**Chedet.cc**  
**27 January 2016**  
**Tun Dr Mahathir Mohamad**

1. In Malaysia the Attorney General decides if a law has been broken or not. That decision is in fact a judgement. The A.G. is both a judge and a prosecutor. This in itself is an injustice.

2. I admit I was not shocked when the A.G. decided that the report by the MACC does not show that the Prime Minister has committed any criminal act when 2.6 billion Ringgit is found in his private account or a further amount of 42 million Ringgit was also in his account. I had already said it would be his decision.

3. Merely having that amount of money in a Prime Minister's account is already wrong even though it may not be criminal. But now the A.G. declares that the money was a gift from the Saudis.

4. It seems there was a letter by a Saudi stating that a sum of US\$ 681 million or RM2.08 billion was a donation for the PM's contribution to the fight against Islamic terrorists. Who is this Arab, how does he have the huge sum of money to give away, what is his business, what is his bank, how was the money transferred, what documents prove these. Just a letter from a deceased person or some nonentity is enough for the A.G.

5. Then he goes on to say that the balance of US\$620 million or RM2.03 billion has been returned to the Saudis. How and when was this done? We are told the balance is frozen by Singapore. Can Singapore explain the unfreezing and the delivery back to the Saudis? Or does Singapore also believe in the free gift story, the letter and the Saudi admission.

6. Singapore is a financial centre. Can it be so gullible?

7. Then the A.G. concludes that there is no case for Najib to answer. He also directed MACC to close the case and cease investigation.

8. I thought the MACC is an independent body. Now it seems it is subordinate to the A.G. and it takes orders from him. No wonder Malaysia is included among the ten most corrupt countries in the world. The Anti-Corruption Agency is not free.

9. I was right when I predicted that the A.G. will reject the report by the MACC as he did with the report by Bank Negara.

10. A lot of people must know the contents of both reports. But they have all seen what can happen even when someone lodges a report to the police. And they are scared.

11. I am scared too. In Malaysia today laws and rules no longer protect the people. The OSA for example is used to prevent reports from reaching the people. On the other hand people are now exposed to abuse of the OSA and they may end up in jail. Even the ISA did not frighten people as much.

12. Quo vadis Malaysia.

VERSI BM

QUO VADIS (KE MANA ARAHNYA?)

1. Di Malaysia, Peguam Negara yang memutuskan jika sesuatu undang-undang dilanggar atau tidak. Keputusan tersebut merupakan satu penghakiman. Peguam Negara bertindak sebagai Hakim dan Pendakwa Raya. Ini dengan sendirinya satu ketidakadilan.
2. Saya mengaku saya tidak terperanjat apabila Peguam Negara memutuskan laporan oleh SPRM tidak menunjuk YB Perdana Menteri telah melakukan perbuatan jenayah apabila RM 2.6 bilion dijumpai di dalam akaun peribadi beliau atau selanjutnya jumlah RM 42 juta juga didapati di dalam akaun beliau. Saya telah menyatakan Peguam Negara akan membuat keputusan yang sedemikian.
3. Hanya dengan mempunyai sejumlah wang berkenaan sahaja di dalam akaun Perdana Menteri adalah menjadi satu kesalahan walau pun ianya mungkin bukan perbuatan jenayah. Tetapi kini Peguam Negara telah mengistiharkan wang tersebut merupakan hadiah Dari pihak Arab Saudi.
4. Kononnya terdapat sepucuk surat dari Saudi yang menyatakan bahawa wang berjumlah USD 681 juta atau RM 2.08 bilion adalah hadiah kepada Perdana Menteri atas sumbangan beliau melawani penganas Islam. Siapakah gerangan Arab ini, bagaimana beliau mempunyai wang yang begitu banyak untuk diderma, apakah jenis perniagaan beliau, apakah maklumat perbankannya, bagaimana wang berkenaan disalurkan, apakah dokumen-dokumen bagi membuktikannya? Hanya sepucuk surat dari individu yang telah meninggal atau badan-badan yang agak samar latar belakangnya adalah memadai untuk Peguam Negara.
5. Kemudian beliau menyatakan bahawa baki USD 620 juta atau RM 2.03 bilion telah dipulangkan kepada pihak Saudi. Bagaimana dan bila ini dilakukan? Kita dimaklumkan baki berkenaan telah dibekukan oleh pihak Singapura. Bolehkah pihak Singapura menjelaskan pembatalan pembekuan dan penghantaran semula kepada pihak Saudi? Atau adakah pihak Singapura juga mempercayai cerita sumbangan percuma, surat berkenaan dan pengakuan pihak Saudi?
6. Singapura adalah sebuah pusat kewangan. Adakah negara tersebut begitu mudah mempercayainya?
7. Kemudian Peguam Negara memutuskan bahawa tidak ada kes terhadap Najib. Beliau juga mengarahkan supaya pihak SPRM menutup kes berkenaan dan memberhentikan penyiasatan.
8. Saya fikirkan pihak SPRM merupakan badan yang bebas. Namun kini kelihatan SPRM berada di bawah bidang kuasa Peguam Negara dan menerima arahan dari pihaknya. Tidak hairanlah Malaysia termasuk dalam senarai antara sepuluh negara yang paling korup di dunia. Badan pencegah rasuah tidak bebas.
9. Adalah bertepatan apabila saya meramalkan bahawa Peguam Negara akan menolak laporan dari SPRM seperti mana yang berlaku dengan laporan dari Bank Negara.

