20 December 2016

Tun Dr Mahathir Mohamad

1. Some people seem to be annoyed that a 90+ man is not doing the natural thing for people of 90 i.e. rest, play with grandchildren and prepare for the next world.
2. Yes, I am not doing the right thing for a ninety year old. It is not always my choice. I am responding to the appeals by numerous groups of Malaysian people for me to do "something".
3. Very early after Najib took over the premiership a lot of people, mainly Malays but also non-Malays seemed to be unhappy with Najib's leadership and direction. Small businesses and contractors had to fold up because they were unable to compete.
4. Yes, he was doing away with the alleged cronyism by me but they claim his cronyism is working against them. The private sector could not be penetrated by them. They needed Government's positive discrimination.
5. When Najib did away with affirmative action of the NEP they lost everything. And they came to appeal to me.
6. Other groups were not happy with his economic policies, his 1Malaysia slogan, his foreign policies etc. They all came to ask me to "do something".
7. I did. I conveyed their criticisms to Najib. He did not respond at all.
8. Then came the 1MDB affair. They pointed to all the wrongdoings that Najib did e.g. borrowed 42 billion Ringgit at high interest and 10% commission, failed to do due diligence when investing billions, kept money in dubious places, being too close to Jho Low, a total outsider etc.
9. By then I felt that something must be done to stop Najib. The country was losing lots of money. I informed Najib I could not support him any longer. Then I decided to resign from UMNO.
10. Now it is no longer about people urging me to do something. Now I feel a need to stop Najib from further damaging the country.
11. To cut a long story short, I found that the rule of law has been nullified by Najib. The IGP and the AG protect him from due process. Even Parliament has been rendered toothless, incapable of representing the views of the people who elected the members and totally incapable of having a vote of non-confidence against Najib's administration.
12. Najib has not been deterred by the open accusation that he had stolen public money. He is continuing with his disastrous line of action. He is borrowing even more money despite not being able to service and repay the 42 billion Ringgit he had borrowed for 1MDB.
13. He is now borrowing 55 billion Ringgit for the East Coast Railway, and another 50 billion for the high-speed train. He is now going to build the Pan-Borneo Highway costing 16 billion when it is known that the Government cannot meet the budgeted expenses for all the Ministries.

14. The country must certainly become bankrupt because there is no way we can pay this huge debt. Alternatively we will have to sell all our assets to raise the money.

15. Already we are seeing some of our most valuable assets being sold. The TRX and Bandar Malaysia, Sungai Besi are two of the most valuable. But we will have to sell land for the East Coast Railway. The sale of Edra is an example.

16. With all these things happening it is hard for a ninety year old citizen just to sit still and play with grandchildren. Yes I am preparing for the Akhirat but Allah be praised, I still have time on my hand to do other things. And the other things I can do is to lend some ideas on preventing the damages that is being done to the country by Najib.

17. So this old man will continue to contribute to the campaign to change the government of Malaysia.

Assalamualaikum wbt Tun.

First thing first, Nazri ni fahaman kelslaman dia cukup tipis. Contoh adakah para petani yg sudah tua2 terus bertani itu bukan suatu amalan Akhirat?

(2) Kedua, Tun tak perlu jaga cucu. Cucu2 Tun ibubapa mereka mampu dan boleh jaga. Mungkin Nazri, perlu rehat dan tumpu buat anak dgn bini baru saja kot.

(3) Tun, your task now is to care anak, cucu, cicit dan piut rakyat Negara ini termasuklah cucu cicit piut Najib MO1 dan Nazri. Tun teruskan tanggungjawab yg jauh lebih mulia dan diperlukan ini.

Semoga semua terus berjuang sehingga akhir hayatnya ...

Salam Tun,

Mohon laluan untuk berbicara dengan Tuan/Puan Faridina.

Jujur sejujurnya, apabila saya menghadiri perjumpaan PPBM di Shah Alam tempoh hari, ada sesuatu perkara yang saya berasa ada sedikit kurang senang.

Dalam kebenaran ucapan-ucapan yang dilontarkan, ada juga seorang dua wanita dalam lingkungan lewat tiga puluhan yang tidak bertudung serta berpakaian agak 'sophisticated' berlegar di hadapan barisan pertama para hadirin. Mereka kelihatannya seperti sibuk mempersiapkan atur cara majlis. Apabila saya perhatikan mereka, kerana Allah saya sebut ni, terdetik didalam hati ni sesuatu 'salah sangka', apakah mereka-mereka ini benar-benar ingin berjuang untuk membetulkan arah tuju Negara? Pada pandangan saya ketika itu, ianya lebih negatif dari positif. Politik ini pelbagai.

