

## **DISMISSALS AND REPLACEMENTS**

**Chedet.cc**

**15 Januari 2016**

**Tun Dr Mahathir Mohamad**

1. The Malaysian Insider recently reported the MACC Chief [Abu Kassim might be replaced](#), basing it on "source".
2. Abu Kassim has some health problem but [he himself says](#) that he hopes to retire at 60, the mandatory retirement age. Obviously he does not think that his health would force him to retire any time soon.
3. Government has certain procedures for sick employees to retire before reaching retirement age. A Medical Board will have to be set up to examine the health of the person who seeks to retire early.
4. The Board will issue a proper medical report on the state of the person's health and certify his being unfit to work.
5. If the officer's appointment is at the pleasure of the Yang di Pertuan Agong, then the certificate must be produced for the Agong to agree to his retirement, and for his signature.
6. There is doubt whether in the case of the former A.G. Tan Sri Gani Patail the procedures were followed. When he was retired [the PM stated that it was for health reasons](#). [Gani himself denied this](#) although he was suffering from kidney failure. A kidney failure person can work for quite a considerable length of time. It is not a cause for early retirement.
7. And now Gani is reported to [begin a career as a lawyer](#). Obviously he is fit to work.
8. The question is whether the MACC chief will also be retired prematurely for health reason? It is known that the MACC has submitted its report to the AG. The [AG says he would act without fear or favour](#). But he requires time as the report piles up to his height. How much time? Or is the AG to determine whether there is a case for the judges to judge or will he be the judge and dismiss the case as indeed he had done with the Bank Negara report.
9. There is currently a deficit in terms of trust in the present Government and its institutions. There are many reasons for this deficit. Saying that everything is fine will get the Government nowhere. Deeds count more than words.
10. The removal of Tan Sri Abu Kassim will only convince the people that all that is being said against the Government is true, that it exist merely to prevent the rule of law being applied to the leadership of the nation.

VERSI BM

PEMECATAN DAN PENGGANTIAN

1. The Malaysian Insider baru-baru ini melaporkan bahawa Ketua Suruhanjaya Pencegahan Rasuah Malaysia (SPRM) Abu Kassim mungkin diganti, berdasarkan pada "sumber".

2. Abu Kassim mempunyai beberapa masalah kesihatan tetapi beliau sendiri berkata bahawa beliau berharap untuk bersara pada 60, umur wajib persaraan. Jelas sekali beliau tidak berfikir bahawa kesihatan beliau akan memaksa beliau untuk bersara dalam masa terdekat ini.
3. Kerajaan mempunyai prosedur tertentu untuk kakitangan yang sakit untuk bersara sebelum mencapai umur persaraan. Suatu Lembaga Perubatan perlu ditubuhkan untuk memeriksa kesihatan sesiapa yang meminta untuk bersara awal.
4. Lembaga ini akan mengeluarkan laporan perubatan yang sewajarnya mengenai keadaan kesihatan orang itu dan mengesahkan beliau adalah tidak mampu untuk bekerja.
5. Jika pelantikan pegawai itu adalah atas titah Yang di Pertuan Agong, maka sijil perakuan hendaklah dikemukakan kepada Agong untuk dipersetujui persaraan itu, dan menandatangani.
6. Wujud keraguan dalam kes bekas Peguam Negara Tan Sri Gani Patail sama ada prosedur ini telah diikuti. Apabila beliau dibersarakan, Perdana Menteri menyatakan bahawa ini adalah atas sebab-sebab kesihatan. Gani sendiri menafikan ini walaupun beliau mengalami kegagalan buah pinggang. Seseorang yang menghadapi kegagalan buah pinggang boleh berfungsi untuk tempoh masa yang agak panjang. Ia bukan satu sebab untuk bersara awal.
7. Dan sekarang ini Gani dilaporkan akan memulakan kerjaya sebagai seorang peguam. Jelas sekali dia berkeupayaan untuk bekerja.
8. Soalnya ialah sama ada Ketua SPRM juga akan dibersarakan awal atas sebab kesihatan? Telah diketahui bahawa SPRM telah mengemukakan laporannya kepada Peguam Negara. Peguam Negara berkata, beliau akan bertindak secara adil dan saksama. Tetapi beliau memerlukan masa kerana laporannya tebal bertimbun sehingga ketinggian beliau. Berapa banyak masa? Atau adakah Peguam Negara yang akan menentukan sama ada terdapat kes untuk hakim mengadilinya, atau beliau sendiri nanti akan menjadi hakim dan menolak kes itu sepertimana yang dilakukannya dengan laporan Bank Negara.
9. Buat masa ini terdapat defisit dari segi kepercayaan terhadap Kerajaan masa kini dan institusinya. Terdapat banyak sebab-sebab defisit ini berlaku. Dengan hanya menyatakan bahawa semua adalah baik tidak akan bawa Kerajaan ke mana-mana. Tingkah laku adalah lebih baik daripada kata-kata.
10. Penyingkiran Tan Sri Abu Kassim akan hanya meyakinkan rakyat bahawa semua yang sedang dikatakan terhadap Kerajaan adalah benar, bahawa ianya wujud semata-mata untuk mengelakkan kedaulatan undang-undang dikenakan kepada kepimpinan negara.

