Assalamualaikum Tun.

Saya dengar dengar pasal isu haji yang dijawab balas oleh mufti.

Pada saya mufti betul dan Tun pun betul.

Mufti bercakap pasal hukum haji sah atau tak sah. Dan tentulah sah atau tidak itu adalah pada ketentuan Allah swt.

Tapi Tun pula bercakap pasal moral atau kebersihan hati. Untuk buat ibadat perlu bersih dari cara perolehan harta.

Begitu juga sumber makan minum. Ketelitian sehingga juru hidang makanan juga perlu diambil kira. Apatah lagi siapanya tukang masak itu.

Kerana itu tasawuf dan tarekat perlu diterokai. Kerana semua itu ada di dalamnya.

Mengeluarkan air mata kerana berzikir tidak akan menjatuhkan Najib. Tapi seperti kata alim ulama muktabar, musibah tidak akan diturunkan kerana adanya orang alim di suatu tempat itu.

Tak menjadikan sembahyang tahajud sebagai amalan pun tak apa, jika tidak mampu. Tapi jika dilakukan, seperti dikhabarkan ; musuh berasa gerun sebulan lebih awal untuk berperang dengan Rasulullah saw, kalau tak salah saya.

Jalan ini yang perlu kita terokai.

Samada Najib turun atau tidak, kita pasti akan tetap menang.

Selamat Menyambut Tahun Baru dan Back To School.

Terima kasih Tun.

Assalamualaikum Tun,

A great posting by z2z. Thank you. I had figured something is just not right about the ECRL project.

We celebrate the new year with increase in oil price, loss of 50k jobs, lowest ASB dividend in history of 6.75% and taking up another 50billion loan from china on top of the RM50billion loan from 1MDB.

To rub salt into the wound, Najib and family is using government jet on vacation to Australia during the new year.

Last time, one of the 1MDB suspect, Aziz Rezza, also boarded a government jet while on official visit China.

Its either stupid, as many would be angry or a hidden message.

"Look I am still PM and nobody can oppose me and I can do what I want".

Policians always do something with a purpose.

Noted on the message.

My reply is "No matter how powerful you are, Allah is Great, you may escape punishment from this world, but not the afterworld."

Justice will be served either here or the afterworld. This goes to those who assisted him in his wrongdoings as well.

Jho Low's Price For Selling Malaysia Out To China Via The East Coast Rail Project

31 December 2016 27 comments

Sarawak Report exposed Najib's secret bail out plan for 1MDB, using the East Coast Rail Project, last July.

Internal documents acquired by this site provided a breakdown of the entire cost of the project negotiated with the Chinese state company CCCC, which has already been banned by the World Bank because of its record of corrupt practice (see base of article).

The information showed that the construction company, together with the Malaysian Finance Ministry (Najib) had deceitfully agreed to inflate the cost of the entire project by over 100%, in order to hide the repayment of US\$5.63 billion of 1MDB debt.

The additional costs, largely comprising 1MDB's debt repayments, totalled more than actual cost of the railway in this draft costing

The additional costs (MYR29.85bn) largely comprising 1MDB's debt repayments, totalled more than actual cost of the railway (MYR27bn) in this draft costing

The deal included a \$315 million purchase price for two companies controlled by Jho Low – his apparent price for negotiating the crooked deal with Beijing.

Despite denials the project went ahead

At the time Najib and his ministers angrily denounced and denied our story, calling it all a bag of lies.

According to the leaked schedule, which formed part of these documents, the Cabinet was due to review the project on 25th July and (of course) agree to it on 27th July. However, the Minister of Public Works, Fadillah Yusof, denied on the 26th July that the matter had ever been discussed.

Yet, only a few weeks later in October, the project with CCCC was announced just as we had reported with only a few cosmetic changes to the overall figures we had published (lopping RM5 bn off the projected costs). There had been no public tendering exercise for the mega-construction, which experts unsurprisingly have pointed out is indeed double the cost of equivalent structures.

What's more, just as the document we released in July had stated, it was confirmed that the entire project will be financed by a 'soft loan' from China at 2% interest with an initial 7 year 'holiday' from repayments, thereby getting Najib off the hook over 1MDB's missing billions entirely and leaving all the problems of repayment to his successors.

DrM has a good point when he says Malays are playing it safe (selamat) at a time when they should be fully charged and excited about something, celebrating the new year, contohnya.

To be safe, I reckon, is the new danger. It stifles the mind from exploring a better way of doing things.