Setahu saya, jika kita mendaftar apa juga persatuan hari ini, ahli jawatan kuasa penaja akan diberikan tanggungjawab sekurang-kurangnya 90 hari untuk menerajui persatuan yang baru ditubuhkan itu. Seterusnya Perhimpunan Agung boleh dilangsungkan untuk penentuan ahli jawatan kuasa tetap secara undian. Jika apa yang dikhabarkan oleh Tuan/Puan Faridina itu satu kenyataan, berkemungkinan ada yang ingin melobi jawatan tetap ini? Entahlah.

Marilah kita terus-menerus berusaha untuk menjadikan Negara kita bebas RASUAH serta bebas PENCURI.

Terima Kasih Tun.

Assalamualaikum Ayahanda Tun,

Anakanda rakyat mohon sedikit laluan ayahanda Tun untuk terkeluar topik seperenggan dua tetapi tidaklah terkeluar jauh sangat ada juga kena mengena sedikit dengan tajuk 'Persaraan' kali ini.

Ayahanda Tun pada mula enggan menubuhkan parti baru selaras dengan prinsip ketaatan kepada UMNO walaupun pernah dipecat atau keluar dari UMNO.

Dipendekkan cerita apabila UMNO ditransformasikan Al Jibby menjadi DUMBNO maka akhirnya Tun akur dan merestui pembentukan sebuah parti baharu PPBM atau cukup dikenali dengan singkatan Bersatu.

Nah apabila ini terjadi maka ramailah dari kalangan yang tidak berparti seperti kami mula menyahut seruan Tun menyertai PPBM.

Namun mungkin lebih ramai yang menjadi ahli PPBM adalah bekas-bekas ahli UMNO sendiri al maklumlah pimpinan tertinggi PPBM juga terdiri dari bekas pemimpin UMNO peringkat tertinggi yang masih berpengaruh.

Dipendekkan cerita sekali lagi dalam PPBM ada dua kelompok ahli ~ freshie dan seasoned.

Pendekatan kedua-dua kelompok ini tentulah berbeza umpamanya;

Freshie ~ Masuk solely kerana mahu berjuang bersama Tun M dan tidak mengejar apa2 jawatan sebab sudah ada karier sendiri di luar.

Seasoned ~ Masuk mungkin kerana Tun M atau mungkin ikut boss lama atau mungkin mengintai peluang mendapatkan jawatan dalam parti baru ini.

Harus diingatkan kami yang freshie ini tidak menggemari percaturan dalam sebahagian kelompok seasoned yang cuba membawa masuk budaya politik kotor jatuh menjatuh parti lama ke dalam parti baru ini.

PPBM hari ini adalah parti 100 hari dan ambil iktibiar ini dan muhasabahlah diri masing2 kerana kami masuk PPBM dengan niat menjatuhkan DS Najib Razak bersama-sama Tun M dan BUKANNYA untuk menjatuhkan Ketua Srikandi PPBM Anina Saiduddin lantikkan Tun M sendiri.

Buat pengetahuan Tun M sekiranya benar ura-ura memecat Anina Langkawi sebagai Ketua Srikandi PPBM maka kami sekeluarga akan mengambil pendekatan KELUAR dari parti 100 hari ini.

Walaupun kami akan terus berjuang menumbangkan Barisan Najis bersama-sama dengan ayahanda Tun tetapi hanya dalam konteks rakyat Malaysia prihatin tidak berparti.

Kami pada mulanya agak keberatan memasuki sebarang parti tetapi diberi maklum pendekatan politik PPBM kali ini cukup berbeza dan dijamin keluar dari acuan dan politik kotor DUMBNO.

Kami berdoa PPBM dijauhi dari budaya buruk parti DUMBNO dan recycle ini kerana sedarlah masa bukanlah dipihak kita dan bersatulah semula BERSATU.

Akhir kalam kami memohon ampun dan maaf kepada ayahanda Tun jikalau perkara seperti ini kami terpaksa dedahkan kepada umum dan sekiranya semua di atas hanya khabar2 angin dan tiada kebenaran maka kami sedia dipecat dari parti.

Wasalam Tun.

p/s ~ Tak rela jadi dumb-dumb dan dipasakkan dengan budaya kotor keji ini dan jangan sekali-kali hendak mengotorkan kami freshie ini, ialah ibarat sehelai kain putih bersih sesuci-sucinya dalam

politik nak habaq mai .

Tun,

Assalamualaikum. I am so proud to see that age does not stop a person from protecting his country. You are a true leader. This is after all part of your preparation for Akhirat as well. Do it For Allah SWT, to defend and protect us Malaysians, now and then. I believe this is your Jihad. Islam is a way of life. Orang yang paling baik adalah mereka yang paling banyak memberi manfaat kepada orang lain. Semoga Tun berdua mendapat rahmat Allah SWT sentiasa.