10. Ramai orang semestinya telah mengetahui isi kandungan kedua-dua laporan berkenaan. Walau bagaimana pun mereka telah melihat apa yang boleh terjadi apabila seseorang membuat laporan kepada polis. Dan mereka berasa takut.

11. Saya juga takut. Hari ini undang-undang tidak lagi melindungi orang ramai. Sebagai contoh, Akta Rahsia Resmi kini digunakan untuk menghalang laporan-laporan dari diketahui umum. Sebaliknya orang ramai kini terdedah dengan penyalahgunaan Akta Rahsia Resmi dan risiko dimasukkan ke penjara. Seheinggakan Akta Keselamatan Dalam Negeri tidak memberi ketakutan yang sedemikian kepada orang ramai.

14. Why?

15. Even if mca hired lawyers can perform better than umno hired lawyers, it wont change the mind of the voters, especially the malay.

16. Tun ling withdraw the case at least as tun he can save perlis sultan as agong, mca and bn from being attack by dap, pas and pkr oppsition parties to march into putrajaya.

17. Do not worry about the chinese votes.

20. Jika kaum melayu cum bumiputra ingin memperkuasai ekonomi mereka dengan cara yang haram, golongan bangsawan ini hanya mengundurkan diri dan berhijrah ke negara asing.

Assalamualaikum Tun.

Cerita derma 2.6b ini cara pengendaliannya hanyalah seperti cerita bauksit bandar merah.

Cara MB selesaikan persoalan.

MB bolehlah setakat cara macam itu sebab ada sultan di atas.

Tapi kalau dah berpangkat PM dan cara pengendalian seperti MB maka jadi hancus la...

Ada kuasa guna kuasa tak tentu arah. Pusing sana pusing sini.

Kesimpulannya salah tetap salah. Pusinglah ikut mana sekalipun.

Terima kasih Tun.

In simple word

Najib is never an economist , Nor a politician

He is only born by a politician ,his late Father Tun Razak

He has no sound qualifications , Nor an intelligent leader

This is where it is wrong

As Salam Tun,

Semakin menyampah dan bosan dengan episod RM2.6b. Duit ini dikatakan derma. Siapa yang beri dan kenapa diberi tidak dinyatakan dengan jelas.

Yang jelas ialah bila Perdana Menteri terima derma ke dalam akaun peribadi, ia telah dibenarkan.

Boleh ke dari segi undang undang dan dari segi moral seorang PM menerima sejumlah wang derma sebanyak itu?

Saya dan kawan kawan saya seramai 7 orang tidak percaya kepada penjelasan DS Najib dan Peguam Negara.

Kami ketawa dengan menyatakan bahawa DS Najib dan Peguam Negara ingat mereka menerangkan kepada budak budak darjah Satu.

Kami yang seramai 7 orang ini adalah penyokong BN tetapi sekiranya DS Najib masih Pengerusi BN semasa pilihanraya ke 14, kami ingin menyatakan sayonara BN.

Bukan kami tak kenang budi dan bukan kami tidak tahu BN banyak jasanya lebih lebih lagi semasa Tun menjadi PM, tetapi kami berasa muak dengan Pengerusi BN/Presiden UMNO.

Sekiranya pakatan Pembangkang bersatu semula iaitu PAS, PKR, ,AMANAH, dan DAP kami tak dapat memikirkan bagaimana BN hendak melawan kerana hendak mengangkat muka pun belum tentu boleh.

Tunggu tengok budget 2016 – penilaian semula. Apa pulak DS Najib nak buat. He has no idea!!!

Wasalam Tun. Take care.

p/s Kita orang sokong Mukhriz di Kedah.

