati nurani dua kelompok besar ini agar mereka mahu bersama kita?

(10) Sebelum merdeka, perjuangan kita jelas dan dapat dinobatkan hanya dgn satu perkataan: MERDEKA! Selepas merdeka, perjuangan kita sehingga 1990 dpt dinobatkan hebat sebagai KESAKSAMAAN HAK DAN KETUANAN MELAYU! Dari 1990-2016, perjuangan kita juga dpt diringkaskan sebagai WW2020! MENCAPAI NEGARA MAJU! Namun dari 2009 hingga kini, kita seperti sedang berada dlm sebuah kapal bocor yg tiang layar sudah tumbang, layar robek, patah dayung, kita terkotang koteng di samudera bergelora dgn nakhoda yg sedang mabuk! Maka, apakah nobat perjuangan yg PH dan Bersatu hendak kita laung dan asak hebat????

(11) Bagi saya, jika benar Bersatu dan PH sedang berjuang utk rakyat, maka biarlah slogan perjuangan kita benar2 berteraskan rakyat. Konsep perjuangan yg menjurus kepada KEBANGKITAN RAKYAT, KEDAULATAN RAKYAT, dan atau MEMARTABATKAN RAKYAT ... yg dlm Blnya bermaksud "People Empowerment" saya kira dpt meniupkan api kemaraan rakyat utk mengubah segalanya. To me biarlah Rakyat yg Hidup! Telah tiba masanya slogan spt Hidup Tun, Hidup Bersatu, Hidup Muhyiddin diganti dgn HIDUP RAKYAT! RAKYAT BERDAULAT! RAKYAT BERMARTABAT!

(12) Saya yakin dgn slogan sebegitu jika disusuli dgn perjuangan utk menegakkan Good Governance dgn menerap luas nilai2 murni Islam, memartabatkan kesaksamaan ekonomi rakyat serta memperkukuhkan perpaduan rakyat kita akan membuat in road yg mantap ke dlm hati nurani rakyat. In Shaa Allah.

Ayuh kita terus berjuang demi KEHIDUPAN, KEDAULATAN dan MARTABAT Rakyat! In Shaa Allah kita akan berjaya jika kita jujur dan cekal.

Salam Tun.

1. Terima kasih Tun, semalaman Rimba Emas tidak dapat 'send' entry semacam ada 'blocking' – error.
2. Pendapat Rimba Emas , DAP adalah lebih baik dari MCA kerana tidak bersekongkol dengan 'PEROMPAK WANG PINJAMAN 1MDB' di mana menyebabkan hutang berbillion.
3. Walau pun kedua Parti ini bersetuju Islam adalah agama rasmi negara Malaysia tetapi undang-undangnya bukan berpandukan al-Quran sepenuhnya.
4. Undang-undang kita dapat di dimanipulasikan oleh penguatkuasa yang ditugaskan. Maknanya petugasnya sekarang lemah dalam tugasnya sebagai pendakwa bila gagal mengadakan bicara pendakwaan. Sebaliknya salah tugas menjalankan kerja penghakiman tanpa bicara.
5. Hukuman Allah s.w.t ialah bakaran api neraka yang azabnya dahsyat dan amat mengerikan. Walau bagaimana pun hukuman akan hanya terlaksana pada hari akhirat.
6. Adakah kerana tiadanya bukti untuk di tunjukkan kepada manusia dunia akan azabnya hukuman itu maka manusia tidak takut melakukan kecurangan.
7. Maka pilihlah pemerintah yang berani melaksana hukuman kepada manusia curang ini kerana takutkan azab Allah s.w.t jika membantu atau menyokong manusia yang melakukan kelakuan curang ini.
8. Bayangkan Allah s.w.t sendiri digelar pelaku curang ini sebagai celaka ! yang akan di azab bakaran api neraka sedangkan kita pula boleh biarkan pencurang ini, bermakna kita tidak mematuhi perintah Allah s.w.t.
9. Hidup di dunia tidak kemana ke akhiratlah akhirnya kita.

Wallahua'lam.