Tun

when people don't like you to comment or criticise them, they just want to irritate you, just to be spiteful. What more now Tun has formed a new party to oppose them. Will you put them in jail for the corruption they committed when the opposition win the next GE? They think you will. They are fighting for their lives and loots to oppose anybody.

I counted it a blessing that God has given me such long years as long as yours. Some seniors can be a pain but some are still very alert and sharp. You belong to the latter.

Permit me to say you are wiser and your experience will count. Judging the success you have with the opposition parties, you do have a great part to play. Also Tun has to make sure you leave behind a legacy that Malaysians will remember and be grateful for.

To replace this BN government in the next election is a mighty task and we do need God's help. But we also have to make sure we replace them with the right people. Not just another racist and greedy UMNO brand of people. People with a history of wielding a Kris with racist slogan are definitely out. But do we have the courage to dissociate this kind of people when they are in our midst?

At your age, you have the energy and commitment to change and save Malaysia, go ahead and do what you have to do. You don't have another chance just as most of us.

If God allows me to live into my 90s, I would probably be doing things that I enjoy and leave all these politics to the next generations. It is because I might not care enough for the future of this country at that age. But Tun is Tun. You are different. Stubborn as they say but to us it is a good thing.

May God bless you.

Assalamualaikum, Tun.

Our so-called transformation to be high income nation has dipped to be a fat dream. Our RM value keeps dropping against USD. Whilst, income per capita is measured in USD. In other words, we are poorer, instead of being richer.

You were absolutely right for not implementing minimum wage rate during your era. When cost does not match with productivity, the business sector suffers. In turn, Rakyat suffer for less jobs offered and higher living cost as businessmen factor in higher wages in product pricing.

Assalamualaikum, Tun.

Retirement does not mean that one should let go everything that concerns the nation's interest. Continuing to contribute ideas and comments on how to grow the nation is much complimented.

Our nation needs check and balance mechanism. The ones in power need to be made alert that being authorized in election does not construe absolute power to control the nation's resource as he wishes.

Thank you Tun. You can certainly choose not to bother about Najib and his excesses. You can certainly live a carefree life knowing you have done more than your fair share of duty to Malaysia and her

people. You can certainly enjoy your well deserved retirement and spend time with your grandchildren.

But you did not. Because you don't want to see the country destroyed in the hands of a man whose greed has no bounds, whose knows no shame, who has no dignity and honour, one who is ruthless and evil. You can't bear to see the country you built up destroyed by a monster who is implicated with several murders.

You sacrificed your comfortable retirement, your standing in Umno, your sons political career and business interests because Malaysia is being driven to destruction.

I hope more people will see past the old transgressions, hurt and personal suffering you caused them and look at the bigger issue. Malaysians are suffering now. Please work with Tun to get rid of the cancer.

Dear Tun M

Today, Najib is still going stronger than ever is because of your doings. You kicked Badawi and put Najib there and supported Najib 100%. He learned your skills and perfected it better than you did, such as setting up 1MDB, greased the palms of IGP, kicked out the head of justice, AG and replaced with his yes-man and shared some of his loots within UMNO, so that everyone supported Najib. You hope than Najib will then put your son (aka Boboi as known in UMNO). Unfortunately Najib is smarter than you and your son will not be a PM...sad

Salam Tun.

1. Tun hanya bersara dari menjadi PM atau bekerja dalam kerajaan Malaysia. Tidak semestinya Tun juga perlu bersara dari bercakap atau menulis tentang seorang PM atau kerajaan yang ada sekarang.
2. Contohnya penulisan dalam chedet sudah lama Rimba Emas ikuti kerana Tun seorang yang handal menulis yang bukan hanya diguna untuk membicarakan perkara tentang PM dan kerajaan sekarang ini tetapi juga dalam berbagai perkara atau tajuk.
3. Penulisan Tun dalam 'chedet' telah mengajar Rimba Emas untuk bertindak balas tentang sesuatu perkara yang sebelum ini satu KEPAYAHAN untuk di buat.
4. Tidak kepada Tun penulisan adalah nampak begitu senang sekali sehingga bertali arus tidak habis idea tercurah. Adakah bidang ini juga akan ada orang mahu Tun berhenti atau bersara ?.
5. Dulu Rimba Emas dan semestinya Tun tidak pernah memgkritik PM atau Parti UMNO tetapi kenapa kini kami kritik . Jangan keluar pendapat dari diri anda sendiri kerana yang lebih tahu adalah dari hati tuan punya diri itu sendiri.
6. Kami berubah pendapat tentang PM bukan kerana fitnah tetapi kepercayaan dengan bukti yang di yakini oleh kami akan perbuatan buruk telah di lakukan .
7. Melindungi penjenayah kerana harta atau pangkat bagai menuhankan seorang ketua untuk di sanjunggi dan disembah umpama perbuatan manusia jahiliah.
8. Semua perbuatan atau pekerjaan yang di tuntutan agama tiada noktah atau mengenal erti persaraan kalau boleh di bawa sehinggalah kita berada di dunia atau alam yang lain.