This donor is interfering with the domestic affairs of Malaysia.

There is also the question of money laundering.

Should not there be additional investigation in these 2 factors

Assalamualaikum Tun,

Goodbye Justice, Welcome Injustice!

Thank you Mr new Ag for banging your head ang slogging away day and night to come to the expected and predicted verdict: "I hereby, your protector and loyal servant, found you free from all criminal charges and intent, and you are legally allowed by my law to ask or demand for any amount of donation from any person, dead or alive, as you wishes from this day set forth".

By the word of the mighty Mr new Ag, the case is closed.

Tun, Mr new Ag has breached his promise to uphold his role of duty as the man of law. Ya right, his law. He should be given credit for a job well done, as the chosen one to protect and set free his Master. And what was he promised in return? Nothing is for free in the greedy world of today.

How should Malaysia react Tun? This is not the downfall of a nation but the downfall of a man and his merry making aides. These people has set a very bad precedent to follow. And it is a very dangerous one to follow.

Tun, is the sly, conniving, sneaky, care-less one always survive and get his way? May the good prevails over the bad.

Tun, you know the outcome, we all know. All we can do now is pray to Allah that they will do no further damage to our beloved country, Malaysia. May Allah Save and Protect our country. Amin.

May Allah Bless you Tun. May Allah grant you wealth in health and happiness. Take care and Thank you so much Tun.

Suratkhabar hari ini memetik laporan BBC yang mengatakan wang itu merupakan derma dari Raja Abdullah ....

orang kita telah pun mengesahkan bahawa sudah berjumpa dengan penderma untuk meneliti dokumen-dokumen ...

jangan risau sekiranya kamu mempunyai keraguan ... walaupun Raja Abdullah sudah lama mangkat ... kita masih ada kuasa ajaib yang boleh bertutur dengan baginda ...

memang pun kita hebat

Assalamualaikum Tun.

Saya sealiran dengan pandangan Tun dalam hal ini.

Rata-rata rakyat di luar sini memandang serong tentang pengumuman peguam negara dalam hal ini.

Tidak hairanlah di media sosial ada yang melabelkan Najib dan Rosmah penipu besar rakyat Malaysia.

Dalam masa terdekat ini pula rakyat Malaysia menunggu apa peranan sultan dalam isu "pemecatan Mukhriz sebagai MB Kedah"?

Kita sedia maklum kita mempunyai PM yang tidak bijak lagi "pembongkah besar" bukan "berjiwa besar" seperti diwar-warkan Tun.

Apa yang saya amati di luar sini, jika institusi kesultanan Melayu pun mengikut telunjuk "bodoh" Najib, maka kemungkinan rakyat pun semakin hilang hormat kepada institusi ini seperti mana hilangnya hormat rakyat kepada Najib dan kuncu-kuncunya.

Maaf Tun, sekadar renungan kita semua.

Semuga Tun sihat.

Assalam,

1. Terkejut juga, apabila Keluarga Saud sanggup mendermakan sejumlah wang yang besar untuk melindungi Malaysia dari teroris daripada menderma kepada Kerajaan Palestin yang sememangnya di dalam kesengajaan.

2. Terkejut juga, Kerajaan Saud hendak meluluskan tambahan jemaah haji bagi rakyat Marhaen Malaysia pun tidak dapat tapi boleh direct bank in ke personal akaun seorang individu.

3. Lebih baik guna duit tu untuk lindungi Makkah, Madinah dan Baitulmaqdis kerana inilah hala tuju ummah sedunia daripada Putrajaya yang menjadi hala tuju sesuatu organisasi kecil sahaja.

4. Dalam laporan berita ada mengatakan bahawa kertas siasatan adalah setinggi orang dewasa, akan tetapi kenyataan media cuma 1 muka surat sahaja. Kenyataan media untuk hal penajaan Dato' Vida ke Kelantan pun lagi panjang.

5. Sekarang, terang-terangan IS sudah datang dan berada di Malaysia. Mintalah balik derma, dapat separuh pun jadilah.

6. Apa lagi DSN. Dengan pembuktian penyiasatan, mulakanlah aktiviti saman-menyaman. Mulakan dengan WSJ. Dengan ini dapatlah memulihkan spekulasi dan ekonomi negara bahawa pemimpin Malaysia ini tidak korup malahan terlebih jujur dengan dengan pulangkan balik derma.

7. Umpama kita berikan derma pada orang buta, kita derma RM100 selepas itu orang buta datang balik pulangkan RM90 dengan alasan " tak pa lah, saya pakai RM10 je". Pelik lagi ajaib, tau pulak orang buta tu yang kita bagi RM100.

