**Chedet.cc**  
**25 February 2016**  
**Tun Dr Mahathir Mohamad**

1. My very good friend, colleague, former Deputy President of UMNO and Deputy Prime Minister, Tun Musa Hitam blames me for the failure to achieve Vision 2020 ([read here](#)). It is all because I failed to groom successors at all levels.
2. My first failure was Tun Musa Hitam himself. He could not wait for me to retire. So he resigned after 5 years being with me as my deputy, in a Government his boys called the MM Government.
3. He believed the UMNO Supreme Council would throw me out and appoint him as President. The Council decided to persuade him to return as DPM and Deputy President. He came back as Deputy President.
4. At the next UMNO Election he persuaded his erstwhile rival and enemy, Tengku Razaleigh Hamzah to contest for President against me. He was prepared to be Deputy President and DPM under Tengku Razaleigh and not under me.
5. These he did even though I overlooked his bad faith and later appointed him as Special Envoy to the UN with ministerial rank.
6. In the contest for presidency, (Tan Sri) Syed Hamid Albar, (Tan Sri) Abdul Kadir Sheikh Fadzir, (Tun) Abdullah Ahmad Badawi and (Tan Sri) Rais Yatim sided with Tengku Razaleigh.
7. I and Ghafar Baba won. Then I appointed all those who were not loyal to me as ministers in my cabinet. One of them, Tun Abdullah, eventually was named my successor as Prime Minister. Far from choosing only loyalists, I chose those disloyal to me.
8. I did not train anyone so they can make a success of Vision 2020. I believed in leadership by example. I must have set a bad example because those who succeeded me all failed to make a success of Vision 2020. I am to blame of course.
9. Dear Musa, thank you very much for pin-pointing the cause of the failure of Vision 2020. You must have known this in 1986, long before the Vision. It must have been your foresight which caused you to resign from the Government I headed. So no one can blame you. Your service to me and the nation will go down in history.

Salam Semua

Terdengar Tun Mahathir Mohamed berundur dari UMNO

Dek kecewa dengan Najib

Saya sebagai peminat tersayang Mahathir juga turut kecewa dan marah

Namun

Hold Fast The Rope of Allah

Be not be Divided among Ummah

Jadi Tunggak Utama dan Pegangan saya

Mungkin ini Hikmah dari segalanya

Harap Tun Najib dan sekalaian anggota UMNO

Ikhlas menziarah Tun Mahathir Mohamed

Tun Mahathir hanya ingin memperbaiki apa yg tidak benar

bukan kerana beliau bersifat dengki

Begitu juga semasa Paklah

Paklah baik tetapi sebagai Pemimpin Negara

Kita perlukan seorang yg Bijak dan Tegas

Ini kekurangan Pemimpin Keduanya yg

Saya bersetuju dengan Tun Mahathir  
1MDB hanyalah sebab musebab  
Duit hilang pun bukan duit bapak saya  
Yg kita perlukan adalah Pemimpin Melayu yg Cepak dan Tegas  
Tidak Tunduk pada Mulut Manis Si Singa penyagak ,hubungan kita luar Negara  
Yg bebaik sama kita hanya bersebab  
Baik.....Baik..... Baik ada Makna tu  
Mereka berbaik dengan kita tidak dengan Keikhlasan  
Begitu juga DAP berbaik dengan Ke Sultan Melayu  
Mereka Berdamping BUKAN dengan Keikhlasan  
Ada Makna Ada Agenda  
Tidakah nasib Kerabat Sultan Singa menjadi tauladan sekarang  
Juga nasib orang Melayu di sana yg merempat di Bumi sendiri

Saya berharap UMNO berjabat tangan dengan Tun Mahathir  
Tunjukkan Dunia Luar ini ialah Islam  
Islam adalah Ikhlas  
Akan membuahkan kebaikan , indahnya Kebersamaan  
Baik untuk UMNO ,Najib juga Tun Mahathir

And you Tun Mahathir  
You have been a Naughty Good Boy  
Its Time to Rest , Father  
Spent more time with yr loving wife , children & grandchildren

Semoga Allah Merahmati Semuanya  
Menberkati Malaysia  
Dan merahmati Dunia Islam , terutama Timur Tengah yg sedang Bergelodak dan Berkocak

Namun saya berharap Najib akan Tegas akan hubungan dengan Jiran  
Yg mempermainkan memperbodohkan kita  
If not  
I,ll be back

Assalamualaikum Dearest Tun,

Yesterday I did mentioned about you leaving the party in 2008 and today 29th Feb 2016 ( it's in a leap years btw) you did it for the second time but this time around you are leaving Najib's party because you found out that UMNO is incorrigible.

You are ashamed to be associated with a party that believes "Cash is King' or in other words UMNO supports corruption!

What's best is that you gonna form a "core group" to oppose Najib and the main objective is to get rid of Najib!

You pointed out "Different people are voicing the same opinion on different occasions separately and people are confused so we need to have a core group".

Thank you ayahanda Tun, we the faridina's are now declaring that we are joining the "core group" effective today 29th February 2016!

Long live Tun Dr Mahathir!

See you in the 27th March rally!

Wasalam Tun.

p/s – I foresee many more will follow suits beginning with TSSJ for sure

Syabas. Ayahanda Tun telah membuat keputusan yang terbaik tepat pada masanya.

Thank you, Tun.