Wallahua'lam

Thank You Very Much Tun for everything, including what you're doing now.... i.e, to evict the current Klepet regime.

"... being too close to Jho Low, a total outsider etc."

It seems the tribulation from previous episodes of soliciting dubious cronies in government businesses such as Razak Baginda & Deepak Carpet had not deterred our Klepet-warrior from 'being too close' to yet another dubious character... more amazing... since the inception of TIA December 2008, when he was still deputy to the sleepy PM.

The fall-out from associating with Razak Baginda is still haunting him, his party and the government today, after more than 10 years... now from Australia's Immigration detention center. Apart from wasting hundreds million Ringgits of Rakyat's money paying commission, he wasted even more money to negate negative implication from Australia.

Even the image of Islam was not spared. The fugitive convicted murderer had to be videoed wearing a ketayap (Muslim skull-cap) to rebut that damning allegation of his involvement or more exactly...'who gave those orders to exterminate'.

On the other note... if these dubious character are Najib's cronies... then, there are no hint of 'Rakyat diDahulukan', whatsoever.

At least with Tun Dr.M's cronies... tens of thousand Malaysians could earned a living, working for them. The gomen too, collected millions or billions in-form of taxes from their wealth and business empire.

Salam Ayahanda Tun.

A very good evening to you Sir.

The fact that there are some ministers, who can say such unprofessional and disrespectful words to anyone let alone a person of your age and stature spells out the dire situation we are in today.

We are all helpless and struggling with the burdens of the rising costs of living. We really look up to you to help us battle this situation.

In a solemn way, we need you to UNDO what you did by putting a conniving viscous self centered individual at the helm of this beautiful country.

Do keep doing what you are doing. We pray you have a healthy and long life ahead of you.

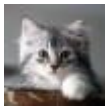

Thank you.

Salam Tun,

Dipendekkan cerita, Tun telah gagal untuk mengelakkan diri dari "KSM" i.e. "Kerja Sampai Mati". No, this is definitely not my words, this is yours prior to leaving the PM's office.

Insya Allah, we will see the light at the end of the tunnel. Dimmed it maybe today, but as we continue to crawl through, the brighter it'll be.

Now, for the city and town dwellers, we can safely say 80 to 90% knows what is going on... our biggest hurdle is still on those who resides in luar bandar. Need to actively provide talks even at the smallest kampung area... a big asked I must say.

Terima Kasih Tun.

Assalamualaikum,

Dalam kesipuan, Penyimpan Mohor-Mohor Besar tersipu-sipu kerana cerita mengenai sikap buruk siku beliau untuk mencipta kesipuan mantan Perdana Menteri Malaysia di ketahui ramai.

Bagi siapa yang tidak tahu , buruk siku bermaksud , "Mengambil semula barang yang telah diberi"
Dalam situasi ini, barang = undangan.

Salaam Tun.. There was a time about 20 years ago when i used to hate and despise you so much for what you did to Anwar Ibrahim and his family. I am not a great fan of him but i just could not stomach they way how you tore him apart. But that is all behind me now. You have made your amends and i believe the man you destroyed has forgiven you. So who am I to still be angry with you?

Today, you are my hero. Only you dare stand up to this Beast called Najib and can still get away with it. I would be crying my eyeballs out for days if you "go" before we – the rakyat – could get rid of him first for there would not be anyone else in this world that i see who can step into your large shoes to help us in the way only you could.

May Allah keep you in His care, and continue to grant you the strength and tenacity to help us get rid of the Beast.

Salam Tun

Semoga Allah swt memberikan kekuatan dan perlindungan. Semoga mendapat RahmatNya.

Malaysia masih memerlukan idea dan sumbangan Tun. Alhamdulillah, Tun masih kuat.

Najib perlu di turunkan dan pilihan yang ada hanya tinggal pilihanraya.

Saya percaya Najib amat takutkan pilihannya hari di mana dia, UMNO dan BN akan diistiharkan kalah.

Di pihak Tun, diharap dapat menentang persempadanan parlimen yang amat mencurigakan dan tidak adil.

Diharap dapat dielak penipuan di dalam p raya dan juga dapat dikesanpenipuan sekiranya ada sebelum sesuatu kawasan itu diistiharkan pemenangnya.

Sibuk UMNO/BN yang menyatakan mereka tidak akan kalah. Mereka telah meminggirkan isu 1MDB dan berharap ia akan menjadi isu berulang yang akan membosankan rakyat.

Diharap Pasukan Tun dan TSMY berusaha menerangkan dengan jayanya kepada rakyat supaya mereka ketahui Negara ini sedang diterajui oleh Pencuri.

Wasalam wbt.