8. Tidak perlu komen pemimpin Jabatan/Suruhanjaya atau apa-apa orgsnisasi dalam Malaysia ni kalau dah "Perdana Menteri" pun pusing berbelit-belit yang lain pun terbelitlah jawabnya.

9. Quo Vadis Malaysia, rasanya kita kearah Goverment Transformation Plan (GTP) di mana kita dari dasar demokrasi liberal berparlimen ke dinasti kapitalis sekular kominisme.

"One door in, one door out"

Salam Tun.

1. Diharap sesiapa rakyat Malaysia yang mempunyai kaum keluarga di Arab Saudi terutama lama disana akan mendapat gambaran dari saudara se muslim kita lebih-lebih lagi kalangan kerabat Raja Abdullah.

2. Kemewahan Raja Abdullah menderma kepada seorang bernama Datuk Sri Najib rakyat asing yang bukan warga negara Arab Saudi patut kita maklumkan kepada warisnya dan rakyat Arab Saudi.

3. Adakah tindakan Raja Abdullah itu betul sedangkan baru-baru ini rakyat Saudi sendiri dibebankan kenaikan harga bila ekonomi mereka menguncup.

4. Cerita dari pihak Saudi akan mendapat gambaran sebenar wang derma itu dan maruah Raja Abdullah sendiri di mata rakyatnya adakah wang itu untuk kebajikan atau sebaliknya.

5. Kenapa di pulangkan balik ? bermakna Datuk Sri Najib berpendapat Raja Abdullah telah melakukan kesalahan untuk merasuhnya supaya menjadi kroninya menentang pegganas.

6. Raja Abdullah dan warisnya perlu ceritakan perkara sebenar adakah perkara yang dapat membersihkan Datuk Sri Najib ini adakah benar ? Sebab jika betul, Raja Abdullahlah yang maruahnya buruk pada pandangan mata rakyat Malaysia dan Arab Saudi.

7. Di Malaysia kebersihan wang 2.6 billion dikatakan dari wang derma dengan satu bukti sahaja iaitu dari Raja Abdullah. Ia bukti yang dikemukakan oleh AG negara tanpa bicara di mahkamah.
8. Tiada siasatan sama ada apa yang dikatakan itu betul atau tidak. Untuk mendapatkan samada kata-kata AG dan PM itu betul atau tidak, perlulah melalui perbicaraan dengan penyiasatan dengan bukti-bukti dari awal pengaliran wang keluar masuk.
9. Juga penyiasatan si pemberi sumber kewangan itu dengan bukti 'bank statement' dengan tarikh keluar masuknya dari rekod oleh pihak bank dengan yang tertuduh.
10. Kalau tertuduh tidak dapat memberi bukti rekod kewangan yang betul bermakna sudah ada penyelewengan berlaku terhadap urusan tersebut.
11. Salah urus menyebabkan kerugian adalah juga satu kesalahan dan patut diganti dengan yang dapat menyediakan urusan yang tepat supaya dapat diketahui wang yang menyebabkan hutang dilakukan oleh siapa.
12. Kata-kata itu benar atau bohong hanya boleh di ketahui dari bukti-bukti yang bertulis dan tidak berubah-ubah.
13. Perbicaraan mahkamah adalah satu jalan yang betul untuk menjatuhkan hukuman. Malah hukuman itu betul atau salah akan berterusan sehinggalah hari akhirat.
14. Ingatlah para hakim dan pesalah di dunia anda semua akan dibicarakan kembali pada hari akhirat nanti .

Wallahua'lam

Not reporting to the proper authority when Najib was donated  
was certainly evidence of very sure thing are wrong  
If Najib had registered the donations or any gifts  
No one can have the right to ask  
This is clear common sense Mr Lawman

So this is to conclude

Any govt personnel nor officer or minister has the right to keep  
any forms of gifts without informing the relevant authority  
So if they were known to have receives  
They can always says its a donation from a Mr.Donate  
It is of no offense

So hear these Malaysia Govt Servant

You can have the right to accept any gifts , money , sex ,property or in any form  
If you were caught just says its a Donation

I will enlist myself to the Police Force  
Never mind if they did not give me any salary or benefits  
I can find my means by getting money from the public  
If caught I say its a Donations  
If matters are out of hand  
I will return back the money to Mr Donate  
Tomorrow I will find another new Donator

SRC RM42m transferred 2014.