Salam YAB dan Yang DiKasihi Tun,

1. AG nampaknya ingin melengah-lengah kes SRC International dan wang 'derma' RM2.6 Billion.
2. Fail2 dipulangkan untuk mendapat (kononnya) lebih 'details' tentang 'recommendations/ cadangan' yang SPRM utarakan.
3. AG yang ARIF sepatutnya ikut saja 'recommendations' sebab sudah tentu SPRM telah meneliti dengan terperinci setiap kes di pelbagai peringkat sebagai saringan untuk memastikan ada kes dan 'recommendations' adalah berasas. Takkan main hentam-keromo saja.
4. Dapatkan 'details' kes di mahkamah!
5. Biar mahkamah tentukan samada benar ada kesalahan2 telah dilakukan.
6. AG ini sepatutnya DIGANTI jika tidak amanah dalam menjalankan tugas. Takkanlah sukar sangat untuk menilai kes2 ini. Bukti wang RM2.6 Billion masuk ke AKAUN PERIBADI penjawat awam sudah cukup untuk pendakwaan kesalahan pecah amanah @ rasuah. Ada banyak kes2 seumpama ini telah berlaku – didakwa dan didapati bersalah.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga \*\*\*

With the return of isayso the conspiratorial dummy, all the Opposition dummies are in action and lined up again against me for want of a better objective because they are here to recruit you into their ranks which I know is impossible.

The strange thing is that their personal attacks on me WHEN MY FACTUAL COMMENTS HAVE NOTHING TO DO WITH THEM. They really hate my factual Comments eg

1. " I STILL SAY THAT THE CLOSEST AIDES CREATED ALL THE SCANDALS AND BLAMED THEM ON OUR DISTINGUISHED AND HONOURABLE TUN DR MAHATHIR MOHAMAD AND OUR DISTINGUISHED AND HONOURABLE PRIME MINISTER DATO SERI NAJIB BIN TUN HAJI ABDUL RAZAK."

Or

2. In 1997, if the Distinguished and Honourable Deputy Prime Minister had taken a holiday in the United States, he would have returned as the Distinguished and Honourable Prime Minister of Malaysia. ONE EASY STEP.

In 2008, if the Opposition with the Singaporean Trojan Horse DAP had sorted out the 32 ADUNS BEFORE AND NOT AFTER the 12th General Elections, the Opposition would have been in Putrajaya since then. It would have cost them nothing. ONE EASY STEP.

In 2013, if the Opposition with the Singaporean Trojan Horse DAP had boycotted the 13th General Elections and checked into the 1st Class Ward of the KLGH and declared a 100 day fast to death, with the international media in tow, they would have been in Putrajaya since April 2013 ONE EASY STEP.