Saya ikut jejak Tun, saya keluarkan diri saya dari umno juga.

Saya suka tulisan anda anda semua, saya tidak suka Tun musa, azalina, hishamuddin, shahrizat dan lain lain yang seangkatan dengan mereka2 yang kurang ajar kepada Tun, Tan sri rafidah dan mereka2 yang telah menabur jasa membangunkan negara kita.

Asalamualaikum, bye bye umno..bila lah azalina dan sekutu2nya nak kena penyakit darah tinggi agaknya...

Salam YAB dan Yang DiKasihi Tun,

Last time (I read in many articles about this issue) Tun Musa Hitam suggested that "Melayu perlu ada sikap KURANG AJAR?" He is merely doing what he believes in.

I think UMNO leaders who are now so 'kurang ajar' towards Tun Mahathir and other UMNO veterans

are just following Tun Musa's advice/suggestion.  
contribution to UMNO and the Malays.

I guess this is Tun Musa's greatest

Tun shows us that it is very important to remain 'professional and mature' when addressing those who say bad things about us or say things we do NOT want to hear (or disagree). But sadly, some people here are so childish (but of course they think that they are so matured and very open minded...)

—

Tun, Saya hormati pendirian Tun dan Tun Hasmah untuk keluar dari UMNO. Namun demikian ini satu episod menyedihkan bagi UMNO (yang sudah jadi 'parti Najib'). Harap Tun terus berjuang bagi pihak 'rakyat' kerana cuma Tun pemimpin (dan segelintir yang lain) yang boleh/amat dipercayai – yang dah selalu menipu / memfitnah sudah hilang kredibiliti walaupun kadang2 mungkin 'tembakan' mengena.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga \*\*\*

Assalamualaikum Tun.

Viral terkini Tun keluar UMNO.

Jika benar, saya sokong 100%.

Apa lagi kepada Ketua Cawangan/Bahagian UMNO yang sehaluan di seluruh Malaysia dan menganggap Najib adalah ketua yang merosakkan UMNO dan perosak kepercayaan orang Melayu terhadap UMNO, nasihat saya bubarkan UMNO.

Tidak guna berpaut pada parti yang jelas dipimpin oleh golongan korup. Kelak diri kamu akan disoal kemudian hari kerana bersekongkol dengan golongan "munafik".

Hanya Allah swt yang maha mengetahui.

Wassalam.

Berita dari MMO

### **Dr M: I am leaving Umno**

PUTRAJAYA, Feb 29 — Former prime minister Tun Dr Mahathir Mohamad announced today his decision to leave Umno, claiming that the party he once led now only functions to protect Datuk Seri Najib Razak.

"I want to leave Umno because it is no longer Umno. It is a party dedicated to supporting Najib, protecting Najib and I cannot be a member of such a party.

"I won't call it Umno anymore, it is Najib's party," Dr Mahathir told reporters.

He said that the current Umno was only concerned about keeping Najib in power, and that the prime minister is responsible for the current climate of fear in the country.

"As a result, Malaysia is going through a very bad period. Our economic growth is down, our per capita income may have increased a bit in ringgit terms but the devaluation of ringgit has got a very bad effect on the economy. The stock market is also not doing well," he added.

Dr Mahathir said that Umno should also be voted out of power owing to its pro-Najib stand, but admitted that the opposition does not possess the majority to become the ruling government.

"Umno is no longer fulfilling the task set for itself way back in 1946," he added.

Dr Mahathir said that his wife, Tun Dr Siti Hasmah has also joined in his decision in leaving Umno.

"I cannot speak for them, but my wife joins me in leaving Umno," he said when asked if his sons would also be following in his footsteps.

Prior to the press conference, Dr Mahathir also held a closed-door meeting with several Opposition leaders in his chambers here.

Among those spotted were PKR vice-president Chua Tian Chang (Tian Chua), Amanah leaders Datuk Mujahid Rawa, Dr Siti Mariah Mahmud, Hanipa Maidin, Dr Mohd Hatta Ramli, and Datuk Mohd Tamrin Abdul Ghafar.

The members however were not present during the press conference.

When asked as to what was agreed between him and the Opposition members, Dr Mahathir said that they only reached a consensus that Najib should resign.

“We agreed on only one thing, that is to get rid of Najib.”

As for his next plan, Dr Mahathir called for a ‘core group of like-minded individuals’ to come forward and join him in calling for Najib’s resignation.

He said that he would also not be creating any new political party, despite being flooded with requests to do so.

Dear Tun,

My heart cries and no tears suffice to show how much you have sacrificed for this nation this country. Today you have proved how much you are willing to sacrifice for Malaysia and the people. We will never forget this Tun Mahathir. I hope other leaders from UMNO will open their eyes and hearts and will be able to see the true meaning of sacrifice. I hope TS Muhyiddin, DS Mukhriz and all the others will not be afraid to proceed behind you Tun Mahathir. If we rakyat with nothing have no fear what hinders them? Najib Razak sudah rampas UMNO dan sudah rosakkan satu-satunya tiang berpautnya bangsa Melayu. Namun Tun dan semua jangan mengalah kerana perjuangan merampas kembali maruah bangsa dan negara ini baharu sahaja bermula. May Allah protect you Tun Mahathir Mohamad.