Being free of sin (selamat) is not enough when you also achieve nothing doing that (inaction).

Long story short, your self-worth arises from your achievements, not from meditation.

I wish DrM and Najib all the best in whatever good they do for the rakyat.

Selamat and Happy Malaysia. Let's all work together, bringing peace and prosperity for our beloved nation.

Salam YAB dan Yang DiKasihi Tun,

1. "SELAMAT TAHUN BARU" buat Tun dan Tun Hasmah serta para pembaca blog Chedet.
2. Mudah-mudahan tahun 2017 akan menjanjikan SINAR kegembiraan / kebahagiaan kepada kita semua.
3. Perkataan SELAMAT turut merangkumi kebahagiaan (keseronokan). Jika kita berada dalam keadaan TIDAK SELAMAT (contoh: dalam ketakutan / keadaan atau ekonomi tidak menentu), saya yakin kita tidak akan gembira.

Terima kasih Tun.

Salam Tun,

1. Tahun Baru:

Selamat Tahun Baru buat Tun dan Isteri. Semoga tahun 2017 akan membawa lebih banyak berita gembira kpd rakyat M'sia berbanding berita dukacita spt tahun 2016 yg akan berlalu beberapa jam lagi, Insyallah.

2. BR1M:

BR1M adalah manifestasi "Cash Is King" Najib yg sudah tunggang terbalik. Di negara2 maju yg mendukung skim "Robin Hood" ini (yg kononnya mengambil (baca: merompak!) dari yg "kaya" dan memberikannya kpd yg "miskin!") telah menyesalinya. Cuma bezanya di M'sia, "Robin Hood" membelanjakan 99.9% drpd hasil rompakkan tersebut utk diri sdri, dan cuma mengedarkan 0.1% kpd 7 juta rakyat M'sia yg "miskin!" Hakikatnya, yg "kaya," kini, merana, dan yg "miskin", tetap papa kedana! Dan, yg pasti dan mesti kaya raya, adalah "Robin Hood" dan rakan2 perompaknya! Agak2nya berapakah kenaikan kadar GST, cukai pendapatan, tol, dan penurunan kadar subsidi apabila prinsipal pinjaman2 negara matang kelak? 20% GST? 40% Cukai Pendapatan dan 60% Cukai Perniagaan? RM1/km Kadar Tol? RM10.00/litre RON95? Apa lagi yg masih tinggal utk generasi mendatang selain dibebankan dgn pembayaran hutang2 negara (yg pasti akan bertimbun selagi regim sedia ada memerintah negara!)?

3. Democracy:

Sedihnya, di M'sia, demokrasi dah mati (kalau tidakpun, hampir nak mati!). Yg terbukti bersalah, tidak ditegur malah dijunjung dan disanjung. Tetapi, yg terbukti benar, jadi mangsa, diaib, dan dicap onar! Rakyat yg membantah, diancam pelbagai tindakan. Kebebasan bersuara diharamkan. Yg "kaya", berjaya, dan bergaya (dgn usaha sdri), dihukum dgn pelbagai kesulitan dan kesusahan. Kemiskinan dan agama dijadikan percaturan utk terus berkuasa. PRU dan PRK sekadar akademik. Mesin2 propaganda bersepah dimerata tempat (utk membersihkan pemerintah!). Pemerintah memerintah mcm diktator, dan bukannya mentadbir mcm demokrasi.

Sekian, Tun, terima kaseh. Wassalam.

P.S.

PH (PPBM):

Memandangkan kesuntukan masa, adalah lebih berhemat dan tidak keterlaluan utk PPBM berkongsi guna kemudahan2 yg tersedia ada yg digunakan oleh rakan seperjuangannya didlm PH utk mengembangkan sayap2nya (termasuk berkongsi sewa bln, jika perlu). PPBM harus mengeneipkan egonya agar ia boleh menumpukan sepenuh perhatian didlm perjuangannya utk bekerjasama dgn PH utk menggantikan BN diPRU14. Keputusan ke atas isu2 berkaitan siapa akan menjadi PM, Menteri2 Kabinet PH, dsbnya, hendaklah diselesaikan skrg melalui muafakat agar tumpuan boleh diberikan kpd strategi2 PH utk menawan Putrajaya selepas PRU14. Masanya telah tiba utk PH membuktikan kpd rakyat M'sia bahawa ia telah bersedia utk mentadbir negara, serta-merta.