My factual comments are fair comments with no personality denigrated. For the next 14th General Elections, please consult me ! I am apolitical. Dummies, no need to get so angry on past mistakes which are history ! You win friends by not abusing, insulting and vilifying innocents ! Acheh !

See how confused these dummies are to snuff, to delete or stop my factual Comments ! By raising a ruckus, these dummies only draw more attention to these harmless factual Comments.

Tun, the host of this distinguished and honourable Blog, they asked you to give them exemption or special rights to abuse, insult and vilify me ! No manners ! They treat those whom they think are against them with the best of Hitler's methods. Stupid !

WE ARE ALL PRIVILEGED TO BE HERE ! FOR THIS PRIVILEGE I AM GRATEFUL TO TUN ! Hence, I have never made the first move to abuse, insult and vilify others but ONLY TO DEFEND MYSELF.

For isayso, the dummy who hides behind the mask and was my former employee in Sime Darby 1980s-1990s when he achieved his Malaysian Dream plus a vested interest in Gamuda shares after 1992. My heartiest congratulations to him for fulfilling the sincere wishes of our beloved Tun Dr Mahathir Mohamad via his 22 year long Administration.

Tut ! Tut ! isayso the dummy. Please do not ask me to learn from anyone because I was your Boss when you were achieved your Malaysian Dream in Sime Darby as my employee. You should have learnt from me !

But after I said the following you went for me with insults, abuses and vilification of my character personally – the typical Opposition tactics which were/are used on our beloved Tun Dr Mahathir Mohamad when he was defenceless after 2003.

It was because of these latter acts which is the reason why I appeared here in this Blog in September 2011. You only appeared here after the Yellow Bersih a few months ago to divide the BN !

You did not like what I say here in the Land of Free Speech, Free Thoughts and Free Expressions within the Law :-

PS. In every business or venture, there is always a point of no return. All scandals are caused by the closest aides going beyond the point of no return. They just went on regardless until it became a full-blown scandal !

I presume in your case isayso dummy you love both the Prime Ministers as a closest aide to an Opposition leader !

Tun,

For grkumar, who always sound so worldly wise and he does so without insulting anyone. I am in awe. I hope Mubarakchan can learn from him.

Having said that one has to bear in mind that by someone retiring before the age of retirement is not necessarily evidence of government intervention in the process.

The AG having reportedly suffering from kidney problems may not have satisfied the governments standards for remaining in the job. The same standards apply in most commonwealth countries. Remember that even government departments have insurance for their workers co underwritten by private sector insurers.

A.G. Tan Sri Gani Patail was only months away from retirement. Surely, the government could have waited just the few months. And why wasn't it even discussed with him. He was denied entry into his office, goddamn it. And then given the rank of a legal officer in the remaining months. A VERY HIGH level government servant treated like a pariah. Nothing wrecks huh?

I am not sure what valid point you are trying to make about the Government insuring its workers in this argument. If he had died during the few months had he remained in office, insurance company pays up. What is the problem?

Assallammualaikum Tun.

Saya mohon ruangan.

[Mr WandyCaswady

I have nothing... No money.. No power such all... All I can do is write].

Excuse Mr.

Why we write here in Tun blog?

For me it is a responsibility mentioned here.

Once Abdul Rahman Al Auf lamented the fact that he has no friend in Madinah after the Hijrah ( the Secular like to write is as a 'flight' ).He mentioned it to Rasulullah s.a.w.Rasullah s.a.w.silence is rewarded by this Ayat..

Surah Maryam

وَدَّ الرَّحْمَنُ لَهُمْ سَيِّجَعَلُ الصَّالِحَاتِ وَعَمِلُوا آمَنُوا الَّذِينَ إِنَّ

96. Sesungguhnya orang-orang yang beriman dan beramal saleh, kelak Allah Yang Maha Pemurah akan menanamkan dalam (hati) mereka rasa kasih sayang..

I am a muslimin who professed Islamic faith acknowledged by Allah.