There will be more who will join you Tun Mahathir. I just want you to know that you will never be on your own from this day onwards. The whole of Malaysia will be with you. Even when you are no longer with UMNO which has been hijacked by Najib Razak, the spirit of the original UMNO will stay. You are a man with principle Tun and this is just the beginning of the nation’s fight to save Malaysia.

I love you Tun Dr. Mahathir and Tun Dr. Siti Hasmah. You will never walk alone.

Malaysia, Indonesia, Brunei sebagai teramai Umat Islam  
Terkini dengan keadaan Maruah Islam Terendah sekali di dalam sejarah  
Seharusnya mempunyai Pemimpin dan Perjuang Khalifah  
Yg Tulus dan Ikhlas

Bukan Pemimpin seperti Najib yg Mementingkan Kepentingan sendiri  
Dayus Pemimpin sekarang yg tergamak melihat sensara saudara kita di Timur Tengah  
Berterlagah, membunuh sesama dek perbuatan Amerika bertujuan untuk Israel

Hubungan Najib bersama Rakyat  
Sudah Retak hanya tunggu Belah  
Talak sudah di jatuhkan namun Najib masih bermuka tembok Yahudi  
Tunduknya Beliau pada Kerajaan Singapura  
Sudah membuktikan pada saya Najib memang Dayus

Kita sudah lihat kejadian yg amat pilu di Timur Tengah  
Inilah yg dinyatakan Fitnah lebih Dashyat dari Membunuh  
Amerika, Israel sudah berjaya memfitnahkan Dunia  
Menghasilkan Islam sesama Islam membunuh sama sendiri

Dimana Khalifah Kita ?  
Dimana Imam kita ?  
Kalau hanya mementingkan persoalan sendiri

Seharusnya Brunei, Malaysia, Indonesia sekurangnya Kita bolih membantah  
Hanya dengan suara pun Di PBB akan hura hura di Timur Tengah dek Kezaliman Amerika untuk Yahudi

Since you admit it yourself this time, it's all your fault entirely. **Keep your friend close, but keep your enemy closer.** Instead of appointing the most suitable candidates ("Aku yang Berkhadmat"), you hypocritedly gamble our country. Politic is dirty, you expect criminals to play by the book? Ultimately, it was all about **"YOU and UMNO"** since the beginning. Nothing MERDEKA about Malaysia. Now that the world in topsy turvy, lets go back to islam's teachings. The way of Khalifah etc. We don't need this jewish democracy.

Assalamualaikum Dearest Tun,

Musa Hitam is just another pain in the ass and yet you keep addressing him as your very good friend.

Enough is enough ayahanda, you should have kicked him in the ass a long time ago.

You should act like the late LKY and Mr Najib Razak who crushed those who crossed them!

But you have a noble heart dearest Tun and your motto towards your foes have always been 'forgive and forget' and let's move on building the nation towards vision 2020.

But at the end Musa Hitam and the gang are the first to actually sabotage your vision. Pak Lah and Shahrir are his loyal proteges and he was only conferred 'Tun' during Pak Lah reign after 20 years.

In 1986 he was the "duri dalam daging" and twenty two years later in 2008 he said Tun M was "duri dalam daging" after you decided to quit the party.

Musa Hitam is one truly political animal who loves to groom leaders who will stay loyal to him no matter what and he is the first UMNO leader who subscribe to being 'kurang ajar'.

Believe me, after this Pak Lah will come out from his comfort zone and will be condemning you openly Sir so as to be seen relevant to the Najib's regime.

As for TSMY and the gang it's action time do something and don't let them keep pecking you. Take the young Dr Mahathir (DSMM) along to revive UMNO and do it fast.

Looking forward joining the 27th March rally!

Wasalam Tun.

MT dan para menteri UMNO berusaha gigih untuk memperbodoh-bodohkan rakyat Malaysia dengan statement-statement yang tak boleh diterima akal. Mereka pandang bodoh akan intelligence level rakyat Malaysia. MCA dan MIC pun dah tak kuasa nak defend UMNO.

Ada MT dan para menteri UMNO kisah dengan ahli akar umbi UMNO? Bagi MT dan menteri-menteri UMNO, para ahli akar umbi UMNO semua ni adalah "nobody".

UMNO penuh dengan menteri-menteri yang bodoh sombong serta korup.

I do belief there are outside influence pulling strings on UMNO today  
Not within UMNO and its member  
So it is not much of Malaysia Voice

Even for 1MDB it was constructed by an experts who knows how to moves it around the Bush  
They prefer Najib in power as they able easily get what they want  
Very clearly seen Najib administration is never meant much for Malaysia  
He also has the benefits of the Doubts

As much we see now Vast Land of Johor and more part of Malaysia have changed hand  
Not just housing also vast farming land from Bumi to Foreigners

These have to be Stopped

Thus Najib Ruling have to be Stop from being Puppet

Of all the 2.6 billion money or more could be revealed if stern investigations is to take place

The reasons every one in UMNO even The said Appointed AG is playing Hide and Seek

These is not for Malaysia

These will Ruin the Bumi , UMNO even the Kedaulatan Sultan gradually

Yes it is not now ,But be sure it grows Gradually

Seems very True

Melayu Mudah Lupa

Abakan lagi di Butakan Dengan Wang Ringgit

Bertambah Bodoh lah Melayu

Tun sangat positif

Jika diajukan hal perkara lepas, beliau banyak menyatakan 'tak ingat' atau 'akan tengok semula rekod', dan seumpamanya.