Assalamualaikum Tun,

I sincerely believe there are a number of MCA-Chinese who are not in synch with the idea of their leaders working with the kleptocrat, but what to do they too have took the 'baits' and couldn't let go

or they'll lose everything. Just like umno, they live in a world in which loudness and speaking out are the tickets to popularity and financial success...proof?...you want a datukship or rewarded a senator...be loud like jamal the gangster or umno dep youth chief. MCA, be extra loud and you'll be very well rewarded.

Well MCA, you are rewarded, they are coming. China has been approached as a source of fund for 1MDB. Chinese companies have acquired a number of 1MDB's assets, oya Malaysia under your kleptocrat would swap assets for financing.

Chinese companies are buying Malaysian assets as a financial life line for 1MDB, our very own Malaysian fund which stole from the country's coffers. MCA, this is your opportunity to flourish your businesses.

Tun, has the kleptocrat sold Malaysia? Maybe the new senators want to have a go to answer. That's their mission, isn't it, to answer. Convince us if you can.

Tun, is kleptocracy contagious? When one associate with a thief could he become a thief? Kleptomaniac is a disease, maybe those in the psychiatric profession can verify this. Sub-consciously, he steals to catch the attention of...maybe his wife. It started from borrowing, and when his desires got bigger and bigger, he started to steal and the stealing got bigger and bigger. He steals to call out for help. Kleptomaniac needs psychiatric help. Kleptomania causes him to suffer from ethical consequences of malnutrition of the brain that causes the mind to tangled. Hope I'm not talking nonsense, I'm only curious. You're a doctor Tun, maybe you know.

May Allah Bless and Protect you and family Always. May Allah grant you great wealth in health, happiness and knowledge. Take extra care in your safety and Thank you so so much Tun. "HIDUP BERSATU!"

Assalamualaikum Ayahanda Tun,

Mohon izin terkeluar topik untuk membicarakan perihal ;

**SEMALAM PEE M NAJIB KATA
TIADA LAGI FEAR FACTOR
TERHADAP TUN MAHATHIR.
HARI INI PEE M NAJIB KATA
TIADA LAGI KERUSI
BUAT TUN BERDUA.**

Perkara seperti ini pun tidak pernah kita terfikir akan berlaku ~ hari ini dalam sejarah ~ sudah ada rampasan kuasa oops kerusi hak mantan Perdana Menteri Malaysia ke 4 oleh Pee M yang sudah ada kuasa mutlak!

Ini memang cerita kelakor di mana kira2 seminggu yang lepas Pee M Najib dalam mood ceria gedik santainya telah ditemubual oleh StarTV dan dengan senyuman melirik manja berkata bahawa dia dan Dumbno goons nya telah tiada 'fear factor' lagi terhadap bekas bosnya sebab Dr Mahathir tiada lagi kuasa hihhi..

Tetiba semalam orang yang tiada 'fear factor' ini telah mengarahkan bahawa undangan@jemputan terhadap Tun berdua ke Majlis Pertabalan/Perlantikan DYMM YDP Agong yang telah dipanjangkan pada 10 November 2016 itu **DITARIK BALIK** dengan serta merta beberapa hari menjelang majlis yang dijadualkan pada 13 Disember 2016 ini.

Amaran sekiranya Tun berdua berkeras untuk hadir juga maka adalah dimaklumkan tiada dua kerusi diperuntukkan yang tertera nama Tun berdua telah dirampas dan dibawa ke lokasi yang dirahsiakan.

Nah para pembaca tolong beri pandangan anda kenapa ini boleh berlaku kami tidak mengerti?

Wasalam Tun.