"Orang-orang yang memakmurkan masjid-masjid Allah hanyalah orang yang beriman dengan Allah dan hari akhirat, mendirikan solat dan menunaikan zakat dan tidak takut kecuali Allah, mereka itulah yang diharapkan untuk tergolong di kalangan orang-orang yang mendapat hidayah". Surah at-Taubah: 18.

فَاشْهَدُوا الْمَسْجِدَ يَنْتَازِدُ الرَّجُلُ يَتْمُرًا إِذَا: وَسَلَّمَ عَلَيْهِ اللهُ صَلَّى اللهُ رَسُوْلُ قَالَ عَنْهُ، اللهُ رَضِيَ الْخُدْرِيَّ سَعِيدٍ أَبِي عَنْ بِالْإِيمَانِ لَهُ

Rasullullah s.a.w hadith by the virtue of regular commuter to the mosque.

"Bila kamu melihat seseorang yang sentiasa berulang alik ke masjid, maka bersaksilah kepadanya dengan keimanan".

Rasulullah s.a.w. bersabda:

الْجَنَّةُ عَلَيْهِ اللَّهُ حَرَّمَ إِلَّا لِرَعِيَّتِهِ عَائِشَ وَهُوَ يَمُوتُ، يَوْمَ يَمُوتُ رَعِيَّةَ اللَّهِ يَسْتَرْعِيهِ عَبْدٌ مِنْ مَا

Ertinya: "Mana-mana hamba yang Allah memberikannya jawatan ketua kepada orang ramai, dan dia mati dalam keadaan menipu rakyatnya, maka Allah akan mengharamkan syurga kepadanya". Hadis riwayat Muslim.

عَلَى يَرِدُ وَلَا مِنْهُمْ وَلَسْتُ مِمَّا فَلَيْسَ ظَلَمِيهِمْ عَلَى وَأَعَاتَهُمْ يَكْذِبُهُمْ صَدَقَهُمْ فَمَنْ وَيَظْلِمُونَ، يَكْذِبُونَ أَمْزَاءَ سَتَكُونُ إِنَّهَا  
الْخَوْضِ عَلَى وَسَيَرِدُ مِنْهُ وَأَنَا مِثِّي فَهُوَ ظَلَمِيهِمْ عَلَى يُعْنَهُمْ وَلَمْ يَكْذِبُهُمْ يُصَدِّقُهُمْ لَمْ وَمَنْ الْخَوْضِ

Ertinya: "Akan datangnya para pemimpin yang banyak berdusta dan melakukan kezaliman. Maka sesiapa yang membenarkan pendustaan mereka, dan membantu di atas kezaliman mereka, maka dia bukanlah daripada golongan kami dan aku bukan daripada golongan mereka dan dia tidak akan datang ke kolamku (di akhirat nanti). Dan sesiapa yang tidak membenarkan pendustaan mereka dan tidak membantu kezaliman mereka, maka dia adalah daripada golonganku dan aku daripada golongannya, dan dia akan datang (meminum) kolamku". Hadis riwayat Ahmad dengan isnad yang sahih.

We must agree to disagree.

And the basis principal of agreement among muslimin is the education.

It is most obvious that 'THEY' do not learn and practice the mainstream Islamic practice..

## THE WAY WE DO!!..

### Terima kasih Tun.

Assalamualaikum Tun and muslim bloggers and hi to others,

Since that 1MDB thing appeared, there were and are many weird things happening...to some, they meant nothing, to others, what najib and his goons had done and in the process of doing (including dismissing MACC boss), are reinforcing the notion that najib and BN government are up to no good.....cheating, lying, ridiculing, making a fooling, etc of the people of Malaysia and those from outside this country.

All the other PMs (bolehlah masukkan pak lah) tried their best to bring good name and good deeds to this nation.....but this najib is bringing down our country and his cronies are supporting him to bring down this country faster.....they dont have conscience...no wonder a lot of people hated umno leaders.