Ini kerana sy melihat beliau bukan seorang yang suka mengungkit perkara yang telah lepas, ia akan menimbulkan lebih banyak konflik

Visi ke hadapan lebih besar untuk dihadapi berbanding hal beberapa orang individu

Jadi bangunlah semua, bukan hal 2.6 billion yang kita risau. Kita tak kisah pun kalau memang itu harta hasil titik peluh ds najib. Tapi kita risau dengan membenarkan duit derma untuk parti dimasukkan terus ke akaun peribadi, yang kemudiannya tidak langsung diisytiharkan kepada ahli.

Dana masuk ke dalam akaun 2013, tetapi sehingga perhimpunan agung umno 2014 pun tak disebut, hingga 2015 baru sibuk tentang dana tersebut, itupun setelah wall streets jurnal laporkan. Kalau tak ada sebarang laporan, maknanya boleh disenyapkan seolah2 tak ada apa yang berlaku

Jadi apakah maknanya itu ?

Sy fikir pun begitu juga dengan Tun musa hitam, kerana Tun mahathir sangat tenang  
Walaupun didakwa dimahkamah, beliau akan tenang sentiasa, dengan strategi  
Sy baru faham, kenapa Tun mahathir akan menjawab 'tak ingat' jika disoal sebagai saksi, hehe

Assalamualaikum Tun.

Saya setuju dengan coretan terbaru Farid Islam.

UMNO wajar gantikan Najib dengan orang lain sekiranya BN mahu terus berkuasa.

Keputusan PRN Sarawak bulan April 2016 akan datang bukan ukuran sebenar gambaran keputusan PRU14 akan datang.

Ini kerana kerajaan pusat sedang menyuntik dan berbilion ringgit untuk memenangi hati rakyat Sarawak.

Pada PRU14 semua maklum Najib tidak ada dana yang besar lagi untuk merasuah rakyat Malaysia kerana "penderma peribadinya" sudah "meninggal dunia".

Tetapi saya percaya Najib akan cuba mencari penderma peribadi yang baru.

Coretan selepas pergantungan Timbalan Presiden UMNO Tan Seri Muhyiden Yassin kini diviral ke seluruh negara. Isinya padat dan jelas. Memang itulah gambaran sebenar yang berlaku dalam UMNO.

Sekiranya ahli-ahli UMNO bersikap mahu pertahankan pimpinan Najib, wajarlah kita TALKINKan saja UMNO pada PRU14 akan datang.

Sekarang UMNO akan dihormati sekiranya PAU diadakan tanpa menyekat sesiapa yang mahu bertanding.

SAYA YAKIN KESINAMBUNGAN UMNO TERLETAK PADA PAU UMNO YANG BERSIH.  
SEMAKIN LEWAT DIADAKAN SEMAKIN MASA DEPAN UMNO/BN SEMAKIN GELAP MENJELANG PRU14.

Jika UMNO mahu mengharapkan parti MIC dan MCA menang dalam PRU14 kelak, saya nasihatkan lupakanlah.

Wassalam.

A threat of sabotaging the Govt confidential ?

Or

The Government confidential being sabotage by Najib dishonesty

So if the leader did wrong ?

All the member must keep quiet even the AG

Is Malaysia a Communist system or a Democartic Nation

Not only we have a Dishonest leader like Najib

He is also a Coward

No Balls to square it out when something is a miss

Kelaurkan Bang Jebat ( Anwar Ibrahim )

Mari Kita lihat Jebat mengamuk

Though Anwar has been my dislike after he made Chaos in Malaysia

Before during Mahathir ,Anwar & Musa was a Chemistry

I like all 3 at that time

But Najib was too much

It has affects Malaysia for his Family Lust

Anwar is more of his personal grives

Let Jebat out We will be with Jebat

Assalamualaikum, Tun.

Tun Musa adalah seorang pemimpin yang mulia. Beliau tidak memberi komen bukan-bukan atau memburuk-burukkan nama PM atau parti, walaupun kalah dalam pertandingan jawatan UMNO.

Kalaulah Tun berpandangan begitu negatif terhadap pucuk pimpinan UMNO hari ini, baik Tun mempertimbang untuk menuduh parti baru, memberi nafas baru kepada arena politik tanahair dan memberi pilihan baru, harapan baru kepada Rakyat tertentu!

Assalamualikum Tun,

1 Seorang pemimpin yang hebat, beliau dapat membaca cara generasi sekarang berfikir dan melihat. Majoriti pengundi sekarang datang dari generasi X dan Y.

2 Kebanyakan pak-pak menteri dan bekas menteri datangnya dari generasi baby boomer (1946~1964). Sebab itulah kenyataan sesetengah pak menteri ini dilihat oleh generasi masa sekarang sebagai maharaja lawak mega. Sesetengah pak menteri ini tidak sedar cara bercakap bukan lagi dizaman "baby boomer".

3 Menyokong ketua tanpa batasan sudah tak relevan untuk generasi masa kini kerana dengan teknologi sekarang, informasi cepat tersebar, sama ada informasi itu betul atau tidak terpulang cara penerimanya berfikir.

Seperti yang saya sebut sebelum ini, pemimpin kena tahu cara majoriti pengundi berfikir.

4 Waktu ini dilihat pembangkang lebih ke hadapan. Mereka dapat membaca cara pemikiran pengundi masa kini dan memainkan isu-isu semasa yang berkesan langsung dengan rakyat.