Makes no sense someone with over RM2 billion still needing a lousy RM42 million for personal expenditure.

please allow me a courtesy reply to Dear Tun, "isayso".

Thank your for your extensive response. You seem to know a fair bit about the Automotive Industry. Some of your conclusions and understandings I do not share though. But I can not expand to more in public and I am gad you appreciate that.

I have suggested Tun to have me contacted at [alfred.willner@euromotors.ltd.gi](mailto:alfred.willner@euromotors.ltd.gi) which I suppose he will do at his very own pace and in his own due time. He has address me here in a LETTER TO ALFRED WILLNER once. His reply will be welcome in any way he chooses.

If you want to maintain correspondence with me on the subject please address me by e-mail too.

Thank you again, and kind regards

2. We have been getting away with a lot of abuse of power.
3. Yes, it is wrong, abuse of power of his office as PM.
4. FT reports not true.
- 5-6 Singapore should explain a lot given good governance stance.
- 7-8 Gross abuse of power in not following recommendations without proper explanation. If MACC disagree, AG should refer to courts.
9. Serial abuse of power of a system designed for use, not abuse.

Dear Tun,

Quo vadis, where are we headed Malaysia? Looks like we are headed for doom. Everything is going haywire here. The PM is a crazy man. And he has made this contagion to all, from himself to all the key government institutions. The new Attorney General is his puppet alright. The others in his puppetry cabinet, the heads of PDRM, SPRM, Bank Negara, all seem to be 'bewitched' and just succumb to this PM's dictates. Najib has clearly turned our country into a dictatorship rule. He is just so powerful that he has no more shame when he instructs this and that, dismiss replace, 'dismiss for eternity' aka hello hereafter, block bloggers and news from reaching the people, and so many more outrageous acts of this villain PM and his government.

Malaysia and her people are really headed for doom, Tun. First time in our history. Kesiannya kita. Everything that we have built through all of the years, your 22 years included, penat lelah, has been

ripped off just like that by this schizophrenic. He has all this planned, not just when he took power in 2009, but when he became the DPM, and while he climbed the ladder of politics through the years. And now that he is at the top, the whole country he has ridden, we are now at his whims and fancies. Shame is not in his vocabulary. It's do or die for this person.

So where now Tun, where are we going? You said it, you are also scared. How about us rakyat? Kami lagi lah, tak mampu buat apa-apa. Dan kami takut. Kami takut dengan permusuhan kaum yang bagai sengaja diapi-apikan, kami takut dengan kewujudan militan. Tapi itulah yang kerajaan Najib hendak tanamkan, bukan. Kerajaan ini hendak tanamkan bibit-bibit ketakutan pada rakyat. Supaya, dengan kuasa-kuasa yang diberi kepada PM terutama di bawah Akta MKN, beliau boleh menguasai negara ini selama mana beliau hendak. Saya dan keluarga takut, apakah PRU yang berikutnya akan benar berlaku, ditangguh, atau apakah nasib rakyat Malaysia, Tun. Sudah pun di Sabah sebelah pantai timurnya, keadaan perintah berkurung itu seperti sudah kebiasaan di benak rakyat di sana. Pengganas suluk yang bagai belum dapat lagi diuruskan oleh kerajaan kita sekarang. Berkuasa juga suluk filipina ini ye, Tun, sampai Hishamuddin dan Zahid pun tak terdaya menguruskannya.

By the way Tun, today I cannot find blog Outsyed The Box, Dinturtle. Maybe some other blogs too. Not to mention no access to SR, or WSJ yang berbayar tu. Tak mampulah Tun. However, I still take heart cos still can access the sites and news

They may be able to manipulate the justice system but they won't be able to manipulate the moral code of the majority of Malaysians. As of today, many Malaysians no longer consider the BN leadership worthy of respect. Without the support of the peoples' hearts and minds, the only direction this country will go is down. Will the still lumbering/care-less people wake up now? Malaysians are like the frog being slow boiled – it gets a little more uncomfortable each passing day but many won't take action as they are fearful of the unknown (e.g. DAP Chinese takes over the country).

Assalamualaikum, Tun.

The tradition of AG deciding if a law has been broken or if legal action shall be initiated is something inherited.

During the time of Abdul Gani Patail as AG, it happened. In the case of V K Linggam, where Tun was accused of manipulating court decision, Abdul Gani Patail made the decision too, to clear Tun's name!

It's in the best interests of our nation, to let our leaders focus and address economic issues now.

Be it right or wrong, let Rakyat judge in our eyes and vote accordingly in the coming general election. And, the wrong and sinful ones will need to face Allah SWT then.