Memang Malu punya Kerajaan yg di pimpim oleh Najib  
Kelihatan Benar Tidak Berkemampuan  
Tiada Visi walau sekarang abad 2016  
Pemikiran Najib serupa Bodoh macam budaya pemimpinan 60'an

Berdekatan dengan US yg nyata sekutu Yahudi  
Serupa menzalimi saudara se islam  
Memberi Kelonggaran juga pada sekutu Yahudi , Singapura

Tidakkah yg dinamakan US ,Israel yg telah membunuh , menzalimi Umat Islam di seluruh Dunia .Malah pemimpin Dayus kita bersekutu dengan mereka

Seharusnya Kerajaan Malaysia , Kerajaan Indonesia mempertingkatkan lagi Ketenteraan ala Budaya Kita

Bukan membodek dan menghancurkan Dunia Islam tanpa di sedari  
Serupa kita bersubhat dengan kezalim atas keluarga kita di Timur Tengah

Tiada satu pun negara Dunia Islam  
Yg membela nasib Palestine  
Hanya menambung derma bukan huraiannya  
Mungkin juga sumbangan ini semua jatuh pada US juga Israel

Disini Kita bukan tujuan melawan mereka  
Tetapi kita tidak boleh percayakan mereka  
Maka persiapan ala kita perlu

Adakah Kerajaan kita fikir akan kemungkinan ini semua ?  
Sedangkan Ekonomi Malaysia terkotang kantil dek Kerajaan Najib

Fikir fikirkan ,Renung renungkan  
Lepas tu Tidur

Fariq Islam has perhaps put in perspective what lies at the heart of a government's rights and obligations in this matter raised by the Tun. At least it refers correctly to the powers a government has when dismissing or relieving an officer of his obligations or role in any position.

Having said that one has to bear in mind that by someone retiring before the age of retirement is not necessarily evidence of government intervention in the process.

The AG having reportedly suffering from kidney problems may not have satisfied the governments standards for remaining in the job. The same standards apply in most commonwealth countries. Remember that even government departments have insurance for their workers co underwritten by private sector insurers.

Just because the former AG wants ot engage in private practice does not mean there was something sinister in his retirement or removal. Being fit by government standards (because of the different standards for underwriting risk) is not quite the same as being fit in private practice. In private practice the AG underwrites his own risk.

Putting all of this aside one wonders why the Tun has engaged in undermining UMNO.

What the public think (as gullible as many of them are) is really not reason enough to discredit or destroy a government and the only protection the Malays truly have.

It takes a lifetime to build up a reputation, it takes a little unthinking act to destroy it forever. Sad

I'ved said before..in this country only 2 humans are above the Law. They are Najib and Rosmah.

As long as these 2 humans are in Putrajaya, they will do ANYTHING just to cling on to power till Doomsday.

Removing, Dismissal,Forced retirements,Demos,etc,etc will be their SOP

Hope in the next GE, the Rakyat will show them the door.

Pemerintahan DAP akan Naik  
UMNO akan Tumbang selagi Najib Berluasa

idaman kamu untuk Cina menguasai Malaysia akan Tercapai  
Malah Sudah tercapai pun sekarang  
Lihat dari JOhor sampai Kelantan Atau di mana mana pun  
Kebanyakan Tanah , Rumah kedai , Pembangunan kesemuanya milik Cina  
Kalau saya bawa orang Asing berjalan dari JOhor sampai kemana pun  
Mereka Akan Cakap Malaysia Negara Cina  
Sepanjang Perjalanan Mereka Semua signboard milik Cina  
Kalau ada Nama Melayu Atau Nama Mamak pun kedai sewa milik Cina

Ini lah Kesempatan DAP Bergabung dengan PAP menumbangkan UMNO  
Ini lah masa nya untuk Cina mengampas Kuasa dari Melayu  
Sebab Melayu Bukan saja Dalam Dilema , Malah Pemiimpin Dan pengikut ajaran sesat  
Najib akan menumbangkan UMNO juga Melayu

It's Ok for dismissals and replacement for a good decisions  
For development , Improvisation and progress

But  
Najib dismissal and replacement is to Najib benefits for his own selfishness  
Never the interest and benefits for Malaysia

The person that should be dismiss is Najib of his Prime Minister post  
Results have proven so

Assalamualaikum Tun.