5 Pada hari kiamat terdapat tanda awal dan akhir, dalam BN pun telah masuk fasa tanda-tanda akhir kejatuhan. Jika dilihat pada Pru13 yang lepas, orang cina menolak mic, saluran generasi Y pun menolak BN. Ditambah dengan isu-isu besar semasa yang tidak ditangani dengan baik, isu kos sara hidup yang meningkat dan terdapat menteri-menteri maharaja lawak "baby boomer" dalam UMNO serta penyokong Umno yang telah berpecah.

6 Pada PRU14 akan datang, talian hayat BN hanya pada Sabah dan Sarawak.

Saya berharap juga manifesto BN pada PRU14, pejabat kerajaan di Putra Jaya dan pejabat menteri dipindahkan ke Sabah dan Sarawak sebagai penghargaan Sabah dan Sarawak banyak memberi kerusi parlimen pada BN.

7 Jika dilihat dari sejarah silam yang lepas, kerajaan yang kuat seperti kerajaan Melayu Melaka, Uthamaniah, Abbasiyah dan banyak lagi tumbang disebabkan kelemahan pemimpin.

Salam Tun,

If I can recalled, you personally chaired the MKT meeting to sack Anwar Ibrahim. At that time was the DPM and DP of UMNO.

Later in the evening/ night you again attended the MKT meeting knowing there were among those who were strong supporters of Anwar.

In Najib's case he and Zahid left the meeting and let his cousin to chair and make the decision to suspend TSMY.

This clearly shows Najib is a Real Coward and dare not make or announce the decision of MKT. Yet this very same Najib proclaimed himself to be ' a Warrior '

In a P. Ramlee film Bujang Lapok there was a chief gangster that the people of Kg Dusun were really scared of. But he was only powerful in that kampung only. Outside, he was as meek as a mouse.

Najib is like that kampong gangster. Outside he bowed to Obama..Cameroon, etc and willingly selling this country and the rakyat.

Dear Mahathir,

In the Malaysian Insider, it is reported that you said ""It is no longer UMNO .. but ... Najib's party."

If this is so, why do you not form another party with like minded people and take Najib on in the next general election. After winning the election, you can merge the 2 parties to become UMNO again.

By prohibiting access to Sarawak Report and Malaysian Insider, these sites become forbidden fruits and therefore, more credible. I now access them daily.

With the present technology, it is so easy to by-pass the blockade. The Malaysian Government cannot have bright people running it if these guys think that blocking these websites, Malaysians are deprived from accessing it. This is truly wishful thinking and exists only in the never-never land.

Ia boleh dikatakan kerana beliau cuba mensabotaj UMNO. Maka itu hukumannya.

Saya juga mensabotaj. Itukan masih dalam skop kerja komando.

Habislah kem Tun Mahathir kena bom. Bila agak agaknya pemilihan UMNO nim. Nak juga tengok pertandingan berlaku.

Ada sesiapa yang boleh bagi tahu peraturan dalam UMNO pada saya, yang tak berapa nak fasih akan hal ini?

You still look strong and youthful at the Mesjid Negara today

A poem from a friend..to poner..

A POEM APPEALING TO MY RACE:

With corruption so prevalent,  
And incompetence so rampant ,  
We Malays still choose to remain silent ,  
We witness so much wrongdoings,  
Yet we close our eyes to d on-goings.

We grudge on d success of d Chinese,  
We fear their political power on d increase

But then we hesitate "on reasons of interracial peace"  
Our minds seem to be on a leash.

Malays still remain docile,  
Despite international condemnations that are so vile,  
We seem to maintain faith in our Malaysia leader,  
Who claimed himself to be a Bugis warrior,  
But in fact a pirate whose nation he is all-out to plunder.

Yet, despite our apprehensions of d future,  
Our dissatisfactions we are yet to utter,  
We still dream the future will be better.  
Yes, my people, shame on you,  
You are not only downtrodden, but you are selling your country too.

Why can't u change yr mentality?  
Why can't u discard yr false humility?  
Mark my word, your fate will soon that of a Bangladeshi,  
You will hv to forgo yr nation to work in another country.

Despite disloyal type of person, but he had been given a chance to be under Tun Mahathir team.  
Similarly happened to Pak Lah, Zahid, Hamid Albar etc.

Salam Tun,  
Initially I wanted to stay out of this topic. However after reading what others are saying, and being a balanced minded individual I would suggest the following...

Allow Tun Musa to say something here.

Salam Tun Musa Hitam,  
Being an educated politician, my bet is you do read what Tun Mahathir wrote here. As a young (close to half a century old) and ordinary citizen of this Country, I wouldn't possibly know what were the details of the rift between yourself and Tun Mahathir. My guess is, a lot of us here are also in the dark about it.

By saying all these, perhaps you can share your point of view on all the 9 points written here. No, I'm not provoking a confrontation here because I strongly believe whatever the differences between

yourself and Tun Mahathir is not on the ground of malpractices but more on the concepts of management of this Country.

By sharing you thoughts, we will obtain both sides of the story and it'll be a good foundation for us to move forward.

Thank you in advance Tun Musa Hitam.

Thank you Tun.