Truly seen Najib is Desperate

He is playing a racial card ,a racial intended intention

Of Tun & Lim Kit Siang even to extends

Suddenly Najib of No where was so concern of the Rohingya up to he needs to stand demo at the stadium

Again & again Najib is a Clown

Tun have even inform on his day 1 of calloborating with DAP ,PKR

Is merely to get Clown Najib down

Not because of hatred towards Najib as much as I hate Najib

It is because Najib today poses a Threat to Malaysia for his own Lusts

DAP & PKR are even aware of Tun intentions

As they are helping each other to build a Strength to put matters Right for Malaysia

I personally challenge Najib now as in this blog i,m writing today

If he was sincere of helping the Rohingya in Mynmar

I dare Najib to voice Malaysia un acceptable of the Mynmar Govt treatment of double standards towards the Rohingya

In United Nation Assembly also the ASEAN Meetings now

Najib must dare to call for the meeting urgent as innocent life , Genocides are taking place in Mynmar

Its Humanitarians more to Religion

I dare Najib to Militarize our Malaysia Personnel to Burma to safeguard the Rohingya with approval of ASEAN or United Nation
Mynamar refusal to allow foreign Media is an indications Mynmar Govt
Is intentionally abetting to the Genocides

SO Najib

I heard you say loudly like a kid practicing an act at the stadium
As a PM you should stand Tall at the United Nation , ASEAN and Bang the Table for the Rohingya
Lets do Rosmah some proud of you

Our First Lady has suddenly today become a very much decent housewife than a Clowning Mrs First Lady

Yeah, though things aren't going very well back at home... But things happened that I could not really make sense of, logically... human they have feelings, and this is just the consequences of a man who snoop in too much to the feelings, and stop thinking, blinded by lust and desire.

Ultimately, people forget the basic things we need to live, and put all the necessities we could acquire to live... and we could never be satisfied with whatever we have, and we don't want to lose anything and we want to get back whatever we had...

How much is enough?

Assalamualaikum, Tun.

Tak usahlah pemimpin UMNO melempar fitnah yang bukan-bukan, bahawa
– UMNO vs DAP
– Lim Kit Siang nak jadi PM.

Tindak-tanduk sebegini seolah-olah menganggap Rakyat bodoh. Berapa kerusi yang ditandingi DAP?

Yang berkuasa kenalah berjiwa Rakyat dan buat sesuatu untuk mengekalkan sokongan Rakyat, bukannya dengan fitnah-menfitnah dan menakutkan Rakyat dengan pelbagai andaian tak berasas!

May our prayers be answered.

Take real care wherever you go Tun Mahathir.

And here's something from The Zaidgeist <http://www.zaid.my/current/dap-national-convention-2016/>

May you be blessed always dear Tun Mahathir.

The MCA lost because they could not keep up with the hate politics employed by the DAP to hoodwink the Chinese voters.

DAP supporters can now claim DrM as the trophy they won for that so-called victory. Nice antique.

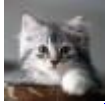

DAP and Bersatu will make a handsome couple. Hate will keep them together.

These MCA, Gerakan, MIC and other Barisan goons are the most unprincipled leeches around. It is apparent that the Chinese no longer support MCA. MCA has no legitimacy to represent anybody. Unlike the past where there were genuine respect and sharing of power, these so-called parties and leaders are just disposal window dressing used by Najib and Umno to legitimize Barisan representing major races of the country. MCA should break up the one-sided alliance if there is any honor left with them. Just a few days ago there were demands that the transport ministry portfolio be taken from MCA and given to Umno. Liow is indeed pathetic and seamless behaving like a pariah dog defending his master for mere crumbs. A traitor to the founders of MCA. Tun Tan Cheng Lock would weep if he is still alive to see how low his party has fallen.

Assalam Dearest Tun Dad.

Yeah shame on you MCA the kaki bodek or you should now officially been known as Malaysian Chinese Abettor to Pee M Najib.

An abettor is someone who helps another person commit a crime. If you drive the getaway car during a bank robbery, you're an abettor. If you assist someone else in doing something wrong, offering any kind of support or encouragement, you abet that person.

Damn you MCA, bear in mind you were never Chinese choice anymore since 2008 GE12 so much so you will dutifully be licking your dirty Pee M butt. hihihi..

Long Live Tun!

Long Live United Alliance!

Wasalam Tun.

p/s – So sweet of Tun to use the word Bodek hahaha.. thumbs up Sir!