Ada orang kata Tun dah tak berkuasa dan cuma tin kosong yang boleh berbunyi.

Kalau kita tidak punyai kekuatan melalui tindakan, kita boleh bersuara, kalau tak boleh bersuara  
cukuplah melalui hati.

Yang penting, yang tidak elok kita tentang dan bangkang. Yang baik kita sokong.

Apabila saya memetik nasihat Syeikh Abdul Qadir Al Jailani yang bertanyakan bagaimana mungkin mereka (orang ramai) tidak mencari 'dia' sedangkan penawar adanya, saya teringat pada penggunaan 'orang Tuhan' semasa membaca mengenai Al Arqam (saya bukan al arqam).

Adalah kuasa Allah swt untuk menggerakkan hati manusia untuk dipanggil bertugas. Selagi tidak digerakkan hati, maka manusia hanya bisa berusaha yang belum tentu dijanjikan kejayaan.

Begitulah yang dimaksudkan dengan satu hadith qudsi berkenaan wali Allah yang boleh difahami bahawa Allah menggerakkan gerak wali Allah itu.

Berusahalah, namun apabila Allah berkata 'jadi!, maka jadilah ia.

Tiada apa yang perlu kita risaukan asalkan adab adab beragama kita amalkan.

Nak pecat pun pecatlah. Sekarang pun 'bandar merah' pun dah kena gantung.

Satu perkara yang menggembirakan hati adalah menulis di sini dan satu lagi adalah menonton video klik Dilwale.

Terima kasih Tun.

Salam YAB dan Yang DiKasihi Tun,

1. If Tan Sri Abu Kassim is dismissed, then it's so obvious and without any doubt that DSN is willing to do almost anything to retain his position/power as the PM of Malaysia. DSN is a power-crazed leader, and he must be toppled soonest possible for the sake of Malaysia & Malaysians.

2. PM Najib @ Ah Jib Gor has no integrity left. Only those who are after 'cash and positions' want him to stay.

3. DSN is the one who should/must be dismissed and replaced soon on grounds of 'mentally unfit' – 'GILA kuasa, gila duit, korup, pecah amanah, salah-guna kuasa, etc...'.

4. It's funny that DSN is still able to walk around without any feeling of shame for all his wrongdoings. Normal and mentally healthy people would feel so ashamed if they were in his place and would have resigned immediately.

5. Sikap AMANAH dan INTEGRITI tidak boleh diwarisi.

Terima kasih Tun.

\*\*\* Semoga Allah S.W.T. sentiasa melindungi Tun sekeluarga \*\*\*

Salam!

Najib ni memang cukup berkuasa! Tidak ada sesiapa pun yang mampu mengalahkan Najib buat masa in. Sudah terlalu ramai yang dah kena cantas.

Najib guna duit untuk kekal berkuasa. Tahun lepas, jabatan perdana menteri yang paling banyak dapat belanja pembangunan. Sekarang saya tak suka bayar cukai sebab najib tak pandai berbelanja.

Sekarang saya prefer bayar guna duit tunai sebab dah banyak jugak kedai yang tak charge gst bila kita bayar cash. Padan muka Najib!

Assalamualaikum Tun.

Apa yang rakyat lihat dan tunggu adalah menilai tindak-tanduk kerajaan dan sisa-sisa pimpinan Najib semakin menghampiri PRU14 sekitar 24 bulan dari sekarang.

TITIK MASA PRU14 ADALAH DETIK PENILAIAN SEJAUH MANA PENERIMAAN RAKYAT TERHADAP PIMPINAN NAJIB.

Jika rakyat menganggap Najib adalah "ZALIM TERHADAP RAKYAT" maka wajarlah UMNO/BN dihukum pada PRU14.

Nasib UMNO/BN bukan hanya terletak pada Najib semata-mata tetapi pada KEBIJAKSANAAN MAJORITI AHLI-AHLI UMNO. Jika majoriti ahli-ahli UMNO sedari (sekarang) bahawa kepemimpinan ketuanya tidak diterima majoriti rakyat maka sesuatu yang drastik perlulah dilakukan segera.