Salam YAB dan Yang DiKasihi Tun,

1. Slogan 'Bersih, Cekap, Amanah' diguna-pakai dan dipraktikkan sepanjang Tun menjadi PM selama lebih 22 tahun.
2. Tun mempamer 'KEPIMPINAN MELALUI TELADAN' – 'Leadership By Example'. Majoriti rakyat menjadi saksi.
3. Tapi malangnya majoriti 'pelajar-pelajar' dalam kepimpinan Tun amat lemah dari segi pembelajaran dan kefahaman. Kebanyakannya malas berfikir dan lebih suka jadi 'tukang angguk' dan 'kaki bodek'.
4. Tun Abdullah telah langgar prinsip 'Amanah' (batalkan projek2 dari zaman Tun M) dan juga 'tidak Cekap' (asyik tertidur). Tun Lah dikatakan 'Mr. Clean', tapi benarkah 'Bersih'?
5. Bila DS Najib naik jadi PM. beliau MELANGGAR kesemua prinsip – beliau 'tidak Amanah', 'tidak Cekap' dan juga 'tidak Bersih'. Terbukti GAGAL sebagai pemimpin.
6. Jadi mengapa pula Tun Mahathir yang dipersalahkan sedangkan mereka (PM-5, PM-6) yang tidak mengikut (atau LEMBAB?) apa yang Tun telah tunjuk dan praktikkan semasa menjadi PM selama lebih 22 tahun?
7. Tun sudah bersara lebih dari 12 tahun, satu jangkamasa yang panjang. Macam2 telah dilakukan oleh 2 Perdana Menteri selepas Tun yang memudharatkan dan membawa kehancuran kepada Malaysia, dan ini semua membawa kepada kegagalan dalam mencapai WAWASAN 2020.

8. Tun Musa 'is a born LOSER'. Selaku TPM, beliau gagal semasa diberi tanggungjawab menangani kes MEMALI. Ini jenis manusia yang tidak nampak kelemahan sendiri.

9. Anwar Ibrahim yang Tun didik juga tidak meneladani kepimpinan Tun malahan korup dari segi moral dan tingkah-laku; juga menyalah-guna kuasa. Salah sendiri.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga \*\*\*

Cheer up dearest Tun, we are here for you through thick and thin. Don't feel sad Tun What Tun Musa Hitam, Najib Razak, Salleh Said Keruak or the rest of the clan may say about you, they don't bear any weight to what we the rakyat think about you. Even your highest foe in politics Lim Kit Siang never missed your Hari Raya Aidilfitri open house during your tenure as Prime Minister of Malaysia. That goes to prove how much you are loved by citizens of all races, friends and foes as well as the whole world recognizes your leadership.

Let Tun Musa Hitam say anything he wants. To us he is not important. He was up there for only a term I guess and when he failed to climb the ladder of UMNO's leadership he got bitter obviously with you as his rival. He probably was never your good friend Tun. A good friend would never stab his buddy in the back. His bitterness became even greater when he lost family members in the Highland Tower tragedy. I don't blame Tun Musa if his bitterness had nurtured so much hatred towards the people around him, including you Tun, and probably God for the things that had befallen him.

Let's move on Tun, at least from here where we rakyat Malaysia, especially orang Melayu masih mengharapkan pada Tun. You have never failed us. Never for a moment. To us you are still our number ONE and ONLY DR. MAHATHIR MOHAMAD and this will never change. History has this fact written in bold and gold.

He was a lecturer, supposedly pandai daripada orang kampung....he knows very well, PM can dictate or rather steer to go forward, backwards, sideways...whatever...but being a crying baby who wants najib's attention, he has to blame Tun...OMG what a bullshit.

2. If Tun M is still the PM till now, I'm sure 2020 will be achieved even much earlier...but after 2004, Dollah wanted his legacies, therefore putting 2020 on hold....come on people, don't lie to yourselves....dollah did not follow thru vision 2020 right? Everything was KIV.

3. Comes najib, another hypocrite and selfish person....he didn't bother to take a look at RMK11 (ended 2020)....a RMK so malay-unfriendly....but yet najib agreed when wahid omar fought in parliament to pass the RMK11.

So Musa, grow up...you have not contributed anything to this nation except making a mess of memali incident. Who the hell put you here and there? By merit, you are not to the mark.

Salam Tun.

1. Mencapai wawasan 2020 bagi Rimba Emas adalah sesuatu yang 'subjektif'. Malah kemajuan yang sebenar pada masa yang di tetapkan itu bagaimana rupa yang sepatutnya pun hanya dalam bentuk bayangan sahaja.
2. Tun adakah di tetapkan semua benda yang di kehendaki dapat di adakan baru di katakan wawasan 2020 telah tercapai ?.
3. Kalau kejayaan dalam bentuk benda dikatakan ala tuju ke wawasan 2020, maka ia telah berjaya Tun laksanakan.
4. Sebabnya telah bertambah dalam bentuk pembangunan cuma faktor benda yang berbentuk bagaimanakah harus dibina. Semuanya bergantung kepada kebijakan ahli senibina zaman itu.
5. Jadi wawasan 2020 yang memakmurkan kehidupan rakyat lebih dipedulikan daripada benda yang hanya megah sebagai warisan sejagat yang lambat laung akan dimamah usia.
6. Contoh sebagaimana yang tergambar didalam al-Quran daripada kaum Samut, Firaun juga megah dalam pembangunannya tetapi sebaliknya rugi kerana zalim dalam beragama bila berlakunya pergolakan oleh kuasa yang menguasai alam ini.
7. Salah memilih Tun akhirnya akan dapat mengenalkan rakyat yang mana sepatutnya menjadi pilihan yang tepat.
8. Sebab itulah Rasul-rasul di pilih Allah s.w.t sendiri kerana manusia ini ada satu sifat kelemahan dalam memilih dan lebih-lebih lagi mengetahui rahsia hati.
9. Hanya manusia yang takutkan Allah s.w.t sahaja tidakkan berani melakukan perkara-perlara yang salah di antara kita sesama manusia. Sebabnya Allah s.w.tlah yang dapat melindungi kita daripada jin dan manusia yang jahat.