Jika majoriti ahli UMNO tidak memahami gelombang politik di luar parti UMNO yang rata-rata menyalahkan Najib dalam masalah dalaman negara, wajarlah kita akur bahawa kesannya terpaksa UMNO/BN sendiri yang akan tanggung.

Sekian Tun.

We are troubled and bothered by  
Our incompetence and irresponsible Govt  
We will continue our voice regardless

Our Govt are self centered by the representatives individual interest  
Than Malaysia interests as a whole above all  
Having an un reliable Leader Najib has resulted so  
The Head is not right  
The whole body goes a mess  
And foreigners have been taking advantage of all  
Left Malaysians especially the Bumis behind as the last citizen

Najib rulin has indicates vast land to be pawn and sold  
He himself sold lands to cover his wrongs  
Selling lands to cover his stupidity is not the solutions  
1MDB debts should be covered on its own  
Not selling yr land and says it already solves  
It's kind of irresponsible act , very dishonesty an act should be condemn  
Failed to curbs Opposition DAP selling of land to foreigners  
Leaving the Bumis A stray  
Reasons to create work is just an excuse for their intentions  
That is to invade and change history  
It's like US excuses to invade giving reasons it's all about democracy  
The actual intentions is to invade and puppet  
Najib ruling also failed to deter Sultan of JOhor developing lands and brings more and more  
foreigners  
It's very much seen like in Singapore  
S,porean was pushed away treated like the last citizens  
The importance of the Govt is above all at the expense of the people  
S,porean are squeeze to death to suffocation

Najib learning of S,pore is very wrong  
Even it's seen much S,pore have been taking a ride on Malaysia

Najib Failed to put Malaysia interest above all  
The Bumi,s are feeling it now  
Make yr true survey Mr.Govt  
You will understand

Gradually Malaysia will be invaded by foreigners  
Left the Bumi miserable ,scattered ,live in asylum at their own land  
Like the Malay S,porean have suffered

Now the Bumi,s have feel the Heat  
The burning wil comes by then it's too late

Hidup Najib !  
Mati Bumi !

Salam Tun.

1. Selalunya begitulah. Ramai yang mengundur sehingga akhir hayatnya.
2. Kalau setakat uzur seseorang itu tidak mendatangkan apa-apa masalah besar dalam perkhidmatan kepada majikan selalunya terus diberi peluang.
3. Majikan kita ialah kerajaan. Kerajaan dibentuk oleh perlembagaan negara yang telah tertulis sekian lama.
3. Pasti kerajaan tidak sekejap sebagaimana kita ketahui dengan adanya undang-undang bertulis atas perkara-perkara yang melibatkan kesihatan.
4. Malah undang-undang dalam kerajaan telah memberi peluang kepada tokoh-tokoh yang sakit meneruskan perkhidmatan dengan mengadakan panel-panel kesihatan mendapat rawatan dengan kemudahan cuti rehat.
5. Melainkan atas kerelaan sendiri pemberi khidmat untuk meletak jawatannya atau tidak dapat lagi mengikut terma-terma yang ditetapkan contohnya ada unsur penipuan atas kemudahan yang diberikan.
6. Ada beza antara seorang ketua kerajaan dengan ketua yang memiliki Syarikat sendiri. Dalam kerajaan, ketua itu sendiri perlu mematuhi undang-undang kerajaan iaitu majikan kita.
7. Yang pasti kerajaan dengan undang-undang yang bertulis sekian lama tidaklah sekejap dengan ketua yang bertindak bagi kerajaan itu miliknya.
8. Yang boleh menentukan seseorang itu patut diberkhentikan ialah kerajaan iaitu majikan kepada ketua negara Malaysia.

9. Sebab itulah kita rakyat (yang tertindas akibat perkara yang direncanakan oleh menteri-menteri yang bekerja bagi majikannya iaitu kerajaan) patut membantah atas usaha kerajaan dalam kes TPPA.