Wallahua'lam.

How could they simply subscribe the wrong doings by the top leader? Really perplex me... What happen to their dignity and integrity? Terribly horrible and unbelievable and so sickening!

Dear YABhg. Tun,

Assalamualaikum Tun.

Saya sebenarnya tidak kisah pun jika Muhyiddin Yassin digugurkan dari jawatan Timbalan Presiden UMNO.

Itu kerana ia adalah tanda kepada kerosakan peringkat atasan UMNO. Yang mana cara pentadbiran sekarang lebih menjurus kepada memuja Presiden UMNO selaku Perdana Menteri.

Sekurang kurangnya dengan pengguguran jawatan Muhyiddin Yassin adalah tanda kepada keberanian menyatakan kebenaran untuk menjaga negara dan rakyat Malaysia. Itu juga boleh dikatakan berjihad di jalan Allah swt. Apa nak dirisaukan.

Kalah UMNO pun bukan buat rakyat tidak boleh makan. Rakyat Selangor pun dapat hidup juga. Setakat cerita sampah busuk tu apa la sangat.

Najib pernah berkata politik Malaysia hanya berkisar BN dan DAP (Melayu dan Cina). Jadi dengan yakin Najib bermain dengan segala gala mengikut formulanya itu. Kerana yakin rakyat tetap akan mengundi dan memberi kemenangan kepada BN.

Itu ilmu yang Najib dapat selama 40 tahun dalam politik seperti yang dihebohkan.

Terima kasih Tun.

Siapa kata Tun tak siap sediakan pengganti yang berkaliber selepas Tun?

Orang itu adalah Anwar Ibrahim. Cuma hajat Tun sendiri tidak kesampaian kerana Anwar Ibrahim sendiri tersangkut kes liwat.

Maka masa semakin suntuk dan pengganti PM seterusnya adalah mengikut sistem.

Cara pemilihan oleh Tun Hussein adalah lebih terarah kerana mengambil nasihat Tun Razak untuk melantik Tun Mahathir sebagai PM ke4 Malaysia yang mana mengakibatkan pertandingan antara Tengku Razaleigh dengan Tun Mahathir.

Jika Tun Musa sendiri dapat menilai cara dan karakter Tun Mahathir ketika itu, mungkin juga Tun Musa akan berada dalam senarai pengganti Tun Mahathir. Dan ini tidak berlaku kerana Tun Musa memihak pada Tengku Razaleigh.

Oleh itu, Tun Mahathir cuba menggilap bakat baru iaitu Anwar Ibrahim sebagai pemimpin masa depan. Dan ini juga tidak berlaku.

Terima kasih Tun.

the 1993 highland tower tragedy was a bomb initiated collapse. Tun Musa's son & family were one of the targets. so Najib killed Tun Musa's son & family yet this scumbag wants to support Najib. what else is Najib holding on Musa's balls? Mei 13????

Reconciled with Mahathir, Musa Hitam posed a stumbling block to Najib being elected as the youngest Vice President in 1993. There was only one UMNO vice president slot left. Anwar moved up from the vice presidency slot to DPM. If Musa were to contest for that seat, Najib's chance would be very slim indeed. Musa was persuaded by Mahathir to go for the vice presidency slot, as a backup, in case Anwar failed as his DPM. Further if Anwar and Musa worked as a tag team with Mahathir, Najib's fast track to the PM throne may be blocked forever. Their Sodomy Plot to get rid of Anwar would be of no use. Mahathir would just resort to Musa as his DPM again. They can't do a "shoot once" Sodomy Plot on Musa as Mahathir and the whole world would be too suspicious.

That's right. The 1993 Highland Tower collapse was caused by a bomb detonated on one of the critical support pile groups. Although the key evidence of the "Missing Pile Caps", peculiar "twist & turn before collapsing" and the many inconsistencies with NCL (natural cause landslide), were brought up by many, in technical forums and conferences, the official report still cited natural causes (landslide) for the disaster.

Assalamualaikum Tun, mohon Tun mulakan langkah tubuhkan parti baru. Kami yg dulunya menyokong Umno kini telah benci dgn Umno. Kebanyakan pemimpin Umno kini memang tak boleh diharap dan pentingkan diri sendiri dari menjaga kepentingan rakyat. Umno kini tak dapat diselamatkan dari dalam dan saya pohon agar Tun memikirkan saranan saya ini. Saya percaya ada beberapa kerat pemimpin Umno yg akan menyokong Tun dlm misi menyelamatkan negara ini. Tun, percayalah bahawa majoriti ahli Umno menyokong Tun dan akan menyertai Tun dlm misi ini. Saya tahu Tun keberatan kerana memikirkan ia akan memecah belahkan melayu dan Tun berpendapat bahawa parti baru tidak akan hidup lama. Tetapi Tun, Umno juga akan berkubur jika suasana sekarang berterusan.....Tun, saya merayu agat Tun kesihkan generasi akan datang, anak2 dan cucu2 kita. Terima kasih Tun diatas sumbangan Tun selama ini....

Assalamualaikum, Tun.

Tun Musa Hitam merupakan seorang Negarawan yang berprinsip. Beliau memberi keutamaan kepada kepentingan Negara lebih daripada kepentingan peribadi dalam kerjaya politik beliau.

Kami berhemat Tun bukannya membuat pilihan silap setiap masa. Rakyat kini insaf betapa berhasilnya Pak Lah menubuh SPRM, menganjur Islam Hadhari yang membawa prinsip kesederhanaan atau Wasatiyyah, mempertingkatkan taraf keberkesanan pentadbiran kerajaan dan sebagainya.

Dearest YAB Tun,

Tun is not responsible for all DSN's wrongdoings as PM. DSN and other leaders are fully responsible for all their ACTIONS (as adults). But, as always, those FAILED LEADERS (including Tun Musa) have the tendency to blame other for their own failures (nak tutup malu). These type of leaders 'BERJIWA KECIL sebesar kuman saja...'

Tun Musa Hitam (not sure what his contributions are to Malaysia; tak layak dapat 'Tun') forgets that. 'A GREAT LEADER IS BORN, NOT MADE'. Tun Mahathir is a BORN LEADER, while he (Tun Musa). Tun Lah and DSN are NOT BORN LEADERS. They FAILED miserably as leaders – they are fully responsible for their failures; NOT TUN'S FAULT.

To DS Nazri, GROW UP! I bet you are in the same boat with Tun Musa since both of you believe that being so 'KURANG AJAR' to much older people including 'Negarawan' are acceptable.

Thanks Tun.

\*\*\* May Allah S.W.T. bless Tun and family \*\*\*

One thing for sure Tun., you would go down in history as the most successful Prime Minister and Tun Musa Hitam would be remembered as the 'gelojoh' DPM who never made it to premiership. We, the young ones know how much you've done in building this nation. Harap Tun bersabar dengan 'the barking dogs' from the najib camp. Wawasan 2020 is such a good vision. You gave us hope back then. So proud to be Malaysia before. It was such a strong sense of belonging to this nation. Najib is 2.6billion times worse than any of prime ministers we've had....everr..

As Salam Tun,

Musa Hitam politic has ever since went down when he go against you.

I remember when he'merajuk', he ran to stay in England and UMNO MKT went up to see him to persuade him returning to UMNO.

And from there on, he came out to pin out his disappointment to any matter that been related to you and a must go against you.

If Musa Hitam was my friend, for sure i will give him a Kung Fu kick on the ass!

Lucky Musa is your friend and you treat him well. He just be an ungrateful fellow.

Thank you, Tun. Take care. Wassalam.

Agreed with statement #8, "I believed in leadership by example" ...

Hence, Tun should not condemn current administration. Generally, what the successors did today are "inherited" and "learned" from Tun when you were the leader last time? Not?

Basically, what people feel and see today, are Tun focusing on personal attacks rather than more constructive critics:

(1) Tun never touch on problems on current system

– More on personal attacks that give an impression that Tun afraid of the results of next general election

(2) System vs Human

– The system, culture, behavior and mutual agreements today are not inherited from your administration?

– What had Tun contributed to the system today? Improve or destroy it?

– People come in and out, and human behaves differently. Only a clean, fair and good system can ensure an organization / country can be free from wrong doings

(3) Why should follow Tun?

– Today administration was formed through democratic election

– Don't forget that Tun and the pembodek here, you are not one of the citizen that vote for current administration?

– When i was small, i had learned that anything that we decided and choose, we should be responsible and able to take the impacts as that was our own decision to choose it.

– Hence, don't you think that any change that you would like to see, you should wait until the next general election through democratic ways? Since what you had today were chosen by you previously!

(4) Playful behavior

– Last time Tun said Abdullah very good, must choose him. Pembodek also follow and happily greets "Pak Lah .. Pak Lah ..."

– Later Tun said Abdullah not good. Pembodek also follow said "tidur ... tidur"

– The next one Tun said Najib very good, must choose him. Pembodek also follow and happily greets "AhJib Gor ... AhJib Gor ..."

– Then now Tun said Najib not good. Pembodek also follow said "lavish ... lavish"

– Then what would be the next one? What going to happen?

In this world, all the problems must came from a root cause. If Tun think that we are having serious problems today, what are the root cause? From you or not from you?

Salam Tun,

The Matsallehs used to say ' Dont trush Shorties '. They even make a film called ' Get Shortie '

Musa and Shahrir will never ever like you Tun. Though they were given important posts by you. They like dogs that bite the habd that feed them.

Musa after his defeat, even abandoned T.Razalaeigh..just like that.

If I can recalled he was given a lecture by the late Sultan Johor after the Friday prayer.

The title ' Tun ' is not justified to be bestowed upon when he have this ' hati busuk ' character. Same with Abdullah Ahmad Badawi.

Tun,

You have done and tried your "best of the best". Failure and success cannot be guaranteed by anyone. Everywhere, anywhere everyone and anyone have had all sort of visions or dreams. If only one vision is successful we should be thankful and not regretful.

You still a better PM than ....