10. Rimba Emas sendiri ketika ini dalam delima akan jaminan kerajaan akan perjanjian TPPA. Belum pun perjanjian ditangani isteri Rimba Emas kehilangan pekerjaan dalam Syarikat milik negara Australia iaitu UBC Commercial Vehicles(Malaysia)sdn.bhd.

11. Setelah bekerja berbelas tahun inilah dugaan yang terpaksa di terima akibat bebanan hutang oleh pelabor asing.

12. Pemberhentian secara mengejut tanpa gaji dengan bebanan hutang kredit ditambah kos kehidupan yang meningkat, adakah jaminan kerajaan oleh TPPA milik negara asing boleh menjamin apa yang keluarga Rimba Emas hadapi sekarang ?

13. Sedangkan sekarang pun keluarga Rimba Emas terpaksa menanggung sendiri kesulitan yang berlaku, adakah jaminan dari kerajaan yang tidak menerima musibah ini sanggup menerima perjanjian TPPA ini?

14. Benarlah sebagaimana kata-kata Allah s.w t didalam Al-Quran tangan-tangan manusialah yang merosakkan bumi ini.

15. Manusia-manusia didalam kerajaanlah yang akan merosakkan sesebuah kerajaan itu bukannya salahkan kerajaan yang menentang kerajaan yang telah dibentuk sekian lama.

Wallahua'lam.

Assalamualaikum Ayahanda Tun,

Well said ayahanda Tun.

The late Tun Razak was diagnose with one critical illness but even then he could deliver the best for his nation.

The late Dato' Salleh Majid was on dialysis treatment for so many years and he too perform well his duties.

Today patient on dialysis have been recorded to sustain up to 30 years and there is no issue for Gani Patail.

Abu Kassim have no critical illness but his boss Najib is one sick person.

Najib need to step down to get proper treatment.

Wasalam Tun.

Salam Tun

The rule-of-law movement cannot be fully successful without answering to the question: does the rule of law matter for economic, social, political, spiritual development or not?

Malaysia has to strengthen the rule of law – that is, the rules of society, as pertaining to the protection of property rights, individual/group rights, the rights to practice religion, the police, the judiciary, and the levels of crime and violence. But it is not as simple as passing legislation; the rule of law is also about the respect that those rules are accorded; whether the rules apply equally to everyone (regardless of socioeconomic or ethnic status), and whether those rules are implemented and abided by.

Malaysia should not be developed only in the economic sense. It must be a nation that is fully developed along all the dimensions: economically, politically, socially, spiritually, psychologically and culturally. We must be fully developed in terms of national unity and social-cohesion, in terms of our economy, in terms of social justice, political stability, system of government, quality of life, social and spiritual values, national pride and confidence.

So before we even speak about rule-of-law, we need to document and understand the existing implicit and explicit rule-of-law which some groups or individual may have problem in understanding them.

Wassalam

Assalamualaikum, Tun.

Mengikut maklumat yang Tun beri, sekiranya Abdul Ghani Patail mengalami penyakit buah pinggang, maka atas sebab kesihatan, beliau ditukar-ganti, adalah sesuatu yang waras dan boleh diterima Rakyat.

Dari perspektif yang lain, kalaulah seseorang Ketua MACC itu hanya berusia 40, apakah harus dia dikekalkan dalam jawatan itu sampai usia pesaraan pada 60? Jika sebegitu, maka dia akan menyandang kerusi selama 20 tahun, berdasarkan fakta usia bersara iaitu 60 tahun! Itu nampaknya kurang sesuai juga.

Assalamualaikum, Tun.

The rights to remove and appoint new AG in the hands of PM/ Government have been set since long time ago, and perhaps the authority/ power is something inherited from Tun's era.

However, MACC was a valuable contribution of Pak Lah to help safeguard the nation's interest in the long run. It is still new. If it is deemed less appropriate for the Head of Government to change in his capacity as PM, perhaps the lawmakers should voice it out, to change and reinforce independence of the body/ function. Perhaps the appointment/ removal of MACC Head shall be subject to the Parliament's/ Agong's approvals.
